

view of the foregoing, it is concluded that subsection (a) of former 5 U.S.C. 61a-1 had prospective effect and should have been reenacted in title 5, U.S.C., by Public Law 89-554.

In section 5534a, the words “A member of a uniformed service who has performed active service” are substituted for “Any person, who, shall have performed active service in the Armed Forces” to conform to the style of title 5 and the definition of “uniformed services” in 5 U.S.C. 2101 which is coextensive with the definition of “armed forces” in subsection (f) of former 5 U.S.C. 61a-1. Reorganization Plan No. 2 of 1965 (79 Stat. 1318), effective July 13, 1965, consolidated the Coast and Geodetic Survey and the Weather Bureau to form a new agency in the Department of Commerce to be known as the Environmental Science Services Administration. The words “subsequent to May 1, 1940” are omitted as executed. The word “territories” is substituted for “Territories” inasmuch as there now are no incorporated territories. The words “(including any corporation created under authority of an act of Congress which is either wholly controlled or wholly owned by the Government of the United States, or any department, agency, or establishment thereof, whether or not the employees thereof are paid from funds appropriated by Congress)” are omitted as included in “a civilian office or position in the Government of the United States”. The word “pay” is substituted for “compensation.”
