In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual’s available entitlement under this chapter.

Subject to paragraph (3), the amount of educational assistance payable under this chapter for a national test for admission or national certification tests approved by the Secretary of Veterans Affairs on or after such date, see section 122(d) of Pub. If no application is received within 1 year from date of notice, it will be presumed for the purposes of section 1322(a) of title 31 that the individual’s whereabouts is unknown and the funds shall be transferred as directed in such section.

The number of months of entitlement charged in the case of any individual for a test described in paragraph (1) is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance, except for paragraph (1), such individual would otherwise be paid under this chapter.

In no event shall payment of educational assistance under this subsection for such a test described in paragraph (1) exceed the amount of the individual’s available entitlement under this chapter.

SUBCHAPTER I—DEFINITIONS

§ 3501. Purpose

The Congress hereby declares that the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might normally have aspired to and obtained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran’s death or service disability, could have expected to provide for the veteran’s family.

(b)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall not—

(i) be charged against the entitlement of any individual under this chapter; or

(ii) be counted toward the aggregate period for which section 3695 of this title limits an individual’s receipt of assistance.

(B) The payment of the educational assistance allowance referred to in subparagraph (A) of this paragraph is the payment of such an allowance to an individual for pursuit of a course or courses under this chapter if the Secretary finds that the individual—

(i) had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10 or of being involuntarily ordered to full-time National Guard duty under section 502(f) of title 32; and

(3) if the Secretary first finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or if the death of the parent from whom eligibility is derived occurs, after the eligible person’s eighteenth birthday but before the person’s twenty-sixth birthday, then (unless paragraph (4) or (5) applies) such period shall end 8 years after the date that is elected by that person to be the beginning date of entitlement under section 3511 of this title or subchapter V of this chapter if—

In making application for approval, the institution shall transmit to the State approving agency copies of its catalog or bulletin which must be certified as true and correct in content and policy by an authorized representative of the school. The catalog or bulletin must specifically state its progress requirements for graduation and must include as a minimum the information required by sections 3676(b)(6) and (7) of this title.”

1991—Pub. L. 102–83, § 5(a), (c)(1), redesignated former section 3675 as section 3675(e), inserted “as prescribed by” in par. (1).
§ 3676. Approval of nonaccredited courses

(a) No course of education which has not been approved by a State approving agency pursuant to section 3675 of this title, which is offered by a public or private, profit or nonprofit, educational institution shall be approved for the purposes of this chapter unless the educational institution offering such course submits to the appropriate State approving agency a written application for approval of such course in accordance with the provisions of this chapter.

(b) Such application shall be accompanied by not less than two copies of the current catalog or bulletin in which is certified as true and correct in content and policy by an authorized owner or official and includes the following:

(1) Identifying data, such as volume number and date of publication;

(2) Names of the institution and its governing body, officials and faculty;

(3) A calendar of the institution showing legal holidays, beginning and ending date of each quarter, term, or semester, and other important dates;

(4) Institution policy and regulations on enrollment with respect to enrollment dates and specific entrance requirements for each course;

(5) Institution policy and regulations relative to leave, absences, class cuts, makeup work, tardiness and interruptions for unsatisfactory attendance;

(6) Institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress and a description of the probationary period, if any, allowed by the institution, and conditions of reentrance for those students dismissed for unsatisfactory progress. A statement will be made regarding progress records kept by the institution and furnished the student);

(7) Institution policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct;

(8) Detailed schedules of fees, charges for tuition, books, supplies, tools, student activities, laboratory fees, service charges, rentals, deposits, and all other charges;

(9) Policy and regulations of the institution relative to the refund of the unused portion of tuition, fees, and other charges in the event the student does not enter the course or withdraws or is discontinued therefrom;

(10) A description of the available space, facilities, and equipment;

(11) A course outline for each course for which approval is requested, showing subjects or units in the course, type of work or skill to be learned, and approximate time and clock hours to be spent on each subject or unit; and

(12) Policy and regulations of the institution relative to granting credit for previous educational training.

(c) The appropriate State approving agency may approve the application of such institution when the institution and its non-accredited courses are found upon investigation to have met the following criteria:

(1) The courses, curriculum, and instruction are consistent in quality, content, and length with similar courses in public schools and other private schools in the State, with recognized accepted standards.

(2) There is in the institution adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(3) Educational and experience qualifications of directors, administrators, and instructors are adequate.

(4) The institution maintains a written record of the previous education and training of the eligible person and clearly indicates that appropriate credit has been given by the institution for previous education and training, with the training period shortened proportionately and the eligible person so notified.

(5) A copy of the course outline, schedule of tuition, fees, and other charges, regulations pertaining to absence, grading policy, and rules of operation and conduct will be furnished the eligible person upon enrollment.
(6) Upon completion of training, the eligible person is given a certificate by the institution indicating the approved course and indicating that training was satisfactorily completed.

(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.

(8) The institution complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building and sanitation codes. The State approving agency may require such evidence of compliance as is deemed necessary.

(9) The institution is financially sound and capable of fulfilling its commitments for training.

(10) The institution does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The institution is deemed to have met this requirement until the State approving agency (A) has ascertained from the Federal Trade Commission whether the Commission has issued an order to the institution to cease and desist from any act or practice, and (B) has, if such an order has been issued, given due weight to that fact.

(11) The institution does not exceed its enrollment limitations as established by the State approving agency.

(12) The institution's administrators, directors, owners, and instructors are of good reputation and character.

(13) The institution has and maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the eligible person fails to enter the course or withdraws or is discontinued therefrom at any time before completion and—

(A) in the case of an institution (other than (i) a Federal, State, or local Government institution or (ii) an institution described in subparagraph (B)), such policy provides that the amount charged to the eligible person for tuition, fees, and other charges for a portion of the course shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to its total length; or

(B) in the case of an institution that is a nonaccredited public educational institution, the institution has and maintains a refund policy regarding the unused portion of tuition, fees, and other charges that is substantially the same as the refund policy followed by accredited public educational institutions located within the same State as such institution.

(14) Such additional criteria as may be deemed necessary by the State approving agency.

(d) The Secretary may waive, in whole or in part, the requirements of subsection (c)(13) of this section in the case of an educational institution which—

(1) is a college, university, or similar institution offering postsecondary level academic instruction that leads to an associate or higher degree,

(2) is operated by an agency of a State or of a unit of local government,

(3) is located within such State or, in the case of an institution operated by an agency of a unit of local government, within the boundaries of the area over which such unit has taxing jurisdiction, and

(4) is a candidate for accreditation by a regional accrediting association.

if the Secretary determines, pursuant to regulations which the Secretary shall prescribe, that such requirements would work an undue administrative hardship because the total amount of tuition, fees, and other charges at such institution is nominal.

(e) Notwithstanding any other provision of this title, a course of education shall not be approved under this section if it is to be pursued in whole or in part by independent study.

Amendments

2006—Subsec. (c)(13). Pub. L. 109–461 substituted “before completion and—” and subpars. §3677. Approval of training on the job

(a) Any State approving agency may approve a program of training on the job (other than a program of apprenticeship) only when it finds that the job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills learned through supervised training on the job and not on such factors as length of service and normal turnover, and that the provisions of subsections (b) and (c) of this section are met.
(b)(1) The training establishment offering training which is desired to be approved for the purposes of this chapter must submit to the appropriate State approving agency a written application for approval which, in addition to furnishing such information as is required by the State approving agency, contains a certification that—

(A) the wages to be paid the eligible veteran or person (i) upon entrance into training, are not less than wages paid nonveterans in the same training position and are at least 50 per centum of the wages paid for the job for which the veteran or person is to be trained, and (ii) such wages will be increased in regular periodic increments until, not later than the last full month of the training period, they will be at least 85 per centum of the wages paid for the job for which such eligible veteran or person is being trained; and

(B) there is reasonable certainty that the job for which the eligible veteran or person is to be trained will be available to the veteran or person at the end of the training period.

(2) The requirement under paragraph (1)(A)(ii) shall not apply with respect to a training establishment operated by the United States or by a State or local government.

(3) The requirement for certification under paragraph (1) shall not apply to training described in section 3452(e)(2) of this title.

(c) As a condition for approving a program of training on the job (other than a program of apprenticeship) the State approving agency must find upon investigation that the following criteria are met:

(1) The training content of the course is adequate to qualify the eligible veteran or person for appointment to the job for which the veteran or person is to be trained.

(2) The job customarily requires full-time training for a period of not less than six months and not more than two years.

(3) The length of the training period is not longer than that customarily required by the training establishments in the community to provide an eligible veteran or person with the required skills, arrange for the acquiring of job knowledge, technical information, and other facts which the eligible veteran or person will need to learn in order to become competent on the job for which the veteran or person is being trained.

(4) Provision is made for related instruction for the individual eligible veteran or person who may need it.

(5) There is in the training establishment adequate space, equipment, instructional material, and instructor personnel to provide satisfactory training on the job.

(6) Adequate records are kept to show the progress made by each eligible veteran or person toward such veteran’s or person’s job objective.

(7) No course of training will be considered bona fide if given to an eligible veteran or person who is already qualified by training and experience for the job.

(8) A signed copy of the training agreement for each eligible veteran or person, including the training program and wage scale as approved by the State approving agency, is provided to the veteran or person and to the Secretary and the State approving agency by the employer.

(9) That the course meets such other criteria as may be established by the State approving agency.

(d)(1) The Secretary may conduct a pilot program under which the Secretary operates a program of training on the job under this section for a period (notwithstanding subsection (c)(2)) of up to three years in duration to train employees of the Department to become qualified adjudicators of claims for compensation, dependency and indemnity compensation, and pension.

(2)(A) Not later than three years after the implementation of the pilot project, the Secretary shall submit to Congress an initial report on the pilot project. The report shall include an assessment of the usefulness of the program in recruiting and retaining of personnel of the Department as well as an assessment of the value of the program as a training program.

(B) Not later than 18 months after the date on which the initial report under subparagraph (A) is submitted, the Secretary shall submit to Congress a final report on the pilot project. The final report shall include recommendations of the Secretary with respect to continuation of the pilot project and with respect to expansion of the types of claims for which the extended period of on the job training is available to train such employees.

**Subchapter II—Miscellaneous Provisions**

§ 3680. Payment of educational assistance or subsistence allowances

(a) **Period for which payment may be made.**—Payment of educational assistance or subsistence allowances to eligible veterans or eligible persons pursuing a program of education or training, other than a program by correspondence, in an educational institution under chapter 31, 34, or 35 of this title shall be paid as provided in this section and, as applicable, in section 3108, 3482, 3491, or 3532 of this title. Such payments shall be paid only for the period of such veterans’ or persons’ enrollment in, and pursuit of, such program, but no amount shall be paid—

1. to any eligible veteran or eligible person for any period when such veteran or person is not pursuing such veteran’s or person’s course in accordance with the regularly established policies and regulations of the educational institution, with the provisions of such regulations as may be prescribed by the Secretary pursuant to subsection (g) of this section, and with the requirements of this chapter or of chapter 34 or 36 of this title, but payment may be made for an actual period of pursuit of one or more unit subjects pursued for a period of time shorter than the enrollment period at the educational institution;

2. to any eligible veteran or person for auditing a course; or

3. to any eligible veteran or person for a course for which the grade assigned is not used in computing the requirements for graduation including a course from which the student withdraws unless—
(A) the eligible veteran or person withdraws because he or she is ordered to active duty; or
(B) the Secretary finds there are mitigating circumstances, except that, in the first instance of withdrawal (without regard to withdrawals described in subclause (A) of this clause) by the eligible veteran or person from a course or courses with respect to which the veteran or person has been paid assistance under this title, mitigating circumstances shall be considered to exist with respect to courses totaling not more than six semester hours or the equivalent thereof.

Notwithstanding the foregoing, the Secretary may, subject to such regulations as the Secretary shall prescribe, continue to pay allowances to eligible veterans and eligible persons enrolled in courses set forth in clause (1) of this subsection during periods when schools are temporarily closed under an established policy based on an Executive order of the President or due to an emergency situation. However, the total number of weeks for which allowances may continue to be so payable in any 12-month period may not exceed 4 weeks.

(b) Correspondence Training Certifications.—No educational assistance allowance shall be paid to an eligible veteran or spouse or surviving spouse enrolled in and pursuing a program of education exclusively by correspondence until the Secretary shall have received—

(1) from the eligible veteran or spouse or surviving spouse a certificate as to the number of lessons actually completed by the veteran or spouse or surviving spouse and serviced by the educational institution; and
(2) from the training establishment a certification or an endorsement on the veteran’s or spouse’s or surviving spouse’s certificate, as to the number of lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

(c) Apprenticeship and Other On-Job Training.—No training assistance allowance shall be paid to an eligible veteran or eligible person enrolled in and pursuing a program of apprenticeship or other on-job training until the Secretary shall have received—

(1) from such veteran or person a certification as to such veteran’s or person’s actual attendance during such period; and
(2) from the training establishment a certification, or an endorsement on the veteran’s or person’s certificate, that such veteran or person was enrolled in and pursuing a program of apprenticeship or other on-job training during such period.

(d) Advance Payment of Initial Educational Assistance or Subsistence Allowance.—(1) The educational assistance or subsistence allowance advance payment provided for in this subsection is based upon a finding by the Congress that eligible veterans and eligible persons may need additional funds at the beginning of a school term to meet the expenses of books, travel, deposits, and payment for living quarters, the initial installment of tuition, and the other special expenses which are concentrated at the beginning of a school term.

(2) Subject to the provisions of this subsection, and under regulations which the Secretary shall prescribe, an eligible veteran or eligible person shall be paid an educational assistance allowance or subsistence allowance, as appropriate, advance payment. Such advance payment shall be made in an amount equivalent to the allowance for the month or fraction thereof in which pursuit of the program will commence, plus the allowance for the succeeding month. In the case of a person on active duty, who is pursuing a program of education, the advance payment shall be in a lump sum based upon the amount payable for the entire quarter, semester, or term, as applicable. In no event shall an advance payment be made under this subsection to a veteran or person intending to pursue a program of education, the advance payment shall be made in a lump sum based upon the amount payable for the entire quarter, semester, or term, as applicable. In no event shall an advance payment be made under this subsection to any veteran or person unless the veteran or person requests such payment and the Secretary finds that the educational institution at which such veteran or person is accepted or enrolled has agreed to, and can satisfactorily, carry out the provisions of paragraphs (4)(B) and (C) and (5) of this subsection. The application for advance payment, to be made on a form prescribed by the Secretary, shall—

(A) in the case of an initial enrollment of a veteran or person in an educational institution, contain information showing that the veteran or person (i) is eligible for educational benefits, (ii) has been accepted by the institution, and (iii) has notified the institution of such veteran’s or person’s intention to attend that institution; and
(B) in the case of a re-enrollment of a veteran or person, contain information showing that the veteran or person (i) is eligible to continue such veteran’s or person’s program of education or training and (ii) intends to re-enroll in the same institution, and, in either case, shall also state the number of semester or clock-hours to be pursued by such veteran or person.

(3) For purposes of the Secretary’s determination whether any veteran or person is eligible for an advance payment under this section, the information submitted by the institution, the veteran or person, shall establish such veteran’s or person’s eligibility unless there is evidence in such veteran’s or person’s file in the processing office establishing that the veteran or person is not eligible for such advance payment.

(4) The advance payment authorized by paragraph (2) of this subsection shall, in the case of an eligible veteran or eligible person, be (A) drawn in favor of the veteran or person; (B) mailed to the educational institution listed on the application form for temporary care and delivery to the veteran or person by such institution; and (C) delivered to the veteran or person upon such veteran’s or person’s registration at such institution, but in no event shall such delivery be made earlier than thirty days before the program of education is to commence.

(5) Upon delivery of the advance payment pursuant to paragraph (4) of this subsection, the institution shall submit to the Secretary a certification of such delivery. If such delivery is not effected within thirty days after commencement
of the program of education in question, such institution shall return such payment to the Secretary forthwith.

(e) RECOVERY OF ERRONEOUS PAYMENTS.—(1) Subject to paragraph (2), if an eligible veteran or eligible person fails to enroll in or pursue a course for which an educational assistance or subsistence allowance advance payment is made, the amount of such payment and any amount of subsequent payments which, in whole or in part, are due to erroneous information required to be furnished under subsection (d)(2) of this section, shall become an overpayment and shall constitute a liability of such veteran or person to the United States and may be recovered, unless waived pursuant to section 5302 of this title, from any benefit otherwise due such veteran or person under any law administered by the Department of Veterans Affairs or may be recovered in the same manner as any other debt due the United States.

(2) Paragraph (1) shall not apply to the recovery of an overpayment of an educational allowance or subsistence allowance advance payment to an eligible veteran or eligible person who fails to enroll in or pursue a course of education for which the payment is made if such failure is due to the death of the veteran or person.

(f) PAYMENTS FOR LESS THAN HALF-TIME TRAINING.—Payment of educational assistance allowance in the case of any eligible veteran or eligible person pursuing a program of education on less than a half-time basis shall be made in an amount computed for the entire quarter, semester, or term not later than the last day of the month immediately following the month in which certification is received from the educational institution that such veteran or person has enrolled in and is pursuing a program at such institution. Such lump sum payment shall be computed at the rate provided in section 3482(b) or 3532(a)(2) of this title, as applicable.

(g) DETERMINATION OF ENROLLMENT, PURSUIT, AND ATTENDANCE.—(1) The Secretary may, pursuant to regulations which the Secretary shall prescribe, determine and define with respect to an eligible veteran and eligible person the following:

(A) Enrollment in a course or program of education or training.

(B) Pursuit of a course or program of education or training.

(C) Attendance at a course or program of education or training.

(2) The Secretary may withhold payment of benefits to an eligible veteran or eligible person until the Secretary receives such proof as the Secretary may require of enrollment in and satisfactory pursuit of a program of education by the eligible veteran or eligible person. The Secretary shall adjust the payment withheld, when necessary, on the basis of the proof the Secretary receives.

(3) In the case of an individual other than an individual described in paragraph (4), the Secretary may accept the individual's monthly certification of enrollment in and satisfactory pursuit of a program of education as sufficient proof of the certified matters.

(4) In the case of an individual who has received an accelerated payment of basic educational assistance under section 3014A of this title during an enrollment period for a program of education, the Secretary may accept the individual's certification of enrollment in and satisfactory pursuit of the program of education as sufficient proof of the certified matters if the certification is submitted after the enrollment period has ended.

§ 3684. Reports by veterans, eligible persons, and institutions; reporting fee

(a)(1) Except as provided in paragraph (2) of this subsection, the veteran or eligible person and the educational institution offering a course in which such veteran or eligible person is enrolled under chapter 31, 34, 35, or 36 of this title shall, without delay, report to the Secretary, in the form prescribed by the Secretary, such enrollment and any interruption or termination of the education of each such veteran or eligible person. The date of such interruption or termination will be the last date of pursuit, or, in the case of correspondence training, the last date a lesson was serviced by a school.

(2)(A) In the case of a program of independent study pursued on less than a half-time basis in an educational institution, the Secretary may approve a delay by the educational institution in reporting the enrollment or reenrollment of an eligible veteran or eligible person until the end of the term, quarter, or semester if the educational institution requests the delay and the Secretary determines that it is not feasible for the educational institution to monitor interruption or termination of the veteran's or eligible person's pursuit of such program.

(B) An educational institution which, pursuant to subparagraph (A) of this paragraph, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(3)(A) Subject to subparagraph (B) of this paragraph, an educational institution offering courses on a term, quarter, or semester basis may certify the enrollment of a veteran who is not on active duty, or of an eligible person, in such courses for more than one term, quarter, or semester at a time, but not for a period extending beyond the end of a school year (including the summer enrollment period).

(B) Subparagraph (A) of this paragraph shall not apply with respect to any term, quarter, or semester for which the veteran or eligible person is enrolled on a less than half-time basis and shall not be construed as restricting the Secretary from requiring that an educational institution in reporting an enrollment for more than one term, quarter, or semester, specify the dates of any intervals within or between any such terms, quarters, or semesters.

(b) The Secretary, prior to making payment of a reporting fee to an educational institution, as provided for in subsection (c) of this section, shall require such institution to certify that it has exercised reasonable diligence in determining whether such institution or any course offered by such institution approved for the en-
rolement of veterans or eligible persons meets all of the applicable requirements of chapters 31, 34, 35, and 36 of this title and that it will, without delay, report any failure to meet any such requirement to the Secretary.

(c) The Secretary may pay to any educational institution, or to the sponsor of a program of apprenticeship, furnishing education or training under either this chapter or chapter 31, 34, or 35 of this title, a reporting fee which will be in lieu of any other compensation or reimbursement for reports or certifications which such educational institution or joint apprenticeship training committee is required to submit to the Secretary by law or regulation. Such reporting fee shall be computed for each calendar year by multiplying $12 by the number of eligible veterans or eligible persons enrolled under this chapter or chapter 31, 34, or 35 of this title, or $15 in the case of those eligible veterans and eligible persons whose educational assistance checks are directed in care of each institution for temporary custody and delivery and are delivered at the time of registration as provided under section 3680(d)(4) of this title, during the calendar year. Any reporting fee paid an educational institution or joint apprenticeship training committee under the date of the enactment of the Post-9/11 Veterans Educational Assistance Improvements Act of 2011 shall be utilized by such educational institution or joint apprenticeship training committee solely for the making of certifications required under this chapter or chapter 31, 34, or 35 of this title or for otherwise supporting programs for veterans.

(b) Whenever the Secretary finds that an overpayment has been made to a veteran or eligible person as the result of (1) the willful or negligent failure of an educational institution to report, as required under this chapter or chapter 34 or 35 of this title, to the Department of Veterans Affairs excessive absences from a course, or discontinuance or interruption of a course by the veteran or eligible person, or (2) the willful or negligent false certification by an educational institution, the amount of such overpayment shall constitute a liability of the educational institution to the United States.

(c) Any overpayment referred to in subsection (a) or (b) of this section may be recovered, except as otherwise provided in the last sentence of section 3684(c) of this title, in the same manner as any other debt due the United States.

(d) Any overpayment referred to in subsection (a) or (b) of this section may be waived as to a veteran or eligible person as provided in section 5302 of this title. The term "established charge" as used herein means the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency or the actual cost to the veteran or spouse or surviving spouse, whichever is the lesser. Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

(3) Notwithstanding any other provision of law unless enacted in express limitation of this paragraph, funds in the Department of Veterans Affairs readjustment benefits account shall be available for payments under paragraph (1) of this subsection for pursuit of a program of education exclusively by correspondence in which the veteran or spouse or surviving spouse enrolls after September 30, 1981.

(b) The enrollment agreement shall fully disclose the obligation of both the institution and the veteran or spouse or surviving spouse and shall prominently display the provisions for affirmation, termination, refunds, and the conditions under which payment of the allowance is
made by the Secretary to the veteran or spouse or surviving spouse. A copy of the enrollment agreement shall be furnished to each such veteran or spouse or surviving spouse at the time such veteran or spouse or surviving spouse signs such agreement. No such agreement shall be effective unless such veteran or spouse or surviving spouse shall, after the expiration of five days after the enrollment agreement is signed, have signed and submitted to the Secretary a written statement, with a signed copy to the institution, specifically affirming the enrollment agreement.

In the event the veterans or spouse or surviving spouse at any time notifies the institution of such veteran's or spouse's intention not to affirm the agreement in accordance with the preceding sentence, the institution, without imposing any penalty or charging any fee shall promptly make a full refund of all amounts paid.

(c) In the event a veteran or spouse or surviving spouse elects to terminate such veteran's or spouse's enrollment under an affirmed enrollment agreement, the institution may charge the veteran or spouse or surviving spouse a registration or similar fee not in excess of 10 percent of the tuition for the course, or $50, whichever is less. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of one or more but less than 25 percent of the total number of lessons comprising the course, the institution may retain such registration or similar fee plus 25 percent of the tuition for the course. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of 25 percent but less than 50 percent of the lessons comprising the course, the institution may retain the full registration or similar fee plus 50 percent of the course tuition. (a) OVERCHARGES BY EDUCATIONAL INSTITUTIONS.—If the Secretary finds that an educational institution has—

(1) charged or received from any eligible veteran or eligible person pursuing a program of education under this chapter or chapter 34 or 35 of this title any amount for any course in excess of the charges for tuition and fees which such institution requires similarly circumstanced nonveterans not receiving assistance under such chapters who are enrolled in the same course to pay, or

(2) instituted, after October 24, 1972, a policy or practice with respect to the payment of tu-

(B) Action may be taken under subparagraph (A) of this paragraph only after—

(d)(1) For the purposes of this section, the term “change of program of education” shall not be deemed to include a change by a veteran or eligible person from the pursuit of one program to the pursuit of another program if—

§ 3702. Basic entitlement

(a)(1) The veterans described in paragraph (2) of this subsection are eligible for the housing loan benefits of this chapter. In the case of any veteran who served on active duty during two or more of the periods specified in paragraph (2) for which eligibility for the housing loan benefits under this chapter may be granted, entitlement derived from service during the most recent such period (A) shall cancel any unused entitlement derived from service during any earlier such period, and (B) shall be reduced by the amount by which entitlement from service during any earlier such period may be granted, or insured housing loan—

(i) on real property which the veteran owns at the time of application; or
(i) as to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

(2) The veterans referred to in the first sentence of paragraph (1) of this subsection are the following:

(A) Each veteran who served on active duty at any time during World War II, the Korean conflict, or the Vietnam era and whose total service was for 90 days or more.

(B) Each veteran who after September 15, 1940, was discharged or released from a period of active duty for a service-connected disability.

(C) Each veteran, other than a veteran described in clause (A) or (B) of this paragraph, who—

(i) served after July 25, 1947, for a period of more than 180 days and was discharged or released therefrom under conditions other than dishonorable; or

(ii) has served more than 90 days in active duty status and continues on active duty without a break therein.

(D) Each veteran who served on active duty for 90 days or more at any time during the Persian Gulf War, other than a veteran ineligible for benefits under this title by reason of section 3703A(b) of this title.

(E) Each veteran described in section 3701(b)(5) of this title.

(F) Each veteran who was discharged or released from a period of active duty of 90 days or more by reason of a sole survivorship discharge (as that term is defined in section 1174(i) of title 10).

(3) Any unused entitlement of World War II or Korean conflict veterans which expired under provisions of law in effect before October 23, 1990, was discharged or released under the provisions of paragraph (3) of section 3701(b) of this title.

(4) A veteran’s entitlement under this chapter shall not be reduced by any entitlement used by the Secretary may exclude the amount of guaranty or insurance housing loan entitlement available to a veteran under this chapter, the veteran’s discharge, or eligibility certificate, the amount and type of guaranty used, and the veteran-transferee otherwise meets the requirements of this chapter.

(3)(A) The loan has been repaid in full and (B) the loan for which the veteran seeks to use entitlement under this chapter is secured by the same property which secured the loan referred to in subparagraph (A) of this paragraph.

(4) In a case not covered by paragraph (1) or (2)—

(A) the loan has been repaid in full and, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or

(B) the Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

The Secretary may, in any case involving circumstances the Secretary deems appropriate, waive one or more of the conditions prescribed in paragraph (1). The authority of the Secretary under this subsection to exclude an amount of guaranty or insurance housing loan entitlement previously used by a veteran may be exercised only once for that veteran under the authority of paragraph (4).

(3) An honorable discharge shall be deemed to be a certificate of eligibility to apply for a guaranteed loan. Any veteran who does not have a discharge certificate, or who received a discharge other than honorable, may apply to the Secretary for a certificate of eligibility. Upon making a loan guaranteed or insured under this chapter, the lender shall forthwith transmit to the Secretary a report thereon in such detail as the Secretary may, from time to time, prescribe. Where the loan is guaranteed, the Secretary shall provide the lender with a loan guaranty certificate or other evidence of the guaranty. The Secretary shall also endorse on the veteran’s discharge, or eligibility certificate, the amount and type of guaranty used, and the amount, if any, remaining. Nothing in this chapter shall preclude the assignment of any guaranteed loan or the security therefor.

(d) Housing loans will be automatically guaranteed under this chapter only if made (1) by any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union, or mortgage and loan company, that is subject to examination and supervision by an agency of the United States or of any State, or (2) by any State, or (3) by any lender approved by the Secretary pursuant to standards established by the Secretary. Any housing loan proposed to be made to a veteran pursuant to this chapter by any lender not of a class specified in the preceding sentence may be guaranteed by the Secretary if the Secretary finds that it is in accord otherwise with the provisions of this chapter.

(e) The Secretary may at any time upon thirty days’ notice require housing loans to be made by any lender or class of lenders to be submitted to the Secretary for prior approval. No guaranty or insurance liability shall exist with respect to any such loan unless evidence of guaranty or insurance is issued by the Secretary.

(f) Any housing loan at least 20 percent of which is guaranteed under this chapter may be
made by any national bank or Federal savings and loan association, or by any bank, trust company, building and loan association, or insurance company, organized or authorized to do business in the District of Columbia. Any such loan may be so made without regard to the limitations and restrictions of any other law relating to—

(1) ratio of amount of loan to the value of the property;
(2) maturity of loan;
(3) requirement for mortgage or other security;
(4) dignity of lien; or
(5) percentage of assets which may be invested in real estate loans.

TECHNICAL NATURE OF 1986 AMENDMENTS

Section 415(f) of Pub. L. 100–322 provided that: "The status of any veteran with respect to benefits under chapter 37 of title 38, United States Code, shall not be affected by the amendments made by, or other provisions of, this section [see Tables for classification]."

§ 3703. Basic provisions relating to loan guaranty and insurance

(a)(1)(A) Any loan to a veteran eligible for benefits under this chapter, if made for any of the purposes specified in section 3710 of this title and in compliance with the provisions of this chapter, is automatically guaranteed by the United States in an amount not to exceed the lesser of—

(i) in the case of any loan of not more than $45,000, 50 percent of the loan;

(ii) in the case of any loan of more than $45,000, but not more than $56,250, $22,500;

(III) except as provided in subparagraph (C) of this clause, in the case of any loan of more than $56,250, the lesser of $36,000 or 40 percent of the loan; or

(IV) in the case of any loan of more than $144,000 for a purpose specified in clause (1), (2), (3), (5), (6), or (B) of section 3710(a) of this title, the lesser of the maximum guaranty amount (as defined in subparagraph (C)) or 25 percent of the loan; or

(ii) the maximum amount of guaranty entitlement available to the veteran as specified in subparagraph (B) of this paragraph.

(B) The maximum amount of guaranty entitlement available to a veteran for purposes speci-
fied in section 3710 of this title shall be $36,000, or in the case of a loan described in subparagraph (A)(i)(IV) of this paragraph, the maximum guaranty amount (as defined in subparagraph (C)), reduced by the amount of entitlement previously used by the veteran under this chapter and not restored as a result of the exclusion in section 3702(b) of this title.

(C) In this paragraph, the term “maximum guaranty amount” means the dollar amount that is equal to 25 percent of the Freddie Mac conforming loan limit limitation determined under section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)) for a single-family residence, as adjusted for the year involved.

(2)(A) Any housing loan which might be guaranteed under the provisions of this chapter, when made or purchased by any financial institution subject to examination and supervision by any agency of the United States or of any State, in lieu of such guaranty, be insured by the Secretary under an agreement whereby the Secretary will reimburse any such institution for losses incurred on such loan up to 15 percent of the aggregate of loans so made or purchased by it.

(B) Loans insured under this section shall be made on such other terms, conditions, and restrictions as the Secretary may prescribe within the limitations set forth in this chapter.

(b) The liability of the United States under any guaranty, within the limitations of this chapter, shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(c)(1) Loans guaranteed or insured under this chapter shall be payable upon such terms and conditions as may be agreed upon by the parties thereto, subject to the provisions of this chapter and regulations of the Secretary issued pursuant to this chapter, and shall bear interest not in excess of such rate as the Secretary may, from time to time, find the loan market demands, except that in establishing the rate of interest that shall be applicable to such loans, the Secretary shall consult with the Secretary of Housing and Urban Development regarding the rate of interest applicable to home loans insured under section 203(b) of the National Housing Act (12 U.S.C. 1709(b)). In establishing rates of interest under this paragraph for one or more of the purposes described in clauses (4) and (7) of section 3710(a) of this title, the Secretary may establish a rate or rates higher than the rate specified for other purposes under such section, but any such rate may not exceed such rate as the Secretary may, from time to time, find the loan market demands for loans for such purposes.

(2) The provisions of the Servicemen’s Readjustment Act of 1944 which were in effect before April 1, 1958, with respect to the interest chargeable on loans made or guaranteed under such Act shall, notwithstanding the provisions of paragraph (1) of this subsection, continue to be applicable—

(A) to any loan made or guaranteed before April 1, 1958; and

(B) to any loan with respect to which a commitment to guarantee was entered into by the Secretary before April 1, 1958.

(3) This section shall not be construed to prohibit a veteran from paying to a lender any reasonable discount required by such lender, when the proceeds from the loan are to be used—

(A) to refinance indebtedness pursuant to clause (5), (8), or (9)(B)(i) of section 3710(a) of this title or section 3712(a)(1)(F) of this title;

(B) to repair, alter, or improve a farm residence or other dwelling pursuant to clauses (4) and (7) of section 3710(a) of this title;

(C) to construct a dwelling or farm residence on land already owned or to be acquired by the veteran except where the land is directly or indirectly acquired from a builder or developer who has contracted to construct such dwelling for the veteran;

(D) to purchase a dwelling from a class of sellers which the Secretary determines are legally precluded under all circumstances from paying such a discount if the best interest of the veteran would be so served; or

(E) to refinance indebtedness and purchase a manufactured-home lot pursuant to section 3710(a)(9)(B)(ii) or 3712(a)(1)(F) of this title, but only with respect to that portion of the loan used to refinance such indebtedness.

(4)(A) In guaranteeing or insuring loans under this chapter, the Secretary may elect whether to require that such loans bear interest at a rate that is—

(i) agreed upon by the veteran and the mortgagee; or

(ii) established under paragraph (1).

The Secretary may, from time to time, change the election under this subparagraph.

(B) Any veteran, under a loan described in subparagraph (A)(i), may pay reasonable discount points in connection with the loan. Except in the case of a loan for the purpose specified in section 3710(a)(8), 3710(b)(7), or 3712(a)(1)(F) of this title, discount points may not be financed as part of the principal amount of a loan guaranteed or insured under this chapter.

(C) Not later than 10 days after an election under subparagraph (A), the Secretary shall transmit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a notification of the election, together with an explanation of the reasons therefor.

(d)(1) The maturity of any housing loan at the time of origination shall not be more than thirty years and thirty-two days.

(2)(A) Any loan for a term of more than five years shall be amortized in accordance with established procedure.

(B) The Secretary may guarantee loans with provisions for various rates of amortization corresponding to anticipated variations in family income. With respect to any loan guaranteed under this subparagraph—

(i) the initial principal amount of the loan may not exceed the reasonable value of the property as of the time the loan is made; and

(ii) the principal amount of the loan thereafter (including the amount of all interest to be deferred and added to principal) may not at any time be scheduled to exceed the projected value of the property.

(C) For the purposes of subparagraph (B) of this paragraph, the projected value of the prop-
portunity shall be calculated by the Secretary by increasing the reasonable value of the property as of the time the loan is made at a rate not in excess of 2.5 percent per year, but in no event may the projected value of the property for the purpose of such subparagraph exceed 115 percent of such reasonable value. A loan made for a purpose other than the acquisition of a single-family dwelling unit may not be guaranteed under such subparagraph.

(3) Any real estate housing loan (other than for repairs, alterations, or improvements) shall be secured by a first lien on the realty. In determining whether a loan for the purchase or construction of a home is so secured, the Secretary may disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner’s share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran’s realty is located, if the Secretary determines that the interests of the veteran borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary’s determination must have been made prior to the recordation of the covenant.

(e)(1) Except as provided in paragraph (2) of this subsection, an individual who pays a fee under section 3729 of this title, or who is exempted under section 3729(c) of this title from paying such fee, with respect to a housing loan guaranteed or insured under this chapter that is exempted under section 3729(c) of this title from the mortgage insurance premium fee requirement, shall be deemed to have paid the maximum guaranty amount under such section 3729(b) of this title.

(2) The exemption from liability provided by paragraph (1) of this subsection shall not apply to—

(A) an individual from whom a fee is collected (or who is exempted from such fee) under section 3729(b)(2)(C) of this title; or

(B) a loan made for any purpose specified in section 3712 of this title.

(f) The application for or obtaining of a loan made, insured, or guaranteed under this chapter shall not be subject to reporting requirements applicable to requests for, or receipts of, Federal contracts, grants, loans, loan guarantees, loan insurance, or cooperative agreements except to the extent that such requirements are provided for in, or by the Secretary pursuant to, this title.

$3704. Restrictions on loans

(a) No loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the property meets or exceeds minimum requirements for planning, construction, and general acceptability prescribed by the Secretary; however, this subsection shall not apply to a loan for the purchase of residential property on which construction is fully completed more than one year before such loan is made.

(b) Subject to notice and opportunity for a hearing, the Secretary may refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person identified with housing previously sold to veterans under this chapter as to which substantial deficiencies have been discovered, or as to which there has been a failure or indicated inability to discharge contractual liabilities to veterans, or as to which it is ascertained that the type of contract of sale or the methods or practices pursued in relation to the marketing of such properties were unfair or unduly prejudicial to veteran purchasers. The Secretary may also refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(c) Except as provided in paragraph (2) of this subsection, no loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the veteran applicant, at the time that the veteran applies for the loan, and also at the time that the loan is closed, certifies in such form as the Secretary may require, that the veteran intends to occupy the property as the veteran's home. Except as provided in paragraph (2) of this subsection, no loan for the repair, alteration, or improvement of residential property shall be financed through the assistance of the provisions of this chapter unless the veteran applicant, at the time that the veteran applies to the lender for the loan, and also at the time that the loan is closed, certifies, in such form as may be required by the Secretary, that the veteran occupies the property as the veteran's home. Notwithstanding the foregoing provisions of this subsection, in the case of a loan automatically guaranteed under this chapter, the veteran shall be required to make the certification only at the time the loan is closed. For the purposes of this chapter the requirement that the veteran recipient of a guaranteed or direct home loan must occupy or intend to occupy the property as the veteran's home means that the veteran as of the date of the veteran's certification actually lives in the property personally as the veteran's residence or actually intends upon completion of the loan and acquisition of the dwelling unit to move into the property personally within a reasonable time and to utilize such property as the veteran's residence. Notwithstanding the foregoing requirements of this subsection, the provisions for certification by the veteran at the time the veteran applies for the loan and at the time the loan is closed shall be considered to be satisfied if the Secretary finds that (1) in the case of a loan for repair, alteration, or improvement the veteran in fact did occupy the property at such times, or (2) in the case of a loan for construction or purchase the veteran intended to
occupy the property as the veteran’s home at such times and the veteran did in fact so occupy it when, or within a reasonable time after, the loan was closed.

(2) In any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy a property because of such status, the occupancy requirements of—

(A) paragraph (1) of this subsection;

(B) paragraphs (1) through (5) and paragraph (7) of section 3710(a) of this title;

(C) section 3712(a)(5)(A)(i) of this title; and

(D) section 3712(e)(5) of this title;

shall be considered to be satisfied if the spouse of the veteran occupies the property as the spouse’s home and the spouse makes the certification required by paragraph (1) of this subsection.

(d) Subject to notice and opportunity for a hearing, whenever the Secretary finds with respect to guaranteed or insured loans that any lender or holder has failed to maintain adequate loan accounting records, or to demonstrate proper ability to service loans adequately or to exercise proper credit judgment or has willfully or negligently engaged in practices otherwise detrimental to the interest of veterans or of the Government, the Secretary may refuse either temporarily or permanently to guarantee or insure any loans made by such lender or holder and may bar such lender or holder from acquiring loans guaranteed or insured under this chapter; however, the Secretary shall not refuse to pay a guaranty or insurance claim on loans theretofore entered into in good faith between a lender or holder and the veteran which were due and payable upon transfer of the property and are required to make certification only at the time of loan closing.

(e) Any housing loan which is financed through the assistance of this chapter and to which section 3714 of this chapter applies shall include a provision that the loan is immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to such section 3714.

(f) A loan for the purchase or construction of new residential property, the construction of which began after the energy efficiency standards under section 109 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12709), as amended by section 101(c) of the Energy Policy Act of 1992, take effect, may not be financed through the assistance of this chapter except pursuant to a commitment made prior to August 10, 1965, if such property is not served by a public or adequate community water and sewerage system and is located in an area where the appropriate local officials certify that the establishment of such systems is economically feasible. For purposes of this subsection, the economic feasibility of establishing public or adequate community water and sewerage systems shall be determined without regard to whether such establishment is authorized by law or is subject to approval by one or more local governments or public bodies.

1994—Subsecs. (e) to (g). Pub. L. 103–446 redesignated subsecs. (f) and (g) as (e) and (f), respectively, and struck out former subsec. (e) which read as follows:

No loan for the purchase or construction of new residential property (other than property served by a water and sewerage system approved by the Secretary of Housing and Urban Development pursuant to title X of the National Housing Act (12 U.S.C. 1749aa et seq.)) shall be financed through the assistance of this chapter, except pursuant to a commitment made prior to August 10, 1965, if such property is not served by a public or adequate community water and sewerage system and is located in an area where the appropriate local officials certify that the establishment of such systems is economically feasible. For purposes of this subsection, the economic feasibility of establishing public or adequate community water and sewerage systems shall be determined without regard to whether such establishment is authorized by law or is subject to approval by one or more local governments or public bodies.
Subsec. (d). Pub. L. 93–569, §2(e), struck out "under section 512 of that Act" after "determination of the Secretary of Housing and Urban Development".

1979—Subsec. (b). Pub. L. 91–506 substituted "Subject to notice and opportunity for a hearing, the" for "The".

1967—Subsecs. (b), (d), (e). Pub. L. 90–19 substituted "Secretary of Housing and Urban Development" for "Federal Housing Commissioner".

1960—Subsec. (c). Pub. L. 86–665 inserted sentence respecting satisfaction of provisions for certification by the veteran at the time he applies for the loan and at the time the loan is closed.

1959—Subsec. (b). Pub. L. 86–73, §3(a), authorized the Administrator to refuse to appraise any property if the builder or sponsor of the property had been barred by the Federal Housing Commissioner from participation in the FHA insurance program.

Subsec. (d). Pub. L. 86–73, §3(b), authorized the Administrator to refuse to guarantee or insure loans if the lender or holder of the loans has been barred by the Federal Housing Commissioner from participation in the FHA insurance program.

Effective Date of 1967 Amendment
Section 8(c) of Pub. L. 100–198 provided that: "The amendments made by this section [amending this section and sections 1810 and 1819 (now 3710 and 3712) of this title] shall apply with respect to loans made more than 30 days after the date of the enactment of this Act [Dec. 21, 1987]."

§ 3708-Authority to buy down interest rates: pilot program

(a) In order to enable the purchase of housing in areas where the supply of suitable military housing is inadequate, the Secretary may conduct a pilot program under which the Secretary may make periodic or lump sum assistance payments on behalf of an eligible veteran for the purpose of buying down the interest rate on a loan to that veteran that is guaranteed under this chapter for a purpose described in paragraph (1), (6), or (10) of section 3710(a) of this title.

(b) An individual is an eligible veteran for the purposes of this section if—
(1) the individual is a veteran, as defined in section 3701(b)(4) of this title;
(2) the individual submits an application for a loan guaranteed under this chapter within one year of an assignment of the individual to duty at a military installation in the United States designated by the Secretary of Defense as a housing shortage area;
(3) at the time the loan referred to in subsection (a) is made, the individual is an enlisted member, warrant officer, or an officer (other than a warrant officer) at a pay grade of O-3 or below;

(2) specify the maximum and likely amounts of increases in mortgage payments that the loans would require; and
(3) be subject to such other terms and conditions as the Secretary may prescribe by regulation.

(d) The Secretary shall promulgate underwriting standards for loans for which the interest rate assistance payments may be made under subsection (a). Such standards shall be based on the interest rate for the second year of the loan.

(e) The Secretary or lender shall provide comprehensive prepurchase counseling to eligible veterans explaining the features of interest rate buy downs under subsection (a), including a hypothetical payment schedule that displays the increases in monthly payments to the mortgagee over the first five years of the mortgage term. For the purposes of this subsection, the Secretary may assign personnel to military installations referred to in subsection (b)(2).

(f) There is authorized to be appropriated $3,000,000 annually to carry out this section.

(12) With respect to a loan guaranteed after the date of the enactment of this paragraph and before the date that is five years after that date, to purchase stock or membership in a cooperative housing corporation for the purpose of entitling the veteran to occupy for dwelling purposes a single family residential unit in a development, project, or structure owned or leased by such corporation, in accordance with subsection (h).

If there is an indebtedness which is secured by a lien against land owned by the veteran, the proceeds of a loan guaranteed under this section or made under section 3711 of this title for construction of a dwelling or farm residence on such land may be used also to liquidate such lien, but only if the reasonable value of the land is equal to or greater than the amount of the lien.

(b) No loan may be guaranteed under this section or made under section 3711 of this title unless—

(1) the proceeds of such loan will be used to pay for the property purchased, constructed, or improved;

(2) the contemplated terms of payment required in any mortgage to be given in part payment of the purchase price or the construction cost bear a proper relation to the veteran’s present and anticipated income and expenses;

(4) the nature and condition of the property is such as to be suitable for dwelling purposes;

(7) in the case of a loan (other than a loan made for a purpose specified in subsection (a)(8) of this section) that is made to refinance—

(A) a construction loan,

(B) an installment land sales contract, or

(C) a loan assumed by the veteran that provides for a lower interest rate than the loan being refinanced,

the amount of the loan to be guaranteed or made does not exceed the lesser of—

(i) the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title;

(ii) the sum of the outstanding balance on the loan to be refinanced and the closing costs (including discounts) actually paid by the veteran, as specified by the Secretary in regulations; and

(8) in the case of a loan to refinance a loan (other than a loan or installment sales contract described in clause (7) of this subsection or a loan made for a purpose specified in subsection (a)(8) of this section), the amount of the loan to be guaranteed or made does not exceed 100 percent of the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title.

(d)(1) The Secretary shall carry out a program to demonstrate the feasibility of guaranteeing loans for the acquisition of an existing dwelling and the cost of making energy efficiency improvements to the dwelling or for energy efficiency improvements to a dwelling owned and occupied by a veteran. A loan may be guaranteed under this subsection only if it meets the requirements of this chapter, except as those requirements are modified by this subsection.

(2) The cost of energy efficiency measures that may be financed by a loan guaranteed under this section may not exceed the greater of—

(A) the cost of the energy efficiency improvements, up to $3,000; or

(B) $6,000, if the increase in the monthly payment for principal and interest does not exceed the likely reduction in monthly utility costs resulting from the energy efficiency improvements.

(3) Notwithstanding the provisions of section 3703(a)(1)(A) of this title, any loan guaranteed under this subsection shall be guaranteed in an amount equal to the sum of—

(A) the guaranty that would be provided under those provisions for the dwelling without the energy efficiency improvements; and

(B) an amount that bears the same relation to the cost of the energy efficiency improvements as the guaranty referred to in subparagraph (A) bears to the amount of the loan plus the cost of such improvements.

(4) The amount of the veteran’s entitlement, calculated in accordance with section 3703(a)(1)(B) of this title, shall not be affected by the amount of the guaranty referred to in paragraph (3)(B).

(5) The Secretary shall take appropriate actions to notify eligible veterans, participating lenders, and interested realtors of the availability of loan guarantees under this subsection and the procedures and requirements that apply to the obtaining of such guarantees.

(6) For the purposes of this subsection:

(A) The term “energy efficiency improvement” includes a solar heating system, a solar
heating and cooling system, or a combined solar heating and cooling system, and the application of a residential energy conservation measure.

(B) The term “solar heating” has the meaning given such term in section 3(2) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(2)) and, in addition, includes a passive system based on conductive, convective, or radiant energy transfer.

(C) The terms “solar heating and cooling” and “combined solar heating and cooling” have the meaning given such terms in subsection (a)(8) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(1)) and, in addition, includes a passive system based on conductive, convective, or radiant energy transfer.

(D) The term “passive system” includes window and skylight glazing, thermal floors, walls, and roofs, movable insulation panels (when in conjunction with glazing), portions of a residential structure that serve as solar furnaces so as to add heat to the structure, double-pane window insulation, and such other energy-related components as are determined by the Secretary to enhance the natural transfer of energy for the purpose of heating or heating and cooling a residence.

(E) The term “residential energy conservation measure” means—

(i) caulking and weatherstripping of all exterior doors and windows;

(ii) furnace efficiency modifications limited to—

(I) replacement burners, boilers, or furnaces designed to reduce the firing rate or to achieve a reduction in the amount of fuel consumed as a result of increased combustion efficiency.

(II) devices for modifying flue openings which will increase the efficiency of the heating system, and

(III) electrical or mechanical furnace ignition systems which replace standing gas pilot lights;

(iii) clock thermostats;

(iv) ceiling, attic, wall, and floor insulation;

(v) water heater insulation;

(vi) storm windows and doors;

(viii) such other energy conservation measures as the Secretary may identify for the purposes of this subparagraph.

(e)(1) For a loan to be guaranteed for the purpose specified in subsection (a)(8) or for the purpose specified in subsection (a)(11) of this section, the amount of the loan may not exceed—

(i) an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary (under regulations which the Secretary shall prescribe) to be included in the loan; or

(ii) in the case of a loan for the purpose specified in subsection (a)(11), an amount equal to the sum of the amount referred to with respect to the loan under clause (i) and the amount specified under subsection (d)(2);

(D) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (i) the original guaranty amount of the loan being refinanced, or (ii) 25 percent of the loan;

(E) the term of the loan may not exceed the original term of the loan being refinanced by more than 10 years; and

(F) the veteran must own the dwelling or farm residence securing the loan and—

(i) must occupy such dwelling or residence as such veteran’s home;

(ii) must have previously occupied such dwelling or residence as such veteran’s home and must certify, in such form as the Secretary shall require, that the veteran has previously so occupied such dwelling or residence; or

(iii) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy such residence or dwelling as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, such dwelling or residence as such spouse’s home and must certify such occupancy in such form as the Secretary shall require.

(2) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (8) of subsection (a) of this section without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran’s guaranty entitlement shall not be charged as a result of any guaranty provided for such purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(3) If a veteran is deceased and if such veteran’s surviving spouse was a co-obligor under an existing loan guaranteed, insured, or made under this chapter, such surviving spouse shall, only for the purpose specified in subsection (a)(8) of this section, be deemed to be a veteran eligible for benefits under this chapter.

(f)(1) For a loan to be guaranteed for the purpose specified in subsection (a)(9) of this section, the purchase of (or the refinancing of a loan secured by) the manufactured home and the lot for that home shall be considered as one loan and must comply with such criteria as may be prescribed by the Secretary in regulations.

(2) A loan may not be guaranteed for the purposes of subsection (a)(9) of this section unless the manufactured home purchased, upon being
(g)(1) For the purposes of this subsection, the term "veteran," when used with respect to a loan guaranteed or to be guaranteed under this chapter, includes the veteran’s spouse if the spouse is jointly liable with the veteran under the loan.

(2) For the purpose of determining whether a veteran meets the standards referred to in subsection (b)(3) of this section and section 3712(e)(2) of this title, the Secretary shall prescribe regulations which establish—

(A) credit underwriting standards to be used in evaluating loans to be guaranteed under this chapter; and

(B) standards to be used by lenders in obtaining credit information and processing loans to be guaranteed under this chapter.

(3) In the regulations prescribed under paragraph (2) of this subsection, the Secretary shall establish standards that include—

(A) debt-to-income ratios to apply in the case of the veteran applying for the loan;

(B) criteria for evaluating the reliability and stability of the income of the veteran applying for the loan; and

(C) procedures for ascertaining the monthly income required by the veteran to meet the anticipated loan payment terms.

If the procedures described in clause (C) of this paragraph include standards for evaluating residual income, the Secretary shall, in establishing such standards, give appropriate consideration to State statistics (in States as to which the Secretary determines that such statistics are reliable) pertinent to residual income and the cost of living in the State in question rather than in a larger region.

(4)(A) Any lender making a loan under this chapter shall certify, in such form as the Secretary shall prescribe, that the lender has complied with the credit information and loan processing standards established under paragraph (2)(B) of this subsection, and that, to the best of the lender’s knowledge and belief, the loan meets the underwriting standards established under paragraph (2)(A) of this subsection.

(B) Any lender who knowingly and willfully makes a false certification under subparagraph (A) of this paragraph shall be liable to the United States Government for a civil penalty equal to two times the amount of the Secretary’s loss on the loan involved or to another appropriate amount, not to exceed $10,000, whichever is greater. All determinations necessary to carry out this subparagraph shall be made by the Secretary.

(5) Pursuant to regulations prescribed to carry out this paragraph, the Secretary may, in extraordinary situations, waive the application of the credit underwriting standards established under paragraph (2) of this subsection when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(h)(1) A loan may not be guaranteed under subsection (a)(12) unless—

(A) the development, project, or structure of the cooperative housing corporation complies with such criteria as the Secretary prescribes in regulations; and

(B) the dwelling unit that the purchase of stock or membership in the development, project, or structure of the cooperative housing corporation entitles the purchaser to occupy is a single family residential unit.

(2) In this subsection, the term "cooperative housing corporation" has the meaning given such term in section 216(b)(1) of the Internal Revenue Code of 1986.

(3) When applying the term "value of the property" to a loan guaranteed under subsection (a)(12), such term means the appraised value of the stock or membership entitling the purchaser to the permanent occupancy of the dwelling unit in the development, project, or structure of the cooperative housing corporation.

§ 3711. Direct loans to veterans

(a) The Congress finds that housing credit for purposes specified in section 3710 or 3712 of this title is not and has not been generally available to veterans living in rural areas, or in small cities and towns not near large metropolitan areas. It is therefore the purpose of this section to provide housing credit for veterans living in such rural areas and such small cities and towns.

(b) Whenever the Secretary finds that private capital is not generally available in any rural area or small city or town for the financing of loans guaranteed for purposes specified in section 3710 or 3712 of this title, the Secretary shall designate such rural area or small city or town as a "housing credit shortage area". The Secretary shall, with respect to any such area, make, or enter into commitments to make, to any veteran eligible under this title, a loan for any or all of the purposes described in section 3710(a) or 3712 of this title (other than the refinancing of a loan under section 3710(a)(8) or 3712(a)(1)(F)).

(c) No loan may be made under this section to a veteran unless the veteran shows to the satisfaction of the Secretary that—

(1) the veteran is unable to obtain from a private lender in such housing credit shortage area, at an interest rate not in excess of the rate authorized for guaranteed home loans or manufactured home loans, as appropriate, a loan for such purpose for which the veteran is qualified under section 3710 or 3712 of this title, as appropriate; and

(2) the veteran is unable to obtain a loan for such purpose from the Secretary of Agriculture under title III of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.).

(d)(1) Loans made under this section shall bear interest at a rate determined by the Secretary, not to exceed the rate authorized for guaranteed home loans or manufactured home loans, as appropriate, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as may be applicable.

(2)(A) Except for any loan made under this chapter for the purposes described in section 3712 of this title, the original principal amount of any loan made under this section shall not exceed an amount which bears the same ratio to $33,000 as the amount of guaranty to which the veteran is entitled under section 3710 of this title at the time the loan is made bears to $36,000; and the guaranty entitlement of any veteran who heretofore or hereafter has been granted a loan under this section shall be charged with an amount which bears the same ratio to $36,000 as the amount of the loan bears to $33,000.

(3) The original principal amount of any loan made under this section for the purposes described in section 3712 of this title shall not exceed the amount that bears the same ratio to $33,000 as the amount of guaranty to which the veteran is entitled under such section at the
time the loan is made bears to $20,000. The amount of the guaranty entitlement for purposes specified in section 3710 of this title of any veteran who is granted a loan under this section, or who before October 18, 1978, was granted a loan under this section, shall be charged with the amount that bears the same ratio to $20,000 as the amount of the loan bears to $33,000.

(3) No veteran may obtain loans under this section aggregating more than $33,000.

(e) Loans made under this section shall be repaid in monthly installments, except that in the case of any such loan made for any of the purposes described in paragraphs (2), (3), or (4) of section 3710(a) of this title, the Secretary may provide that such loan shall be repaid in quarterly, semiannual, or annual installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to pay taxes and assessments on the real estate, to provide for repairs, alterations, and improvements, and to meet the incidental expenses of the transaction. The Secretary shall determine the expenses incident to origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) The Secretary may sell, and shall offer for sale, to any person or entity approved for such purpose by the Secretary, any loan made under this section at a price which the Secretary determines to be reasonable under the conditions prevailing in the mortgage market when the agreement to sell the loan is made; and shall guarantee any loan thus sold subject to the terms to be reasonable under the conditions prevailing in the mortgage market when the agreement to sell the loan is made.

(h) The Secretary may exempt dwellings constructed through assistance provided by this section from the minimum land planning and subdivision requirements prescribed pursuant to subsection (a) of section 3704 of this title, and with respect to such dwellings may prescribe special minimum land planning and subdivision requirements which shall be in keeping with the general housing facilities in the locality but shall require that such dwellings meet minimum requirements of structural soundness and general acceptability.

(i) The Secretary is authorized, without regard to the provisions of subsections (a), (b), and (c) of this section, to make or enter into a commitment to make a loan to any veteran to assist the veteran in acquiring a specially adapted housing unit authorized under chapter 21 of this title, if the veteran is determined to be eligible for the benefits of such chapter 21, and is eligible for loan guaranty benefits under this chapter.

(j)(1) If any builder or sponsor proposes to construct one or more dwellings in a housing credit shortage area, or in any area for a veteran who is determined to be eligible for assistance in acquiring a specially adapted housing unit under chapter 21 of this title, the Secretary may enter into commitment with such builder or sponsor, under which funds available for loans under this section will be reserved for a period not in excess of three months, or such longer period as the Secretary may authorize to meet the needs in any particular case, for the purpose of making loans to veterans to purchase such dwellings. Such commitment may not be assigned or transferred except with the written approval of the Secretary. The Secretary shall not enter into any such commitment unless such builder or sponsor pays a nonrefundable commitment fee to the Secretary in an amount determined by the Secretary, not to exceed 2 percent of the funds reserved for such builder or sponsor.

(2) Whenever the Secretary finds that a dwelling with respect to which funds are being reserved under this subsection has been sold, or contracted to be sold, to a veteran eligible for a direct loan under this section, the Secretary shall enter into a commitment to make the veteran a loan for the purchase of such dwelling. With respect to any loan made to an eligible veteran under this subsection, the Secretary may make advances during the construction of the dwelling in an amount up to a maximum in advance of (A) the cost of the land plus (B) 80 percent of the value of the construction in place.

(k) Without regard to any other provision of this chapter, the Secretary may take or cause to be taken such action as in the Secretary's judgment may be necessary or appropriate for or in connection with the custody, management, protection, and realization or sale of investments under this section, may determine the Secretary's necessary expenses and expenditures, and the manner in which the same shall be incurred, allowed and paid, and may promulgate rules, regulations, and orders as the Secretary may deem necessary or appropriate for carrying out the Secretary's functions under this section and, except as otherwise expressly provided in this chapter, may employ, utilize, compensate, and, to the extent not inconsistent with the Secretary's basic responsibilities under this chapter, delegate any of the Secretary's functions under this section to such persons and such corporate or other agencies, including agencies of the United States, as the Secretary may designate.

§ 3712—Loans to purchase manufactured homes and lots

(a)(1) Notwithstanding any other provision of this chapter, any loan to a veteran eligible for the housing loan benefits of this chapter, if made pursuant to the provisions of this section, may be guaranteed if such loan is for one of the following purposes:

(A) To purchase a lot on which to place a manufactured home already owned by the veteran.

(B) To purchase a single-wide manufactured home.

(C) To purchase a single-wide manufactured home and a lot on which to place such home.

(D) To purchase a double-wide manufactured home.

(E) To purchase a double-wide manufactured home and a lot on which to place such home.

(F) To refinance in accordance with paragraph (4) of this subsection an existing loan guaranteed, insured, or made under this section.

(G) To refinance in accordance with paragraph (5) of this subsection an existing loan that was made for the purchase of, and that is secured by, a manufactured home and to purchase a lot on which such manufactured home is or will be placed.

(2) A loan for any of the purposes described in paragraph (1) of this subsection (other than the refinancing under clause (F) of such paragraph of an existing loan) may include an amount determined by the Secretary to be appropriate to cover the cost of necessary preparation of a lot already owned or to be acquired by the veteran, including the costs of installing utility connec-
tions and sanitary facilities, of paving, and of constructing a suitable pad for the manufactured home.

(3) Any loan made for the purposes described in clause (C), (E), or (G) of paragraph (1) of this subsection shall be considered as part of one loan. The transaction may be evidenced by a single loan instrument or by separate loan instruments for (A) that portion of the loan which finances the purchase of the manufactured home, and (B) that portion of the loan which finances the purchase of the lot and the necessary preparation of such lot.

(4)(A) For a loan to be guaranteed for the purpose specified in clause (F) of paragraph (1) of this subsection—

(i) the interest rate of the loan must be less than the interest rate of the loan being refinanced;

(ii) the loan must be secured by the same manufactured home or manufactured-home lot, or manufactured home and manufactured-home lot, as was the loan being refinanced;

(iii) the amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan;

(iv) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (I) the original guaranty amount of the loan being refinanced, or (II) 25 percent of the loan;

(v) the term of the loan may not exceed the original term of the loan being refinanced;

(vi) the veteran must own the manufactured home, or the manufactured-home lot, or the manufactured home and the manufactured-home lot, securing the loan and—

(I) must occupy the home, a manufactured home on the lot, or the home and the lot, securing the loan;

(II) must have previously occupied the home, a manufactured home on the lot, or the home and the lot, securing the loan as the veteran's home and must certify, in such form as the Secretary shall require, that the veteran has previously occupied the home (or such a home on the lot); or

(III) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy the home, a manufactured home on the lot, or the home and the lot, as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, the manufactured home on the lot, or the home and the lot, as such spouse's home and must certify such occupancy in such form as the Secretary shall require.

(B) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (F) of paragraph (1) of this subsection without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran’s guaranty entitlement shall not be charged as a result of any guaranty provided for such purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(C) If a veteran is deceased and if such veteran's surviving spouse was a co-obligor under an existing loan previously guaranteed, insured, or made for purposes specified in this section, such surviving spouse shall, only for the purpose specified in clause (F) of paragraph (1) of this subsection, be deemed to be a veteran eligible for benefits under this chapter.

(5)(A) For a loan to be guaranteed for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title—

(i) the loan must be secured by the same manufactured home as was the loan being refinanced and such manufactured home must be owned and occupied by the veteran (except as provided in section 3704(c)(2) of this title) as such veteran's home; and

(ii) the amount of the loan may not exceed an amount equal to the sum of—

(I) the purchase price of the lot,

(II) the amount (if any) determined by the Secretary to be appropriate under paragraph (2) of this subsection to cover the cost of necessary preparation of such lot,

(III) the balance of the loan being refinanced, and

(IV) such closing costs (including any discount permitted pursuant to section 3703(c)(3)(E) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan.

(B) When a loan is made to a veteran for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title, and the loan being refinanced was guaranteed, insured, or made under this section, the portion of the loan made for the purpose of refinancing such loan may be guaranteed by the Secretary under this chapter without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such portion of such loan. For the purposes of section 3702(b) of this title, such portion of such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(b)(1) Use of entitlement for purposes specified in this section for the purchase of a manufactured home unit shall preclude the use of remaining entitlement for the purchase of an additional manufactured home unit until the unit which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.

(2) The Secretary shall restore entitlement to all housing loan benefits under this chapter for the veteran when the conditions prescribed in section 3702(b) of this title have been met.

(c)(1) Loans for any of the purposes authorized by subsection (a) of this section shall be submitted to the Secretary for approval prior to the closing of the loan, except that the Secretary may exempt any lender of a class listed in section 3702(d) of this title from compliance with
such prior approval requirement if the Secretary determines that the experience of such lender or class of lenders in manufactured home financing warrants such exemption.

(2) Upon determining that a loan submitted for prior approval is eligible for guaranty for purposes specified in this section, the Secretary shall issue a commitment to guarantee such loan and shall thereafter guarantee the loan when made if such loan qualifies therefor in all respects.

(3)(A) The Secretary’s guaranty may not exceed the lesser of (i) the lesser of $20,000 or 40 percent of the loan, or (ii) the maximum amount of the guaranty entitlement available to the veteran as specified in paragraph (4) of this subsection.

(B) A claim under the Secretary’s guaranty shall, at the election of the holder of a loan, be made by the filing of an accounting with the Secretary—

(i) within a reasonable time after the receipt by such holder of an appraisal by the Secretary of the value of the security for the loan; or

(ii) after liquidation of the security for the loan.

(C) If the holder of a loan applies for payment of a claim under clause (i) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the amount of the appraisal referred to in such clause; or

(ii) the amount equal to the guaranty under this section.

(D) If the holder of a loan files for payment of a claim under clause (ii) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the greater of the value of the property securing the loan, as determined by the Secretary, or the amount of the liquidation or resale proceeds; or

(ii) the amount equal to the guaranty under this section.

(E) In any accounting filed pursuant to subparagraph (B)(ii) of this paragraph, the Secretary shall permit to be included therein accrued unpaid interest from the date of the first uncured default to such cutoff date as the Secretary may establish, and the Secretary shall allow the holder of the loan to charge against the liquidation or resale proceeds accrued interest from the cutoff date established to such further date as the Secretary may determine and such costs and expenses as the Secretary determines to be reasonable and proper.

(F) The liability of the United States under the guaranty provided for by this paragraph shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(4) The maximum amount of guaranty entitlement available to a veteran for purposes specified in this section shall be $20,000 reduced by the amount of any such entitlement previously used by the veteran. Use of entitlement for purposes specified in section 3710 or 3711 of this title shall reduce entitlement available for use for purposes specified in this section to the same extent that entitlement available for purposes specified in such section 3710 is reduced below $20,000.

(5) The amount of any loan guaranteed for purposes specified in this section shall not exceed an amount equal to 95 percent of the purchase price of the property securing the loan.

(d)(1) The maturity of any loan guaranteed for purposes specified in this section shall not be more than—

(A) fifteen years and thirty-two days, in the case of a loan for the purchase of a lot;

(B) twenty years and thirty-two days, in the case of a loan for the purchase of—

(i) a single-wide manufactured home; or

(ii) a single-wide manufactured home and a lot;

(C) twenty-three years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home; or

(D) twenty-five years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home and a lot.

(2) Nothing in paragraph (1) of this subsection shall preclude the Secretary, under regulations which the Secretary shall prescribe, from consenting to necessary advances for the protection of the security or the holder’s lien, to a reasonable extension of the term of such loan, or to a reasonable reamortization of such loan.

(e) No loan shall be guaranteed for purposes specified in this section unless—

(1) the loan is repayable in approximately equal monthly installments;

§ 3713. Release from liability under guaranty

(a) Whenever any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran, the Secretary, upon application made by such veteran and by the transferee incident to such disposal, shall issue to such veteran in connection with such disposal a release relieving the veteran of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as the Secretary may deem appropriate, that (1) the loan is current, and (2) the purchaser of such property from such veteran (A) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid, and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan, and (B) qualifies from a credit standpoint, to the same extent as if the transferee were a veteran eligible for purposes specified in section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the transferee has assumed liability.

(b) If any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran under this chapter without receiving a release from liability with respect to such loan under subsection (a), and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines, after such investigation as the Secretary deems appropriate, that the property was disposed of by the veteran in such a manner, and subject to such conditions, that the Secretary would have issued the veteran a release from liability under subsection (a) with respect to the loan if the veteran had made application therefor incident to such disposal. Failure of a transferee to assume by contract all of the liabilities of the original veteran-borrower shall bar such release of liability only in cases in which no acceptable transferee, either immediate or remote, is legally liable to the Secretary for the indebtedness of the original veteran-borrower arising from termination of the loan. The failure of a veteran to qualify for release from liability under this subsection does not preclude relief from being granted under section 5302(b) of this title, if the veteran is eligible for relief under that section.

(c) This section shall apply only to loans for which commitments are made before March 1, 1988.

§ 3714. Assumptions; release from liability

(a)(1) Except as provided in subsection (f) of this section, if a veteran or any other person disposes of residential property securing a loan guaranteed, insured, or made under this chapter and the veteran or other person notifies the holder of the loan in writing before the property
is disposed of, the veteran or other person, as the case may be, shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that—

(A) the loan is current; and

(B) the purchaser of the property from such veteran or other person—

(i) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan; and

(ii) qualifies from a credit standpoint, to the same extent as if the purchaser were a veteran eligible under section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the purchaser is to assume liability.

(2) For the purposes of paragraph (1), paragraph (3), and paragraph (4)(C)(ii) of this subsection, the Secretary shall be considered to be the holder of the loan if the actual holder is not an approved lender described in section 3702.

(3) If the holder of the loan determines that the loan is not current or that the purchaser of the property does not meet the requirements of paragraph (1)(B) of this subsection, the holder shall—

(A) notify the transferor and the Secretary of such determination; and

(B) notify the transferor that the transferor may appeal the determination to the Secretary.

(4)(A) Upon the appeal of the transferor after a determination described in paragraph (3) is made, the Secretary shall, in a timely manner, review and make a determination (or a redetermination in any case in which the Secretary made the determination described in such paragraph) with respect to whether the loan is current and whether the purchaser of the property meets the requirements of paragraph (1)(B) of this subsection. The Secretary shall transmit, in writing, a notice of the nature of such determination to the transferor and the holder and shall inform them of the action that shall or may be taken under subparagraph (B) of this paragraph as a result of the determination of the Secretary.

(B)(i) If the Secretary determines under subparagraph (A) of this paragraph that the loan is current and that the purchaser meets the requirements of paragraph (1)(B) of this subsection, the holder shall approve the assumption of the loan, and the transferor shall be relieved of all liability to the Secretary with respect to such loan.

(ii) If the Secretary determines under subparagraph (A) of this paragraph that the purchaser does not meet the requirements of paragraph (1)(B) of this subsection, the Secretary may direct the holder to approve the assumption of the loan if—

(I) the Secretary determines that the transferee of the property is unable to make payments on the loan and has made reasonable efforts to find a buyer who meets the requirements of paragraph (1)(B) of this subsection and that, as a result, the proposed transfer is in the best interests of the Department and the transferee;

(II) the transferee has requested, within 15 days after receiving the notice referred to in subparagraph (A) of this paragraph, that the Secretary approve the assumption; and

(III) the transferee will, upon assumption of the loan by the purchaser, be secondarily liable on the loan.

(C) If—

(i) the loan is not approved for assumption under subparagraph (B) of this paragraph or paragraph (1) of this subsection; or

(ii) no appeal is made by the transferee under subparagraph (A) of this paragraph within 30 days after the holder informs the transferee of its determination under paragraph (3) of this subsection, the holder may demand immediate, full payment of the principal, and all interest earned thereon, of such loan if the transferee disposes of the property.

(b) If a person disposes of residential property described in subsection (a)(1) of this section and the person fails to notify the holder of the loan before the property is disposed of, the holder, upon learning of such action by the person, may demand immediate and full payment of the principal, interest, and all other amounts owing under the terms of the loan.

(c)(1) In any case in which the holder of a loan described in subsection (a)(1) of this section has knowledge of a person's disposing of residential property securing the loan, the holder shall notify the Secretary of such action.

(2) If the holder fails to notify the Secretary in such a case, the holder shall be liable to the Secretary for any damage sustained by the Secretary as a result of the holder's failure, as determined by the Secretary at the time the Secretary is required to make payments in accordance with any insurance or guaranty provided by the Secretary with respect to the loan concerned.

(d) With respect to a loan guaranteed, insured, or made under this chapter, the Secretary shall provide, by regulation, that at least one instrument evidencing either the loan or the mortgage or deed of trust therefor, shall conspicuously contain, in such form as the Secretary shall specify, a notice in substantially the following form: “This loan is not assumable without the approval of the Department of Veterans Affairs or its authorized agent”.

(e) The Secretary shall establish in regulations a reasonable amount as the maximum amount that a lender may charge for processing an application for a creditworthiness determination and assumption of a loan pursuant to this section. Such regulations shall establish requirements for the timely processing of applications for acceptance of assumptions.

(f)(1) This section shall apply—

(A) in the case of loans other than loans to finance the purchase of real property described
in section 3733(a)(1) of this title, only to loans for which commitments are made on or after March 1, 1988; and

(B) in the case of loans to finance the purchase of such property, only to loans which are closed after January 1, 1989.

(2) This section shall not apply to a loan which the Secretary has sold without recourse.

(B) in the case of loans to finance the purchase of such property, only to loans which are closed after January 1, 1989.

(2) This section shall not apply to a loan which the Secretary has sold without recourse.

(a) Notwithstanding the provisions of any other law, with respect to matters arising by reason of this chapter, the Secretary may—

agreement, repair, sale, or lease of any such properties and remit the net balances to the Secretary.

(b) The powers granted by this section may be exercised by the Secretary without regard to any other provision of law not enacted expressly in limitation of this section, which otherwise would govern the expenditure of public funds, except that division C (except sections 3202, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41 shall apply to any contract for services or supplies on account of any property acquired pursuant to this section.

(c) The financial transactions of the Secretary incident to, or arising out of, the guaranty or insurance of loans pursuant to this chapter, and the acquisition, management, and disposition of property, real, personal, or mixed, incident to such activities and pursuant to this section, shall be final and conclusive upon all officers of the Government.

(d) The right to redeem provided for by section 2410(c) of title 28 shall not arise in any case in which the subordinate lien or interest of the United States derives from a guaranteed or insured loan.

(f) Whenever loss, destruction, or damage to any residential property securing loans guaranteed, insured, made, or acquired by the Secretary under this chapter occurs as the result of a major disaster as determined by the President under the Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), the Secretary shall (1) provide counseling and such other service to the owner of such property as may be feasible and shall inform such owner concerning the disaster assistance available from other Federal agencies and from State or local agencies, and (2) pursuant to subsection (a)(2) of this section, extend on an individual case basis such forebearance or indulgence to such owner as the Secretary determines to be warranted by the facts of the case and the circumstances of such owner.

(g) The Secretary shall, at the request of the Secretary of Housing and Urban Development and without reimbursement, certify to such Secretary whether an applicant for assistance under any law administered by the Department of Housing and Urban Development is a veteran.

§ 3731. Appraisals

(a) The Secretary shall—

(1) subject to subsection (b)(2) and in consultation with appropriate representatives of institutions which are regularly engaged in making housing loans, prescribe uniform qualifications for appraisers, including the successful completion of a written test, submission of a sample appraisal, certification of an appropriate number of years of experience as an appraiser, and submission of recommendations from other appraisers;

(2) use such qualifications in determining whether to approve an appraiser to make appraisals of the reasonable value of any property, construction, repairs, or alterations for the purposes of this chapter; and

(b) The Secretary shall—

(1) select appraisers from a list required by subsection (a)(3) of this section on a rotating basis to make appraisals for the purposes of this chapter.

(2) If uniform qualifications become applicable for appraisers who perform appraisals for or in connection with the Federal Government, the qualifications required by subsection (a)(1) of this section may be more stringent than such uniform qualifications, but the Secretary may use no written test in determining the qualifications of appraisers other than the test prescribed to implement such uniform qualifications.

(3) Except as provided in subsection (f) of this section, the appraiser shall forward an appraisal report to the Secretary for review. Upon receipt of such report, the Secretary shall determine the reasonable value of the property, construction, repairs, or alterations for purposes of this chapter, and notify the veteran of such determination. (e)(1) In no case may a veteran be required to pay all or any portion of the cost of the additional appraisal described in subsection (d)(3) of this section.

(2) If a veteran, within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the veteran from the list required by subsection (a)(3) of this section, the Secretary shall consider such appraisal, along with other appraisals furnished to the Secretary, and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(f)(1) Subject to the provisions of paragraphs (2) and (3) of this subsection, the Secretary may, in accordance with standards and procedures established in regulations prescribed by the Secretary, authorize a lender to determine the reasonable value of property for the purposes of this chapter if the lender is authorized to make loans which are automatically guaranteed under section 3702(d) of this title. In such a case, the appraiser selected by the Secretary pursuant to subsection (b) of this section shall submit the appraisal report directly to the lender for review, and the lender shall, as soon as possible thereafter, furnish a copy of the appraisal to the veteran who is applying for the loan concerned and to the Secretary.

(2) In exercising the authority provided in paragraph (1) of this subsection, the Secretary shall assign a sufficient number of personnel to carry out an appraisal-review system to monitor, on at least a random-sampling basis, the making of appraisals by appraisers and the effectiveness and the efficiency of the determination of reasonable value of property by lenders.

(B) the number and value of such loans reviewed by the appraisal-review monitors referred to in paragraph (2) to subsection (d) of this section;
(C) the number and value of loans made under this subsection of which the Secretary received notification of default;
(D) the amount of guaranty paid by the Secretary to such lenders by reason of defaults on loans as to which reasonable value was determined under this subsection; and

L. 104–110 that was taken during period beginning on date on which authority of Secretary under such provision of law expired and ending on Feb. 13, 1996, considered to have same force and effect as if such amendment had been in effect at time of that action, see section 103 of Pub. L. 104–110, set out as a note under section 1710 of this title.

§ 3732. Procedure on default

(a)(1) In the event of default in the payment of any loan guaranteed under this chapter, the holder of the obligation shall notify the Secretary of such default. Upon receipt of such notice, the Secretary may, subject to subsection (c) of this section, pay to such holder the guaranty not in excess of the pro rata portion of the amount originally guaranteed. Except as provided in section 3703(c) of this title, if the Secretary makes such a payment, the Secretary shall be subrogated to the rights of the holder of the obligation to the extent of the amount paid on the guaranty.

(2)(A) Before suit or foreclosure the holder of the obligation shall notify the Secretary of the default, and within thirty days thereafter the Secretary may, at the Secretary's option, pay the holder of the obligation the unpaid balance of the obligation plus accrued interest and receive an assignment of the loan and security. Nothing in this section shall preclude any forbearance for the benefit of the veteran as may be agreed upon by the parties to the loan and approved by the Secretary.

(B) In the event that a housing loan guaranteed under this chapter is modified under the authority provided under section 3122(b) of title 11, the Secretary may pay the holder of the obligation principal balance of the obligation due, plus accrued interest, as of the date the filing of the petition under title 11, but only upon the assignment, transfer, and delivery to the Secretary (in a form and manner satisfactory to the Secretary) of all rights, interest, claims, evidence, and records with respect to the housing loan.

(3) The Secretary may establish the date, not later than the date of judgment and decree of foreclosure or sale, upon which accrual of interest or charges shall cease.

(4)(A) Upon receiving a notice pursuant to paragraph (1) of this subsection, the Secretary shall—

(i) provide the veteran with information and, to the extent feasible, counseling regarding—

(I) alternatives to foreclosure, as appropriate in light of the veteran's particular circumstances, including possible methods of curing the default, conveyance of the property to the Secretary by means of a deed in lieu of foreclosure, and the actions authorized by paragraph (2) of this subsection; and

(II) what the Department of Veterans Affairs' and the veteran's liabilities would be with respect to the loan in the event of foreclosure; and

(ii) advise the veteran regarding the availability of such counseling;

except with respect to loans made by a lender which the Secretary has determined has demonstrated record of consistently providing timely and accurate information to veterans with respect to such matters.

(B) The Secretary shall, to the extent of the availability of appropriations, ensure that sufficient personnel are available to administer subparagraph (A) of this paragraph effectively and efficiently.

(5) In the event of default in the payment of any loan guaranteed or insured under this chapter in which a partial payment has been tendered by the veteran concerned and refused by the holder, the holder of the obligation shall notify the Secretary as soon as such payment has been refused. The Secretary may require that any such notification include a statement of the circumstances of the default, the amount tendered, the amount of the indebtedness on the date of the tender, and the reasons for the holder's refusal.

(b) With respect to any loan made under section 3711 which has not been sold as provided in subsection (g) of such section, if the Secretary finds, after there has been a default in the payment of any installment of principal or interest owing on such loan, that the default was due to the fact that the veteran who is obligated under the loan has become unemployed as the result of the closing (in whole or in part) of a Federal installation, the Secretary shall (1) extend the time for curing the default to such time as the Secretary determines is necessary and desirable to enable such veteran to complete payments on such loan, including an extension of time beyond the stated maturity thereof, or (2) modify the terms of such loan for the purpose of changing the amortization provisions thereof by recasting, over the remaining term of the loan, or over such longer period as the Secretary may determine, the total unpaid amount then due with the modification to become effective currently or upon the termination of an agreed-upon extension of the period for curing the default.

(c)(1) For purposes of this subsection—

(A) The term "defaulted loan" means a loan that is guaranteed under this chapter, that was made for a purpose described in section 3710(a) of this title, and that is in default.

(B) The term "liquidation sale" means a judicial sale or other disposition of real property to liquidate a defaulted loan that is secured by such property.

(C) The term "net value", with respect to real property, means the amount equal to (i) the fair market value of the property, minus (ii) the total of the amounts which the Secretary estimates the Secretary would incur (if the Secretary were to acquire and dispose of the property) for property taxes, assessments, liens, property maintenance, property improvement, administration, resale (including losses sustained on the resale of the property), and other costs resulting from the acquisition and disposition of the property, excluding any amount attributed to the cost to the Government of borrowing funds.

(D) Except as provided in subparagraph (D) of paragraph (10) of this subsection, the term...
"total indebtedness"; with respect to a defaulted loan, means the amount equal to the total of (i) the unpaid principal of the loan, (ii) the interest on the loan as of the date applicable under paragraph (10) of this subsection, and (iii) such reasonably necessary and proper charges (as specified in the loan instrument and permitted by regulations prescribed by the Secretary to implement this subsection) associated with liquidation of the loan, including advances for taxes, insurance, and maintenance or repair of the real property securing the loan.

(2)(A) Except as provided in subparagraph (B) of this paragraph, this subsection applies to any case in which the holder of a defaulted loan undertakes to liquidate the loan by means of a liquidation sale.

(B) This subsection does not apply to a case in which the Secretary proceeds under subsection (a)(2) of this section.

(3)(A) Before carrying out a liquidation sale of real property securing a defaulted loan, the holder of the loan shall notify the Secretary of the proposed sale. Such notice shall be provided in accordance with regulations prescribed by the Secretary to implement this subsection.

(B) After receiving a notice described in subparagraph (A) of this paragraph, the Secretary shall determine the net value of the property securing the loan and the amount of the total indebtedness under the loan and shall notify the holder of the loan of the determination of such net value.

(4) A case referred to in paragraphs (5), (6), and (7) of this subsection as being described in this paragraph is a case in which the net value of the property securing a defaulted loan exceeds the amount equal to the lesser of such net value or total indebtedness under the loan minus the amount guaranteed under this chapter.

(5) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at a liquidation sale for an amount that does not exceed the lesser of the net value of the property or the total indebtedness under the loan—

(A) the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter shall be limited to the amount of such total indebtedness under the loan minus the amount realized by the holder of the loan incident to the sale at a liquidation sale of the property.

(6) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan does not acquire the property securing the loan at the liquidation sale, the liability of the United States under the loan guaranty under this chapter shall be limited to the amount equal to (A) the amount of such total indebtedness, minus (B) the amount realized by the holder incident to the sale or the net value of the property, whichever is greater.

(7) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at the liquidation sale for an amount that exceeds the lesser of the total indebtedness under the loan or the net value and—

(2) Paragraph (1) of this subsection shall not apply if 51 percent or more of the business concern seeking a direct or guaranteed loan under this subchapter is owned by veterans of the Vietnam era or disabled veterans without including the ownership interest of the veteran whose ownership interest in another small business concern was previously considered in qualifying that other concern for an outstanding guaranteed or direct business loan under this subchapter or the Small Business Act (15 U.S.C. 631 et seq.).

(e)(1) In order to protect the interest of the United States, upon application by a veterans’ small business concern which is the recipient of a loan guaranteed under this subchapter, the Secretary (subject to the provisions of this sub-section) may undertake the veterans’ small business concern’s obligation to make payments under such loan or, if the loan was a direct loan made by the Secretary, may suspend such obligation. While such payments are being made by the Secretary pursuant to the undertaking of such obligation or while such obligation is suspended, no such payment with respect to the loan may be required from the concern.

(2) The Secretary may undertake or suspend a veterans’ small business concern’s obligation under this subsection only if—

(A) such undertaking or suspension of the obligation is, in the judgment of the Secretary, necessary to protect the interest of the United States;

(C) the small business concern executes an agreement in writing satisfactory to the Secretary as provided by paragraph (4) of this subsection.

(3) The period of time for which the Secretary undertakes or suspends the obligation on a loan under this subsection may not exceed five years. The Secretary may extend the maturity of any loan on which the Secretary undertakes or suspends the obligation under this subsection for a corresponding period of time.

(4)(A) Before the Secretary may undertake or suspend a veterans’ small business concern’s obligation under this subsection, the Secretary shall require the small business concern to execute an agreement to repay the aggregate amount of the payments which were required under the loan during the period for which the obligation was undertaken or suspended—

(i) by periodic payments not less in amount or less frequently falling due than those which were due under the loan during such period—

(ii) pursuant to a repayment schedule agreed upon by the Secretary and the small business concern, or

(iii) by a combination of the method of payments described in clauses (i) and (ii) of this subparagraph.

(B) In addition to requiring the small business concern to execute the agreement described in subparagraph (A) of this paragraph, the Secretary shall, before the undertaking or suspension of the obligation, take such action and require the small business concern to take such action as the Secretary considers appropriate in the circumstances, including the provision of such security as the Secretary considers necessary or appropriate, to assure that the rights and interest of the United States and any lender will be safeguarded adequately during and after the period in which such obligation is so undertaken or suspended.

(1) the Secretary has entered into a memorandum of understanding with respect to such loans with the tribal organization that has jurisdiction over the veteran; or
(2) the memorandum is in effect when the loan is made.
(b)(1) Subject to paragraph (2), the Secretary shall ensure that each memorandum of understanding that the Secretary enters into with a tribal organization shall provide for the following:

(2) The Secretary may not enter into a memorandum of understanding with a tribal organization under this subsection unless the Secretary determines that the memorandum provides for such standards and procedures as are necessary for the reasonable protection of the financial interests of the United States.
(c)(1)(A) Except as provided in subparagraph (B), the principal amount of any direct housing loan made to a Native American veteran under this section may not exceed $80,000.
(B)(i) Subject to clause (i), the Secretary may make loans exceeding the amount specified in subparagraph (A) in a geographic area if the Secretary determines that housing costs in the area are significantly higher than average hous-

The procedures shall incorporate generally the relevant requirements of section 3731 of this title, unless the Secretary determines that such requirements are impracticable to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(e) Loans made under this section shall be repaid in monthly installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements to meet incidental expenses of the loan transaction. § 4100. Findings

The Congress makes the following findings:

(1) As long as unemployment and underemployment continue as serious problems among disabled veterans and Vietnam-era veterans, alleviating unemployment and underemployment among such veterans is a national responsibility.

(2) Because of the special nature of employment and training needs of such veterans and the national responsibility to meet those
needs, policies and programs to increase opportunities for such veterans to obtain employment, job training, counseling, and job placement services and assistance in securing advancement in employment should be effectively and vigorously implemented by the Secretary of Labor and such implementation should be accomplished through the Assistant Secretary of Labor for Veterans' Employment and Training.

(C) In the case of a person whose period of service in the uniformed services was for more than 30 days but less than 181 days, by submitting an application for reemployment with the employer not later than 14 days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the person, the next first full calendar day when submission of such application becomes possible.

(D) In the case of a person whose period of service in the uniformed services was for more than 180 days, by submitting an application for reemployment with the employer not later than 90 days after the completion of the period of service.

(2) (A) A person who is hospitalized for, or convalescing from, an illness or injury incurred in, or aggravated during, the performance of service in the uniformed services shall, at the end of the period that is necessary for the person to recover from such illness or injury, report to the person’s employer (in the case of a person described in subparagraph (A) or (B) of paragraph (1)) or submit an application for reemployment with such employer (in the case of a person described in subparagraph (C) or (D) of such paragraph). Except as provided in subparagraph (B), such period of recovery may not exceed two years.

(B) Such two-year period shall be extended by the minimum time required to accommodate the circumstances beyond such person’s control which make reporting within the period specified in subparagraph (A) impossible or unreasonable.

(3) A person who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection shall not automatically forfeit such person’s entitlement to the rights and benefits referred to in subsection (a) but shall be subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(f)(1) A person who submits an application for reemployment in accordance with subparagraph (C) or (D) of subsection (e)(1) or subsection (e)(2) shall provide to the person’s employer (upon the request of such employer) documentation to establish that—

(A) the person’s application is timely;

(B) the person has not exceeded the service limitations set forth in subsection (a)(2) (except as permitted under subsection (c)); and

If, after such reemployment, documentation becomes available that establishes that such person does not meet one or more of the requirements referred to in subparagraphs (A), (B), and (C) of paragraph (1), the employer of such person may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

(B) An employer who reemploys a person absent from a position of employment for more than 90 days may require that the person provide the employer with the documentation referred to in subparagraph (A) before beginning to treat the person as not having incurred a break in service for pension purposes under section 4312(a)(2)(A).

(4) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.

(g) The right of a person to reemployment under this section shall not entitle such person to retention, preference, or displacement rights over any person with a superior claim under the provisions of title 5, United States Code, relating to veterans and other preference eligibles.

(h) In any determination of a person’s entitlement to protection under this chapter, the timing, frequency, and duration of the person’s training or service, or the nature of such training or service (including voluntary service) in the uniformed services, shall not be a basis for denying protection of this chapter if the service does not exceed the limitations set forth in subsection (c) and the notice requirements established in subsection (a)(1) and the notification.

§ 4317. Health plans

(a)(1) In any case in which a person (or the person's dependents) has coverage under a health plan in connection with the person's position of employment, including a group health plan (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974), such plan is not terminated by reason of service in the uniformed services, or such person becomes eligible for medical and dental care under chapter 55 of title 10 by reason of subsection (d) of section 1074 of that title, the plan shall provide that the person may elect to continue such coverage as provided in this subsection. The maximum period of coverage of a person and the person's dependents under such an election shall be the lesser of—

(A) the 24-month period beginning on the date on which the person's absence begins; or

(B) the day after the date on which the person fails to apply for or return to a position of employment, as determined under section 4312(e).

(2) A person who elects to continue health-plan coverage under this paragraph may be required to pay not more than 102 percent of the full premium under the plan (determined in the same manner as the applicable premium under section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for the employer's other employees, except that in the case of a person who performs service in the uniformed services for less than 31 days, such person may not be required to pay more than the employee share, if any, for such coverage.

This paragraph applies to the person who is reemployed and to any individual who is covered by such plan by reason of the reinstatement of the coverage of such person.

(2) Paragraph (1) shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

Amendments

§ 5301. Nonassignability and exempt status of benefits.

(a)(1) Payments of benefits due or to become due under any law administered by the Secretary shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatsoever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to claims of the United States arising under such laws nor shall the exemption therein contained as to taxation extend to any property purchased in part or wholly out of such payments. The provisions of this section shall not be construed to prohibit the assignment of insurance otherwise authorized under chapter 19 of this title, or of servicemen’s indemnity. (2) For the purposes of this subsection, in any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee’s address for the purpose of receiving a benefit check and has also executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(b) This paragraph is intended to clarify that, in any case where a beneficiary entitled to compensation, pension, or dependency and indemnity compensation enters into an agreement with another person under which agreement such other person acquires for consideration the right to receive such benefit by payment of such compensation, pension, or dependency and indemnity compensation, as the case may be, except as provided in subparagraph (A), and including deposit into a joint account from which such other person may make withdrawals, or otherwise, such agreement shall be deemed to be an assignment and is prohibited.

(3)(A) This paragraph is intended to prohibit a loan involving a beneficiary under the terms of which the beneficiary may use the benefit to repay such other person as long as each of the periodic payments made to repay such other person is separately and voluntarily executed by the beneficiary or is made by preauthorized electronic funds transfer pursuant to the Electronic Funds Transfers Act (15 U.S.C. 1693 et seq.).

(C) Any agreement or arrangement for collateral for security for an agreement that is prohibited under subparagraph (A) is also prohibited and is void from its inception.

(b) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Secretary and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or the beneficiary’s estate; or (2) any beneficiary or the beneficiary’s estate except amounts due the United States by such beneficiary or the beneficiary’s estate by reason of overpayments or illegal payments made under such laws to such beneficiary or the beneficiary’s estate or to the beneficiary’s dependents as such. If the benefits referred to in the preceding sentence are insurance payable by reason of yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance issued by the United States, the exemption provided in this section shall not apply to indebtedness existing against the particular insurance contract upon the maturity of which the claim is based, whether such indebtedness is in the form of liens to secure unpaid premiums or loans, or interest on such premiums or loans, or indebtedness arising from overpayments of dividends, refunds, loans, or other insurance benefits.

(c)(1) Notwithstanding any other provision of this section, the Secretary may, after receiving a request under paragraph (2) of this subsection relating to a veteran, collect by offset of any compensation or pension payable to the veteran under laws administered by the Secretary the
uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan prescribed in chapter 73 of title 10.

(2) If the Secretary concerned (as defined in section 101(5) of title 37) has tried under section 3711(a) of title 31 to collect an amount described in paragraph (1) of this subsection in the case of any veteran, has been unable to collect such amount, and has determined that the uncollected portion of such amount is not collectible from amounts payable by that Secretary to the veteran or that the veteran is not receiving any payment from that Secretary, that Secretary may request the Secretary to make collections in the case of such veteran as authorized in paragraph (1) of this subsection.

(3)(A) A collection authorized by paragraph (1) of this subsection shall be conducted in accordance with the procedures prescribed in section 3716 of title 31 for administrative offset collections made after attempts to collect claims under section 3711(a) of such title.

(B) For the purposes of subparagraph (A) of this paragraph, as used in the second sentence of section 3716(a) of title 31—

(i) the term "records of the agency" shall be considered to refer to the records of the department of the Secretary concerned; and

(ii) the term "agency" in clauses (3) and (4) shall be considered to refer to such department.

(4) Funds collected under this subsection shall be credited to the Department of Defense Military Retirement Fund under chapter 74 of title 10 or to the Retired Pay Account of the Coast Guard, as appropriate.

(d) Notwithstanding subsection (a) of this section, payments of benefits under laws administered by the Secretary shall not be exempt from levy under subchapter D of chapter 64 of the Internal Revenue Code of 1986 (26 U.S.C. 6331 et seq.).

(e) In the case of a person who—

(1) has been determined to be eligible to receive pension or compensation under laws administered by the Secretary but for the receipt by such person of pay pursuant to any provision of law providing retired or retirement pay to members or former members of the Armed Forces or commissioned officers of the National Oceanic and Atmospheric Administration or of the Public Health Service; and

(2) files a waiver of such pay in accordance with section 5305 of this title in the amount of such pension or compensation before the end of the one-year period beginning on the date such person is notified by the Secretary of such person's eligibility for such pension or compensation,

the retired or retirement pay of such person shall be exempt from taxation, as provided in subsection (a) of this section, in an amount equal to the amount of pension or compensation which would have been paid to such person but for the receipt by such person of such pay.

(B) such determination shall be made by such board (i) on an expedited basis after notification by the Department to the Secretary concerned that such person has received, is in receipt of, or has applied for such benefits or after a written request is made by such person or such determination, (ii) on its own initiative before October 9, 1978, in any case where a general or honorable discharge has been awarded before October 9, 1977, under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph, or (iii) on its own initiative at the time a general or honorable discharge is so awarded in any case where a general or honorable discharge is awarded after October 8, 1977.

If such board makes a preliminary determination that such person would not have been awarded an upgraded discharge under standards meeting the requirements of paragraph (1) of this subsection, such person shall be entitled to an appearance before the board, as provided for in section 1553(c) of title 10, prior to a final determination on such question and shall be given written notice by the board of such preliminary determination and of the right to such appearance. The Secretary shall, as soon as adminis-
tratively feasible, notify the appropriate board of review of the receipt of benefits under laws administered by the Secretary, or of the application for such benefits, by any person awarded an upgraded discharge under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph with respect to whom a favorable determination has not been made under this paragraph.

(3) has made reasonable efforts to notify such person about the proposed deductions from such payments.

(c) Notwithstanding any other provision of this title or of any other law, the authority of
the Secretary to make deductions under this section or to take other administrative action authorized by law for the purpose of collecting an indebtedness described in subsection (a) of this section, or for the purpose of determining the creditworthiness of a person who owes such an indebtedness, shall not be subject to any limitation with respect to the time for bringing civil actions or for commencing administrative proceedings.

(a) Whenever it appears that any fiduciary, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such fiduciary or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may, in the discretion of the Secretary, order the estate to be managed by the Secretary. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary’s duly authorized attorney in any court as an interested party in any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable, or for the benefit of the beneficiary, to be used solely for the benefit of such beneficiary or for the benefit of such beneficiary or for the benefit of the beneficiary, to be used solely for the benefit of such beneficiary or the beneficiary’s personal representative, except as otherwise provided by law; however, payment of benefits shall not be made to the beneficiary’s personal representative if, under the law of the beneficiary’s last legal residence, the beneficiary’s estate would escheat to the State. In the event of the death of a mentally incompetent or insane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. No payment shall be made under the
two preceding sentences of this subsection unless claim therefor is filed with the Secretary within five years after the death of the veteran, except that, if any person so entitled under said two sentences is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(e) Any funds in the hands of a fiduciary appointed by a State court or the Secretary depending on benefits payable under laws administered by the Secretary, which under the law of the State wherein the beneficiary had last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such fiduciary, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Department, and shall be deposited to the credit of the applicable revolving fund, trust fund, or appropriation.

Effective Date of 1974 Amendment

Effective Date of 1972 Amendment
Amendment by Pub. L. 92–328 effective first day of second calendar month which begins after June 30, 1972, see section 301(a) of Pub. L. 92–328, set out as a note under section 1114 of this title.

Effective Date of 1959 Amendment
Section 3 of Pub. L. 86–146 provided that: "The amendments made by this Act [amending this section and section 2303 [now 5503] of this title] shall take effect as of the first day of the first calendar month which begins more than ninety days after the date of enactment of this Act [Aug. 7, 1959]."

§ 5503. Hospitalized veterans and estates of incompetent institutionalized veterans

(a) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished domiciliary care by the Department, no pension in excess of $90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(B) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished nursing home care by the Department, no pension in excess of $90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(c) No pension in excess of $90 per month shall be paid to or for a veteran having neither spouse nor child for any period after the month in which such veteran is readmitted for care described in subparagraph (A) or (B) of this paragraph and furnished by the Department if such veteran is readmitted within six months of a period of care in connection with which pension was reduced pursuant to subparagraph (A) or (B) of this paragraph.

(D) In the case of a veteran being furnished nursing home care by the Department and with respect to whom subparagraph (B) of this paragraph requires a reduction in pension, such reduction shall not be made for a period of up to three additional calendar months after the last day of the third month referred to in such subparagraph if the Secretary determines that the primary purpose for the furnishing of such care during such additional period is for the Department to provide such veteran with a prescribed program of rehabilitation services, under chapter 17 of this title, designed to restore such veteran's ability to function within such veteran's family and community. If the Secretary determines that it is necessary, after such period, for the veteran to continue such program of rehabilitation services in order to achieve the purposes of such program and that the primary purpose of furnishing nursing home care to the veteran continues to be the provision of such program to the veteran, the reduction in pension required by subparagraph (B) of this paragraph shall not be made for the number of calendar months that the Secretary determines is necessary for the veteran to achieve the purposes of such program.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a spouse but whose pension is payable under section 1521(b) of this title. In such a case, the Secretary may apportion and pay to the spouse, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to the veteran if pension were payable under section 1521(c) of this title.

(b) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which the veteran is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

(c) Where any veteran in receipt of an aid and attendance allowance described in subsection (r) or (t) of section 1114 of this title is hospitalized at Government expense, such allowance shall be discontinued from the first day of the second calendar month which begins after the date of the veteran's admission for such hospitalization for so long as such hospitalization continues. Any discontinuance required by administrative regulation, during hospitalization of a veteran by the Department, of increased pension based on need of regular aid and attendance as described in subsection (l) or (m) of section 1114 of this title, shall not be effective earlier than the first day of the second calendar month which begins after the date of

Effective Date of 2004 Amendment
the veteran’s admission for hospitalization. In case a veteran affected by this subsection leaves a hospital against medical advice and is therefore admitted to hospitalization within six months from the date of such departure, such allowance, increased pension, or additional compensation, as the case may be, shall be discontinued from the date of such readmission for as long as such hospitalization continues.

(d)(1) For the purposes of this subsection—

(A) the term "Medicaid plan" means a State plan for medical assistance referred to in section 1902(a) of the Social Security Act (42 U.S.C. 1396a(a)); and

(B) the term "nursing facility" means a nursing facility described in section 1919 of such Act (42 U.S.C. 1396r), other than a facility that is a State home with respect to which the Secretary makes per diem payments for nursing home care pursuant to section 1741(a) of this title.

(2) If a veteran having neither spouse nor child is covered by a Medicaid plan for services furnished such veteran by a nursing facility, no pension in excess of $90 per month shall be paid to or for the veteran for any period after the month of admission to such nursing facility.

(3) Notwithstanding any provision of title XIX of the Social Security Act, the amount of the payment paid a nursing facility pursuant to a Medicaid plan for services furnished a veteran may not be reduced by any amount of pension permitted to be paid such veteran under paragraph (2) of this subsection.

(4) A veteran is not liable to the United States for any payment of pension in excess of the amount permitted under this subsection that is paid to or for the veteran by reason of the inability or failure of the Secretary to reduce the veteran’s pension under this subsection unless such inability or failure is the result of a willful concealment by the veteran of information necessary to make a reduction in pension under this subsection.

(5)(A) The provisions of this subsection shall apply with respect to a surviving spouse having no child in the same manner as they apply to a veteran having neither spouse nor child.

(B) The provisions of this subsection shall apply with respect to a child entitled to pension under section 1542 of this title in the same manner as they apply to a veteran having neither spouse nor child.

(6) The costs of administering this subsection shall be paid for from amounts available to the Department of Veterans Affairs for the payment of compensation and pension.

(7) This subsection expires on September 30, 2016.

The Board is under the administrative control and supervision of a chairman directly responsible to the Secretary. The Board shall consist of a Chairman, a Vice Chairman, and such number of members as may be found necessary in order to conduct hearings and dispose of appeals properly before the Board in a timely manner. The Board shall have such other professional, administrative, clerical, and stenographic personnel as are necessary in conducting hearings and considering and disposing of appeals properly before the Board. The Board shall have sufficient personnel under the preceding sentence to enable the Board to conduct hearings and consider and dispose of appeals properly before the Board in a timely manner.

(b)(1) The Chairman shall be appointed by the President, by and with the advice and consent of the Senate, for a term of six years. The Chairman shall be subject to the same ethical and legal limitations and restrictions concerning involvement in political activities as apply to judges of the United States Court of Appeals for Veterans Claims.

(2) The Chairman may be removed by the President for misconduct, inefficiency, neglect of duty, or engaging in the practice of law or for physical or mental disability which, in the opinion of the President, prevents the proper execution of the Chairman’s duties. The Chairman may not be removed from office by the President on any other grounds. Any such removal
may only be made after notice and opportunity for hearing.

(3) The Chairman may be appointed under this subsection to more than one term. If, upon the expiration of the term of office for which the Chairman was appointed, the position of Chairman would become vacant, the individual serving as Chairman may, with the approval of the Secretary, continue to serve as Chairman until either appointed to another term or a successor is appointed, but not beyond the end of the Congress during which the term of office expired.

(4) The Secretary shall designate one member of the Board as Vice Chairman. The Vice Chairman shall perform such functions as the Chairman may specify. Such member shall serve as Vice Chairman at the pleasure of the Secretary.

(c)(1)(A) The Chairman may from time to time designate one or more employees of the Department to serve as acting members of the Board. Except as provided in subparagraph (B), any such designation shall be for a period not to exceed 90 days, as determined by the Chairman.

(B) An individual designated as an acting member of the Board may continue to serve as an acting member of the Board in the making of any determination on a proceeding for which the individual was designated as an acting member of the Board, notwithstanding the termination of the period of designation of the individual as an acting member of the Board under subparagraph (A) or (C).

(C) An individual may not serve as an acting member of the Board for more than 270 days during any one-year period.

(D) At no time may the number of acting members exceed 20 percent of the total of the number of Board members and acting Board members combined.

(2) In each annual report to the Congress under section 529 of this title, the Secretary shall provide detailed descriptions of the activities undertaken and plans made in the fiscal year for which the report is made with respect to the authority provided by paragraph (1) of this subsection. In each such report, the Secretary shall indicate, in terms of full-time employee equivalents, the number of acting members of the Board designated under such paragraph (1) during the year for which the report is made.

(d)(1) After the end of each fiscal year, the Chairman shall prepare a report on the activities of the Board during that fiscal year and the projected activities of the Board for the fiscal year during which the report is prepared and the next fiscal year. Such report shall be included in the documents providing detailed information on the budget for the Department that the Secretary submits to the Congress in conjunction with the President’s budget submission for any fiscal year pursuant to section 1105 of title 31.

(2) Each such report shall include, with respect to the preceding fiscal year, information specifying—

(A) the number of cases appealed to the Board during that year;

(B) the number of cases pending before the Board at the beginning and at the end of that year;

(C) the number of such cases which were filed during each of the 36 months preceding the current fiscal year;

(D) the average length of time a case was before the Board between the time of the filing of an appeal and the disposition during the preceding fiscal year;

(E) the number of members of the Board at the end of the year and the number of professional, administrative, clerical, stenographic, and other personnel employed by the Board at the end of the preceding fiscal year; and

(F) the number of employees of the Department designated under subsection (c)(1) to serve as acting members of the Board during that year and the number of cases in which each such member participated during that year.

(3) The projections in each such report for the current fiscal year and for the next fiscal year shall include (for each such year)—

(A) an estimate of the number of cases to be appealed to the Board; and

(e) A performance incentive that is authorized by law for officers and employees of the Federal Government may be awarded to a member of the Board (including an acting member) by reason of that member’s service on the Board only if the Chairman of the Board determines that such member should be awarded that incentive. A determination by the Chairman for such purpose shall be made taking into consideration the quality of performance of the Board member.

(c)(1)(A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

Each such determination shall be in writing.

(2) If the determination of the performance review panel in any case is that the member's job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member's appointment as a member of the Board.

(3) If the determination of the performance review panel in any case is that the member's job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual circumstances, either—

(A) grant the member a conditional recertification; or

(B) recommend to the Secretary that the member be noncertified.

(4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member's job performance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. (5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either—

(e)(1) A member of the Board (other than the Chairman or a member of the Senior Executive Service) may be removed as a member of the Board by reason of job performance only as provided in subsections (c) and (d). Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

(2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). § 7105. Filing of notice of disagreement and appeal

(a) Appellate review will be initiated by a notice of disagreement and completed by a substantive appeal after a statement of the case is furnished as prescribed in this section. Each appellant will be accorded hearing and representation rights pursuant to the provisions of this chapter and regulations of the Secretary.

(b)(1) Except in the case of simultaneously contested claims, notice of disagreement shall be filed within one year from the date of mailing of notice of the result of initial review or determination. Such notice, and appeals, must be in writing and be filed with the activity which entered the determination with which disagreement is expressed (hereinafter referred to as the "agency of original jurisdiction"). A notice of disagreement postmarked before the expiration of the one-year period will be accepted as timely filed.

(2) Notices of disagreement, and appeals, must be in writing and may be filed by the claimant, the claimant’s legal guardian, or such accredited representative, attorney, or authorized agent as may be selected by the claimant or legal guardian. Not more than one recognized organization, attorney, or agent will be recognized at any one time in the prosecution of a claim.

(c) If no notice of disagreement is filed in accordance with this chapter within the prescribed period, the action or determination shall become final and the claim will not thereafter be reopened or allowed, except as may otherwise be provided by regulations not inconsistent with this title.

(d)(1) Where the claimant, or the claimant’s representative, within the time specified in this chapter, files a notice of disagreement with the decision of the agency of original jurisdiction, such agency may take such development or review action as it deems proper under the provisions of regulations not inconsistent with this title. If such action does not resolve the disagreement either by granting the benefit sought or through withdrawal of the notice of disagreement, such agency shall prepare a statement of the case. A statement of the case shall include the following:

(A) A summary of the evidence in the case pertinent to the issue or issues with which disagreement has been expressed.

(B) A citation to pertinent laws and regulations and a discussion of how such laws and regulations affect the agency’s decision.

(C) The decision on each issue and a summary of the reasons for such decision.

(2) A statement of the case, as required by this subsection, will not disclose matters that would be contrary to public interest. Such matters may be disclosed to a designated representative unless the relationship between the claimant and the representative is such that disclosure to the representative would be as harmful as if made to the claimant.

(3) Copies of the “statement of the case” prescribed in paragraph (1) of this subsection will be submitted to the claimant and to the claimant’s representative, if there is one. The claimant will be afforded a period of sixty days from the date the statement of the case is mailed to file the formal appeal. This may be extended for a reasonable period on request for good cause shown. The appeal should set out specific allegations of error of fact or law, such allegations related to specific items in the statement of the case. The benefits sought on appeal must be clearly identified. The agency of original jurisdiction may close the case for failure to respond after receipt of the statement of the case, but questions as to timeliness or adequacy of response shall be determined by the Board of Veterans’ Appeals.

(4) The claimant in any case may not be presumed to agree with any statement of fact contained in the statement of the case to which the claimant does not specifically express agreement.

The grounds for removal from office specified in subsection (f)(1) shall provide a basis for a determination pursuant to section 354(b) or 355 of title 28, and certification and transmittal by the Conference shall be made to the President for consideration under subsection (f).

(3) (A) In conducting hearings pursuant to paragraph (1), the Court may exercise the authority provided under section 1821 of title 28 to pay the fees and allowances described in that section.

(3) The term of office and the eligibility for retirement of a judge appointed under this subsection other than a judge described in paragraph (4), are governed by the provisions of section 1012 of the Court of Appeals for Veterans Claims Amendments of 1999 (title X of Public Law 106–117; 113 Stat. 1590; 38 U.S.C. 7296 note) if the judge is one of the first two judges appointed to the Court after November 30, 1999.

(4) A judge of the Court as of December 27, 2001, who was appointed to the Court before January 1, 1991, may accept appointment as a judge of the Court under this subsection notwithstanding that the term of office of the judge on the Court has not yet expired under this section. The term of office of an incumbent judge who receives an appointment as described in the preceding sentence shall be 15 years, which includes any period remaining in the unexpired term of the judge. Any service following an appointment under this subsection shall be treated as though served as part of the original term of office of that judge on the Court.

(5) Notwithstanding paragraph (1), an appointment may not be made to the Court if the appointment would result in there being more than seven judges on the Court who were appointed after January 1, 1997. For the purposes of this paragraph, a judge serving in recall status under section 7257 of this title shall be disregarded in counting the number of judges appointed to the Court after such date.

If such a notice is filed within such time, such a decision shall become final—

1. upon the expiration of the time allowed for filing a petition for certiorari with the Supreme Court of the United States, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed.

(2) upon the denial of a petition for certiorari, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed by the United States Court of Appeals for the Federal Circuit; or

(3) upon the expiration of 30 days from the date of issuance of the mandate of the Supreme Court, if that Court directs that the decision of the Court of Appeals for Veterans Claims be affirmed or the appeal dismissed.

(b)(1) If the Supreme Court directs that the decision of the Court of Appeals for Veterans Claims be modified or reversed, the decision of the Court of Appeals for Veterans Claims rendered in accordance with the mandate of the Supreme Court shall become final upon the expiration of 30 days from the time it was rendered, unless within such 30 days either the Secretary or the petitioner has instituted proceedings to have such decision corrected to accord with the mandate, in which event the decision of the Court of Appeals for Veterans Claims shall become final when so corrected.

§7292. Review by United States Court of Appeals for the Federal Circuit

(a) After a decision of the United States Court of Appeals for Veterans Claims is entered in a case, any party to the case may obtain a review of the decision with respect to the validity of a decision of the Court on a rule of law or of any statute or regulation (other than a refusal to review the schedule of ratings for disabilities adopted under section 1155 of this title) or any interpretation thereof (other than a determination as to a factual matter) that was relied on by the Court in making the decision. Such a review shall be obtained by filing a notice of appeal with the Court of Appeals for Veterans Claims within the time and in the manner prescribed for appeal to United States courts of appeals from United States district courts.

(b)(1) When a judge or panel of the Court of Appeals for Veterans Claims, in making an order not otherwise appealable under this section, determines that a controlling question of law is involved with respect to which there is a substantial ground for difference of opinion and that there is in fact a disagreement between the appellant and the Secretary with respect to that question of law and that the ultimate termination of the case may be materially advanced by the immediate consideration of that question, the judge or panel shall notify the chief judge of the Court of Appeals for Veterans Claims. Neither the application for, nor the granting of, an appeal under this paragraph shall stay proceedings in the
Court of Appeals for Veterans Claims, unless a stay is ordered by a judge of the Court of Appeals for Veterans Claims or by the Court of Appeals for the Federal Circuit.

The judgment of such court shall be final subject to review by the Supreme Court upon certiorari, in the manner provided in section 1254 of title 28.

(d)(1) The Court of Appeals for the Federal Circuit shall decide all relevant questions of law, including interpreting constitutional and statutory provisions. The court shall hold unlawful and set aside any regulation or any interpretation thereof (other than a determination as to a factual matter) that was relied upon in the decision of the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;

(B) contrary to constitutional right, power, privilege, or immunity;

(C) in excess of statutory jurisdiction, authority, or limitations, or in violation of a statutory right; or

(D) without observance of procedure required by law.

(2) Except to the extent that an appeal under this chapter presents a constitutional issue, the Court of Appeals may not review (A) a challenge to a factual determination, or (B) a challenge to a law or regulation as applied to the facts of a particular case.

(e)(1) Upon such review, the Court of Appeals for the Federal Circuit shall have power to affirm or, if the decision of the Court of Appeals for Veterans Claims is not in accordance with law, to modify or reverse the decision of the Court of Appeals for Veterans Claims or to remand the matter, as appropriate.

§ 7297. Survivor annuities

(a) For purposes of this section—

(1) The term “Court” means the United States Court of Appeals for Veterans Claims.

(2) The term “judge” means a judge of the Court who is in active service or who has retired under section 7296 of this title.

(3) The term “pay” means salary received under section 7253(e) of this title and retired pay received under section 7296 of this title.

(4) The term “retirement fund” means the Court of Appeals for Veterans Claims Retirement Fund established under section 7298 of this title.

(5) The term “surviving spouse” means a surviving spouse of an individual who (A) was married to such individual for at least one year immediately preceding the individual’s death, or (B) is a parent of issue by the marriage.

(6) The term “dependent child” has the meaning given the term “child” in section 378(a)(5) of title 28.

(7) The term “Member of Congress” means a Representative, a Senator, a Delegate to Congress, or the Resident Commissioner of Puerto Rico.

(8) The term “assassination” as applied to a judge shall have the meaning provided that term in section 376(a)(7) of title 28 as applied to a judicial official.

(9) A judge may become a participant in the annuity program under this section by filing a written election under this subsection while in office or within six months after the date on which the judge marries if the judge has retired under section 7296 of this title. Any such election shall be made in such manner as may be prescribed by the Court.

(c) There shall be deducted and withheld each pay period from the pay of a judge who has made an election under subsection (b) of this section a sum equal to that percentage of the judge’s pay that is the same as provided for the deduction from the salary or retirement salary of a judge of the United States Court of Federal Claims for the purpose of a survivor annuity under section 376(b)(1)(B) of title 28. Amounts so deducted and withheld shall be deposited in the retirement fund. A judge who makes an election under subsection (b) of this section shall be considered by that election to agree to the deductions from the judge’s pay required by this subsection.

(d)(1) A judge who makes an election under subsection (b) of this section shall deposit, with interest at 3 percent per year compounded on December 31 of each year, to the credit of the retirement fund, an amount equal to 3.5 percent of the judge’s pay and of the judge’s basic salary, pay, or compensation for service as a Member of Congress, and for any other civilian service within the purview of section 8332 of title 5. Each such deposit shall be allowed for the service rendered, but the annual annuity of the surviving spouse of such judge shall be reduced by an amount equal to 10 percent of the amount of such deposit, computed as of the date of the death of such judge, unless the surviving spouse elects to eliminate such service entirely from credit under subsection (k) of this section. However, a deposit shall not be required from a judge for any year with respect to which deductions from the judge’s pay, or a deposit, were actually made (and not withdrawn) under the civil service retirement laws.

(2) The interest required under the first sentence of paragraph (1) shall not be required for any period—

(A) during which a judge was separated from any service described in section 376(d)(2) of title 28; and

(B) during which the judge was not receiving retired pay based on service as a judge or receiving any retirement salary as described in section 376(d)(1) of title 28.

(e) If the service of a judge who makes an election under subsection (b) of this section terminates other than pursuant to the provisions of section 7296 of this title, or if any judge ceases
to be married after making the election under subsection (b) of this section and revokes (in a writing filed as provided in subsection (b) of this section) such election, the amount credited to the judge’s individual account (together with interest at 3 percent per year compounded on December 31 of each year to the date of the judge’s relinquishment of office) shall be returned to the judge. For the purpose of this section, the service of a judge making an election under subsection (b) of this section shall be considered to have terminated pursuant to section 7296 of this title if—

(1) the judge is not reappointed following expiration of the term for which appointed; and

(2) at or before the time of the expiration of that term, the judge is eligible for and elects to receive retired pay under section 7296 of this title.

(f)(1) If a judge who makes an election under subsection (b) of this section dies after having rendered at least 18 months of civilian service (computed as prescribed in subsection (l) of this section), for the last 18 months of which the salary deductions provided for by subsection (c) of this section or the deposits required by subsection (d) of this section have actually been made (and not withdrawn) or the salary deductions required by the civil service retirement laws have actually been made (and not withdrawn)—

(A) if the judge is survived by a surviving spouse but not by a dependent child, there shall be paid to the surviving spouse an annuity beginning with the day of the death of the judge, in an amount computed as provided in subsection (k) of this section; or

(B) if the judge is survived by a surviving spouse and a dependent child or children, there shall be paid to the surviving spouse an immediate annuity in an amount computed as provided in subsection (k) of this section and there shall also be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 10 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 20 percent of such average annual pay, divided by the number of such children; or

(C) if the judge is not survived by a surviving spouse but is survived by a dependent child or children, there shall be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 20 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 40 percent of such average annual pay, divided by the number of such children.

(2) The annuity payable to a surviving spouse under this subsection shall be terminated—

(A) upon the surviving spouse’s death; or

(B) upon the remarriage of the surviving spouse before age 55.

(3) The annuity payable to a child under this subsection shall be terminated upon the child’s death.

(4) In case of the death of a surviving spouse of a judge leaving a dependent child or children of the judge surviving the spouse, the annuity of such child or children under paragraph (1)(B) of this subsection shall be recomputed and paid as provided in paragraph (1)(C) of this subsection. In any case in which the annuity of a dependent child is terminated, the annuities of any remaining dependent child or children, based upon the service of the same judge, shall be recomputed and paid as though the child whose annuity was so terminated had not survived the judge.

(5) If a judge dies as a result of an assassination and leaves a survivor or survivors who are otherwise entitled to receive annuity payments under this section, the 18-month requirement in the matter in paragraph (1) preceding subparagraph (A) shall not apply.

(g) Questions of family relationships, dependency, and disability arising under this section shall be determined in the same manner as such questions arising under chapter 81 of title 5 are determined.

(h)(1) If—

(A) a judge making an election under subsection (b) of this section dies while in office (i) before having rendered 5 years of civilian service computed as prescribed in subsection (l) of this section, or (ii) after having rendered 5 years of such civilian service but without a survivor entitled to annuity benefits provided by subsection (f) of this section; or

(B) the right of all persons entitled to an annuity under subsection (f) of this section based on the service of such judge terminates before a claim for such benefits has been established,

the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year, to the date of the death of such judge) shall be paid in the manner specified in paragraph (2) of this subsection.

(2) An amount payable under paragraph (1) of this subsection shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date title to the payment arises, in the following order of precedence:

(A) To the beneficiary or beneficiaries whom the judge designated in writing filed before death with the chief judge (except that in the case of the chief judge such designation shall be filed before death as prescribed by the Court).

(B) To the surviving spouse of the judge.

(C) To the child or children of the judge (and the descendants of any deceased children by representation).

(D) To the parents of the judge or the survivor of them.

(E) To the executor or administrator of the estate of the judge.

(F) To such other next of kin of the judge as may be determined by the chief judge to be entitled under the laws of the domicile of the judge at the time of the judge’s death.

(3) Determination as to the surviving spouse, child, or parent of a judge for the purposes of paragraph (2) of this subsection shall be made without regard to the definitions in subsection (a) of this section.
(4) Payment under this subsection in the manner provided in this subsection shall be a bar to recovery by any other person.

(5) In a case in which the annuities of all persons entitled to annuity based upon the service of a judge terminate before the aggregate amount of annuity paid equals the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year to the date of the death of the judge), the difference shall be paid, upon establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.

(6) Any accrued annuity remaining unpaid upon the termination (other than by death) of the annuity of any individual based upon the service of a judge shall be paid, upon the establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.

(7) Subject to subsection (d) of this section, the years of service of a judge which are allowable as the basis for calculating the amount of the annuity of the judge’s surviving spouse shall include the judge’s years of service as a judge of the Court, the judge’s years of service as a Member of Congress, the judge’s years of active service as a member of the Armed Forces not exceeding 5 years in the aggregate and not including any such service for which credit is allowed for the purposes of retirement or retired pay under any other provision of law, and the judge’s years of any other civilian service within the purview of section 8332 of title 5.

(m) Nothing contained in this section shall be construed to prevent a surviving spouse eligible therefrom from simultaneously receiving an annuity under this section and any annuity to which such spouse would otherwise be entitled under any other law without regard to this section, but in computing such other annuity service used in the computation of such spouse’s annuity under this section shall not be credited.

(n) A judge making an election under subsection (b) of this section shall, at the time of such election, waive all benefits under the civil service retirement laws except section 8440d of title 5. Such a waiver shall be made in the same manner and shall have the same force and effect as an election filed under section 7296(d) of this title.

(o) Each survivor annuity payable from the retirement fund shall be increased at the same time as, and by the same percentage by which, annuities payable from the Judicial Survivors’ Annuities Fund are increased pursuant to section 376(m) of title 28.

(c) In carrying out subsection (a)(2), the Secretary shall include in the program of recruitment, training, and employment under that subsection measures to advise all qualified veterans with military occupation specialties referred to in that subsection, and all members of the armed forces about to be discharged or released from active duty who have such military occupation specialties, of employment opportunities with the Administration.

(d) The Secretary shall carry out subsection (a) in cooperation with the following institutions and organizations:

(a)(1) The remedy—

(A) against the United States provided by sections 1346(b) and 2672 of title 28, or

(B) through proceedings for compensation or other benefits from the United States as provided by any other law, where the availability of such benefits precludes a remedy under section 1346(b) or 2672 of title 28,

for damages for personal injury, including death, allegedly arising from malpractice or negligence of a health care employee of the Administration in furnishing health care or treatment while in the exercise of that employee’s duties in or for the Administration shall be exclusive of any other civil action or proceeding by reason of the same subject matter against the health care employee (or employee’s estate) whose act or omission gave rise to such claim.

(2) For purposes of paragraph (1), the term “health care employee of the Administration” means a physician, dentist, podiatrist, chiropractor, optometrist, nurse, physician assistant, expanded-function dental auxiliary, pharmacist, or paramedical (such as medical and dental technicians, nursing assistants, and therapists), or other supporting personnel.

(b) The Attorney General shall defend any civil action or proceeding brought in any court against any person referred to in subsection (a) (or such person’s estate) for any such damage or injury. Any such person against whom such civil action or proceeding is brought shall deliver within such time after date of service of knowledge of service as determined by the Attorney General, all process served upon such person or an attested true copy thereof to such person’s immediate superior or to whomever was designated by the Secretary to receive such papers and such person shall promptly furnish copies of the pleading and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the Secretary.

(c) Upon a certification by the Attorney General that the defendant was acting in the scope of such person’s employment in or for the Administration at the time of the incident out of which the suit arose, any such civil action or proceeding commenced in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States of the district and division embracing the place wherein it is pending and the proceeding deemed a tort action brought against the United States under the provisions of title 28 and all references thereto. After removal the United States shall have available all defenses to which it would have been entitled if the action had originally been commenced against the United States. Should a United States district court determine on a hearing on a motion to remand held before a trial on the merits that the employee whose act or omission gave rise to the suit was not acting within the scope of such person’s office or employment, the case shall be remanded to the State court.

(d) The Attorney General may compromise or settle any claim asserted in such civil action or proceeding in the manner provided in section 2677 of title 28, and with the same effect.

(e) The Secretary may, to the extent the Secretary considers appropriate, hold harmless or provide liability insurance for any person to whom the immunity provisions of this section apply (as described in subsection (a)), for damage for personal injury or death, or for property damage, negligently caused by such person while furnishing medical care or treatment (including the conduct of clinical studies or investigations) in the exercise of such person’s duties in or for the Administration, if such person is assigned to a foreign country, detailed to State or political division thereof, or is acting under any other circumstances which would preclude the remedies of an injured third person against the United States, provided by sections 1346(b) and 2672 of title 28, for such damage or injury.

( f) The exception provided in section 2680(b) of title 28 shall not apply to any claim arising out of a negligent or wrongful act or omission of any person described in subsection (a) in furnishing medical care or treatment (including medical care or treatment furnished in the course of a clinical study or investigation) while in the exercise of such person’s duties in or for the Administration.

(2) Indemnity under paragraph (1) is indemnity against either or both of the following:

(A) Liability (including reasonable expenses of litigation or settlement) to third persons, except liability under State or Federal workers’ injury compensation laws to employees of the contractor employed at the site of and in connection with the contract for which indemnification is granted, for death, bodily injury, or loss of or damage to property, from a risk that the contract defines as unusually hazardous.

AMENDMENTS
1992—Pub. L. 102–405 substituted “Under Secretary for Health” for “Chief Medical Director”.

Amendments

(a)(1) Records of the identity, diagnosis, prognosis, or treatment of any patient or subject which are maintained in connection with the performance of any program or activity (including education, training, treatment, rehabilitation, or research) relating to drug abuse, alcoholism or alcohol abuse, infection with the human immunodeficiency virus, or sickle cell anemia which is carried out by or for the Department under this title shall, except as provided in subsections (e) and (f), be confidential, and (section 5702 of this title to the contrary notwithstanding) such records may be disclosed only for the purposes and under the circumstances expressly authorized under subsection (b).

(2) Paragraph (1) prohibits the disclosure to any person or entity other than the patient or subject concerned of the fact that a special written consent is required in order for such records to be disclosed.

(b)(1) The content of any record referred to in subsection (a) may be disclosed by the Secretary in accordance with the prior written consent of the patient or subject with respect to whom such record is maintained, but only to such extent, under such circumstances, and for such purposes as may be allowed in regulations prescribed by the Secretary.

(2) Whether or not any patient or subject, with respect to whom any given record referred to in subsection (a) is maintained, gives written consent, the content of such record may be disclosed by the Secretary as follows:

(A) To medical personnel to the extent necessary to meet a bona fide medical emergency.

(B) To qualified personnel for the purpose of conducting scientific research, management audits, financial audits, or program evaluation, but such personnel may not identify, directly or indirectly, any individual patient or subject in any report of such research, audit, or evaluation, or otherwise disclose patient or subject identities in any manner.

(C)(i) In the case of any record which is maintained in connection with the performance of any program or activity relating to infection with the human immunodeficiency virus, to a Federal, State, or local public-health authority charged under Federal or State law with the protection of the public health, and to which Federal or State law requires disclosure of such record, if a qualified representative of such authority has made a written request that such record be provided as required pursuant to such law for a purpose authorized by such law.

(ii) A person to whom a record is disclosed under this paragraph may not redisclose or use such record for a purpose other than that for which the disclosure was made.

(D) If authorized by an appropriate order of a court of competent jurisdiction granted after application showing good cause therefor. In assessing good cause the court shall weigh the public interest and the need for disclosure against the injury to the patient or subject, to the physician-patient relationship, and to the treatment services. Upon the granting of such order, the court, in determining the extent to which any disclosure of all or any part of any record is necessary, shall impose appropriate safeguards against unauthorized disclosure.

(E) To an entity described in paragraph (1)(B) of section 5701(k) of this title, but only to the extent authorized by such section.

(d) The prohibitions of this section shall continue to apply to records concerning any person who has been a patient or subject, irrespective of whether or not such person ceases to be a patient.

(e) The prohibitions of this section shall not prevent any interchange of records—

(4) At the same time as rates of basic pay are increased for a year under section 5303 of title 5, the Secretary shall increase the amount of base pay payable under this subsection for that year by a percentage equal to the percentage by which rates of basic pay are increased under subsection for that year.

(5) The non-foreign cost of living adjustment allowance authorized under section 5941 of title 5 for physicians and dentists whose pay is set under this section shall be determined as a percentage of base pay only.

(c) Market Pay.—One element of pay for physicians and dentists shall be market pay. Market pay shall meet the following requirements:

(1) Each physician and dentist is eligible for market pay.

(2) Market pay shall consist of pay intended to reflect the recruitment and retention needs for the specialty or assignment (as defined by the Secretary) of a particular physician or dentist in a facility of the Department of Veterans Affairs.

(3) The annual amount of the market pay payable to a physician or dentist shall be determined by the Secretary on a case-by-case basis.

(4)(A) In determining the amount of market pay for physicians or dentists, the Secretary shall consult two or more national surveys of pay for physicians or dentists, as applicable, whether prepared by private, public, or quasi-public entities in order to make a general assessment of the range of pays payable to physicians or dentists, as applicable.

(B)(i) In determining the amount of the market pay for a particular physician or dentist under subsection (e)(1)(B), the Secretary shall consult with and consider the recommendations of an appropriate panel or board composed of physicians or dentists (as applicable). The Secretary may exempt physicians and dentists occupying administrative or executive leadership positions from the requirements of the previous sentence.

(ii) A physician or dentist may not be a member of the panel or board that makes recommendations under clause (i) with respect to the market pay of such physician or dentist, as the case may be.

(iii) The Secretary should, to the extent practicable, ensure that a panel or board consulted under this subparagraph includes physicians or dentists (as applicable) who are practicing clinicians and who do not hold management positions in the medical facility of the Department at which the physician or dentist subject to the consultation is employed.

(5) The determination of the amount of market pay of a physician or dentist shall take into account—

(A) the level of experience of the physician or dentist in the specialty or assignment of the physician or dentist;

(B) the need for the specialty or assignment of the physician or dentist at the medical facility of the Department concerned;

(C) the health care labor market for the specialty or assignment of the physician or dentist, which may cover any geographic area the Secretary considers appropriate for the specialty or assignment;

(D) the board certifications, if any, of the physician or dentist;

(E) the prior experience, if any, of the physician or dentist as an employee of the Veterans Health Administration; and

(F) such other considerations as the Secretary considers appropriate.

(6) The amount of market pay of a physician or dentist shall be evaluated by the Secretary not less often than once every 24 months. The amount of market pay may be adjusted as the result of an evaluation under this paragraph.

A physician or dentist whose market pay is evaluated under this paragraph shall receive written notice of the results of such evaluation in accordance with procedures prescribed under section 7433 of this title.

(7) No adjustment of the amount of market pay of a physician or dentist under paragraph (6) may result in a reduction of the amount of market pay of the physician or dentist while in the same position or assignment at the medical facility of the Department concerned, unless there is a change in board certification or reduction of privileges.

(d) Performance Pay.—(1) One element of pay for physicians and dentists shall be performance pay.

(2) Performance pay shall be paid to a physician or dentist on the basis of the physician’s or dentist’s achievement of specific goals and performance objectives prescribed by the Secretary.

(3) The Secretary shall ensure that each physician and dentist of the Department is advised of the specific goals or objectives that are to be measured by the Secretary in determining the eligibility of that physician or dentist for performance pay.

(4) The amount of the performance pay payable to a physician or dentist may vary annually on the basis of individual achievement or attainment of the goals or objectives applicable to the physician or dentist under paragraph (2).

(5) The amount of performance pay payable to a physician or dentist in a fiscal year shall be determined in accordance with regulations prescribed by the Secretary, but may not exceed the lower of—

(A) $15,000; or

(B) the amount equal to 7.5 percent of the sum of the base pay and the market pay payable to such physician or dentist in that fiscal year.

(6) A failure to meet goals or objectives applicable to a physician or dentist under paragraph (2) may not be the sole basis for an adverse personnel action against that physician or dentist.

(e) Requirements and Limitations on Total Pay.—(1)(A) Not less often than once every two years, the Secretary shall prescribe for Department-wide applicability the minimum and maximum amounts of annual pay that may be paid
under this section to physicians and the minimum and maximum amounts of annual pay that may be paid under this section to dentists.

(b) The Secretary may prescribe for Department-wide applicability under this paragraph separate minimum and maximum amounts of pay for a specialty or assignment. If the Secretary prescribes separate minimum and maximum amounts for a specialty or assignment, the Secretary may establish up to four tiers of minimum and maximum amounts for such specialty or assignment and prescribe for each tier a minimum amount and a maximum amount that the Secretary determines appropriate for the professional responsibilities, professional achievements, and administrative duties of the physicians or dentists (as the case may be) whose pay is set within that tier.

(C) Amounts prescribed under this paragraph shall be published in the Federal Register, and shall not take effect until at least 60 days after the date of publication.

(2) Except as provided in paragraph (3) and subject to paragraph (4), the sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may not be less than the minimum amount, nor more than the maximum amount, applicable to specialty or assignment of the physician or dentist under paragraph (1).

(3) The sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may exceed the maximum amount applicable to the specialty or assignment of the physician or dentist under paragraph (1) as a result of an adjustment under paragraph (3) or (4) of subsection (b).

(4) In no case may the total amount of compensation paid to a physician or dentist under this title in any year exceed the amount of annual compensation (excluding expenses) specified in section 102 of title 3.

(f) Treatment of Pay.—Pay under subsections (b) and (c) of this section shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5 and other benefits.

(g) Ancillary Effects of Decreases in Pay.—(1) A decrease in pay of a physician or dentist resulting from an adjustment in the amount of market pay of the physician or dentist under subsection (c) shall not be treated as an adverse action.

(2) If the pay of a physician or dentist is reduced under this subchapter as a result of an involuntary reassignment in connection with a disciplinary action taken against the physician or dentist, the involuntary reassignment shall be subject to appeal under subchapter V of this chapter.

(h) Delegation of Responsibilities.—The Secretary may delegate to an appropriate officer or employee of the Department any responsibility of the Secretary under subsection (c), (d), or (e) except for the responsibilities of the Secretary under subsection (e)(1).

Subchapter IV—Pay for Nurses and Other Health-Care Personnel

§ 7451. Nurses and other health-care personnel; competitive pay

(a)(1) It is the purpose of this section to ensure, by a means providing increased responsibility and authority to directors of Department health-care facilities, that the rates of basic pay for health-care personnel positions described in paragraph (2) in each Department health-care facility (including the rates of basic pay of personnel employed in such positions on a part-time basis) are sufficient for that facility to be competitive, on the basis of pay and other employee benefits, with non-Department health-care facilities in the same labor-market area in the recruitment and retention of qualified personnel for those positions.

(2) The health-care personnel positions referred to in paragraph (1) (hereinafter in this section referred to as "covered positions") are the following:

(A) Registered nurse.

(B) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, and registered nurse) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3)(A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection (b)(1) of section 7401 of this title or chapter 53 of title 5.

(B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:

(i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

(4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.

(b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401(1) of this title as specified in the Nurse Schedule in section 7401(b) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this subchapter, establish grades for other covered positions as the Secretary considers appropriate.

(c)(1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133 percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of basic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g),1 provide justification

for doing so to the Committees on Veterans’ Affairs of the Senate and House of Representatives.

(2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level IV of the Executive Schedule under section 5316 of title 5. The maximum rate of basic pay for a grade for the position of certified registered nurse anesthetist pursuant to an adjustment under subsection (d) may exceed the maximum rate otherwise provided in the preceding sentence.

(3) The range of basic pay for each such grade shall be divided into equal increments, known as "steps". The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d)(1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this section. Such adjustments shall be made—

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to covered Regional and Central Office employees in that grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of the minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3)(A) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall determine, not later than 30 days after the results of the survey are released, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(B) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purpose of this section.

Upon conducting a survey under this subparagraph, the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C)(i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who are employed on a salary basis by entities that provide anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director—

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the local labor-market area of the facility under subparagraph (B); and

(II) has used all available administrative authority with regard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such
survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).

(3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions. If the determination of the director would result in an adjustment in rates of basic pay applicable to covered positions, any action by the Under Secretary under the preceding sentence shall be made before the effective date of such pay adjustment. Upon such action by the Under Secretary, any adjustment shall take effect on the first day of the first pay period beginning after such action. The Secretary shall ensure that the Under Secretary establishes a mechanism for the timely exercise of the authority in this paragraph.

(4) Each director of a Department health-care facility shall provide to the Secretary, not later than July 31 each year, a report on staffing for covered positions at that facility. The report shall include the following:

(A) Information on turnover rates and vacancy rates for each covered position, including a comparison of those rates with the rates for the preceding three years.

(B) The director's findings concerning the review and evaluation of the facility's staffing situation, including whether there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted with respect to that position.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such actions.

(D) In any case in which the director conducts such a wage survey during the period covered by the report and makes adjustment in rates of basic pay applicable to one or more covered positions at the facility, information on the methodology used in making such adjustment or adjustments.

(E) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position,
(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health-care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under paragraph (4).

(B) The information for each such facility specified in paragraph (4).

(6)(A) Upon the request of an individual described in subparagraph (B) for a report provided under paragraph (4) with respect to a Department health-care facility, the Under Secretary for Health or the director of such facility shall provide to the individual the most current report for such facility provided under such paragraph.

(B) An individual described in this subparagraph is—

(i) an individual in a covered position at a Department health-care facility; or

(ii) a representative of the labor organization representing that individual who is designated by that individual to make the request.

(f) For the purposes of this section, the term “health-care facility” means a medical center, an independent outpatient clinic, or an independent domiciliary facility.

Subsec. (e)(4)(D). Pub. L. 111–163, § 601(j)(2), added subpar. (D) and redesignated former subpar. (D) as (E).

Subsecs. (f), (g). Pub. L. 111–163, § 501(a), redesignated subsec. (g) as (f) and struck out former subsec. (f) which read as follows: “Not later than March 1 of each year, the Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report regarding any pay adjustments under the authority of subsection (d) effective during the 12 months preceding the submission of the report. Each such report shall set forth, by health-care facility, the percentage of such increases and, in any case in which no increase was made, the basis for not providing an increase.”

Subsec. (d)(4). Pub. L. 107–135, § 1331(2), struck out “or at any other time that an adjustment in rates of pay is scheduled to take place under this subsection” after paragraph (3)(B) and “Whenever a director makes such a determination, the director shall within 10 days notify the Under Secretary for Health of the decision and the reasons for the decision.” at end.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse's grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451(c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the effective date of the promotion.

(b)(1) Under regulations which the Secretary prescribes for the administration of this section, the director of a Department health-care facility (A) shall pay a cash bonus (in an amount to be determined by the director not to exceed $2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and (B) may provide such a bonus to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451(g) of this title a discussion of the use during the period covered by the report of the payment of bonuses under this subsection and other job performance incentives available to the Secretary.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retain that document on file); and

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to serve in such a position.

(e) An employee in a covered position employed under section 7401(1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Sec-
retary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451(g) of this title, provide justification for doing so.

(f) In this section, the term ‘covered position’ has the meaning given that term in section 7451 of this title.

   (A) Each Department health care facility.
   (B) The Central Office.

(2) The amount of special pay paid to a nurse executive under paragraph (1) shall be not less than $10,000 or more than $100,000.

(3) The amount of special pay paid to a nurse executive under paragraph (1) shall be based on factors such as the grade of the nurse executive position, the scope and complexity of the nurse executive position, the personal qualifications of the nurse executive, the characteristics of the health care facility concerned, the nature and number of specialty care units at the health care facility concerned, demonstrated difficulties in recruitment and retention of nurse executives at the health care facility concerned, and such other factors as the Secretary considers appropriate.

(4) Special pay paid to a nurse executive under paragraph (1) shall be in addition to any other pay (including basic pay) and allowances to which the nurse executive is entitled, and shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5, and other benefits, but shall not be considered basic pay for purposes of adverse actions under subchapter V of this chapter.

"(1) There are opportunities for greater sharing of the health-care resources of the Veterans' Administration and the Department of Defense which would, if achieved, be beneficial to both veterans and members of the Armed Forces and could result in reduced costs to the Government by minimizing duplication and waste of health-care resources.

"(2) Present incentives to encourage such sharing of health-care resources are inadequate.

"(3) Such sharing of health-care resources can be achieved without a detrimental effect on the primary health-care beneficiaries of the Veterans' Administration and the Department of Defense."

(B) hospital care for a veteran who—

(i) is receiving hospital care under section 1710 of this title; or

(ii) is eligible for hospital care under such section and requires such care in a medical emergency that poses a serious threat to the life or health of the veteran; if Department facilities are not capable of furnishing or continuing to furnish the care required because of the furnishing of care and services to members of the Armed Forces under subsection (a) of this section.

(c)(1) The cost of any care or services provided by the Department under subsection (a) of this section shall be reimbursed to the Department by the Department of Defense at such rates as may be agreed upon by the Secretary and the Secretary of Defense based on the cost of the care or services provided.

(2) Amounts received under this subsection shall be credited to funds allotted to the Department facility that provided the care or services.

(d)(1) The Secretary of Veterans Affairs and the Secretary of Defense shall jointly review plans for the implementation of this section not less often than annually.

(ii) the transfer is made subject to the conditions (I) that the property be used by the
State for a nursing-home or domiciliary care facility in accordance with the conditions and limitations applicable to State home facilities constructed with assistance under subchapter III of chapter 61 of this title, and (II) that, if the property is used at any time for any other purpose, all right, title, and interest in and to the property shall revert to the United States.

Notwithstanding this exclusion, the provisions of sections 3901 and 3905 of title 41 shall apply to procurements authorized by this subsection.

(2) The Secretary may transfer real property under this section, or under section 8118 of this title, if the Secretary—

(A) places a notice in the real estate section of local newspapers and in the Federal Register of the Secretary's intent to transfer that real property (including land, structures, and equipment associated with the property); and

(B) holds a public hearing;

(C) provides notice to the Administrator of General Services of the Secretary's intention to transfer that real property and waits for 30 days to elapse after providing that notice; and

EFFECTIVE DATE OF 1976 AMENDMENT

§ 8125. Procurement of health-care items

(a) Except as provided in subsections (b) and (c) of this section, the Secretary may not procure health-care items under local contracts.

(b)(i) the item is not otherwise available to the Department medical center concerned, (ii) procurement of the item by a local contract is necessary for the effective furnishing of health-care services or the conduct of a research or education program at a Department medical center, as determined by the director of the center in accordance with regulations which the Under Secretary for Health shall prescribe, or (iii) procurement under a local contract is demonstrably more cost-effective for the item.

(2) In the case of the need for an emergency procurement of a health-care item, such item may be procured under a local contract, but no greater quantity of such item may be procured by a local contract than is reasonably necessary to meet the emergency need and the reasonably foreseeable need for the item at the medical center concerned until resupply can be achieved through procurement actions other than emergency procurement.

(3)(A) Except as provided in subparagraphs (C) and (D) of this paragraph, not more than 20 percent of the total of all health-care items procured by the Department in any fiscal year (measured as a percent of the total cost of all such health-care items procured by the Department in that fiscal year) may be procured under local contracts.

(B) Local contracts for the procurement of health-care items shall, to the maximum extent feasible, be awarded to regular dealers or manufacturers engaged in the wholesale supply of such items.

(C) The Secretary may increase for a fiscal year the percentage specified in subparagraph (A) of this section to a percentage not greater than 30 percent if the Secretary, based on the experience of the Department during the two fiscal years preceding such fiscal year, determines that the increase and the amount of the increase are necessary in the interest of the effective furnishing of health-care services by the Department. The authority to increase such percentage may not be delegated.

(D) Items procured through an emergency procurement shall not be counted for the purpose of this paragraph.

(c) A provision of law that is inconsistent with subsection (a) or (b) of this section shall not apply, to the extent of the inconsistency, to the procurement of a health-care item for use by the Department.

(d)(1) Not later than December 1 of each year, the director of each Department medical center shall transmit to the Secretary a report containing a list indicating the quantity of each health-care item procured at that medical center under a local contract during the preceding fiscal year and the total amount paid for such item during such fiscal year.

(2) Not later than February 1 of each year, the Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and the House of Representatives a report on the experience in carrying out this section during the preceding fiscal year.

(e) For the purposes of this section:

(1) The term “health-care item” includes any item listed in, or (as determined by the
Secretary) of the same nature as an item listed in Federal Supply Classification (FSC) Group 65 or 66. Such term does not include perishable items.

(2) The term “local contract” means a contract entered into by a Department medical center for procurement of an item for use by that medical center.

(1) the non-Federal average manufacturer price of the drug during the 3-month period that ends one year before the last day of the month preceding the month during which the contract for the covered drug goes into effect (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period as the Secretary considers appropriate); multiplied by
(2) the percentage increase in the Consumer Price Index for all urban consumers (U.S. city average) between the last month of the period described in paragraph (1) and the last month preceding the month during which the contract goes into effect for which Consumer Price Index data is available.

(3) In order to determine the accuracy of a drug price that is reported to the Secretary under paragraph (1), the Secretary may audit the relevant records of the manufacturer or of any wholesaler that distributes the drug, and may delegate the authority to audit such records to the appropriate Federal agency described in subsection (b).

(4) Any information contained in a report submitted to the Secretary under paragraph (1) or obtained by the Secretary through any audit conducted under paragraph (3) shall remain confidential, except as the Secretary determines necessary to carry out this section and to permit the Comptroller General and the Director of the Congressional Budget Office to review the information provided.

(2) A manufacturer is deemed to meet the requirements of subsection (a) if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of this section (as in effect immediately after the enactment of this section), and would have entered into an agreement under this section (as such section was in effect at such time), but for a legislative change in this section after November 4, 1992.

(h) In this section:
(1) The term “change in non-Federal price” means, with respect to a covered drug that is subject to an agreement under this section, an amount equal to—
(A) the non-Federal average manufacturer price of the drug during the 3-month period that ends with the month preceding the month during which a contract goes into effect (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period as the Secretary considers appropriate); minus

(B) the non-Federal average manufacturer price of the drug during the 3-month period that ends one year before the end of the period described in subparagraph (A) (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period preceding the period described in subparagraph (A) as the Secretary considers appropriate).

(2) The term “covered drug” means—

(B) delivered directly from the commercial source to the entity using such covered drugs.

(4) The term “manufacturer” means any entity which is engaged in—

(B) in the packaging, repackaging, labeling, relabeling, or distribution of prescription drug products.

Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law.

(5) The term “non-Federal average manufacturer price” means, with respect to a covered drug and a period of time (as determined by the Secretary), the weighted average price of a single form and dosage unit of the drug that is paid by wholesalers in the United States to the manufacturer, taking into account any cash discounts or similar price reductions during that period, but not taking into account—

(A) any prices paid by the Federal Government;

(B) any prices found by the Secretary to be merely nominal in amount.

(6) The term “weighted average price” means, with respect to a covered drug and a period of time (as determined by the Secretary) an amount equal to—

(B) the total number of package units of the drug sold during the period.

(i)(1) If the Secretary modifies a multi-year contract described in subsection (d) to include a covered drug of the manufacturer that was not available for inclusion under the contract at the time the contract went into effect, the price of the drug shall be determined as follows:

(A) For the portion of the first contract year during which the drug is so included, the price of the drug shall be determined in accordance with subsection (a)(2), except that the reference in such subsection to “the one-year period beginning on the date the agreement takes effect” shall be considered a reference to such portion of the first contract year.

(B) For any subsequent contract year, the price of the drug shall be determined in accordance with subsection (d), except that each reference in such subsection to “the first year for which the contract is in effect” shall be considered a reference to the portion of the first contract year during which the drug is included under the contract.

(2) In this subsection, the term “contract year” means any one-year period for which a multi-year contract described in subsection (d) is in effect.

§8127. Small business concerns owned and controlled by veterans: contracting goals and preferences

(a) Contracting Goals.—(1) In order to increase contracting opportunities for small business concerns owned and controlled by veterans and small business concerns owned and controlled by veterans with service-connected disabilities, the Secretary shall—

(A) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans who are not veterans with service-connected disabilities in accordance with paragraph (2); and

(B) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans with service-connected disabilities in accordance with paragraph (3).

(2) The goal for a fiscal year for participation under paragraph (1)(A) shall be determined by the Secretary.

(3) The goal for a fiscal year for participation under paragraph (1)(B) shall be not less than the Government-wide goal for that fiscal year for participation by small business concerns owned and controlled by veterans with service-connected disabilities under section 15(g)(1) of the Small Business Act (15 U.S.C. 644(g)(1)).

(4) The Secretary shall establish a review mechanism to ensure that, in the case of a subcontract of a Department contract that is counted for purposes of meeting a goal established pursuant to this section, the subcontract was actually awarded to a business concern that may be counted for purposes of meeting that goal.

(b) Use of Noncompetitive Procedures for Certain Small Contracts.—For purposes of meeting the goals under subsection (a), and in accordance with this section, in entering into a contract with a small business concern owned and controlled by veterans for an amount less than the simplified acquisition threshold (as defined in section 134 of title 41), a contracting officer of the Department may use procedures other than competitive procedures.

(c) Sole Source Contracts for Contracts Above Simplified Acquisition Threshold.—For purposes of meeting the goals under subsection (a), and in accordance with this section, a contracting officer of the Department may award a contract to a small business concern owned and controlled by veterans using procedures other than competitive procedures if—

(1) such concern is determined to be a responsible source with respect to performance of such contract opportunity;

(2) the anticipated award price of the contract (including options) will exceed the simplified acquisition threshold (as defined in section 134 of title 41) but will not exceed $5,000,000; and

(3) in the estimation of the contracting officer, the contract award can be made at a fair and reasonable price that offers best value to the United States.

(d) Use of Restricted Competition.—Except as provided in subsections (b) and (c), for purposes of meeting the goals under subsection (a), and in accordance with this section, a contracting officer of the Department shall award contracts on the basis of competition restricted to small business concerns owned and controlled by veterans if the contracting officer has a reasonable expectation that two or more small business concerns owned and controlled by veterans will submit offers and that the award can be made at a fair and reasonable price that offers best value to the United States.

(e) Eligibility of Small Business Concerns.—A small business concern may be awarded a contract under this section only if the
small business concern and the veteran owner of the small business concern are listed in the database of veteran-owned businesses maintained by the Secretary under subsection (f).

(f) DATABASE OF VETERAN-OWNED BUSINESSES.—(1) Subject to paragraphs (2) through (6), the Secretary shall maintain a database of small business concerns owned and controlled by veterans and the veteran owners of such business concerns.

(2)(A) To be eligible for inclusion in the database, such a veteran shall submit to the Secretary such information as the Secretary may require with respect to the small business concern or the veteran. Application for inclusion in the database shall constitute permission under section 552a of title 5 (commonly referred to as the Privacy Act) for the Secretary to access such personal information maintained by the Secretary as may be necessary to verify the information contained in the application.

(B) If the Secretary receives an application for inclusion in the database from an individual whose status as a veteran cannot be verified because the Secretary does not maintain information with respect to the veteran status of the individual, the Secretary may not include the small business concern owned and controlled by the individual in the database maintained by the Secretary until the Secretary receives such information as may be necessary to verify that the individual is a veteran.

(3) Information maintained in the database shall be submitted on a voluntary basis by such veterans.

(4) No small business concern may be listed in the database until the Secretary has verified that—

(A) the small business concern is owned and controlled by veterans; and

(g) ENFORCEMENT PENALTIES FOR MISREPRESENTATION.—Any business concern that is determined by the Secretary to have misrepresented the status of that concern as a small business concern owned and controlled by veterans or as a small business concern owned and controlled by service-disabled veterans for purposes of this subsection shall be debarred from contracting with the Department for a reasonable period of time, as determined by the Secretary.

(h) TREATMENT OF BUSINESSES AFTER DEATH OF VETERAN-OWNER.—(1) Subject to paragraph (3), if the death of a veteran causes a small business concern to be less than 51 percent owned by one or more veterans, the surviving spouse of such veteran who acquires ownership rights in such small business concern shall, for the period described in paragraph (2), be treated as if the surviving spouse were that veteran for the purpose of maintaining the status of the small business concern as a small business concern owned and controlled by veterans.

(2) The period referred to in paragraph (1) is the period beginning on the date on which the veteran dies and ending on the earliest of the following dates:

(2) Nothing in this subsection shall be construed to supersede or otherwise affect the authorities provided under the Small Business Act (15 U.S.C. 631 et seq.).

(k) ANNUAL REPORTS.—Not later than December 31 each year, the Secretary shall submit to Congress a report on small business contracting during the fiscal year ending in such year. Each report shall include, for the fiscal year covered by such report, the following:

(4) The Secretary shall establish a list of approved projects (including projects that have been conditionally approved under paragraph (6) of this subsection), in the order of their priority, as of August 15 of each year. The Secretary shall award grants in the order of their priority on the list during the fiscal year beginning on October 1 of the calendar year in which the list was made.

(B) In a case in which approval of an application is deferred under subparagraph (A) of this paragraph, the Secretary shall select for award of a grant or grants under this subsection an application or applications which would not have been approved during the fiscal year but for the deferral and to which the Secretary accords the highest priority under paragraph (2) of this subsection.

(B) If a State does not complete the application and meet all the requirements referred to in such paragraph by the date specified by the Secretary under subparagraph (A) of this paragraph, the Secretary shall rescind the conditional approval and award under such subparagraph and deobligate the funds previously obligated in connection with the application. In the event the Secretary rescinds conditional approval of a project under this subparagraph, the Secretary may not further obligate funds for the project during the fiscal year in which the Secretary rescinds such approval.

(7)(A) Subject to subparagraph (B) of this paragraph, the Secretary may increase the amount of any grant awarded to any State for a project under this section by an amount by which the Secretary determines that the estimated cost of the construction or acquisition has increased from the estimated cost on which the Secretary based the determination to award the grant, without regard to the position of such project on the list established under paragraph (4) of this subsection, if the Secretary determines that the grant was awarded before the State entered into a contract for the construction or acquisition provided for in such project.

(B) A grant may not be increased under subparagraph (A) of this paragraph by more than 10 percent of the amount of the grant initially awarded for such project, and the amount of such grant, as increased, may not exceed 65 percent of the cost of the project.

Such amount shall be paid, in advance or by way of reimbursement, and in such installments consistent with the progress of the project as the Secretary may determine and certify for payment to the Secretary of the Treasury. Funds paid under this section for an approved project shall be used solely for carrying out such project as so approved.

(ii) the lease will not be inconsistent with and will not adversely affect the mission of the Department; and

(iii) the lease will enhance the use of the property; or

(B) the Secretary determines that the implementation of a business plan proposed by the Under Secretary for Health for applying the consideration under such a lease to the provision of medical care and services would result in a demonstrable improvement of services to eligible veterans in the geographic service-delivery area within which the property is located.

(3) The provisions of sections 3141–3144, 3146, and 3147 of title 40 shall not, by reason of this section, become inapplicable to property that is leased to another party under an enhanced-use lease.

(B) In the case of a property that the Secretary determines is appropriate for use as a facility to furnish services to homeless veterans under chapter 20 of this title, the Secretary may enter into an enhanced-use lease with a provider of homeless services without regard to the selection procedures required under subparagraph (A).

(2) The term of an enhanced-use lease may not exceed 75 years.

(2) The entering into an enhanced-use lease by the Secretary covering any land or improvement described in such section 421(b)(2) shall not be considered to be prohibited under that section if under the lease—
