(2) and (3) of section 1841(g) of this title from the effect of the clause lifting the requirements of prior Board approved in the case of shares acquired by a bank in good faith in a fiduciary capacity for provisions excepting shares held for the benefit of the shareholders of a bank from the effect of the clause.

Subsec. (c). Pub. L. 89–485, § 7(c), inserted provision prohibiting any acquisition, merger, or consolidation that would result in a monopoly or would further any combination or conspiracy to monopolize the banking business in any part of the United States or would substantially lessen competition or in any manner be in restraint of trade unless the public interest clearly outweighed the anticompetitive effects and substituted provisions requiring the Board to take into consideration the financial and managerial resources and future prospects of the company or bank concerned and the convenience and needs of the community to be served for provisions requiring the Board to take into consideration the financial history of the company or bank concerned, its prospects, the character of its management, the needs of the community, and the public interest.

§ 1843. Interests in nonbanking organizations
(a) Ownership or control of voting shares of any company not a bank; engagement in activities other than banking
Except as otherwise provided in this chapter, no bank holding company shall—
(1) after May 9, 1956, acquire direct or indirect ownership or control of any voting shares of any company which is not a bank, or
§ 1843

(2) after two years from the date as of which it becomes a bank holding company, or in the case of a company which has been continuously affiliated since May 15, 1955, with a company which was registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.), prior to May 15, 1955, in such a manner as to constitute an affiliated company within the meaning of that Act, after December 31, 1978, or, in the case of any company which becomes, as a result of the enactment of the Bank Holding Company Act Amendments of 1970, a bank holding company on December 31, 1970, after December 31, 1980, retain direct or indirect ownership or control of any voting shares of any company which is not a bank or bank holding company or engage in any activities other than (A) those of banking or of managing or controlling banks and other subsidiaries authorized under this chapter or of furnishing services to or performing services for its subsidiaries, and (B) those permitted under paragraph (d) of section (c) of this subsection subject to all the conditions specified in such paragraph or in any order or regulation issued by the Board under such paragraph: Provided, That a company covered in 1970 may also engage in those activities in which directly or through a subsidiary (i) it was lawfully engaged on June 30, 1968 (or on a date subsequent to June 30, 1968 in the case of activities carried on as the result of the acquisition by such company or subsidiary, pursuant to a binding written contract entered into on or before June 30, 1968, of another company engaged in such activities at the time of the acquisition), and (ii) it has been continuously engaged since June 30, 1968 (or such subsequent date). The Board, by order, after opportunity for hearing, may terminate the authority conferred by the preceding proviso on any company to engage directly or through a subsidiary in any activity otherwise permitted by that proviso if it determines, having due regard to the purposes of this chapter, that such action is necessary to prevent undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound banking practices; and in the case of any such company controlling a bank having bank assets in excess of $60,000,000 on or after December 31, 1970, the Board shall determine, within two years after such date (or, if later, within two years after the date on which the bank assets first exceed $60,000,000), whether the authority conferred by the preceding proviso with respect to such company should be terminated as provided in this sentence. Nothing in this paragraph shall be construed to authorize any bank holding company referred to in the preceding proviso, or any subsidiary thereof, to engage in activities authorized by that proviso through the acquisition, pursuant to a contract entered into after June 30, 1968, of any interest in or the assets of a going concern engaged in such activities. Any company which is authorized to engage in any activity pursuant to the preceding proviso or subsection (d) of this section but, as a result of action of the Board, is required to terminate such activity may (notwithstanding any otherwise applicable time limit prescribed in this paragraph) retain the ownership or control of shares in any company carrying on such activity for a period of ten years from the date on which its authority was so terminated by the Board. Notwithstanding any other provision of this paragraph, if any company that became a bank holding company as a result of the enactment of the Competitive Equality Amendments of 1987 acquired, between March 5, 1987, and August 10, 1987, an institution that became a bank as a result of the enactment of such Amendments, that company shall, upon enactment of such Amendments, immediately come into compliance with the requirements of this chapter.

The Board is authorized, upon application by a bank holding company, to extend the two year period referred to in paragraph (2) above from time to time as to such bank holding company for not more than one year at a time, if, in its judgment, such an extension would not be detrimental to the public interest, but no such extensions shall in the aggregate exceed three years. Notwithstanding any other provision of this chapter, the period ending December 31, 1980, referred to in paragraph (2) above, may be extended by the Board of Governors to December 31, 1984, but only for the divestiture by a bank holding company of real estate or interests in real estate lawfully acquired for investment or development. In making its decision whether to grant such extension, the Board shall consider whether the company has made a good faith effort to divest such interests and whether such extension is necessary to avert substantial loss to the company.

(b) Statement purporting to represent shares of any company except a bank or bank holding company

After two years from May 9, 1956, no certificate evidencing shares of any bank holding company shall bear any statement purporting to represent shares of any other company except a bank or a bank holding company, nor shall the ownership, sale, or transfer of shares of any bank holding company be conditioned in any manner whatsoever upon the ownership, sale, or transfer of shares of any other company except a bank or a bank holding company.

(c) Exemptions

The prohibitions in this section shall not apply to (i) any company that was on January 4, 1977, both a bank holding company and a labor, agricultural, or horticultural organization exempt from taxation under section 501 of title 26, or to any labor, agricultural, or horticultural organization to which all or substantially all of the assets of such company are hereafter transferred, or (ii) a company covered in 1970 more than 85 per centum of the voting stock of which was collectively owned on June 30, 1968, and continuously thereafter, directly or indirectly, by or for members of the same family, or their spouses, who are lineal descendants of common ancestors; and such prohibitions shall not, with respect to any other bank holding company, apply to—

(1) shares of any company engaged or to be engaged solely in one or more of the following

- (2) shares of any company engaged or to be engaged solely in one or more of the following
activities: (A) holding or operating properties used wholly or substantially by any banking subsidiary of such bank holding company in the operations of such banking subsidiary or acquired for such future use; or (B) conducting a safe deposit business; or (C) furnishing services to or performing services for such bank holding company or its banking subsidiaries; or (D) liquidating assets acquired from such bank holding company or its banking subsidiaries or acquired from any other source prior to May 9, 1956, or the date on which such company became a bank holding company, whichever is later;

(2) shares acquired by a bank holding company or any of its subsidiaries in satisfaction of a debt previously contracted in good faith, but such shares shall be disposed of within a period of two years from the date on which they were acquired, except that the Board is authorized upon application by such bank holding company to extend such period of two years from time to time as to such holding company if, in its judgment, such an extension would not be detrimental to the public interest and, either the bank holding company if, in its judgment, such an extension would not be detrimental to the public interest and, either the bank holding company or any of its subsidiaries may engage by virtue of this section, but nothing in this paragraph authorizes any bank holding company, or subsidiary thereof, to acquire any interest in or the assets of any going concern (except pursuant to a binding written contract entered into before June 30, 1968, or pursuant to another provision of this chapter) other than one which was a subsidiary on June 30, 1968;

(12) shares retained or acquired, or activities engaged in, by any company which becomes, as a result of the enactment of the Bank Holding Company Act Amendments of 1970, a bank holding company on December 31, 1970, or by any subsidiary thereof, if such company—

(A) within the applicable time limits prescribed in subsection (a)(2) of this section (i) ceases to be a bank holding company, or (ii) ceases to retain direct or indirect ownership or control of those shares and to engage in those activities not authorized under this section; and

(B) complies with such other conditions as the Board may by regulation or order prescribe;

(13) shares of, or activities conducted by, any company which does no business in the United States except as an incident to its international or foreign business, if the Board by regulation or order determines that, under the circumstances and subject to the conditions set forth in the regulation or order, the exemption would not be substantially at variance with the purposes of this chapter and would be in the public interest; or

(14) shares of any company which is an export trading company whose acquisition (including each acquisition of shares) or formation by a bank holding company has not been disapproved by the Board pursuant to this paragraph, except that such investments, whether direct or indirect, in such shares shall not exceed 5 per centum of the bank holding company's consolidated capital and surplus.

proposed investment and within such period

has not issued a notice disapproving the pro-

posed investment or extending for up to an-

other thirty days the period during which such
disapproval may be issued.

(ii) The period for disapproval may be ex-
tended for such additional thirty-day period
only if the Board determines that a bank
holding company proposing to invest in an
export trading company has not furnished
all the information required to be submitted
or that in the Board's judgment any mate-
rial information submitted is substantially
 inaccurate.

(iii) The notice required to be filed by a
bank holding company shall contain such
relevant information as the Board shall re-
quire by regulation or by specific request in
connection with any particular notice.

(iv) The Board may disapprove any pro-
posed investment only if—

(I) such disapproval is necessary to pre-
vent unsafe or unsound banking practices, un-
due concentration of resources, de-
creased or unfair competition, or conflicts of
interest;

(II) the Board finds that such investment
would affect the financial or managerial
resources of a bank holding company to an
extent which is likely to have a materially
adverse effect on the safety and soundness of
any subsidiary bank of such bank hold-
ing company, or

(III) the bank holding company fails to
furnish the information required under
clause (iii).

(v) LEVERAGE.—The Board may not dis-
approve any proposed investment solely on
the basis of the anticipated or proposed
asset-to-equity ratio of the export trading
company with respect to which such invest-
ment is proposed, unless the anticipated or
proposed annual average asset-to-equity
ratio is greater than 20-to-1.

(vi) Within three days after a decision to
disapprove an investment, the Board shall
notify the bank holding company in writing
disapproval and shall provide a writ-
ten statement of the basis for the dis-
approval.

(vii) A proposed investment may be made
prior to the expiration of the disapproval pe-
riod if the Board issues written notice of its
intent not to disapprove the investment.

(B) The total amount of extensions of
credit by a bank holding company which in-
vests in an export trading company, when
combined with all such extensions of credit
by all the subsidiaries of such bank holding
company, to an export trading company
shall not exceed at any one time 10 per cen-
tum of the bank holding company's consoli-
dated capital and surplus. For purposes of
the preceding sentence, an extension of cred-
bit shall not be deemed to include any
amount invested by a bank holding company
in the shares of an export trading company.

(ii) No provision of any other Federal law
in effect on October 1, 1982, relating specifi-
cally to collateral requirements shall apply
with respect to any such extension of credit.

(iii) No bank holding company or subsi-
diary of such company which invests in an ex-
port trading company may extend credit to
such export trading company or to cus-
tomers of such export trading company on
terms more favorable than those afforded
similar borrowers in similar circumstances,
and such extension of credit shall not in-
volve more than the normal risk of repay-
ment or present other unfavorable features.

(C) For purposes of this paragraph, an ex-
port trading company—

(i) may engage in or hold shares of a
company engaged in the business of under-
writing, selling, or distributing securities
in the United States only to the extent
that any bank holding company which in-
vests in such export trading company may
do so under applicable Federal and State
banking laws and regulations; and

(ii) may not engage in agricultural pro-
duction activities or in manufacturing, ex-
cept for such incidental product modifica-
tion including repackaging, reassembling or
extracting by-products, as is necessary
to enable United States goods or services
to conform with requirements of a foreign
country and to facilitate their sale in for-
eign countries.

(D) A bank holding company which invests
in an export trading company may be re-
quired, by the Board, to terminate its in-
vestment or may be made subject to such
limitations or conditions as may be imposed
by the Board, if the Board determines that
the export trading company has taken posi-
tions in commodities or commodity con-
tracts, in securities, or in foreign exchange,
other than as may be necessary in the course
of the export trading company's business op-
erations.

(E) Notwithstanding any other provision of
law, an Edge Act corporation, organized
under section 25(a) of the Federal Reserve
Act (12 U.S.C. 611–631), which is a subsidiary
of a bank holding company, or an agreement
corporation, operating subject to section 25
of the Federal Reserve Act (12 U.S.C. 601 et
seq.), which is a subsidiary of a bank holding
company, may invest directly and indirectly
in the aggregate up to 5 per centum of its
consolidated capital and surplus (25 per cen-
tum in the case of a corporation not engaged
in banking) in the voting stock of other
evidences of ownership in one or more export
trading companies.

(F) For purposes of this paragraph—

(i) the term "export trading company"
means a company which does business
under the laws of the United States or any
State, which is exclusively engaged in ac-
tivities related to international trade, and
which is organized and operated prin-
cipally for purposes of exporting goods or
services produced in the United States or
for purposes of facilitating the exportation
of goods or services produced in the United

States by unaffiliated persons by providing one or more export trade services.³

(ii) the term “export trade services” includes, but is not limited to, consulting, international market research, advertising, marketing, insurance (other than acting as principal, agent or broker in the sale of insurance on risks resident or located, or activities performed, in the United States, except for insurance covering the transportation of cargo from any point of origin in the United States to a point of final destination outside the United States), product research and design, legal assistance, transportation, including trade documentation and freight forwarding, communication and processing of foreign orders to and for exporters and foreign purchasers, warehousing, foreign exchange, financing, and taking title to goods, when provided in order to facilitate the export of goods or services produced in the United States;

(iii) the term “bank holding company” shall include a bank which (I) is organized solely to do business with other banks and their officers, directors, or employees; (II) shall include a bank which (I) is organized which it does business; and (III) does not is owned primarily by the banks with such other bank, owning stock in a bank described in this clause that invests in an export trading company, shall extend credit to an export trading company in an amount exceeding at any one time 10 per centum of such other bank’s capital and surplus; and

(iv) the term “extension of credit” shall have the same meaning given such term in the fourth paragraph of section 371c of this title.

(G) Determination of status as export trading company.—

(i) Time period requirements.—For purposes of determining whether an export trading company is operated principally for the purposes described in subparagraph (F)(i)—

(I) the operations of such company during the 2-year period beginning on the date such company commences operations shall not be taken into account in making any such determination; and

(II) not less than 4 consecutive years of operations of such company not including any portion of the period referred to in subclause (I) shall be taken into account in making any such determination.

(ii) Export revenue requirements.—A company shall not be treated as operated principally for the purposes described in subparagraph (F)(i) unless—

(I) the revenues of such company from the export, or facilitating the export, of goods or services produced in the United States exceed the revenues of such company from the import, or facilitating the import, into the United States of goods or services produced outside the United States; and

(II) at least ½ of such company’s total revenues are revenues from the export, or facilitating the export, of goods or services produced in the United States by persons not affiliated with such company.

(H) Inventory.—

(i) No general limitation.—The Board may not prescribe by regulation any maximum dollar amount limitation on the value of goods which an export trading company may maintain in inventory at any time.

(ii) Specific limitation by order.—Notwithstanding clause (i), the Board may issue an order establishing a maximum dollar amount limitation on the value of goods which a particular export trading company may maintain in inventory at any time (after such company has been operating for a reasonable period of time) if the Board finds that, under the facts and circumstances, such limitation is necessary to prevent risks that would affect the financial or managerial resources of an investor bank holding company to an extent which would be likely to have a materially adverse effect on the safety and soundness of any subsidiary bank of such bank holding company.

The Board shall include in its annual report to the Congress a description and a statement of the reasons for approval of each activity approved by it by order or regulation under such paragraph during the period covered by the report.

(d) Exemption of company controlling one bank prior to July 1, 1968

To the extent that such action would not be substantially at variance with the purposes of this chapter and subject to such conditions as it considers necessary to protect the public interest, the Board, by order, after opportunity for hearing, may grant exemptions from the provisions of this section to any bank holding company which controlled one bank prior to July 1, 1968, and has not thereafter acquired the control of any other bank in order (1) to avoid disrupting business relationships that have existed over a long period of years without adversely affecting the banks or communities involved, or (2) to avoid forced sales of small locally owned banks to purchasers not similarly representative of community interests, or (3) to allow retention of banks that are so small in relation to the holding company’s total interests and so small in relation to the banking market to be served as to minimize the likelihood that the bank’s powers to grant or deny credit may be influenced by a desire to further the holding company’s other interests.

(e) Divestiture of nonexempt shares

With respect to shares which were not subject to the prohibitions of this section as originally enacted by reason of any exemption with respect thereto but which were made subject to such

prohibitions by the subsequent repeal of such exemption, no bank holding company shall retain direct or indirect ownership or control of such shares after five years from the date of the repeal of such exemption, except as provided in paragraph (2) of subsection (a) of this section. Any bank holding company subject to such five-year limitation on the retention of nonbanking assets shall endeavor to divest itself of such shares promptly and such bank holding company shall report its progress in such divestiture to the Board two years after repeal of the exemption applicable to it and annually thereafter.

(f) Certain companies not treated as bank holding companies

(1) In general

Except as provided in paragraph (9), any company which—

(A) on March 5, 1987, controlled an institution which became a bank as a result of the enactment of the Competitive Equality Amendments of 1987; and

(B) was not a bank holding company on the day before August 10, 1987, shall not be treated as a bank holding company for purposes of this chapter solely by virtue of such company’s control of such institution.

(2) Loss of exemption

Subject to paragraph (3), a company described in paragraph (1) shall no longer qualify for the exemption provided under that paragraph if—

(A) such company directly or indirectly—

(i) acquires control of an additional bank or an insured institution (other than an insured institution described in paragraph (10) or (12) of this subsection) after March 5, 1987; or

(ii) acquires control of more than 5 percent of the shares or assets of an additional bank or a savings association other than—

(I) shares held as a bona fide fiduciary (whether with or without the sole discretion to vote such shares);

(II) shares held by any person as a bona fide fiduciary solely for the benefit of employees of either the company described in paragraph (1) or any subsidiary of that company and the beneficiaries of those employees;

(III) shares held temporarily pursuant to an underwriting commitment in the normal course of an underwriting business;

(IV) shares held in an account solely for trading purposes;

(V) shares over which no control is held other than control of voting rights acquired in the normal course of a proxy solicitation;

(VI) loans or other accounts receivable acquired in the normal course of business;

(VII) shares or assets acquired in securing or collecting a debt previously contracted in good faith, during the 2-year period beginning on the date of such acquisition or for such additional time (not exceeding 3 years) as the Board may permit if the Board determines that such an extension will not be detrimental to the public interest;

(VIII) shares or assets of a savings association described in paragraph (10) or (12) of this subsection;

(IX) shares of a savings association held by any insurance company, as defined in section 2(a)(17) of the Investment Company Act of 1940 [15 U.S.C. 80a–2(a)(17)], except as provided in paragraph (11);

(X) shares issued in a qualified stock issuance under section 146a(q) of this title; and

(XI) assets that are derived from, or incidental to, activities in which institutions described in subparagraph (F) or (H) of section 1841(c)(2) of this title are permitted to engage; except that the aggregate amount of shares held under this clause (other than under subclauses (I), (II), (III), (IV), (V), and (VIII)) may not exceed 15 percent of all outstanding shares or of the voting power of a savings association;

(B) any bank subsidiary of such company—

(i) accepts demand deposits or deposits that the depositor may withdraw by check or similar means for payment to third parties; and

(ii) engages in the business of making commercial loans (except that, for purposes of this clause, loans made in the ordinary course of a credit card operation shall not be treated as commercial loans); or

(C) after August 10, 1987, any bank subsidiary of such company—

(i) accepts demand deposits or deposits that the depositor may withdraw by check or similar means for payment to third parties; and

(ii) engages in the business of making commercial loans (except that, for purposes of this clause, loans made in the ordinary course of a credit card operation shall not be treated as commercial loans); or

(3) Permissible overdrafts described

For purposes of paragraph (2)(C), an overdraft is described in this paragraph if—

(A) such overdraft results from an inadvertent computer or accounting error that is beyond the control of both the bank and the affiliate;

(B) such overdraft—

(i) is permitted or incurred on behalf of an affiliate that is monitored by, reports to, and is recognized as a primary dealer by the Federal Reserve Bank of New York; and

(ii) is fully secured, as required by the Board, by bonds, notes, or other obligations that are direct obligations of the United States or on which the principal and interest are fully guaranteed by the United States or by securities and obligations eligible for settlement on the Federal Reserve book entry system; or

(C) such overdraft—
(i) is permitted or incurred by, or on behalf of, an affiliate in connection with an activity that is financial in nature or incidental to a financial activity; and

(ii) does not cause the bank to violate any provision of section 371c or 371c-1 of this title, either directly, in the case of a bank that is a member of the Federal Reserve System, or by virtue of section 18(j) of the Federal Deposit Insurance Act [12 U.S.C. 1828(j)], in the case of a bank that is not a member of the Federal Reserve System.

(4) Divestiture in case of loss of exemption

If any company described in paragraph (1) fails to qualify for the exemption provided under paragraph (1) by operation of paragraph (2), such exemption shall cease to apply to such company and such company shall divest control of each bank it controls before the end of the 180-day period beginning on the date on which the company receives notice from the Board that the company has failed to continue to qualify for such exemption, unless, before the end of such 180-day period, the company has—

(A) either—

(i) corrected the condition or ceased the activity that caused the company to fail to continue to qualify for the exemption; or

(B) Exception

Subparagraph (A) shall not apply to an acquisition that involves an insured depository institution in default or in danger of default, or with respect to which the Federal Deposit Insurance Corporation provides assistance under section 13 of the Federal Deposit Insurance Act (12 U.S.C. 1823).

(j) Notice procedures for nonbanking activities

(1) General notice procedure

(A) Notice requirement

Except as provided in paragraph (3), no bank holding company may engage in any nonbanking activity or acquire or retain ownership or control of the shares of a company engaged in activities based on sub-
section (c)(8) or (a)(2) of this section or in any complementary activity under subsection (k)(1)(B) of this section without providing the Board with written notice of the proposed transaction or activity at least 60 days before the transaction or activity is proposed to occur or commence.

(B) Contents of notice

The notice submitted to the Board shall contain such information as the Board shall prescribe by regulation or by specific request in connection with a particular notice.

(C) Procedure for agency action

(i) Notice of disapproval

Any notice filed under this subsection shall be deemed to be approved by the Board unless, before the end of the 60-day period beginning on the date the Board receives a complete notice under subparagraph (A), the Board issues an order disapproving the transaction or activity and setting forth the reasons for disapproval.

(ii) Extension of period

The Board may extend the 60-day period referred to in clause (i) for an additional 30 days. The Board may further extend the period with the agreement of the bank holding company submitting the notice pursuant to this subsection.

In the event a hearing is requested or the Board determines that a hearing is warranted, the Board may extend the notice period provided in this subsection for such time as is reasonably necessary to conduct a hearing and to evaluate the hearing record. Such extension shall not exceed the 91-day period beginning on the date that the hearing record is complete.

(D) Approval before end of period

(i) In general

Any transaction or activity may commence before the expiration of any period for disapproval established under this paragraph if the Board issues a written notice of approval.

The Board may prescribe regulations which provide for a shorter notice period with respect to particular activities or transactions.

(E) Extension of period

In the case of any notice to engage in, or to acquire or retain ownership or control of shares of any company engaged in, any activity pursuant to subsection (c)(8) or (a)(2) of this section or in any complementary activity under subsection (k)(1)(B) of this section that has not been previously approved by regulation, the Board may extend the notice period under this subsection for an additional 90 days. The Board may further extend the period with the agreement of the bank holding company submitting the notice pursuant to this subsection.

(2) General standards for review

(A) Criteria

In connection with a notice under this subsection, the Board shall consider whether performance of the activity by a bank holding company or a subsidiary of such company can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices.

(B) Grounds for disapproval

The Board may deny any proposed transaction or activity for which notice has been submitted pursuant to this subsection if the bank holding company submitting such notice neglects, fails, or refuses to furnish the Board all the information required by the Board.

(C) Conditional action

Nothing in this subsection limits the authority of the Board to impose conditions in connection with an action under this section.

(3) No notice required for certain transactions

No notice under paragraph (1) of this subsection or under subsection (c)(8) or (a)(2)(B) of this section is required for a proposal by a bank holding company to engage in any activity, other than any complementary activity under subsection (k)(1)(B) of this section, or acquire the shares or assets of any company, other than an insured depository institution or a company engaged in any complementary activity under subsection (k)(1)(B) of this section, if the proposal qualifies under paragraph (4).

Except as provided in paragraph (6), no insured depository institution controlled by the acquiring bank holding company has received 1 of the 2 lowest composite ratings at the later of the institution’s most recent examination or subsequent review.

(C) Activities permissible

Following consummation of the proposal, the bank holding company engages directly or through a subsidiary solely in—

(5) Notification

(A) Commencement of activities approved by rule

A bank holding company that qualifies under paragraph (4) and that proposes to engage de novo, directly or through a subsidiary, in any activity that is permissible under subsection (c)(8) of this section, as determined by the Board by regulation, may commence that activity without prior notice to the Board and must provide written notification to the Board not later than 10 business days after commencing the activity.

(B) Activities permitted by order and acquisitions

(i) In general

At least 12 business days before commencing any activity pursuant to paragraph (3) (other than an activity described in subparagraph (A) of this paragraph) or acquiring shares or assets of any company pursuant to paragraph (3), the bank holding company shall provide written notice of the proposal to the Board, unless the Board determines that no notice or a shorter notice period is appropriate.

(6) Recently acquired institutions

Any insured depository institution which has been acquired by a bank holding company during the 12-month period preceding the date on which the company proposes to commence an activity or acquisition pursuant to paragraph (3) may be excluded for purposes of paragraph (4)(B)(ii) if—

(3) Foreign banks

For purposes of paragraph (1), the Board shall apply comparable capital and management standards to a foreign bank that operates a branch or agency or owns or controls a commercial lending company in the United States, giving due regard to the principle of national treatment and equality of competitive opportunity.

(m) Provisions applicable to financial holding companies that fail to meet certain requirements

(1) In general

If the Board finds that—

(A) a financial holding company is engaged, directly or indirectly, in any activity under subsection (k), (n), or (o) of this section, other than activities that are permissible for a bank holding company under subsection (c)(8) of this section; and
(B) such financial holding company is not in compliance with the requirements of subsection (l)(1) of this section;

the Board shall give notice to the financial holding company to that effect, describing the conditions giving rise to the notice.

(2) Agreement to correct conditions required

Not later than 45 days after the date of receipt by a financial holding company of a notice given under paragraph (1) (or such additional period as the Board may permit), the financial holding company shall execute an agreement with the Board to comply with the requirements applicable to a financial holding company under subsection (l)(1) of this section.

(3) Board may impose limitations

Until the conditions described in a notice to a financial holding company under paragraph (1) are corrected, the Board may impose such limitations on the conduct or activities of that financial holding company or any affiliate of that company as the Board determines to be appropriate under the circumstances and consistent with the purposes of this chapter.

(4) Failure to correct

If the conditions described in a notice to a financial holding company under paragraph (1) are not corrected within 180 days after the date of receipt by the financial holding company of a notice under paragraph (1), the Board may require such financial holding company, under such terms and conditions as may be imposed by the Board and subject to such extension of time as may be granted in the discretion of the Board, either—

(A) to divest control of any subsidiary depository institution; or
(B) at the election of the financial holding company instead to cease to engage in any activity conducted by such financial holding company or its subsidiaries (other than a depository institution or a subsidiary of a depository institution) that is not an activity that is permissible for a bank holding company under subsection (c)(8) of this section.

(5) Consultation

In taking any action under this subsection, the Board shall consult with all relevant Federal and State regulatory agencies and authorities.
(n) Authority to retain limited nonfinancial activities and affiliations

(1) In general

Notwithstanding subsection (a) of this section, a company that is not a bank holding company or a foreign bank (as defined in section 3101(7) of this title) and becomes a financial holding company after November 12, 1999, may continue to engage in any activity and retain direct or indirect ownership or control of shares of a company engaged in any activity if—

(A) the holding company lawfully was engaged in the activity or held the shares of such company on September 30, 1999;

(B) the holding company is predominantly engaged in financial activities as defined in paragraph (2); and

(C) the company engaged in such activity continues to engage only in the same activities that such company conducted on September 30, 1999, and other activities permissible under this chapter.

(2) Predominantly financial

For purposes of this subsection, a company is predominantly engaged in financial activities if the annual gross revenues derived by the holding company and all subsidiaries of the holding company (excluding revenues derived from subsidiary depository institutions), on a consolidated basis, from engaging in activities that are financial in nature or are incidental to a financial activity under subsection (k) of this section represent at least 85 percent of the consolidated annual gross revenues of the company.

(3) No expansion of grandfathered commercial activities through merger or consolidation

A financial holding company that engages in activities or holds shares pursuant to this subsection, or a subsidiary of such financial holding company, may not acquire, in any merger, consolidation, or other type of business combination, assets of any other company that is engaged in any activity that the Board has not determined to be financial in nature or incidental to a financial activity under subsection (k) of this section, except this paragraph shall not apply with respect to a company that owns a broadcasting station licensed under title III of the Communications Act of 1934 (47 U.S.C. 301 et seq.) and the shares of which are under common control with an insurance company since January 1, 1999, unless such company is acquired by, or otherwise becomes an affiliate of, a bank holding company that, at the time such acquisition or affiliation is consummated, is 1 of the 5 largest domestic bank holding companies (as determined on the basis of the consolidated total assets of such companies).

(4) Continuing revenue limitation on grandfathered commercial activities

Notwithstanding any other provision of this subsection, a financial holding company may continue to engage in activities or hold shares in companies pursuant to this subsection only to the extent that the aggregate annual gross revenues derived from all such activities and all such companies does not exceed 15 percent of the consolidated annual gross revenues of the financial holding company (excluding revenues derived from subsidiary depository institutions).

(5) Cross marketing restrictions applicable to commercial activities

(A) In general

A depository institution controlled by a financial holding company shall not—

(i) offer or market, directly or through any arrangement, any product or service of a company whose activities are conducted or whose shares are owned or controlled by the financial holding company pursuant to this subsection or subparagraph (H) or (I) of subsection (k)(4) of this section; or

(ii) permit any of its products or services to be offered or marketed, directly or through any arrangement, by or through any company described in clause (i).

(B) Rule of construction

Subparagraph (A) shall not be construed as prohibiting an arrangement between a depository institution and a company owned or controlled pursuant to subparagraph (H) or (I) of subsection (k)(4) of this section for the marketing of products or services through statement inserts or Internet websites if—

(i) such arrangement does not violate section 106 of the Bank Holding Company Act Amendments of 1970 [12 U.S.C. 171 et seq.]; and

(ii) the Board determines that the arrangement is in the public interest, does not undermine the separation of banking and commerce, and is consistent with the safety and soundness of depository institutions.

(6) Transactions with nonfinancial affiliates

A depository institution controlled by a financial holding company may not engage in a covered transaction (as defined in section 371c(b)(7) of this title) with any affiliate controlled pursuant to this subsection.

(7) Sunset of grandfather

A financial holding company engaged in any activity, or retaining direct or indirect ownership or control of shares of a company, pursuant to this subsection, shall terminate such activity and divest ownership or control of the shares of such company before the end of the 10-year period beginning on November 12, 1999. The Board may, upon application by a financial holding company, extend such 10-year period by a period not to exceed an additional 5 years if such extension would not be detrimental to the public interest.

(o) Regulation of certain financial holding companies

Notwithstanding subsection (a) of this section, a company that is not a bank holding company or a foreign bank (as defined in section 3101(7) of this title) and becomes a financial holding com-

(1) the holding company, or any subsidiary of the holding company, lawfully was engaged, directly or indirectly, in any of such activities as of September 30, 1997, in the United States;

(2) the attributed aggregate consolidated assets of the company held by the holding company pursuant to this subsection, and not otherwise permitted to be held by a financial holding company, are equal to or not more than 5 percent of the total consolidated assets of the bank holding company, except that the Board may increase that percentage by such amounts and under such circumstances as the Board considers appropriate, consistent with the purposes of this chapter; and

(3) the holding company does not permit—

(A) any company, the shares of which it owns or controls pursuant to this subsection, to offer or market any product or service of an affiliated depository institution or

(B) any affiliated depository institution to offer or market any product or service of any company, the shares of which are owned or controlled by such holding company pursuant to this subsection.
