Pub. L. 104-201, div. A, title XVI, §1616, Sept. 23, 1996, 110 Stat. 2741, as amended by Pub. L. 108-271, §8(b), July 7, 2004, 118 Stat. 814, provided that:

“(a) PILOT PROGRAMS AUTHORIZED.—(1) The Secretary of Defense, after consultation with the Director of the Office of Personnel Management, may establish one or more pilot programs under which Federal retirement benefits are provided in accordance with this section to persons who convert from Federal employment to employment by a Department of Defense contractor in connection with the privatization of the performance of functions at selected military installations being closed under the base closure and realignment process.

“(2) The Secretary of Defense shall select the military installations to be covered by a pilot program under this section.

“(b) ELIGIBLE CONVERTED EMPLOYEES.—(1) A person is a converted employee eligible for Federal retirement benefits under this section if the person is a former employee of the Department of Defense (other than a temporary employee) who—

“(A) while employed by the Department of Defense at a military installation selected to participate in a pilot program, performed a function that was recommended, in a report of the Defense Base Closure and Realignment Commission submitted to the President under the Defense Base Closure and Realignment Act of 1990 ([part A of] title XXIX of Public Law 101-510; 10 U.S.C. 2687 note), to be privatized for performance by a defense contractor at the same installation or in the vicinity of the installation;

“(B) while so employed, separated from Federal service after being notified that the employee would be separated in a reduction in force resulting from such privatization;

“(C) at the time separated from Federal service, was covered under the Civil Service Retirement System, but was not eligible for an immediate annuity under the Civil Service Retirement System;

“(2) A person who, under paragraph (1), would otherwise be eligible for an early deferred annuity under this

section shall not be eligible for such benefits if the person received separation pay or severance pay due to a separation described in subparagraph (B) of that paragraph unless the person repays the full amount of such pay with interest (computed at a rate determined appropriate by the Director of the Office of Personnel Management) to the Department of Defense before attaining early deferred retirement age.

“(c) RETIREMENT BENEFITS OF CONVERTED EMPLOYEES.—In the case of a converted employee covered by a pilot program, payment of a deferred annuity for which the converted employee is eligible under section 8338(a) of title 5, United States Code, shall commence on the first day of the first month that begins after the date on which the converted employee attains early deferred retirement age, notwithstanding the age requirement under that section. If the employment of a converted employee is involuntarily terminated by the defense contractor or subcontractor as described in subsection (b)(1)(F) and the converted employee resumes Federal service before the converted employee attains early deferred retirement age, the converted employee shall once again be covered under the Civil Service Retirement System instead of the pilot program.

“(d) COMPUTATION OF AVERAGE PAY.—(1)(A) This paragraph applies to a converted employee who was employed in a position classified under the General Schedule immediately before the employee’s covered separation from Federal service.

“(B) Subject to subparagraph (C), for purposes of computing the deferred annuity for a converted employee referred to in subparagraph (A), the average pay of the converted employee, computed under section 8331(4) of title 5, United States Code, as of the date of the employee’s covered separation from Federal service, shall be adjusted at the same time and by the same percentage that rates of basic pay are increased under section 5303 of such title during the period beginning on that date and ending on the date on which the converted employee attains early deferred retirement age.

“(C) The average pay of a converted employee, as adjusted under subparagraph (B), may not exceed the amount to which an annuity of the converted employee could be increased under section 8340 of title 5, United States Code, in accordance with the limitation in subsection (g)(1) of such section (relating to maximum pay, final pay, or average pay).

“(2)(A) This paragraph applies to a converted employee who was a prevailing rate employee (as defined under section 5342(2) [5342(a)(2)] of title 5, United States Code) immediately before the employee’s covered separation from Federal service.

“(B) For purposes of computing the deferred annuity for a converted employee referred to in subparagraph (A), the average pay of the converted employee, computed under section 8331(4) of title 5, United States Code, as of the date of the employee’s covered separation from Federal service, shall be adjusted at the same time and by the same percentage that pay rates for positions that are in the same area as, and are comparable to, the last position the converted employee held as a prevailing rate employee, are increased under section 5343(a) of such title during the period beginning on that date and ending on the date on which the converted employee attains early deferred retirement age.

“(e) PAYMENT OF UNFUNDED LIABILITY.—(1) The military department concerned shall be liable for that portion of any estimated increase in the unfunded liability of the Civil Service Retirement and Disability Fund established under section 8348 of title 5, United States Code, which is attributable to any benefits payable from such Fund to a converted employee, and any survivor of a converted employee, when the increase results from—

“(A) an increase in the average pay of the converted employee under subsection (d) upon which such benefits are computed; and

“(B) the commencement of an early deferred annuity in accordance with this section before the attainment of 62 years of age by the converted employee.

“(2) The estimated increase in the unfunded liability for each department referred to in paragraph (1) shall be determined by the Director of the Office of Personnel Management. In making the determination, the Director shall consider any savings to the Fund as a result of a pilot program established under this section. The Secretary of the military department concerned shall pay the amount so determined to the Director in 10 equal annual installments with interest computed at the rate used in the most recent valuation of the Civil Service Retirement System, with the first payment thereof due at the end of the fiscal year in which an increase in average pay under subsection (d) becomes effective.

“(g) RECEIPT OF BENEFITS WHILE EMPLOYED BY A DEFENSE CONTRACTOR.—A converted employee may commence receipt of an early deferred annuity in accordance with this section while continuing to work for a defense contractor.

“(h) LUMP-SUM CREDIT PAYMENT.—If a converted employee dies before attaining early deferred retirement age, such employee shall be treated as a former employee who dies not retired for purposes of payment of the lump-sum credit under section 8342(d) of title 5, United States Code.

“(i) CONTINUED FEDERAL HEALTH BENEFITS COVERAGE.—Notwithstanding section 8905a(e)(1)(A) of title 5, United States Code, the continued coverage of a converted employee for health benefits under chapter 89 of such title by reason of the application of section 8905a of such title to such employee shall terminate 90 days after the date of the employee's covered separation from Federal employment. For the purposes of the preceding sentence, a person who, except for subsection (b)(2), would be a converted employee shall be considered a converted employee.

“(j) REPORT BY GOVERNMENT ACCOUNTABILITY OFFICE.—The Comptroller General shall conduct a study of each pilot program, if any, established under this section and submit a report on the pilot program to Congress not later than two years after the date on which the program is established. The report shall contain the following:

“(B) a comparison and evaluation of such privatization outcomes with the privatization outcomes with respect to facilities at other military installations closed or realigned under the base closure laws;

“(C) an evaluation of the impact of the program on the Federal workforce and whether the program results in the maintenance of a skilled workforce for defense contractors at an acceptable cost to the military department concerned; and

“(D) an assessment of the extent to which the program is a cost-effective means of facilitating privatization of the performance of Federal activities.

“(2) Recommendations relating to the expansion of the program to other installations and employees.

“(3) Any other recommendation relating to the program.

“(2) If, as of December 31, 1986, the individual is subject to subchapter III of chapter 83 of title 5, United States Code, and is also subject to section 204 of the Federal Employees’ Retirement Contribution Temporary Adjustment Act of 1983 [set out below], the individual—

“(A) shall, as of January 1, 1987, become subject to such subchapter under the same terms and conditions as apply in the case of an individual described in section 8402(b)(2) of such title who is subject to such subchapter; and

“(B) may (during the six-month period described in subsection (a)(1)(B)) elect to become subject to chapter 84 of such title.

“(3)(A) If, as of December 31, 1986, the individual is not subject to subchapter III of chapter 83 of title 5, United States Code, such individual may, during the 6-month period described in subsection (a)(1)(B)—

“(i) elect to become subject to chapter 84 of such title; or

“(ii) if such individual has not since made an election described in subparagraph (B), elect to become subject to subchapter III of chapter 83 of such title under the same terms and conditions as apply in the case of an individual described in section 8402(b)(2) of such title who is subject to such subchapter.

“(B) Nothing in this paragraph shall be considered to preclude the individual from electing to become subject to subchapter III of chapter 83 of such title

pursuant to notification under section 8331(2) of such title—

“(i) during the period after December 31, 1986, and before July 1, 1987; or

“(ii) after December 31, 1987, if such individual has not since become subject to subchapter III of chapter 83, or chapter 84, of such title.

“(C) Any individual who becomes subject to subchapter III of chapter 83 of such title pursuant to notification under section 8331(2) of such title after December 31, 1986, shall become subject to such subchapter under the same terms and conditions as apply in the case of an individual described in section 8402(b)(2) of such title who is subject to such subchapter.

“(c) EFFECTIVE DATE; IRREVOCABILITY.—An election made under this section—

“(1) shall take effect beginning with the first pay period beginning after the date of the election; and

“(2) shall be irrevocable.

“(d) CONDITION FOR MAKING AN ELECTION; EXTENSION TO SATISFY CONDITION.—(1) An election under this section to become subject to chapter 84 of title 5, United States Code, shall not be considered effective in the case of an individual having one or more former spouses, unless the election is made with the written consent of such former spouse (or each such former spouse, if there is more than one).

“(2)(A) This subsection applies with respect to a former spouse who (based on the service of the individual involved) is entitled to benefits under section 8341(h) or 8345(j) of title 5, United States Code, under the terms of a decree of divorce or annulment, or a court order or court-approved property settlement incident to any such decree, with respect to which the Office of Personnel Management has been duly notified.

“(B) This subsection does not apply with respect to a former spouse who has ceased to be so entitled as a result of remarrying before age 55.

“(3) The requirement under paragraph (1) shall be considered satisfied with respect to a former spouse if the individual seeking to make the election establishes to the satisfaction of the Office (in accordance with regulations prescribed by the Office)—

“(A) that the former spouse's whereabouts cannot be determined; or

“(B) that, due to exceptional circumstances, requiring the individual to seek the former spouse's consent would otherwise be inappropriate.

“(4)(A) The Office shall, upon application of an individual, grant an extension for such individual to make an election referred to in paragraph (1) if such individual—

“(i) files application for extension before the end of the period during which such individual would otherwise be eligible to make such election; and

“(ii) demonstrates to the satisfaction of the Office that the extension is needed to secure the modification of a decree of divorce or annulment (or a court order or court-approved property settlement incident to any such decree) in order to satisfy the consent requirement under paragraph (1).

“(B) An extension under this paragraph shall be for 6 months or for such longer period as the Office considers appropriate.

“(e) EXCLUSIONS.—This section does not apply to an individual under section 8331(1)(G) of title 5, United States Code.

“SEC. 302. EFFECT OF AN ELECTION UNDER SECTION 301 TO BECOME SUBJECT TO THE FEDERAL EMPLOYEES' RETIREMENT SYSTEM.

“(a) GENERAL AND SPECIAL RULES.—All provisions of chapter 84 of title 5, United States Code (including those relating to disability benefits, survivor benefits, and any reductions to provide for survivor benefits) shall apply with respect to any individual who becomes subject to such chapter pursuant to an election under section 301, except if, or to the extent that, such provisions are inconsistent with the following:

“(1)(A) Any civilian service which is performed before the effective date of the election under section 301 shall not be creditable under chapter 84 of title 5, United States Code, except as otherwise provided in this subsection.

“(B) Any service described in subparagraph (A) which is covered service within the meaning of section 203(a)(3) of the Federal Employees' Retirement Contribution Temporary Adjustment Act of 1983 (97 Stat. 1107; 5 U.S.C. 8331 note) (hereinafter in this section referred to as ‘covered service’) shall be creditable under chapter 84 of title 5, United States Code, if—

“(i) with respect to any such service performed before January 1, 1987, 1.3 percent of basic pay for such service was withheld in accordance with such Act or, if either such withholding was not made or was made, but the amount so withheld was subsequently refunded, 1.3 percent of basic pay for such period is deposited to the credit of the Civil Service Retirement and Disability Fund (hereinafter in this section referred to as the ‘Fund’), with interest (computed under section 8334(e) of such title); and

“(ii) with respect to any such service performed after December 31, 1986, and before the effective date of the election, an amount equal to the percentage of basic pay for such service which would be required to be withheld under section 8422(a) of title 5, United States Code, has been contributed to the Fund by the individual involved, whether by withholdings from pay or, if either no withholding was made or was made, but the amount withheld was subsequently refunded, the aforementioned percentage of basic pay for such period is deposited to the credit of the Fund, with interest (computed under section 8334(e) of such title).

“(C) Any service described in subparagraph (A)—

“(i) which is not covered service;

“(ii) which constitutes service of a type described in section 8411(b)(3) of title 5, United States Code (determined without regard to whether such service was performed before, on, or after January 1, 1989, and without regard to the provisions of section 8411(f) of such title); and

“(iii) which, in the aggregate, is equal to less than 5 years;

shall be creditable under chapter 84 of such title, subject to section 8411(f) of such title.

“(D) Any service described in subparagraph (A)—

“(i) which is not covered service;

“(ii) which constitutes service of a type described in section 8411(b)(3) of title 5, United States Code (determined without regard to whether such service was performed before, on, or after January 1, 1989, and without regard to the provisions of section 8411(f) of such title); and

“(iii) which, in the aggregate, is equal to 5 years or more;

shall be creditable for purposes of—

“(I) section 8410 of such title, relating to the minimum period of civilian service required to be eligible for an annuity;

“(II) any provision of section 8412 (other than subsection (d) or (e) thereof), 8413, 8414, 8442(b)(1), 8443(a)(1), or 8451 of such title which relates to a minimum period of service for entitlement to an annuity;

“(III) the provisions of paragraphs (4) and (6);

“(IV) any provision of section 8412(d) of such title which relates to a minimum period of service for entitlement to an annuity, but only if and to the extent that the service described in subparagraph (A) was as a law enforcement officer or firefighter;

“(V) any provision of section 8412(e) of such title which relates to a minimum period of service for entitlement to an annuity, but only if and to the extent that the service described in subparagraph (A) was as an air traffic controller; and

“(VI) the provision of subsection (h) of section 8415 which relates to the minimum period of service

required to qualify for the higher accrual rate under such subsection.

“(2)(A) Except as provided in subparagraph (B), the creditability under chapter 84 of title 5, United States Code, of any military service which is performed before the effective date of the election under section 301 shall be determined in accordance with applicable provisions of such chapter.

“(B) If the electing individual has performed service described in clauses (i) through (iii) of paragraph (1)(D), service described in subparagraph (A) which, but for the provisions of subsection (b), would be creditable under subchapter III of chapter 83 of title 5, United States Code, as in effect on December 31, 1986, shall be creditable for purposes of—

“(i) any provision of section 8412 (other than subsection (d) or (e) thereof), 8413, or 8414 of such title which relates to a minimum period of service for entitlement to an annuity; and

“(ii) the provisions of paragraph (4).

“(3)(A)(i) If the electing individual becomes entitled to an annuity under subchapter II of chapter 84 of title 5, United States Code, or dies leaving a survivor or survivors entitled to benefits under subchapter IV of such chapter, the annuity for such individual shall be equal to the sum of the individual's accrued benefits under the Civil Service Retirement System (as determined under paragraph (4)) and the individual's accrued benefits under the Federal Employees' Retirement System (as determined under paragraph (5)).

“(ii) An annuity computed under this subparagraph shall be deemed to be the individual's annuity computed under section 8415 of title 5, United States Code.

“(B) If the electing individual becomes entitled to an annuity under subchapter V of chapter 84 of title 5, United States Code, and if it becomes necessary to compute an annuity under section 8415 of such title with respect to such individual as a result of such individual's having become so entitled, the methodology set forth in subparagraph (A) shall be used in computing any such annuity under section 8415.

“(4) Accrued benefits under this paragraph shall be computed in accordance with applicable provisions of subchapter III of chapter 83 of title 5, United States Code (but without regard to subsection (j) or (k), or the second sentence of subsection (e), of section 8339 of such title) using only any civilian service under paragraph (1)(D), and any military service under paragraph (2)(B), which would be creditable for purposes of computing an annuity under such subchapter. Notwithstanding the preceding sentence, in computing accrued benefits under this paragraph for an individual retiring under section 8412(g) or 8413(b) of title 5, United States Code, section 8339(h) of such title (relating to reductions based on age at date of separation) shall not apply.

“(5) Accrued benefits under this paragraph shall be computed under section 8415 of title 5, United States Code, using—

“(A) total service creditable under chapter 84 of such title which is performed on or after the effective date of the election under section 301; and

“(B) with respect to service performed before such effective date—

“(i) creditable civilian service (as determined under applicable provisions of this subsection) other than any service described in paragraph (1)(D); and

“(ii) creditable military service (as determined under applicable provisions of this subsection) other than any service described in paragraph (2)(B).

“(6)(A) For purposes of any computation under paragraph (4) or (5), the average pay to be used shall be the largest annual rate resulting from averaging the individual's rates of basic pay in effect over any 3 consecutive years of creditable service or, in the case of an annuity based on service of less than 3

years, over the total period of service so creditable, with each rate weighted by the period it was in effect.

“(B) For purposes of subparagraph (A), service shall be considered creditable if it would be considered creditable for purposes of determining average pay under chapter 83 or 84 of title 5, United States Code.

“(7) The cost-of-living adjustments for the annuity of the electing individual shall be made as follows:

“(A) The portion of the annuity attributable to paragraph (4) shall be adjusted at the time and in the amount provided for under section 8340 of title 5, United States Code.

“(B) The portion of the annuity attributable to paragraph (5) shall be adjusted at the time and in the amount provided for under section 8462 of title 5, United States Code.

“(8) For purposes of any computation under paragraph (4) in the case of an individual who retires under section 8412 or 8414 of title 5, United States Code, or who dies leaving a survivor or survivors entitled to benefits under subchapter IV of such chapter, sick leave creditable under section 8339(m) of such title shall be equal to the number of days of unused sick leave to the individual's credit as of the date of retirement or as of the effective date of the individual's election under section 301, whichever is less.

“(9) In computing the annuity under paragraph (3) for an individual retiring under section 8412(g) or 8413(b) of title 5, United States Code, the reduction under section 8415(g) of such title shall apply with respect to the sum computed under such paragraph.

“(10) An annuity supplement under section 8421 of title 5, United States Code, shall be computed using the same service as is used for the computation under paragraph (5).

“(11) Effective from its commencing date, an annuity payable to an annuitant's survivor (other than a child under section 8443 of title 5, United States Code) shall be increased by the total percent by which the deceased annuitant's annuity was increased under paragraph (7).

“(12)(A)(i) If the electing individual is a reemployed annuitant under section 8344 of title 5, United States Code, under conditions allowing the annuity to continue during reemployment, payment of the annuitant's annuity shall continue after the effective date of the election, and an amount equal to the annuity allocable to the period of actual employment shall continue to be deducted from the annuitant's pay and deposited as provided in subsection (a) of such section. Deductions from pay under section 8422(a) of such title and contributions under section 8423 of such title shall begin effective on the effective date of the election.

“(ii) Notwithstanding any provision of section 301, an election under such section shall not be available to any reemployed annuitant who would be excluded from the operation of chapter 84 of title 5, United States Code, under section 8402(c) of such title (relating to exclusions based on the temporary or intermittent nature of one's employment).

“(B) If the annuitant serves on a full-time basis for at least 1 year, or on a part-time basis for periods equivalent to at least 1 year of full-time service, such annuitant's annuity, on termination of reemployment, shall be increased by an annuity computed—

“(i) with respect to reemployment service before the effective date of the election, under section 8339(a), (b), (d), (e), (h), (i), and (n) of title 5, United States Code, as may apply based on the reemployment in which such annuitant was engaged before such effective date; and

“(ii) with respect to reemployment service on or after the effective date of the election, under section 8415(a) through (g) of such title, as may apply based on the reemployment in which such annuitant was engaged on or after such effective date; with the ‘average pay’ used in any computation under clause (i) or (ii) being determined (based on rates of pay in effect during the period of reemployment,

whether before, on, or after the effective date of the election) in the same way as provided for in paragraph (6). If the annuitant is receiving a reduced annuity as provided in section 8339(j) or section 8339(k)(2) of title 5, United States Code, the increase in annuity payable under this subparagraph is reduced by 10 percent and the survivor annuity payable under section 8341(b) of such title is increased by 55 percent of the increase in annuity payable under this subparagraph, unless, at the time of claiming the increase payable under this subparagraph, the annuitant notifies the Office of Personnel Management in writing that such annuitant does not desire the survivor annuity to be increased. If the annuitant dies while still reemployed, after having been reemployed for at least 1 full year (or the equivalent thereof, in the case of part-time employment), any survivor annuity payable under section 8341(b) of such title based on the service of such annuitant is increased as though the reemployment had otherwise terminated. In applying paragraph (7) to an amount under this subparagraph, any portion of such amount attributable to clause (i) shall be adjusted under subparagraph (A) of such paragraph, and any portion of such amount attributable to clause (ii) shall be adjusted under subparagraph (B) of such paragraph.

“(C)(i) If the annuitant serves on a full-time basis for at least 5 years, or on a part-time basis for periods equivalent to at least 5 years of full-time service, such annuitant may elect, instead of the benefit provided by subparagraph (B), to have such annuitant’s rights redetermined, effective upon separation from employment. If the annuitant so elects, the redetermined annuity will become payable as if such annuitant were retiring for the first time based on the separation from reemployment service, and the provisions of this section concerning computation of annuity (other than any provision of this paragraph) shall apply.

“(ii) If the annuitant dies while still reemployed, after having been reemployed for at least 5 full years (or the equivalent thereof, in the case of part-time employment), any person entitled to a survivor annuity under section 8341(b) of title 5, United States Code, based on the service of such annuitant shall be permitted to elect to have such person’s rights redetermined in accordance with regulations which the Office shall prescribe. Redetermined benefits elected under this clause shall be in lieu of any increased benefits which would otherwise be payable in accordance with the next to last sentence of subparagraph (B).

“(D) If the annuitant serves on a full-time basis for less than 1 year (or the equivalent thereof, in the case of part-time employment), any amounts withheld under section 8422(a) of title 5, United States Code, from such annuitant’s pay for the period (or periods) involved shall, upon written application to the Office, be payable to such annuitant (or the appropriate survivor or survivors, determined in the order set forth in section 8342(c) of such title).

“(E) For purposes of determining the period of an annuitant’s reemployment service under this paragraph, a period of reemployment service shall not be taken into account unless—

“(i) with respect to service performed before the effective date of the election under section 301, it is service which, if performed for at least 1 full year, would have allowed such annuitant to elect under section 8344(a) of title 5, United States Code, to have deductions withheld from pay; or

“(ii) with respect to service performed on or after the effective date of the election under section 301, it is service with respect to which deductions from pay would be required to be withheld under the second sentence of section 8468(a) of title 5, United States Code.

“(b) CHAPTER 83 GENERALLY INAPPLICABLE.—(1) Except as provided in subsection (a) or paragraph (2), subchapter III of chapter 83 of title 5, United States Code,

shall not apply with respect to any individual who becomes subject to chapter 84 of title 5, United States Code, pursuant to an election under section 301.

“(2)(A) Nothing in paragraph (1), or in subchapter III of chapter 83 of title 5, United States Code, shall preclude the making of a deposit under such subchapter with respect to any civilian service under subsection (a)(1)(D) or military service under subsection (a)(2)(B) either by the electing individual or, for purposes of survivor annuities, by a survivor of such individual.

“(B) Nothing in paragraph (1) shall preclude the payment of any lump-sum credit in accordance with section 8342 of title 5, United States Code.

“(c) REFUNDS RELATING TO CERTAIN CIVILIAN SERVICE.—(1) Any individual who makes an election under section 301 to become subject to chapter 84 and who, with respect to any period before the effective date of the election, has made a contribution to the Civil Service Retirement System (whether by deductions from pay or by a deposit or redeposit) and has not taken a refund of the contribution (as so made), shall be entitled to a refund equal to—

“(A) for a period of service under clause (i) of subsection (a)(1)(B), the amount by which—

“(i) the amount contributed with respect to such period, exceeds

“(ii) the amount required under such clause (i) with respect to such period;

“(B) for a period of service under clause (ii) of subsection (a)(1)(B), the amount by which—

“(i) the amount so contributed with respect to such period, exceeds

“(ii) the amount required under such clause (ii) with respect to such period; and

“(C) for a period of service under subparagraph (C) of subsection (a)(1), the amount by which—

“(i) the amount so contributed with respect to such period, exceeds

“(ii) the amount required under such subparagraph with respect to such period.

“(2) In accordance with regulations prescribed by the Office of Personnel Management, a refund under this subsection shall be payable upon written application therefor filed with the Office and shall include interest at the rate provided in section 8334(e)(3) of title 5, United States Code. Interest on the refund shall accrue monthly and shall be compounded annually.

“SEC. 303. PROVISIONS RELATING TO AN ELECTION TO BECOME SUBJECT TO CHAPTER 83 SUBJECT TO CERTAIN OFFSETS RELATING TO SOCIAL SECURITY.

“(a) REFUND.—Any individual who makes an election under section 301(b)(1)(A) shall, upon written application to the Office of Personnel Management, be entitled to a refund equal to—

“(1) for the period beginning on January 1, 1984, and ending on December 31, 1986, the amount by which—

“(A) the total amount deducted from such individual’s basic pay under section 8334(a)(1) of title 5, United States Code, for such period, exceeds

“(B) 1.3 percent of such individual’s total basic pay for such period; and

“(2) for the period beginning on January 1, 1987, and ending on the day before the effective date of the election, the amount by which—

“(A) the total amount deducted from such individual’s basic pay under such section 8334(a)(1) for such period, exceeds

“(B) the total amount which would have been deducted if such individual’s basic pay had instead been subject to section 8334(k) of such title during such period.

A refund under this subsection shall be computed with interest in accordance with section 302(c)(2) and regulations prescribed by the Office of Personnel Management.

“(b) DEPOSIT REQUIREMENTS.—(1) In the case of an individual who becomes subject to subchapter III of chapter 83 of title 5, United States Code, pursuant to notifi-

cation as described in the second sentence of section 301(b)(3)(B), service performed by such individual before the effective date of the notification shall not be considered creditable under such subchapter unless—

“(A) for any service during the period beginning on January 1, 1987, and ending on the day before such effective date, there is deposited to the credit of the Fund a percentage of basic pay for such period equal to the percentage which would have applied under section 8334(k) of such title if such individual’s pay had been subject to such section during such period;

“(B) for any period of service beginning on January 1, 1984, and ending on December 31, 1986, there is deposited to the credit of the Fund an amount equal to 1.3 percent of basic pay for such period; and

“(C) for any period of service before January 1, 1984, there is deposited to the credit of the Fund any amount required with respect to such period under such subchapter.

“(2) A deposit under this subsection may be made by the individual or, for purposes of survivor annuities, a survivor of such individual.”

[Section 113(a)(2) of Pub. L. 100-238 provided that: “The amendment made by paragraph (1) [amending section 301(a) of Pub. L. 99-335 set out above] shall be effective as of June 30, 1987. Any refund which becomes payable as a result of the preceding sentence shall, to the extent that such refund involves an individual’s contributions to the Thrift Savings Fund (established under section 8437 of title 5, United States Code), be adjusted to reflect any earnings attributable thereto.”]

[Amendment by section 134(b) of Pub. L. 100-238 to section 302(a) of Pub. L. 99-335 applicable with respect to any election made by a reemployed annuitant on or after Jan. 8, 1988, see section 134(d) of Pub. L. 100-238, set out as an Effective Date of 1988 Amendment note under section 8468 of this title.]

“SPECIAL DEPOSIT AND OFFSET RULES RELATING TO RETIREMENT BENEFITS FOR INTERIM COVERED SERVICE

“SEC. 206. (a) For the purposes of this section, the term ‘interim covered service’ means covered service to which section 204(a) applies.

“(b)(1) Paragraphs (2) and (3) apply according to the provisions thereof only with respect to a covered employee who is employed by the Government on December 31, 1983.

“(2)(A) Notwithstanding any other provision of law, the interim covered service of such covered employee shall be considered—

“(i) in determining entitlement to and computing the amount of an annuity (other than a disability or survivor annuity) commencing under a covered retirement system during the period beginning January 1, 1984, and ending on the earlier of the date a new Government retirement system takes effect or January 1, 1987, by reason of the retirement of such covered employee during such period only if such covered employee makes a deposit to the credit of such covered retirement system for such covered service in an amount computed as provided in subsection (f); and

“(ii) in computing a disability or survivor annuity which commences under a covered retirement system during such period and is based in any part on such interim covered service.

“(B) Notwithstanding any other provision of law, an annuity to which subparagraph (A)(ii) applies shall be reduced by the portion of the amount of any benefits which is payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] and is attributable to the interim covered service considered in computing the amount of such annuity, as determined under subsection (g), unless, in the case of a survivor annuity, a covered employee has made a deposit with respect to such covered service for the purposes of subparagraph (A)(i) before the date on which payment of such annuity commences.

“(3) Notwithstanding any other provision of law, if a new Government retirement system is not established or is inapplicable to such a covered employee who retires or dies subject to a covered retirement system after the date on which such new Government retirement system takes effect, the interim covered service of such covered employee shall be considered in determining entitlement to and computing the amount of an annuity under a covered retirement system based on the service of such covered employee only if such covered employee makes a deposit to the credit of such covered retirement system for such covered service in an amount computed as provided in subsection (f).

“(c)(1) Paragraphs (2) and (3) apply according to the provisions thereof only with respect to a covered employee who was not employed by the Government on December 31, 1983.

“(3) Notwithstanding any other provision of law, if a new Government retirement system is not established, the interim covered service of such a covered employee who retires or dies after January 1, 1987, shall be considered in determining entitlement to and computing the amount of an annuity under a covered retirement system based on the service of such covered employee only if such covered employee makes a deposit to the credit of such covered retirement system for such covered service in an amount computed as provided in subsection (f).

“(d) If a covered employee with respect to whom subsection (b)(3) or (c)(3) applies dies without having made a deposit pursuant to such subsection, any individual who is entitled to an annuity under a covered retirement system based on the service of such covered employee or who would be entitled to such an annuity if such deposit had been made by the covered employee before death may make such deposit after the date of death of such covered employee. Service covered by a deposit made pursuant to the first sentence shall be considered in determining, in the case of each individual to whom the first sentence applies, the entitlement to and the amount of an annuity under a covered retirement system based on the service of such covered employee.

“(e) A reduction in annuity under subsection (b)(2)(B) or (c)(2) shall commence on the first day of the first month after the date on which payment of benefits under title II of the Social Security Act [42 U.S.C. 401 et seq.] commence and shall be redetermined each time an increase in such benefits takes effect pursuant to section 215(i) of the Social Security Act [42 U.S.C. 415(i)]. In the case of an annuity of a participant or former participant in a covered retirement system, of a surviving spouse or child of such participant or former participant, or of any other person designated by such participant or former participant to receive an annuity, under a covered retirement system (other than a former spouse) the reduction in annuity under subsection (b)(2)(B) or (c)(2) shall be calculated before any reduction in such annuity provided under such system for the purpose of paying an annuity under such system to any former spouse of such participant or former participant based on the service of such participant or former participant.

“(f) For the purposes of subsection (b) or (c), the amount of a deposit to the credit of the applicable covered retirement system shall be equal to the excess of—

“(1) the total amount which would have been deducted and withheld from the basic pay of the covered employee for the interim covered service under such covered retirement system but for the application of section 204(a), over

“(2) the amount which was deducted and withheld from such basic pay for such interim covered service pursuant to section 204(a) and was not refunded to such covered employee.

“(g) For the purpose of subsections (b)(2)(B) and (c)(2), the portion of the amount of the benefits which is payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] to an individual and is attributable to interim covered service shall be determined by—

“(1) computing the amount of such benefits including credit for such service;

“(2) computing the amount of such benefits, if any, without including credit for such service; and

“(3) subtracting the amount computed under clause (2) from the amount computed under clause (1).

“(h) The Secretary of Health and Human Services shall furnish to the appropriate agency head (as defined in section 205(a)(2)) such information as such agency head considers necessary to carry out this section.

(i) who was awarded retired pay based on any period of military service, and

(ii) whose death occurs before separation from the service,

creditable service of the deceased employee or Member shall include each period of military service includable under subparagraph (A) or (B) of paragraph (1) of this subsection, as applicable. In carrying out this subparagraph, any amount deposited under section 8334(h) of this title shall be taken into account.

(B) A survivor annuity computed based on an amount which, under authority of subparagraph (A), takes into consideration any period of military service shall be reduced by the amount of any survivor's benefits—

(i) payable to a survivor (other than a child) under a retirement system for members of the uniformed services;

(ii) if, or to the extent that, such benefits are based on such period of military service.

(C) The Office of Personnel Management shall prescribe regulations to carry out this paragraph, including regulations under which—

(i) a survivor may elect not to be covered by this paragraph; and

(ii) this paragraph shall be carried out in any case which involves a former spouse.

(4) If, after January 1, 1997, an employee or Member waives retired pay that is subject to a

court order for which there has been effective service on the Secretary concerned for purposes of section 1408 of title 10, the military service on which the retired pay is based may be credited as service for purposes of this subchapter only if the employee or Member authorizes the Director to deduct and withhold from the annuity payable to the employee or Member under this subchapter an amount equal to the amount that, if the annuity payment was instead a payment of the employee's or Member's retired pay, would have been deducted and withheld and paid to the former spouse covered by the court order under such section 1408. The amount deducted and withheld under this paragraph shall be paid to that former spouse. The period of civil service employment by the employee or Member shall not be taken into consideration in determining the amount of the deductions and withholding or the amount of the payment to the former spouse. The Director of the Office of Personnel Management shall prescribe regulations to carry out this paragraph.

(d) For the purpose of section 8339(c)(1) of this title, a Member—

(1) shall be allowed credit only for periods of military service not exceeding 5 years, plus military service performed by the Member on leaving his office, for the purpose of performing military service, during a war or national emergency proclaimed by the President or declared by Congress and before his final separation from service as Member; and

(2) may not receive credit for military service for which credit is allowed for purpose of retired pay under other statute.

(e) This subchapter does not affect the right of an employee or Member to retired pay, pension, or compensation in addition to an annuity payable under this subchapter.

(f) Credit shall be allowed for leaves of absence without pay granted an employee while performing military service or while receiving benefits under subchapter I of chapter 81 of this title. An employee or former employee who returns to duty after a period of separation is deemed, for the purpose of this subsection, to have been in a leave of absence without pay for that part of the period in which he was receiving benefits under subchapter I of chapter 81 of this title or any earlier statute on which such subchapter is based. Except for a substitute in the postal field service and service described in paragraph (14) of subsection (b) of this section,³ credit may not be allowed for so much of other leaves of absence without pay as exceeds 6 months in the aggregate in a calendar year.

(g) An employee who during the period of a war, or of a national emergency as proclaimed by the President or declared by Congress, leaves his position to enter the military service is deemed, for the purpose of this subchapter, as not separated from his civilian position because of that military service, unless he applies for and receives a lump-sum credit under this subchapter. However, the employee is deemed as not retaining his civilian position after December 31, 1956, or after the expiration of 5 years of that military service, whichever is later.

(h) An employee who—

(1) has at least 5 years' Member service; and

(2) serves as a Member at any time after August 2, 1946;

may not be allowed credit for service which is used in the computation of an annuity under section 8339(c) of this title.

(i) An individual who qualifies as an employee under section 8331(1)(E) of this title is entitled to credit for his service as a United States Commissioner, which is not credited for the purpose of this subchapter for service performed by him in a capacity other than Commissioner, on the basis of—

(1) 1/313 of a year for each day on which he performed service as a Commissioner before July 1, 1945; and

(2) 1/260 of a year for each day on which he performed service as a Commissioner after June 30, 1945.

Credit for service performed as Commissioner may not exceed 313 days in a year before July 1, 1945, or 260 days in a year after June 30, 1945. For the purpose of this subchapter, the employment and pay of a Commissioner is deemed on a daily basis when actually employed.

(j)(1) Notwithstanding any other provision of this section, military service, except military service covered by military leave with pay from a civilian position, performed by an individual after December 1956, the period of an individual's services as a volunteer under part A of title VIII of the Economic Opportunity Act of 1964, the period of an individual's service as a full-time volunteer enrolled in a program of at least 1 year's duration under part A, B,² or C of title I of the Domestic Volunteer Service Act of 1973, and the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22, shall be excluded in determining the aggregate period of service on which an annuity payable under this subchapter to the individual or to his spouse, former spouse or child is based, if the individual, spouse, former spouse, or child is entitled, or would on proper application be entitled, at the time of that determination, to monthly old-age or survivors benefits under section 402 of title 42 based on the individual's wages and self-employment income. If the military service or service as a volunteer under part A of title VIII of the Economic Opportunity Act of 1964, as a full-time volunteer enrolled in a program of at least 1 year's duration under part A, B,² or C of title I of the Domestic Volunteer Service Act of 1973, or as a volunteer or volunteer leader under chapter 34 of title 22 is not excluded by the preceding sentence, but on becoming 62 years of age, the individual or spouse, former spouse⁴ becomes entitled, or would on proper application be entitled, to the described benefits, the Office of Personnel Management shall redetermine the aggregate period of service on which the annuity is based, effective as of the first day of the month in which he or she becomes 62 years of age, so as to exclude that service. The Secretary of Health, Education, and Welfare, on request of the Office, shall inform

³ So in original.

⁴ So in original. Probably should be "individual, spouse, or former spouse".

the Office whether or not the individual, spouse, former spouse, or child is entitled at any named time to the described benefits. For the purpose of this subsection, the period of an individual's service as a volunteer or volunteer leader under chapter 34 of title 22 is the period between enrollment as a volunteer or volunteer leader and termination of that service by the President or by death or resignation, and the period of an individual's service as a volunteer under part A of title VIII of the Economic Opportunity Act of 1964 or under part A, B,² or C of title I of the Domestic Volunteer Service Act of 1973 is the period between enrollment as a volunteer and termination of that service by the Director of the Office of Economic Opportunity or the Chief Executive Officer of the Corporation for National and Community Service, as appropriate, or by death or resignation.

(2) The provisions of paragraph (1) of this subsection relating to credit for military service shall not apply to—

(A) any period of military service of an employee or Member with respect to which the employee or Member has made a deposit with interest, if any, under section 8334(j) of this title; or

(B) the service of any employee or Member described in section 8332(c)(1)(B) of this title.

(3) The provisions of paragraph (1) relating to credit for service as a volunteer or volunteer leader under the Economic Opportunity Act of 1964, part A, B,² or C of title I of the Domestic Volunteer Service Act of 1973, or the Peace Corps Act shall not apply to any period of service as a volunteer or volunteer leader of an employee or Member with respect to which the employee or Member has made the deposit with interest, if any, required by section 8334(l).

(k)(1) An employee who enters on approved leave without pay to serve as a full-time officer or employee of an organization composed primarily of employees as defined by section 8331(1) of this title, within 60 days after entering on that leave without pay, may file with his employing agency an election to receive full retirement credit for his periods of that leave without pay and arrange to pay currently into the Fund, through his employing agency, amounts equal to the retirement deductions and agency contributions that would be applicable if he were in pay status. If the election and all payments provided by this paragraph are not made, the employee may not receive credit for the periods of leave without pay occurring after July 17, 1966, notwithstanding the third⁵ sentence of subsection (f) of this section. For the purpose of the preceding sentence, "employee" includes an employee who was on approved leave without pay and serving as a full-time officer or employee of such an organization on July 18, 1966, and who filed a similar election before September 17, 1966.

(2) An employee may deposit with interest an amount equal to retirement deductions representing any period or periods of approved leave without pay while serving, before July 18, 1966, as a full-time officer or employee of an or-

ganization composed primarily of employees as defined by section 8331(1) of this title. An employee who makes the deposit shall be allowed full retirement credit for the period or periods of leave without pay. If the employee dies, a survivor as defined by section 8331(10) of this title may make the deposit. If the deposit is not made in full, retirement credit shall be allowed in accordance with the third⁵ sentence of subsection (f) of this section.

(l)(1) Any employee or Member who—

(A) is of Japanese ancestry; and

(B) while a citizen of the United States or an alien lawfully admitted to the United States for permanent residence, was interned or otherwise detained at any time during World War II in any camp, installation, or other facility in the United States, or in any territory or possession of the United States, under any policy or program of the United States respecting individuals of Japanese ancestry which was established during World War II in the interests of national security pursuant to—

(i) Executive Order Numbered 9066, dated February 19, 1942;

(ii) section 67 of the Act entitled "An Act to provide a government for the Territory of Hawaii", approved April 30, 1900 (chapter 339, Fifty-sixth Congress; 31 Stat. 153);

(iii) Executive Order Numbered 9489, dated October 18, 1944;

(iv) sections 4067 through 4070 of the Revised Statutes of the United States; or

(v) any other statute, rule, regulation, or order; or

(C) is of Aleut ancestry and while a citizen of the United States was interned or otherwise detained in, or relocated to any camp, installation, or other facility in the Territory of Alaska which was established during World War II for the purpose of the internment, detention, or relocation of Aleuts pursuant to any statute, rule, regulation, or order;

shall be allowed credit (as civilian service) for any period during which such employee or Member was so interned or otherwise detained after such employee became 18 years of age.

(2) For the purpose of this subsection, "World War II" means the period beginning on December 7, 1941, and ending on December 31, 1946.

(m)(1) Upon application to the Office of Personnel Management, any individual who is an employee on the date of the enactment of this subsection, and who has on such date or thereafter acquires 5 years or more of creditable civilian service under this section (exclusive of service for which credit is allowed under this subsection) shall be allowed credit (as service as a Congressional employee) for service before the date of the enactment of this subsection while employed by the Democratic Senatorial Campaign Committee, the Republican Senatorial Campaign Committee, the Democratic National Congressional Committee, or the Republican National Congressional Committee, if—

(A) such employee has at least 4 years and 6 months of service on such committees as of December 12, 1980; and

(B) such employee makes a deposit to the Fund in an amount equal to the amount which

⁵ See 1986 Amendment note below.

would be required under section 8334(c) of this title if such service were service as a Congressional employee.

(2) Upon application to the Office of Personnel Management, any individual who was an employee on the date of enactment of this paragraph, and who has on such date or thereafter acquires 5 years or more of creditable civilian service under this section (exclusive of service for which credit is allowed under this subsection) shall be allowed credit (as service as a congressional employee) for service before December 31, 1990, while employed by the Democratic Senatorial Campaign Committee, the Republican Senatorial Campaign Committee, the Democratic National Congressional Committee, or the Republican National Congressional Committee, if—

(A) such employee has at least 4 years and 6 months of service on such committees as of December 31, 1990; and

(B) such employee makes a deposit to the Fund in an amount equal to the amount which would be required under section 8334(c) if such service were service as a congressional employee.

(4) An individual receiving credit for service for any period under this subsection shall not be granted credit for such service under the provisions of the Social Security Act.

(n) Any employee who—

(1) served in a position in which the employee was excluded from coverage under this subchapter because the employee was covered under a retirement system established under section 10 of the Federal Reserve Act; and

(2) transferred without a break in service to a position to which the employee was appointed by the President, with the advice and consent of the Senate, and in which position the employee is subject to this subchapter,

shall be treated for all purposes of this subchapter as if any service that would have been creditable under the retirement system established under section 10 of the Federal Reserve Act was service performed while subject to this subchapter if any employee and employer deductions, contributions or rights with respect to the employee's service are transferred from such retirement system to the Fund.

(o)(1) Notwithstanding any other provision of this subchapter, the service of an individual finally convicted of an offense described in paragraph (2) shall not be taken into account for purposes of this subchapter, except that this sentence applies only to service rendered as a Member (irrespective of when rendered). Any such individual (or other person determined under section 8342(c), if applicable) shall be entitled to be paid so much of such individual's lump-sum credit as is attributable to service to which the preceding sentence applies.

(2)(A) An offense described in this paragraph is any offense described in subparagraph (B) for which the following apply:

The section is reorganized for clarity.

Subsection (b)(B) is added on authority of section 2522(e) of title 22.

In subsection (c)(1)(B), the words “as that term is defined by section 301 of title 38” are coextensive with and substituted for “as that term is used in chapter 11 of Title 38”.

In subsection (c)(2), the words “under chapter 67 of title 10” are substituted for “title III of Public Law 810, Eightieth Congress” on authority of the Act of Aug. 10, 1956, ch. 104, §49(b), 70A Stat. 640.

In subsection (f), the words “without pay” are added after “leaves of absence” in the first sentence for clarity and to align it with the use of the term in the second sentence. The words “postal field service” are coextensive with and substituted for “postal service”.

In subsection (g), the words “has left” are omitted as executed.

In subsection (i), the words “but nothing contained in this chapter [chapter 30 of title 5] shall affect, other-

wise than for the purposes of this chapter, the basis, under applicable law other than this chapter, on which such United States Commissioner is employed or on which his compensation is determined and paid” are omitted from the last sentence as surplusage as there is nothing in the chapter that can reasonably be construed to affect that basis other than for the purposes of the chapter.

In subsection (j), the words “or section 2504(f) of Title 22” are omitted as unnecessary since the provisions of that section applicable to this subchapter are carried into subsection (b). The last sentence is added on authority of section 2522(e) of title 22.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

In subsection (k)(1), the words “as defined by section 8331(1) of this title” are substituted for “as defined in section 1(a) of this Act”. The words “occurring after July 17, 1966” are substituted for “occurring on or after date of enactment of this subsection”. The words “notwithstanding the second sentence of subsection (f) of this section” are substituted for “notwithstanding the provisions of the second sentence of section 3(c) of this Act”. “(a) The provisions of section 8332(j) of title 5, United States Code, relating to credit for military service, shall not apply with respect to any individual who is entitled to an annuity under subchapter III of chapter 83 of title 5, United States Code, on or before the date of enactment of this Act [Sept. 8, 1982] or who is entitled to an annuity based on a separation from service occurring on or before such date of enactment.

“(b) Subject to subsection (b), in any case in which an individual described in subsection (a) is also entitled to old-age or survivors’ insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] (or would be entitled to such benefits upon filing application therefor), the amount of the annuity to which such individual is entitled under subchapter III of chapter 83 of title 5, United States Code, (after taking into account subsection (a)) which is payable for any month shall be reduced by an amount determined by multiplying the

amount of such old-age or survivors' insurance benefit for the determination month by a fraction—

“(1) the numerator of which is the total of the wages (within the meaning of section 209 of the Social Security Act [42 U.S.C. 409]) for service referred to in section 210(f) of such Act [42 U.S.C. 410(f)] (relating to service in the uniformed services) and deemed additional wages (within the meaning of section 229 of such Act [42 U.S.C. 429]) of such individual credited for years after 1956 and before the calendar year in which the determination month occurs, up to the contribution and benefit base determined under section 230 of the Social Security Act [42 U.S.C. 430] (or other applicable maximum amount referred to in section 215(e)(1) of such Act [42 U.S.C. 415(e)(1)]) for each such year, and

“(2) the denominator of which is the total of all wages and deemed additional wages described in paragraph (1) of this subsection plus all other wages (within the meaning of section 209 of such Act [42 U.S.C. 409]) and all self-employment income (within the meaning of section 211(b) of such Act [42 U.S.C. 411(b)]) of such individual credited for years after 1936 and before the calendar year in which the determination month occurs, up to the contribution and benefit base (or such other amount referred to in such section 215(e)(1) [42 U.S.C. 415(e)(1)]) for each such year.

“(c) Subsection (b) shall not reduce the annuity of any individual below the amount of the annuity which would be payable under this subchapter to the individual for the determination month if section 8332(j) of title 5, United States Code, applied to the individual for such month.

“(d) For purposes of this section, the term ‘determination month’ means—

“(1) the first month the individual described in subsection (a) is entitled to old-age or survivors' insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] (or would be entitled to such benefits upon filing application therefor); or

“(2) October 1982, in the case of any individual so entitled to such benefits for such month.

“(e) The preceding provisions of this section shall take effect with respect to any annuity payment payable under subchapter III of chapter 83 of title 5, United States Code, for calendar months beginning after September 30, 1982.

CREDITABLE SERVICE OF CERTAIN COMMISSIONED OFFICERS OF THE REGULAR OR RESERVE CORPS OF THE PUBLIC HEALTH SERVICE

Section 6(a), (b) of Pub. L. 86-415, Apr. 8, 1960, 74 Stat. 35, provided that:

“(a) Except as provided in subsection (b), service as a commissioned officer in the Regular Corps of the Public Health Service prior to July 1, 1960, shall be considered, for purposes of credit under the Civil Service Re-

tirement Act [this subchapter], other than section 3(f) thereof [section 8333(a) of this title], as civilian service performed by an employee (as defined in such Act [this subchapter]) and commissioned officers of the Reserve Corps of the Public Health Service, subject to the Civil Service Retirement Act [this subchapter] on June 30, 1960, shall be considered as voluntarily separated on that date, with respect to service as such officers, from civilian positions subject to such Act [this subchapter].

“(b) If a commissioned officer of the Regular or Reserve Corps of the Public Health Service is retired after June 30, 1960, and becomes entitled to retired pay from the Public Health Service, all service in the Regular or Reserve Corps of the Public Health Service prior to July 1, 1960, together with any other service which is performed at any time with the Public Health Service, other than as a commissioned officer, and which is credited to the officer for purposes of such retirement, shall be considered as military service for purposes of section 3(b) of the Civil Service Retirement Act [subsecs. (c)-(e) of this section]; except that, in the case of any such officer who is retired pursuant to subsection (a) of section 211 of the Public Health Service Act [section 212(a) of Title 42], any such service which was performed prior to July 1, 1960, which was subject to the Civil Service Retirement Act [this subchapter], and with respect to which he has not, prior to his retirement, received a refund of deductions under the Civil Service Retirement Act [this subchapter], shall not be considered as military service for purposes of such section 3(b) [subsecs. (c)-(e) of this section], but only if he waives his right to have such service included for purposes of computing the amount of his retired pay from the Service.”

§ 8333. Eligibility for annuity

(a) An employee must complete at least 5 years of civilian service before he is eligible for an annuity under this subchapter.

(b) An employee or Member must complete, within the last 2 years before any separation from service, except a separation because of death or disability, at least 1 year of creditable civilian service during which he is subject to this subchapter before he or his survivors are eligible for annuity under this subchapter based on the separation. If an employee or Member, except an employee or Member separated from the service because of death or disability, fails to meet the service requirement of the preceding sentence, the amounts deducted from his pay during the service for which no eligibility for annuity is established based on the separation shall be returned to him on the separation. Failure to meet this service requirement does not deprive the individual or his survivors of annuity rights which attached on a previous separation.

(c) A Member or his survivor is eligible for an annuity under this subchapter only if the amounts named by section 8334 of this title have been deducted or deposited with respect to his last 5 years of civilian service, or, in the case of a survivor annuity under section 8341(d) or (e)(1) of this title, with respect to his total service.

Notwithstanding the preceding provisions of this subsection and any provision of section 206(b)(3) of the Federal Employees' Retirement Contribution Temporary Adjustment Act of 1983, the percentage of basic pay required under this subsection in the case of an individual described in section 8402(b)(2) shall, with respect to any covered service (as defined by section 203(a)(3) of such Act) performed by such individual after December 31, 1983, and before January 1, 1987, be equal to 1.3 percent, and, with respect to any such service performed after December 31, 1986, be equal to the amount that would have been deducted from the employee's basic pay under subsection (k) of this section if the employee's pay had been subject to that subsection during such period.

(d)(1) Each employee or Member who has received a refund of retirement deductions under

this or any other retirement system established for employees of the Government covering service for which he may be allowed credit under this subchapter may deposit the amount received, with interest. Credit may not be allowed for the service covered by the refund until the deposit is made.

(2)(A) This paragraph applies with respect to any employee or Member who—

(i) separates before March 1, 1991, and receives (or elects, in accordance with applicable provisions of this subchapter, to receive) a refund (described in paragraph (1)) which relates to a period of service ending before March 1, 1991;

(ii) is entitled to an annuity under this subchapter (other than a disability annuity) which is based on service of such employee or Member, and which commences on or after December 2, 1990; and

(iii) does not make the deposit (described in paragraph (1)) required in order to receive credit for the period of service with respect to which the refund relates.

(B) Notwithstanding the second sentence of paragraph (1), the annuity to which an employee or Member under this paragraph is entitled shall (subject to adjustment under section 8340) be equal to an amount which, when taken together with the unpaid amount referred to in subparagraph (A)(iii), would result in the present value of the total being actuarially equivalent to the present value of the annuity which would otherwise be provided the employee or Member under this subchapter, as computed under subsections (a)–(i) and (n) of section 8339 (treating, for purposes of so computing the annuity which would otherwise be provided under this subchapter, the deposit referred to in subparagraph (A)(iii) as if it had been timely made).

(C) The Office of Personnel Management shall prescribe such regulations as may be necessary to carry out this paragraph.

(e)(1) Interest under subsection (c), (d)(1), (j), (k), or (l) of this section is computed in accordance with paragraphs (2) and (3) of this subsection and regulations prescribed by the Office of Personnel Management.

(2) Interest accrues annually on the outstanding portion of any amount that may be deposited under subsection (c), (d)(1), (j), (k), or (l) of this section, and is compounded annually, until the portion is deposited. Such interest is computed from the mid-point of each service period included in the computation, or from the date refund was paid. The deposit may be made in one or more installments. Interest may not be charged for a period of separation from the service which began before October 1, 1956.

(3) The rate of interest is 4 percent a year through December 31, 1947, and 3 percent a year beginning January 1, 1948, through December 31, 1984. Thereafter, the rate of interest for any calendar year shall be equal to the overall average yield to the Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during such fiscal year under section 8348(c), (d), and (e) of this title, as determined by the Secretary.

(f) Under such regulations as the Office of Personnel Management may prescribe, amounts de-

ducted under subsection (a) or (k) of this section and deposited under subsections (c) and (d)(1) of this section shall be entered on individual retirement records.

(g) Deposit may not be required for—

- (1) service before August 1, 1920;
- (2) military service, except to the extent provided under section 8332(c) or section 8334(j) of this title;
- (3) service for the Panama Railroad Company before January 1, 1924;
- (4) service performed before October 29, 1983,² by natives of the Pribilof Islands in the taking and curing of fur seal skins and other activities in connection with the administration of the Pribilof Islands except where deductions, contributions, and deposits were made before October 29, 1983;
- (5) days of unused sick leave credited under section 8339(m) of this title; or
- (6) any period for which credit is allowed under section 8332(l) of this title.

(h) For the purpose of survivor annuities, deposits authorized by subsections (c), (d)(1), (j), and (k) of this section may also be made by a survivor of an employee or Member.

(i)(1) The Director of the Administrative Office of the United States Courts shall pay to the Fund the amount which an employee may deposit under subsection (c) of this section for service creditable under section 8332(b)(12) of this title if such creditable service immediately precedes service as an employee subject to this subchapter with a break in service of no more than ninety working days. The Director shall pay such amount from any appropriation available to him as a necessary expense of the appropriation concerned.

(2) The amount the Director pays in accordance with paragraph (1) of this subsection shall be reduced by the amount of any refund to the employee under section 376 of title 28. Except to the extent of such reduction, the amount the Director pays to the Fund shall satisfy the deposit requirement of subsection (c) of this section.

(3) Notwithstanding any other provision of law, the amount the Director pays under this subsection shall constitute an employer contribution to the Fund, excludable under section 402 of the Internal Revenue Code of 1986 from the employee's gross income until such time as the contribution is distributed or made available to the employee, and shall not be subject to refund or to lump-sum payment to the employee.

(4) Notwithstanding any other provision of law, a bankruptcy judge or magistrate judge who is covered by section 377 of title 28 or section 2(c) of the Retirement and Survivors' Annuities for Bankruptcy Judges and Magistrates Act of 1988 shall not be subject to deductions and contributions to the Fund, if the judge or magistrate judge notifies the Director of the Administrative Office of the United States Courts of an election of a retirement annuity under those provisions. Upon such an election, the judge or magistrate judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(5) Notwithstanding any other provision of law, a judge who is covered by section 7296 of

title 38 shall not be subject to deductions and contributions to the Fund, if the judge notifies the Director of the Office of Personnel Management of an election of a retirement annuity under that section. Upon such an election, the judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(6) Notwithstanding any other provision of law, a judge of the United States Court of Federal Claims who is covered by section 178 of title 28 shall not be subject to deductions and contributions to the Fund if the judge notifies the Director of the Administrative Office of the United States Courts of an election of a retirement annuity under those provisions. Upon such an election, the judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(j)(1)(A) Except as provided in subparagraph (B), and subject to paragraph (5), each employee or Member who has performed military service before the date of the separation on which the entitlement to any annuity under this subchapter is based may pay, in accordance with such regulations as the Office shall issue, to the agency by which the employee is employed, or, in the case of a Member or a Congressional employee, to the Secretary of the Senate or the Chief Administrative Officer of the House of Representatives, as appropriate, an amount equal to 7 percent of the amount of the basic pay paid under section 204 of title 37 to the employee or Member for each period of military service after December 1956. The amount of such payments shall be based on such evidence of basic pay for military service as the employee or Member may provide, or if the Office determines sufficient evidence has not been so provided to adequately determine basic pay for military service, such payment shall be based upon estimates of such basic pay provided to the Office under paragraph (4).

(B) In any case where military service interrupts creditable civilian service under this subchapter and reemployment pursuant to chapter 43 of title 38 occurs on or after August 1, 1990, the deposit payable under this paragraph may not exceed the amount that would have been deducted and withheld under subsection (a)(1) from basic pay during civilian service if the employee had not performed the period of military service.

(2) Any deposit made under paragraph (1) of this subsection more than two years after the later of—

(A) October 1, 1983; or

(B) the date on which the employee or Member making the deposit first becomes an employee or Member following the period of military service for which such deposit is due,

(2)(A) With respect to Federal wages of an employee or Member (or that portion thereof) not exceeding the contribution and benefit base during the calendar year involved, the appropriate amount to be deducted and withheld under this subsection is the amount by which—

(i) the total deduction for those wages (or for that portion) exceeds;

(ii) the OASDI contribution with respect to those wages (or that portion).

(iv) the term “OASDI contribution”, with respect to any income, means the amount of tax which may be imposed under section 3101(a) of the Internal Revenue Code of 1986 with respect to such income (determined without regard to any income which is not a part of Federal wages).

(3) The amount of a deposit under subsection (c) of this section for any service with respect to which paragraph (1) of this subsection applies shall be equal to an amount determined based on the preceding provisions of this subsection, and shall include interest.

(4) In administering paragraphs (1) through (3)—

(A) the term “an individual described in section 8402(b)(2) of this title” shall be considered to include any individual—

(i) who is subject to this subchapter as a result of a provision of law described in section 8347(o), and

(ii) whose employment (as described in section 8347(o)) is also employment for purposes of title II of the Social Security Act and chapter 21 of the Internal Revenue Code of 1986; and

(B) the term “Federal wages”, as applied with respect to any individual to whom this subsection applies as a result of subparagraph (A), means basic pay for any employment referred to in subparagraph (A)(ii).

§ 8337. Disability retirement

(a) An employee who completes 5 years of civilian service and has become disabled shall be retired on the employee’s own application or on application by the employee’s agency. Any employee shall be considered to be disabled only if the employee is found by the Office of Personnel Management to be unable, because of disease or injury, to render useful and efficient service in the employee’s position and is not qualified for reassignment, under procedures prescribed by the Office, to a vacant position which is in the agency at the same grade or level and in which the employee would be able to render useful and efficient service. For the purpose of the preceding sentence, an employee of the United States Postal Service shall be considered not qualified for a reassignment described in that sentence if the reassignment is to a position in a different craft or is inconsistent with the terms of a collective bargaining agreement covering the employee. A judge of the United States Court of Appeals for the Armed Forces who completes 5 years of civilian service and who is found by the Office to be disabled for useful and efficient service as a judge of such court or who is removed for mental or physical disability under section 942(c) of title 10 shall be retired on the judge’s own application or upon such removal. A Member who completes 5 years of Member serv-

ice and is found by the Office to be disabled for useful and efficient service as a Member because of disease or injury shall be retired on the Member's own application. An annuity authorized by this section is computed under section 8339(g) of this title, unless the employee or Member is eligible for a higher annuity computed under section 8339(a) through (e), (n), (q), (r), or (s).

(b) A claim may be allowed under this section only if the application is filed with the Office before the employee or Member is separated from the service or within 1 year thereafter. This time limitation may be waived by the Office for an employee or Member who at the date of separation from service or within 1 year thereafter is mentally incompetent, if the application is filed with the Office within 1 year from the date of restoration of the employee or Member to competency or the appointment of a fiduciary, whichever is earlier.

(c) An annuitant receiving disability retirement annuity from the Fund shall be examined under the direction of the Office—

(1) at the end of 1 year from the date of the disability retirement; and

(2) annually thereafter until he becomes 60 years of age;

unless his disability is permanent in character. If the annuitant fails to submit to examination as required by this section, payment of the annuity shall be suspended until continuance of the disability is satisfactorily established.

(d) If an annuitant receiving disability retirement annuity from the Fund, before becoming 60 years of age, recovers from his disability, payment of the annuity terminates on reemployment by the Government or 1 year after the date of the medical examination showing the recovery, whichever is earlier. If an annuitant receiving disability retirement annuity from the Fund, before becoming 60 years of age, is restored to an earning capacity fairly comparable to the current rate of pay of the position occupied at the time of retirement, payment of the annuity terminates on reemployment by the Government or 180 days after the end of the calendar year in which earning capacity is so restored, whichever is earlier. Earning capacity is deemed restored if in any calendar year the income of the annuitant from wages or self-employment or both equals at least 80 percent of the current rate of pay of the position occupied immediately before retirement.

(e) If an annuitant whose annuity is terminated under subsection (d) of this section is not reemployed in a position in which he is subject to this subchapter, he is deemed, except for service credit, to have been involuntarily separated from the service for the purpose of this subchapter as of the date of termination of the disability annuity, and after that termination is entitled to annuity under the applicable provisions of this subchapter. If an annuitant whose annuity is heretofore or hereafter terminated because of an earning capacity provision of this subchapter or an earlier statute—

(1) is not reemployed in a position in which he is subject to this subchapter; and

(2) has not recovered from the disability for which he was retired;

his annuity shall be restored at the same rate effective the first of the year following any calendar year in which his income from wages or self-employment or both is less than 80 percent of the current rate of pay of the position occupied immediately before retirement. If an annuitant whose annuity is heretofore or hereafter terminated because of a medical finding that he has recovered from disability is not reemployed in a position in which he is subject to this subchapter, his annuity shall be restored at the same rate effective from the date of medical examination showing a recurrence of the disability. The second and third sentences of this subsection do not apply to an individual who has become 62 years of age and is receiving or is eligible to receive annuity under the first sentence of this subsection.

(f)(1) An individual is not entitled to receive—

(A) an annuity under this subchapter; and

(B) compensation for injury to, or disability of, such individual under subchapter I of chapter 81, other than compensation payable under section 8107,

covering the same period of time.

(2) An individual is not entitled to receive an annuity under this subchapter and a concurrent benefit under subchapter I of chapter 81 on account of the death of the same person.

(3) Paragraphs (1) and (2) do not bar the right of a claimant to the greater benefit conferred by either this subchapter or subchapter I of chapter 81.

(g) If an individual is entitled to an annuity under this subchapter, and the individual receives a lump-sum payment for compensation under section 8135 based on the disability or death of the same person, so much of the compensation as has been paid for a period extended beyond the date payment of the annuity commences, as determined by the Department of Labor, shall be refunded to that Department for credit to the Employees' Compensation Fund. Before the individual may receive the annuity, the individual shall—

(1) refund to the Department of Labor the amount representing the commuted compensation payments for the extended period; or

(2) authorize the deduction of the amount from the annuity.

Deductions from the annuity may be made from accrued or accruing payments. The amounts deducted and withheld from the annuity shall be transmitted to the Department of Labor for reimbursement to the Employees' Compensation Fund. When the Department of Labor finds that the financial circumstances of an individual entitled to an annuity under this subchapter warrant deferred refunding, deductions from the annuity may be prorated against and paid from accruing payments in such manner as the Department determines appropriate.

(h)(1) As used in this subsection, the term "technician" means an individual employed under section 709(a) of title 32 or section 10216 of title 10 who, as a condition of the employment, is required under section 709(b) of title 32 or section 10216 of title 10, respectively, to be a member of the Selected Reserve.

(2)(A) Except as provided in subparagraph (B) of this paragraph, an individual shall be retired under this section if the individual—

(A) the position is located within the commuting area of the individual's former position;

(B) the individual is qualified to serve in such position, as determined by the head of the agency; and

(C) the position is at the same grade or equivalent level as the position from which the individual was separated under section 709(e)(1) of title 32 or section 10216 of title 10.

1967 ACT

This section amends 5 U.S.C. 8337(e) for consistency within the subchapter and to reflect that it is the individual, rather than the position, that is subject to the subchapter.

AMENDMENTS

2000—Subsec. (a). Pub. L. 106-553 substituted “8339(a) through (e), (n), (q), (r), or (s)” for “8339(a)-(e), (n), (q), or (r)” in last sentence.

1999—Subsec. (h)(1). Pub. L. 106-65, §522(d)(1), inserted “or section 10216 of title 10” after “title 32” and substituted “title 32 or section 10216 of title 10, respectively, to be a member of the Selected Reserve.” for “such title to be a member of the National Guard and to hold a specified military grade.”

Subsec. (h)(2)(A)(i). Pub. L. 106-65, §522(d)(2), inserted “or section 10216 of title 10” after “title 32” and substituted “Selected Reserve” for “National Guard or from holding the military grade required for such employment”.

Subsec. (h)(3)(C). Pub. L. 106-65, §522(d)(3), inserted “or section 10216 of title 10” after “title 32”.

1997—Subsec. (a). Pub. L. 105-61 substituted “(q), or (r)” for “or (q)”.

1994—Subsec. (a). Pub. L. 103-337 substituted “Court of Appeals for the Armed Forces” for “Court of Military Appeals”.

1992—Subsec. (a). Pub. L. 102-378 substituted “if” for “is” after “employee” in second sentence.

1990—Subsec. (a). Pub. L. 101-428 substituted “8339(a)-(e), (n), or (q)” for “8339(a)-(e) or (n)”.

1989—Subsec. (a). Pub. L. 101-189 substituted “section 942(c) of title 10” for “section 867(a)(2) of title 10”.

1988—Subsec. (f). Pub. L. 100-238 added subsec. (f) and struck out former subsec. (f) which read as follows: “An individual is not entitled to receive an annuity under this subchapter and compensation for injury or disability to himself under subchapter I of chapter 81 of this title covering the same period of time. This provision does not bar the right of a claimant to the greater benefit conferred by either subchapter for any part of the same period of time. Neither this provision nor any provision of subchapter I of chapter 81 of this title denies to an individual an annuity accruing to him under this subchapter on account of service performed by him, or denies any concurrent benefit to him under subchapter I of chapter 81 of this title on account of the death of another individual.”

Subsec. (g). Pub. L. 100-238 added subsec. (g) and struck out former subsec. (g) which read as follows: “The right of an individual entitled to an annuity under this subchapter is not affected because he has received a lump-sum payment for compensation under section 8135 of this title. However, if the annuity is payable on account of the same disability for which compensation under section 8135 of this title has been paid, so much of the compensation as has been paid for a period extended beyond the date the annuity becomes effective, as determined by the Department of Labor, shall be refunded to that Department to be covered into the Employees’ Compensation Fund. Before the individual may receive the annuity he shall—

“(1) refund to the Department of Labor the amount representing the commuted compensation payments for the extended period; or

“(2) authorize the deduction of that amount from the annuity payable to him under this subchapter,

which amount shall be transmitted to the Department of Labor for reimbursement to the Employees' Compensation Fund.

Deductions from the annuity may be made from accrued and accruing payments. When the Department of Labor finds that the financial circumstances of the annuitant warrant deferred refunding, deductions from the annuity may be prorated against and paid from accruing payments in such manner as that Department determines."

1983—Subsec. (a). Pub. L. 98-94 inserted provision that a judge of the United States Court of Military Appeals who completes 5 years of civilian service and who is found by the Office to be disabled for useful and efficient service as a judge of such court or who is removed for mental or physical disability under section 867(a)(2) of title 10 shall be retired on the judge's own application or upon such removal.

1982—Subsec. (d). Pub. L. 97-253, §302(a)(1), (2), substituted "180 days" for "1 year" in provision relating to restoration of an annuitant to an earning capacity fairly comparable to the current rate of pay of the position occupied at the time of retirement, and "any calendar year" for "each of 2 succeeding calendar years".

Subsec. (h). Pub. L. 97-253, §302(a)(3), added subsec. (h).

1980—Subsec. (a). Pub. L. 96-499 provided that an employee was to be considered disabled only if the employee were found by the Office of Personnel Management to be unable to render useful and efficient service in the employee's position and was not qualified for reassignment to a vacant position in the agency at the same grade or level and provided that an employee in the Postal Service was to be considered not qualified for such reassignment if such reassignment were to a position in a different craft or were inconsistent with the terms of the appropriate collective bargaining agreement.

1978—Subsecs. (a) to (c). Pub. L. 95-454 substituted "Office of Personnel Management" and "Office" for "Civil Service Commission" and "Commission", respectively, wherever appearing.

§ 8339. Computation of annuity

(a) Except as otherwise provided by this section, the annuity of an employee retiring under this subchapter is—

- (1) $1\frac{1}{2}$ percent of his average pay multiplied by so much of his total service as does not exceed 5 years; plus
- (2) $1\frac{3}{4}$ percent of his average pay multiplied by so much of his total service as exceeds 5 years but does not exceed 10 years; plus
- (3) 2 percent of his average pay multiplied by so much of his total service as exceeds 10 years.

However, when it results in a larger annuity, 1 percent of his average pay plus \$25 is substituted for the percentage specified by paragraph (1), (2), or (3) of this subsection, or any combination thereof.

(b) The annuity of a Congressional employee, or former Congressional employee, retiring under this subchapter is computed under subsection (a) of this section, except, if he has had—

- (1) at least 5 years' service as a Congressional employee or Member or any combination thereof; and
- (2) deductions withheld from his pay or has made deposit covering his last 5 years of civilian service;

his annuity is computed with respect to his service as a Congressional employee, his military service not exceeding 5 years, and any Member service, by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that service.

(c) The annuity of a Member, or former Member with title to Member annuity, retiring under

this subchapter is computed under subsection (a) of this section, except, if he has had at least 5 years' service as a Member or Congressional employee or any combination thereof, his annuity is computed with respect to—

- (1) his service as a Member and so much of his military service as is creditable for the purpose of this paragraph; and
- (2) his Congressional employee service;

by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that service.

(d)(1) The annuity of an employee retiring under section 8335(b) or 8336(c) of this title is—

(A) $2\frac{1}{2}$ percent of his average pay multiplied by so much of his total service as does not exceed 20 years; plus

(B) 2 percent of his average pay multiplied by so much of his total service as exceeds 20 years.

(2) The annuity of an employee retiring under this subchapter who was employed by the Panama Canal Company or Canal Zone Government on September 30, 1979, is computed with respect to the period of continuous Panama Canal service from that date, disregarding any break in service of not more than 3 days, by adding—

(A) $2\frac{1}{2}$ percent of the employee's average pay multiplied by so much of that service as does not exceed 20 years; plus

(B) 2 percent of the employee's average pay multiplied by so much of that service as exceeds 20 years.

(3) The annuity of an employee retiring under this subchapter who is employed by the Panama Canal Commission at any time during the period beginning October 1, 1990, and ending December 31, 1999, is computed, with respect to any period of service with the Panama Canal Commission, by adding—

(A) $2\frac{1}{2}$ percent of the employee's average pay multiplied by so much of that service as does not exceed 20 years; plus

(B) 2 percent of the employee's average pay multiplied by so much of that service as exceeds 20 years.

(4)(A) In the case of an employee who has service as a law enforcement officer or firefighter to which paragraph (2) of this subsection applies, the annuity of that employee is increased by \$8 for each full month of that service which is performed in the Republic of Panama.

(B) In the case of an employee retiring under this subchapter who—

- (i) was employed as a law enforcement officer or firefighter by the Panama Canal Company or Canal Zone Government at any time during the period beginning March 31, 1979, and ending September 30, 1979; and

the annuity of that employee is increased by \$12 for each full month of that service which occurred before October 1, 1979.

(C) An annuity increase under this paragraph does not apply with respect to service performed after completion of 20 years of service (or any combination of service) as a law enforcement officer or firefighter.

- (5) For the purpose of this subsection—

(A) "Panama Canal service" means—

(i) service as an employee of the Panama Canal Commission; or

(ii) service at a permanent duty station in the Canal Zone or Republic of Panama as an employee of an Executive agency conducting operations in the Canal Zone or Republic of Panama; and

(B) "Executive agency" includes the Smithsonian Institution.

(6) The annuity of an employee retiring under section 8336(j) of this title is computed under subsection (a) of this section, except that with respect to service on or after December 21, 1972, the employee's annuity is—

(A) $2\frac{1}{2}$ percent of the employee's average pay multiplied by so much of the employee's service on or after that date as does not exceed 20 years; plus

(7) The annuity of an employee who is a judge of the United States Court of Appeals for the Armed Forces, or a former judge of such court, retiring under this subchapter is computed under subsection (a) of this section, except, with respect to his service as a judge of such court, his service as a Member, his congressional employee service, and his military service (not exceeding 5 years) creditable under section 8332 of this title, his annuity is computed by multiplying $2\frac{1}{2}$ percent of his average pay by the years of that service.

(e) The annuity of an employee retiring under section 8336(e) of this title is computed under subsection (a) of this section. That annuity may not be less than 50 percent of the average pay of the employee unless such employee has received, pursuant to section 8342 of this title, payment of the lump-sum credit attributable to deductions under section 8334(a) of this title during any period of employment as an air traffic controller and such employee has not deposited in the Fund the amount received, with interest, pursuant to section 8334(d)(1) of this title.

(f) The annuity computed under subsections (a) through (e), (n), (q), (r), and (s) may not exceed 80 percent of—

(1) the average pay of the employee; or

(2) the greatest of—

(A) the final basic pay of the Member;

(B) the average pay of the Member; or

(C) the final basic pay of the appointive position of a former Member who elects to have his annuity computed or recomputed under section 8344(d)(1) of this title.

(g) The annuity of an employee or Member retiring under section 8337 of this title is at least the smaller of—

(1) 40 percent of his average pay; or

(2) the sum obtained under subsections (a) through (c), (n), (q), (r), or (s) after increasing his service of the type last performed by the period elapsing between the date of separation and the date he becomes 60 years of age.

However, if an employee or Member retiring under section 8337 of this title is receiving retired pay or retainer pay for military service

(except that specified in section 8332(c)(1) or (2) of this title) or pension or compensation from the Department of Veterans Affairs in lieu of such retired or retainer pay, the annuity of that employee or Member shall be computed under subsection (a), (b), (c), (n), (q), (r), or (s), as appropriate, excluding credit for military service from that computation. If the amount of the annuity so computed, plus the retired or retainer pay which is received, or which would be received but for the pension or compensation from the Department of Veterans Affairs in lieu of such retired or retainer pay, is less than the smaller of the annuity otherwise payable under paragraph (1) or (2) of this subsection, an amount equal to the difference shall be added to the annuity payable under subsection (a), (b), (c), (n), (q), (r), or (s), as appropriate.

(h) The annuity computed under subsections (a), (b), (d)(5), and (f) of this section for an employee retiring under section 8336(d), (h), (j), or (o) of this title is reduced by $\frac{1}{6}$ of 1 percent for each full month the employee is under 55 years of age at the date of separation. The annuity computed under subsections (c) and (f) of this section for a Member retiring under the second or third sentence of section 8336(g) of this title or the third sentence of section 8338(b) of this title is reduced by $\frac{1}{2}$ of 1 percent for each full month not in excess of 60 months, and $\frac{1}{6}$ of 1 percent for each full month in excess of 60 months, the Member is under 60 years of age at the date of separation. The annuity computed under subsections (a), (d)(6), and (f) of this section for a judge of the United States Court of Appeals for the Armed Forces retiring under the second sentence of section 8336(k) of this title or the third sentence of section 8338(c) of this title is reduced by $\frac{1}{2}$ of 1 percent for each full month not in excess of 60 months, and $\frac{1}{6}$ of 1 percent for each full month in excess of 60 months, the judge is under 60 years of age at the date of separation.

(i) For the purposes of subsections (a)–(h), (n), (q), (r), or (s), the total service of any employee or Member shall not include any period of civilian service after July 31, 1920, for which retirement deductions or deposits have not been made under section 8334(a) of this title unless—

(1) the employee or Member makes a deposit for such period as provided in section 8334(c) or (d)(1) of this title; or

(2) no deposit is required for such service, as provided under section 8334(g) of this title or under any statute.

(j)(1) The annuity computed under subsections (a)–(i), (n), (q), (r), and (s) (or a portion of the annuity, if jointly designated for this purpose by the employee or Member and the spouse of the employee or Member under procedures prescribed by the Office of Personnel Management) for an employee or Member who is married at the time of retiring under this subchapter is reduced as provided in paragraph (4) of this subsection in order to provide a survivor annuity for the spouse under section 8341(b) of this title, unless the employee or Member and the spouse jointly waive the spouse's right to a survivor annuity in a written election filed with the Office at the time that the employee or Member retires. Each such election shall be made in ac-

cordance with such requirements as the Office shall, by regulation, prescribe, and shall be irrevocable. The Office shall provide, by regulation, that an employee or Member may waive the survivor annuity without the spouse's consent if the employee or Member establishes to the satisfaction of the Office—

(A) that the spouse's whereabouts cannot be determined, or

(B) that, due to exceptional circumstances, requiring the employee or Member to seek the spouse's consent would otherwise be inappropriate.

(2) If an employee or Member has a former spouse who is entitled to a survivor annuity as provided in section 8341(h) of this title, the annuity of the employee or Member computed under subsections (a)–(i), (n), (q), (r), and (s) (or any designated portion of the annuity, in the event that the former spouse is entitled to less than 55 percent of the employee or Member's annuity) is reduced as provided in paragraph (4) of this subsection.

(3) An employee or Member who has a former spouse may elect, under procedures prescribed by the Office, to have the annuity computed under subsections (a)–(i), (n), (q), (r), and (s) or a portion thereof reduced as provided in paragraph (4) of this subsection in order to provide a survivor annuity for such former spouse under section 8341(h) of this title, unless all rights to survivor benefits for such former spouse under this subchapter based on marriage to such employee or Member were waived under paragraph (1) of this subsection. An election under this paragraph shall be made at the time of retirement or, if later, within 2 years after the date on which the marriage of the former spouse to the employee or Member is dissolved, subject to a deposit in the Fund by the retired employee or Member of an amount determined by the Office, as nearly as may be administratively feasible, to reflect the amount by which the annuity of such employee or Member would have been reduced if the election had been continuously in effect since the date the annuity commenced, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which the annuity would have been reduced if the election had been in effect since the date the annuity commenced shall be 6 percent. The Office shall, by regulation, provide for payment of the deposit required under this paragraph by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under this paragraph, except that the total reductions in the annuity of an employee or Member to pay deposits required by the provisions of this paragraph, paragraph (5), or subsection (k)(2) shall not exceed 25 percent of the annuity computed under subsections (a) through (i), (n), (q), and (r), including adjustments under section 8340. The reduction, which shall be effective on the same date as the election under this paragraph, shall be permanent and unaffected by any future termination of the entitlement of the former spouse. Such reduction shall be independent of and in addition to the reduction required under

the first sentence of this paragraph. An election under this paragraph—

(A) shall not be effective to the extent that it—

(i) conflicts with—

(I) any court order or decree referred to in subsection (h)(1) of section 8341 of this title, which was issued before the date of such election; or

(II) any agreement referred to in such subsection which was entered into before such date; or

(ii) would cause the total of survivor annuities payable under subsections (b), (d), (f), and (h) of section 8341 of this title based on the service of the employee or Member to exceed 55 percent of the annuity to which the employee or Member is entitled under subsections (a)–(i), (n), (q), (r), and (s); and

(B) shall not be effective, in the case of an employee or Member who is then married, unless it is made with the spouse's written consent.

The Office shall provide by regulation that subparagraph (B) of this paragraph may be waived for either of the reasons set forth in the last sentence of paragraph (1) of this subsection. In the case of a retired employee or Member whose annuity is being reduced in order to provide a survivor annuity for a former spouse, an election to provide or increase a survivor annuity for any other former spouse (and to continue an appropriate reduction) may be made within the same period that, and subject to the same conditions under which, an election could be made under paragraph (5)(B) of this subsection for a current spouse (subject to the provisions of this paragraph relating to consent of a current spouse, if the retired employee or Member is then married). The opportunity to make an election under the preceding sentence is in addition to any opportunity otherwise afforded under this paragraph.

(4) In order to provide a survivor annuity or combination of survivor annuities under subsections (b), (d), (f), and (h) of section 8341 of this title, the annuity of an employee or Member (or any designated portion or portions thereof) is reduced by 2½ percent of the first \$3,600 thereof plus 10 percent of so much thereof as exceeds \$3,600.

(5)(A) Any reduction in an annuity for the purpose of providing a survivor annuity for the current spouse of a retired employee or Member shall be terminated for each full month—

(i) after the death of the spouse, or

(ii) after the dissolution of the spouse's marriage to the employee or Member, except that an appropriate reduction shall be made thereafter if the spouse is entitled, as a former spouse, to a survivor annuity under section 8341(h) of this title.

(B) Any reduction in an annuity for the purpose of providing a survivor annuity for a former spouse of a retired employee or Member shall be terminated for each full month after the former spouse remarries before reaching age 55 or dies. This reduction shall be replaced by an appropriate reduction or reductions under para-

graph (4) of this subsection if the retired employee or Member has (i) another former spouse who is entitled to a survivor annuity under section 8341(h) of this title, (ii) a current spouse to whom the employee or Member was married at the time of retirement and with respect to whom a survivor annuity was not jointly waived under paragraph (1) of this subsection, or (iii) a current spouse whom the employee or Member married after retirement and with respect to whom an election has been made under subparagraph (C) of this paragraph or subsection (k)(2) of this section.

(C)(i) Upon remarriage, a retired employee or Member who was married at the time of retirement (including an employee or Member whose annuity was not reduced to provide a survivor annuity for the employee or Member's spouse or former spouse as of the time of retirement) may irrevocably elect during such marriage, in a signed writing received by the Office within 2 years after such remarriage or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8341(h) of this title (or of the last such surviving former spouse, if there was more than one), a reduction in the employee or Member's annuity under paragraph (4) of this subsection for the purpose of providing an annuity for such employee or Member's spouse in the event such spouse survives the employee or Member.

(ii) Such election and reduction shall be effective the first day of the second month after the election is received by the Office, but not less than 9 months after the date of the remarriage, and the retired employee or Member shall deposit in the Fund an amount determined by the Office of Personnel Management, as nearly as may be administratively feasible, to reflect the amount by which the annuity of such retired employee or Member would have been reduced if the election had been in effect since the date of retirement or, if later, the date the previous reduction in such retired employee or Member's annuity was terminated under subparagraph (A) or (B) of this paragraph, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which an annuity would have been reduced if the election had been in effect on and after the applicable date referred to in such sentence shall be 6 percent.

(iii) The Office shall, by regulation, provide for payment of the deposit required under clause (ii) by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under clause (ii), except that total reductions in the annuity of an employee or Member to pay deposits required by the provisions of this paragraph or paragraph (3) shall not exceed 25 percent of the annuity computed under subsections (a) through (i), (n), (q), and (r), including adjustments under section 8340. The reduction required by this clause, which shall be effective on the same date as the election under clause (i), shall be permanent and unaffected by any future termination of the marriage. Such reduction shall be independent

of and in addition to the reduction required under clause (i).

(iv) Notwithstanding any other provision of this subparagraph, an election under this subparagraph may not be made for the purpose of providing an annuity in the case of a spouse by remarriage if such spouse was married to the employee or Member at the time of such employee or Member's retirement, and all rights to survivor benefits for such spouse under this subchapter based on marriage to such employee or Member were then waived under paragraph (1) of this subsection or a similar prior provision of law.

(v) An election to provide a survivor annuity to a person under this subparagraph—

(I) shall prospectively void any election made by the employee or Member under subsection (k)(1) of this section with respect to such person; or

(II) shall, if an election was made by the employee or Member under such subsection (k)(1) with respect to a different person, prospectively void such election if appropriate written application is made by such employee or Member at the time of making the election under this subparagraph.

(vi) The deposit provisions of clauses (ii) and (iii) of this subparagraph shall not apply if—

(I) the employee or Member makes an election under this subparagraph after having made an election under subsection (k)(1) of this section; and

(II) the election under such subsection (k)(1) becomes void under clause (v) of this subparagraph.

(k)(1) At the time of retiring under section 8336 or 8338 of this title, an employee or Member who is found to be in good health by the Office may elect a reduced annuity instead of an annuity computed under subsections (a)–(i), (n), (q), (r), and (s) and name in writing an individual having an insurable interest in the employee or Member to receive an annuity under section 8341(c) of this title after the death of the retired employee or Member. The annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual named is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent. An annuity which is reduced under this paragraph or any similar prior provision of law shall, effective the first day of the month following the death of the individual named under this paragraph, be recomputed and paid as if the annuity had not been so reduced. In the case of a married employee or Member, an election under this paragraph on behalf of the spouse may be made only if any right of such spouse to a survivor annuity based on the service of such employee or Member is waived in accordance with subsection (j)(1) of this section.

(2)(A) An employee or Member, who is unmarried at the time of retiring under a provision of law which permits election of a reduced annuity with a survivor annuity payable to such employee or Member's spouse and who later marries, may irrevocably elect, in a signed writing received in the Office within 2 years after such

employee or Member marries or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8341(h) of this title (or of the last such surviving former spouse, if there was more than one), a reduction in the retired employee or Member's current annuity as provided in subsection (j) of this section.

(B)(i) The election and reduction shall take effect on the first day of the first month beginning after the expiration of the 9-month period beginning on the date of marriage. Any such election to provide a survivor annuity for a person—

(I) shall prospectively void any election made by the employee or Member under paragraph (1) of this subsection with respect to such person; or

(II) shall, if an election was made by the employee or Member under such paragraph with respect to a different person, prospectively void such election if appropriate written application is made by such employee or Member at the time of making the election under this paragraph.

(ii) The retired employee or Member shall deposit in the Fund an amount determined by the Office of Personnel Management, as nearly as may be administratively feasible, to reflect the amount by which the retired employee or Member's annuity would have been reduced under subsection (j)(4) of this section since the commencing date of the annuity, if the employee or Member had been married at the time of retirement and had elected to provide a survivor annuity at that time, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which the annuity would have been reduced if the election had been in effect since the date of the annuity commenced shall be 6 percent.

(C) The Office shall, by regulation, provide for payment of the deposit required under subparagraph (B)(ii) by a reduction in the annuity of the employee or Member. The reduction shall, to the extent practicable, be designed so that the present value of the future reduction is actuarially equivalent to the deposit required under subparagraph (B)(ii), except that total reductions in the annuity of an employee or Member to pay deposits required by this subsection or subsection (j)(3) shall not exceed 25 percent of the annuity computed under subsections (a) through (i), (n), (q), and (r), including adjustments under section 8340. The reduction required by this subparagraph, which shall be effective on the same date as the election under subparagraph (A), shall be permanent and unaffected by any future termination of the marriage. Such reduction shall be independent of and in addition to the reduction required under subparagraph (A).

(D) Subparagraphs (B)(ii) and (C) of this paragraph shall not apply if—

(i) the employee or Member makes an election under this paragraph after having made an election under paragraph (1) of this subsection; and

(ii) the election under such paragraph (1) becomes void under subparagraph (B)(i) of this paragraph.

(l) The annuity computed under subsections (a)–(k), (n), (q), (r), and (s) for an employee who is a citizen of the United States is increased by \$36 for each year of service in the employ of—

(1) the Alaska Engineering Commission, or The Alaska Railroad, in Alaska between March 12, 1914, and July 1, 1923; or

(2) the Isthmian Canal Commission, or the Panama Railroad Company, on the Isthmus of Panama between May 4, 1904, and April 1, 1914.

(m) In computing any annuity under subsections (a) through (e), (n), (q), (r), and (s), the total service of an employee who retires on an immediate annuity or dies leaving a survivor or survivors entitled to annuity includes, without regard to the limitations imposed by subsection (f) of this section, the days of unused sick leave to his credit under a formal leave system, except that these days will not be counted in determining average pay or annuity eligibility under this subchapter. For the purpose of this subsection, in the case of any such employee who is excepted from subchapter I of chapter 63 of this title under section 6301(2)(x)–(xiii) of this title, the days of unused sick leave to his credit include any unused sick leave standing to his credit when he was excepted from such subchapter.

(n) The annuity of an employee who is a Court of Federal Claims judge, bankruptcy judge, or United States magistrate judge is computed, with respect to service as a Court of Federal Claims judge, as a commissioner of the Court of Claims, as a referee in bankruptcy, as a bankruptcy judge, as a United States magistrate judge, and as a United States commissioner, and with respect to the military service of any such individual (not exceeding 5 years) creditable under section 8332 of this title, by multiplying $2\frac{1}{2}$ percent of the individual's average pay by the years of that service.

(o)(1)(A) An employee or Member—

(i) who, at the time of retirement, is married, and

(ii) who notifies the Office at such time (in accordance with subsection (j)) that a survivor annuity under section 8341(b) of this title is not desired,

may, during the 18-month period beginning on the date of the retirement of such employee or Member, elect to have a reduction under subsection (j) made in the annuity of the employee or Member (or in such portion thereof as the employee or Member may designate) in order to provide a survivor annuity for the spouse of such employee or Member.

(B) An employee or Member—

(i) who, at the time of retirement, is married, and

(ii) who at such time designates (in accordance with subsection (j)) that a limited portion of the annuity of such employee or Member is to be used as the base for a survivor annuity under section 8341(b) of this title,

may, during the 18-month period beginning on the date of the retirement of such employee or Member, elect to have a greater portion of the annuity of such employee or Member so used.

(2)(A) An election under subparagraph (A) or (B) of paragraph (1) of this subsection shall not

be considered effective unless the amount specified in subparagraph (B) of this paragraph is deposited into the Fund before the expiration of the applicable 18-month period under paragraph (1).

(B) The amount to be deposited with respect to an election under this subsection is an amount equal to the sum of—

(i) the additional cost to the System which is associated with providing a survivor annuity under subsection (b)(2) of this section and results from such election taking into account (I) the difference (for the period between the date on which the annuity of the participant or former participant commences and the date of the election) between the amount paid to such participant or former participant under this subchapter and the amount which would have been paid if such election had been made at the time the participant or former participant applied for the annuity, and (II) the costs associated with providing for the later election; and

(ii) interest on the additional cost determined under clause (i) of this subparagraph computed using the interest rate specified or determined under section 8334(e) of this title for the calendar year in which the amount to be deposited is determined.

(3) An election by an employee or Member under this subsection voids prospectively any election previously made in the case of such employee or Member under subsection (j).

(4) An annuity which is reduced in connection with an election under this subsection shall be reduced by the same percentage reductions as were in effect at the time of the retirement of the employee or Member whose annuity is so reduced.

(5) Rights and obligations resulting from the election of a reduced annuity under this subsection shall be the same as the rights and obligations which would have resulted had the employee or Member involved elected such annuity at the time of retiring.

(6) The Office shall, on an annual basis, inform each employee or Member who is eligible to make an election under this subsection of the right to make such election and the procedures and deadlines applicable to such election.

(p)(1) In computing an annuity under this subchapter for an employee whose service includes service that was performed on a part-time basis—

(A) the average pay of the employee, to the extent that it includes pay for service performed in any position on a part-time basis, shall be determined by using the annual rate of basic pay that would be payable for full-time service in the position; and

(B) the benefit so computed shall then be multiplied by a fraction equal to the ratio which the employee's actual service, as determined by prorating an employee's total service to reflect the service that was performed on a part-time basis, bears to the total service that would be creditable for the employee if all of the service had been performed on a full-time basis.

(2) For the purpose of this subsection, employment on a part-time basis shall not be consid-

ered to include employment on a temporary or intermittent basis.

(3) In the administration of paragraph (1)—

(A) subparagraph (A) of such paragraph shall apply with respect to service performed before, on, or after April 7, 1986; and

(B) subparagraph (B) of such paragraph—

(i) shall apply with respect to that portion of any annuity which is attributable to service performed on or after April 7, 1986; and

(ii) shall not apply with respect to that portion of any annuity which is attributable to service performed before April 7, 1986.

(q) The annuity of a member of the Capitol Police, or former member of the Capitol Police, retiring under this subchapter is computed in accordance with subsection (b), except that, in the case of a member who retires under section 8335(c) or 8336(m), and who meets the requirements of subsection (b)(2), the annuity of such member is—

(1) $2\frac{1}{2}$ percent of the member's average pay multiplied by so much of such member's total service as does not exceed 20 years; plus

(2) 2 percent of the member's average pay multiplied by so much of such member's total service as exceeds 20 years.

(r) The annuity of a member of the Supreme Court Police, or former member of the Supreme Court Police, retiring under this subchapter is computed in accordance with subsection (d).

(s)¹ The annuity of a Member who has served in a position in the executive branch for which the rate of basic pay was reduced for the duration of the service of the Member in that position to remove the impediment to the appointment of the Member imposed by article I, section 6, clause 2 of the Constitution, shall, subject to a deposit in the Fund as provided under section 8334(m), be computed as though the rate of basic pay which would otherwise have been in effect during that period of service had been in effect.

(s)(1)¹ For purposes of this subsection, the term "physicians comparability allowance" refers to an amount described in section 8331(3)(H).

(2) Except as otherwise provided in this subsection, no part of a physicians comparability allowance shall be treated as basic pay for purposes of any computation under this section unless, before the date of the separation on which entitlement to annuity is based, the separating individual has completed at least 15 years of service as a Government physician (whether performed before, on, or after the date of the enactment of this subsection).

(3) If the condition under paragraph (2) is met, then, any amounts received by the individual in the form of a physicians comparability allowance shall (for the purposes referred to in paragraph (2)) be treated as basic pay, but only to the extent that such amounts are attributable to service performed on or after the date of the enactment of this subsection, and only to the extent of the percentage allowable, which shall be determined as follows:

If the total amount of service performed, on or after the date of Then, the percent-

the enactment of this subsection, age allowable is:
as a Government physician is:

Less than 2 years	0
At least 2 but less than 4 years	25
At least 4 but less than 6 years	50
At least 6 but less than 8 years	75
At least 8 years	100.

(4) Notwithstanding any other provision of this subsection, 100 percent of all amounts received as a physicians comparability allowance shall, to the extent attributable to service performed on or after the date of the enactment of this subsection, be treated as basic pay (without regard to any of the preceding provisions of this subsection) for purposes of computing—

(A) an annuity under subsection (g); and

(B) a survivor annuity under section 8341, if based on the service of an individual who dies before separating from service.

(u)² The annuity of an employee retiring under this subchapter with service credited under section 8332(b)(17) shall be reduced by the amount necessary to ensure that the present value of the annuity payable to the employee is actuarially equivalent to the present value of the annuity that would be payable to the employee under this subchapter if it were computed—

(1) on the basis of service that does not include service credited under section 8332(b)(17); and

(2) assuming the employee separated from service on the actual date of the separation of the employee.

The amount of the reduction shall be computed under regulations prescribed by the Office of Personnel Management for the administration of this subsection.

Section 301(a)–(c) of Pub. L. 97-253, as amended by Pub. L. 98-270, title I, §201(c), Apr. 18, 1984, 98 Stat. 158; Pub. L. 98-396, title I, Aug. 22, 1984, 98 Stat. 1403, provided that:

“(A) one-half of the assumed increase in the price index for that year, plus

“(B) the amount by which the percentage increase in the price index exceeds the assumed price index increase.

If the percentage increase in the price index for fiscal year 1985 (as determined by the Office of Personnel Management under section 8340(b) of title 5, United States Code) is less than the assumed increase in the price index for that year, then the increase in the annuity or retired or retainer pay of an early retiree under paragraph (1) taking effect in that fiscal year shall be equal to the percentage increase in the price index for that year (as so determined).

“(4) As used in this subsection—

“(A) the term ‘price index’ has the meaning given such term in section 8331(15) of title 5, United States Code; and

See provisions of section 801(c) of Pub. L. 94-361, title VIII, July 14, 1976, 90 Stat. 929, set out as a note under section 1401a of Title 10, Armed Forces.

§ 8341. Survivor annuities

(a) For the purpose of this section—

(1) “widow” means the surviving wife of an employee or Member who—

(A) was married to him for at least 9 months immediately before his death; or

(B) is the mother of issue by that marriage;

(2) “widower” means the surviving husband of an employee or Member who—

(A) was married to her for at least 9 months immediately before her death; or

(B) is the father of issue by that marriage;

(3) “dependent”, in the case of any child, means that the employee or Member involved was, at the time of the employee or Member’s death, either living with or contributing to the support of such child, as determined in accordance with such regulations as the Office of Personnel Management shall prescribe; and

(4) “child” means—

(A) an unmarried dependent child under 18 years of age, including (i) an adopted child, and (ii) a stepchild but only if the stepchild

lived with the employee or Member in a regular parent-child relationship, and (iii) a recognized natural child, and (iv) a child who lived with and for whom a petition of adoption was filed by an employee or Member, and who is adopted by the surviving spouse of the employee or Member after his death;

(B) such unmarried dependent child regardless of age who is incapable of self-support because of mental or physical disability incurred before age 18; or

(C) such unmarried dependent child between 18 and 22 years of age who is a student regularly pursuing a full-time course of study or training in residence in a high school, trade school, technical or vocational institute, junior college, college, university, or comparable recognized educational institution.

For the purpose of this paragraph and subsection (e) of this section, a child whose 22nd birthday occurs before July 1 or after August 31 of a calendar year, and while he is regularly pursuing such a course of study or training, is deemed to have become 22 years of age on the first day of July after that birthday. A child who is a student is deemed not to have ceased to be a student during an interim between school years if the interim is not more than 5 months and if he shows to the satisfaction of the Office of Personnel Management that he has a bona fide intention of continuing to pursue a course of study or training in the same or different school during the school semester (or other period into which the school year is divided) immediately after the interim.

(b)(1) Except as provided in paragraph (2) of this subsection, if an employee or Member dies after having retired under this subchapter and is survived by a widow or widower, the widow or widower is entitled to an annuity equal to 55 percent (or 50 percent if retired before October 11, 1962) of an annuity computed under section 8339(a)–(i), (n), (p), (q), (r), and (s) as may apply with respect to the annuitant, or of such portion thereof as may have been designated for this purpose under section 8339(j)(1) of this title, unless the right to a survivor annuity was waived under such section 8339(j)(1) or, in the case of remarriage, the employee or Member did not file an election under section 8339(j)(5)(C) or section 8339(k)(2) of this title, as the case may be.

(2) If an annuitant—

(A) who retired before April 1, 1948; or

(B) who elected a reduced annuity provided in paragraph (2) of section 8339(k) of this title;

dies and is survived by a widow or widower, the widow or widower is entitled to an annuity in an amount which would have been paid had the annuitant been married to the widow or widower at the time of retirement.

(3) A spouse acquired after retirement is entitled to a survivor annuity under this subsection only upon electing this annuity instead of any other survivor benefit to which he may be entitled under this subchapter or another retirement system for Government employees. The annuity of the widow or widower under this subsection commences on the day after the annu-

itant dies. This annuity and the right thereto terminate on the last day of the month before the widow or widower—

(A) dies; or

(B) except as provided in subsection (k), remarries before becoming 55 years of age.

(4) Notwithstanding the preceding provisions of this subsection, the annuity payable under this subsection to the widow or widower of a retired employee or Member may not exceed the difference between—

(A) the amount which would otherwise be payable to such widow or widower under this subsection (determined without regard to any waiver or designation under section 8339(j)(1) of this title or a prior similar provision of law), and

(B) the amount of the survivor annuity payable to any former spouse of such employee or Member under subsection (h) of this section.

(c) The annuity of a survivor named under section 8339(k)(1) of this title is 55 percent of the reduced annuity of the retired employee or Member. The annuity of the survivor commences on the day after the retired employee or Member dies. This annuity and the right thereto terminate on the last day of the month before the survivor dies.

(d) If an employee or Member dies after completing at least 18 months of civilian service, his widow or widower is entitled to an annuity equal to 55 percent of an annuity computed under section 8339(a)–(f), (i), (n), (p), (q), (r), and (s) as may apply with respect to the employee or Member, except that, in the computation of the annuity under such section, the annuity of the employee or Member shall be at least the smallest of—

(1) 40 percent of his average pay; or

(2) the sum obtained under such section after increasing his service of the type last performed by the period elapsing between the date of death and the date he would have become 60 years of age.

Notwithstanding the preceding sentence, the annuity payable under this subsection to the widow or widower of an employee or Member may not exceed the difference between—

(A) the amount which would otherwise be payable to such widow or widower under this subsection, and

(B) the amount of the survivor annuity payable to any former spouse of such employee or Member under subsection (h) of this section.

The annuity of the widow or widower commences on the day after the employee or Member dies. This annuity and the right thereto terminate on the last day of the month before the widow or widower—

(i) dies; or

(ii) except as provided in subsection (k), remarries before becoming 55 years of age.

(e)(1) For the purposes of this subsection, “former spouse” includes a former spouse who was married to an employee or Member for less than 9 months and a former spouse of an employee or Member who completed less than 18 months of service covered by this subchapter.

(2) If an employee or Member dies after completing at least 18 months of civilian service, or

an employee or Member dies after retiring under this subchapter, and is survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the employee or Member, that surviving child is entitled to an annuity equal to the smallest of—

(A) 60 percent of the average pay of the employee or Member divided by the number of children;

(B) \$900; or

(C) \$2,700 divided by the number of children;

subject to section 8340 of this title. If the employee or Member is not survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the employee or Member, that surviving child is entitled to an annuity equal to the smallest of—

(i) 75 percent of the average pay of the employee or Member divided by the number of children;

(ii) \$1,080; or

(iii) \$3,240 divided by the number of children;

subject to section 8340 of this title.

(3) The annuity of a child under this subchapter or under the Act of May 29, 1930, as amended from and after February 28, 1948, commences on the day after the employee or Member dies, or commences or resumes on the first day of the month in which the child later becomes or again becomes a student as described by subsection (a)(3) of this section, if any lump sum paid is returned to the Fund. This annuity and the right thereto terminate on the last day of the month before the child—

(A) becomes 18 years of age unless he is then a student as described or incapable of self-support;

(B) becomes capable of self-support after becoming 18 years of age unless he is then such a student;

(C) becomes 22 years of age if he is then such a student and capable of self-support;

(D) ceases to be such a student after becoming 18 years of age unless he is then incapable of self-support; or

(E) dies or marries;

whichever first occurs. On the death of the surviving spouse or former spouse or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the spouse, former spouse, or child had not survived the employee or Member.

(4) If the annuity of a child under this subchapter terminates under paragraph (3)(E) because of marriage, then, if such marriage ends, such annuity shall resume on the first day of the month in which it ends, but only if—

(A) any lump sum paid is returned to the Fund; and

(B) that individual is not otherwise ineligible for such annuity.

(f) If a Member heretofore or hereafter separated from the service with title to deferred annuity from the Fund hereafter dies before having established a valid claim for annuity and is survived by a spouse to whom married at the date of separation, the surviving spouse—

(1) is entitled to an annuity equal to 55 percent of the deferred annuity of the Member

commencing on the day after the Member dies and terminating on the last day of the month before the surviving spouse dies or remarries; or

(2) may elect to receive the lump-sum credit instead of annuity if the spouse is the individual who would be entitled to the lump-sum credit and files application therefor with the Office before the award of the annuity.

Notwithstanding the preceding sentence, an annuity payable under this subsection to the surviving spouse of a Member may not exceed the difference between—

(A) the annuity which would otherwise be payable to such surviving spouse under this subsection, and

(B) the amount of the survivor annuity payable to any former spouse of such Member under subsection (h) of this section.

(g) In the case of a surviving spouse whose annuity under this section is terminated because of remarriage before becoming 55 years of age, annuity at the same rate shall be restored commencing on the day the remarriage is dissolved by death, annulment, or divorce, if—

(1) the surviving spouse elects to receive this annuity instead of a survivor benefit to which he may be entitled, under this subchapter or another retirement system for Government employees, by reason of the remarriage; and

(2) any lump sum paid on termination of the annuity is returned to the Fund.

(h)(1) Subject to paragraphs (2) through (5) of this subsection, a former spouse of a deceased employee, Member, annuitant, or former Member who was separated from the service with title to a deferred annuity under section 8338(b) of this title is entitled to a survivor annuity under this subsection, if and to the extent expressly provided for in an election under section 8339(j)(3) of this title, or in the terms of any decree of divorce or annulment or any court order or court-approved property settlement agreement incident to such decree.

(2)(A) The annuity payable to a former spouse under this subsection may not exceed the difference between—

(i) the amount applicable in the case of such former spouse, as determined under subparagraph (B) of this paragraph, and

(ii) the amount of any annuity payable under this subsection to any other former spouse of the employee, Member, or annuitant, based on an election previously made under section 8339(j)(3) of this title, or a court order previously issued.

(B) The applicable amount, for purposes of subparagraph (A)(i) of this paragraph in the case of a former spouse, is the amount which would be applicable—

(i) under subsection (b)(4)(A) of this section in the case of a widow or widower, if the deceased was an employee or Member who died after retirement;

(ii) under subparagraph (A) of subsection (d) of this section in the case of a widow or widower, if the deceased was an employee or Member described in the first sentence of such subsection; or

(iii) under subparagraph (A) of subsection (f) of this section in the case of a surviving spouse, if the deceased was a Member described in the first sentence of such subsection.

(3) The commencement and termination of an annuity payable under this subsection shall be governed by the terms of the applicable order, decree, agreement, or election, as the case may be, except that any such annuity—

(A) shall not commence before—

(i) the day after the employee, Member, or annuitant dies, or

(ii) the first day of the second month beginning after the date on which the Office receives written notice of the order, decree, agreement, or election, as the case may be, together with such additional information or documentation as the Office may prescribe,

whichever is later, and

(B) shall terminate—

(i) except as provided in subsection (k), in the case of an annuity computed by reference to clause (i) or (ii) of paragraph (2)(B) of this subsection, no later than the last day of the month before the former spouse remarries before becoming 55 years of age or dies; or

(ii) in the case of an annuity computed by reference to clause (iii) of such paragraph, no later than the last day of the month before the former spouse remarries or dies.

(4) For purposes of this subchapter, a modification in a decree, order, agreement, or election referred to in paragraph (1) of this subsection shall not be effective—

(A) if such modification is made after the retirement or death of the employee or Member concerned, and

(B) to the extent that such modification involves an annuity under this subsection.

(5) For purposes of this subchapter, a decree, order, agreement, or election referred to in paragraph (1) of this subsection shall not be effective, in the case of a former spouse, to the extent that it is inconsistent with any joint designation or waiver previously executed with respect to such former spouse under section 8339(j)(1) of this title or a similar prior provision of law.

(6) Any payment under this subsection to a person bars recovery by any other person.

(7) As used in this subsection, “court” means any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court.

(i) The requirement in subsections (a)(1)(A) and (a)(2)(A) of this section that the surviving spouse of an employee or Member have been married to such employee or Member for at least 9 months immediately before the employee or Member’s death in order to qualify as the widow or widower of such employee or Member shall be deemed satisfied in any case in which the employee or Member dies within the applicable 9-month period, if—

(1) the death of the employee or Member was accidental; or

(2) the surviving spouse of such individual had been previously married to the individual and subsequently divorced, and the aggregate time married is at least 9 months.

(k)(1)¹ Subsections (b)(3)(B), (d)(ii), and (h)(3)(B)(i) (to the extent that they provide for termination of a survivor annuity because of a remarriage before age 55) shall not apply if the widow, widower, or former spouse was married for at least 30 years to the individual on whose service the survivor annuity is based.

(2) A remarriage described in paragraph (1) shall not be taken into account for purposes of section 8339(j)(5)(B) or (C) or any other provision of this chapter which the Office may by regulation identify in order to carry out the purposes of this subsection.

“(B) For the purposes of this paragraph, the term ‘surviving spouse’ means a widow or a widower as defined in paragraphs (1) and (2), respectively, of section 8341(a) of title 5, United States Code.

“(5) A survivor annuity provided under this subsection shall be 55 per centum of the annuity of the retired employee or Member (or of that portion of the annuity which such employee or Member may have designated for this purpose under paragraph (1)(A) of this subsection), as determined under section 8339(a)–(i) and (n) of title 5, United States Code, increased by—

“(A) the total percent increase the retired employee or Member was receiving under section 8340 of such title at death, or

“(B) in the case of a retired employee or Member whose date of death precedes the one hundred and eightieth day after the date of enactment of this Act [Nov. 8, 1984], the total percent increase the retired employee or Member would have received under such section 8340 had such individual died on the one hundred and eightieth day after such date of enactment, and shall not be subject to reduction under section 8341(h)(2) of such title, as amended by this Act.

“(c) Notwithstanding subsection (a)(1) of this section, an employee or Member who retired before the one hundred and eightieth day after the date of enactment of this Act [Nov. 8, 1984] and who is married to a spouse acquired after retirement for whom such employee or Member was unable to provide a survivor annuity because—

“(1) the employee or Member was married at the time of retirement and elected not to provide a survivor annuity for the employee or Member’s spouse at the time of retirement, or

“(2) the employee or Member failed to notify the Office of the employee or Member’s post-retirement marriage within one year after the marriage,

may elect in writing, within one year after the date of enactment of this Act, in accordance with procedures prescribed by the Office, to provide for a survivor annuity for such spouse under section 8341(b) of title 5, United States Code, as amended by this Act, to have the retired employee or Member’s annuity reduced under section 8339(j) of such title, as so amended, and to deposit in the Civil Service Retirement and Disability Fund an amount determined by the Office, as nearly as may be administratively feasible, to reflect the amount by which such employee or Member’s annuity would have been reduced had the election been continuously in effect since the annuity commenced, plus interest. For the purposes of the preceding sentence, the annual rate of interest for each year during which the annuity would have been reduced if the election had been in effect on and after the date the annuity commenced shall be 6 percent. If the retired employee or Member does not make such deposit, the Office shall collect such amount by offset against such employee or Member’s annuity, up to a maximum of 25 percent of the net annuity otherwise payable to such employee or Member, and such employee or Member is deemed to consent to such offset. The Office shall provide for general public notice of the right to make an election under this subsection. In cases to which paragraph (2) of this subsection applies, the retired employee or Member shall provide the Office with such documentation as the Office shall decide is appropriate, that such employee or Member attempted to elect a reduced annuity with survivor benefit for such employee or Member’s current spouse and that such employee or Member’s election was rejected by the Office because it was untimely filed.

“(d) A deposit required by subsection (b)(1)(A) or (c) of this section may be made by the surviving former spouse or spouse, as applicable, of the retired employee or Member.

“(e) The Office shall determine at the end of each fiscal year—

“(1) the cost of survivor annuities provided under subsections (b) and (c) of this section, less an amount determined appropriate by the Office to reflect the

value of any deposits made under subsection (b)(1)(A), (c), or (d), and

“(2) the cost of administering subsections (b) and (c).

The Office shall notify the Secretary of the Treasury of the amounts so determined. The Secretary of the Treasury, before closing the account for the fiscal year in question, shall credit to the Civil Service Retirement and Disability Fund, out of any money in the Treasury not otherwise appropriated, such amounts, which shall be available in the same manner as provided under subparagraphs (A) and (B) of section 8348(a)(1) of title 5, United States Code, as amended by this Act.

“(f) Any individual—

“(1) who is entitled to a survivor annuity under subsection (b) of this section or pursuant to an election authorized by reason of the application of subsection (a)(5) of this section,

“(2) as to whom a court order or decree referred to in section 8345(j) of title 5, United States Code (or similar provision of law under a retirement system for Government employees other than the Civil Service Retirement System) has been issued before May 7, 1985, or

“(3) who is entitled (other than as described in paragraph (2)) to an annuity or any portion of an annuity as a former spouse under a retirement system for Government employees as of May 7, 1985, shall be considered to have satisfied section 8901(10)(C) of title 5, United States Code, as amended by this Act. Notwithstanding subsection (a)(2) of this section, any such individual who otherwise meets the definition of a former spouse under section 8901 of title 5, United States Code, as so amended, may, within 12 months after the date of the enactment of the Federal Employees Benefits Improvement Act of 1986 [Feb. 27, 1986], enroll in an approved health benefits plan described by section 8903 of such title, under the conditions set forth in section 8905(c) of such title, as so amended (other than the conditions prescribed in subparagraphs (A) and (B) of paragraph (1) of such section 8905(c)).

“(g)(1) For purposes of subsections (a)(1), (b), (c), (d), and (e), ‘employee’, ‘Member’, and ‘former spouse’ each has the meaning given that term under section 8331 of title 5, United States Code, as amended by this Act.

“(2) For purposes of subsection (a)(2), ‘employee’ and ‘annuitant’ each has the meaning given that term under section 8901 of title 5, United States Code.

“(h) Section 827 of the Foreign Service Act of 1980 [22 U.S.C. 4067] and section 292 of the Central Intelligence Agency Retirement Act of 1964 for Certain Employees [50 U.S.C. 403 note] shall not apply with respect to either the amendments made by section 2 [amending sections 8331, 8334, 8339, 8341, 8342, 8345, and 8348 of this title] or the preceding provisions of this section.”

RESTORATION OF SURVIVOR ANNUITIES FOR CERTAIN WIDOWS AND WIDOWERS REMARRYING BEFORE JULY 18, 1966, AND WHERE MEMBER DIED BEFORE JANUARY 8, 1971

Section 1 of Pub. L. 95-318, eff. Oct. 1, 1978, provided that:

"(a) Upon application to the Civil Service Commission, the annuity of—

"(1) a surviving spouse of an employee which was terminated under the provisions of section 8341 (b) or (d) of title 5, United States Code, or of any prior applicable law, because of the remarriage of such spouse before July 18, 1966, and

"(2) a surviving spouse of a Member who died before January 8, 1971, which was terminated under any such provision, because of the remarriage of such spouse, shall be restored in accordance with the provisions of subsection (b) of this section.

"(b)(1) In the case of a remarriage occurring after the surviving spouse became sixty years of age, the annuity shall be restored to such spouse under subsection (a) of this section only if any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund. If such amount is paid, the annuity shall be so restored commencing on the effective date of this section at the rate which would have been in effect if the annuity had not been terminated.

"(2) In the case of a remarriage occurring before the surviving spouse became sixty years of age, the annuity shall be restored to such spouse under subsection (a) of this section only if—

"(B) any lump sum paid on termination of the annuity is returned to such fund.

If the requirements of the preceding sentence are satisfied, such annuity shall be so restored commencing on the effective date of this section or on the first day of the month following the date the remarriage is dissolved by death, annulment, or divorce, whichever date is later, at the rate which was in effect when the annuity was terminated."

INCREASE IN ANNUITY PAYABLE TO SURVIVING SPOUSES OF MEMBERS, EMPLOYEES, OF ANNUITIES BASED ON SEPARATION OCCURRING PRIOR TO OCT. 20, 1969

Section 2(b) of Pub. L. 93-273, Apr. 26, 1974, 88 Stat. 93, provided that: "In lieu of any increase based on an increase under subsection (a) of this section, an annuity payable from the Civil Service Retirement and Disability Fund to the surviving spouse of an employee, Member, or annuitant, which is based on a separation occurring prior to October 20, 1969 shall be increased by §132."

L. 93-273, Apr. 26, 1974, 88 Stat. 93 provided in part that annuity increases under this pension shall apply to annuities which commence before, on, or after Apr. 26, 1974, but that no increase in annuity shall be paid for any period prior to the first day of the first month which begins on or after the ninetieth day after Apr. 26, 1974, or the date on which the annuity commences, whichever is later. See section 3 of Pub. L. 93-273, set out as a note under section 8345 of this title.

REMARriage PROVISIONS

Section 205 of Pub. L. 91-93 provided that: "The provisions of subsection (b)(1), (d)(3), and (g) of section 8341 of title 5, United States Code, also shall apply in the case of any widow or widower—

"(1) of an employee who died, retired, or was otherwise finally separated before July 18, 1966;

"(2) who shall have remarried on or after such date; and

"(3) who, immediately before such remarriage, was receiving annuity from the Civil Service Retirement and Disability Fund;

except that no annuity shall be paid by reason of this section for any period prior to the enactment of this section. No annuity shall be terminated solely by reason of the enactment of this section. Notwithstanding the prohibition contained in the first sentence of this section on the payment of annuity for any period prior to the enactment of this section, in any case in which the Civil Service Commission determines that—

"(1) the remarriage of any widow or widower described in such sentence was entered into by the widow or widower in good faith and in reliance on erroneous information provided by Government authority prior to that remarriage that the then existing survivor annuity of the widow or widower would not be terminated because of the remarriage; and

"(2) such annuity was terminated by law because of that remarriage;

then payment of annuity may be made by reason of this section in such case, beginning as of the effective date of the termination because of the remarriage."

§ 8342. Lump-sum benefits; designation of beneficiary; order of precedence

(a) Subject to subsection (j) of this section, an employee or Member who—

(1)(A) is separated from the service for at least thirty-one consecutive days; or

(B) is transferred to a position in which he is not subject to this subchapter, or chapter 84 of this title, and remains in such a position for at least thirty-one consecutive days;

(2) files an application with the Office of Personnel Management for payment of the lump-sum credit;

(3) is not reemployed in a position in which he is subject to this subchapter, or chapter 84

of this title, at the time he files the application; and

(4) will not become eligible to receive an annuity within thirty-one days after filing the application,

is entitled to be paid the lump-sum credit. Except as provided in section 8343a or 8334(d)(2) of this title, the receipt of the payment of the lump-sum credit by the employee or Member voids all annuity rights under this subchapter based on the service on which the lump-sum credit is based, until the employee or Member is reemployed in the service subject to this subchapter. In applying this subsection to an employee or Member who becomes subject to chapter 84 (other than by an election under title III of the Federal Employees' Retirement System Act of 1986) and who, while subject to such chapter, files an application with the Office for a payment under this subsection—

(i) entitlement to payment of the lump-sum credit shall be determined without regard to paragraph (1) or (3) if, or to the extent that, such lump-sum credit relates to service of a type described in clauses (i) through (iii) of section 302(a)(1)(C) of the Federal Employees' Retirement System Act of 1986; and

(ii) if, or to the extent that, the lump-sum credit so relates to service of a type referred to in clause (i), it shall (notwithstanding section 8331(8)) consist of—

(I) the amount by which any unrefunded amount described in section 8331(8)(A) or (B) relating to such service, exceeds 1.3 percent of basic pay for such service; and

(II) interest on the amount payable under subclause (I), computed in a manner consistent with applicable provisions of section 8331(8).

(b) Under regulations prescribed by the Office, a present or former employee or Member may designate a beneficiary or beneficiaries for the purpose of this subchapter.

(c) Lump-sum benefits authorized by subsections (d)–(f) of this section shall be paid to the person or persons surviving the employee or Member and alive at the date title to the payment arises in the following order of precedence, and the payment bars recovery by any other person:

First, to the beneficiary or beneficiaries designated by the employee or Member in a signed and witnessed writing received in the Office before his death. For this purpose, a designation, change, or cancellation of beneficiary in a will or other document not so executed and filed has no force or effect.

Second, if there is no designated beneficiary, to the widow or widower of the employee or Member.

Third, if none of the above, to the child or children of the employee or Member and descendants of deceased children by representation.

Fourth, if none of the above, to the parents of the employee or Member or the survivor of them.

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of the employee or Member.

Sixth, if none of the above, to such other next of kin of the employee or Member as the Office determines to be entitled under the laws of the domicile of the employee or Member at the date of his death.

For the purpose of this subsection, "child" includes a natural child and an adopted child, but does not include a stepchild.

(d) If an employee or Member dies—

(1) without a survivor; or

(2) with a survivor or survivors and the right of all survivors terminates before a claim for survivor annuity is filed;

or if a former employee or Member not retired dies, the lump-sum credit shall be paid.

(e) If all annuity rights under this subchapter based on the service of a deceased employee or Member terminate before the total annuity paid equals the lump-sum credit, the difference shall be paid.

(f) If an annuitant dies, annuity accrued and unpaid shall be paid.

(g) Annuity accrued and unpaid on the termination, except by death, of the annuity of an annuitant or survivor annuitant shall be paid to that individual. Annuity accrued and unpaid on the death of a survivor annuitant shall be paid in the following order of precedence, and the payment bars recovery by any other person:

First, to the duly appointed executor or administrator of the estate of the survivor annuitant.

Second, if there is no executor or administrator, payment may be made, after 30 days from the date of death of the survivor annuitant, to such next of kin of the survivor annuitant as the Office determines to be entitled under the laws of the domicile of the survivor annuitant at the date of his death.

(h) Amounts deducted and withheld from the basic pay of an employee or Member from the first day of the first month which begins after he has performed sufficient service (excluding service which the employee or Member elects to eliminate for the purpose of annuity computation under section 8339 of this title) to entitle him to the maximum annuity provided by section 8339 of this title, together with interest on the amounts at the rate of 3 percent a year compounded annually from the date of the deductions to the date of retirement or death, shall be applied toward any deposit due under section 8334 of this title, and any balance not so required is deemed a voluntary contribution for the purpose of section 8343 of this title.

(i) An employee who—

(1) is separated from the service before July 12, 1960; and

(2) continues in the service after July 12, 1960, without break in service of 1 workday or more;

is entitled to the benefits of subsection (h) of this section.

(j)(1)(A) Payment of the lump-sum credit under subsection (a) may be made only if the spouse, if any, and any former spouse of the employee or Member are notified of the employee or Member's application.

(B) The Office shall prescribe regulations under which the lump-sum credit shall not be

paid without the consent of a spouse or former spouse of the employee or Member where the Office has received such additional information and documentation as the Office may require that—

(i) a court order bars payment of the lump-sum credit in order to preserve the court's ability to award an annuity under section 8341(h) or section 8345(j); or

(ii) payment of the lump-sum credit would extinguish the entitlement of the spouse or former spouse, under a court order on file with the Office, to a survivor annuity under section 8341(h) or to any portion of an annuity under section 8345(j).

(2)(A) Notification of a spouse or former spouse under this subsection shall be made in accordance with such requirements as the Office shall by regulation prescribe.

(B) Under the regulations, the Office may provide that paragraph (1)(A) of this subsection may be waived with respect to a spouse or former spouse if the employee or Member establishes to the satisfaction of the Office that the whereabouts of such spouse or former spouse cannot be determined.

(3) The Office shall prescribe regulations under which this subsection shall be applied in any case in which the Office receives two or more such orders or decrees.

"(A) may be made only if any current spouse and any former spouse of the employee or Member are notified of the employee or Member's application; and

"(B) shall be subject to the terms of a court decree of divorce, annulment, or legal separation or any court order or court approved property settlement agreement incident to such decree if—

"(i) the decree, order, or agreement expressly relates to any portion of the lump-sum credit involved; and

"(ii) payment of the lump-sum credit would extinguish entitlement of the employee's or Member's spouse or former spouse to a survivor annuity under section 8341(h) of this title or to any portion of an annuity under section 8345(j) of this title."

1990—Subsec. (a). Pub. L. 101-508 inserted "or 8334(d)(2)" after "8343a" in second sentence.

1988—Subsec. (a). Pub. L. 100-238 amended last sentence of subsec. (a) generally. Prior to amendment, last sentence read as follows: "In applying this subsection with respect to an employee or Member who becomes subject to chapter 84 of this title, entitlement to payment of the lump-sum credit shall be determined without regard to paragraph (1) or (3) if, and to the extent that, such lump-sum credit relates to service of a type described in clauses (i) through (iii) of section 302(a)(1)(C) of the Federal Employees' Retirement System Act of 1986."

1986—Subsec. (a). Pub. L. 99-335 inserted ", or chapter 84 of this title," in pars. (1)(B) and (3), substituted "Except as provided in section 8343a of this title, the" for "The" in second sentence, and inserted provisions regarding entitlement by an employee or Member who becomes subject to chapter 84 of this title to payment of a lump-sum credit.

"(i) the order or decree expressly relates to any portion of the lump-sum credit involved, and

“(ii) payment of the lump-sum credit would extinguish entitlement of the former spouse to a survivor annuity under section 8341(h) of this title or to any portion of an annuity under section 8345(j) of this title.”

1984—Subsec. (a). Pub. L. 98-615, §2(5)(A), substituted “Subject to subsection (j) of this section, an” for “An” in provisions preceding par. (1).

Subsec. (j). Pub. L. 98-615, §2(5)(B), added subsec. (j).

Pub. L. 97-253, §303(c), substituted provisions that an employee or Member who is separated from the service for at least 31 consecutive days or is transferred to a position in which he is not subject to this subchapter for 31 days, and who files an application with the Office of Personnel Management for payment of a lump-sum credit, is not reemployed in a position subject to this subchapter at the time of filing, and will not be eligible for an annuity within 31 days of filing, is entitled to be paid the lump-sum credit and upon receipt of such payment, all annuity rights based on the service upon which the credit is based are voided until reemployment under this subchapter occurs for provisions that such employee or Member who was separated from the service, or was transferred to a position in which he did not continue subject to this subchapter, was entitled to be paid the lump-sum credit if his separation or transfer occurred and application for payment was filed with the Office of Personnel Management at least 31 days before the earliest commencing date of any annuity for which he was eligible, that the receipt of payment of the lump-sum credit by the individual voided all annuity rights under this subchapter until he was reemployed in the service subject to this subchapter, and that this subsection also applied to an employee or Member separated before October 1, 1956, after completing at least 20 years of civilian service.

1978—Subsecs. (a) to (c), (g). Pub. L. 95-454 substituted “Office of Personnel Management” for “Civil Service Commission” and “Office” for “Commission”.

REESTABLISHMENT OF RIGHT TO RECEIVE ANNUITY BY JUDGES WHO RECEIVED LUMP-SUM CREDIT

Pub. L. 96-504, §2, Dec. 5, 1980, 94 Stat. 2741, provided that: “A present or former justice or judge of the United States, as defined by section 451 of title 28, United States Code, who, prior to the effective date of this section [Dec. 5, 1980], voided his right to receive an annuity under subchapter III of chapter 83 of title 5,

United States Code, by applying for and receiving a refund of his lump-sum credit while serving as such a justice or judge may, upon application filed with the Office of Personnel Management within one year following the effective date of this section, redeposit such refund with interest computed under section 8334(e) of such title 5 and thereby reestablish his right to receive an annuity under such subchapter effective on the date he otherwise was eligible to receive an annuity. The surviving spouse of any such justice or judge who dies before the effective date of this section may apply to make such redeposit within one year following the effective date of this section and receive both (1) the amount of the annuity which the justice or judge would have been entitled to receive before his death had application been made by him for the annuity and (2) any survivor annuity the justice or judge could have provided under the provisions of law in effect at the time of separation from the service on which title to the annuity is based.”

§ 8343. Additional annuities; voluntary contributions

(a) Under regulations prescribed by the Office of Personnel Management, an employee or Member may voluntarily contribute additional sums in multiples of \$25, but the total may not exceed 10 percent of his basic pay for creditable service after July 31, 1920. The voluntary contribution account in each case is the sum of unrefunded contributions, plus interest at 3 percent a year through December 31, 1984, and thereafter at the rate computed under section 8334(e) of this title, compounded annually to—

(1) the date of payment under subsection (d) of this section, separation, or transfer to a position in which he does not continue subject to this subchapter, whichever is earliest; or

(2) the commencing date fixed for a deferred annuity or date of death, whichever is earlier, in the case of an individual who is separated with title to deferred annuity and does not claim the voluntary contribution account.

(b) The voluntary contribution account is used to purchase at retirement an annuity in addition to the annuity otherwise provided. For each \$100 in the voluntary contribution account, the additional annuity consists of \$7, increased by 20 cents for each full year, if any, the employee or Member is over 55 years of age at the date of retirement.

(c) A retiring employee or Member may elect a reduced additional annuity instead of the additional annuity described by subsection (b) of this section and designate in writing an individual to receive after his death an annuity of 50 percent of his reduced additional annuity. The additional annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual designated is younger than the retiring employee or Member. However, the total reduction may not exceed 40 percent.

(d) A present or former employee or Member is entitled to be paid the voluntary contribution account if he files application for payment with the Office before receiving an additional annuity. An individual who has been paid the voluntary contribution account may not again deposit additional sums under this section until, after a separation from the service of more than 3 calendar days, he again becomes subject to this subchapter.

(e) If a present or former employee or Member not retired dies, the voluntary contribution account is paid under section 8342(c) of this title. If all additional annuities or any right thereto based on the voluntary contribution account of a deceased employee or Member terminate before the total additional annuity paid equals the account, the difference is paid under section 8342(c) of this title.

.....	5 U.S.C. 2262.	July 31, 1956, ch. 804, §401 "Sec. 12", 70 Stat. 756. Aug. 14, 1958, Pub. L. 85-661, §1, 72 Stat. 614.

In subsection (a), the words "after July 31, 1920" are substituted for "on or after August 1, 1920". Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

1967 ACT

This section amends 5 U.S.C. 8343(a)(1) for consistency within the subchapter and to reflect that it is the individual, rather than the position, that is subject to the subchapter.

§ 8343a. Alternative forms of annuities

(a) The Office of Personnel Management shall prescribe regulations under which any employee or Member who has a life-threatening affliction or other critical medical condition may, at the time of retiring under this subchapter (other than under section 8337 of this title), elect annuity benefits under this section instead of any other benefits under this subchapter (including any benefits under section 8341 of this title) based on the service of the employee or Member.

(b) Subject to subsection (c), the Office shall by regulation provide for such alternative forms of annuities as the Office considers appropriate, except that among the alternatives offered shall be—

(1) an alternative which provides for—

(A) payment of the lump-sum credit to the employee or Member; and

(B) payment of an annuity to the employee or Member for life; and

(2) in the case of an employee or Member who is married at the time of retirement, an alternative which provides for—

(A) payment of the lump-sum credit to the employee or Member; and

(B) payment of an annuity to the employee or Member for life, with a survivor annuity payable for the life of a surviving spouse.

(c) Each alternative provided for under subsection (b) shall, to the extent practicable, be designed such that the present value of the benefits provided under such alternative (including any lump-sum credit) is actuarially equivalent to the present value of the annuity which would otherwise be provided the employee or Member under this subchapter, as computed under subsections (a)–(i), (n), (q), (r), and (s) of section 8339.

(d) An employee or Member who, at the time of retiring under this subchapter—

(1) is married, shall be ineligible to make an election under this section unless a waiver is made under section 8339(j)(1) of this title; or

(2) has a former spouse, shall be ineligible to make an election under this section if the former spouse is entitled to benefits under section 8341(h) or 8345(j) of this title (based on the service of the employee or Member) under the terms of a decree of divorce or annulment, or a court order or court-approved property settlement incident to any such decree, with respect to which the Office has been duly notified.

(e) An employee or Member who is married at the time of retiring under this subchapter and who makes an election under this section may, during the 18-month period beginning on the date of retirement, make the election provided for under section 8339(o) of this title, subject to the deposit requirement thereunder.

AMENDMENTS

2000—Subsec. (c). Pub. L. 106-553 substituted "(a)–(i), (n), (q), (r), and (s)" for "(a)–(i), (n), (q), and (r)".

1997—Subsec. (c). Pub. L. 105-61, which directed the substitution of "(q), and (r) of section 8339" for "and (q) of section 8339 of this title" in section 8334a(c), was executed by making the substitution in subsec. (c) of this section to reflect the probable intent of Congress, because there is no section 8334a in this title.

1993—Subsec. (a). Pub. L. 103-66, §11002(a)(1), substituted "any employee or Member who has a life-

threatening affliction or other critical medical condition” for “an employee or Member”.

Subsec. (f). Pub. L. 103-66, §11002(a)(2), struck out subsec. (f) which prohibited election of alternative form of annuity where commencement date would be after Dec. 1, 1990, with certain exceptions.

1990—Subsec. (c). Pub. L. 101-428 substituted “(a)–(i), (n), and (q)” for “(a)–(i) and (n)”.

“(a) IN GENERAL.—Notwithstanding any other provision of law, and except as provided in subsection (c), any lump-sum credit payable to an employee or Member pursuant to the election of an alternative form of annuity by such employee or Member under section 8343a or section 8420a of title 5, United States Code, shall be paid in accordance with the schedule under subsection (b) (instead of the schedule which would otherwise apply), if the commencement date of the annuity payable to such employee or Member occurs after December 2, 1989, and before December 2, 1990.

“(b) SCHEDULE OF PAYMENTS.—The schedule of payment of any lump-sum credit subject to this section is as follows:

“(1) paragraph (2)(A) thereof; or

“(2) section 7001(a)(4) of the Omnibus Budget Reconciliation Act of 1990 [Pub. L. 101-508, set out as a note above].”

§ 8344. Annuities and pay on reemployment

(a) If an annuitant receiving annuity from the Fund, except—

(1) a disability annuitant whose annuity is terminated because of his recovery or restoration of earning capacity;

(2) an annuitant whose annuity, based on an involuntary separation (other than an automatic separation or an involuntary separation for cause on charges of misconduct or delinquency), is terminated under subsection (b) of this section;

(3) an annuitant whose annuity is terminated under subsection (c) of this section; or

(4) a Member receiving annuity from the Fund;

becomes employed in an appointive or elective position, his service on and after the date he is so employed is covered by this subchapter. Deductions for the Fund may not be withheld from his pay unless the individual elects to have such deductions withheld under subparagraph (A). An amount equal to the annuity allocable to the period of actual employment shall be deducted from his pay, except for lump-sum leave payment purposes under section 5551 of this title. The amounts so deducted shall be deposited in the Treasury of the United States to the credit of the Fund. If the annuitant serves on a full-time basis, except as President, for at least 1 year, or on a part-time basis for periods equivalent to at least 1 year of full-time service, in employment not excluding him from coverage under section 8331(1)(i) or (ii) of this title—

(A) deductions for the Fund may be withheld from his pay (if the employee so elects), and his annuity on termination of employment is increased by an annuity computed under section 8339(a), (b), (d), (e), (h), (i), (n), (q), (r), and (s) as may apply based on the period of employment and the basic pay, before deduction, averaged during that employment; and

(B) his lump-sum credit may not be reduced by annuity paid during that employment.

If the annuitant is receiving a reduced annuity as provided in section 8339(j) or section 8339(k)(2) of this title, the increase in annuity payable under subparagraph (A) of this subsection is reduced by 10 percent and the survivor annuity payable under section 8341(b) of this title is increased by 55 percent of the increase in annuity payable under such subparagraph (A), unless, at the time of claiming the increase payable under such subparagraph (A), the annuitant notifies the Office of Personnel Management in writing that he does not desire the survivor annuity to be increased. If the annuitant dies while still reemployed, the survivor annuity payable is increased as though the reemployment had otherwise terminated. If the described employment of the annuitant continues for at least 5 years, or the equivalent of 5 years in the case of part-time employment, he may elect, instead of the benefit provided by subparagraph (A) of this subsection, to deposit in the Fund (to the extent deposits or deductions have not otherwise been made) an amount computed under section 8334(c) of this title covering that employment and have his rights redetermined under this subchapter. If the annuitant dies while still reemployed and

the described employment had continued for at least 5 years, or the equivalent of 5 years in the case of part-time employment, the person entitled to survivor annuity under section 8341(b) of this title may elect to deposit in the Fund and have his rights redetermined under this subchapter.

(b) If an annuitant, other than a Member receiving an annuity from the Fund, whose annuity is based on an involuntary separation (other than an automatic separation or an involuntary separation for cause or charges on misconduct or delinquency) is reemployed in a position in which he is subject to this subchapter, payment of the annuity terminates on reemployment.

(c) If an annuitant, other than a Member receiving an annuity from the Fund, is appointed by the President to a position in which he is subject to this subchapter, or is elected as a Member, payment of the annuity terminates on reemployment. Upon separation from such position, an individual whose annuity is so terminated is entitled to have his rights redetermined under this subchapter, except that the amount of the annuity resulting from such redetermination shall be at least equal to the amount of the terminated annuity plus any increases under section 8340 of this title occurring after the termination and before the commencement of the redetermined annuity.

(d) If a Member receiving annuity from the Fund becomes employed in an appointive or elective position, annuity payments are discontinued during the employment and resumed on termination of the employment in the amount equal to the sum of the amount of the annuity the member was receiving immediately before the commencement of the employment and the amount of the increases which would have been made in the amount of the annuity under section 8340 of this title during the period of the employment if the annuity had been payable during that period, except that—

(1) the retired Member or Member separated with title to immediate or deferred annuity, who serves at any time after separation as a Member in an appointive position in which he is subject to this subchapter, is entitled, if he so elects, to have his Member annuity computed or recomputed as if the service had been performed before his separation as a Member and the annuity as so computed or recomputed is effective—

(A) the day Member annuity commences; or

(B) the day after the date of separation from the appointive position;

whichever is later;

(2) if the retired Member becomes employed after December 31, 1958, in an appointive position on an intermittent-service basis—

(A) his annuity continues during the employment and is not increased as a result of service performed during that employment;

(B) retirement deductions may not be withheld from his pay;

(C) an amount equal to the annuity allocable to the period of actual employment shall be deducted from his pay, except for lump-sum leave payment purposes under section 5551 of this title; and

(D) the amounts so deducted shall be deposited in the Treasury of the United States to the credit of the Fund;

HISTORICAL AND REVISION NOTES
1966 ACT

<i>Derivation</i>	<i>U.S. Code</i>	<i>Revised Statutes and Statutes at Large</i>
.....	5 U.S.C. 2263 (less (a)).	July 31, 1956, ch. 804, §401 “Sec. 13 (less (a))”, 70 Stat. 757. July 7, 1960, Pub. L. 86–604, §1(f), 74 Stat. 358. July 12, 1960, Pub. L. 86–622, §3(a), 74 Stat. 410. Oct. 4, 1961, Pub. L. 87–350, §5, 75 Stat. 771.

In subsections (a) and (b), the words “except for lump-sum leave payment purposes under section 61b of this title” are omitted as unnecessary as section 5551(a) provides that a “lump-sum leave payment is considered pay for taxation purposes only”.

In subsection (a), the words “after September 30, 1956” are substituted for “hereafter” on authority of §406 of the Act of July 31, 1956, ch. 804, 70 Stat. 761. In paragraph (2), the words “other than an automatic separation” are substituted for “excluding a separation under the automatic separation provisions of this chapter”. In the third sentence, the words “and this provision concerning the lump-sum leave payments shall also be effective in the case of each retired employee separated from reemployment after December 15, 1953, and before the effective date of the Civil Service Retirement Act Amendments of 1956” are omitted as executed, and any existing rights are preserved by technical section 8. In the fourth sentence, the words “except as President” are added to preserve the exception stated in former section 2252(b). In the penultimate sentence, the words “after October 3, 1961” are substituted for “on or after October 4, 1961”. In the last sentence, the words “in any manner” are omitted as unnecessary.

In subsection (b), the words “receiving annuity from the Fund” are substituted for “heretofore or hereafter retired under this chapter”. The word “hereafter” is omitted as unnecessary. In paragraph (1)(B), the words “the day after” are substituted for “the first day of the month following” on authority of former section 2264(b), which is carried into section 8345(b). In paragraph (1), former clause (C) is omitted as obsolete. In paragraph (2)(D), the words “of the United States” are omitted as unnecessary.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

1967 ACT

<i>Section of title 5</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
8344(a)	5 App.: 2263(b) (last sentence).	Mar. 30, 1966, Pub. L. 89–378, §1, 80 Stat. 93.

In subsection (a), the words “after July 11, 1960” are substituted for “on or after July 12, 1960.” In subsection (b)(1), the amendment is made for consistency within the subchapter.

In the codification of 5 U.S.C. 8344 by Public Law 89–554, the words “except for lump-sum leave payment purposes under section 61b of this title” were omitted from the third sentence of subsection (a) and from subsection (b)(2)(C) on the basis that they were unnecessary since former 5 U.S.C. 61b [now codified as 5 U.S.C. 5551(a)] provided that a lump-sum leave payment was considered pay for taxation purposes only. This amendment restores to 5 U.S.C. 8344 the language that was so omitted to conform to the source statute (section 13 of the Civil Service Retirement Act, as amended) and in recognition that the language was expressly placed in the source statute to overcome certain decisions of the Comptroller General of the United States (see 28 Comp. Gen. 294; 33 id. 591, and 36 id. 209).

§ 8345. Payment of benefits; commencement, termination, and waiver of annuity

(a) Each annuity is stated as an annual amount, one-twelfth of which, rounded to the next lowest dollar, constitutes the monthly rate payable on the first business day of the month after the month or other period for which it has accrued.

(b)(1) Except as otherwise provided—

(A) an annuity of an employee or Member commences on the first day of the month after—

- (i) separation from the service; or
- (ii) pay ceases and the service and age requirements for title to annuity are met; and

(B) any other annuity payable from the Fund commences on the first day of the month after the occurrence of the event on which payment thereof is based.

(2) The annuity of—

(A) an employee involuntarily separated from service, except by removal for cause on charges of misconduct or delinquency; and

(B) an employee or Member retiring under section 8337 of this title due to a disability;

shall commence on the day after separation from the service or the day after pay ceases and the service and age or disability requirements for title to annuity are met.

(c) The annuity of a retired employee or Member terminates on the day death or other terminating event provided by this subchapter occurs. The annuity of a survivor terminates on the last day of the month before death or other terminating event occurs.

(d) An individual entitled to annuity from the Fund may decline to accept all or any part of the annuity by a waiver signed and filed with the Office of Personnel Management. The waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

(e) Payment due a minor, or an individual mentally incompetent or under other legal disability, may be made to the person who is constituted guardian or other fiduciary by the law of the State of residence of the claimant or is otherwise legally vested with the care of the claimant or his estate. If a guardian or other fiduciary of the individual under legal disability has not been appointed under the law of the State of residence of the claimant, payment may be made to any person who, in the judgment of the Office, is responsible for the care of the claimant, and the payment bars recovery by any other person.

[(f) Repealed. Pub. L. 99-251, title III, §305(a), Feb. 27, 1986, 100 Stat. 26.]

(g) The Office shall prescribe regulations to provide that the amount of any monthly annuity payable under this section accruing for any month and which is computed with regard to

service that includes any service referred to in section 8332(b)(6) performed by an individual prior to January 1, 1969, shall be reduced by the portion of any benefits under any State retirement system to which such individual is entitled (or on proper application would be entitled) for such month which is attributable to such service performed by such individual before such date.

(h) An individual entitled to an annuity from the Fund may make allotments or assignments of amounts from his annuity for such purposes as the Office of Personnel Management in its sole discretion considers appropriate.

(i)(1) No payment shall be made from the Fund unless an application for benefits based on the service of an employee or Member is received in the Office of Personnel Management before the one hundred and fifteenth anniversary of his birth.

(2) Notwithstanding paragraph (1) of this subsection, after the death of an employee, Member, or annuitant, no benefit based on his service shall be paid from the Fund unless an application therefor is received in the Office of Personnel Management within 30 years after the death or other event which gives rise to title to the benefit.

(j)(1) Payments under this subchapter which would otherwise be made to an employee, Member, or annuitant based on service of that individual shall be paid (in whole or in part) by the Office to another person if and to the extent expressly provided for in the terms of—

(A) any court decree of divorce, annulment, or legal separation, or the terms of any court order or court-approved property settlement agreement incident to any court decree of divorce, annulment, or legal separation; or

(B) any court order or other similar process in the nature of garnishment for the enforcement of a judgment rendered against such employee, Member, or annuitant, for physically, sexually, or emotionally abusing a child.

In the event that the Office is served with more than 1 decree, order, or other legal process with respect to the same moneys due or payable to any individual, such moneys shall be available to satisfy such processes on a first-come, first-served basis, with any such process being satisfied out of such moneys as remain after the satisfaction of all such processes which have been previously served.

(2) Paragraph (1) shall only apply to payments made by the Office under this subchapter after the date of receipt in the Office of written notice of such decree, order, other legal process, or agreement, and such additional information and documentation as the Office may prescribe.

(3) For the purpose of this subsection—

(A) the term "court" means any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court;

(B) the term "judgment rendered for physically, sexually, or emotionally abusing a child" means any legal claim perfected through a final enforceable judgment, which claim is based in whole or in part upon the physical, sexual, or emotional abuse of a child,

whether or not that abuse is accompanied by other actionable wrongdoing, such as sexual exploitation or gross negligence; and

(C) the term “child” means an individual under 18 years of age.

(k)(1) The Office shall, in accordance with this subsection, enter into an agreement with any State within 120 days of a request for agreement from the proper State official. The agreement shall provide that the Office shall withhold State income tax in the case of the monthly annuity of any annuitant who voluntarily requests, in writing, such withholding. The amounts withheld during any calendar quarter shall be held in the Fund and disbursed to the States during the month following that calendar quarter.

(2) An annuitant may have in effect at any time only one request for withholding under this subsection, and an annuitant may not have more than two such requests in effect during any one calendar year.

(3) Subject to paragraph (2) of this subsection, an annuitant may change the State designated by that annuitant for purposes of having withholdings made, and may request that the withholdings be remitted in accordance with such change. An annuitant also may revoke any request of that annuitant for withholding. Any change in the State designated or revocation is effective on the first day of the month after the month in which the request or the revocation is processed by the Office, but in no event later than on the first day of the second month beginning after the day on which such request or revocation is received by the Office.

(4) This subsection does not give the consent of the United States to the application of a statute which imposes more burdensome requirements on the United States than on employers generally, or which subjects the United States or any annuitant to a penalty or liability because of this subsection. The Office may not accept pay from a State for services performed in withholding State income taxes from annuities. Any amount erroneously withheld from an annuity and paid to a State by the Office shall be repaid by the State in accordance with regulations issued by the Office.

(5) For the purpose of this subsection, “State” means a State, the District of Columbia, or any territory or possession of the United States.

(l) Transfers of contributions and deposits authorized by section 408(a)(3) of the Foreign Service Act of 1980 shall be deemed to be a complete and final payment of benefits under this chapter.

Moves occurring on or after the date of the enactment of this Act [Feb. 10, 1996] and before the effective date of such regulations shall be subject to applicable provisions of title 5, United States Code, disregarding the amendments made by this section, except that any individual making an election pursuant to this sentence shall be ineligible to make an election otherwise allowable under paragraph (2).

“(2) RETROACTIVE RULES.—

“(A) IN GENERAL.—The regulations under subsection (b) shall include provisions for the application of sections 8347(q) and 8461(n) of title 5, United States Code, as amended by this section, with respect to any individual who, at any time after December 31, 1965, and before the effective date of such regulations, moved between positions in circumstances that would have qualified such individual to make an election under the provisions of such section 8347(q) or 8461(n), as so amended, if such provisions had then been in effect.

“(B) DEADLINE; RELATED PROVISIONS.—An election pursuant to this paragraph—

“(i) shall be made within 1 year after the effective date of the regulations under subsection (b), and

“(ii) shall have the same force and effect as if it had been timely made at the time of the move, except that no such election may be made by any individual—

“(I) who has previously made, or had an opportunity to make, an election under section 8347(q) or 8461(n) of title 5, United States Code (as in effect before being amended by this section); however, this subclause shall not be considered to render an individual ineligible, based on an opportunity arising out of a move occurring during the period described in the second sentence of paragraph (1), if no election has in fact been made by such individual based on such move;

“(II) who has not, since the move on which eligibility for the election is based, remained continuously subject (disregarding any break in service of less than 3 days) to CSRS or FERS or both seriatim (if the move was from a NAFI position) or any retirement system (or 2 or more such systems seriatim) established for employees described in section 2105(c) of such title (if the move was to a NAFI position); or

“(III) if such election would be based on a move to the Civil Service Retirement System from a retirement system established for employees described in section 2105(c) of such title.

“(C) TRANSFERS OF CONTRIBUTIONS.—

“(i) IN GENERAL.—If an individual makes an election under this paragraph to be transferred back to a retirement system in which such individual previously participated (in this section referred to as the ‘previous system’), all individual contributions (including interest) and Government contributions to the retirement system in which such individual is then currently participating (in this section referred to as the ‘current system’), excluding those made to the Thrift Savings Plan or any other defined contribution plan, which are attributable to periods of service performed since the move on which the election is based, shall be paid to the fund, account, or other repository for contributions made under the previous system. For purposes of this section, the term ‘current system’ shall be considered also to include any retirement system (besides the one in which the individual is participating at the time of making the election) in which such individual previously participated since the move on which the election is based.

“(ii) CONDITION SUBSEQUENT RELATING TO REPAYMENT OF LUMP-SUM CREDIT.—In the case of an individual who has received such individual’s lump-sum credit (within the meaning of section 8401(19) of title 5, United States Code, or a similar payment) from such individual’s previous system, the payment described in clause (i) shall not be made (and the election to which it relates shall be ineffective) unless such lump-sum credit is redeposited or otherwise paid at such time and in such manner as shall be required under applicable regulations. Regulations to carry out this clause shall include provisions for the computation of interest (consistent with section 8334(e)(2) and (3)

of title 5, United States Code), if no provisions for such computation otherwise exist.

“(iii) CONDITION SUBSEQUENT RELATING TO DEFICIENCY IN PAYMENTS RELATIVE TO AMOUNTS NEEDED TO ENSURE THAT BENEFITS ARE FULLY FUNDED.—

“(I) IN GENERAL.—Except as provided in subclause (II), the payment described in clause (i) shall not be made (and the election to which it relates shall be ineffective) if the actuarial present value of the future benefits that would be payable under the previous system with respect to service performed by such individual after the move on which the election under this paragraph is based and before the effective date of the election, exceeds the total amounts required to be transferred to the previous system under the preceding provisions of this subparagraph with respect to such service, as determined by the authority administering such previous system (in this section referred to as the ‘administrative authority’).

“(II) PAYMENT OF DEFICIENCY.—A determination of a deficiency under this clause shall not render an election ineffective if the individual pays or arranges to pay, at a time and in a manner satisfactory to such administrative authority, the full amount of the deficiency described in subclause (I).

“(D) ALTERNATIVE ELECTION FOR AN INDIVIDUAL THEN PARTICIPATING IN FERS.—

“(i) APPLICABILITY.—This subparagraph applies with respect to any individual who—

“(I) is then currently participating in FERS; and

“(II) would then otherwise be eligible to make an election under subparagraphs (A) through (C) of this paragraph, determined disregarding the matter in subclause (I) of subparagraph (B) before the first semicolon therein.

“(ii) ELECTION.—An individual described in clause (i) may, instead of making an election for which such individual is otherwise eligible under this paragraph, elect to have all prior qualifying NAFI service of such individual treated as creditable service for purposes of any annuity under FERS payable out of the Civil Service Retirement and Disability Fund.

“(iii) QUALIFYING NAFI SERVICE.—For purposes of this subparagraph, the term ‘qualifying NAFI service’ means any service which, but for this subparagraph, would be creditable for purposes of any retirement system established for employees described in section 2105(c) of title 5, United States Code.

“(iv) SERVICE CEASES TO BE CREDITABLE FOR NAFI RETIREMENT SYSTEM PURPOSES.—Any qualifying NAFI service that becomes creditable for FERS purposes by virtue of an election made under this subparagraph shall not be creditable for purposes of any retirement system referred to in clause (iii).

“(v) CONDITIONS.—An election under this subparagraph shall be subject to requirements, similar to those set forth in subparagraph (C), to ensure that—

“(I) appropriate transfers of individual and Government contributions are made to the Civil Service Retirement and Disability Fund; and

“(II) the actuarial present value of future benefits under FERS attributable to service made creditable by such election is fully funded.

“(E) ALTERNATIVE ELECTION FOR AN INDIVIDUAL THEN PARTICIPATING IN A NAFI RETIREMENT SYSTEM.—

“(i) APPLICABILITY.—This subparagraph applies with respect to any individual who—

“(I) is then currently participating in any retirement system established for employees described in section 2105(c) of title 5, United States Code (in this subparagraph referred to as a ‘NAFI retirement system’); and

“(II) would then otherwise be eligible to make an election under subparagraphs (A) through (C) of this paragraph (determined disregarding the matter in subclause (I) of subparagraph (B) before the first semicolon therein) based on a move from FERS.

“(ii) ELECTION.—An individual described in clause (i) may, instead of making an election for which such individual is otherwise eligible under this paragraph, elect to have all prior qualifying FERS service of such individual treated as creditable service for purposes of determining eligibility for benefits under a NAFI retirement system, but not for purposes of computing the amount of any such benefits except as provided in clause (v)(II).

“(iii) QUALIFYING FERS SERVICE.—For purposes of this subparagraph, the term ‘qualifying FERS service’ means any service which, but for this subparagraph, would be creditable for purposes of the Federal Employees’ Retirement System.

“(iv) SERVICE CEASES TO BE CREDITABLE FOR PURPOSES OF FERS.—Any qualifying FERS service that becomes creditable for NAFI purposes by virtue of an election made under this subparagraph shall not be creditable for purposes of the Federal Employees’ Retirement System.

“(v) FUNDING REQUIREMENTS.—

“(I) IN GENERAL.—Except as provided in subclause (II), nothing in this section or in any other provision of law or any other authority shall be considered to require any payment or transfer of monies in order for an election under this subparagraph to be effective.

“(II) CONTRIBUTION REQUIRED ONLY IF INDIVIDUAL ELECTS TO HAVE SERVICE MADE CREDITABLE FOR COMPUTATION PURPOSES AS WELL.—Under regulations prescribed by the appropriate administrative authority, an individual making an election under this subparagraph may further elect to have the qualifying FERS service made creditable for computation purposes under a NAFI retirement system, but only if the individual pays or arranges to pay, at a time and in a manner satisfactory to such administrative authority, the amount necessary to fully fund the actuarial present value of future benefits under the NAFI retirement system attributable to the qualifying FERS service.

“(3) INFORMATION.—The regulations under subsection (b) shall include provisions under which any individual—

“(A) shall, upon request, be provided information or assistance in determining whether such individual is eligible to make an election under paragraph (2) and, if so, the exact amount of any payment which would be required of such individual in connection with any such election; and

“(B) may seek any other information or assistance relating to any such election.”

L. 101-508, set out as a note under section 2105 of this title.

§ 8348. Civil Service Retirement and Disability Fund

(a) There is a Civil Service Retirement and Disability Fund. The Fund—

(1) is appropriated for the payment of—

(A) benefits as provided by this subchapter or by the provisions of chapter 84 of this title which relate to benefits payable out of the Fund; and

(B) administrative expenses incurred by the Office of Personnel Management in placing in effect each annuity adjustment granted under section 8340 or 8462 of this title, in administering survivor annuities and elections providing therefor under sections 8339 and 8341 of this title or subchapters II and IV of chapter 84 of this title, in administering alternative forms of annuities under sections 8343a and 8420a (and related provisions of law), in making an allotment or assignment made by an individual under section 8345(h) or 8465(b) of this title, and in withholding taxes pursuant to section 3405 of title 26 or section 8345(k) or 8469 of this title;

(2) is made available, subject to such annual limitation as the Congress may prescribe, for any expenses incurred by the Office in connection with the administration of this chapter, chapter 84 of this title, and other retirement and annuity statutes; and

(3) is made available, subject to such annual limitation as the Congress may prescribe, for any expenses incurred by the Merit Systems Protection Board in the administration of appeals authorized under sections 8347(d) and 8461(e) of this title.

(b) The Secretary of the Treasury may accept and credit to the Fund money received in the form of a donation, gift, legacy, or bequest, or otherwise contributed for the benefit of civil-service employees generally.

(c) The Secretary shall immediately invest in interest-bearing securities of the United States such currently available portions of the Fund as are not immediately required for payments from the Fund. The income derived from these investments constitutes a part of the Fund.

(d) The purposes for which obligations of the United States may be issued under chapter 31 of title 31 are extended to authorize the issuance at par of public-debt obligations for purchase by the Fund. The obligations issued for purchase by the Fund shall have maturities fixed with due regard for the needs of the Fund and bear interest at a rate equal to the average market yield computed as of the end of the calendar month next preceding the date of the issue, borne by all marketable interest-bearing obligations of the United States then forming a part of the public

debt which are not due or callable until after the expiration of 4 years from the end of that calendar month. If the average market yield is not a multiple of $\frac{1}{8}$ of 1 percent, the rate of interest on the obligations shall be the multiple of $\frac{1}{8}$ of 1 percent nearest the average market yield.

(e) The Secretary may purchase other interest-bearing obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price only if he determines that the purchases are in the public interest.

(f) Any statute which authorizes—

(1) new or liberalized benefits payable from the Fund, including annuity increases other than under section 8340 of this title;

(2) extension of the coverage of this subchapter to new groups of employees; or

(3) increases in pay on which benefits are computed;

is deemed to authorize appropriations to the Fund to finance the unfunded liability created by that statute, in 30 equal annual installments with interest computed at the rate used in the then most recent valuation of the Civil Service Retirement System and with the first payment thereof due as of the end of the fiscal year in which each new or liberalized benefit, extension of coverage, or increase in pay is effective.

(g) At the end of each fiscal year, the Office shall notify the Secretary of the Treasury of the amount equivalent to (1) interest on the unfunded liability computed for that year at the interest rate used in the then most recent valuation of the System, and (2) that portion of disbursement for annuities for that year which the Office estimates is attributable to credit allowed for military service, less an amount determined by the Office to be appropriate to reflect the value of the deposits made to the credit of the Fund under section 8334(j) of this title. Before closing the accounts for each fiscal year, the Secretary shall credit to the Fund, as a Government contribution, out of any money in the Treasury of the United States not otherwise appropriated, the following percentages of such amounts: 10 percent for 1971; 20 percent for 1972; 30 percent for 1973; 40 percent for 1974; 50 percent for 1975; 60 percent for 1976; 70 percent for 1977; 80 percent for 1978; 90 percent for 1979; and 100 percent for 1980 and for each fiscal year thereafter.

(h)(1) In this subsection, the term “Postal surplus or supplemental liability” means the estimated difference, as determined by the Office, between—

(A) the actuarial present value of all future benefits payable from the Fund under this subchapter to current or former employees of the United States Postal Service and attributable to civilian employment with the United States Postal Service; and

(B) the sum of—

(i) the actuarial present value of deductions to be withheld from the future basic pay of employees of the United States Postal Service currently subject to this subchapter under section 8334;

(ii) that portion of the Fund balance, as of the date the Postal surplus or supplemental liability is determined, attributable to pay-

ments to the Fund by the United States Postal Service and its employees, minus benefit payments attributable to civilian employment with the United States Postal Service, plus the earnings on such amounts while in the Fund; and

(iii) any other appropriate amount, as determined by the Office in accordance with generally accepted actuarial practices and principles.

(2)(A) Not later than June 15, 2007, the Office shall determine the Postal surplus or supplemental liability, as of September 30, 2006. If that result is a surplus, the amount of the surplus shall be transferred to the Postal Service Retiree Health Benefits Fund established under section 8909a by June 30, 2007.

(B) The Office shall redetermine the Postal surplus or supplemental liability as of the close of the fiscal year, for each fiscal year beginning after September 30, 2007, through the fiscal year ending September 30, 2038. If the result is a surplus, that amount shall remain in the Fund until distribution is authorized under subparagraph (C). Beginning June 15, 2017, if the result is a supplemental liability, the Office shall establish an amortization schedule, including a series of annual installments commencing on September 30 of the subsequent fiscal year, which provides for the liquidation of such liability by September 30, 2043.

(C) As of the close of the fiscal years ending September 30, 2015, 2025, 2035, and 2039, if the result is a surplus, that amount shall be transferred to the Postal Service Retiree Health Benefits Fund, and any prior amortization schedule for payments shall be terminated.

(D) Amortization schedules established under this paragraph shall be set in accordance with generally accepted actuarial practices and principles, with interest computed at the rate used in the most recent valuation of the Civil Service Retirement System.

(E) The United States Postal Service shall pay the amounts so determined to the Office, with payments due not later than the date scheduled by the Office.

(3) Notwithstanding any other provision of law, in computing the amount of any payment under any other subsection of this section that is based upon the amount of the unfunded liability, such payment shall be computed disregarding that portion of the unfunded liability that the Office determines will be liquidated by payments under this subsection.

(i)(1) Notwithstanding any other provision of law, the Panama Canal Commission shall be liable for that portion of any estimated increase in the unfunded liability of the fund which is attributable to any benefits payable from the Fund to or on behalf of employees and their survivors to the extent attributable to the amendments made by sections 1241 and 1242, and the provisions of sections 1231(b) and 1243(a)(1), of the Panama Canal Act of 1979, and the amendments made by section 3506 of the Panama Canal Commission Authorization Act for Fiscal Year 1991.

(2) The estimated increase in the unfunded liability referred to in paragraph (1) of this subsection shall be determined by the Office of Per-

sonnel Management. The Panama Canal Commission shall pay to the Fund from funds available to it for that purpose the amount so determined in annual installments with interest computed at the rate used in the most recent valuation of the Civil Service Retirement System.

(j)(1) Notwithstanding subsection (c) of this section, the Secretary of the Treasury may suspend additional investment of amounts in the Fund if such additional investment could not be made without causing the public debt of the United States to exceed the public debt limit.

(2) Any amounts in the Fund which, solely by reason of the public debt limit, are not invested shall be invested by the Secretary of the Treasury as soon as such investments can be made without exceeding the public debt limit.

(3) Upon expiration of the debt issuance suspension period, the Secretary of the Treasury shall immediately issue to the Fund obligations under chapter 31 of title 31 that (notwithstanding subsection (d) of this section) bear such interest rates and maturity dates as are necessary to ensure that, after such obligations are issued, the holdings of the Fund will replicate to the maximum extent practicable the obligations that would then be held by the Fund if the suspension of investment under paragraph (1) of this subsection, and any redemption or disinvestment under subsection (k) of this section for the purpose described in such paragraph, during such period had not occurred.

(4) On the first normal interest payment date after the expiration of any debt issuance suspension period, the Secretary of the Treasury shall pay to the Fund, from amounts in the general fund of the Treasury of the United States not otherwise appropriated, an amount determined by the Secretary to be equal to the excess of—

(A) the net amount of interest that would have been earned by the Fund during such debt issuance suspension period if—

(i) amounts in the Fund that were not invested during such debt issuance suspension period solely by reason of the public debt limit had been invested, and

(ii) redemptions and disinvestments with respect to the Fund which occurred during such debt issuance suspension period solely by reason of the public debt limit had not occurred, over

(B) the net amount of interest actually earned by the Fund during such debt issuance suspension period.

(5) For purposes of this subsection and subsections (k) and (l) of this section—

(A) the term “public debt limit” means the limitation imposed by section 3101(b) of title 31; and

(B) the term “debt issuance suspension period” means any period for which the Secretary of the Treasury determines for purposes of this subsection that the issuance of obligations of the United States may not be made without exceeding the public debt limit.

(k)(1) Subject to paragraph (2) of this subsection, the Secretary of the Treasury may sell or redeem securities, obligations, or other invested assets of the Fund before maturity in order to prevent the public debt of the United States from exceeding the public debt limit.

(2) The Secretary may sell or redeem securities, obligations, or other invested assets of the Fund under paragraph (1) of this subsection only during a debt issuance suspension period, and only to the extent necessary to obtain any amount of funds not exceeding the amount equal to the total amount of the payments authorized to be made from the Fund under the provisions of this subchapter or chapter 84 of this title or related provisions of law during such period. A sale or redemption may be made under this subsection even if, before the sale or redemption, there is a sufficient amount in the Fund to ensure that such payments are made in a timely manner.

(l)(1) The Secretary of the Treasury shall report to Congress on the operation and status of the Fund during each debt issuance suspension period for which the Secretary is required to take action under paragraph (3) or (4) of subsection (j) of this section. The report shall be submitted as soon as possible after the expiration of such period, but not later than the date that is 30 days after the first normal interest payment date occurring after the expiration of such period.

(2) Whenever the Secretary of the Treasury determines that, by reason of the public debt limit, the Secretary will be unable to fully comply with the requirements of subsection (c) of this section, the Secretary shall immediately notify Congress of the determination. The notification shall be made in writing.

AMENDMENTS

2006—Subsec. (h). Pub. L. 109-435 amended subsec. (h) generally. Prior to amendment, subsec. (h) related to postal supplemental liability.

2003—Subsec. (h). Pub. L. 108-18, §2(c), amended subsec. (h) generally. Prior to amendment, subsec. (h) read as follows:

“(h)(1) Notwithstanding any other statute, the United States Postal Service shall be liable for that portion of any estimated increase in the unfunded liability of the Fund which is attributable to any benefits payable from the Fund to active and retired Postal Service officers and employees, and to their survivors, when the increase results from an employee-management agreement under title 39, or any administrative action by the Postal Service taken pursuant to law, which authorizes increases in pay on which benefits are computed.

“(2) The estimated increase in the unfunded liability, referred to in paragraph (1) of this subsection, shall be determined by the Office of Personnel Management. The United States Postal Service shall pay the amount so determined to the Office in 30 equal annual installments with interest computed at the rate used in the most recent valuation of the Civil Service Retirement System, with the first payment thereof due at the end of the fiscal year in which an increase in pay becomes effective.”

“(m)(1) Notwithstanding any other provision of law, the United States Postal Service shall be liable for that portion of any estimated increase in the unfunded li-

ability of the Fund which is attributable to any benefits payable from the Fund to former employees of the Postal Service who first become annuitants by reason of separation from the Postal Service on or after July 1, 1971, or to their survivors, or to the survivors of individuals who die on or after July 1, 1971, while employed by the Postal Service, when the increase results from a cost-of-living adjustment under section 8340 of this title.

“(2) The estimated increase in the unfunded liability referred to in paragraph (1) of this subsection shall be determined by the Office after consultation with the Postal Service. The Postal Service shall pay the amount so determined to the Office in 15 equal annual installments with interest computed at the rate used in the most recent valuation of the Civil Service Retirement System, and with the first payment thereof due at the end of the fiscal year in which the cost-of-living adjustment with respect to which the payment relates becomes effective.

“(3) In determining any amount for which the Postal Service is liable under this subsection, the amount of the liability shall be prorated to reflect only that portion of total service (used in computing the benefits involved) which is attributable to civilian service performed after June 30, 1971, as estimated by the Office.”
