However, laws effective after March 31, 1955, that are inconsistent with this Act shall be considered as superseding it to the extent of the inconsistency.

“(b) References that other laws, regulations, and orders make to the replaced law shall be considered to be made to the corresponding provisions of sections 1–48.

“(c) Actions taken and offenses committed under the replaced law shall be considered to have been taken or committed under the corresponding provisions of sections 1–48.

“(d) If a part of this Act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this Act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

“(e) In chapter 47 of title 10, United States Code, enacted by section 1 of this Act, no inference of a legislative construction is to be drawn from the part in which any article is placed nor from the catchlines of the part or the article as set out in that chapter.

“(f) The enactment of this Act does not increase or decrease the pay or allowances, including retired pay and retainer pay, of any person.

“(g) The enactment of this Act does not affect the status of persons who, on the effective date of this Act, have the status of warrant officer, of the Army Mine Planter Service.”

The definitions in clauses (2) and (9)–(17) reflect the adoption of terminology which, though undefined in the source statutes restated in this title, represent the closest practicable approximation of the ways in which the terms defined have been most commonly used. Where established uses conflict, a choice has been made.

In clause (1), the definition of “Territory” in 32:4c is executed throughout this revised title by specific reference, where applicable, to the Territories, Puerto Rico, and the Canal Zone.

In clause (2), a definition of “National Guard” is inserted for clarity.

In clause (3)(A), the words “a land force” are substituted for 32:2. The National Defense Act of 1916, §117 (last 66 words), 39 Stat. 212, is not contained in 32:2. It is also omitted from the revised section as repealed by the act of February 28, 1925, ch. 374, §3, 43 Stat. 1081.

In clauses (3) and (4), the word “Army” is inserted to distinguish the organizations defined from their Air Force counterparts.

In clauses (3) and (5), the words “unless the context or subject matter otherwise requires—” and “as provided in this title”, in 32:4b, are omitted as surplusage.

In clauses (3)(B) and (5)(B), the words “has its officers appointed” are substituted for the word “officered”, in 32:4b.

In clauses (4) and (6), only that much of the description of the composition of the Army National Guard of the United States and the Air National Guard of the United States is used as is necessary to distinguish these reserve components, respectively, from the other reserve components.

In clause (5)(A), the words “an air force” are substituted for the words “for which Federal responsibility has been vested in the Secretary of the Air Force or the Department of the Air Force pursuant to law”, in 10:1835, and for 32:2 (less applicability to Army National Guard), to make the definition of “Air National Guard” parallel with the definition of “Army National Guard”, and to make explicit the intent of Congress in creating the Air National Guard, that the organized militia henceforth should consist of three mutually exhaustive classes comprising the Army, Air, and Naval militia.

In clause (8), words showing how enlisted members became such are inserted to make clear that enlist-

ment is not the only method of becoming a member in an enlisted grade.

In clause (2), the term “armed forces” is defined for legislative convenience and is defined the same as that term is defined in section 101(4) of title 10, United States Code.

The definition in clause (18) reflects the adoption of terminology which, though undefined in the source statutes restated in this title, represents the closest practicable approximation of the ways in which the term has been commonly used.

OFFICIAL DESIGNATION OF SALEM, MASSACHUSETTS, AS BIRTHPLACE OF THE NATIONAL GUARD OF THE UNITED STATES

Pub. L. 112-241, §1, Jan. 10, 2013, 126 Stat. 2372, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) In 1629, Captain John Endicott organized the first militia in the Massachusetts Bay Colony in Salem.

“(2) The colonists had adopted the English militia system, which required all males between the ages of 16 and 60 to possess arms and participate in the defense of the community.

“(3) In 1636, the Massachusetts General Court ordered the organization of three militia regiments, designated as the North, South, and East regiments.

“(4) These regiments drilled once a week and provided guard details each evening to sound the alarm in case of attack.

“(5) The East Regiment, the predecessor of the 101st Engineer Battalion, assembled as a regiment for the first time in 1637 on the Salem Common, marking the beginning of the Massachusetts National Guard and the National Guard of the United States.

“(6) Since 1785, Salem’s own Second Corps of Cadets (101st and 102nd Field Artillery) has celebrated the anniversary of that first muster.

“(7) As the policy contained in section 102 of title 32, United States Code, clearly expresses, the National Guard continues its historic mission of providing units for the first line defense of the United States and current missions throughout the world.

“(8) The designation of the City of Salem, Massachusetts, as the Birthplace of the National Guard of the United States will contribute positively to tourism and economic development in the city, create jobs, and instill pride in both the local and State communities.

“(b) DESIGNATION OF SALEM, MASSACHUSETTS, AS NATIONAL GUARD BIRTHPLACE.—In light of the findings made in subsection (a), the City of Salem, Massachusetts, is hereby designated as the Birthplace of the National Guard of the United States.

“(c) RESPONSIBILITIES.—

“(1) MILITARY CEREMONIAL SUPPORT.—The Chief of the National Guard Bureau, in conjunction with the Secretary of the Army, the Secretary of the Air Force, the Council of Governors, and the Adjutant General of the State of Massachusetts, shall provide military ceremonial support at the dedication of any monument, plaque, or other form of official recognition placed in Salem, Massachusetts, celebrating the designation of Salem, Massachusetts, as the Birthplace of the National Guard of the United States.

“(2) FUNDING SOURCE.—Federal funds may not be used to design, procure, prepare, install, or maintain any monument, plaque, or other form of official recognition placed in Salem, Massachusetts, celebrating the designation of Salem, Massachusetts, as the Birthplace of the National Guard of the United States, but the Adjutant General of the State of Massachusetts may accept and expend contributions of non-Federal funds for this purpose.”

§ 102. General policy

In accordance with the traditional military policy of the United States, it is essential that the strength and organization of the Army National Guard and the Air National Guard as an integral part of the first line defenses of the United States be maintained and assured at all times. Whenever Congress determines that more units and organizations are needed for the national security than are in the regular components of the ground and air forces, the Army National Guard of the United States and the Air National Guard of the United States, or such parts of them as are needed, together with such units of other reserve components as are necessary for a balanced force, shall be ordered to active Federal duty and retained as long as so needed.

§ 104. Units: location; organization; command

(a) Each State, the Commonwealth of Puerto Rico, Guam, and the Virgin Islands may fix the location of the units and headquarters of its National Guard.

(b) Except as otherwise specifically provided in this title, the organization of the Army National Guard and the composition of its units shall be the same as those prescribed for the Army, subject, in time of peace, to such general exceptions as the Secretary of the Army may authorize; and the organization of the Air National Guard and the composition of its units shall be the same as those prescribed for the Air Force, subject, in time of peace, to such general exceptions as the Secretary of the Air Force may authorize.

However, no change in the branch, organization, or allotment of a unit located entirely within a State may be made without the approval of its governor.

(d) To maintain appropriate organization and to assist in training and instruction, the President may assign the National Guard to divisions, wings, and other tactical units, and may detail commissioned officers of the National Guard or of the Regular Army or the Regular Air Force, as the case may be, to command those units. However, the commanding officer of a unit organized wholly within a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands may not be displaced under this subsection.

(e) To insure prompt mobilization of the National Guard in time of war or other emergency, the President may, in time of peace, detail a commissioned officer of the Regular Army to perform the duties of chief of staff for each fully organized division of the Army National Guard, and a commissioned officer of the Regular Air Force to perform the duties of the corresponding position for each fully organized wing of the Air National Guard.

The appropriation shall be reimbursed in full, out of appropriations available for paying those costs, for the amounts paid. Appropriations available for paying those costs shall be available for making the reimbursements.

(C) To ensure that the use of units and personnel of the National Guard of a State pursuant to

a State drug interdiction and counter-drug activities plan does not degrade the training and readiness of such units and personnel, the following requirements shall apply in determining the drug interdiction and counter-drug activities that units and personnel of the National Guard of a State may perform:

(i) The performance of the activities may not adversely affect the quality of that training or otherwise interfere with the ability of a member or unit of the National Guard to perform the military functions of the member or unit.

(ii) National Guard personnel will not degrade their military skills as a result of performing the activities.

(iii) The performance of the activities will not result in a significant increase in the cost of training.

(iv) In the case of drug interdiction and counter-drug activities performed by a unit organized to serve as a unit, the activities will support valid unit training requirements.

(3) A unit or member of the National Guard of a State may be used, pursuant to a State drug interdiction and counter-drug activities plan approved by the Secretary of Defense under this section, to provide services or other assistance (other than air transportation) to an organization eligible to receive services under section 508 of this title if—

(2) certify that those operations are to be conducted at a time when the personnel involved are not in Federal service;

(3) certify that participation by National Guard personnel in those operations is service in addition to training required under section 502 of this title;

(4) certify that any engineer-type activities (as defined by the Secretary of Defense) under the plan will be performed only by units and members of the National Guard;

(5) include a certification by the Attorney General of the State (or, in the case of a State with no position of Attorney General, a civilian official of the State equivalent to a State attorney general) that the use of the National Guard of the State for the activities proposed under the plan is authorized by, and is consistent with, State law; and

(6) certify that the Governor of the State or a civilian law enforcement official of the State designated by the Governor has determined

that any activities included in the plan that are carried out in conjunction with Federal law enforcement agencies serve a State law enforcement purpose.

(d) EXAMINATION OF PLAN.—(1) Before funds are provided to the Governor of a State under this section and before members of the National Guard of that State are ordered to full-time National Guard duty as authorized in subsection (b), the Secretary of Defense shall examine the adequacy of the plan submitted by the Governor under subsection (c). The plan as approved by the Secretary may provide for the use of personnel and equipment of the National Guard of that State to assist the Immigration and Naturalization Service in the transportation of aliens who have violated a Federal or State law prohibiting or regulating the possession, use, or distribution of a controlled substance.

(2) Except as provided in paragraph (3), the Secretary shall carry out paragraph (1) in consultation with the Director of National Drug Control Policy.

(A) the Governor of a State submits a plan under subsection (c) that is substantially the same as a plan submitted for that State for a previous fiscal year; and

(B) pursuant to the plan submitted for a previous fiscal year, funds were provided to the State in accordance with subsection (a) or personnel of the National Guard of the State were ordered to perform full-time National Guard duty in accordance with subsection (b).

1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
323(a)	32:154 (last 26 words of last par.)	June 3, 1916, ch. 134, §76 (1st sentence, and 1st 24 words of 2d sentence); restated June 15, 1933, ch. 87, §13 (1st sentence, and 1st 24 words of 2d sentence), 48 Stat. 158.
323(b)	32:115 (1st sentence, and 1st 24 words of 2d sentence).	June 3, 1916, ch. 134, §110 (last 25 words of last par.); restated Sept. 22, 1922, ch. 423, §6 (last 137 words of last par.); restated May 12, 1928, ch. 529 (last 25 words), 45 Stat. 501.
323(c)	50:1116 (last 15 words of 1st sentence).	July 9, 1952, ch. 608, §706 (last 15 words of 1st sentence), 66 Stat. 503.

In subsection (a) the words “ceases to have the qualifications prescribed under section 300 of this title” are substituted for 32:154 (last 26 words of last par.), since it is implicit that a member who could not be paid would lose his federally recognized status (see JAGA 1953/9033, 3 Dec. 1953). The last 23 words of subsection (a) are inserted as a necessary implication of the rule stated in section 309(c) of this title.

In subsection (b), the words “or warrant officer” are omitted, since section 101(9) of this title defines “officer” to include warrant officers. The word “detailed” is substituted for the word “appointed”, since the filling of the positions involved is not appointment to an office in the constitutional sense. The word “commissioned” is inserted after the words “composed of”, since the word “officer” alone, in 32:115, referred to a commissioned officer only (see opinion of the Judge Advocate General of the Army (JAGA 1953/4078, 6 May 1953)). The words “who outrank him” are substituted for the words “senior in rank to the officer under investigation”.

In subsection (c), the opening clause is substituted for the words “such transfer”. The words “his Federal recognition is withdrawn” are substituted for the words “shall terminate his federally recognized National Guard or Air National Guard status”.

"(2) If the technician is receiving a rate of basic compensation which is equal to a rate of the appropriate grade of the General Schedule, or which is equal to a rate of the appropriate grade or compensation level under the appropriate prevailing rate schedule, as applicable, in which his position is placed, he shall receive basic compensation at that

“(e) An increase in rate of basic compensation by reason of the enactment of subsection (a) of this section shall not be considered to be an equivalent increase with respect to step increases for technicians whose positions are converted to the General Schedule set forth in section 5332 of title 5, United States Code, or the appropriate prevailing rate schedule under authority of this section.”

§ 710. Accountability for property issued to the National Guard

(a) All military property issued by the United States to the National Guard remains the property of the United States.

(b) The Secretary of the Army shall prescribe regulations for accounting for property issued by the United States to the Army National Guard and for the fixing of responsibility for that property. The Secretary of the Air Force shall prescribe regulations for accounting for property issued by the United States to the Air National Guard and for the fixing of responsibility for that property. So far as practicable, regulations prescribed under this section shall be uniform among the components of each service.

(c) Under regulations prescribed by the Secretary concerned under subsection (b), liability for the value of property issued by the United States to the National Guard that is lost, dam-

aged, or destroyed may be charged (1) to a member of the Army National Guard or the Air National Guard when in similar circumstances a member of the Army or Air Force serving on active duty would be so charged, or (2) to a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands when the property is lost, damaged, or destroyed incident to duty directed pursuant to the laws of, and in support of the authorities of, such jurisdiction. Liability charged to a member of the Army National Guard or the Air National Guard shall be paid out of pay due to the member for duties performed as a member of the National Guard, unless the Secretary concerned shall for good cause remit or cancel that liability. Liability charged to a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands shall be paid from its funds or from any other non-Federal funds.

(d) If property surveyed under this section is found to be unserviceable or unsuitable, the Secretary concerned or his designated representative shall direct its disposition by sale or otherwise. The proceeds of the following under this subsection shall be deposited in the Treasury under section 4(b)(22) of the Permanent Appropriation Repeal Act, 1934:

(1) A sale.

(2) A stoppage against a member of the National Guard.

(3) A collection from a person, or from a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, to reimburse the United States for the loss or destruction of, or damage to, the property.

(e) If a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, whichever is concerned, neglects or refuses to pay for the loss or destruction of, or damage to, property charged against it under subsection (c), the Secretary concerned may bar it from receiving any part of appropriations for the Army National Guard or the Air National Guard, as the case may be, until the payment is made.

(f)(1) Instead of the procedure prescribed by subsections (b), (c), and (d), property issued to the National Guard that becomes unserviceable through fair wear and tear in service may, under regulations to be prescribed by the Secretary concerned, be sold or otherwise disposed of after an inspection, and a finding of unserviceability because of that wear and tear, by a commissioned officer designated by the Secretary. The State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, whichever is concerned, is relieved of accountability for that property.

(2) In designating an officer to conduct inspections and make findings for purposes of paragraph (1), the Secretary concerned shall designate—

(A) in the case of the Army National Guard, a commissioned officer of the Regular Army or a commissioned officer of the Army National Guard who is also a commissioned officer of the Army National Guard of the United States; and

(B) in the case of the Air National Guard, a commissioned officer of the Regular Air Force

or a commissioned officer of the Air National Guard who is also a commissioned officer of the Air National Guard of the United States.

714(d)	37:363 (last sentence).	

In subsection (a), the definition of the term “Department”, in 37:361, is omitted as unnecessary, since the particular departments referred to are spelled out in the revised text. The definition of the term “uniformed services”, in 37:361, is omitted as covered by the word “member” in this revised section. Clauses (1)–(6) are substituted for the last 5 clauses of 37:362. § 715. Property loss; personal injury or death: activities under certain sections of this title

(a) Under such regulations as the Secretary of the Army or Secretary of the Air Force may prescribe, he or, subject to appeal to him, the Judge Advocate General of the armed force under his jurisdiction, if designated by him, may settle and pay in an amount not more than \$100,000 a claim against the United States for—

(1) damage to, or loss of, real property, including damage or loss incident to use and occupancy;

(2) damage to, or loss of, personal property, including property bailed to the United States or the National Guard and including registered or insured mail damaged, lost, or destroyed by a criminal act while in the possession of the National Guard; or

(3) personal injury or death; either caused by a member of the Army National Guard or the

Air National Guard, as the case may be, while engaged in training or duty under section 316, 502, 503, 504, or 505 of this title or any other provision of law for which he is entitled to pay under section 206 of title 37, or for which he has waived that pay, and acting within the scope of his employment; or otherwise incident to noncombat activities of the Army National Guard or the Air National Guard, as the case may be, under one of those sections.

(b) A claim may be allowed under subsection (a) only if—

(1) it is presented in writing within two years after it accrues, except that if the claim accrues in time of war or armed conflict or if such a war or armed conflict intervenes within two years after it accrues, and if good cause is shown, the claim may be presented not later than two years after the war or armed conflict is terminated;

(2) it is not covered by section 2734 of title 10 or section 2672 of title 28;

(3) it is not for personal injury or death of such a member or a person employed under section 709 of this title, whose injury or death is incident to his service;

(4) the damage to, or loss of, property, or the personal injury or death, was not caused wholly or partly by a negligent or wrongful act of the claimant, his agent, or his employee, or, if so caused, allowed only to the extent that the law of the place where the act or omission complained of occurred would permit recovery from a private individual under like circumstances; and

(5) it is substantiated as prescribed in regulations of the Secretary concerned.

For the purposes of clause (1), the dates of the beginning and end of an armed conflict are the dates established by concurrent resolution of Congress or by a determination of the President.

(c) Payment may not be made under this section for reimbursement for medical, hospital, or burial services furnished at the expense of the United States or of any State or the District of Columbia or Puerto Rico.

(d) If the Secretary concerned considers that a claim in excess of \$100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant \$100,000 and report any meritorious amount in excess of \$100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(e) Except as provided in subsection (d), no claim may be paid under this section unless the amount tendered is accepted by the claimant in full satisfaction.

A decision of the officer or employee who makes a final settlement decision under this section may be appealed by the claimant to the Secretary concerned or an officer or employee designated by the Secretary for that purpose.

(g) Notwithstanding any other provision of law, the settlement of a claim under this section is final and conclusive.

(h) In this section, “settle” means consider, ascertain, adjust, determine, and dispose of a claim, whether by full or partial allowance or disallowance.
