amounts paid in advance shall be made as agreed to by the heads of the agencies or units on the basis of the actual cost of goods or services provided.

(c) A condition or limitation applicable to amounts for procurement of an agency or unit placing an order or making a contract under this section applies to the placing of the order or the making of the contract.

(d) An order placed or agreement made under this section obligates an appropriation of the or-
tations, before the end of the period of availability of the appropriation, in—

(1) providing goods or services; or

(2) making an authorized contract with another person to provide the requested goods or services.

(e) This section does not—

(1) authorize orders to be placed for goods or services to be provided by convict labor; or

(2) affect other laws about working funds.

In the section, the word “agency” is substituted for “executive department or independent establishment of the Government” for clarity. See 12 Comp. Gen. 442 (1932) and United States v. Mitchell, 425 F. Supp. 917 (D.D.C. 1976). The words “major organizational unit” or “unit” are substituted for “bureau or office” for consistency in the revised title. The words “to fill the order” are substituted for “such requisitioned” and “as may be requisitioned” for clarity and because of the restatement. The words “goods or services” are substituted for “materials, supplies, equipment, work, or services” to eliminate unnecessary words.

In subsection (a)(4), the words “the head of the agency decides” are added, and the words “commercial enterprise” are substituted for “private agencies”, for clarity. The words “by competitive bids” are omitted as surplus because of various procurement laws.

In subsection (b), the words “The Secretary of Defense” are added for clarity because of Comptroller General decision B-2079 (Apr. 1, 1961). The words “a military department of the Department of Defense” are substituted for “the Department of the Army, Navy Department” for consistency with title 10 and to apply the source provisions to the Department of the Air Force because of sections 205(a) and 207(a) and (f) of the Act of July 26, 1947 (ch. 343, 61 Stat. 501, 502), and section 1 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 468). The words “Secretary of Transportation in carrying out duties and powers related to aviation and the Coast Guard” are substituted for “Federal Aviation Agency, Coast Guard” to reflect the transfer of those functions to the Secretary of Transportation.

The words “the Administrator of General Services” are added before “Maritime Administration” for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (c), the words “pursuant to such order” are omitted as unnecessary.

Subsection (d) is substituted for the source provisions being restated to reflect decisions of the Comptroller General, including 31 Comp. Gen. 83 (1951), 34 Comp. Gen. 418 (1955), 39 Comp. Gen. 317 (1959), and 55 Comp. Gen. 1497 (1976).

In subsection (e), the words “any Government department or independent establishment, or any bureau or office thereof” and “except as otherwise provided by law” are omitted as unnecessary because of the restatement. The text of 31:686(a) is omitted as executed.
