(a) Eligibility for minimum grant

To be eligible to receive a minimum grant under this section, a State shall submit an application to the Attorney General that provides assurances that the State has implemented, or will implement, correctional policies and programs, including truth-in-sentencing laws that ensure that violent offenders serve a substantial portion of the sentences imposed, that are designed to provide sufficiently severe punishment for violent offenders, including violent juvenile offenders, and that the prison time served is appropriately related to the determination that

the inmate is a violent offender and for a period of time deemed necessary to protect the public.

(b) Additional amount for increased percentage of persons sentenced and time served

A State that received a grant under subsection (a) of this section is eligible to receive additional grant amounts if such State demonstrates that the State has, since 1993—

§ 13726. Findings

Congress finds the following:

(1) Increasingly, States are turning to private prisoner transport companies as an alternative to their own personnel or the United States Marshals Service when transporting violent prisoners.

(2) The transport process can last for days if not weeks, as violent prisoners are dropped off and picked up at a network of hubs across the country.

(3) Escapes by violent prisoners during transport by private prisoner transport companies have occurred.

(4) Oversight by the Attorney General is required to address these problems.

(5) While most governmental entities may prefer to use, and will continue to use, fully trained and sworn law enforcement officers when transporting violent prisoners, fiscal or logistical concerns may make the use of highly specialized private prisoner transport companies an option. Nothing in sections 13726 to 13726c of this title should be construed to mean that governmental entities should contract with private prisoner transport companies to move violent prisoners; however when a government entity opts to use a private prisoner transport company to move violent prisoners, then the company should be subject to regulation in order to enhance public safety.

(7) Minimum requirements for the restraints that must be used when transporting violent prisoners, to include leg shackles and double-locked handcuffs, when appropriate.

(8) A requirement that when transporting violent prisoners, private prisoner transport companies notify local law enforcement officials 24 hours in advance of any scheduled stops in their jurisdiction.

(9) A requirement that in the event of an escape by a violent prisoner, private prisoner transport company officials shall immediately notify appropriate law enforcement officials in the jurisdiction where the escape occurs, and the governmental entity that contracted with the private prisoner transport company for the transport of the escaped violent prisoner.

NATIONAL POLICE ATHLETIC/ACTIVITIES LEAGUE YOUTH ENRICHMENT

Pub. L. 106-367, Oct. 27, 2000, 114 Stat. 1412, as amended by Pub. L. 109-248, title VI, §§612-617, July 27, 2006, 120 Stat. 632, 633, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘National Police Athletic/Activities League Youth Enrichment Act of 2000’.

“SEC. 2. FINDINGS.

“Congress makes the following findings:

“(1) The goals of the Police Athletic/Activities League are to—

“(A) increase the academic success of youth participants in PAL programs;

“(B) promote a safe, healthy environment for youth under the supervision of law enforcement personnel where mutual trust and respect can be built;

“(C) develop life enhancing character and leadership skills in young people;

“(D) increase school attendance by providing alternatives to suspensions and expulsions;

“(E) reduce the juvenile crime rate in participating designated communities and the number of police calls involving juveniles during nonschool hours;

“(F) provide youths with alternatives to drugs, alcohol, tobacco, and gang activity;

“(G) create positive communications and interaction between youth and law enforcement personnel; and

“(H) prepare youth for the workplace.

“(2) The Police Athletic/Activities League, during its 90-year history as a national organization, has proven to be a positive force in the communities it serves.

“(3) The Police Athletic/Activities League is a network of 1,700 facilities serving over 3,000 commu-

nities. There are 350 PAL chapters throughout the United States, the Virgin Islands, and the Commonwealth of Puerto Rico, serving 2,000,000 youth, ages 5 to 18, nationwide.

“(4) Based on PAL chapter demographics, approximately 85 percent of the youths who benefit from PAL programs live in inner cities and urban areas.

“(5) PAL chapters are locally operated, volunteer-driven organizations. Although most PAL chapters are sponsored by a law enforcement agency, PAL chapters rarely receive direct funding from law enforcement agencies and are dependent in large part on support from the private sector, such as individuals, business leaders, corporations, and foundations. PAL chapters have been exceptionally successful in balancing public funds with private sector donations and maximizing community involvement.

“(6) Today’s youth face far greater risks than did their parents and grandparents. Law enforcement statistics demonstrate that youth between the ages of 12 and 18 are at risk of committing violent acts and being victims of violent acts between the hours of 3 p.m. and 8 p.m.

“(7) Greater numbers of students are dropping out of school and failing in school, even though the consequences of academic failure are more dire in 2005 than ever before.

“(8) Many distressed areas in the United States are still underserved by PAL chapters.

“SEC. 3. PURPOSE.

“The purpose of this Act is to provide adequate resources in the form of—

“(1) assistance for the 342 established PAL chapters to increase of services to the communities they are serving;

“(2) seed money for the establishment of 250 (50 per year over a 5-year period) additional local PAL chapters in public housing projects and other distressed areas, including distressed areas with a majority population of Native Americans, by not later than fiscal year 2010; and

“(3) support of an annual gathering of PAL chapters and designated youth leaders from such chapters to participate in a 3-day conference that addresses national and local issues impacting the youth of America and includes educational sessions to advance character and leadership skills.

“(2) DISTRESSED AREA.—The term ‘distressed area’ means an urban, suburban, or rural area with a high percentage of high-risk youth, as defined in section 509A of the Public Health Service Act (42 U.S.C. 290aa-8(f)) [now 42 U.S.C. 290bb-23(g)].

(1) which read as follows: "No matching funds shall be required for a grant or subgrant made under this subchapter for any tribe, territory, victim service provider, or any entity that the Attorney General determines has adequately demonstrated financial need."

Subsec. (b)(11). Pub. L. 109-271, §2(e), inserted "Of the total amounts appropriated under this subchapter, not less than 3 percent and up to 8 percent, unless otherwise noted, shall be available for providing training and technical assistance relating to the purposes of this subchapter to improve the capacity of the grantees, subgrantees, and other entities." before "If there is a demonstrated history".

FINDINGS

Pub. L. 109-162, title II, §201, Jan. 5, 2006, 119 Stat. 2993, provided that: "Congress finds the following:

"(1) Nearly 1/3 of American women report physical or sexual abuse by a husband or boyfriend at some point in their lives.

"(2) According to the National Crime Victimization Survey, 248,000 Americans 12 years of age and older were raped or sexually assaulted in 2002.

"(3) Rape and sexual assault in the United States is estimated to cost \$127,000,000,000 per year, including—

"(A) lost productivity;

"(B) medical and mental health care;

"(C) police and fire services;

"(D) social services;

"(E) loss of and damage to property; and

"(F) reduced quality of life.

"(4) Nonreporting of sexual assault in rural areas is a particular problem because of the high rate of non-stranger sexual assault.

"(5) Geographic isolation often compounds the problems facing sexual assault victims. The lack of anonymity and accessible support services can limit opportunities for justice for victims.

"(6) Domestic elder abuse is primarily family abuse. The National Elder Abuse Incidence Study found that the perpetrator was a family member in 90 percent of cases.

"(7) Barriers for older victims leaving abusive relationships include—

"(A) the inability to support themselves;

"(B) poor health that increases their dependence on the abuser;

"(C) fear of being placed in a nursing home; and

"(D) ineffective responses by domestic abuse programs and law enforcement.

"(8) Disabled women comprise another vulnerable population with unmet needs. Women with disabilities are more likely to be the victims of abuse and violence than women without disabilities because of their increased physical, economic, social, or psychological dependence on others.

"(9) Many women with disabilities also fail to report the abuse, since they are dependent on their abusers and fear being abandoned or institutionalized.

"(10) Of the 598 battered women's programs surveyed—

"(A) only 35 percent of these programs offered disability awareness training for their staff; and

"(B) only 16 percent dedicated a staff member to provide services to women with disabilities.

"(11) Problems of domestic violence are exacerbated for immigrants when spouses control the immigration status of their family members, and abusers use threats of refusal to file immigration papers and threats to deport spouses and children as powerful tools to prevent battered immigrant women from seeking help, trapping battered immigrant women in violent homes because of fear of deportation.

"(12) Battered immigrant women who attempt to flee abusive relationships may not have access to bi-

lingual shelters or bilingual professionals, and face restrictions on public or financial assistance. They may also lack assistance of a certified interpreter in court, when reporting complaints to the police or a 9-1-1 operator, or even in acquiring information about their rights and the legal system.

"(13) More than 500 men and women call the National Domestic Violence Hotline every day to get immediate, informed, and confidential assistance to help deal with family violence.

"(14) The National Domestic Violence Hotline service is available, toll-free, 24 hours a day and 7 days a week, with bilingual staff, access to translators in 150 languages, and a TTY line for the hearing-impaired.

"(15) With access to over 5,000 shelters and service providers across the United States, Puerto Rico, and the United States Virgin Islands, the National Domestic Violence Hotline provides crisis intervention and immediately connects callers with sources of help in their local community.

"(16) Approximately 60 percent of the callers indicate that calling the Hotline is their first attempt to address a domestic violence situation and that they have not called the police or any other support services.

"(17) Between 2000 and 2003, there was a 27 percent increase in call volume at the National Domestic Violence Hotline.

"(18) Improving technology infrastructure at the National Domestic Violence Hotline and training advocates, volunteers, and other staff on upgraded technology will drastically increase the Hotline's ability to answer more calls quickly and effectively."

Pub. L. 109-162, title III, §301, Jan. 5, 2006, 119 Stat. 3003, provided that: "Congress finds the following:

"(1) Youth, under the age of 18, account for 67 percent of all sexual assault victimizations reported to law enforcement officials.

"(2) The Department of Justice consistently finds that young women between the ages of 16 and 24 experience the highest rate of non-fatal intimate partner violence.

"(3) In 1 year, over 4,000 incidents of rape or sexual assault occurred in public schools across the country.

"(4) Young people experience particular obstacles to seeking help. They often do not have access to money, transportation, or shelter services. They must overcome issues such as distrust of adults, lack of knowledge about available resources, or pressure from peers and parents.

"(5) A needs assessment on teen relationship abuse for the State of California, funded by the California Department of Health Services, identified a desire for confidentiality and confusion about the law as 2 of the most significant barriers to young victims of domestic and dating violence seeking help.

"(6) Only one State specifically allows for minors to petition the court for protection orders.

"(7) Many youth are involved in dating relationships, and these relationships can include the same kind of domestic violence and dating violence seen in the adult population. In fact, more than 40 percent of all incidents of domestic violence involve people who are not married.

"(8) 40 percent of girls ages 14 to 17 report knowing someone their age who has been hit or beaten by a boyfriend, and 13 percent of college women report being stalked.

"(9) Of college women who said they had been the victims of rape or attempted rape, 12.8 percent of completed rapes, 35 percent of attempted rapes, and 22.9 percent of threatened rapes took place on a date. Almost 60 percent of the completed rapes that occurred on campus took place in the victim's residence.

"(10) According to a 3-year study of student-athletes at 10 Division I universities, male athletes made up only 3.3 percent of the general male university population, but they accounted for 19 percent of the students reported for sexual assault and 35 percent of domestic violence perpetrators."

(a) Study and development of model legislation

The Attorney General shall—

(1) study and evaluate the manner in which the States have taken measures to protect the confidentiality of communications between sexual assault or domestic violence victims and their therapists or trained counselors;

(2) develop model legislation that will provide the maximum protection possible for the confidentiality of such communications, within any applicable constitutional limits, taking into account the following factors:

(A) the danger that counseling programs for victims of sexual assault and domestic violence will be unable to achieve their goal of helping victims recover from the trauma associated with these crimes if there is no assurance that the records of the counseling sessions will be kept confidential;

(B) consideration of the appropriateness of an absolute privilege for communications between victims of sexual assault or domestic violence and their therapists or trained counselors, in light of the likelihood that such an absolute privilege will provide the maximum guarantee of confidentiality but also in light of the possibility that such an absolute privilege may be held to violate the rights of criminal defendants under the Federal or State constitutions by denying them the opportunity to obtain exculpatory evidence and present it at trial; and

(C) consideration of what limitations on the disclosure of confidential communications between victims of these crimes and their counselors, short of an absolute privilege, are most likely to ensure that the counseling programs will not be undermined, and specifically whether no such disclosure should be allowed unless, at a minimum, there has been a particularized showing by a criminal defendant of a compelling need for records of such communications, and adequate procedural safeguards are in place to prevent unnecessary or damaging disclosures; and

(3) prepare and disseminate to State authorities the findings made and model legislation developed as a result of the study and evaluation.

(b) Report and recommendations

Not later than the date that is 1 year after September 13, 1994, the Attorney General shall report to the Congress—

(2) recommendations based on the findings on the need for and appropriateness of further action by the Federal Government.

(c) Review of Federal evidentiary rules

The Judicial Conference of the United States shall evaluate and report to Congress its views on whether the Federal Rules of Evidence should be amended, and if so, how they should be amended, to guarantee that the confidentiality

of communications between sexual assault victims and their therapists or trained counselors will be adequately protected in Federal court proceedings.

§ 14043d. Findings

Congress finds that—

(1) the former United States Advisory Board on Child Abuse suggests that domestic violence may be the single major precursor to child abuse and neglect fatalities in this country;

(2) studies suggest that as many as 10,000,000 children witness domestic violence every year;

(3) studies suggest that among children and teenagers, recent exposure to violence in the home was a significant factor in predicting a child’s violent behavior;

(4) a study by the Nurse-Family Partnership found that children whose parents did not participate in home visitation programs that provided coaching in parenting skills, advice and support, were almost 5 times more likely to be abused in their first 2 years of life;

(5) a child’s exposure to domestic violence seems to pose the greatest independent risk

for being the victim of any act of partner violence as an adult;

(6) children exposed to domestic violence are more likely to believe that using violence is an effective means of getting one’s needs met and managing conflict in close relationships;

(7) children exposed to abusive parenting, harsh or erratic discipline, or domestic violence are at increased risk for juvenile crime; and

(8) in a national survey of more than 6,000 American families, 50 percent of men who frequently assaulted their wives also frequently abused their children.

(Pub. L. 103-322, title IV, § 41301, as added Pub. L. 109-162, title IV, § 401, Jan. 5, 2006, 119 Stat. 3017.)

(1) prevent crimes involving violence against women, children, and youth;

(2) increase the resources and services available to prevent violence against women, children, and youth;

(3) reduce the impact of exposure to violence in the lives of children and youth so that the intergenerational cycle of violence is interrupted;

(5) promote programs to ensure that children and youth receive the assistance they need to end the cycle of violence and develop mutually respectful, nonviolent relationships; and

(6) encourage collaboration among community-based organizations and governmental agencies serving children and youth, providers of health and mental health services and providers of domestic violence, dating violence, sexual assault, and stalking victim services to prevent violence against women and children.

PART M—ADDRESSING THE HOUSING NEEDS OF VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

CODIFICATION

This part was, in the original, subtitle N of title IV of Pub. L. 103-322, as added by Pub. L. 109-162, and has been redesignated as part M of this subchapter for purposes of codification.

§ 14043e. Findings

Congress finds that:

(1) There is a strong link between domestic violence and homelessness. Among cities surveyed, 44 percent identified domestic violence as a primary cause of homelessness.

(2) Ninety-two percent of homeless women have experienced severe physical or sexual abuse at some point in their lives. Of all homeless women and children, 60 percent had been abused by age 12, and 63 percent have been victims of intimate partner violence as adults.

(3) Women and families across the country are being discriminated against, denied access to, and even evicted from public and subsidized housing because of their status as victims of domestic violence.

(4) A recent survey of legal service providers around the country found that these providers have responded to almost 150 documented eviction cases in the last year alone where the tenant was evicted because of the domestic vio-

lence crimes committed against her. In addition, nearly 100 clients were denied housing because of their status as victims of domestic violence.

(5) Women who leave their abusers frequently lack adequate emergency shelter options. The lack of adequate emergency options for victims presents a serious threat to their safety and the safety of their children. Requests for emergency shelter by homeless women with children increased by 78 percent of United States cities surveyed in 2004. In the same year, 32 percent of the requests for shelter by homeless families went unmet due to the lack of available emergency shelter beds.

(6) The average stay at an emergency shelter is 60 days, while the average length of time it takes a homeless family to secure housing is 6 to 10 months.

(7) Victims of domestic violence often return to abusive partners because they cannot find long-term housing.

(8) There are not enough Federal housing rent vouchers available to accommodate the number of people in need of long-term housing. Some people remain on the waiting list for Federal housing rent vouchers for years, while some lists are closed.

(9) Transitional housing resources and services provide an essential continuum between emergency shelter provision and independent living. A majority of women in transitional housing programs stated that had these programs not existed, they would have likely gone back to abusive partners.

(10) Because abusers frequently manipulate finances in an effort to control their partners, victims often lack steady income, credit history, landlord references, and a current address, all of which are necessary to obtain long-term permanent housing.

(11) Victims of domestic violence in rural areas face additional barriers, challenges, and unique circumstances, such as geographical isolation, poverty, lack of public transportation systems, shortages of health care providers, under-insurance or lack of health insurance, difficulty ensuring confidentiality in small communities, and decreased access to many resources (such as advanced education, job opportunities, and adequate childcare).

(12) Congress and the Secretary of Housing and Urban Development have recognized in recent years that families experiencing domestic violence have unique needs that should be addressed by those administering the Federal housing programs.

(Pub. L. 103-322, title IV, § 41401, as added Pub. L. 109-162, title VI, § 601, Jan. 5, 2006, 119 Stat. 3030.)

§ 14043e-1. Purpose

The purpose of this part is to reduce domestic violence, dating violence, sexual assault, and stalking, and to prevent homelessness by—

(1) protecting the safety of victims of domestic violence, dating violence, sexual assault, and stalking who reside in homeless shelters, public housing, assisted housing, tribally designated housing, or other emergency, transitional, permanent, or affordable housing, and

ensuring that such victims have meaningful access to the criminal justice system without jeopardizing such housing;

(2) creating long-term housing solutions that develop communities and provide sustainable living solutions for victims of domestic violence, dating violence, sexual assault, and stalking;

(3) building collaborations among victim service providers, homeless service providers, housing providers, and housing agencies to provide appropriate services, interventions, and training to address the housing needs of victims of domestic violence, dating violence, sexual assault, and stalking; and

(4) enabling public and assisted housing agencies, tribally designated housing entities, private landlords, property management companies, and other housing providers and agencies to respond appropriately to domestic violence, dating violence, sexual assault, and stalking, while maintaining a safe environment for all housing residents.

(Pub. L. 103-322, title IV, § 41402, as added Pub. L. 109-162, title VI, § 601, Jan. 5, 2006, 119 Stat. 3031.)

which the participant will be assigned pursuant to section 14099(5) of this title, including achievement of satisfactory scores on any applicable examination, except that failure to meet the age requirement for a trainee of the State or local police shall not disqualify the applicant if the applicant will be of sufficient age upon completing an undergraduate course of study;

(C) possess the necessary mental and physical capabilities and emotional characteristics to discharge effectively the duties of a law enforcement officer;

(D) be of good character and demonstrate sincere motivation and dedication to law enforcement and public service;

(B)(i) The prior period of law enforcement of a participant selected pursuant to subparagraph (A) shall not be counted toward satisfaction of the participant's 4-year service obligation under section 14098 of this title, and such a participant shall be subject to the same benefits and obligations under this part as other participants, including those stated in section¹ (b)(1)(E) and (F) of this section.

(ii) Clause (i) shall not be construed to preclude counting a participant's previous period of law enforcement experience for purposes other than satisfaction of the requirements of section 14098 of this title, such as for purposes of determining such a participant's pay and other benefits, rank, and tenure.

(3) It is the intent of this part that there shall be no more than 20,000 participants in each graduating class. The Director shall approve State plans providing in the aggregate for such enrollment of applicants as shall assure, as nearly as possible, annual graduating classes of 20,000. In a year in which applications are received in a

number greater than that which will produce, in the judgment of the Director, a graduating class of more than 20,000, the Director shall, in deciding which applications to grant, give preference to those who will be participating in State plans that provide law enforcement personnel to areas of greatest need.

(c) Recruitment of minorities

Each State participating in the Police Corps program shall make special efforts to seek and recruit applicants from among members of all racial, ethnic or gender groups. This subsection does not authorize an exception from the competitive standards for admission established pursuant to subsections (a) and (b) of this section.

(e) Leave of absence

(1) A participant in a State Police Corps program who requests a leave of absence from educational study, training or service for a period not to exceed 1 year (or 18 months in the aggregate in the event of multiple requests) due to temporary physical or emotional disability shall be granted such leave of absence by the State.

(2) A participant who requests a leave of absence from educational study, training or service for a period not to exceed 1 year (or 18 months in the aggregate in the event of multiple requests) for any reason other than those listed in paragraph (1) may be granted such leave of absence by the State.

(3) A participant who requests a leave of absence from educational study or training for a period not to exceed 30 months to serve on an official church mission may be granted such leave of absence.

A participant in a State Police Corps program shall attend up to 24 weeks, but no less than 16 weeks, of training at a training center. The Director may approve training conducted in not more than 3 separate sessions.

(c) Further training

The Police Corps training authorized in this section is intended to serve as basic law enforcement training but not to exclude further training of participants by the State and local authorities to which they will be assigned. Each State plan approved by the Director under section 14099¹ of this title shall include assurances that following completion of a participant's course of education each participant shall receive appropriate additional training by the State or local authority to which the participant is assigned. The time spent by a participant in such additional training, but not the time spent in Police Corps training, shall be counted toward fulfillment of the participant's 4-year service obligation.

(d) Course of training

The training sessions at training centers established under this section shall be designed to provide basic law enforcement training, including vigorous physical and mental training to teach participants self-discipline and organizational loyalty and to impart knowledge and understanding of legal processes and law enforcement.

(e) Evaluation of participants

Section 14099 of this title, referred to in subsec. (c), was in the original "section 10", and was translated as reading "section 200110", meaning section 200110 of Pub. L. 103-322, to reflect the probable intent of Congress, because Pub. L. 103-322 does not contain a section 10, and section 14099 of this title relates to requirements for State Police Corps plans.

AMENDMENTS

2002—Subsec. (f). Pub. L. 107-273 substituted "\$400" for "\$250".

1998—Subsec. (b). Pub. L. 105-277, §138(a)(1), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows: "A participant in a State Police Corps program shall attend two 8-week training sessions at a training center, one during the summer following completion of sophomore year and one during the summer following completion of junior year. If a participant enters the program after sophomore year, the participant shall complete 16 weeks of training at times determined by the Director."

(a) Swearing in

Upon satisfactory completion of the participant's course of education and training program established in section 14097 of this title and meeting the requirements of the police force to which the participant is assigned, a participant shall be sworn in as a member of the police force to which the participant is assigned pursuant to the State Police Corps plan, and shall serve for 4 years as a member of that police force.

(b) Rights and responsibilities

A participant shall have all of the rights and responsibilities of and shall be subject to all rules and regulations applicable to other members of the police force of which the participant is a member, including those contained in applicable agreements with labor organizations and those provided by State and local law.

(c) Discipline

If the police force of which the participant is a member subjects the participant to discipline such as would preclude the participant's completing 4 years of service, and result in denial of educational assistance under section 14095 of this title, the Director may, upon a showing of good cause, permit the participant to complete the service obligation in an equivalent alternative law enforcement service and, if such service is satisfactorily completed, section 14095(d)(1)(B)(iii) of this title shall not apply.

(d) Layoffs

If the police force of which the participant is a member lays off the participant such as would preclude the participant's completing 4 years of service, and result in denial of educational assistance under section 14095 of this title, the Director may permit the participant to complete the service obligation in an equivalent alternative law enforcement service and, if such service is satisfactorily completed, section 14095(d)(1)(B)(iii) of this title shall not apply.

(A) there is the greatest need for additional law enforcement personnel; and

(4) provide that to the extent consistent with paragraph (3), a participant shall be assigned to an area near the participant's home or such other place as the participant may request;

(5) provide that to the extent feasible, a participant's assignment shall be made at the time the participant is accepted into the program, subject to change—

(A) prior to commencement of a participant's fourth year of undergraduate study, under such circumstances as the plan may specify; and

(B) from commencement of a participant's fourth year of undergraduate study until completion of 4 years of police service by participant, only for compelling reasons or to meet the needs of the State Police Corps program and only with the consent of the participant;

(6) provide that no participant shall be assigned to serve with a local police force—

(A) whose size has declined by more than 5 percent since June 21, 1989; or

(B) which has members who have been laid off but not retired;

(7) provide that participants shall be placed and to the extent feasible kept on community and preventive patrol;

(8) ensure that participants will receive effective training and leadership;

(9) provide that the State may decline to offer a participant an appointment following completion of Federal training, or may remove a participant from the Police Corps program at any time, only for good cause (including failure to make satisfactory progress in a course of educational study) and after following reasonable review procedures stated in the plan; and

(10) provide that a participant shall, while serving as a member of a police force, be compensated at the same rate of pay and benefits and enjoy the same rights under applicable agreements with labor organizations and under State and local law as other police officers of the same rank and tenure in the police force of which the participant is a member.

(2) The Director of the Federal Bureau of Investigation, after taking into consideration such recommended standards, shall issue (and revise from time to time) standards for quality assurance, including standards for testing the proficiency of forensic laboratories, and forensic analysts, in conducting analyses of DNA.

(3) The standards described in paragraphs (1) and (2) shall specify criteria for quality assurance and proficiency tests to be applied to the various types of DNA analyses used by forensic laboratories. The standards shall also include a system for grading proficiency testing performance to determine whether a laboratory is performing acceptably.

(4) Until such time as the advisory board has made recommendations to the Director of the Federal Bureau of Investigation and the Director has acted upon those recommendations, the quality assurance guidelines adopted by the technical working group on DNA analysis methods shall be deemed the Director's standards for purposes of this section.

SENSE OF CONGRESS REGARDING THE OBLIGATION OF GRANTEE STATES TO ENSURE ACCESS TO POST-CONVICTION DNA TESTING AND COMPETENT COUNSEL IN CAPITAL CASES

Pub. L. 106-561, §4, Dec. 21, 2000, 114 Stat. 2791, provided that:

“(a) FINDINGS.—Congress finds that—

“(1) over the past decade, deoxyribonucleic acid testing (referred to in this section as ‘DNA testing’) has emerged as the most reliable forensic technique for identifying criminals when biological material is left at a crime scene;

“(2) because of its scientific precision, DNA testing can, in some cases, conclusively establish the guilt or innocence of a criminal defendant;

“(3) in other cases, DNA testing may not conclusively establish guilt or innocence, but may have significant probative value to a finder of fact;

“(4) DNA testing was not widely available in cases tried prior to 1994;

“(5) new forensic DNA testing procedures have made it possible to get results from minute samples that could not previously be tested, and to obtain more informative and accurate results than earlier forms of forensic DNA testing could produce, resulting in some cases of convicted inmates being exonerated by new DNA tests after earlier tests had failed to produce definitive results;

“(6) DNA testing can and has resulted in the post-conviction exoneration of more than 75 innocent men and women, including some under sentence of death;

“(7) in more than a dozen cases, post-conviction DNA testing that has exonerated an innocent person has also enhanced public safety by providing evidence that led to the apprehension of the actual perpetrator;

“(8) experience has shown that it is not unduly burdensome to make DNA testing available to inmates in appropriate cases;

“(9) under current Federal and State law, it is difficult to obtain post-conviction DNA testing because of time limits on introducing newly discovered evidence;

“(10) the National Commission on the Future of DNA Evidence, a Federal panel established by the Department of Justice and comprised of law enforcement, judicial, and scientific experts, has urged that post-conviction DNA testing be permitted in the relatively small number of cases in which it is appropriate, notwithstanding procedural rules that could be invoked to preclude such testing, and notwithstanding the inability of an inmate to pay for the testing;

“(11) only a few States have adopted post-conviction DNA testing procedures;

“(12) States have received millions of dollars in DNA-related grants, and more funding is needed to improve State forensic facilities and to reduce the nationwide backlog of DNA samples from convicted offenders and crime scenes that need to be tested or retested using upgraded methods;

“(13) States that accept such financial assistance should not deny the promise of truth and justice for both sides of our adversarial system that DNA testing offers;

“(14) post-conviction DNA testing and other post-conviction investigative techniques have shown that innocent people have been sentenced to death in this country;

“(15) a constitutional error in capital cases is incompetent defense lawyers who fail to present important evidence that the defendant may have been innocent or does not deserve to be sentenced to death; and

“(16) providing quality representation to defendants facing loss of liberty or life is essential to fundamental due process and the speedy final resolution of judicial proceedings.

“(b) SENSE OF CONGRESS.—It is the sense of Congress that—

“(1) Congress should condition forensic science-related grants to a State or State forensic facility on the State’s agreement to ensure post-conviction DNA testing in appropriate cases; and

“(2) Congress should work with the States to improve the quality of legal representation in capital cases through the establishment of standards that will assure the timely appointment of competent counsel with adequate resources to represent defendants in capital cases at each stage of the proceedings.”

Pub. L. 106-546, §11, Dec. 19, 2000, 114 Stat. 2735, enacted provisions substantially identical to those enacted by Pub. L. 106-561, §4, set out above.

§ 14171. Motor vehicle theft prevention program**(a) In general**

Not later than 180 days after September 13, 1994, the Attorney General shall develop, in cooperation with the States, a national voluntary motor vehicle theft prevention program (in this section referred to as the “program”) under which—

(1) the owner of a motor vehicle may voluntarily sign a consent form with a participating State or locality in which the motor vehicle owner—

(A) states that the vehicle is not normally operated under certain specified conditions; and

(B) agrees to—

(i) display program decals or devices on the owner’s vehicle; and

(ii) permit law enforcement officials in any State to stop the motor vehicle and take reasonable steps to determine whether the vehicle is being operated by or with the permission of the owner, if the vehicle is being operated under the specified conditions; and

(2) participating States and localities authorize law enforcement officials in the State or locality to stop motor vehicles displaying program decals or devices under specified conditions and take reasonable steps to determine whether the vehicle is being operated by or with the permission of the owner.

(b) Uniform decal or device designs**(1) In general**

The motor vehicle theft prevention program developed pursuant to this section shall include a uniform design or designs for decals or other devices to be displayed by motor vehicles participating in the program.

(2) Type of design

The uniform design shall—

(A) be highly visible; and

(B) explicitly state that the motor vehicle to which it is affixed may be stopped under the specified conditions without additional grounds for establishing a reasonable suspicion that the vehicle is being operated unlawfully.

(c) Voluntary consent form

The voluntary consent form used to enroll in the program shall—

(1) clearly state that participation in the program is voluntary;

(2) clearly explain that participation in the program means that, if the participating vehicle is being operated under the specified conditions, law enforcement officials may stop the vehicle and take reasonable steps to determine

whether it is being operated by or with the consent of the owner, even if the law enforcement officials have no other basis for believing that the vehicle is being operated unlawfully;

(3) include an express statement that the vehicle is not normally operated under the specified conditions and that the operation of the vehicle under those conditions would provide sufficient grounds for a prudent law enforcement officer to reasonably believe that the vehicle was not being operated by or with the consent of the owner; and

(4) include any additional information that the Attorney General may reasonably require.

(d) Specified conditions under which stops may be authorized**(1) In general**

The Attorney General shall promulgate rules establishing the conditions under which participating motor vehicles may be authorized to be stopped under this section. These conditions may not be based on race, creed, color, national origin, gender, or age. These conditions may include—

(A) the operation of the vehicle during certain hours of the day; or

(B) the operation of the vehicle under other circumstances that would provide a sufficient basis for establishing a reasonable suspicion that the vehicle was not being operated by the owner, or with the consent of the owner.

(2) More than one set of conditions

The Attorney General may establish more than one set of conditions under which participating motor vehicles may be stopped. If more than one set of conditions is established, a separate consent form and a separate design for program decals or devices shall be established for each set of conditions. The Attorney General may choose to satisfy the requirement of a separate design for program decals or devices under this paragraph by the use of a design color that is clearly distinguishable from other design colors.

(3) No new conditions without consent

After the program has begun, the conditions under which a vehicle may be stopped if affixed with a certain decal or device design may not be expanded without the consent of the owner.

(4) Limited participation by States and localities

A State or locality need not authorize the stopping of motor vehicles under all sets of conditions specified under the program in order to participate in the program.

(e) Motor vehicles for hire**(1) Notification to lessees**

Any person who is in the business of renting or leasing motor vehicles and who rents or leases a motor vehicle on which a program decal or device is affixed shall, prior to transferring possession of the vehicle, notify the person to whom the motor vehicle is rented or leased about the program.

(2) Type of notice

The notice required by this subsection shall—

- (A) be in writing;
- (B) be in a prominent format to be determined by the Attorney General; and
- (C) explain the possibility that if the motor vehicle is operated under the specified conditions, the vehicle may be stopped by law enforcement officials even if the officials have no other basis for believing that the vehicle is being operated unlawfully.

(3) Fine for failure to provide notice

Failure to provide proper notice under this subsection shall be punishable by a fine not to exceed \$5,000.

(f) Notification of police

As a condition of participating in the program, a State or locality must agree to take reasonable steps to ensure that law enforcement officials throughout the State or locality are familiar with the program, and with the conditions under which motor vehicles may be stopped under the program.

(g) Regulations

The Attorney General shall promulgate regulations to implement this section.
