Public debt limit

(a) In this section, the current redemption value of an obligation issued on a discount basis and redeemable before maturity at the option of its holder is deemed to be the face amount of the obligation.

(b) The face amount of obligations issued under this chapter and the face amount of obligations whose principal and interest are guaranteed by the United States Government (except guaranteed obligations held by the Secretary of the Treasury) may not be more than $14,294,000,000,000, outstanding at one time, subject to changes periodically made in that amount as provided by law through the congressional budget process described in Rule XLIX of the Rules of the House of Representatives or as provided by section 3101A or otherwise.

(c) For purposes of this section, the face amount, for any month, of any obligation issued on a discount basis that is not redeemable before maturity at the option of the holder of the obligation is an amount equal to the sum of—

(1) the original issue price of the obligation, plus

(2) the portion of the discount on the obligation attributable to periods before the beginning of such month (as determined under the principles of section 1272(a) of the Internal Revenue Code of 1986 without regard to any exceptions contained in paragraph (2) of such section).

See References in Text note below.
Subsec. (c). Pub. L. 101–72 amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: “The face amount of beneficial interests and participations (except those held by their issuer) issued under section 302(c) of the National Housing Act (12 U.S.C. 1717(c)) from July 1, 1967, through June 30, 1968, and outstanding at any time shall be included in the amount taken into account in deciding whether the face amount requirement of subsection (b) of this section has been exceeded. This subsection does not require a change in the budgetary accounting for beneficial interests and participations.”

1967—Subsec. (b). Pub. L. 100–119 substituted “$2,800,000,000,000” for “$2,111,000,000,000.”

1966—Subsec. (b). Pub. L. 99–384, which directed that subsec. (b) be amended by “striking out the dollar limitation contained in such subsection and inserting in lieu thereof ‘$2,111,000,000,000,’”, was executed by substituting “$2,111,000,000,000,” for “$1,847,800,000,000, or $2,078,700,000,000 on and after October 1, 1984,” as the probable intent of Congress.

1983—Subsec. (b). Pub. L. 98–475 substituted “$1,573,000,000,000 on and after October 1, 1984,” for “$1,573,000,000,000 on and after October 1, 1983.”

In subsection (a), the words “is deemed to be” are substituted for “shall be considered . . . to be” because a legal fiction is intended.

§ 3101A. Presidential modification of the debt ceiling

(a) In general.—

(1) $600 billion.—

(A) Certification.—If, not later than December 31, 2011, the President submits a written certification to Congress that the President has determined that the debt subject to limit is within $100,000,000,000 of the limit in section 3101(b) and that further borrowing is required to meet existing commitments, the Secretary of the Treasury may exercise authority to borrow an additional $900,000,000,000, subject to the enactment of a joint resolution of disapproval enacted pursuant to this section. Upon submission of such certification, the limit on debt provided in section 3101(b) (referred to in this section as the “debt limit”) is increased by $400,000,000,000.

(B) Resolution of disapproval.—Congress may consider a joint resolution of disapproval of the authority under subparagraph (A) as provided in subsections (b) through (f). The joint resolution of disapproval considered under this section shall contain only the language provided in subsection (b)(2). If the time for disapproval has lapsed without enactment of a joint resolution of disapproval under this section, the debt limit is increased by an additional $500,000,000,000.

(2) Additional amount.—

(A) Certification.—If, after the debt limit is increased by $600,000,000,000 under paragraph (1), the President submits a written certification to Congress that the President has determined that the debt subject to limit is within $100,000,000,000 of the limit in section 3101(b) and that further borrowing is required to meet existing commitments, the Secretary of the Treasury may, subject to subsection (b), exercise authority to borrow an additional amount equal to—

(i) $1,200,000,000,000, unless clause (ii) or (iii) applies;

(ii) $1,500,000,000,000 if the Archivist of the United States has submitted to the States for their ratification a proposed amendment to the Constitution of the United States pursuant to a joint resolution entitled “Joint resolution proposing a balanced budget amendment to the Constitution of the United States”; or

(iii) if a joint committee bill to achieve an amount greater than $1,200,000,000,000 in deficit reduction as provided in section 401(b)(3)(B)(i)(II) of the Budget Control Act of 2011 is enacted, an amount equal to the amount of that deficit reduction, but not greater than $1,500,000,000,000, unless clause (ii) applies.

(B) Resolution of disapproval.—Congress may consider a joint resolution of disapproval of the authority under subparagraph (A) as provided in subsections (b) through (f). The joint resolution of disapproval considered under this section shall contain only the language provided in subsection (b)(2). § 3101A

EXPECTED PROCEDURE IN SENATE.—

(1) Reconvening.—Upon receipt of a certification under subsection (a)(2), if the Senate has adjourned or recessed for more than 2 days, the majority leader of the Senate, after consultation with the minority leader of the Senate, shall notify the Members of the Senate that, pursuant to this section, the Senate shall convene not later than the second calendar day after receipt of such message.

(2) Placement on calendar.—Upon introduction in the Senate, the joint resolution shall be immediately placed on the calendar.

(3) Floor consideration.—

(A) In general.—Notwithstanding Rule XXII of the Standing Rules of the Senate, it is in order at any time during the period beginning on the day after the date on which Congress receives a certification under subsection (a) and, for the certification described in subsection (a)(1), ending on September 14, 2011, and for the certification described in subsection (a)(2), on the 6th day after the date on which Congress receives a certification under subsection (a) (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived. The motion to proceed is not debatable. The motion is not subject to a motion to postpone. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the joint resolution shall remain the unfinished business until disposed of.

(B) Consideration.—Consideration of the joint resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours, which shall be divided equally between the majority and minority leaders or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the joint resolution is not in order.

(C) Vote on passage.—If the Senate has voted to proceed to a joint resolution, the vote on passage of the joint resolution shall occur immediately following the conclusion of consideration of the joint resolution, and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate.

(D) Rulings of the Chair on procedure.—

Appeals from the decisions of the Chair relating to the application of the rules of the
Senate, as the case may be, to the procedure relating to a joint resolution shall be decided without debate.

(e) AMENDMENT NOT IN ORDER.—A joint resolution of disapproval considered pursuant to this section shall not be subject to amendment in either the House of Representatives or the Senate.

(f) COORDINATION WITH ACTION BY OTHER HOUSE.—

(1) IN GENERAL.—If, before passing the joint resolution, one House receives from the other a joint resolution—

(A) the joint resolution of the other House shall not be referred to a committee; and

(B) the procedure in the receiving House shall be the same as if no joint resolution had been received from the other House until the vote on passage, when the joint resolution received from the other House shall supplant the joint resolution of the receiving House.

(2) TREATMENT OF JOINT RESOLUTION OF OTHER HOUSE.—If the Senate fails to introduce or consider a joint resolution under this section, the joint resolution of the House shall be entitled to expedited floor procedures under this section.

(3) TREATMENT OF COMPANION MEASURES.—If, following passage of the joint resolution in the Senate, the Senate then receives the companion measure from the House of Representatives, the companion measure shall not be debatable.

(4) CONSIDERATION AFTER PASSAGE.—(A) If Congress passes a joint resolution, the period beginning on the date the President is presented with the joint resolution and ending on the date the President signs, allows to become law without his signature, or vetoes and returns the joint resolution (but excluding days when either House is not in session) shall be disregarded in computing the appropriate calendar day period described in subsection (b)(1).

(B) Debate on a veto message in the Senate under this section shall be 1 hour equally divided between the majority and minority leaders or their designees.

(5) VETO OVERRIDE.—If within the appropriate calendar day period described in subsection (b)(1), Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) or (2) of subsection (a), the limit on debt provided in section 3101(b) shall not be raised, except for the $400,000,000,000 increase in the limit provided by subsection (a)(1)(A).

(6) SEQUESTRATION.—(A) If within the 50-calendar day period described in subsection (b)(1), the President signs the joint resolution, the President allows the joint resolution to become law without his signature, or Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) of subsection (a), there shall be a sequestration to reduce spending by $400,000,000,000. OMB shall implement the sequestration forthwith.

(B) OMB shall implement each half of such sequestration in accordance with section 255, section 256, and subsections (c), (d), (e), and (f) of section 253 of the Balanced Budget and Emergency Deficit Control Act of 1985, and for the purpose of such implementation the term "excess deficit" means the amount specified in subparagraph (A).

(g) RULES OF HOUSE OF REPRESENTATIVES AND SENATE.—This subsection and subsections (b), (c), (d), (e), and (f) (other than paragraph (6)) are enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a joint resolution, and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

(c) The holder of a note of one series issued under this section with the same issue date as another series of notes issued under this section may convert, at par value, a note of the holder under this section with the same issue date and maturity date as any outstanding bonds, notes, certificates of indebtedness, or Treasury bills of the United States.

§ 3104. Certificates of indebtedness and Treasury bills

Savings bonds shall mature not more than 20 years from the date of issue. Savings certificates shall mature not more than 10 years from the date of issue. The difference between the price paid and the price of the bond or certificate is interest under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(b) The Secretary may—

(A) fix the investment yield for savings bonds; and

(B) charge the investment yield on an outstanding savings bond, except that the yield on a bond for the period held may not be decreased below the minimum yield for the period guaranteed on the date of issue.

(2) The Secretary may prescribe regulations providing that—

(A) owners of savings bonds may keep the bonds after maturity or after a period beyond maturity during which the bonds have earned interest and continue to earn interest at rates consistent with paragraph (1) of this subsection; and

(B) savings bonds earning a different rate of interest before the regulations are prescribed shall earn a rate of interest consistent with paragraph (1).

(c) The Secretary may prescribe for savings bonds and savings certificates issued under this section—

(1) the form and amount of an issue and series;

The Secretary may prescribe the time and way in which the check becomes a bond.

(2) A bond issued under this subsection is deemed to be a series E bond issued under this section, except that the bond shall bear an issue date of the first day of the first month beginning after the close of the taxable year for which the bond is issued. may buy, redeem, and make refunds under section 3111 of this title” are added because of the restatement. The words “for expenditures authorized by law” are substituted for “to meet any public expenditures authorized by law, and to retire any outstanding obligations of the United States bearing interest or issued on a discount basis” for clarity and because they are inclusive. The text of 31 U.S.C. 3105(c)(last sentence) is omitted because section 5 of the Public Debt Act of 1942 (ch. 205, 56 Stat. 180) ended the authority of the Postmaster General to issue stamps. In clause (b), the word “maximum” is added for clarity. The words “at any one time” are omitted as surplus.

In clause (1), the words “Commonwealth of the Philippine Islands” in section 223(h) of the Second Liberty Bond Act (ch. 56, 40 Stat. 288) are omitted because of Proclamation No. 2695 (July 24, 1946, 60 Stat. 1352) proclaiming the independence of the Philippines. In clause (3), the words “department or equivalent” are omitted as surplus. In clause (5), the word “duly” is omitted as surplus.

In subsection (e)(1), the words “by regulations” are omitted as unnecessary. The words “a way” are added, and the words “However, a check may become a bond” are substituted for “This subsection shall apply,” for clarity.

In subsection (e)(2), the words “Except as provided in paragraph (2)” are omitted as unnecessary. The words “is deemed to be” are substituted for “shall be treated for all purposes of law as” because a legal fiction is intended. The words “calendar” and “In the case of . . . under this subsection” are omitted as surplus.

§ 3121. Procedure

(a) In issuing obligations under sections 3102–3104 of this title, the Secretary of the Treasury may prescribe—

(1) whether an obligation is to be issued on an interest-bearing basis, a discount basis, or an interest-bearing and discount basis;

(2) regulations on the conditions under which the obligation will be offered for sale, including whether it will be offered for sale on a competitive or other basis;

(3) the offering price and interest rate;

(4) the method of computing the interest rate;

(5) the dates for paying principal and interest;

(6) the form and denominations of the obligations; and

(7) other conditions.

(b) Under conditions prescribed by the Secretary, an obligation issued under this chapter and redeemable on demand of the owner or holder may be used to pay the United States Government for taxes imposed by it.

(2) An obligation of the Government issued after March 3, 1971, under law may not be redeemed before its maturity to pay a tax imposed by the Government in an amount more than the fair market value of the obligation at the time of its redemption. This paragraph does not apply to a Treasury bill issued under section 3104 of this title.

(c) Under conditions prescribed by the Secretary, an obligation authorized by this chapter may be issued in exchange for an obligation of an agency whose principal and interest are unconditionally guaranteed by the Government at or before maturity.

(d) Under conditions prescribed by the Secretary, the Secretary may issue registered bonds in exchange for and instead of coupon bonds that have been or may be issued. The registered bonds shall be similar in all respects to the registered bonds issued under a law authorizing the issue of coupon bonds offered for exchange.

(e) A decision of the Secretary about an issue of obligations under sections 3102–3104 of this title is final.

(f) The Secretary may accept voluntary services in carrying out the sale of public debt obligations.

A book entry obligation is deemed to be in registered form if the right to principal and stated interest on the obligation may be transferred only through a book entry consistent with regulations of the Secretary.

(3) The Secretary shall prescribe regulations necessary to carry out this subsection when there is a nominee.

(h) (1) The Secretary shall prescribe by regulation standards for the safeguarding and use of obligations issued under this chapter, and obligations otherwise issued or guaranteed as to principal or interest by the United States. Such regulations shall apply only to a depository institution that is not a government securities broker or a government securities dealer and that holds such obligations as fiduciary, custodian, or otherwise for the account of a customer and not for its own account. Such regulations shall provide for the adequate segregation of obligations so held, including obligations which are purchased or sold subject to resale or repurchase.

(2) Violation of a regulation prescribed under paragraph (1) shall constitute adequate basis for the issuance of an order under section 5239(a) or (b) of the Revised Statutes (12 U.S.C. 93(a) or (b)), section 8(b) or 8(c) of the Federal Deposit Insurance Act, section 5(d)(2) or 5(d)(3) of the Home Owners’ Loan Act of 1933, section 407(e) or 407(f) of the National Housing Act, or section 206(e) or 206(f) of the Federal Credit Union Act. Such an order may be issued with respect to a depository institution by its appropriate regulatory agency and with respect to a federally insured credit union by the National Credit Union Administration Board.

(3) Nothing in this subsection shall be construed to affect in any way the powers of such agencies under any other provision of law.

(4) The Secretary shall, prior to adopting regulations under this subsection, determine with respect to each appropriate regulatory agency and the National Credit Union Administration Board, whether its rules and standards adequately meet the purposes of regulations to be promulgated under this subsection, and if the Secretary so determines, shall exempt any depository institution subject to such rules or standards from the regulations promulgated under this subsection.

(5) As used in this subsection—

(A) “depository institution” has the meaning stated in clauses (i) through (vi) of section 19(b)(1)(A) of the Federal Reserve Act and also includes a foreign bank, an agency or branch of a foreign bank, and a commercial lending company owned or controlled by a foreign bank (as such terms are defined in the International Banking Act of 1978).

See References in Text note below.
(C) “government securities dealer” has the meaning prescribed in section 3(a)(44) of the Securities Exchange Act of 1934.

(D) “appropriate regulatory agency” has the meaning prescribed in section 3(a)(34)(G) of the Securities Exchange Act of 1934.

In subsection (f), the words “in carrying out” are substituted for “in connection with the program for” to eliminate unnecessary words.

HISTORICAL AND REVISION NOTES

Revised Section Source (U.S. Code) Source (Statutes at Large)
3122(b) ..... 31:772.

In the section, the words "war-savings certificates" are omitted because the authority to issue them was ended by section 2(b)(3) of the Public Debt Act of 1941 (ch. 7, 55 Stat. 7).

In subsection (a), the words "in his discretion" are omitted as surplus. The word "obligation" is substituted for "bonds and certificates of indebtedness, Treasury bills" for consistency and to eliminate unnecessary words. The words "and arising from the payment of internal revenue taxes" are omitted as superseded by 26:8320(c). The word "conditions" is substituted for "terms and conditions" because it is inclusive. The words "upon and" are omitted as surplus.

In subsection (b), the words "The Secretary may designate a bank or trust company that is a depositary under subsection (a) of this section" are substituted for "Any incorporated bank or trust company designated as a depositary by the Secretary of the Treasury under the authority conferred by section 771 of this title, which gives security for such deposits as, and to amounts, by law prescribed, may, upon and subject to such terms and conditions as the Secretary of the Treasury may prescribe, act" to eliminate unnecessary words.
§ 3123. Payment of obligations and interest on the public debt

(a) The faith of the United States Government is pledged to pay, in legal tender, principal and interest on the obligations of the Government issued under this chapter.

(b) The Secretary of the Treasury shall pay interest due or accrued on the public debt. As the Secretary considers expedient, the Secretary may pay in advance interest on the public debt by a period of not more than one year, with or without a rebate of interest on the coupons.

(c)(1) The Secretary may issue a bond, note, or certificate of indebtedness authorized under this chapter whose principal and interest are payable in a foreign currency stated in the bond, note, or certificate. The Secretary may dispose of the bonds, notes, and certificates at a price that is at least par value without complying with section 3102(b)–(d) of this title.

(2) In determining the dollar amount of bonds, notes, and certificates of indebtedness that may be issued under this chapter, the dollar equivalent of the amount of bonds, notes, and certificates payable in a foreign currency is determined by the par of the exchange value on the date of issue of the bonds, notes, or certificates as published by the Secretary under section 5151 of this title.

(3) The Secretary may designate depositaries in foreign countries in which any part of the proceeds of bonds, notes, or certificates of indebtedness payable in the foreign currency may be deposited.

§ 3124. Exemption from taxation

(a) Stocks and obligations of the United States Government are exempt from taxation by a State or political subdivision of a State. The exemption applies to each form of taxation that would require the obligation, the interest on the obligation, or both, to be considered in computing a tax, except—

(1) a nondiscriminatory franchise tax or another nonproperty tax instead of a franchise tax, imposed on a corporation; and

(2) an estate or inheritance tax.

(b) The tax status of interest on obligations and dividends, earnings, or other income from evidences of ownership issued by the Government or an agency and the tax treatment of gain and loss from the disposition of those obligations and evidences of ownership is decided under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.). An obligation that the Federal Housing Administration had agreed, under a contract made before March 1, 1941, to issue at a future date, has the tax exemption privileges provided by the authorizing law at the time of the contract. This subsection does not apply to obligations and evidences of ownership issued by the District of Columbia, a territory or possession of the United States, or a department, agency, instrumentality, or political subdivision of the District, territory, or possession.

§ 3125. Relief for lost, stolen, destroyed, mutilated, or defaced obligations

(b) The Secretary of the Treasury may provide relief for the loss, theft, destruction, mutilation, or defacement of an obligation identified by number and description.

(c) (1) An indemnity bond is required as a condition of relief if the obligation is payable to bearer or assigned so as to become payable to bearer and is not proven clearly to have been destroyed. The Secretary may prescribe for the indemnity bond the form, amount, and surety or security requirements.

(2) Relief for interest coupons claimed to have been attached to an obligation may be provided only if the Secretary is satisfied that the coupons have not been paid and are destroyed or will not become the basis of a valid claim against the Government.

1984 ACT (Pub. L. 98–216)

Section 3618 (1st sentence related to non-military deposits) of the Revised Statutes inadvertently was omitted as a source credit for 31:3302. Table 2A of H. Rep. 97–651 (p. 298) states that the sentence was omitted as superseded by various sections of title 10. Title 10 superseded the sentence only as it applies to military deposits. However, the language of section 3618 (1st sentence related to non-military deposits) is subsumed in the broader language of section 3617 of the Revised Statutes, the source credit for 31:3302(b). Therefore, while section 3618 (1st sentence related to non-military deposits) should be a source credit for 31:3302(b), it is not necessary that the language of the sentence be restated.

EX. ORD. No. 13520, REDUCING IMPROPER PAYMENTS

EX. ORD. No. 13520, Nov. 20, 2009, 74 F.R. 62201, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in the interest of reducing payment errors and eliminating waste, fraud, and abuse in Federal programs, it is hereby ordered as follows:

SECTION 1. Purpose. When the Federal Government makes payments to individuals and businesses as program beneficiaries, grantees, or contractors, or on behalf of program beneficiaries, it must make every effort to confirm that the right recipient is receiving the right payment for the right reason at the right time. The purpose of this order is to reduce improper payments by intensifying efforts to eliminate payment error, waste, fraud, and abuse in the major programs administered by the Federal Government, while continuing to ensure that Federal programs serve and provide access to their intended beneficiaries. No single step will fully achieve these goals. Therefore, this order adopts a comprehensive set of policies, including transparency and public scrutiny of significant payment errors throughout the Federal Government; a focus on identifying and eliminating the highest improper payments; accountability for reducing improper payments among executive branch agencies and officials; and coordinated Federal, State, and local government actions to identify and eliminate improper payments. Because this order targets error, waste, fraud, and abuse—not legitimate use of Government services—efforts to reduce improper payments under this order must protect access to Federal programs by their intended beneficiaries.

SIRC. 2. Transparency and Public Participation.

(a) Within 90 days of the date of this order, the Director of the Office of Management and Budget (OMB) shall:

(i) identify Federal programs in which the highest dollar value or majority of Government-wide improper payments occur (high-priority programs); 

(ii) establish, in coordination with the executive department or agency (agency) responsible for administering the high-priority program annual or semi-annual targets (or where such targets already exist, supplemental targets), as appropriate, for reducing improper payments associated with each high-priority program; 

(iii) issue Government-wide guidance on the implementation of this order, including procedures for identifying and publicizing the list of entities described in subsection (b)(v) of this section and for administrative appeal of the decision to publish the identity of those entities, prior to publication; and 

(iv) establish a working group consisting of Federal, State, and local officials to make recommendations to the Director of OMB designed to improve the Federal Government’s measurement of access to Federal programs by the programs’ intended beneficiaries. The working group’s recommendations shall be prepared in consultation with the Council of Inspectors General on Integrity and Efficiency (CIGIE) and submitted within 180 days of the date of this order, and the recommended measurements may be incorporated by the Secretary of the Treasury in the information published pursuant to subsection (b) of this section.
(b) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB, shall publish on the Internet information about improper payments under high-priority programs. The information shall include, subject to Federal privacy policies and to the extent permitted by law:

(i) the names of the accountable officials designated under section 3 of this order;

(ii) current and historical rates and amounts of improper payments, including, where known and appropriate, causes of the improper payments;

(iii) current and historical rates and amounts of recovery of improper payments, where appropriate (or, where improper payments are identified solely on the basis of a sample, recovery rates and amounts estimated on the basis of the applicable sample);

(iv) targets for reducing as well as recovering improper payments, where appropriate; and

(v) the entities that have received the greatest amount of outstanding improper payments (or, where improper payments are identified solely on the basis of a sample, the entities that have received the greatest amount of outstanding improper payments in the applicable sample).

Information on entities that have received the greatest amount of outstanding improper payments shall not include any referrals the agency made or anticipated making to the Department of Justice, or any information provided in connection with such referrals.

(c) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB and in consultation with the CIGIE, shall establish a central Internet-based method to collect from the public information concerning suspected incidents of waste, fraud, and abuse by an entity receiving Federal funds that have led or may lead to improper payments by the Federal Government.

(d) Agencies shall place a prominently displayed link to Internet-based resources for addressing improper payments, including the resources established under subsections (b) and (c) of this section, on their Internet home pages.

§ 3321. Agency Accountability and Coordination

(a) Within 120 days of the date of this order, the head of each agency responsible for operating a high-priority program shall designate an official who holds an existing Senate-confirmed position to be accountable for meeting the targets established under section 2 of this order without unduly burdening program access and participation by eligible beneficiaries. In those agencies where the majority of payments are isolated to a single component, the head of the agency shall name a second accountable official for that component whose sole responsibility would be for program integrity activities and, as appropriate, shall consolidate and coordinate all program integrity activities within the component.

(b) Within 180 days of the date of this order, each agency official designated under subsection (a) of this section, or otherwise designated by the Director of OMB, shall provide the agency’s Inspector General a report containing:

(i) the agency’s methodology for identifying and measuring improper payments by the agency’s high-priority programs;

(ii) the agency’s plans, together with supporting analysis, for meeting the reduction targets for improper payments in the agency’s high-priority programs; and

(iii) the agency’s plan, together with supporting analysis, for ensuring that initiatives undertaken pursuant to this order do not unduly burden program access and participation by eligible beneficiaries.

Following the receipt and review of this information, the agency Inspector General shall assess the level of risk associated with the applicable programs, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency’s methodology, improper payment reduction plans, or program access and participation plans.

(c) If an agency fails to meet the targets established under section 2 of this order or implement the plan described in subsection (b)(iii) of this section for 2 consecutive years, that agency’s accountable official designated under subsection (a) of this section shall submit to the agency head, Inspector General, and Chief Financial Officer a report describing the likely causes of the agency’s failure and proposing a remedial plan. The agency head shall review this plan and, in consultation with the Inspector General and Chief Financial Officer, forward the plan with any additional comments and analysis to the Director of OMB.

(d) Within 180 days of the date of this order, the Chief Financial Officers Council (CFOC) in consultation with the CIGIE, the Department of Justice, and program experts, shall make recommendations to the Director of OMB and the Secretary of the Treasury on actions (including actions related to forensic accounting and audits) agencies should take to more effectively tailor their methodologies for identifying and measuring improper payments to those programs, or components of programs, where improper payments are most likely to occur. Recommendations shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(e) Within 180 days of the date of this order, the Secretary of the Treasury and the Director of OMB in consultation with the CIGIE, the Department of Justice, and program experts, shall recommend to the President actions designed to reduce improper payments by improving information sharing among agencies and programs, and where applicable, State and local governments and other stakeholders. The recommendations shall address the ways in which information sharing may improve eligibility verification and pre-payment scrutiny, shall identify legal or regulatory impediments to effective information sharing, and shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(f) Within 180 days of the date of this order, and at least once every quarter thereafter, the head of each agency shall submit to the agency’s Inspector General and the CIGIE, and make available to the public, a report on any high-dollar improper payments identified by the agency, subject to Federal privacy policies and to the extent permitted by law. The report shall describe any actions the agency has taken or plans to take to recover improper payments, as well as any actions the agency intends to take to prevent improper payments in the future. The report shall not include any referrals the agency made or anticipated making to the Department of Justice, or any information provided in connection with such referrals. Following the review of each report, the agency Inspector General and the CIGIE shall assess the level of risk associated with the applicable program, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency’s plans.

§ 3324. Enhanced Focus on Contractors and Working with State and Local Stakeholders

(a) Within 180 days of the date of this order, the Federal Acquisition Regulatory Council, in coordination with the Director of OMB, and in consultation with the National Procurement Fraud Task Force (or its successor group), the CIGIE, and appropriate agency ombudsmen, shall recommend to the President actions designed to enhance contractor accountability for improper payments. The recommendations may include, but are not limited to, subjecting contractors to debarment, suspension, financial penalties, and identification through a public Internet website, subject to Federal privacy policies and to the extent permitted by law and where the identification would not interfere with an ongoing criminal or civil investigation, for knowingly failing timely to disclose credible evidence
of significant overpayments received on Government contracts.

(b) Within 30 days of the date of this order, the Director of OMB shall establish a working group consisting of Federal and elected State and local officials to make recommendations to the Director of OMB designed to improve the effectiveness of single audits of State and local governments and non-profit organizations that are expending Federal funds. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order. The recommendations shall address, among other things, the effectiveness of single audits in identifying improper payments and opportunities to streamline or eliminate single audit requirements where their value is minimal.

(c) Within 30 days of the date of this order, the Director of OMB shall establish a working group (which may be separate from the group established under subsection (b) of this section) consisting of Federal and elected State and local officials to make recommendations to the Director of OMB for administrative actions designed to improve the incentives and accountability of State and local governments, as well as other entities receiving Federal funds, for reducing improper payments. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order.

SEC. 5. Policy Proposals. The Director of OMB, in consultation with the appropriate agencies and the CIGIE, shall develop policy recommendations, including potential legislative proposals, designed to reduce improper payments, including those caused by error, waste, fraud, and abuse, across Federal programs without compromising program access, to be included, as appropriate, in the Budget of the United States Government for Fiscal Year 2011 and future years, or other Administration proposals.

(a) Nothing in this order shall be construed to impair or otherwise affect:
   (i) any authority granted by law to a department, agency, the head thereof, or any agency Inspector General; or
   (ii) functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.

(b) Nothing in this order shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

FINDING AND RECAPTURING IMPROPER PAYMENTS

Memorandum of President of the United States, Mar. 10, 2010, 75 F.R. 12119, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to reducing payments errors and eliminating waste, fraud, and abuse in Federal programs— a commitment reflected in Executive Order 13520 of November 20, 2009. Reducing Improper Payments. Executive departments and agencies should use every tool available to identify and subsequently reclaim the funds associated with improper payments. Thorough identification of improper payments promotes accountability at executive departments and agencies; it also makes the integrity of Federal spending transparent to taxpayers. Reclaiming the improper payments is an important component of the proper stewardship and protection of taxpayer dollars, and it underscores that waste, fraud, and abuse by entities receiving Federal payments will not be tolerated.

Today, to further intensify efforts to reclaim improper payments, my Administration is expanding the use of “Payment Recapture Audits,” which have proven to be effective mechanisms for detecting and recapturing payment errors. A Payment Recapture Audit is a process of identifying improper payments paid to contractors or other entities whereby highly skilled accounting specialists and fraud examiners use state-of-the-art tools and technology to examine payment records and uncover such problems as duplicate payments, payments for services not rendered, overpayments, and fictitious vendors. (A Payment Recapture Audit as used in this memorandum shall have the same meaning as the term “recovery audit” as defined in Appendix C to Office of Management and Budget Circular A-123.) One approach that has worked effectively is using professional and specialized auditors on a contingency basis, with their compensation tied to the identification of misspent funds.

Therefore, I hereby direct executive departments and agencies to expand their use of Payment Recapture Audits, to the extent permitted by law and where cost-effective. The Director of the Office of Management and Budget (OMB) shall develop guidance within 90 days of the date of this memorandum on actions executive departments and agencies must take to carry out the requirements of this memorandum. The guidance may require additional actions and strategies designed to improve the recapture of improper payments, including, as appropriate, agency-specific targets for increasing recoveries. The Director of the OMB shall further coordinate with the Council for Inspectors General on Integrity and Efficiency to identify an appropriate process for obtaining review by Inspectors General of the effectiveness of agency efforts under this memorandum. The agencies’ expanded use of Payment Recapture Audits does not preclude Offices of Inspectors General from performing any activities to identify and prevent improper payments.

Nothing in this memorandum shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, its officers, employees, or agents, or any other person.

BARACK OBAMA.

ENHANCING PAYMENT ACCURACY THROUGH A “DO NOT PAY LIST”

Memorandum of President of the United States, June 18, 2019, 75 F.R. 35983, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to eliminating waste, fraud, and abuse in Federal programs, including reducing and recapturing erroneous payments—a commitment I reinforced in Executive Order 13520 of November 20, 2009, and in a memorandum to the heads of executive departments and agencies (agencies) of March 10, 2010. While identifying and recapturing improper payments is important, prevention of payment errors before they occur should be the first priority in protecting taxpayer resources from waste, fraud, and
§ 3322. Disbursing officials

(a) The Secretary of the Treasury shall transfer public money to a disbursing official only by draft or warrant written on the Treasury. Except as provided in section 3716 and section 3720A of this title and subsection (b) of this section, a disbursing official shall—

(1) deposit public money as required by section 3302 of this title; and

(2) draw public money from the Treasury or a depositary only—

(A) as necessary to make payments; and

(B) payable to persons to whom payment is to be made.

(b) In a place without a depositary, the Secretary, on deciding it is essential to the public interest, may authorize specially in writing that public money be—

(1) deposited in any other public depositary; or

(2) kept in another manner under regulations the Secretary decides are the safest and most effective in making a payment to a public creditor easier.

(c) A disbursing official is not liable for an overpayment provided under a United States Government bill of lading or transportation request when the overpayment is caused by the—

(1) use of improper transportation rates or classifications if the Administrator of General Services has determined that verification by a prepayment audit conducted pursuant to section 3726(a) of this title for a particular mode or modes of transportation, or for an agency or subagency, will not adequately protect the interests of the Government; or

(2) failure to deduct the proper amount under—

(A) a land grant law; or

(B) an equalization or other agreement.

In the section, the words “disbursing official” are substituted for “disbursing officer” for consistency in the revised title.

In subsection (a), before clause (1), the words “Secretary of the Treasury” are substituted for “Treasurer of the United States” because of the source provisions restated in section 322(c) of the revised title. The words “or an assistant treasurer of the United States” in section 3620(a) of the Revised Statutes are omitted as obsolete because of the 1st–4th pars. under the heading “Secretary, on deciding it is essential to the public interest” are substituted for “related to disbursing officers”. The words “an assistant treasurer of the United States” are omitted as obsolete because of the 1st–4th pars. under the heading “Assistant Treasurer, on deciding it is essential to the public interest” are substituted for “related to disbursing officers”.
the United States (subsequently changed to ‘or with one of the depositaries of the United States mentioned in section 476 of this title”) because of 31:476. In clause (2), the words “in pursuance of law” are omitted as surplus. The text of 31:492(a)(last sentence) is omitted because of section 3323(a) of the revised title.

In subsection (b), before clause (1), the words “On and after June 1, 1921” are omitted as executed. The words “of the United States” are omitted as unnecessary. The words “for transportation” are omitted as surplus.

1941 ACT

This is necessary because section 3620(a) (last sentence) of the Revised Statutes inadvertently was omitted from the codification of title 31 by section 1 of the Act of September 13, 1921, ch. 214, 41 Stat. 654.

In subsection (a), before clause (1), the words “Except as provided in subsection (b) of this section” are added because of the restatement.

In subsection (b), before clause (1), the word “however” is omitted as surplus. The words “treasurer or” are omitted as obsolete because of the 1st–4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (2), the words “rules and” are omitted as surplus.

(2) a transferee or party on a check after the forgery from liability—

(A) on the express or implied warranty of prior endorsements of the transferee or party; or

(B) to refund amounts to the Secretary.

In the section, the words “the head of” are added for consistency in the revised title and with other titles of the United States Code.

In subsection (a), the words “of the United States” are omitted as surplus. The word “President” is substituted for “Director of the Office of Management and Budget” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) redesignated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (b)(3), the words “as a whole” and “respectively” are omitted as surplus.

Subsection (c)(2) is substituted for 31:49 and the words “and, to the extent he deems necessary, the authority vested in him by section 49 of this title” in 31:66(a) for clarity and consistency. H. Rept. 2556, 81st Cong. (1950), states that the Comptroller General will be able to prescribe appropriation and fund accounting systems under 31:49 “in terms of principles, standards and related requirements rather than in terms of detailed forms and procedures”. The reference to the judicial branch covers authority that the Comptroller General was given under 31:49 that applies to departments and establishments except the Supreme Court that was not superseded by the source provisions restated in subsection (a) of this section.

AMENDMENTS

2002—Subsec. (c)(1). Pub. L. 107-217 substituted “section 121(b) of title 40” for “section 205(b) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(b))”.

ADOPTION OF CAPITAL ACCOUNTING STANDARDS

Pub. L. 101-576, title III, §307, Nov. 15, 1990, 104 Stat. 2855, provided that: “No capital accounting standard or principle, including any human capital standard or principle, shall be adopted for use in an executive department or agency until such standard has been reported to the Congress and a period of 45 days of continuous session of the Congress has expired.”

(c)(1) To ensure compliance with subsection (b)(3) of this section and consistent with standards the Comptroller General prescribes, the head of each executive agency shall establish internal accounting and administrative controls that reasonably ensure that—
(A) obligations and costs comply with applicable law;
(B) all assets are safeguarded against waste, loss, unauthorized use, and misappropriation; and

FEDERAL FINANCIAL MANAGEMENT IMPROVEMENT

“SEC. 801. SHORT TITLE—
This title may be cited as the ‘Federal Financial Management Improvement Act of 1996’.

“SEC. 802. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds the following:

“(1) Much effort has been devoted to strengthening Federal internal accounting controls in the past. Although progress has been made in recent years, Federal accounting standards have not been uniformly implemented in financial management systems for agencies.

“(2) Federal financial management continues to be seriously deficient, and Federal financial management and fiscal practices have failed to—

“(A) identify costs fully;

“(B) reflect the total liabilities of congressional actions; and

“(C) accurately report the financial condition of the Federal Government.

“(3) Current Federal accounting practices do not accurately report financial results of the Federal Government or the full costs of programs and activities. The continued use of these practices undermines the Government’s ability to provide credible and reliable financial data and encourages already widespread Government waste, and will not assist in achieving a balanced budget.

“(4) Waste and inefficiency in the Federal Government undermine the confidence of the American people in the government and reduce the Federal Government’s ability to address vital public needs adequately.

“(5) To rebuild the accountability and credibility of the Federal Government, and restore public confidence in the Federal Government, agencies must incorporate accounting standards and reporting objectives established for the Federal Government into their financial management systems so that all the assets and liabilities, revenues, and expenditures or expenses, and the full costs of programs and activities of the Federal Government can be consistently and accurately recorded, monitored, and uniformly reported throughout the Federal Government.

“(6) Since its establishment in October 1990, the Federal Accounting Standards Advisory Board (hereinafter referred to as the ‘FASAB’) has made substantial progress toward developing and recommending a comprehensive set of accounting concepts and standards for the Federal Government. When the accounting concepts and standards developed by FASAB are incorporated into Federal financial management systems, agencies will be able to provide cost and financial information that will assist the Congress and financial managers to evaluate the cost and performance of Federal programs and activities, and will therefore provide important information that has been lacking, but is needed for improved decision making by financial managers and the Congress.

“(7) The development of financial management systems with the capacity to support these standards and concepts will, over the long term, improve Federal financial management.

“(b) PURPOSES.—The purposes of this Act [title] are to—

“(1) provide for consistency of accounting by an agency from one fiscal year to the next, and uniform accounting standards throughout the Federal Government;

“(2) require Federal financial management systems to support full disclosure of Federal financial data, including the full costs of Federal programs and activities, to the citizens, the Congress, the President, and agency management, so that programs and activities can be considered based on their full costs and merits;

“(3) increase the accountability and credibility of federal financial management;

“(4) improve performance, productivity and efficiency of Federal Government financial management;

“(5) establish financial management systems to support controlling the cost of Federal Government;

“(7) increase the capability of agencies to monitor execution of the budget by more readily permitting reports that compare spending of resources to results of activities.

“SEC. 803. IMPLEMENTATION OF FEDERAL FINANCIAL MANAGEMENT IMPROVEMENTS.

“(a) IN GENERAL.—Each agency shall implement and maintain financial management systems that comply substantially with Federal financial management systems requirements, applicable Federal accounting standards, and the United States Government Standard General Ledger at the transaction level.

"(A) a review of the report on the applicable agency-wide audited financial statement;
"(B) any other information the Head of the agency considers relevant and appropriate.
"(2) DATE OF DETERMINATION.—The determination under paragraph (1) shall be made no later than 120 days after the earlier of—
"(A) the date of the receipt of an agency-wide audited financial statement; or
"(B) the last day of the fiscal year following the year covered by such statement.
"(d) REMEDIATION PLAN.—
"(1) If the Head of an agency determines that the agency's financial management systems do not comply with the requirements of subsection (a), the head of the agency, in consultation with the Director, shall establish a remediation plan that shall include resources, remedies, and intermediate target dates necessary to bring the agency's financial management systems into substantial compliance.
"(2) If the determination of the head of the agency differs from the audit compliance findings required in subsection (b), the Director shall review such determinations and provide a report on the findings to the appropriate committees of the Congress.
"(e) TERM PERIOD FOR COMPLIANCE.—A remediation plan shall bring the agency's financial management systems into substantial compliance no later than 3 years after the date a determination is made under paragraph (1), unless the agency, with concurrence of the Director—

"(B) specifies the most feasible date for bringing the agency's financial management systems into compliance with the requirements of subsection (a); and

(4) The head of executive, judicial, or legislative agency that administers the program that gave rise to the debt or claim shall transfer the debt or claim to the Secretary of the Treasury; and

(g)(1) If a nontax debt or claim owed to the United States has been delinquent for a period of 180 days—

(A) the head of the executive, judicial, or legislative agency that administers the program that gave rise to the debt or claim shall transfer the debt or claim to the Secretary of the Treasury;

(B) to any other specific class of debt or claim, as determined by the Secretary of the Treasury at the request of the head of an executive, judicial, or legislative agency or otherwise.

(3) For purposes of this section, the Secretary of the Treasury may designate, and withdraw such designation of debt collection centers operated by other Federal agencies. The Secretary of the Treasury shall designate such centers on the basis of their performance in collecting delinquent claims owed to the Government.

(4) At the discretion of the Secretary of the Treasury, referral of a nontax claim may be made to—
(A) any executive department or agency operating a debt collection center for servicing, collection, compromise, or suspension or termination of collection action; 
(B) a private collection contractor operating under a contract for servicing or collection action; or
(C) the Department of Justice for litigation.

(5) Nontax claims referred or transferred under this section shall be serviced, collected, or compromised, or collection action thereon suspended or terminated, in accordance with otherwise applicable statutory requirements and authorities. (6) Any agency operating a debt collection center to which nontax claims are referred or transferred under this subsection may charge a fee sufficient to cover the full cost of implementing this subsection. The agency transferring or referring the nontax claim shall be charged the fee, and the agency charging the fee shall collect such fee by retaining the amount of the fee from amounts collected pursuant to this subsection. Agencies may agree to pay through another account or from revenue received from the procedure described under section 3720C of this title. Amounts charged under this subsection concerning delinquent claims may be considered as costs pursuant to section 3717(e) of this title.

(7) Notwithstanding any other law concerning the depositing and collection of Federal payments, including section 3302(b) of this title, agencies collecting fees may retain the fees from amounts collected. Any fee charged pursuant to this subsection shall be deposited into an account to be determined by the executive department or agency operating the debt collection center charging the fee (in this subsection referred to in this section2 as the “Account”). Amounts deposited in the Account shall be available until expended to cover costs associated with the implementation and operation of Governmentwide debt collection activities. Costs properly chargeable to the Account include—

(8) Not later than January 1 of each year, there shall be deposited into the Treasury as miscellaneous receipts an amount equal to the amount of unobligated balances remaining in the Account at the close of business on September 30 of the preceding year, minus any part of such balance that the executive department or agency operating the debt collection center determines is necessary to cover or defray the costs under this subsection for the fiscal year in which the deposit is made.

(9) Before discharging any delinquent debt owed to any executive, judicial, or legislative agency, the head of such agency shall take all appropriate steps to collect such debt, including (as applicable)—

(10) To carry out the purposes of this subsection, the Secretary of the Treasury may prescribe such rules, regulations, and procedures as the Secretary considers necessary and transfer such funds from funds appropriated to the Department of the Treasury as may be necessary to meet existing liabilities and obligations incurred prior to the receipt of revenues that result from debt collections.

(h)(1) The head of an executive, judicial, or legislative agency acting under subsection (a)(1), (2), or (3) of this section to collect a claim, compromise a claim, or terminate collection action on a claim may obtain a consumer report (as that term is defined in section 603 of the Fair Credit Reporting Act (15 U.S.C. 1681a)) or comparable credit information on any person who is liable for the claim.

(2) The obtaining of a consumer report under this subsection is deemed to be a circumstance or purpose authorized or listed under section 604 of the Fair Credit Reporting Act (15 U.S.C. 1681b).

(i)(1) The head of an executive, judicial, or legislative agency may sell, subject to section 504(b) of the Federal Credit Reform Act of 1990 and using competitive procedures, any nontax debt owed to the United States that is delinquent for more than 90 days. Appropriate fees charged by a contractor to assist in the conduct of a sale under this subsection may be payable from the proceeds of the sale.

(2) After terminating collection action, the head of an executive, judicial, or legislative agency shall sell, using competitive procedures, any nontax debt or class of nontax debts owed to
the United States, if the Secretary of the Treasury determines the sale is in the best interests of the United States.

(3) Sales of nontax debt under this subsection—

(A) shall be for—

(i) cash, or

(ii) cash and a residuary equity or profit participation, if the head of the agency reasonably determines that the proceeds will be greater than sale solely for cash,

(B) shall be without recourse, but may include the use of guarantees if otherwise authorized, and

(C) shall transfer to the purchaser all rights of the Government to demand payment of the nontax debt, other than with respect to a residuary equity or profit participation under subparagraph (A)(ii).

(4) Within one year after the date of enactment of the Debt Collection Improvement Act of 1996, each executive agency with current and delinquent collateralized nontax debts shall report to the Congress on the valuation of its existing portfolio of loans, notes and guarantees, and other collateralized debts based on standards developed by the Director of the Office of Management and Budget, in consultation with the Secretary of the Treasury.

(B) The Director of the Office of Management and Budget shall determine what information is required to be reported to comply with subparagraph (A). At a minimum, for each financing account (as those terms are defined in sections 502(7) and 502(8), respectively, of the Federal Credit Reform Act of 1990) the following information shall be reported:

(i) The cumulative balance of current debts outstanding, the estimated net present value of such debts, the annual administrative expenses of those debts (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such debts were sold.

(ii) The cumulative balance of delinquent debts, debts outstanding, the estimated net present value of such debts, the annual administrative expenses of those debts (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such debts were sold.

(iii) The cumulative balance of guaranteed loans outstanding, the estimated net present value of such guarantees, the annual administrative expenses of such guarantees (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such loan guarantees were sold.

(iv) The cumulative balance of defaulted loans that were previously guaranteed and have resulted in loans receivables, the estimated net present value of such loan assets, the annual administrative expenses of such loan assets (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such loan assets were sold.

(v) The marketability of all debts.

(5) This subsection is not intended to limit existing statutory authority of agencies to sell loans, debts, or other assets.

(a) After trying to collect a claim from a person under section 3711(a) of this title, the head of an executive, judicial, or legislative agency may collect the claim by administrative offset. The head of the agency may collect by administrative offset only after giving the debtor—

(1) written notice of the type and amount of the claim, the intention of the head of the agency to collect the claim by administrative offset, and an explanation of the rights of the debtor under this section;

(2) an opportunity to inspect and copy the records of the agency related to the claim;

(3) an opportunity for a review within the agency of the decision of the agency related to the claim; and

(4) an opportunity to make a written agreement with the head of the agency to repay the amount of the claim.

(b) Before collecting a claim by administrative offset, the head of an executive, judicial, or legislative agency must either—

(1) adopt, without change, regulations on collecting by administrative offset promulgated by the Department of Justice, the Government Accountability Office, or the Department of the Treasury; or

(2) prescribe regulations on collecting by administrative offset consistent with the regulations referred to in paragraph (1).

(c)(1)(A) Except as otherwise provided in this subsection, a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, the Department of Health and Human Services, or any other government corporation, or any disbursing official of the United States designated by the Secretary of the Treasury, shall offset at least annually the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement, by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency’s disbursing officials offset such claims.

(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965 shall not be subject to administrative offset under this subsection.

(I) the Social Security Act,

(II) part B of the Black Lung Benefits Act, or

(III) any law administered by the Railroad Retirement Board (other than payments that such Board determines to be tier 2 benefits), shall be subject to offset under this section.

(ii) An amount of $9,000 which a debtor may receive under Federal benefit programs cited under clause (i) within a 12-month period shall be exempt from offset under this subsection. In applying the $9,000 exemption, the disbursing official shall—

(II) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authorizing the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program).

(B) The Secretary of the Treasury shall exempt from administrative offset under this subsection payments under means-tested programs when requested by the head of the respective agency. The Secretary may exempt other payments from administrative offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under standards prescribed by the Secretary. Such standards shall give due consideration to whether administrative offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency’s program. The Secretary shall report to the Congress annually on exemptions granted under this section.

(C) The provisions of sections 205(b)(1), 809(a)(1), and 1631(c)(1) of the Social Security Act shall not apply to any administrative offset executed pursuant to this section against benefits authorized by title II, VIII, or title XVI of the Social Security Act, respectively.

(D) This section shall apply to payments made after the date which is 90 days after the enactment of this subparagraph (or such earlier date as designated by the Secretary of Health and Human Services) with respect to claims or debts, and to amounts payable, under title XVIII of the Social Security Act.

The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring a claim for those amounts. Fees charged to the agencies shall be based on actual administrative offsets completed. Amounts received by the United States as fees under this subsection shall be deposited into the account of the Department of the Treasury under section 3711(g)(7) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

(5) The Secretary of the Treasury in consultation with the Commissioner of Social Security and the Director of the Office of Management and Budget, may prescribe such rules, regulations, and procedures as the Secretary of the Treasury considers necessary to carry out this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

(6) Any Federal agency that is owed by a person a past due, legally enforceable nontax debt that is over 180 days delinquent, including nontax debt administered by a third party acting as an agent for the Federal Government, shall notify the Secretary of the Treasury of all such nontax debts for purposes of administrative offset under this subsection.

(7) (A) The disbursing official conducting an administrative offset with respect to a payment to a payee shall notify the payee in writing of—

(i) the occurrence of the administrative offset to satisfy a past due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the payee against which the offset was executed;

(ii) the identity of the creditor agency requesting the offset; and

(iii) a contact point within the creditor agency that will handle concerns regarding the offset.

(B) If the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the administrative offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such administrative offset.

(8) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for administrative offset pursuant to other laws.
or setoff to collect the claim or type of claim involved.

(f) The Secretary may waive the requirements of sections 552a(o) and (p) of title 5 for administrative offset or claims collection upon written certification by the head of a State or an executive, judicial, or legislative agency seeking to collect the claim that the requirements of subsection (a) of this section have been met.

(g) The Data Integrity Board of the Department of the Treasury established under section 552a(u) of title 5 shall review and include in reports under paragraph (3)(D) of that section a description of any matching activities conducted under this section. If the Secretary has granted a waiver under subsection (f) of this section, no other Data Integrity Board is required to take any action under section 552a(u) of title 5.

(h)(1) The Secretary may, in the discretion of the Secretary, apply subsection (a) with respect to any past-due, legally-enforceable debt owed to any Federal agency to which the administrative costs associated with the collection of the debt or claim exceed the amount of the debt or claim;

(ii) any other requirements which the Secretary considers appropriate to facilitate the offset and prevent duplicative efforts.

(2) This subsection does not apply to—

(A) the collection of a debt or claim on which the administrative costs associated with the collection of the debt or claim exceed the amount of the debt or claim;

(B) any collection of any other type, class, or amount of claim, as the Secretary considers necessary to protect the interest of the United States; or

(C) the disbursement of any class or type of payment exempted by the Secretary of the Treasury at the request of a Federal agency.

(3) In applying this section with respect to any debt owed to a State, subsection (c)(3)(A) shall not apply.

In the subchapter, the words “or his designee” are omitted as unnecessary.

In subsection (a)(1), the words “head of the” are added for consistency in the revised title and with other titles of the United States Code.

Ex. Ord. No. 13019, Supporting Families: Collecting Delinquent Child Support Obligations

Ex. Ord. No. 13019, Sept. 28, 1996, 61 F.R. 51763, provided that:

The Debt Collection Improvement Act of 1996, Public Law 104–134 (31 U.S.C. 3711 et seq.) [see Short Title of 1996 Amendment note set out under section 3701 of this title], was enacted into law on April 26, 1996, as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996. While the primary purpose of the Debt Collection Improvement Act is to increase the collection of nontax debts owed to the Federal Government, the Act also contains important provisions that can be used to assist families in collecting past-due child support obligations.

The failure of some parents to meet their child support obligations threatens the health, education, and well-being of their children. Compounding this problem, States have experienced difficulties in collecting child support obligations once a parent has moved to another State. With this Executive order, my Administration takes additional steps to support our children and strengthen American families by facilitating the collection of delinquent child support obligations from persons who may be entitled or eligible to receive certain Federal payments or Federal assistance.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION I. Administrative Offsets. (a)(1) The Secretary of the Treasury (“the Secretary”), in accordance with the provisions of the Debt Collection Improvement Act of 1996 and to the extent permitted by law, and in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly develop and implement procedures necessary for the Secretary to collect past-due child support debts by administrative offset, and shall issue such rules, regulations, and procedures as the Secretary, in consultation with the heads of affected agencies, deems appropriate to govern administrative offsets by the Department of the Treasury and other executive departments and agencies that disburse Federal payments.

(2) The Secretary may enter into reciprocal agreements with States concerning the collection by the Secretary of delinquent child support debts through administrative offsets.

(b) The Secretary of Health and Human Services shall, within 120 days of the date of this order, implement procedures necessary to report to the Secretary of the Treasury information on past-due child support claims referred by States (including claims enforced by States pursuant to cooperative agreements with or by Indian tribal governments) to the Department of Health and Human Services.

(c) The head of each executive department and agency that certifies payments to the Secretary or to another disbursing official shall review each class of payments that the department or agency certifies to determine if any such class should be exempt from offset and, if any class is so identified, submit to the Secretary a request for such an exemption together with the reasons therefor. With respect to classes of payments under means-tested programs existing on the date of this order, such submission shall be made within 30 days of the date of this order. With respect to classes of payments other than payments under means-tested programs existing on the date of this order, such submissions shall be made within 30 days of the date the Secretary establishes standards pursuant to section 3716(c)(3) of title 31, United States Code. With respect to a class of payments established after the date of this order, such submissions shall be made not later than 30 days after such class is established.

(d) The head of each executive department and agency that certifies payments to the Secretary shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section.

(e) The head of each executive department and agency that is authorized by law to disburse payments shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section and shall:

(1) match, consistent with computer privacy matching laws, the payment certification records of such department or agency with records of persons delinquent in child support payments as directed by the Secretary; and

(2) conduct administrative offsets to collect delinquent child support payments.

(f) The Secretary shall, to the extent permitted by law, share with the Secretary of Health and Human Services any information contained in payment certification records of persons who are delinquent in child support obligations that would assist in the collection
§ 3717. Interest and penalty on claims

(a)(1) The head of an executive, judicial, or legislative agency shall charge a minimum annual rate of interest on an outstanding debt on a United States Government claim owed by a person that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point. The Secretary of the Treasury shall publish the rate before November 1 of that year. The rate is effective on the first day of the next calendar quarter.

(2) The Secretary may change the rate of interest for a calendar quarter if the average investment rate for the 12-month period ending at the close of the prior calendar quarter, rounded to the nearest whole percentage point, is more or less than the existing published rate by 2 percentage points.

(b) Interest under subsection (a) of this section accrues from the date—

(1) on which notice is mailed after October 25, 1982, if notice was first mailed before October 25, 1982, or

(2) notice of the amount due is first mailed to the debtor at the most current address of the debtor available to the head of the executive or legislative agency, if notice is first mailed after October 24, 1982.

(c) The rate of interest charged under subsection (a) of this section—

(1) is the rate in effect on the date from which interest begins to accrue under subsection (b) of this section; and

(2) remains fixed at that rate for the duration of the indebtedness.

(d) Interest under subsection (a) of this section may not be charged if the amount due on the claim is paid within 30 days after the date from which interest accrues under subsection (b) of this section. The head of an executive, judicial, or legislative agency may extend the 30-day period.

(e) The head of an executive, judicial, or legislative agency shall assess on a claim owed by a person—

(1) a charge to cover the cost of processing and handling a delinquent claim; and

(2) a penalty charge of not more than 6 percent a year for failure to pay a part of a debt more than 90 days past due.

(f) Interest under subsection (a) of this section does not accrue on a charge assessed under subsection (e) of this section.

(g) This section does not apply—

(1) if a statute, regulation required by statute, loan agreement, or contract prohibits charging interest or assessing charges or explicitly fixes the interest or charges; and

(2) to a claim under a contract executed before October 25, 1982, that is in effect on October 25, 1982.

(h) In conformity with standards prescribed jointly by the Attorney General, the Secretary of the Treasury, and the Comptroller General, the head of an executive, judicial, or legislative agency shall provide written notification to the Secretary of such debts, whether or not an administrative offset is conducted.

Sec. 2. Denial of Federal Assistance. (a) The Secretary shall, to the extent permitted by law, ensure that information concerning individuals whose payments are subject to administrative offset because of delinquent child support obligations is made available to the head of each executive department and agency that provides Federal financial assistance to individuals.

(b) In conformance with section 2(e) of this order, the head of each executive department and agency shall, with respect to any individuals whose payments are subject to administrative offset because of a delinquent child support obligation, promptly implement procedures to deny Federal financial assistance to such individuals.

(c) The Attorney General, in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly issue guidelines for departments and agencies concerning minimum due-process standards to be included in the procedures required by subsection (b) of this section.

(d) For purposes of this section, Federal financial assistance means any Federal loan (other than a disaster loan), loan guarantee, or loan insurance.

(e)(1) A class of Federal financial assistance shall not be subject to denial if the head of the concerned department or agency determines:

(A) in consultation with the Attorney General and the Secretary of Health and Human Services, that such action:

(i) is not permitted by law; or

(ii) would likely result in valid legal claims for damages against the United States;

(B) that such action would be inconsistent with the best interests of the child or children with respect to whom a child support obligation is owed; or

(C) that such action should be waived.

(2) The head of each executive department and agency shall provide written notification to the Secretary upon determining that the denial of a class of Federal financial assistance is not permitted by law or should be waived.

(f) The head of each executive department and agency shall:

(1) review all laws under the jurisdiction of the department or agency that do not permit the denial of Federal financial assistance to individuals and whose payments are subject to administrative offset because of a delinquent child support obligation and, where appropriate, transmit to the Director of the Office of Management and Budget recommendations for statutory changes; and

(2) to the extent practicable, review all rules, regulations, and procedures implementing laws under the jurisdiction of the department or agency governing the provision of any Federal financial assistance to individuals and, where appropriate, conform such rules, regulations, and procedures to the provisions of this order and the rules, regulations, and procedures issued by the Secretary pursuant to section 1 of this order.

Sec. 3. Reports. Pub. L. 99–145, title IX, § 931(b), Nov. 8, 1985, 99 Stat. 699, provided that: ‘‘Notwithstanding section 3729 of title 31, United States Code, the amount of the liability under that section in the case of a person who makes a false claim related to a contract with the Department of Defense shall be a civil penalty of $2,000, an amount equal to three times the amount of the damages the Government sustains because of the act of the person, and costs of the civil action.

[Section 931(c) of Pub. L. 99–145 provided that section 931(b) is applicable to claims made or presented on or after Nov. 8, 1985.]

§ 3730. Civil actions for false claims

(a) RESPONSIBILITIES OF THE ATTORNEY GENERAL.—The Attorney General diligently shall investigate a violation under section 3729. If the Attorney General finds that a person has violated or is violating section 3729, the Attorney General may bring a civil action under this section against the person.

(b) ACTIONS BY PRIVATE PERSONS.—(1) A person may bring a civil action for a violation of section 3729 for the person and for the United States Government. The action shall be brought in the name of the Government. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Government pursuant to Rule 3(d)(4) of the Federal Rules of Civil Procedure. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The Government may elect to intervene and proceed with the action within 60 days after
it receives both the complaint and the material evidence and information.

(3) The Government may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2). The defendant may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant pursuant to Rule 4 of the Federal Rules of Civil Procedure.

(4) Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the Government shall—

(A) proceed with the action, in which case the action shall be conducted by the Government; or

(B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

(5) When a person brings an action under this subsection, no person other than the Government may intervene or bring a related action based on the facts underlying the pending action.

(c) RIGHTS OF THE PARTIES TO QUI TAM ACTIONS.—(1) If the Government proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

(2)(A) The Government may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the Government of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(B) The Government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the Government that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(3) If the Government elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the Government so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the Government’s expense). When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the Government to intervene at a later date upon a showing of good cause.

(4) Whether or not the Government proceeds with the action, upon a showing by the Government that certain actions of discovery by the person initiating the action would interfere with the Government’s investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Government has pursued the criminal or civil investigation or proceedings with reasonable diligence and that the proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding subsection (b), the Government may elect to pursue its claim through any alternate remedy available to the Government, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the United States, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) AWARD TO QUI TAM PLAINTIFF.—(1) If the Government proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this action, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government Accounting Office report, hearing, audit, or investigation, or from the news

1 So in original. Probably should be “General”.
media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Government does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Government proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 3729 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation.

If the person bringing the action is convicted of harassment.

(4) If the Government does not proceed with an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Government is already a party.

(A) The court shall dismiss an action or claim under this section, unless opposed by the Government, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed—

(i) in a Federal criminal, civil, or administrative hearing in which the Government or its agent is a party;

(ii) in a congressional, Government Accountability Office, or other Federal report, hearing, audit, or investigation; or

(iii) from the news media,

unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph, "original source" means an individual who either (i) prior to a public disclosure under subsection (e)(4)(a), has voluntarily disclosed to the Government the information on which allegations or transactions in a claim are based, or (2) who has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the Government before filing an action under this section.

(f) Government Not LIABLE for Certain Expenses.—The Government is not liable for expenses which a person incurs in bringing an action under this section.

(g) Fees and EXPENSES to Prevailing Defendant.—In civil actions brought under this section by the United States, the provisions of section 2412(d) of title 28 shall apply.

(h) Relief From RETALIATORY ACTIONS.—

(1) IN GENERAL.—Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent or associated others in furtherance of an action under this section or other efforts to stop 1 or more violations of this subchapter.

(2) Relief.—Relief under paragraph (1) shall include reinstatement with the same seniority status that employee, contractor, or agent would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees. An action under this subsection may be brought in the appropriate district court of the United States for the relief provided in this subsection.

(3) Limitation on bringing Civil ACTION.—A civil action under this subsection may not be brought more than 3 years after the date when the retaliation occurred.

Effective Date of 2009 Amendment

§ 3733. Civil investigative demands

(a) IN GENERAL.—

(1) ISSUANCE AND SERVICE.—Whenever the Attorney General, or a designee (for purposes of this section), has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims law investigation, the Attorney General, or a designee, may, before commencing a civil proceeding under section 3730(a) or other false claims law, or making an election under section 3730(b), issue in writing and cause to be served upon such person, a civil investigative demand requiring such person—

(A) to produce such documentary material for inspection and copying;

(B) to answer in writing written interrogatories with respect to such documentary material or information;

(C) to give oral testimony concerning such documentary material or information, or

(D) to furnish any combination of such material, answers, or testimony.

The Attorney General may delegate the authority to issue civil investigative demands under this subsection. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the Deputy Attorney General, or an Assistant Attorney General shall cause to be served, in any manner authorized by this section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served. Any information obtained by the Attorney General or a designee of the Attorney General under this section may be shared with any qui tam relator if the Attorney General or designee determine it is necessary as part of any false claims act investigation.

(2) CONTENTS AND DEADLINES.—

(A) Each civil investigative demand issued under paragraph (1) shall state the nature of the conduct constituting the alleged violation of a false claims law which is under investigation, and the applicable provision of law alleged to be violated.

(B) If such demand is for the production of documentary material, the demand shall—

(i) describe each class of documentary material to be produced with such definiteness and certainty as to permit such material to be fairly identified;

(ii) prescribe a return date for each such class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and

1So in original. Probably should be “law”.

The Federal Rules of Evidence, referred to in subsec. (e), are set out in the Appendix to Title 28, Judiciary and Judicial Procedure.

AMENDMENTS

2009—Subsecs. (c) to (e). Pub. L. 111–21 added subsec. (c).
(iii) identify the false claims law investigator to whom such material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall—

(i) set forth with specificity the written interrogatories to be answered;

(ii) prescribe dates at which time answers to written interrogatories shall be submitted; and

(iii) identify the false claims law investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall—

(i) prescribe a date, time, and place at which oral testimony shall be commenced;

(ii) identify a false claims law investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;

(iii) specify that such attendance and testimony are necessary to the conduct of the investigation;

(iv) notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date which is not less than seven days after the date on which demand is received, unless the Attorney General or an Assistant Attorney General designated by the Attorney General determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the Attorney General, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

(b) PROTECTED MATERIAL OR INFORMATION.—

(1) IN GENERAL.—A civil investigative demand issued under subsection (a) may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if such material, answers, or testimony would be protected from disclosure under—

(A) the standards applicable to subpoenas or subpoenas duces tecum issued by a court of the United States to aid in a grand jury investigation; or

(B) the standards applicable to discovery requests under the Federal Rules of Civil Procedure, to the extent that the application of such standards to any such demand is appropriate and consistent with the provisions and purposes of this section.

(2) EFFECT ON OTHER ORDERS, RULES, AND LAWS.—Any such demand which is an express demand for any product of discovery supercedes any inconsistent order, rule, or provision of law (other than this section) preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(c) SERVICE; JURISDICTION.—

(1) BY WHOM SERVED.—Any civil investigative demand issued under subsection (a) may be served by a false claims law investigator, or by a United States marshal or a deputy marshal, at any place within the territorial jurisdiction of any court of the United States.

(2) SERVICE IN FOREIGN COUNTRIES.—Any such demand or any petition filed under subsection (j) may be served upon any person who is not found within the territorial jurisdiction of any court of the United States in such manner as the Federal Rules of Civil Procedure prescribe for service in a foreign country. To the extent that the courts of the United States can assert jurisdiction over any such person consistent with due process, the United States District Court for the District of Columbia shall have the same jurisdiction to take any action respecting compliance with this section by any such person that such court would have if such person were personally within the jurisdiction of such court.

(d) SERVICE UPON LEGAL ENTITIES AND NATURAL PERSONS.—

(1) LEGAL ENTITIES.—Service of any civil investigative demand issued under subsection (a) or of any petition filed under subsection (j) may be made upon a partnership, corporation, association, or other legal entity by—

(A) delivering an executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(B) delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(2) NATURAL PERSONS.—Service of any such demand or petition may be made upon any natural person by—
(A) delivering an executed copy of such demand or petition to the person; or
(B) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person’s residence or principal office or place of business.

(e) PROOF OF SERVICE.—A verified return by the individual serving any civil investigative demand issued under subsection (a) or any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. (f) DOCUMENTARY MATERIAL.—

(1) Sworn certificates.—The production of documentary material in response to a civil investigative demand served under this section shall be made under a sworn certificate, in such form as the demand designates, by—
(A) in the case of a natural person, the person to whom the demand is directed, or
(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims law investigator identified in the demand.

(2) Production of materials.—Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims law investigator identified in such demand at the principal place of business of such person, or at such other place as the false claims law investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such material shall be made so available on the return date specified in such demand, or on such later date as the false claims law investigator may prescribe in writing. Such person may, upon written agreement between the person and the false claims law investigator, substitute copies for originals of all or any part of such material.

(g) INTERROGATORIES.—Each interrogatory in a civil investigative demand served under this section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the demand designates, by—

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) ORAL EXAMINATIONS.—

(1) PROCEDURES.—The examination of any person pursuant to a civil investigative demand for oral testimony served under this section shall be taken before an officer authorized to administer oaths and affirmations by the laws of the United States or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer’s presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Federal Rules of Civil Procedure.

(2) PERSONS PRESENT.—The false claims law investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the Government, any person who may be agreed upon by the attorney for the Government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) WHERE TESTIMONY TAKEN.—The oral testimony of any person taken pursuant to a civil investigative demand served under this section shall be taken in the judicial district of the United States within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the false claims law investigator conducting the examination and such person.

(4) TRANSCRIPT OF TESTIMONY.—When the testimony is fully transcribed, the false claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the officer or the false claims law investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within 30 days after being afforded a reasonable oppor-
tunity to examine it, the officer or the false claims law investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, given therefor.

(5) CERTIFICATION AND DELIVERY TO CUSTODIAN.—The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false claims law investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(6) FURNISHING OR INSPECTION OF TRANSCRIPT BY WITNESS.—Upon payment of reasonable charges therefor, the false claims law investigator shall furnish a copy of the transcript to the witness only, except that the Attorney General, the Deputy Attorney General, or an Assistant Attorney General may, for good cause, limit such witness to inspection of the official transcript of the witness testimony.

(7) CONDUCT OF ORAL TESTIMONY.—(A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (a) may be accompanied, represented, and advised by counsel. Counsel may advise such person, in confidence, with respect to any question asked of such person. Such person or counsel may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including any committee or subcommittee of the Congress, or to any other agency of the United States under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses to answer any question on the grounds of any constitutional or other legal right or privilege, including any committee or subcommittee of the Congress, or to any other agency of the United States under subsection (j)(1) for an order compelling such person to answer such question.

(C) Except as otherwise provided in this subsection, no documentary material, answers to interrogatories, or transcripts of oral testimony may be used by any false claims law investigator or other officer or employee of the Department of Justice. Such material, answers, and transcripts may be used by any such authorized false claims law investigator or other officer or employee in connection with the taking of oral testimony under this section.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe—

(A) designate another false claims law investigator to serve as custodian of such material, answers, or transcripts, and

(B) transmit in writing to the person who produced such material, answers, or transcripts a notice of the identity and address of the successor so designated.

Any person who is designated to be a successor under this paragraph shall have, with regard to such material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person’s predecessor in office, except that the successor shall not he held responsible for any default or delinquent which occurred before that designation.

Any petition under this subparagraph must be filed—

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based
upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(4) PETITION TO REQUIRE PERFORMANCE BY CUSTODIAN OF DUTIES.—At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (a), such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this section.

Any final order so entered shall be subject to appeal under section 1291 of title 28. Any disobedience of any final order entered under this section by any court shall be punished as a contempt of the court.

Any such determination shall be based on the preponderance of the evidence.

(ii) Procedures to permit discovery by any person alleged to be liable under section 3802 of this title only to the extent that the presiding officer determines that such discovery is necessary for the expeditious, fair, and reasonable consideration of the issues, except that such procedures shall not apply to documents, transcripts, records, or other material which a person is entitled to review under paragraph (1) of subsection (e) or to information to which a person is entitled under paragraph (2) of such subsection. Procedures promulgated under this clause shall prohibit the discovery of the notice required under subsection (a)(2) of this section.

(A) in the judicial district of the United States in which the person alleged to be liable under section 3802 of this title resides or transacts business;

(h) The presiding officer shall issue a written decision, including findings and determinations, after the conclusion of the hearing. Such decision shall include the findings of fact and conclusions of law which the presiding officer relied upon in determining whether a person is liable under this chapter. The presiding officer shall promptly send to each party to the hearing a copy of such decision and a statement describing the right of any person determined to be liable under section 3802 of this title to appeal the decision of the presiding officer to the authority head under paragraph (2) of subsection (i).

(B) Any authority head reviewing under this section the decision, findings, and determinations of a presiding officer shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (f) of this section unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the presiding officer for consideration of such additional evidence.

(C) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment determined by the presiding officer pursuant to this section. The authority head shall promptly send to each party to the appeal a copy of the decision of the authority head and a statement describing the right of any person determined to be liable under section 3802 of this title to judicial review under section 3805 of this title.

(j) The reviewing official has the exclusive authority to compromise or settle any allegations of liability under section 3802 of this title against a person without the consent of the presiding officer at any time after the date on which the reviewing official is permitted to refer allegations of liability to a presiding officer under subsection (h) of this section and prior to the date on which the presiding officer issues a decision under subsection (h) of this section. Any failure to obey such order of the court is punishable by such court as contempt. In any case in which an authority seeks the enforcement of a subpoena issued pursuant to subsection (a) or (b) of this section, the authority shall request the Attorney General to petition any district court in which a hearing under this chapter is being conducted, or in which the person receiving the subpoena resides or conducts business, to issue such an order.

AMENDMENTS

§ 3901. Definitions and application

(a) In this chapter—

(1) “agency” has the same meaning given that term in section 551(1) of title 5 and includes an entity being operated, and the head of the agency identifies the entity as being operated, only as an instrumentality of the agency to carry out a program of the agency.

(2) “business concern” means—

(A) a person carrying on a trade or business; and

(B) a nonprofit entity operating as a contractor.

(3) “proper invoice” is an invoice containing or accompanied by substantiating documentation the Director of the Office of Management and Budget may require by regulation and the head of the appropriate agency may require by regulation or contract.

(4) for the purposes of determining a payment due date and the date upon which any late payment interest penalty shall begin to accrue, the head of the agency is deemed to receive an invoice—

(A) on the later of—

(i) the date on which the place or person designated by the agency to first receive such invoice actually receives a proper invoice; or

(ii) on the 7th day after the date on which, in accordance with the terms and conditions of the contract, the property is actually delivered or performance of the services is actually completed, as the case may be, unless—

(I) the agency has actually accepted such property or services before such 7th day; or

(II) the contract (except in the case of a contract for the procurement of a brand-name commercial item for authorized resale) specifies a longer acceptance period, as determined by the contracting officer to be required to afford the agency a practicable opportunity to inspect and test the property furnished or evaluate the services performed; or

(B) on the date of the invoice, if the agency has failed to annotate the invoice with the date of receipt at the time of actual receipt by the place or person designated by the agency to first receive such invoice.

(5) a payment is deemed to be made on the date a check for payment is dated or an electronic fund transfer is made.

(6) a contract to rent property is deemed to be a contract to acquire the property.

(b) This chapter applies to the Tennessee Valley Authority. However, regulations prescribed under this chapter do not apply to the Authority, and the Authority alone is responsible for carrying out this chapter as it applies to contracts of the Authority.

(c) This chapter applies to the United States Postal Service. However, the Postmaster General shall be responsible for issuing the implementing procurement regulations, solicitation provisions, and contract clauses for the United States Postal Service.

(d)(1) Notwithstanding subsection (a)(1) of this section, this chapter, except section 3907 of this title, applies to the District of Columbia Courts.

(2) A claim for an interest penalty not paid under this chapter may be filed in the same manner as claims are filed with respect to contracts to provide property or services for the District of Columbia Courts.

(3)(A) Except as provided in subparagraph (B), an interest penalty under this chapter does not continue to accrue for more than one year or after a claim for an interest penalty is filed in the manner described in paragraph (2), whichever is earlier.
§ 3902. Interest penalties

(a) Under regulations prescribed under section 3903 of this title, the head of an agency acquiring property or service from a business concern, who does not pay the concern for each complete delivered item of property or service by the required payment date, shall pay an interest penalty to the concern on the amount of the payment due. The interest shall be computed at the rate of interest established by the Secretary of the Treasury, and published in the Federal Register, for interest payments under section 7109(a)(1) and (b) of title 41, which is in effect at the time the agency accrues the obligation to pay a late payment interest penalty.

(b) The interest penalty shall be paid for the period beginning on the day after the required payment date and ending on the date on which payment is made.

(c)(1) A business concern shall be entitled to an interest penalty of $1.00 or more which is owed such business concern under this section, and such penalty shall be paid without regard to whether the business concern has requested payment of such penalty.

(2) Each payment subject to this chapter for which a late payment interest penalty is required to be paid shall be accompanied by a notice stating the amount of the interest penalty included in such payment and the rate by which, and period for which, such penalty was computed.

(3) If a business concern—

(A) is owed an interest penalty by an agency;

(B) is not paid the interest penalty in a payment made to the business concern by the agency on or after the date on which the interest penalty becomes due;

(C) is not paid the interest penalty by the agency within 10 days after the date on which such payment is made; and

(D) makes a written demand, not later than 40 days after the date on which such payment is made, that the agency pay such a penalty,
such business concern shall be entitled to an amount equal to the sum of the late payment interest penalty to which the contractor is entitled and an additional penalty equal to a percentage of such late payment interest penalty specified by regulation by the Director of the Office of Management and Budget, subject to such maximum as may be specified in such regulations.

(d) The temporary unavailability of funds to make a timely payment due for property or services does not relieve the head of an agency from the obligation to pay interest penalties under this section.

(e) An amount of an interest penalty unpaid after any 30-day period shall be added to the principal amount of the debt, and a penalty accrues thereafter on the added amount.

(f) This section does not authorize the appropriation of additional amounts to pay an interest penalty. The head of an agency shall pay a penalty under this section out of amounts made available to carry out the program for which the penalty is incurred.

(g) A recipient of a grant from the head of an agency may provide in a contract for the acquisition of property or service from a business concern that, consistent with the usual business practices of the recipient and applicable State and local law, the recipient will pay an interest penalty on amounts overdue under the contract under conditions agreed to by the recipient and the concern. The recipient may not pay the penalty from amounts received from an agency. Amounts expended for the penalty may not be counted toward a matching requirement applicable to the grant. An obligation to pay the penalty is not an obligation of the United States Government.

(h)(1) This section shall apply to contracts for the procurement of property or services entered into pursuant to section 4(h) of the Act of June 29, 1948 (15 U.S.C. 714b(h)).

(2)(A) In the case of a payment to which producers on a farm are entitled under the terms of an agreement entered into under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.), an interest penalty shall be paid to the producers if the payment has not been made by the required payment or loan closing date. The interest penalty shall be paid—

(i) on the amount of payment or loan due; and

(ii) for the period beginning on the first day beginning after the required payment or loan closing date and ending on the date the amount is paid or loaned.

(B) As used in this subsection, the “required payment or loan closing date” means—

(i) for a purchase agreement, the 30th day after delivery of the warehouse receipt for the commodity subject to the purchase agreement;

(ii) for a loan agreement, the 30th day beginning after the date of receipt of an application with all requisite documentation and signatures, unless the applicant requests that the disbursement be deferred;

(iii) for refund of amounts received greater than the amount required to repay a commodity loan, the first business day after the Commodity Credit Corporation receives payment for such loan;

(iv) for land diversion payments (other than advance payments), the 30th day beginning after the date of completion of the production adjustment contract by the producer;

(v) for an advance land diversion payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer;

(vi) for a deficiency payment (other than advance payments) based upon a 12-month or 5-month period, 91 days after the end of such period; or

(vii) for an advance deficiency payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer.

(3) Payment of the interest penalty under this subsection shall be made out of funds available under section 8 of the Act of June 29, 1948 (15 U.S.C. 714). (4) Section 3907 of this title shall not apply to interest penalty payments made under this subsection.

(5) require periodic payments, in the case of a property or service contract which does not prohibit periodic payments for partial deliveries or other contract performance during the contract period, upon—

(A) submission of an invoice for property delivered or services performed during the contract period, if an invoice is required by the contract; and

(B) either—

(i) acceptance of the property or services by an employee of an agency authorized to accept the property or services; or

(ii) the making of a determination by such an employee, that the performance covered by the payment conforms to the terms and conditions of the contract;

(6) in the case of a construction contract, provide for the payment of interest on—

(A) a progress payment (including a monthly percentage-of-completion progress payment or milestone payments for completed phases, increments, or segments of any project) that is approved as payable by the agency pursuant to subsection (b) of this section and remains unpaid for—

(i) a period of more than 14 days after receipt of the payment request by the place or person designated by the agency to first receive such requests; or

(B) any amounts which the agency has retained pursuant to a prime contract clause providing for retaining a percentage of progress payments otherwise due to a contractor and that are approved for release to the contractor, if such retained amounts are not paid to the contractor by a date specified in the contract or, in the absence of such a specified date, by the 30th day after final acceptance;

(B) a certification by the prime contractor, to the best of the contractor's knowledge and belief, that—

(i) the amounts requested are only for performance in accordance with the specifications, terms, and conditions of the contract;

(ii) payments to subcontractors and suppliers have been made from previous payments received under the contract, and timely payments will be made from the proceeds of the payment covered by the certification, in accordance with their subcontract agreements and the requirements of this chapter; and

(iii) the application does not include any amounts which the prime contractor intends to withhold or retain from a subcontractor or supplier in accordance with the terms and conditions of their subcontract.

(c) A contract for the procurement of subsistence items that is entered into under the prime vendor program of the Defense Logistics Agency may specify for the purposes of section 3902 of this title a single required payment date that is to be applicable to an invoice for subsistence items furnished under the contract when more than one payment due date would otherwise be applicable to the invoice under the regulations prescribed under paragraphs (2), (3), and (4) of subsection (a) or under any other provisions of law. The required payment date specified in the contract shall be consistent with prevailing industry practices for the subsistence items, but may not be more than 10 days after the date of receipt of the invoice or the certified date of receipt of the items. The Director of the Office of Management and Budget shall provide in the regulations under subsection (a) that when a required payment date is so specified for an invoice, no other payment due date applies to the invoice.

(A) compute the interest which a contractor shall be obligated to pay under sections 3905(a)(2) and 3905(e)(6) of this title on the basis of the average bond equivalent rates of 91-day Treasury bills auctioned at the most recent auction of such bills prior to the date the contractor received the unearned amount; and

(B) deduct the interest amount determined under subparagraph (A) of this paragraph from the next available payment to the contractor.

(2) Amounts deducted from payments to contractors under paragraph (1)(B) shall revert to the Treasury.

In the section, before clause (1), the words "The Director of the Office of Management and Budget shall prescribe regulations to carry out section 3902 of this title" are added because of the restatement. In clause (1)(A), the words "the terms of" are omitted as surplus. In clause (1)(B), the words "of the payment" are omitted as surplus.

AMENDMENTS

1988—Pub. L. 100–496 inserted after first sentence of the preceding sentence, the specified time shall be determined from the date of the invoice."

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100–496 applicable to payments under contracts awarded, contracts renewed, and contract options exercised during or after the first fiscal quarter which begins more than 90 days after Oct. 17, 1988, see section 14(a) of Pub. L. 100–496, set out as a note under section 3902 of this title.

§ 3905. Payment provisions relating to construction contracts

(a) In the event that a contractor, after making a certified payment request to an agency pursuant to section 3903(b) of this title, discovers that a portion or all of such payment request constitutes a payment for performance by such contractor that fails to conform to the specifications, terms, and conditions of its contract (hereafter in this subsection referred to as the "unearned amount"), then the contractor shall—

1. notify the agency of such performance deficiency; and
2. be obligated to pay the Government an amount equal to interest on the unearned amount (computed in the manner provided in section 3903(c) of this title), from the date of the contractor's receipt of such unearned amount until—

(A) the date the contractor notifies the agency that the performance deficiency has been corrected; or
(B) the date the contractor reduces the amount of any subsequent certified application for payment to such agency by an amount equal to the unearned amount.

(b) Each construction contract awarded by an agency shall include a clause that requires the prime contractor to include in each subcontract for property or services entered into by the prime contractor and a subcontractor (including a material supplier) for the purpose of performing such construction contract—

1. a payment clause which obligates the prime contractor to pay the subcontractor for satisfactory performance under its subcontract within 7 days out of such amounts as are paid to the prime contractor by the agency under such contract; and
2. an interest penalty clause which obligates the prime contractor to pay to the subcontractor an interest penalty on amounts due in the case of each payment not made in accordance with the payment clause included in the subcontract pursuant to paragraph (1) of this subsection—

(A) for the period beginning on the day after the required payment date and ending on the date on which payment of the amount due is made; and
(B) computed at the rate specified by section 3902(a) of this title.

(c) The construction contract awarded by the agency shall further require the prime contractor to include in each of its subcontracts (for the purpose of performance of such construction contract) a provision requiring the subcontractor to include a payment clause and an interest penalty clause conforming to the standards of
subsection (b) of this section in each of its subcontracts and to require each of its subcontractors to include such clauses in their subcontracts with each lower-tier subcontractor or supplier.

d) The clauses required by subsections (b) and (c) of this section shall not be construed to impair the right of a prime contractor or a subcontractor at any tier to negotiate, and to include in their subcontract, provisions which—

(1) permit the prime contractor or a subcontractor to retain (without cause) a specified percentage of each progress payment otherwise due to a subcontractor for satisfactory performance under the subcontract, without incurring any obligation to pay a late payment interest penalty, in accordance with terms and conditions agreed to by the parties to the subcontract, giving such recognition as the parties deem appropriate to the ability of a subcontractor to furnish a performance bond and a payment bond.

(2) permit the contractor or subcontractor to make a determination that part or all of the subcontractor’s request for payment may be withheld in accordance with the subcontract agreement; and

(3) permit such withholding without incurring any obligation to pay a late payment penalty if—

(A) a notice conforming to the standards of subsection (g) of this section has been previously furnished to the subcontractor; and

(B) a copy of any notice issued by a prime contractor pursuant to subparagraph (A) of this paragraph has been furnished to the Government.

(e) If a prime contractor, after making application to an agency for payment under a contract but before making a payment to a subcontractor for the subcontractor’s performance covered by such application, discovers that all or a portion of the payment otherwise due such subcontractor is subject to withholding from the subcontractor in accordance with the subcontract agreement, then the prime contractor shall—

(1) furnish to the subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon ascertaining the cause giving rise to a withholding, but prior to the due date for subcontractor payment;

(2) furnish to the Government, as soon as practicable, a copy of the notice furnished to the subcontractor pursuant to paragraph (1) of this subsection;

(3) reduce the subcontractor’s progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph (1) of this subsection;

(4) pay the subcontractor as soon as practicable after the correction of the identified subcontract performance deficiency, and—

(A) make such payment within—

(i) 7 days after correction of the identified subcontract performance deficiency (unless the funds therefor must be recovered from the Government because of a reduction under paragraph (5)(A)); or

(ii) 7 days after the contractor recovers such funds from the Government; or

(B) incur an obligation to pay a late payment interest penalty computed at the rate specified by section 3902(a) of this title;

(5) notify the Government, upon—

(A) reduction of the amount of any subsequent certified application for payment; or

(B) payment to the subcontractor of any withheld amounts of a progress payment, specifying—

(i) the amounts of the progress payments withheld under paragraph (1) of this subsection; and

(ii) the dates that such withholding began and ended; and

(f) If a prime contractor, after making payment to a first-tier subcontractor, receives from a supplier or subcontractor of the first-tier subcontractor (hereafter referred to as a “second-tier subcontractor”) a written notice in accordance with section 3133(b) of title 40, asserting a deficiency in such first-tier subcontractor’s performance under the contract for which the prime contractor may be ultimately liable, and the prime contractor determines that all or a portion of future payments otherwise due such first-tier subcontractor is subject to withholding in accordance with the subcontract agreement, then the prime contractor may, without incurring an obligation to pay a late payment penalty under subsection (e)(6) of this section—

(A) furnish to the second-tier subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon making such determination; and

(B) withhold from the second-tier subcontractor’s next available progress payment or payments an amount not to exceed the amount specified in the notice of withholding furnished under subparagraph (A) of this paragraph.

(2) As soon as practicable, but not later than 7 days after receipt of satisfactory written notification that the identified subcontract performance deficiency has been corrected, the prime contractor shall pay the amount withheld under paragraph (1)(B) of this subsection to such first-tier subcontractor, or shall incur an obligation to pay a late payment interest penalty to such first-tier subcontractor computed at the rate specified by section 3902(a) of this title.

(g) A written notice of any withholding shall be issued to a subcontractor (with a copy to the Government of any such notice issued by a prime contractor), specifying—

(1) the amount to be withheld;

(2) the specific causes for the withholding under the terms of the subcontract; and

(3) the remedial actions to be taken by the subcontractor in order to receive payment of the amounts withheld.
(h) A prime contractor may not request payment from the agency of any amount withheld or retained in accordance with subsection (d) of this section until such time as the prime contractor has determined and certified to the agency that the subcontractor is entitled to the payment of such amount.

(i) A dispute between a contractor and subcontractor relating to the amount or entitlement of a subcontractor to a payment or a late payment interest penalty under a clause included in the subcontract pursuant to subsection (b) or (c) of this section does not constitute a dispute to which the United States is a party. The United States may not be interleaded in any judicial or administrative proceeding involving such a dispute.

(j) Except as provided in subsection (i) of this section, this section shall not limit or impair any contractual, administrative, or judicial remedies otherwise available to a contractor or a subcontractor in the event of a dispute involving late payment or nonpayment by a prime contractor or deficient subcontract performance or nonperformance by a subcontractor.

(k) A contractor’s obligation to pay an interest penalty to a subcontractor pursuant to the clauses included in a subcontract under subsection (b) or (c) of this section may not be construed to be an obligation of the United States for such interest penalty. A contract modification may not be made for the purpose of providing reimbursement of such interest penalty. A cost reimbursement claim may not include any amount for reimbursement of such interest penalty.
