In this section, before clause (1), the words “In this subchapter” are substituted for “As used in this chapter” and “Whenever in this chapter reference is made

to . . . such reference shall mean” for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

Clause (1) restates the definition of “air carrier airport” that was contained in section 11(1) of the Airport and Airway Development Act of 1970 as in effect both on February 18, 1980, and immediately before September 3, 1982. The clause is added to this section to eliminate the cross-references to definitions in section 11 of the Airport and Airway Development Act of 1970 that are contained in the source provisions restated in sections 47106(d) and 47119(a) of the revised title. Because some of the terms used in the definition of “air carrier airport” were themselves defined in section 11, the definitions of those terms are incorporated in the definition added in clause (1) to the extent they differ from the definitions of those terms restated in this section. The words “Secretary of Transportation” and “Secretary” are substituted for “Civil Aeronautics Board” because of the transfer of authority under 49 App.:1551(b)(1)(E).

In clause (2), before subclause (A), the text of 49 App.:2202(a)(21) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. In subclause (A)(iii), the words “those areas” are substituted for “thereon” for clarity.

In clause (3)(A), before subclause (i), the words “any work involved in” and “or portion thereof” are eliminated as unnecessary. The word “reconstructing” is omitted as being included in “constructing”. In subclause (ii), the words “carrying out a field investigation” are substituted for “field investigations incidental thereto” for clarity.

In clause (3)(B), before subclause (i), the word “for” is substituted for “by” for clarity. In subclause (i), the words “required by the acquisition or installation” are substituted for “thereby required” for clarity. In subclause (ii), the word “individuals” is substituted for “persons” for clarity and consistency in the revised title and with other titles of the Code.

In clause (3)(C), before subclause (i), the words “interest in land or airspace” are substituted for “land or of any interest therein, or of any easement through or other interest in airspace” to eliminate unnecessary words. In subclause (ii), the words “existing airport hazard . . . the creation of a new airport hazard” are added for clarity and consistency in this chapter.

In clause (3)(D), the words “any . . . work involved to” are omitted as surplus. The word “Secretary” is substituted for “Department of Transportation” because of 49:102(b). The words “Administrator of the” are added because of 49:106(b).

In clause (4), the word “near” is substituted for “in the vicinity of” to eliminate unnecessary words. The words “obstructs or otherwise is hazardous to the landing or taking off” are substituted for “obstructs the airspace required for the flight of aircraft in landing or taking off . . . or is otherwise hazardous to such landing or taking off” for clarity and to eliminate unnecessary words.

In clause (6), the words “for a fiscal year . . . for that fiscal year” are omitted as surplus. The words “authorized for grants” are substituted for “made available for obligation” for clarity and consistency. The word “law” is substituted for “Act of Congress” for consistency in the revised title and with other titles of the Code. The words “or limited” are omitted as surplus.

In clause (8), before subclause (A), the words “the initial as well as continuing” and “nature” are omitted as surplus. In subclause (C), the words “needed to decide which aeronautical needs should be met” are substituted for “as may be necessary to determine the short-, intermediate-, and long-range aeronautical demands required to be met” for clarity and to eliminate unnecessary words. The word “particular” is eliminated as unnecessary. In subclause (D), the word “prescribed” is substituted for “the establishment . . . of” for consistency in the revised title and with other titles of the Code.

In clause (9), the words “scheduled and non-scheduled” are omitted as surplus. The word “cargo” is substituted for “property (including mail)” for consistency in the revised title.

In clause (10), before subclause (A), the words “passenger boardings” are substituted for “passengers enplaned” for clarity. In subclause (A), the words “domestic, territorial, and international”, “in the States”, “scheduled and nonscheduled”, and “intrastate, interstate, and foreign” are omitted as surplus. In subclause (B), the words “who continue on an aircraft in” are substituted for “on board” for clarity. (See Cong. Rec., pp. S15296, 15297, Oct. 28, 1987, daily ed.). The words “that stops” are substituted for “which transit” for clarity. The word “located” is omitted as surplus.

In clause (12), the words “included in one project grant application” are substituted for “submitted together”, and the words “or all projects to be undertaken” are substituted for “including the combined submission of all projects”, for clarity and consistency in this chapter.

In clause (15)(A), the words “or any agency of a State, a municipality . . . other” are omitted as surplus.

In clause (19)(A), the words “either individually or jointly with one or more other public agencies” are omitted as surplus.

In clause (20), the words “the Commonwealth of” and “the Government of” are omitted as surplus.
