ing, concerted efforts on part of allied health facilities and educational institutions to address such matters, and needs with respect to nationwide data bases concerning supply and distribution of allied health personnel, and (2) encouraging entities providing allied health education to voluntarily achieve recommendations of Commission, and further provided for composition of Commission, date certain for appointments to Commission, resources for Commission activities, an interim progress report due not later than Oct. 1, 1993, a final report due not later than Apr. 1, 1994, and termination of Commission 60 days after submission of final report.

STUDY REGARDING SHORTAGE OF CLINICAL LABORATORY TECHNOLOGISTS FOR MEDICALLY UNDERSERVED AND RURAL COMMUNITIES

Section 303 of Pub. L. 102–408 directed Secretary of Health and Human Services, with respect to the shortage of clinical laboratory technologists, to conduct a study for the purpose of determining whether there are any unique factors affecting the supply of clinical laboratory technologists in medically underserved and rural communities, and assessing alternative routes for certification of the competency of individuals to serve as such technologists, with consideration of the role of entities providing such certifications, and, not later than Oct. 1, 1993, complete the study and submit to Committee on Energy and Commerce of House of Representatives, and to Committee on Labor and Human Resources of Senate, a report describing the findings made as result of the study.

NATIONAL ADVISORY COUNCIL ON MEDICAL LICENSURE

Section 307 of Pub. L. 102–408 directed Secretary of Health and Human Services to establish National Advisory Council on Medical Licensure to advise Secretary on American Medical Association’s system of verifying and maintaining information regarding qualifications of individuals to practice medicine, as well as advice regarding establishment and operation of any similar system, provided for activities of Council, including review of private credentials verification system and recommendation of how it could be improved, as well as review of State procedures for licensing individuals licensed in other States and procedures for licensing international medical graduates, provided for composition of Council and appointment of members, required submission of an interim report to Congress not later than Sept. 30, 1993, and a final report with recommendations not later than Sept. 30, 1995, provided for termination of Council not later than Sept. 30, 1995, or upon submission of final report, whichever is earlier, and further directed Secretary, in cooperation with Council to submit to Congress, not later than Sept. 30, 1994, study of not less than 10 States for purposes of determining average time required for States to process licensure applications of domestic and international medical graduates as well as percentages of domestic and international licensure applications approved.

A prior section 793 of act July 1, 1944, was classified to section 286h–lc of this title prior to the general amendment of this subchapter by Pub. L. 102–408.

Another prior section 793 of act July 1, 1944, was renumbered section 794 by Pub. L. 97–35 and classified to section 286h–2 of this title.

§ 295m. Prohibition against discrimination on basis of sex

The Secretary may not make a grant, loan guarantee, or interest subsidy payment under this subchapter to, or for the benefit of, any school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, pharmacy, podiatric medicine, or public health or any training center for allied health personnel, or graduate program in clinical psychology, unless the application for the grant, loan guarantee, or interest subsidy payment contains assurances satisfactory to the Secretary that the school or training center will not discriminate on the basis of sex in the admission of individuals to its training programs. The Secretary may not enter into a contract under this subchapter with any such school or training center unless the school, training center, or graduate program furnishes assurances satisfactory to the Secretary that it will not discriminate on the basis of sex in the admission of individuals to its training programs. In the case of a school of medicine which—

(1) on October 13, 1992, is in the process of changing its status as an institution which admits only female students to that of an institution which admits students without regard to their sex, and

(2) is carrying out such change in accordance with a plan approved by the Secretary,

the provisions of the preceding sentences of this section shall apply only with respect to a grant, contract, loan guarantee, or interest subsidy to, or for the benefit of such a school for a fiscal year beginning after June 30, 1979.

PRIOR PROVISIONS

A prior section 794 of act July 1, 1944, was classified to section 296h–2 of this title prior to the general amendment of this subchapter by Pub. L. 102–408.

Another prior section 794 of act July 1, 1944, was classified to section 294h–3 of this title prior to repeal by Pub. L. 91–519.

A prior section 795 of act July 1, 1944, was classified to section 296h–4 of this title prior to the general amendment of this subchapter by Pub. L. 102–408.

Another prior section 795 of act July 1, 1944, was classified to section 296h–4 of this title prior to the general amendment of part G of this subchapter by Pub. L. 94–484.

SAVINGS PROVISION

Pub. L. 105–392, title I, § 101(b)(2), Nov. 13, 1998, 112 Stat. 3537, provided that: “The amendments made by this section [enacting sections 293 to 293d of this title, amending section 287a–2 of this title, and repealing this section and former sections 293 to 293d of this title] shall not be construed to terminate, and shall not be construed to terminate, any activities in process on the day before the date of enactment of this Act [Nov. 13, 1998], are in effect pursuant to section 795 of
