In such cases the agency of original jurisdiction shall promptly notify all parties in interest at the last known address of the action taken, expressly inviting attention to the fact that notice of disagreement will not be entertained unless filed within the sixty-day period prescribed by this subsection.

(b) Upon the filing of a notice of disagreement, all parties in interest will be furnished with a statement of the case in the same manner as is prescribed in section 7105. The party in interest who filed a notice of disagreement will be allowed thirty days from the date of mailing of such statement of the case in which to file a formal appeal. Extension of time may be granted for good cause shown but with consideration to the interests of the other parties involved. The substance of the appeal will be communicated to the other party or parties in interest and a period of thirty days will be allowed for filing a brief or argument in answer thereto. Such notice shall be forwarded to the last known address of record of the parties concerned, and such action shall constitute sufficient evidence of notice.

§ 7107. Appeals; dockets; hearings

(a)(1) Except as provided in paragraphs (2) and (3) and in subsection (f), each case received pursuant to application for review on appeal shall be considered and decided in regular order according to its place upon the docket.

(2) A case referred to in paragraph (1) may, for cause shown, be advanced on motion for earlier consideration and determination. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(A) if the case involves interpretation of law of general application affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(3) A case referred to in paragraph (1) may be postponed for later consideration and determination if such postponement is necessary to afford the appellant a hearing.

(b) The Board shall decide any appeal only after affording the appellant an opportunity for a hearing.

(c) A hearing docket shall be maintained and formal recorded hearings shall be held by such member or members of the Board as the Chairman may designate. Such member or members designated by the Chairman to conduct the hearing shall, except in the case of a reconsideration of a decision under section 7103 of this title, participate in making the final determination of the claim.

(d)(1) An appellant may request that a hearing before the Board be held at its principal location or at a facility of the Department located within the area served by a regional office of the Department.

(2) A hearing to be held within an area served by a regional office of the Department shall (except as provided in paragraph (3)) be scheduled to be held in accordance with the place of the case on the docket under subsection (a) relative to other cases on the docket for which hearings are scheduled to be held within that area.

(3) A hearing to be held within an area served by a regional office of the Department may, for

cause shown, be advanced on motion for an earlier hearing. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(A) if the case involves interpretation of law of general application affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(e)(1) At the request of the Chairman, the Secretary may provide suitable facilities and equipment to the Board or other components of the Department to enable an appellant located at a facility within the area served by a regional office to participate, through voice transmission or through picture and voice transmission, by electronic or other means, in a hearing with a Board member or members sitting at the Board's principal location.

(2) When such facilities and equipment are available, the Chairman may afford the appellant an opportunity to participate in a hearing before the Board through the use of such facilities and equipment in lieu of a hearing held by personally appearing before a Board member or panel as provided in subsection (d). Any such hearing shall be conducted in the same manner as, and shall be considered the equivalent of, a personal hearing. If the appellant declines to participate in a hearing through the use of such facilities and equipment, the opportunity of the appellant to a hearing as provided in such subsection (d) shall not be affected.

(f) Nothing in this section shall preclude the screening of cases for purposes of—

(1) determining the adequacy of the record for decisional purposes; or

(2) the development, or attempted development, of a record found to be inadequate for decisional purposes.
