AUTHORIZATION OF APPROPRIATIONS

Section 6 of Pub. L. 94-392 provided that: “There are hereby authorized to be appropriated such sums as may be necessary to carry out the provisions of this Act [enacting this section and sections 1574b to 1574d of this title and amending section 1397 of this title].”

§ 1574b. Federal guarantee for issuance of revenue bonds or other obligations

(a) Application to Secretary of the Interior; contents

When authorized under subsection (b) of section 1574a of this title, the government of the Virgin Islands may apply to the Secretary of the Interior (hereinafter referred to as the “Secretary”) for a guarantee of any issue of bonds or other obligations authorized to be issued under subsection (a) of section 1574a of this title. Any such application shall contain such information as the Secretary may prescribe.

(b) Terms and conditions of guarantee or commitment to guarantee; determination by Secretary of approval

The Secretary is authorized, with the approval of the Secretary of the Treasury, to guarantee and to enter into commitments to guarantee, upon such terms and conditions as he may prescribe, payment of principal and interest on bonds and other obligations issued by the government of the Virgin Islands under subsection (a) of section 1574a of this title. No guarantee or commitment to guarantee shall be made unless the Secretary determines—

(1) that the proceeds of such issue will be used only for public works or other capital projects, except that \$28,000,000 of the guaranteed bonding authority will be used for water producing and power projects, including maintenance and overhaul of electrical generating and distribution mechanisms, and \$12,000,000 of the guaranteed bonding authority will be used for repair and improvements of the water distribution and storage systems;

(2) taking into account anticipated expenditures by the government of the Virgin Islands while the bonds or other obligations forming a part of such issue will be outstanding, all outstanding obligations of the government of the Virgin Islands which will mature while the

bonds or other obligations forming a part of such issue will be outstanding, and such other factors as he deems pertinent, that the revenues expected to be received under section 7652(b)(3) of title 26 will be sufficient to pay the principal of, and interest on, the bonds or other obligations forming a part of such issue;

(3) that credit is not otherwise available on reasonable terms and conditions and that there is reasonable assurance of repayment, and

(4) that the maturity of any obligations to be guaranteed does not exceed thirty years or 90 per centum of the useful life of the physical assets to be financed by the obligation, whichever is less as determined by the Secretary.

(c) Administrative costs; deposit of fees

The Secretary shall charge and collect fees in amounts sufficient in his judgment to cover the costs of administering this section. Fees collected under this subsection shall be deposited in the revolving fund created under subsection (g) of this section.

(d) Conclusiveness and incontestability; pledge of full faith and credit

Any guarantee made by the Secretary shall be conclusive evidence of the eligibility of the obligation for such guarantee, and the validity of any guarantee so made shall be incontestable, except for fraud or material misrepresentation, in the hands of the holder of the guaranteed obligation. Such guarantee shall constitute a pledge of the full faith and credit of the United States for such obligation.

(e) Interest on guaranteed obligations taxable

The interest on any obligation guaranteed under this section shall be included in gross income for purposes of chapter 1 of the Internal Revenue Code of 1986 [26 U.S.C. 1 et seq.].

(f) Maximum amount guaranteed; time limitations on commitments to guarantee, obligation of guaranteed but unobligated funds, and repayment of unobligated proceeds of bonds or other obligations

The aggregate principal amount of obligations which may be guaranteed under this Act shall not exceed \$101,000,000. No commitment to guarantee may be issued by the Secretary, and no guaranteed but unobligated funds may be obligated by the government of the Virgin Islands after October 1, 1990. After October 1, 1990, any unobligated proceeds of bonds or other obligations issued by the government of the Virgin Islands pursuant to this section shall be repaid immediately by the government of the Virgin Islands to the lenders with the agreed upon interest. Should there be any delay in the government of the Virgin Islands' making such repayment, the Secretary shall deduct the requisite amounts from moneys under his control that would otherwise be paid to the government of the Virgin Islands under section 7652(b)(3) of title 26.

(g) Revolving fund; establishment; submission of budget to Congress; payments; transfers from fund to general fund of Treasury; issuance and sale of notes or other obligations for guarantees

(1) There is hereby created within the Treasury a separate fund (hereinafter referred to as

“the fund”) which shall be available to the Secretary without fiscal year limitation as revolving fund for the purpose of this Act. A business-type budget for the fund shall be prepared, transmitted to the Congress, considered, and enacted in the manner prescribed by law (sections 9103 and 9104 of title 31) for wholly owned Government corporations.

(2) All expenses, including reimbursements to other government accounts, and payments pursuant to operations of the Secretary under this Act shall be paid from the fund. If at any time the Secretary determines that moneys in the fund exceed the present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.

(3) If at any time the moneys available in the fund are insufficient to enable the Secretary to discharge his responsibilities under guarantees under this Act, he shall issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary of the Treasury. Redemption of such notes or obligations shall be made by the Secretary from appropriations which are hereby authorized for this purpose. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, which shall not be less than a rate determined by taking into consideration the average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury shall purchase any notes or other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31 and the purposes for which securities may be issued under that chapter are extended to include any purchase of such notes or obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States.

§ 1575. Legislative procedure

(a) Quorum and method of voting on bills

The number of members of the legislature needed to constitute a quorum shall be determined by the laws of the Virgin Islands. No bill shall become a law unless it shall have been passed at a meeting, at which a quorum was present, by the affirmative vote of a majority of the members present and voting, which vote shall be by yeas and nays.

(b) Enacting clause of acts

The enacting clause of all acts shall be as follows: “Be it enacted by the Legislature of the Virgin Islands”.

(c) Governor’s message and budget

The Governor shall submit at the opening of each regular session of the legislature a message on the state of the Virgin Islands and a budget of estimated receipts and expenditures, which shall be the basis of the appropriation bills for the ensuing fiscal year, which shall commence on the first day of July or such other date as the Legislature of the Virgin Islands may determine.

(d) Approval and disapproval of bills

Every bill passed by the legislature shall, before it becomes a law, be presented to the Governor. If the Governor approves the bill, he shall sign it. If the Governor disapproves the bill, he shall, except as hereinafter provided, return it, with his objections, to the legislature within ten days (Sundays excepted) after it shall have been presented to him. If the Governor does not return the bill within such period, it shall be a law in like manner as if he had signed it, unless the legislature by adjournment prevents its return, in which case it shall be a law if signed by the Governor within thirty days after it shall have been presented to him; otherwise it shall not be a law. When a bill is returned by the Governor to the legislature with his objections, the legislature shall enter his objections at large on its journal and, upon motion of a member of the legislature, proceed to reconsider the bill. If, after such reconsideration, two-thirds of all the members of the legislature pass the bill, it shall be a law. If any bill presented to the Governor contains several items of appropriation of money, he may object to one or more of such items, or any part or parts, portion or portions thereof, while approving the other items, parts, or portions of the bill. In such a case he shall ap-

pend to the bill, at the time of signing it, a statement of the items, or parts or portions thereof, to which he objects, and the items, or parts or portions thereof, so objected to shall not take effect, unless the legislature, after reconsideration upon motion of a member thereof, passes such items, parts, or portions so objected to by a vote of two-thirds of all the members of the legislature.

(e) Use of prior appropriations upon failure to pass appropriation bills

If at the termination of any fiscal year the legislature shall have failed to pass appropriation bills providing for payment of the obligations and necessary current expenses of the government of the Virgin Islands for the ensuing fiscal year, then the several sums appropriated in the last appropriation bills for the objects and purposes therein specified, so far as the same may be applicable, shall be deemed to be reappropriated item by item.

(f) Journal of proceedings; contents

The legislature shall keep a journal of its proceedings and publish the same. Every bill passed by the legislature and the yeas and nays on any question shall be entered on the journal.

(g) Transmittal of laws to Congress

A listing of all laws enacted by the legislature each year shall be transmitted with the annual report to Congress required pursuant to section 1591 of this title.

The Governor of the Virgin Islands, together with the Lieutenant Governor, shall be elected by a majority of the votes cast by the people who are qualified to vote for the members of the legislature of the Virgin Islands. The Governor and Lieutenant Governor shall be chosen jointly, by the casting by each voter of a single vote applicable to both officers. If no candidates receive a majority of the votes cast in any election, on the fourteenth day thereafter a run-off election shall be held between the candidates for Governor and Lieutenant Governor receiving the highest and second highest number of votes cast. The first election for Governor and Lieutenant Governor shall be held on November 3, 1970. Thereafter, beginning with the year 1974, the Governor and Lieutenant Governor shall be elected every four years at the general election.

The Governor and Lieutenant Governor shall hold office for a term of four years and until their successors are elected and qualified. No person who has been elected Governor for two full successive terms shall be again eligible to hold that office until one full term has intervened. The term of the elected Governor and Lieutenant Governor shall commence on the first Monday of January following the date of election.

No person shall be eligible for election to the office of Governor or Lieutenant Governor unless he is an eligible voter and has been for five consecutive years immediately preceding the election a citizen of the United States and a bona fide resident of the Virgin Islands and will be, at the time of taking office, at least thirty years of age. The Governor shall maintain his official residence in the Government House on Saint Thomas during his incumbency, which house, together with land appurtenant thereto, is hereby transferred to the government of the Virgin Islands. While in Saint Croix the Governor may reside in Government House on Saint Croix, which house, together with land appurtenant thereto is also transferred to the government of the Virgin Islands.

The Governor shall have general supervision and control of all the departments, bureaus, agencies, and other instrumentalities of the executive branch of the government of the Virgin Islands. Whenever it becomes necessary, in case of disaster, invasion, insurrection, or rebellion or imminent danger thereof, or to prevent or suppress lawless violence, he may summon the posse comitatus or call out the militia or request assistance of the senior military or naval commander of the Armed Forces of the United States in the Virgin Islands or Puerto Rico, which may be given at the discretion of such commander if not disruptive of, or inconsistent with, his Federal responsibilities. He may, in case of rebellion or invasion or imminent danger thereof, when the public safety requires it, proclaim the islands, insofar as they are under the jurisdiction of the government of the Virgin Islands, to be under martial law. The members of the legislature shall meet forthwith on their own initiative and may, by a two-thirds vote, revoke such proclamation.

The Governor shall prepare, publish, and submit to the Congress and the Secretary of the Interior a comprehensive annual financial report in conformance with the standards of the National Council on Governmental Accounting within one hundred and twenty days after the close of the fiscal year. The comprehensive annual financial report shall include statistical

data as set forth in the standards of the National Council on Governmental Accounting relating to the physical, economic, social, and political characteristics of the government, and any other information required by the Congress. The Governor shall also make such other reports at such other times as may be required by the Congress or under applicable Federal law. He shall have the power to issue executive orders and regulations not in conflict with any applicable law. He may recommend bills to the legislature and give expression to his views on any matter before that body.

(b) Initiative

(1) An initiative may enact, amend, or repeal any law, except that an initiative shall not be used to repeal a law declared by the legislature at the time of passage to be an emergency law necessary for the preservation of the public health, safety, or peace.

(2) An initiative that proposes a reduction of taxes shall also provide for an equivalent reduction of expenditures or an equivalent increase in revenues from other sources.

(3) An initiative shall address one subject only and matters reasonably related to that subject.

(4) The ballot question shall be in such form that a "yes" vote is a vote in favor of the proposal and a "no" vote is a vote against the proposal.

(5) A copy of the proposed initiative petition, including a complete text of the proposed law and containing signatures equal to at least 1 percent of the voters of each legislative district or 4 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections prior to circulation for ballot qualification. The Supervisor of Elections must determine within 10 days after the submission wheth-

er the preliminary signatures are sufficient. If so determined, the Supervisor of Elections shall refer the preliminary petition to an initiative titling board consisting of the Attorney General, the Supervisor of Elections, and the legislative counsel of the legislature. The board shall, in an open hearing, prepare the official ballot title, the submission question, and a summary of the initiative proposal, and this preparation shall be completed within 30 days after the referral.

(6) After the ballot title has been written, proponents of the initiative proposal shall have a maximum of 180 days to circulate the petition. Petitions containing signatures equal to at least 10 percent of the voters of each legislative district or 41 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections. The Supervisor shall have 15 days to determine that the minimum number of valid signatures are contained in the petition and he shall forward the certified proposal to the legislature which must accept or reject the measure within 30 days. If approved, the initiative shall take effect in accordance with its terms. If the legislature does not approve, the initiative shall be submitted to the voters at the next general election, unless the legislature approves a special election for this purpose. The legislature may submit its own version of the initiative to the voters. Should both measures be approved by the voters, the measure receiving the higher number of votes shall prevail. The voters shall have a clear alternative of rejecting either version or the entire proposition.

(7) An initiative submitted to the voters shall take effect if the initiative is approved by a majority of persons voting and if a majority of the voters of the Virgin Islands vote on the initiative. An initiative may not be vetoed by the Governor, and when approved by the voters, may not be amended or repealed by the legislature during the 3-year period after its approval unless the legislature acts by a two-thirds majority.

(8) The legislature may provide the manner in which petitions shall be circulated, filed, certified, and the ballot question shall be submitted to the voters.

(3) Prior to circulation a recall petition which identifies by name and office the official being recalled and which states the grounds for recall shall be submitted to the Supervisor of Elections. The sponsors of the recall petition shall be allowed a period of 60 days after such submission for filing with the Supervisor of Elections a list of signatures equal in number to at least 50 percent of the whole number of votes cast for that office in the last general election at which that office was filled. The Supervisor of Elections shall have 15 days in which to determine

whether the minimum number of valid signatures are contained in the recall petition.

(4) A special recall election shall be held with respect to an elected public official not earlier than 30 days after a vote of the legislature under paragraph (2) or a determination of the board of elections under paragraph (3), as the case may be, and not later than 60 days after such vote or determination.

(5) An official shall be removed from office upon approval of the recall in an election in which at least two-thirds of the number of persons voting for such official in the last preceding general election at which such official was elected vote in favor of recall and in which those so voting constitute a majority of all those participating in such recall election.

(6) No recall election shall be held with respect to an elected public official—

(A) during the first year of the first term of office of the official; or

(B) less than 3 months before a general election for the office.
