(Mar. 22, 1906, ch. 1127, §1, 34 Stat. 83.)

§ 152. Name; control, rules and regulations

Said reserve shall be known as the Battle Mountain Sanitarium Reserve, and shall be under the exclusive control of the Secretary of Veterans Affairs in connection with the Battle Mountain Sanitarium at Hot Springs, South Dakota, whose duty it shall be to prescribe such rules and regulations and establish such service as the Secretary may consider necessary for the care and management of the same.

§ 153. Perfecting bona fide claims to lands; exchange of private lands

In all cases of unperfected bona fide claims lying within the said boundaries of said reserve, which claims have been properly initiated prior to September 2, 1902, said claims may be perfected upon compliance with the requirements

of the laws respecting settlement, residence, improvements, and so forth, in the same manner in all respects as claims are perfected to other Government lands: *Provided*, That to the extent that the lands within said reserve are held in private ownership the Secretary of the Interior is authorized in his discretion to exchange therefor public lands of like area and value, which are surveyed, vacant, unappropriated, not mineral, not timbered, and not required for reservoir sites or other public uses or purposes. The private owners must, at their expense and by appropriate instruments of conveyance, surrender to the Government a full and unencumbered right and title to the private lands included in any exchange before patents are issued for or any rights attached to the public lands included therein, and no charge of any kind shall be made for issuing such patents. Upon completion of any exchange the lands surrendered to the Government shall become a part of said reserve in a like manner as if they had been public lands at the time of the establishment of said reserve. Nothing contained in this section shall be construed to authorize the issuance of any land scrip, and the State of South Dakota is granted the privilege of selecting from the public lands in said State an equal quantity of land in lieu of such portions of section sixteen included within said reserve as have not been sold or disposed of by said State and are not covered by an unperfected bona fide claim as above mentioned.

SUBCHAPTER III—MENTAL HEALTH SERVICE FOR DISTRICT OF COLUMBIA

§ 225. Findings and purposes

(a) The Congress makes the following findings:

(1) Governmentally administered mental health services in the District of Columbia are currently provided through two separate public entities, the federally administered Saint Elizabeths Hospital and the Mental Health Services Administration of the District of Columbia Department of Human Resources.

(2) The District of Columbia has a continuing responsibility to provide mental health services to its residents.

(3) The Federal Government, through its operation of a national mental health program at Saint Elizabeths Hospital, has for over 100 years assisted the District of Columbia in carrying out that responsibility.

(4) Since its establishment by Congress in 1855, Saint Elizabeths Hospital has developed into a respected national mental health hospital and study, training, and treatment cen-

ter, providing a range of quality mental health and related services, including—

(i) acute and chronic inpatient psychiatric care;

(ii) outpatient psychiatric and substance abuse clinical and related services;

(iii) Federal court system forensic psychiatry referral, evaluation, and patient treatment services for prisoners, and for individuals awaiting trial or requiring post-trial or post-sentence psychiatric evaluation;

(iv) patient care and related services for designated classes of individuals entitled to mental health benefits under Federal law, such as certain members and employees of the United States Armed Forces and the Foreign Service, and residents of American overseas dependencies;

(v) District of Columbia court system forensic psychiatry referral, evaluation, and patient treatment services for prisoners, and for individuals awaiting trial or requiring post-trial or postsentence psychiatric evaluation;

(vi) programs for special populations such as the mentally ill deaf;

(vii) support for basic and applied clinical psychiatric research and related patient services conducted by the National Institute of Mental Health and other institutions; and

(viii) professional and paraprofessional training in the major mental health disciplines.

(5) The continuation of the range of services currently provided by federally administered Saint Elizabeths Hospital must be assured, as these services are integrally related to—

(i) the availability of adequate mental health services to District of Columbia residents, nonresidents who require mental health services while in the District of Columbia, individuals entitled to mental health services under Federal law, and individuals referred by both Federal and local court systems; and

(ii) the Nation's capacity to increase our knowledge and understanding about mental illness and to facilitate and continue the development and broad availability of sound and modern methods and approaches for the treatment of mental illness.

(6) The assumption of all or selected functions, programs, and resources of Saint Elizabeths Hospital from the Federal Government by the District of Columbia, and the integration of those functions, resources, and programs into a comprehensive mental health care system administered solely by the District of Columbia, will improve the efficiency and effectiveness of the services currently provided through those two separate entities by shifting the primary focus of care to an integrated community-based system.

(7) Such assumption of all or selected functions, programs, and resources of Saint Elizabeths Hospital by the District of Columbia would further the principle of home rule for the District of Columbia.

(b) It is the intent of Congress that—

(1) the District of Columbia have in operation no later than October 1, 1993, an inte-

grated coordinated mental health system in the District which provides—

(A) high quality, cost-effective, and community-based programs and facilities;

(B) a continuum of inpatient and outpatient mental health care, residential treatment, and support services through an appropriate balance of public and private resources; and

(C) assurances that patient rights and medical needs are protected;

(2) the comprehensive District mental health care system be in full compliance with the Federal court consent decree in *Dixon v. Heckler*;

(3) the District and Federal Governments bear equitable shares of the costs of a transition from the present system to a comprehensive District mental health system;

(4) the transition to a comprehensive District mental health system provided for by this subchapter be carried out with maximum consideration for the interests of employees of the Hospital and provide a right-of-first-refusal to such employees for employment at comparable levels in positions created under the system implementation plan;

(5) the Federal Government have the responsibility for the retraining of Hospital employees to prepare such employees for the requirements of employment in a comprehensive District mental health system;

(6) the Federal Government continue high quality mental health research, training, and demonstration programs at Saint Elizabeths Hospital;

(7) the District government establish and maintain accreditation and licensing standards for all services provided in District mental health facilities which assure quality care consistent with appropriate Federal regulations and comparable with standards of the Joint Commission on Accreditation of Hospitals; and

(8) the comprehensive mental health system plan include a component for direct services for the homeless mentally ill.

The heirs or legatees of the deceased resident may file a claim made with the Secretary of Defense to reclaim such proceeds. A determination of the claim by the Secretary shall be subject to judicial review exclusively by the United States Court of Federal Claims.

(2)(A) The Administrator of a facility of the Retirement Home may designate an attorney who is a full-time officer or employee of the United States or a member of the Armed Forces on active duty to serve as attorney or agent for the facility in any probate proceeding in which the Retirement Home may have a legal interest as nominated fiduciary, testamentary legatee, escheat legatee, or in any other capacity.

(3) The designation of an employee or representative of a facility of the Retirement Home as personal representative of the estate of a resident of the Retirement Home or as a legatee under the will or codicil of the resident shall not disqualify an employee or staff member of that facility from serving as a competent witness to a will or codicil of the resident.

(4) After the end of the three-year period beginning on the date of the death of a resident of a facility, the Administrator of the facility shall dispose of all property of the deceased resident that is not otherwise disposed of under this subsection, including personal effects such as decorations, medals, and citations to which a right has not been established under subsection (a) of this section. Disposal may be made within the discretion of the Administrator by—

(B) offering such items to the Secretary of Veterans Affairs, a State, another military home, a museum, or any other institution having an interest in such items; or

(C) destroying any items determined by the Administrator to be valueless.

(c) Transfer of proceeds to Fund

The net proceeds received by the Administrators from the sale of effects under subsection (b) of this section shall be deposited in the Fund.

(d) Subsequent claim

(1) A claim for the net proceeds of the sale under subsection (b) of this section of the effects of a deceased may be filed with the Secretary of Defense at any time within six years after the death of the deceased, for action under section 2771 of title 10.

(2) A claim referred to in paragraph (1) may not be considered by a court or the Secretary unless the claim is filed within the time period prescribed in such paragraph.

(3) A claim allowed by the Secretary under paragraph (1) shall be certified to the Secretary of the Treasury for payment from the Fund in the amount found due, including any interest relating to the amount. No claim may be allowed or paid in excess of the net proceeds of the estate deposited in the Fund under subsection (c) of this section plus interest.

(e) Unclaimed property

In the case of property delivered to the Retirement Home under section 2575 of title 10, the Administrator of the facility shall deliver the property to the owner, the heirs or next of kin of the owner, or the legal representative of the owner, if a right to the property is established to the satisfaction of the Administrator of the facility within two years after the delivery.
