(a) Definitions

When used in this subchapter, unless the con-
text otherwise requires—
(1) The term “security” means any note, stock, treasury stock, stock future, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, any put, call, straddle, option, or privilege on any security, certificate of deposit, or group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, or, in general, any interest or instrument commonly known as a “security”, or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(2) The term “person” means an individual, a corporation, a partnership, an association, a joint-stock company, a trust, any unincorporated organization, or a government or political subdivision thereof. As used in this paragraph the term “trust” shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(3) The term “sale” or “sell” shall include every contract of sale or disposition of a security or interest in a security, for value. The terms “offer to sell” or “offer for sale”, or “offer” shall include every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security, for value. The terms defined in this paragraph and the term “offer to buy” as used in subsection (c) of section 77e of this title shall not include preliminary negotiations or agreements between an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer) and any underwriter or among underwriters who are or are to be in privity of contract with an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer). Any security given or delivered with, or as a bonus on account of, any purchase of securities or any other thing, shall be conclusively presumed to constitute a part of the subject of such purchase and to have been offered and sold for value. The issue or transfer of a right or privilege, when originally issued or transferred with a security, giving the holder of such security the right to convert such security into another security of the same issuer or of another person, or giving a right to subscribe to another security of the same issuer or of another person, which right cannot be exercised until some future date, shall not be deemed to be an offer or sale of such other security; but the issue or transfer of such other security upon the exercise of such right of conversion or subscription shall be deemed a sale of such other security. Any offer or sale of a security futures product by or on behalf of the issuer of the securities underlying the security futures product, an affiliate of the issuer, or an underwriter, shall constitute a contract for sale of, sale of, offer for sale, or offer to sell the underlying securities.

(4) The term “issuer” means every person who issues or proposes to issue any security; except that with respect to certificates of deposit, voting-trust certificates, or collateral-trust certificates, or with respect to certificates of interest or shares in an unincorporated investment trust not having a board of directors (or persons performing similar functions) or of the fixed, restricted management, or unit type, the term “issuer” means the person or persons performing the acts and assuming the duties of depositor or manager pursuant to the provisions of the trust or other agreement or instrument under which such securities are issued; except that in the case of an unincorporated association which provides by its articles for limited liability of any or all of its members, or in the case of a trust, committee, or other legal entity, the trustees or members thereof shall not be individually liable as issuers of any security issued by the association, trust, committee, or other legal entity; except that with respect to equipment-trust certificates or like securities, the term “issuer” means the person by whom the equipment or property is or is to be used; and except that with respect to fractional undivided interests in oil, gas, or other mineral rights, the term “issuer” means the owner of any such right or of any interest in such right (whether whole or fractional) who creates fractional interests therein for the purpose of public offering.

(10) The term “prospectus” means any prospectus, notice, circular, advertisement, letter, or communication, written or by radio or television, which offers any security for sale or confirms the sale of any security; except that (a) a communication sent or given after the effective date of the registration statement (other than a prospectus permitted under subsection (b) of section 77j of this title) shall not be deemed a prospectus if it is proved that prior to or at the same time with such
communication a written prospectus meeting the requirements of subsection (a) of section 77) of this title at the time of such communication was sent or given to the person to whom the communication was made, and (b) a notice, circular, advertisement, letter, or communication in respect of a security shall not be deemed to be a prospectus if it states from whom a written prospectus meeting the requirements of section 77 of this title may be obtained and, in addition, does no more than identify the security, state the price thereof, state by whom orders will be executed, and contain such other information as the Commission, by rules or regulations deemed necessary or appropriate in the public interest and for the protection of investors, and subject to such terms and conditions as may be prescribed therein, may permit.

(11) The term “underwriter” means any person who has purchased from an issuer with a view to, or offers or sells for an issuer in connection with, the distribution of any security, or participates or has a direct or indirect participation in any such undertaking, or participates or has a participation in the direct or indirect underwriting of any such undertaking; but such term shall not include a person whose interest is limited to a commission from the usual and customary distributors’ or sellers’ commission. (b) Consideration of promotion of efficiency, competition, and capital formation

Whenever pursuant to this subchapter the Commission is engaged in rulemaking and is required to consider or determine whether an action is necessary or appropriate in the public interest, the Commission shall also consider, in addition to the protection of investors, whether the action will promote efficiency, competition, and capital formation.
