§ 6316 TITLE 42—THE PUBLIC HEALTH AND WELFARE Page 5866
tate enforcement of the standards established for such equipment under section 6313 of this title.

(f) Consultation with Federal Trade Commission

Before prescribing any labeling rules for a type (or class) of covered equipment, the Secretary shall consult with, and obtain the written views of, the Federal Trade Commission with respect to such rules. The Federal Trade Commission shall promptly provide such written views upon the request of the Secretary.

(g) Publication in Federal Register; presentation of oral and written data, views, and arguments of interested persons

(1) Before prescribing any labeling rules under this section, the Secretary shall—

(A) publish proposed labeling rules in the Federal Register; and

(B) afford interested persons an opportunity (of not less than 45 days' duration) to present oral and written data, views, and arguments on the proposed rules.

(2) A labeling rule prescribed under this section shall take effect not later than 3 months after the date of prescription of such rule, except that such rules may take effect not later than 6 months after such date of prescription if the Secretary determines that such extension is necessary to allow persons subject to such rules adequate time to come into compliance with such rules.

(h) Restrictions on Secretary's authority to promulgate rules

The Secretary shall not promulgate labeling rules for any class of industrial equipment unless he has determined that—

(1) labeling in accordance with this section is technologically and economically feasible with respect to such class;

(2) significant energy savings will likely result from such labeling; and

(3) labeling in accordance with this section is likely to assist consumers in making purchasing decisions.

(i) Tests for accuracy of information contained on labels

When requested by the Secretary, any manufacturer of industrial equipment to which a rule under this section applies shall supply at the manufacturer's expense a reasonable number of articles of such covered equipment to any laboratory or testing facility designated by the Secretary, or permit representatives of such laboratory or facility to test such equipment at the site where it is located, for purposes of ascertaining whether the information set out on the label, or otherwise required to be disclosed, as required under this section, is accurate. Any reasonable charge levied by the laboratory or facility for such testing shall be borne by the United States, if and to the extent provided in appropriations Acts.

(j) Products completed prior to effective date of rules

A labeling rule under this section shall not apply to any article of covered equipment the manufacture of which was completed before the effective date of such rule.

(k) Labeling authority under Federal Trade Commission Act

Until such time as labeling rules under this section take effect with respect to a type (or class) of covered equipment, this section shall not affect any authority of the Commission under the Federal Trade Commission Act [15 U.S.C. 41 et seq.] to require labeling with respect to energy consumption of such type (or class) of covered equipment.

AMENDMENTS

Subsec. (c). Pub. L. 102–486, § 122(c)(2), substituted “shall include” for “may include”.

Subsecs. (d) to (k). Pub. L. 102–486, § 122(c)(3), (4), added subsecs. (d) and (e) and redesignated former subsecs. (d) to (i) as (f) to (k), respectively.

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 110–140 effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as an Effective Date note under section 1824 of Title 2, The Congress.

§ 6316. Administration, penalties, enforcement, and preemption

(a) The provisions of section 6296(a), (b), and (d) of this title, the provisions of subsections (f) through (s) of section 6295 of this title, and section 1 6297 through 6306 of this title shall apply with respect to this part (other than the equipment specified in subparagraphs (B) through (G) of section 6311(1) of this title) to the same extent and in the same manner as they apply in part A.

In applying such provisions for the purposes of this part—

(1) references to sections 6293, 6294, and 6295 of this title shall be considered as references to sections 6314, 6315, and 6313 of this title, respectively;

(2) references to “this part” shall be treated as referring to part A–1;

(3) the term “equipment” shall be substituted for the term “product”;

1 So in original. Probably should be “sections”.

(4) the term "Secretary" shall be substituted for "Commission" each place it appears (other than in section 6303(c) of title);
(5) section 6297(a) of this title shall be applied, in the case of electric motors, as if the National Appliance Energy Conservation Act of 1987 was the Energy Policy Act of 1992;
(6) section 6297(b)(1) of this title shall be applied as if electric motors were fluorescent lamp ballasts and as if the National Appliance Energy Conservation Amendments of 1988 were the Energy Policy Act of 1992;
(7) section 6297(b)(4) of this title shall be applied as if electric motors were fluorescent lamp ballasts and as if paragraph (5) of section 6295(g) of this title were section 6313 of this title;
(8) notwithstanding any other provision of law, a regulation or other requirement adopted by a State or subdivision of a State contained in a State or local building code for new construction concerning the energy efficiency or energy use of a product exceed the applicable minimum energy efficiency requirement in amended ASHRAE/IES Standard 90.1.
(9) in the case of commercial clothes washers, section 6297(b)(1) of this title shall be applied as if the National Appliance Energy Conservation Act of 1987 was the Energy Policy Act of 2005.

(b)(1) The provisions of section 6295(p)(5) of this title, section 6296(a), (b), and (d) of this title, section 6297(a) of this title, and sections 6298 through 6306 of this title shall apply with respect to the equipment specified in subparagraphs (B) through (G) of section 6311(1) of this title to the same extent and in the same manner as they apply in part A. In applying such provisions for the purposes of such equipment, paragraphs (1), (2), (3), and (4) of subsection (a) of this section shall apply.
(2)(A) A standard prescribed or established under section 6313(a) of this title shall, beginning on the effective date of such standard, supersede any State or local regulation concerning the energy efficiency or energy use of a product for which a standard is prescribed or established pursuant to such section.
(B) Notwithstanding subparagraph (A), a standard prescribed or established under section 6313(a) of this title shall not supersede a standard for such a product contained in a State or local building code for new construction if—
(i) the standard in the building code does not require that the energy efficiency of such a product exceed the applicable minimum energy efficiency requirement in amended ASHRAE/IES Standard 90.1; and
(ii) the standard in the building code does not take effect prior to the effective date of the applicable minimum energy efficiency requirement in amended ASHRAE/IES Standard 90.1.
(C) Notwithstanding subparagraph (A), a standard prescribed or established under section 6313(a) of this title shall not supersede the standards established by the State of California set forth in Table C-6, California Code of Regulations, Title 24, Part 2, Chapter 2-53, for water-source heat pumps below 135,000 Btu per hour (cooling capacity) that become effective on August 8, 1993.
(D) Notwithstanding subparagraph (A), a standard prescribed or established under section 6313(a) of this title shall not supersede a State regulation which has been granted a waiver by the Secretary. The Secretary may grant a waiver pursuant to the terms, conditions, criteria, procedures, and other requirements specified in section 6297(d) of this title.
(c) With respect to any electric motor to which standards are applicable under section 6313(b) of this title, the Secretary shall require manufacturers to certify, through an independent testing or certification program nationally recognized in the United States, that such motor meets the applicable standard.
(d)(1) Except as provided in paragraphs (2) and (3), section 6297 of this title shall apply with respect to very large commercial package air conditioning and heating equipment to the same extent and in the same manner as section 6297 of this title applies under part A on August 8, 2005.
(2) Any State or local standard issued before August 8, 2005, shall not be preempted until the standards established under section 6313(a)(9) of this title take effect on January 1, 2010.
(e)(1)(A) Subsections (a), (b), and (d) of section 6296 of this title, subsections (m) through (s) of section 6295 of this title, and sections 6298 through 6306 of this title shall apply with respect to commercial refrigerators, freezers, and refrigerator-freezers to the same extent and in the same manner as those provisions apply under part A.
(B) In applying those provisions to commercial refrigerators, freezers, and refrigerator-freezers, paragraphs (1), (2), (3), and (4) of subsection (a) of this section shall apply.
(2)(A) Section 6297 of this title shall apply to commercial refrigerators, freezers, and refrigerator-freezers for which standards are established under paragraphs (2) and (3) of section 6313(c) of this title to the same extent and in the same manner as those provisions apply under part A on August 8, 2005, except that any State or local standard issued before August 8, 2005, shall not be preempted until the standards established under paragraphs (2) and (3) of section 6313(c) of this title take effect.
(B) In applying section 6297 of this title in accordance with subparagraph (A), paragraphs (1), (2), (3), and (4) of subsection (a) of this section shall apply.
(3)(A) Section 6297 of this title shall apply to commercial refrigerators, freezers, and refrigerator-freezers for which standards are established under section 6313(c)(4) of this title to the same extent and in the same manner as the provisions apply under part A on the date of publication of the final rule by the Secretary, except that any State or local standard issued before the date of publication of the final rule by the

Secretary shall not be preempted until the standards take effect.

(B) In applying section 6297 of this title in accordance with subparagraph (A), paragraphs (1), (2), and (3) of subsection (a) of this section shall apply.

(4)(A) If the Secretary does not issue a final rule for a specific type of commercial refrigerator, freezer, or refrigerator-freezer within the timeframe specified in section 6313(c)(5) of this title, subsections (b) and (c) of section 6297 of this title shall not apply to that specific type of refrigerator, freezer, or refrigerator-freezer for the period beginning on the date that is 2 years after the scheduled date for a final rule and ending on the date on which the Secretary publishes a final rule covering the specific type of refrigerator, freezer, or refrigerator-freezer.

(B) Any State or local standard issued before the date of publication of the final rule shall not be preempted until the final rule takes effect.

(5)(A) In the case of any commercial refrigerator, freezer, or refrigerator-freezer to which standards are applicable under paragraphs (1), (2), and (3) of section 6313(c) of this title, the Secretary shall require manufacturers to certify, through an independent, nationally recognized testing or certification program, that the commercial refrigerator, freezer, or refrigerator-freezer meets the applicable standards.

(B) The Secretary shall, to the maximum extent practicable, encourage the establishment of at least 2 independent testing and certification programs.

(C) As part of certification, information on equipment energy use and interior volume shall be made available to the Secretary.

(f)(1)(A)(i) Except as provided in clause (ii), section 6297 of this title shall apply to automatic commercial ice makers for which standards have been established under section 6313(d)(1) of this title to the same extent and in the same manner as the section applies under part A 3 on August 8, 2005.

(ii) Any State standard issued before August 8, 2005, shall not be preempted until the standards established under section 6313(d)(1) of this title take effect.

(B) In applying section 6297 of this title to the equipment under subparagraph (A), paragraphs (1), (2), and (3) of subsection (a) of this section shall apply.

(2)(A)(i) Except as provided in clause (ii), section 6297 of this title shall apply to automatic commercial ice makers for which standards have been established under section 6313(d)(2) of this title to the same extent and in the same manner as the section applies under part A 3 on the date of publication of the final rule by the Secretary.

(ii) Any State standard issued before the date of publication of the final rule by the Secretary shall not be preempted until the standards established under section 6313(d)(2) of this title take effect.

(B) In applying section 6297 of this title in accordance with subparagraph (A), paragraphs (1), (2), and (3) of subsection (a) of this section shall apply.

(3)(A) If the Secretary does not issue a final rule for a specific type of automatic commercial ice maker within the timeframe specified in section 6313(d) of this title, subsections (b) and (c) of section 6297 of this title shall no longer apply to the specific type of automatic commercial ice maker for the period beginning on the day after the scheduled date for a final rule and ending on the date on which the Secretary publishes a final rule covering the specific type of automatic commercial ice maker.

(B) Any State standard issued before the publication of the final rule shall not be preempted until the standards established in the final rule take effect.

(4)(A) The Secretary shall monitor whether manufacturers are reducing harvest rates below tested values for the purpose of bringing non-complying equipment into compliance.

(B) If the Secretary finds that there has been a substantial amount of manipulation with respect to harvest rates under subparagraph (A), the Secretary shall take steps to minimize the manipulation, such as requiring harvest rates to be within 5 percent of tested values.

(g)(1)(A) If the Secretary does not issue a final rule for commercial clothes washers within the timeframe specified in section 6313(e)(2) of this title, subsections (b) and (c) of section 6297 of this title shall not apply to commercial clothes washers for the period beginning on the day after the scheduled date for a final rule ending on the date on which the Secretary publishes a final rule covering commercial clothes washers.

(B) Any State or local standard issued before the date on which the Secretary publishes a final rule shall not be preempted until the standards established under section 6313(e)(2) of this title take effect.

(2) The Secretary shall undertake an educational program to inform owners of laundromats, multifamily housing, and other sites where commercial clothes washers are located about the new standard, including impacts on washer purchase costs and options for recovering those costs through coin collection.

(h) WALK-IN COOLERS AND WALK-IN FREEZERS.—

(1) COVERED TYPES.—

(A) RELATIONSHIP TO OTHER LAW.—

(i) IN GENERAL.—Except as otherwise provided in this subsection, section 6297 of this title shall apply to walk-in coolers and walk-in freezers for which standards have been established under paragraphs (1), (2), and (3) of section 6313(f) of this title to the same extent and in the same manner as the section applies under part A 3 on December 19, 2007.

(ii) STATE STANDARDS.—Any State standard prescribed before December 19, 2007, shall not be preempted until the standards established under paragraphs (1) and (2) of section 6313(f) of this title take effect.

(B) ADMINISTRATION.—In applying section 6297 of this title to equipment under subparagraph (A), paragraphs (1), (2), and (3) of subsection (a) shall apply.

(2) FINAL RULE NOT TIMELY.—

(A) IN GENERAL.—If the Secretary does not issue a final rule for a specific type of walk-in cooler or walk-in freezer within the timeframe established under paragraph (4) or (5)
of section 6313(f) of this title, subsections (b) and (c) of section 6297 of this title shall no longer apply to the specific type of walk-in cooler or walk-in freezer during the period—

(i) beginning on the day after the scheduled date for a final rule; and

(ii) ending on the date on which the Secretary publishes a final rule covering the specific type of walk-in cooler or walk-in freezer.

(B) STATE STANDARDS.—Any State standard issued before the publication of the final rule shall not be preempted until the standards established in the final rule take effect.

(3) CALIFORNIA.—Any standard issued in the State of California before January 1, 2011, under title 20 of the California Code of Regulations, that refers to walk-in coolers and walk-in freezers, for which standards have been established under paragraphs (1), (2), and (3) of section 6313(f) of this title, shall not be preempted until the standards established under section 6313(f)(3) of this title take effect.
