(1) Taxes shown on return

The Secretary shall assess all taxes determined by the taxpayer or by the Secretary as to which returns or lists are made under this title.

(2) Unpaid taxes payable by stamp

(A) Omitted stamps

Whenever any article upon which a tax is required to be paid by means of a stamp is sold or removed for sale or use by the manufacturer thereof or whenever any transaction or act upon which a tax is required to be paid by means of a stamp occurs without the use of the proper stamp, it shall be the duty of the Secretary, upon such information as he can obtain, to estimate the amount of tax which has been omitted to be paid and to make assessment therefor upon the person or persons the Secretary determines to be liable for such tax.

(B) Check or money order not duly paid

In any case in which a check or money order received under authority of section 6311 as payment for stamps is not duly paid, the unpaid amount may be immediately assessed as if it were a tax imposed by this title, due at the time of such receipt, from the person who tendered such check or money order.

If on any return or claim for refund of income taxes under subtitle A there is an overstatement of the credit for income tax withheld at the source, or of the amount paid as estimated income tax, the amount so overstated which is allowed against the tax shown on the return or which is allowed as a credit or refund may be assessed by the Secretary in the same manner as in the case of a mathematical or clerical error appearing upon the return, except that the provisions of section 6213(b)(2) (relating to abatement of mathematical or clerical error assessments) shall not apply with regard to any assessment under this paragraph.

An assessment of an amount of restitution under an order described in subparagraph (A) shall not be made before all appeals of such order are concluded and the right to make all such appeals has expired.

¹ Section numbers editorially supplied.

(C) Restriction on challenge of assessment

The amount of such restitution may not be challenged by the person against whom assessed on the basis of the existence or amount of the underlying tax liability in any proceeding authorized under this title (including in any suit or proceeding in court permitted under section 7422).

(b) Amount not to be assessed**(1) Estimated income tax**

No unpaid amount of estimated income tax required to be paid under section 6654 or 6655 shall be assessed.

Any income tax under chapter 1 assessed against a child, to the extent attributable to amounts includible in the gross income of the child, and not of the parent, solely by reason of section 73(a), shall, if not paid by the child, for all purposes be considered as having also been properly assessed against the parent.

(d) Required reasonable verification of information returns

In any court proceeding, if a taxpayer asserts a reasonable dispute with respect to any item of income reported on an information return filed with the Secretary under subpart B or C of part III of subchapter A of chapter 61 by a third party and the taxpayer has fully cooperated with the Secretary (including providing, within a reasonable period of time, access to and inspection of all witnesses, information, and documents within the control of the taxpayer as reasonably requested by the Secretary), the Secretary shall have the burden of producing reasonable and probative information concerning such deficiency in addition to such information return.

EXPLANATIONS OF APPEALS AND COLLECTION PROCESS

Pub. L. 105-206, title III, §3504, July 22, 1998, 112 Stat. 771, provided that: “The Secretary of the Treasury or the Secretary’s delegate shall, as soon as practicable, but not later than 180 days after the date of the enactment of this Act [July 22, 1998], include with any first

letter of proposed deficiency which allows the taxpayer an opportunity for administrative review in the Internal Revenue Service Office of Appeals an explanation of the entire process from examination through collection with respect to such proposed deficiency, including the assistance available to the taxpayer from the National Taxpayer Advocate at various points in the process.”

§ 6213. Restrictions applicable to deficiencies; petition to Tax Court

(a) Time for filing petition and restriction on assessment

Within 90 days, or 150 days if the notice is addressed to a person outside the United States, after the notice of deficiency authorized in section 6212 is mailed (not counting Saturday, Sunday, or a legal holiday in the District of Columbia as the last day), the taxpayer may file a petition with the Tax Court for a redetermination of the deficiency. Except as otherwise provided in section 6851, 6852, or 6861 no assessment of a deficiency in respect of any tax imposed by subtitle A, or B, chapter 41, 42, 43, or 44 and no levy or proceeding in court for its collection shall be made, begun, or prosecuted until such notice has been mailed to the taxpayer, nor until the expiration of such 90-day or 150-day period, as the case may be, nor, if a petition has been filed with the Tax Court, until the decision of the Tax Court has become final. Notwithstanding the provisions of section 7421(a), the making of such assessment or the beginning of such proceeding or levy during the time such prohibition is in force may be enjoined by a proceeding in the proper court, including the Tax Court, and a refund may be ordered by such court of any amount collected within the period during which the Secretary is prohibited from collecting by levy or through a proceeding in court under the provisions of this subsection. The Tax Court shall have no jurisdiction to enjoin any action or proceeding or order any refund under this subsection unless a timely petition for a redetermination of the deficiency has been filed and then only in respect of the deficiency that is the subject of such petition. Any petition filed with the Tax Court on or before the last date specified for filing such petition by the Secretary in the notice of deficiency shall be treated as timely filed.

(b) Exceptions to restrictions on assessment

(1) Assessments arising out of mathematical or clerical errors

If the taxpayer is notified that, on account of a mathematical or clerical error appearing on the return, an amount of tax in excess of that shown on the return is due, and that an assessment of the tax has been or will be made on the basis of what would have been the correct amount of tax but for the mathematical or clerical error, such notice shall not be considered as a notice of deficiency for the purposes of subsection (a) (prohibiting assessment and collection until notice of the deficiency has been mailed), or of section 6212(c)(1) (restricting further deficiency letters), or of section 6512(a) (prohibiting credits or refunds after petition to the Tax Court), and the taxpayer shall have no right to file a petition with the Tax Court based on such notice, nor

shall such assessment or collection be prohibited by the provisions of subsection (a) of this section. Each notice under this paragraph shall set forth the error alleged and an explanation thereof.

(2) Abatement of assessment of mathematical or clerical errors

(A) Request for abatement

Notwithstanding section 6404(b), a taxpayer may file with the Secretary within 60 days after notice is sent under paragraph (1) a request for an abatement of any assessment specified in such notice, and upon receipt of such request, the Secretary shall abate the assessment. Any reassessment of the tax with respect to which an abatement is made under this subparagraph shall be subject to the deficiency procedures prescribed by this subchapter.

(B) Stay of collection

In the case of any assessment referred to in paragraph (1), notwithstanding paragraph (1), no levy or proceeding in court for the collection of such assessment shall be made, begun, or prosecuted during the period in which such assessment may be abated under this paragraph.

(3) Assessments arising out of tentative carry-back or refund adjustments

If the Secretary determines that the amount applied, credited, or refunded under section 6411 is in excess of the overassessment attributable to the carryback or the amount described in section 1341(b)(1) with respect to which such amount was applied, credited, or refunded, he may assess without regard to the provisions of paragraph (2) the amount of the excess as a deficiency as if it were due to a mathematical or clerical error appearing on the return.

(4) Assessment of amount paid

Any amount paid as a tax or in respect of a tax may be assessed upon the receipt of such payment notwithstanding the provisions of subsection (a). In any case where such amount is paid after the mailing of a notice of deficiency under section 6212, such payment shall not deprive the Tax Court of jurisdiction over such deficiency determined under section 6211 without regard to such assessment.

(5) Certain orders of criminal restitution

If the taxpayer is notified that an assessment has been or will be made pursuant to section 6201(a)(4)—

(A) such notice shall not be considered as a notice of deficiency for the purposes of subsection (a) (prohibiting assessment and collection until notice of the deficiency has been mailed), section 6212(c)(1) (restricting further deficiency letters), or section 6512(a) (prohibiting credits or refunds after petition to the Tax Court), and

(B) subsection (a) shall not apply with respect to the amount of such assessment.

(c) Failure to file petition

If the taxpayer does not file a petition with the Tax Court within the time prescribed in sub-

section (a), the deficiency, notice of which has been mailed to the taxpayer, shall be assessed, and shall be paid upon notice and demand from the Secretary.

(d) Waiver of restrictions

The taxpayer shall at any time (whether or not a notice of deficiency has been issued) have the right, by a signed notice in writing filed with the Secretary, to waive the restrictions provided in subsection (a) on the assessment and collection of the whole or any part of the deficiency.

(e) Suspension of filing period for certain excise taxes

The running of the time prescribed by subsection (a) for filing a petition in the Tax Court with respect to the taxes imposed by section 4941 (relating to taxes on self-dealing), 4942 (relating to taxes on failure to distribute income), 4943 (relating to taxes on excess business holdings), 4944 (relating to investments which jeopardize charitable purpose), 4945 (relating to taxes on taxable expenditures), 4951 (relating to taxes on self-dealing), or 4952 (relating to taxes on taxable expenditures), 4955 (relating to taxes on political expenditures), 4958 (relating to private excess benefit), 4971 (relating to excise taxes on failure to meet minimum funding standard), 4975 (relating to excise taxes on prohibited transactions) shall be suspended for any period during which the Secretary has extended the time allowed for making correction under section 4963(e).

(f) Coordination with title 11

(1) Suspension of running of period for filing petition in title 11 cases

In any case under title 11 of the United States Code, the running of the time prescribed by subsection (a) for filing a petition in the Tax Court with respect to any deficiency shall be suspended for the period during which the debtor is prohibited by reason of such case from filing a petition in the Tax Court with respect to such deficiency, and for 60 days thereafter.

(2) Certain action not taken into account

For purposes of the second and third sentences of subsection (a), the filing of a proof of claim or request for payment (or the taking of any other action) in a case under title 11 of the United States Code shall not be treated as action prohibited by such second sentence.

The Secretary shall mail to each partner whose name and address is furnished to the Secretary notice of—

(1) the beginning of an administrative proceeding at the partnership level with respect to a partnership item, and

(2) the final partnership administrative adjustment resulting from any such proceeding.

A partner shall not be entitled to any notice under this subsection unless the Secretary has

received (at least 30 days before it is mailed to the tax matters partner) sufficient information to enable the Secretary to determine that such partner is entitled to such notice and to provide such notice to such partner.

(b) Special rules for partnership with more than 100 partners**(1) Partner with less than 1 percent interest**

Except as provided in paragraph (2), subsection (a) shall not apply to a partner if—

(A) the partnership has more than 100 partners, and

(B) the partner has a less than 1 percent interest in the profits of the partnership.

(2) Secretary must give notice to notice group

If a group of partners in the aggregate having a 5 percent or more interest in the profits of a partnership so request and designate one of their members to receive the notice, the member so designated shall be treated as a partner to whom subsection (a) applies.

(c) Information base for Secretary's notices, etc.

Except as provided in paragraphs (2) and (3), the Secretary shall use the names, addresses, and profits interests shown on the partnership return.

The Secretary shall use additional information furnished to him by the tax matters partner or any other person in accordance with regulations prescribed by the Secretary.

(3) Special rule with respect to indirect partners

(ii) in the case of a member of a notice group which qualified under paragraph (2) of subsection (b), by mailing notice to the partner designated for such purpose by the group.

(2) Proceedings finished

In any case to which this subsection applies, if at the time the Secretary mails the partner notice of the proceeding—

(A) the period within which a petition for review of a final partnership administrative adjustment under section 6226 may be filed has expired and no such petition has been filed, or

(B) the decision of a court in an action begun by such a petition has become final,

the partner may elect to have such adjustment, such decision, or a settlement agreement described in paragraph (2) of section 6224(c) with respect to the partnership taxable year to which the adjustment relates apply to such partner. If the partner does not make an election under the preceding sentence, the partnership items of the partner for the partnership taxable year to which the proceeding relates shall be treated as nonpartnership items.

(3) Proceedings still going on

In any case to which this subsection applies, if paragraph (2) does not apply, the partner shall be a party to the proceeding unless such partner elects—

An indirect partner is bound by any such agreement entered into by the pass-thru partner unless the indirect partner has been identified as provided in section 6223(c)(3).

(2) Other partners have right to enter into consistent agreements

If the Secretary or the Attorney General (or his delegate) enters into a settlement agreement with any partner with respect to partnership items for any partnership taxable year, the Secretary or the Attorney General (or his delegate) shall offer to any other partner who so requests settlement terms for the partnership taxable year which are consistent with those contained in such settlement agreement. Except in the case of an election under paragraph (2) or (3) of section 6223(e) to have a settlement agreement described in this paragraph apply, this paragraph shall apply with respect to a settlement agreement entered into with a partner before notice of a final partnership administrative adjustment is mailed to the tax matters partner only if such other partner makes the request before the expiration of 150 days after the day on which such notice is mailed to the tax matters partner.

(3) Tax matters partner may bind certain other partners

(A) In general

A partner who is not a notice partner (and not a member of a notice group described in subsection (b)(2) of section 6223) shall be bound by any settlement agreement—

(b) Premature action may be enjoined

Notwithstanding section 7421(a), any action which violates subsection (a) may be enjoined in the proper court, including the Tax Court. The Tax Court shall have no jurisdiction to enjoin any action or proceeding under this subsection unless a timely petition for a readjustment of the partnership items for the taxable year has been filed and then only in respect of the adjustments that are the subject of such petition.

§ 6226. Judicial review of final partnership administrative adjustments

(a) Petition by tax matters partner

Within 90 days after the day on which a notice of a final partnership administrative adjustment is mailed to the tax matters partner, the tax matters partner may file a petition for a readjustment of the partnership items for such taxable year with—

- (1) the Tax Court,
- (2) the district court of the United States for the district in which the partnership’s principal place of business is located, or
- (3) the Court of Federal Claims.

(b) Petition by partner other than tax matters partner

(1) In general

If the tax matters partner does not file a readjustment petition under subsection (a) with respect to any final partnership administra-

tive adjustment, any notice partner (and any 5-percent group) may, within 60 days after the close of the 90-day period set forth in subsection (a), file a petition for a readjustment of the partnership items for the taxable year involved with any of the courts described in subsection (a).

(2) Priority of the Tax Court action

If more than 1 action is brought under paragraph (1) with respect to any partnership for any partnership taxable year, the first such action brought in the Tax Court shall go forward.

(3) Priority outside the Tax Court

If more than 1 action is brought under paragraph (1) with respect to any partnership for any taxable year but no such action is brought in the Tax Court, the first such action brought shall go forward.

(4) Dismissal of other actions

If an action is brought under paragraph (1) in addition to the action which goes forward under paragraph (2) or (3), such action shall be dismissed.

(5) Treatment of premature petitions

If—

(A) a petition for a readjustment of partnership items for the taxable year involved is filed by a notice partner (or a 5-percent group) during the 90-day period described in subsection (a), and

(B) no action is brought under paragraph (1) during the 60-day period described therein with respect to such taxable year which is not dismissed,

such petition shall be treated for purposes of paragraph (1) as filed on the last day of such 60-day period.

(6) Tax matters partner may intervene

The tax matters partner may intervene in any action brought under this subsection.

(c) Partners treated as parties

If an action is brought under subsection (a) or (b) with respect to a partnership for any partnership taxable year—

(1) each person who was a partner in such partnership at any time during such year shall be treated as a party to such action, and

(2) the court having jurisdiction of such action shall allow each such person to participate in the action.

(d) Partner must have interest in outcome

(1) In order to be party to action

Subsection (c) shall not apply to a partner after the day on which—

(A) the partnership items of such partner for the partnership taxable year became nonpartnership items by reason of 1 or more of the events described in subsection (b) of section 6231, or

(B) the period within which any tax attributable to such partnership items may be assessed against that partner expired.

Notwithstanding subparagraph (B), any person treated under subsection (c) as a party to an

action shall be permitted to participate in such action (or file a readjustment petition under subsection (b) or paragraph (2) of this subsection) solely for the purpose of asserting that the period of limitations for assessing any tax attributable to partnership items has expired with respect to such person, and the court having jurisdiction of such action shall have jurisdiction to consider such assertion.

(2) To file petition

No partner may file a readjustment petition under subsection (b) unless such partner would (after the application of paragraph (1) of this subsection) be treated as a party to the proceeding.

(e) Jurisdictional requirement for bringing action in district court or Court of Federal Claims

(1) In general

A readjustment petition under this section may be filed in a district court of the United States or the Court of Federal Claims only if the partner filing the petition deposits with the Secretary, on or before the day the petition is filed, the amount by which the tax liability of the partner would be increased if the treatment of partnership items on the partner's return were made consistent with the treatment of partnership items on the partnership return, as adjusted by the final partnership administrative adjustment. In the case of a petition filed by a 5-percent group, the requirement of the preceding sentence shall apply to each member of the group. The court may by order provide that the jurisdictional requirements of this paragraph are satisfied where there has been a good faith attempt to satisfy such requirements and any shortfall in the amount required to be deposited is timely corrected.

(2) Refund on request

If an action brought in a district court of the United States or in the Court of Federal Claims is dismissed by reason of the priority of a Tax Court action under paragraph (2) of subsection (b), the Secretary shall, at the request of the partner who made the deposit, refund the amount deposited under paragraph (1).

(3) Interest payable

Any amount deposited under paragraph (1), while deposited, shall not be treated as a payment of tax for purposes of this title (other than chapter 67).

(f) Scope of judicial review

A court with which a petition is filed in accordance with this section shall have jurisdiction to determine all partnership items of the partnership for the partnership taxable year to which the notice of final partnership administrative adjustment relates, the proper allocation of such items among the partners, and the applicability of any penalty, addition to tax, or additional amount which relates to an adjustment to a partnership item.

(g) Determination of court reviewable

Any determination by a court under this section shall have the force and effect of a decision

of the Tax Court or a final judgment or decree of the district court or the Court of Federal Claims, as the case may be, and shall be reviewable as such. With respect to the partnership, only the tax matters partner, a notice partner, or a 5-percent group may seek review of a determination by a court under this section.

(h) Effect of decision dismissing action

If an action brought under this section is dismissed (other than under paragraph (4) of subsection (b)), the decision of the court dismissing the action shall be considered as its decision that the notice of final partnership administrative adjustment is correct, and an appropriate order shall be entered in the records of the court.

Notwithstanding any other law or rule of law, if an agreement is entered into under paragraph (1)(B) and the agreement is signed by a person who would be the tax matters partner but for the fact that, at the time that the agreement is executed, the person is a debtor in a bankruptcy proceeding under title 11 of the United States Code, such agreement shall be binding on all partners in the partnership unless the Secretary has been notified of the bankruptcy proceeding in accordance with regulations prescribed by the Secretary.

The period described in the preceding sentence (including any extension period under this sentence) may be extended with respect to any partner by agreement entered into by the Secretary and such partner.

(2) Special rule for partial settlement agreements

If a partner enters into a settlement agreement with the Secretary or the Attorney General (or his delegate) with respect to the treatment of some of the partnership items in dispute for a partnership taxable year but other partnership items for such year remain in dispute, the period of limitations for assessing any tax attributable to the settled items shall be determined as if such agreement had not been entered into.

(A) Subchapter B shall apply to any deficiency attributable to—

(i) affected items which require partner level determinations (other than penalties, additions to tax, and additional amounts that relate to adjustments to partnership items), or

(ii) items which have become nonpartnership items (other than by reason of section 6231(b)(1)(C)) and are described in section 6231(e)(1)(B).

(B) Subchapter B shall be applied separately with respect to each deficiency described in subparagraph (A) attributable to each partnership.

(C) Notwithstanding any other law or rule of law, any notice or proceeding under subchapter B with respect to a deficiency described in this paragraph shall not preclude or be precluded by any other notice, proceeding, or determination with respect to a partner's tax liability for a taxable year.

(3) Special rule in case of assertion by partner's spouse of innocent spouse relief

(A) Notwithstanding section 6404(b), if the spouse of a partner asserts that section 6015 applies with respect to a liability that is attributable to any adjustment to a partnership item (including any liability for any penalties, additions to tax, or additional amounts relating to such adjustment), then such spouse may file with the Secretary within 60 days after the notice of computational adjustment is mailed to the spouse a request for abatement of the assessment specified in such notice. Upon receipt of such request, the Secretary shall abate the assessment. Any reassessment of the tax with respect to which an abatement is made under this subparagraph shall be subject to the deficiency procedures prescribed by subchapter B. The period for making any such reassessment shall not expire before the expiration of 60 days after the date of such abatement.

(B) If the spouse files a petition with the Tax Court pursuant to section 6213 with respect to the request for abatement described in subparagraph (A), the Tax Court shall only have jurisdiction pursuant to this section to determine whether the requirements of section 6015 have been satisfied. For purposes of such determination, the treatment of partnership items (and the applicability of any penalties, additions to tax, or additional amounts) under the settlement, the final partnership administrative adjustment, or the decision of the court (whichever is appropriate) that gave rise to the liability in question shall be conclusive.

(C) Rules similar to the rules contained in subparagraphs (B) and (C) of paragraph (2) shall apply for purposes of this paragraph.

(b) Mathematical and clerical errors appearing on partnership return

(1) In general

Section 6225 shall not apply to any adjustment necessary to correct a mathematical or clerical error (as defined in section 6213(g)(2)) appearing on the partnership return.

(2) Exception

Paragraph (1) shall not apply to a partner if, within 60 days after the day on which notice of the correction of the error is mailed to the partner, such partner files with the Secretary a request that the correction not be made.

(c) Claims arising out of erroneous computations, etc.

(1) In general

A partner may file a claim for refund on the grounds that—

(A) the Secretary erroneously computed any computational adjustment necessary—

(i) to make the partnership items on the partner's return consistent with the treatment of the partnership items on the partnership return, or

(ii) to apply to the partner a settlement, a final partnership administrative adjustment, or the decision of a court in an action brought under section 6226 or section 6228(a),

(B) the Secretary failed to allow a credit or to make a refund to the partner in the amount of the overpayment attributable to the application to the partner of a settlement, a final partnership administrative adjustment, or the decision of a court in an action brought under section 6226 or section 6228(a), or

(C) the Secretary erroneously imposed any penalty, addition to tax, or additional amount which relates to an adjustment to a partnership item.

(2) Time for filing claim

(A) Under paragraph (1)(A) or (C)

Any claim under subparagraph (A) or (C) of paragraph (1) shall be filed within 6 months after the day on which the Secretary mails the notice of computational adjustment to the partner.

(B) Under paragraph (1)(B)

Any claim under paragraph (1)(B) shall be filed within 2 years after whichever of the following days is appropriate:

- (i) the day on which the settlement is entered into,
- (ii) the day on which the period during which an action may be brought under section 6226 with respect to the final partnership administrative adjustment expires, or
- (iii) the day on which the decision of the court becomes final.

(3) Suit if claim not allowed

If any portion of a claim under paragraph (1) is not allowed, the partner may bring suit with respect to such portion within the period specified in subsection (a) of section 6532 (relating to periods of limitations on refund suits).

(4) No review of substantive issues

For purposes of any claim or suit under this subsection, the treatment of partnership items on the partnership return, under the settlement, under the final partnership administrative adjustment, or under the decision of the court (whichever is appropriate) shall be conclusive. In addition, the determination under the final partnership administrative adjustment or under the decision of the court (whichever is appropriate) concerning the applicability of any penalty, addition to tax, or additional amount which relates to an adjustment to a partnership item shall also be conclusive. Notwithstanding the preceding sentence, the partner shall be allowed to assert any partner level defenses that may apply or to challenge the amount of the computational adjustment.

(5) Rules for seeking innocent spouse relief

(A) In general

The spouse of a partner may file a claim for refund on the ground that the Secretary failed to relieve the spouse under section 6015 from a liability that is attributable to an adjustment to a partnership item (including any liability for any penalties, additions to tax, or additional amounts relating to such adjustment).

(B) Time for filing claim

Any claim under subparagraph (A) shall be filed within 6 months after the day on which the Secretary mails to the spouse the notice of computational adjustment referred to in subsection (a)(3)(A).

(C) Suit if claim not allowed

If the claim under subparagraph (B) is not allowed, the spouse may bring suit with respect to the claim within the period specified in paragraph (3).

(D) Prior determinations are binding

For purposes of any claim or suit under this paragraph, the treatment of partnership items (and the applicability of any penalties, additions to tax, or additional amounts) under the settlement, the final partnership administrative adjustment, or the decision of the court (whichever is appropriate) that gave rise to the liability in question shall be conclusive.

(d) Special rules with respect to credits or refunds attributable to partnership items

(1) In general

Except as otherwise provided in this subsection, no credit or refund of an overpayment attributable to a partnership item (or an affected item) for a partnership taxable year shall be allowed or made to any partner after the expiration of the period of limitation prescribed in section 6229 with respect to such partner for assessment of any tax attributable to such item.

(2) Administrative adjustment request

If a request for an administrative adjustment under section 6227 with respect to a partnership item is timely filed, credit or refund of any overpayment attributable to such partnership item (or an affected item) may be allowed or made at any time before the expiration of the period prescribed in section 6228 for bringing suit with respect to such request.

(3) Claim under subsection (c)

If a timely claim is filed under subsection (c) for a credit or refund of an overpayment attributable to a partnership item (or affected item), credit or refund of such overpayment may be allowed or made at any time before the expiration of the period specified in section 6532 (relating to periods of limitations on suits) for bringing suit with respect to such claim.

(4) Timely suit

Paragraph (1) shall not apply to any credit or refund of any overpayment attributable to a partnership item (or an item affected by such partnership item) if a partner brings a timely suit with respect to a timely administrative adjustment request under section 6228 or a timely claim under subsection (c) relating to such overpayment.

(5) Overpayments refunded without requirement that partner file claim

In the case of any overpayment by a partner which is attributable to a partnership item (or an affected item) and which may be refunded

under this subchapter, to the extent practicable credit or refund of such overpayment shall be allowed or made without any requirement that the partner file a claim therefor.

(6) Subchapter B of chapter 66 not applicable

Subchapter B of chapter 66 (relating to limitations on credit or refund) shall not apply to any credit or refund of an overpayment attributable to a partnership item.

(e) Tax matters partner required to furnish names of partners to Secretary

If the Secretary mails to any partnership the notice specified in paragraph (1) of section 6223(a) with respect to any partnership taxable year, the tax matters partner shall furnish to the Secretary the name, address, profits interest, and taxpayer identification number of each person who was a partner in such partnership at any time during such taxable year. If the tax matters partner later discovers that the information furnished to the Secretary was incorrect or incomplete, the tax matters partner shall furnish such revised or additional information as may be necessary.

(f) Failure of tax matters partner, etc., to fulfill responsibility does not affect applicability of proceeding

The failure of the tax matters partner, a pass-thru partner, the representative of a notice group, or any other representative of a partner to provide any notice or perform any act required under this subchapter or under regulations prescribed under this subchapter on behalf of such partner does not affect the applicability of any proceeding or adjustment under this subchapter to such partner.

(g) Date decision of court becomes final

For purposes of section 6229(d)(1) and section 6230(c)(2)(B), the principles of section 7481(a) shall be applied in determining the date on which a decision of a district court or the Court of Federal Claims becomes final.

(h) Examination authority not limited

Nothing in this subchapter shall be construed as limiting the authority granted to the Secretary under section 7602.

(i) Time and manner of filing statements, making elections, etc.

Except as otherwise provided in this subchapter, each—

- (1) statement,
- (2) election,
- (3) request, and
- (4) furnishing of information,

shall be filed or made at such time, in such manner, and at such place as may be prescribed in regulations.

(j) Partnerships having principal place of business outside the United States

For purposes of sections 6226 and 6228, a principal place of business located outside the United States shall be treated as located in the District of Columbia.

(k) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of

this subchapter. Any reference in this subchapter to regulations is a reference to regulations prescribed by the Secretary.

(l) Court rules

Any action brought under any provision of this subchapter shall be conducted in accordance with such rules of practice and procedure as may be prescribed by the Court in which the action is brought.

§ 6231. Definitions and special rules

(a) Definitions

For purposes of this subchapter—

(1) Partnership

(A) In general

Except as provided in subparagraph (B), the term “partnership” means any partner-

ship required to file a return under section 6031(a).

(B) Exception for small partnerships

(i) In general

The term “partnership” shall not include any partnership having 10 or fewer partners each of whom is an individual (other than a nonresident alien), a C corporation, or an estate of a deceased partner. For purposes of the preceding sentence, a husband and wife (and their estates) shall be treated as 1 partner.

(ii) Election to have subchapter apply

A partnership (within the meaning of subparagraph (A)) may for any taxable year elect to have clause (i) not apply. Such election shall apply for such taxable year and all subsequent taxable years unless revoked with the consent of the Secretary.

(2) Partner

The term “partner” means—

(A) a partner in the partnership, and

(B) any other person whose income tax liability under subtitle A is determined in whole or in part by taking into account directly or indirectly partnership items of the partnership.

(3) Partnership item

The term “partnership item” means, with respect to a partnership, any item required to be taken into account for the partnership’s taxable year under any provision of subtitle A to the extent regulations prescribed by the Secretary provide that, for purposes of this subtitle, such item is more appropriately determined at the partnership level than at the partner level.

(4) Nonpartnership item

The term “nonpartnership item” means an item which is (or is treated as) not a partnership item.

(5) Affected item

The term “affected item” means any item to the extent such item is affected by a partnership item.

(6) Computational adjustment

The term “computational adjustment” means the change in the tax liability of a partner which properly reflects the treatment under this subchapter of a partnership item. All adjustments required to apply the results of a proceeding with respect to a partnership under this subchapter to an indirect partner shall be treated as computational adjustments.

(7) Tax matters partner

The tax matters partner of any partnership is—

(A) the general partner designated as the tax matters partner as provided in regulations, or

(B) if there is no general partner who has been so designated, the general partner having the largest profits interest in the part-

nership at the close of the taxable year involved (or, where there is more than 1 such partner, the 1 of such partners whose name would appear first in an alphabetical listing).

If there is no general partner designated under subparagraph (A) and the Secretary determines that it is impracticable to apply subparagraph (B), the partner selected by the Secretary shall be treated as the tax matters partner. The Secretary shall, within 30 days of selecting a tax matters partner under the preceding sentence, notify all partners required to receive notice under section 6223(a) of the name and address of the person selected.

(8) Notice partner

The term “notice partner” means a partner who, at the time in question, would be entitled to notice under subsection (a) of section 6223 (determined without regard to subsections (b)(2) and (e)(1)(B) thereof).

(9) Pass-thru partner

The term “pass-thru partner” means a partnership, estate, trust, S corporation, nominee, or other similar person through whom other persons hold an interest in the partnership with respect to which proceedings under this subchapter are conducted.

(10) Indirect partner

The term “indirect partner” means a person holding an interest in a partnership through 1 or more pass-thru partners.

(11) 5-percent group

A 5-percent group is a group of partners who for the partnership taxable year involved had profits interests which aggregated 5 percent or more.

(12) Husband and wife

Except to the extent otherwise provided in regulations, a husband and wife who have a joint interest in a partnership shall be treated as 1 person.

(b) Items cease to be partnership items in certain cases

(1) In general

For purposes of this subchapter, the partnership items of a partner for a partnership taxable year shall become nonpartnership items as of the date—

(A) the Secretary mails to such partner a notice that such items shall be treated as nonpartnership items,

(B) the partner files suit under section 6228(b) after the Secretary fails to allow an administrative adjustment request with respect to any of such items,

(C) the Secretary or the Attorney General (or his delegate) enters into a settlement agreement with the partner with respect to such items, or

(D) such change occurs under subsection (e) of section 6223 (relating to effect of Secretary's failure to provide notice) or under subsection (c) of this section.

(2) Circumstances in which notice is permitted

The Secretary may mail the notice referred to in subparagraph (A) of paragraph (1) to a

partner with respect to partnership items for a partnership taxable year only if—

(A) such partner—

(i) has complied with subparagraph (B) of section 6222(b)(1) (relating to notification of inconsistent treatment) with respect to one or more of such items, and

(ii) has not, as of the date on which the Secretary mails the notice, filed a request for administrative adjustments which would make the partner's treatment of the item or items with respect to which the partner complied with subparagraph (B) of section 6222(b)(1) consistent with the treatment of such item or items on the partnership return, or

(B)(i) such partner has filed a request under section 6227(d) for administrative adjustment of one or more of such items, and

(ii) the adjustments requested would not make such partner's treatment of such items consistent with the treatment of such items on the partnership return.

(3) Notice must be mailed before beginning of partnership proceeding

Any notice to a partner under subparagraph (A) of paragraph (1) with respect to partnership items for a partnership taxable year shall be mailed before the day on which the Secretary mails to the tax matters partner a notice of the beginning of an administrative proceeding at the partnership level with respect to such items.

(c) Regulations with respect to certain special enforcement areas

(1) Applicability of subsection

This subsection applies in the case of—

(A) assessments under section 6851 (relating to termination assessments of income tax) or section 6861 (relating to jeopardy assessments of income, estate, gift, and certain excise taxes),

(B) criminal investigations,

(C) indirect methods of proof of income,

(D) foreign partnerships, and

(E) other areas that the Secretary determines by regulation to present special enforcement considerations.

(2) Items may be treated as nonpartnership items

To the extent that the Secretary determines and provides by regulations that to treat items as partnership items will interfere with the effective and efficient enforcement of this title in any case described in paragraph (1), such items shall be treated as nonpartnership items for purposes of this subchapter.

(3) Special rules

The Secretary may prescribe by regulation such special rules as the Secretary determines to be necessary to achieve the purposes of this subchapter in any case described in paragraph (1).

(d) Time for determining partner's profits interest in partnership

(1) In general

For purposes of section 6223(b) (relating to special rules for partnerships with more than

100 partners) and paragraph (11) of subsection (a) (relating to 5-percent group), the interest of a partner in the profits of a partnership for a partnership taxable year shall be determined—

(A) in the case of a partner whose entire interest in the partnership is disposed of during such partnership taxable year, as of the moment immediately before such disposition, or

(B) in the case of any other partner, as of the close of the partnership taxable year.

(2) Indirect partners

The Secretary shall prescribe regulations consistent with the principles of paragraph (1) to be applied in the case of indirect partners.

(e) Effect of judicial decisions in certain proceedings

(1) Determinations at partner level

No judicial determination with respect to the income tax liability of any partner not conducted under this subchapter shall be a bar to any adjustment in such partner's income tax liability resulting from—

(A) a proceeding with respect to partnership items under this subchapter, or

(B) a proceeding with respect to items which become nonpartnership items—

(i) by reason of 1 or more of the events described in subsection (b), and

(ii) after the appropriate time for including such items in any other proceeding with respect to nonpartnership items.

(2) Proceedings under section 6228(a)

No judicial determination in any proceeding under subsection (a) of section 6228 with respect to any partnership item shall be a bar to any adjustment in any other partnership item.

(f) Special rule for deductions, losses, and credits of foreign partnerships

Except to the extent otherwise provided in regulations, in the case of any partnership the tax matters partner of which resides outside the United States or the books of which are maintained outside the United States, no deduction, loss, or credit shall be allowable to any partner unless section 6031 is complied with for the partnership's taxable year in which such deduction, loss, or credit arose at such time as the Secretary prescribes by regulations.

(g) Partnership return to be determinative of whether subchapter applies

(1) Determination that subchapter applies

If, on the basis of a partnership return for a taxable year, the Secretary reasonably determines that this subchapter applies to such partnership for such year but such determination is erroneous, then the provisions of this subchapter are hereby extended to such partnership (and its items) for such taxable year and to partners of such partnership.

(2) Determination that subchapter does not apply

If, on the basis of a partnership return for a taxable year, the Secretary reasonably determines that this subchapter does not apply to

such partnership for such year but such determination is erroneous, then the provisions of this subchapter shall not apply to such partnership (and its items) for such taxable year or to partners of such partnership.

§ 6234. Declaratory judgment relating to treatment of items other than partnership items with respect to an oversheltered return

(a) General rule

If—

(1) a taxpayer files an oversheltered return for a taxable year,

(2) the Secretary makes a determination with respect to the treatment of items (other than partnership items) of such taxpayer for such taxable year, and

(3) the adjustments resulting from such determination do not give rise to a deficiency (as defined in section 6211) but would give rise to a deficiency if there were no net loss from partnership items,

the Secretary is authorized to send a notice of adjustment reflecting such determination to the taxpayer by certified or registered mail.

(b) Oversheltered return

For purposes of this section, the term “oversheltered return” means an income tax return which—

(1) shows no taxable income for the taxable year, and

(2) shows a net loss from partnership items.

(c) Judicial review in the Tax Court

Within 90 days, or 150 days if the notice is addressed to a person outside the United States, after the day on which the notice of adjustment authorized in subsection (a) is mailed to the taxpayer, the taxpayer may file a petition with the Tax Court for redetermination of the adjustments. Upon the filing of such a petition, the Tax Court shall have jurisdiction to make a declaration with respect to all items (other than partnership items and affected items which require partner level determinations as described in section 6230(a)(2)(A)(i)) for the taxable year to which the notice of adjustment relates, in accordance with the principles of section 6214(a). Any such declaration shall have the force and effect of a decision of the Tax Court and shall be reviewable as such.

(d) Failure to file petition

(1) In general

Except as provided in paragraph (2), if the taxpayer does not file a petition with the Tax Court within the time prescribed in subsection (c), the determination of the Secretary set

forth in the notice of adjustment that was mailed to the taxpayer shall be deemed to be correct.

(2) Exception

Paragraph (1) shall not apply after the date that the taxpayer—

(A) files a petition with the Tax Court within the time prescribed in subsection (c) with respect to a subsequent notice of adjustment relating to the same taxable year, or

(B) files a claim for refund of an overpayment of tax under section 6511 for the taxable year involved.

If a claim for refund is filed by the taxpayer, then solely for purposes of determining (for the taxable year involved) the amount of any computational adjustment in connection with a partnership proceeding under this subchapter (other than under this section) or the amount of any deficiency attributable to affected items in a proceeding under section 6230(a)(2), the items that are the subject of the notice of adjustment shall be presumed to have been correctly reported on the taxpayer's return during the pendency of the refund claim (and, if within the time prescribed by section 6532 the taxpayer commences a civil action for refund under section 7422, until the decision in the refund action becomes final).

(e) Limitations period

(1) In general

Any notice to a taxpayer under subsection (a) shall be mailed before the expiration of the period prescribed by section 6501 (relating to the period of limitations on assessment).

(2) Suspension when Secretary mails notice of adjustment

If the Secretary mails a notice of adjustment to the taxpayer for a taxable year, the period of limitations on the making of assessments shall be suspended for the period during which the Secretary is prohibited from making the assessment (and, in any event, if a proceeding in respect of the notice of adjustment is placed on the docket of the Tax Court, until the decision of the Tax Court becomes final), and for 60 days thereafter.

(3) Restrictions on assessment

Except as otherwise provided in section 6851, 6852, or 6861, no assessment of a deficiency with respect to any tax imposed by subtitle A attributable to any item (other than a partnership item or any item affected by a partnership item) shall be made—

(A) until the expiration of the applicable 90-day or 150-day period set forth in subsection (c) for filing a petition with the Tax Court, or

(B) if a petition has been filed with the Tax Court, until the decision of the Tax Court has become final.

(f) Further notices of adjustment restricted

If the Secretary mails a notice of adjustment to the taxpayer for a taxable year and the taxpayer files a petition with the Tax Court within the time prescribed in subsection (c), the Sec-

retary may not mail another such notice to the taxpayer with respect to the same taxable year in the absence of a showing of fraud, malfeasance, or misrepresentation of a material fact.

(g) Coordination with other proceedings under this subchapter

(1) In general

The treatment of any item that has been determined pursuant to subsection (c) or (d) shall be taken into account in determining the amount of any computational adjustment that is made in connection with a partnership proceeding under this subchapter (other than under this section), or the amount of any deficiency attributable to affected items in a proceeding under section 6230(a)(2), for the taxable year involved. Notwithstanding any other law or rule of law pertaining to the period of limitations on the making of assessments, for purposes of the preceding sentence, any adjustment made in accordance with this section shall be taken into account regardless of whether any assessment has been made with respect to such adjustment.

(2) Special rule in case of computational adjustment

In the case of a computational adjustment that is made in connection with a partnership proceeding under this subchapter (other than under this section), the provisions of paragraph (1) shall apply only if the computational adjustment is made within the period prescribed by section 6229 for assessing any tax under subtitle A which is attributable to any partnership item or affected item for the taxable year involved.

(3) Conversion to deficiency proceeding

If—

(A) after the notice referred to in subsection (a) is mailed to a taxpayer for a taxable year but before the expiration of the period for filing a petition with the Tax Court under subsection (c) (or, if a petition is filed with the Tax Court, before the Tax Court makes a declaration for that taxable year), the treatment of any partnership item for the taxable year is finally determined, or any such item ceases to be a partnership item pursuant to section 6231(b), and

(B) as a result of that final determination or cessation, a deficiency can be determined with respect to the items that are the subject of the notice of adjustment,

the notice of adjustment shall be treated as a notice of deficiency under section 6212 and any petition filed in respect of the notice shall be treated as an action brought under section 6213.

(4) Finally determined

For purposes of this subsection, the treatment of partnership items shall be treated as finally determined if—

(A) the Secretary or the Attorney General (or his delegate) enters into a settlement agreement (within the meaning of section 6224) with the taxpayer regarding such items,

(B) a notice of final partnership administrative adjustment has been issued and—

(i) no petition has been filed under section 6226 and the time for doing so has expired, or

(ii) a petition has been filed under section 6226 and the decision of the court has become final, or

(C) the period within which any tax attributable to such items may be assessed against the taxpayer has expired.

(h) Special rules if Secretary incorrectly determines applicable procedure

(1) Special rule if Secretary erroneously mails notice of adjustment

If the Secretary erroneously determines that subchapter B does not apply to a taxable year of a taxpayer and consistent with that determination timely mails a notice of adjustment to the taxpayer pursuant to subsection (a) of this section, the notice of adjustment shall be treated as a notice of deficiency under section 6212 and any petition that is filed in respect of the notice shall be treated as an action brought under section 6213.

(2) Special rule if Secretary erroneously mails notice of deficiency

If the Secretary erroneously determines that subchapter B applies to a taxable year of a taxpayer and consistent with that determination timely mails a notice of deficiency to the taxpayer pursuant to section 6212, the notice of deficiency shall be treated as a notice of adjustment under subsection (a) and any petition that is filed in respect of the notice shall be treated as an action brought under subsection (c).

(Added Pub. L. 105-34, title XII, §1231(a), Aug. 5, 1997, 111 Stat. 1020; amended Pub. L. 107-147, title IV, §416(d)(1)(D), Mar. 9, 2002, 116 Stat. 55.)

Sec.

- 6240. Application of subchapter.
- 6241. Partner's return must be consistent with partnership return.

Sec.

- 6242. Procedures for taking partnership adjustments into account.

PRIOR PROVISIONS

A prior subchapter D, Tax Treatment of Subchapter S Items, consisted of sections 6241 to 6245, prior to repeal by Pub. L. 104-188, title I, §1307(c)(1), Aug. 20, 1996, 110 Stat. 1781.

This subchapter shall only apply to electing large partnerships and partners in such partnerships.

(b) Coordination with other partnership audit procedures

(1) In general

Subchapter C of this chapter shall not apply to any electing large partnership other than in its capacity as a partner in another partnership which is not an electing large partnership.

(2) Treatment where partner in other partnership

If an electing large partnership is a partner in another partnership which is not an electing large partnership—

(A) subchapter C of this chapter shall apply to items of such electing large partnership which are partnership items with respect to such other partnership, but

(B) any adjustment under such subchapter C shall be taken into account in the manner provided by section 6242.

(Added Pub. L. 105-34, title XII, §1222(a), Aug. 5, 1997, 111 Stat. 1009.)

EFFECTIVE DATE

Subchapter applicable to partnership taxable years beginning after Dec. 31, 1997, see section 1226 of Pub. L. 105-34, as amended, set out as an Effective Date of 1997 Amendment note under section 6011 of this title.

§ 6241. Partner's return must be consistent with partnership return

(a) General rule

A partner of any electing large partnership shall, on the partner's return, treat each partnership item attributable to such partnership in a manner which is consistent with the treatment of such partnership item on the partnership return.

(b) Underpayment due to inconsistent treatment assessed as math error

Any underpayment of tax by a partner by reason of failing to comply with the requirements of subsection (a) shall be assessed and collected in the same manner as if such underpayment were on account of a mathematical or clerical error appearing on the partner's return. Paragraph (2) of section 6213(b) shall not apply to any assessment of an underpayment referred to in the preceding sentence.

(c) Adjustments not to affect prior year of partners

(1) In general

Except as provided in paragraph (2), subsections (a) and (b) shall apply without regard

to any adjustment to the partnership item under part II.

(2) Certain changes in distributive share taken into account by partner

(A) In general

To the extent that any adjustment under part II involves a change under section 704 in a partner's distributive share of the amount of any partnership item shown on the partnership return, such adjustment shall be taken into account in applying this title to such partner for the partner's taxable year for which such item was required to be taken into account.

(B) Coordination with deficiency procedures

(i) In general

Subchapter B shall not apply to the assessment or collection of any underpayment of tax attributable to an adjustment referred to in subparagraph (A).

(ii) Adjustment not precluded

Notwithstanding any other law or rule of law, nothing in subchapter B (or in any proceeding under subchapter B) shall preclude the assessment or collection of any underpayment of tax (or the allowance of any credit or refund of any overpayment of tax) attributable to an adjustment referred to in subparagraph (A) and such assessment or collection or allowance (or any notice thereof) shall not preclude any notice, proceeding, or determination under subchapter B.

(C) Period of limitations

The period for—

- (i) assessing any underpayment of tax, or
- (ii) filing a claim for credit or refund of any overpayment of tax,

attributable to an adjustment referred to in subparagraph (A) shall not expire before the close of the period prescribed by section 6248 for making adjustments with respect to the partnership taxable year involved.

(D) Tiered structures

If the partner referred to in subparagraph (A) is another partnership or an S corporation, the rules of this paragraph shall also apply to persons holding interests in such partnership or S corporation (as the case may be); except that, if such partner is an electing large partnership, the adjustment referred to in subparagraph (A) shall be taken into account in the manner provided by section 6242.

(d) Addition to tax for failure to comply with section

For addition to tax in case of partner's disregard of requirements of this section, see part II of subchapter A of chapter 68.

(Added Pub. L. 105-34, title XII, § 1222(a), Aug. 5, 1997, 111 Stat. 1009.)

PRIOR PROVISIONS

A prior section 6241, added Pub. L. 97-354, § 4(a), Oct. 19, 1982, 96 Stat. 1691, directed that tax treatment be determined at the corporate level, prior to repeal by Pub.

L. 104-188, title I, §§ 1307(c)(1), 1317(a), Aug. 20, 1996, 110 Stat. 1781, 1787, applicable to taxable years beginning after Dec. 31, 1996.

§ 6242. Procedures for taking partnership adjustments into account

(a) Adjustments flow through to partners for year in which adjustment takes effect

(1) In general

If any partnership adjustment with respect to any partnership item takes effect (within the meaning of subsection (d)(2)) during any partnership taxable year and if an election under paragraph (2) does not apply to such adjustment, such adjustment shall be taken into account in determining the amount of such item for the partnership taxable year in which such adjustment takes effect. In applying this title to any person who is (directly or indirectly) a partner in such partnership during such partnership taxable year, such adjustment shall be treated as an item actually arising during such taxable year.

(2) Partnership liable in certain cases

If—

(A) a partnership elects under this paragraph to not take an adjustment into account under paragraph (1),

(B) a partnership does not make such an election but in filing its return for any partnership taxable year fails to take fully into account any partnership adjustment as required under paragraph (1), or

(C) any partnership adjustment involves a reduction in a credit which exceeds the amount of such credit determined for the partnership taxable year in which the adjustment takes effect,

the partnership shall pay to the Secretary an amount determined by applying the rules of subsection (b)(4) to the adjustments not so taken into account and any excess referred to in subparagraph (C).

(3) Offsetting adjustments taken into account

If a partnership adjustment requires another adjustment in a taxable year after the adjusted year and before the partnership taxable year in which such partnership adjustment takes effect, such other adjustment shall be taken into account under this subsection for the partnership taxable year in which such partnership adjustment takes effect.

(4) Coordination with part II

Amounts taken into account under this subsection for any partnership taxable year shall continue to be treated as adjustments for the adjusted year for purposes of determining whether such amounts may be readjusted under part II.

(b) Partnership liable for interest and penalties

(1) In general

If a partnership adjustment takes effect during any partnership taxable year and such adjustment results in an imputed underpayment for the adjusted year, the partnership—

(A) shall pay to the Secretary interest computed under paragraph (2), and

(B) shall be liable for any penalty, addition to tax, or additional amount as provided in paragraph (3).

(2) Determination of amount of interest

The interest computed under this paragraph with respect to any partnership adjustment is the interest which would be determined under chapter 67—

(A) on the imputed underpayment determined under paragraph (4) with respect to such adjustment,

(B) for the period beginning on the day after the return due date for the adjusted year and ending on the return due date for the partnership taxable year in which such adjustment takes effect (or, if earlier, in the case of any adjustment to which subsection (a)(2) applies, the date on which the payment under subsection (a)(2) is made).

Proper adjustments in the amount determined under the preceding sentence shall be made for adjustments required for partnership taxable years after the adjusted year and before the year in which the partnership adjustment takes effect by reason of such partnership adjustment.

(3) Penalties

A partnership shall be liable for any penalty, addition to tax, or additional amount for which it would have been liable if such partnership had been an individual subject to tax under chapter 1 for the adjusted year and the imputed underpayment determined under paragraph (4) were an actual underpayment (or understatement) for such year.

(4) Imputed underpayment

For purposes of this subsection, the imputed underpayment determined under this paragraph with respect to any partnership adjustment is the underpayment (if any) which would result—

(A) by netting all adjustments to items of income, gain, loss, or deduction and by treating any net increase in income as an underpayment equal to the amount of such net increase multiplied by the highest rate of tax in effect under section 1 or 11 for the adjusted year, and

(B) by taking adjustments to credits into account as increases or decreases (whichever is appropriate) in the amount of tax.

For purposes of the preceding sentence, any net decrease in a loss shall be treated as an increase in income and a similar rule shall apply to a net increase in a loss.

(c) Administrative provisions

(1) In general

Any payment required by subsection (a)(2) or (b)(1)(A)—

(A) shall be assessed and collected in the same manner as if it were a tax imposed by subtitle C, and

(B) shall be paid on or before the return due date for the partnership taxable year in which the partnership adjustment takes effect.

(2) Interest

For purposes of determining interest, any payment required by subsection (a)(2) or

(b)(1)(A) shall be treated as an underpayment of tax.

(3) Penalties

(A) In general

In the case of any failure by any partnership to pay on the date prescribed therefor any amount required by subsection (a)(2) or (b)(1)(A), there is hereby imposed on such partnership a penalty of 10 percent of the underpayment. For purposes of the preceding sentence, the term “underpayment” means the excess of any payment required under this section over the amount (if any) paid on or before the date prescribed therefor.

(B) Accuracy-related and fraud penalties made applicable

For purposes of part II of subchapter A of chapter 68, any payment required by subsection (a)(2) shall be treated as an underpayment of tax.

(d) Definitions and special rules

For purposes of this section—

(1) Partnership adjustment

The term “partnership adjustment” means any adjustment in the amount of any partnership item of an electing large partnership.

(2) When adjustment takes effect

A partnership adjustment takes effect—

(A) in the case of an adjustment pursuant to the decision of a court in a proceeding brought under part II, when such decision becomes final,

(B) in the case of an adjustment pursuant to any administrative adjustment request under section 6251, when such adjustment is allowed by the Secretary, or

(C) in any other case, when such adjustment is made.

(3) Adjusted year

The term “adjusted year” means the partnership taxable year to which the item being adjusted relates.

(4) Return due date

The term “return due date” means, with respect to any taxable year, the date prescribed for filing the partnership return for such taxable year (determined without regard to extensions).

(5) Adjustments involving changes in character

Under regulations, appropriate adjustments in the application of this section shall be made for purposes of taking into account partnership adjustments which involve a change in the character of any item of income, gain, loss, or deduction.

(e) Payments nondeductible

No deduction shall be allowed under subtitle A for any payment required to be made by an electing large partnership under this section.

§ 6245. Secretarial authority

(a) General rule

The Secretary is authorized and directed to make adjustments at the partnership level in any partnership item to the extent necessary to have such item be treated in the manner required.

(b) Notice of partnership adjustment

(1) In general

If the Secretary determines that a partnership adjustment is required, the Secretary is authorized to send notice of such adjustment to the partnership by certified mail or registered mail. Such notice shall be sufficient if mailed to the partnership at its last known address even if the partnership has terminated its existence.

(2) Further notices restricted

If the Secretary mails a notice of a partnership adjustment to any partnership for any partnership taxable year and the partnership files a petition under section 6247 with respect to such notice, in the absence of a showing of fraud, malfeasance, or misrepresentation of a material fact, the Secretary shall not mail another such notice to such partnership with respect to such taxable year.

(3) Authority to rescind notice with partnership consent

The Secretary may, with the consent of the partnership, rescind any notice of a partnership adjustment mailed to such partnership. PRIOR PROVISIONS

A prior section 6245, added Pub. L. 97-354, §4(a), Oct. 19, 1982, 96 Stat. 1692, defined “subchapter S item” for purposes of subchapter, prior to repeal by Pub. L. 104-188, title I, §§1307(c)(1), 1317(a), Aug. 20, 1996, 110 Stat. 1781, 1787, applicable to taxable years beginning after Dec. 31, 1996.

§ 6246. Restrictions on partnership adjustments

(a) General rule

Except as otherwise provided in this chapter, no adjustment to any partnership item may be made (and no levy or proceeding in any court for the collection of any amount resulting from such adjustment may be made, begun or prosecuted) before—

(1) the close of the 90th day after the day on which a notice of a partnership adjustment was mailed to the partnership, and

(2) if a petition is filed under section 6247 with respect to such notice, the decision of the court has become final.

(b) Premature action may be enjoined

Notwithstanding section 7421(a), any action which violates subsection (a) may be enjoined in the proper court, including the Tax Court. The Tax Court shall have no jurisdiction to enjoin any action under this subsection unless a timely petition has been filed under section 6247 and then only in respect of the adjustments that are the subject of such petition.

(c) Exceptions to restrictions on adjustments

(1) Adjustments arising out of math or clerical errors

(A) In general

If the partnership is notified that, on account of a mathematical or clerical error appearing on the partnership return, an adjustment to a partnership item is required, rules similar to the rules of paragraphs (1) and (2) of section 6213(b) shall apply to such adjustment.

(B) Special rule

If an electing large partnership is a partner in another electing large partnership, any adjustment on account of such partnership's failure to comply with the requirements of section 6241(a) with respect to its interest in such other partnership shall be treated as an adjustment referred to in subparagraph (A), except that paragraph (2) of section 6213(b) shall not apply to such adjustment.

(2) Partnership may waive restrictions

The partnership shall at any time (whether or not a notice of partnership adjustment has been issued) have the right, by a signed notice in writing filed with the Secretary, to waive the restrictions provided in subsection (a) on the making of any partnership adjustment.

(d) Limit where no proceeding begun

If no proceeding under section 6247 is begun with respect to any notice of a partnership ad-

justment during the 90-day period described in subsection (a), the amount for which the partnership is liable under section 6242 (and any increase in any partner's liability for tax under chapter 1 by reason of any adjustment under section 6242(a)) shall not exceed the amount determined in accordance with such notice.

(Added Pub. L. 105-34, title XII, § 1222(a), Aug. 5, 1997, 111 Stat. 1013.)

§ 6247. Judicial review of partnership adjustment

(a) General rule

Within 90 days after the date on which a notice of a partnership adjustment is mailed to the partnership with respect to any partnership taxable year, the partnership may file a petition for a readjustment of the partnership items for such taxable year with—

- (1) the Tax Court,
- (2) the district court of the United States for the district in which the partnership's principal place of business is located, or
- (3) the Claims Court.

(b) Jurisdictional requirement for bringing action in district court or Claims Court

(1) In general

A readjustment petition under this section may be filed in a district court of the United States or the Claims Court only if the partnership filing the petition deposits with the Secretary, on or before the date the petition is filed, the amount for which the partnership would be liable under section 6242(b) (as of the date of the filing of the petition) if the partnership items were adjusted as provided by the notice of partnership adjustment. The court may by order provide that the jurisdictional requirements of this paragraph are satisfied where there has been a good faith attempt to satisfy such requirement and any shortfall of the amount required to be deposited is timely corrected.

(2) Interest payable

Any amount deposited under paragraph (1), while deposited, shall not be treated as a payment of tax for purposes of this title (other than chapter 67).

(c) Scope of judicial review

A court with which a petition is filed in accordance with this section shall have jurisdiction to determine all partnership items of the partnership for the partnership taxable year to which the notice of partnership adjustment relates and the proper allocation of such items among the partners (and the applicability of any penalty, addition to tax, or additional amount for which the partnership may be liable under section 6242(b)).

(d) Determination of court reviewable

Any determination by a court under this section shall have the force and effect of a decision of the Tax Court or a final judgment or decree of the district court or the Claims Court, as the case may be, and shall be reviewable as such. The date of any such determination shall be treated as being the date of the court's order entering the decision.

(e) Effect of decision dismissing action

If an action brought under this section is dismissed other than by reason of a rescission under section 6245(b)(3), the decision of the court dismissing the action shall be considered as its decision that the notice of partnership adjustment is correct, and an appropriate order shall be entered in the records of the court.

(Added Pub. L. 105-34, title XII, § 1222(a), Aug. 5, 1997, 111 Stat. 1014.)

§ 6248. Period of limitations for making adjustments

(a) General rule

Except as otherwise provided in this section, no adjustment under this subpart to any partnership item for any partnership taxable year may be made after the date which is 3 years after the later of—

- (1) the date on which the partnership return for such taxable year was filed, or
- (2) the last day for filing such return for such year (determined without regard to extensions).

(b) Extension by agreement

The period described in subsection (a) (including an extension period under this subsection) may be extended by an agreement entered into by the Secretary and the partnership before the expiration of such period.

(c) Special rule in case of fraud, etc.

(1) False return

In the case of a false or fraudulent partnership return with intent to evade tax, the adjustment may be made at any time.

(2) Substantial omission of income

If any partnership omits from gross income an amount properly includible therein which is in excess of 25 percent of the amount of gross income stated in its return, subsection (a) shall be applied by substituting "6 years" for "3 years".

(3) No return

In the case of a failure by a partnership to file a return for any taxable year, the adjustment may be made at any time.

(4) Return filed by Secretary

For purposes of this section, a return executed by the Secretary under subsection (b) of section 6020 on behalf of the partnership shall not be treated as a return of the partnership.

(d) Suspension when Secretary mails notice of adjustment

If notice of a partnership adjustment with respect to any taxable year is mailed to the partnership, the running of the period specified in subsection (a) (as modified by the other provisions of this section) shall be suspended—

- (1) for the period during which an action may be brought under section 6247 (and, if a petition is filed under section 6247 with respect to such notice, until the decision of the court becomes final), and
- (2) for 1 year thereafter.

(Added Pub. L. 105-34, title XII, § 1222(a), Aug. 5, 1997, 111 Stat. 1015.)

PARTNERSHIP

Sec. 6251.	Administrative adjustment requests.
6252.	Judicial review where administrative adjustment request is not allowed in full.

§ 6251. Administrative adjustment requests

(a) General rule

A partnership may file a request for an administrative adjustment of partnership items for any partnership taxable year at any time which is—

- (1) within 3 years after the later of—
 - (A) the date on which the partnership return for such year is filed, or
 - (B) the last day for filing the partnership return for such year (determined without regard to extensions), and
- (2) before the mailing to the partnership of a notice of a partnership adjustment with respect to such taxable year.

(b) Secretarial action

If a partnership files an administrative adjustment request under subsection (a), the Secretary may allow any part of the requested adjustments.

(c) Special rule in case of extension under section 6248

If the period described in section 6248(a) is extended pursuant to an agreement under section 6248(b), the period prescribed by subsection (a)(1) shall not expire before the date 6 months after the expiration of the extension under section 6248(b).

(Added Pub. L. 105-34, title XII, § 1222(a), Aug. 5, 1997, 111 Stat. 1016.)

§ 6252. Judicial review where administrative adjustment request is not allowed in full

(a) In general

If any part of an administrative adjustment request filed under section 6251 is not allowed by the Secretary, the partnership may file a petition for an adjustment with respect to the partnership items to which such part of the request relates with—

- (1) the Tax Court,
- (2) the district court of the United States for the district in which the principal place of business of the partnership is located, or
- (3) the Claims Court.

(b) Period for filing petition

A petition may be filed under subsection (a) with respect to partnership items for a partnership taxable year only—

- (1) after the expiration of 6 months from the date of filing of the request under section 6251, and
- (2) before the date which is 2 years after the date of such request.

The 2-year period set forth in paragraph (2) shall be extended for such period as may be agreed upon in writing by the partnership and the Secretary.

(c) Coordination with subpart A

(1) Notice of partnership adjustment before filing of petition

No petition may be filed under this section after the Secretary mails to the partnership a notice of a partnership adjustment for the partnership taxable year to which the request under section 6251 relates.

(2) Notice of partnership adjustment after filing but before hearing of petition

If the Secretary mails to the partnership a notice of a partnership adjustment for the partnership taxable year to which the request under section 6251 relates after the filing of a petition under this subsection but before the hearing of such petition, such petition shall be treated as an action brought under section 6247 with respect to such notice, except that subsection (b) of section 6247 shall not apply.

(3) Notice must be before expiration of statute of limitations

A notice of a partnership adjustment for the partnership taxable year shall be taken into account under paragraphs (1) and (2) only if such notice is mailed before the expiration of the period prescribed by section 6248 for making adjustments to partnership items for such taxable year.

(d) Scope of judicial review

Except in the case described in paragraph (2) of subsection (c), a court with which a petition is filed in accordance with this section shall have jurisdiction to determine only those partnership items to which the part of the request under section 6251 not allowed by the Secretary relates and those items with respect to which the Secretary asserts adjustments as offsets to the adjustments requested by the partnership.

(e) Determination of court reviewable

Any determination by a court under this section shall have the force and effect of a decision of the Tax Court or a final judgment or decree of the district court or the Claims Court, as the case may be, and shall be reviewable as such. The date of any such determination shall be treated as being the date of the court's order entering the decision.
