(b) For the purposes of the said act of March 3, 1933 [see Tables for classification], and the other laws referred to in the first paragraph of the preamble of this order, the bid or offered price of materials of domestic origin shall be deemed to be unreasonable, or the purchase of such materials shall be deemed to be inconsistent with the public interest, if the bid or offered price thereof exceeds the sum of the bid or offered price of like materials of foreign origin and a differential computed as provided in subsection (c) of this section.

(c) The executive agency concerned shall in each instance determine the amount of the differential referred to in subsection (b) of this section on the basis of one of the following-described formulas, subject to the terms thereof:

(1) The sum determined by computing six per centum of the bid or offered price of materials of foreign origin.

(2) The sum determined by computing ten per centum of the bid or offered price of materials of foreign origin exclusive of applicable duty and all costs incurred after arrival in the United States: provided that when the bid or offered price of materials of foreign origin amounts to less than \$25,000, the sum shall be determined by computing ten per centum of such price exclusive only of applicable duty.

SEC. 3. Nothing in this order shall affect the authority or responsibility of an executive agency:

(a) To reject any bid or offer for reasons of the national interest not described or referred to in this order; or

(b) To place a fair proportion of the total purchases with small business concerns in accordance with section 302(b) of the Federal Property and Administrative Services Act of 1949, as amended [41 U.S.C. 252(b)], section 2(b) of the Armed Services Procurement Act of 1947, as amended [41 U.S.C. 151(b)], and section 202 of the Small Business Act of 1953 [15 U.S.C. 631]; or

(c) To reject a bid or offer to furnish material of foreign origin in any situation in which the domestic supplier offering the lowest price for furnishing the desired materials undertakes to produce substantially all of such materials in areas of substantial unemployment, as determined by the Secretary of Labor in accordance with such appropriate regulations as he may establish

and during such period as the President may determine that it is in the national interest to provide to such areas preference in the award of Government contracts: *Provided*, that nothing in this section shall prevent the rejection of a bid or offered price which is excessive; or

(d) To reject any bid or offer for materials of foreign origin if such rejection is necessary to protect essential national-security interests after receiving advice with respect thereto from the President or from the Director [now Administrator] of the Federal Emergency Management Agency. In providing this advice the Director [Administrator] shall be governed by the principle that exceptions under this section shall be made only upon a clear showing that the payment of a greater differential than the procedures of this section generally prescribe is justified by consideration of national security.

SEC. 4. The head of each executive agency shall issue such regulations as may be necessary to insure that procurement practices under his jurisdiction conform to the provisions of this order.

SEC. 5. This order shall apply only to contracts entered into after the date hereof. In any case in which the head of an executive agency proposing to purchase domestic materials determines that a greater differential than that provided in this order between the cost of such materials of domestic origin and materials of foreign origin is not unreasonable or that the purchase of materials of domestic origin is not inconsistent with the public interest, this order shall not apply. A written report of the facts of each case in which such a determination is made shall be submitted to the President through the Director of the Office of Management and Budget by the official making the determination within 30 days thereafter.

§ 11. No contracts or purchases unless authorized or under adequate appropriation; report to the Congress

(a) No contract or purchase on behalf of the United States shall be made, unless the same is authorized by law or is under an appropriation adequate to its fulfillment, except in the Department of Defense and in the Department of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, for clothing, subsistence, forage, fuel, quarters, transportation, or medical and hospital supplies, which, however, shall not exceed the necessities of the current year.

(b) The Secretary of Defense and the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy shall immediately advise the Congress of the exercise of the authority granted in subsection (a) of this section, and shall report quarterly on the estimated obligations incurred pursuant to the authority granted in subsection (a) of this section.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to continue the executive branch's commitment to fighting abusive child labor practices, it is hereby ordered as follows:

Within 120 days after the date of this order, the Department of Labor, in consultation and cooperation with the Department of the Treasury and the Department of State, shall publish in the Federal Register a list of products, identified by their country of origin, that those Departments have a reasonable basis to believe might have been mined, produced, or manufactured by forced or indentured child labor. The Department of Labor may conduct hearings to assist in the identification of those products.

SEC. 3. *Procurement Regulations*. Within 120 days after the date of this order, the Federal Acquisition Regulatory Council shall issue proposed rules to implement the following:

(a) *Required Solicitation Provisions*. Each solicitation of offers for a contract for the procurement of a product included on the list published under section 2 of this order shall include the following provisions:

(1) A provision that requires the contractor to certify to the contracting officer that the contractor or, in the case of an incorporated contractor, a responsible official of the contractor has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract and that, on the basis of those efforts, the contractor is unaware of any such use of child labor; and

(2) A provision that obligates the contractor to cooperate fully in providing reasonable access to the contractor's records, documents, persons, or premises if reasonably requested by authorized officials of the contracting agency, the Department of the Treasury, or the Department of Justice, for the purpose of determining whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract.

(b) *Investigations.* Whenever a contracting officer of an executive agency has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture a product furnished pursuant to a contract subject to the requirements of subsection 3(a) of this order, the head of the executive agency shall refer the matter for investigation to the Inspector General of the executive agency and, as the head of the executive agency or the Inspector General determines appropriate, to the Attorney General and the Secretary of the Treasury.

(c) *Remedies.*

(1) The head of an executive agency may impose remedies as provided in this subsection in the case of a contractor under a contract of the executive agency if the head of the executive agency finds that the contractor:

(3) The head of an executive agency may debar or suspend a contractor from eligibility for Federal contracts on the basis of a finding that the contractor has engaged in an act described in subsection 3(c)(1) of this order. The provision for debarment may not exceed 3 years.

(4) The Administrator of General Services shall include on the List of Parties Excluded from Federal Procurement and Nonprocurement Programs (maintained by the Administrator as described in the Federal Acquisition Regulation) each party that is debarred, suspended, proposed for debarment or suspension, or declared ineligible by the head of an agency on the basis that the person has engaged in an act described in subsection 3(c)(1) of this order.

(5) This section shall not be construed to limit the use of other remedies available to the head of an executive agency or any other official of the Federal Government on the basis of a finding described in subsection 3(c)(1) of this order.

SEC. 4. *Report.* Within 2 years after implementation of any final rule under this order, the Administrator of General Services, with the assistance of other executive agencies, shall submit to the Office of Management and Budget a report on the actions taken pursuant to this order.

SEC. 5. *Scope.* (a) Any proposed rules issued pursuant to section 3 of this order shall apply only to acquisitions for a total amount in excess of the micro-purchase threshold as defined in section 32(f) of the Office of Federal Procurement Policy Act (41 U.S.C. 428(f)).

(b) This order does not apply to a contract that is for the procurement of any product, or any article, material, or supply contained in a product that is mined, produced, or manufactured in any foreign country if:

(1) the foreign country is a party to the Agreement on Government Procurement annexed to the WTO Agreement or a party to the North American Free Trade Agreement ("NAFTA"); and

(2) the contract is of a value that is equal to or greater than the United States threshold specified in the Agreement on Government Procurement annexed to the WTO Agreement or NAFTA, whichever is applicable.

SEC. 6. *Definitions.* (a) "Executive agency" and "agency" have the meaning given to "executive agency" in section 4(1) of the Office of Federal Procurement Policy Act (41 U.S.C. 403(1)).

(b) "WTO Agreement" means the Agreement Establishing the World Trade Organization, entered into on April 15, 1994.

(c) "Forced or indentured child labor" means all work or service (1) exacted from any person under the age of 18 under the menace of any penalty for its non-performance and for which the worker does not offer himself voluntarily; or (2) performed by any person under the age of 18 pursuant to a contract the enforcement of which can be accomplished by process or penalties.

SEC. 7. *Judicial Review.* This order is intended only to improve the internal management of the executive branch and does not create any rights or benefits, substantive or procedural, enforceable by law by a party against the United States, its agencies, its officers, or any other person.

For transfer of functions of all other officers, employees, and agencies of Department of Labor, with certain exceptions, to Secretary of Labor, with power to delegate, see Reorg. Plan No. 6 of 1950, §§ 1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1263, set out in the Appendix to Title 5, Government Organization and Employees.

§ 39. Hearings on Walsh-Healey provisions by Secretary of Labor; witness fees; failure to obey order; punishment

Upon his own motion or on application of any person affected by any ruling of any agency of the United States in relation to any proposal or contract involving any of the provisions of sections 35 to 45 of this title, and on complaint of a breach or violation of any representation or stipulation as provided in said sections, the Secretary of Labor, or an impartial representative designated by him, shall have the power to hold hearings and to issue orders requiring the attendance and testimony of witnesses and the production of evidence under oath. Witnesses shall be paid the same fees and mileage that are paid witnesses in the courts of the United States. In case of contumacy, failure, or refusal of any person to obey such an order, any District Court of the United States or of any Territory or possession within the jurisdiction of which the inquiry is carried on, or within the jurisdiction of which said person who is guilty of contumacy, failure, or refusal is found, or resides or transacts business, upon the application by the Secretary of Labor or representative designated by him, shall have jurisdiction to issue to such person an order requiring such person to appear before him or representative designated by him, to produce evidence if, as, and when so ordered, and to give testimony relating to the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof; and shall make findings of fact after notice and hearing, which findings shall be conclusive upon all agencies of the United States, and if supported by the preponderance of the evidence, shall be conclusive in any court of the United States; and the Secretary of Labor or authorized representative shall have the power, and is authorized, to make such decisions, based upon findings of fact, as are deemed to be necessary to enforce the provisions of sections 35 to 45 of this title.

(June 30, 1936, ch. 881, § 5, 49 Stat. 2038; June 25, 1948, ch. 646, § 32(b), 62 Stat. 991; May 24, 1949, ch. 139, § 127, 63 Stat. 107.)

CODIFICATION

As originally enacted, the words “, or the district court of the United States for the District of Columbia,” were set out following “Territory or possession”. Act June 25, 1948, as amended by act May 24, 1949, substituted “United States District Court for the District of Columbia” for “district court of the United States for the District of Columbia”. The words “United States District Court for the District of Columbia” have been deleted entirely as superfluous in view of section 132(a) of Title 28, Judiciary and Judicial Procedure, which states that “There shall be in each judicial district a district court which shall be a court of record known as the United States District Court for the district”, and section 88 of title 28 which states that “the District of Columbia constitutes one judicial district”.

§ 40. Exceptions from Walsh-Healey provisions; modification of contracts; variations; overtime; suspension of representations and stipulations

Upon a written finding by the head of the contracting agency or department that the inclusion in the proposal or contract of the representations or stipulations set forth in section 35 of this title will seriously impair the conduct of Government business, the Secretary of Labor shall make exceptions in specific cases or otherwise when justice or public interest will be served thereby. Upon the joint recommendation of the contracting agency and the contractor, the Secretary of Labor may modify the terms of an existing contract respecting minimum rates of pay and maximum hours of labor as he may find necessary and proper in the public interest or to prevent injustice and undue hardship. The Secretary of Labor may provide reasonable limitations and may make rules and regulations allowing reasonable variations, tolerances, and exemptions to and from any or all provisions of sections 35 to 45 of this title respecting minimum rates of pay and maximum hours of labor or the extent of the application of said sections to contractors, as hereinbefore described. Whenever the Secretary of Labor shall permit an increase in the maximum hours of labor stipulated in the contract, he shall set a rate of pay for any overtime, which rate shall be not less than one and one-half times the basic hourly rate received by any employee affected: *Provided*, That whenever in his judgment such course is in the public interest, the President is authorized to suspend any or all of the representations and stipulations contained in section 35 of this title. (June 30, 1936, ch. 881, § 6, 49 Stat. 2038; June 28, 1940, ch. 440, title I, § 13, 54 Stat. 681.)

(a) Repealed. Pub. L. 89-554, §8(a), Sept. 6, 1966, 80 Stat. 652

(b) Rules and regulations

In order to insure uniform and efficient administration of the provisions of this chapter, the Administrator of General Services, subject to such provisions, by general orders or general regulations—

(1) shall prescribe policies, principles, methods, procedures, and standards to govern the exercise of the authority and discretion and the performance of the duties and functions of all Government agencies under this chapter; and

(2) may require or restrict the exercise of any such authority and discretion, or the performance of any such duty or function, to such extent as he deems necessary to carry out the provisions of this chapter.

(c) Compliance

The exercise of any authority or discretion and the performance of any duty or function, conferred or imposed on any Government agency by this chapter, shall be subject to such orders and regulations prescribed by the Administrator of General Services pursuant to subsection (b) of this section. Each Government agency shall carry out such orders and regulations of the Administrator of General Services expeditiously, and shall issue such regulations with respect to its operations and procedures as may be necessary to carry out the policies, principles, methods, procedures, and standards prescribed by the Administrator of General Services. Any Government agency may issue such further regulations not inconsistent with the general orders or regulations of the Administrator of General Services as it deems necessary or desirable to carry out the provisions of this chapter.

(d) Personnel; supplies, facilities, and services

The Administrator of General Services may, within the limits of funds which may be made available, employ and fix the compensation of necessary personnel in accordance with the provisions of the civil-service laws and chapter 51 and subchapter III of chapter 53 of title 5, and make expenditures for supplies, facilities, and services necessary for the performance of his functions under this chapter. Without regard to the provisions of the civil-service laws, he may

employ certified public accountants, qualified cost accountants, industrial engineers, appraisers, and other experts, and contract with certified public accounting firms and qualified firms of engineers in the discharge of the duties imposed upon him and in furtherance of the objectives and policies of this chapter. The Administrator of General Services shall perform the duties imposed upon him through the personnel and facilities of the contracting agencies and other established Government agencies, to the extent that this does not interfere with the function of the Administrator of General Services to insure uniform and efficient administration of the provisions of this chapter.

(e) Publication in Federal Register

All orders and regulations prescribed by the Administrator of General Services or any Government agency under this chapter shall be published in the Federal Register.

L. 89-554, §8(a), Sept. 6, 1966, 80 Stat. 652.)

REFERENCES IN TEXT

The civil-service laws, referred to in subsec. (d), are set forth in Title 5, Government Organization and Employees. See, particularly, section 3301 et seq. of Title 5.

CODIFICATION

In subsec. (d) of this section, “chapter 51 and subchapter III of chapter 53” substituted for “the Classification Act of 1949” on authority of Pub. L. 89-554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees.

In the second sentence of this section, provisions that authorized the appointment of a Deputy Director and that authorized the employment of certified public accountants, qualified cost accountants, industrial engineers, appraisers, and other experts without regard to “the Classification Act of 1923”, were omitted as obsolete. Sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the 1923 Act and all laws or parts of laws inconsistent with the 1949 Act. While section 1106(a) of the 1949 Act provided that references in other laws to the 1923 Act should be held and considered to mean the 1949 Act, it did not have the effect of continuing the exceptions contained in this sentence because of section 1106(b) which provided that the application of the 1949 Act to any position, officer, or employee shall not be affected by section 1106(a). The Classification Act of 1949 was repealed by Pub. L. 89-554, Sept. 6, 1966, §8(a), 80 Stat. 632 (of which section 1 revised and enacted Title 5 into law). Section 5102 of Title 5 contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

AMENDMENTS

1966—Subsec. (a). Pub. L. 89-554 repealed subsec. (a) which provided for the appointment, pay, and term of the Director of Contract Settlement. This office was abolished previously by Reorg. Plan No. 1 of 1947.

1949—Subsec. (d). Act Oct. 28, 1949, substituted “Classification Act of 1949” for “Classification Act of 1923”.

REPEALS

Act Oct. 28, 1949, ch. 782, cited as a credit to this section, was repealed (subject to a savings clause) by Pub. L. 89-554, Sept. 6, 1966, §8, 80 Stat. 632, 655.

TRANSFER OF FUNCTIONS

Functions of Secretary of the Treasury transferred to Administrator of General Services by section 102(b) of act June 30, 1949, ch. 288, 63 Stat. 380, which was classified to section 752(b) of former Title 40, Public Buildings, Property, and Works, and was repealed by Pub. L. 107-217, §6(b), Aug. 21, 2002, 116 Stat. 1304.

Subsec. (a), establishing the Office of Contract Settlement to be headed by the Director of Contract Settlement and providing for the appointment of the Director by the President with the advice and consent of the Senate with compensation of \$12,000 per year and a term of two years, was repealed, and references in the remainder of this section to "Director" were changed to "Secretary" by section 8 of Ex. Ord. No. 9809 and section 201 of Reorg. Plan No. 1 of 1947. Reorg. Plan No. 1 of 1947 is set out in the Appendix to Title 5, Government Organization and Employees.

EFFECTIVE DATE OF TRANSFER OF FUNCTIONS

Transfer of functions by act June 30, 1949, effective July 1, 1949, see section 605, formerly section 505, of act June 30, 1949, ch. 288, 63 Stat. 403; renumbered by act Sept. 5, 1950, ch. 849, §6(a), (b), 64 Stat. 583.

§ 105. Contract Settlement Advisory Board; composition; duties

There is created a Contract Settlement Advisory Board, with which the Administrator of General Services shall advise and consult. The Board shall be composed of the Administrator of General Services who shall act as its Chairman, and of the Secretary of the Army, the Secretary of the Navy, the Secretary of Transportation, the Secretary of State, the chairman of the board of directors of the Reconstruction Finance Corporation, Secretary of Commerce, and the Attorney General or any alternate or representative designated by any of them. TERMINATION OF ADVISORY BOARDS

Advisory boards in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by the Congress, its duration is otherwise provided by law. See sections 3(2) and 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 106. Basis for settlement of termination claims**(a) Priority to private contractors**

It is the policy of the Government, and it shall be the responsibility of the contracting agencies and the Administrator of General Services to provide war contractors with speedy and fair

compensation for the termination of any war contract, in accordance with and subject to the provisions of this chapter, giving priority to contractors whose facilities are privately owned or privately operated. Such fair compensation for the termination of subcontracts shall be based on the same principles as compensation for the termination of prime contracts.

(b) Establishment of methods and standards

Each contracting agency shall establish methods and standards, suitable to the conditions of various war contractors, for determining fair compensation for the termination of war contracts on the basis of actual, standard, average, or estimated costs, or of a percentage of the contract price based on the estimated percentage of completion of work under the terminated contract, or on any other equitable basis, as it deems appropriate. To the extent that such methods and standards require accounting, they shall be adapted, so far as practicable, to the accounting systems used by war contractors, if consistent with recognized commercial accounting practice.

(c) Conclusiveness of settlement

Any contracting agency may settle all or any part of any termination claim under any war contract by agreement with the war contractor, or by determination of the amount due on the claim or part thereof without such agreement, or by any combination of these methods. Where any such settlement is made by agreement, the settlement shall be final and conclusive, except (1) to the extent otherwise agreed in the settlement; (2) for fraud; (3) upon renegotiation to eliminate excessive profits under section 1191 of Appendix to title 50, unless exempt or exempted under such section; or (4) by mutual agreement before or after payment. Where any such settlement is made by determination without agreement, it shall likewise be final and conclusive, subject to the same exceptions as if made by agreement, unless the war contractor appeals or brings suit in accordance with section 113 of this title: *Provided*, That no settlement agreement hereunder involving payment to a war contractor of an amount in excess of \$50,000 (or such lesser amount as the Administrator of General Services may from time to time determine) shall become binding upon the Government until the agreement has been reviewed and approved by a settlement review board of three or more members established by the contracting agency in the bureau, division, regional or district office, or other unit of the contracting agency authorized to make such settlement, or in the event of disapproval by the settlement review board, unless approved by the head of such bureau, division, regional or district office, or other unit. Failure of the settlement review board to act upon any settlement within thirty days after its submission to the board shall operate as approval by the board. The sole function of settlement review boards shall be to determine the over-all reasonableness of proposed settlement agreements from the point of view of protecting the interests of the Government. In determining, for purposes of this subsection, whether review of any settlement agreement is required because of the amounts involved, no de-

duction shall be made on account of credits for property chargeable to the Government or for advance or partial payments, but amounts payable under such settlement agreement for completed articles or work at the contract price and for the discharge of the termination claims of subcontractors shall be deducted.

(d) Allowable costs

Except as hereinafter provided, the methods and standards established under subsection (b) of this section for determining fair compensation for termination claims which are not settled by agreement shall be designed to compensate the war contractor fairly for the termination of the war contract, taking into account—

(1) the direct and indirect manufacturing, selling and distribution, administrative and other costs and expenses incurred by the war contractor which are reasonably necessary for the performance of the war contract and properly allocable to the terminated portion thereof under recognized commercial accounting practices; and

(2) reasonable costs and expenses of settling termination claims of subcontractors related to the terminated portion of the war contract; and

(3) reasonable accounting, legal, clerical, and other costs and expenses incident to termination and settlement of the terminated war contract; and

(4) reasonable costs and expenses of removing, preserving, storing and disposing of termination inventories; and

(5) such allowance for profit on the preparations made and work done for the terminated portion of the war contract as is reasonable under the circumstances; and

(6) interest on the termination claim in accordance with subsection (f) of this section; and

(7) the contract price and all amounts otherwise paid or payable under the contract.

The following shall not be included as elements of cost:

(i) Losses on other contracts, or from sales or exchanges of capital assets, fees and other expenses in connection with reorganization or recapitalization, antitrust or Federal income-tax litigation, or prosecution of Federal income-tax claims or other claims against the Government (except as provided in paragraph (3) of this subsection); losses on investments; provisions for contingencies; and premiums on life insurance where the contractor is the beneficiary.

(ii) The expense of conversion of the contractor's facilities to uses other than the performance of the contract.

(iii) Expenses due to the negligence or willful failure of the contractor to discontinue with reasonable promptness the incurring of expenses after the effective date of the termination notice.

(iv) Costs incurred in respect to facilities, materials, or services purchased or work done in excess of the reasonable quantitative requirements of the entire contract.

The failure specifically to mention in this subsection any item of cost is not intended to imply

that it should be allowed or disallowed. The Administrator of General Services may interpret the provisions of this subsection and may provide for the inclusion or exclusion of other costs in accordance with recognized commercial accounting practice.

Where the small size of claims or the nature of production or performance or other factors make it impracticable to apply the principles stated in this subsection to any class of settlements which are subject to this subsection, the contracting agencies may establish alternative methods and standards for determining fair compensation for that class of termination claims. The aggregate amount of compensation allowed in accordance with this subsection (excluding amounts allowed under paragraphs (3) and (4) of this subsection) shall not exceed the total contract price reduced by the amount of payments otherwise made or to be made under the contract.

(e) Settlement by agreement

In order to carry out the objectives of this chapter, termination claims shall be settled by agreement to the maximum extent feasible and the methods and standards established under subsection (b) of this section shall be designed to facilitate such settlements. To the extent that he deems it practicable to do so without impeding expeditious settlements, the Administrator of General Services shall require the contracting agencies to take into account the factors enumerated in subsection (d) of this section in establishing methods and standards for determining fair compensation in the settlement of termination claims by agreement.

(f) Interest

Each contracting agency shall allow and pay interest on the amount due and unpaid from time to time on any termination claim under a prime contract at the rate of 2½ per centum per annum for the period beginning thirty days after the date fixed for termination and ending with the date of final payment, except that (1) if the prime contractor unreasonably delays the settlement of his claim, interest shall not accrue for the period of such delay, (2) if interest for the period after termination on any advance payment or loan, made or guaranteed by the Government, has been waived for the benefit of the contractor, the amount of the interest so waived allocable to the terminated contract or the terminated part of the contract shall be deducted from the interest otherwise payable hereunder, and (3) if after delivery of findings by a contracting agency, the contractor appeals or sues as provided in section 113 of this title, interest shall not accrue after the thirtieth day following the delivery of the findings on any amount allowed by such findings, unless such amount is increased upon such appeal or suit. In approving, ratifying, authorizing, or making termination settlements with subcontractors, each contracting agency shall allow interest on the termination claim of the subcontractor on the same basis and subject to the same conditions as are applicable to a prime contractor.

(g) Amendment of contracts

Where any war contract does not provide for or provides against such fair compensation for

its termination, the contracting agency, either before or after its termination, shall amend such war contract by agreement with the war contractor, or shall authorize, approve, or ratify an amendment of such war contract by the parties thereto, to provide for such fair compensation.

APPLICATION TO TERMINATED WAR CONTRACTS

SETTLEMENT OF CLAIMS FOR WAR CONTRACT LOSSES INCURRED BETWEEN SEPTEMBER 16, 1940, AND AUGUST 14, 1945

Act Aug. 7, 1946, ch. 864, 60 Stat. 902, as amended by June 25, 1948, ch. 646, §37, 62 Stat. 992; Aug. 30, 1954, ch. 1076, §1(2), 68 Stat. 966, provided that if work, supplies, or services were provided for any department or agency of the Government, under a contract or subcontract, between Sept. 16, 1940, and Aug. 14, 1945, and a loss was incurred by the contractors or subcontractors without fault or negligence on their part, then those departments or agencies were authorized to adjust and settle these losses on a fair and equitable basis, if claims were filed within six months after Aug. 7, 1946, and granted claimants dissatisfied with the settlement the right of judicial review.

§ 107. Settlement of subcontractors' claims

(a) Conclusiveness of settlement

Where, in connection with the settlement of any termination claim by a contracting agency, any war contractor makes settlements of the termination claims of his subcontractors, the contracting agency shall limit or omit its review of such settlements with subcontractors to the maximum extent compatible with the public interest. Any contracting agency (1) may approve, ratify, or authorize such settlements with subcontractors upon such evidence, terms, and conditions as it deems proper; (2) shall vary the scope and intensity of its review of such settlements according to the reliability of the war

contractor, the size, number, and complexity of such claims, and other relevant factors; and (3) shall authorize war contractors to make such settlements with subcontractors without review by the contracting agency, whenever the reliability of the war contractor, the amount or nature of the claims, or other reasons appear to the contracting agency to justify such action. Any such settlement of a subcontract approved, ratified, or authorized by a contracting agency shall be final and conclusive as to the amount due to the same extent as a settlement under subsection (c) of section 106 of this title, and no war contractor shall be liable to the United States on account of any amounts paid thereon except for his own fraud.

(b) Supervision of payments to war contractors

Whenever any contracting agency is satisfied of the inability of a war contractor to meet his obligations it shall exercise supervision or control over payments to the war contractor on account of termination claims of subcontractors of such war contractor to such extent and in such manner as it deems necessary or desirable for the purpose of assuring the receipt of the benefit of such payments by the subcontractors.

(c) Group settlements

The Administrator of General Services shall prescribe policies and methods for the settlement as a group, or otherwise, by any contracting agency of some or all of the termination claims of a war contractor under war contracts with one or more (1) bureaus or divisions within a contracting agency, (2) contracting agencies, or (3) prime contractors and subcontractors, to the extent he deems such action necessary or desirable for expeditious and equitable settlement of such claims. After consulting with the contracting agencies concerned, the Administrator of General Services may provide for assigning any war contractor to a contracting agency for such settlement, and such agency shall have authority to settle, on behalf of any other contracting agency, some or all of the termination claims of such war contractor.

(d) Direct settlement by contracting agency

Any contracting agency may settle directly termination claims of subcontractors to the extent that it deems such action necessary or desirable for the expeditious and equitable settlement of such claims. In making such termination settlements any contracting agency may discharge the claim of the subcontractor by payment or may purchase such claim, and may agree to assume, or indemnify the subcontractor against, any claims by any person in connection with such claim or the termination settlement. Any contracting agency undertaking to settle the termination claim of any subcontractor shall deliver to the subcontractor and the war contractor liable to him written notice stating its acceptance of responsibility for settling his claim and the conditions applicable thereto, which may include the release, or assignment to the contracting agency, of his claim against the war contractor liable to him; upon consent thereto by the subcontractor, the Government shall become liable for the settlement of his claims upon the conditions specified in the notice.

(e) Amount of settlement

Any contracting agency may make settlements with subcontractors in accordance with any of the provisions of this chapter without regard to any limitation on the amount payable by the Government to the prime contractor.

(f) Equitable payments

If any contracting agency determines that in the circumstances of a particular case equity and good conscience require fair compensation for the termination of a war contract to be paid to a subcontractor who has been deprived of and cannot otherwise reasonably secure such fair compensation, the contracting agency concerned may pay such compensation to him although such compensation already has been included and paid as part of a settlement with another war contractor.

APPLICATION TO TERMINATED WAR CONTRACTS

For application of this section to war contracts terminated at or before July 21, 1944, see section 124 of this title.

§ 108. Interim financing

(a) Prime contractors

It is the policy of the Government, and it shall be the responsibility of the contracting agencies and the Administrator of General Services, in accordance with and subject to the provisions of this chapter, to provide war contractors having any termination claim or claims, pending their settlement, with adequate interim financing, within thirty days after proper application therefor.

(b) Method of financing; amounts payable

Each contracting agency shall, to the greatest extent it deems practicable, make available interim financing through loans and discounts, and commitments and guaranties in connection therewith, in contemplation of or related to termination of war contracts. Where interim financing is made by advance payments or partial payments, it shall, insofar as practicable, consist of the following:

(1) An amount equal to 100 per centum of the amount payable, at the contract price, on ac-

count of acceptable items completed prior to the termination date under the terms of the contract, or completed thereafter with the approval of the contracting agency; plus

(2) An amount equal to 90 per centum of the cost of raw materials, purchased parts, supplies, direct labor, and manufacturing overhead allocable to the terminated portion of the war contract; plus

(3) A reasonable percentage of other allowable costs, including administrative overhead, allocable to the terminated portion of the war contract not included in the foregoing; plus

(4) Such additional amounts, if any, as the contracting agency deems necessary to provide the war contractor with adequate interim financing.

(5) In lieu of the costs referred to in clauses (2) and (3) of this subsection, where a detailed ascertainment of such costs is not suitable to the conditions of any war contractor and is apt to cause delay in the obtaining of interim financing by him, that portion of such interim financing shall be equal to an amount not greater than 90 per centum of the estimated costs which are allocable to the terminated part or parts of the war contract or group of war contracts, and are ascertained in accordance with such methods and standards as the Administrator of General Services shall prescribe.

(6) There shall be deducted from the amount of such interim financing any unliquidated balances of advance and partial payments theretofore made to such war contractor, which are allocable to the terminated war contract or the terminated part of the war contract.

(c) Evidence to support financing

The Administrator of General Services shall prescribe (1) the types of estimates, certificates, or other evidence to be required to support such interim financing; (2) the terms and conditions upon which such interim financing shall be made including the use of standard forms for agreements with respect to such interim financing to the extent practicable; (3) the classes of cases in which such interim financing shall be refused; and (4) such methods of supervision and control over such interim financing as he deems necessary or desirable to assure adequate and speedy interim financing to subcontractors of the war contractor.

(d) Penalty for overstatement of claims

In case of an overstatement by any war contractor of the amount due on his termination claim or claims in connection with any interim financing under this chapter, such contractor shall pay to the United States, as a penalty, an amount equal to 6 per centum of the amount of the overstatement, but the Administrator of General Services may suspend or modify any such penalty if in his opinion the imposition thereof would be inequitable. Any penalty may be deducted from any amounts due the war contractor upon such termination claim or claims, or otherwise, or may be collected from the war contractor by suit. The obligation to pay any penalty imposed and to repay any interim financing made or assumed by the United States

under this chapter shall constitute a debt due to the United States within the meaning of section 3713(a) of title 31.

(e) Advance payments as part of termination settlement

Any contracting agency may allow any advance payments, previously made or authorized by it in connection with the performance of a war contract, to be used for payments and expenses related to the termination settlement of such contract, upon such terms and conditions as it deems necessary or appropriate to protect the interest of the Government.

(f) Liquidation of loans, etc., prior to final settlement

No interim financing shall be made by any contracting agency under this chapter unless the terms of such financing provide for the liquidation by the war contractor of all loans, discounts, advance payments, or partial payments thereunder not later than the time of final payment of the amount due on the settlement of the termination claim or claims of the war contractor involved or such time thereafter as the contracting agency deems necessary for the liquidation of such interim financing in an orderly manner.

(g) Settlement of claims; validation of prior financing

Any contracting agency may settle, upon such terms and conditions as it deems proper, any claim or obligation due by or to the Government arising from or related to any interim financing made, acquired, or authorized by it. Any interim financing made, acquired, or authorized by any contracting agency before July 21, 1944, shall be valid to the extent it would be authorized under the provisions of this chapter if made after its effective date.

§ 109. Advance or partial payments to subcontractors; excessive payments, interest, liability of war contractor

(a) Any contracting agency may make advance or partial payments to any war contractor on account of any termination claim or claims, and may authorize, approve, or ratify any such advance or partial payments by any war contractor to his subcontractors, upon such conditions as it deems necessary to insure compliance with the provisions of subsection (b) of this section. Each contracting agency shall make final payments from time to time on partial settlements or on settlements fixing a minimum amount due before complete settlement, or as tentative payments before any settlement of the claim or claims.

(b) Where any such advance or partial payment is made to any war contractor by any contracting agency or by another war contractor under this section, except a final payment on a partial settlement, any amount in excess of the amount finally determined to be due on the termination claim shall be treated as a loan from the Government to the war contractor receiving it, and shall be payable upon demand together with a penalty computed at the rate of 6 per centum per annum, for the period from the date such excess advance or partial payment is received to the date on which such excess is repaid or extinguished. Where the advance or partial payment was made by a war contractor and authorized, approved, or ratified by any contracting agency, the war contractor making it shall not be liable for any such excess payment in the absence of fraud on his part and shall receive payment or credit from the Government for the amount of such excess payment.

Any contracting agency is authorized—

(1) to enter into contracts with any Federal Reserve bank, or other public or private financing institution, guaranteeing such financing institution against loss of principal or interest on loans, discounts, or advances or on commitments in connection therewith, which such financing institution may make to any war contractor or to any person who is or has been engaged in performing any operation deemed by such contracting agency to be connected with or related to war production, for the purpose of financing such war contractor or other person in connection with or in contemplation of the termination of one or more such war contracts or operations; and

(2) to make, enter into contracts to make, or to participate with any Government agency,

any Federal Reserve bank or public or private financing institution in making loans, discounts, or advances, or commitments in connection therewith, for the purpose of financing any such war contractor or other person in connection with or in contemplation of the termination of such war contracts or operations.

For application of this section to war contracts terminated at or before July 21, 1944, see section 124 of this title.

§ 111. Termination of contracts

(a) Advance notice; prime contracts

In order to facilitate the efficient use of materials, manpower, and facilities for war and civilian purposes, each contracting agency—

(1) shall provide its prime contractors with notice of termination of their prime contracts as far in advance of the cessation of work thereunder as is feasible and consistent with

the national security without permitting unneeded production or performance;

(2) shall establish procedures whereby prime contractors shall provide affected subcontractors with immediate notice of termination; and

(3) shall permit the continuation of some or all of the work under a terminated prime contract whenever the agency deems that such continuation will benefit the Government or is necessary to avoid substantial injury to the plant or property.

(b) Cessation of work without termination

Whenever a contracting agency hereafter directs a prime contractor to cease or suspend all or a substantial part of the work under a prime contract, without terminating the contract, then, unless the contract provides otherwise, (1) the contracting agency shall compensate the contractor for reasonable costs and expenses resulting from such cessation or suspension, and (2) if the cessation or suspension extends for thirty days or more, the contractor may elect to treat it as a termination by delivering written notice of his election so to do to the contracting agency, at any time before the contracting agency directs the prime contractor to resume work under the contract.

(c) Authority of Administrator of General Services; classes of contracts

The Administrator of General Services shall have no authority under this chapter to regulate or control the classes of contracts to be terminated by the contracting agencies.

L. 107-217, §6(b), Aug. 21, 2002, 116 Stat. 1304.

“Secretary” substituted for “Director” by section 8 of Ex. Ord. No. 9809 and section 201 of Reorg. Plan No. 1 of 1947, set out in the Appendix to Title 5, Government Organization and Employees.

EFFECTIVE DATE OF TRANSFER OF FUNCTIONS

§ 112. Removal and storage of materials

(a) Termination inventory

It is the policy of the Government, upon the termination of any war contract, to assure the expeditious removal from the plant of the war contractor of the termination inventory not to be retained or sold by the war contractor.

(b) Statement on material of inventory

Any war contractor may submit to the contracting agency concerned or to any other Government agency designated by the Adminis-

trator of General Services, one or more statements showing the materials which such war contractor claims to be termination inventory under one or more war contracts and desires to have removed by the Government. Such statements shall be prepared in such form and detail, shall be submitted in such manner, through the prime contractor or otherwise, and shall be supported by such certificates or other data, as may be prescribed under this chapter.

(c) Removal and storage by Government agency

Within sixty days after the submission of any such statement by a war contractor, or such shorter period as may be prescribed under this chapter, or within such longer period as the war contractor may agree, the Government agency concerned (1) shall arrange, upon such terms and conditions as may be agreed, for the storage by the war contractor on his own premises or elsewhere of all such claimed termination inventory which the war contractor does not retain or dispose of, except any part which may be determined not to be allocable to the terminated war contract or contracts, or (2) shall remove from the plant or plants of the war contractor all of such claimed termination inventory not retained, disposed of, or stored by the war contractor or determined not to be allocable to the terminated war contract or contracts.

(d) Removal and storage by war contractor

Upon the failure of the Government so to arrange for storage by the war contractor or to remove any termination inventory within the period specified under subsection (c) of this section, the war contractor, subject to regulations prescribed under this chapter, may remove some or all of such termination inventory from his plant or plants and may store it on his own premises or elsewhere for the account and at the risk and expense of the Government, using reasonable care for its transportation and preservation. If any war contractor intends so to remove any claimed termination inventory, he shall deliver to the Government agency concerned written notice of the date fixed for removal and a statement showing the quantities and condition of the materials so to be removed, certified on behalf of the war contractor to have been prepared in accordance with a concurrent physical inventory of such materials. Such notice and statement shall be delivered at least twenty days in advance of the date fixed for removal and may be delivered before or after the expiration of the period specified under subsection (c) of this section. If the Government agency fails to check such materials, at or before the time of their removal by the war contractor, a certificate of the war contractor specifying the materials shown on such statement which were so removed, and filed with the Government agency concerned within thirty days after the date fixed for removal, shall constitute prima facie evidence against the United States as to the quantities and condition of the materials so removed, and the fact of their removal.

(e) Acquisition by Government agency of inventory material; liability

Notwithstanding any other provisions of law, but subject to subsection (h) of this section, the

contracting agency concerned or the Administrator of General Services, or any Government agency designated by him, on behalf of the United States, may, by the exercise of any contract rights or otherwise, acquire and take possession of any termination inventory of any war contractor, and any materials removed by the Government or stored for its account under subsections (c) and (d) of this section, whether or not such materials are finally determined not to constitute termination inventory. With respect to any such materials, the Government shall be liable to any war contractor concerned only for their return to such war contractor or for their disposal value at the time of their removal or for the proceeds realized by the Government from their disposal, at the election of the Government agency concerned, unless the Government agency and the war contractor agree or have agreed on a different basis. Any amount so paid or payable to a war contractor for materials allocable to a terminated war contract shall be credited against the termination claim under such contract but shall not otherwise affect the amount due on the claim, unless the Government agency concerned and the war contractor agree or have agreed otherwise. Any materials to which the Administrator of General Services takes title under this section shall be delivered for disposal to any appropriate Government agency authorized to make such disposal.

(f) Postponement or delay of termination settlement

No contracting agency shall postpone or delay any termination settlement beyond the period specified in subsection (c) of this section for the purpose of awaiting disposal by the war contractor or the Government of any termination inventory reported in accordance with subsection (b) of this section.

(g) Government-owned machinery

Whenever any war contractor no longer requires, for the performance of any war contract, any Government-owned machinery, tools, or equipment installed in his plant for the performance of one or more war contracts, the Government agency concerned, upon written demand by the war contractor, and within sixty days after such demand or such other period as may be prescribed under this chapter, and upon such conditions as may be so prescribed, shall remove or provide for the removal of such machinery, tools, or equipment from such plant, unless the Government agency concerned and the war contractor, by facilities contract or otherwise, have made or make other provisions for the retention, storage, maintenance, or disposition of such machinery, tools or equipment. The Government agency concerned may waive or release on behalf of the United States any obligation of the war contractor with respect to such machinery, tools, or equipment upon such terms and conditions as the agency deems appropriate. Upon the failure of the Government so to remove or provide for removal of any such machinery, tools, or equipment, the war contractor, subject to regulations prescribed under this chapter, may remove all or part of such machinery, tools, or equipment from his plant and may

store it on his own premises or elsewhere, for the account and at the risk and expense of the Government, using reasonable care for its transportation and preservation.

(h) Limitation on Government acquisition of inventories

Nothing in this chapter shall limit or affect the authority of the Department of the Army, Department of the Air Force, Navy Department, or the Department of Transportation, respectively, to take over any termination inventories and to retain them for their use for any purpose or to dispose of such termination inventories for the purpose of war production, or to authorize any war contractor to retain or dispose of such termination inventories for the purpose of war production.

(i) Removal and storage by war contractor at own risk

Nothing in this section shall be construed to prevent the removal and storage of any termination inventory by any war contractor, at his own risk, at any time after termination of any war contract to which it is allocable.

APPLICATION TO TERMINATED WAR CONTRACTS

For application of subsecs. (b) to (e) of this section to war contracts terminated at or before July 21, 1944, see section 124 of this title.

§ 113. Appeals**(a) Failure to settle claims by agreement; preparation of findings; notice to war contractor**

Whenever the contracting agency responsible for settling any termination claim has not settled the claim by agreement or has so settled only a part of the claim, (1) the contracting agency at any time may determine the amount due on such claim or such unsettled part, and prepare written findings indicating the basis of the determination, and deliver a copy of such findings to the war contractor, or (2) if the termination claim has been submitted in the manner and substantially the form prescribed under this chapter, the contracting agency, upon written demand by the war contractor for such findings, shall determine the amount due on the claim or unsettled part and prepare and deliver such findings to the war contractor within ninety days after the receipt by the agency of such demand. In preparing such findings, the contracting agency may require the war contractor to furnish such information and to submit to such audits as may be reasonably necessary for that purpose. Within thirty days after the delivery of any such findings, the contracting agency shall pay to the war contractor at least 90 per centum of the amount thereby determined to be due, after deducting the amount of any outstanding interim financing applicable thereto.

(b) Rights of war contractor

Whenever any war contractor is aggrieved by the findings of a contracting agency on his claim or part thereof or by its failure to make such findings in accordance with subsection (a) of this section, he may bring suit against the United States for such claim or such part thereof, in the United States Court of Federal Claims or in a United States district court, in accordance with sections 1346, 2401, and 2402 of title 28, except that, if the contracting agency is the Reconstruction Finance Corporation, or any corporation organized pursuant to the Reconstruction Finance Corporation Act, or any corporation owned or controlled by the United States, the suit shall be brought against such corporation in any court of competent jurisdiction in accordance with existing law.

(c) Procedure

Any proceeding under subsection (b) of this section shall be governed by the following conditions:

(1) When any contracting agency provides a procedure within the agency for protest against such findings or for other appeal therefrom by the war contractor, the war contractor, before proceeding under subsection (b) of this section, (i) in his discretion may resort to such procedure within the time specified in his contract or, if no time is specified, within thirty days after the delivery to him of the findings; and (ii) shall resort to such procedure for protest or other appeal to the extent required by the Administrator of General Services, but failure of the contracting agency to act on any such required protest or appeal within thirty days shall operate as a refusal by the agency to modify its findings. Any revision of the findings by the contracting agency,

upon protest or appeal within the agency, shall be treated as the findings of the agency for the purpose of appeal or suit under subsection (b) of this section. Notwithstanding any contrary provision in any war contract, no war contractor shall be required to protest or appeal from such findings within the contracting agency except in accordance with this paragraph.

(2) A war contractor may initiate proceedings in accordance with subsection (b) of this section (i) within ninety days after delivery to him of the findings by the contracting agency, or (ii) in case of protests or appeal within the agency, within ninety days after the determination of such protest or appeal, or (iii) in case of failure to deliver such findings, within one year after his demand therefor. If he does not initiate such proceedings within the time specified, he shall be precluded thereafter from initiating any proceedings in accordance with subsection (b) of this section, and the findings of the contracting agency shall be final and conclusive, or if no findings were made, he shall be deemed to have waived such termination claim.

(3) Notwithstanding any contrary provision in any war contract, the court shall not be bound by the findings of the contracting agency, but shall treat such findings as prima facie correct, and the burden shall be on the war contractor to establish that the amount due on his claim or part thereof exceeds the amount allowed by the findings of the contracting agency. Whenever the court finds that the war contractor failed to negotiate in good faith with the contracting agency for the settlement of his claim or part thereof before appeal or suit thereon, or failed to furnish to the agency any information reasonably requested by it regarding his termination claim or part thereof, or failed to prosecute diligently any protest or appeal required to be taken under subsection (c)(1)(ii) of this section, the court (i) may refuse to receive in evidence any information not submitted to the contracting agency; (ii) may deny interest on the claim or part thereof for such period as it deems proper; or (iii) may remand the case to the contracting agency for further proceedings upon such terms as the court may prescribe. Unless the case is remanded, the court shall enter the appropriate award or judgment on the basis of the law and facts, and may increase or decrease the amount allowed by the findings of the contracting agency.

(4) Any such proceedings shall not affect the authority of the contracting agency concerned to make a settlement of the termination claim, or any part thereof, by agreement with the war contractor at any time before such proceedings are concluded.

(d) Omitted**(e) Arbitration**

The contracting agency responsible for settling any claim and the war contractor asserting the claim, by agreement, may submit all or any part of the termination claim to arbitration, without regard to the amount in dispute. Such arbitration proceedings shall be governed by the

provisions of United States Arbitration Act to the same extent as if authorized by an effective agreement in writing between the Government and the war contractor. Any such arbitration award shall be final and conclusive upon the United States to the same extent as a settlement under subsection (c) of section 106 of this title, but shall not be subject to approval by any settlement review board.

(f) Conclusiveness of decisions

Whenever any dispute exists between any war contractor and a subcontractor regarding any termination claim, either of them, by agreement with the other, may submit the dispute to a contracting agency for mediation or arbitration whenever authorized by the agency or required by the Administrator of General Services.

Any award or decision in such proceedings shall be final and conclusive as to the parties so submitting any such dispute and shall not be questioned by the United States in settling any related claim, in the absence of fraud or collusion.

APPLICATION TO TERMINATED WAR CONTRACTS

For application of this section to war contracts terminated at or before July 21, 1944, see section 124 of this title.

§ 114. Court of Federal Claims

(a) Appointment of auditors

For the purpose of expediting the adjudication of termination claims, the United States Court of Federal Claims is authorized to appoint not more than ten auditors.

(b) Procedure

The United States Court of Federal Claims, on motion of either of the parties, or on its own motion, may summon any and all persons with legal capacity to be sued to appear as a party or parties in any suit or proceeding of any nature whatsoever pending in said court to assert and defend their interests, if any, in such suits or proceedings, within such period of time prior to judgment as the United States Court of Federal Claims shall prescribe. If the name and address of any such person is known or can be ascertained by reasonable diligence, and if he resides within the jurisdiction of the United States, he shall be summoned to appear by personal service; but if any such person resides outside of the jurisdiction of the United States, or is unknown, or if for any other good and sufficient reason appearing to the court personal service cannot be had, he may be summoned by publication, under such rules as the court may adopt, together with a copy of the summons mailed by registered mail to such person's last known address. The United States Court of Federal Claims may, upon motion of the Attorney General, in any suit or proceeding where there may be any number of persons having possible interests therein, notify such persons to appear to assert and defend such interests. Upon failure so to appear, any and all claims or interests in claims of any such person against the United States, in respect of the subject matter of such suit or proceeding, shall forever be barred and the court shall have jurisdiction to enter judgment pro confesso upon any claim or contingent claim asserted on behalf of the United States against any person who, having been duly served with summons, fails to respond thereto, to the same extent and with like effect as if such person had appeared and had admitted the truth of all allegations made on behalf of the United States. Upon appearance by any person pursuant to any such summons or notice, the case as to such person shall, for all purposes, be treated as if an independent proceeding has been instituted by such person pursuant to sections 1491, 1496, 1501, 1503, and 2501 of title 28, and as if such independent proceeding had then been consolidated, for purposes of trial and determination, with the case in respect of which the summons or notice was issued, except that the United States shall not be heard upon any counterclaims, claims for

damages or other demands whatsoever against such person, other than claims and contingent claims for the recovery of money hereafter paid by the United States in respect of the transaction or matter which constitutes the subject matter of such case, unless and until such person shall assert therein a claim, or an interest in a claim, against the United States, and the United States Court of Federal Claims shall have jurisdiction to adjudicate, as between any and all adverse claimants, their respective several interests in any matter in suit and to award several judgments in accordance therewith.

(c) Jurisdiction

The jurisdiction of the United States Court of Federal Claims shall not be affected by this chapter except to the extent necessary to give effect to this chapter, and no person shall recover judgment on any claim, or on any interest in any claim, in said court which such person would not have had a right to assert in said court if this section had not been enacted.

EX. ORD. NO. 13005. EMPOWERMENT CONTRACTING

Ex. Ord. No. 13005, May 21, 1996, 61 F.R. 26069, provided:

In order to promote economy and efficiency in Federal procurement, it is necessary to secure broad-based competition for Federal contracts. This broad competition is best achieved where there is an expansive pool of potential contractors capable of producing quality goods and services at competitive prices. A great and largely untapped opportunity for expanding the pool of such contractors can be found in this Nation's economically distressed communities.

Fostering growth of Federal contractors in economically distressed communities and ensuring that those contractors become viable businesses for the long term will promote economy and efficiency in Federal procurement and help to empower those communities. Fostering growth of long-term viable contractors will be promoted by offering appropriate incentives to qualified businesses.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States, including section 486(a) [now 121(a)] of title 40, United States Code, and section 301 of title 3, United States Code, it is hereby ordered as follows:

SECTION 1. *Policy.* The purpose of this order is to strengthen the economy and to improve the efficiency of the Federal procurement system by encouraging business development that expands the industrial base and increases competition.

SEC. 2. *Empowerment Contracting Program.* In consultation with the Secretaries of the Departments of Housing and Urban Development, Labor, and Defense; the Administrator of General Services; the Administrator of the National Aeronautics and Space Administration; the Administrator of the Small Business Administration; and the Administrator for Federal Procurement Policy, the Secretary of the Department of Commerce shall develop policies and procedures to ensure that agencies, to the extent permitted by law, grant qualified large businesses and qualified small businesses appropriate incentives to encourage business activity in areas of general economic distress, including a price or an evaluation credit, when assessing offers for government contracts in unrestricted competitions, where the incentives would promote the policy set forth in this order. In developing such policies and procedures, the Secretary shall consider the size of the qualified businesses.

SEC. 3. *Monitoring and Evaluation.* The Secretary shall:

(a) monitor the implementation and operation of the policies and procedures developed in accordance with this order;

(b) develop a process to ensure the proper administration of the program and to reduce the potential for fraud by the intended beneficiaries of the program;

(c) develop principles and a process to evaluate the effectiveness of the policies and procedures developed in accordance with this order; and

(d) by December 1 of each year, issue a report to the President on the status and effectiveness of the program.

SEC. 4. *Implementation Guidelines.* In implementing this order, the Secretary shall:

(a) issue rules, regulations, and guidelines necessary to implement this order, including a requirement for the periodic review of the eligibility of qualified businesses and distressed areas;

(b) draft all rules, regulations, and guidelines necessary to implement this order within 90 days of the date of this order; and

(c) ensure that all policies and procedures and all rules, regulations, and guidelines adopted and implemented in accordance with this order minimize the administrative burden on affected agencies and the procurement process.

SEC. 5. *Definitions.* For purposes of this Executive order:

(a) "Agency" means any authority of the United States that is an "agency" under 44 U.S.C. 3502(1), other than those considered to be independent regulatory agencies, as defined in 44 U.S.C. 3502(10).

(b) "Area of general economic distress" shall be defined, for all urban and rural communities, as any census tract that has a poverty rate of at least 20 percent or any designated Federal Empowerment Zone, Supplemental Empowerment Zone, Enhanced Enterprise Community, or Enterprise Community. In addition, the Secretary may designate as an area of general economic distress any additional rural or Indian reservation area after considering the following factors:

- (2) Degree of poverty;
- (3) Extent of outmigration; and
- (4) Rate of business formation and rate of business growth.

(c) "Qualified large business" means a large for-profit or not-for-profit trade or business that (1) employs a significant number of residents from the area of general economic distress; and (2) either has a significant physical presence in the area of general economic distress or has a direct impact on generating significant economic activity in the area of general economic distress.

(d) "Qualified small business" means a small for-profit or not-for-profit trade or business that (1) employs a significant number of residents from the area of general economic distress; (2) has a significant physical presence in the area of general economic distress; or (3) has a direct impact on generating significant economic activity in the area of general economic distress.

(e) "Secretary" means the Secretary of Commerce.

EXECUTIVE ORDER NO. 13202

Ex. Ord. No. 13202, Feb. 17, 2001, 66 F.R. 11225, as amended by Ex. Ord. No. 13208, Apr. 6, 2001, 66 F.R. 18717, which promoted preservation of open competition and Government neutrality towards Government contractors' labor relations on Federal and Federally funded construction projects, was revoked by Ex. Ord. No. 13502, § 8, Feb. 6, 2009, 74 F.R. 6986, set out below.

EX. ORD. NO. 13502. USE OF PROJECT LABOR AGREEMENTS FOR FEDERAL CONSTRUCTION PROJECTS

Ex. Ord. No. 13502, Feb. 6, 2009, 74 F.R. 6985, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, and in order to promote the efficient administration and completion of Federal construction projects, it is hereby ordered that:

SECTION 1. *Policy.* (a) Large-scale construction projects pose special challenges to efficient and timely procurement by the Federal Government. Construction employers typically do not have a permanent workforce, which makes it difficult for them to predict labor costs when bidding on contracts and to ensure a steady supply of labor on contracts being performed. Challenges also arise due to the fact that construction projects typically involve multiple employers at a single location. A labor dispute involving one employer can delay the entire project. A lack of coordination

among various employers, or uncertainty about the terms and conditions of employment of various groups of workers, can create frictions and disputes in the absence of an agreed-upon resolution mechanism. These problems threaten the efficient and timely completion of construction projects undertaken by Federal contractors. On larger projects, which are generally more complex and of longer duration, these problems tend to be more pronounced.

(b) The use of a project labor agreement may prevent these problems from developing by providing structure and stability to large-scale construction projects, thereby promoting the efficient and expeditious completion of Federal construction contracts. Accordingly, it is the policy of the Federal Government to encourage executive agencies to consider requiring the use of project labor agreements in connection with large-scale construction projects in order to promote economy and efficiency in Federal procurement.

SEC. 2. Definitions.

(a) The term “labor organization” as used in this order means a labor organization as defined in 29 U.S.C. 152(5).

(b) The term “construction” as used in this order means construction, rehabilitation, alteration, conversion, extension, repair, or improvement of buildings, highways, or other real property.

(c) The term “large-scale construction project” as used in this order means a construction project where the total cost to the Federal Government is \$25 million or more.

(d) The term “executive agency” as used in this order has the same meaning as in 5 U.S.C. 105, but excludes the Government Accountability Office.

(e) The term “project labor agreement” as used in this order means a pre-hire collective bargaining agreement with one or more labor organizations that establishes the terms and conditions of employment for a specific construction project and is an agreement described in 29 U.S.C. 158(f).

SEC. 3. (a) In awarding any contract in connection with a large-scale construction project, or obligating funds pursuant to such a contract, executive agencies may, on a project-by-project basis, require the use of a project labor agreement by a contractor where use of such an agreement will (i) advance the Federal Government’s interest in achieving economy and efficiency in Federal procurement, producing labor-management stability, and ensuring compliance with laws and regulations governing safety and health, equal employment opportunity, labor and employment standards, and other matters, and (ii) be consistent with law.

(b) If an executive agency determines under subsection (a) that the use of a project labor agreement will satisfy the criteria in clauses (i) and (ii) of that subsection, the agency may, if appropriate, require that every contractor or subcontractor on the project agree, for that project, to negotiate or become a party to a project labor agreement with one or more appropriate labor organizations.

SEC. 4. Any project labor agreement reached pursuant to this order shall:

(a) bind all contractors and subcontractors on the Construction project through the inclusion of appropriate specifications in all relevant solicitation provisions and contract documents;

(b) allow all contractors and subcontractors to compete for contracts and subcontracts without regard to whether they are otherwise parties to collective bargaining agreements;

(c) contain guarantees against strikes, lockouts, and similar job disruptions;

(d) set forth effective, prompt, and mutually binding procedures for resolving labor disputes arising during the project labor agreement;

(e) provide other mechanisms for labor-management cooperation on matters of mutual interest and concern, including productivity, quality of work, safety, and health; and

(f) fully conform to all statutes, regulations, and Executive Orders.

SEC. 5. This order does not require an executive agency to use a project labor agreement on any construction project, nor does it preclude the use of a project labor agreement in circumstances not covered by this order, including leasehold arrangements and projects receiving Federal financial assistance. This order also does not require contractors or subcontractors to enter into a project labor agreement with any particular labor organization.

SEC. 6. Within 120 days of the date of this order, the Federal Acquisition Regulatory Council (FAR Council), to the extent permitted by law, shall take whatever action is required to amend the Federal Acquisition Regulation to implement the provisions of this order.

SEC. 7. The Director of OMB, in consultation with the Secretary of Labor and with other officials as appropriate, shall provide the President within 180 days of this order, recommendations about whether broader use of project labor agreements, with respect to both construction projects undertaken under Federal contracts and construction projects receiving Federal financial assistance, would help to promote the economical, efficient, and timely completion of such projects.

SEC. 8. Revocation of Prior Orders, Rules, and Regulations. Executive Order 13202 of February 17, 2001, and Executive Order 13208 of April 6, 2001, are revoked. The heads of executive agencies shall, to the extent permitted by law, revoke expeditiously any orders, rules, or regulations implementing Executive Orders 13202 and 13208.

SEC. 9. Severability. If any provision of this order, or the application of such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstance shall not be affected thereby.

SEC. 10. General. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an executive department, agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 11. Effective Date. This order shall be effective immediately and shall apply to all solicitations for contracts issued on or after the effective date of the action taken by the FAR Council under section 6 of this order.

BARACK OBAMA.

GOVERNMENT CONTRACTING

Memorandum of President of the United States, Mar. 4, 2009, 74 F.R. 9755, provided:

Memorandum for the Heads of Executive Departments and Agencies

The Federal Government has an overriding obligation to American taxpayers. It should perform its functions efficiently and effectively while ensuring that its actions result in the best value for the taxpayers.

Since 2001, spending on Government contracts has more than doubled, reaching over \$500 billion in 2008. During this same period, there has been a significant increase in the dollars awarded without full and open competition and an increase in the dollars obligated through cost-reimbursement contracts. Between fiscal years 2000 and 2008, for example, dollars obligated under cost-reimbursement contracts nearly doubled, from \$71 billion in 2000 to \$135 billion in 2008. Reversing these trends away from full and open competition and toward cost-reimbursement contracts could result in savings of billions of dollars each year for the American taxpayer.

Excessive reliance by executive agencies on sole-source contracts (or contracts with a limited number of sources) and cost-reimbursement contracts creates a risk that taxpayer funds will be spent on contracts that are wasteful, inefficient, subject to misuse, or otherwise not well designed to serve the needs of the Federal Government or the interests of the American taxpayer. Reports by agency Inspectors General, the Government Accountability Office (GAO), and other independent reviewing bodies have shown that noncompetitive and cost-reimbursement contracts have been misused, resulting in wasted taxpayer resources, poor contractor performance, and inadequate accountability for results.

When awarding Government contracts, the Federal Government must strive for an open and competitive process. However, executive agencies must have the flexibility to tailor contracts to carry out their missions and achieve the policy goals of the Government. In certain exigent circumstances, agencies may need to consider whether a competitive process will not accomplish the agency's mission. In such cases, the agency must ensure that the risks associated with noncompetitive contracts are minimized.

Moreover, it is essential that the Federal Government have the capacity to carry out robust and thorough management and oversight of its contracts in order to achieve programmatic goals, avoid significant overcharges, and curb wasteful spending. A GAO study last year of 95 major defense acquisitions projects found cost overruns of 26 percent, totaling \$295 billion over the life of the projects. Improved contract oversight could reduce such sums significantly.

Government outsourcing for services also raises special concerns. For decades, the Federal Government has relied on the private sector for necessary commercial services used by the Government, such as transportation, food, and maintenance. Office of Management and Budget Circular A-76, first issued in 1966, was based on the reasonable premise that while inherently governmental activities should be performed by Government employees, taxpayers may receive more value for their dollars if non-inherently governmental activities that can be provided commercially are subject to the forces of competition.

However, the line between inherently governmental activities that should not be outsourced and commercial activities that may be subject to private sector competition has been blurred and inadequately defined. As a result, contractors may be performing inherently governmental functions. Agencies and departments must operate under clear rules prescribing when outsourcing is and is not appropriate.

It is the policy of the Federal Government that executive agencies shall not engage in noncompetitive contracts except in those circumstances where their use can be fully justified and where appropriate safeguards have been put in place to protect the taxpayer. In addition, there shall be a preference for fixed-price type contracts. Cost-reimbursement contracts shall be used only when circumstances do not allow the agency to define its requirements sufficiently to allow for a fixed-price type contract. Moreover, the Federal Government shall ensure that taxpayer dollars are not spent on contracts that are wasteful, inefficient, subject to misuse, or otherwise not well designed to serve the Federal Government's needs and to manage the risk associated with the goods and services being procured. The Federal Government must have sufficient capacity to manage and oversee the contracting process from start to finish, so as to ensure that taxpayer funds are spent wisely and are not subject to excessive risk. Finally, the Federal Government must ensure that those functions that are inherently governmental in nature are performed by executive agencies and are not outsourced.

I hereby direct the Director of the Office of Management and Budget (OMB), in collaboration with the Secretary of Defense, the Administrator of the National Aeronautics and Space Administration, the Administrator of General Services, the Director of the Office of

Personnel Management, and the heads of such other agencies as the Director of OMB determines to be appropriate, and with the participation of appropriate management councils and program management officials, to develop and issue by July 1, 2009, Government-wide guidance to assist agencies in reviewing, and creating processes for ongoing review of, existing contracts in order to identify contracts that are wasteful, inefficient, or not otherwise likely to meet the agency's needs, and to formulate appropriate corrective action in a timely manner. Such corrective action may include modifying or canceling such contracts in a manner and to the extent consistent with applicable laws, regulations, and policy.

I further direct the Director of OMB, in collaboration with the aforementioned officials and councils, and with input from the public, to develop and issue by September 30, 2009, Government-wide guidance to:

(1) govern the appropriate use and oversight of sole-source and other types of noncompetitive contracts and to maximize the use of full and open competition and other competitive procurement processes;

(2) govern the appropriate use and oversight of all contract types, in full consideration of the agency's needs, and to minimize risk and maximize the value of Government contracts generally, consistent with the regulations to be promulgated pursuant to section 864 of Public Law 110-417;

(3) assist agencies in assessing the capacity and ability of the Federal acquisition workforce to develop, manage, and oversee acquisitions appropriately; and

(4) clarify when governmental outsourcing for services is and is not appropriate, consistent with section 321 of Public Law 110-417 (31 U.S.C. 501 note).

Executive departments and agencies shall carry out the provisions of this memorandum to the extent permitted by law. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

“POLICY

“SEC. 2. It is the policy of Congress to provide relief to small business concerns which have fixed-price Government contracts in cases where such concerns have suffered or can be expected to suffer serious financial loss because of significant and unavoidable difficulties during performance because of the energy crisis or rapid and unexpected escalations of contract costs.

“DEFINITIONS

“SEC. 3. As used in this Act—

“(1) the term ‘executive agency’ means an executive department, a military department, and an independent establishment within the meaning of sections 101, 102, and 104(1) respectively, of title 5, United States Code, and also a wholly owned Government corporation within the meaning of section 101 of the Government Corporation Control Act [section 9101(3) of Title 31, Money and Finance]; and

“(2) the conditions which have caused or are causing such cost increases were, or are being, experienced generally by other small business concerns in the market at the same time and are not caused by negligence, underbidding, or other special management factors peculiar to that small business concern.

“(b) Upon application under subsection (a) by a small business concern to terminate a fixed-price contract between an executive agency and such small business concern, the head of the executive agency may modify the terms of the contract in lieu of termination for the convenience of the Government only if he finds after review of the application that—

“(1)(a) the agency would reprocure the supplies or services in the event that the contract was terminated for the convenience of the Government; and

“(b) the cost of terminating the contract for the convenience of the Government plus the cost of reprocurement would exceed the amount of the contract as modified; and

“(2) Any such modification shall be made in compliance with cost comparison and compensation guidelines to be issued by the Administrator of the Office of Federal Procurement Policy. Such cost comparison and compensation guidelines shall be promulgated by the Administrator not later than 10 days after enactment of this Act [Dec. 31, 1975].

“(c) If a small business concern in performance of a fixed-price Government contract experiences or has experienced shortages of energy, petroleum products, or

products or components manufactured or derived therefrom or impacted thereby, and such shortages result in a delay in the performance of a contract, the head of the agency, or his designee, shall provide by modification to the contract for an appropriate extension of the contract delivery date or period of performance.

“(d) A small business concern requesting relief under subsection (a) shall support that request with the following documentation and certification:

“(1) a brief description of the contract, indicating the date of execution and of any amendment thereto, the items being procured, the price and delivery schedule, and any revision thereof, and any other special contractual provision as may be relevant to the request;

“(2) a history of performance indicating when work under the contract or commitment was begun, the progress made as of the date of the application, an exact statement of the contractor’s remaining obligations, and the contractor’s expectations regarding completion thereof;

“(3) a statement of the factors which have caused the loss under the contract;

“(4) a statement as to the course of events anticipated if the request is denied;

“(5) a statement of payments received, payments due and payments yet to be received or to become due, including advance and progress payments, and amounts withheld by the Government, and information as to other obligations of the Government, if any, which are yet to be performed under the contract;

“(6) a statement and evidence of the contractor’s original breakdown of estimated costs, including contingency allowances and profit;

“(7) a statement and evidence of the contractor’s present estimate of total costs under the contract if enabled to complete, broken down between costs accrued to date of request, and runout costs, and as between costs for which the contractor has made payment and those for which he is indebted at the time of the request;

“(8) a statement and evidence of the contractor’s estimate of the final price of the contract, giving effect to all escalation, changes, extras, and other comparable factors known or contemplated by the contractor;

“(9) a statement of any claims known or contemplated by the contractor against the Government involving the contract in question, other than those referred to under (8) above;

“(10) an estimate of the contractor’s total profit or loss under the contract if required to complete at the original contract price;

“(11) an estimate of the total profits from other Government business, and all other sources, during the period from the date of the first contract involved to the latest estimated date of completion of any other contracts involved;

“(12) balance sheets, certified by a certified public accountant, as of the end of the contractor’s fiscal year first preceding the date of the first contract, as of the end of each subsequent fiscal year, and as of the date of the request together with income statements for annual periods subsequent to the date of the first balance sheet; and

“(13) a list of all salaries, bonuses, and all other forms of compensation of the principal officers or partners and of all dividends and other withdrawals, and all payments to stockholders in any form since the date of the first contract involved.

“DELEGATION

“SEC. 5. The head of each executive agency shall delegate authority conferred by this Act, to the extent practicable, to an appropriate level that will permit the expeditious processing of applications under this Act and to insure the uniformity of its application.

“LIMITATIONS

“SEC. 6. (a) The authority prescribed in section 4(a) shall apply only to contracts which have not been com-

pletely performed or otherwise terminated and which were entered into during the period from August 15, 1971, through October 31, 1974.

§ 253. Competition requirements

(a) Procurement through full and open competition; competitive procedures

(1) Except as provided in subsections (b), (c), and (g) of this section and except in the case of procurement procedures otherwise expressly authorized by statute, an executive agency in conducting a procurement for property or services—

(A) shall obtain full and open competition through the use of competitive procedures in accordance with the requirements of this subchapter and the Federal Acquisition Regulation; and

(B) shall use the competitive procedure or combination of competitive procedures that is

¹ See References in Text note below.

best suited under the circumstances of the procurement.

(2) In determining the competitive procedures appropriate under the circumstance, an executive agency—

(A) shall solicit sealed bids if—

(i) time permits the solicitation, submission, and evaluation of sealed bids;

(ii) the award will be made on the basis of price and other price-related factors;

(iii) it is not necessary to conduct discussions with the responding sources about their bids; and

(iv) there is a reasonable expectation of receiving more than one sealed bid; and

(B) shall request competitive proposals if sealed bids are not appropriate under clause (A).

(b) Exclusion of particular source; restriction of solicitation to small business concerns

(1) An executive agency may provide for the procurement of property or services covered by this section using competitive procedures but excluding a particular source in order to establish or maintain any alternative source or sources of supply for that property or service if the agency head determines that to do so—

(A) would increase or maintain competition and would likely result in reduced overall costs for such procurement, or for any anticipated procurement, of such property or services;

(B) would be in the interest of national defense in having a facility (or a producer, manufacturer, or other supplier) available for furnishing the property or service in case of a national emergency or industrial mobilization;

(C) would be in the interest of national defense in establishing or maintaining an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a federally funded research and development center;

(D) would ensure the continuous availability of a reliable source of supply of such property or service;

(E) would satisfy projected needs for such property or service determined on the basis of a history of high demand for the property or service; or

(F) in the case of medical supplies, safety supplies, or emergency supplies, would satisfy a critical need for such supplies.

(2) An executive agency may provide for the procurement of property or services covered by this section using competitive procedures, but excluding other than small business concerns in furtherance of sections 638 and 644 of title 15.

(3) A contract awarded pursuant to the competitive procedures referred to in paragraphs (1) and (2) shall not be subject to the justification and approval required by subsection (f)(1) of this section.

(4) A determination under paragraph (1) may not be made for a class of purchases or contracts.

(c) Use of noncompetitive procedures

An executive agency may use procedures other than competitive procedures only when—

(1) the property or services needed by the executive agency are available from only one responsible source and no other type of property or services will satisfy the needs of the executive agency;

(2) the executive agency's need for the property or services is of such an unusual and compelling urgency that the Government would be seriously injured unless the executive agency is permitted to limit the number of sources from which it solicits bids or proposals;

(3) it is necessary to award the contract to a particular source or sources in order (A) to maintain a facility, producer, manufacturer, or other supplier available for furnishing property or services in case of a national emergency or to achieve industrial mobilization, (B) to establish or maintain an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a federally funded research and development center, or (C) to procure the services of an expert for use, in any litigation or dispute (including any reasonably foreseeable litigation or dispute) involving the Federal Government, in any trial, hearing, or proceeding before any court, administrative tribunal, or agency, or to procure the services of an expert or neutral for use in any part of an alternative dispute resolution or negotiated rulemaking process, whether or not the expert is expected to testify;

(4) the terms of an international agreement or treaty between the United States Government and a foreign government or international organization, or the written directions of a foreign government reimbursing the executive agency for the cost of the procurement of the property or services for such government, have the effect of requiring the use of procedures other than competitive procedures;

(5) subject to subsection (h)¹ of this section, a statute expressly authorizes or requires that the procurement be made through another executive agency or from a specified source, or the agency's need is for a brand-name commercial item for authorized resale;

(6) the disclosure of the executive agency's needs would compromise the national security unless the agency is permitted to limit the number of sources from which it solicits bids or proposals; or

(7) the head of the executive agency—

(A) determines that it is necessary in the public interest to use procedures other than competitive procedures in the particular procurement concerned, and

(B) notifies the Congress in writing of such determination not less than 30 days before the award of the contract.

(d) Property or services deemed available from only one source; nondelegable authority

(1) For the purposes of applying subsection (c)(1) of this section—

(A) in the case of a contract for property or services to be awarded on the basis of acceptance of an unsolicited research proposal, the

¹ See References in Text note below.

property or services shall be considered to be available from only one source if the source has submitted an unsolicited research proposal that demonstrates a unique and innovative concept the substance of which is not otherwise available to the United States and does not resemble the substance of a pending competitive procurement; and

(B) in the case of a follow-on contract for the continued development or production of a major system or highly specialized equipment when it is likely that award to a source other than the original source would result in (i) substantial duplication of cost to the Government which is not expected to be recovered through competition, or (ii) unacceptable delays in fulfilling the executive agency's needs, such property may be deemed to be available only from the original source and may be procured through procedures other than competitive procedures.

(2) The authority of the head of an executive agency under subsection (c)(7) of this section may not be delegated.

(3)(A) The contract period of a contract described in subparagraph (B) that is entered into by an executive agency pursuant to the authority provided under subsection (c)(2)—

(i) may not exceed the time necessary—

(I) to meet the unusual and compelling requirements of the work to be performed under the contract; and

(II) for the executive agency to enter into another contract for the required goods or services through the use of competitive procedures; and

(ii) may not exceed one year unless the head of the executive agency entering into such contract determines that exceptional circumstances apply.

(B) This paragraph applies to any contract in an amount greater than the simplified acquisition threshold.

(e) Offer requests to potential sources

An executive agency using procedures other than competitive procedures to procure property or services by reason of the application of subsection (c)(2) or (c)(6) of this section shall request offers from as many potential sources as is practicable under the circumstances.

(f) Justification for use of noncompetitive procedures

(1) Except as provided in paragraph (2), an executive agency may not award a contract using procedures other than competitive procedures unless—

(A) the contracting officer for the contract justifies the use of such procedures in writing and certifies the accuracy and completeness of the justification;

(B) the justification is approved—

(i) in the case of a contract for an amount exceeding \$500,000 (but equal to or less than \$10,000,000), by the competition advocate for the procuring activity (without further delegation) or by an official referred to in clause (ii) or (iii); and

(ii) in the case of a contract for an amount exceeding \$10,000,000 (but equal to or less

than \$50,000,000), by the head of the procuring activity or a delegate who, if a member of the armed forces, is a general or flag officer or, if a civilian, is serving in a position in grade GS-16 or above under the General Schedule (or in a comparable or higher position under another schedule); or

(iii) in the case of a contract for an amount exceeding \$50,000,000, by the senior procurement executive of the agency designated pursuant to section 414(3)¹ of this title (without further delegation); and

(C) any required notice has been published with respect to such contract pursuant to section 416 of this title and all bids or proposals received in response to such notice have been considered by such executive agency.

(2) In the case of a procurement permitted by subsection (c)(2), the justification and approval required by paragraph (1) may be made after the contract is awarded. The justification and approval required by paragraph (1) is not required—

(A) when a statute expressly requires that the procurement be made from a specified source;

(B) when the agency's need is for a brand-name commercial item for authorized resale;

(C) in the case of a procurement permitted by subsection (c)(7) of this section; or

(D) in the case of a procurement conducted under (i) the Javits-Wagner-O'Day Act (41 U.S.C. 46 et seq.), or (ii) section 637(a) of title 15.

(3) The justification required by paragraph (1)(A) shall include—

(A) a description of the agency's needs;

(B) an identification of the statutory exception from the requirement to use competitive procedures and a demonstration, based on the proposed contractor's qualifications or the nature of the procurement, of the reasons for using that exception;

(C) a determination that the anticipated cost will be fair and reasonable;

(D) a description of the market survey conducted or a statement of the reasons a market survey was not conducted;

(E) a listing of the sources, if any, that expressed in writing an interest in the procurement; and

(F) a statement of the actions, if any, the agency may take to remove or overcome a barrier to competition before a subsequent procurement for such needs.

(4) In no case may an executive agency—

(A) enter into a contract for property or services using procedures other than competitive procedures on the basis of the lack of advance planning or concerns related to the amount of funds available to the agency for procurement functions; or

(B) procure property or services from another executive agency unless such other executive agency complies fully with the requirements of this subchapter in its procurement of such property or services.

The restriction set out in clause (B) is in addition to, and not in lieu of, any other restriction provided by law.

(g) Simplified procedures for small purchases

(1) In order to promote efficiency and economy in contracting and to avoid unnecessary burdens for agencies and contractors, the Federal Acquisition Regulation shall provide for—

(A) special simplified procedures for purchases of property and services for amounts not greater than the simplified acquisition threshold; and

(B) special simplified procedures for purchases of property and services for amounts greater than the simplified acquisition threshold but not greater than \$5,000,000 with respect to which the contracting officer reasonably expects, based on the nature of the property or services sought and on market research, that offers will include only commercial items.

(2)(A) The Administrator of General Services shall prescribe regulations that provide special simplified procedures for acquisitions of leasehold interests in real property at rental rates that do not exceed the simplified acquisition threshold.

(B) For purposes of subparagraph (A), the rental rate or rates under a multiyear lease do not exceed the simplified acquisition threshold if the average annual amount of the rent payable for the period of the lease does not exceed the simplified acquisition threshold.

(3) A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts in order to use the simplified procedures required by paragraph (1).

(4) In using the simplified procedures, an executive agency shall promote competition to the maximum extent practicable.

(5) An executive agency shall comply with the Federal Acquisition Regulation provisions referred to in section 427(f) of this title.

(h) Efficient implementation of requirement

The Federal Acquisition Regulation shall ensure that the requirement to obtain full and open competition is implemented in a manner that is consistent with the need to efficiently fulfill the Government's requirements.

(i) Merit-based award of contracts

(1) It is the policy of Congress that an executive agency should not be required by legislation to award a new contract to a specific non-Federal Government entity. It is further the policy of Congress that any program, project, or technology identified in legislation be procured through merit-based selection procedures.

(2) A provision of law may not be construed as requiring a new contract to be awarded to a specified non-Federal Government entity unless that provision of law—

(A) specifically refers to this subsection;

(B) specifically identifies the particular non-Federal Government entity involved; and

(C) specifically states that the award to that entity is required by such provision of law in contravention of the policy set forth in paragraph (1).

(3) For purposes of this subsection, a contract is a new contract unless the work provided for in the contract is a continuation of the work per-

formed by the specified entity under a preceding contract.

(4) This subsection shall not apply with respect to any contract that calls upon the National Academy of Sciences to investigate, examine, or experiment upon any subject of science or art of significance to an executive agency and to report on such matters to the Congress or any agency of the Federal Government.

(j)(1)(A) Except as provided in subparagraph (B), in the case of a procurement permitted by subsection (c), the head of an executive agency shall make publicly available, within 14 days after the award of the contract, the documents containing the justification and approval required by subsection (f)(1) with respect to the procurement.

(B) In the case of a procurement permitted by subsection (c)(2), subparagraph (A) shall be applied by substituting "30 days" for "14 days".

(2) The documents shall be made available on the website of the agency and through a government-wide website selected by the Administrator for Federal Procurement Policy.

(3) This subsection does not require the public availability of information that is exempt from public disclosure under section 552(b) of title 5. DEFINITIONS

The definitions in section 102 of Title 40, Public Buildings, Property, and Works, apply to this subchapter.

§ 253a. Planning and solicitation requirements

(a) Preparation; planning; specifications in solicitation

(1) In preparing for the procurement of property or services, an executive agency shall—

(A) specify its needs and solicit bids or proposals in a manner designed to achieve full and open competition for the procurement;

(B) use advance procurement planning and market research; and

(C) develop specifications in such manner as is necessary to obtain full and open competition with due regard to the nature of the property or services to be acquired.

(2) Each solicitation under this subchapter shall include specifications which—

(A) consistent with the provisions of this subchapter, permit full and open competition;

(B) include restrictive provisions or conditions only to the extent necessary to satisfy the needs of the executive agency or as authorized by law.

(3) For the purposes of paragraphs (1) and (2), the type of specification included in a solicitation shall depend on the nature of the needs of the executive agency and the market available to satisfy such needs. Subject to such needs, specifications may be stated in terms of—

(A) function, so that a variety of products or services may qualify;

(B) performance, including specifications of the range of acceptable characteristics or of the minimum acceptable standards; or

(C) design requirements.

(b) Contents of solicitation

In addition to the specifications described in subsection (a) of this section, each solicitation for sealed bids or competitive proposals (other than for a procurement for commercial items using special simplified procedures or a purchase for an amount not greater than the simplified acquisition threshold) shall at a minimum include—

(1) a statement of—

(A) all significant factors and significant subfactors which the executive agency reasonably expects to consider in evaluating sealed bids (including price) or competitive proposals (including cost or price, cost-related or price-related factors and subfactors, and noncost-related or nonprice-related factors and subfactors); and

(B) the relative importance assigned to each of those factors and subfactors; and

(2)(A) in the case of sealed bids—

(i) a statement that sealed bids will be evaluated without discussions with the bidders; and

(ii) the time and place for the opening of the sealed bids; or

(B) in the case of competitive proposals—

(i) either a statement that the proposals are intended to be evaluated with, and award made after, discussions with the offerors, or a statement that the proposals are intended to be evaluated, and award made, without discussions with the offerors (other than discussions conducted for the purpose of minor clarification) unless discussions are determined to be necessary; and

(ii) the time and place for submission of proposals.

(c) Evaluation factors

(1) In prescribing the evaluation factors to be included in each solicitation for competitive proposals, an executive agency—

(A) shall clearly establish the relative importance assigned to the evaluation factors and subfactors, including the quality of the product or services to be provided (including technical capability, management capability, prior experience, and past performance of the offeror);

(B) shall include cost or price to the Federal Government as an evaluation factor that must be considered in the evaluation of proposals; and

(C) shall disclose to offerors whether all evaluation factors other than cost or price, when combined, are—

(i) significantly more important than cost or price;

(ii) approximately equal in importance to cost or price; or

(iii) significantly less important than cost or price.

(2) The regulations implementing subparagraph (C) of paragraph (1) may not define the terms “significantly more important” and “significantly less important” as specific numeric weights that would be applied uniformly to all solicitations or a class of solicitations.

(d) Additional information in solicitation

Nothing in this section prohibits an executive agency from—

(1) providing additional information in a solicitation, including numeric weights for all evaluation factors and subfactors on a case-by-case basis; or

(2) stating in a solicitation that award will be made to the offeror that meets the solicitation’s mandatory requirements at the lowest cost or price.

(e) Evaluation of purchase options

An executive agency, in issuing a solicitation for a contract to be awarded using sealed bid procedures, may not include in such solicitation a clause providing for the evaluation of prices for options to purchase additional property or services under the contract unless the executive agency has determined that there is a reasonable likelihood that the options will be exercised.

AUTHORIZATION OF TELECOMMUTING FOR FEDERAL CONTRACTORS

Pub. L. 108-136, div. A, title XIV, § 1428, Nov. 24, 2003, 117 Stat. 1670, provided that:

“(a) AMENDMENT TO THE FEDERAL ACQUISITION REGULATION.—Not later than 180 days after the date of the enactment of this Act [Nov. 24, 2003], the Federal Acquisition Regulatory Council shall amend the Federal Acquisition Regulation issued in accordance with sections 6 and 25 of the Office of Federal Procurement Policy Act (41 U.S.C. 405 and 421) to permit telecommuting by employees of Federal Government contractors in the performance of contracts entered into with executive agencies.

“(b) CONTENT OF AMENDMENT.—The regulation issued pursuant to subsection (a) shall, at a minimum, provide that solicitations for the acquisition of property or services may not set forth any requirement or evaluation criteria that would—

“(1) render an offeror ineligible to enter into a contract on the basis of the inclusion of a plan of the offeror to permit the offeror’s employees to telecommute, unless the contracting officer concerned first determines that the requirements of the agency, including security requirements, cannot be met if the telecommuting is permitted and documents in writing the basis for that determination; or

“(2) reduce the scoring of an offer on the basis of the inclusion in the offer of a plan of the offeror to permit the offeror’s employees to telecommute, unless the contracting officer concerned first determines that the requirements of the agency, including security requirements, would be adversely impacted if telecommuting is permitted and documents in writing the basis for that determination.

“(c) DEFINITION.—In this section, the term ‘executive agency’ has the meaning given that term in section 4(1) of the Office of Federal Procurement Policy Act (41 U.S.C. 403(1)).”

SMALL BUSINESS ACT

Section not to affect or supersede the provisions of section 637(a) of Title 15, Commerce and Trade, see section 2711(c) of Pub. L. 98–369, set out as a note under section 253 of this title.

DEFINITIONS

The definitions in section 102 of Title 40, Public Buildings, Property, and Works, apply to this subchapter.

§ 253b. Evaluation and award

(a) Basis

An executive agency shall evaluate sealed bids and competitive proposals, and award a contract, based solely on the factors specified in the solicitation.

(b) Rejection of bids or proposals

All sealed bids or competitive proposals received in response to a solicitation may be rejected if the agency head determines that such action is in the public interest.

(c) Opening of bids; promptness of award; written notice

Sealed bids shall be opened publicly at the time and place stated in the solicitation. The executive agency shall evaluate the bids in accordance with subsection (a) of this section without discussions with the bidders and, except as provided in subsection (b) of this section, shall award a contract with reasonable promptness to the responsible source whose bid conforms to the solicitation and is most advantageous to the United States, considering only price and the other price-related factors included in the solicitation. The award of a contract shall be made by transmitting, in writing or by electronic means, notice of the award to

the successful bidder. Within 3 days after the date of contract award, the executive agency shall notify, in writing or by electronic means, each bidder not awarded the contract that the contract has been awarded.

(d) Discussions with offerors; written notification

(1) An executive agency shall evaluate competitive proposals in accordance with subsection (a) of this section and may award a contract—

(A) after discussions with the offerors, provided that written or oral discussions have been conducted with all responsible offerors who submit proposals within the competitive range; or

(B) based on the proposals received and without discussions with the offerors (other than discussions conducted for the purpose of minor clarification), if, as required by section 253a(b)(2)(B)(i) of this title, the solicitation included a statement that proposals are intended to be evaluated, and award made, without discussions, unless discussions are determined to be necessary.

(2) If the contracting officer determines that the number of offerors that would otherwise be included in the competitive range under paragraph (1)(A) exceeds the number at which an efficient competition can be conducted, the contracting officer may limit the number of proposals in the competitive range, in accordance with the criteria specified in the solicitation, to the greatest number that will permit an efficient competition among the offerors rated most highly in accordance with such criteria.

(3) Except as otherwise provided in subsection (b) of this section, the executive agency shall award a contract with reasonable promptness to the responsible source whose proposal is most advantageous to the United States, considering only cost or price and the other factors included in the solicitation. The executive agency shall award the contract by transmitting, in writing or by electronic means, notice of the award to such source and, within 3 days after the date of contract award, shall notify, in writing or by electronic means, all other offerors of the rejection of their proposals.

(e) Post-award debriefings

(1) When a contract is awarded by the head of an executive agency on the basis of competitive proposals, an unsuccessful offeror, upon written request received by the agency within 3 days after the date on which the unsuccessful offeror receives the notification of the contract award, shall be debriefed and furnished the basis for the selection decision and contract award. The executive agency shall debrief the offeror within, to the maximum extent practicable, 5 days after receipt of the request by the executive agency.

(2) The debriefing shall include, at a minimum—

(A) the executive agency’s evaluation of the significant weak or deficient factors in the offeror’s offer;

(B) the overall evaluated cost and technical rating of the offer of the contractor awarded the contract and the overall evaluated cost and technical rating of the offer of the debriefed offeror;

(C) the overall ranking of all offers;

(D) a summary of the rationale for the award;

(E) in the case of a proposal that includes a commercial item that is an end item under the contract, the make and model of the item being provided in accordance with the offer of the contractor awarded the contract; and

(F) reasonable responses to relevant questions posed by the debriefed offeror as to whether source selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the executive agency.

(3) The debriefing may not include point-by-point comparisons of the debriefed offeror's offer with other offers and may not disclose any information that is exempt from disclosure under section 552(b) of title 5.

(4) Each solicitation for competitive proposals shall include a statement that information described in paragraph (2) may be disclosed in post-award debriefings.

(5) If, within one year after the date of the contract award and as a result of a successful procurement protest, the executive agency seeks to fulfill the requirement under the protested contract either on the basis of a new solicitation of offers or on the basis of new best and final offers requested for that contract, the head of such executive agency shall make available to all offerors—

(A) the information provided in debriefings under this subsection regarding the offer of the contractor awarded the contract; and

(B) the same information that would have been provided to the original offerors.

(f) Preaward debriefings

(1) When the contracting officer excludes an offeror submitting a competitive proposal from the competitive range (or otherwise excludes such an offeror from further consideration prior to the final source selection decision), the excluded offeror may request in writing, within 3 days after the date on which the excluded offeror receives notice of its exclusion, a debriefing prior to award. The contracting officer shall make every effort to debrief the unsuccessful offeror as soon as practicable but may refuse the request for a debriefing if it is not in the best interests of the Government to conduct a debriefing at that time.

(2) The contracting officer is required to debrief an excluded offeror in accordance with subsection (e) of this section only if that offeror requested and was refused a preaward debriefing under paragraph (1) of this subsection.

(3) The debriefing conducted under this subsection shall include—

(A) the executive agency's evaluation of the significant elements in the offeror's offer;

(B) a summary of the rationale for the offeror's exclusion; and

(C) reasonable responses to relevant questions posed by the debriefed offeror as to whether source selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the executive agency.

(4) The debriefing conducted pursuant to this subsection may not disclose the number or iden-

tity of other offerors and shall not disclose information about the content, ranking, or evaluation of other offerors' proposals.

(g) Summary of debriefing

The contracting officer shall include a summary of any debriefing conducted under subsection (e) or (f) of this section in the contract file.

(h) Alternative dispute resolution

The Federal Acquisition Regulation shall include a provision encouraging the use of alternative dispute resolution techniques to provide informal, expeditious, and inexpensive procedures for an offeror to consider using before filing a protest, prior to the award of a contract, of the exclusion of the offeror from the competitive range (or otherwise from further consideration) for that contract.

(i) Antitrust violations

If the agency head considers that a bid or proposal evidences a violation of the antitrust laws, such agency head shall refer the bid or proposal to the Attorney General for appropriate action.

(j) Planning for future competition

(1)(A) In preparing a solicitation for the award of a development contract for a major system, the head of an agency shall consider requiring in the solicitation that an offeror include in its offer proposals described in subparagraph (B). In determining whether to require such proposals, the head of the agency shall give due consideration to the purposes for which the system is being procured and the technology necessary to meet the system's required capabilities. If such proposals are required, the head of the agency shall consider them in evaluating the offeror's price.

(B) The proposals that the head of an agency is to consider requiring in a solicitation for the award of a development contract are the following:

(i) Proposals to incorporate in the design of the major system items which are currently available within the supply system of the Federal agency responsible for the major system, available elsewhere in the national supply system, or commercially available from more than one source.

(ii) With respect to items that are likely to be required in substantial quantities during the system's service life, proposals to incorporate in the design of the major system items which the United States will be able to acquire competitively in the future.

(2)(A) In preparing a solicitation for the award of a production contract for a major system, the head of an agency shall consider requiring in the solicitation that an offeror include in its offer proposals described in subparagraph (B). In determining whether to require such proposals, the head of the agency shall give due consideration to the purposes for which the system is being procured and the technology necessary to meet the system's required capabilities. If such proposals are required, the head of the agency shall consider them in evaluating the offeror's price.

(B) The proposals that the head of an agency is to consider requiring in a solicitation for the

award of a production contract are proposals identifying opportunities to ensure that the United States will be able to obtain on a competitive basis items procured in connection with the system that are likely to be reproposed in substantial quantities during the service life of the system. Proposals submitted in response to such requirement may include the following:

(i) Proposals to provide to the United States the right to use technical data to be provided under the contract for competitive reprourement of the item, together with the cost to the United States, if any, of acquiring such technical data and the right to use such data.

(ii) Proposals for the qualification or development of multiple sources of supply for the item.

(3) If the head of an agency is making a non-competitive award of a development contract or a production contract for a major system, the factors specified in paragraphs (1) and (2) to be considered in evaluating an offer for a contract may be considered as objectives in negotiating the contract to be awarded.

(k) Protest file

(1) If, in the case of a solicitation for a contract issued by, or an award or proposed award of a contract by, the head of an executive agency, a protest is filed pursuant to the procedures in subchapter V of chapter 35 of title 31, and an actual or prospective offeror so requests, a file of the protest shall be established by the procuring activity and reasonable access shall be provided to actual or prospective offerors.

(2) Information exempt from disclosure under section 552 of title 5 may be redacted in a file established pursuant to paragraph (1) unless an applicable protective order provides otherwise.

(l) Agency actions on protests

If, in connection with a protest, the head of an executive agency determines that a solicitation, proposed award, or award does not comply with the requirements of law or regulation, the head of such executive agency—

(1) may take any action set out in subparagraphs (A) through (F) of subsection (b)(1) of section 3554 of title 31; and

(2) may pay costs described in paragraph (1) of section 3554(c) of such title within the limits referred to in paragraph (2) of such section.

(m) Prohibition on release of contractor proposals

(1) Except as provided in paragraph (2), a proposal in the possession or control of an executive agency may not be made available to any person under section 552 of title 5.

(2) Paragraph (1) does not apply to any proposal that is set forth or incorporated by reference in a contract entered into between the agency and the contractor that submitted the proposal.

(3) In this subsection, the term “proposal” means any proposal, including a technical, management, or cost proposal, submitted by a contractor in response to the requirements of a solicitation for a competitive proposal.

EX. ORD. NO. 12979. AGENCY PROCUREMENT PROTESTS

Ex. Ord. No. 12979, Oct. 25, 1995, 60 F.R. 55171, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to ensure effective and efficient expenditure of public funds and fair and expeditious resolution of protests to the award of Federal procurement contracts, it is hereby ordered as follows:

SECTION 1. Heads of executive departments and agencies ("agencies") engaged in the procurement of supplies and services shall prescribe administrative procedures for the resolution of protests to the award of their procurement contracts as an alternative to protests in fora outside the procuring agencies. Procedures prescribed pursuant to this order shall:

(a) emphasize that whenever conduct of a procurement is contested, all parties should use their best efforts to resolve the matter with agency contracting officers;

(b) to the maximum extent practicable, provide for inexpensive, informal, procedurally simple, and expeditious resolution of protests, including, where appropriate and as permitted by law, the use of alternative dispute resolution techniques, third party neutrals, and another agency's personnel;

(c) allow actual or prospective bidders or offerors whose direct economic interests would be affected by

the award or failure to award the contract to request a review, at a level above the contracting officer, of any decision by a contracting officer that is alleged to have violated a statute or regulation and, thereby, caused prejudice to the protester; and

(d) except where immediate contract award or performance is justified for urgent and compelling reasons or is determined to be in the best interest of the United States, prohibit award or performance of the contract while a timely filed protest is pending before the agency. To allow for the withholding of a contract award or performance, the agency must have received notice of the protest within either 10 calendar days after the contract award or 5 calendar days after the bidder or offeror who is protesting the contract award was given the opportunity to be debriefed by the agency, whichever date is later.

SEC. 2. The Administrator for Federal Procurement Policy shall: (a) work with the heads of executive agencies to provide policy guidance and leadership necessary to implement provisions of this order; and

(b) review and evaluate agency experience and performance under this order, and report on any findings to the President within 2 years from the date of this order.

SEC. 3. The Administrator of General Services, the Secretary of Defense, and the Administrator of the National Aeronautics and Space Administration, in coordination with the Office of Federal Procurement Policy, shall amend the Federal Acquisition Regulation, 48 C.F.R. 1, within 180 days of the date of this order to further the purposes of this order.

WILLIAM J. CLINTON.

DEFINITIONS

The definitions in section 102 of Title 40, Public Buildings, Property, and Works, apply to this subchapter.

§ 253c. Encouragement of new competition

(a) "Qualification requirement" defined

In this section, "qualification requirement" means a requirement for testing or other quality assurance demonstration that must be completed by an offeror before award of a contract.

(b) Agency head; functions; prior to enforcement of qualification requirement

Except as provided in subsection (c) of this section, the head of the agency shall, before enforcing any qualification requirement—

(1) prepare a written justification stating the necessity for establishing the qualification requirement and specify why the qualification requirement must be demonstrated before contract award;

(2) specify in writing and make available to a potential offeror upon request all requirements which a prospective offeror, or its product, must satisfy in order to become qualified, such requirements to be limited to those least restrictive to meet the purposes necessitating the establishment of the qualification requirement;

(3) specify an estimate of the costs of testing and evaluation likely to be incurred by a potential offeror in order to become qualified;

(4) ensure that a potential offeror is provided, upon request, a prompt opportunity to demonstrate at its own expense (except as provided in subsection (d) of this section) its ability to meet the standards specified for qualification using qualified personnel and facilities of the agency concerned or of another

agency obtained through interagency agreement, or under contract, or other methods approved by the agency (including use of approved testing and evaluation services not provided under contract to the agency);

(5) if testing and evaluation services are provided under contract to the agency for the purposes of clause (4), provide to the extent possible that such services be provided by a contractor who is not expected to benefit from an absence of additional qualified sources and who shall be required in such contract to adhere to any restriction on technical data asserted by the potential offeror seeking qualification; and

(6) ensure that a potential offeror seeking qualification is promptly informed as to whether qualification is attained and, in the event qualification is not attained, is promptly furnished specific information why qualification was not attained.

(c) Applicability; waiver authority; referral of offers

(1) Subsection (b) of this section does not apply with respect to a qualification requirement established by statute prior to October 30, 1984.

(2) Except as provided in paragraph (3), if it is unreasonable to specify the standards for qualification which a prospective offeror or its product must satisfy, a determination to that effect shall be submitted to the advocate for competition of the procuring activity responsible for the purchase of the item subject to the qualification requirement. After considering any comments of the advocate for competition reviewing such determination, the head of the procuring activity may waive the requirements of paragraphs (2) through (5) of subsection (b) of this section for up to two years with respect to the item subject to the qualification requirement.

(3) The waiver authority contained in paragraph (2) shall not apply with respect to any qualified products list.

(4) A potential offeror may not be denied the opportunity to submit and have considered an offer for a contract solely because the potential offeror has not been identified as meeting a qualification requirement, if the potential offeror can demonstrate to the satisfaction of the contracting officer that the potential offeror or its product meets the standards established for qualification or can meet such standards before the date specified for award of the contract.

(5) Nothing contained in this subsection requires the referral of an offer to the Small Business Administration pursuant to section 637(b)(7) of title 15 if the basis for the referral is a challenge by the offeror to either the validity of the qualification requirement or the offeror's compliance with such requirement.

(6) The head of an agency need not delay a proposed procurement in order to comply with subsection (b) of this section or in order to provide a potential offeror with an opportunity to demonstrate its ability to meet the standards specified for qualification.

(d) Number; qualified sources or products; fewer than two actual manufacturers; functions of agency head

(1) If the number of qualified sources or qualified products available to compete actively for an anticipated future requirement is fewer than two actual manufacturers or the products of two actual manufacturers, respectively, the head of the agency concerned shall—

(A) periodically publish notice in the Commerce Business Daily soliciting additional sources or products to seek qualification, unless the contracting officer determines that such publication would compromise national security; and

(B) bear the cost of conducting the specified testing and evaluation (excluding the costs associated with producing the item or establishing the production, quality control, or other system to be tested and evaluated) for a small business concern or a product manufactured by a small business concern which has met the standards specified for qualification and which could reasonably be expected to compete for a contract for that requirement, but such costs may be borne only if the head of the agency determines that such additional qualified sources or products are likely to result in cost savings from increased competition for future requirements sufficient to offset (within a reasonable period of time considering the duration and dollar value of anticipated future requirements) the costs incurred by the agency.

(2) The head of an agency shall require a prospective contractor requesting the United States to bear testing and evaluation costs under paragraph (1)(B) to certify as to its status as a small business concern under section 632 of title 15.

(e) Examination; need for qualification requirement

Within seven years after the establishment of a qualification requirement, the need for such qualification requirement shall be examined and the standards of such requirement revalidated in accordance with the requirements of subsection (b) of this section. The preceding sentence does not apply in the case of a qualification requirement for which a waiver is in effect under subsection (c)(2) of this section.

(f) Enforcement determination by agency head

Except in an emergency as determined by the head of the agency, whenever the head of the agency determines not to enforce a qualification requirement for a solicitation, the agency may not thereafter enforce that qualification requirement unless the agency complies with the requirements of subsection (b) of this section.

DEFINITIONS

The definitions in section 102 of Title 40, Public Buildings, Property, and Works, apply to this subchapter.

§ 253d. Validation of proprietary data restrictions

(a) Contracts; delivery of technical services; contents

A contract for property or services entered into by an executive agency which provides for the delivery of technical data, shall provide that—

(1) a contractor or subcontractor at any tier shall be prepared to furnish to the contracting officer a written justification for any restriction asserted by the contractor or subcontractor on the right of the United States to use such technical data; and

(2) the contracting officer may review the validity of any restriction asserted by the contractor or by a subcontractor under the contract on the right of the United States to use technical data furnished to the United States under the contract if the contracting officer determines that reasonable grounds exist to question the current validity of the asserted restriction and that the continued adherence to the asserted restriction by the United States would make it impracticable to procure the item competitively at a later time.

(b) Review; challenge; notice

If after such review the contracting officer determines that a challenge to the asserted restriction is warranted, the contracting officer shall provide written notice to the contractor or subcontractor asserting the restriction. Such notice shall state—

(1) the grounds for challenging the asserted restriction; and

(2) the requirement for a response within 60 days justifying the current validity of the asserted restriction.

(c) Written request; additional time; schedule of responses

If a contractor or subcontractor asserting a restriction subject to this section submits to the contracting officer a written request, showing the need for additional time to comply with the requirement to justify the current validity of the asserted restriction, additional time to adequately permit the submission of such justification shall be provided by the contracting officer as appropriate. If a party asserting a restriction receives notices of challenges to restrictions on technical data from more than one contracting officer, and notifies each contracting officer of the existence of more than one challenge, the contracting officer initiating the first in time challenge, after consultation with the party asserting the restriction and the other contracting officers, shall formulate a schedule of responses to each of the challenges that will afford the party asserting the restriction with an equitable opportunity to respond to each such challenge.

(d) Decision; validity of asserted restriction; failure to submit response

(1) Upon a failure by the contractor or subcontractor to submit any response under sub-

section (b) of this section, the contracting officer shall issue a decision pertaining to the validity of the asserted restriction.

(2) If a justification is submitted in response to the notice provided pursuant to subsection (b) of this section, a contracting officer shall within 60 days of receipt of any justification submitted, issue a decision or notify the party asserting the restriction of the time within which a decision will be issued.

(e) Claim; considered claim within Contract Disputes Act of 1978

If a claim pertaining to the validity of the asserted restriction is submitted in writing to a contracting officer by a contractor or subcontractor at any tier, such claim shall be considered a claim within the meaning of the Contract Disputes Act of 1978 (41 U.S.C. 601 et seq.).

(f) Challenge; use of technical data; sustained; liability of United States for costs and fees

(1) If, upon final disposition, the contracting officer's challenge to the restriction on the right of the United States to use such technical data is sustained—

(A) the restriction on the right of the United States to use the technical data shall be cancelled; and

(B) if the asserted restriction is found not to be substantially justified, the contractor or subcontractor, as appropriate, shall be liable to the United States for payment of the cost to the United States of reviewing the asserted restriction and the fees and other expenses (as defined in section 2412(d)(2)(A) of title 28) incurred by the United States in challenging the asserted restriction, unless special circumstances would make such payment unjust.

(2) If, upon final disposition, the contracting officer's challenge to the restriction on the right of the United States to use such technical data is not sustained—

(A) the United States shall continue to be bound by the restriction; and

(B) the United States shall be liable for payment to the party asserting the restriction for fees and other expenses (as defined in section 2412(d)(2)(A) of title 28) incurred by the party asserting the restriction in defending the asserted restriction if the challenge by the United States is found not to be made in good faith.

§ 253g. Prohibition of contractors limiting subcontractor sales directly to United States

(a) Contract restrictions

Each contract for the purchase of property or services made by an executive agency shall provide that the contractor will not—

- (1) enter into any agreement with a subcontractor under the contract that has the effect of unreasonably restricting sales by the subcontractor directly to the United States of

any item or process (including computer software) made or furnished by the subcontractor under the contract (or any follow-on production contract); or

- (2) otherwise act to restrict unreasonably the ability of a subcontractor to make sales to the United States described in clause (1).

(b) Rights under law

This section does not prohibit a contractor from asserting rights it otherwise has under law.

(c) Inapplicability to certain contracts

This section does not apply to a contract for an amount that is not greater than the simplified acquisition threshold.

(d) Inapplicability when Government treated similarly to other purchasers

An agreement between the contractor in a contract for the acquisition of commercial items and a subcontractor under such contract that restricts sales by such subcontractor directly to persons other than the contractor may not be considered to unreasonably restrict sales by that subcontractor to the United States in violation of the provision included in such contract pursuant to subsection (a) of this section if the agreement does not result in the Federal Government being treated differently with regard to the restriction than any other prospective purchaser of such commercial items from that subcontractor.

§ 253h. Task and delivery order contracts: general authority

(a) Authority to award

Subject to the requirements of this section, section 253j of this title, and other applicable law, the head of an executive agency may enter into a task or delivery order contract (as defined in section 253k of this title) for procurement of services or property.

(b) Solicitation

The solicitation for a task or delivery order contract shall include the following:

(1) The period of the contract, including the number of options to extend the contract and the period for which the contract may be extended under each option, if any.

(2) The maximum quantity or dollar value of the services or property to be procured under the contract.

(3) A statement of work, specifications, or other description that reasonably describes the general scope, nature, complexity, and purposes of the services or property to be procured under the contract.

(c) Applicability of restriction on use of non-competitive procedures

The head of an executive agency may use procedures other than competitive procedures to enter into a task or delivery order contract under this section only if an exception in subsection (c) of section 253 of this title applies to the contract and the use of such procedures is approved in accordance with subsection (f) of such section.

(d) Single and multiple contract awards

(1) The head of an executive agency may exercise the authority provided in this section—

(A) to award a single task or delivery order contract; or

(B) if the solicitation states that the head of the executive agency has the option to do so, to award separate task or delivery order contracts for the same or similar services or property to two or more sources.

(2) No determination under section 253(b) of this title is required for an award of multiple task or delivery order contracts under paragraph (1)(B).

(3)(A) No task or delivery order contract in an amount estimated to exceed \$100,000,000 (including all options) may be awarded to a single source unless the head of the executive agency determines in writing that—

(i) the task or delivery orders expected under the contract are so integrally related that only a single source can reasonably perform the work;

(ii) the contract provides only for firm, fixed price task orders or delivery orders for—

(I) products for which unit prices are established in the contract; or

(II) services for which prices are established in the contract for the specific tasks to be performed;

(iii) only one source is qualified and capable of performing the work at a reasonable price to the government; or

(iv) because of exceptional circumstances, it is necessary in the public interest to award the contract to a single source.

(B) The head of the executive agency shall notify Congress within 30 days after any determination under subparagraph (A)(iv).

(4) The regulations implementing this subsection shall—

(A) establish a preference for awarding, to the maximum extent practicable, multiple

task or delivery order contracts for the same or similar services or property under the authority of paragraph (1)(B); and

(B) establish criteria for determining when award of multiple task or delivery order contracts would not be in the best interest of the Federal Government.

(e) Contract modifications

A task or delivery order may not increase the scope, period, or maximum value of the task or delivery order contract under which the order is issued. The scope, period, or maximum value of the contract may be increased only by modification of the contract.

(f) Inapplicability to contracts for advisory and assistance services

Except as otherwise specifically provided in section 253i of this title, this section does not apply to a task or delivery order contract for the acquisition of advisory and assistance services (as defined in section 1105(g) of title 31).

(g) Relationship to other contracting authority

Nothing in this section may be construed to limit or expand any authority of the head of an executive agency or the Administrator of General Services to enter into schedule, multiple award, or task or delivery order contracts under any other provision of law.

REQUIREMENTS FOR PURCHASE OF PROPERTY AND SERVICES PURSUANT TO MULTIPLE AWARD CONTRACTS

Pub. L. 110-417, [div. A], title VIII, §863(a)-(e), Oct. 14, 2008, 122 Stat. 4547, 4548, provided that:

“(a) REGULATIONS REQUIRED.—Not later than one year after the date of the enactment of this Act [Oct. 14, 2008], the Federal Acquisition Regulation shall be amended to require enhanced competition in the purchase of property and services by all executive agencies pursuant to multiple award contracts.

“(b) CONTENT OF REGULATIONS.—

“(1) IN GENERAL.—The regulations required by subsection (a) shall provide, at a minimum, that each individual purchase of property or services in excess of the simplified acquisition threshold that is made under a multiple award contract shall be made on a competitive basis unless a contracting officer—

“(A) waives the requirement on the basis of a determination that—

“(i) one of the circumstances described in paragraphs (1) through (4) of section 303J(b) of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 253j(b)) or section 2304c(b) of title 10, United States Code, applies to such individual purchase; or

“(ii) a law expressly authorizes or requires that the purchase be made from a specified source; and

“(B) justifies the determination in writing.

“(2) COMPETITIVE BASIS PROCEDURES.—For purposes of this subsection, an individual purchase of property or services is made on a competitive basis only if it is made pursuant to procedures that—

“(A) except as provided in paragraph (3), require fair notice of the intent to make that purchase (including a description of the work to be performed and the basis on which the selection will be made) to be provided to all contractors offering such property or services under the multiple award contract; and

“(B) afford all contractors responding to the notice a fair opportunity to make an offer and have that offer fairly considered by the official making the purchase.

“(3) EXCEPTION TO NOTICE REQUIREMENT.—

“(A) IN GENERAL.—Notwithstanding paragraph (2), and subject to subparagraph (B), notice may be provided to fewer than all contractors offering such property or services under a multiple award contract as described in subsection (d)(2)(A) [sic] if notice is provided to as many contractors as practicable.

“(B) LIMITATION ON EXCEPTION.—A purchase may not be made pursuant to a notice that is provided to fewer than all contractors under subparagraph (A) unless—

“(i) offers were received from at least 3 qualified contractors; or

“(ii) a contracting officer of the executive agency determines in writing that no additional qualified contractors were able to be identified despite reasonable efforts to do so.

“(c) PUBLIC NOTICE REQUIREMENTS RELATED TO SOLE SOURCE TASK OR DELIVERY ORDERS.—

“(1) PUBLIC NOTICE REQUIRED.—Not later than one year after the date of the enactment of this Act [Oct. 14, 2008], the Federal Acquisition Regulation shall be amended to require the head of each executive agency to—

§ 253i. Task order contracts: advisory and assistance services

(a) Authority to award

(1) Subject to the requirements of this section, section 253j of this title, and other applicable law, the head of an executive agency may enter into a task order contract (as defined in section 253k of this title) for procurement of advisory and assistance services.

(2) The head of an executive agency may enter into a task order contract for advisory and assistance services only under the authority of this section.

(b) Limitation on contract period

The period of a task order contract entered into under this section, including all periods of extensions of the contract under options, modifications, or otherwise, may not exceed five years unless a longer period is specifically authorized in a law that is applicable to such contract.

(c) Content of notice

The notice required by section 416 of this title and section 637(e) of title 15 shall reasonably and fairly describe the general scope, magnitude, and duration of the proposed task order contract in a manner that would reasonably enable a potential offeror to decide whether to request the solicitation and consider submitting an offer.

(d) Required content of solicitation and contract

(1) The solicitation shall include the information (regarding services) described in section 253h(b) of this title.

(2) A task order contract entered into under this section shall contain the same information that is required by paragraph (1) to be included in the solicitation of offers for that contract.

(e) Multiple awards

(1) The head of an executive agency may, on the basis of one solicitation, award separate task order contracts under this section for the

same or similar services to two or more sources if the solicitation states that the head of the executive agency has the option to do so.

(2) If, in the case of a task order contract for advisory and assistance services to be entered into under the authority of this section, the contract period is to exceed three years and the contract amount is estimated to exceed \$10,000,000 (including all options), the solicitation shall—

(A) provide for a multiple award authorized under paragraph (1); and

(B) include a statement that the head of the executive agency may also elect to award only one task order contract if the head of the executive agency determines in writing that only one of the offerers is capable of providing the services required at the level of quality required.

(3) Paragraph (2) does not apply in the case of a solicitation for which the head of the executive agency concerned determines in writing that, because the services required under the contract are unique or highly specialized, it is not practicable to award more than one contract.

(f) Contract modifications

(1) A task order may not increase the scope, period, or maximum value of the task order contract under which the order is issued. The scope, period, or maximum value of the contract may be increased only by modification of the contract.

(2) Unless use of procedures other than competitive procedures is authorized by an exception in subsection (c) of section 253 of this title and approved in accordance with subsection (f) of such section, competitive procedures shall be used for making such a modification.

(3) Notice regarding the modification shall be provided in accordance with section 416 of this title and section 637(e) of title 15.

(g) Contract extensions

(1) Notwithstanding the limitation on the contract period set forth in subsection (b) of this section or in a solicitation or contract pursuant to subsection (e) of this section, a contract entered into by the head of an executive agency under this section may be extended on a sole-source basis for a period not exceeding six months if the head of such executive agency determines that—

(A) the award of a follow-on contract has been delayed by circumstances that were not reasonably foreseeable at the time the initial contract was entered into; and

(B) the extension is necessary in order to ensure continuity of the receipt of services pending the award of, and commencement of performance under, the follow-on contract.

(2) A task order contract may be extended under the authority of paragraph (1) only once and only in accordance with the limitations and requirements of this subsection.

(h) Inapplicability to certain contracts

This section does not apply to a contract for the acquisition of property or services that includes acquisition of advisory and assistance

services if the head of the executive agency entering into such contract determines that, under the contract, advisory and assistance services are necessarily incident to, and not a significant component of, the contract.

(i) “Advisory and assistance services” defined

In this section, the term “advisory and assistance services” has the meaning given such term in section 1105(g) of title 31.

§ 253j. Task and delivery order contracts: orders

(a) Issuance of orders

The following actions are not required for issuance of a task or delivery order under a task or delivery order contract:

(1) A separate notice for such order under section 416 of this title or section 637(e) of title 15.

(2) Except as provided in subsection (b) of this section, a competition (or a waiver of competition approved in accordance with section 253(f) of this title) that is separate from that used for entering into the contract.

(b) Multiple award contracts

When multiple contracts are awarded under section 253h(d)(1)(B) or 253i(e) of this title, all contractors awarded such contracts shall be provided a fair opportunity to be considered, pursuant to procedures set forth in the contracts, for each task or delivery order in excess of \$2,500 that is to be issued under any of the contracts unless—

(1) the executive agency’s need for the services or property ordered is of such unusual urgency that providing such opportunity to all such contractors would result in unacceptable delays in fulfilling that need;

(2) only one such contractor is capable of providing the services or property required at the level of quality required because the services or property ordered are unique or highly specialized;

(3) the task or delivery order should be issued on a sole-source basis in the interest of economy and efficiency because it is a logical follow-on to a task or delivery order already issued on a competitive basis; or

(4) it is necessary to place the order with a particular contractor in order to satisfy a minimum guarantee.

(c) Statement of work

A task or delivery order shall include a statement of work that clearly specifies all tasks to be performed or property to be delivered under the order.

(d) Enhanced competition for orders in excess of \$5,000,000

In the case of a task or delivery order in excess of \$5,000,000, the requirement to provide all contractors a fair opportunity to be considered under subsection (b) is not met unless all such contractors are provided, at a minimum—

(1) a notice of the task or delivery order that includes a clear statement of the executive agency’s requirements;

(2) a reasonable period of time to provide a proposal in response to the notice;

(3) disclosure of the significant factors and subfactors, including cost or price, that the executive agency expects to consider in evaluating such proposals, and their relative importance;

(4) in the case of an award that is to be made on a best value basis, a written statement documenting the basis for the award and the relative importance of quality and price or cost factors; and

(5) an opportunity for a post-award debriefing consistent with the requirements of section 253b(e) of this title.

(e) Protests

(1) A protest is not authorized in connection with the issuance or proposed issuance of a task or delivery order except for—

(A) a protest on the ground that the order increases the scope, period, or maximum value of the contract under which the order is issued; or

(B) a protest of an order valued in excess of \$10,000,000.

(2) Notwithstanding section 3556 of title 31, the Comptroller General of the United States shall have exclusive jurisdiction of a protest authorized under paragraph (1)(B).

(3) This subsection shall be in effect for three years, beginning on the date that is 120 days after January 28, 2008.

(f) Task and delivery order ombudsman

The head of each executive agency who awards multiple task or delivery order contracts pursuant to section 253h(d)(1)(B) or 253i(e) of this title shall appoint or designate a task and delivery order ombudsman who shall be responsible for reviewing complaints from the contractors on such contracts and ensuring that all of the contractors are afforded a fair opportunity to be considered for task or delivery orders when required under subsection (b) of this section. The task and delivery order ombudsman shall be a senior agency official who is independent of the contracting officer for the contracts and may be the executive agency’s competition advocate.

§ 253m. Design-build selection procedures

(a) Authorization

Unless the traditional acquisition approach of design-bid-build established under sections 1101 to 1104 of title 40 is used or another acquisition procedure authorized by law is used, the head of an executive agency shall use the two-phase selection procedures authorized in this section for entering into a contract for the design and construction of a public building, facility, or work when a determination is made under subsection (b) of this section that the procedures are appropriate for use.

(b) Criteria for use

A contracting officer shall make a determination whether two-phase selection procedures are appropriate for use for entering into a contract for the design and construction of a public building, facility, or work when the contracting officer anticipates that three or more offers will be received for such contract, design work must be performed before an offeror can develop a price or cost proposal for such contract, the offeror will incur a substantial amount of expense in preparing the offer, and the contracting officer has considered information such as the following:

- (1) The extent to which the project requirements have been adequately defined.
- (2) The time constraints for delivery of the project.
- (3) The capability and experience of potential contractors.
- (4) The suitability of the project for use of the two-phase selection procedures.
- (5) The capability of the agency to manage the two-phase selection process.
- (6) Other criteria established by the agency.

(c) Procedures described

Two-phase selection procedures consist of the following:

- (1) The agency develops, either in-house or by contract, a scope of work statement for inclusion in the solicitation that defines the project and provides prospective offerors with sufficient information regarding the Government's requirements (which may include criteria and preliminary design, budget parameters, and schedule or delivery requirements) to enable the offerors to submit proposals which meet the Government's needs. If the agency contracts for development of the scope of work statement, the agency shall contract for architectural and engineering services as defined by and in accordance with sections 1101 to 1104 of title 40.

(2) The contracting officer solicits phase-one proposals that—

- (A) include information on the offeror's—
 - (i) technical approach; and
 - (ii) technical qualifications; and
- (B) do not include—
 - (i) detailed design information; or
 - (ii) cost or price information.

(3) The evaluation factors to be used in evaluating phase-one proposals are stated in the solicitation and include specialized experience and technical competence, capability to perform, past performance of the offeror's team (including the architect-engineer and construction members of the team) and other appropriate factors, except that cost-related or price-related evaluation factors are not permitted. Each solicitation establishes the relative importance assigned to the evaluation factors and subfactors that must be considered in the evaluation of phase-one proposals. The agency evaluates phase-one proposals on the basis of the phase-one evaluation factors set forth in the solicitation.

(4) The contracting officer selects as the most highly qualified the number of offerors specified in the solicitation to provide the property or services under the contract and requests the selected offerors to submit phase-two competitive proposals that include technical proposals and cost or price information. Each solicitation establishes with respect to phase two—

- (A) the technical submission for the proposal, including design concepts or proposed solutions to requirements addressed within the scope of work (or both), and
- (B) the evaluation factors and subfactors, including cost or price, that must be considered in the evaluations of proposals in accordance with subsections (b), (c), and (d) of section 253a of this title.

The contracting officer separately evaluates the submissions described in subparagraphs (A) and (B).

(5) The agency awards the contract in accordance with section 253b of this title.

(d) Solicitation to state number of offerors to be selected for phase-two requests for competitive proposals

A solicitation issued pursuant to the procedures described in subsection (c) of this section shall state the maximum number of offerors that are to be selected to submit competitive proposals pursuant to subsection (c)(4) of this section. The maximum number specified in the solicitation shall not exceed 5 unless the agency determines with respect to an individual solicitation that a specified number greater than 5 is in the Government's interest and is consistent with the purposes and objectives of the two-phase selection process.

(e) Requirement for guidance and regulations

The Federal Acquisition Regulation shall include guidance—

- (1) regarding the factors that may be considered in determining whether the two-phase contracting procedures authorized by sub-

section (a) of this section are appropriate for use in individual contracting situations;

(2) regarding the factors that may be used in selecting contractors; and

(3) providing for a uniform approach to be used Government-wide.

§ 254. Contract requirements

(a) Contracts awarded using procedures other than sealed-bid procedures

Except as provided in subsection (b) of this section, contracts awarded after using procedures other than sealed-bid procedures may be of any type which in the opinion of the agency head will promote the best interests of the Government. Every contract awarded after using procedures other than sealed-bid procedures shall contain a suitable warranty, as determined by the agency head, by the contractor that no person or selling agency has been employed or retained to solicit or secure such contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business, for the breach or violation of which warranty the Government shall have the right to annul such contract without liability or in its discretion to deduct from the contract price or consideration the full amount of such commission, percentage, brokerage, or contingent fee. The preceding sentence does not apply to a contract for an amount that is not greater than the simplified acquisition threshold or to a contract for the acquisition of commercial items.

(b) Barred contracts; fee limitation; determination of use; advance notification

The cost-plus-a-percentage-of-cost system of contracting shall not be used, and in the case of a cost-plus-a-fixed-fee contract the fee shall not exceed 10 percent of the estimated cost of the contract, exclusive of the fee, as determined by the agency head at the time of entering into such contract (except that a fee not in excess of 15 percent of such estimated cost is authorized in any such contract for experimental, developmental, or research work and that a fee inclusive of the contractor's costs and not in excess of 6 percent of the estimated cost, exclusive of fees, as determined by the agency head at the

time of entering into the contract, of the project to which such fee is applicable is authorized in contracts for architectural or engineering services relating to any public works or utility project). All cost and cost-plus-a-fixed-fee contracts shall provide for advance notification by the contractor to the procuring agency of any subcontract thereunder on a cost-plus-a-fixed-fee basis and of any fixed-price subcontract or purchase order which exceeds in dollar amount either the simplified acquisition threshold or 5 percent of the total estimated cost of the prime contract; and a procuring agency, through any authorized representative thereof, shall have the right to inspect the plans and to audit the books and records of any prime contractor or subcontractor engaged in the performance of a cost or cost-plus-a-fixed-fee contract.

EX. ORD. No. 13496. NOTIFICATION OF EMPLOYEE RIGHTS UNDER FEDERAL LABOR LAWS

Ex. Ord. No. 13496, Jan. 30, 2009, 74 F.R. 6107, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, and in order to ensure the economical and efficient administration and completion of Government contracts, it is hereby ordered that:

SECTION 1. *Policy.* This order is designed to promote economy and efficiency in Government procurement. When the Federal Government contracts for goods or services, it has a proprietary interest in ensuring that those contracts will be performed by contractors whose work will not be interrupted by labor unrest. The attainment of industrial peace is most easily achieved and workers’ productivity is enhanced when workers are well informed of their rights under Federal labor laws, including the National Labor Relations Act (Act), 29 U.S.C. 151 *et seq.* As the Act recognizes, “encouraging the practice and procedure of collective bargaining and . . . protecting the exercise by workers of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection” will “eliminate the causes of certain substantial obstruc-

tions to the free flow of commerce” and “mitigate and eliminate these obstructions when they have occurred.” 29 U.S.C. 151. Relying on contractors whose employees are informed of such rights under Federal labor laws facilitates the efficient and economical completion of the Federal Government’s contracts.

SEC. 2. Contract Clause. Except in contracts exempted in accordance with section 3 of this order, all Government contracting departments and agencies shall, to the extent consistent with law, include the following provisions in every Government contract, other than collective bargaining agreements as defined in 5 U.S.C. 7103(a)(8) and purchases under the simplified acquisition threshold as defined in the Office of Federal Procurement Policy Act, 41 U.S.C. 403.

“1. During the term of this contract, the contractor agrees to post a notice, of such size and in such form, and containing such content as the Secretary of Labor shall prescribe, in conspicuous places in and about its plants and offices where employees covered by the National Labor Relations Act engage in activities relating to the performance of the contract, including all places where notices to employees are customarily posted both physically and electronically. The notice shall include the information contained in the notice published by the Secretary of Labor in the Federal Register (Secretary’s Notice).

“2. The contractor will comply with all provisions of the Secretary’s Notice, and related rules, regulations, and orders of the Secretary of Labor.

“3. In the event that the contractor does not comply with any of the requirements set forth in paragraphs (1) or (2) above, this contract may be cancelled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in or adopted pursuant to Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]]. Such other sanctions or remedies may be imposed as are provided in Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]], or by rule, regulation, or order of the Secretary of Labor, or as are otherwise provided by law.

“4. The contractor will include the provisions of paragraphs (1) through (3) above in every subcontract entered into in connection with this contract (unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 3 of Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]]) so that such provisions will be binding upon each subcontractor. The contractor will take such action with respect to any such subcontract as may be directed by the Secretary of Labor as a means of enforcing such provisions, including the imposition of sanctions for non-compliance: Provided, however, that if the contractor becomes involved in litigation with a subcontractor, or is threatened with such involvement, as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

SEC. 3. Administration.

(a) The Secretary of Labor (Secretary) shall be responsible for the administration and enforcement of this order. The Secretary shall adopt such rules and regulations and issue such orders as are necessary and appropriate to achieve the purposes of this order.

(b) Within 120 days of the effective date of this order, the Secretary shall initiate a rulemaking to prescribe the size, form, and content of the notice to be posted by a contractor under paragraph 1 of the contract clause described in section 2 of this order. Such notice shall describe the rights of employees under Federal labor laws, consistent with the policy set forth in section 1 of this order.

(c) Whenever the Secretary finds that an act of Congress, clarification of existing law by the courts or the National Labor Relations Board, or other circumstances make modification of the contractual provi-

sions set out in subsection (a) of this section necessary to achieve the purposes of this order, the Secretary promptly shall issue such rules, regulations, or orders as are needed to cause the substitution or addition of appropriate contractual provisions in Government contracts thereafter entered into.

SEC. 4. Exemptions. (a) If the Secretary finds that the application of any of the requirements of this order would not serve the purposes of this order or would impair the ability of the Government to procure goods or services on an economical and efficient basis, the Secretary may exempt a contracting department or agency or group of departments or agencies from the requirements of any or all of the provisions of this order with respect to a particular contract or subcontract or any class of contracts or subcontracts.

(b) The Secretary may, if the Secretary finds that special circumstances require an exemption in order to serve the national interest, exempt a contracting department or agency from the requirements of any or all of the provisions of section 2 of this order with respect to a particular contract or subcontract or class of contracts or subcontracts.

SEC. 5. Investigation.

(a) The Secretary may investigate any Government contractor, subcontractor, or vendor to determine whether the contractual provisions required by section 2 of this order have been violated.

Such investigations shall be conducted in accordance with procedures established by the Secretary.

(b) The Secretary shall receive and investigate complaints by employees of a Government contractor or subcontractor, where such complaints allege a failure to perform or a violation of the contractual provisions required by section 2 of this order.

SEC. 6. Compliance.

(a) The Secretary, or any agency or officer in the executive branch lawfully designated by rule, regulation, or order of the Secretary, may hold such hearings, public or private, regarding compliance with this order as the Secretary may deem advisable.

(b) The Secretary may hold hearings, or cause hearings to be held, in accordance with subsection (a) of this section, prior to imposing, ordering, or recommending the imposition of sanctions under this order. Neither an order for cancellation, termination, or suspension of any contract or debarment of any contractor from further Government contracts under section 7(b) of this order nor the inclusion of a contractor on a published list of noncomplying contractors under section 7(c) of this order shall be carried out without affording the contractor an opportunity for a hearing.

SEC. 7. Remedies. In accordance with such rules, regulations, or orders as the Secretary may issue or adopt, the Secretary may:

(a) after consulting with the contracting department or agency, direct that department or agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor to comply with the contractual provisions required by section 2 of this order; contracts may be cancelled, terminated, or suspended absolutely, or continuance of contracts may be conditioned upon future compliance: Provided, that before issuing a directive under this subsection, the Secretary shall provide the head of the contracting department or agency an opportunity to offer written objections to the issuance of such a directive, which objections shall include a complete statement of reasons for the objections, among which reasons shall be a finding that completion of the contract is essential to the agency’s mission: And provided further, that no directive shall be issued by the Secretary under this subsection so long as the head of the contracting department or agency, or his or her designee, continues to object to the issuance of such directive;

(b) after consulting with each affected contracting department or agency, provide that one or more contracting departments or agencies shall refrain from entering into further contracts, or extensions or other

modifications of existing contracts, with any non-complying contractor, until such contractor has satisfied the Secretary that such contractor has complied with and will carry out the provisions of this order: Provided, that before issuing a directive under this subsection, the Secretary shall provide the head of each contracting department or agency an opportunity to offer written objections to the issuance of such a directive, which objections shall include a complete statement of reasons for the objections, among which reasons shall be a finding that further contracts or extensions or other modifications of existing contracts with the noncomplying contractor are essential to the agency's mission: And provided further, that no directive shall be issued by the Secretary under this subsection so long as the head of a contracting department or agency, or his or her designee, continues to object to the issuance of such directive; and

(c) publish, or cause to be published, the names of contractors that have, in the judgment of the Secretary, failed to comply with the provisions of this order or of related rules, regulations, and orders of the Secretary.

SEC. 8. *Reports.* Whenever the Secretary invokes section 7(a) or 7(b) of this order, the contracting department or agency shall report to the Secretary the results of the action it has taken within such time as the Secretary shall specify.

SEC. 9. *Cooperation.* Each contracting department and agency shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions under this order.

SEC. 10. *Sufficiency of Remedies.* If the Secretary finds that the authority vested in the Secretary by sections 5 through 9 of this order is not sufficient to effectuate the purposes of this order, the Secretary shall develop recommendations on how better to effectuate those purposes.

§ 254b. Cost or pricing data: truth in negotiations

(a) Required cost or pricing data and certification

(1) The head of an executive agency shall require offerors, contractors, and subcontractors to make cost or pricing data available as follows:

(A) An offeror for a prime contract under this subchapter to be entered into using procedures other than sealed-bid procedures shall be required to submit cost or pricing data before the award of a contract if—

(i) in the case of a prime contract entered into after October 13, 1994, the price of the contract to the United States is expected to exceed \$500,000; and

(ii) in the case of a prime contract entered into on or before October 13, 1994, the price of the contract to the United States is expected to exceed \$100,000.

(B) The contractor for a prime contract under this subchapter shall be required to submit cost or pricing data before the pricing of a change or modification to the contract if—

(i) in the case of a change or modification made to a prime contract referred to in subparagraph (A)(i), the price adjustment is expected to exceed \$500,000;

(ii) in the case of a change or modification made to a prime contract that was entered into on or before October 13, 1994, and that has been modified pursuant to paragraph (6), the price adjustment is expected to exceed \$500,000; and

(iii) in the case of a change or modification not covered by clause (i) or (ii), the price adjustment is expected to exceed \$100,000.

(C) An offeror for a subcontract (at any tier) of a contract under this subchapter shall be re-

quired to submit cost or pricing data before the award of the subcontract if the prime contractor and each higher-tier subcontractor have been required to make available cost or pricing data under this section and—

(i) in the case of a subcontract under a prime contract referred to in subparagraph (A)(i), the price of the subcontract is expected to exceed \$500,000;

(ii) in the case of a subcontract entered into under a prime contract that was entered into on or before October 13, 1994, and that has been modified pursuant to paragraph (6), the price of the subcontract is expected to exceed \$500,000; and

(iii) in the case of a subcontract not covered by clause (i) or (ii), the price of the subcontract is expected to exceed \$100,000.

(D) The subcontractor for a subcontract covered by subparagraph (C) shall be required to submit cost or pricing data before the pricing of a change or modification to the subcontract if—

(i) in the case of a change or modification to a subcontract referred to in subparagraph (C)(i) or (C)(ii), the price adjustment is expected to exceed \$500,000; and

(ii) in the case of a change or modification to a subcontract referred to in subparagraph (C)(iii), the price adjustment is expected to exceed \$100,000.

(2) A person required, as an offeror, contractor, or subcontractor, to submit cost or pricing data under paragraph (1) (or required by the head of the procuring activity concerned to submit such data under subsection (c) of this section) shall be required to certify that, to the best of the person's knowledge and belief, the cost or pricing data submitted are accurate, complete, and current.

(3) Cost or pricing data required to be submitted under paragraph (1) (or under subsection (c) of this section), and a certification required to be submitted under paragraph (2), shall be submitted—

(A) in the case of a submission by a prime contractor (or an offeror for a prime contract), to the contracting officer for the contract (or to a designated representative of the contracting officer); or

(B) in the case of a submission by a subcontractor (or an offeror for a subcontract), to the prime contractor.

(4) Except as provided under subsection (b) of this section, this section applies to contracts entered into by the head of an executive agency on behalf of a foreign government.

(5) A waiver of requirements for submission of certified cost or pricing data that is granted under subsection (b)(1)(C) of this section in the case of a contract or subcontract does not waive the requirement under paragraph (1)(C) for submission of cost or pricing data in the case of subcontracts under that contract or subcontract unless the head of the procuring activity granting the waiver determines that the requirement under that paragraph should be waived in the case of such subcontracts and justifies in writing the reasons for the determination.

(6) Upon the request of a contractor that was required to submit cost or pricing data under

paragraph (1) in connection with a prime contract entered into on or before October 13, 1994, the head of the executive agency that entered into such contract shall modify the contract to reflect subparagraphs (B)(ii) and (C)(ii) of paragraph (1). All such modifications shall be made without requiring consideration.

(7) Effective on October 1 of each year that is divisible by 5, each amount set forth in paragraph (1) shall be adjusted to the amount that is equal to the fiscal year 1994 constant dollar value of the amount set forth. Any amount, as so adjusted, that is not evenly divisible by \$50,000 shall be rounded to the nearest multiple of \$50,000. In the case of an amount that is evenly divisible by \$25,000 but not evenly divisible by \$50,000, the amount shall be rounded to the next higher multiple of \$50,000.

(b) Exceptions

(1) In general

Submission of certified cost or pricing data shall not be required under subsection (a) of this section in the case of a contract, a subcontract, or a modification of a contract or subcontract—

(A) for which the price agreed upon is based on—

- (i) adequate price competition; or
- (ii) prices set by law or regulation;

(B) for the acquisition of a commercial item; or

(C) in an exceptional case when the head of the procuring activity, without delegation, determines that the requirements of this section may be waived and justifies in writing the reasons for such determination.

(2) Modifications of contracts and subcontracts for commercial items

In the case of a modification of a contract or subcontract for a commercial item that is not covered by the exception to the submission of certified cost or pricing data in paragraph (1)(A) or (1)(B), submission of certified cost or pricing data shall not be required under subsection (a) of this section if—

(A) the contract or subcontract being modified is a contract or subcontract for which submission of certified cost or pricing data may not be required by reason of paragraph (1)(A) or (1)(B); and

(B) the modification would not change the contract or subcontract, as the case may be, from a contract or subcontract for the acquisition of a commercial item to a contract or subcontract for the acquisition of an item other than a commercial item.

(c) Cost or pricing data on below-threshold contracts

(1) Authority to require submission

Subject to paragraph (2), when certified cost or pricing data are not required to be submitted by subsection (a) of this section for a contract, subcontract, or modification of a contract or subcontract, such data may nevertheless be required to be submitted by the head of the procuring activity, but only if the head of the procuring activity determines that such data are necessary for the evaluation by the

agency of the reasonableness of the price of the contract, subcontract, or modification of a contract or subcontract. In any case in which the head of the procuring activity requires such data to be submitted under this subsection, the head of the procuring activity shall justify in writing the reason for such requirement.

(2) Exception

The head of the procuring activity may not require certified cost or pricing data to be submitted under this paragraph for any contract or subcontract, or modification of a contract or subcontract, covered by the exceptions in subparagraph (A) or (B) of subsection (b)(1) of this section.

(3) Delegation of authority prohibited

The head of a procuring activity may not delegate the functions under this paragraph.

(d) Submission of other information

(1) Authority to require submission

When certified cost or pricing data are not required to be submitted under this section for a contract, subcontract, or modification of a contract or subcontract, the contracting officer shall require submission of data other than certified cost or pricing data to the extent necessary to determine the reasonableness of the price of the contract, subcontract, or modification of the contract or subcontract. Except in the case of a contract or subcontract covered by the exceptions in subsection (b)(1)(A) of this section, the contracting officer shall require that the data submitted include, at a minimum, appropriate information on the prices at which the same item or similar items have previously been sold that is adequate for evaluating the reasonableness of the price for the procurement.

(2) Limitations on authority

The Federal Acquisition Regulation shall include the following provisions regarding the types of information that contracting officers may require under paragraph (1):

(A) Reasonable limitations on requests for sales data relating to commercial items.

(B) A requirement that a contracting officer limit, to the maximum extent practicable, the scope of any request for information relating to commercial items from an offeror to only that information that is in the form regularly maintained by the offeror in commercial operations.

(C) A statement that any information received relating to commercial items that is exempt from disclosure under section 552(b) of title 5 shall not be disclosed by the Federal Government.

(e) Price reductions for defective cost or pricing data

(1)(A) A prime contract (or change or modification to a prime contract) under which a certificate under subsection (a)(2) of this section is required shall contain a provision that the price of the contract to the United States, including profit or fee, shall be adjusted to exclude any significant amount by which it may be deter-

mined by the head of the executive agency that such price was increased because the contractor (or any subcontractor required to make available such a certificate) submitted defective cost or pricing data.

(B) For the purposes of this section, defective cost or pricing data are cost or pricing data which, as of the date of agreement on the price of the contract (or another date agreed upon between the parties), were inaccurate, incomplete, or noncurrent. If for purposes of the preceding sentence the parties agree upon a date other than the date of agreement on the price of the contract, the date agreed upon by the parties shall be as close to the date of agreement on the price of the contract as is practicable.

(2) In determining for purposes of a contract price adjustment under a contract provision required by paragraph (1) whether, and to what extent, a contract price was increased because the contractor (or a subcontractor) submitted defective cost or pricing data, it shall be a defense that the United States did not rely on the defective data submitted by the contractor or subcontractor.

(3) It is not a defense to an adjustment of the price of a contract under a contract provision required by paragraph (1) that—

(A) the price of the contract would not have been modified even if accurate, complete, and current cost or pricing data had been submitted by the contractor or subcontractor because the contractor or subcontractor—

(i) was the sole source of the property or services procured; or

(ii) otherwise was in a superior bargaining position with respect to the property or services procured;

(B) the contracting officer should have known that the cost or pricing data in issue were defective even though the contractor or subcontractor took no affirmative action to bring the character of the data to the attention of the contracting officer;

(C) the contract was based on an agreement between the contractor and the United States about the total cost of the contract and there was no agreement about the cost of each item procured under such contract; or

(D) the prime contractor or subcontractor did not submit a certification of cost or pricing data relating to the contract as required under subsection (a)(2) of this section.

(4)(A) A contractor shall be allowed to offset an amount against the amount of a contract price adjustment under a contract provision required by paragraph (1) if—

(i) the contractor certifies to the contracting officer (or to a designated representative of the contracting officer) that, to the best of the contractor's knowledge and belief, the contractor is entitled to the offset; and

(ii) the contractor proves that the cost or pricing data were available before the date of agreement on the price of the contract (or price of the modification), or, if applicable consistent with paragraph (1)(B), another date agreed upon between the parties, and that the data were not submitted as specified in subsection (a)(3) of this section before such date.

(B) A contractor shall not be allowed to offset an amount otherwise authorized to be offset under subparagraph (A) if—

(i) the certification under subsection (a)(2) of this section with respect to the cost or pricing data involved was known to be false when signed; or

(ii) the United States proves that, had the cost or pricing data referred to in subparagraph (A)(ii) been submitted to the United States before the date of agreement on the price of the contract (or price of the modification) or, if applicable under paragraph (1)(B), another date agreed upon between the parties, the submission of such cost or pricing data would not have resulted in an increase in that price in the amount to be offset.

(f) Interest and penalties for certain overpayments

(1) If the United States makes an overpayment to a contractor under a contract with an executive agency subject to this section and the overpayment was due to the submission by the contractor of defective cost or pricing data, the contractor shall be liable to the United States—

(A) for interest on the amount of such overpayment, to be computed—

(i) for the period beginning on the date the overpayment was made to the contractor and ending on the date the contractor repays the amount of such overpayment to the United States; and

(ii) at the current rate prescribed by the Secretary of the Treasury under section 6621 of title 26; and

(B) if the submission of such defective data was a knowing submission, for an additional amount equal to the amount of the overpayment.

(2) Any liability under this subsection of a contractor that submits cost or pricing data but refuses to submit the certification required by subsection (a)(2) of this section with respect to the cost or pricing data shall not be affected by the refusal to submit such certification.

(g) Right of United States to examine contractor records

For the purpose of evaluating the accuracy, completeness, and currency of cost or pricing data required to be submitted by this section, an executive agency shall have the authority provided by section 254d(a)(2) of this title.

(h) Definitions

In this section:

(1) Cost or pricing data

The term “cost or pricing data” means all facts that, as of the date of agreement on the price of a contract (or the price of a contract modification) or, if applicable consistent with subsection (e)(1)(B) of this section, another date agreed upon between the parties, a prudent buyer or seller would reasonably expect to affect price negotiations significantly. Such term does not include information that is judgmental, but does include the factual information from which a judgment was derived.

(2) Subcontract

The term “subcontract” includes a transfer of commercial items between divisions, sub-

sidiaries, or affiliates of a contractor or a subcontractor.

(3) Commercial item

The term “commercial item” has the meaning provided such term by section 403(12) of this title.

D, title XLII, §4201(b), title XLIII, §4321(e)(3), (4), Feb. 10, 1996, 110 Stat. 651, 675; Pub. L. 105-261, div. A, title VIII, §§805(b), 808(b), Oct. 17, 1998, 112 Stat. 2083, 2085.)

AMENDMENTS

1998—Subsec. (a)(5). Pub. L. 105-261, §805(b), amended par. (5) generally. Prior to amendment, par. (5) read as follows: “For purposes of paragraph (1)(C), a contractor or subcontractor granted a waiver under subsection (b)(1)(B) of this section shall be considered as having been required to make available cost or pricing data under this section.”

Subsec. (d)(1). Pub. L. 105-261, §808(b), substituted “the contracting officer shall require that the data submitted” for “the data submitted shall”.

1996—Subsec. (b). Pub. L. 104-106, §4201(b)(1), amended subsec. (b) generally, substituting pars. (1) and (2) relating to submission of certified cost or pricing data for former pars. (1) and (2) relating to submission of cost or pricing data and striking out par. (3) relating to FAR standards.

Subsec. (c). Pub. L. 104-106, §4201(b)(1), amended subsec. (c) generally, substituting pars. (1) to (3) relating to authority to require submission of certified cost or pricing data for former par. (1) relating to authority to require submission of cost or pricing data and striking out former par. (2) relating to authority to require information other than certified cost or pricing data.

Subsec. (c)(1). Pub. L. 104-106, §4321(e)(3), which directed amendment of heading of par. (1) by changing each letter that is capitalized (other than the first letter of the first word) to lowercase, could not be executed because of the general amendment of subsec. (c) by Pub. L. 104-106, §4201(b)(1). See above.

Subsec. (d). Pub. L. 104-106, §4201(b)(1), amended subsec. (d) generally, substituting pars. (1) and (2) relating to submission of other information for former pars. (1) to (6) relating to additional exceptions regarding commercial items.

Subsec. (d)(2)(A)(ii). Pub. L. 104-106, §4321(e)(4), which directed amendment of par. (2)(A)(ii) by inserting “to” after “The information referred”, could not be executed because par. (2)(A) did not contain a cl. (ii) or the phrase “The information referred”, subsequent to the general amendment of subsec. (d) by Pub. L. 104-106, §4201(b)(1). See above.

Subsecs. (h), (i). Pub. L. 104-106, §4201(b)(2), redesignated subsec. (i) as (h) and struck out heading and text of former subsec. (h). Text read as follows: “The Federal Acquisition Regulation shall include regulations concerning the types of information that offerors must submit for a contracting officer to consider in determining whether the price of a procurement to the Government is fair and reasonable when certified cost or pricing data are not required to be submitted under this section because the price of the procurement to the United States is not expected to exceed the applicable threshold amount set forth in subsection (a) of this section (as adjusted pursuant to paragraph (7) of such subsection). Such information, at a minimum, shall include appropriate information on the prices at which the same item or similar items have previously been sold that is adequate for evaluating the reasonableness of the price of a proposed contract or subcontract for the procurement.”

“(2) INFORMATION SUBMITTED.—To the extent necessary to make a determination under paragraph (1), the contracting officer may request the offeror to submit—

“(A) prices paid for the same or similar commercial items under comparable terms and conditions by both government and commercial customers; and

§ 254c. Multiyear contracts

(a) Authority

An executive agency may enter into a multiyear contract for the acquisition of property or services if—

(1) funds are available and obligated for such contract, for the full period of the contract or for the first fiscal year in which the contract is in effect, and for the estimated costs associated with any necessary termination of such contract; and

(2) the executive agency determines that—

(A) the need for the property or services is reasonably firm and continuing over the period of the contract; and

(B) a multiyear contract will serve the best interests of the United States by encouraging full and open competition or promoting economy in administration, performance, and operation of the agency’s programs.

(b) Termination clause

A multiyear contract entered into under the authority of this section shall include a clause that provides that the contract shall be terminated if funds are not made available for the

continuation of such contract in any fiscal year covered by the contract. Amounts available for paying termination costs shall remain available for such purpose until the costs associated with termination of the contract are paid.

(c) Cancellation ceiling notice

Before any contract described in subsection (a) of this section that contains a clause setting forth a cancellation ceiling in excess of \$10,000,000 may be awarded, the executive agency shall give written notification of the proposed contract and of the proposed cancellation ceiling for that contract to the Congress, and such contract may not then be awarded until the end of a period of 30 days beginning on the date of such notification.

(d) Multiyear contract defined

For the purposes of this section, a multiyear contract is a contract for the purchase of property or services for more than one, but not more than five, program years. Such a contract may provide that performance under the contract during the second and subsequent years of the contract is contingent upon the appropriation of funds and (if it does so provide) may provide for a cancellation payment to be made to the contractor if such appropriations are not made.

(e) Rule of construction

Nothing in this section is intended to modify or affect any other provision of law that authorizes multiyear contracts.

§ 254d. Examination of records of contractor

(a) Agency authority

(1) The head of an executive agency, acting through an authorized representative, is authorized to inspect the plant and audit the records of—

(A) a contractor performing a cost-reimbursement, incentive, time-and-materials, labor-hour, or price-redeterminable contract, or any combination of such contracts, made by that executive agency under this subchapter; and

(B) a subcontractor performing any cost-reimbursement, incentive, time-and-materials, labor-hour, or price-redeterminable subcontract or any combination of such subcontracts under a contract referred to in subparagraph (A).

(2) The head of an executive agency, acting through an authorized representative, is authorized, for the purpose of evaluating the accuracy, completeness, and currency of certified cost or pricing data required to be submitted pursuant to section 254b of this title with respect to a contract or subcontract, to examine all records of the contractor or subcontractor related to—

(A) the proposal for the contract or subcontract;

(B) the discussions conducted on the proposal;

(C) pricing of the contract or subcontract; or

(D) performance of the contract or subcontract.

(b) Subpoena power

(1) The Inspector General of an executive agency appointed under section 3 or 8G¹ of the Inspector General Act of 1978 (5 U.S.C. App.) or, upon request of the head of an executive agency, the Director of the Defense Contract Audit Agency (or any successor agency) of the Department of Defense or the Inspector General of the General Services Administration may require by subpoena the production of records of a contractor, access to which is provided for that executive agency by subsection (a) of this section.

(2) Any such subpoena, in the case of contumacy or refusal to obey, shall be enforceable by order of an appropriate United States district court.

(3) The authority provided by paragraph (1) may not be delegated.

(4) In the year following a year in which authority provided in paragraph (1) is exercised for an executive agency, the head of the executive agency shall submit to the Committee on Governmental Affairs of the Senate and the Committee on Government Operations of the House of Representatives a report on the exercise of such authority during such preceding year and the reasons why such authority was exercised in any instance.

(c) Comptroller General authority

(1) Except as provided in paragraph (2), each contract awarded after using procedures other than sealed bid procedures shall provide that the Comptroller General and his representatives are authorized to examine any records of the contractor, or any of its subcontractors, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any current employee regarding such transactions.

(2) Paragraph (1) does not apply to a contract or subcontract with a foreign contractor or foreign subcontractor if the executive agency concerned determines, with the concurrence of the Comptroller General or his designee, that the application of that paragraph to the contract or subcontract would not be in the public interest. However, the concurrence of the Comptroller General or his designee is not required—

(A) where the contractor or subcontractor is a foreign government or agency thereof or is precluded by the laws of the country involved from making its records available for examination; and

(B) where the executive agency determines, after taking into account the price and availability of the property and services from United States sources, that the public interest would be best served by not applying paragraph (1).

(3) Paragraph (1) may not be construed to require a contractor or subcontractor to create or maintain any record that the contractor or sub-

contractor does not maintain in the ordinary course of business or pursuant to another provision of law.

(d) Limitation on audits relating to indirect costs

An executive agency may not perform an audit of indirect costs under a contract, subcontract, or modification before or after entering into the contract, subcontract, or modification in any case in which the contracting officer determines that the objectives of the audit can reasonably be met by accepting the results of an audit that was conducted by any other department or agency of the Federal Government within one year preceding the date of the contracting officer's determination.

(e) Limitation

The authority of an executive agency under subsection (a) of this section, and the authority of the Comptroller General under subsection (c) of this section, with respect to a contract or subcontract shall expire three years after final payment under such contract or subcontract.

(f) Inapplicability to certain contracts

This section does not apply to the following contracts:

(1) Contracts for utility services at rates not exceeding those established to apply uniformly to the public, plus any applicable reasonable connection charge.

(2) A contract or subcontract that is not greater than the simplified acquisition threshold.

(g) Form of original record storage

Nothing in this section shall be construed to preclude a contractor from duplicating or storing original records in electronic form.

(h) Use of images of original records

An executive agency shall not require a contractor or subcontractor to provide original records in an audit carried out pursuant to this section if the contractor or subcontractor provides photographic or electronic images of the original records and meets the following requirements:

(1) The contractor or subcontractor has established procedures to ensure that the imaging process preserves the integrity, reliability, and security of the original records.

(2) The contractor or subcontractor maintains an effective indexing system to permit timely and convenient access to the imaged records.

(3) The contractor or subcontractor retains the original records for a minimum of one year after imaging to permit periodic validation of the imaging systems.

(i) "Records" defined

In this section, the term "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form.

§ 255. Contract financing

(a) Payment authority

Any executive agency may—

(1) make advance, partial, progress or other payments under contracts for property or services made by the agency; and

(2) insert in solicitations for procurement of property or services a provision limiting to small business concerns advance or progress payments.

(b) Performance-based payments

Whenever practicable, payments under subsection (a) of this section shall be made on any of the following bases:

(1) Performance measured by objective, quantifiable methods such as delivery of acceptable items, work measurement, or statistical process controls.

(2) Accomplishment of events defined in the program management plan.

(3) Other quantifiable measures of results.

(c) Payment amount

Payments made under subsection (a) of this section may not exceed the unpaid contract price.

(d) Security for advance payments

Advance payments under subsection (a) of this section may be made only upon adequate security and a determination by the agency head that to do so would be in the public interest. Such security may be in the form of a lien in favor of the Government on the property contracted for, on the balance in an account in which such payments are deposited, and on such of the property acquired for performance of the contract as the parties may agree. This lien shall be paramount to all other liens and is effective immediately upon the first advancement of funds without filing, notice, or any other action by the United States.

(e) Conditions for progress payments

(1) The executive agency shall ensure that any payment for work in progress (including materials, labor, and other items) under a contract of an executive agency that provides for such payments is commensurate with the work accomplished that meets standards established under the contract. The contractor shall provide such information and evidence as the executive agency determines necessary to permit the executive agency to carry out the preceding sentence.

(2) The executive agency shall ensure that progress payments referred to in paragraph (1) are not made for more than 80 percent of the work accomplished under the contract so long as the executive agency has not made the contractual terms, specifications, and price definite.

(3) This subsection applies to any contract in an amount greater than \$25,000.

(f) Conditions for payments for commercial items

(1) Payments under subsection (a) of this section for commercial items may be made under such terms and conditions as the head of the executive agency determines are appropriate or customary in the commercial marketplace and are in the best interests of the United States. The head of the executive agency shall obtain adequate security for such payments. If the security is in the form of a lien in favor of the United States, such lien is paramount to all other liens and is effective immediately upon the first payment, without filing, notice, or other action by the United States.

(2) Advance payments made under subsection (a) of this section for commercial items may include payments, in a total amount of not more than 15 percent of the contract price, in advance of any performance of work under the contract.

(3) The conditions of subsections (d) and (e) of this section need not be applied if they would be inconsistent, as determined by the head of the

executive agency, with commercial terms and conditions pursuant to paragraphs (1) and (2).

(g) Action in case of fraud

(1) In any case in which the remedy coordination official of an executive agency finds that there is substantial evidence that the request of a contractor for advance, partial, or progress payment under a contract awarded by that executive agency is based on fraud, the remedy coordination official shall recommend that the executive agency reduce or suspend further payments to such contractor.

(2) The head of an executive agency receiving a recommendation under paragraph (1) in the case of a contractor's request for payment under a contract shall determine whether there is substantial evidence that the request is based on fraud. Upon making such a determination, the head of the executive agency may reduce or suspend further payments to the contractor under such contract.

(3) The extent of any reduction or suspension of payments by an executive agency under paragraph (2) on the basis of fraud shall be reasonably commensurate with the anticipated loss to the United States resulting from the fraud.

(4) A written justification for each decision of the head of an executive agency whether to reduce or suspend payments under paragraph (2), and for each recommendation received by the executive agency in connection with such decision, shall be prepared and be retained in the files of the executive agency.

(5) The head of each executive agency shall prescribe procedures to ensure that, before the head of the executive agency decides to reduce or suspend payments in the case of a contractor under paragraph (2), the contractor is afforded notice of the proposed reduction or suspension and an opportunity to submit matters to the executive agency in response to such proposed reduction or suspension.

(6) Not later than 180 days after the date on which the head of an executive agency reduces or suspends payments to a contractor under paragraph (2), the remedy coordination official of the executive agency shall—

(A) review the determination of fraud on which the reduction or suspension is based; and

(B) transmit a recommendation to the head of such executive agency whether the suspension or reduction should continue.

(7) The head of each executive agency who receives recommendations made by a remedy coordination official of the executive agency to reduce or suspend payments under paragraph (2) during a fiscal year shall prepare for such year a report that contains the recommendations, the actions taken on the recommendations and the reasons for such actions, and an assessment of the effects of such actions on the Federal Government. Any such report shall be available to any Member of Congress upon request.

(8) The head of an executive agency may not delegate responsibilities under this subsection to any person in a position below level IV of the Executive Schedule.

(9) In this subsection, the term "remedy coordination official", with respect to an execu-

tive agency, means the person or entity in that executive agency who coordinates within that executive agency the administration of criminal, civil, administrative, and contractual remedies resulting from investigations of fraud or corruption related to procurement activities.

DEFINITIONS

The definitions in section 102 of Title 40, Public Buildings, Property, and Works, apply to this subchapter.

§ 256. Allowable costs

(a) Indirect cost that violates FAR cost principle

An executive agency shall require that a covered contract provide that if the contractor submits to the executive agency a proposal for settlement of indirect costs incurred by the contractor for any period after such costs have been accrued and if that proposal includes the submission of a cost which is unallowable because the cost violates a cost principle in the Federal Acquisition Regulation (referred to in section 421(c)(1) of this title) or an executive agency supplement to the Federal Acquisition Regulation, the cost shall be disallowed.

(b) Penalty for violation of cost principle

(1) If the executive agency determines that a cost submitted by a contractor in its proposal for settlement is expressly unallowable under a cost principle referred to in subsection (a) of this section that defines the allowability of specific selected costs, the executive agency shall assess a penalty against the contractor in an amount equal to—

(A) the amount of the disallowed cost allocated to covered contracts for which a proposal for settlement of indirect costs has been submitted; plus

(B) interest (to be computed based on provisions in the Federal Acquisition Regulation) to compensate the United States for the use of any funds which a contractor has been paid in excess of the amount to which the contractor was entitled.

(2) If the executive agency determines that a proposal for settlement of indirect costs submitted by a contractor includes a cost determined to be unallowable in the case of such contractor before the submission of such proposal, the executive agency shall assess a penalty against the contractor in an amount equal to two times the amount of the disallowed cost allocated to covered contracts for which a proposal for settlement of indirect costs has been submitted.

(c) Waiver of penalty

The Federal Acquisition Regulation shall provide for a penalty under subsection (b) of this section to be waived in the case of a contractor’s proposal for settlement of indirect costs when—

(1) the contractor withdraws the proposal before the formal initiation of an audit of the proposal by the Federal Government and re-submits a revised proposal;

(2) the amount of unallowable costs subject to the penalty is insignificant; or

(3) the contractor demonstrates, to the contracting officer’s satisfaction, that—

(A) it has established appropriate policies and personnel training and an internal control and review system that provide assurances that unallowable costs subject to penalties are precluded from being included in the contractor's proposal for settlement of indirect costs; and

(B) the unallowable costs subject to the penalty were inadvertently incorporated into the proposal.

(d) Applicability of contract disputes procedure to disallowance of cost and assessment of penalty

An action of an executive agency under subsection (a) or (b) of this section—

(1) shall be considered a final decision for the purposes of section 605 of this title; and

(2) is appealable in the manner provided in section 606 of this title.

(e) Specific costs not allowable

(1) The following costs are not allowable under a covered contract:

(A) Costs of entertainment, including amusement, diversion, and social activities, and any costs directly associated with such costs (such as tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities).

(B) Costs incurred to influence (directly or indirectly) legislative action on any matter pending before Congress, a State legislature, or a legislative body of a political subdivision of a State.

(C) Costs incurred in defense of any civil or criminal fraud proceeding or similar proceeding (including filing of any false certification) brought by the United States where the contractor is found liable or had pleaded nolo contendere to a charge of fraud or similar proceeding (including filing of a false certification).

(D) Payments of fines and penalties resulting from violations of, or failure to comply with, Federal, State, local, or foreign laws and regulations, except when incurred as a result of compliance with specific terms and conditions of the contract or specific written instructions from the contracting officer authorizing in advance such payments in accordance with applicable provisions of the Federal Acquisition Regulation.

(E) Costs of membership in any social, dining, or country club or organization.

(F) Costs of alcoholic beverages.

(G) Contributions or donations, regardless of the recipient.

(H) Costs of advertising designed to promote the contractor or its products.

(I) Costs of promotional items and memorabilia, including models, gifts, and souvenirs.

(J) Costs for travel by commercial aircraft which exceed the amount of the standard commercial fare.

(K) Costs incurred in making any payment (commonly known as a "golden parachute payment") which is—

(i) in an amount in excess of the normal severance pay paid by the contractor to an employee upon termination of employment; and

(ii) is paid to the employee contingent upon, and following, a change in management control over, or ownership of, the contractor or a substantial portion of the contractor's assets.

(L) Costs of commercial insurance that protects against the costs of the contractor for correction of the contractor's own defects in materials or workmanship.

(M) Costs of severance pay paid by the contractor to foreign nationals employed by the contractor under a service contract performed outside the United States, to the extent that the amount of severance pay paid in any case exceeds the amount paid in the industry involved under the customary or prevailing practice for firms in that industry providing similar services in the United States, as determined under the Federal Acquisition Regulation.

(N) Costs of severance pay paid by the contractor to a foreign national employed by the contractor under a service contract performed in a foreign country if the termination of the employment of the foreign national is the result of the closing of, or the curtailment of activities at, a United States facility in that country at the request of the government of that country.

(O) Costs incurred by a contractor in connection with any criminal, civil, or administrative proceeding commenced by the United States or a State, to the extent provided in subsection (k) of this section.

(P) Costs of compensation of senior executives of contractors for a fiscal year, regardless of the contract funding source, to the extent that such compensation exceeds the benchmark compensation amount determined applicable for the fiscal year by the Administrator for Federal Procurement Policy under section 435 of this title.

(2)(A) Pursuant to the Federal Acquisition Regulation and subject to the availability of appropriations, an executive agency, in awarding a covered contract, may waive the application of the provisions of paragraphs (1)(M) and (1)(N) to that contract if the executive agency determines that—

(i) the application of such provisions to the contract would adversely affect the continuation of a program, project, or activity that provides significant support services for employees of the executive agency posted outside the United States;

(ii) the contractor has taken (or has established plans to take) appropriate actions within the contractor's control to minimize the amount and number of incidents of the payment of severance pay by the contractor to employees under the contract who are foreign nationals; and

(iii) the payment of severance pay is necessary in order to comply with a law that is generally applicable to a significant number of businesses in the country in which the foreign national receiving the payment performed services under the contract or is necessary to comply with a collective bargaining agreement.

(B) An executive agency shall include in the solicitation for a covered contract a statement indicating—

(i) that a waiver has been granted under subparagraph (A) for the contract; or

(ii) whether the executive agency will consider granting such a waiver, and, if the executive agency will consider granting a waiver, the criteria to be used in granting the waiver.

(C) An executive agency shall make the final determination regarding whether to grant a waiver under subparagraph (A) with respect to a covered contract before award of the contract.

(3) The provisions of the Federal Acquisition Regulation implementing this section may establish appropriate definitions, exclusions, limitations, and qualifications. Any submission by a contractor of costs which are incurred by the contractor and which are claimed to be allowable under Department of Energy management and operating contracts shall be considered a “proposal for settlement of indirect costs incurred by the contractor for any period after such costs have been accrued”, as used in this section.

(f) Required regulations

(1) The Federal Acquisition Regulation shall contain provisions on the allowability of contractor costs. Such provisions shall define in detail and in specific terms those costs which are unallowable, in whole or in part, under covered contracts. The regulations shall, at a minimum, clarify the cost principles applicable to contractor costs of the following:

(A) Air shows.

(B) Membership in civic, community, and professional organizations.

(C) Recruitment.

(D) Employee morale and welfare.

(E) Actions to influence (directly or indirectly) executive branch action on regulatory and contract matters (other than costs incurred in regard to contract proposals pursuant to solicited or unsolicited bids).

(F) Community relations.

(G) Dining facilities.

(H) Professional and consulting services, including legal services.

(I) Compensation.

(J) Selling and marketing.

(K) Travel.

(L) Public relations.

(M) Hotel and meal expenses.

(N) Expense of corporate aircraft.

(O) Company-furnished automobiles.

(P) Advertising.

(Q) Conventions.

(2) The Federal Acquisition Regulation shall require that a contracting officer not resolve any questioned costs until the contracting officer has obtained—

(A) adequate documentation with respect to such costs; and

(B) the opinion of the contract auditor on the allowability of such costs.

(3) The Federal Acquisition Regulation shall provide that, to the maximum extent practicable, a contract auditor be present at any negotiation or meeting with the contractor re-

garding a determination of the allowability of indirect costs of the contractor.

(4) The Federal Acquisition Regulation shall require that all categories of costs designated in the report of a contract auditor as questioned with respect to a proposal for settlement be resolved in such a manner that the amount of the individual questioned costs that are paid will be reflected in the settlement.

(g) Applicability of regulations to subcontractors

The regulations referred to in subsections (e) and (f)(1) of this section shall require prime contractors of a covered contract, to the maximum extent practicable, to apply the provisions of such regulations to all subcontractors of the covered contract.

(h) Contractor certification required

(1) A proposal for settlement of indirect costs applicable to a covered contract shall include a certification by an official of the contractor that, to the best of the certifying official's knowledge and belief, all indirect costs included in the proposal are allowable. Any such certification shall be in a form prescribed in the Federal Acquisition Regulation.

(2) An executive agency may, in an exceptional case, waive the requirement for certification under paragraph (1) in the case of any contract if the agency—

(A) determines in such case that it would be in the interest of the United States to waive such certification; and

(B) states in writing the reasons for that determination and makes such determination available to the public.

(i) Penalties for submission of cost known as not allowable

The submission to an executive agency of a proposal for settlement of costs for any period after such costs have been accrued that includes a cost that is expressly specified by statute or regulation as being unallowable, with the knowledge that such cost is unallowable, shall be subject to the provisions of section 287 of title 18 and section 3729 of title 31.

(j) Contractor to have burden of proof

In a proceeding before a board of contract appeals, the United States Court of Federal Claims, or any other Federal court in which the reasonableness of indirect costs for which a contractor seeks reimbursement from the United States is in issue, the burden of proof shall be upon the contractor to establish that those costs are reasonable.

(k) Proceeding costs not allowable

(1) Except as otherwise provided in this subsection, costs incurred by a contractor in connection with any criminal, civil, or administrative proceeding commenced by the United States or a State are not allowable as reimbursable costs under a covered contract if the proceeding (A) relates to a violation of, or failure to comply with, a Federal or State statute or regulation, and (B) results in a disposition described in paragraph (2).

(2) A disposition referred to in paragraph (1)(B) is any of the following:

(A) In the case of a criminal proceeding, a conviction (including a conviction pursuant to

a plea of nolo contendere) by reason of the violation or failure referred to in paragraph (1).

(B) In the case of a civil or administrative proceeding involving an allegation of fraud or similar misconduct, a determination of contractor liability on the basis of the violation or failure referred to in paragraph (1).

(C) In the case of any civil or administrative proceeding, the imposition of a monetary penalty by reason of the violation or failure referred to in paragraph (1).

(D) A final decision—

(i) to debar or suspend the contractor,

(ii) to rescind or void the contract, or

(iii) to terminate the contract for default,

by reason of the violation or failure referred to in paragraph (1).

(E) A disposition of the proceeding by consent or compromise if such action could have resulted in a disposition described in subparagraph (A), (B), (C), or (D).

(3) In the case of a proceeding referred to in paragraph (1) that is commenced by the United States and is resolved by consent or compromise pursuant to an agreement entered into by a contractor and the United States, the costs incurred by the contractor in connection with such proceeding that are otherwise not allowable as reimbursable costs under such paragraph may be allowed to the extent specifically provided in such agreement.

(4) In the case of a proceeding referred to in paragraph (1) that is commenced by a State, the executive agency that awarded the covered contract involved in the proceeding may allow the costs incurred by the contractor in connection with such proceeding as reimbursable costs if the executive agency determines, in accordance with the Federal Acquisition Regulation, that the costs were incurred as a result of (A) a specific term or condition of the contract, or (B) specific written instructions of the executive agency.

(5)(A) Except as provided in subparagraph (C), costs incurred by a contractor in connection with a criminal, civil, or administrative proceeding commenced by the United States or a State in connection with a covered contract may be allowed as reimbursable costs under the contract if such costs are not disallowable under paragraph (1), but only to the extent provided in subparagraph (B).

(B)(i) The amount of the costs allowable under subparagraph (A) in any case may not exceed the amount equal to 80 percent of the amount of the costs incurred, to the extent that such costs are determined to be otherwise allowable and allocable under the Federal Acquisition Regulation.

(ii) Regulations issued for the purpose of clause (i) shall provide for appropriate consideration of the complexity of procurement litigation, generally accepted principles governing the award of legal fees in civil actions involving the United States as a party, and such other factors as may be appropriate.

(C) In the case of a proceeding referred to in subparagraph (A), contractor costs otherwise allowable as reimbursable costs under this paragraph are not allowable if (i) such proceeding in-

EX. ORD. NO. 13494. ECONOMY IN GOVERNMENT CONTRACTING

Ex. Ord. No. 13494, Jan. 30, 2009, 74 F.R. 6101, as amended by Ex. Ord. No. 13517, § 2, Oct. 30, 2009, 74 F.R. 57239, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, it is hereby ordered that:

SECTION 1. To promote economy and efficiency in Government contracting, certain costs that are not directly related to the contractors’ provision of goods and services to the Government shall be unallowable for payment, thereby directly reducing Government expenditures. This order is also consistent with the policy of the United States to remain impartial concerning any labor-management dispute involving Government contractors. This order does not restrict the manner in which recipients of Federal funds may expend those funds.

SEC. 2. It is the policy of the executive branch in procuring goods and services that, to ensure the economical and efficient administration of Government contracts, contracting departments and agencies, when they enter into, receive proposals for, or make disbursements pursuant to a contract as to which certain costs are treated as unallowable, shall treat as unallowable the costs of any activities undertaken to persuade employees—whether employees of the recipient of the Federal disbursements or of any other entity—to exercise or not to exercise, or concerning the manner of exercising, the right to organize and bargain collectively through representatives of the employees’ own choosing. Such unallowable costs shall be excluded from any billing, claim, proposal, or disbursement applicable to any such Federal Government contract.

SEC. 3. Contracting departments and agencies shall treat as allowable costs incurred in maintaining satisfactory relations between the contractor and its employees (other than the costs of any activities undertaken to persuade employees to exercise or not to exercise, or concerning the manner of exercising, the right to organize and bargain collectively), including costs of labor management committees, employee publications, and other related activities. See 48 C.F.R. 31.205-21.

SEC. 4. Examples of costs unallowable under section 2 of this order include the costs of the following activities, when they are undertaken to persuade employees to exercise or not to exercise, or concern the manner of exercising, rights to organize and bargain collectively:

- (a) preparing and distributing materials;
- (b) hiring or consulting legal counsel or consultants;
- (c) holding meetings (including paying the salaries of the attendees at meetings held for this purpose); and
- (d) planning or conducting activities by managers, supervisors, or union representatives during work hours.

SEC. 5. Within 150 days of the effective date of this order, the Federal Acquisition Regulatory Council (FAR Council) shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to carry out this order. Such rules, regulations, and orders shall minimize the costs of compliance for contractors and shall not interfere with the ability of contractors to engage in advocacy through activities for which they do not claim reimbursement.

SEC. 6. Each contracting department or agency shall cooperate with the FAR Council and provide such information and assistance as the FAR Council may require in the performance of its functions under this order.

SEC. 7. (a) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(b) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 8. This order shall become effective immediately, and shall apply to contracts resulting from solicitations issued on or after the effective date of the action taken by the FAR Council under section 5 of this order.

BARACK OBAMA.

L. 104-316, title I, §121(c), Oct. 19, 1996, 110 Stat. 3836.)

REFERENCES IN TEXT

This Act, referred to in subsec. (a), is act June 30, 1949, ch. 288, 63 Stat. 377, as amended, known as the Federal Property and Administrative Services Act of 1949. Except for title III of the Act, which is classified generally to this subchapter, the Act was repealed and reenacted by Pub. L. 107-217, §1, 6(b), Aug. 21, 2002, 116 Stat. 1062, 1304, as chapters 1 to 11 of Title 40, Public Buildings, Property, and Works.

CODIFICATION

“Section 121(d)(1) and (2) of title 40” substituted in subsec. (a) for “section 205(d)”, meaning section 205(d) of the Federal Property and Administrative Services Act of 1949, on authority of Pub. L. 107-217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

AMENDMENTS

1996—Subsec. (b). Pub. L. 104-316 struck out at end “A copy of the findings shall be submitted to the General Accounting Office with the contract.”

Pub. L. 104-106 substituted “section 255(d)” for “section 255(c)”.

1984—Subsec. (a). Pub. L. 98-369, §2714(a)(4), substituted provision that determinations and decisions provided in this Act to be made by the Administrator or other agency head shall be final for provision that such determinations and decisions provided in this subchapter to be made by such official would be final, and inserted exception for determinations or decisions under sections 253, 253a, and 253b of this title, substituted “Except as provided in section 253(d)(2) of this title” for “Except as provided in subsection (b) of this section”, and directed the substitution of “this Act” for “this chapter” after “powers provided by”, which substitution was not capable of literal execution because the original text read “this title”. Consequently, the amendment was executed by substituting “this Act” for “this title” as the probable intent of Congress.

Subsecs. (b), (c). Pub. L. 98-369, §2714(a)(4)(D)-(F), redesignated subsec. (c) as (b), struck out “paragraphs (11), (12), (13), or of section 253(c)”, and struck out former subsec. (b) which related to nondelegable powers and powers delegable to certain persons.

Subsec. (d). Pub. L. 98-369, §2714(a)(4)(G), struck out subsec. (d) which related to preservation of data relating to contracts negotiated pursuant to the former provisions of section 252(c) of this title.

1965—Subsec. (a). Pub. L. 89-343, §3, inserted “and except as provided in section 486(d) of title 40 with respect to the Administrator”.

Subsec. (b). Pub. L. 89-343, §4, struck out provisions which made the power of Administrator to make the delegations and determinations specified in section

252(a) of this title delegable only to Deputy Administrator or to chief official of any principal organizational unit of General Services Administration.

1958—Subsec. (b). Pub. L. 85-800, §5(a), (b), substituted “(12)” for “(11)”, “(13)” for “(12)”, and “(11)” for “(10)” and struck out “and in section 255(a) of this title” before “shall not be delegable” in first sentence.

Subsec. (c). Pub. L. 85-800, §5(a), (c), substituted “(11), (12), (13), or (14)” for “(10), (11), (12), or (13)”, and “255(c)” for “255(a)”.

§ 266a. Share-in-savings contracts

(a) Authority to enter into share-in-savings contracts

(1) The head of an executive agency may enter into a share-in-savings contract for information technology (as defined in section 11101(6) of title 40) in which the Government awards a contract to improve mission-related or administrative processes or to accelerate the achievement of its mission and share with the contractor in savings achieved through contract performance.

(2)(A) Except as provided in subparagraph (B), a share-in-savings contract shall be awarded for a period of not more than five years.

(B) A share-in-savings contract may be awarded for a period greater than five years, but not more than 10 years, if the head of the agency determines in writing prior to award of the contract that—

(i) the level of risk to be assumed and the investment to be undertaken by the contractor is likely to inhibit the government from obtaining the needed information technology competitively at a fair and reasonable price if the contract is limited in duration to a period of five years or less; and

(ii) usage of the information technology to be acquired is likely to continue for a period of time sufficient to generate reasonable benefit for the government.

(3) Contracts awarded pursuant to the authority of this section shall, to the maximum extent

practicable, be performance-based contracts that identify objective outcomes and contain performance standards that will be used to measure achievement and milestones that must be met before payment is made.

(4) Contracts awarded pursuant to the authority of this section shall include a provision containing a quantifiable baseline that is to be the basis upon which a savings share ratio is established that governs the amount of payment a contractor is to receive under the contract. Before commencement of performance of such a contract, the senior procurement executive of the agency shall determine in writing that the terms of the provision are quantifiable and will likely yield value to the Government.

(5)(A) The head of the agency may retain savings realized through the use of a share-in-savings contract under this section that are in excess of the total amount of savings paid to the contractor under the contract, but may not retain any portion of such savings that is attributable to a decrease in the number of civilian employees of the Federal Government performing the function. Except as provided in subparagraph (B), savings shall be credited to the appropriation or fund against which charges were made to carry out the contract and shall be used for information technology.

(B) Amounts retained by the agency under this subsection shall—

- (i) without further appropriation, remain available until expended; and
- (ii) be applied first to fund any contingent liabilities associated with share-in-savings procurements that are not fully funded.

(b) Cancellation and termination

(1) If funds are not made available for the continuation of a share-in-savings contract entered into under this section in a subsequent fiscal year, the contract shall be canceled or terminated. The costs of cancellation or termination may be paid out of—

- (A) appropriations available for the performance of the contract;
- (B) appropriations available for acquisition of the information technology procured under the contract, and not otherwise obligated; or
- (C) funds subsequently appropriated for payments of costs of cancellation or termination, subject to the limitations in paragraph (3).

(2) The amount payable in the event of cancellation or termination of a share-in-savings contract shall be negotiated with the contractor at the time the contract is entered into.

(3)(A) Subject to subparagraph (B), the head of an executive agency may enter into share-in-savings contracts under this section in any given fiscal year even if funds are not made specifically available for the full costs of cancellation or termination of the contract if funds are available and sufficient to make payments with respect to the first fiscal year of the contract and the following conditions are met regarding the funding of cancellation and termination liability:

- (i) The amount of unfunded contingent liability for the contract does not exceed the lesser of—
 - (I) 25 percent of the estimated costs of a cancellation or termination; or

(II) \$5,000,000.

(ii) Unfunded contingent liability in excess of \$1,000,000 has been approved by the Director of the Office of Management and Budget or the Director's designee.

(B) The aggregate number of share-in-savings contracts that may be entered into under subparagraph (A) by all executive agencies to which this subchapter¹ applies in a fiscal year may not exceed 5 in each of fiscal years 2003, 2004, and 2005.

(c) Definitions

(1) The term “contractor” means a private entity that enters into a contract with an agency.

(2) The term “savings” means—

- (A) monetary savings to an agency; or
- (B) savings in time or other benefits realized by the agency, including enhanced revenues (other than enhanced revenues from the collection of fees, taxes, debts, claims, or other amounts owed the Federal Government).

- (A) a contractor provides solutions for—

EX. ORD. NO. 13495. NONDISPLACEMENT OF QUALIFIED WORKERS UNDER SERVICE CONTRACTS

Ex. Ord. No. 13495, Jan. 30, 2009, 74 F.R. 6103, provided:

When a service contract expires, and a follow-on contract is awarded for the same service, at the same location, the successor contractor or its subcontractors often hires the majority of the predecessor's employees. On some occasions, however, a successor contractor or its subcontractors hires a new work force, thus displacing the predecessor's employees.

The Federal Government's procurement interests in economy and efficiency are served when the successor contractor hires the predecessor's employees. A carry-over work force reduces disruption to the delivery of services during the period of transition between contractors and provides the Federal Government the benefits of an experienced and trained work force that is familiar with the Federal Government's personnel, facilities, and requirements.

Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, and in order to promote economy and efficiency in Federal Government procurement, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of the Federal Government that service contracts and solicitations for such contracts shall include a clause that requires the

contractor, and its subcontractors, under a contract that succeeds a contract for performance of the same or similar services at the same location, to offer those employees (other than managerial and supervisory employees) employed under the predecessor contract whose employment will be terminated as a result of the award of the successor contract, a right of first refusal of employment under the contract in positions for which they are qualified. There shall be no employment openings under the contract until such right of first refusal has been provided. Nothing in this order shall be construed to permit a contractor or subcontractor to fail to comply with any provision of any other Executive Order or law of the United States.

SEC. 2. Definitions.

(a) "Service contract" or "contract" means any contract or subcontract for services entered into by the Federal Government or its contractors that is covered by the Service Contract Act of 1965, as amended, 41 U.S.C. 351 *et seq.*, and its implementing regulations.

(b) "Employee" means a service employee as defined in the Service Contract Act of 1965, 41 U.S.C. 357(b).

SEC. 3. Exclusions. This order shall not apply to:

(a) contracts or subcontracts under the simplified acquisition threshold as defined in 41 U.S.C. 403;

(b) contracts or subcontracts awarded pursuant to the Javits-Wagner-O'Day Act, 41 U.S.C. 46-48c;

(c) guard, elevator operator, messenger, or custodial services provided to the Federal Government under contracts or subcontracts with sheltered workshops employing the severely handicapped as described in section 505 of the Treasury, Postal Services [sic] and General Government Appropriations Act, 1995, Public Law 103-329;

(d) agreements for vending facilities entered into pursuant to the preference regulations issued under the Randolph-Sheppard Act, 20 U.S.C. 107; or

(e) employees who were hired to work under a Federal service contract and one or more nonfederal service contracts as part of a single job, provided that the employees were not deployed in a manner that was designed to avoid the purposes of this order.

SEC. 4. Authority to Exempt Contracts. If the head of a contracting department or agency finds that the application of any of the requirements of this order would not serve the purposes of this order or would impair the ability of the Federal Government to procure services on an economical and efficient basis, the head of such department or agency may exempt its department or agency from the requirements of any or all of the provisions of this order with respect to a particular contract, subcontract, or purchase order or any class of contracts, subcontracts, or purchase orders.

SEC. 5. Contract Clause. The following contract clause shall be included in solicitations for and service contracts that succeed contracts for performance of the same or similar work at the same location:

"NONDISPLACEMENT OF QUALIFIED WORKERS"

"(a) Consistent with the efficient performance of this contract, the contractor and its subcontractors shall, except as otherwise provided herein, in good faith offer those employees (other than managerial and supervisory employees) employed under the predecessor contract whose employment will be terminated as a result of award of this contract or the expiration of the contract under which the employees were hired, a right of first refusal of employment under this contract in positions for which employees are qualified. The contractor and its subcontractors shall determine the number of employees necessary for efficient performance of this contract and may elect to employ fewer employees than the predecessor contractor employed in connection with performance of the work. Except as provided in paragraph (b) there shall be no employment opening under this contract, and the contractor and any subcontractors shall not offer employment under this contract, to any person prior to having complied fully with this obligation. The contractor and its subcontractors shall make an express offer of employment to each employee as provided herein and shall state the time with-

in which the employee must accept such offer, but in no case shall the period within which the employee must accept the offer of employment be less than 10 days.

"(b) Notwithstanding the obligation under paragraph (a) above, the contractor and any subcontractors (1) may employ under this contract any employee who has worked for the contractor or subcontractor for at least 3 months immediately preceding the commencement of this contract and who would otherwise face lay-off or discharge, (2) are not required to offer a right of first refusal to any employee(s) of the predecessor contractor who are not service employees within the meaning of the Service Contract Act of 1965, as amended, 41 U.S.C. 357(b), and (3) are not required to offer a right of first refusal to any employee(s) of the predecessor contractor whom the contractor or any of its subcontractors reasonably believes, based on the particular employee's past performance, has failed to perform suitably on the job.

"(c) In accordance with Federal Acquisition Regulation 52.222-41(n), the contractor shall, not less than 10 days before completion of this contract, furnish the Contracting Officer a certified list of the names of all service employees working under this contract and its subcontracts during the last month of contract performance. The list shall also contain anniversary dates of employment of each service employee under this contract and its predecessor contracts either with the current or predecessor contractors or their subcontractors. The Contracting Officer will provide the list to the successor contractor, and the list shall be provided on request to employees or their representatives.

"(d) If it is determined, pursuant to regulations issued by the Secretary of Labor (Secretary), that the contractor or its subcontractors are not in compliance with the requirements of this clause or any regulation or order of the Secretary, appropriate sanctions may be imposed and remedies invoked against the contractor or its subcontractors, as provided in Executive Order (No.) _____ [13495], the regulations, and relevant orders of the Secretary, or as otherwise provided by law.

"(e) In every subcontract entered into in order to perform services under this contract, the contractor will include provisions that ensure that each subcontractor will honor the requirements of paragraphs (a) through (b) with respect to the employees of a predecessor subcontractor or subcontractors working under this contract, as well as of a predecessor contractor and its subcontractors. The subcontract shall also include provisions to ensure that the subcontractor will provide the contractor with the information about the employees of the subcontractor needed by the contractor to comply with paragraph 5(c), above. The contractor will take such action with respect to any such subcontract as may be directed by the Secretary as a means of enforcing such provisions, including the imposition of sanctions for non-compliance: provided, however, that if the contractor, as a result of such direction, becomes involved in litigation with a subcontractor, or is threatened with such involvement, the contractor may request that the United States enter into such litigation to protect the interests of the United States."

SEC. 6. Enforcement. (a) The Secretary of Labor (Secretary) is responsible for investigating and obtaining compliance with this order. In such proceedings, the Secretary shall have the authority to issue final orders prescribing appropriate sanctions and remedies, including, but not limited to, orders requiring employment and payment of wages lost. The Secretary also may provide that where a contractor or subcontractor has failed to comply with any order of the Secretary or has committed willful violations of this order or the regulations issued pursuant thereto, the contractor or subcontractor, and its responsible officers, and any firm in which the contractor or subcontractor has a substantial interest, shall be ineligible to be awarded any contract of the United States for a period of up to 3 years. Neither an order for debarment of any contractor or subcontractor from further Government contracts

under this section nor the inclusion of a contractor or subcontractor on a published list of noncomplying contractors shall be carried out without affording the contractor or subcontractor an opportunity for a hearing.

(b) This order creates no rights under the Contract Disputes Act [of 1978], and disputes regarding the requirement of the contract clause prescribed by section 5 of this order, to the extent permitted by law, shall be disposed of only as provided by the Secretary in regulations issued under this order. To the extent practicable, such regulations shall favor the resolution of disputes by efficient and informal alternative dispute resolution methods. The Secretary shall, in consultation with the Federal Acquisition Regulatory Council, issue regulations, within 180 days of the date of this order, to the extent permitted by law, to implement the requirements of this order. The Federal Acquisition Regulatory Council shall issue, within 180 days of the date of this order, to the extent permitted by law, regulations in the Federal Acquisition Regulation to provide for inclusion of the contract clause in Federal solicitations and contracts subject to this order.

SEC. 7. *Revocation.* Executive Order 13204 of February 17, 2001, is revoked.

SEC. 8. *Severability.* If any provision of this order, or the application of such provision or amendment to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstances shall not be affected thereby.

SEC. 9. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) authority granted by law to an executive department, agency, or the head thereof; or
- (ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person. This order is not intended, however, to preclude judicial review of final decisions by the Secretary in accordance with the Administrative Procedure Act, 5 U.S.C. 701 *et seq.*

SEC. 10. *Effective Date.* This order shall become effective immediately and shall apply to solicitations issued on or after the effective date for the action taken by the Federal Acquisition Regulatory Council under section 6(b) of this order.

§ 352. Violations

(a) Liability of responsible party; withholding payments due on contract; payment of underpaid employees from withheld payments

Any violation of any of the contract stipulations required by section 351(a)(1) or (2) or of section 351(b) of this title shall render the party responsible therefor liable for a sum equal to the amount of any deductions, rebates, refunds, or underpayment of compensation due to any employee engaged in the performance of such contract. So much of the accrued payment due on the contract or any other contract between the same contractor and the Federal Government may be withheld as is necessary to pay such employees. Such withheld sums shall be held in a deposit fund. Sections 38 and 39 of this title shall govern the Secretary's authority to enforce this chapter, make rules, regulations, issue orders, hold hearings, and make decisions based upon findings of fact, and take other appropriate action hereunder.

(b) Limitations and regulations allowing variations, tolerances, and exemptions

The Secretary may provide such reasonable limitations and may make such rules and regulations allowing reasonable variation, tolerances, and exemptions to and from any or all provisions of this chapter (other than section 358 of this title), but only in special circumstances where he determines that such limitation, variation, tolerance, or exemption is necessary and proper in the public interest or to avoid the serious impairment of government business, and is in accord with the remedial purpose of this chapter to protect prevailing labor standards.

(c) Predecessor contracts; employees' wages and fringe benefits

No contractor or subcontractor under a contract, which succeeds a contract subject to this chapter and under which substantially the same services are furnished, shall pay any service employee under such contract less than the wages and fringe benefits, including accrued wages and fringe benefits, and any prospective increases in wages and fringe benefits provided for in a collective-bargaining agreement as a result of arm's-length negotiations, to which such service employees would have been entitled if they were employed under the predecessor contract: *Provided*, That in any of the foregoing circumstances such obligations shall not apply if the Secretary finds after a hearing in accordance with regulations adopted by the Secretary that such wages and fringe benefits are substantially at variance with those which prevail for services of a character similar in the locality.

(d) Duration of contract

Subject to limitations in annual appropriation Acts but notwithstanding any other provision of law, contracts to which this chapter applies

may, if authorized by the Secretary, be for any term of years not exceeding five, if each such contract provides for the periodic adjustment of wages and fringe benefits pursuant to future determinations, issued in the manner prescribed in section 351 of this title no less often than once every two years during the term of the contract, covering the various classes of service employees.

(a) The Comptroller General is directed to distribute a list to all agencies of the Government giving the names of persons or firms that the Federal agencies or the Secretary have found to have violated this chapter. Unless the Secretary otherwise recommends because of unusual circumstances, no contract of the United States shall be awarded to the persons or firms appearing on this list or to any firm, corporation, partnership, or association in which such persons or firms have a substantial interest until three years have elapsed from the date of publication of the list containing the name of such persons or firms. Where the Secretary does not otherwise recommend because of unusual circumstances, he shall, not later than ninety days after a hearing examiner has made a finding of a violation of this chapter, forward to the Comptroller General the name of the individual or firm found to have violated the provisions of this chapter.

(b) If the accrued payments withheld under the terms of the contract are insufficient to reimburse all service employees with respect to whom there has been a failure to pay the compensation required pursuant to this chapter, the United States may bring action against the contractor, subcontractor, or any sureties in any court of competent jurisdiction to recover the remaining amount of underpayments. Any sums thus recovered by the United States shall be held in the deposit fund and shall be paid, on order of the Secretary, directly to the underpaid employee or employees. Any sum not paid to an employee because of inability to do so within three years shall be covered into the Treasury of the United States as miscellaneous receipts.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to ensure effective and efficient spending of public funds through fundamental reforms in Government procurement, it is hereby ordered as follows:

SECTION 1. To make procurement more effective in support of mission accomplishment and consistent with recommendations of the National Performance Review, heads of executive agencies engaged in the procurement of supplies and services shall:

(a) Review agency procurement rules, reporting requirements, contractual requirements, certification procedures, and other administrative procedures over and above those required by statute, and, where practicable, replace them with guiding principles that encourage and reward innovation;

(b) Review existing and planned agency programs to assure that such programs meet agency mission needs;

(c) Ensure that procurement organizations focus on measurable results and on increased attention to understanding and meeting customer needs;

(d) Increase the use of commercially available items where practicable, place more emphasis on past contractor performance, and promote best value rather than simply low cost in selecting sources for supplies and services;

(e) Ensure that simplified acquisition procedures are used, to the maximum extent practicable, for procurements under the simplified acquisition threshold in order to reduce administrative burdens and more effectively support the accomplishment of agency missions;

(f) Expand the use of the Government purchase card by the agency and take maximum advantage of the micro-purchase authority provided in the Federal Acquisition Streamlining Act of 1994 [Pub. L. 103-355, see Short Title of 1994 Amendment note set out under section 251 of this title] by delegating the authority, to the maximum extent practicable, to the offices that will be using the supplies or services to be purchased;

(g) Establish clear lines of contracting authority and accountability;

(h) Establish career education programs for procurement professionals, including requirements for successful completion of educational requirements or mandatory training for entry level positions and for promotion to higher level positions, in order to ensure a highly qualified procurement work force;

(i) Designate a Procurement Executive with agency-wide responsibility to oversee development of procurement goals, guidelines, and innovation, measure and evaluate procurement office performance against stated goals, enhance career development of the procurement work force, and advise the agency heads whether goals are being achieved; and

(j) Review existing and planned information technology acquisitions and contracts to ensure that the agency receives the best value with regard to price and technology, and consider alternatives in cases where best value is not being obtained.

SEC. 2. The Director of the Office of Personnel Management, in consultation with the heads of executive agencies, shall ensure that personnel policies and classification standards meet the needs of executive agencies for a professional procurement work force.

SEC. 3. The Administrator of the Office of Federal Procurement Policy, after consultation with the Director of the Office of Management and Budget, shall work jointly with the heads of executive agencies to provide broad policy guidance and overall leadership necessary to achieve procurement reform, including, but not limited to:

- (a) Coordinating Government-wide efforts;
- (b) Assisting executive agencies in streamlining guidance for procurement processes;
- (c) Identifying desirable Government-wide procurement system criteria; and
- (d) Identifying major inconsistencies in law and policies relating to procurement that impose unnecessary burdens on the private sector and Federal procurement officials, and, following coordination with executive agencies, submitting necessary legislative initiatives to the Office of Management and Budget for the resolution of such inconsistencies.

SEC. 4. Executive Order No. 12352 is revoked.

EXECUTIVE ORDER NO. 12969

Ex. Ord. No. 12969, Aug. 8, 1995, 60 F.R. 40989, which provided for Federal agencies to contract with companies that report in a public manner on toxic chemicals released to the environment, was revoked by Ex. Ord. No. 13148, §901, Apr. 21, 2000, 65 F.R. 24604, formerly set out as a note under section 4321 of Title 42, The Public Health and Welfare.

STREAMLINING PROCUREMENT THROUGH ELECTRONIC COMMERCE

Memorandum of President of the United States, Oct. 28, 1993, 58 F.R. 58095, provided:

Memorandum for the Heads of Executive Departments and Agencies [and] the President's Management Council

The Federal Government spends \$200 billion annually buying goods and services. Unfortunately, the red tape and burdensome paperwork of the current procurement system increases costs, produces unnecessary delays, and reduces Federal work force productivity. Moving to an electronic commerce system to simplify and streamline the purchasing process will promote customer service and cost-effectiveness. The electronic exchange of acquisition information between the private sector and the Federal Government also will increase competition by improving access to Federal contracting opportunities for the more than 300,000 vendors currently doing business with the Government, particularly small businesses, as well as many other vendors who find access to bidding opportunities difficult under the current system. For these reasons, I am committed to

fundamentally altering and improving the way the Federal Government buys goods and services by ensuring that electronic commerce is implemented for appropriate Federal purchases as quickly as possible.

1. OBJECTIVES.

The objectives of this electronic commerce initiative are to:

(a) exchange procurement information—such as solicitations, offers, contracts, purchase orders, invoices, payments, and other contractual documents—electronically between the private sector and the Federal Government to the maximum extent practical;

(b) provide businesses, including small, small disadvantaged, and women-owned businesses, with greater access to Federal procurement opportunities;

(c) ensure that potential suppliers are provided simplified access to the Federal Government's electronic commerce system;

(d) employ nationally and internationally recognized data formats that serve to broaden and ease the electronic interchange of data; and

(e) use agency and industry systems and networks to enable the Government and potential suppliers to exchange information and access Federal procurement data.

2. IMPLEMENTATION.

The President's Management Council, in coordination with the Office of Federal Procurement Policy of the Office of Management and Budget, and in consultation with appropriate Federal agencies with applicable technical and functional expertise, as necessary, shall provide overall leadership, management oversight, and policy direction to implement electronic commerce in the executive branch through the following actions:

(a) by March 1994, define the architecture for the Government-wide electronic commerce acquisition system and identify executive departments or agencies responsible for developing, implementing, operating, and maintaining the Federal electronic system;

(b) by September 1994, establish an initial electronic commerce capability to enable the Federal Government and private vendors to electronically exchange standardized requests for quotations, quotes, purchase orders, and notice of awards and begin Government-wide implementation;

(c) by July 1995, implement a full scale Federal electronic commerce system that expands initial capabilities to include electronic payments, document interchange, and supporting databases; and

(d) by January 1997, complete Government-wide implementation of electronic commerce for appropriate Federal purchases, to the maximum extent possible.

This implementation schedule should be accelerated where practicable.

The head of each executive department or agency shall:

(a) ensure that budgetary resources are available, within approved budget levels, for electronic commerce implementation in each respective department or agency;

(b) assist the President's Management Council in implementing the electronic commerce system as quickly as possible in accordance with the schedules established herein; and

(c) designate one or more senior level employees to assist the President's Management Council and serve as a point of contact for the development and implementation of the Federal electronic commerce system within each respective department or agency.

3. NO PRIVATE RIGHTS CREATED.

This directive is for the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

The Director of the Office of Management and Budget is authorized and directed to publish this memorandum in the Federal Register.

WILLIAM J. CLINTON.

CODIFICATION

Section 2731 of Pub. L. 98-369 directed in part that this section be redesignated as section 4 of Pub. L. 93-400 to correct an inconsistency in the language of the amendment by Pub. L. 98-191, which amended this section generally but referred to it as “Sec. 3”. Since this section was enacted as section 4 of Pub. L. 93-400 no change was required.

AMENDMENTS

2004—Par. (17). Pub. L. 108-375 added par. (17).

“(i) offers such services to the general public and the Federal Government contemporaneously and under similar terms and conditions; and

“(ii) offers to use the same work force for providing the Federal Government with such services as the source uses for providing such services to the general public.”

Par. (11). Pub. L. 103-355, §8001(b)(2), which directed substitution of “The term” for “the term” in par. (11), could not be executed because phrase “the term” did not appear subsequent to amendment by Pub. L. 103-355, §4001. See below.

Pub. L. 103-355, §4001, amended par. (11) generally. Prior to amendment, par. (11) read as follows: “the term ‘small purchase threshold’ means \$25,000, adjusted on October 1 of each year divisible by 5 to the amount equal to \$25,000 in constant fiscal year 1990 dollars (rounded to the nearest \$1,000).”

(1) Elements of policy

The policy required under subsection (a) shall—

(A) provide a definition of the term “personal conflict of interest” as it relates to contractor employees performing acquisition functions closely associated with inherently governmental functions; and

(B) require each contractor whose employees perform acquisition functions closely associated with inherently governmental functions to—

(i) identify and prevent personal conflicts of interest for employees of the contractor who are performing such functions;

(ii) prohibit contractor employees who have access to non-public government information obtained while performing such functions from using such information for personal gain;

(vi) take appropriate disciplinary action in the case of employees who fail to comply with policies established pursuant to this section.

(2) Contract clause

(A) The Administrator shall develop a personal conflicts-of-interest clause or a set of

clauses for inclusion in solicitations and contracts (and task or delivery orders) for the performance of acquisition functions closely associated with inherently governmental functions that sets forth the personal conflicts-of-interest policy developed under this subsection and that sets forth the contractor's responsibilities under such policy.

(B) Subparagraph (A) shall take effect 300 days after October 14, 2008, and shall apply to—

(i) contracts entered into on or after that effective date; and

(1) Review

Not later than 12 months after October 14, 2008, the Administrator for Federal Procurement Policy, in consultation with the Director of the Office of Government Ethics, shall review the Federal Acquisition Regulation to—

(A) identify contracting methods, types and services that raise heightened concerns for potential personal and organizational conflicts of interest; and

(B) determine whether revisions to the Federal Acquisition Regulation are necessary to—

(i) address personal conflicts of interest by contractor employees with respect to functions other than those described in subsection (a); or

(ii) achieve sufficiently rigorous, comprehensive, and uniform government-wide policies to prevent and mitigate organizational conflicts of interest in Federal contracting.

(2) Regulatory revisions

If the Administrator determines pursuant to the review under paragraph (1)(B) that revisions to the Federal Acquisition Regulation are necessary, the Administrator shall work with the Federal Acquisition Regulatory Council to prescribe appropriate revisions to the regulations, including the development of appropriate contract clauses.

mines in writing that the segment of the contractor or subcontractor that will perform the work—

(i) is primarily engaged in the sale of commercial items; and

(ii) would not otherwise be subject to the cost accounting standards under this section, as in effect on or after the effective date of this paragraph.

(B) The head of an executive agency may also waive the applicability of the cost accounting standards for a contract or subcontract under exceptional circumstances when necessary to meet the needs of the agency. (ii) the advantages, disadvantages, and improvements anticipated in the pricing and administration of, and settlement of disputes concerning, contracts; and

(iii) the scope of, and alternatives available to, the action proposed to be taken;

(C)(i) publish an advanced notice of proposed rulemaking in the Federal Register in order to solicit comments on the report prepared pursuant to subparagraph (B);

Implementation dates for contractors and subcontractors shall be determined by the Board, but in no event shall such dates be later than the beginning of the second fiscal year of the contractor or subcontractor after the standard becomes effective. Rules, regulations, cost accounting standards, and modifications thereof promulgated or amended under this section shall be accompanied by prefatory comments and by illustrations, if necessary.

(A) disclose in writing their cost accounting practices, including methods of distinguishing direct costs from indirect costs and the basis used for allocating indirect costs; and

(B) agree to a contract price adjustment, with interest, for any increased costs paid to such contractor or subcontractor by the United States by reason of a change in the contractor's or subcontractor's cost accounting practices or by reason of a failure by the contractor or subcontractor to comply with applicable cost accounting standards.

(2) If the United States and a contractor or subcontractor fail to agree on a contract price adjustment, including whether the contractor or subcontractor has complied with the applicable cost accounting standards, the disagreement will constitute a dispute under the Contract Disputes Act [41 U.S.C. 601 et seq.].

(3) Any contract price adjustment undertaken pursuant to paragraph (1)(B) shall be made, where applicable, on relevant contracts between the United States and the contractor that are subject to the cost accounting standards so as to protect the United States from payment, in the aggregate, of increased costs (as defined by the Board). In no case shall the Government recover costs greater than the increased cost (as defined by the Board) to the Government, in the aggregate, on the relevant contracts subject to the price adjustment, unless the contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of the price negotiation and which it failed to disclose to the Government.

(4) The interest rate applicable to any contract price adjustment shall be the annual rate of interest established under section 6621 of title 26 for such period. Such interest shall accrue from the time payments of the increased costs were made to the contractor or subcontractor to

the time the United States receives full compensation for the price adjustment.

(4) Costs which are the subject of cost accounting standards promulgated under this section shall not be subject to regulations that are established by another executive agency that differ from such standards with respect to the measurement, assignment, and allocation of such costs.

(k) Examinations

For the purpose of determining whether a contractor or subcontractor has complied with cost accounting standards promulgated under this section and has followed consistently the contractor's or subcontractor's disclosed cost accounting practices, any authorized representative of the head of the agency concerned, of the offices of inspector general established pursuant to the Inspector General Act of 1978, or of the Comptroller General of the United States shall have the right to examine and make copies of any documents, papers, or records of such contractor or subcontractor relating to compliance with such cost accounting standards.

§ 439. Public-private competition required before conversion to contractor performance**(a) Public-private competition**

(1) A function of an executive agency performed by 10 or more agency civilian employees may not be converted, in whole or in part, to performance by a contractor unless the conversion is based on the results of a public-private competition that—

(A) formally compares the cost of performance of the function by agency civilian employees with the cost of performance by a contractor;

(B) creates an agency tender, including a most efficient organization plan, in accordance with Office of Management and Budget Circular A-76, as implemented on May 29, 2003, or any successor circular;

(C) includes the issuance of a solicitation;

(D) determines whether the submitted offers meet the needs of the executive agency with respect to factors other than cost, including quality, reliability, and timeliness;

(E) examines the cost of performance of the function by agency civilian employees and the cost of performance of the function by one or more contractors to demonstrate whether converting to performance by a contractor will result in savings to the Government over the life of the contract, including—

(i) the estimated cost to the Government (based on offers received) for performance of the function by a contractor;

(ii) the estimated cost to the Government for performance of the function by agency civilian employees; and

(iii) an estimate of all other costs and expenditures that the Government would incur because of the award of such a contract;

(F) requires continued performance of the function by agency civilian employees unless the difference in the cost of performance of the function by a contractor compared to the cost of performance of the function by agency civilian employees would, over all performance periods required by the solicitation, be equal to or exceed the lesser of—

(i) 10 percent of the personnel-related costs for performance of that function in the agency tender; or

(ii) \$10,000,000; and

(G) examines the effect of performance of the function by a contractor on the agency mission associated with the performance of the function.

(2) A function that is performed by the executive agency and is reengineered, reorganized, modernized, upgraded, expanded, or changed to become more efficient, but still essentially provides the same service, shall not be considered a new requirement.

(3) In no case may a function being performed by executive agency personnel be—

(A) modified, reorganized, divided, or in any way changed for the purpose of exempting the conversion of the function from the requirements of this section; or

(B) converted to performance by a contractor to circumvent a civilian personnel ceiling.

(b) Requirement to consult employees

(1) Each civilian employee of an executive agency responsible for determining under Office of Management and Budget Circular A-76 whether to convert to contractor performance any function of the executive agency—

(A) shall, at least monthly during the development and preparation of the performance work statement and the management efficiency study used in making that determination, consult with civilian employees who will be affected by that determination and consider the views of such employees on the development and preparation of that statement and that study; and

(B) may consult with such employees on other matters relating to that determination.

(2)(A) In the case of employees represented by a labor organization accorded exclusive recogni-

tion under section 7111 of title 5, consultation with representatives of that labor organization shall satisfy the consultation requirement in paragraph (1).

(B) In the case of employees other than employees referred to in subparagraph (A), consultation with appropriate representatives of those employees shall satisfy the consultation requirement in paragraph (1).

(C) The head of each executive agency shall prescribe regulations to carry out this subsection. The regulations shall include provisions for the selection or designation of appropriate representatives of employees referred to in paragraph (2)(B) for purposes of consultation required by paragraph (1).

(c) Congressional notification

(A) The function for which such public-private competition is to be conducted.

(B) The location at which the function is performed by agency civilian employees.

(C) The number of agency civilian employee positions potentially affected.

(D) The anticipated length and cost of the public-private competition, and a specific identification of the budgetary line item from which funds will be used to cover the cost of the public-private competition.

(E) A certification that a proposed performance of the function by a contractor is not a result of a decision by an official of an executive agency to impose predetermined constraints or limitations on such employees in terms of man years, end strengths, full-time equivalent positions, or maximum number of employees.

(2) The report required under paragraph (1) shall include an examination of the potential economic effect of performance of the function by a contractor on—

(A) agency civilian employees who would be affected by such a conversion in performance; and

(B) the local community and the Government, if more than 50 agency civilian employees perform the function.

(3)(A) A representative individual or entity at a facility where a public-private competition is conducted may submit to the head of the executive agency an objection to the public-private competition on the grounds that the report required by paragraph (1) has not been submitted or that the certification required by paragraph (1)(E) is not included in the report submitted as a condition for the public-private competition. The objection shall be in writing and shall be submitted within 90 days after the following date:

(i) In the case of a failure to submit the report when required, the date on which the representative individual or an official of the representative entity authorized to pose the objection first knew or should have known of that failure.

(ii) In the case of a failure to include the certification in a submitted report, the date on which the report was submitted to Congress.

(B) If the head of the executive agency determines that the report required by paragraph (1) was not submitted or that the required certification was not included in the submitted report, the function for which the public-private competition was conducted for which the objection was submitted may not be the subject of a solicitation of offers for, or award of, a contract until, respectively, the report is submitted or a report containing the certification in full compliance with the certification requirement is submitted.

(d) Exemption for the purchase of products and services of the blind and other severely handicapped persons

This section shall not apply to a commercial or industrial type function of an executive agency that—

(1) is included on the procurement list established pursuant to section 2 of the Javits-Wagner-O'Day Act (41 U.S.C. 47); or

(2) is planned to be changed to performance by a qualified nonprofit agency for the blind or by a qualified nonprofit agency for other severely handicapped persons in accordance with that Act [41 U.S.C. 46 et seq.].

Liability under this subsection¹ shall be determined within six years of the commission of such misrepresentation of fact or fraud.

(Pub. L. 95-563, §5, Nov. 1, 1978, 92 Stat. 2384.)

§ 605. Decision by contracting officer

(a) Contractor claims

All claims by a contractor against the government relating to a contract shall be in writing and shall be submitted to the contracting officer for a decision. All claims by the government against a contractor relating to a contract shall be the subject of a decision by the contracting officer. Each claim by a contractor against the government relating to a contract and each claim by the government against a contractor

relating to a contract shall be submitted within 6 years after the accrual of the claim. The preceding sentence does not apply to a claim by the government against a contractor that is based on a claim by the contractor involving fraud. The contracting officer shall issue his decisions in writing, and shall mail or otherwise furnish a copy of the decision to the contractor. The decision shall state the reasons for the decision reached, and shall inform the contractor of his rights as provided in this chapter. Specific findings of fact are not required, but, if made, shall not be binding in any subsequent proceeding. The authority of this subsection shall not extend to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another Federal agency is specifically authorized to administer, settle, or determine. This section shall not authorize any agency head to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(b) Review; performance of contract pending appeal

The contracting officer's decision on the claim shall be final and conclusive and not subject to review by any forum, tribunal, or Government agency, unless an appeal or suit is timely commenced as authorized by this chapter. Nothing in this chapter shall prohibit executive agencies from including a clause in government contracts requiring that pending final decision of an appeal, action, or final settlement, a contractor shall proceed diligently with performance of the contract in accordance with the contracting officer's decision.

(c) Amount of claim; certification; notification; time of issuance; presumption

(1) A contracting officer shall issue a decision on any submitted claim of \$100,000 or less within sixty days from his receipt of a written request from the contractor that a decision be rendered within that period. For claims of more than \$100,000, the contractor shall certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of his knowledge and belief, that the amount requested accurately reflects the contract adjustment for which the contractor believes the government is liable, and that the certifier is duly authorized to certify the claim on behalf of the contractor.

(2) A contracting officer shall, within sixty days of receipt of a submitted certified claim over \$100,000—

(A) issue a decision; or

(B) notify the contractor of the time within which a decision will be issued.

(3) The decision of a contracting officer on submitted claims shall be issued within a reasonable time, in accordance with regulations promulgated by the agency, taking into account such factors as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the contractor.

(4) A contractor may request the tribunal concerned to direct a contracting officer to issue a decision in a specified period of time, as determined by the tribunal concerned, in the event of undue delay on the part of the contracting officer.

¹ See References in Text note below.

¹ So in original. Probably should be "section".

(5) Any failure by the contracting officer to issue a decision on a contract claim within the period required will be deemed to be a decision by the contracting officer denying the claim and will authorize the commencement of the appeal or suit on the claim as otherwise provided in this chapter. However, in the event an appeal or suit is so commenced in the absence of a prior decision by the contracting officer, the tribunal concerned may, at its option, stay the proceedings to obtain a decision on the claim by the contracting officer.

(6) The contracting officer shall have no obligation to render a final decision on any claim of more than \$100,000 that is not certified in accordance with paragraph (1) if, within 60 days after receipt of the claim, the contracting officer notifies the contractor in writing of the reasons why any attempted certification was found to be defective. A defect in the certification of a claim shall not deprive a court or an agency board of contract appeals of jurisdiction over that claim. Prior to the entry of a final judgment by a court or a decision by an agency board of contract appeals, the court or agency board shall require a defective certification to be corrected.

(7) The certification required by paragraph (1) may be executed by any person duly authorized to bind the contractor with respect to the claim.

(d) Alternative means of dispute resolution

Notwithstanding any other provision of this chapter, a contractor and a contracting officer may use any alternative means of dispute resolution under subchapter IV of chapter 5 of title 5, or other mutually agreeable procedures, for resolving claims. The contractor shall certify the claim when required to do so as provided under subsection (c)(1) of this section or as otherwise required by law. All provisions of subchapter IV of chapter 5 of title 5 shall apply to such alternative means of dispute resolution.

(e) Termination of authority to engage in alternative means of dispute resolution; savings provision

§ 607. Agency boards of contract appeals

(a) Establishment; consultation; Tennessee Valley Authority

(1) An Armed Services Board of Contract Appeals may be established within the Department of Defense when the Secretary of Defense, after consultation with the Administrator, determines from a workload study that the volume of contract claims justifies the establishment of a full-time agency board of at least three members who shall have no other inconsistent duties. Workload studies will be updated at least once every three years and submitted to the Administrator.

(2) The Board of Directors of the Tennessee Valley Authority may establish a board of contract appeals for the Authority of an indeterminate number of members.

(b) Appointment of members; chairman; compensation

(1) The members of the Armed Services Board of Contract Appeals shall be selected and appointed to serve in the same manner as administrative law judges appointed pursuant to section 3105 of title 5, with an additional requirement that such members shall have had not fewer than five years' experience in public contract law. Full-time members of such Board serving as such on the effective date of this chapter shall be considered qualified. The chairman and vice chairman of such Board shall be designated by the Secretary of Defense from members so appointed. Compensation for the chairman, the vice chairman, and all other members of such Board shall be determined under section 5372a of title 5.

(2) The Board of Directors of the Tennessee Valley Authority shall establish criteria for the appointment of members to its agency board of contract appeals established in subsection (a)(2) of this section, and shall designate a chairman of such board. The chairman and all other members of such board shall receive compensation, at the daily equivalent of the rates determined under section 5372a of title 5, for each day they are engaged in the actual performance of their duties as members of the board.

(c) Postal Service Board of Contract Appeals

There is established an agency board of contract appeals to be known as the "Postal Service Board of Contract Appeals". Such board shall have jurisdiction to decide any appeal from a decision of a contracting officer of the United States Postal Service or the Postal Regulatory Commission relative to a contract made by either agency. Such board shall consist of judges appointed by the Postmaster General who shall meet the qualifications of and serve in the same manner as members of the Civilian Board of Contract Appeals. This chapter shall apply to contract disputes before the Postal Service Board of Contract Appeals in the same manner as they apply to contract disputes before the Civilian Board.

(d) Jurisdiction

The Armed Services Board shall have jurisdiction to decide any appeal from a decision of a contracting officer of the Department of Defense, the Department of the Army, the Department of the Navy, the Department of the Air Force, or the National Aeronautics and Space Administration relative to a contract made by that department or agency. The Civilian Board shall have jurisdiction to decide any appeal from a decision of a contracting officer of any executive agency (other than the Department of Defense, the Department of the Army, the Department of the Navy, the Department of the Air Force, the National Aeronautics and Space Administration, the United States Postal Service, the Postal Regulatory Commission, or the Tennessee Valley Authority) relative to a contract made by that agency. Each other agency board shall have jurisdiction to decide any appeal from a decision of a contracting officer relative to a contract made by its agency. In exercising this jurisdiction, the agency board is authorized to

grant any relief that would be available to a litigant asserting a contract claim in the United States Court of Federal Claims.

(e) Decisions

An agency board shall provide to the fullest extent practicable, informal, expeditious, and inexpensive resolution of disputes, and shall issue a decision in writing or take other appropriate action on each appeal submitted, and shall mail or otherwise furnish a copy of the decision to the contractor and the contracting officer.

(f) Accelerated appeal disposition

The rules of each agency board shall include a procedure for the accelerated disposition of any appeal from a decision of a contracting officer where the amount in dispute is \$100,000 or less. The accelerated procedure shall be applicable at the sole election of only the contractor. Appeals under the accelerated procedure shall be resolved, whenever possible, within one hundred and eighty days from the date the contractor elects to utilize such procedure.

(g) Review

(1) The decision of an agency board of contract appeals shall be final, except that—

(A) a contractor may appeal such a decision to the United States Court of Appeals for the Federal Circuit within one hundred twenty days after the date of receipt of a copy of such decision, or

(B) the agency head, if he determines that an appeal should be taken, and with the prior approval of the Attorney General, transmits the decision of the board of contract appeals to the Court of Appeals for the Federal Circuit for judicial review under section 1295 of title 28, within one hundred and twenty days from the date of the agency's receipt of a copy of the board's decision.

(2) Notwithstanding the provisions of paragraph (1), the decision of the board of contract appeals of the Tennessee Valley Authority shall be final, except that—

(A) a contractor may appeal such a decision to a United States district court pursuant to the provisions of section 1337 of title 28, within one hundred twenty days after the date of receipt of a copy of such decision, or

(B) The Tennessee Valley Authority may appeal the decision to a United States district court pursuant to the provisions of section 1337 of title 28, within one hundred twenty days after the date of the decision in any case.

(3) An award by an arbitrator under this chapter shall be reviewed pursuant to sections 9 through 13 of title 9, except that the court may set aside or limit any award that is found to violate limitations imposed by Federal statute.
