§ 47172. Air traffic procedures for airport capacity enhancement projects at congested airports

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration may consider

prescribing flight procedures to avoid or minimize potentially significant adverse noise impacts of an airport capacity enhancement project at a congested airport that involves the construction of new runways or the reconfiguration of existing runways during the environmental planning process for the project. If the Administrator determines that noise mitigation flight procedures are consistent with safe and efficient use of the navigable airspace, the Administrator may commit, at the request of the airport sponsor and in a manner consistent with applicable Federal law, to prescribing such procedures in any record of decision approving the project.

(b) MODIFICATION.—Notwithstanding any commitment by the Administrator under subsection (a), the Administrator may initiate changes to such procedures if necessary to maintain safety and efficiency in light of new information or changed circumstances.

(b) ADMINISTRATIVE PROVISION.—Instead of payment from an airport sponsor from funds apportioned to the sponsor under section 47114, the Administrator, with agreement of the sponsor, may transfer funds that would otherwise be apportioned to the sponsor under section 47114 to the account used by the Administrator for activities described in subsection (a).

(c) RECEIPTS CREDITED AS OFFSETTING COLLECTIONS.—Notwithstanding section 3302 of title 31, any funds accepted under this section, except funds transferred pursuant to subsection (b)—

(1) shall be credited as offsetting collections to the account that finances the activities and services for which the funds are accepted;

(2) shall be available for expenditure only to pay the costs of activities and services for which the funds are accepted; and

(3) shall remain available until expended.

(d) MAINTENANCE OF EFFORT.—No funds may be accepted pursuant to subsection (a), or transferred pursuant to subsection (b), in any fiscal year in which the Federal Aviation Administration does not allocate at least the amount it expended in fiscal year 2002 (excluding amounts accepted pursuant to section 337 of the Department of Transportation and Related Agencies Appropriations Act, 2002 (115 Stat. 862)) for the activities described in subsection (a).
