## SUBCHAPTER I—GENERALLY

## § 4801. Findings and purposes

## (a) Findings

The Congress finds and declares that—

(1) the United States has a crucial stake in the presence of United States Government personnel representing United States interests abroad;

(2) conditions confronting United States Government personnel and missions abroad are fraught with security concerns which will continue for the foreseeable future; and

(3) the resources now available to counter acts of terrorism and protect and secure United States Government personnel and missions abroad, as well as foreign officials and missions in the United States, are inadequate to meet the mounting threat to such personnel and facilities.

## (b) Purposes

The purposes of this chapter are—

(1) to set forth the responsibility of the Secretary of State with respect to the security of diplomatic operations in the United States and abroad;

(2) to maximize coordination by the Department of State with Federal, State, and local agencies and agencies of foreign governments in order to enhance security programs;

(3) to promote strengthened security measures and to provide for the accountability of United States Government personnel with security-related responsibilities;

(4) to set forth the responsibility of the Secretary of State with respect to the safe and efficient evacuation of United States Government personnel, their dependents, and private United States citizens when their lives are endangered by war, civil unrest, or natural disaster; and

(5) to provide authorization of appropriations for the Department of State to carry out its responsibilities in the area of security and counterterrorism, and in particular to finance the acquisition and improvements of United States Government missions abroad, including real property, buildings, facilities, and communications, information, and security systems.

The Program shall include the following:

**(A) Analysis of methods**

Analyze, in coordination with other appropriate government agencies, methods used by terrorists to travel internationally, particularly the use of false or altered travel documents to illegally enter foreign countries and the United States, and consult with the Bureau of Consular Affairs and the Secretary of Homeland Security on recommended changes to the visa issuance process that could combat such methods, including the introduction of new technologies into such process.

**(B) Identification of individuals and documents**

Identify, in cooperation with the Human Trafficking and Smuggling Center, individuals who facilitate travel by the creation of false passports and visas, documents used to obtain such passports and visas, and other types of travel documents, and ensure that the appropriate agency is notified for further investigation and prosecution or, in the case of such individuals abroad for which no further investigation or prosecution is initiated, ensure that all appropriate information is shared with foreign governments in order to facilitate investigation, arrest, and prosecution of such individuals.

**(C) Identification of foreign countries needing assistance**

Identify foreign countries that need technical assistance, such as law reform, administrative reform, prosecutorial training, or assistance to police and other investigative services, to ensure passport, visa, and related document security and to investigate, arrest, and prosecute individuals who facilitate travel by the creation of false passports and visas, documents used to obtain such passports and visas, and other types of travel documents.

**(D) Inspection of applications**

Randomly inspect visa and passport applications for accuracy, efficiency, and fraud, especially at high terrorist threat posts, in order to prevent a recurrence of the issuance of visas to those who submit incomplete, fraudulent, or otherwise irregular or incomplete applications.

**(d) Report**

Not later than 90 days after the date on which the strategy required under section 7201<sup>1</sup> is submitted to Congress, the Assistant Secretary for Diplomatic Security shall submit to Congress a report containing—

**§ 4863. Use of cleared personnel to ensure secure maintenance and repair of diplomatic facilities abroad**

**(a) Policies and regulations**

The Secretary of State shall develop and implement policies and regulations to provide for the use of persons who have been granted an appropriate United States security clearance to ensure that the security of areas intended for the storage of classified materials or the conduct of classified activities in a United States diplomatic mission or consular post abroad is not compromised in the performance of maintenance and repair services in those areas.

**(b) Study and report**

The Secretary of State shall conduct a study of the feasibility and necessity of requiring that, in the case of certain United States diplomatic facilities abroad, no contractor shall be hired to perform maintenance or repair services in an area intended for the storage of classified mate-

rials or the conduct of classified activities unless such contractor has been granted an appropriate United States security clearance. Such study shall include, but is not limited to, United States facilities located in Cairo, New Delhi, Riyadh, and Tokyo. Not later than 180 days after February 16, 1990, the Secretary of State shall report the results of such study to the Chairman of the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives.

(Pub. L. 99-399, title IV, §415, as added Pub. L. 101-246, title I, §133(a), Feb. 16, 1990, 104 Stat. 32.)

**§ 4864. Increased participation of United States contractors in local guard contracts abroad under diplomatic security program**

**(a) Findings**

The Congress makes the following findings:

(1) State Department policy concerning the advertising of security contracts at Foreign Service buildings has been inconsistent over the years. In many cases, diplomatic and consular posts abroad have been given the responsibility to determine the manner in which the private sector was notified concerning an invitation for bids or a request for proposals with respect to a local guard contract. Some United States foreign missions have only chosen to advertise locally the availability of a local security guard contract abroad.

(2) As a result, many United States security firms that provide local guard services abroad have been unaware that local guard contracts were available for bidding abroad and such firms have been disadvantaged as a result.

(3) Undoubtedly, United States security firms would be interested in bidding on more local guard contracts abroad if such firms knew of the opportunity to bid on such contracts.

**(b) Objective**

It is the objective of this section to improve the efficiency of the local guard programs abroad administered by the Bureau of Diplomatic Security of the Department of State and to ensure maximum competition for local guard contracts abroad concerning Foreign Service buildings.

**(c) Participation of United States contractors in local guard contracts abroad**

With respect to local guard contracts for a Foreign Service building which exceed \$250,000 and are entered into after February 16, 1990, the Secretary of State shall—

(1) establish procedures to ensure that all solicitations for such contracts are adequately advertised in the Commerce and Business Daily;

(2) absent compelling reasons, award such contracts through the competitive process;

(3) in evaluating proposals for such contracts, award contracts to the technically acceptable firm offering the lowest evaluated price, except that proposals of United States persons and qualified United States joint venture persons (as defined in subsection (d) of this section) shall be evaluated by reducing the bid price by 10 percent;

(4) in countries where contract denomination and/or payment in local currencies constitutes a barrier to competition by United States firms—

(A) allow solicitations to be bid in United States dollars; and

(B) allow contracts awarded to United States firms to be paid in United States dollars;

(5) ensure that United States diplomatic and consular posts assist United States firms in obtaining local licenses and permits; and

(6) establish procedures to ensure that appropriate measures are taken by diplomatic and consular post management to assure that United States persons and qualified United States joint venture persons are not disadvantaged during the solicitation and bid evaluation process.

## CAPITAL SECURITY COST SHARING

Pub. L. 109-364, div. A, title III, §357, Oct. 17, 2006, 120 Stat. 2163, provided that:

“(a) RECONCILIATION REQUIRED.—For each fiscal year, the Secretary of Defense shall reconcile (1) the estimate of overseas presence of the Secretary of Defense under subsection (b) for that fiscal year, with (2) the determination of the Secretary of State under section 604(e)(1) of the Secure Embassy Construction and Counterterrorism Act of 1999 [Pub. L. 106-113] (22 U.S.C. 4865 note) of the total overseas presence of the Department of Defense for that fiscal year.

“(b) ANNUAL ESTIMATE OF OVERSEAS PRESENCE.—Not later than February 1 of each year, the Secretary of Defense shall submit to the congressional defense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives] an estimate of the total number of Department of Defense overseas personnel subject to chief of mission authority pursuant to section 207 of the Foreign Service Act of 1980 (22 U.S.C. 3927) during the fiscal year that begins on October 1 of that year.”

## FINDINGS

Pub. L. 106-113, div. B, §1000(a)(7) [div. A, title VI, §602], Nov. 29, 1999, 113 Stat. 1536, 1501A-451, provided that: “Congress makes the following findings:

“(1) On August 7, 1998, the United States embassies in Nairobi, Kenya, and in Dar es Salaam, Tanzania, were destroyed by simultaneously exploding bombs. The resulting explosions killed 220 persons and injured more than 4,000 others. Twelve Americans and 40 Kenyan and Tanzanian employees of the United States Foreign Service were killed in the attack.

“(2) The United States personnel in both Dar es Salaam and Nairobi showed leadership and personal courage in their response to the attacks. Despite the havoc wreaked upon the embassies, staff in both embassies provided rapid response in locating and rescuing victims, providing emergency assistance, and quickly restoring embassy operations during a crisis.

“(3) The bombs are believed to have been set by individuals associated with Osama bin Laden, leader of a known transnational terrorist organization. In February 1998, bin Laden issued a directive to his followers that called for attacks against United States interests anywhere in the world.

“(4) Threats continue to be made against United States diplomatic facilities.

“(5) Accountability Review Boards were convened following the bombings, as required by Public Law 99-399 [see Tables for classification], chaired by Admiral William J. Crowe, United States Navy (Ret.) (in this section referred to as the ‘Crowe panels’).

“(6) The conclusions of the Crowe panels were strikingly similar to those stated by the Commission chaired by Admiral Bobby Ray Inman, which issued an extensive embassy security report in 1985.

“(7) The Crowe panels issued a report setting out many problems with security at United States diplomatic facilities, in particular the following:

“(A) The United States Government has devoted inadequate resources to security against terrorist attacks.

“(B) The United States Government places too low a priority on security concerns.

“(8) The result has been a failure to take adequate steps to prevent tragedies such as the bombings in Kenya and Tanzania.

“(9) The Crowe panels found that there was an institutional failure on the part of the Department of State to recognize threats posed by transnational terrorism and vehicular bombs.

“(10) Responsibility for ensuring adequate resources for security programs is widely shared throughout the United States Government, including Congress. Unless the vulnerabilities identified by the Crowe panels are addressed in a sustained and financially realistic manner, the lives and safety of United States employees in diplomatic facilities will continue to be at risk from further terrorist attacks.

“(11) Although service in the Foreign Service or other United States Government positions abroad can never be completely without risk, the United States Government must take all reasonable steps to minimize security risks.”

Amounts advanced by such agencies to the Department of State shall be credited to the Embassy Security, Construction and Maintenance account, and remain available until expended.

“(2) IMPLEMENTATION.—Implementation of this subsection shall be carried out in a manner that encourages right-sizing of each agency’s overseas presence.

The report shall list such facilities in groups of 20. The groups shall be ranked in order from most vulnerable to least vulnerable to such an attack.

“(2) PRIORITY ON USE OF FUNDS.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), funds authorized to be appropriated by section 604 [set out as a note above] for a particular project may be used only for those facilities which are listed in the first four groups described in paragraph (1).

“(B) EXCEPTION.—Funds authorized to be made available by section 604 may only be used for facilities which are not in the first 4 groups described in paragraph (1), if the Congress authorizes or appropriates funds for such a diplomatic facility or the Secretary of State notifies the appropriate congressional committees that such funds will be used for a facility in accordance with the procedures applicable to a reprogramming of funds under section 34(a) of the State Department Basic Authorities Act of 1956 (22 U.S.C. 2706(a)).

#### AMENDMENTS

1998—Subsec. (b). Pub. L. 105-277, §1335(f)(1), substituted “7 members” for “9 members” in introductory provisions.

Subsec. (b)(3), (4). Pub. L. 105-277, §1335(f)(2)-(4), redesignated par. (4) as (3), substituted “Five” for “Six”, and struck out former par. (3) which read as follows: “An officer or employee of the United States Information Agency, designated by the Director of that Agency.”

<sup>1</sup> So in original. Probably should be followed by “member”.
