The text of 31:65a(words after 4th comma) is omitted as unnecessary because of 39:410.

SUBCHAPTER II—ACCOUNTING REQUIREMENTS, SYSTEMS, AND INFORMATION

§ 3511. Prescribing accounting requirements and developing accounting systems

(a) The Comptroller General shall prescribe the accounting principles, standards, and requirements that the head of each executive agency shall observe. Before prescribing the principles, standards, and requirements, the Comptroller General shall consult with the Secretary of the Treasury and the President on their accounting, financial reporting, and budgetary needs, and shall consider the needs of the heads of the other executive agencies.

(b) Requirements prescribed under subsection (a) of this section shall—

(1) provide for suitable integration between the accounting process of each executive agency and the accounting of the Department of the Treasury;

(2) allow the head of each agency to carry out section 3512 of this title; and

(3) provide a method of—

(A) integrated accounting for the United States Government;

(B) complete disclosure of the results of the financial operations of each agency and the Government; and

(C) financial information and control the President and Congress require to carry out their responsibilities.

(c) Consistent with subsections (a) and (b) of this section—

(1) the authority of the Comptroller General continues under section 121(b) of title 40; and

(2) the Comptroller General may prescribe the forms, systems, and procedures that the judicial branch of the Government (except the Supreme Court) shall observe.

(d) The Comptroller General, the Secretary, and the President shall conduct a continuous program for improving accounting and financial reporting in the Government.

(Pub. L. 97–258, Sept. 13, 1982, 96 Stat. 959; Pub. L. 107–217, §3(h)(5), Aug. 21, 2002, 116 Stat. 1299.)

In subsection (b)(3), the words “as a whole” and “respective” are omitted as surplus.

Subsection (c)(2) is substituted for 31:49 and the words “and, to the extent he deems necessary, the authority vested in him by section 49 of this title” in 31:66(a) for clarity and consistency. H. Rept. 2556, 81st Cong. (1950), states that the Comptroller General will be able to prescribe appropriation and fund accounting systems under 31:49 “in terms of principles, standards and related requirements rather than in terms of detailed forms and procedures”. The reference to the judicial branch covers authority that the Comptroller General was given under 31:49 that applies to departments and establishments except the Supreme Court that was not superseded by the source provisions restated in subsection (a) of this section.

AMENDMENTS

2002—Subsec. (c)(1). Pub. L. 107–217 substituted “section 121(b) of title 40” for “section 205(b) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(b))”.

Pub. L. 101–576, title III, §307, Nov. 15, 1990, 104 Stat. 2855, provided that: “No capital accounting standard or principle, including any human capital standard or principle, shall be adopted for use in an executive department or agency until such standard has been reported to the Congress and a period of 45 days of continuous session of the Congress has expired.”

(i) of Federal agencies under section 3515 of this title; and

(ii) of Government corporations;

(C) a summary of the most recently completed financial statement audits and reports—

(i) of Federal agencies under section 3521(e) and (f) of this title; and

(ii) of Government corporations;

(D) a summary of reports on internal accounting and administrative control systems submitted to the President and the Congress under the amendments made by the Federal Managers’ Financial Integrity Act of 1982 (Public Law 97–255);

section 3003 of Pub. L. 104-66, and section 1(a)(4) [div. A, §1402(1)] of Pub. L. 106-554, set out as notes under section 1113 of this title.

FEDERAL FINANCIAL MANAGEMENT IMPROVEMENT

Pub. L. 104-208, div. A, title I, §101(f) [title VIII], Sept. 30, 1996, 110 Stat. 3009-314, 3009-389, provided that:

“SEC. 801. SHORT TITLE[.]

“This title may be cited as the ‘Federal Financial Management Improvement Act of 1996.’

“SEC. 802. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds the following:

“(1) Much effort has been devoted to strengthening Federal internal accounting controls in the past. Although progress has been made in recent years, Federal accounting standards have not been uniformly implemented in financial management systems for agencies.

“(2) Federal financial management continues to be seriously deficient, and Federal financial management and fiscal practices have failed to—

“(A) identify costs fully;

“(B) reflect the total liabilities of congressional actions; and

“(C) accurately report the financial condition of the Federal Government.

“(3) Current Federal accounting practices do not accurately report financial results of the Federal Government or the full costs of programs and activities. The continued use of these practices undermines the Government’s ability to provide credible and reliable financial data and encourages already widespread Government waste, and will not assist in achieving a balanced budget.

“(4) Waste and inefficiency in the Federal Government undermine the confidence of the American people in the government and reduce the federal Government’s ability to address vital public needs adequately.

“(5) To rebuild the accountability and credibility of the Federal Government, and restore public confidence in the Federal Government, agencies must incorporate accounting standards and reporting objectives established for the Federal Government into their financial management systems so that all the assets and liabilities, revenues, and expenditures or expenses, and the full costs of programs and activities of the Federal Government can be consistently and accurately recorded, monitored, and uniformly reported throughout the Federal Government.

“(6) Since its establishment in October 1990, the Federal Accounting Standards Advisory Board (hereinafter referred to as the ‘FASAB’) has made substantial progress toward developing and recommending a comprehensive set of accounting concepts and standards for the Federal Government. When the accounting concepts and standards developed by FASAB are incorporated into Federal financial management systems, agencies will be able to provide cost and financial information that will assist the Congress and financial managers to evaluate the cost and performance of Federal programs and activities, and will therefore provide important information that has been lacking, but is needed for improved decision making by financial managers and the Congress.

“(7) The development of financial management systems with the capacity to support these standards and concepts will, over the long term, improve Federal financial management.

“(b) PURPOSE[.]—The purposes of this Act [title] are to—

“(1) provide for consistency of accounting by an agency from one fiscal year to the next, and uniform accounting standards throughout the Federal Government;

“(2) require Federal financial management systems to support full disclosure of Federal financial data, including the full costs of Federal programs and ac-

tivities, to the citizens, the Congress, the President, and agency management, so that programs and activities can be considered based on their full costs and merits;

“(3) increase the accountability and credibility of federal [sic] financial management;

“(4) improve performance, productivity and efficiency of Federal Government financial management;

“(5) establish financial management systems to support controlling the cost of Federal Government;

“(6) build upon and complement the Chief Financial Officers Act of 1990 (Public Law 101-576; 104 Stat 2838) [see Short Title of 1990 Amendment note set out under section 501 of this title], the Government Performance and Results Act of 1993 (Public Law 103-62; 107 Stat. 285) [see Short Title of 1993 Amendment note set out under section 1101 of this title] and the Government Management Reform Act of 1994 (Public Law 103-356; 108 Stat. 3410) [see Short Title of 1994 Amendment note set out under section 3301 of this title]; and

“(7) increase the capability of agencies to monitor execution of the budget by more readily permitting reports that compare spending of resources to results of activities.

“SEC. 803. IMPLEMENTATION OF FEDERAL FINANCIAL MANAGEMENT IMPROVEMENTS.

“(B) specifies the most feasible date for bringing the agency's financial management systems into compliance with the requirements of subsection (a); and

“(C) designates an official of the agency who shall be responsible for bringing the agency's financial management systems into compliance with the requirements of subsection (a) by the date specified under subparagraph (B).

“(a) FINDINGS.—Congress finds that—

“(1) existing law imposes numerous financial and performance management reporting requirements on agencies;

“(2) these separate requirements can cause duplication of effort on the part of agencies and result in uncoordinated reports containing information in a form that is not completely useful to Congress; and

“(3) pilot projects conducted by agencies under the direction of the Office of Management and Budget demonstrate that single consolidated reports providing an analysis of verifiable financial and performance management information produce more useful reports with greater efficiency.

“(b) PURPOSES.—The purposes of this Act [see Short Title of 2000 Amendment note set out under section 3501 of this title] are—

“(1) to authorize and encourage the consolidation of financial and performance management reports;

“(2) to provide financial and performance management information in a more meaningful and useful format for Congress, the President, and the public;

“(3) to improve the quality of agency financial and performance management information; and

“(4) to enhance coordination and efficiency on the part of agencies in reporting financial and performance management information.”

The head of each agency shall prescribe regulations for conducting the audit and designate a place at which the audit is to be conducted. However, a disbursing official of an executive agency may not administratively audit vouchers for which the official is responsible. With the consent of the Comptroller General, the head of the agency may waive any part of an audit.

(b) The head of an agency may prescribe a statistical sampling procedure to audit vouchers of the agency when the head of the agency decides economies will result from using the procedure. The Comptroller General—

(1) may prescribe the maximum amount of a voucher that may be audited under this subsection; and

(2) in reviewing the accounting system of the agency, shall evaluate the adequacy and effectiveness of the procedure.

(c) A disbursing or certifying official acting in good faith under subsection (b) of this section is not liable for a payment or certification of a voucher not audited specifically because of the procedure prescribed under subsection (b) if the official and the head of the agency carry out diligently collection action the Comptroller General prescribes.

(d) Subsections (b) and (c) of this section do not—

(1) affect the liability, or authorize the relief, of a payee, beneficiary, or recipient of an illegal, improper, or incorrect payment; or

(2) relieve a disbursing or certifying official, the head of an agency, or the Comptroller General of responsibility in carrying out collection action against a payee, beneficiary, or recipient.

(e) Each financial statement prepared under section 3515 by an agency shall be audited in accordance with applicable generally accepted government auditing standards—

(1) in the case of an agency having an Inspector General appointed under the Inspector General Act of 1978 (5 U.S.C. App.), by the Inspector General or by an independent external auditor, as determined by the Inspector General of the agency; and

(2) in any other case, by an independent external auditor, as determined by the head of the agency.

(f) For each audited financial statement required under subsection (a) of section 3515 of this title, the person who audits the statement for purpose of subsection (e) of this section shall submit a report on the audit to the head of the agency and the Comptroller of the Office of Federal Financial Management. A report under this subsection shall be prepared in accordance with generally accepted government auditing standards.

(g) The Comptroller General of the United States—

(1) may review any audit of a financial statement conducted under this subsection by an Inspector General or an external auditor;

(2) shall report to the Congress, the Director of the Office of Management and Budget, and the head of the agency which prepared the statement, regarding the results of the review and make any recommendation the Comptroller General considers appropriate; and

(3) may audit a financial statement prepared under section 3515 of this title at the discretion of the Comptroller General or at the request of a committee of the Congress.

An audit the Comptroller General performs under this subsection shall be in lieu of the audit otherwise required by subsection (e) of this section. Prior to performing such audit, the Comptroller General shall consult with the Inspector General of the agency which prepared the statement.

(h) Each financial statement prepared by an executive agency for a fiscal year after fiscal year 1991 shall be audited in accordance with this section and the plan required by section 3512(a)(3)(B)(viii) of this title.

(i)(1) If the Government Accountability Office audits any financial statement or related schedule which is prepared under section 3515 by an executive agency (or component thereof) for a fiscal year beginning on or after October 1, 2009, such executive agency (or component) shall reimburse the Government Accountability Office for the cost of such audit, if the Government Accountability Office audited the statement or schedule of such executive agency (or component) for fiscal year 2007.

(2) Any executive agency (or component thereof) that prepares a financial statement under section 3515 for a fiscal year beginning on or after October 1, 2009, and that requests, with the concurrence of the Inspector General of such agency, the Government Accountability Office to conduct the audit of such statement or any related schedule required by section 3521 may reimburse the Government Accountability Office for the cost of such audit.

(3) For the audits conducted under paragraphs (1) and (2), the Government Accountability Office shall consult prior to the initiation of the audit with the relevant executive agency (or component) and the Inspector General of such agency on the scope, terms, and cost of such audit.

(4) Any reimbursement under paragraph (1) or (2) shall be deposited to a special account in the

§ 3553. Review of protests; effect on contracts pending decision

(a) Under procedures prescribed under section 3555 of this title, the Comptroller General shall decide a protest submitted to the Comptroller General by an interested party.

(b)(1) Within one day after the receipt of a protest, the Comptroller General shall notify the Federal agency involved of the protest.

(2) Except as provided in paragraph (3) of this subsection, a Federal agency receiving a notice of a protested procurement under paragraph (1) of this subsection shall submit to the Comptroller General a complete report (including all relevant documents) on the protested procurement—

(A) within 30 days after the date of the agency's receipt of that notice;

(B) if the Comptroller General, upon a showing by the Federal agency, determines (and states the reasons in writing) that the specific circumstances of the protest require a longer period, within the longer period determined by the Comptroller General; or

(C) in a case determined by the Comptroller General to be suitable for the express option under section 3554(a)(2) of this title, within 20 days after the date of the Federal agency's receipt of that determination.

(3) A Federal agency need not submit a report to the Comptroller General pursuant to paragraph (2) of this subsection if the agency is sooner notified by the Comptroller General that the protest concerned has been dismissed under section 3554(a)(4) of this title.

(c)(1) Except as provided in paragraph (2) of this subsection, a contract may not be awarded in any procurement after the Federal agency has received notice of a protest with respect to such procurement from the Comptroller General and while the protest is pending.

(2) The head of the procuring activity responsible for award of a contract may authorize the award of the contract (notwithstanding a protest of which the Federal agency has notice under this section)—

(B) after the Comptroller General is advised of that finding.

(3) A finding may not be made under paragraph (2)(A) of this subsection unless the award of the contract is otherwise likely to occur within 30 days after the making of such finding.

(d)(1) A contractor awarded a Federal agency contract may, during the period described in paragraph (4), begin performance of the contract and engage in any related activities that result in obligations being incurred by the United States under the contract unless the contracting officer responsible for the award of the contract withholds authorization to proceed with performance of the contract.

(2) The contracting officer may withhold an authorization to proceed with performance of the contract during the period described in paragraph (4) if the contracting officer determines in writing that—

(A) a protest is likely to be filed; and

(B) the immediate performance of the contract is not in the best interests of the United States.

(3)(A) If the Federal agency awarding the contract receives notice of a protest in accordance with this section during the period described in paragraph (4)—

(i) the contracting officer may not authorize performance of the contract to begin while the protest is pending; or

(I) performance of the contract is in the best interests of the United States; or

(II) urgent and compelling circumstances that significantly affect interests of the United States will not permit waiting for the decision of the Comptroller General concerning the protest; and

(ii) after the Comptroller General is notified of that finding.

(4) The period referred to in paragraphs (2) and (3)(A), with respect to a contract, is the period beginning on the date of the contract award and ending on the later of—

(B) the date that is 5 days after the debriefing date offered to an unsuccessful offeror for any debriefing that is requested and, when requested, is required.

(e) The authority of the head of the procuring activity to make findings and to authorize the award and performance of contracts under subsections (c) and (d) of this section may not be delegated.

(f)(1) Within such deadlines as the Comptroller General prescribes, upon request each Federal

agency shall provide to an interested party any document relevant to a protested procurement action (including the report required by subsection (b)(2) of this section) that would not give that party a competitive advantage and that the party is otherwise authorized by law to receive.

(2)(A) The Comptroller General may issue protective orders which establish terms, conditions, and restrictions for the provision of any document to a party under paragraph (1), that prohibit or restrict the disclosure by the party of information described in subparagraph (B) that is contained in such a document.

(B) Information referred to in subparagraph (A) is procurement sensitive information, trade secrets, or other proprietary or confidential research, development, or commercial information.

(C) A protective order under this paragraph shall not be considered to authorize the withholding of any document or information from Congress or an executive agency.

(g) If an interested party files a protest in connection with a public-private competition described in section 3551(2)(B) of this title, a person representing a majority of the employees of the Federal agency who are engaged in the performance of the activity or function subject to the public-private competition may intervene in protest.

Amendment by Pub. L. 108-375 not to be construed to authorize the use of a protest under this subchapter with regard to a decision made by an agency tender official, see section 326(e) of Pub. L. 108-375, set out as a note under section 3551 of this title.

§ 3554. Decisions on protests

(a)(1) To the maximum extent practicable, the Comptroller General shall provide for the inexpensive and expeditious resolution of protests under this subchapter. Except as provided under paragraph (2) of this subsection, the Comptroller General shall issue a final decision concerning a protest within 100 days after the date the protest is submitted to the Comptroller General.

(2) The Comptroller General shall, by regulation prescribed pursuant to section 3555 of this title, establish an express option for deciding those protests which the Comptroller General determines suitable for resolution within 65 days after the date the protest is submitted.

(3) An amendment to a protest that adds a new ground of protest, if timely made, should be resolved, to the maximum extent practicable, within the time limit established under paragraph (1) of this subsection for final decision of the initial protest. If an amended protest cannot be resolved within such time limit, the Comptroller General may resolve the amended protest through the express option under paragraph (2) of this subsection.

(4) The Comptroller General may dismiss a protest that the Comptroller General determines is frivolous or which, on its face, does not state a valid basis for protest.

(b)(1) With respect to a solicitation for a contract, or a proposed award or the award of a con-

tract, protested under this subchapter, the Comptroller General may determine whether the solicitation, proposed award, or award complies with statute and regulation. If the Comptroller General determines that the solicitation, proposed award, or award does not comply with a statute or regulation, the Comptroller General shall recommend that the Federal agency—

- (A) refrain from exercising any of its options under the contract;
- (B) recompute the contract immediately;
- (C) cancel the solicitation issued pursuant to the public-private competition conducted under Office of Management and Budget Circular A-76 or any successor circular;
- (D) issue a new solicitation;
- (E) terminate the contract;
- (F) award a contract consistent with the requirements of such statute and regulation;
- (G) implement any combination of recommendations under clauses (A), (B), (C), (D), (E), and (F); or
- (H) implement such other recommendations as the Comptroller General determines to be necessary in order to promote compliance with procurement statutes and regulations.

(2) If the head of the procuring activity responsible for a contract makes a finding under section 3553(d)(3)(C)(i)(I) of this title, the Comptroller General shall make recommendations under this subsection without regard to any cost or disruption from terminating, recompeting, or reawarding the contract.

(3) If the Federal agency fails to implement fully the recommendations of the Comptroller General under this subsection with respect to a solicitation for a contract or an award or proposed award of a contract within 60 days after receiving the recommendations, the head of the procuring activity responsible for that contract shall report such failure to the Comptroller General not later than 5 days after the end of such 60-day period.

(c)(1) If the Comptroller General determines that a solicitation for a contract or a proposed award or the award of a contract does not comply with a statute or regulation, the Comptroller General may recommend that the Federal agency conducting the procurement pay to an appropriate interested party the costs of—

- (A) filing and pursuing the protest, including reasonable attorneys' fees and consultant and expert witness fees; and
- (B) bid and proposal preparation.

(2) No party (other than a small business concern (within the meaning of section 3(a) of the Small Business Act)) may be paid, pursuant to a recommendation made under the authority of paragraph (1)—

(A) costs for consultant and expert witness fees that exceed the highest rate of compensation for expert witnesses paid by the Federal Government; or

(B) costs for attorneys' fees that exceed \$150 per hour unless the agency determines, based on the recommendation of the Comptroller General on a case by case basis, that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.

(3) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency shall—

(A) pay the costs promptly; or

(B) if the Federal agency does not make such payment, promptly report to the Comptroller General the reasons for the failure to follow the Comptroller General's recommendation.

(4) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency and the interested party shall attempt to reach an agreement on the amount of the costs to be paid. If the Federal agency and the interested party are unable to agree on the amount to be paid, the Comptroller General may, upon the request of the interested party, recommend to the Federal agency the amount of the costs that the Federal agency should pay.

(d) Each decision of the Comptroller General under this subchapter shall be signed by the Comptroller General or a designee for that purpose. A copy of the decision shall be made available to the interested parties, the head of the procuring activity responsible for the solicitation, proposed award, or award of the contract, and the senior procurement executive of the Federal agency involved.

(e)(1) The Comptroller General shall report promptly to the Committee on Governmental Affairs and the Committee on Appropriations of the Senate and to the Committee on Government Reform and Oversight and the Committee on Appropriations of the House of Representatives any case in which a Federal agency fails to implement fully a recommendation of the Comptroller General under subsection (b) or (c). The report shall include—

(A) a comprehensive review of the pertinent procurement, including the circumstances of the failure of the Federal agency to implement a recommendation of the Comptroller General; and

(B) a recommendation regarding whether, in order to correct an inequity or to preserve the integrity of the procurement process, the Congress should consider—

- (i) private relief legislation;
- (ii) legislative rescission or cancellation of funds;
- (iii) further investigation by Congress; or
- (iv) other action.

(2) Not later than January 31 of each year, the Comptroller General shall transmit to the Congress a report containing a summary of each instance in which a Federal agency did not fully implement a recommendation of the Comptroller General under subsection (b) or (c) during the preceding year. The report shall also describe each instance in which a final decision in a protest was not rendered within 100 days after the date the protest is submitted to the Comptroller General.
