If for any taxable year the taxpayer is described in paragraph (2), neither—

for the taxable year shall be allowed.

###### (2) Persons described

The following are described in this paragraph:

- (A) any individual, estate, or trust,
- (B) any closely held C corporation, and
- (C) any personal service corporation.

##### (b) Disallowed loss or credit carried to next year

Except as otherwise provided in this section, any loss or credit from an activity which is disallowed under subsection (a) shall be treated as a deduction or credit allocable to such activity in the next taxable year.

##### (c) Passive activity defined

For purposes of this section—

###### (1) In general

The term “passive activity” means any activity—

- (A) which involves the conduct of any trade or business, and
- (B) in which the taxpayer does not materially participate.

###### (2) Passive activity includes any rental activity

Except as provided in paragraph (7), the term “passive activity” includes any rental activity.

###### (3) Working interests in oil and gas property

###### (A) In general

The term “passive activity” shall not include any working interest in any oil or gas property which the taxpayer holds directly or through an entity which does not limit the liability of the taxpayer with respect to such interest.

###### (B) Income in subsequent years

If any taxpayer has any loss for any taxable year from a working interest in any oil or gas property which is treated as a loss which is not from a passive activity, then any net income from such property (or any property the basis of which is determined in whole or in part by reference to the basis of such property) for any succeeding taxable year shall be treated as income of the taxpayer which is not from a passive activity. If the preceding sentence applies to the net income from any property for any taxable year, any credits allowable under subpart B (other than section 27(a)) or D of part IV of subchapter A for such taxable year which are attributable to such property shall be

treated as credits not from a passive activity to the extent the amount of such credits does not exceed the regular tax liability of the taxpayer for the taxable year which is allocable to such net income.

###### (A) In general

If this paragraph applies to any taxpayer for a taxable year—

- (i) paragraph (2) shall not apply to any rental real estate activity of such taxpayer for such taxable year, and
- (ii) this section shall be applied as if each interest of the taxpayer in rental real estate were a separate activity.

Notwithstanding clause (ii), a taxpayer may elect to treat all interests in rental real estate as one activity. Nothing in the preceding provisions of this subparagraph shall be construed as affecting the determination of whether the taxpayer materially participates with respect to any interest in a limited partnership as a limited partner.

###### (B) Taxpayers to whom paragraph applies

This paragraph shall apply to a taxpayer for a taxable year if—

- (i) more than one-half of the personal services performed in trades or businesses by the taxpayer during such taxable year are performed in real property trades or businesses in which the taxpayer materially participates, and
- (ii) such taxpayer performs more than 750 hours of services during the taxable year in real property trades or businesses in which the taxpayer materially participates.
