PRIVATELY FUNDED ABORTIONS AT MILITARY HOSPITALS

Memorandum of the President of the United States, Jan. 22, 1993, 58 F.R. 6439, provided:

Memorandum for the Secretary of Defense

Section 1093 of title 10 of the United States Code prohibits the use of Department of Defense (“DOD”) funds to perform abortions except where the life of a woman would be endangered if the fetus were carried to term. By memoranda of December 21, 1987, and June 21, 1988, DOD has gone beyond what I am informed are the requirements of the statute and has banned all abortions at U.S. military facilities, even where the procedure is privately funded. This ban is unwarranted. Accordingly, I hereby direct that you reverse the ban immediately and permit abortion services to be provided, if paid for entirely with non-DOD funds and in accordance with other relevant DOD policies and procedures.

You are hereby authorized and directed to publish this memorandum in the Federal Register.

WILLIAM J. CLINTON.

§ 1094. Licensure requirement for health-care professionals

(a)(1) A person under the jurisdiction of the Secretary of a military department may not provide health care independently as a health-care professional under this chapter unless the person has a current license to provide such care. In the case of a physician, the physician may not provide health care as a physician under this chapter unless the current license is an unrestricted license that is not subject to limitation on the scope of practice ordinarily granted to other physicians for a similar specialty by the jurisdiction that granted the license.

(2) The Secretary of Defense may waive paragraph (1) with respect to any person in unusual circumstances. The Secretary shall prescribe by regulation the circumstances under which such a waiver may be granted.

(b) The commanding officer of each health care facility of the Department of Defense shall ensure that each person who provides health care independently as a health-care professional at the facility meets the requirement of subsection (a).

(c)(1) A person (other than a person subject to chapter 47 of this title) who provides health care in violation of subsection (a) is subject to a civil money penalty of not more than \$5,000.

(2) The provisions of subsections (c) and (e) through (h) of section 1128A of the Social Security Act (42 U.S.C. 1320a-7a) shall apply to the imposition of a civil money penalty under paragraph (1) in the same manner as they apply to the imposition of a civil money penalty under that section, except that for purposes of this subsection—

(A) a reference to the Secretary in that section is deemed a reference to the Secretary of Defense; and

(B) a reference to a claimant in subsection (e) of that section is deemed a reference to the person described in paragraph (1).

(d)(1) Notwithstanding any law regarding the licensure of health care providers, a health-care professional described in paragraph (2) or (3) may practice the health profession or professions of the health-care professional in any State, the District of Columbia, or a Commonwealth, territory, or possession of the United States, regardless of whether the practice occurs in a health care facility of the Department of Defense, a civilian facility affiliated with the Department of Defense, or any other location authorized by the Secretary of Defense.

(2) A health-care professional referred to in paragraph (1) as being described in this paragraph is a member of the armed forces who—

(A) has a current license to practice medicine, osteopathic medicine, dentistry, or another health profession; and

(B) is performing authorized duties for the Department of Defense.

(3) A health-care professional referred to in paragraph (1) as being described in this paragraph is a member of the National Guard who—

(A) has a current license to practice medicine, osteopathic medicine, dentistry, or another health profession; and
