"(a) PURPOSE.—The purpose of this Act [see Tables for classification] is to enact certain laws relating to

public contracts as title 41, United States Code, 'Public Contracts'.

"(b) CONFORMITY WITH ORIGINAL INTENT.—In the codification of laws by this Act, the intent is to conform to the understood policy, intent, and purpose of Congress in the original enactments, with such amendments and corrections as will remove ambiguities, contradictions, and other imperfections, in accordance with section 205(c)(1) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554 (2 U.S.C. 285b(1))."

If a law enacted after that date amends or repeals a provision replaced by this Act, that law is deemed to amend or repeal, as the case may be, the corresponding provision enacted by this Act. If a law enacted after that date is otherwise inconsistent with this Act, it supersedes this Act to the extent of the inconsistency.

"(b) ORIGINAL DATE OF ENACTMENT UNCHANGED.—For purposes of determining whether one provision of law supersedes another based on enactment later in time, the date of enactment of a provision enacted by this Act is deemed to be the date of enactment of the provision it replaced.

"(c) REFERENCES TO PROVISIONS REPLACED.—A reference to a provision of law replaced by this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

"(d) REGULATIONS, ORDERS, AND OTHER ADMINISTRATIVE ACTIONS.—A regulation, order, or other administrative action in effect under a provision of law replaced by this Act continues in effect under the corresponding provision enacted by this Act.

In paragraph (1), the words “a contingency operation or”, and the text of 41 U.S.C. 259(d)(2)(A), are omitted because the increased simplified acquisition threshold established under section 32A of the Office of Federal Procurement Policy Act (Public Law 93-400) in the case of a contract to be awarded and performed, or purchase to be made, outside the United States in support of a contingency operation supersedes the threshold established under this section. Section 32A is restated as section 1903 of the revised title.

In subsection (a)(6), the text of 41:421(c)(6) (last sentence) is omitted because 41:407 was repealed by section 4305(b) of the National Defense Authorization Act of Fiscal Year 1996 (Public Law 104-106, 110 Stat. 665).

In subsection (b)(1)(A), the words “after 60 days after November 17, 1988” are omitted as obsolete.

In subsection (b)(1)(B), the words “(as that term is defined in section 3502(11) of title 44)” are omitted because chapter 35 of title 44 was amended generally by the Paperwork Reduction Act of 1995 (Public Law 104-13, 109 Stat. 163) and 44:3502 no longer defines “information collection request”. The term “information collection request” is retained in this section of the revised title, however, because 44:ch. 35 still contains provisions about requests for collection of information.

§ 1304. Contract clauses and certifications

(a) REPETITIVE NONSTANDARD CONTRACT CLAUSES DISCOURAGED.—The Council shall prescribe regulations to discourage the use of a nonstandard contract clause on a repetitive basis. The regulations shall include provisions that—

- (2) require prior approval for the use of a nonstandard clause on a repetitive basis by an official at a level of responsibility above the contracting officer.

(b) WHEN CERTIFICATION REQUIRED.—

(1) BY LAW.—A provision of law may not be construed as requiring a certification by a contractor or offeror in a procurement made or to be made by the Federal Government unless that provision of law specifically provides that such a certification shall be required.

(2) IN FEDERAL ACQUISITION REGULATION.—A requirement for a certification by a contractor or offeror may not be included in the Federal Acquisition Regulation unless—

- (A) the certification requirement is specifically imposed by statute; or
- (B) written justification for the certification requirement is provided to the Administrator by the Council and the Administrator approves in writing the inclusion of the certification requirement.

(3) EXECUTIVE AGENCY PROCUREMENT REGULATION.—

(A) DEFINITION.—In subparagraph (B), the term “head of the executive agency” with respect to a military department means the Secretary of Defense.

(B) WHEN CERTIFICATION REQUIREMENT MAY BE INCLUDED IN REGULATION.—A requirement for a certification by a contractor or offeror may not be included in a procurement regulation of an executive agency unless—

- (i) the certification requirement is specifically imposed by statute; or
- (ii) written justification for the certification requirement is provided to the head of the executive agency by the senior procurement executive of the agency and the head of the executive agency approves in writing the inclusion of the certification requirement.

“(A) Not later than 210 days after the date of the enactment of this Act [Feb. 10, 1996], the Administrator for Federal Procurement Policy shall issue for public comment a proposal to amend the Federal Acquisition Regulation to remove from the Federal Acquisition Regulation certification requirements for contractors and offerors that are not specifically imposed by statute. ADDRESSING TAX DELINQUENCY BY GOVERNMENT CONTRACTORS

Memorandum of President of the United States, Jan. 20, 2010, 75 F.R. 3979, provided:

Memorandum for the Heads of Executive Departments and Agencies

The Federal Government pays more than half a trillion dollars a year to contractors and has an important obligation to protect American taxpayer money and the integrity of the Federal acquisition process. Yet reports by the Government Accountability Office (GAO) state that Federal contracts are awarded to tens of thousands of companies with serious tax delinquencies. The total amount in unpaid taxes owed by these contracting companies is estimated to be more than \$5 billion.

Too often, Federal contracting officials do not have the most basic information they need to make informed judgments about whether a company trying to win a Federal contract is delinquent in paying its taxes. We need to give our contracting officials the tools they need to protect taxpayer dollars.

Accordingly, I hereby direct the Commissioner of Internal Revenue (Commissioner) to direct a review of certifications of non-delinquency in taxes that companies bidding for Federal contracts are required to submit pursuant to a 2008 amendment to the Federal Ac-

quisition Regulation. I further direct that the Commissioner report to me within 90 days on the overall accuracy of contractors' certifications.

I also direct the Director of the Office of Management and Budget, working with the Secretary of the Treasury and other agency heads, to evaluate practices of contracting officers and debarring officials in response to contractors' certifications of serious tax delinquencies and to provide me, within 90 days, recommendations on process improvements to ensure these contractors are not awarded new contracts, including a plan to make contractor certifications available in a Government-wide database, as is already being done with other information on contractors.

Executive departments and agencies shall carry out the provisions of this memorandum to the extent permitted by law. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

(c) SENIOR STAFF.—The Administrator, after consultation with the Board, may—

(1) appoint an executive secretary and 2 additional staff members without regard to the provisions of title 5 governing appointments in the competitive service; and

(2) pay those employees without regard to the provisions of chapter 51 and subchapter III of chapter 53 of title 5 relating to classification and General Schedule pay rates, except that those employees may not receive pay in excess of the maximum rate of basic pay payable for level IV of the Executive Schedule.

(e) DETAILED AND TEMPORARY PERSONNEL.—For service on advisory committees and task forces to assist the Board in carrying out its functions and responsibilities—

(1) the Board, with the consent of the head of a Federal agency, may use, without reimbursement, personnel of that agency; and

1501(f)	41:422(e).	

In subsection (b)(2), the text of 41:422(a)(2)(C) is omitted as obsolete.

In subsection (b)(2)(A), the last sentence is substituted for “of the initial members, two shall be appointed for terms of two years, one shall be appointed for a term of three years, and one shall be appointed for a term of four years” because the initial members have already been appointed.

In subsection (c)(2), the reference to section 5376 of title 5 is substituted for the reference to grade GS-18 of the General Schedule because of section 529 [title I, §101(c)(1)] of the Treasury, Postal Service, and General Government Appropriations Act, 1991 (Public Law 101-509, 104 Stat. 1442, 5:5376 note).

In subsection (f)(1), the words “Except as otherwise provided in subsection (a) of this section” are omitted because 41:422(a) does not provide any relevant exception.

In subsection (f)(2), the words “private sector” are substituted for “private life” for consistency with subsection (b)(1)(B) of the revised section.

In subsection (f)(3), the words “Executive Schedule” are substituted for “Federal Executive Salary Schedule

under section 5316 of title 5” for consistency and to eliminate unnecessary words.

SENATE REVISION AMENDMENT

In subsec. (c)(2), “for level IV of the Executive Schedule” substituted for “under section 5376 of title 5” by S. Amdt. 4726 (111th Cong.). See 156 Cong. Rec. S8441, Dec. 2, 2010 (daily ed.).

§ 1502. Cost accounting standards

(a) AUTHORITY.—

(1) COST ACCOUNTING STANDARDS BOARD.—The Cost Accounting Standards Board has exclusive authority to prescribe, amend, and rescind cost accounting standards, and interpretations of the standards, designed to achieve uniformity and consistency in the cost accounting standards governing measurement, assignment, and allocation of costs to contracts with the Federal Government.

(2) ADMINISTRATOR FOR FEDERAL PROCUREMENT POLICY.—The Administrator, after consultation with the Board, shall prescribe rules and procedures governing actions of the Board under this chapter. The rules and procedures shall require that any action to prescribe, amend, or rescind a standard or interpretation be approved by majority vote of the Board.

(b) MANDATORY USE OF STANDARDS.—

(1) SUBCONTRACT.—

(A) DEFINITION.—In this paragraph, the term “subcontract” includes a transfer of commercial items between divisions, subsidiaries, or affiliates of a contractor or subcontractor.

(B) WHEN STANDARDS ARE TO BE USED.—Cost accounting standards prescribed under this chapter are mandatory for use by all executive agencies and by contractors and subcontractors in estimating, accumulating, and reporting costs in connection with the pricing and administration of, and settlement of disputes concerning, all negotiated prime contract and subcontract procurements with the Federal Government in excess of the amount set forth in section 2306a(a)(1)(A)(i) of title 10 as the amount is adjusted in accordance with applicable requirements of law.

(C) NONAPPLICATION OF STANDARDS.—Subparagraph (B) does not apply to—

(i) a contract or subcontract for the acquisition of a commercial item;

(ii) a contract or subcontract where the price negotiated is based on a price set by law or regulation;

(iii) a firm, fixed-price contract or subcontract awarded on the basis of adequate price competition without submission of certified cost or pricing data; or

(iv) a contract or subcontract with a value of less than \$7,500,000 if, when the contract or subcontract is entered into, the segment of the contractor or subcontractor that will perform the work has not been awarded at least one contract or subcontract with a value of more than \$7,500,000 that is covered by the standards.

(2) EXEMPTIONS AND WAIVERS BY BOARD.—The Board may—

(A) exempt classes of contractors and subcontractors from the requirements of this chapter; and

(B) establish procedures for the waiver of the requirements of this chapter for individual contracts and subcontracts.

(3) WAIVER BY HEAD OF EXECUTIVE AGENCY.—

(A) IN GENERAL.—The head of an executive agency may waive the applicability of the cost accounting standards for a contract or subcontract with a value of less than \$15,000,000 if that official determines in writing that the segment of the contractor or subcontractor that will perform the work—

(i) is primarily engaged in the sale of commercial items; and

(ii) would not otherwise be subject to the cost accounting standards under this section.

(B) IN EXCEPTIONAL CIRCUMSTANCES.—The head of an executive agency may waive the applicability of the cost accounting standards for a contract or subcontract under exceptional circumstances when necessary to meet the needs of the agency. A determination to waive the applicability of the standards under this subparagraph shall be set forth in writing and shall include a statement of the circumstances justifying the waiver.

(C) RESTRICTION ON DELEGATION OF AUTHORITY.—The head of an executive agency may not delegate the authority under subparagraph (A) or (B) to an official in the executive agency below the senior policymaking level in the executive agency.

(D) CONTENTS OF FEDERAL ACQUISITION REGULATION.—The Federal Acquisition Regulation shall include—

(i) criteria for selecting an official to be delegated authority to grant waivers under subparagraph (A) or (B); and

(ii) the specific circumstances under which the waiver may be granted.

(E) REPORT.—The head of each executive agency shall report the waivers granted under subparagraphs (A) and (B) for that agency to the Board on an annual basis.

(c) REQUIRED BOARD ACTION FOR PRESCRIBING STANDARDS AND INTERPRETATIONS.—Before prescribing cost accounting standards and interpretations, the Board shall—

(1) take into account, after consultation and discussions with the Comptroller General, professional accounting organizations, contractors, and other interested parties—

(A) the probable costs of implementation, including any inflationary effects, compared to the probable benefits;

(B) the advantages, disadvantages, and improvements anticipated in the pricing and administration of, and settlement of disputes concerning, contracts; and

(C) the scope of, and alternatives available to, the action proposed to be taken;

(2) prepare and publish a report in the Federal Register on the issues reviewed under paragraph (1);

(3)(A) publish an advanced notice of proposed rulemaking in the Federal Register to solicit

comments on the report prepared under paragraph (2);

(B) provide all parties affected at least 60 days after publication to submit their views and comments; and

(C) during the 60-day period, consult with the Comptroller General and consider any recommendation the Comptroller General may make; and

(4) publish a notice of proposed rulemaking in the Federal Register and provide all parties affected at least 60 days after publication to submit their views and comments.

(d) EFFECTIVE DATES.—Rules, regulations, cost accounting standards, and modifications thereof prescribed or amended under this chapter shall have the full force and effect of law, and shall become effective within 120 days after publication in the Federal Register in final form, unless the Board determines that a longer period is necessary. The Board shall determine implementation dates for contractors and subcontractors. The dates may not be later than the beginning of the second fiscal year of the contractor or subcontractor after the standard becomes effective.

(e) ACCOMPANYING MATERIAL.—Rules, regulations, cost accounting standards, and modifications thereof prescribed or amended under this chapter shall be accompanied by prefatory comments and by illustrations, if necessary.

(f) IMPLEMENTING REGULATIONS.—The Board shall prescribe regulations for the implementation of cost accounting standards prescribed or interpreted under this section. The regulations shall be incorporated into the Federal Acquisition Regulation and shall require contractors and subcontractors as a condition of contracting with the Federal Government to—

(1) disclose in writing their cost accounting practices, including methods of distinguishing direct costs from indirect costs and the basis used for allocating indirect costs; and

(2) agree to a contract price adjustment, with interest, for any increased costs paid to the contractor or subcontractor by the Federal Government because of a change in the contractor's or subcontractor's cost accounting practices or a failure by the contractor or subcontractor to comply with applicable cost accounting standards.

(g) NONAPPLICABILITY OF CERTAIN SECTIONS OF TITLE 5.—Functions exercised under this chapter are not subject to sections 551, 553 to 559, and 701 to 706 of title 5.

EFFECTIVE DATE OF AMENDMENT BY PUB. L. 106-65; REGULATIONS; IMPLEMENTATION; CONSTRUCTION

Pub. L. 106-65, div. A, title VIII, §802(c)-(e), (g)-(i), Oct. 5, 1999, 113 Stat. 701, 702, provided that:

“(c) REGULATION ON TYPES OF CAS COVERAGE.—(1) The Administrator for Federal Procurement Policy shall revise the rules and procedures prescribed pursuant to section 26(f) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 422(f)) [now 41 U.S.C. 1502(a), (b)] to the extent necessary to increase the thresholds established in section 9903.201-2 of title 48 of the Code of Federal Regulations from \$25,000,000 to \$50,000,000.

“(2) Paragraph (1) requires only a change of the statement of a threshold condition in the regulation referred to by section number in that paragraph, and shall not be construed as—

“(A) a ratification or expression of approval of—

“(i) any aspect of the regulation; or

“(ii) the manner in which section 26 of the Office of Federal Procurement Policy Act [now 41 U.S.C. 1501 et seq.] is administered through the regulation; or

“(B) a requirement to apply the regulation.

“(d) IMPLEMENTATION.—The Administrator for Federal Procurement Policy shall ensure that this section [see Tables for classification] and the amendments made by this section are implemented in a manner that ensures that the Federal Government can recover costs, as appropriate, in a case in which noncompliance with cost accounting standards, or a change in the cost accounting system of a contractor segment or subcontractor segment that is not determined to be desirable by the Federal Government, results in a shift of costs from contracts that are not covered by the cost accounting standards to contracts that are covered by the cost accounting standards.

“(e) IMPLEMENTATION OF REQUIREMENTS FOR REVISION OF REGULATIONS.—(1) Final regulations required by subsection (c) shall be issued not later than 180 days after the date of the enactment of this Act [Oct. 5, 1999].

“(g) INAPPLICABILITY OF STANDARDS TO CERTAIN CONTRACTS.—The cost accounting standards issued pursu-

ant to section 26(f) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 422(f)) [now 41 U.S.C. 1502(a), (b)], as amended by this section, shall not apply during fiscal year 2000 with respect to a contract entered into under the authority provided in chapter 89 of title 5, United States Code (relating to health benefits for Federal employees).

“(h) CONSTRUCTION REGARDING CERTAIN NOT-FOR-PROFIT ENTITIES.—The amendments made by subsections (a) and (b) [see Tables for classification] shall not be construed as modifying or superseding, nor as intended to impair or restrict, the applicability of the cost accounting standards described in section 26(f) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 422(f)) [now 41 U.S.C. 1502(a), (b)] to—

“(1) any educational institution or federally funded research and development center that is associated with an educational institution in accordance with Office of Management and Budget Circular A-21, as in effect on January 1, 1999; or

“(2) any contract with a nonprofit entity that provides research and development and related products or services to the Department of Defense.

§ 1503. Contract price adjustment

(a) DISAGREEMENT CONSTITUTES A DISPUTE.—If the Federal Government and a contractor or subcontractor fail to agree on a contract price adjustment, including whether the contractor or subcontractor has complied with the applicable cost accounting standards, the disagreement will constitute a dispute under chapter 71 of this title.

(b) AMOUNT OF ADJUSTMENT.—A contract price adjustment undertaken under section 1502(f)(2) of this title shall be made, where applicable, on relevant contracts between the Federal Government and the contractor that are subject to the cost accounting standards so as to protect the Federal Government from payment, in the aggregate, of increased costs, as defined by the Cost Accounting Standards Board. The Federal Government may not recover costs greater than the aggregate increased cost to the Federal Government, as defined by the Board, on the relevant contracts subject to the price adjustment unless the contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of the price negotiation and which it failed to disclose to the Federal Government.

(c) INTEREST.—The interest rate applicable to a contract price adjustment is the annual rate of interest established under section 6621 of the Internal Revenue Code of 1986 (26 U.S.C. 6621) for the period. Interest accrues from the time payments of the increased costs were made to the contractor or subcontractor to the time the Federal Government receives full compensation for the price adjustment.

(F) the procurement is for utility services, other than telecommunication services, and only one source is available; or

(G) the procurement is for the services of an expert for use in any litigation or dispute (including any reasonably foreseeable litigation or dispute) involving the Federal Government in a trial, hearing, or proceeding before a court, administrative tribunal, or agency, or in any part of an alternative dispute resolution process, whether or not the expert is expected to testify.

(2) **CERTAIN PROCUREMENTS.**—The requirements of subsection (a)(2) do not apply to a procurement—

(A) under conditions described in paragraph (2), (3), (4), (5), or (7) of section 3304(a) of this title or paragraph (2), (3), (4), (5), or (7) of section 2304(c) of title 10; or

(B) for which the head of the executive agency makes a determination in writing,

after consultation with the Administrator and the Administrator of the Small Business Administration, that it is not appropriate or reasonable to publish a notice before issuing a solicitation.

(3) IMPLEMENTATION CONSISTENT WITH INTERNATIONAL AGREEMENTS.—Paragraph (1)(A) shall be implemented in a manner consistent with applicable international agreements.

(c) CONTENTS OF NOTICE.—Each notice of solicitation required by paragraph (1) or (2) of subsection (a) shall include—

(1) an accurate description of the property or services to be contracted for, which description—

(A) shall not be unnecessarily restrictive of competition; and

(B) shall include, as appropriate, the agency nomenclature, National Stock Number or other part number, and a brief description of the item's form, fit, or function, physical dimensions, predominant material of manufacture, or similar information that will assist a prospective contractor to make an informed business judgment as to whether a copy of the solicitation should be requested;

(2) provisions that—

(A)(i) state whether the technical data required to respond to the solicitation will not be furnished as part of the solicitation; and

(ii) identify the source in the Federal Government, if any, from which the technical data may be obtained; and

(B)(i) state whether an offeror or its product or service must meet a qualification requirement in order to be eligible for award; and

(ii) if so, identify the office from which the qualification requirement may be obtained;

(3) the name, business address, and telephone number of the contracting officer;

(4) a statement that all responsible sources may submit a bid, proposal, or quotation (as appropriate) that the agency shall consider;

(5) in the case of a procurement using procedures other than competitive procedures, a statement of the reason justifying the use of those procedures and the identity of the intended source; and

(6) in the case of a contract in an amount estimated to be greater than \$25,000 but not greater than the simplified acquisition threshold, or a contract for the procurement of commercial items using special simplified procedures—

(A) a description of the procedures to be used in awarding the contract; and

(B) a statement specifying the periods for prospective offerors and the contracting officer to take the necessary preaward and award actions.

(d) ELECTRONIC PUBLICATION OF NOTICE OF SOLICITATION, AWARD, OR ORDER.—A notice of solicitation, award, or order required to be published under subsection (a) shall be published by electronic means. The notice must be electronically accessible in a form that allows convenient and universal user access through the single Government-wide point of entry designated in the Federal Acquisition Regulation.

(e) TIME LIMITATIONS.—

(1) ISSUING NOTICE OF SOLICITATION AND ESTABLISHING DEADLINE FOR SUBMITTING BIDS AND PROPOSALS.—An executive agency required by subsection (a)(2) to publish a notice of solicitation may not—

(A) issue the solicitation earlier than 15 days after the date on which the notice is published; or

(B) in the case of a contract or order expected to be greater than the simplified acquisition threshold, establish a deadline for the submission of all bids or proposals in response to the notice required by subsection (a)(2) that—

(i) in the case of a solicitation for research and development, is earlier than 45 days after the date the notice required for a bid or proposal for a contract described in subsection (a)(2)(A) is published;

(ii) in the case of an order under a basic agreement, basic ordering agreement, or similar arrangement, is earlier than 30 days after the date the notice required for an order described in subsection (a)(2)(B) is published; or

(iii) in any other case, is earlier than 30 days after the date the solicitation is issued.

(2) ESTABLISHING DEADLINE WHEN NONE PROVIDED BY STATUTE.—An executive agency shall establish a deadline for the submission of all bids or proposals in response to a solicitation for which a deadline is not provided by statute. Each deadline for the submission of offers shall afford potential offerors a reasonable opportunity to respond.

(3) FLEXIBLE DEADLINES.—The Administrator shall prescribe regulations defining limited circumstances in which flexible deadlines can be used under paragraph (1) for the issuance of solicitations and the submission of bids or proposals for the procurement of commercial items.

(f) CONSIDERATION OF CERTAIN TIMELY RECEIVED OFFERS.—An executive agency intending to solicit offers for a contract for which a notice of solicitation is required to be posted under subsection (a)(1) shall ensure that contracting officers consider each responsive offer timely received from an offeror.

(g) AVAILABILITY OF COMPLETE SOLICITATION PACKAGE AND PAYMENT OF FEE.—An executive agency shall make available to a business concern, or the authorized representative of a concern, the complete solicitation package for any on-going procurement announced pursuant to a notice of solicitation under subsection (a). An executive agency may require the payment of a fee, not exceeding the actual cost of duplication, for a copy of the package.

See revision note for subsection (d).

In subsection (b)(2), the text of 41 U.S.C. 416(C)(1)(H) is omitted because the procurement authority of the Secretary of Homeland Security pursuant to the special procedures provided in section 833(c) of the Homeland Security Act of 2002 (6 U.S.C. 339(c)) expired on September 30, 2007.

- (1) an employee, as defined in section 2105 of title 5;

When administering this subsection, the head of each executive agency shall determine in accordance with standards and procedures prescribed in the Federal Acquisition Regulation whether—

REQUIREMENT FOR GUIDANCE AND REGULATIONS

Pub. L. 103-355, title VI, §6002(b), Oct. 13, 1994, 108 Stat. 3363, provided that: “The Federal Acquisition Regulatory Council established by section 25(a) of the Office of Federal Procurement Policy Act ([former] 41 U.S.C. 421(a)) [now 41 U.S.C. 1302(a)] shall—

“(1) review part 37 of title 48 of the Code of Federal Regulations as it relates to the use of advisory and assistance services; and

“(2) provide guidance and promulgate regulations regarding—

“(A) what actions Federal agencies are required to take to determine whether expertise is readily available within the Federal Government before contracting for advisory and technical services to conduct acquisitions; and

“(B) the manner in which personnel with expertise may be shared with agencies needing expertise for such acquisitions.”

§ 1710. Public-private competition required before conversion to contractor performance

(a) PUBLIC-PRIVATE COMPETITION.—

(1) WHEN CONVERSION TO CONTRACTOR PERFORMANCE IS ALLOWED.—A function of an executive agency performed by 10 or more agency civilian employees may not be converted, in whole or in part, to performance by a contractor unless the conversion is based on the results of a public-private competition that—

(A) formally compares the cost of performance of the function by agency civilian employees with the cost of performance by a contractor;

(B) creates an agency tender, including a most efficient organization plan, in accordance with Office of Management and Budget Circular A76, as implemented on May 29, 2003, or any successor circular;

(C) includes the issuance of a solicitation;

(D) determines whether the submitted offers meet the needs of the executive agency with respect to factors other than cost, including quality, reliability, and timeliness;

(E) examines the cost of performance of the function by agency civilian employees and the cost of performance of the function by one or more contractors to demonstrate whether converting to performance by a contractor will result in savings to the Federal Government over the life of the contract, including—

(i) the estimated cost to the Federal Government (based on offers received) for performance of the function by a contractor;

(ii) the estimated cost to the Federal Government for performance of the function by agency civilian employees; and

(iii) an estimate of all other costs and expenditures that the Federal Government would incur because of the award of the contract;

(F) requires continued performance of the function by agency civilian employees unless the difference in the cost of performance of the function by a contractor compared to the cost of performance of the function by agency civilian employees would, over all

performance periods required by the solicitation, be equal to or exceed the lesser of—

(i) 10 percent of the personnel-related costs for performance of that function in the agency tender; or

(ii) \$10,000,000; and

(G) examines the effect of performance of the function by a contractor on the agency mission associated with the performance of the function.

(2) NOT A NEW REQUIREMENT.—A function that is performed by the executive agency and is reengineered, reorganized, modernized, upgraded, expanded, or changed to become more efficient, but still essentially provides the same service, shall not be considered a new requirement.

(3) PROHIBITIONS.—In no case may a function being performed by executive agency personnel be—

(A) modified, reorganized, divided, or in any way changed for the purpose of exempting the conversion of the function from the requirements of this section; or

(B) converted to performance by a contractor to circumvent a civilian personnel ceiling.

(b) CONSULTING WITH AFFECTED EMPLOYEES OR THEIR REPRESENTATIVES.—

(1) CONSULTING WITH AFFECTED EMPLOYEES.—Each civilian employee of an executive agency responsible for determining under Office of Management and Budget Circular A76 whether to convert to contractor performance any function of the executive agency—

(A) shall, at least monthly during the development and preparation of the performance work statement and the management efficiency study used in making that determination, consult with civilian employees who will be affected by that determination and consider the views of the employees on the development and preparation of that statement and that study; and

(B) may consult with the employees on other matters relating to that determination.

(2) CONSULTING WITH REPRESENTATIVES.—

(A) EMPLOYEES REPRESENTED BY A LABOR ORGANIZATION.—In the case of employees represented by a labor organization accorded exclusive recognition under section 7111 of title 5, consultation with representatives of that labor organization shall satisfy the consultation requirement in paragraph (1).

(B) EMPLOYEES NOT REPRESENTED BY A LABOR ORGANIZATION.—In the case of employees other than employees referred to in subparagraph (A), consultation with appropriate representatives of those employees shall satisfy the consultation requirement in paragraph (1).

(3) REGULATIONS.—The head of each executive agency shall prescribe regulations to carry out this subsection. The regulations shall include provisions for the selection or designation of appropriate representatives of employees referred to in paragraph (2)(B) for purposes of consultation required by paragraph (1).

(c) CONGRESSIONAL NOTIFICATION.—

(1) REPORT.—Before commencing a public-private competition under subsection (a), the head of an executive agency shall submit to Congress a report containing the following:

(A) The function for which the public-private competition is to be conducted.

(B) The location at which the function is performed by agency civilian employees.

(C) The number of agency civilian employee positions potentially affected.

(D) The anticipated length and cost of the public-private competition, and a specific identification of the budgetary line item from which funds will be used to cover the cost of the public-private competition.

(E) A certification that a proposed performance of the function by a contractor is not a result of a decision by an official of an executive agency to impose predetermined constraints or limitations on agency civilian employees in terms of man years, end strengths, full-time equivalent positions, or maximum number of employees.

(2) EXAMINATION OF POTENTIAL ECONOMIC EFFECT.—The report required under paragraph (1) shall include an examination of the potential economic effect of performance of the function by a contractor on—

(A) agency civilian employees who would be affected by such a conversion in performance; and

(B) the local community and the Federal Government, if more than 50 agency civilian employees perform the function.

(3) OBJECTIONS TO PUBLIC-PRIVATE COMPETITION.—

(A) GROUNDS.—A representative individual or entity at a facility where a public-private competition is conducted may submit to the head of the executive agency an objection to the public-private competition on the grounds that—

(i) the report required by paragraph (1) has not been submitted; or

(ii) the certification required by paragraph (1)(E) was not included in the report required by paragraph (1).

(B) DEADLINES.—The objection shall be in writing and shall be submitted within 90 days after the following date:

(i) In the case of a failure to submit the report when required, the date on which the representative individual or an official of the representative entity authorized to pose the objection first knew or should have known of that failure.

(ii) In the case of a failure to include the certification in a submitted report, the date on which the report was submitted to Congress.

(C) REPORT AND CERTIFICATION REQUIRED BEFORE SOLICITATION OR AWARD OF CONTRACT.—If the head of the executive agency determines that the report required by paragraph (1) was not submitted or that the required certification was not included in the submitted report, the function for which the public-private competition was conducted

for which the objection was submitted may not be the subject of a solicitation of offers for, or award of, a contract until, respectively, the report is submitted or a report containing the certification in full compliance with the certification requirement is submitted.

(d) EXEMPTION FOR THE PURCHASE OF PRODUCTS AND SERVICES OF THE BLIND AND OTHER SEVERELY DISABLED PEOPLE.—This section shall not apply to a commercial or industrial type function of an executive agency that is—

(1) included on the procurement list established pursuant to section 8503 of this title; or

(2) planned to be changed to performance by a qualified nonprofit agency for the blind or by a qualified nonprofit agency for other severely disabled people in accordance with chapter 85 of this title.

(e) INAPPLICABILITY DURING WAR OR EMERGENCY.—The provisions of this section shall not apply during war or during a period of national emergency declared by the President or Congress.

- (b) ESTABLISHMENT, MAINTENANCE, AND USE OF ELECTRONIC COMMERCE PROCEDURES AND PROCESSES.—The head of each executive agency, after consulting with the Administrator, shall establish, maintain, and use, to the maximum extent that is practicable and cost-effective, procedures and processes that employ electronic commerce in the conduct and administration of the procurement system of the agency.

STREAMLINING PROCUREMENT THROUGH ELECTRONIC COMMERCE

Memorandum of President of the United States, Oct. 28, 1993, 58 F.R. 58095, provided:

Memorandum for the Heads of Executive Departments and Agencies [and] the President’s Management Council

The Federal Government spends \$200 billion annually buying goods and services. Unfortunately, the red tape

and burdensome paperwork of the current procurement system increases costs, produces unnecessary delays, and reduces Federal work force productivity. Moving to an electronic commerce system to simplify and streamline the purchasing process will promote customer service and cost-effectiveness. The electronic exchange of acquisition information between the private sector and the Federal Government also will increase competition by improving access to Federal contracting opportunities for the more than 300,000 vendors currently doing business with the Government, particularly small businesses, as well as many other vendors who find access to bidding opportunities difficult under the current system. For these reasons, I am committed to fundamentally altering and improving the way the Federal Government buys goods and services by ensuring that electronic commerce is implemented for appropriate Federal purchases as quickly as possible.

1. OBJECTIVES.

The objectives of this electronic commerce initiative are to:

(a) exchange procurement information—such as solicitations, offers, contracts, purchase orders, invoices, payments, and other contractual documents—electronically between the private sector and the Federal Government to the maximum extent practical;

(b) provide businesses, including small, small disadvantaged, and women-owned businesses, with greater access to Federal procurement opportunities;

(c) ensure that potential suppliers are provided simplified access to the Federal Government’s electronic commerce system;

(d) employ nationally and internationally recognized data formats that serve to broaden and ease the electronic interchange of data; and

(e) use agency and industry systems and networks to enable the Government and potential suppliers to exchange information and access Federal procurement data.

2. IMPLEMENTATION.

The President’s Management Council, in coordination with the Office of Federal Procurement Policy of the Office of Management and Budget, and in consultation with appropriate Federal agencies with applicable technical and functional expertise, as necessary, shall provide overall leadership, management oversight, and policy direction to implement electronic commerce in the executive branch through the following actions:

(b) by September 1994, establish an initial electronic commerce capability to enable the Federal Government and private vendors to electronically exchange standardized requests for quotations, quotes, purchase orders, and notice of awards and begin Government-wide implementation;

(c) by July 1995, implement a full scale Federal electronic commerce system that expands initial capabilities to include electronic payments, document interchange, and supporting databases; and

(d) by January 1997, complete Government-wide implementation of electronic commerce for appropriate Federal purchases, to the maximum extent possible.

This implementation schedule should be accelerated where practicable.

The head of each executive department or agency shall:

(b) assist the President’s Management Council in implementing the electronic commerce system as quickly as possible in accordance with the schedules established herein; and

§ 2302. Rights in technical data

(a) **WHERE DEFINED.**—The legitimate proprietary interest of the Federal Government and of a contractor in technical or other data shall be defined in regulations prescribed as part of the Federal Acquisition Regulation.

(b) **GENERAL EXTENT OF REGULATIONS.**—

(1) **OTHER RIGHTS NOT IMPAIRED.**—Regulations prescribed under subsection (a) may not impair a right of the Federal Government or of a contractor with respect to a patent or copyright or another right in technical data otherwise established by law.

(2) **LIMITATION ON REQUIRING DATA BE PROVIDED TO THE GOVERNMENT.**—With respect to executive agencies subject to division C, regulations prescribed under subsection (a) shall provide that the Federal Government may not require a person that has developed a product (or process offered or to be offered for sale to the public) to provide to the Federal Government technical data relating to the design (or development or manufacture of the product or process) as a condition of procurement by the Federal Government of the product or process. This paragraph does not apply to data that may be necessary for the Federal Government to operate and maintain the product or use the process if the Federal Government obtains it as an element of performance under the contract.

(c) **TECHNICAL DATA DEVELOPED WITH FEDERAL FUNDS.**—

(1) **USE BY GOVERNMENT AND AGENCIES.**—Except as otherwise expressly provided by Federal statute, with respect to executive agencies subject to division C, regulations prescribed under subsection (a) shall provide that—

(A) the Federal Government has unlimited rights in technical data developed exclusively with Federal funds if delivery of the data—

(i) was required as an element of performance under a contract; and

(ii) is needed to ensure the competitive acquisition of supplies or services that will be required in substantial quantities in the future; and

(B) the Federal Government and each agency of the Federal Government has an unrestricted, royalty-free right to use, or to have its contractors use, for governmental purposes (excluding publication outside the Federal Government) technical data developed exclusively with Federal funds.

(2) **REQUIREMENTS IN ADDITION TO OTHER RIGHTS OF THE GOVERNMENT.**—The require-

ments of paragraph (1) are in addition to and not in lieu of any other rights the Federal Government may have pursuant to law.

(d) **FACTORS TO BE CONSIDERED IN PRESCRIBING REGULATIONS.**—The following factors shall be considered in prescribing regulations under subsection (a):

(1) Whether the item or process to which the technical data pertains was developed—

(A) exclusively with Federal funds;

(B) exclusively at private expense; or

(C) in part with Federal funds and in part at private expense.

(2) The statement of congressional policy and objectives in section 200 of title 35, the statement of purposes in section 2(b) of the Small Business Innovation Development Act of 1982 (Public Law 97-219, 15 U.S.C. 638 note), and the declaration of policy in section 2 of the Small Business Act (15 U.S.C. 631).

(3) The interest of the Federal Government in increasing competition and lowering costs by developing and locating alternative sources of supply and manufacture.

(e) **PROVISIONS REQUIRED IN CONTRACTS.**—Regulations prescribed under subsection (a) shall require that a contract for property or services entered into by an executive agency contain appropriate provisions relating to technical data, including provisions—

(1) defining the respective rights of the Federal Government and the contractor or subcontractor (at any tier) regarding technical data to be delivered under the contract;

(2) specifying technical data to be delivered under the contract and schedules for delivery;

(3) establishing or referencing procedures for determining the acceptability of technical data to be delivered under the contract;

(4) establishing separate contract line items for technical data to be delivered under the contract;

(5) to the maximum practicable extent, identifying, in advance of delivery, technical data which is to be delivered with restrictions on the right of the Federal Government to use the data;

(6) requiring the contractor to revise any technical data delivered under the contract to reflect engineering design changes made during the performance of the contract and affecting the form, fit, and function of the items specified in the contract and to deliver the revised technical data to an agency within a time specified in the contract;

(7) requiring the contractor to furnish written assurance, when technical data is delivered or is made available, that the technical data is complete and accurate and satisfies the requirements of the contract concerning technical data;

(8) establishing remedies to be available to the Federal Government when technical data required to be delivered or made available under the contract is found to be incomplete or inadequate or to not satisfy the requirements of the contract concerning technical data; and

(9) authorizing the head of the agency to withhold payments under the contract (or ex-

ercise another remedy the head of the agency considers appropriate) during any period if the contractor does not meet the requirements of the contract pertaining to the delivery of technical data.

In subsection (a), the words “Federal Acquisition Regulation” are substituted for “single system of Government-wide procurement regulations as defined in section 403(4) of this title” because section 3(a)(1) of the Office of Federal Procurement Policy Act Amendments of 1988 (Public Law 100-679, 102 Stat. 4055) substituted “Federal Acquisition Regulation” for “single system of Government-wide procurement regulations” in section 6 of the Office of Federal Procurement Policy Act (Public Law 93-400, 88 Stat. 797, 41:406) and because section 3(c) of the Office of Federal Procurement Policy Act Amendments of 1988 (102 Stat. 4056) struck section 4(4) of the Office of Federal Procurement Policy Act (88 Stat. 797, 41:403(4)), as amended by section 4 of the Office of Federal Procurement Policy Act Amendments of 1983 (Public Law 98-191, 97 Stat. 1326), which had defined “single system of Government-wide procurement regulations”.

§ 2303. Ethics safeguards related to contractor conflicts of interest

(a) DEFINITION.—In this section, the term “relevant acquisition function” means an acquisition function closely associated with inherently governmental functions.

(b) POLICY ON PERSONAL CONFLICTS OF INTEREST BY CONTRACTOR EMPLOYEES.—

(1) DEVELOPMENT AND ISSUANCE OF POLICY.—The Administrator shall develop and issue a standard policy to prevent personal conflicts of interest by contractor employees performing relevant acquisition functions (including the development, award, and administration of Federal Government contracts) for or on behalf of a Federal agency or department.

(2) ELEMENTS OF POLICY.—The policy shall—

(A) define “personal conflict of interest” as it relates to contractor employees performing relevant acquisition functions; and

(B) require each contractor whose employees perform relevant acquisition functions to—

(i) identify and prevent personal conflicts of interest for the employees;

(ii) prohibit contractor employees who have access to non-public government information obtained while performing relevant acquisition functions from using the information for personal gain;

(iii) report any personal conflict-of-interest violation by an employee to the applicable contracting officer or contracting officer’s representative as soon as it is identified;

(iv) maintain effective oversight to verify compliance with personal conflict-of-interest safeguards;

(v) have procedures in place to screen for potential conflicts of interest for all employees performing relevant acquisition functions; and

(vi) take appropriate disciplinary action in the case of employees who fail to comply with policies established pursuant to this section.

(3) CONTRACT CLAUSE.—

(A) CONTENTS.—The Administrator shall develop a personal conflicts-of-interest clause or a set of clauses for inclusion in solicitations and contracts (and task or delivery orders) for the performance of relevant acquisition functions that sets forth—

(i) the personal conflicts-of-interest policy developed under this subsection; and

(ii) the contractor’s responsibilities under the policy.

(B) EFFECTIVE DATE.—Subparagraph (A) shall take effect 300 days after October 14, 2008, and shall apply to—

(i) contracts entered into on or after that effective date; and

(ii) task or delivery orders awarded on or after that effective date, regardless of whether the contracts pursuant to which the task or delivery orders are awarded are entered before, on, or after October 14, 2008.

(4) APPLICABILITY.—

(A) CONTRACTS IN EXCESS OF THE SIMPLIFIED ACQUISITION THRESHOLD.—This subsection shall apply to any contract for an amount in excess of the simplified acquisition threshold (as defined in section 134 of this title) if the contract is for the performance of relevant acquisition functions.

(B) PARTIAL APPLICABILITY.—If only a portion of a contract described in subparagraph (A) is for the performance of relevant acquisition functions, then this subsection applies only to that portion of the contract.

(c) BEST PRACTICES.—The Administrator shall, in consultation with the Director of the Office of Government Ethics, develop and maintain a repository of best practices relating to the prevention and mitigation of organizational and personal conflicts of interest in Federal contracting.

EX. ORD. NO. 13005. EMPOWERMENT CONTRACTING

Ex. Ord. No. 13005, May 21, 1996, 61 F.R. 26069, provided:

In order to promote economy and efficiency in Federal procurement, it is necessary to secure broad-based competition for Federal contracts. This broad competition is best achieved where there is an expansive pool of potential contractors capable of producing quality goods and services at competitive prices. A great and largely untapped opportunity for expanding the pool of such contractors can be found in this Nation’s economically distressed communities.

Fostering growth of Federal contractors in economically distressed communities and ensuring that those contractors become viable businesses for the long term will promote economy and efficiency in Federal procurement and help to empower those communities. Fostering growth of long-term viable contractors will be promoted by offering appropriate incentives to qualified businesses.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States, including section 486(a) [now 121(a)] of title 40, United States Code, and section 301 of title 3, United States Code, it is hereby ordered as follows:

SECTION 1. Policy. The purpose of this order is to strengthen the economy and to improve the efficiency of the Federal procurement system by encouraging business development that expands the industrial base and increases competition.

SEC. 2. Empowerment Contracting Program. In consultation with the Secretaries of the Departments of Housing and Urban Development, Labor, and Defense; the Administrator of General Services; the Administrator of the National Aeronautics and Space Administration; the Administrator of the Small Business Administration; and the Administrator for Federal Procurement Policy, the Secretary of the Department of Commerce shall develop policies and procedures to ensure that agencies, to the extent permitted by law, grant qualified large businesses and qualified small businesses appropriate incentives to encourage business activity in areas of general economic distress, including a price or an evaluation credit, when assessing offers for government contracts in unrestricted competitions, where the incentives would promote the policy set forth in this order. In developing such policies and procedures, the Secretary shall consider the size of the qualified businesses.

SEC. 3. Monitoring and Evaluation. The Secretary shall:

- (a) monitor the implementation and operation of the policies and procedures developed in accordance with this order;
- (b) develop a process to ensure the proper administration of the program and to reduce the potential for fraud by the intended beneficiaries of the program;
- (c) develop principles and a process to evaluate the effectiveness of the policies and procedures developed in accordance with this order; and
- (d) by December 1 of each year, issue a report to the President on the status and effectiveness of the program.

SEC. 4. Implementation Guidelines. In implementing this order, the Secretary shall:

- (a) issue rules, regulations, and guidelines necessary to implement this order, including a requirement for the periodic review of the eligibility of qualified businesses and distressed areas;
- (b) draft all rules, regulations, and guidelines necessary to implement this order within 90 days of the date of this order; and
- (c) ensure that all policies and procedures and all rules, regulations, and guidelines adopted and implemented in accordance with this order minimize the administrative burden on affected agencies and the procurement process.

SEC. 5. Definitions. For purposes of this Executive order:

(a) “Agency” means any authority of the United States that is an “agency” under 44 U.S.C. 3502(1), other than those considered to be independent regulatory agencies, as defined in 44 U.S.C. 3502(10).

(b) “Area of general economic distress” shall be defined, for all urban and rural communities, as any census tract that has a poverty rate of at least 20 percent or any designated Federal Empowerment Zone, Supplemental Empowerment Zone, Enhanced Enterprise Community, or Enterprise Community. In addition, the Secretary may designate as an area of general economic distress any additional rural or Indian reservation area after considering the following factors:

- (1) Unemployment rate;
- (2) Degree of poverty;
- (3) Extent of outmigration; and
- (4) Rate of business formation and rate of business growth.

(c) “Qualified large business” means a large for-profit or not-for-profit trade or business that (1) employs a significant number of residents from the area of gen-

eral economic distress; and (2) either has a significant physical presence in the area of general economic distress or has a direct impact on generating significant economic activity in the area of general economic distress.

(d) “Qualified small business” means a small for-profit or not-for-profit trade or business that (1) employs a significant number of residents from the area of general economic distress; (2) has a significant physical presence in the area of general economic distress; or (3) has a direct impact on generating significant economic activity in the area of general economic distress.

(e) “Secretary” means the Secretary of Commerce.

SEC. 6. Agency Authority. Nothing in this Executive order shall be construed as displacing the agencies’ authority or responsibilities, as authorized by law, including specifically other programs designed to promote the development of small or disadvantaged businesses.

SEC. 7. Judicial Review. This Executive order does not create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

WILLIAM J. CLINTON.

GOVERNMENT CONTRACTING

Memorandum of President of the United States, Mar. 4, 2009, 74 F.R. 9755, provided:

Memorandum for the Heads of Executive Departments and Agencies

The Federal Government has an overriding obligation to American taxpayers. It should perform its functions efficiently and effectively while ensuring that its actions result in the best value for the taxpayers.

Since 2001, spending on Government contracts has more than doubled, reaching over \$500 billion in 2008. During this same period, there has been a significant increase in the dollars awarded without full and open competition and an increase in the dollars obligated through cost-reimbursement contracts. Between fiscal years 2000 and 2008, for example, dollars obligated under cost-reimbursement contracts nearly doubled, from \$71 billion in 2000 to \$135 billion in 2008. Reversing these trends away from full and open competition and toward cost-reimbursement contracts could result in savings of billions of dollars each year for the American taxpayer.

Excessive reliance by executive agencies on sole-source contracts (or contracts with a limited number of sources) and cost-reimbursement contracts creates a risk that taxpayer funds will be spent on contracts that are wasteful, inefficient, subject to misuse, or otherwise not well designed to serve the needs of the Federal Government or the interests of the American taxpayer. Reports by agency Inspectors General, the Government Accountability Office (GAO), and other independent reviewing bodies have shown that noncompetitive and cost-reimbursement contracts have been misused, resulting in wasted taxpayer resources, poor contractor performance, and inadequate accountability for results.

When awarding Government contracts, the Federal Government must strive for an open and competitive process. However, executive agencies must have the flexibility to tailor contracts to carry out their missions and achieve the policy goals of the Government. In certain exigent circumstances, agencies may need to consider whether a competitive process will not accomplish the agency’s mission. In such cases, the agency must ensure that the risks associated with noncompetitive contracts are minimized.

Moreover, it is essential that the Federal Government have the capacity to carry out robust and thorough management and oversight of its contracts in order to achieve programmatic goals, avoid significant overcharges, and curb wasteful spending. A GAO study last year of 95 major defense acquisitions projects found cost overruns of 26 percent, totaling \$295 billion over the life of the projects. Improved contract oversight could reduce such sums significantly.

Government outsourcing for services also raises special concerns. For decades, the Federal Government has relied on the private sector for necessary commercial services used by the Government, such as transportation, food, and maintenance. Office of Management and Budget Circular A-76, first issued in 1966, was based on the reasonable premise that while inherently governmental activities should be performed by Government employees, taxpayers may receive more value for their dollars if non-inherently governmental activities that can be provided commercially are subject to the forces of competition.

However, the line between inherently governmental activities that should not be outsourced and commercial activities that may be subject to private sector competition has been blurred and inadequately defined. As a result, contractors may be performing inherently governmental functions. Agencies and departments must operate under clear rules prescribing when outsourcing is and is not appropriate.

It is the policy of the Federal Government that executive agencies shall not engage in noncompetitive contracts except in those circumstances where their use can be fully justified and where appropriate safeguards have been put in place to protect the taxpayer. In addition, there shall be a preference for fixed-price type contracts. Cost-reimbursement contracts shall be used only when circumstances do not allow the agency to define its requirements sufficiently to allow for a fixed-price type contract. Moreover, the Federal Government shall ensure that taxpayer dollars are not spent on contracts that are wasteful, inefficient, subject to misuse, or otherwise not well designed to serve the Federal Government's needs and to manage the risk associated with the goods and services being procured. The Federal Government must have sufficient capacity to manage and oversee the contracting process from start to finish, so as to ensure that taxpayer funds are spent wisely and are not subject to excessive risk. Finally, the Federal Government must ensure that those functions that are inherently governmental in nature are performed by executive agencies and are not outsourced.

I hereby direct the Director of the Office of Management and Budget (OMB), in collaboration with the Secretary of Defense, the Administrator of the National Aeronautics and Space Administration, the Administrator of General Services, the Director of the Office of Personnel Management, and the heads of such other agencies as the Director of OMB determines to be appropriate, and with the participation of appropriate management councils and program management officials, to develop and issue by July 1, 2009, Government-wide guidance to assist agencies in reviewing, and creating processes for ongoing review of, existing contracts in order to identify contracts that are wasteful, inefficient, or not otherwise likely to meet the agency's needs, and to formulate appropriate corrective action in a timely manner. Such corrective action may include modifying or canceling such contracts in a manner and to the extent consistent with applicable laws, regulations, and policy.

I further direct the Director of OMB, in collaboration with the aforementioned officials and councils, and with input from the public, to develop and issue by September 30, 2009, Government-wide guidance to:

- (1) govern the appropriate use and oversight of sole-source and other types of noncompetitive contracts and to maximize the use of full and open competition and other competitive procurement processes;
- (2) govern the appropriate use and oversight of all contract types, in full consideration of the agency's needs, and to minimize risk and maximize the value of Government contracts generally, consistent with the regulations to be promulgated pursuant to section 864 of Public Law 110-417;
- (3) assist agencies in assessing the capacity and ability of the Federal acquisition workforce to develop, manage, and oversee acquisitions appropriately; and
- (4) clarify when governmental outsourcing for services is and is not appropriate, consistent with section 321 of Public Law 110-417 (31 U.S.C. 501 note).

Executive departments and agencies shall carry out the provisions of this memorandum to the extent permitted by law. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

(a) CONGRESSIONAL POLICY.—It is the policy of Congress that—

(1) an executive agency should not be required by legislation to award—

(A) a new contract to a specific non-Federal Government entity; or

(B) a new grant for research, development, test, or evaluation to a non-Federal Government entity; and

(2) a program, project, or technology identified in legislation be procured or awarded through merit-based selection procedures.

(b) NEW CONTRACT AND NEW GRANT DESCRIBED.—For purposes of this section—

(1) a contract is a new contract unless the work provided for in the contract is a continuation of the work performed by the specified entity under a prior contract; and

(2) a grant is a new grant unless the work provided for in the grant is a continuation of the work performed by the specified entity under a prior grant.

(c) REQUIREMENTS FOR AWARDING NEW CONTRACT OR NEW GRANT.—A provision of law may

not be construed as requiring a new contract or a new grant to be awarded to a specified non-Federal Government entity unless the provision of law specifically—

(1) refers to this section;

(2) identifies the particular non-Federal Government entity involved; and

(3) states that the award to that entity is required by the provision of law in contravention of the policy set forth in subsection (a).

(d) EXCEPTION.—This section does not apply to a contract or grant that calls on the National Academy of Sciences to investigate, examine, or experiment on a subject of science or art of significance to an executive agency and to report on those matters to Congress or an agency of the Federal Government.

CONSTRUCTION

Pub. L. 98-369, div. B, title VII, § 2711(c), July 18, 1984, 98 Stat. 1181, provided that: “The amendments made by this section [see Tables for classification] do not supersede or affect the provisions of section 8(a) of the Small Business Act (15 U.S.C. 637(a)).”

§ 3302. Requirements for purchase of property and services pursuant to multiple award contracts

(a) DEFINITIONS.—In this section:

- (1) EXECUTIVE AGENCY.—The term “executive agency” has the same meaning given in section 133 of this title.
- (2) INDIVIDUAL PURCHASE.—The term “individual purchase” means a task order, delivery order, or other purchase.
- (3) MULTIPLE AWARD CONTRACT.—The term “multiple award contract” means—
 - (A) a contract that is entered into by the Administrator of General Services under the multiple award schedule program referred to in section 2302(2)(C) of title 10;
 - (B) a multiple award task order contract that is entered into under the authority of sections 2304a to 2304d of title 10, or chapter 41 of this title; and
 - (C) any other indefinite delivery, indefinite quantity contract that is entered into by the head of an executive agency with 2 or more sources pursuant to the same solicitation.
- (4) SOLE SOURCE TASK OR DELIVERY ORDER.—The term “sole source task or delivery order” means any order that does not follow the competitive procedures in paragraph (2) or (3) of subsection (c).

(b) REGULATIONS REQUIRED.—The Federal Acquisition Regulation shall require enhanced competition in the purchase of property and

services by all executive agencies pursuant to multiple award contracts.

(c) CONTENT OF REGULATIONS.—

(1) IN GENERAL.—The regulations required by subsection (b) shall provide that each individual purchase of property or services in excess of the simplified acquisition threshold that is made under a multiple award contract shall be made on a competitive basis unless a contracting officer—

(A) waives the requirement on the basis of a determination that—

(i) one of the circumstances described in paragraphs (1) to (4) of section 4106(c) of this title or section 2304c(b) of title 10 applies to the individual purchase; or

(ii) a law expressly authorizes or requires that the purchase be made from a specified source; and

(B) justifies the determination in writing.

(2) COMPETITIVE BASIS PROCEDURES.—For purposes of this subsection, an individual purchase of property or services is made on a competitive basis only if it is made pursuant to procedures that—

(A) require fair notice of the intent to make that purchase (including a description of the work to be performed and the basis on which the selection will be made) to be provided to all contractors offering the property or services under the multiple award contract; and

(B) afford all contractors responding to the notice a fair opportunity to make an offer and have that offer fairly considered by the official making the purchase.

(3) EXCEPTION TO NOTICE REQUIREMENT.—

(A) IN GENERAL.—Notwithstanding paragraph (2), and subject to subparagraph (B), notice may be provided to fewer than all contractors offering the property or services under a multiple award contract as described in subsection (a)(3)(A) if notice is provided to as many contractors as practicable.

(B) LIMITATION ON EXCEPTION.—A purchase may not be made pursuant to a notice that is provided to fewer than all contractors under subparagraph (A) unless—

(i) offers were received from at least 3 qualified contractors; or

(ii) a contracting officer of the executive agency determines in writing that no additional qualified contractors were able to be identified despite reasonable efforts to do so.

(d) PUBLIC NOTICE REQUIREMENTS RELATED TO SOLE SOURCE TASK OR DELIVERY ORDERS.—

(1) PUBLIC NOTICE REQUIRED.—The Federal Acquisition Regulation shall require the head of each executive agency to—

(A) publish on FedBizOpps notice of all sole source task or delivery orders in excess of the simplified acquisition threshold that are placed against multiple award contracts not later than 14 days after the orders are placed, except in the event of extraordinary circumstances or classified orders; and

(B) disclose the determination required by subsection (c)(1) related to sole source task

or delivery orders in excess of the simplified acquisition threshold placed against multiple award contracts through the same mechanism and to the same extent as the disclosure of documents containing a justification and approval required by section 2304(f)(1) of title 10 and section 3304(e)(1) of this title, except in the event of extraordinary circumstances or classified orders.

(2) EXEMPTION.—This subsection does not require the public availability of information that is exempt from public disclosure under section 552(b) of title 5.

(e) APPLICABILITY.—The regulations required by subsection (b) shall apply to all individual purchases of property or services that are made under multiple award contracts on or after the effective date of the regulations, without regard to whether the multiple award contracts were entered into before, on, or after the effective date.

AMENDMENT NOT SHOWN IN TEXT

This section was derived from Pub. L. 110-417, [div. A], title VIII, §863(a)-(e), Oct. 14, 2008, 122 Stat. 4547, which was set out as a note under section 253h of former Title 41, Public Contracts, prior to being repealed and reenacted by Pub. L. 111-350, §§3, 7(b), Jan. 4, 2011, 124 Stat. 3677, 3855. Section 863(b)(3)(A) of Pub. L. 110-417 was restated as subsec. (c)(3)(A) of this section and subsequently amended by Pub. L. 111-383, div. A, title X, §1075(e)(14), Jan. 7, 2011, 124 Stat. 4375. For applicability of that amendment to this section, see section 6(a) of Pub. L. 111-350, set out as a Transitional and Savings Provisions note preceding section 101 of this title. Section 863(b)(3)(A) of Pub. L. 110-417 was amended by striking “subsection (d)(2)(A)” and inserting “subsection (d)(3)(A)”. Such reference did not appear in the text of subsec. (c)(3)(A) as enacted. In subsection (b), the words “Not later than one year after the date of the enactment of this Act” are omitted because of section 6(f) of the bill. The words “shall require” are substituted for “shall be amended to require” to reflect the permanence of the provision.

In subsection (c)(2)(A), the words “except as provided in paragraph (3)” are omitted as unnecessary.

In subsection (c)(3)(A), “subsection (a)(3)(A)” is substituted for “subsection (d)(2)(A)” for consistency in the revised title and to correct an error in the law.

In subsection (d)(1), the words “Not later than one year after the date of the enactment of this Act” are omitted because of section 6(f) of the bill. The words “shall require” are substituted for “shall be amended to require” to reflect the permanence of the provision.

§ 3303. Exclusion of particular source or restriction of solicitation to small business concerns

- (a) EXCLUSION OF PARTICULAR SOURCE.—
- (1) CRITERIA FOR EXCLUSION.—An executive agency may provide for the procurement of property or services covered by section 3301 of this title using competitive procedures but excluding a particular source to establish or maintain an alternative source of supply for that property or service if the agency head determines that to do so would—
- (A) increase or maintain competition and likely result in reduced overall cost for the procurement, or for an anticipated procurement, of the property or services;
 - (B) be in the interest of national defense in having a facility (or a producer, manufacturer, or other supplier) available for furnishing the property or service in case of a national emergency or industrial mobilization;
 - (C) be in the interest of national defense in establishing or maintaining an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a Federally funded research and development center;
 - (D) ensure the continuous availability of a reliable source of supply of the property or service;
 - (E) satisfy projected needs for the property or service determined on the basis of a history of high demand for the property or service; or
 - (F) satisfy a critical need for medical, safety, or emergency supplies.

(2) DETERMINATION FOR CLASS DISALLOWED.—A determination under paragraph (1) may not be made for a class of purchases or contracts.

(b) EXCLUSION OF OTHER THAN SMALL BUSINESS CONCERNS.—An executive agency may provide for the procurement of property or services covered by section 3301 of this title using competitive procedures, but excluding other than small business concerns in furtherance of sections 9 and 15 of the Small Business Act (15 U.S.C. 638, 644).

(c) NONAPPLICATION OF JUSTIFICATION AND APPROVAL REQUIREMENTS.—A contract awarded pursuant to the competitive procedures referred to in subsections (a) and (b) is not subject to the justification and approval required by section 3304(e)(1) of this title.

§ 3304. Use of noncompetitive procedures

(a) WHEN NONCOMPETITIVE PROCEDURES MAY BE USED.—An executive agency may use procedures other than competitive procedures only when—

- (1) the property or services needed by the executive agency are available from only one responsible source and no other type of property or services will satisfy the needs of the executive agency;
- (2) the executive agency's need for the property or services is of such an unusual and compelling urgency that the Federal Government would be seriously injured unless the executive agency is permitted to limit the number of sources from which it solicits bids or proposals;
- (3) it is necessary to award the contract to a particular source—

- (A) to maintain a facility, producer, manufacturer, or other supplier available for furnishing property or services in case of a national emergency or to achieve industrial mobilization;
- (B) to establish or maintain an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a Federally funded research and development center;
- (C) to procure the services of an expert for use, in any litigation or dispute (including any reasonably foreseeable litigation or dispute) involving the Federal Government, in any trial, hearing, or proceeding before a court, administrative tribunal, or agency, whether or not the expert is expected to testify; or
- (D) to procure the services of an expert or neutral for use in any part of an alternative dispute resolution or negotiated rulemaking process, whether or not the expert is expected to testify;

- (4) the terms of an international agreement or treaty between the Federal Government and a foreign government or an international organization, or the written directions of a foreign government reimbursing the executive agency for the cost of the procurement of the property or services for that government, have the effect of requiring the use of procedures other than competitive procedures;

- (5) subject to section 3105 of this title, a statute expressly authorizes or requires that the procurement be made through another executive agency or from a specified source, or the agency's need is for a brand-name commercial item for authorized resale;

- (6) the disclosure of the executive agency's needs would compromise the national security unless the agency is permitted to limit the number of sources from which it solicits bids or proposals; or

- (7) the head of the executive agency (who may not delegate the authority under this paragraph)—

- (A) determines that it is necessary in the public interest to use procedures other than competitive procedures in the particular procurement concerned; and
- (B) notifies Congress in writing of that determination not less than 30 days before the award of the contract.

(b) PROPERTY OR SERVICES DEEMED AVAILABLE FROM ONLY ONE SOURCE.—For the purposes of subsection (a)(1), in the case of—

(1) a contract for property or services to be awarded on the basis of acceptance of an unsolicited research proposal, the property or services are deemed to be available from only one source if the source has submitted an unsolicited research proposal that demonstrates a unique and innovative concept, the substance of which is not otherwise available to the Federal Government and does not resemble the substance of a pending competitive procurement; or

(2) a follow-on contract for the continued development or production of a major system or highly specialized equipment, the property may be deemed to be available only from the original source and may be procured through procedures other than competitive procedures when it is likely that award to a source other than the original source would result in—

(A) substantial duplication of cost to the Federal Government that is not expected to be recovered through competition; or

(B) unacceptable delay in fulfilling the executive agency's needs.

(c) PROPERTY OR SERVICES NEEDED WITH UNUSUAL AND COMPELLING URGENCY.—

(1) ALLOWABLE CONTRACT PERIOD.—The contract period of a contract described in paragraph (2) that is entered into by an executive agency pursuant to the authority provided under subsection (a)(2)—

(A) may not exceed the time necessary—

(i) to meet the unusual and compelling requirements of the work to be performed under the contract; and

(ii) for the executive agency to enter into another contract for the required goods or services through the use of competitive procedures; and

(B) may not exceed one year unless the head of the executive agency entering into the contract determines that exceptional circumstances apply.

(2) APPLICABILITY OF ALLOWABLE CONTRACT PERIOD.—This subsection applies to any contract in an amount greater than the simplified acquisition threshold.

(d) OFFER REQUESTS TO POTENTIAL SOURCES.—An executive agency using procedures other than competitive procedures to procure property or services by reason of the application of paragraph (2) or (6) of subsection (a) shall request offers from as many potential sources as is practicable under the circumstances.

(e) JUSTIFICATION FOR USE OF NONCOMPETITIVE PROCEDURES.—

(1) PREREQUISITES FOR AWARDED CONTRACT.—Except as provided in paragraphs (3) and (4), an executive agency may not award a contract using procedures other than competitive procedures unless—

(A) the contracting officer for the contract justifies the use of those procedures in writing and certifies the accuracy and completeness of the justification;

(B) the justification is approved, in the case of a contract for an amount—

(i) exceeding \$500,000 but equal to or less than \$10,000,000, by the advocate for competition for the procuring activity (without further delegation) or by an official referred to in clause (ii) or (iii);

(ii) exceeding \$10,000,000 but equal to or less than \$50,000,000, by the head of the procuring activity or by a delegate who, if a member of the armed forces, is a general or flag officer or, if a civilian, is serving in a position in which the individual is entitled to receive the daily equivalent of the maximum annual rate of basic pay payable for level IV of the Executive Schedule (or in a comparable or higher position under another schedule); or

(iii) exceeding \$50,000,000, by the senior procurement executive of the agency designated pursuant to section 1702(c) of this title (without further delegation); and

(C) any required notice has been published with respect to the contract pursuant to section 1708 of this title and the executive agency has considered all bids or proposals received in response to that notice.

(2) ELEMENTS OF JUSTIFICATION.—The justification required by paragraph (1)(A) shall include—

(A) a description of the agency's needs;

(B) an identification of the statutory exception from the requirement to use competitive procedures and a demonstration, based on the proposed contractor's qualifications or the nature of the procurement, of the reasons for using that exception;

(C) a determination that the anticipated cost will be fair and reasonable;

(D) a description of the market survey conducted or a statement of the reasons a market survey was not conducted;

(E) a listing of any sources that expressed in writing an interest in the procurement; and

(F) a statement of any actions the agency may take to remove or overcome a barrier to competition before a subsequent procurement for those needs.

(3) JUSTIFICATION ALLOWED AFTER CONTRACT AWARDED.—In the case of a procurement permitted by subsection (a)(2), the justification and approval required by paragraph (1) may be made after the contract is awarded.

(4) JUSTIFICATION NOT REQUIRED.—The justification and approval required by paragraph (1) are not required if—

(A) a statute expressly requires that the procurement be made from a specified source;

(B) the agency's need is for a brand-name commercial item for authorized resale;

(C) the procurement is permitted by subsection (a)(7); or

(D) the procurement is conducted under chapter 85 of this title or section 8(a) of the Small Business Act (15 U.S.C. 637(a)).

(5) RESTRICTIONS ON EXECUTIVE AGENCIES.—

(A) CONTRACTS AND PROCUREMENT OF PROPERTY OR SERVICES.—In no case may an executive agency—

(i) enter into a contract for property or services using procedures other than competitive procedures on the basis of the lack of advance planning or concerns related to the amount available to the agency for procurement functions; or

(ii) procure property or services from another executive agency unless the other executive agency complies fully with the requirements of this division in its procurement of the property or services.

(B) ADDITIONAL RESTRICTION.—The restriction set out in subparagraph (A)(ii) is in addition to any other restriction provided by law.

(f) PUBLIC AVAILABILITY OF JUSTIFICATION AND APPROVAL REQUIRED FOR USING NONCOMPETITIVE PROCEDURES.—

(1) TIME REQUIREMENT.—

(A) WITHIN 14 DAYS AFTER CONTRACT AWARD.—Except as provided in subparagraph (B), in the case of a procurement permitted by subsection (a), the head of an executive agency shall make publicly available, within 14 days after the award of the contract, the documents containing the justification and approval required by subsection (e)(1) with respect to the procurement.

(B) WITHIN 30 DAYS AFTER CONTRACT AWARD.—In the case of a procurement permitted by subsection (a)(2), subparagraph (A) shall be applied by substituting “30 days” for “14 days”.

(2) AVAILABILITY ON WEBSITES.—The documents referred to in subparagraph (A) of paragraph (1) shall be made available on the website of the agency and through a Government-wide website selected by the Administrator.

(3) EXCEPTION TO AVAILABILITY AND APPROVAL REQUIREMENT.—This subsection does not require the public availability of information that is exempt from public disclosure under section 552(b) of title 5.

§ 3305. Simplified procedures for small purchases

(a) AUTHORIZATION.—To promote efficiency and economy in contracting and to avoid unnecessary burdens for agencies and contractors, the Federal Acquisition Regulation shall provide for special simplified procedures for purchases of property and services for amounts—

(1) not greater than the simplified acquisition threshold; and

(2) greater than the simplified acquisition threshold but not greater than \$5,000,000 for which the contracting officer reasonably expects, based on the nature of the property or services sought and on market research, that offers will include only commercial items.

(b) LEASEHOLD INTERESTS IN REAL PROPERTY.—The Administrator of General Services shall prescribe regulations that provide special simplified procedures for acquisitions of leasehold interests in real property at rental rates that do not exceed the simplified acquisition threshold. The rental rate under a multiyear lease does not exceed the simplified acquisition threshold if the average annual amount of the rent payable for the period of the lease does not exceed the simplified acquisition threshold.

(c) PROHIBITION ON DIVIDING CONTRACTS.—A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts to use the simplified procedures required by subsection (a).

(d) PROMOTION OF COMPETITION.—In using the simplified procedures, an executive agency shall promote competition to the maximum extent practicable.

(e) COMPLIANCE WITH SPECIAL REQUIREMENTS OF FEDERAL ACQUISITION REGULATION.—An exec-

utive agency shall comply with the Federal Acquisition Regulation provisions referred to in section 1901(e) of this title.

§ 3306. Planning and solicitation requirements

(a) PLANNING AND SPECIFICATIONS.—

(1) PREPARING FOR PROCUREMENT.—In preparing for the procurement of property or services, an executive agency shall—

(A) specify its needs and solicit bids or proposals in a manner designed to achieve full and open competition for the procurement;

(B) use advance procurement planning and market research; and

(C) develop specifications in the manner necessary to obtain full and open competition with due regard to the nature of the property or services to be acquired.

(2) REQUIREMENTS OF SPECIFICATIONS.—Each solicitation under this division shall include specifications that—

(A) consistent with this division, permit full and open competition; and

(B) include restrictive provisions or conditions only to the extent necessary to satisfy the needs of the executive agency or as authorized by law.

(3) TYPES OF SPECIFICATIONS.—For the purposes of paragraphs (1) and (2), the type of specification included in a solicitation shall depend on the nature of the needs of the executive agency and the market available to satisfy those needs. Subject to those needs, specifications may be stated in terms of—

(A) function, so that a variety of products or services may qualify;

(B) performance, including specifications of the range of acceptable characteristics or of the minimum acceptable standards; or

(C) design requirements.

(b) CONTENTS OF SOLICITATION.—In addition to the specifications described in subsection (a), each solicitation for sealed bids or competitive proposals (other than for a procurement for commercial items using special simplified procedures or a purchase for an amount not greater than the simplified acquisition threshold) shall at a minimum include—

(1) a statement of—

(A) all significant factors and significant subfactors that the executive agency reasonably expects to consider in evaluating sealed bids (including price) or competitive proposals (including cost or price, cost-related or price-related factors and subfactors, and noncost-related or nonprice-related factors and subfactors); and

(B) the relative importance assigned to each of those factors and subfactors; and

(2)(A) in the case of sealed bids—

(i) a statement that sealed bids will be evaluated without discussions with the bidders; and

(ii) the time and place for the opening of the sealed bids; or

(B) in the case of competitive proposals—

(i) either a statement that the proposals are intended to be evaluated with, and the award made after, discussions with the offerors, or a statement that the proposals are intended to be evaluated, and the award made, without discussions with the offerors (other than discussions conducted for the purpose of minor clarification) unless discussions are determined to be necessary; and

(ii) the time and place for submission of proposals.

(c) EVALUATION FACTORS.—

(1) IN GENERAL.—In prescribing the evaluation factors to be included in each solicitation for competitive proposals, an executive agency shall—

(A) establish clearly the relative importance assigned to the evaluation factors and subfactors, including the quality of the product or services to be provided (including technical capability, management capability, prior experience, and past performance of the offeror);

(B) include cost or price to the Federal Government as an evaluation factor that must be considered in the evaluation of proposals; and

(C) disclose to offerors whether all evaluation factors other than cost or price, when combined, are—

(i) significantly more important than cost or price;

(ii) approximately equal in importance to cost or price; or

(iii) significantly less important than cost or price.

(2) RESTRICTION ON IMPLEMENTING REGULATIONS.—Regulations implementing paragraph (1)(C) may not define the terms “significantly more important” and “significantly less important” as specific numeric weights that would be applied uniformly to all solicitations or a class of solicitations.

(d) ADDITIONAL INFORMATION IN SOLICITATION.—This section does not prohibit an executive agency from—

(1) providing additional information in a solicitation, including numeric weights for all evaluation factors and subfactors on a case-by-case basis; or

(2) stating in a solicitation that award will be made to the offeror that meets the sollicita-

tion's mandatory requirements at the lowest cost or price.

(e) **LIMITATION ON EVALUATION OF PURCHASE OPTIONS.**—An executive agency, in issuing a solicitation for a contract to be awarded using sealed bid procedures, may not include in the solicitation a clause providing for the evaluation of prices for options to purchase additional property or services under the contract unless the executive agency has determined that there is a reasonable likelihood that the options will be exercised.

(f) **AUTHORIZATION OF TELECOMMUTING FOR FEDERAL CONTRACTORS.**—

(1) **DEFINITION.**—In this subsection, the term “executive agency” has the meaning given that term in section 133 of this title.

(2) **FEDERAL ACQUISITION REGULATION TO ALLOW TELECOMMUTING.**—The Federal Acquisition Regulation issued in accordance with sections 1121(b) and 1303(a)(1) of this title shall permit telecommuting by employees of Federal Government contractors in the performance of contracts entered into with executive agencies.

(3) **SCOPE OF ALLOWANCE.**—The Federal Acquisition Regulation at a minimum shall provide that a solicitation for the acquisition of property or services may not set forth any requirement or evaluation criteria that would—

(A) render an offeror ineligible to enter into a contract on the basis of the inclusion of a plan of the offeror to allow the offeror's employees to telecommute, unless the contracting officer concerned first determines that the requirements of the agency, including security requirements, cannot be met if telecommuting is allowed and documents in writing the basis for the determination; or

(B) reduce the scoring of an offer on the basis of the inclusion in the offer of a plan of the offeror to allow the offeror's employees to telecommute, unless the contracting officer concerned first determines that the requirements of the agency, including security requirements, would be adversely impacted if telecommuting is allowed and documents in writing the basis for the determination.

§ 3307. Preference for commercial items

(a) **RELATIONSHIP OF PROVISIONS OF LAW TO PROCUREMENT OF COMMERCIAL ITEMS.**—

(1) **THIS DIVISION.**—Unless otherwise specifically provided, all other provisions in this division also apply to the procurement of commercial items.

(1) requirements of the executive agency with respect to a procurement of supplies or services are stated in terms of—

- (A) functions to be performed;
- (B) performance required; or
- (C) essential physical characteristics;

(2) those requirements are defined so that commercial items or, to the extent that commercial items suitable to meet the executive agency's needs are not available, nondevelopmental items other than commercial items may be procured to fulfill those requirements; and

(3) offerors of commercial items and nondevelopmental items other than commercial items are provided an opportunity to compete in any procurement to fill those requirements.

(4) state specifications in terms that enable and encourage bidders and offerors to supply commercial items or, to the extent that commercial items suitable to meet the executive agency's needs are not available, nondevelopmental items other than commercial items in response to the executive agency solicitations;

(5) revise the executive agency's procurement policies, practices, and procedures not required by law to reduce any impediments in those policies, practices, and procedures to the acquisition of commercial items; and

(6) require training of appropriate personnel in the acquisition of commercial items.

(d) **MARKET RESEARCH.**—

(1) **WHEN TO BE USED.**—The head of an executive agency shall conduct market research appropriate to the circumstances—

- (A) before developing new specifications for a procurement by that executive agency; and

(B) before soliciting bids or proposals for a contract in excess of the simplified acquisition threshold.

(2) USE OF RESULTS.—The head of an executive agency shall use the results of market research to determine whether commercial items or, to the extent that commercial items suitable to meet the executive agency's needs are not available, nondevelopmental items other than commercial items are available that—

(A) meet the executive agency's requirements;

(B) could be modified to meet the executive agency's requirements; or

(C) could meet the executive agency's requirements if those requirements were modified to a reasonable extent.

(3) ONLY MINIMUM INFORMATION REQUIRED TO BE SUBMITTED.—In conducting market research, the head of an executive agency should not require potential sources to submit more than the minimum information that is necessary to make the determinations required in paragraph (2).

(B) LIST OF CLAUSES TO BE INCLUDED.—The regulations prescribed under paragraph (1) shall contain a list of contract clauses to be included in contracts for the acquisition of commercial end items. To the maximum extent practicable, the list shall include only those contract clauses that are—

(i) required to implement provisions of law or executive orders applicable to acquisitions of commercial items or commercial components; or

(ii) determined to be consistent with standard commercial practice.

(C) REQUIREMENTS OF PRIME CONTRACTOR.—The regulations shall provide that the Federal Government shall not require a prime contractor to apply to any of its divisions, subsidiaries, affiliates, subcontractors, or suppliers that are furnishing commercial items any contract clause except those that are—

(i) required to implement provisions of law or executive orders applicable to subcontractors furnishing commercial items or commercial components; or

(ii) determined to be consistent with standard commercial practice.

(D) CLAUSES THAT MAY BE USED IN A CONTRACT.—To the maximum extent practicable, only the contract clauses listed pursuant to subparagraph (B) may be used in a contract, and only the contract clauses referred to in subparagraph (C) may be re-

quired to be used in a subcontract, for the acquisition of commercial items or commercial components by or for an executive agency.

(E) WAIVER OF CONTRACT CLAUSES.—The Federal Acquisition Regulation shall provide standards and procedures for waiving the use of contract clauses required pursuant to subparagraph (B), other than those required by law, including standards for determining the cases in which a waiver is appropriate.

(3) MARKET ACCEPTANCE.—

(A) REQUIREMENT OF OFFERORS.—The Federal Acquisition Regulation shall provide that under appropriate conditions the head of an executive agency may require offerors to demonstrate that the items offered—

(i) have achieved commercial market acceptance or been satisfactorily supplied to an executive agency under current or recent contracts for the same or similar requirements; and

(ii) otherwise meet the item description, specifications, or other criteria prescribed in the public notice and solicitation relating to the contract.

(B) REGULATION TO PROVIDE GUIDANCE ON CRITERIA.—The Federal Acquisition Regulation shall provide guidance to ensure that the criteria for determining commercial market acceptance include the consideration of—

(i) the minimum needs of the executive agency concerned; and

(ii) the entire relevant commercial market, including small businesses.

(4) PROVISIONS RELATING TO TYPES OF CONTRACTS.—

(A) TYPES OF CONTRACTS THAT MAY BE USED.—The Federal Acquisition Regulation shall include, for acquisitions of commercial items—

(i) a requirement that firm, fixed price contracts or fixed price with economic price adjustment contracts be used to the maximum extent practicable;

(ii) a prohibition on use of cost type contracts; and

(iii) subject to subparagraph (B), authority for use of a time-and-materials or labor-hour contract for the procurement of commercial services that are commonly sold to the general public through those contracts and are purchased by the procuring agency on a competitive basis.

(B) WHEN TIME-AND-MATERIALS OR LABOR-HOUR CONTRACT MAY BE USED.—A time-and-materials or labor-hour contract may be used pursuant to the authority referred to in subparagraph (A)(iii)—

(i) only for a procurement of commercial services in a category of commercial services described in subparagraph (C); and

(ii) only if the contracting officer for the procurement—

(I) executes a determination and findings that no other contract type is suitable;

(II) includes in the contract a ceiling price that the contractor exceeds at its own risk; and

(III) authorizes a subsequent change in the ceiling price only on a determination, documented in the contract file, that it is in the best interest of the procuring agency to change the ceiling price.

(i) Commercial services procured for support of a commercial item, as described in section 103(5) of this title.

(5) CONTRACT QUALITY REQUIREMENTS.—Regulations prescribed under paragraph (1) shall include provisions that—

(A) allow, to the maximum extent practicable, a contractor under a commercial items acquisition to use the existing quality assurance system of the contractor as a substitute for compliance with an otherwise applicable requirement for the Federal Government to inspect or test the commercial items before the contractor's tender of those items for acceptance by the Federal Government;

(B) require that, to the maximum extent practicable, the executive agency take advantage of warranties (including extended warranties) offered by offerors of commercial items and use those warranties for the repair and replacement of commercial items; and

(C) set forth guidance regarding the use of past performance of commercial items and sources as a factor in contract award decisions.

§ 3308. Planning for future competition in contracts for major systems

(a) DEVELOPMENT CONTRACT.—

(1) DETERMINING WHETHER PROPOSALS ARE NECESSARY.—In preparing a solicitation for the award of a development contract for a major system, the head of an agency shall consider requiring in the solicitation that an offeror include in its offer proposals described in paragraph (2). In determining whether to require the proposals, the head of the agency shall consider the purposes for which the system is being procured and the technology necessary to meet the system's required capabilities. If the proposals are required, the head of the agency shall consider them in evaluating the offeror's price.

(2) CONTENTS OF PROPOSALS.—The proposals that the head of an agency is to consider requiring in a solicitation for the award of a development contract are the following:

(A) Proposals to incorporate in the design of the major system items that are currently available within the supply system of the Federal agency responsible for the major system, available elsewhere in the national supply system, or commercially available from more than one source.

(B) With respect to items that are likely to be required in substantial quantities during the system's service life, proposals to incorporate in the design of the major system items that the Federal Government will be able to acquire competitively in the future.

(b) PRODUCTION CONTRACT.—

(1) DETERMINING WHETHER PROPOSALS ARE NECESSARY.—In preparing a solicitation for the award of a production contract for a major system, the head of an agency shall consider requiring in the solicitation that an offeror include in its offer proposals described in paragraph (2). § 3309. Design-build selection procedures

(a) AUTHORIZATION.—Unless the traditional acquisition approach of design-bid-build established under sections 1101 to 1104 of title 40 or another acquisition procedure authorized by law is used, the head of an executive agency shall use the two-phase selection procedures authorized in this section for entering into a contract for the design and construction of a public building, facility, or work when a determination is made under subsection (b) that the procedures are appropriate for use.

(b) CRITERIA FOR USE.—A contracting officer shall make a determination whether two-phase selection procedures are appropriate for use for entering into a contract for the design and construction of a public building, facility, or work when—

(1) the contracting officer anticipates that 3 or more offers will be received for the contract;

(2) design work must be performed before an offeror can develop a price or cost proposal for the contract;

(3) the offeror will incur a substantial amount of expense in preparing the offer; and

(4) the contracting officer has considered information such as the following:

(A) The extent to which the project requirements have been adequately defined.

(B) The time constraints for delivery of the project.

(C) The capability and experience of potential contractors.

(D) The suitability of the project for use of the two-phase selection procedures.

(E) The capability of the agency to manage the two-phase selection process.

(F) Other criteria established by the agency.

(c) PROCEDURES DESCRIBED.—Two-phase selection procedures consist of the following:

(1) DEVELOPMENT OF SCOPE OF WORK STATEMENT.—The agency develops, either in-house or by contract, a scope of work statement for inclusion in the solicitation that defines the project and provides prospective offerors with sufficient information regarding the Federal Government's requirements (which may include criteria and preliminary design, budget parameters, and schedule or delivery requirements) to enable the offerors to submit proposals that meet the Federal Government's needs. If the agency contracts for development of the scope of work statement, the agency shall contract for architectural and engineering services as defined by and in accordance with sections 1101 to 1104 of title 40.

(2) SOLICITATION OF PHASE-ONE PROPOSALS.—The contracting officer solicits phase-one proposals that—

(A) include information on the offeror's—
(i) technical approach; and
(ii) technical qualifications; and

(B) do not include—
(i) detailed design information; or
(ii) cost or price information.

(3) EVALUATION FACTORS.—The evaluation factors to be used in evaluating phase-one proposals are stated in the solicitation and include specialized experience and technical competence, capability to perform, past performance of the offeror's team (including the architect-engineer and construction members of the team), and other appropriate factors, except that cost-related or price-related evaluation factors are not permitted. Each solicitation establishes the relative importance assigned to the evaluation factors and subfactors that must be considered in the evaluation of phase-one proposals. The agency evaluates phase-one proposals on the basis of the phase-one evaluation factors set forth in the solicitation.

(4) SELECTION BY CONTRACTING OFFICER.—

(A) NUMBER OF OFFERORS SELECTED AND WHAT IS TO BE EVALUATED.—The contracting officer selects as the most highly qualified the number of offerors specified in the solicitation to provide the property or services under the contract and requests the selected offerors to submit phase-two competitive proposals that include technical proposals and cost or price information. Each solicitation establishes with respect to phase two—

(i) the technical submission for the proposal, including design concepts or proposed solutions to requirements addressed within the scope of work, or both; and

(ii) the evaluation factors and subfactors, including cost or price, that must be considered in the evaluations of proposals in accordance with subsections (b) to (d) of section 3306 of this title.

(B) SEPARATE EVALUATIONS.—The contracting officer separately evaluates the submissions described in clauses (i) and (ii) of subparagraph (A).

(5) AWARDING OF CONTRACT.—The agency awards the contract in accordance with chapter 37 of this title.

(d) SOLICITATION TO STATE NUMBER OF OFFERORS TO BE SELECTED FOR PHASE-TWO REQUESTS FOR COMPETITIVE PROPOSALS.—A solicitation issued pursuant to the procedures described in subsection (c) shall state the maximum number of offerors that are to be selected to submit competitive proposals pursuant to subsection (c)(4). The maximum number specified in the solicitation shall not exceed 5 unless the agency determines with respect to an individual solicitation that a specified number greater than 5 is in the Federal Government’s interest and is consistent with the purposes and objectives of the two-phase selection process.

(e) REQUIREMENT FOR GUIDANCE AND REGULATIONS.—The Federal Acquisition Regulation shall include guidance—

- (1) regarding the factors that may be considered in determining whether the two-phase contracting procedures authorized by subsection (a) are appropriate for use in individual contracting situations;
- (2) regarding the factors that may be used in selecting contractors; and

§ 3310. Quantities to order

(a) FACTORS AFFECTING QUANTITY TO ORDER.—Each executive agency shall procure supplies in a quantity that—

- (1) will result in the total cost and unit cost most advantageous to the Federal Government, where practicable; and
- (2) does not exceed the quantity reasonably expected to be required by the agency.

(b) OFFEROR’S OPINION OF QUANTITY.—Each solicitation for a contract for supplies shall, if practicable, include a provision inviting each offeror responding to the solicitation to state an opinion on whether the quantity of supplies proposed to be procured is economically advantageous to the Federal Government and, if applicable, to recommend a quantity that would be more economically advantageous to the Federal Government. Each recommendation shall include a quotation of the total price and the unit price for supplies procured in each recommended quantity.

§ 3311. Qualification requirement

(a) DEFINITION.—In this section, the term “qualification requirement” means a requirement for testing or other quality assurance demonstration that must be completed by an offeror before award of a contract.

(b) ACTIONS BEFORE ENFORCING QUALIFICATION REQUIREMENT.—Except as provided in subsection (c), the head of an agency, before enforcing any qualification requirement, shall—

- (1) prepare a written justification stating the necessity for establishing the qualification requirement and specify why the qualification requirement must be demonstrated before contract award;
- (2) specify in writing and make available to a potential offeror on request all requirements that a prospective offeror, or its product, must satisfy to become qualified, with those requirements to be limited to those least restrictive to meet the purposes necessitating the establishment of the qualification requirement;
- (3) specify an estimate of the cost of testing and evaluation likely to be incurred by a potential offeror to become qualified;
- (4) ensure that a potential offeror is provided, on request, a prompt opportunity to demonstrate at its own expense (except as provided in subsection (d)) its ability to meet the standards specified for qualification using—

- (A) qualified personnel and facilities—
 - (i) of the agency concerned;
 - (ii) of another agency obtained through interagency agreement; or
 - (iii) under contract; or
- (B) other methods approved by the agency (including use of approved testing and evaluation services not provided under contract to the agency);

(5) if testing and evaluation services are provided under contract to the agency for the purposes of paragraph (4), provide to the extent possible that those services be provided by a contractor that—

- (A) is not expected to benefit from an absence of additional qualified sources; and
- (B) is required in the contract to adhere to any restriction on technical data asserted by the potential offeror seeking qualification; and

(6) ensure that a potential offeror seeking qualification is promptly informed whether qualification is attained and, if not attained, is promptly furnished specific information about why qualification was not attained.

(c) **APPLICABILITY, WAIVER AUTHORITY, AND REFERRAL OF OFFERS.**—

(1) **APPLICABILITY.**—Subsection (b) does not apply to a qualification requirement established by statute prior to October 30, 1984.

(2) **WAIVER AUTHORITY.**—

(A) **SUBMISSION OF DETERMINATION OF UNREASONABLENESS.**—Except as provided in subparagraph (C), if it is unreasonable to specify the standards for qualification that a prospective offeror or its product must satisfy, a determination to that effect shall be submitted to the advocate for competition of the procuring activity responsible for the purchase of the item subject to the qualification requirement.

(B) **AUTHORITY TO GRANT WAIVER.**—After considering any comments of the advocate for competition reviewing the determination, the head of the procuring activity may waive the requirements of paragraphs (2) to (5) of subsection (b) for up to 2 years with respect to the item subject to the qualification requirement.

(C) **NONAPPLICABILITY TO QUALIFIED PRODUCTS LIST.**—Waiver authority under this paragraph does not apply with respect to a qualified products list.

(3) **SUBMISSION AND CONSIDERATION OF OFFER NOT TO BE DENIED.**—A potential offeror may not be denied the opportunity to submit and have considered an offer for a contract solely because the potential offeror has not been identified as meeting a qualification requirement if the potential offeror can demonstrate to the satisfaction of the contracting officer that the potential offeror or its product meets the standards established for qualification or can meet those standards before the date specified for award of the contract.

(4) **REFERRAL TO SMALL BUSINESS ADMINISTRATION NOT REQUIRED.**—This subsection does not require the referral of an offer to the Small Business Administration pursuant to section 8(b)(7) of the Small Business Act (15 U.S.C. 637(b)(7)) if the basis for the referral is a challenge by the offeror to either the validity of the qualification requirement or the offeror's compliance with that requirement.

(5) **DELAY OF PROCUREMENT NOT REQUIRED.**—The head of an agency need not delay a proposed procurement to comply with subsection (b) or to provide a potential offeror with an opportunity to demonstrate its ability to meet the standards specified for qualification.

(d) **FEWER THAN 2 ACTUAL MANUFACTURERS.**—

(1) **SOLICITATION AND TESTING OF ADDITIONAL SOURCES OR PRODUCTS.**—If the number of qualified sources or qualified products available to compete actively for an anticipated future requirement is fewer than 2 actual manufacturers or the products of 2 actual manufacturers, respectively, the head of the agency concerned shall—

(A) publish notice periodically soliciting additional sources or products to seek qualification, unless the contracting officer determines that doing so would compromise national security; and

(B) subject to paragraph (2), bear the cost of conducting the specified testing and eval-

uation (excluding the cost associated with producing the item or establishing the production, quality control, or other system to be tested and evaluated) for a small business concern or a product manufactured by a small business concern that has met the standards specified for qualification and that could reasonably be expected to compete for a contract for that requirement.

(2) **WHEN AGENCY MAY BEAR COST.**—The head of the agency concerned may bear the cost under paragraph (1)(B) only if the head of the agency determines that the additional qualified sources or products are likely to result in cost savings from increased competition for future requirements sufficient to offset (within a reasonable period of time considering the duration and dollar value of anticipated future requirements) the cost incurred by the agency.

(3) **CERTIFICATION REQUIRED.**—The head of the agency shall require a prospective contractor requesting the Federal Government to bear testing and evaluation costs under paragraph (1)(B) to certify its status as a small business concern under section 3 of the Small Business Act (15 U.S.C. 632).

(e) **EXAMINATION AND REVALIDATION OF QUALIFICATION REQUIREMENT.**—Within 7 years after the establishment of a qualification requirement, the need for the requirement shall be examined and the standards of the requirement revalidated in accordance with the requirements of subsection (b). This subsection does not apply in the case of a qualification requirement for which a waiver is in effect under subsection (c)(2).

(f) **WHEN ENFORCEMENT OF QUALIFICATION REQUIREMENT NOT ALLOWED.**—Except in an emergency as determined by the head of the agency, after the head of the agency determines not to enforce a qualification requirement for a solicitation, the agency may not enforce the requirement unless the agency complies with the requirements of subsection (b).

(a) DEFINITIONS.—In this chapter:
 (1) COMMERCIAL ITEM.—The term “commercial item” has the meaning provided the term by section 103 of this title.

(2) COST OR PRICING DATA.—The term “cost or pricing data” means all facts that, as of the date of agreement on the price of a contract (or the price of a contract modification) or, if applicable consistent with section 3506(a)(2) of this title, another date agreed upon between the parties, a prudent buyer or seller would reasonably expect to affect price negotiations significantly. (3) SUBCONTRACT.—The term “subcontract” includes a transfer of commercial items between divisions, subsidiaries, or affiliates of a contractor or a subcontractor.

(b) REGULATIONS.—

(1) MINIMIZING ABUSE OF COMMERCIAL SERVICES ITEM AUTHORITY.—The Federal Acquisition Regulation shall ensure that services that are not offered and sold competitively in substantial quantities in the commercial marketplace, but are of a type offered and sold competitively in substantial quantities in the commercial marketplace, may be treated as commercial items for purposes of this chapter only if the contracting officer determines in writing that the offeror has submitted sufficient information to evaluate, through price analysis, the reasonableness of the price for the services.

(2) INFORMATION TO SUBMIT.—To the extent necessary to make a determination under paragraph (1), the contracting officer may request the offeror to submit—

(A) prices paid for the same or similar commercial items under comparable terms and conditions by both government and commercial customers; and

(B) if the contracting officer determines that the information described in subparagraph (A) is not sufficient to determine the reasonableness of price, other relevant information regarding the basis for price or cost, including information on labor costs, material costs, and overhead rates.

§ 3502. Required cost or pricing data and certification

(a) WHEN REQUIRED.—The head of an executive agency shall require offerors, contractors, and subcontractors to make cost or pricing data available as follows:

(1) OFFEROR FOR PRIME CONTRACT.—An offeror for a prime contract under this division to be entered into using procedures other than sealed-bid procedures shall be required to submit cost or pricing data before the award of a contract if—

(A) in the case of a prime contract entered into after October 13, 1994, the price of the contract to the Federal Government is expected to exceed \$500,000; and

(B) in the case of a prime contract entered into on or before October 13, 1994, the price of the contract to the Federal Government is expected to exceed \$100,000.

(2) CONTRACTOR.—The contractor for a prime contract under this division shall be required to submit cost or pricing data before the pricing of a change or modification to the contract if—

(A) in the case of a change or modification made to a prime contract referred to in paragraph (1)(A), the price adjustment is expected to exceed \$500,000;

(B) in the case of a change or modification made to a prime contract that was entered into on or before October 13, 1994, and that has been modified pursuant to subsection (f), the price adjustment is expected to exceed \$500,000; and

(C) in the case of a change or modification not covered by subparagraph (A) or (B), the price adjustment is expected to exceed \$100,000.

(3) OFFEROR FOR SUBCONTRACT.—An offeror for a subcontract (at any tier) of a contract under this division shall be required to submit cost or pricing data before the award of the subcontract if the prime contractor and each higher-tier subcontractor have been required to make available cost or pricing data under this chapter and—

(A) in the case of a subcontract under a prime contract referred to in paragraph (1)(A), the price of the subcontract is expected to exceed \$500,000;

(B) in the case of a subcontract entered into under a prime contract that was entered into on or before October 13, 1994, and that has been modified pursuant to subsection (f), the price of the subcontract is expected to exceed \$500,000; and

(C) in the case of a subcontract not covered by subparagraph (A) or (B), the price of the subcontract is expected to exceed \$100,000.

(4) SUBCONTRACTOR.—The subcontractor for a subcontract covered by paragraph (3) shall be required to submit cost or pricing data before the pricing of a change or modification to the subcontract if—

(A) in the case of a change or modification to a subcontract referred to in paragraph (3)(A) or (B), the price adjustment is expected to exceed \$500,000; and

(c) TO WHOM SUBMITTED.—Cost or pricing data required to be submitted under subsection (a) (or under section 3504 of this title), and a certification required to be submitted under subsection (b), shall be submitted—

(1) in the case of a submission by a prime contractor (or an offeror for a prime contract), to the contracting officer for the contract (or a designated representative of the contracting officer); or

(2) in the case of a submission by a subcontractor (or an offeror for a subcontract), to the prime contractor.

(d) APPLICATION OF CHAPTER.—Except as provided under section 3503 of this title, this chapter applies to contracts entered into by the head of an executive agency on behalf of a foreign government.

(e) SUBCONTRACTS NOT AFFECTED BY WAIVER.—A waiver of requirements for submission of certified cost or pricing data that is granted under section 3503(a)(3) of this title in the case of a contract or subcontract does not waive the requirement under subsection (a)(3) of this section for submission of cost or pricing data in the case of subcontracts under that contract or subcontract unless the head of the procuring activity granting the waiver determines that the requirement under subsection (a)(3) of this section should be waived in the case of those subcontracts and justifies in writing the reason for the determination.

(f) MODIFICATIONS TO PRIOR CONTRACTS.—On the request of a contractor that was required to submit cost or pricing data under subsection (a) in connection with a prime contract entered into on or before October 13, 1994, the head of the executive agency that entered into the contract shall modify the contract to reflect paragraphs (2)(B) and (3)(B) of subsection (a). Any amount, as so adjusted, that is not evenly divisible by \$50,000 shall be rounded to the nearest multiple of \$50,000. In the case of an amount that is evenly divisible by \$25,000 but not evenly divisible by \$50,000, the amount shall be rounded to the next higher multiple of \$50,000.

§ 3506. Price reductions for defective cost or pricing data

(a) **PROVISION REQUIRING ADJUSTMENT.**—

(1) **IN GENERAL.**—A prime contract (or change or modification to a prime contract) under which a certificate under section 3502(b) of this title is required shall contain a provision that the price of the contract to the Federal Government, including profit or fee, shall be adjusted to exclude any significant amount by which it may be determined by the head of the executive agency that the price was increased because the contractor (or any subcontractor required to make the certificate available) submitted defective cost or pricing data.

(2) **WHAT CONSTITUTES DEFECTIVE COST OR PRICING DATA.**—For the purposes of this chapter, defective cost or pricing data are cost or pricing data that, as of the date of agreement on the price of the contract (or another date agreed on between the parties), were inaccurate, incomplete, or noncurrent. If for purposes of the preceding sentence the parties agree on a date other than the date of agreement on the price of the contract, the date agreed on by the parties shall be as close to the date of agreement on the price of the contract as is practicable.

(b) **VALID DEFENSE.**—In determining for purposes of a contract price adjustment under a contract provision required by subsection (a) whether, and to what extent, a contract price was increased because the contractor (or a subcontractor) submitted defective cost or pricing data, it is a defense that the Federal Government did not rely on the defective data submitted by the contractor or subcontractor.

(c) **INVALID DEFENSES.**—It is not a defense to an adjustment of the price of a contract under a contract provision required by subsection (a) that—

(1) the price of the contract would not have been modified even if accurate, complete, and current cost or pricing data had been submitted by the contractor or subcontractor because the contractor or subcontractor—

(A) was the sole source of the property or services procured; or

(B) otherwise was in a superior bargaining position with respect to the property or services procured;

(2) the contracting officer should have known that the cost or pricing data in issue were defective even though the contractor or subcontractor took no affirmative action to bring the character of the data to the attention of the contracting officer;

(3) the contract was based on an agreement between the contractor and the Federal Government about the total cost of the contract and there was no agreement about the cost of each item procured under the contract; or

(4) the prime contractor or subcontractor did not submit a certification of cost or pricing data relating to the contract as required by section 3502(b) of this title.

(d) OFFSETS.—

(1) WHEN ALLOWED.—A contractor shall be allowed to offset an amount against the amount of a contract price adjustment under a contract provision required by subsection (a) if—

(A) the contractor certifies to the contracting officer (or to a designated representative of the contracting officer) that, to the best of the contractor's knowledge and belief, the contractor is entitled to the offset; and

(B) the contractor proves that the cost or pricing data were available before the date of agreement on the price of the contract (or price of the modification), or, if applicable, consistent with subsection (a)(2), another date agreed on by the parties, and that the data were not submitted as specified in section 3502(c) of this title before that date.

(2) WHEN NOT ALLOWED.—A contractor shall not be allowed to offset an amount otherwise authorized to be offset under paragraph (1) if—

(A) the certification under section 3502(b) of this title with respect to the cost or pricing data involved was known to be false when signed; or

(B) the Federal Government proves that, had the cost or pricing data referred to in paragraph (1)(B) been submitted to the Federal Government before date of agreement on the price of the contract (or price of the modification), or, if applicable, under subsection (a)(2), another date agreed on by the parties, the submission of the cost or pricing data would not have resulted in an increase in that price in the amount to be offset.

§ 3507. Interest and penalties for certain overpayments

(a) IN GENERAL.—If the Federal Government makes an overpayment to a contractor under a contract with an executive agency subject to this chapter and the overpayment was due to the submission by the contractor of defective cost or pricing data, the contractor shall be liable to the Federal Government—

(1) for interest on the amount of the overpayment, to be computed—

(A) for the period beginning on the date the overpayment was made to the contractor and ending on the date the contractor repays the amount of the overpayment to the Federal Government; and

(B) at the current rate prescribed by the Secretary of the Treasury under section 6621 of the Internal Revenue Code of 1986 (26 U.S.C. 6621); and

(2) if the submission of the defective data was a knowing submission, for an additional amount equal to the amount of the overpayment.

- “(1) eliminate procurement procedures and practices that unnecessarily inhibit full and open competition for contracts;
- “(2) promote the use of contracting opportunities as a means to expand the industrial base of the United States in order to ensure adequate responsive capability of the economy to the increased demands of the Government in times of national emergency; and

EX. ORD. NO. 12979. AGENCY PROCUREMENT PROTESTS

Ex. Ord. No. 12979, Oct. 25, 1995, 60 F.R. 55171, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to ensure effective and efficient expenditure of public funds and fair and expeditious resolution of protests to the award of Federal procurement contracts, it is hereby ordered as follows:

SECTION 1. Heads of executive departments and agencies (“agencies”) engaged in the procurement of supplies and services shall prescribe administrative procedures for the resolution of protests to the award of their procurement contracts as an alternative to protests in fora outside the procuring agencies. Procedures prescribed pursuant to this order shall:

- (a) emphasize that whenever conduct of a procurement is contested, all parties should use their best efforts to resolve the matter with agency contracting officers;
- (b) to the maximum extent practicable, provide for inexpensive, informal, procedurally simple, and expeditious resolution of protests, including, where appropriate and as permitted by law, the use of alternative dispute resolution techniques, third party neutrals, and another agency’s personnel;
- (c) allow actual or prospective bidders or offerors whose direct economic interests would be affected by the award or failure to award the contract to request a review, at a level above the contracting officer, of any decision by a contracting officer that is alleged to have violated a statute or regulation and, thereby, caused prejudice to the protester; and
- (d) except where immediate contract award or performance is justified for urgent and compelling reasons or is determined to be in the best interest of the United States, prohibit award or performance of the contract while a timely filed protest is pending before the agency. To allow for the withholding of a contract award or performance, the agency must have received notice of the protest within either 10 calendar days after the contract award or 5 calendar days after the bidder or offeror who is protesting the contract award was given the opportunity to be debriefed by the agency, whichever date is later.

SEC. 2. The Administrator for Federal Procurement Policy shall: (a) work with the heads of executive agencies to provide policy guidance and leadership necessary to implement provisions of this order; and (b) review and evaluate agency experience and performance under this order, and report on any findings to the President within 2 years from the date of this order.

SEC. 3. The Administrator of General Services, the Secretary of Defense, and the Administrator of the National Aeronautics and Space Administration, in coordination with the Office of Federal Procurement Policy, shall amend the Federal Acquisition Regulation, 48 C.F.R. 1, within 180 days of the date of this order to further the purposes of this order.

WILLIAM J. CLINTON.

§ 3702. Sealed bids

(a) OPENING OF BIDS.—Sealed bids shall be opened publicly at the time and place stated in the solicitation.

(b) CRITERIA FOR AWARDING CONTRACT.—The executive agency shall evaluate the bids in accordance with section 3701(a) of this title without discussions with the bidders and, except as provided in section 3701(b) of this title, shall award a contract with reasonable promptness to the responsible source whose bid conforms to the solicitation and is most advantageous to the Federal Government, considering only price and the other price-related factors included in the solicitation.

(c) NOTICE OF AWARD.—The award of a contract shall be made by transmitting, in writing or by electronic means, notice of the award to the successful bidder. Within 3 days after the date of contract award, the executive agency shall notify, in writing or by electronic means, each bidder not awarded the contract that the contract has been awarded.

(a) EVALUATION AND AWARD.—An executive agency shall evaluate competitive proposals in accordance with section 3701(a) of this title and may award a contract—

(1) after discussions with the offerors, provided that written or oral discussions have been conducted with all responsible offerors who submit proposals within the competitive range; or

(2) based on the proposals received and without discussions with the offerors (other than discussions conducted for the purpose of minor clarification), if, as required by section 3306(b)(2)(B)(i) of this title, the solicitation included a statement that proposals are intended to be evaluated, and award made, without discussions unless discussions are determined to be necessary.

(b) LIMIT ON NUMBER OF PROPOSALS.—If the contracting officer determines that the number of offerors that would otherwise be included in the competitive range under subsection (a)(1) exceeds the number at which an efficient competition can be conducted, the contracting officer may limit the number of proposals in the competitive range, in accordance with the criteria specified in the solicitation, to the greatest number that will permit an efficient competition among the offerors rated most highly in accordance with those criteria.

(c) CRITERIA FOR AWARDED CONTRACT.—Except as otherwise provided in section 3701(b) of this title, the executive agency shall award a contract with reasonable promptness to the responsible source whose proposal is most advantageous to the Federal Government, considering only cost or price and the other factors included in the solicitation.

(d) NOTICE OF AWARD.—The executive agency shall award the contract by transmitting, in writing or by electronic means, notice of the award to that source and, within 3 days after the date of contract award, shall notify, in writing or by electronic means, all other offerors of the rejection of their proposals.

SHARE-IN-SAVINGS CONTRACTS

Act June 30, 1949, ch. 288, title III, §317, as added Pub. L. 107-347, title II, §210(b), Dec. 17, 2002, 116 Stat. 2934, provided that:

“(a) AUTHORITY TO ENTER INTO SHARE-IN-SAVINGS CONTRACTS.—(1) The head of an executive agency may enter into a share-in-savings contract for information technology (as defined in section 11101(6) of title 40, United States Code) in which the Government awards a contract to improve mission-related or administrative processes or to accelerate the achievement of its mission and share with the contractor in savings achieved through contract performance.

“(2)(A) Except as provided in subparagraph (B), a share-in-savings contract shall be awarded for a period of not more than five years.

“(B) A share-in-savings contract may be awarded for a period greater than five years, but not more than 10 years, if the head of the agency determines in writing prior to award of the contract that—

“(i) the level of risk to be assumed and the investment to be undertaken by the contractor is likely to inhibit the government from obtaining the needed information technology competitively at a fair and reasonable price if the contract is limited in duration to a period of five years or less; and

“(ii) usage of the information technology to be acquired is likely to continue for a period of time sufficient to generate reasonable benefit for the government.

“(3) Contracts awarded pursuant to the authority of this section shall, to the maximum extent practicable, be performance-based contracts that identify objective outcomes and contain performance standards that will be used to measure achievement and milestones that must be met before payment is made.

“(4) Contracts awarded pursuant to the authority of this section shall include a provision containing a quantifiable baseline that is to be the basis upon which a savings share ratio is established that governs the amount of payment a contractor is to receive under the contract. Before commencement of performance of such a contract, the senior procurement executive of the agency shall determine in writing that the terms of the provision are quantifiable and will likely yield value to the Government.

“(5)(A) The head of the agency may retain savings realized through the use of a share-in-savings contract under this section that are in excess of the total amount of savings paid to the contractor under the contract, but may not retain any portion of such savings that is attributable to a decrease in the number of civilian employees of the Federal Government performing the function. Except as provided in subparagraph (B), savings shall be credited to the appropriation or fund against which charges were made to carry out the contract and shall be used for information technology.

“(B) Amounts retained by the agency under this subsection shall—

“(i) without further appropriation, remain available until expended; and

“(ii) be applied first to fund any contingent liabilities associated with share-in-savings procurements that are not fully funded.

“(b) CANCELLATION AND TERMINATION.—(1) If funds are not made available for the continuation of a share-in-savings contract entered into under this section in a subsequent fiscal year, the contract shall be canceled or terminated. The costs of cancellation or termination may be paid out of—

“(A) appropriations available for the performance of the contract;

“(B) appropriations available for acquisition of the information technology procured under the contract, and not otherwise obligated; or

“(C) funds subsequently appropriated for payments of costs of cancellation or termination, subject to the limitations in paragraph (3).

“(2) The amount payable in the event of cancellation or termination of a share-in-savings contract shall be negotiated with the contractor at the time the contract is entered into.

“(3)(A) Subject to subparagraph (B), the head of an executive agency may enter into share-in-savings con-

tracts under this section in any given fiscal year even if funds are not made specifically available for the full costs of cancellation or termination of the contract if funds are available and sufficient to make payments with respect to the first fiscal year of the contract and the following conditions are met regarding the funding of cancellation and termination liability:

“(i) The amount of unfunded contingent liability for the contract does not exceed the lesser of—

“(I) 25 percent of the estimated costs of a cancellation or termination; or

“(II) \$5,000,000.

“(ii) Unfunded contingent liability in excess of \$1,000,000 has been approved by the Director of the Office of Management and Budget or the Director’s designee.

“(B) The aggregate number of share-in-savings contracts that may be entered into under subparagraph (A) by all executive agencies to which this chapter applies in a fiscal year may not exceed 5 in each of fiscal years 2003, 2004, and 2005.

“(C) DEFINITIONS.—In this section:

“(1) The term ‘contractor’ means a private entity that enters into a contract with an agency.

“(2) The term ‘savings’ means—

EX. ORD. NO. 13496. NOTIFICATION OF EMPLOYEE RIGHTS UNDER FEDERAL LABOR LAWS

Ex. Ord. No. 13496, Jan. 30, 2009, 74 F.R. 6107, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, and in order to ensure the economical and efficient administration and completion of Government contracts, it is hereby ordered that:

SECTION 1. *Policy.* This order is designed to promote economy and efficiency in Government procurement. When the Federal Government contracts for goods or services, it has a proprietary interest in ensuring that those contracts will be performed by contractors whose work will not be interrupted by labor unrest. The attainment of industrial peace is most easily achieved and workers’ productivity is enhanced when workers are well informed of their rights under Federal labor laws, including the National Labor Relations Act (Act), 29 U.S.C. 151 *et seq.* As the Act recognizes, “encouraging the practice and procedure of collective bargaining and . . . protecting the exercise by workers of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection” will “eliminate the causes of certain substantial obstructions to the free flow of commerce” and “mitigate and eliminate these obstructions when they have oc-

curred.” 29 U.S.C. 151. Relying on contractors whose employees are informed of such rights under Federal labor laws facilitates the efficient and economical completion of the Federal Government’s contracts.

SEC. 2. *Contract Clause.* Except in contracts exempted in accordance with section 3 of this order, all Government contracting departments and agencies shall, to the extent consistent with law, include the following provisions in every Government contract, other than collective bargaining agreements as defined in 5 U.S.C. 7103(a)(8) and purchases under the simplified acquisition threshold as defined in the Office of Federal Procurement Policy Act, 41 U.S.C. 403.

“1. During the term of this contract, the contractor agrees to post a notice, of such size and in such form, and containing such content as the Secretary of Labor shall prescribe, in conspicuous places in and about its plants and offices where employees covered by the National Labor Relations Act engage in activities relating to the performance of the contract, including all places where notices to employees are customarily posted both physically and electronically. The notice shall include the information contained in the notice published by the Secretary of Labor in the Federal Register (Secretary’s Notice).

“2. The contractor will comply with all provisions of the Secretary’s Notice, and related rules, regulations, and orders of the Secretary of Labor.

“3. In the event that the contractor does not comply with any of the requirements set forth in paragraphs (1) or (2) above, this contract may be cancelled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in or adopted pursuant to Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]]. Such other sanctions or remedies may be imposed as are provided in Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]], or by rule, regulation, or order of the Secretary of Labor, or as are otherwise provided by law.

“4. The contractor will include the provisions of paragraphs (1) through (3) above in every subcontract entered into in connection with this contract (unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 3 of Executive Order [number as provided by the Federal Register [13496]] of [insert new date [Jan. 30, 2009]]) so that such provisions will be binding upon each subcontractor. The contractor will take such action with respect to any such subcontract as may be directed by the Secretary of Labor as a means of enforcing such provisions, including the imposition of sanctions for non-compliance: Provided, however, that if the contractor becomes involved in litigation with a subcontractor, or is threatened with such involvement, as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

SEC. 3. *Administration.*

(a) The Secretary of Labor (Secretary) shall be responsible for the administration and enforcement of this order. The Secretary shall adopt such rules and regulations and issue such orders as are necessary and appropriate to achieve the purposes of this order.

(b) Within 120 days of the effective date of this order, the Secretary shall initiate a rulemaking to prescribe the size, form, and content of the notice to be posted by a contractor under paragraph 1 of the contract clause described in section 2 of this order. Such notice shall describe the rights of employees under Federal labor laws, consistent with the policy set forth in section 1 of this order.

(c) Whenever the Secretary finds that an act of Congress, clarification of existing law by the courts or the National Labor Relations Board, or other circumstances make modification of the contractual provisions set out in subsection (a) of this section necessary to achieve the purposes of this order, the Secretary

promptly shall issue such rules, regulations, or orders as are needed to cause the substitution or addition of appropriate contractual provisions in Government contracts thereafter entered into.

SEC. 4. Exemptions. (a) If the Secretary finds that the application of any of the requirements of this order would not serve the purposes of this order or would impair the ability of the Government to procure goods or services on an economical and efficient basis, the Secretary may exempt a contracting department or agency or group of departments or agencies from the requirements of any or all of the provisions of this order with respect to a particular contract or subcontract or any class of contracts or subcontracts.

(b) The Secretary may, if the Secretary finds that special circumstances require an exemption in order to serve the national interest, exempt a contracting department or agency from the requirements of any or all of the provisions of section 2 of this order with respect to a particular contract or subcontract or class of contracts or subcontracts.

SEC. 5. Investigation.

(a) The Secretary may investigate any Government contractor, subcontractor, or vendor to determine whether the contractual provisions required by section 2 of this order have been violated.

Such investigations shall be conducted in accordance with procedures established by the Secretary.

(b) The Secretary shall receive and investigate complaints by employees of a Government contractor or subcontractor, where such complaints allege a failure to perform or a violation of the contractual provisions required by section 2 of this order.

SEC. 6. Compliance.

(a) The Secretary, or any agency or officer in the executive branch lawfully designated by rule, regulation, or order of the Secretary, may hold such hearings, public or private, regarding compliance with this order as the Secretary may deem advisable.

(b) The Secretary may hold hearings, or cause hearings to be held, in accordance with subsection (a) of this section, prior to imposing, ordering, or recommending the imposition of sanctions under this order. Neither an order for cancellation, termination, or suspension of any contract or debarment of any contractor from further Government contracts under section 7(b) of this order nor the inclusion of a contractor on a published list of noncomplying contractors under section 7(c) of this order shall be carried out without affording the contractor an opportunity for a hearing.

SEC. 7. Remedies. In accordance with such rules, regulations, or orders as the Secretary may issue or adopt, the Secretary may:

(a) after consulting with the contracting department or agency, direct that department or agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor to comply with the contractual provisions required by section 2 of this order; contracts may be cancelled, terminated, or suspended absolutely, or continuance of contracts may be conditioned upon future compliance: Provided, that before issuing a directive under this subsection, the Secretary shall provide the head of the contracting department or agency an opportunity to offer written objections to the issuance of such a directive, which objections shall include a complete statement of reasons for the objections, among which reasons shall be a finding that completion of the contract is essential to the agency's mission: And provided further, that no directive shall be issued by the Secretary under this subsection so long as the head of the contracting department or agency, or his or her designee, continues to object to the issuance of such directive;

(b) after consulting with each affected contracting department or agency, provide that one or more contracting departments or agencies shall refrain from entering into further contracts, or extensions or other modifications of existing contracts, with any non-complying contractor, until such contractor has sat-

isfied the Secretary that such contractor has complied with and will carry out the provisions of this order: Provided, that before issuing a directive under this subsection, the Secretary shall provide the head of each contracting department or agency an opportunity to offer written objections to the issuance of such a directive, which objections shall include a complete statement of reasons for the objections, among which reasons shall be a finding that further contracts or extensions or other modifications of existing contracts with the noncomplying contractor are essential to the agency's mission: And provided further, that no directive shall be issued by the Secretary under this subsection so long as the head of a contracting department or agency, or his or her designee, continues to object to the issuance of such directive; and

(c) publish, or cause to be published, the names of contractors that have, in the judgment of the Secretary, failed to comply with the provisions of this order or of related rules, regulations, and orders of the Secretary.

SEC. 8. Reports. Whenever the Secretary invokes section 7(a) or 7(b) of this order, the contracting department or agency shall report to the Secretary the results of the action it has taken within such time as the Secretary shall specify.

SEC. 9. Cooperation. Each contracting department and agency shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions under this order.

SEC. 10. Sufficiency of Remedies. If the Secretary finds that the authority vested in the Secretary by sections 5 through 9 of this order is not sufficient to effectuate the purposes of this order, the Secretary shall develop recommendations on how better to effectuate those purposes.

SEC. 11. Delegation. The Secretary may, in accordance with law, delegate any function or duty of the Secretary under this order to any officer in the Department of Labor or to any other officer in the executive branch of the Government, with the consent of the head of the department or agency in which that officer serves.

SEC. 12. Implementation. To the extent permitted by law, the Federal Acquisition Regulatory Council (FAR Council) shall take whatever action is required to implement in the Federal Acquisition Regulation (FAR) the provisions of this order and any related rules, regulations, or orders issued by the Secretary under this order and shall amend the FAR to require each solicitation of offers for a contract to include a provision that implements section 2 of this order.

SEC. 13. Revocation of Prior Order and Actions. Executive Order 13201 of February 17, 2001, is revoked. The heads of executive departments and agencies shall, to the extent permitted by law, revoke expeditiously any orders, rules, regulations, guidelines, or policies implementing or enforcing Executive Order 13201.

SEC. 14. Severability. If any provision of this order, or the application of such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstances shall not be affected thereby.

SEC. 15. General Provisions.

(a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department, agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 16. *Effective Date.* This order shall become effective immediately, and shall apply to contracts resulting from solicitations issued on or after the effective date of the rule promulgated by the Secretary pursuant to section 3(b) of this order.

EX. ORD. NO. 13502. USE OF PROJECT LABOR AGREEMENTS FOR FEDERAL CONSTRUCTION PROJECTS

Ex. Ord. No. 13502, Feb. 6, 2009, 74 F.R. 6985, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, and in order to promote the efficient administration and completion of Federal construction projects, it is hereby ordered that:

SECTION 1. *Policy.* (a) Large-scale construction projects pose special challenges to efficient and timely procurement by the Federal Government. Construction employers typically do not have a permanent workforce, which makes it difficult for them to predict labor costs when bidding on contracts and to ensure a steady supply of labor on contracts being performed. Challenges also arise due to the fact that construction projects typically involve multiple employers at a single location. A labor dispute involving one employer can delay the entire project. A lack of coordination among various employers, or uncertainty about the terms and conditions of employment of various groups of workers, can create frictions and disputes in the absence of an agreed-upon resolution mechanism. These problems threaten the efficient and timely completion of construction projects undertaken by Federal contractors. On larger projects, which are generally more complex and of longer duration, these problems tend to be more pronounced.

(b) The use of a project labor agreement may prevent these problems from developing by providing structure and stability to large-scale construction projects, thereby promoting the efficient and expeditious completion of Federal construction contracts. Accordingly, it is the policy of the Federal Government to encourage executive agencies to consider requiring the use of project labor agreements in connection with large-scale construction projects in order to promote economy and efficiency in Federal procurement.

SEC. 2. *Definitions.*

(a) The term “labor organization” as used in this order means a labor organization as defined in 29 U.S.C. 152(5).

(b) The term “construction” as used in this order means construction, rehabilitation, alteration, conversion, extension, repair, or improvement of buildings, highways, or other real property.

(c) The term “large-scale construction project” as used in this order means a construction project where the total cost to the Federal Government is \$25 million or more.

(d) The term “executive agency” as used in this order has the same meaning as in 5 U.S.C. 105, but excludes the Government Accountability Office.

(e) The term “project labor agreement” as used in this order means a pre-hire collective bargaining agreement with one or more labor organizations that establishes the terms and conditions of employment for a specific construction project and is an agreement described in 29 U.S.C. 158(f).

SEC. 3. (a) In awarding any contract in connection with a large-scale construction project, or obligating funds pursuant to such a contract, executive agencies may, on a project-by-project basis, require the use of a project labor agreement by a contractor where use of such an agreement will (i) advance the Federal Government’s interest in achieving economy and efficiency in Federal procurement, producing labor-management stability, and ensuring compliance with laws and regulations governing safety and health, equal employment opportunity, labor and employment standards, and other matters, and (ii) be consistent with law.

(b) If an executive agency determines under subsection (a) that the use of a project labor agreement will satisfy the criteria in clauses (i) and (ii) of that subsection, the agency may, if appropriate, require that every contractor or subcontractor on the project agree, for that project, to negotiate or become a party to a project labor agreement with one or more appropriate labor organizations.

SEC. 4. Any project labor agreement reached pursuant to this order shall:

(a) bind all contractors and subcontractors on the Construction project through the inclusion of appropriate specifications in all relevant solicitation provisions and contract documents;

(b) allow all contractors and subcontractors to compete for contracts and subcontracts without regard to whether they are otherwise parties to collective bargaining agreements;

(c) contain guarantees against strikes, lockouts, and similar job disruptions;

(d) set forth effective, prompt, and mutually binding procedures for resolving labor disputes arising during the project labor agreement;

(e) provide other mechanisms for labor-management cooperation on matters of mutual interest and concern, including productivity, quality of work, safety, and health; and

(f) fully conform to all statutes, regulations, and Executive Orders.

SEC. 5. This order does not require an executive agency to use a project labor agreement on any construction project, nor does it preclude the use of a project labor agreement in circumstances not covered by this order, including leasehold arrangements and projects receiving Federal financial assistance. This order also does not require contractors or subcontractors to enter into a project labor agreement with any particular labor organization.

SEC. 6. Within 120 days of the date of this order, the Federal Acquisition Regulatory Council (FAR Council), to the extent permitted by law, shall take whatever action is required to amend the Federal Acquisition Regulation to implement the provisions of this order.

SEC. 7. The Director of OMB, in consultation with the Secretary of Labor and with other officials as appropriate, shall provide the President within 180 days of this order, recommendations about whether broader use of project labor agreements, with respect to both construction projects undertaken under Federal contracts and construction projects receiving Federal financial assistance, would help to promote the economic, efficient, and timely completion of such projects.

SEC. 8. *Revocation of Prior Orders, Rules, and Regulations.* Executive Order 13202 of February 17, 2001, and Executive Order 13208 of April 6, 2001, are revoked. The heads of executive agencies shall, to the extent permitted by law, revoke expeditiously any orders, rules, or regulations implementing Executive Orders 13202 and 13208.

SEC. 9. *Severability.* If any provision of this order, or the application of such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstance shall not be affected thereby.

SEC. 10. *General.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an executive department, agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 11. *Effective Date.* This order shall be effective immediately and shall apply to all solicitations for contracts issued on or after the effective date of the action taken by the FAR Council under section 6 of this order.

BARACK OBAMA.

(1) IN GENERAL.—Except as provided in paragraphs (2) and (3), the fee in a cost-plus-a-fixed-fee contract shall not exceed 10 percent of the estimated cost of the contract, not including the fee, as determined by the agency head at the time of entering into the contract.

(d) RIGHT TO AUDIT.—A procuring agency, through any authorized representative thereof, has the right to inspect the plans and to audit the books and records of a prime contractor or subcontractor engaged in the performance of a cost or cost-plus-a-fixed-fee contract.

(a) **AUTHORITY TO AWARD.**—Subject to the requirements of this section, section 4106 of this title, and other applicable law, the head of an executive agency may enter into a task or delivery order contract for procurement of services or property.

(b) **SOLICITATION.**—The solicitation for a task or delivery order contract shall include—

the period for which the contract may be extended under each option;

(2) the maximum quantity or dollar value of the services or property to be procured under the contract; and

(c) **APPLICABILITY OF RESTRICTION ON USE OF NONCOMPETITIVE PROCEDURES.**—The head of an executive agency may use procedures other than competitive procedures to enter into a task or delivery order contract under this section only if an exception in section 3304(a) of this title applies to the contract and the use of those procedures is approved in accordance with section 3304(e) of this title.

(d) **SINGLE AND MULTIPLE CONTRACT AWARDS.**—

(1) **EXERCISE OF AUTHORITY.**—The head of an executive agency may exercise the authority provided in this section—

(A) to award a single task or delivery order contract; or

(2) **DETERMINATION NOT REQUIRED.**—No determination under section 3303 of this title is required for an award of multiple task or delivery order contracts under paragraph (1)(B).

(3) **SINGLE SOURCE AWARD FOR TASK OR DELIVERY ORDER CONTRACTS EXCEEDING \$100,000,000.**—

(A) **WHEN SINGLE AWARDS ARE ALLOWED.**—No task or delivery order contract in an amount estimated to exceed \$100,000,000 (including all options) may be awarded to a single source unless the head of the executive agency determines in writing that—

(i) the task or delivery orders expected under the contract are so integrally related that only a single source can reasonably perform the work;

(ii) the contract provides only for firm, fixed price task orders or delivery orders for—

(I) products for which unit prices are established in the contract; or

(II) services for which prices are established in the contract for the specific tasks to be performed;

(iii) only one source is qualified and capable of performing the work at a reasonable price to the Federal Government; or

§ 4105. Advisory and assistance services

(a) DEFINITION.—In this section, the term “advisory and assistance services” has the same meaning given that term in section 1105(g) of title 31.

(b) AUTHORITY TO AWARD.—

(1) IN GENERAL.—Subject to the requirements of this section, section 4106 of this title, and other applicable law, the head of an executive agency may enter into a task order contract for procurement of advisory and assistance services.

(2) ONLY UNDER THIS SECTION.—The head of an executive agency may enter into a task order contract for advisory and assistance services only under this section.

(c) CONTRACT PERIOD.—The period of a task order contract entered into under this section, including all periods of extensions of the contract under options, modifications, or otherwise, may not exceed 5 years unless a longer period is specifically authorized in a law that is applicable to the contract.

(d) CONTENT OF NOTICE.—The notice required by section 1708 of this title and section 8(e) of the Small Business Act (15 U.S.C. 637(e)) shall reasonably and fairly describe the general scope, magnitude, and duration of the proposed task order contract in a manner that would reasonably enable a potential offeror to decide whether to request the solicitation and consider submitting an offer.

(e) REQUIRED CONTENT OF SOLICITATION AND CONTRACT.—

(1) SOLICITATION.—The solicitation shall include the information (regarding services) described in section 4103(b) of this title.

(2) CONTRACT.—A task order contract entered into under this section shall contain the same information that is required by paragraph (1) to be included in the solicitation of offers for that contract.

(f) MULTIPLE AWARDS.—

(1) AUTHORITY TO MAKE MULTIPLE AWARDS.—On the basis of one solicitation, the head of an executive agency may award separate task order contracts under this section for the same or similar services to 2 or more sources if the solicitation states that the head of the executive agency has the option to do so.

(2) CONTENT OF SOLICITATION.—In the case of a task order contract for advisory and assistance services to be entered into under this section, if the contract period is to exceed 3 years and the contract amount is estimated to exceed \$10,000,000 (including all options), the solicitation shall—

(A) provide for a multiple award authorized under paragraph (1); and

(B) include a statement that the head of the executive agency may also elect to award only one task order contract if the head of the executive agency determines in writing that only one of the offerors is capable of providing the services required at the level of quality required.

(3) NONAPPLICATION.—Paragraph (2) does not apply in the case of a solicitation for which the head of the executive agency concerned determines in writing that, because the services required under the contract are unique or highly specialized, it is not practicable to award more than one contract.

(g) CONTRACT MODIFICATIONS.—

(1) INCREASE IN SCOPE, PERIOD, OR MAXIMUM VALUE OF CONTRACT ONLY BY MODIFICATION OF CONTRACT.—A task order may not increase the scope, period, or maximum value of the task order contract under which the order is issued. The scope, period, or maximum value of the contract may be increased only by modification of the contract.

(2) USE OF COMPETITIVE PROCEDURES.—Unless use of procedures other than competitive procedures is authorized by an exception in section 3304(a) of this title and approved in accordance with section 3304(e) of this title, competitive procedures shall be used for making such a modification.

(3) NOTICE.—Notice regarding the modification shall be provided in accordance with section 1708 of this title and section 8(e) of the Small Business Act (15 U.S.C. 637(e)).

(h) CONTRACT EXTENSIONS.—

(1) WHEN CONTRACT MAY BE EXTENDED.—Notwithstanding the limitation on the contract period set forth in subsection (c) or in a solicitation or contract pursuant to subsection (f), a contract entered into by the head of an executive agency under this section may be extended on a sole-source basis for a period not

exceeding 6 months if the head of the executive agency determines that—

(A) the award of a follow-on contract has been delayed by circumstances that were not reasonably foreseeable at the time the initial contract was entered into; and

(B) the extension is necessary to ensure continuity of the receipt of services pending the award of, and commencement of performance under, the follow-on contract.

(2) LIMIT OF ONE EXTENSION.—A task order contract may be extended under paragraph (1) only once and only in accordance with the limitations and requirements of this subsection.

(i) INAPPLICABILITY TO CERTAIN CONTRACTS.—This section does not apply to a contract for the acquisition of property or services that includes acquisition of advisory and assistance services if the head of the executive agency entering into the contract determines that, under the contract, advisory and assistance services are necessarily incident to, and not a significant component of, the contract.

§ 4106. Orders

(a) APPLICATION.—This section applies to task and delivery order contracts entered into under sections 4103 and 4105 of this title.

(b) ACTIONS NOT REQUIRED FOR ISSUANCE OF ORDERS.—The following actions are not required for issuance of a task or delivery order under a task or delivery order contract:

(1) A separate notice for the order under section 1708 of this title or section 8(e) of the Small Business Act (15 U.S.C. 637(e)).

(2) Except as provided in subsection (c), a competition (or a waiver of competition approved in accordance with section 3304(e) of this title) that is separate from that used for entering into the contract.

(c) MULTIPLE AWARD CONTRACTS.—When multiple contracts are awarded under section 4103(d)(1)(B) or 4105(f) of this title, all contractors awarded the contracts shall be provided a fair opportunity to be considered, pursuant to procedures set forth in the contracts, for each task or delivery order in excess of \$2,500 that is to be issued under any of the contracts, unless—

(1) the executive agency’s need for the services or property ordered is of such unusual urgency that providing the opportunity to all of those contractors would result in unacceptable delays in fulfilling that need;

(2) only one of those contractors is capable of providing the services or property required at the level of quality required because the services or property ordered are unique or highly specialized;

(3) the task or delivery order should be issued on a sole-source basis in the interest of economy and efficiency because it is a logical follow-on to a task or delivery order already issued on a competitive basis; or

(4) it is necessary to place the order with a particular contractor to satisfy a minimum guarantee.

(d) ENHANCED COMPETITION FOR ORDERS IN EXCESS OF \$5,000,000.—In the case of a task or delivery order in excess of \$5,000,000, the requirement to provide all contractors a fair opportunity to be considered under subsection (c) is not met unless all such contractors are provided, at a minimum—

(1) a notice of the task or delivery order that includes a clear statement of the executive agency’s requirements;

(2) a reasonable period of time to provide a proposal in response to the notice;

(3) disclosure of the significant factors and subfactors, including cost or price, that the executive agency expects to consider in evaluating such proposals, and their relative importance;

(4) in the case of an award that is to be made on a best value basis, a written statement documenting—

(A) the basis for the award; and

(B) the relative importance of quality and price or cost factors; and

(5) an opportunity for a post-award debriefing consistent with the requirements of section 3704 of this title.

(e) STATEMENT OF WORK.—A task or delivery order shall include a statement of work that clearly specifies all tasks to be performed or property to be delivered under the order.

(f) PROTESTS.—

(1) PROTEST NOT AUTHORIZED.—A protest is not authorized in connection with the issuance or proposed issuance of a task or delivery order except for—

(A) a protest on the ground that the order increases the scope, period, or maximum value of the contract under which the order is issued; or

(B) a protest of an order valued in excess of \$10,000,000.

(2) JURISDICTION OVER PROTESTS.—Notwithstanding section 3556 of title 31, the Comptrol-

ler General shall have exclusive jurisdiction of a protest authorized under paragraph (1)(B).

(3) EFFECTIVE PERIOD.—Paragraph (1)(B) and paragraph (2) of this subsection shall not be in effect after September 30, 2016.

(g) TASK AND DELIVERY ORDER OMBUDSMAN.—

(1) APPOINTMENT OR DESIGNATION AND RESPONSIBILITIES.—The head of each executive agency who awards multiple task or delivery order contracts under section 4103(d)(1)(B) or 4105(f) of this title shall appoint or designate a task and delivery order ombudsman who shall be responsible for reviewing complaints from the contractors on those contracts and ensuring that all of the contractors are afforded a fair opportunity to be considered for task or delivery orders when required under subsection (c).

(2) WHO IS ELIGIBLE.—The task and delivery order ombudsman shall be a senior agency official who is independent of the contracting officer for the contracts and may be the executive agency’s advocate for competition.

§ 4303. Effect of submission of unallowable costs

(a) **INDIRECT COST THAT VIOLATES FEDERAL ACQUISITION REGULATION COST PRINCIPLE.**—An executive agency shall require that a covered contract provide that if the contractor submits to the executive agency a proposal for settlement of indirect costs incurred by the contractor for any period after those costs have been accrued and if that proposal includes the submission of a cost that is unallowable because the cost violates a cost principle in the Federal Acquisition Regulation or an executive agency supplement to the Federal Acquisition Regulation, the cost shall be disallowed.

(b) **PENALTY FOR VIOLATION OF COST PRINCIPLE.**—

(1) **UNALLOWABLE COST IN PROPOSAL.**—If the executive agency determines that a cost submitted by a contractor in its proposal for settlement is expressly unallowable under a cost principle referred to in subsection (a) that defines the allowability of specific selected costs, the executive agency shall assess a penalty against the contractor in an amount equal to—

(A) the amount of the disallowed cost allocated to covered contracts for which a proposal for settlement of indirect costs has been submitted; plus

(B) interest (to be computed based on provisions in the Federal Acquisition Regulation) to compensate the Federal Government for the use of the amount which a contractor has been paid in excess of the amount to which the contractor was entitled.

(2) **COST DETERMINED TO BE UNALLOWABLE BEFORE PROPOSAL SUBMITTED.**—If the executive agency determines that a proposal for settlement of indirect costs submitted by a contractor includes a cost determined to be unallowable in the case of that contractor before the submission of that proposal, the executive agency shall assess a penalty against the contractor in an amount equal to 2 times the amount of the disallowed cost allocated to covered contracts for which a proposal for settlement of indirect costs has been submitted.

(c) **WAIVER OF PENALTY.**—The Federal Acquisition Regulation shall provide for a penalty under subsection (b) to be waived in the case of a contractor’s proposal for settlement of indirect costs when—

(1) the contractor withdraws the proposal before the formal initiation of an audit of the proposal by the Federal Government and re-submits a revised proposal;

(2) the amount of unallowable costs subject to the penalty is insignificant; or

(3) the contractor demonstrates, to the contracting officer’s satisfaction, that—

(A) it has established appropriate policies and personnel training and an internal control and review system that provide assurances that unallowable costs subject to penalties are precluded from being included in the contractor's proposal for settlement of indirect costs; and

(B) the unallowable costs subject to the penalty were inadvertently incorporated into the proposal.

(d) **APPLICABILITY OF CONTRACT DISPUTES PROCEDURE.**—An action of an executive agency under subsection (a) or (b)—

(1) shall be considered a final decision for the purposes of section 7103 of this title; and

(2) is appealable in the manner provided in section 7104(a) of this title.

§ 4304. Specific costs not allowable

(a) **SPECIFIC COSTS.**—The following costs are not allowable under a covered contract:

(1) Costs of entertainment, including amusement, diversion, and social activities, and any costs directly associated with those costs (such as tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities).

(2) Costs incurred to influence (directly or indirectly) legislative action on any matter pending before Congress, a State legislature, or a legislative body of a political subdivision of a State.

(3) Costs incurred in defense of any civil or criminal fraud proceeding or similar proceeding (including filing of any false certification) brought by the Federal Government where the contractor is found liable or had pleaded nolo contendere to a charge of fraud or similar proceeding (including filing of a false certification).

(4) Payments of fines and penalties resulting from violations of, or failure to comply with, Federal, State, local, or foreign laws and regulations, except when incurred as a result of compliance with specific terms and conditions of the contract or specific written instructions from the contracting officer authorizing in advance those payments in accordance with applicable provisions of the Federal Acquisition Regulation.

(5) Costs of membership in any social, dining, or country club or organization.

(6) Costs of alcoholic beverages.

(7) Contributions or donations, regardless of the recipient.

(9) Costs of promotional items and memorabilia, including models, gifts, and souvenirs.

(10) Costs for travel by commercial aircraft that exceed the amount of the standard commercial fare.

(11) Costs incurred in making any payment (commonly known as a “golden parachute payment”) that is—

(A) in an amount in excess of the normal severance pay paid by the contractor to an employee on termination of employment; and

(B) paid to the employee contingent on, and following, a change in management control over, or ownership of, the contractor or a substantial portion of the contractor's assets.

(12) Costs of commercial insurance that protects against the costs of the contractor for correction of the contractor's own defects in materials or workmanship.

(13) Costs of severance pay paid by the contractor to foreign nationals employed by the contractor under a service contract performed outside the United States, to the extent that the amount of severance pay paid in any case exceeds the amount paid in the industry involved under the customary or prevailing practice for firms in that industry providing similar services in the United States, as determined under the Federal Acquisition Regulation.

(14) Costs of severance pay paid by the contractor to a foreign national employed by the contractor under a service contract performed in a foreign country if the termination of the employment of the foreign national is the result of the closing of, or the curtailment of activities at, a Federal Government facility in that country at the request of the government of that country.

(15) Costs incurred by a contractor in connection with any criminal, civil, or administrative proceeding commenced by the Federal Government or a State, to the extent provided in section 4310 of this title.

(16) Costs of compensation of senior executives of contractors for a fiscal year, regardless of the contract funding source, to the extent that the compensation exceeds the benchmark compensation amount determined applicable for the fiscal year by the Administrator under section 1127 of this title.

(b) **WAIVER OF SEVERANCE PAY RESTRICTIONS FOR FOREIGN NATIONALS.**—

(1) **EXECUTIVE AGENCY DETERMINATION.**—Pursuant to the Federal Acquisition Regulation and subject to the availability of appropriations, an executive agency, in awarding a covered contract, may waive the application of paragraphs (13) and (14) of subsection (a) to that contract if the executive agency determines that—

(A) the application of those provisions to that contract would adversely affect the continuation of a program, project, or activity that provides significant support services for employees of the executive agency posted outside the United States;

(B) the contractor has taken (or has established plans to take) appropriate actions within the contractor’s control to minimize the amount and number of incidents of the payment of severance pay by the contractor to employees under the contract who are foreign nationals; and

(C) the payment of severance pay is necessary to comply with a law that is generally applicable to a significant number of businesses in the country in which the foreign national receiving the payment performed services under the contract or is necessary to comply with a collective bargaining agreement.

(2) SOLICITATION TO INCLUDE STATEMENT ABOUT WAIVER.—An executive agency shall include in the solicitation for a covered contract a statement indicating—

(A) that a waiver has been granted under paragraph (1) for the contract; or

(B) whether the executive agency will consider granting a waiver and, if the executive agency will consider granting a waiver, the criteria to be used in granting the waiver.

(3) DETERMINATION TO BE MADE BEFORE CONTRACT AWARDED.—An executive agency shall make the final determination whether to grant a waiver under paragraph (1) with respect to a covered contract before award of the contract.

(c) ESTABLISHMENT OF DEFINITIONS, EXCLUSIONS, LIMITATIONS, AND QUALIFICATIONS.—The provisions of the Federal Acquisition Regulation implementing this chapter may establish appropriate definitions, exclusions, limitations, and qualifications. A submission by a contractor of costs that are incurred by the contractor and that are claimed to be allowable under Department of Energy management and operating contracts shall be considered a proposal for settlement of indirect costs incurred by the contractor for any period after those costs have been accrued.

EX. ORD. NO. 13494. ECONOMY IN GOVERNMENT CONTRACTING

Ex. Ord. No. 13494, Jan. 30, 2009, 74 F.R. 6101, as amended by Ex. Ord. No. 13517, §2, Oct. 30, 2009, 74 F.R. 57239, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Property and Administrative Services Act, 40 U.S.C. 101 *et seq.*, it is hereby ordered that:

SECTION 1. To promote economy and efficiency in Government contracting, certain costs that are not directly related to the contractors’ provision of goods and services to the Government shall be unallowable for payment, thereby directly reducing Government expenditures. This order is also consistent with the policy of the United States to remain impartial concerning any labor-management dispute involving Government contractors. This order does not restrict the manner in which recipients of Federal funds may expend those funds.

SEC. 2. It is the policy of the executive branch in procuring goods and services that, to ensure the economical and efficient administration of Government contracts, contracting departments and agencies, when they enter into, receive proposals for, or make disbursements pursuant to a contract as to which certain costs are treated as unallowable, shall treat as unallowable the costs of any activities undertaken to persuade employees—whether employees of the recipient of the Federal disbursements or of any other entity—to exercise or not to exercise, or concerning the manner of exercising, the right to organize and bargain collectively through representatives of the employees’ own choosing. Such unallowable costs shall be excluded from any billing, claim, proposal, or disbursement applicable to any such Federal Government contract.

SEC. 3. Contracting departments and agencies shall treat as allowable costs incurred in maintaining satisfactory relations between the contractor and its employees (other than the costs of any activities undertaken to persuade employees to exercise or not to exercise, or concerning the manner of exercising, the right to organize and bargain collectively), including costs of labor management committees, employee publications, and other related activities. See 48 C.F.R. 31.205–21.

SEC. 4. Examples of costs unallowable under section 2 of this order include the costs of the following activi-

ties, when they are undertaken to persuade employees to exercise or not to exercise, or concern the manner of exercising, rights to organize and bargain collectively:

- (a) preparing and distributing materials;
- (b) hiring or consulting legal counsel or consultants;
- (c) holding meetings (including paying the salaries of the attendees at meetings held for this purpose); and
- (d) planning or conducting activities by managers, supervisors, or union representatives during work hours.

SEC. 5. Within 150 days of the effective date of this order, the Federal Acquisition Regulatory Council (FAR Council) shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to carry out this order. Such rules, regulations, and orders shall minimize the costs of compliance for contractors and shall not interfere with the ability of contractors to engage in advocacy through activities for which they do not claim reimbursement.

SEC. 6. Each contracting department or agency shall cooperate with the FAR Council and provide such information and assistance as the FAR Council may require in the performance of its functions under this order.

SEC. 7. (a) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(b) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 8. This order shall become effective immediately, and shall apply to contracts resulting from solicitations issued on or after the effective date of the action taken by the FAR Council under section 5 of this order.

BARACK OBAMA.

§ 4506. Action in case of fraud

(a) DEFINITION.—In this section, the term “remedy coordination official”, with respect to an executive agency, means the individual or entity in that executive agency who coordinates within that executive agency the administration of criminal, civil, administrative, and contractual remedies resulting from investigations of fraud or corruption related to procurement activities.

(b) RECOMMENDATION TO REDUCE OR SUSPEND PAYMENTS.—In any case in which the remedy coordination official of an executive agency finds that there is substantial evidence that the request of a contractor for advance, partial, or progress payment under a contract awarded by that executive agency is based on fraud, the remedy coordination official shall recommend that the executive agency reduce or suspend further payments to that contractor.

(c) REDUCTION OR SUSPENSION OF PAYMENTS.—The head of an executive agency receiving a recommendation under subsection (b) in the case of a contractor’s request for payment under a contract shall determine whether there is substantial evidence that the request is based on fraud. On making an affirmative determination, the head of the executive agency may reduce or suspend further payments to the contractor under the contract.

(d) EXTENT OF REDUCTION OR SUSPENSION.—The extent of any reduction or suspension of payments by an executive agency under subsection (c) on the basis of fraud shall be reasonably commensurate with the anticipated loss to the Federal Government resulting from the fraud.

(e) WRITTEN JUSTIFICATION.—A written justification for each decision of the head of an executive agency whether to reduce or suspend payments under subsection (c), and for each recommendation received by the executive agency in connection with the decision, shall be prepared and be retained in the files of the executive agency.

(f) NOTICE.—The head of each executive agency shall prescribe procedures to ensure that, before the head of the executive agency decides to reduce or suspend payments in the case of a con-

tractor under subsection (c), the contractor is afforded notice of the proposed reduction or suspension and an opportunity to submit matters to the executive agency in response to the proposed reduction or suspension.

(g) REVIEW.—Not later than 180 days after the date on which the head of an executive agency reduces or suspends payments to a contractor under subsection (c), the remedy coordination official of the executive agency shall—

- (1) review the determination of fraud on which the reduction or suspension is based; and
- (2) transmit a recommendation to the head of the executive agency whether the suspension or reduction should continue.

(h) REPORT.—The head of each executive agency who receives recommendations made by the remedy coordination official of the executive agency to reduce or suspend payments under subsection (c) during a fiscal year shall prepare for that year a report that contains the recommendations, the actions taken on the recommendations and the reasons for those actions, and an assessment of the effects of those actions on the Federal Government. The report shall be available to any Member of Congress on request.

(i) RESTRICTION ON DELEGATION.—The head of an executive agency may not delegate responsibilities under this section to an individual in a position below level IV of the Executive Schedule.

§ 4703. Validation of proprietary data restrictions

(a) CONTRACT THAT PROVIDES FOR DELIVERY OF TECHNICAL DATA.—A contract for property or services entered into by an executive agency that provides for the delivery of technical data shall provide that—

(1) a contractor or subcontractor at any tier shall be prepared to furnish to the contracting officer a written justification for any restriction the contractor or subcontractor asserts on the right of the Federal Government to use the data; and

(2) the contracting officer may review the validity of a restriction the contractor or subcontractor asserts under the contract on the right of the Federal Government to use technical data furnished to the Federal Government under the contract if the contracting officer determines that reasonable grounds exist to question the current validity of the asserted restriction and that the continued adherence to the asserted restriction by the Federal Government would make it impracticable to procure the item competitively at a later time.

(b) CHALLENGE OF RESTRICTION.—If after a review the contracting officer determines that a challenge to the asserted restriction is warranted, the contracting officer shall provide written notice to the contractor or subcontractor asserting the restriction. The notice shall state—

(1) the grounds for challenging the asserted restriction; and

(2) the requirement for a response within 60 days justifying the current validity of the asserted restriction.

(c) ADDITIONAL TIME FOR RESPONSES.—If a contractor or subcontractor asserting a restriction subject to this section submits to the contracting officer a written request showing the need for additional time to comply with the requirement to justify the current validity of the asserted restriction, the contracting officer shall provide appropriate additional time to adequately permit the justification to be submitted.

(d) MULTIPLE CHALLENGES.—If a party asserting a restriction receives notices of challenges

to restrictions on technical data from more than one contracting officer, and notifies each contracting officer of the existence of more than one challenge, the contracting officer initiating the earliest challenge, after consultation with the party asserting the restriction and the other contracting officers, shall formulate a schedule of responses to each of the challenges that will afford the party asserting the restriction with an equitable opportunity to respond to each challenge.

(e) DECISION ON VALIDITY OF ASSERTED RESTRICTION.—

(1) NO RESPONSE SUBMITTED.—The contracting officer shall issue a decision pertaining to the validity of the asserted restriction if the contractor or subcontractor does not submit a response under subsection (b).

(2) RESPONSE SUBMITTED.—Within 60 days of receipt of a justification submitted in response to the notice provided pursuant to subsection (b), a contracting officer shall issue a decision or notify the party asserting the restriction of the time within which a decision will be issued.

(f) CLAIM DEEMED CLAIM WITHIN CHAPTER 71.—A claim pertaining to the validity of the asserted restriction that is submitted in writing to a contracting officer by a contractor or subcontractor at any tier is deemed to be a claim within the meaning of chapter 71 of this title.

(g) FINAL DISPOSITION OF CHALLENGE.—

(1) CHALLENGE IS SUSTAINED.—If the contracting officer’s challenge to the restriction on the right of the Federal Government to use technical data is sustained on final disposition—

(A) the restriction is cancelled; and

(B) if the asserted restriction is found not to be substantially justified, the contractor or subcontractor, as appropriate, is liable to the Federal Government for payment of the cost to the Federal Government of reviewing the asserted restriction and the fees and other expenses (as defined in section 2412(d)(2)(A) of title 28) incurred by the Federal Government in challenging the asserted restriction, unless special circumstances would make the payment unjust.

(2) CHALLENGE NOT SUSTAINED.—If the contracting officer’s challenge to the restriction on the right of the Federal Government to use technical data is not sustained on final disposition, the Federal Government—

(A) continues to be bound by the restriction; and

(B) is liable for payment to the party asserting the restriction for fees and other expenses (as defined in section 2412(d)(2)(A) of title 28) incurred by the party asserting the restriction in defending the asserted restriction if the challenge by the Federal Government is found not to be made in good faith.

§ 4704. Prohibition of contractors limiting subcontractor sales directly to Federal Government

(a) CONTRACT RESTRICTIONS.—Each contract for the purchase of property or services made by an executive agency shall provide that the contractor will not—

(1) enter into an agreement with a subcontractor under the contract that has the effect of unreasonably restricting sales by the subcontractor directly to the Federal Government of any item or process (including computer software) made or furnished by the subcontractor under the contract (or any follow-on production contract); or

(2) otherwise act to restrict unreasonably the ability of a subcontractor to make sales described in paragraph (1) to the Federal Government.

(b) RIGHTS UNDER LAW PRESERVED.—This section does not prohibit a contractor from asserting rights it otherwise has under law.

(c) INAPPLICABILITY TO CERTAIN CONTRACTS.—This section does not apply to a contract for an amount that is not greater than the simplified acquisition threshold.

(d) INAPPLICABILITY WHEN GOVERNMENT TREATED SIMILARLY TO OTHER PURCHASERS.—An agreement between the contractor in a contract for the acquisition of commercial items and a subcontractor under the contract that restricts sales by the subcontractor directly to persons other than the contractor may not be considered to unreasonably restrict sales by that subcontractor to the Federal Government in violation of the provision included in the contract pursuant to subsection (a) if the agreement does not result in the Federal Government being treated differently with regard to the restriction than any other prospective purchaser of the commercial items from that subcontractor.

§ 4705. Protection of contractor employees from reprisal for disclosure of certain information

(a) DEFINITIONS.—In this section:

(1) CONTRACT.—The term “contract” means a contract awarded by the head of an executive agency.

(2) CONTRACTOR.—The term “contractor” means a person awarded a contract with an executive agency.

(3) INSPECTOR GENERAL.—The term “Inspector General” means an Inspector General appointed under the Inspector General Act of 1978 (5 U.S.C. App.).

(b) PROHIBITION OF REPRISALS.—An employee of a contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a Member of Congress or an authorized official of an executive agency or the Department of Justice information relating to a substantial violation of law related to a contract (including the competition for, or negotiation of, a contract).

(c) INVESTIGATION OF COMPLAINTS.—An individual who believes that the individual has been subjected to a reprisal prohibited by subsection (b) may submit a complaint to the Inspector General of the executive agency. Unless the Inspector General determines that the complaint is frivolous, the Inspector General shall investigate the complaint and, on completion of the investigation, submit a report of the findings of the investigation to the individual, the contractor concerned, and the head of the agency. If the executive agency does not have an Inspector General, the duties of the Inspector General under this section shall be performed by an official designated by the head of the executive agency.

(d) REMEDY AND ENFORCEMENT AUTHORITY.—

(1) ACTIONS CONTRACTOR MAY BE ORDERED TO TAKE.—If the head of an executive agency determines that a contractor has subjected an individual to a reprisal prohibited by subsection (b), the head of the executive agency may take one or more of the following actions:

(A) ABATEMENT.—Order the contractor to take affirmative action to abate the reprisal.

(B) REINSTATEMENT.—Order the contractor to reinstate the individual to the position that the individual held before the reprisal, together with the compensation (including back pay), employment benefits, and other terms and conditions of employment that would apply to the individual in that position if the reprisal had not been taken.

(C) PAYMENT.—Order the contractor to pay the complainant an amount equal to the ag-

gregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that the complainant reasonably incurred for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.

(2) ENFORCEMENT ORDER.—When a contractor fails to comply with an order issued under paragraph (1), the head of the executive agency shall file an action for enforcement of the order in the United States district court for a district in which the reprisal was found to have occurred. In an action brought under this paragraph, the court may grant appropriate relief, including injunctive relief and compensatory and exemplary damages.

(3) REVIEW OF ENFORCEMENT ORDER.—A person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. A petition seeking review must be filed no more than 60 days after the head of the agency issues the order. Review shall conform to chapter 7 of title 5.

(e) SCOPE OF SECTION.—This section does not—

(1) authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (b); or

(2) modify or derogate from a right or remedy otherwise available to the employee.

The Inspector General Act of 1978, referred to in subsec. (a)(3), is Pub. L. 95-452, Oct. 12, 1978, 92 Stat. 1101, which is set out in the Appendix to Title 5, Government Organization and Employees.

§ 4706. Examination of facilities and records of contractor

(a) DEFINITION.—In this section, the term "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether the items are in written form, in the form of computer data, or in any other form.

(b) AGENCY AUTHORITY.—

(1) INSPECTION OF PLANT AND AUDIT OF RECORDS.—The head of an executive agency,

acting through an authorized representative, may inspect the plant and audit the records of—

(A) a contractor performing a cost-reimbursement, incentive, time-and-materials, labor-hour, or price-redeterminable contract, or any combination of those contracts, the executive agency makes under this division; and

(B) a subcontractor performing a cost-reimbursement, incentive, time-and-materials, labor-hour, or price-redeterminable subcontract, or any combination of those subcontracts, under a contract referred to in subparagraph (A).

(2) EXAMINATION OF RECORDS.—The head of an executive agency, acting through an authorized representative, may, for the purpose of evaluating the accuracy, completeness, and currency of certified cost or pricing data required to be submitted pursuant to chapter 35 of this title with respect to a contract or subcontract, examine all records of the contractor or subcontractor related to—

(A) the proposal for the contract or subcontract;

(B) the discussions conducted on the proposal;

(C) pricing of the contract or subcontract;

or
(D) performance of the contract or subcontract.

(c) SUBPOENA POWER.—

(1) AUTHORITY TO REQUIRE THE PRODUCTION OF RECORDS.—The Inspector General of an executive agency appointed under section 3 or 8G of the Inspector General Act of 1978 (5 U.S.C. App.) or, on request of the head of an executive agency, the Director of the Defense Contract Audit Agency (or any successor agency) of the Department of Defense or the Inspector General of the General Services Administration may require by subpoena the production of records of a contractor, access to which is provided for that executive agency by subsection (b).

(2) ENFORCEMENT OF SUBPOENA.—A subpoena under paragraph (1), in the case of contumacy or refusal to obey, is enforceable by order of an appropriate United States district court.

(3) AUTHORITY NOT DELEGABLE.—The authority provided by paragraph (1) may not be delegated.

(4) REPORT.—In the year following a year in which authority provided in paragraph (1) is exercised for an executive agency, the head of the executive agency shall submit to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Oversight and Government Reform of the House of Representatives a report on the exercise of the authority during the preceding year and the reasons why the authority was exercised in any instance.

(d) AUTHORITY OF COMPTROLLER GENERAL.—

(1) IN GENERAL.—Except as provided in paragraph (2), each contract awarded after using procedures other than sealed bid procedures shall provide that the Comptroller General and representatives of the Comptroller Gen-

eral may examine records of the contractor, or any of its subcontractors, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any current employee regarding the transactions.

(2) EXCEPTION FOR FOREIGN CONTRACTOR OR SUBCONTRACTOR.—Paragraph (1) does not apply to a contract or subcontract with a foreign contractor or foreign subcontractor if the executive agency concerned determines, with the concurrence of the Comptroller General or the designee of the Comptroller General, that applying paragraph (1) to the contract or subcontract would not be in the public interest. The concurrence of the Comptroller General or the designee is not required when—

(A) the contractor or subcontractor is—

(i) the government of a foreign country or an agency of that government; or
(ii) precluded by the laws of the country involved from making its records available for examination; and

(B) the executive agency determines, after taking into account the price and availability of the property and services from United States sources, that the public interest would be best served by not applying paragraph (1).

(3) ADDITIONAL RECORDS NOT REQUIRED.—Paragraph (1) does not require a contractor or subcontractor to create or maintain a record that the contractor or subcontractor does not maintain in the ordinary course of business or pursuant to another law.

(e) LIMITATION ON AUDITS RELATING TO INDIRECT COSTS.—An executive agency may not perform an audit of indirect costs under a contract, subcontract, or modification before or after entering into the contract, subcontract, or modification when the contracting officer determines that the objectives of the audit can reasonably be met by accepting the results of an audit that was conducted by another department or agency of the Federal Government within one year preceding the date of the contracting officer's determination.

(f) EXPIRATION OF AUTHORITY.—The authority of an executive agency under subsection (b) and the authority of the Comptroller General under subsection (d) shall expire 3 years after final payment under the contract or subcontract.

(g) INAPPLICABILITY TO CERTAIN CONTRACTS.—This section does not apply to the following contracts:

(1) Contracts for utility services at rates not exceeding those established to apply uniformly to the public, plus any applicable reasonable connection charge.

(2) A contract or subcontract that is not greater than the simplified acquisition threshold.

(h) ELECTRONIC FORM ALLOWED.—This section does not preclude a contractor from duplicating or storing original records in electronic form.

(i) ORIGINAL RECORDS NOT REQUIRED.—An executive agency shall not require a contractor or subcontractor to provide original records in an audit carried out pursuant to this section if the

contractor or subcontractor provides photographic or electronic images of the original records and meets the following requirements:

(1) PRESERVATION PROCEDURES ESTABLISHED.—The contractor or subcontractor has established procedures to ensure that the imaging process preserves the integrity, reliability, and security of the original records.

(2) INDEXING SYSTEM MAINTAINED.—The contractor or subcontractor maintains an effective indexing system to permit timely and convenient access to the imaged records.

(3) ORIGINAL RECORDS RETAINED.—The contractor or subcontractor retains the original records for a minimum of one year after imaging to permit periodic validation of the imaging systems.

In subsection (a), before paragraph (1), the words “In this section” are substituted for “as used in this Act” as the probable intent of Congress. Section 9(a) of the Act of August 2, 1946 (ch. 744, 60 Stat. 809) restated 41:5 generally and section 9(c) of the Act, an independent provision, was editorially added as the last paragraph of 41:5. The definitions which apply to “as used in this Act” are probably intended to apply also to 41:5 as re-
