"(2) During World War II, Filipinos served in a variety of units, some of which came under the direct control of the United States Armed Forces.

"(3) The regular Philippine Scouts, the guerrilla Services, and more than 100,000 members of the Philippine Commonwealth Army were called into the service of the United States Armed Forces of the Far East on July 26, 1941, by an executive order of President Franklin D. Roosevelt.

"(4) Even after hostilities had ceased, wartime service of the new Philippine Scouts continued as a matter of law until the end of 1946, and the force gradually disbanded and was disestablished in 1950.

"(5) Filipino veterans who were granted benefits prior to the enactment of the so-called Rescissions Acts of 1946 (Public Laws 79–301 [60 Stat. 6] and 79–391 [60 Stat. 221]) currently receive full benefits under laws administered by the Secretary of Veterans Affairs, but under section 107 of title 38, United States Code, the service of certain other Filipino veterans is deemed not to be active service for purposes of such laws.

"(6) These other Filipino veterans only receive certain benefits under title 38, United States Code, and,
depending on where they legally reside, are paid such benefit amounts at reduced rates.

"(7) The benefits such veterans receive include service-connected compensation benefits paid under chapter 11 of title 38, United States Code, dependency indemnity compensation survivor benefits paid under chapter 13 of title 38, United States Code, and burial benefits under chapters 23 and 24 of title 38, United States Code, and such benefits are paid to beneficiaries at the rate of $0.50 per dollar authorized, unless they lawfully reside in the United States.

"(8) Dependent's educational assistance under chapter 33 of title 38, United States Code, is also payable for the dependents of such veterans at the rate of $0.50 per dollar authorized, regardless of the veterans' residency.

"(b) Compensation fund.—

"(1) In General.—There is in the general fund of the Treasury a fund to be known as the "Philippine Veterans Equity Compensation Fund" (in this section referred to as the "compensation fund").

"(2) Availability of funds.—Subject to the availability of appropriations for such purpose, amounts in the fund shall be available to the Secretary of Veterans Affairs without fiscal year limitation to make payments to eligible persons in accordance with this section.

"(c) Payments.—

"(1) In General.—The Secretary may make a payment from the compensation fund to an eligible person who, during the one-year period beginning on the date of enactment of this Act [Feb. 17, 2009], submits to the Secretary a claim for benefits under this section.

"(2) Payment to surviving spouse.—If an eligible person who has filed a claim for benefits under this section dies before payment is made under this section, the payment under this section shall be made instead to the surviving spouse, if any, of the eligible person.

"(d) Eligible persons.—An eligible person is any person who—

"(1) as served—

"(B) in the Philippine Scouts under section 14 of title 10, United States Code, enacted section 637 of former Title 10, Army and Air Force; and

"(2) was discharged or released from service described in paragraph (1) under conditions other than dishonorable.

"(g) Clarification of treatment of payments under certain laws.—Amounts paid to a person under this section—

(2) In order to assist the Secretary in making a determination of proper service eligibility under this subsection, each applicant for the benefits thereof shall furnish an authenticated certification from the French Ministry of Defense or the British War Office as to records in either such Office which clearly indicate military service of the applicant in the Czechoslovakian or Polish armed forces and subsequent service in or with the armed forces of France or Great Britain during the period of World War I or World War II.

§ 111. Payments or allowances for beneficiary travel

(a) Under regulations prescribed by the President pursuant to the provisions of this section, the Secretary may pay the actual necessary expense of travel (including lodging and subsistence) or in lieu thereof an allowance based upon mileage (at a rate of 41.5 cents per mile), of any person to or from a Department facility or other place in connection with vocational rehabilitation, counseling required by the Secretary pursuant to chapter 34 or 35 of this title, or to or for the following persons for travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(b) A veteran whose travel to a Department facility is medically required and is authorized by the Secretary before the travel begins, or (i) the travel by such mode is in connection with a medical emergency of such a nature that the delay incident to obtaining authorization from the Secretary to use that mode of travel would have been hazardous to the person's life or health.

(c) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(1) Except as provided in subsection (c) of this section and notwithstanding subsection (g)(2)(A) of this section or any other provision of law, if, with respect to any fiscal year, the Secretary exercises the authority under this section to make any payments, the Secretary shall make the payments provided for in this section to or for the following persons for travel during such fiscal year for examination, treatment, or care for which the person is eligible:

(A) A veteran whose travel is in connection with treatment or care for a service-connected disability.

(B) A veteran with a service-connected disability rated at 20 percent or more.

(C) A veteran receiving pension under section 1521 of this title.

(D) A veteran (i) who is not traveling by air and whose annual income (as determined under section 1503 of this title) does not exceed the maximum annual rate of pension which would be payable to such veteran if such veteran were eligible for pension under section 1521 of this title, or (ii) who is determined, under regulations prescribed by the Secretary, to be unable to defray the expenses of the travel for which payment under this section is claimed.

(E) Subject to paragraph (3) of this subsection, a veteran or other person whose travel to or from a Department facility is medically required to be performed by a special mode of travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(F) A veteran whose travel to a Department facility is incident to a scheduled compensation and pension examination.

(2) The Secretary may make payments provided for in this section to or for any person not covered by paragraph (1) of this subsection for travel by such person for examination, treatment, or care. Such payments shall be made in accordance with regulations which the Secretary shall prescribe.

(3) (A) Except as provided in subparagraph (B) of this paragraph, the Secretary shall not make payments under this section for travel performed by a special mode of travel unless (i) the travel by such mode is medically required and is authorized by the Secretary before the travel begins, or (ii) the travel by such mode is in connection with a medical emergency of such a nature that the delay incident to obtaining authorization from the Secretary to use that mode of travel would have been hazardous to the person's life or health.

(B) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(C) In the case of transportation of a person under subparagraph (B) by ambulance, the Secretary may pay the provider of the transportation the lesser of the actual charge for the...
transportation or the amount determined by the fee schedule established under section 1834(l) of the Social Security Act (42 U.S.C. 1395l(l))\(^2\) unless the Secretary has entered into a contract for that transportation with the provider.

In determining for purposes of subsection (a) whether travel by air is the only practical way for a veteran to reach a Department facility, the Secretary shall consider the medical condition of the veteran and any other impediments to the use of ground transportation by the veteran.

(c)(1) Except as otherwise provided in this subsection, the Secretary, in making a payment under this section to or for a person described in subparagraph (A), (B), (C), or (D) of subsection (b)(1) of this section for travel for examination, treatment, or care, shall deduct from the amount otherwise payable an amount equal to $3 for each one-way trip.

(2) In the case of a person who is determined by the Secretary to be a person who is required to make six or more one-way trips for needed examination, treatment, or care during the remainder of the calendar month in which the determination is made or during any subsequent calendar month during the one-year period following the last day of the month in which the determination is made, the amount deducted by the Secretary pursuant to paragraph (1) of this subsection from payments for trips made to or from such facility during any such month shall not exceed $18.

(3) No deduction shall be made pursuant to paragraph (1) of this subsection in the case of a person whose travel to or from a Department facility is performed by a special mode of travel for which payment under this section is authorized under subsection (b)(3) of this section.

(4) The Secretary may waive the deduction requirement of paragraph (1) of this subsection in the case of the travel of any veteran for whom the imposition of the deduction would cause severe financial hardship. The Secretary shall prescribe in regulations the conditions under which a finding of severe financial hardship is warranted for purposes of this paragraph.

(d) Payment of the following expenses or allowances in connection with vocational rehabilitation, counseling, or upon termination of examination, treatment, or care, may be made before the completion of travel:

(1) The mileage allowance authorized by subsection (a) of this section.

(2) Actual local travel expenses.

(3) The expense of hiring an automobile or ambulance, or the fee authorized for the services of a nonemployee attendant.

(e)(1) Except as provided in paragraph (2), when any person entitled to mileage under this section requires an attendant (other than an employee of the Department) in order to perform such travel, the attendant may be allowed expenses of travel upon the same basis as such person.

(2)(A) Without regard to whether an eligible veteran entitled to mileage under this section for travel to a Department facility for the purpose of medical examination, treatment, or care requires an attendant in order to perform such travel, an attendant of such veteran described in subparagraph (B) may be allowed expenses of travel (including lodging and subsistence) upon the same basis as such veteran during—

(i) the period of time in which such veteran is traveling to and from a Department facility for the purpose of medical examination, treatment, or care; and

(ii) the duration of the medical examination, treatment, or care episode for such veteran.

(B) An attendant of a veteran described in this subparagraph is a provider of personal care services for such veteran who is approved under paragraph (6) of section 1720G(a) of this title or designated under paragraph (7) of such section 1720G(a).

(C) The Secretary may prescribe regulations to carry out this paragraph. Such regulations may include provisions—

(i) to limit the number of attendants that may receive expenses of travel under this paragraph for a single medical examination, treatment, or care episode of an eligible veteran; and

(ii) to require such attendants to use certain travel services.

(D) In this subsection, the term “eligible veteran” has the meaning given that term in section 1720G(a)(2) of this title.

(f) The Secretary may provide for the purchase of printed reduced-fare requests for use by veterans and their authorized attendants when traveling at their own expense to or from any Department facility.

(g)(1) Beginning one year after the date of the enactment of the Caregivers and Veterans Omnibus Health Services Act of 2010, the Secretary may adjust the mileage rate described in subsection (a) to be equal to the mileage reimbursement rate for the use of privately owned vehicles by Government employees on official business (when a Government vehicle is available), as prescribed by the Administrator of General Services under section 5707(b) of title 5.

(2) If an adjustment in the mileage rate under paragraph (1) results in a lower mileage rate than the mileage rate otherwise specified in subsection (a), the Secretary shall, not later than 60 days before the date of the implementation of the mileage rate as so adjusted, submit to Congress a written report setting forth the adjustment in the mileage rate under this subsection, together with a justification for the decision to make the adjustment in the mileage rate under this subsection.

(h) The Secretary, in consultation and coordination with the Secretary of Transportation and appropriate representatives of veterans service organizations, shall take all appropriate steps to facilitate the establishment and maintenance of a program under which such organizations, or individuals who are volunteering their services to the Department, would take responsibility for the transportation, without reimbursement from the Department, to Department facilities of veterans (primarily those residing in areas which are geographically accessible to such facilities) who seek services or benefits from the
Department under chapter 17 or other provisions of this title.

§ 114

Multiyear procurement

(a) The Secretary may enter into a multiyear contract for the procurement of supplies or services if the Secretary makes each of the following determinations:

(1) Appropriations are available for obligations that are necessary for total payments that would be required during the fiscal year in which the contract is entered into, plus the estimated amount of any cancellation charge payable under the contract.

(2) The contract is in the best interest of the United States by reason of the effect that use of a multiyear, rather than one-year, contract would have in—

(A) reducing costs;

(B) achieving economies in contract administration or in any other Department activities;

(C) increasing quality of performance by or service from the contractors; or

(D) encouraging effective competition.

(3) During the proposed contract period—

(A) there will be a continuing or recurring need for the supplies or services being procured;

(B) there is not a substantial likelihood of substantial changes in the need for such supplies or services in terms of the total quantity of such supplies or services or of the rate of delivery of such supplies or services; and

(C) the specifications for the supplies or services are expected to be reasonably stable.

(4) The risks relating to the prospective contractor's ability to perform in accordance with the specifications and other terms of the contract are not excessive.

(5) The use of a multiyear contract will not inhibit small business concerns in competing for the contract.

(6) In the case of the procurement of a pharmaceutical item for which a patent has expired less than four years before the date on which the solicitation of offers is issued, there is no substantial likelihood that increased competition among potential contractors would occur during the term of the contract as the result of the availability of generic equivalents increasing during the term of the contract.

(b)(1) A multiyear contract authorized by this section shall contain—

(A) a provision that the obligation of the United States under the contract during any fiscal year which is included in the contract period and is subsequent to the fiscal year during which the contract is entered into is contingent on the availability of sufficient appropriations (as determined by the Secretary pursuant to paragraph (2)(A) of this subsection) if, at the time the contract is entered into, appropriations are not available to cover the total estimated payments that will be required during the full term of the contract; and

(B) notwithstanding section 1502(a) of title 31, a provision for the payment of reasonable cancellation charges to compensate the contractor for nonrecurring, unrecovered costs, if any, if the performance is cancelled pursuant to the provision required by subparagraph (A) of this paragraph.

(2)(A) If, during a fiscal year after the fiscal year during which a multiyear contract is entered into under this section, the Secretary determines that, in light of other funding needs involved in the operation of Department programs, the amount of funds appropriated for such subsequent fiscal year is not sufficient for such contract, the Secretary shall cancel such contract pursuant to the provisions required by paragraph (1)(A) of this subsection.

(B) Cancellation charges under a multiyear contract shall be paid from the appropriated funds which were originally available for performance of the contract or the payment of cancellation costs unless such funds are not available in an amount sufficient to pay the entire amount of the cancellation charges payable under the contract. In a case in which such funds are not available in such amount, funds
available for the procurement of supplies and services for use for the same purposes as the supplies or services procured through such contract shall be used to the extent necessary to pay such cost.

(c) Nothing in this section shall be construed so as to restrict the Secretary’s exercise of the right to terminate for convenience a contract under any other provision of law which authorizes multiyear contracting.

(d) The Secretary shall prescribe regulations for the implementation of this section.

(e) For the purposes of this section:

(1) The term “appropriations” has the meaning given that term in section 1511 of title 31.

(2) The term “multiyear contract” means a contract which by its terms is to remain in effect for a period which extends beyond the end of the fiscal year during which the contract is entered into but not beyond the end of the fourth fiscal year following such fiscal year. Such term does not include a contract for construction or for a lease of real property.

(3) The term “nonrecurring, unrecovered costs” means those costs reasonably incurred by the contractor in performing a multiyear contract which (as determined under regulations prescribed under subsection (d) of this section) are generally incurred on a one-time basis.

“(2) The United States Olympic Committee manages and administers the Paralympic Program for physically disabled athletes.

“(3) The Department of Veterans Affairs provides health care to veterans and administers recreational activities for patients including the Golden Age Games, the National Veterans Wheelchair Games, and the Winter Sports Clinic.

§ 1116. Presumptions of service connection for diseases associated with exposure to certain herbicide agents; presumption of exposure for veterans who served in the Republic of Vietnam

(a)(1) For the purposes of section 1110 of this title, and subject to section 1113 of this title—
(A) a disease specified in paragraph (2) of this subsection becoming manifest as specified in that paragraph in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975; and
(B) each additional disease (if any) that (i) the Secretary determines in regulations prescribed under this section warrants a presumption of service-connection by reason of having positive association with exposure to an herbicide agent, and (ii) becomes manifest within the period (if any) prescribed in such regulations in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and while so serving was exposed to that herbicide agent,

shall be considered to have been incurred in or aggravated by such service, notwithstanding that there is no record of evidence of such disease during the period of such service.

(2) The diseases referred to in paragraph (1)(A) of this subsection are the following:
(A) Non-Hodgkin's lymphoma becoming manifest to a degree of disability of 10 percent or more.
(B) Each soft-tissue sarcoma becoming manifest to a degree of disability of 10 percent or more other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma.
(C) Chloracne or another acneform disease consistent with chloracne becoming manifest to a degree of disability of 10 percent or more within one year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(D) Hodgkin’s disease becoming manifest to a degree of disability of 10 percent or more.

(E) Porphyria cutanea tarda becoming manifest to a degree of disability of 10 percent or more within a year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(F) Respiratory cancers (cancer of the lung, bronchus, larynx, or trachea) becoming manifest to a degree of disability of 10 percent or more.

(G) Multiple myeloma becoming manifest to a degree of disability of 10 percent or more.

(H) Diabetes Mellitus (Type 2).

(3) For purposes of this section, the term “herbicide agent” means a chemical in an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(b) Whenever the Secretary determines, on the basis of sound medical and scientific evidence, that a positive association exists between (A) the exposure of humans to an herbicide agent during that service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and (B) the occurrence of a disease in humans, the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for that disease for the purposes of this section.

(2) In making determinations for the purpose of this subsection, the Secretary shall take into account (A) reports received by the Secretary from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, and (B) all other sound medical and scientific information and analyses available to the Secretary. In evaluating any study for the purpose of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of a disease in humans and exposure to an herbicide agent shall be considered to be positive for the purposes of this section if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1)(A) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, the Secretary shall determine whether a presumption of service connection is warranted for each disease covered by the report. If the Secretary determines that such a presumption is warranted, the Secretary, not later than 60 days after making the determination, shall issue proposed regulations setting forth the Secretary’s determination.

(B) If the Secretary determines that a presumption of service connection is not warranted, the Secretary, not later than 60 days after making the determination, shall publish in the Federal Register a notice of that determination. The notice shall include an explanation of the scientific basis for that determination. If the disease already is included in regulations providing for a presumption of service connection, the Secretary, not later than 60 days after publication of the notice of a determination that the presumption is not warranted, shall issue proposed regulations removing the presumption for the disease.

(2) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever a disease is removed from regulations prescribed under this section—

(1) a veteran who was awarded compensation for such disease on the basis of the presumption provided in subsection (a) before the effective date of the removal shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation on such basis shall continue to be entitled to receive dependency and indemnity compensation on such basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2015.

(f) For purposes of establishing service connection for a disability or death resulting from exposure to a herbicide agent, including a presumption of service-connection under this section, a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, shall be presumed to have been exposed during such service to an herbicide agent containing dioxin or 2,4-dichlorophenoxyacetic acid, and may be presumed to have been exposed during such service to any other chemical compound in an herbicide agent, unless there is affirmative evidence to establish that the veteran was not exposed to any such agent during that service.

Amendment by Pub. L. 104-275 effective Jan. 1, 1997, with no benefit to be paid or provided by reason of such amendment for any period before such date, see section 505(d)(1) of Pub. L. 104-275, set out as a note under section 101 of this title.

REPORT ON TIME LIMIT FOR PRESCRIPTION OF CANCER CAUSED BY HERBICIDE AGENT

"(2) The Secretary of Veterans Affairs shall enter into a contract with the National Academy of Sciences, not later than six months after the date of the enactment of this Act [Dec. 27, 2001], for the performance of a study to include a review of all available scientific literature on the effects of exposure to an herbicide agent containing dioxin or other chemical compounds in herbicides and after which a presumption of service-connection for such exposure would not be warranted. Under the contract, the National Academy of Sciences shall submit a report to the Secretary setting forth its conclusions. The report shall be submitted not later than 18 months after the contract is entered into.

"(3) For a period of six months beginning on the date of the receipt of the report of the National Academy of Sciences under paragraph (2), the Secretary may, if warranted by clear scientific evidence presented in the National Academy of Sciences report, initiate a rule-making under which the Secretary would specify a limit on the number of years after a claimant’s departure from Vietnam after which respiratory cancers would not be presumed to have been associated with the claimant’s exposure to herbicides while serving in Vietnam. Any such limit under such a rule may not take effect until 120 days have passed after the publication of a final rule to impose such a limit.

"(4)(A) Subject to subparagraphs (B) and (C), if the Secretary imposes such a limit under paragraph (3), that limit shall be effective only as to claims filed on or after the effective date of that limit.

"(B) In the case of any veteran whose disability or death due to respiratory cancer is found by the Secretary to be service-connected under section 1116(a)(2)(F) of title 38, United States Code, as amended by paragraph (1), such disability or death shall remain service-connected for purposes of all provisions of law under such title notwithstanding the imposition, if any, of a time limit by the Secretary by rulemaking authorized under paragraph (3).

"(C) Subparagraph (a)(2)(F) does not apply in a case in which—

"(i) the original award of compensation or service connection was based on fraud; or

"(ii) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge.

AGREEMENT WITH NATIONAL ACADEMY OF SCIENCES

"(a) PURPOSE.—The purpose of this section is to provide for the National Academy of Sciences, an independent nonprofit scientific organization with appropriate expertise which is not part of the Federal Government, to review and evaluate the available scientific evidence regarding associations between disease and exposure to dioxin and other chemical compounds in herbicides.

"(b) AGREEMENT.—The Secretary shall seek to enter into an agreement with the National Academy of Sciences for the Academy to perform the services covered by this section. The Secretary shall seek to enter into such agreement not later than two months after the date of the enactment of the Veterans’ Benefits Programs Improvement Act of 1991 [Aug. 14, 1991].

"(c) REVIEW OF SCIENTIFIC EVIDENCE.—Under an agreement between the Secretary and the National Academy of Sciences under this section, the Academy shall review and summarize the scientific evidence, and assess the strength thereof, concerning the association between exposure to an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the Vietnam era and each disease suspected to be associated with such exposure.

"(d) SCIENTIFIC DETERMINATIONS CONCERNING DISEASES.—(1) For each disease reviewed, the Academy shall determine (to the extent that available scientific data permit meaningful determinations)—

"(A) whether a statistical association with herbicide exposure exists, taking into account the strength of the scientific evidence and the appropriateness of the statistical and epidemiological methods used to detect the association;

"(B) the increased risk of the disease among those exposed to herbicides during service in the Republic of Vietnam during the Vietnam era; and
“(C) whether there exists a plausible biological mechanism or other evidence of a causal relationship between herbicide exposure and the disease.

The Academy shall include in its reports under subsection (g) a full discussion of the scientific evidence and reasoning that led to its conclusions under this subsection.

(e) RECOMMENDATIONS FOR ADDITIONAL SCIENTIFIC STUDIES.—The Academy shall make any recommendations it has for additional scientific studies to resolve areas of continuing scientific uncertainty relating to herbicide exposure. In making recommendations for further study, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from additional studies, and the cost and feasibility of carrying out such additional studies.

(1) SUBSEQUENT REVIEWS.—An agreement under section (b) shall require the National Academy of Sciences

“(1) to conduct as comprehensive a review as is practicable of the evidence referred to in subsection (c) that became available since the last review of such evidence under this section; and

“(2) to make its determinations and estimates on the basis of the results of such review and all other relevant matter the purposes of this section.

“(g) REPORTS.—(1) The agreement between the Secretary and the National Academy of Sciences shall require the Academy to transmit to the Secretary and the Committees on Veterans’ Affairs of the Senate and House of Representatives periodic written reports regarding the Academy’s activities under the agreement. Such reports shall be submitted at least once every two years (as measured from the date of the first report).

“(2) The first report under this subsection shall be transmitted not later than the end of the 18-month period beginning on the date of the enactment of this Act [Feb. 6, 1991]. That report shall include (A) the determinations and discussion referred to in subsection (d), (B) any recommendations of the Academy under subsection (e), and (C) the recommendation of the Academy as to whether the provisions of each of sections 6 through 9 [set out below] should be implemented by the Secretary. In making its recommendation with respect to each such section, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from implementing that section, and the cost and feasibility of implementing that section. If the Academy recommends that the provisions of section 6 should be implemented, the Academy shall also recommend the means by which clinical data referred to in such section could be maintained in the most scientifically useful way.

“(h) LIMITATION ON AUTHORITY.—The authority to enter into agreements under this section shall be effective for a fiscal year to the extent that appropriations are available.

“(i) SUNSET.—This section shall cease to be effective on October 1, 2014.

(3) ALTERNATIVE CONTRACT SCIENTIFIC ORGANIZATION.—If the Secretary is unable within the time period prescribed in subsection (b) to enter into an agreement with the National Academy of Sciences for the purposes of this section on terms acceptable to the Secretary, the Secretary shall seek to enter into an agreement for the purposes of this section with another appropriate scientific organization that is not part of the Government and operates as a not-for-profit entity and that has expertise and objectivity comparable to that of the National Academy of Sciences. If the Secretary enters into such an agreement with another organization, the provisions of such agreement shall take effect for the period beginning on the date of the enactment of this Act [Feb. 6, 1991].

(3) LIABILITY INSURANCE.—(1) The Secretary may provide liability insurance for the National Academy of Sciences or any other contract scientific organization to cover any claim for money damages for injury, loss of property, personal injury, or death caused by any negligent or wrongful act or omission of any person referred to in paragraph (2) in carrying out any of the following responsibilities of the Academy or such other organization, as the case may be, under an agreement entered into with the Secretary pursuant to this section:

“(A) The review, summarization, and assessment of scientific evidence referred to in subsection (c);

“(B) The making of any determination, on the basis of such review and assessment, regarding the matters set out in clauses (A) through (C) of subsection (d)(1), and the preparation of the discussion referred to in subsection (d)(2).

“(C) The making of any recommendation for additional scientific study under subsection (e).

“(D) The conduct of any subsequent review referred to in subsection (i) and the making of any determination or estimate referred to in such subsection.

“(E) The preparation of the reports referred to in subsection (g).

“(2) A person referred to in paragraph (1) is—

“(a) an employee of the National Academy of Sciences or other contract scientific organization referred to in paragraph (1); or

“(b) any individual appointed by the President of the Academy or the head of such other contract scientific organization, as the case may be, to carry out any of the responsibilities referred to in such paragraph.

“(3) The cost of the liability insurance referred to in paragraph (1) shall be made from funds available to carry out this section.

“(4) The Secretary shall reimbursethe Academy or person referred to in paragraph (2) for the cost of any judgments (if any) and reasonable attorney’s fees and incidental expenses, not compensated by the liability insurance referred to in paragraph (1) or by any other insurance maintained by the Academy, incurred by the Academy or person referred to in paragraph (2) in connection with any legal or administrative proceedings arising out of or in connection with the work to be performed under the agreement referred to in paragraph (1). § 1117. Compensation for disabilities occurring in Persian Gulf War veterans

(a)(1) The Secretary may pay compensation under this subchapter to a Persian Gulf veteran with a qualifying chronic disability that became manifest—

(A) during service on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; or

(B) to a degree of 10 percent or more during the presumptive period prescribed under subsection (b).

(2) For purposes of this subsection, the term "qualifying chronic disability" means a chronic disability resulting from any of the following (or any combination of any of the following):

(A) An undiagnosed illness.

(B) A medically unexplained chronic multisymptom illness (such as chronic fatigue syndrome, fibromyalgia, and irritable bowel syndrome) that is defined by a cluster of signs or symptoms.

(C) Any diagnosed illness that the Secretary determines in regulations prescribed under subsection (d) warrants a presumption of service-connection.

(b) The Secretary shall prescribe by regulation the period of time following service in the Southwest Asia theater of operations during the Persian Gulf War that the Secretary determines is appropriate for presumption of service connection for purposes of this section. The Secretary's determination of such period of time shall be made following a review of any available credible medical or scientific evidence and the historical treatment afforded disabilities for which manifestation periods have been established and shall take into account other pertinent circumstances regarding the experiences of veterans of the Persian Gulf War.

(c)(1) Whenever the Secretary determines under section 1118(c) of this title that a presumption of service connection previously established under this section is no longer warranted—

(A) a veteran who was awarded compensation under this section on the basis of the presumption shall continue to be entitled to receive compensation under this section on that basis; and

(B) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the disease on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(2) This subsection shall cease to be effective on September 30, 2011.

(h)(1) If the Secretary determines with respect to a medical research project sponsored by the Department that it is necessary for the conduct of the project that Persian Gulf veterans in receipt of compensation under this section or section 1118 of this title participate in the project without the possibility of loss of service connection under either such section, the Secretary shall provide that service connection granted under either such section for disability of a veteran who participated in the research project may not be terminated. Except as provided in paragraph (2), notwithstanding any other provision of law any grant of service-connection protected under this subsection shall remain service-connected for purposes of all provisions of law under this title.

"(E) in any case where information about exposure levels is available, whether the evidence indicates that the levels of exposure of the studied populations were of the same magnitude as the estimated likely exposures of veterans described in subsection (c)(1); and

"(F) whether there is an increased risk of illness among veterans described in subsection (c)(1) in comparison with appropriate peer groups.

"(2) The Academy shall include in its reports under subsection (h) a full discussion of the scientific evidence and reasoning that led to its conclusions under this subsection.

"(f) RECOMMENDATIONS FOR ADDITIONAL SCIENTIFIC STUDIES.—(1) Under the agreement under subsection
(b), the National Academy of Sciences shall make any recommendations that it considers appropriate for additional scientific studies (including studies relating to treatment models) to resolve areas of continuing scientific uncertainty relating to the health consequences of service described in subsection (c)(1)(A) or exposure to toxic agents, environmental or wartime hazards, or preventive medicines or vaccines associated with such service.

"(a) PURPOSE.—The purpose of this section is to provide for the National Academy of Sciences, an independent nonprofit scientific organization with appropriate expertise, to review and evaluate the available scientific evidence regarding associations between illnesses and exposure to toxic agents, environmental or wartime hazards, or preventive medicines or vaccines associated with Gulf War service.

"(b) AGREEMENT.—The Secretary of Veterans Affairs shall seek to enter into an agreement with the National Academy of Sciences for the Academy to perform the activities covered by this section. The Secretary shall seek to enter into the agreement not later than two months after the date of enactment of this Act [Oct. 21, 1998].

"(c) IDENTIFICATION OF AGENTS AND ILLNESSES.—(1) Under the agreement under subsection (b), the National Academy of Sciences shall—

(A) identify the biological, chemical, or other toxic agents, environmental or wartime hazards, or preventive medicines or vaccines to which members of the Armed Forces who may have been exposed by reason of service in the Southwest Asia theater of operations during the Persian Gulf War or, after September 11, 2001, in another Post-9/11 Global Theater of Operations; and

(B) identify the illnesses (including diagnosed illnesses and undiagnosed illnesses) that are manifest in such members.

"(2) In identifying illnesses under paragraph (1)(B), the Academy shall review and summarize the relevant scientific evidence regarding illnesses among the members described in paragraph (1)(A) and among other appropriate populations of individuals, including mortality, symptoms, and adverse reproductive health outcomes among such members and individuals.

"(d) INITIAL CONSIDERATION OF SPECIFIC AGENTS.—(1) In identifying under subsection (c) the agents, hazards, or preventive medicines or vaccines to which members of the Armed Forces may have been exposed for purposes of the first report under subsection (i), the National Academy of Sciences shall consider, within the first six months after the date of enactment of this Act [Oct. 21, 1998], the following:

"(3) Not later than six months after the date of enactment of this Act [Oct. 21, 1998], the Academy shall submit to the designated congressional committees a report specifying the agents, hazards, and medicines and vaccines considered under paragraph (1).

"(e) DETERMINATIONS OF ASSOCIATIONS BETWEEN AGENTS AND ILLNESSES.—(1) For each agent, hazard, or medicine or vaccine and illness identified under subsection (c), the National Academy of Sciences shall determine, to the extent that available scientific data permit meaningful determinations—

(A) whether a statistical association exists between exposure to the agent, hazard, or medicine or vaccine and the illness, taking into account the strength of the scientific evidence and the appropriateness of the scientific methodology used to detect the association;

(B) the increased risk of the illness among human or animal populations exposed to the agent, hazard, or medicine or vaccine and the illness.

"(2) The Academy shall include in its reports under subsection (i) a full discussion of the scientific evidence and reasoning that led to its conclusions under this subsection.

"(f) REVIEW OF POTENTIAL TREATMENT MODELS FOR CERTAIN ILLNESSES.—Under the agreement under subsection (b), the National Academy of Sciences shall separately review, for each chronic undiagnosed illness identified under subsection (c)(1)(B) and for any other chronic illness that the Academy determines to warrant such review, the available scientific data in order to identify empirically valid models of treatment for such illnesses which employ successful treatment modalities for populations with similar symptoms.

"(g) RECOMMENDATIONS FOR ADDITIONAL SCIENTIFIC STUDIES.—(1) Under the agreement under subsection (b), the National Academy of Sciences shall make any recommendations that it considers appropriate for additional scientific studies (including studies relating to treatment models) to resolve areas of continuing scientific uncertainty relating to the health consequences of exposure to toxic agents, environmental or wartime pollutants:
The National Academy of Sciences shall treat as a reference to such other organization.

“SEC. 103. PURPOSES.

Amendments note under section 101 of this title, directed which no diagnosis has been made, the Congress, in

search into the possible health effects of exposure to environmental medical facility for the conduct of re-

search into the possible health effects of low levels of hazardous chemicals, especially among

Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such

evietans to depleted uranium.

Persian Gulf veterans, and for research into the possible health consequences of military service in

the Persian Gulf theater of operations and to de-

velop recommendations on avenues for research re-
grading such health consequences. In Public Law

103–210 (see Tables for classification), the Congress

authorized the Department of Veterans Affairs to

provide health care services on a priority basis to

Persian Gulf veterans. The Congress also pro-

vided in Public Law 103–160 (the National Defense Au-

thorization Act for Fiscal Year 1994) (see Tables for

classification) for the establishment of a specialized

environmental medical facility for the conduct of re-

search into the possible health effects of exposure to

low levels of hazardous chemicals, especially among

Persian Gulf veterans, and for research into the pos-

sible health effects of battlefield exposure in such

evietans to depleted uranium.

In response to concerns regarding the health-

care needs of Persian Gulf War veterans, particularly

those who suffer from illnesses or conditions for

which no diagnosis has been made, the Congress, in

Public Law 102–585 (see Short Title of 1992 Amend-

ments note under section 101 of this title), directed

the establishment of a Persian Gulf War Veterans

Health Registry, authorized health examinations for

veterans of the Persian Gulf War, and provided for

the National Academy of Sciences to conduct a com-

prehensive review and assessment of information re-
garding the health consequences of military service in
the Persian Gulf theater of operations and to de-
velop recommendations on avenues for research re-
grading such health consequences. In Public Law

103–210 (see Tables for classification), the Congress

authorized the Department of Veterans Affairs to

provide health care services on a priority basis to

Persian Gulf veterans. The Congress also pro-

vided in Public Law 103–160 (the National Defense Au-

thorization Act for Fiscal Year 1994) (see Tables for

classification) for the establishment of a specialized

environmental medical facility for the conduct of re-

search into the possible health effects of exposure to

low levels of hazardous chemicals, especially among

Persian Gulf veterans, and for research into the pos-

sible health effects of battlefield exposure in such

evietans to depleted uranium.

In response to concerns regarding the lack of objec-
tive research on Gulf War illnesses, Congress included

research provisions in the National Defense Author-

ization Act for Fiscal Year 1995 (Pub. L. 103–337, see

Tables for classification), which was passed by the

House and Senate in September 1994. This legislation

requires the Secretary of Defense to provide research

grants to non-Federal researchers to support three
types of studies of the Gulf War syndrome. The first

type of study will be an epidemiological study or

studies of the incidence, prevalence, and nature of the

illness and symptoms and the risk factors associated

with symptoms or illnesses. This will include ill-

nesses among spouses and birth defects and illnesses

among offspring born before and after the Gulf War.

The second group of studies shall be conducted to de-
terminate the health consequences of the use of pyridostigmine bromide as a pretreatment antidote

enhancer during the Persian Gulf War, alone or in

combination with exposure to pesticides, environ-

mental toxins, and other hazardous substances. The

final group of studies will include clinical research

and other studies on the causes, possible trans-

mission, and treatment of Gulf War syndrome,

and will include studies of veterans and their spouses and

children.

Further research and studies must be under-
taken to determine the underlying causes of the ill-

nesses suffered by Persian Gulf War veterans and,

pending the outcome of such research, veterans who

are seriously ill as the result of such illnesses should

be given the benefit of the doubt and be provided

compensation benefits to offset the impairment in

earnings capacities they may be experiencing.

SEC. 103. PURPOSES.

The purposes of this title [see Short Title of 1994

Amendments note under section 101 of this title] are—

(1) to provide compensation to Persian Gulf War

veterans who suffer disabilities resulting from ill-

nesses that cannot now be diagnosed or defined, and

for which other causes cannot be identified;

(2) to require the Secretary of Veterans Affairs to
develop at the earliest possible date case assessment

strategies and definitions or diagnoses of such ill-

nesses;

(3) to provide greater outreach to Persian Gulf

War veterans and their families to inform them of on-
going research activities, as well as the services and

benefits to which they are currently entitled; and

(4) to ensure that research activities and accom-
p companying surveys of Persian Gulf War veterans are ap-
propriately funded and undertaken by the Depart-
ment of Veterans Affairs.

SEC. 104. DEVELOPMENT OF MEDICAL EVALU-
ATION PROTOCOLS.

(a) UNIFORM MEDICAL EVALUATION PROTO-
COL.—(1) The Secretary of Veterans Affairs shall develop and im-
plement a uniform and comprehensive medical evalua-
tion protocol that will ensure appropriate medical as-
essment, diagnosis, and treatment of Persian Gulf War

veterans who are suffering from illnesses the origins of

which are (as of the date of the enactment of this Act

(Nov. 2, 1994)) unknown and that may be attributable
to service in the Southwest Asia theater of operations
during the Persian Gulf War. The protocol shall include

an evaluation of complaints relating to illnesses in-

volving the reproductive system.

(2) If such a protocol is not implemented before the

end of the 120-day period beginning on the date of the

enactment of this Act (Nov. 2, 1994), the Secretary

shall, before the end of such period, submit to the Com-

mittees on Veterans’ Affairs of the Senate and House of

Representatives a report as to why such a protocol has

not yet been developed.

(3)(A) The Secretary shall ensure that the evalua-
tion under the protocol developed under this section is

available at all Department medical centers that have

the capability of providing the medical assessment,

diagnosis, and treatment required under the protocol.

(B) The Secretary may enter into contracts with

non-Department medical facilities for the provision of

the evaluation under the protocol.

(C) In the case of a veteran whose residence is dis-
tant from a medical center described in subparagraph

(A), the Secretary may provide the evaluation through

a Department medical center described in that sub-

paragraph and, in such a case, may provide the veteran

the travel and incidental expenses therefor pursuant to

the provisions of section 111 of title 38, United States

Code.

(4)(A) If the Secretary is unable to diagnose the

symptoms or illness of a veteran provided an evalu-
on, or if the symptoms or illness of a veteran do not

respond to treatment provided by the Secretary, the

Secretary shall, after the outcome of such research, be

taken to determine the underlying causes of the ill-

nesses suffered by Persian Gulf War veterans and,

pending the outcome of such research, veterans who

are seriously ill as the result of such illnesses should

be given the benefit of the doubt and be provided

compensation benefits to offset the impairment in

earnings capacities they may be experiencing.

SEC. 103. PURPOSES.

The purposes of this title [see Short Title of 1994

Amendments note under section 101 of this title] are—

(1) to provide compensation to Persian Gulf War

veterans who suffer disabilities resulting from ill-

nesses that cannot now be diagnosed or defined, and

for which other causes cannot be identified;

(2) to require the Secretary of Veterans Affairs to
develop at the earliest possible date case assessment

strategies and definitions or diagnoses of such ill-

nesses;
"(c) Case Definitions and Diagnoses.—The Secretary shall develop case definitions or diagnoses for illnesses associated with the service described in subsection (a). The Secretary shall develop such definitions or diagnoses at the earliest possible date.

"SEC. 105. OUTREACH TO PERSIAN GULF VETERANS.

"(a) In General.—The Secretary of Veterans Affairs shall implement a comprehensive outreach program to inform Persian Gulf War veterans and their families of the medical care and other benefits that may be provided by the Department of Veterans Affairs and the Department of Defense arising from service in the Persian Gulf War.

"(b) Newsletter.—(1) The outreach program shall include a newsletter which shall be updated and distributed at least annually and shall be distributed to the veterans listed on the Persian Gulf Veterans Health Registry. The newsletter shall include summaries of the status and findings of Government sponsored research on illnesses of Persian Gulf War veterans and their families, as well as on benefits available to such individuals through the Department of Veterans Affairs. The newsletter shall be prepared in consultation with veterans service organizations.

"(2) The requirement under this subsection for the distribution of the newsletter shall terminate on December 31, 2003.

"(c) Toll-Free Number.—The outreach program shall include establishment of a toll-free telephone number to provide Persian Gulf War veterans and their families information on the Persian Gulf War Veterans Health Registry, health care and other benefits provided by the Department of Veterans Affairs, and such other information as the Secretary considers appropriate. Such toll-free telephone number shall be established not later than 30 days after the date of the enactment of this Act [Nov. 2, 1994].

"SEC. 106. EVALUATION OF HEALTH STATUS OF SPOUSES AND CHILDREN OF PERSIAN GULF WAR VETERANS.

"(a) Evaluation Program.—Subject to subsection (c), the Secretary of Veterans Affairs shall conduct a program to evaluate the health status of spouses and children of Persian Gulf War veterans. Under the program, the Secretary shall provide for the conduct of diagnostic testing and appropriate medical examinations of any individual—

"(1) who is the spouse or child of a veteran who—

"(A) is listed in the Persian Gulf War Veterans Registry established under section 702 of Public Law 102–585 [set out in a note under section 527 of title 38, United States Code];

"(B) is suffering from an illness or disorder; and

"(2) who is apparently suffering from, or may have suffered from, an illness or disorder (including a birth defect, miscarriage, or stillbirth) which cannot be disassociated from the veteran’s service in the South- west Asia theater of operations; and

"(3) who, in the case of a spouse, has granted the Secretary permission to include in the Registry relevant medical data (including a medical history and the results of diagnostic testing and medical examinations) and such other information as the Secretary considers relevant and appropriate with respect to such individual.

"(b) Duration of Program.—The program shall be carried out during the period beginning on November 1, 1994, and ending on December 31, 2003.

"(c) Funding Limitation.—The amount spent for the program under subsection (a) may not exceed $2,000,000.

"(d) Contracting.—The Secretary may provide for the conduct of testing and examinations under subsection (a) through appropriate contract arrangements, including fee arrangements described in section 1703 of title 38, United States Code.

"SEC. 107. AUTHORIZATION FOR EPIDEMIOLOGICAL STUDIES.

"(a) Study of Health Consequences of Persian Gulf Service.—If the National Academy of Sciences includes in the report required by section 706(b) of the Veterans Health Care Act of 1992 (Public Law 102–585) [set out in a note under section 527 of title 38, United States Code] a finding that there is a sound basis for an epidemiological study or studies on the health consequences of service in the Persian Gulf theater of operations during the Persian Gulf War and recommends the conduct of such a study or studies, the Secretary of Veterans Affairs is authorized to carry out such study.

"(b) Oversight.—(1) The Secretary shall seek to enter into an agreement with the Medical Follow-Up Agency (MFUA) of the Institute of Medicine of the National Academy of Sciences for (A) the review of proposals to conduct the research referred to in subsection (a), (B) oversight of such research, and (C) review of the research findings.

"(2) If the Secretary is unable to enter into an agreement under paragraph (1) with the entity specified in that paragraph, the Secretary shall enter into an agreement described in that paragraph with another..."
appropriate scientific organization which does not have a connection to the Department of Veterans Affairs. In such a case, the Secretary shall submit to the Committee on Veterans' Affairs of the Senate and House of Representatives, at least 90 days before the date on which the agreement is entered into, notice in writing identifying the organization with which the Secretary intends to enter into the agreement.

“(c) ACCESS TO DATA.—The Secretary shall enter into agreements with the Secretary of Defense and the Secretary of Health and Human Services to make available for the purposes of any study described in subsection (a) all data that the Secretary, in consultation with the National Academy of Sciences and the contractor for the study, considers relevant to the study.

“(d) AUTHORIZATION.—There are authorized to be appropriated to the Department such sums as are necessary for the conduct of studies described in subsection (a).”

[Pub. L. 104–262, title III, §352(b), Oct. 9, 1996, 110 Stat. 3211, provided that: “Any diagnostic testing and medical examinations undertaken by the Secretary of Veterans Affairs for the purpose of the study required by subsection (a) of such section [section 107(a) of Pub. §1118. Presumptions of service connection for illnesses associated with service in the Persian Gulf during the Persian Gulf War

(a)(1) For purposes of section 1110 of this title, and subject to section 1113 of this title, each illness, if any, described in paragraph (2) shall be considered to have been incurred in or aggravated by service performed by a veteran while serving in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(2) An illness referred to in paragraph (1) is any diagnosed or undiagnosed illness that—

(A) the Secretary determines in regulations prescribed under this section to warrant a presumption of service connection because of having a positive association with exposure to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(B) becomes manifest within the period, if any, prescribed in such regulations in a veteran who served on active duty in that theater of operations during that war and by reason of such service was exposed to such agent, hazard, or medicine or vaccine.

(3) For purposes of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War and has an illness described in paragraph (2) shall be presumed to have been exposed by reason of such service to the agent, hazard, or medicine or vaccine associated with the illness in the regulations prescribed under this section unless there is conclusive evidence to establish that the veteran was not exposed to the agent, hazard, or medicine or vaccine by reason of such service.

(4) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness include the signs and symptoms listed in section 1117(g) of this title.

(b)(1)(A) Whenever the Secretary makes a determination described in subparagraph (B), the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for the illness covered by that determination for purposes of this section.

(B) A determination referred to in subparagraph (A) is a determination based on sound...
medical and scientific evidence that a positive association exists between—

(i) the exposure of humans or animals to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Southwest Asia theater of operations during the Persian Gulf War; and

(ii) the occurrence of a diagnosed or undiagnosed illness in humans or animals.

(2)(A) In making determinations for purposes of paragraph (1), the Secretary shall take into account—

(i) the reports submitted to the Secretary by the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998; and

(ii) all other sound medical and scientific information and analyses available to the Secretary.

(B) In evaluating any report, information, or analysis for purposes of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of an illness in humans or animals and exposure to an agent, hazard, or medicine or vaccine shall be considered to be positive for purposes of this subsection if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998, the Secretary shall determine whether or not a presumption of service connection is warranted for each illness, if any, covered by the report.

(2) If the Secretary determines under this subsection that a presumption of service connection is warranted, the Secretary shall, not later than 60 days after making the determination, issue proposed regulations setting forth the Secretary’s determination.

(3)(A) If the Secretary determines under this subsection that a presumption of service connection is not warranted, the Secretary shall, not later than 60 days after making the determination, publish in the Federal Register a notice of the determination. The notice shall include an explanation of the scientific basis for the determination.

(B) If an illness already presumed to be service connected under this section is subject to a determination under subparagraph (A), the Secretary shall, not later than 60 days after publication of the notice under that subparagraph, issue proposed regulations removing the presumption of service connection for the illness.

(4) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever the presumption of service connection for an illness under this section is removed under subsection (c)—

SUBCHAPTER IV—PEACETIME DISABILITY COMPENSATION

§ 1131. Basic entitlement
For disability resulting from personal injury suffered or disease contracted in line of duty, or for aggravation of a preexisting injury suffered or disease contracted in line of duty, in the active military, naval, or air service, during other than a period of war, the United States will pay to any veteran thus disabled and who was discharged or released under conditions other than dishonorable from the period of service in which said injury or disease was incurred, or preexisting injury or disease was aggravated, compensation as provided in this subchapter, but no compensation shall be paid if the disability is a result of the veteran’s own willful misconduct or abuse of alcohol or drugs.

AMENDMENTS
1998—Pub. L. 105–178, which directed the substitution of “abuse of alcohol or drugs, or use of tobacco products” for “or abuse of alcohol or drugs” before the period at end, was amended generally by Pub. L. 105–206, which provided that the amendments made by that section as originally enacted shall be treated for all purposes as not having been made. See Effective Date of 1998 Amendment note below.
1991—Pub. L. 102–83 renumbered section 331 of this title as this section.
1990—Pub. L. 101–508 substituted “as result of the veteran’s own willful misconduct or abuse of alcohol or drugs” for “result of the veteran’s own willful misconduct or abuse of alcohol or drugs” before the period at end.

NOTE
For purposes of sections 1121, 1122, 1131, and 1134 of this title, an injury or disease was incurred in line of duty if the injury or disease occurred in the line of duty during active service, or if the injury occurred while the veteran was performing duty on land or in a seaplane in direct support of military operations in the field, or if the disease resulted from an injury incurred in or aggravated by active service. Section 1110 of this title provides that a disease shall be presumed to have been incurred in line of duty if the disease is of a type for which a presumption of service connection is provided in this title, if the requirements of section 1112 of this title are met, and if the disease, or any manifestation thereof, became manifest to a degree of 10 percent or more within a prescribed period after cessation of active service, or if the disease was otherwise shown by competent evidence to have had its onset during active service. A disease shall be presumed to have been incurred in line of duty if the disease is of a type for which a presumption of service connection is provided in this title and either the disease or any manifestation thereof became manifest to a degree of 10 percent or more within a prescribed period after cessation of active service, or if the disease was otherwise shown by competent evidence to have had its onset during active service.
Title 38—Veterans’ Benefits

(b) Service-connection shall not be granted pursuant to subsection (a), in any case where the disease or disorder is shown by clear and unmistakable evidence to have had its inception before or after active military, naval, or air service.

(c) Nothing in this section shall be construed to prevent the granting of service-connection for any disease or disorder otherwise shown by sound judgment to have been incurred in or aggravated by active military, naval, or air service.

**SUBCHAPTER VI—GENERAL COMPENSATION PROVISIONS**

§ 1151. Benefits for persons disabled by treatment or vocational rehabilitation

(a) Compensation under this chapter and dependency and indemnity compensation under chapter 13 of this title shall be awarded for a qualifying additional disability or a qualifying death of a veteran in the same manner as if such additional disability or death were service-connected. For purposes of this section, a disability or death is a qualifying additional disability or qualifying death if the disability or death was not the result of the veteran’s willful misconduct and—

(1) the disability or death was caused by hospital care, medical or surgical treatment, or examination furnished the veteran under any law administered by the Secretary, either by a
Department employee or in a Department facility as defined in section 1701(3)(A) of this title, and the proximate cause of the disability or death was—

(A) carelessness, negligence, lack of proper skill, error in judgment, or similar instance of fault on the part of the Department in furnishing the hospital care, medical or surgical treatment, or examination; or

(B) an event not reasonably foreseeable; or

(2) the disability or death was proximately caused (A) by the provision of training and rehabilitation services by the Secretary (including by a service-provider used by the Secretary for such purpose under section 3115 of this title) as part of an approved rehabilitation program under chapter 21 of this title, or (B) by participation in a program (known as a "compensated work therapy program") under section 1718 of this title.

(b)(1) Where an individual is, on or after December 1, 1962, awarded a judgment against the United States in a civil action brought pursuant to section 1346(b) of title 28 or, on or after December 1, 1962, enters into a settlement or compromise under section 2672 or 2677 of title 28 by reason of a disability or death treated pursuant to this section as if it were service-connected, then (except as otherwise provided in paragraph (2)) no benefits shall be paid to such individual for any month beginning after the date such judgment, settlement, or compromise becomes final until the aggregate amount of benefits which would be paid but for this subsection equals the total amount that is specifically designated for a purpose for which the offset amount was specifically designated—

(A) the amount of such award shall be reduced by the offset amount; and

(B) if the offset amount is greater than the amount of such award, the excess amount received pursuant to the judgment, settlement or compromise shall be offset against benefits otherwise payable under this chapter.

(c) A qualifying additional disability under this section shall be treated in the same manner as if it were a service-connected disability for purposes of the following provisions of this title:

(1) Chapter 21, relating to specially adapted housing.

(2) Chapter 39, relating to automobiles and adaptive equipment.

Effective Date of 1996 Amendment
Section 422(b), (c) of Pub. L. 104–204 provided that:
“(b)(1) The amendments made by subsection (a) [amending this section] shall take effect on October 1, 1996.
“(2) Section 1151 of title 38, United States Code (as amended by subsection (a)), shall govern all administrative and judicial determinations of eligibility for benefits under such section that are made with respect to claims filed on or after the effective date set forth in paragraph (1) [Oct. 1, 1996], including those based on original applications and applications seeking to reopen, revise, reconsider, or otherwise readjudicate on any basis claims for benefits under such section 1151 or any provision of law that is a predecessor of such section.
“(c) Notwithstanding [sic] subsection (b)(1), section 422(d) [set out as a note under section 1801 of this title], or any other provision of this Act [see Tables for classification], section 421 [enacting sections 1801 to 1806 of this title, amending section 5312 of this title, and enacting provisions set out as notes under section 1801 of this title] and this section [amending this section] shall not take effect until October 1, 1997, unless legislation other than this Act is enacted to provide for an earlier effective date.”

Effective Date of 1962 Amendment

§ 1152. Persons heretofore having a compensable status
The death and disability benefits of this chapter shall, notwithstanding the service requirements thereof, be granted to persons heretofore recognized by law as having a compensable status, including persons whose claims are based on war or peacetime service rendered before April 21, 1898.

Amendments
1991—Pub. L. 102–83 renumbered section 352 of this title as this section.

§ 1153. Aggravation
A preexisting injury or disease will be considered to have been aggravated by active military, naval, or air service, where there is an increase in disability during such service, unless there is a specific finding that the increase in disability is due to the natural progress of the disease.

Amendments
1991—Pub. L. 102–83 renumbered section 353 of this title as this section.

§ 1154. Consideration to be accorded time, place, and circumstances of service
(a) The Secretary shall include in the regulations pertaining to service-connection of disabilities (1) additional provisions in effect requiring that in each case where a veteran is seeking service-connection for any disability due consideration shall be given to the places, types, and circumstances of such veteran’s service as shown by such veteran’s service record, the official history of each organization in which such veteran served, such veteran’s medical records, and all pertinent medical and lay evidence, and (2) the provisions required by section 5 of the Veterans’ Dioxin and Radiation Exposure Compensation Standards Act (Public Law 98–542; 98 Stat. 2727).

(b) In the case of any veteran who engaged in combat with the enemy in active service with a military, naval, or air organization of the United States during a period of war, campaign, or expedition, the Secretary shall accept as sufficient proof of service-connection of any disease or injury alleged to have been incurred in or aggravated by such service satisfactory lay or other evidence of service incurrence or aggravation of such injury or disease, if consistent with the circumstances, conditions, or hardships of such service, notwithstanding the fact that there is no official record of such incurrence or aggravation in such service, and, to that end, shall resolve every reasonable doubt in favor of the veteran. Service-connection of such injury or disease may be rebutted by clear and convincing evidence to the contrary. The reasons for granting or denying service-connection in each case shall be recorded in full.

§ 1154

VETERANS’ BENEFITS

FINDINGS

(1) Veterans who served in the Republic of Vietnam during the Vietnam era and veterans who partici-
pated in atmospheric nuclear tests or the American occupation of Hiroshima or Nagasaki, Japan, are
deeply concerned about possible long-term health effects of exposure to herbicides containing dioxin or
to ionizing radiation.

(2) There is scientific and medical uncertainty regarding such long-term adverse health effects.

(3) In section 102 of Public Law 97-22 [see Tables for Citation], the Congress responded to that un-
certainty by authorizing priority medical care at Veterans’ Administration [now Department of Veter-
ans Affairs] facilities for any disability of a veteran who may have been so exposed (even though there is insufficient medical evidence linking such disability with such exposure) unless the disability in question has resulted from a cause other than the exposure.

(4) The Congress has further responded to that medical and scientific uncertainty by requiring, in
section 307 of Public Law 96-151 [set out under section 1116 of this title] and section 601 of Public Law 98-160 [set out below], the conduct of thorough epidemiological studies of the health effects experienced by veterans in connection with exposure to such herbicides containing dioxin (and if not determined to be scientifically infeasible) to radiation, and by requiring in Public Law 98-160, the development of radiobiological tables setting forth the probabilities of causation between various cancers and exposure to radiation.

(5) There is some evidence that most types of leukemia, lymphomas, breast cancer, lung, bone, liver, and skin, and polycythemia vera are associated with exposure to certain levels of ionizing radiation.

(6) As of the date of the enactment of this Act [Oct. 24, 1984], there are sixty-six federally sponsored research projects being conducted relating to herbicides containing dioxin, at a cost to the Federal Gov-
ernment in excess of $130,000,000 and, as of 1981, feder-
ally sponsored research projects relating to ionizing radiation were costing the Federal Government more than $115,000,000.

(7) The initial results of one project—an epidemiological study, conducted by the United States Air Force Schools of Aerospace Medicine, of the health status of the ‘Ranch Hand’ veterans who carried out the loading and aerial spraying of herbicides containing dioxin in Vietnam and in the process came into direct skin contact with such herbicides in their most concentrated liquid form—were released on February 24, 1984, and contained the conclusion ‘that there is insufficient evidence to support a cause and effect relationship between herbicide exposure and adverse health in the Ranch Hand group at this time’.

(8) The ‘film badges’ which were originally issued to members of the Armed Forces in connection with the atmospheric nuclear test program have previously constituted a primary source of dose information for veterans (and survivors of veterans) filing claims for Veterans’ Administration [now Department of Veterans Affairs] disability compensation or dependency and indemnity compensation in connection with exposure to radiation.

(9) These film badges often provide an incomplete measure of radiation exposure, since they were not capable of recording inhaled, ingested, or neutron doses (although the Defense Nuclear Agency currently has the capability to reconstruct individual estimates of such doses), were not issued to most of the participants in nuclear tests, often provided questionable readings because they were shielded during the detonation, and were worn for only limited periods during and after each nuclear detonation.

(10) Standards governing the reporting of dose estimates in connection with radiation-related claims for Veterans’ Administration [now Department of Veterans Affairs] disability compensation vary among the several branches of the Armed Forces, and no uniform minimum standards exist.

(11) The Veterans’ Administration [now Department of Veterans Affairs] has not promulgated per-
manent regulations setting forth specific guidelines, standards, and criteria for the adjudication of claims for Veterans’ Administration disability compensation based on exposure to herbicides containing dioxin or to ionizing radiation.

(12) Such claims (especially those involving health effects with long latency periods) present adjudica-
tory issues which are significantly different from issues generally presented in claims based upon the
usual types of injuries incurred in military service.
“(13) It has always been the policy of the Veterans’ Administration [now Department of Veterans Affairs] and is the policy of the United States, with respect to individual claims for service connection of diseases and disabilities, that when, after consideration of all evidence and material of record, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of a claim, the benefit of the doubt in resolving each such issue shall be given to the claimant.

“PURPOSE

“SEC. 3. The purpose of this Act is to ensure that Veterans’ Administration [now Department of Veterans Affairs] disability compensation is provided to veterans who were exposed to ionizing radiation in connection with atmospheric nuclear tests or in connection with the American occupation of Hiroshima or Nagasaki, Japan, prior to July 1, 1946, and is the policy of the United States with respect to the resolution of controversies regarding the merits of an issue material to the determination of a claim, the benefit of the doubt in resolving each such issue shall be given to the claimant. The Administrator shall set forth in such regulations prescribed under this section the standards and criteria required to be established under section 6. Those evaluations shall be published in the notice section of the Federal Register.

“(C) The standards and criteria required to be established under this section shall include provisions governing the use in the adjudication of individual claims of the Administrator’s [now Secretary’s] evaluations made under subparagraph (B).

“(1) Establish guidelines and (where appropriate) through a public review and comment the requirements for and content of such regulations. After receiving the advice of the Scientific Council and of the Secretary of Veterans Affairs or their designees, the Administrator shall develop the regulations governing the evaluation of the findings of those studies, the Administrator shall prescribe regulations through a public review and comment. Those guidelines shall require that, in the adjudication of individual cases, service connection shall not be granted, and shall implement such determinations in accordance with such regulations.

“(II) If the Administrator [now Secretary] makes a determination pursuant to this subparagraph, that a disease described in subparagraph (B), the Administrator shall specify in such regulations that, in the adjudication of individual cases, service connection shall not be granted where there is sufficient affirmative evidence to the contrary or evidence to establish that an intercurrent injury or disease which is a recognized cause of the disease has been suffered between the date of separation from service and the onset of such disease or that the disability is due to the veteran’s own willful misconduct.

“(III) With regard to each disease described in subparagraph (B), the Administrator [now Secretary] shall include in the regulations prescribed under this section provisions specifying the factors to be considered in adjudicating issues relating to whether or not service connection should be granted in individual cases and the circumstances governing the granting of service connection for such disease.

“(B) The regulations referred to in subparagraph (A) are those specified in section 2(5) [set out above] and any other disease with respect to which the Administrator [now Secretary] finds (after receiving and considering the advice of the Scientific Council established under section 6(d)(2)) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran’s participation in an atmospheric nuclear test or the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

“(3) The regulations prescribed under this section shall include—

“(A) a requirement that a claimant filling a claim based upon a veteran’s exposure to ionizing radiation from the detonation of a nuclear device shall produce evidence substantiating the veteran’s exposure during active military, naval, or air service, if the information in the veteran’s service record of the Department of Defense is not inconsistent with the claim that the veteran was present where and when the claimed exposure occurred.

“(C) The regulations described in subparagraph (A) shall be made by the Administrator of Veterans Affairs [now Secretary of Veterans Affairs] after receiving the advice of the Scientific Council of the Veterans’ Advisory Committee on Environmental Hazards (established under section 6). Those evaluations shall be published in the notice section of the Federal Register.

“(D) The regulations described in subparagraph (B) as to whether service connection shall, subject to section 6(d)(2) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran’s participation in an atmospheric nuclear test or the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

“(4) The regulations described in subparagraph (B) as to whether service connection shall, subject to section 6(d)(2) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran’s participation in an atmospheric nuclear test or the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.
ment process in accordance with the provisions of section 553 of title 5, United States Code. That process may include consideration by the Administrator of the recommendations of the Veterans' Advisory Committee on Environmental Hazards and the Scientific Council thereof (established under section 6) with respect to the proposed regulations, and that process shall include consideration by the Administrator of the recommendations of the Committee and the Council with respect to the final regulations and proposed and final amendments to such regulations. The period for public review and comment shall be completed not later than ninety days after the proposed regulations or proposed amendments are published in the Federal Register.

RADIATION EXPOSURE STUDY AND GUIDE

The Secretary shall adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 percent, 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, 80 percent, 90 percent, and total, 100 percent. The Secretary shall from time to time readjust this schedule of ratings in accordance with experience. However, in no event shall such a readjustment of the rating schedule cause a veteran’s disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran’s disability is shown to have occurred.

(a) With respect to a veteran who died in the active military, naval, or air service, such veteran’s pay grade shall be determined as of the date of such veteran’s death or as of the date of a promotion after death while in a missing status.

(b) With respect to a veteran who did not die in the active military, naval, or air service, such veteran’s pay grade shall be determined as of—

1. the time of such veteran’s last discharge or release from active duty under conditions other than dishonorable; or

2. the time of such veteran’s discharge or release from any period of active duty for training or inactive duty training, if such veteran’s death results from service-connected disability incurred during such period and if such veteran was not thereafter discharged or released under conditions other than dishonorable from active duty.

(c) The pay grade of any veteran described in section 106(b) of this title shall be that to which such veteran would have been assigned upon final acceptance or entry upon active duty.

(d) If a veteran has satisfactorily served on active duty for a period of six months or more in a pay grade higher than that specified in subsection (a) or (b) and any subsequent discharge or release from active duty was under conditions other than dishonorable, the higher pay grade shall be used if it will result in greater monthly payments to such veteran’s surviving spouse under this chapter. The determination as to whether an individual has served satisfactorily for the required period in a higher pay grade shall be made by the Secretary of the department in which such higher pay grade was held.

(e) The pay grade of any person not otherwise described in this section, but who had a compensable status on the date of such person’s death under laws administered by the Secretary, shall be determined by the head of the department under which such person performed the services by which such person obtained such status (taking into consideration such person’s duties and responsibilities) and certified to the Secretary.

(b) Where a veteran, by virtue of subsection (a), is found to be entitled to a pension under section 1521 of this title, and is entitled to compensation for a service-connected disability, the Secretary shall pay such veteran the greater benefit.

§ 1524. Vocational training for certain pension recipients

(a)(1) In the case of a veteran under age 45 who is awarded a pension during the program period, the Secretary shall, based on information on file with the Department of Veterans Affairs, make a preliminary finding whether such veteran, with the assistance of a vocational training program under this section, has a good potential for achieving employment. If such potential is found to exist, the Secretary shall solicit from the veteran an application for vocational training under this section. If the veteran thereafter applies for such training, the Secretary shall provide the veteran with an evaluation, which may include a personal interview, to determine whether the achievement of a vocational goal is reasonably feasible.

(2) If a veteran who is 45 years of age or older and is awarded pension during the program period, and if a veteran who was awarded pension before the beginning of the program period, applies for vocational training under this section and the Secretary makes a preliminary finding on the basis of information in the application that, with the assistance of a vocational training program under subsection (b) of this section, the veteran has a good potential for achieving employment, the Secretary shall provide the veteran with an evaluation in order to determine whether the achievement of a vocational goal by the veteran is reasonably feasible. Any such evaluation shall include a personal interview by a Department employee trained in vocational counseling.

(3) For the purposes of this section, the term "program period" means the period beginning on February 1, 1985, and ending on December 31, 1995.

(b)(1) If the Secretary, based upon an evaluation under subsection (a) of this section, determines that the achievement of a vocational goal by a veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program under this subsection. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran's individual needs and shall be set forth in an individualized written plan of vocational rehabilitation of the kind described in section 3107 of this title.

(2)(A) Subject to subparagraph (B) of this paragraph, a vocational training program under this subsection shall consist of vocationally oriented services and assistance of the kind provided under chapter 31 of this title and such other services and assistance of the kind provided under that chapter as are necessary to enable the veteran to prepare for and participate in vocational training or employment.

(B) A vocational training program under this subsection—

(i) may not exceed 24 months unless, based on a determination by the Secretary that an extension is necessary in order for the veteran to achieve a vocational goal identified (before the end of the first 24 months of such program) in the written plan formulated for the veteran, the Secretary grants an extension for a period not to exceed 24 months;

(ii) may not include the provision of any loan or subsistence allowance or any automobile adaptive equipment of the kind provided under chapter 39 of this title; and

(iii) may include a program of education at an institution of higher learning (as defined in...
§ 1524  TITLE 38—VETERANS’ BENEFITS

sections 3452(b) and 3452(f), respectively, of this title) only in a case in which the Secretary determines that the program involved is predominantly vocational in content.

(3) When a veteran completes a vocational training program under this subsection, the Secretary may provide the veteran with counseling of the kind described in section 3104(a)(2) of this title, placement and postplacement services of the kind described in section 3104(a)(5) of this title, and training of the kind described in section 3104(a)(6) of this title during a period not to exceed 18 months beginning on the date of such completion.

(4) A veteran may not begin pursuit of a vocational training program under this subsection after the later of (A) December 31, 1995, or (B) the end of a reasonable period of time, as determined by the Secretary, following either the evaluation of the veteran under subsection (a) of this section or the award of pension to the veteran as described in subsection (a)(2) of this section. Any determination by the Secretary of such a reasonable period of time shall be made pursuant to regulations which the Secretary shall prescribe.

(c) In the case of a veteran who has been determined to have a permanent and total non-service-connected disability and who, not later than one year after the date the veteran’s eligibility for counseling under subsection (b)(3) of this section expires, secures employment within the scope of a vocational goal identified in the veteran’s individualized written plan of vocational rehabilitation (or in a related field which requires reasonably developed skills and the use of some or all of the training or services furnished the veteran under such plan), the evaluation of the veteran as having a permanent and total disability may not be terminated by reason of the veteran’s capacity to engage in such employment until the veteran first maintains such employment for a period of not less than 12 consecutive months.

(d) A veteran who pursues a vocational training program under subsection (b) of this section shall have the benefit of the provisions of subsection (a) of section 1525 of this title beginning at such time as the veteran’s entitlement to pension is terminated by reason of income from vocational training (as defined in subsection (b)(1) of that section) without regard to the date on which the veteran’s entitlement to pension is terminated.

(e) Payments by the Secretary for education, training, and other services and assistance under subsection (b) of this section (other than the services of Department employees) shall be made from the Department appropriations account from which payments for pension are made.

(B) In the case of a veteran described in subparagraph (C), (D), or (E) of paragraph (1), hospital care, medical services, and nursing home care may not be provided under subsection (a)(2)(F) with respect to a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than the service or testing described in such subparagraph.

(A) The term “Vietnam-era herbicide-exposed veteran” means a veteran (i) who served on active duty in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and (ii) who the Secretary finds may have been exposed during such service to a toxic substance found in a herbicide or defoliant used for military purposes during such period.

(B) The term “radiation-exposed veteran” has the meaning given that term in section 1112(c)(3) of this title.

(5) When the Secretary first provides care for veterans using the authority provided in paragraph (1)(D), the Secretary shall establish a system for collection and analysis of information on the general health status and health care utilization patterns of veterans receiving care under that paragraph. Not later than 18 months
after first providing care under such authority, the Secretary shall submit to Congress a report on the experience under that authority. The Secretary shall include in the report any recommendations of the Secretary for extension of that authority.

(f)(1) The Secretary may not furnish hospital care or nursing home care (except if such care constitutes hospice care) under this section to a veteran who is eligible for such care under subsection (a)(3) of this section unless the veteran agrees to pay to the United States the applicable amount determined under paragraph (2) or (4) of this subsection.

(2) A veteran who is furnished hospital care or nursing home care under this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such care shall be liable to the United States for an amount equal to—

(A) the lesser of—

(i) the cost of furnishing such care, as determined by the Secretary; or

(ii) the amount determined under paragraph (3) of this subsection; and

(B) before September 30, 2012, an amount equal to $10 for every day the veteran receives hospital care and $5 for every day the veteran receives nursing home care.

(3)(A) In the case of hospital care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is—

(i) the amount of the inpatient Medicare deductible, plus

(ii) one-half of such amount for each 90 days of care (or fraction thereof) after the first 90 days of such care during such 365-day period.

(B) In the case of nursing home care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is the amount of the inpatient Medicare deductible for each 90 days of such care (or fraction thereof) during such 365-day period.

(C)(i) Except as provided in clause (ii) of this subparagraph, in the case of a veteran who is admitted for nursing home care under this section after being furnished, during the preceding 365-day period, hospital care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of hospital care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such nursing home care until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care or

(II) the end of the 365-day period applicable to the hospital care for which payment was made, whichever occurs first.

(C)(ii) In the case of a veteran who is admitted for nursing home care under this section after being furnished, during any 365-day period, hospital care for which the veteran has paid an amount under subparagraph (A)(ii) of this para-

graph and who has not been furnished 90 days of hospital care in connection with such payment, the amount of the liability of the veteran under paragraph (2) of this subsection with respect to the number of days of such nursing home care which, when added to the number of days of such hospital care, is 90 or less, is the difference between the inpatient Medicare deductible and the amount paid under such subparagraph until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made, whichever occurs first.

(D) In the case of a veteran who is admitted for hospital care under this section after having been furnished, during the preceding 365-day period, nursing home care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of nursing home care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such hospital care until—

(I) the veteran has been furnished, beginning with the first day of such nursing home care furnished in connection with such payment, a total of 90 days of nursing home care and hospital care; or

(II) the end of the 365-day period applicable to the nursing home care for which payment was made, whichever occurs first.

(E) A veteran may not be required to make a payment under this subsection for hospital care or nursing home care furnished under this section during any 90-day period in which the veteran is furnished medical services under paragraph (3) of subsection (a) to the extent that such payment would cause the total amount paid by the veteran under this subsection for hospital care and nursing home care furnished during that period and under subsection (g) for medical services furnished during that period to exceed the amount of the inpatient Medicare deductible in effect on the first day of such period.

(F) A veteran may not be required to make a payment under this subsection or subsection (g) for any days of care in excess of 360 days of care during any 365-calendar-day period.

(4) In the case of a veteran covered by this subsection who is also described by section 1705(a)(7) of this title, the amount for which the veteran shall be liable to the United States for hospital care under this subsection shall be an amount equal to 20 percent of the total amount for which the veteran would otherwise be liable for such care under subparagraphs (2)(B) and (3)(A) but for this paragraph.

(5) For the purposes of this subsection, the term "inpatient Medicare deductible" means the amount of the inpatient hospital deductible in effect under section 1813(b) of the Social Security Act (42 U.S.C. 1395e(b)) on the first day of the 365-day period applicable under paragraph (3) of this subsection.
(g)(1) The Secretary may not furnish medical services (except if such care constitutes hospice care) under subsection (a) of this section (including home health services under section 1717 of this title) to a veteran who is eligible for hospital care under this chapter by reason of subsection (a)(3) of this section unless the veteran agrees to pay to the United States in the case of each outpatient visit the applicable amount or amounts established by the Secretary by regulation.

(3) A veteran who is furnished medical services under subsection (a) of this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such services shall be liable to the United States, in the case of each visit in which such services are furnished to the veteran, for an amount which the Secretary shall establish by regulation.

(3) This subsection does not apply with respect to home health services under section 1717 of this title to the extent that such services are for improvements and structural alterations.

(h) Nothing in this section requires the Secretary to furnish care to a veteran to whom another agency of Federal, State, or local government has a duty under law to provide care in an institution of such government.

(a)(1) Outpatient dental services and treatment, and related dental appliances, shall be furnished under this section only for a dental condition or disability—

(A) which is service-connected and compensable in degree;

(B) which is service-connected, but not compensable in degree, but only if—

(i) the dental condition or disability is shown to have been in existence at the time of the veteran’s discharge or release from active military, naval, or air service;

(ii) the veteran had served on active duty during the Persian Gulf War, 90 days immediately before such discharge or release;

(iii) application for treatment is made within 180 days after the date of correction; and

(iv) the veteran’s certificate of discharge or release from active duty does not bear a certification that the veteran was provided, within the 90-day period immediately before the date of such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental services and treatment indicated by the examination to be needed;

(C) which is a service-connected dental condition or disability due to combat wounds or other service trauma, or of a former prisoner of war;

(D) which is associated with and is aggravating a disability resulting from some other disease or injury which was incurred in or aggravated by active military, naval, or air service;

(E) which is a non-service-connected condition or disability of a veteran for which treat-
ment was begun while such veteran was receiving hospital care under this chapter and such services and treatment are reasonably necessary to complete such treatment;

(F) from which a veteran who is a former prisoner of war is suffering;

(G) from which a veteran who has a service-connected disability rated as total is suffering; or

(H) the treatment of which is medically necessary (i) in preparation for hospital admission, or (ii) for a veteran otherwise receiving care or services under this chapter.

(2) The Secretary concerned shall at the time a member of the Armed Forces is discharged or released from a period of active military, naval, or air service of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days provide to such member a written explanation of the provisions of clause (B) of paragraph (1) of this subsection and enter in the service records of the member a statement signed by the member acknowledging receipt of such explanation (or, if the member refuses to sign such statement, a certification from an officer designated for such purpose by the Secretary concerned that the member was provided such explanation).

(3) The total amount which the Secretary may expend for furnishing, during any twelve-month period, outpatient dental services, treatment, or related dental appliances to a veteran under this section through private facilities for which the Secretary has contracted under clause (1), (2), or (5) of section 1703(a) of this title may not exceed $1,000 unless the Secretary determines, prior to the furnishing of such services, treatment, or appliances and based on an examination of the veteran by a dentist employed by the Department (or, in an area where no such dentist is available, by a dentist conducting such examination under a contract or fee arrangement), that the furnishing of such services, treatment, or appliances at such cost is reasonably necessary.

(4)(A) Except as provided in subparagraph (B) of this paragraph, in any year in which the President’s Budget for the fiscal year beginning October 1 of such year includes an amount for expenditures for contract dental care under the provisions of this subsection and section 1703 of this title during such fiscal year in excess of the level of expenditures made for such purpose during fiscal year 1978, the Secretary shall, not later than February 15 of such year, submit a report to the appropriate committees of the Congress justifying the requested level of expenditures for contract dental care and explaining why the application of the criteria prescribed in section 1703 of this title for contracting with private facilities and in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans will not preclude the need for expenditures for contract dental care in excess of the fiscal year 1978 level of expenditures for such purpose. In any case in which the amount included in the President’s Budget for any fiscal year for expenditures for contract dental care under such provisions is not in excess of the level of expenditures made for such purpose during fiscal year 1978 and the Secretary determines after the date of submission of such budget and before the end of such fiscal year that the level of expenditures for such contract dental care during such fiscal year will exceed the fiscal year 1978 level of expenditures, the Secretary shall submit a report to the appropriate committees of the Congress containing both a justification (with respect to the projected level of expenditures for such fiscal year) and an explanation as required in the preceding sentence in the case of a report submitted pursuant to such sentence. Any report submitted pursuant to this paragraph shall include a comment by the Secretary on the effect of the application of the criteria prescribed in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans.

(B) A report under subparagraph (A) of this paragraph with respect to a fiscal year is not required if, in the documents submitted by the Secretary to the Congress in justification for the amounts included for Department programs in the President’s Budget, the Secretary specifies with respect to contract dental care described in such subparagraph—

(i) the actual level of expenditures for such care in the fiscal year preceding the fiscal year in which such Budget is submitted;

(ii) a current estimate of the level of expenditures for such care in the fiscal year in which such Budget is submitted; and

(iii) the amount included in such Budget for such care.

(b) Dental services and related appliances for a dental condition or disability described in paragraph (1)(B) of subsection (a) shall be furnished on a one-time completion basis, unless the services rendered on a one-time completion basis are found unacceptable within the limitations of good professional standards, in which event such additional services may be afforded as are required to complete professionally acceptable treatment.

(c) Dental appliances, wheelchairs, artificial limbs, trusses, special clothing, and similar appliances to be furnished by the Secretary under this section may be purchased or manufactured, which ever the Secretary determines may be advantageous and reasonably necessary.

(d) The Secretary shall furnish to each veteran who is receiving additional compensation or allowance under chapter 11 of this title, or increased pension as a veteran of a period of war, by reason of being permanently housebound or in need of regular aid and attendance, such drugs and medicines as may be ordered on prescription of a duly licensed physician as specific therapy in the treatment of any illness or injury suffered by such veteran. The Secretary shall continue to furnish such drugs and medicines so ordered to any such veteran in need of regular aid and attendance whose pension payments have been discontinued solely because such veteran’s annual income is greater than the applicable maximum annual income limitation, but only so long as such veteran’s annual income does not exceed such maximum annual income limitation by more than $1,000.

(e) In order to assist the Secretary of Health and Human Services in carrying out national
immunization programs under other provisions of law, the Secretary may authorize the administration of immunizations to eligible veterans who voluntarily request such immunizations in connection with the provision of care for a disability under this chapter in any Department of Veterans Affairs health care facility. Any such immunization shall be made using vaccine furnished by the Secretary of Health and Human Services at no cost to the Department. For such purpose, notwithstanding any other provision of law, the Secretary of Health and Human Services may provide such vaccine to the Department at no cost. Substance Use Disorders and Mental Health Care

“SEC. 102. FINDINGS ON SUBSTANCE USE DISORDERS AND MENTAL HEALTH.

“Congress makes the following findings:

“(1) More than 1,500,000 members of the Armed Forces have been deployed in Operation Iraqi Freedom and Operation Enduring Freedom. The 2005 Department of Defense Survey of Health Related Behaviors Among Active Duty Personnel reports that 23 percent of members of the Armed Forces on active duty acknowledge a significant problem with alcohol use disorder, with similar rates of acknowledged problems with alcohol use disorder among members of the National Guard.

“(2) The effects of substance use disorder are wide ranging, including significantly increased risk of suicide, exacerbation of mental and physical health disorders, breakdown of family support, and increased risk of unemployment and homelessness.

“(3) While veterans suffering from mental health conditions, chronic physical illness, and polytrauma may be at increased risk for development of a substance use disorder, treatment for these veterans is complicated by the need to address adequately the physical and mental symptoms associated with these conditions through appropriate medical intervention.

“(4) While the Veterans Health Administration has dramatically increased health services for veterans from 1996 through 2006, the number of veterans receiving specialized substance use disorder treatment services decreased 18 percent during that time. No comparable decrease in the national rate of substance use disorder has been observed during that time.

“(5) While some facilities of the Veterans Health Administration provide exemplary substance use disorder treatment services, the availability of such treatment services throughout the health care system of the Veterans Health Administration is inconsistent.

“(6) According to a 2006 report by the Government Accountability Office, the Department of Veterans Affairs significantly reduced its substance use disorder treatment and rehabilitation services between 1996 and 2006, and the Fiscal Year 2007 National Mental Health Program Monitoring System report shows that little progress has been made in restoring these services to their pre-1996 levels.

“SEC. 103. EXPANSION OF SUBSTANCE USE DISORDER TREATMENT SERVICES PROVIDED BY DEPARTMENT OF VETERANS AFFAIRS.

“(a) In General.—The Secretary of Veterans Affairs shall ensure the provision of such services and treatment to each veteran enrolled in the health care system of the Department of Veterans Affairs who is in need of services and treatments for a substance use disorder as follows:

“(1) Screening for substance use disorder in all settings, including primary care settings.

“(2) Short term motivational counseling services.

“(3) Marital and family counseling.

“(4) Intensive outpatient or residential care services.

“(5) Relapse prevention services.

“(6) Ongoing aftercare and outpatient counseling services.

“(7) Opiate substitution therapy services.

“(8) Pharmacological treatments aimed at reducing craving for drugs and alcohol.

“(9) Detoxification and stabilization services.

“(10) Coordination with groups providing peer to peer counseling.

“(11) Such other services as the Secretary considers appropriate.

“(b) Provision of Services.—

“(1) Allocation of Resources for Provision of Services.—The Secretary shall ensure that amounts made available for care, treatment, and services provided under this section are allocated in such a manner that a full continuum of care, treatment, and services described in subsection (a) is available to veterans seeking such care, treatment, or services, without regard to the location of the residence of any such veterans.

“(2) Manner of Provision.—The services and treatment described in subsection (a) may be provided to a veteran described in such subsection—

“(A) at Department of Veterans Affairs medical centers or clinics;

“(B) by referral to other facilities of the Department that are accessible to such veteran; or

“(C) by contract or fee-for-service payments with community-based organizations for the provision of such services and treatments.

“(c) Alternatives in Case of Services Denied Due to Clinical Necessity.—If the Secretary denies the provision to a veteran of services or treatment for a substance use disorder due to clinical necessity, the Secretary shall provide the veteran such other services or treatment as are medically appropriate.

“SEC. 104. CARE FOR VETERANS WITH MENTAL HEALTH AND SUBSTANCE USE DISORDERS.

“(a) In General.—If the Secretary of Veterans Affairs provides a veteran inpatient or outpatient care for a substance use disorder and a comorbid mental health disorder, the Secretary shall ensure that treatment for such disorders is provided concurrently—

“(1) through a service provided by a clinician or health professional who has training and expertise in treatment of substance use disorders and mental health disorders;

“(2) by separate substance use disorder and mental health disorder treatment services when there is appropriate coordination, collaboration, and care management between such treatment services; or

“(3) by a team of clinicians with appropriate expertise.

“(b) Team of Clinicians With Appropriate Expertise Defined.—In this section, the term ‘team of clinicians with appropriate expertise’ means a team consisting of the following:

“(1) Clinicians and health professionals with expertise in treatment of substance use disorders and mental health disorders who act in coordination and collaboration with each other.

“(2) Such other professionals as the Secretary considers appropriate for the provision of treatment to veterans for substance use and mental health disorders.

“SEC. 105. PILOT PROGRAM FOR INTERNET-BASED SUBSTANCE USE DISORDER TREATMENT FOR VETERANS OF OPERATION IRAQI FREEDOM AND OPERATION ENDURING FREEDOM.

“(a) Findings.—Congress makes the following findings:

“(1) The Department of Veterans Affairs应当 number 1 through 5.
(1) Stigma associated with seeking treatment for mental health disorders has been demonstrated to prevent some veterans from seeking such treatment at a medical facility operated by the Department of Defense or the Department of Veterans Affairs.

(2) There is a significant incidence among veterans of post-deployment mental health problems, especially among members of a reserve component who return as veterans to civilian life.

(3) Computer-based self-guided training has been demonstrated to be an effective strategy for supplementing the care of psychological conditions.

(4) Younger veterans, especially those who served in Operation Enduring Freedom or Operation Iraqi Freedom, are comfortable with and proficient at computer-based technology.

(5) Veterans living in rural areas may find access to treatment for substance use disorder limited.

(6) Self-assessment and treatment options for substance use disorders through an Internet website may reduce stigma and provide additional access for individuals seeking care and treatment for such disorders.

(b) In General.—Not later than October 1, 2009, the Secretary of Veterans Affairs shall carry out a pilot program to assess the feasibility and advisability of providing veterans who seek treatment for substance use disorders access to a computer-based self-assessment, education, and specified treatment program through a secure Internet website operated by the Secretary. Participation in the pilot program shall be available on a voluntary basis for those veterans who have served in Operation Enduring Freedom or Operation Iraqi Freedom.

(c) Elements of Pilot Program.—

(1) In General.—In carrying out the pilot program under this section, the Secretary shall ensure that—

(A) access to the Internet website and the programs available on the website by a veteran (or family member) does not involuntarily generate an identifiable medical record of that access by that veteran in any medical database maintained by the Department of Veterans Affairs;

(B) the Internet website is accessible from remote locations, especially rural areas; and

(C) the Internet website includes a self-assessment tool for substance use disorders, self-guided treatment and educational materials for such disorders, and appropriate information and materials for family members of veterans.

(3) Location of Pilot Program.—The Secretary shall carry out the pilot program through those medical centers of the Department of Veterans Affairs that have established Centers for Excellence for Substance Abuse Treatment and Education or that have established a Substance Abuse Program Evaluation and Research Center.

(4) Contract Authority.—The Secretary may enter into contracts with qualified entities or organizations to carry out the pilot program required under this section.

(5) Duration of Pilot Program.—The pilot program required by subsection (a) shall be carried out during the two-year period beginning on the date of the commencement of the pilot program.

(e) Report.—Not later than six months after the completion of the pilot program, the Secretary shall submit to Congress a report on the pilot program, and shall include in that report an assessment of the feasibility and advisability of continuing or expanding the pilot program, of any cost savings or other benefits associated with the pilot program, and any other recommendations.

(f) Authorization of Appropriations.—There are authorized to be appropriated to the Secretary of Veterans Affairs $1,500,000 for each of fiscal years 2010 and 2011 to carry out the pilot program under this section.

(g) Ratification of Actions During Period of Expired Authority

L. 104–110 that was taken during period beginning on date on which authority of Secretary under such provision of law expired and ending on Feb. 13, 1996, considered to have same force and effect as if such amendment had been in effect at time of that action, see section 103 of Pub. L. 104–110, set out as a note under section 1710 of this title.

REPORT ON CONSOLIDATION OF CERTAIN PROGRAMS

Section 202(a) of Pub. L. 104–110 provided that: ‘‘The Secretary of Veterans Affairs shall submit to Congress, not later than March 1, 1997, a report on the advantages and disadvantages of consolidating into one program the following three programs:

(1) The alcohol and drug abuse contract care program under section 1720A of title 38, United States Code.

(3) The demonstration program under section 7 of Public Law 102–54 (38 U.S.C. 1718 note).’’

LOANS TO ORGANIZATIONS PROVIDING TRANSITIONAL HOUSING FOR SUBSTANCE ABUSERS

Section 8 of Pub. L. 102–54 provided that:

(a) Loan Program.—The Secretary of Veterans Affairs may make loans in accordance with this section to assist in the provision of transitional housing exclusively to veterans who are in (or who recently have been in) a program for the treatment of substance abuse.

(b) Loan Recipients.—A loan under this section may only be made to a nonprofit organization under selection criteria promulgated by the Secretary and only to assist that organization in leasing housing units for use as a group residence for the purposes described in subsection (a). The amount of such a loan that is used with respect to any single residential unit may not exceed $4,500. In making loans under this subsection, the Secretary shall, except to the extent that the Secretary determines that it is infeasible to do so, ensure that:

(1) each loan is repaid within two years after the date on which the loan is made;

(2) each loan is repaid through monthly installments and that a reasonable penalty is assessed for each failure to pay an installment by the date specified in the loan agreement involved; and

(3) each loan is made only to a nonprofit private entity which agrees that, in the operation of each residence established with the assistance of the loan—

(A) the use of alcohol or any illegal drug in the residence will be prohibited;

(B) any resident who violates the prohibition in clause (A) shall be expelled from the residence;

(C) the costs of maintaining the residence, including fees for rent and utilities, will be paid by the residents;

(D) the residents will, through a majority vote of the residents, otherwise establish policies governing the conditions of residence, including the manner in which applications for residence are approved; and
“(E) the residence will be operated solely as a residence for not less than six veterans.

“(c) FUNDING.—Loans under this section shall be made from the special account of the General Post Fund of the Department of Veterans Affairs established for purposes of this section. The amount of such loans outstanding at any time may not exceed $100,000. Amounts received as payment of principal and interest on such loans shall be deposited in that account. The operation of the loan program under this section shall be separately accounted for, and shall be separately stated in the documents accompanying the President’s budget for each fiscal year.

“(d) TERMS AND CONDITIONS.—Loans under this section shall be made on such terms and conditions, including interest, as the Secretary prescribes.

“(e) REPORT.—After the end of the 15-month period beginning on the date the first loan is extended under this section, the Secretary shall issue a report on the Department’s experience under the section. The report shall include the following information:

“(1) The default rate on loans extended under this section.

“(2) The manner in which loan payments are collected.

“(3) The number of facilities at which loans have been extended.

§ 1904. Plans of insurance

(a) Insurance may be issued on the following plans: Five-year level premium term, ordinary life, twenty-payment life, thirty-payment life, twenty-year endowment, endowment at age sixty, and endowment at age sixty-five. Level premium term insurance may be converted as of the date when any premium becomes or has been due, or exchanged as of the date of the date when any premium becomes or has been due, or exchanged as of the date of the endowment term insurance thereunder shall be automatically reduced by one-half thereof, without any reduction in premium. Any person eligible for insurance under section 1922(a), or section 1925 of this title may be granted a modified life insurance policy under this subsection which, subject to exception (2) above, shall be issued on the same terms and conditions specified in section 1922(a) or section 1925, whichever is applicable.

(d) Any insured whose modified life insurance policy is in force by payment or waiver of premiums on the day before the insured's sixty-fifth birthday may upon written application and payment of premiums made before such birthday be granted National Service Life Insurance, on an ordinary life plan, without physical examination, in an amount of not less than $500, in multiples of $250, but not in excess of one-half of the face amount of the modified life insurance policy in force on the day before the insured's sixty-fifth birthday. Insurance issued under this subsection shall be effective on the sixty-fifth birthday of the insured. The premium rate, cash, loan, paid-up, and extended values on the ordinary life insurance issued under this subsection shall be based on the same mortality tables and interest rates as the insurance issued under the modified life policy. Settlements on policies involving annuities on insurance issued under this subsection shall be based on the same mortality or annuity tables and interest rates as such settlements on the modified life policy. If the insured is totally disabled on the day before the insured's sixty-fifth birthday and premiums on the insured's modified life insurance policy are being waived under section 1912 of this title or the insured is entitled on that date to waiver under section 1907 of this title the insured shall be automatically granted the maximum amount of insurance authorized under this subsection and premiums on such insurance shall be waived during the continuous total disability of the insured.

(e) After June 30, 1972, and under such regulations as the Secretary may promulgate, insurance may be converted to or exchanged for insurance on a modified life plan under the same terms and conditions as are set forth in subsections (b) and (c) of this section except that at the end of the day preceding the seventieth birthday of the insured the face value of the modified life insurance policy or the amount of extended insurance thereunder shall be automatically reduced by one-half thereof, without any reduction in premium. Any insured whose modified life insurance policy issued under this subsection is in force by payment or waiver of premiums on the day before the insured's seventieth birthday may be granted insurance on the ordinary life plan upon the same terms and conditions as are set forth in subsection (d) of this section except that in applying such provisions the seventieth birthday is to be substituted for the sixty-fifth birthday. Notwithstanding any other provision of law or regulations the Secretary under such terms and conditions as the
Secretary determines to be reasonable and practicable and upon written application and payment of the required premiums, reserves, or other necessary amounts made within one year from the effective date of this subsection by an insured having in force a modified life plan issued under subsection (b) or (c) of this section, including any replacement insurance issued under subsection (d) of this section or other provision of this title, can exchange such insurance without proof of good health for an amount of insurance issued under this subsection equal to the insurance then in force or which was in force on the day before such insured’s sixty-fifth birthday, whichever is the greater. AMENDMENTS

1991—Pub. L. 102–83, §5(a), renumbered section 704 of this title as this section.

Pub. L. 102–83, §4(b)(1), (2)(E), substituted “Secretary” for “Administrator”.

Subsec. (e). Pub. L. 99–576, §701(21)(B), substituted “the insured’s” for “his” and “the Administrator” for “he”. 1986—Subsec. (e). Pub. L. 99–576 substituted “the” for “his” in three places and “the insured” for “him”.

L. 91–291 made it a requirement for renewal of lapsed policies that the insured make application for reinstatement and renewal of the term policy within five years after the date of lapse, and reinstatement in such cases shall be under the terms and conditions prescribed by the Secretary. In any case in which the insured is shown by evidence satisfactory to the Secretary to be totally disabled at the expiration of the level premium term period of the insurance under conditions which would entitle the insured to continued insurance protection but for such expiration, the insurance, if subject to renewal under this section, shall be automatically renewed for an additional period of five years at the premium rate for the then attained age, unless the insured has elected insurance on some other available plan.

Effective Date of 1964 Amendment

Amendment by Pub. L. 88–664 effective first day of first calendar month which begins more than six calendar months after Oct. 13, 1964, see section 12(d) of Pub. L. 88–664, set out as an Effective Date note under section 1923 of this title.

§ 1905. Renewal

All level premium term policies, except as otherwise provided in this section, shall cease and terminate at the expiration of the term period. At the expiration of any term period any five-year level premium term policy which has not been exchanged or converted to a permanent plan of insurance and which is not lapsed shall be renewed as level premium term insurance without application for a successive five-year period at the premium rate for the attained age without medical examination. However, renewal will be effected in cases where the policy is lapsed only if the insured makes application for reinstatement and renewal of the term policy within five years after the date of lapse, and reinstatement in such cases shall be under the terms and conditions prescribed by the Secretary. In any case in which the insured is shown by evidence satisfactory to the Secretary to be totally disabled at the expiration of the level premium term period of the insurance under conditions which would entitle the insured to continued insurance protection but for such expiration, the insurance, if subject to renewal under this section, shall be automatically renewed for an additional period of five years at the premium rate for the then attained age, unless the insured has elected insurance on some other available plan.

§ 1906. Policy provisions

Provisions for cash, loan, paid-up, and extended values, dividends from gains and savings,
refund of unearned premiums, and such other provisions as may be found to be reasonable and practicable may be provided for in the policy of insurance from time to time by regulations promulgated by the Secretary.

AMENDMENTS

1991—Pub. L. 102–83 renumbered section 706 of this title as this section and substituted “Secretary” for “Administrator”.

§ 1907. Payment or use of dividends

(a) Until and unless the Secretary has received from the insured a request or directive in writing exercising any other dividend option allowable under the insured’s policy, any dividend accumulations and unpaid dividends shall be applied in payment of premiums becoming due on insurance subsequent to the date the dividend is payable after January 1, 1992.

(b) No claim by an insured for payment in cash of a special dividend declared prior to January 1, 1952, shall be processed by the Secretary unless such claim was received within six years after such dividend was declared. Whenever any claim for payment of a special dividend, the processing of which is barred by this subsection, is received by the Secretary, it shall be returned to the claimant, with a copy of this subsection, and such action shall be a complete response without further communication.

(c) The Secretary, upon application in writing made by the insured for insurance under this subsection, and without proof of good health, is authorized to apply any dividend due and payable on national service life insurance after the date of such application to purchase paid up insurance. Also, the Secretary, upon application in writing made by the insured during the one-year period beginning September 1, 1991, and without proof of good health, is authorized to apply any national service life insurance dividend credits and deposits of such insured existing at the date of the insured’s application to purchase paid up insurance. After September 1, 1992, the Secretary may, from time to time, provide for further one-year periods during which insureds may purchase additional paid up insurance from existing dividend credits and deposits. Any such period for the purchase of additional paid up insurance may be allowed only if the Secretary determines in the case of any such period that it would be actuarially and administratively sound to do so.

L. 102–83, §3, by substituting “during the one-year period beginning September 1, 1991” for “before February 1, 1973” and inserting after second sentence “After September 1, 1992, the Secretary may, from time to time, provide for further one-year periods during which insureds may purchase additional paid up insurance from existing dividend credits and deposits. EFFECTIVE DATE OF 1971 AMENDMENT

Section 4 of Pub. L. 92–188 provided that: “The amendments made by this Act [amending this section and sections 703 and 741 (now 703 and 741) of this title] shall take effect on a date established by the Administrator but in no event later than the first day of the first calendar month which begins more than six calendar months after the date of enactment of this Act [Dec. 15, 1971].”

L. 102–83, §5, by substituting “during the one-year period beginning September 1, 1991” for “before February 1, 1973” and inserting after second sentence “After September 1, 1992, the Secretary may, from time to time, provide for further one-year periods during which insureds may purchase additional paid up insurance from existing dividend credits and deposits. § 1908. Premium payments

The Secretary shall, by regulations, prescribe the time and method of payment of the premiums on insurance, but payments of premiums in advance shall not be required for periods of more than one month each, and may at the election of the insured be deducted from the insured’s active-service pay or be otherwise made. An amount equal to the first premium due under a National Service Life Insurance policy may be advanced from current appropriations for active-service pay to any person in the active service in the Army, Navy, Air Force, Marine Corps, or Coast Guard, which amount shall constitute a lien upon any service or other pay accruing to the person for whom such advance was made and shall be collected therefrom if not otherwise paid. No insurance shall be payable for death inflicted as a lawful punishment for crime or for military or naval offense, except when inflicted by an enemy of the United States; but the cash surrender value, if any, of such insurance on the date of such death shall be paid to the designated beneficiary, if living, or otherwise to the beneficiary or beneficiaries within the permitted class in accordance with the order specified in section 1916(b) of this title.

§ 1916. Insurance which matured before August 1, 1946

(a) Insurance which matured before August 1, 1946, is payable in the following manner:

(1) If the beneficiary to whom payment is first made was under thirty years of age at the time of maturity, in two hundred and forty equal monthly installments.

(2) If the beneficiary to whom payment is first made was thirty or more years of age at the time of maturity, in equal monthly installments for one hundred and twenty months
certain, with such payments continuing during the remaining lifetime of such beneficiary. (3) If elected by the insured or a beneficiary entitled to make such an election under prior provisions of law, as a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary. A refund life income option is not available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months. If the mode of payment is changed to a refund life income in accordance with prior provisions of law, after payment has commenced, payment of monthly installments will be adjusted as of the date of maturity of such policy with credit being allowed for payments previously made on the insurance.

(b) Such insurance shall be payable only to a widow, widower, child, parent, brother or sister of the insured. Any installments certain of such insurance remaining unpaid at the death of any beneficiary shall be paid in equal monthly installments in an amount equal to the monthly installments paid to the first beneficiary, to the person or persons then in being within the following classes, and in the order named, unless designated by the insured in a different order:

(1) To the widow or widower of the insured, if living.
(2) If no widow or widower, to the child or children of the insured, if living, in equal shares.
(3) If no widow, widower, or child, to the parent or parents of the insured who last bore that relationship, if living, in equal shares.
(4) If no widow, widower, child, or parent, to the brothers and sisters of the insured, if living, in equal shares.

(c) The provisions of this section shall not be construed to enlarge the classes of beneficiaries heretofore authorized under section 602(d) of the National Service Life Insurance Act of 1940, for payment of gratuitous insurance.

(d) If no beneficiary of insurance which matured before August 1, 1946, was designated by the insured or if the designated beneficiary did not survive the insured, the beneficiary shall be determined in accordance with the order specified in subsection (b) and the insurance shall be payable in equal monthly installments in accordance with subsection (a). The right of any beneficiary to payment of any installments of such insurance shall be conditioned upon his or her being alive to receive such payments. No person shall have a vested right to any installment or installments of any such insurance and any installments not paid to a beneficiary during such beneficiary’s lifetime shall be paid to the beneficiary or beneficiaries within the permitted class next entitled to priority, as provided in subsection (b).

(e) No installments of insurance which matured before August 1, 1946, shall be paid to the heirs or legal representatives as such of the insured or of any beneficiary, and if no person within the permitted class survives to receive the insurance or any part thereof no payment of the unpaid installments shall be made, except that if the reserve of a contract of converted National Service Life Insurance, together with dividends accumulated thereon, less any indebtedness under such contract, exceeds the aggregate amount paid to beneficiaries, the excess shall be paid to the estate of the insured unless the estate of the insured would escheat under the laws of the insured’s place of residence, in which event no payment shall be made. When the amount of an individual monthly payment of such insurance is less than $5, such amount may, in the discretion of the Secretary, be allowed to accumulate without interest and be disbursed annually.

(f) Any payments of insurance made to a person, represented by the insured to be within the permitted class of beneficiaries, shall be deemed to have been properly made and to satisfy fully the obligations of the United States under such insurance policy to the extent of such payments.

§1917. Insurance maturing on or after August 1, 1946
(a) The insured shall have the right to designate the beneficiary or beneficiaries of insurance maturing on or after August 1, 1946, and shall, subject to regulations, at all times have the right to change the beneficiary or beneficiaries of such insurance without the consent of such beneficiary or beneficiaries.

(b) Insurance maturing on or after August 1, 1946, shall be payable in accordance with the following optional modes of settlement:

(1) In one sum.
(2) In equal monthly installments of from thirty-six to two hundred and forty in number, in multiples of twelve.
(3) In equal monthly installments for one hundred and twenty months certain with such payments continuing during the remaining lifetime of the first beneficiary.
(4) As a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary; however, such optional settlement shall not be available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months.

(c) Except as provided in the second and third sentences of this subsection, unless the insured elects some other mode of settlement, such insurance shall be payable to the designated beneficiary or beneficiaries in thirty-six equal monthly installments. The first beneficiary may elect to receive payment under any option which provides for payment over a longer period of time than the option elected by the insured, or if no option has been elected by the insured, in excess of thirty-six months. In the case of insurance maturing after September 30, 1981, and for which no option has been elected by the insured, the first beneficiary may elect to receive payment in one sum. If the option selected requires payment to any one beneficiary of monthly installments of less than $10, the amount payable to such beneficiary shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than $10. If the present value of the amount payable at the time any person initially becomes entitled to payment thereof is not sufficient to pay at least twelve monthly installments of not less than $10 each, such amount shall be payable in one sum. Options (3) and (4) shall not be available if any firm, corporation, legal entity (including the estate of the insured), or trustee is designated beneficiary.

(d) If the beneficiary of such insurance is entitled to a lump-sum settlement but elects some other mode of settlement and dies before receiving all the benefits due and payable under such mode of settlement, the present value of the remaining unpaid amount shall be payable to the estate of the beneficiary. If no beneficiary is designated by the insured, or if the designated beneficiary does not survive the insured, or if a designated beneficiary not entitled to a lump-sum settlement survives the insured, and dies before receiving all the benefits due and payable, then the commuted value of the remaining unpaid insurance (whether accrued or not) shall be paid in one sum to the estate of the insured. In no event shall there be any payment to the estate of the insured or of the beneficiary of any sums unless it is shown that any sums paid will not escheat.

(e) Under such regulations as the Secretary may promulgate, the cash surrender value of any policy of insurance or the proceeds of an endowment contract which matures by reason of completion of the endowment period may be paid to the insured under option (2) or (4) of this section. All settlements under option (4), however, shall be calculated on the basis of The Annuity Table for 1949. If the option selected requires payment of monthly installments of less than $10, the amount payable shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than $10.

as a permanent trust fund. Except as otherwise provided in this chapter, all premiums paid on account of National Service Life Insurance shall be deposited and covered into the Treasury to be invested and reinvested therein, shall be available for the payment of liabilities under such insurance, including payment of dividends and refunds of unearned premiums, and for the reimbursement of administrative costs under subsection (c). Payments from this fund shall be made upon and in accordance with awards by the Secretary.

(b) The Secretary is authorized to set aside out of such fund such reserve amounts as may be required under accepted actuarial principles to meet all liabilities under such insurance; and the Secretary of the Treasury is authorized to invest and reinvest such fund, or any part thereof, in interest-bearing obligations of the United States or in obligations guaranteed as to principal and interest and to sell such obligations for the purposes of such fund.

(c)(1) For each fiscal year for which this subsection is in effect, the Secretary shall, from the National Service Life Insurance Fund, reimburse the “General operating expenses” account of the Department for the amount of administrative costs determined under paragraph (2) for that fiscal year. Such reimbursement shall be made from any surplus earnings for that fiscal year that are available for dividends on such insurance after claims have been paid and actuarially determined reserves have been set aside. However, if the amount of such administrative costs exceeds the amount of such surplus earnings, such reimbursement shall be made only to the extent of such surplus earnings.

(2) The Secretary shall determine the administrative costs to the Department for a fiscal year for which this subsection is in effect which, in the judgment of the Secretary, are properly allocable to the provision of National Service Life Insurance (and to the provision of any total disability income provision), and to sell such obligations for the purposes of such fund.

(d) Whenever benefits under the total disability income provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the premiums so waived shall be paid by the United States and the Secretary shall transfer from time to time an amount equal to the amount of such premiums from the National Service Life Insurance appropriation to the National Service Life Insurance Fund such sums as may be necessary to carry out the provisions of this section.

(e) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

§ 1921. Extra hazard costs

(a) The United States shall bear the excess mortality cost and the cost of waiver of premiums on account of total disability traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary.

(b) Whenever benefits under insurance become payable because of the death of the insured as the result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the liability for payment of such benefits shall be borne by the United States in an amount which, when added to the reserve of the policy at the time of death of the insured will equal the then value of such benefits under such policy. Where life contingencies are involved in the calculation of the value of such benefits of insurance heretofore or hereafter matured, the calculation of such liability or liabilities shall be based upon such mortality table or tables as the Secretary may prescribe with interest at the rate of 3 per centum per annum. The Secretary shall transfer from time to time from the National Service Life Insurance appropriation to the National Service Life Insurance Fund such sums as may be necessary to carry out the provisions of this section.

(c) Whenever the premiums under insurance are waived because of the total disability of the insured as a result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the premiums so waived shall be paid by the United States and the Secretary shall transfer from time to time an amount equal to the amount of such premiums from the National Service Life Insurance appropriation to the National Service Life Insurance Fund.

(d) Whenever benefits under the total disability income provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States, and the Secretary shall transfer from the National Service Life Insurance appropriation to the National Service Life Insurance Fund from time to time any amounts which become, or have become, payable to the insured on account of such total disability, and to transfer from the National Service Life Insurance Fund to the National Service Life Insurance appropriation the amount of the reserve held on account of the total disability benefit. When a person receiving such payments on account of total disability recovers from such disability, and is then entitled to continue protection under the total disability income provision, the Secretary shall transfer to the National Service Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.

§ 1922. Exception to不免

(a) The United States shall bear the excess mortality cost and the cost of waiver of premiums on account of total disability traceable to the extra hazard of military or naval service.

SUBCHAPTER II—UNITED STATES GOVERNMENT LIFE INSURANCE

§ 1940. Definition

For the purposes of this subchapter, the term “insurance” means United States Government life insurance.

AMENDMENTS
1991—Pub. L. 102–83 renumbered section 740 of this title as this section.

§ 1941. Amount of insurance

United States Government life insurance shall be issued against death or total permanent disability in any multiple of $500 and not less than $1,000 or more than $10,000. No person may carry a combined amount of National Service Life Insurance and United States Government life insurance in excess of $10,000 at any one time. The limitations of this section shall not apply to the additional paid up insurance the purchase of which is authorized under section 1907 of this title.

AMENDMENTS

annuity accounts that are in excess of actuarial liabilities. For the purposes of this subchapter, the term “insurance” means United States Government life insurance.
§ 1942. Plans of insurance

(a) Regulations shall provide for the right to convert insurance on the five-year level premium term plan into ordinary life, twenty-pay life, endowment maturing at age sixty-two, and into other usual forms of insurance as may be prescribed by the Secretary. Provision shall be made for reconversion of any such policies to a higher premium rate or, upon proof of good health satisfactory to the Secretary, to a lower premium rate, in accordance with regulations to be issued by the Secretary. No reconversion shall be made to a five-year level premium term policy.

(b) An insured who on or after the insured's sixty-fifth birthday has a five-year level premium term policy of insurance in force by payment of premiums may exchange such policy for insurance on a special endowment at age ninety-six plan upon written application; payment of the required premium; and surrender of the five-year level premium term policy and any total disability provision attached thereto with all rights, title, and interests thereunder. However, if it is found by the Secretary subsequent to the exchange that prior thereto the term policy matured because of total permanent disability of the insured or that the insured was entitled to total disability benefits under the total disability provision attached to such policy, the insured, upon surrender of the special endowment at age ninety-six policy and any provision for waiver of premiums issued under subsection (c) of this section with all rights, title, and interest thereunder, will be entitled to benefits payable under the prior contract. In such case, the cash value less any indebtedness on the endowment policy shall be refunded together with any premiums paid on a provision for waiver of premiums. Insurance on the special endowment at age ninety-six plan shall be issued at the attained age of the insured upon the same terms and conditions as are contained in standard policies of United States Government Life Insurance except:

1. the insurance shall not mature and no benefits shall be paid thereunder because of total permanent disability;
2. the premiums for such insurance shall be as prescribed by the Secretary;
3. such insurance cannot be exchanged, converted, or reconverted to any other plan of insurance;
4. all cash, loan, paid-up, and extended term insurance values shall be as prescribed by the Secretary; and
5. the insurance shall be subject to such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

(c) The Secretary shall, upon application made by the insured at the same time as the insured exchanges the term policy for an endowment policy issued under the provisions of subsection (b) of this section, and upon payment of such extra premium as the Secretary shall prescribe, include in such endowment policy a provision for waiver of premiums on the policy and on the provision during the total permanent disability of the insured, if such disability began after the date of such application and while the policy and the provision are in force by payment of premiums. The Secretary shall not grant waiver of any premium becoming due more than one year before receipt by the Secretary of claim for the same, except as provided in this subsection. Any premiums paid for months during which waiver is effective shall be refunded. The Secretary shall provide by regulations for examination or reexamination of an insured claiming waiver of premiums under this subsection, and may deny waiver for failure to cooperate. If it is found that an insured is no longer totally and permanently disabled, the waiver of premiums shall cease as of the date of such finding and the policy and provision may be continued by payment of premiums as provided therein. In any case in which the Secretary finds that the insured's failure to make timely claim for waiver of premiums, or to submit satisfactory evidence of the existence or continuance of total permanent disability was due to circumstances beyond the insured's control, the Secretary may grant waiver or continuance of waiver of premiums. If the insured dies without filing claim for waiver, the beneficiary, within one year after the death of the insured, or, if the beneficiary is insane or a minor, within one year after removal of such legal disability, may file claim for waiver with evidence of the insured's right to waiver under this subsection. Policies containing a provision for waiver of premiums issued under this subsection may be separately classified for the purpose of dividend distribution from otherwise similar policies not containing such provision.
§ 1943. Premiums

The premium rates for insurance shall be the net rates based upon the American Experience Table of Mortality and interest at 3% percent per annum. Regulations shall prescribe the time and method of payment of premiums, but payments of premiums in advance shall not be required for periods of more than one month each, and may be deducted from the pay or deposit of the insured or be otherwise made at the insured’s election.

(b) All calculations on insurance shall be based upon the American Experience Table of Mortality and interest at 3% percent per annum, except that no deduction shall be made for continuous installments during the life of the insured in case the insured’s total and permanent disability continues more than two hundred and forty months.

(c) On and after July 19, 1939, the rate of interest charged on any loan secured by a lien on insurance shall not exceed 5 percent per annum.

§ 1945. Renewal

At the expiration of any term period any insurance policy issued on the five-year level premium term plan which has not been exchanged or converted to a permanent plan of insurance and which is not lapsed shall be renewed as level premium term insurance without application for a successive five-year period at the premium rate for the attained age without medical examination. However, renewal shall be effected in cases where the policy is lapsed only if the insured makes application for reinstatement and renewal of the insured’s term policy within five years after the date of lapse, and reinstatement in such cases shall be under the terms and conditions prescribed by the Secretary.

EFFECTIVE DATE OF 1970 AMENDMENT

§ 1946. Dividends to pay premiums

Until and unless the Secretary has received from the insured a request in writing for payment of dividends in cash or that the dividends be placed on deposit in accordance with the provisions of the insured’s policy, any regular annual dividends shall be applied in payment of premiums becoming due on insurance after the date the dividend is payable on or after December 31, 1958.

§ 1949. Change of beneficiary

The Secretary shall include in United States Government life insurance policies provision whereby an insured, who is totally disabled as a result of disease or injury for a period of four consecutive months or more before attaining the age of sixty-five years and before default in payment of any premium, shall be paid disability benefits at the rate of $5.75 monthly for each $1,000 of insurance in force when total disability benefits become payable. § 1955. United States Government Life Insurance Fund

(a) All premiums paid on account of United States Government life insurance shall be deposited and covered into the Treasury to the credit of the United States Government Life Insurance Fund and shall be available for the payment of losses, dividends, refunds, and other benefits provided for under such insurance, including such liabilities as shall have been or shall hereafter be reduced to judgment in a district court of the United States or the United States District Court for the District of Columbia, and for the reimbursement of administrative costs under subsection (c). Payments from this fund shall be made upon and in accordance with awards by the Secretary.

(b) The Secretary is authorized to set aside out of the funds so collected such reserve funds as may be required, under accepted actuarial principles, to meet all liabilities under such insurance; and the Secretary of the Treasury is authorized to invest and reinvest the said United States Government Life Insurance Fund, or any part thereof, in interest-bearing obligations of the United States or of the bonds of the Federal farm-loan banks and to sell said obligations of the United States or the bonds of the Federal farm-loan banks for the purposes of such fund.

(c)(1) For each fiscal year for which this subsection is in effect, the Secretary shall, from the United States Government Life Insurance Fund, reimburse the “General operating expenses” account of the Department for the amount of administrative costs determined under paragraph (2) for that fiscal year. Such reimbursement shall be made from any surplus earnings for that fiscal year that are available for dividends on such insurance after claims have been paid and actuarially determined reserves have been set aside. However, if the amount of such administrative costs exceeds the amount of such surplus earnings, such reimbursement shall be made only to the extent of such surplus earnings.

(2) The Secretary shall determine the administrative costs to the Department for a fiscal year for which this subsection is in effect which, in the judgment of the Secretary, are properly allocable to the provision of United States Government Life Insurance (and to the provision of any total disability income insurance added to the provision of such insurance).

(3) This subsection shall be in effect only with respect to fiscal year 1996.

All premiums that may hereafter be collected for yearly renewable term insurance shall be deposited and covered into the Treasury for the credit of this appropriation. § 1957. Extra hazard costs

(a) The United States shall bear the excess mortality and disability cost resulting from the hazards of war on United States Government life insurance.

(b) Whenever benefits under United States Government life insurance become, or have become, payable because of total permanent disability of the insured or because of the death of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States. In such cases the Secretary shall transfer from the military and naval insurance appropriation to the United States Government Life Insurance Fund a sum which, together with the reserve of the policy at the time of maturity of total permanent disability or death, will equal the then required reserve on such total disability. When a person receiving such payments on account of total disability recovers from such disability and is then entitled to continued protection under the total disability provision, the Secretary shall transfer to the United States Government Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.

(d) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

Any former member insured under Servicemembers’ Group Life Insurance who again becomes eligible for Servicemembers’ Group Life Insurance and declines such coverage solely for the purpose of maintaining such member’s Servicemembers’ Group Life Insurance in effect shall upon termination of coverage under Servicemembers’ Group Life Insurance be automatically insured under Servicemembers’ Group Life Insurance, if otherwise eligible therefor.

(d) Whenever a member has the opportunity to make an election under subsection (a) not to be insured under this subchapter, or to be insured under this subchapter in an amount less than the maximum amount in effect under paragraph (3)(A)(i) of that subsection, and at such other times periodically thereafter as the Secretary concerned considers appropriate, the Secretary concerned shall furnish to the member general information concerning life insurance. 2008—Subsec. (a)(1)(C), (5)(C). Pub. L. 110–389 substituted ‘‘subparagraph (B) or (C) of section 1965(5) of this title‘‘ for ‘‘section 1965(5)(B) of this title‘‘.

Subsec. (a)(3)(A). Pub. L. 109–13, §1012(f)(1), which directed addition of subpar. (A), was repealed by Pub. L. 109–80, §2. See Effective and Termination Dates of 2005 Amendments note below. Subpar. ‘‘(2) The additional amount of insurance under this subchapter that is provided for a member by this sub-
section is $150,000, except that in a case in which the amount provided for or elected by the member under subsection (a)(3)(A) exceeds $250,000, the additional amount of insurance under this subchapter that is provided for the member by this subsection shall be reduced to such amount as is necessary to comply with the limitation in paragraph (3).

The total amount of insurance payable for a member under this subchapter may not exceed $400,000.

“(4) While a member is serving in an operation or area designated as described in paragraph (1), the cost of insurance of the member under this subchapter that is attributable to $150,000 of insurance coverage shall, at the election of the Secretary concerned—

“(A) be contributed as provided in section 1966(b) of this title, rather through deduction or withholding from the member’s pay; or

“(B) if deducted or withheld from the member’s pay, be reimbursed to the member through such mechanism as the Secretary concerned determines appropriate.”

Pub. L. 109–13, § 4(b)(1), amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows: “Any policy of insurance purchased by the Secretary under section 1966 of this title shall automatically insure against death—

“(2) any member of the Ready Reserve of a uniformed service who meets the qualifications set forth in subparagraph (B) or (C) of section 1965(5) of this title, in the amount of $250,000, unless such member elects in writing (A) not to be insured under this subchapter, or (B) to be insured in an amount less than $250,000 that is evenly divisible by $10,000. The insurance shall be effective the first day of active duty or active duty for training, or the beginning of a period of inactive duty training scheduled in advance by competent authority, or the first day a member of the Ready Reserve meets the qualifications set forth in subparagraph (B) or (C) of section 1965(5) of this title, or the date certified by the Secretary to the Secretary concerned as the date Servicemen’s Group Life Insurance under this subchapter became available to members of the Reserve components of a uniformed service who meet the qualifications set forth in subparagraph (B) or (C) of section 1965(5) of this title, whichever is the later date.”

Subsec. (c). Pub. L. 107–14, § 4(b)(1), amended first sentence and struck out former first sentence which read as follows: “If any member elects not to be insured under this subchapter or to be insured in any amount less than $250,000, such member may thereafter be insured under this subchapter in the amount of $250,000 or any lesser amount evenly divisible by $10,000.”

1994—Subsec. (a). Pub. L. 103–337, § 651(b)(4), inserted “or the first day a member of the Reserves meets the qualifications of section 1966(b) of this title, after section 1965(5)(C) of this title,” after “section 1965(5)(B) of this title,” in concluding provisions.

§ 1969. Deductions; payment; investment; expenses

(a)(1) During any period in which a member, on active duty or active duty for training under a call or order to such duty that does not specify a period of less than thirty-one days, is insured under Servicemembers’ Group Life Insurance, there shall be deducted each month from the member’s basic or other pay until separation or release from such duty an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(2)(A) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications of (subparagraph (B) or (C) of section 1965(5) of this title, and is insured under a policy of insurance purchased by the Secretary, under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under this policy, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any individual shall be collected by the Secretary concerned from such individual (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made.

(B) If an individual who is required pursuant to subparagraph (A) to make a direct remittance of costs to the Secretary concerned fails to make the required remittance within 60 days of the date on which such remittance is due, such individual’s insurance with respect to which such remittance is required shall be terminated by the Secretary concerned. Such termination shall be made by written notice to the individual’s official address and shall be effective 60 days after the date of such notice. Such termination of insurance may be vacated if, before the effective date of termination, the individual remits all amounts past due for such insurance and demonstrates to the satisfaction of the Secretary concerned that the failure to make timely remittances was justifiable.

(3) During any fiscal year, or portion thereof, that a member is on active duty or active duty for training under a call or order to such duty that specifies a period of less than thirty-one days, or is authorized or required to perform inactive duty training scheduled in advance by competent authority, and is insured under Servicemembers’ Group Life Insurance, the Secretary concerned shall collect from the member (by deduction from pay or otherwise) an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(b) For each month for which any member is so insured, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary concerned to be the cost of Servicemembers’ Group Life Insurance which is traceable to the extra hazard of duty in the uniformed services. Effective January 1, 1970, such cost shall be determined by the Secretary on the basis of the excess mortality incurred by members and former members of the uniformed services insured under Servicemembers’ Group Life Insurance above what their mortality would have been under peacetime conditions as such mortality is determined by the Secretary using such methods and data as the Secretary shall determine to be reasonable and practicable. The Secretary is authorized to make such adjustments regarding contributions from pay appropriations as may be indicated from actual experience.

(c) An amount equal to the first amount due on Servicemembers’ Group Life Insurance may be advanced from current appropriations for active-service pay to any such member, which amount shall constitute a lien upon any service or other pay accruing to the person from whom such advance was made and shall be collected therefrom if not otherwise paid. No disbursing or certifying officer shall be responsible for any loss incurred by reason of such advance.
(d)(1) The sums withheld from the basic or other pay of members, or collected from them by the Secretary concerned, under subsection (a) of this section, and the sums contributed from appropriations under subsection (b) of this section, together with the income derived from any dividends or premium rate adjustments received from insurers shall be deposited to the credit of a revolving fund established in the 'Treasury of the United States. All premium payments and extra hazard costs on Servicemembers' Group Life Insurance and the administrative cost to the Department of insurance issued under this subchapter shall be paid from the revolving fund.

(2) The Secretary is authorized to set aside out of the revolving fund such amounts as may be required to meet the administrative costs to the Department of insurance issued under this subchapter and all current premium payments and extra hazard costs on any insurance policy or policies purchased under section 1966 of this title. The Secretary of the Treasury is authorized to invest in and to sell and retire special interest-bearing obligations of the United States for the account of the revolving fund. Such obligations issued for this purpose shall have maturities fixed with due regard for the needs of the fund and shall bear interest at a rate equal to the average market yield (computed by the Secretary of the Treasury on the basis of market quotations as of the end of the calendar month next preceding the date of issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum nearest such market yield.

(3) Notwithstanding the provisions of section 1962 of this title, the Secretary shall, from time to time, determine the administrative costs to the Department which in the Secretary's judgment are properly allocable to insurance issued under this subchapter and shall transfer such cost from the revolving fund to the appropriation "General Operating Expenses, Department of Veterans Affairs".

(e) The Secretary of Defense shall prescribe regulations for the administration of the functions of the Secretaries of the military departments under this section. Such regulations shall prescribe such procedures as the Secretary of Defense, after consultation with the Secretary, may consider necessary to ensure that such functions are carried out in a timely and complete manner and in accordance with the provisions of this section, including specifically the provisions of subsection (a)(2) of this section relating to contributions from appropriations made for active duty pay.

(f)(1) No tax, fee, or other monetary payment may be imposed or collected by any State, or by any political subdivision or other governmental authority of a State, on or with respect to any premium paid under an insurance policy purchased under this subchapter.

(2) Paragraph (1) of this subsection shall not be construed to exempt any company issuing a policy of insurance under this subchapter from the imposition, payment, or collection of a tax, fee, or other monetary payment on the net income or profit accruing to or realized by that company from business conducted under this subchapter, if that tax, fee, or payment is applicable to a broad range of business activity.

(g)(1)(A) During any period in which a spouse of a member is insured under this subchapter and the member is on active duty, there shall be deducted each month from the member's basic or other pay until separation or release from active duty an amount determined by the Secretary as the premium allocable to the pay period for providing that insurance coverage. No premium may be charged for providing insurance coverage for a child.

(B) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications set forth in subparagraph (B) or (C) of section 1965(5) of this title and the spouse of the member is insured under a policy of insurance purchased by the Secretary under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary as the share of the costs attributable to insuring the member under this policy, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any individual shall be collected by the Secretary concerned from such individual (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made.

(2)(A) The Secretary shall determine the premium amounts to be charged for life insurance coverage for spouses of members under this subchapter.

(B) The premium amounts shall be determined on the basis of sound actuarial principles and shall include an amount necessary to cover the administrative costs to the insurer or insurers providing such insurance.

(C) Each premium rate for the first policy year shall be continued for subsequent policy years, except that the rate may be adjusted for any such subsequent policy year on the basis of the experience under the policy, as determined by the Secretary in advance of that policy year.

(h) Any overpayment of a premium for insurance coverage for an insurable dependent of a member that is terminated under section 1968(a)(5) of this title shall be refunded to the member.

§1970. Beneficiaries; payment of insurance

(a) Any amount of insurance under this subchapter in force on any member or former member on the date of the insured’s death shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date of the insured’s death, in the following order of precedence:

First, to the beneficiary or beneficiaries as the member or former member may have designated by a writing received prior to death (1) in the uniformed services if insured under Service-members’ Group Life Insurance, or (2) in the administrative office established under section 1966(b) of this title if separated or released from service, or if assigned to the Retired Reserve, and insured under Servicemembers’ Group Life Insurance, or if insured under Veterans’ Group Life Insurance;

Second, if there be no such beneficiary, to the widow or widower of such member or former member;

Third, if none of the above, to the child or children of such member or former member and descendants of deceased children by representation;

Fourth, if none of the above, to the parents of such member or former member or the survivor of them;

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of such member or former member;

Sixth, if none of the above, to the other next of kin of such member or former member entitled under the laws of domicile of such member or former member at the time of the insured’s death.

(b) If any person otherwise entitled to payment under this section does not make claim therefor within one year after the death of the member or former member, or if payment to such person within that period is prohibited by Federal statute or regulation, payment may be made in the order of precedence as if such person had predeceased the member or former member, and any such payment shall be a bar to recovery by any other person.

(c) If, within two years after the death of the member or former member, no claim for payment has been filed by any person entitled under the order of precedence set forth in this section, and neither the Secretary nor the administrative office established by the insurance company or companies pursuant to section 1966(b) of this title has received any notice that any such claim will be made, payment may be made to a claimant as may in the judgment of the Secretary be equitably entitled thereto, and such payment shall be a bar to recovery by any other person.

(d) The member may elect settlement of insurance under this subchapter either in a lump sum or in thirty-six equal monthly installments. If no such election is made by the member the beneficiary or beneficiaries may elect settlement either in a lump sum or in thirty-six equal monthly installments. If the member has elected settlement in a lump sum, the beneficiary or beneficiaries may elect settlement in thirty-six equal monthly installments.

(e) Until and unless otherwise changed, a beneficiary designation and settlement option filed by a member with the member’s uniformed service under prior provisions of law will be effective
with respect to the increased insurance authorized under the Veterans’ Insurance Act of 1974 and the insurance shall be settled in the same proportionate amount as the portion designated for such beneficiary or beneficiaries born to the amount of insurance hereinafter in effect.

(f) Notwithstanding the provisions of any other law, payment of matured Servicemembers’ Group Life Insurance or Veterans’ Group Life Insurance benefits may be made directly to a minor widow or widower on his or her own behalf, and payment in such case shall be a complete acquittance to the insurer.

(g) Any payments due or to become due under Servicemembers’ Group Life Insurance or Veterans’ Group Life Insurance made to, or on account of, an insured or a beneficiary shall be exempt from taxation, shall be exempt from the claims of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. (h) Insurance payable under this subchapter may not be paid in any amount to the extent that such amount would escheat to a State. Payment of insurance under this subchapter may not be made to the estate of the insured or the estate of any beneficiary of the insured unless it is affirmatively shown that any amount to be paid will not escheat to a State. Any amount to be paid under this subchapter shall be reduced to the extent necessary to comply with this subsection.

(i) Any amount of insurance in force on an insurable dependent of a member under this subchapter on the date of the dependent’s death shall be paid, upon the establishment of a valid claim therefor, to the member or, in the event of the member’s death before payment to the member may be made, to the person or persons entitled to receive payment of the proceeds of insurance on the member’s life under this subchapter.

§ 1971. Basic tables of premiums; readjustment of rates

(a) Each policy or policies purchased under section 1966 of this title shall include for the first policy year a schedule of basic premium rates generally charged for new group life insurance policies issued to large employers, this schedule of basic premium rates by age to be applied, except as otherwise provided in this section, to the distribution by age of the amount of group life insurance under the policy at its date of issue to determine an average basic premium per $1,000 of insurance. Each policy so purchased shall also include provisions whereby the basic rates of premium determined for the first policy year shall be continued for subsequent policy years, except that they may be readjusted for any subsequent year, based on the experience under the policy, such readjustment to be made by the insurance company or companies issuing the policy on a basis determined by the Secretary to be consistent with the general practice of life insurance companies under policies of group life insurance issued to large employers.

(b) The total premiums for Servicemembers' Group Life Insurance shall be the sum of the amounts computed according to the provisions of subsection (a) above and the estimated costs traceable to the extra hazard of active duty in the uniformed services as determined by the Secretary, subject to the provision that such estimated costs traceable to the extra hazard shall be retroactively readjusted annually in accordance with section 1969(b).

(c) Each policy so purchased shall include a provision that, in the event the Secretary determines that ascertaining the actual age distribution of the amounts of group life insurance in force at the date of issue of the policy or at the end of the first or any subsequent year of insurance thereunder would not be possible except at a disproportionately high expense, the Secretary may approve the determination of a tentative average group life premium, for the first or any subsequent policy year, in lieu of using the actual age distribution. Such tentative average premium rate shall be determined by the Secretary during any policy year upon request by the insurance company or companies issuing the policy, if experience indicates that the assumptions made in determining the tentative average premium rate for that policy year were incorrect.

(d) Each policy so purchased shall contain a provision stipulating the maximum expense and risk charges for the first policy year, which charges shall have been determined by the Secretary on a basis consistent with the general level of such charges made by life insurance companies under policies of group life insurance issued to large employers. Such maximum charges shall be continued from year to year, except that the Secretary may redetermine such maximum charges for any year either by agreement with the insurance company or companies issuing the policy or upon written notice given by the Secretary to such companies at least one year in advance of the beginning of the year for which such redetermined maximum charges will be effective.

(e) Each such policy shall provide for an accounting to the Secretary not later than ninety days after the end of each policy year, which shall set forth, in a form approved by the Secretary, (1) the amounts of premiums actually accrued under the policy from its date of issue to the end of such policy year, (2) the total of all mortality and other claim charges incurred for that period, and (3) the amounts of the insurers' expense and risk charge for that period. Any excess of the total of item (1) over the sum of items (2) and (3) shall be held by the insurance company or companies issuing the policy as a special contingency reserve to be used by such insurance company or companies for charges under such policy only, such reserve to bear interest at a rate to be determined in advance of each policy year by the insurance company or companies issuing the policy, which rate shall be approved by the Secretary as being consistent with the rates generally used by such company or companies for similar funds held under other group life insurance policies. If and when the Secretary determines that such special contingency reserve has attained an amount estimated by the Secretary to make satisfactory provision for adverse fluctuations in future charges under the policy, any further excess shall be deposited to the credit of the revolving fund established under section 1969(d)(1) of this title. If and when such policy is discontinued, and if after all charges have been made, there is
any positive balance remaining in such special contingency reserve, such balance shall be deposited to the credit of the revolving fund, subject to the right of the insurance company or companies issuing the policy to make such deposit in equal monthly installments over a period of not more than two years.

§ 1977. Veterans’ Group Life Insurance

(a)(1) Except as provided in paragraph (3), Veterans’ Group Life Insurance shall be issued in the amounts specified in section 1967(a) of this title. In the case of any individual, the amount of Veterans’ Group Life Insurance may not exceed the amount of Servicemembers’ Group Life Insurance at any one time in excess of the maximum amount for Servicemembers’ Group Life Insurance in effect under section 1967(a)(3)(A)(i) of this title.

(2) If any person insured under Veterans’ Group Life Insurance again becomes insured under Servicemembers’ Group Life Insurance at any one time in excess of the maximum amount for Servicemembers’ Group Life Insurance in effect under section 1967(a)(3)(A)(i) of this title, then only in an amount which, when added to the amount of Servicemembers’ Group Life Insurance payable, does not exceed such maximum amount in effect under such section.

(3) Not more than once in each five-year period beginning on the one-year anniversary of the date a person becomes insured under Veterans’ Group Life Insurance, such person may elect in writing to increase by $25,000 the amount for which the person is insured if—
(A) the person is under the age of 60; and
(B) the total amount for which the person is insured does not exceed the amount provided for under section 1967(a)(3)(A)(i) of this title.

(b) Veterans’ Group Life Insurance shall (1) provide protection against death; (2) be issued on a renewable five-year term basis; (3) have no cash, loan, paid-up, or extended values; (4) except as otherwise provided, lapse for non-payment of premiums; and (5) contain such other terms and conditions as the Secretary determines to be reasonable and practicable which are not specifically provided for in this section, including any provisions of this subchapter not specifically made inapplicable by the provisions of this section.

(c) The premiums for Veterans’ Group Life Insurance shall be established under the criteria set forth in sections 1971(a) and (c) of this title, except that the Secretary may provide for average premiums for such various age groupings as the Secretary may decide to be necessary according to sound actuarial principles, and shall include an amount necessary to cover the administrative cost of such insurance to the company or companies issuing such insurance. Such premiums shall be payable by the insureds thereunder as provided by the Secretary directly to the administrative office established for such insurance under section 1966(b) of this title. In any case in which a member or former member who was mentally incompetent on the date such member or former member first became insured under Veterans’ Group Life Insurance dies within one year of such date, such insurance shall be deemed not to have lapsed for non-payment of premiums and to have been in force on the date of death. Where insurance is in force under the preceding sentence, any unpaid premiums may be deducted from the proceeds of the insurance. Any person who claims eligibility for Veterans’ Group Life Insurance based on disability incurred during a period of duty shall be required to submit evidence of qualifying health conditions and, if required, to submit to physical examinations at their own expense.

(d) Any amount of Veterans’ Group Life Insurance in force on any person on the date of such person’s death shall be paid, upon the establishment of a valid claim therefor, pursuant to the provisions of section 1970 of this title. Except as indicated above in incompetent cases, after such sixty-day period, any designation of beneficiary or beneficiaries for Veterans’ Group Life Insurance to be effective must be by a writing signed by the insured and received by the administrative office established under section 1966(b) of this title.

(e) An insured under Veterans’ Group Life Insurance shall have the right at any time to convert such insurance to an individual policy of life insurance upon written application for conversion made to the participating company the insured selects and payment of the required premiums. The individual policy will be issued without medical examination on a plan then currently written by such company which does not provide for the payment of any sum less than the face value thereof or for the payment of an additional amount as premiums in the event the insured performs active duty, active duty for training, or inactive duty training. The Veterans’ Group Life Insurance policy converted to an individual policy under this subsection shall terminate on the day before the date on which the individual policy becomes effective. Upon request to the administrative office established under section 1966(b) of this title, an insured under Veterans’ Group Life Insurance shall be furnished a list of life insurance companies participating in the program established under this subchapter. In addition to the life insurance companies participating in the program established under this subchapter, the list furnished to an insured under this section shall include additional life insurance companies (not so participating) which meet qualifying criteria, terms, and conditions established by the Secretary and agree to sell insurance to former members in accordance with the provisions of this section.

(f) The provisions of subsections (d) and (e) of section 1971 of this title shall be applicable to Veterans’ Group Life Insurance. However, a separate accounting shall be required for each program of insurance authorized under this subchapter. In such accounting, the Secretary is authorized to allocate claims and other costs among such programs of insurance according to accepted actuarial principles.

(g) Any person whose Servicemembers’ Group Life Insurance was continued in force after termination of duty or discharge from service under the law as in effect prior to the date on which the Veterans’ Group Life Insurance program (provided for under section 1971 of this title) became effective, and whose coverage under Servicemembers’ Group Life Insurance terminated less than four years prior to such date, shall be eligible within one year from the effective date of the Veterans’ Group Life Insurance program to apply for and be granted Veterans’ Group Life Insurance in an amount equal to the amount of the insured’s Servicemembers’ Group Life Insurance which was not converted to an individual policy under prior law. Veterans’ Group Life Insurance issued under this subsection shall be issued for a term period equal to five years, less the time elapsing between the termination of the applicant’s Servicemembers’ Group Life Insurance and the effective date on which the Veterans’ Group Life Insurance program became effective. Veterans’ Group Life Insurance under this subsection shall only be issued upon application to the administrative office established under section 1966(b) of this title, payment of the required premium, and proof of good health satisfactory to that office, which proof shall be submitted at the appli-

   (ii) Continence.
   (iii) Dressing.
   (iv) Eating.
   (v) Toileting.

(E) A member shall be considered to be entitled to coverage under this section for a qualifying loss that is $25,000, and the maximum payment that may be prescribed for a qualifying loss is $100,000.
(2) As the Secretary considers appropriate, the schedule required by paragraph (1) may distinguish in specifying payments for qualifying losses between the severity of a qualifying loss of a dominant hand and of a qualifying loss of a nondominant hand.
(e)(1) During any period in which a member is insured under this section and the member is on active duty, there shall be deducted each month from the member’s basic or other pay until separation or release from active duty an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to provided coverage under this section, less any costs traceable to the extra hazards of such duty in the uniformed services.
(2) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications set forth in section 1965(5)(B) of this title and is insured under a policy of insurance purchased by the Secretary under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to provided coverage under this section, less any costs traceable to the extra hazards of such duty in the uniformed services.
(3) The Secretary shall determine the premium amounts to be charged for traumatic injury protection coverage provided under this section.
(4) The premium amounts shall be determined on the basis of sound actuarial principles and shall include an amount necessary to cover the administrative costs to the insurer or insurers providing such insurance.
(5) Each premium rate for the first policy year shall be continued for subsequent policy years, except that the rate may be adjusted for any such subsequent policy year on the basis of the experience under the policy, as determined by the Secretary in advance of that policy year.
(6) The cost attributable to insuring members under this section for any month or other period specified by the Secretary, less the premiums paid by the members, shall be paid by the Secretary concerned to the Secretary. The Secretary shall allocate the amount payable among the uniformed services using such methods and data as the Secretary determines to be reasonable and practicable. Payments under this paragraph shall be made on a monthly basis or at such other intervals as may be specified by the Secretary and shall be made within 10 days of the date on which the Secretary provides notice to the Secretary concerned of the amount required.
(7) For each period for which a payment by a Secretary concerned is required under paragraph
(6), the Secretary concerned shall contribute such amount from appropriations available for active duty pay of the uniformed service concerned.

(8) The sums withheld from the basic or other pay of members, or collected from them by the Secretary concerned, under this subsection, and the sums contributed from appropriations under this subsection, together with the income derived from any dividends or premium rate adjustments received from insurers shall be deposited to the credit of the revolving fund established in the Treasury of the United States under section 1969(d)(1) of this title.

(f) When a claim for benefits is submitted under this section, the Secretary of Defense or, in the case of a member not under the jurisdiction of the Secretary of Defense, the Secretary concerned, shall certify to the Secretary whether the member with respect to whom the claim is submitted—

(b) Coverage for loss resulting from traumatic injury provided under this section shall cease at midnight on the date of the termination of the member’s duty status in the uniformed services that established eligibility for Servicemembers' Group Life Insurance. The termination of coverage under this section is effective in accordance with the preceding sentence, notwithstanding any continuation after the date specified in that sentence of Servicemembers' Group Life Insurance coverage pursuant to section 1968(a) of this title for a period specified in that section.

(i) Insurance coverage provided under this section is not convertible to Veterans' Group Life Insurance.

(j) Regulations under this section shall be prescribed in consultation with the Secretary of Defense.

(k) DESIGNATION OF FIDUCIARY OR TRUSTEE.—

(1) The Secretary concerned, in consultation with the Secretary, shall develop a process for the designation of a fiduciary or trustee of a member of the uniformed services who is insured against traumatic injury under this section. The fiduciary or trustee so designated would receive a payment for a qualifying loss under this section if the member is medically incapacitated (as determined pursuant to regulations prescribed by the Secretary concerned in consultation with the Secretary) or experiencing an extended loss of consciousness.

(2) The process under paragraph (1) may require each member of the uniformed services who is insured under this section to—

(A) designate an individual as the member’s fiduciary or trustee for purposes of subsection (a); or

(B) elect that a court of proper jurisdiction designate an individual as the member’s fiduciary or trustee for purposes of subsection (a) in the event that the member becomes medically incapacitated or experiences an extended loss of consciousness.

For the purposes of this section it shall be deemed that the right accrued on the happening of the contingency on which the claim is founded. The limitation of six years is suspended for the period elapsing between the filing with the Secretary of the claim sued upon and the denial of the claim. No State or other statute of limitations shall be applicable to suits filed under this section.

(b) No suit on yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance shall be allowed under this section unless the same shall have been brought within six years after the right accrued for which the claim is made. For the purposes of this section it shall be deemed that the right accrued on the happening of the contingency on which the claim is founded. The limitation of six years is suspended for the period elapsing between the filing with the Secretary of the claim sued upon and the denial of the claim. However, if a claim is timely filed the claimant shall have not less than ninety days from the date of mailing of notice of denial within which to file suit. No State or other statute of limitations shall be applicable to suits filed under this section.

(c) In any suit, action, or proceeding brought under the provisions of this section subpoenas for witnesses who are required to attend a court of the United States in any district may run into any other district. However, no writ of subpoena shall issue for witnesses living out of the district in which the court is held at a greater distance than one hundred miles from the place of holding the same without the permission of the court being first had upon proper application and cause shown. (e) Part-time and fee-basis employees of the Department, in addition to their regular travel and subsistence allowance, when ordered in writing by the Secretary to appear as witnesses in suits under this section, may be allowed, within the discretion and under written orders of the Secretary, a fee in an amount not to exceed $50 per day.

(f) Employees of the Department who are subpoenaed to attend the trial of any suit, under the provisions of this section, as witnesses for a party to such suit shall be granted court leave or authorized absence, as applicable, for the period they are required to be away from the Department in answer to such subpoenas.

(g) Whenever a judgment or decree shall be rendered in an action brought under the provisions of this section, the court, as a part of its judgment or decree, shall determine and allow reasonable fees for the attorneys of the success-
ful party or parties and apportion same if proper, said fees to not exceed 10 per centum of the amount recovered and to be paid by the Department out of the payments to be made under the judgment or decree at a rate not exceeding one-fourth of each of such payments until paid; except that, in a suit brought by or on behalf of an insured during the insured's lifetime for waiver of premiums on account of total disability, the court, as part of its judgment or decree, shall determine and allow a reasonable fee to be paid by the insured to the insured's attorney.

(h) The term “claim” as used in this section means any writing which uses words showing an intention to claim insurance benefits; and the term “disagreement” means a denial of the claim, after consideration on its merits, by the Secretary or any employee or organizational unit of the Department heretofore or hereafter designated therefor by the Secretary.

The Comptroller General of the United States shall allow credit in the accounts of disbursing officers for all payments of insurance made in accordance with any such judgment. All such judgments shall constitute final settlement of the claim and no appeal therefrom shall be authorized.

(A) Any person who shall knowingly make or cause to be made, or conspire, combine, aid, or assist in, agree to, arrange for, or in anywise procure the making or presentation of a false or fraudulent affidavit, declaration, certificate, statement, voucher, or paper, or writing purporting to be such, concerning any application for insurance or reinstatement thereof, waiver of premiums or claim for benefits under National Service Life Insurance, United States Government life insurance, or yearly renewable term insurance for any person, shall be fined not more than $1,000, or be imprisoned for not more than one year, or both.
(b) Whoever in any claim for National Service Life Insurance, United States Government life insurance, or yearly renewable term insurance makes any sworn statement of a material fact knowing it to be false, shall be guilty of perjury and shall be fined not more than $5,000, or be imprisoned for not more than two years, or both.

(2) who was a veteran of any war or was discharged or released from the active military, naval, or air service for a disability incurred or aggravated in line of duty, whose body is held by a State (or a political subdivision of a

No claim shall be allowed (1) for more than the difference between the entire amount of the expenses incurred and the amount paid by any or all of the foregoing, or (2) when the burial allowance would revert to the funds of a public or private organization or would discharge such an organization’s obligation without payment. (A) shall not run during the period the individual is so prevented from pursuing such program; and
(B) shall again begin running on the first day after the individual’s recovery from such disability on which it is reasonably feasible, as determined under regulations prescribed by the Secretary, for the individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(2) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution not regularly operated on the quarter or semester system and the period of such individual’s entitlement under this chapter would, under section 3013, expire after a major portion of the course is completed, such period shall be extended to the end of the course or for 12 weeks, whichever is the lesser period of extension.

(g) In the case of an individual described in section 3011(f)(3) of this title, the period during which such individual may use the individual’s entitlement to educational assistance allowance expires on the last day of the 10-year period beginning on the date of the enactment of the Veterans Millennium Health Care and Benefits Act if that date is later than the date that would otherwise be applicable to that individual under this section.

(h) For purposes of subsection (a) of this section, an individual’s last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexists such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A) and section 3011(a)(1)(B) of this title.

the twelve-year period of eligibility shall not run during the period of time that such veteran was so prevented from participating in such a program.

(3) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because such veteran had not established the existence of a service-connected disability rated at 10 percent or more, the twelve-year period of eligibility shall not run during the period such veteran was so prevented from participating in such a program.

(c) In any case in which the Secretary determines that a veteran is in need of services to overcome a serious employment handicap, such veteran may be afforded a vocational rehabilitation program after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines, on the basis of such veteran’s current employment handicap and need for such services, that an extension of the applicable period of eligibility is necessary for such veteran and—

(1) that such veteran had not previously been rehabilitated to the point of employability;

(2) that such veteran had previously been rehabilitated to the point of employability but—

(A) the need for such services had arisen out of a worsening of such veteran’s service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran was previously trained in a vocational rehabilitation program under this chapter, or

(B) the occupation for which such veteran had been so trained is not suitable in view of such veteran’s current employment handicap and capabilities; or

(3) under regulations which the Secretary shall prescribe, that an extension of the period of eligibility of such veteran is necessary to accomplish the purposes of a rehabilitation program for such veteran.

(d) In any case in which the Secretary has determined that a veteran’s disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible, such veteran may be afforded a program of independent living services and assistance in accordance with the provisions of section 3120 of this title after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines that an extension of the period of eligibility of such veteran is necessary for such veteran to achieve maximum independence in daily living.

(e)(1) The limitation in subsection (a) shall not apply to a rehabilitation program described in paragraph (2).

(2) A rehabilitation program described in this paragraph is a rehabilitation program pursued by a veteran under section 3102(b) of this title.

(f) In any case in which the Secretary has determined that a veteran was prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility otherwise prescribed in this section as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12302, or 12304 of title 10, such period of eligibility shall not run for the period of such active duty service plus four months.

BLIND REHABILITATION OUTPATIENT SPECIALISTS

“(a) FINDINGS.—Congress makes the following find-

ings:

“(1) There are approximately 135,000 blind veterans throughout the United States, including approxi-

mately 35,000 who are enrolled with the Department of Veterans Affairs. An aging veteran population and injuries incurred in Operation Iraqi Freedom and Op-

eration Enduring Freedom are increasing the number of blind veterans.

“(2) Since 1996, when the Department of Veterans Affairs hired its first 14 blind rehabilitation out-

patient specialists (referred to in this section as ‘Special-

ists’), Specialists have been a critical part of the continuum of care for blind and visually impaired veterans.

“(3) The Department of Veterans Affairs operates 10 residential blind rehabilitation centers that are con-

sidered among the best in the world. These centers have had long waiting lists, with as many as 1,500 blind veterans waiting for openings in 2004.

“(4) Specialists provide—

“(A) critically needed services to veterans who are unable to attend residential centers or are wait-

ting to enter a residential center program;

“(B) a range of services for blind veterans, includ-

ing training with living skills, mobility, and adap-

tation of manual skills; and

“(C) pre-admission screening and follow-up care for blind rehabilitation centers.

“(5) There are not enough Specialist positions to meet the increased numbers and needs of blind veter-

ans.

“(b) ESTABLISHMENT OF ADDITIONAL SPECIALIST POSI-

TIONS.—Not later than 30 months after the date of the enactment of this Act [Dec. 22, 2006], the Secretary of Veterans Affairs shall establish an additional Specialist position at not fewer than 35 additional facilities of the Department of Veterans Affairs.

“(c) SELECTION OF FACILITIES.—In identifying the most appropriate facilities to receive a Specialist position under this section, the Secretary shall—

“(1) give priority to facilities with large numbers of enrolled legally blind veterans;

“(2) ensure that each facility does not have such a position; and

“(3) ensure that each facility is in need of the serv-

ices of a Specialist.

“(d) COORDINATION.—The Secretary shall coordinate the provision of blind rehabilitation services for veterans with services for the care of the visually impaired offered by State and local agencies, especially to the extent to which such State and local agencies can pro-

vide necessary services to blind veterans in settings lo-

cated closer to the residences of such veterans at simi-

lar quality and cost to the veteran.

“(e) AUTHORIZATION OF APPROPRIATIONS.—There are au-

thorized to be appropriated for the Department of Veterans Affairs to carry out this section $3,500,000 for each of fiscal years 2007 through 2012.”

VETERANS PURSUING PROGRAM OF VOCATIONAL REHABILITATION UNDER FORMER SECTION 1504 OF THIS TITLE

During the period beginning on Oct. 1, 1980, and end-

ing on Mar. 31, 1981, the provisions of section 3108 (for-

merly 1508) of this title, as added by Pub. L. 96–466, title
§ 3105. Duration of rehabilitation programs

(a) In any case in which the Secretary is unable to determine whether it is reasonably feasible for a veteran to achieve a vocational goal, the period of extended evaluation under section 3106(b) of this title may not exceed twelve months, except that such period may be extended for additional periods of up to six months each if the Secretary determines before granting any such extension that it is reasonably likely that, during the period of any such extension, a determination can be made whether the achievement of a vocational goal is reasonably feasible in the case of such veteran.

(b)(1) Except as provided in paragraph (2) and in subsection (c), the period of a vocational rehabilitation program for a veteran under this chapter following a determination of the current reasonable feasibility of achieving a vocational goal may not exceed forty-eight months, except that the counseling and placement and postplacement services described in section 3104(a)(2) and (5) of this title may be provided for an additional period not to exceed eighteen months in any case in which the Secretary determines that such veteran has a serious employment handicap and that an extension of such period is necessary to enable such veteran to achieve a vocational goal.

(c) The Secretary may extend the period of a vocational rehabilitation program for a veteran to the extent that the Secretary determines that such period is necessary to enable such veteran to achieve a vocational goal if the Secretary also determines—

1. that such veteran had previously been rehabilitated to the point of employability but (A) such veteran’s need for further vocational rehabilitation has arisen out of a worsening of such veteran’s service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran had been so rehabilitated, or (B) the occupation for which such veteran had been so rehabilitated is not suitable in view of such veteran’s current employment handicap and capabilities; or

2. under regulations which the Secretary shall prescribe, that such veteran has a serious employment handicap and that an extension of such period is necessary to accomplish the purposes of a rehabilitation program for such veteran.

(d)(1) Except as provided in paragraph (2), the period of a program of independent living services and assistance for a veteran under this chapter following a determination by the Secretary that such veteran’s disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible may not exceed twenty-four months.

(2)(A) The period of a program of independent living services and assistance for a veteran under this chapter may exceed twenty-four months as follows:

(i) If the Secretary determines that a longer period is necessary and likely to result in a substantial increase in the veteran’s level of independence in daily living.

(ii) If the veteran served on active duty during the Post-9/11 Global Operations period and has a severe disability (as determined by the Secretary for purposes of this clause) incurred or aggravated in such service.

(B) In this paragraph, the term “Post-9/11 Global Operations period” means the period of the Persian Gulf War beginning on September 11, 2001, and ending on the date thereafter prescribed by Presidential proclamation or by law.

(e)(1) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of a subsistence allowance and other assistance described in paragraph (2) shall not—

(A) be charged against any entitlement of any veteran under this chapter; or

(B) be counted toward the aggregate period for which section 3695 of this title limits an individual’s receipt of allowance or assistance.

(2) The payment of the subsistence allowance and other assistance referred to in paragraph (1) is the payment of such an allowance or assistance for the period described in paragraph (3) to a veteran for participation in a vocational rehabilitation program under this chapter if the Secretary finds that the veteran had to suspend or discontinue participation in such vocational rehabilitation program as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10.

(3) The period for which, by reason of this subsection, a subsistence allowance and other assistance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall be the period of participation in the vocational rehabilitation program for which the veteran failed to receive credit or with respect to which the veteran lost training time, as determined by the Secretary.

§3106. Initial and extended evaluations; determinations regarding serious employment handicap

(a) The Secretary shall provide any veteran who has a service-connected disability rated at 10 percent or more and who applies for benefits under this chapter with an initial evaluation consisting of such services described in section 3104(a)(1) of this title as are necessary (1) to determine whether such veteran is entitled to and eligible for benefits under this chapter, and (2) in determining whether a veteran who is determined to be entitled to and eligible for such benefits, to determine—

(A) whether such veteran has a serious employment handicap, and

(B) whether the achievement of a vocational goal currently is reasonably feasible for such veteran if it is reasonably feasible to make such determination without extended evaluation.

(b) In any case in which the Secretary has determined that a veteran has a serious employment handicap but the Secretary is unable to determine, in an initial evaluation pursuant to subsection (a) of this section, whether or not the achievement of a vocational goal currently is reasonably feasible, such veteran shall be provided with an extended evaluation consisting of the services described in section 3104(a)(1) of this title, such services under this chapter as the Secretary determines necessary to improve such veteran’s potential for participation in a program of services designed to achieve a vocational goal and enable such veteran to achieve maximum independence in daily living, and assistance as authorized by section 3108 of this title.

(d) In any case in which the Secretary has determined that a veteran has a serious employment handicap and also determines, following such initial and any such extended evaluation, that achievement of a vocational goal currently is not reasonably feasible, the Secretary shall determine whether the veteran is capable of participating in a program of independent living services and assistance under section 3120 of this title.

(e) The Secretary shall in all cases determine as expeditiously as possible whether the achievement of a vocational goal by a veteran currently is reasonably feasible. In the case of a veteran provided extended evaluation under subsection (c) of this section (including any periods of extensions under section 3105(a) of this title), the Secretary shall make such determination not later than the end of such extended evaluation or period of extension, as the case may be. In determining whether the achievement of a vocational goal currently is reasonably feasible, the Secretary shall resolve any reasonable doubt in favor of determining that such achievement currently is reasonably feasible.

(f) In connection with each period of extended evaluation of a veteran and each rehabilitation program for a veteran who is determined to have a serious employment handicap, the Secretary shall assign a Department of Veterans Affairs employee to be responsible for the management and followup of the provision of all services (including appropriate coordination of employment assistance under section 3117 of this title) and assistance under this chapter to such veteran.
