(b) Prevention of excess base acres

(1) Required reduction

If the sum of the base acres for a farm, together with the acreage described in paragraph (2) exceeds the actual cropland acreage of the farm, the Secretary shall reduce the base acres for 1 or more covered commodities for the farm or the base acres for peanuts for the farm so that the sum of the base acres and acreage described in paragraph (2) does not exceed the actual cropland acreage of the farm.

The Secretary shall proportionately reduce base acres on a farm for covered commodities for land that has been subdivided and developed for multiple residential units or other nonfarming uses if the size of the tracts and the density of the subdivision is such that the land is unlikely to return to the previous agricultural use, unless the producers on the farm demonstrate that the land—

(i) remains devoted to commercial agricultural production; or

(ii) is likely to be returned to the previous agricultural use.

(B) Requirement

The Secretary shall establish procedures to identify land described in subparagraph (A).

(3) Review and report

(2) Establishment

(A) In general

The President shall carry out an import quota program during the period beginning on the date of enactment of this Act through July 31, 2013, as provided in this subsection.

(B) Program requirements

Whenever the Secretary determines and announces that for any consecutive 4-week period, the Friday through Thursday average price quotation for the lowest-priced United States growth, as quoted for Middling (M) 1³/₃₂-inch cotton, delivered to a definable and significant international market, as determined by the Secretary, exceeds the prevailing world market price, there shall immediately be in effect a special import quota.

(3) Quantity

The quota shall be equal to 1 week’s consumption of cotton by domestic mills at the seasonally adjusted average rate of the most recent 3 months for which data are available.

(4) Application

The quota shall apply to upland cotton purchased not later than 90 days after the date of the Secretary’s announcement under paragraph (2) and entered into the United States not later than 180 days after that date.

(5) Overlap

A special quota period may be established that overlaps any existing quota period if required by paragraph (2), except that a special quota period may not be established under this subsection if a quota period has been established under subsection (b).

(6) Preferential tariff treatment

The quantity under a special import quota shall be considered to be an in-quota quantity for purposes of—

- (A) section 2703(d) of title 19;
- (B) section 3203 of title 19;
- (C) section 2463(d) of title 19; and
- (D) General Note 3(a)(iv) to the Harmonized Tariff Schedule.

(7) Limitation

The quantity of cotton entered into the United States during any marketing year under the special import quota established under this subsection may not exceed the equivalent of 10 week's consumption of upland cotton by domestic mills at the seasonally adjusted average rate of the 3 months immediately preceding the first special import quota established in any marketing year.

- (ii) production of the current crop; and
- (iii) imports to the latest date available during the marketing year.

(B) Demand

The term “demand” means—

- (i) the average seasonally adjusted annual rate of domestic mill consumption of cotton during the most recent 3 months for which data are available; and

 - (I) average exports of upland cotton during the preceding 6 marketing years; or
 - (II) cumulative exports of upland cotton plus outstanding export sales for the marketing year in which the quota is established.

(C) Limited global import quota

The term “limited global import quota” means a quantity of imports that is not subject to the over-quota tariff rate of a tariff-rate quota.

(2) Program

The President shall carry out an import quota program that provides that whenever the Secretary determines and announces that the average price of the base quality of upland cotton, as determined by the Secretary, in the designated spot markets for a month exceeded 130 percent of the average price of the quality of cotton in the markets for the preceding 36 months, notwithstanding any other provision of law, there shall immediately be in effect a limited global import quota subject to the following conditions:

(A) Quantity

The quantity of the quota shall be equal to 21 days of domestic mill consumption of up-

land cotton at the seasonally adjusted average rate of the most recent 3 months for which data are available or as estimated by the Secretary.

(B) Quantity if prior quota

If a quota has been established under this subsection during the preceding 12 months, the quantity of the quota next established under this subsection shall be the smaller of 21 days of domestic mill consumption calculated under subparagraph (A) or the quantity required to increase the supply to 130 percent of the demand.

(C) Preferential tariff treatment

The quantity under a limited global import quota shall be considered to be an in-quota quantity for purposes of—

- (i) section 2703(d) of title 19;
- (ii) section 3203 of title 19;
- (iii) section 2463(d) of title 19; and

(c) Economic adjustment assistance to users of upland cotton

(1) In general

Subject to paragraph (2), the Secretary shall, on a monthly basis, provide economic adjustment assistance to domestic users of upland cotton in the form of payments for all documented use of that upland cotton during the previous monthly period regardless of the origin of the upland cotton.

(4) Review or audit

The Secretary may conduct such review or audit of the records of a domestic user under

this subsection as the Secretary determines necessary to carry out this subsection.

(5) Improper use of assistance

If the Secretary determines, after a review or audit of the records of the domestic user, that economic adjustment assistance under this subsection was not used for the purposes specified in paragraph (3), the domestic user shall be—

(A) liable to repay the assistance to the Secretary, plus interest, as determined by the Secretary; and
