§ 6324. Special liens for estate and gift taxes

(a) Liens for estate tax

Except as otherwise provided in subsection (c)—

(1) Upon gross estate

Unless the estate tax imposed by chapter 11 is sooner paid in full, or becomes unenforceable by reason of lapse of time, it shall be a lien upon the gross estate of the decedent for 10 years from the date of death, except that such part of the gross estate as is used for the payment of charges against the estate and expenses of its administration, allowed by any court having jurisdiction thereof, shall be divested of such lien.

(2) Liability of transferees and others

If the estate tax imposed by chapter 11 is not paid when due, then the spouse, transferee, trustee (except the trustee of an employees' trust which meets the requirements of section 401(a)), surviving tenant, person in possession of the property by reason of the exercise, non-exercise, or release of a power of appointment, or beneficiary, who receives, or has on the

date of the decedent's death, property included in the gross estate under sections 2034 to 2042, inclusive, to the extent of the value, at the time of the decedent's death, of such property, shall be personally liable for such tax. Any part of such property transferred by (or transferred by a transferee of) such spouse, transferee, trustee, surviving tenant, person in possession, or beneficiary, to a purchaser or holder of a security interest shall be divested of the lien provided in paragraph (1) and a like lien shall then attach to all the property of such spouse, transferee, trustee, surviving tenant, person in possession, or beneficiary, or transferee of any such person, except any part transferred to a purchaser or a holder of a security interest.

(3) Continuance after discharge of fiduciary

The provisions of section 2204 (relating to discharge of fiduciary from personal liability) shall not operate as a release of any part of the gross estate from the lien for any deficiency that may thereafter be determined to be due, unless such part of the gross estate (or any interest therein) has been transferred to a purchaser or a holder of a security interest, in which case such part (or such interest) shall not be subject to a lien or to any claim or demand for any such deficiency, but the lien shall attach to the consideration received from such purchaser or holder of a security interest, by the heirs, legatees, devisees, or distributees.

(b) Lien for gift tax

Except as otherwise provided in subsection (c), unless the gift tax imposed by chapter 12 is sooner paid in full or becomes unenforceable by reason of lapse of time, such tax shall be a lien upon all gifts made during the period for which the return was filed, for 10 years from the date the gifts are made. If the tax is not paid when due, the donee of any gift shall be personally liable for such tax to the extent of the value of such gift. Any part of the property comprised in the gift transferred by the donee (or by a transferee of the donee) to a purchaser or holder of a security interest shall be divested of the lien imposed by this subsection and such lien, to the extent of the value of such gift, shall attach to all the property (including after-acquired property) of the donee (or the transferee) except any part transferred to a purchaser or holder of a security interest.

(c) Exceptions

(1) The lien imposed by subsection (a) or (b) shall not be valid as against a mechanic's lienor and, subject to the conditions provided by section 6323(b) (relating to protection for certain interests even though notice filed), shall not be valid with respect to any lien or interest described in section 6323(b).

(2) If a lien imposed by subsection (a) or (b) is not valid as against a lien or security interest, the priority of such lien or security interest shall extend to any item described in section 6323(e) (relating to priority of interest and expenses) to the extent that, under local law, such item has the same priority as the lien or security interest to which it relates.

§ 6324A. Special lien for estate tax deferred under section 6166

(a) General rule

In the case of any estate with respect to which an election has been made under section 6166, if the executor makes an election under this section (at such time and in such manner as the Secretary shall by regulations prescribe) and files the agreement referred to in subsection (c), the deferred amount (plus any interest, additional amount, addition to tax, assessable penalty, and costs attributable to the deferred amount) shall be a lien in favor of the United States on the section 6166 lien property.

(b) Section 6166 lien property

(1) In general

For purposes of this section, the term “section 6166 lien property” means interests in real and other property to the extent such interests—

- (A) can be expected to survive the deferral period, and
- (B) are designated in the agreement referred to in subsection (c).

(2) Maximum value of required property

The maximum value of the property which the Secretary may require as section 6166 lien property with respect to any estate shall be a value which is not greater than the sum of—

- (A) the deferred amount, and
- (B) the required interest amount.

For purposes of the preceding sentence, the value of any property shall be determined as of the date prescribed by section 6151(a) for payment of the tax imposed by chapter 11 and shall be determined by taking into account any encumbrance such as a lien under section 6324B.

(3) Partial substitution of bond for lien

If the value required as section 6166 lien property pursuant to paragraph (2) exceeds the value of the interests in property covered by the agreement referred to in subsection (c), the Secretary may accept bond in an amount equal to such excess conditioned on the payment of the amount extended in accordance with the terms of such extension.

(c) Agreement

The agreement referred to in this subsection is a written agreement signed by each person in being who has an interest (whether or not in possession) in any property designated in such agreement—

- (1) consenting to the creation of the lien under this section with respect to such property, and
- (2) designating a responsible person who shall be the agent for the beneficiaries of the

estate and for the persons who have consented to the creation of the lien in dealings with the Secretary on matters arising under section 6166 or this section.

(d) Special rules

(1) Requirement that lien be filed

The lien imposed by this section shall not be valid as against any purchaser, holder of a security interest, mechanic's lien, or judgment lien creditor until notice thereof which meets the requirements of section 6323(f) has been filed by the Secretary. Such notice shall not be required to be refiled.

(2) Period of lien

The lien imposed by this section shall arise at the time the executor is discharged from liability under section 2204 (or, if earlier, at the time notice is filed pursuant to paragraph (1)) and shall continue until the liability for the deferred amount is satisfied or becomes unenforceable by reason of lapse of time.

(3) Priorities

Even though notice of a lien imposed by this section has been filed as provided in paragraph (1), such lien shall not be valid—

(A) Real property tax and special assessment liens

To the extent provided in section 6323(b)(6).

(B) Real property subject to a mechanic's lien for repairs and improvement

In the case of any real property subject to a lien for repair or improvement, as against a mechanic's lienor.

(C) Real property construction or improvement financing agreement

As against any security interest set forth in paragraph (3) of section 6323(c) (whether such security interest came into existence before or after tax lien filing).

Subparagraphs (B) and (C) shall not apply to any security interest which came into existence after the date on which the Secretary filed notice (in a manner similar to notice filed under section 6323(f)) that payment of the deferred amount has been accelerated under section 6166(g).

(4) Lien to be in lieu of section 6324 lien

If there is a lien under this section on any property with respect to any estate, there shall not be any lien under section 6324 on such property with respect to the same estate.

(5) Additional lien property required in certain cases

If at any time the value of the property covered by the agreement is less than the unpaid portion of the deferred amount and the required interest amount, the Secretary may require the addition of property to the agreement (but he may not require under this paragraph that the value of the property covered by the agreement exceed such unpaid portion). If property having the required value is not added to the property covered by the agreement (or if other security equal to the re-
