AUTHORIZATION FOR USE OF MILITARY FORCE AGAINST IRAQ RESOLUTION OF 2002

Pub. L. 107–243, Oct. 16, 2002, 116 Stat. 1498, provided that:

“Whereas in 1990 in response to Iraq’s war of aggression against and illegal occupation of Kuwait, the United States forged a coalition of nations to liberate Kuwait and its people in order to defend the national security of the United States and enforce United Nations Security Council resolutions relating to Iraq;

“Whereas after the liberation of Kuwait in 1991, Iraq entered into a United Nations sponsored cease-fire

agreement pursuant to which Iraq unequivocally agreed, among other things, to eliminate its nuclear, biological, and chemical weapons programs and the means to deliver and develop them, and to end its support for international terrorism;

- “Whereas the efforts of international weapons inspectors, United States intelligence agencies, and Iraqi defectors led to the discovery that Iraq had large stockpiles of chemical weapons and a large scale biological weapons program, and that Iraq had an advanced nuclear weapons development program that was much closer to producing a nuclear weapon than intelligence reporting had previously indicated;
- “Whereas Iraq, in direct and flagrant violation of the cease-fire, attempted to thwart the efforts of weapons inspectors to identify and destroy Iraq’s weapons of mass destruction stockpiles and development capabilities, which finally resulted in the withdrawal of inspectors from Iraq on October 31, 1998;
- “Whereas in Public Law 105-235 (August 14, 1998) [112 Stat. 1538], Congress concluded that Iraq’s continuing weapons of mass destruction programs threatened vital United States interests and international peace and security, declared Iraq to be in ‘material and unacceptable breach of its international obligations’ and urged the President ‘to take appropriate action, in accordance with the Constitution and relevant laws of the United States, to bring Iraq into compliance with its international obligations’;
- “Whereas Iraq both poses a continuing threat to the national security of the United States and international peace and security in the Persian Gulf region and remains in material and unacceptable breach of its international obligations by, among other things, continuing to possess and develop a significant chemical and biological weapons capability, actively seeking a nuclear weapons capability, and supporting and harboring terrorist organizations;
- “Whereas Iraq persists in violating resolution [sic] of the United Nations Security Council by continuing to engage in brutal repression of its civilian population thereby threatening international peace and security in the region, by refusing to release, repatriate, or account for non-Iraqi citizens wrongfully detained by Iraq, including an American serviceman, and by failing to return property wrongfully seized by Iraq from Kuwait;
- “Whereas the current Iraqi regime has demonstrated its capability and willingness to use weapons of mass destruction against other nations and its own people;
- “Whereas the current Iraqi regime has demonstrated its continuing hostility toward, and willingness to attack, the United States, including by attempting in 1993 to assassinate former President Bush and by firing on many thousands of occasions on United States and Coalition Armed Forces engaged in enforcing the resolutions of the United Nations Security Council;
- “Whereas members of al Qaida, an organization bearing responsibility for attacks on the United States, its citizens, and interests, including the attacks that occurred on September 11, 2001, are known to be in Iraq;
- “Whereas Iraq continues to aid and harbor other international terrorist organizations, including organizations that threaten the lives and safety of United States citizens;
- “Whereas the attacks on the United States of September 11, 2001, underscored the gravity of the threat posed by the acquisition of weapons of mass destruction by international terrorist organizations;
- “Whereas Iraq’s demonstrated capability and willingness to use weapons of mass destruction, the risk that the current Iraqi regime will either employ those weapons to launch a surprise attack against the United States or its Armed Forces or provide them to international terrorists who would do so, and the extreme magnitude of harm that would result to the United States and its citizens from such an attack, combine to justify action by the United States to defend itself;
- “Whereas United Nations Security Council Resolution 678 (1990) authorizes the use of all necessary means to

enforce United Nations Security Council Resolution 660 (1990) and subsequent relevant resolutions and to compel Iraq to cease certain activities that threaten international peace and security, including the development of weapons of mass destruction and refusal or obstruction of United Nations weapons inspections in violation of United Nations Security Council Resolution 687 (1991), repression of its civilian population in violation of United Nations Security Council Resolution 688 (1991), and threatening its neighbors or United Nations operations in Iraq in violation of United Nations Security Council Resolution 949 (1994);

- “Whereas in the Authorization for Use of Military Force Against Iraq Resolution (Public Law 102-1) [set out as a note below], Congress has authorized the President ‘to use United States Armed Forces pursuant to United Nations Security Council Resolution 678 (1990) in order to achieve implementation of Security Council Resolution 660, 661, 662, 664, 665, 666, 667, 669, 670, 674, and 677’;
- “Whereas in December 1991, Congress expressed its sense that it ‘supports the use of all necessary means to achieve the goals of United Nations Security Council Resolution 687 as being consistent with the Authorization of Use of Military Force Against Iraq Resolution (Public Law 102-1),’ that Iraq’s repression of its civilian population violates United Nations Security Council Resolution 688 and ‘constitutes a continuing threat to the peace, security, and stability of the Persian Gulf region,’ and that Congress, ‘supports the use of all necessary means to achieve the goals of United Nations Security Council Resolution 688’;
- “Whereas the Iraq Liberation Act of 1998 (Public Law 105-338) [former 22 U.S.C. 2151 note] expressed the sense of Congress that it should be the policy of the United States to support efforts to remove from power the current Iraqi regime and promote the emergence of a democratic government to replace that regime;
- “Whereas on September 12, 2002, President Bush committed the United States to ‘work with the United Nations Security Council to meet our common challenge’ posed by Iraq and to ‘work for the necessary resolutions,’ while also making clear that ‘the Security Council resolutions will be enforced, and the just demands of peace and security will be met, or action will be unavoidable’;
- “Whereas the United States is determined to prosecute the war on terrorism and Iraq’s ongoing support for international terrorist groups combined with its development of weapons of mass destruction in direct violation of its obligations under the 1991 cease-fire and other United Nations Security Council resolutions make clear that it is in the national security interests of the United States and in furtherance of the war on terrorism that all relevant United Nations Security Council resolutions be enforced, including through the use of force if necessary;
- “Whereas Congress has taken steps to pursue vigorously the war on terrorism through the provision of authorities and funding requested by the President to take the necessary actions against international terrorists and terrorist organizations, including those nations, organizations, or persons who planned, authorized, committed, or aided the terrorist attacks that occurred on September 11, 2001, or harbored such persons or organizations;
- “Whereas the President and Congress are determined to continue to take all appropriate actions against international terrorists and terrorist organizations, including those nations, organizations, or persons who planned, authorized, committed, or aided the terrorist attacks that occurred on September 11, 2001, or harbored such persons or organizations;
- “Whereas the President has authority under the Constitution to take action in order to deter and prevent acts of international terrorism against the United States, as Congress recognized in the joint resolution on Authorization for Use of Military Force (Public Law 107-40) [set out as a note below]; and

“Whereas it is in the national security interests of the United States to restore international peace and security to the Persian Gulf region: Now, therefore, be it

“(b) PRESIDENTIAL DETERMINATION.—In connection with the exercise of the authority granted in subsection (a) to use force the President shall, prior to such exercise or as soon thereafter as may be feasible, but no later than 48 hours after exercising such authority, make available to the Speaker of the House of Representatives and the President pro tempore of the Senate his determination that—

“(1) reliance by the United States on further diplomatic or other peaceful means alone either (A) will not adequately protect the national security of the United States against the continuing threat posed by Iraq or (B) is not likely to lead to enforcement of all relevant United Nations Security Council resolutions regarding Iraq; and

“(2) acting pursuant to this joint resolution is consistent with the United States and other countries continuing to take the necessary actions against international terrorist and terrorist organizations, including those nations, organizations, or persons who planned, authorized, committed or aided the terrorist attacks that occurred on September 11, 2001.

“(c) WAR POWERS RESOLUTION REQUIREMENTS.—

MULTINATIONAL FORCE IN LEBANON RESOLUTION

Pub. L. 98-119, Oct. 12, 1983, 97 Stat. 805, provided that:

“SHORT TITLE

“SECTION 1. This joint resolution may be cited as the ‘Multinational Force in Lebanon Resolution’.

“FINDINGS AND PURPOSE

“SEC. 2. (a) The Congress finds that—

“(1) the removal of all foreign forces from Lebanon is an essential United States foreign policy objective in the Middle East;

“(2) in order to restore full control by the Government of Lebanon over its own territory, the United States is currently participating in the multinational peacekeeping force (hereafter in this resolution referred to as the ‘Multinational Force in Lebanon’) which was established in accordance with the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982;

“(3) the Multinational Force in Lebanon better enables the Government of Lebanon to establish its unity, independence, and territorial integrity;

“(4) progress toward national political reconciliation in Lebanon is necessary; and

“(5) United States Armed Forces participating in the Multinational Force in Lebanon are now in hostilities requiring authorization of their continued presence under the War Powers Resolution [50 U.S.C. 1541 et seq.].

“(b) The Congress determines that the requirements of section 4(a)(1) of the War Powers Resolution [50 U.S.C. 1543(a)(1)] became operative on August 29, 1983. Consistent with section 5(b) of the War Powers Resolution [50 U.S.C. 1544(b)], the purpose of this joint resolution is to authorize the continued participation of United States Armed Forces in the Multinational Force in Lebanon.

“(c) The Congress intends this joint resolution to constitute the necessary specific statutory authorization under the War Powers Resolution for continued participation by United States Armed Forces in the Multinational Force in Lebanon.

“AUTHORIZATION FOR CONTINUED PARTICIPATION OF UNITED STATES ARMED FORCES IN THE MULTINATIONAL FORCE IN LEBANON

“SEC. 3. The President is authorized, for purposes of section 5(b) of the War Powers Resolution [50 U.S.C. 1544(b)], to continue participation by United States Armed Forces in the Multinational Force in Lebanon,

subject to the provisions of section 6 of this joint resolution. Such participation shall be limited to performance of the functions, and shall be subject to the limitations, specified in the agreement establishing the Multinational Force in Lebanon as set forth in the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982, except that this shall not preclude such protective measures as may be necessary to ensure the safety of the Multinational Force in Lebanon.

“REPORTS TO THE CONGRESS

“SEC. 4. As required by section 4(c) of the War Powers Resolution [50 U.S.C. 1543(c)], the President shall report periodically to the Congress with respect to the situation in Lebanon, but in no event shall he report less often than once every three months. In addition to providing the information required by that section on the status, scope, and duration of hostilities involving United States Armed Forces, such reports shall describe in detail—

“(1) the activities being performed by the Multinational Force in Lebanon;

“(2) the present composition of the Multinational Force in Lebanon, including a description of the responsibilities and deployment of the armed forces of each participating country;

“(3) the results of efforts to reduce and eventually eliminate the Multinational Force in Lebanon;

“(4) how continued United States participation in the Multinational Force in Lebanon is advancing United States foreign policy interests in the Middle East; and

“(5) what progress has occurred toward national political reconciliation among all Lebanese groups.

“STATEMENTS OF POLICY

“SEC. 5. (a) The Congress declares that the participation of the armed forces of other countries in the Multinational Force in Lebanon is essential to maintain the international character of the peacekeeping function in Lebanon.

“(b) The Congress believes that it should continue to be the policy of the United States to promote continuing discussions with Israel, Syria, and Lebanon with the objective of bringing about the withdrawal of all foreign troops from Lebanon and establishing an environment which will permit the Lebanese Armed Forces to carry out their responsibilities in the Beirut area.

“(c) It is the sense of the Congress that, not later than one year after the date of enactment of this joint resolution [Oct. 12, 1983] and at least once a year thereafter, the United States should discuss with the other members of the Security Council of the United Nations the establishment of a United Nations peacekeeping force to assume the responsibilities of the Multinational Force in Lebanon. An analysis of the implications of the response to such discussions for the continuation of the Multinational Force in Lebanon shall be included in the reports required under paragraph (3) of section 4 of this resolution.

“DURATION OF AUTHORIZATION FOR UNITED STATES PARTICIPATION IN THE MULTINATIONAL FORCE IN LEBANON

“SEC. 6. The participation of United States Armed Forces in the Multinational Force in Lebanon shall be authorized for purposes of the War Powers Resolution [50 U.S.C. 1541 et seq.] until the end of the eighteen-month period beginning on the date of enactment of this resolution [Oct. 12, 1983] unless the Congress extends such authorization, except that such authorization shall terminate sooner upon the occurrence of any one of the following:

“(1) the withdrawal of all foreign forces from Lebanon, unless the President determines and certifies to the Congress that continued United States Armed Forces participation in the Multinational Force in Lebanon is required after such withdrawal in order to accomplish the purposes specified in the September

25, 1982, exchange of letters providing for the establishment of the Multinational Force in Lebanon; or

“(2) the assumption by the United Nations or the Government of Lebanon of the responsibilities of the Multinational Force in Lebanon; or

“(3) the implementation of other effective security arrangements in the area; or

“(4) the withdrawal of all other countries from participation in the Multinational Force in Lebanon.

“INTERPRETATION OF THIS RESOLUTION

“SEC. 7. (a) Nothing in this joint resolution shall preclude the President from withdrawing United States Armed Forces participation in the Multinational Force in Lebanon if circumstances warrant, and nothing in this joint resolution shall preclude the Congress by joint resolution from directing such a withdrawal.

“(b) Nothing in this joint resolution modifies, limits, or supersedes any provision of the War Powers Resolution [50 U.S.C. 1541 et seq.] or the requirement of section 4(a) of the Lebanon Emergency Assistance Act of 1983, relating to congressional authorization for any substantial expansion in the number or role of United States Armed Forces in Lebanon.

“CONGRESSIONAL PRIORITY PROCEDURES FOR AMENDMENTS

“SEC. 8. (a) Any joint resolution or bill introduced to amend or repeal this Act shall be referred to the Committee on Foreign Affairs of the House of Representatives or the Committee on Foreign Relations of the Senate, as the case may be. Such joint resolution or bill shall be considered by such committee within fifteen calendar days and may be reported out, together with its recommendations, unless such House shall otherwise determine pursuant to its rules.

“(b) Any joint resolution or bill so reported shall become the pending business of the House in question (in the case of the Senate the time for debate shall be equally divided between the proponents and the opponents) and shall be voted on within three calendar days thereafter, unless such House shall otherwise determine by the yeas and nays.

“(c) Such a joint resolution or bill passed by one House shall be referred to the committee of the other House named in subsection (a) and shall be reported out by such committee together with its recommendations within fifteen calendar days and shall thereupon become the pending business of such House and shall be voted upon within three calendar days, unless such House shall otherwise determine by the yeas and nays.

“(d) In the case of any disagreement between the two Houses of Congress with respect to a joint resolution or bill passed by both Houses, conferees shall be promptly appointed and the committee of conference shall make and file a report with respect to such joint resolution within six calendar days after the legislation is referred to the committee of conference. Notwithstanding any rule in either House concerning the printing of conference reports in the Record or concerning any delay in the consideration of such reports, such report shall be acted on by both Houses not later than six calendar days after the conference report is filed. In the event the conferees are unable to agree within forty-eight hours, they shall report back to their respective Houses in disagreement.”

ADHERENCE TO WAR POWERS RESOLUTION

Pub. L. 96-342, title X, §1008, Sept. 8, 1980, 94 Stat. 1122, provided that: “Whereas, the National Command Authority must have the capacity to carry out any military mission which is essential to the national security of the United States having in its hands in the Rapid Deployment Force an increased capability to extend the reach of our military power in an expedited manner; and whereas, without the significant safeguard of the War Powers Resolution (Public Law 93-148) [this chapter], United States foreign and defense policies could be subject to misinterpretation; it is therefore

the sense of the Congress that the provisions of the War Powers Resolution be strictly adhered to and that the congressional consultation process specified by such Resolution be utilized strictly according to the terms of the War Powers Resolution.”

- (3) in numbers which substantially enlarge United States Armed Forces equipped for combat already located in a foreign nation;

the President shall submit within 48 hours to the Speaker of the House of Representatives and to the President pro tempore of the Senate a report, in writing, setting forth—
