(b) Federal-aid highway funds apportioned on or after January 1, 1968, to any State which the Secretary determines has not made provision for effective control of the establishment and maintenance along the Interstate System and the primary system of outdoor junkyards, which are within one thousand feet of the nearest edge of the right-of-way and visible from the main traveled way of the system, shall be reduced by amounts equal to 10 per centum of the amounts which would otherwise be apportioned to such State under section 104 of this title, until such time as such State shall provide for such effective control. Any amount which is withheld from apportionment to any State hereunder shall be reapportioned to the other States. Whenever he determines it to be in the public interest, the Secretary may suspend, for such periods as he deems necessary, the application of this subsection to a State.

within areas adjacent to the Interstate System and the primary system which are within one thousand feet of the nearest edge of the right-of-way and which are zoned industrial under authority of State law, or which are not zoned under authority of State law, but are used for industrial activities, as determined by the several States subject to approval by the Secretary.

(h) Notwithstanding any provision of this section, any junkyard in existence on the date of enactment of this section which does not conform to the requirements of this section and which the Secretary finds as a practical matter cannot be screened, shall not be required to be removed until July 1, 1970.

(i) The Federal share of landscaping and screening costs under this section shall be 75 per centum.

(j) Just compensation shall be paid the owner for the relocation, removal, or disposal of junkyards lawfully established under State law. The Federal share of such compensation shall be 75 per centum.

(k) All public lands or reservations of the United States which are adjacent to any portion of the interstate and primary systems shall be effectively controlled in accordance with the provisions of this section.

(l) Nothing in this section shall prohibit a State from establishing standards imposing stricter limitations with respect to outdoor junkyards on the Federal-aid highway systems than those established under this section.

(m) There is authorized to be appropriated to carry out this section, out of any money in the Treasury not otherwise appropriated, not to exceed \$20,000,000 for the fiscal year ending June 30, 1966, not to exceed \$20,000,000 for the fiscal year ending June 30, 1967, not to exceed \$3,000,000 for the fiscal year ending June 30, 1970, not to exceed \$3,000,000 for the fiscal year ending June 30, 1971, not to exceed \$3,000,000 for the fiscal year ending June 30, 1972, and not to exceed \$5,000,000 for the fiscal year ending June 30, 1973.
