(2) No person acting under color of law shall—

(A) in determining whether any individual is qualified under State law or laws to vote in any election, apply any standard, practice, or procedure different from the standards, practices, or procedures applied under such law or laws to other individuals within the same county, parish, or similar political subdivision who have been found by State officials to be qualified to vote;

(B) deny the right of any individual to vote in any election because of an error or omission on any record or paper relating to any application, registration, or other act requisite to voting, if such error or omission is not material in determining whether such individual is qualified under State law to vote in such election; or

(C) employ any literacy test as a qualification for voting in any election unless (i) such test is administered to each individual and is conducted wholly in writing, and (ii) a certified copy of the test and of the answers given by the individual is furnished to him within twenty-five days of the submission of his request made within the period of time during which records and papers are required to be retained and preserved pursuant to title III of the Civil Rights Act of 1960 [52 U.S.C. 20701 et seq.]: *Provided, however*, That the Attorney General may enter into agreements with appropriate State or local authorities that preparation, conduct, and maintenance of such tests in accordance with the provisions of applicable State or local law, including such special provisions as are necessary in the preparation, conduct, and maintenance of such tests for persons who are blind or otherwise physically handicapped, meet the purposes of this subparagraph and constitute compliance therewith.

(3) For purposes of this subsection—

(A) the term “vote” shall have the same meaning as in subsection (e) of this section;

(B) the phrase “literacy test” includes any test of the ability to read, write, understand, or interpret any matter.

(b) Intimidation, threats, or coercion

No person, whether acting under color of law or otherwise, shall intimidate, threaten, coerce, or attempt to intimidate, threaten, or coerce

any other person for the purpose of interfering with the right of such other person to vote or to vote as he may choose, or of causing such other person to vote for, or not to vote for, any candidate for the office of President, Vice President, presidential elector, Member of the Senate, or Member of the House of Representatives, Delegates or Commissioners from the Territories or possessions, at any general, special, or primary election held solely or in part for the purpose of selecting or electing any such candidate.

(c) Preventive relief; injunction; rebuttable literacy presumption; liability of United States for costs; State as party defendant

Whenever any person has engaged or there are reasonable grounds to believe that any person is about to engage in any act or practice which would deprive any other person of any right or privilege secured by subsection (a) or (b), the Attorney General may institute for the United States, or in the name of the United States, a civil action or other proper proceeding for preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order. If in any such proceeding literacy is a relevant fact there shall be a rebuttable presumption that any person who has not been adjudged an incompetent and who has completed the sixth grade in a public school in, or a private school accredited by, any State or territory, the District of Columbia, or the Commonwealth of Puerto Rico where instruction is carried on predominantly in the English language, possesses sufficient literacy, comprehension, and intelligence to vote in any election. In any proceeding hereunder the United States shall be liable for costs the same as a private person. Whenever, in a proceeding instituted under this subsection any official of a State or subdivision thereof is alleged to have committed any act or practice constituting a deprivation of any right or privilege secured by subsection (a), the act or practice shall also be deemed that of the State and the State may be joined as a party defendant and, if, prior to the institution of such proceeding, such official has resigned or has been relieved of his office and no successor has assumed such office, the proceeding may be instituted against the State.

(d) Jurisdiction; exhaustion of other remedies

The district courts of the United States shall have jurisdiction of proceedings instituted pursuant to this section and shall exercise the same without regard to whether the party aggrieved shall have exhausted any administrative or other remedies that may be provided by law.

(e) Order qualifying person to vote; application; hearing; voting referees; transmittal of report and order; certificate of qualification; definitions

In any proceeding instituted pursuant to subsection (c) in the event the court finds that any person has been deprived on account of race or color of any right or privilege secured by subsection (a), the court shall upon request of the Attorney General and after each party has been given notice and the opportunity to be heard make a finding whether such deprivation was or

is pursuant to a pattern or practice. If the court finds such pattern or practice, any person of such race or color resident within the affected area shall, for one year and thereafter until the court subsequently finds that such pattern or practice has ceased, be entitled, upon his application therefor, to an order declaring him qualified to vote, upon proof that at any election or elections (1) he is qualified under State law to vote, and (2) he has since such finding by the court been (a) deprived of or denied under color of law the opportunity to register to vote or otherwise to qualify to vote, or (b) found not qualified to vote by any person acting under color of law. Such order shall be effective as to any election held within the longest period for which such applicant could have been registered or otherwise qualified under State law at which the applicant's qualifications would under State law entitle him to vote.

Notwithstanding any inconsistent provision of State law or the action of any State officer or court, an applicant so declared qualified to vote shall be permitted to vote in any such election. The Attorney General shall cause to be transmitted certified copies of such order to the appropriate election officers. The refusal by any such officer with notice of such order to permit any person so declared qualified to vote to vote at an appropriate election shall constitute contempt of court.

An application for an order pursuant to this subsection shall be heard within ten days, and the execution of any order disposing of such application shall not be stayed if the effect of such stay would be to delay the effectiveness of the order beyond the date of any election at which the applicant would otherwise be enabled to vote.

The court may appoint one or more persons who are qualified voters in the judicial district, to be known as voting referees, who shall subscribe to the oath of office required by section 3331 of title 5, to serve for such period as the court shall determine, to receive such applications and to take evidence and report to the court findings as to whether or not at any election or elections (1) any such applicant is qualified under State law to vote, and (2) he has since the finding by the court heretofore specified been (a) deprived of or denied under color of law the opportunity to register to vote or otherwise to qualify to vote, or (b) found not qualified to vote by any person acting under color of law. In a proceeding before a voting referee, the applicant shall be heard ex parte at such times and places as the court shall direct. His statement under oath shall be prima facie evidence as to his age, residence, and his prior efforts to register or otherwise qualify to vote. Where proof of literacy or an understanding of other subjects is required by valid provisions of State law, the answer of the applicant, if written, shall be included in such report to the court; if oral, it shall be taken down stenographically and a transcription included in such report to the court.

Upon receipt of such report, the court shall cause the Attorney General to transmit a copy thereof to the State attorney general and to each party to such proceeding together with an

order to show cause within ten days, or such shorter time as the court may fix, why an order of the court should not be entered in accordance with such report. Upon the expiration of such period, such order shall be entered unless prior to that time there has been filed with the court and served upon all parties a statement of exceptions to such report. Exceptions as to matters of fact shall be considered only if supported by a duly verified copy of a public record or by affidavit of persons having personal knowledge of such facts or by statements or matters contained in such report; those relating to matters of law shall be supported by an appropriate memorandum of law. The issues of fact and law raised by such exceptions shall be determined by the court or, if the due and speedy administration of justice requires, they may be referred to the voting referee to determine in accordance with procedures prescribed by the court. A hearing as to an issue of fact shall be held only in the event that the proof in support of the exception disclose the existence of a genuine issue of material fact. The applicant's literacy and understanding of other subjects shall be determined solely on the basis of answers included in the report of the voting referee.

The court, or at its direction the voting referee, shall issue to each applicant so declared qualified a certificate identifying the holder thereof as a person so qualified.

Any voting referee appointed by the court pursuant to this subsection shall to the extent not inconsistent herewith have all the powers conferred upon a master by rule 53(c) of the Federal Rules of Civil Procedure. The compensation to be allowed to any persons appointed by the court pursuant to this subsection shall be fixed by the court and shall be payable by the United States.

Applications pursuant to this subsection shall be determined expeditiously. In the case of any application filed twenty or more days prior to an election which is undetermined by the time of such election, the court shall issue an order authorizing the applicant to vote provisionally: *Provided, however,* That such applicant shall be qualified to vote under State law. In the case of an application filed within twenty days prior to an election, the court, in its discretion, may make such an order. In either case the order shall make appropriate provision for the impounding of the applicant's ballot pending determination of the application. The court may take any other action, and may authorize such referee or such other person as it may designate to take any other action, appropriate or necessary to carry out the provisions of this subsection and to enforce its decrees. This subsection shall in no way be construed as a limitation upon the existing powers of the court.

When used in the subsection, the word "vote" includes all action necessary to make a vote effective including, but not limited to, registration or other action required by State law prerequisite to voting, casting a ballot, and having such ballot counted and included in the appropriate totals of votes cast with respect to candidates for public office and propositions for which votes are received in an election; the words "affected area" shall mean any subdivi-

sion of the State in which the laws of the State relating to voting are or have been to any extent administered by a person found in the proceeding to have violated subsection (a); and the words "qualified under State law" shall mean qualified according to the laws, customs, or usages of the State, and shall not, in any event, imply qualifications more stringent than those used by the persons found in the proceeding to have violated subsection (a) in qualifying persons other than those of the race or color against which the pattern or practice of discrimination was found to exist.

(f) Contempt; assignment of counsel; witnesses

Any person cited for an alleged contempt under this Act shall be allowed to make his full defense by counsel learned in the law; and the court before which he is cited or tried, or some judge thereof, shall immediately, upon his request, assign to him such counsel, not exceeding two, as he may desire, who shall have free access to him at all reasonable hours. He shall be allowed, in his defense to make any proof that he can produce by lawful witnesses, and shall have the like process of the court to compel his witnesses to appear at his trial or hearing, as is usually granted to compel witnesses to appear on behalf of the prosecution. If such person shall be found by the court to be financially unable to provide for such counsel, it shall be the duty of the court to provide such counsel.

(g) Three-judge district court: hearing, determination, expedition of action, review by Supreme Court; single-judge district court: hearing, determination, expedition of action

In any proceeding instituted by the United States in any district court of the United States under this section in which the Attorney General requests a finding of a pattern or practice of discrimination pursuant to subsection (e) of this section the Attorney General, at the time he files the complaint, or any defendant in the proceeding, within twenty days after service upon him of the complaint, may file with the clerk of such court a request that a court of three judges be convened to hear and determine the entire case. A copy of the request for a three-judge court shall be immediately furnished by such clerk to the chief judge of the circuit (or in his absence, the presiding circuit judge of the circuit) in which the case is pending. Upon receipt of the copy of such request it shall be the duty of the chief judge of the circuit or the presiding circuit judge, as the case may be, to designate immediately three judges in such circuit, of whom at least one shall be a circuit judge and another of whom shall be a district judge of the court in which the proceeding was instituted, to hear and determine such case, and it shall be the duty of the judges so designated to assign the case for hearing at the earliest practicable date, to participate in the hearing and determination thereof, and to cause the case to be in every way expedited. An appeal from the final judgment of such court will lie to the Supreme Court.

In any proceeding brought under subsection (c) of this section to enforce subsection (b) of this section, or in the event neither the Attorney General nor any defendant files a request for a three-judge court in any proceeding au-

thorized by this subsection, it shall be the duty of the chief judge of the district (or in his absence, the acting chief judge) in which the case is pending immediately to designate a judge in such district to hear and determine the case. In the event that no judge in the district is available to hear and determine the case, the chief judge of the district, or the acting chief judge, as the case may be, shall certify this fact to the chief judge of the circuit (or, in his absence, the acting chief judge) who shall then designate a district or circuit judge of the circuit to hear and determine the case.

It shall be the duty of the judge designated pursuant to this section to assign the case for hearing at the earliest practicable date and to cause the case to be in every way expedited.

CHAPTER 103—ENFORCEMENT OF VOTING RIGHTS

Sec.

10302.	Proceeding to enforce the right to vote.
10303.	Suspension of the use of tests or devices in determining eligibility to vote.
10304.	Alteration of voting qualifications; procedure and appeal; purpose or effect of diminishing the ability of citizens to elect their preferred candidates.

10308.	Civil and criminal sanctions.

10313.	Separability.
10314.	Construction.

§ 10301. Denial or abridgement of right to vote on account of race or color through voting qualifications or prerequisites; establishment of violation

(a) No voting qualification or prerequisite to voting or standard, practice, or procedure shall be imposed or applied by any State or political subdivision in a manner which results in a denial or abridgement of the right of any citizen of the United States to vote on account of race or color, or in contravention of the guarantees set forth in section 10303(f)(2) of this title, as provided in subsection (b).

(b) A violation of subsection (a) is established if, based on the totality of circumstances, it is shown that the political processes leading to nomination or election in the State or political subdivision are not equally open to participation by members of a class of citizens protected by subsection (a) in that its members have less opportunity than other members of the electorate to participate in the political process and to elect representatives of their choice. The extent to which members of a protected class have been elected to office in the State or political subdivision is one circumstance which may be considered: *Provided*, That nothing in this section establishes a right to have members of a protected class elected in numbers equal to their proportion in the population.

(a), struck out the comma after “voting”, substituted “in a manner which results in a denial or abridgement of” for “to deny or abridge”, inserted “, as provided in subsection (b)” after “in contravention of the guarantees set forth in section 1973b(f)(2) of this title”, and added subsec. CONGRESSIONAL PURPOSE AND FINDINGS

Pub. L. 109-246, § 2, July 27, 2006, 120 Stat. 577, provided that:

“(a) PURPOSE.—The purpose of this Act [see Tables for classification] is to ensure that the right of all citizens to vote, including the right to register to vote and cast meaningful votes, is preserved and protected as guaranteed by the Constitution.

“(b) FINDINGS.—The Congress finds the following:

“(1) Significant progress has been made in eliminating first generation barriers experienced by minority voters, including increased numbers of registered minority voters, minority voter turnout, and minority representation in Congress, State legislatures, and local elected offices. This progress is the direct result of the Voting Rights Act of 1965 [this chapter and chapters 105 and 107 of this title].

“(2) However, vestiges of discrimination in voting continue to exist as demonstrated by second generation barriers constructed to prevent minority voters from fully participating in the electoral process.

“(3) The continued evidence of racially polarized voting in each of the jurisdictions covered by the expiring provisions of the Voting Rights Act of 1965 demonstrates that racial and language minorities remain politically vulnerable, warranting the continued protection of the Voting Rights Act of 1965.

“(4) Evidence of continued discrimination includes—

“(A) the hundreds of objections interposed, requests for more information submitted followed by voting changes withdrawn from consideration by jurisdictions covered by the Voting Rights Act of 1965, and section 5 [52 U.S.C. 10304] enforcement actions undertaken by the Department of Justice in covered jurisdictions since 1982 that prevented election practices, such as annexation, at-large voting, and the use of multi-member districts, from being enacted to dilute minority voting strength;

“(B) the number of requests for declaratory judgments denied by the United States District Court for the District of Columbia;

“(C) the continued filing of section 2 [52 U.S.C. 10301] cases that originated in covered jurisdictions; and

“(D) the litigation pursued by the Department of Justice since 1982 to enforce sections 4(e), 4(f)(4), and 203 of such Act [52 U.S.C. 10303(e), (f)(4), 10503] to ensure that all language minority citizens have full access to the political process.

“(5) The evidence clearly shows the continued need for Federal oversight in jurisdictions covered by the

Voting Rights Act of 1965 since 1982, as demonstrated in the counties certified by the Attorney General for Federal examiner and observer coverage and the tens of thousands of Federal observers that have been dispatched to observe elections in covered jurisdictions.

“(6) The effectiveness of the Voting Rights Act of 1965 has been significantly weakened by the United States Supreme Court decisions in *Reno v. Bossier Parish II* and *Georgia v. Ashcroft*, which have misconstrued Congress’ original intent in enacting the Voting Rights Act of 1965 and narrowed the protections afforded by section 5 of such Act [52 U.S.C. 10304].

“(7) Despite the progress made by minorities under the Voting Rights Act of 1965, the evidence before Congress reveals that 40 years has not been a sufficient amount of time to eliminate the vestiges of discrimination following nearly 100 years of disregard for the dictates of the 15th amendment and to ensure that the right of all citizens to vote is protected as guaranteed by the Constitution.

“(8) Present day discrimination experienced by racial and language minority voters is contained in evidence, including the objections interposed by the Department of Justice in covered jurisdictions; the section 2 [52 U.S.C. 10301] litigation filed to prevent dilutive techniques from adversely affecting minority voters; the enforcement actions filed to protect language minorities; and the tens of thousands of Federal observers dispatched to monitor polls in jurisdictions covered by the Voting Rights Act of 1965.

“(9) The record compiled by Congress demonstrates that, without the continuation of the Voting Rights Act of 1965 protections, racial and language minority citizens will be deprived of the opportunity to exercise their right to vote, or will have their votes diluted, undermining the significant gains made by minorities in the last 40 years.”

SEPARABILITY

Pub. L. 94-73, title II, § 208, Aug. 6, 1975, 89 Stat. 402, provided that: “If any amendments made by this Act [see Tables for classification] or the application of any provision thereof to any person or circumstance is judicially determined to be invalid, the remainder of the Voting Rights Act of 1965 [this chapter and chapters 105 and 107 of this title], or the application of such provision to other persons or circumstances shall not be affected by such determination.”

§ 10302. Proceeding to enforce the right to vote

(a) Authorization by court for appointment of Federal observers

Whenever the Attorney General or an aggrieved person institutes a proceeding under any statute to enforce the voting guarantees of the fourteenth or fifteenth amendment in any State or political subdivision the court shall authorize the appointment of Federal observers by the Director of the Office of Personnel Management in accordance with section 1973d¹ of title 42 to serve for such period of time and for such political subdivisions as the court shall determine is appropriate to enforce the voting guarantees of the fourteenth or fifteenth amendment (1) as part of any interlocutory order if the court determines that the appointment of such observers is necessary to enforce such voting guarantees or (2) as part of any final judgment if the court finds that violations of the fourteenth or fifteenth amendment justifying equitable relief have occurred in such State or subdivision: *Provided*, That the court need not authorize the ap-

pointment of observers if any incidents of denial or abridgement of the right to vote on account of race or color, or in contravention of the voting guarantees set forth in section 10303(f)(2) of this title (1) have been few in number and have been promptly and effectively corrected by State or local action, (2) the continuing effect of such incidents has been eliminated, and (3) there is no reasonable probability of their recurrence in the future.

(b) Suspension of use of tests and devices which deny or abridge the right to vote

If in a proceeding instituted by the Attorney General or an aggrieved person under any statute to enforce the voting guarantees of the fourteenth or fifteenth amendment in any State or political subdivision the court finds that a test or device has been used for the purpose or with the effect of denying or abridging the right of any citizen of the United States to vote on account of race or color, or in contravention of the voting guarantees set forth in section 10303(f)(2) of this title, it shall suspend the use of tests and devices in such State or political subdivisions as the court shall determine is appropriate and for such period as it deems necessary.

(c) Retention of jurisdiction to prevent commencement of new devices to deny or abridge the right to vote

If in any proceeding instituted by the Attorney General or an aggrieved person under any statute to enforce the voting guarantees of the fourteenth or fifteenth amendment in any State or political subdivision the court finds that violations of the fourteenth or fifteenth amendment justifying equitable relief have occurred within the territory of such State or political subdivision, the court, in addition to such relief as it may grant, shall retain jurisdiction for such period as it may deem appropriate and during such period no voting qualification or prerequisite to voting or standard, practice, or procedure with respect to voting different from that in force or effect at the time the proceeding was commenced shall be enforced unless and until the court finds that such qualification, prerequisite, standard, practice, or procedure does not have the purpose and will not have the effect of denying or abridging the right to vote on account of race or color, or in contravention of the voting guarantees set forth in section 10303(f)(2) of this title: *Provided*, That such qualification, prerequisite, standard, practice, or procedure may be enforced if the qualification, prerequisite, standard, practice, or procedure has been submitted by the chief legal officer or other appropriate official of such State or subdivision to the Attorney General and the Attorney General has not interposed an objection within sixty days after such submission, except that neither the court's finding nor the Attorney General's failure to object shall bar a subsequent action to enjoin enforcement of such qualification, prerequisite, standard, practice, or procedure.

§ 10303. Suspension of the use of tests or devices in determining eligibility to vote

(a) Action by State or political subdivision for declaratory judgment of no denial or abridgement; three-judge district court; appeal to Supreme Court; retention of jurisdiction by three-judge court

(1) To assure that the right of citizens of the United States to vote is not denied or abridged on account of race or color, no citizen shall be denied the right to vote in any Federal, State, or local election because of his failure to comply with any test or device in any State with re-

spect to which the determinations have been made under the first two sentences of subsection (b) or in any political subdivision of such State (as such subdivision existed on the date such determinations were made with respect to such State), though such determinations were not made with respect to such subdivision as a separate unit, or in any political subdivision with respect to which such determinations have been made as a separate unit, unless the United States District Court for the District of Columbia issues a declaratory judgment under this section. No citizen shall be denied the right to vote in any Federal, State, or local election because of his failure to comply with any test or device in any State with respect to which the determinations have been made under the third sentence of subsection (b) of this section or in any political subdivision of such State (as such subdivision existed on the date such determinations were made with respect to such State), though such determinations were not made with respect to such subdivision as a separate unit, or in any political subdivision with respect to which such determinations have been made as a separate unit, unless the United States District Court for the District of Columbia issues a declaratory judgment under this section. A declaratory judgment under this section shall issue only if such court determines that during the ten years preceding the filing of the action, and during the pendency of such action—

(A) no such test or device has been used within such State or political subdivision for the purpose or with the effect of denying or abridging the right to vote on account of race or color or (in the case of a State or subdivision seeking a declaratory judgment under the second sentence of this subsection) in contravention of the guarantees of subsection (f)(2);

(B) no final judgment of any court of the United States, other than the denial of declaratory judgment under this section, has determined that denials or abridgements of the right to vote on account of race or color have occurred anywhere in the territory of such State or political subdivision or (in the case of a State or subdivision seeking a declaratory judgment under the second sentence of this subsection) that denials or abridgements of the right to vote in contravention of the guarantees of subsection (f)(2) have occurred anywhere in the territory of such State or subdivision and no consent decree, settlement, or agreement has been entered into resulting in any abandonment of a voting practice challenged on such grounds; and no declaratory judgment under this section shall be entered during the pendency of an action commenced before the filing of an action under this section and alleging such denials or abridgements of the right to vote;

(C) no Federal examiners or observers under chapters 103 to 107 of this title have been assigned to such State or political subdivision;

(D) such State or political subdivision and all governmental units within its territory have complied with section 10304 of this title, including compliance with the requirement that no change covered by section 10304 of this

title has been enforced without preclearance under section 10304 of this title, and have repealed all changes covered by section 10304 of this title to which the Attorney General has successfully objected or as to which the United States District Court for the District of Columbia has denied a declaratory judgment;

(E) the Attorney General has not interposed any objection (that has not been overturned by a final judgment of a court) and no declaratory judgment has been denied under section 10304 of this title, with respect to any submission by or on behalf of the plaintiff or any governmental unit within its territory under section 10304 of this title, and no such submissions or declaratory judgment actions are pending; and

(F) such State or political subdivision and all governmental units within its territory—

(i) have eliminated voting procedures and methods of election which inhibit or dilute equal access to the electoral process;

(ii) have engaged in constructive efforts to eliminate intimidation and harassment of persons exercising rights protected under chapters 103 to 107 of this title; and

(iii) have engaged in other constructive efforts, such as expanded opportunity for convenient registration and voting for every person of voting age and the appointment of minority persons as election officials throughout the jurisdiction and at all stages of the election and registration process.

(2) To assist the court in determining whether to issue a declaratory judgment under this subsection, the plaintiff shall present evidence of minority participation, including evidence of the levels of minority group registration and voting, changes in such levels over time, and disparities between minority-group and non-minority-group participation.

(3) No declaratory judgment shall issue under this subsection with respect to such State or political subdivision if such plaintiff and governmental units within its territory have, during the period beginning ten years before the date the judgment is issued, engaged in violations of any provision of the Constitution or laws of the United States or any State or political subdivision with respect to discrimination in voting on account of race or color or (in the case of a State or subdivision seeking a declaratory judgment under the second sentence of this subsection) in contravention of the guarantees of subsection (f)(2) unless the plaintiff establishes that any such violations were trivial, were promptly corrected, and were not repeated.

(4) The State or political subdivision bringing such action shall publicize the intended commencement and any proposed settlement of such action in the media serving such State or political subdivision and in appropriate United States post offices. Any aggrieved party may as of right intervene at any stage in such action.

(5) An action pursuant to this subsection shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28 and any appeal shall lie to the Supreme Court. The court shall retain jurisdiction of any action pursuant to this subsection

for ten years after judgment and shall reopen the action upon motion of the Attorney General or any aggrieved person alleging that conduct has occurred which, had that conduct occurred during the ten-year periods referred to in this subsection, would have precluded the issuance of a declaratory judgment under this subsection. The court, upon such reopening, shall vacate the declaratory judgment issued under this section if, after the issuance of such declaratory judgment, a final judgment against the State or subdivision with respect to which such declaratory judgment was issued, or against any governmental unit within that State or subdivision, determines that denials or abridgements of the right to vote on account of race or color have occurred anywhere in the territory of such State or political subdivision or (in the case of a State or subdivision which sought a declaratory judgment under the second sentence of this subsection) that denials or abridgements of the right to vote in contravention of the guarantees of subsection (f)(2) have occurred anywhere in the territory of such State or subdivision, or if, after the issuance of such declaratory judgment, a consent decree, settlement, or agreement has been entered into resulting in any abandonment of a voting practice challenged on such grounds.

(6) If, after two years from the date of the filing of a declaratory judgment under this subsection, no date has been set for a hearing in such action, and that delay has not been the result of an avoidable delay on the part of counsel for any party, the chief judge of the United States District Court for the District of Columbia may request the Judicial Council for the Circuit of the District of Columbia to provide the necessary judicial resources to expedite any action filed under this section. If such resources are unavailable within the circuit, the chief judge shall file a certificate of necessity in accordance with section 292(d) of title 28.

(7) The Congress shall reconsider the provisions of this section at the end of the fifteen-year period following the effective date of the amendments made by the Fannie Lou Hamer, Rosa Parks, Coretta Scott King, César E. Chávez, Barbara C. Jordan, William C. Velásquez, and Dr. Hector P. Garcia Voting Rights Act Reauthorization and Amendments Act of 2006.

(8) The provisions of this section shall expire at the end of the twenty-five-year period following the effective date of the amendments made by the Fannie Lou Hamer, Rosa Parks, Coretta Scott King, César E. Chávez, Barbara C. Jordan, William C. Velásquez, and Dr. Hector P. Garcia Voting Rights Act Reauthorization and Amendments Act of 2006.

(9) Nothing in this section shall prohibit the Attorney General from consenting to an entry of judgment if based upon a showing of objective and compelling evidence by the plaintiff, and upon investigation, he is satisfied that the State or political subdivision has complied with the requirements of subsection (a)(1). Any aggrieved party may as of right intervene at any stage in such action.

(b) Required factual determinations necessary to allow suspension of compliance with tests and devices; publication in Federal Register

The provisions of subsection (a) shall apply in any State or in any political subdivision of a State which (1) the Attorney General determines maintained on November 1, 1964, any test or device, and with respect to which (2) the Director of the Census determines that less than 50 per centum of the persons of voting age residing therein were registered on November 1, 1964, or that less than 50 per centum of such persons voted in the presidential election of November 1964. On and after August 6, 1970, in addition to any State or political subdivision of a State determined to be subject to subsection (a) pursuant to the previous sentence, the provisions of subsection (a) shall apply in any State or any political subdivision of a State which (i) the Attorney General determines maintained on November 1, 1968, any test or device, and with respect to which (ii) the Director of the Census determines that less than 50 per centum of the persons of voting age residing therein were registered on November 1, 1968, or that less than 50 per centum of such persons voted in the presidential election of November 1968. On and after August 6, 1975, in addition to any State or political subdivision of a State determined to be subject to subsection (a) pursuant to the previous two sentences, the provisions of subsection (a) shall apply in any State or any political subdivision of a State which (i) the Attorney General determines maintained on November 1, 1972, any test or device, and with respect to which (ii) the Director of the Census determines that less than 50 per centum of the citizens of voting age were registered on November 1, 1972, or that less than 50 per centum of such persons voted in the Presidential election of November 1972.

A determination or certification of the Attorney General or of the Director of the Census under this section or under section 10305 or 10309 of this title shall not be reviewable in any court and shall be effective upon publication in the Federal Register.

(c) "Test or device" defined

The phrase "test or device" shall mean any requirement that a person as a prerequisite for voting or registration for voting (1) demonstrate the ability to read, write, understand, or interpret any matter, (2) demonstrate any educational achievement or his knowledge of any particular subject, (3) possess good moral character, or (4) prove his qualifications by the voucher of registered voters or members of any other class.

(d) Required frequency, continuation and probable recurrence of incidents of denial or abridgement to constitute forbidden use of tests or devices

For purposes of this section no State or political subdivision shall be determined to have engaged in the use of tests or devices for the purpose or with the effect of denying or abridging the right to vote on account of race or color, or in contravention of the guarantees set forth in subsection (f)(2) if (1) incidents of such use have been few in number and have been promptly and

effectively corrected by State or local action, (2) the continuing effect of such incidents has been eliminated, and (3) there is no reasonable probability of their recurrence in the future.

(e) Completion of requisite grade level of education in American-flag schools in which the predominant classroom language was other than English

(1) Congress hereby declares that to secure the rights under the fourteenth amendment of persons educated in American-flag schools in which the predominant classroom language was other than English, it is necessary to prohibit the States from conditioning the right to vote of such persons on ability to read, write, understand, or interpret any matter in the English language.

(2) No person who demonstrates that he has successfully completed the sixth primary grade in a public school in, or a private school accredited by, any State or territory, the District of Columbia, or the Commonwealth of Puerto Rico in which the predominant classroom language was other than English, shall be denied the right to vote in any Federal, State, or local election because of his inability to read, write, understand, or interpret any matter in the English language, except that in States in which State law provides that a different level of education is presumptive of literacy, he shall demonstrate that he has successfully completed an equivalent level of education in a public school in, or a private school accredited by, any State or territory, the District of Columbia, or the Commonwealth of Puerto Rico in which the predominant classroom language was other than English.

(f) Congressional findings of voting discrimination against language minorities; prohibition of English-only elections; other remedial measures

(1) The Congress finds that voting discrimination against citizens of language minorities is pervasive and national in scope. Such minority citizens are from environments in which the dominant language is other than English. In addition they have been denied equal educational opportunities by State and local governments, resulting in severe disabilities and continuing illiteracy in the English language. The Congress further finds that, where State and local officials conduct elections only in English, language minority citizens are excluded from participating in the electoral process. In many areas of the country, this exclusion is aggravated by acts of physical, economic, and political intimidation. The Congress declares that, in order to enforce the guarantees of the fourteenth and fifteenth amendments to the United States Constitution, it is necessary to eliminate such discrimination by prohibiting English-only elections, and by prescribing other remedial devices.

(2) No voting qualification or prerequisite to voting, or standard, practice, or procedure shall be imposed or applied by any State or political subdivision to deny or abridge the right of any citizen of the United States to vote because he is a member of a language minority group.

(3) In addition to the meaning given the term under subsection (c), the term “test or device”

shall also mean any practice or requirement by which any State or political subdivision provided any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, only in the English language, where the Director of the Census determines that more than five per centum of the citizens of voting age residing in such State or political subdivision are members of a single language minority. With respect to subsection (b), the term “test or device”, as defined in this subsection, shall be employed only in making the determinations under the third sentence of that subsection.

(4) Whenever any State or political subdivision subject to the prohibitions of the second sentence of subsection (a) provides any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, it shall provide them in the language of the applicable language minority group as well as in the English language: *Provided*, That where the language of the applicable minority group is oral or unwritten or in the case of Alaskan Natives and American Indians, if the predominate language is historically unwritten, the State or political subdivision is only required to furnish oral instructions, assistance, or other information relating to registration and voting.

Prior to such revision, subsec. (a) consisted of 4 undesignated paragraphs reading as follows:

“To assure that the right of citizens of the United States to vote is not denied or abridged on account of race or color, no citizen shall be denied the right to vote in any Federal, State, or local election because of his failure to comply with any test or device in any State with respect to which the determinations have been made under the first two sentences of subsection (b) of this section or in any political subdivision with respect to which such determinations have been made as a separate unit, unless the United States District Court for the District of Columbia in an action for a declaratory judgment brought by such State or subdivision against the United States has determined that no such test or device has been used during the seventeen years preceding the filing of the action for the purpose or with the effect of denying or abridging the right to vote on account of race or color: *Provided*, That no such declaratory judgment shall issue with respect to any plaintiff for a period of seventeen years after the entry of a final judgment of any court of the United States, other than the denial of a declaratory judgment under this section, whether entered prior to or after August 6, 1965, determining that denials or abridgments of the right to vote on account of race or color through the use of such tests or devices have occurred any where in the territory of such plaintiff. “An action pursuant to this subsection shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28 and any appeal shall lie to the Supreme Court. The court shall retain jurisdiction of any action pursuant to this subsection for five years after judgment and shall reopen the action upon motion of the Attorney General alleging that a test or device has been used for the purpose or with the effect of denying or abridging the right to vote on account of race or color, or in contravention of the guarantees set forth in subsection (f)(2) of this section.

“If the Attorney General determines that he has no reason to believe that any such test or device has been

§ 10304. Alteration of voting qualifications; procedure and appeal; purpose or effect of diminishing the ability of citizens to elect their preferred candidates

(a) Whenever a State or political subdivision with respect to which the prohibitions set forth in section 10303(a) of this title based upon determinations made under the first sentence of section 10303(b) of this title are in effect shall enact or seek to administer any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on November 1, 1964, or whenever a State or political subdivision with respect to which the prohibitions set forth in section 10303(a) of this title based upon determinations made under the second sentence of section 10303(b) of this title are in effect shall enact or seek to administer any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on November 1, 1968, or whenever a State or political subdivision with respect to which the prohibitions set forth in section 10303(a) of this title based upon determinations made under the third sentence of section 10303(b) of this title are in effect shall enact or seek to administer any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on November 1, 1972, such State or subdivision may institute an action in the United States District Court for the District of Columbia for a declaratory judgment that such qualification, prerequisite, standard, practice, or procedure neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race or color, or in contravention of the guarantees set forth in section 10303(f)(2) of this title, and unless and until the court enters such judgment no person shall be denied the right to vote for failure to comply with such qualification, prerequisite, standard, practice, or procedure: *Provided*, That such qualification, prerequisite, standard, practice, or procedure may be enforced without such proceeding if the qualification, prerequisite, standard, practice, or procedure has been submitted by the chief legal officer or other appropriate official of such State or subdivision to the Attorney General and the Attorney General has not interposed an objection within sixty days after such submission, or upon good cause shown, to facilitate an expedited approval within sixty days after such submission, the Attorney General has affirmatively indicated that such objection will not be made. Neither an affirmative indication by the Attorney General that no objection will be made, nor the Attorney General's failure to object, nor a de-

claratory judgment entered under this section shall bar a subsequent action to enjoin enforcement of such qualification, prerequisite, standard, practice, or procedure. In the event the Attorney General affirmatively indicates that no objection will be made within the sixty-day period following receipt of a submission, the Attorney General may reserve the right to reexamine the submission if additional information comes to his attention during the remainder of the sixty-day period which would otherwise require objection in accordance with this section. Any action under this section shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28 and any appeal shall lie to the Supreme Court.

(b) Any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting that has the purpose of or will have the effect of diminishing the ability of any citizens of the United States on account of race or color, or in contravention of the guarantees set forth in section 10303(f)(2) of this title, to elect their preferred candidates of choice denies or abridges the right to vote within the meaning of subsection (a) of this section.

(c) The term "purpose" in subsections (a) and (b) of this section shall include any discriminatory purpose.

(d) The purpose of subsection (b) of this section is to protect the ability of such citizens to elect their preferred candidates of choice.

(A) the Attorney General has received written meritorious complaints from residents, elected officials, or civic participation organizations that efforts to deny or abridge the right to vote under the color of law on account of race or color, or in contravention of the guarantees set forth in section 10303(f)(2) of this title are likely to occur; or

(B) in the Attorney General’s judgment (considering, among other factors, whether the ratio of nonwhite persons to white persons registered to vote within such subdivision appears to the Attorney General to be reasonably attributable to violations of the 14th or 15th amendment or whether substantial evidence exists that bona fide efforts are being made within such subdivision to comply with the 14th or 15th amendment), the assignment of observers is otherwise necessary to enforce the guarantees of the 14th or 15th amendment;

the Director of the Office of Personnel Management shall assign as many observers for such subdivision as the Director may deem appropriate.

(b) Status

Except as provided in subsection (c), such observers shall be assigned, compensated, and separated without regard to the provisions of any statute administered by the Director of the Office of Personnel Management, and their service under chapters 103 to 107 of this title shall not be considered employment for the purposes of any statute administered by the Director of the Office of Personnel Management, except the provisions of section 7324 of title 5 prohibiting partisan political activity.

head of the appropriate department or agency, designate suitable persons in the official service of the United States, with their consent, to serve in these positions.

(d) Authority

Observers shall be authorized to—

(1) enter and attend at any place for holding an election in such subdivision for the purpose of observing whether persons who are entitled to vote are being permitted to vote; and

(2) enter and attend at any place for tabulating the votes cast at any election held in such subdivision for the purpose of observing whether votes cast by persons entitled to vote are being properly tabulated.

(e) Investigation and report

AMENDMENTS

2006—Pub. L. 109-246 amended section generally. Such persons so assigned shall report to an examiner appointed for such political subdivision, to the Attorney General, and if the appointment of examiners has been authorized pursuant to section 1973a(a) of this title, to the court.”

§ 10306. Poll taxes

(a) Congressional finding and declaration of policy against enforced payment of poll taxes as a device to impair voting rights

The Congress finds that the requirement of the payment of a poll tax as a precondition to voting (i) precludes persons of limited means from voting or imposes unreasonable financial hardship upon such persons as a precondition to their exercise of the franchise, (ii) does not bear a reasonable relationship to any legitimate State interest in the conduct of elections, and (iii) in some areas has the purpose or effect of denying persons the right to vote because of race or color. Upon the basis of these findings, Congress declares that the constitutional right of citizens to vote is denied or abridged in some

areas by the requirement of the payment of a poll tax as a precondition to voting.

(b) Authority of Attorney General to institute actions for relief against enforcement of poll tax requirement

In the exercise of the powers of Congress under section 5 of the fourteenth amendment, section 2 of the fifteenth amendment and section 2 of the twenty-fourth amendment, the Attorney General is authorized and directed to institute forthwith in the name of the United States such actions, including actions against States or political subdivisions, for declaratory judgment or injunctive relief against the enforcement of any requirement of the payment of a poll tax as a precondition to voting, or substitute therefor enacted after November 1, 1964, as will be necessary to implement the declaration of subsection (a) and the purposes of this section.

(c) Jurisdiction of three-judge district courts; appeal to Supreme Court

The district courts of the United States shall have jurisdiction of such actions which shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28 and any appeal shall lie to the Supreme Court. It shall be the duty of the judges designated to hear the case to assign the case for hearing at the earliest practicable date, to participate in the hearing and determination thereof, and to cause the case to be in every way expedited.

(3) As used in this subsection, the term "votes more than once" does not include the casting of an additional ballot if all prior ballots of that voter were invalidated, nor does it include the voting in two jurisdictions under section 10502 of this title, to the extent two ballots are not cast for an election to the same candidacy or office.

(b) As used in this section, the term “test or device” means any requirement that a person as a prerequisite for voting or registration for voting (1) demonstrate the ability to read, write, understand, or interpret any matter, (2) demonstrate any educational achievement or his knowledge of any particular subject, (3) possess good moral character, or (4) prove his qualifications by the voucher of registered voters or members of any other class.

AMENDMENTS

1975—Subsec. (a). Pub. L. 94-73 struck out “Prior to August 6, 1975,” and “as to which the provisions of section 1973b(a) of this title are not in effect by reason of determinations made under section 1973b(b) of this title”.

§ 10502. Residence requirements for voting

(a) Congressional findings

The Congress hereby finds that the imposition and application of the durational residency requirement as a precondition to voting for the offices of President and Vice President, and the lack of sufficient opportunities for absentee registration and absentee balloting in presidential elections—

(1) denies or abridges the inherent constitutional right of citizens to vote for their President and Vice President;

(2) denies or abridges the inherent constitutional right of citizens to enjoy their free movement across State lines;

(3) denies or abridges the privileges and immunities guaranteed to the citizens of each State under article IV, section 2, clause 1, of the Constitution;

(4) in some instances has the impermissible purpose or effect of denying citizens the right to vote for such officers because of the way they may vote;

(5) has the effect of denying to citizens the equality of civil rights, and due process and equal protection of the laws that are guaranteed to them under the fourteenth amendment; and

(6) does not bear a reasonable relationship to any compelling State interest in the conduct of presidential elections.

(b) Congressional declaration: durational residency requirement, abolishment; absentee registration and balloting standards, establishment

Upon the basis of these findings, Congress declares that in order to secure and protect the above-stated rights of citizens under the Constitution, to enable citizens to better obtain the enjoyment of such rights, and to enforce the guarantees of the fourteenth amendment, it is necessary (1) to completely abolish the durational residency requirement as a precondition to voting for President and Vice President, and (2) to establish nationwide, uniform standards relative to absentee registration and absentee balloting in presidential elections.

(c) Prohibition of denial of right to vote because of durational residency requirement or absentee balloting

No citizen of the United States who is otherwise qualified to vote in any election for President and Vice President shall be denied the right to vote for electors for President and Vice President, or for President and Vice President, in such election because of the failure of such citizen to comply with any durational residency requirement of such State or political subdivision; nor shall any citizen of the United States be denied the right to vote for electors for President and Vice President, or for President and Vice President, in such election because of the failure of such citizen to be physically present in such State or political subdivision at the time of such election, if such citizen shall have complied with the requirements prescribed by the law of such State or political subdivision providing for the casting of absentee ballots in such election.

(d) Registration: time for application; absentee balloting: time of application and return of ballots

For the purposes of this section, each State shall provide by law for the registration or other means of qualification of all duly qualified residents of such State who apply, not later than thirty days immediately prior to any presidential election, for registration or qualification to vote for the choice of electors for President and Vice President or for President and Vice President in such election; and each State shall

provide by law for the casting of absentee ballots for the choice of electors for President and Vice President, or for President and Vice President, by all duly qualified residents of such State who may be absent from their election district or unit in such State on the day such election is held and who have applied therefor not later than seven days immediately prior to such election and have returned such ballots to the appropriate election official of such State not later than the time of closing of the polls in such State on the day of such election.

(e) Change of residence; voting in person or by absentee ballot in State of prior residence

If any citizen of the United States who is otherwise qualified to vote in any State or political subdivision in any election for President and Vice President has begun residence in such State or political subdivision after the thirtieth day next preceding such election and, for that reason, does not satisfy the registration requirements of such State or political subdivision he shall be allowed to vote for the choice of electors for President and Vice President, or for President and Vice President, in such election, (1) in person in the State or political subdivision in which he resided immediately prior to his removal if he had satisfied, as of the date of his change of residence, the requirements to vote in that State or political subdivision, or (2) by absentee ballot in the State or political subdivision in which he resided immediately prior to his removal if he satisfies, but for his non-resident status and the reason for his absence, the requirements for absentee voting in that State or political subdivision.

(f) Absentee registration requirement

No citizen of the United States who is otherwise qualified to vote by absentee ballot in any State or political subdivision in any election for President and Vice President shall be denied the right to vote for the choice of electors for President and Vice President, or for President and Vice President, in such election because of any requirement of registration that does not include a provision for absentee registration.

(g) State or local adoption of less restrictive voting practices

Nothing in this section shall prevent any State or political subdivision from adopting less restrictive voting practices than those that are prescribed herein.

(h) "State" defined

The term "State" as used in this section includes each of the several States and the District of Columbia.

(i) False registration, and other fraudulent acts and conspiracies: application of penalty for false information in registering or voting

The provisions of section 10307(c) of this title shall apply to false registration, and other fraudulent acts and conspiracies, committed under this section.

(Pub. L. 89-110, title II, §202, as added Pub. L. 91-285, §6, June 22, 1970, 84 Stat. 316.)

CODIFICATION

Section was formerly classified to section 1973aa-1 of Title 42, The Public Health and Welfare, prior to editorial reclassification and renumbering as this section.

§ 10503. Bilingual election requirements

(a) Congressional findings and declaration of policy

The Congress finds that, through the use of various practices and procedures, citizens of language minorities have been effectively excluded from participation in the electoral process. Among other factors, the denial of the right to vote of such minority group citizens is ordinarily directly related to the unequal educational opportunities afforded them resulting in high illiteracy and low voting participation. The Congress declares that, in order to enforce the guarantees of the fourteenth and fifteenth amendments to the United States Constitution, it is necessary to eliminate such discrimination by prohibiting these practices, and by prescribing other remedial devices.

(b) Bilingual voting materials requirement

(1) Generally

Before August 6, 2032, no covered State or political subdivision shall provide voting materials only in the English language.

(2) Covered States and political subdivisions

(A) Generally

A State or political subdivision is a covered State or political subdivision for the purposes of this subsection if the Director of the Census determines, based on the 2010 American Community Survey census data and subsequent American Community Survey data in 5-year increments, or comparable census data, that—

(i)(I) more than 5 percent of the citizens of voting age of such State or political subdivision are members of a single language minority and are limited-English proficient;

(II) more than 10,000 of the citizens of voting age of such political subdivision are members of a single language minority and are limited-English proficient; or

(III) in the case of a political subdivision that contains all or any part of an Indian reservation, more than 5 percent of the American Indian or Alaska Native citizens of voting age within the Indian reservation are members of a single language minority and are limited-English proficient; and

(ii) the illiteracy rate of the citizens in the language minority as a group is higher than the national illiteracy rate.

(B) Exception

The prohibitions of this subsection do not apply in any political subdivision that has less than 5 percent voting age limited-English proficient citizens of each language minority which comprises over 5 percent of the statewide limited-English proficient population of voting age citizens, unless the political subdivision is a covered political subdivision independently from its State.

(3) Definitions

As used in this section—

(A) the term “voting materials” means registration or voting notices, forms, instructions, assistance, or other materials or

information relating to the electoral process, including ballots;

(B) the term “limited-English proficient” means unable to speak or understand English adequately enough to participate in the electoral process;

(C) the term “Indian reservation” means any area that is an American Indian or Alaska Native area, as defined by the Census Bureau for the purposes of the 1990 decennial census;

(D) the term “citizens” means citizens of the United States; and

(E) the term “illiteracy” means the failure to complete the 5th primary grade.

(4) Special rule

The determinations of the Director of the Census under this subsection shall be effective upon publication in the Federal Register and shall not be subject to review in any court.

(c) Requirement of voting notices, forms, instructions, assistance, or other materials and ballots in minority language

Whenever any State or political subdivision subject to the prohibition of subsection (b) of this section provides any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, it shall provide them in the language of the applicable minority group as well as in the English language: *Provided*, That where the language of the applicable minority group is oral or unwritten or in the case of Alaskan natives and American Indians, if the predominant language is historically unwritten, the State or political subdivision is only required to furnish oral instructions, assistance, or other information relating to registration and voting.

(d) Action for declaratory judgment permitting English-only materials

Any State or political subdivision subject to the prohibition of subsection (b) of this section, which seeks to provide English-only registration or voting materials or information, including ballots, may file an action against the United States in the United States District Court for a declaratory judgment permitting such provision. The court shall grant the requested relief if it determines that the illiteracy rate of the applicable language minority group within the State or political subdivision is equal to or less than the national illiteracy rate.

(e) Definitions

For purposes of this section, the term “language minorities” or “language minority group” means persons who are American Indian, Asian American, Alaskan Natives, or of Spanish heritage.

For purposes of this subsection, illiteracy means the failure to complete the fifth primary grade. The Federal Voting Assistance Program of the Department of Defense shall maintain and make available to the public an online repository of State contact information with respect to elections for Federal office, including the single State office designated under subsection (b) and the means of electronic communication designated under paragraph (1), to be used by absent uniformed services voters and overseas voters as a resource to send voter registration applications and absentee ballot applications to the appropriate jurisdiction in the State.

(5) Transmission if no preference indicated

In the case where an absent uniformed services voter or overseas voter does not designate a preference under subsection (a)(6)(C), the State shall transmit the voter registration application or absentee ballot application by any delivery method allowable in accordance with applicable State law, or if there is no applicable State law, by mail.

(6) Security and privacy protections

(A) Security protections

To the extent practicable, States shall ensure that the procedures established under subsection (a)(6) protect the security and integrity of the voter registration and absentee ballot application request processes.

(B) Privacy protections

To the extent practicable, the procedures established under subsection (a)(6) shall ensure that the privacy of the identity and other personal data of an absent uniformed services voter or overseas voter who requests or is sent a voter registration application or absentee ballot application under such subsection is protected throughout the process of making such request or being sent such application.

(f) Transmission of blank absentee ballots by mail and electronically

(1) In general

Each State shall establish procedures—

(A) to transmit blank absentee ballots by mail and electronically (in accordance with the preferred method of transmission designated by the absent uniformed services voter or overseas voter under subparagraph (B)) to absent uniformed services voters and overseas voters for an election for Federal office; and

(B) by which the absent uniformed services voter or overseas voter can designate whether the voter prefers that such blank absentee ballot be transmitted by mail or electronically.

(2) Transmission if no preference indicated

In the case where an absent uniformed services voter or overseas voter does not designate a preference under paragraph (1)(B), the State shall transmit the ballot by any delivery method allowable in accordance with applicable State law, or if there is no applicable State law, by mail.

(g) Hardship exemption

(1) In general

If the chief State election official determines that the State is unable to meet the requirement under subsection (a)(8)(A) with respect to an election for Federal office due to an undue hardship described in paragraph (2)(B), the chief State election official shall request that the Presidential designee grant a waiver to the State of the application of such subsection. Such request shall include—

(A) a recognition that the purpose of such subsection is to allow absent uniformed services voters and overseas voters enough time to vote in an election for Federal office;

(B) an explanation of the hardship that indicates why the State is unable to transmit absent uniformed services voters and overseas voters an absentee ballot in accordance with such subsection;

(C) the number of days prior to the election for Federal office that the State requires absentee ballots be transmitted to absent uniformed services voters and overseas voters; and

(D) a comprehensive plan to ensure that absent uniformed services voters and overseas voters are able to receive absentee ballots which they have requested and submit marked absentee ballots to the appropriate State election official in time to have that ballot counted in the election for Federal office, which includes—

(i) the steps the State will undertake to ensure that absent uniformed services voters and overseas voters have time to receive, mark, and submit their ballots in time to have those ballots counted in the election;

(ii) why the plan provides absent uniformed services voters and overseas voters sufficient time to vote as a substitute for the requirements under such subsection; and

(iii) the underlying factual information which explains how the plan provides such sufficient time to vote as a substitute for such requirements.

(2) Approval of waiver request

After consulting with the Attorney General, the Presidential designee shall approve a waiver request under paragraph (1) if the Presi-

dential designee determines each of the following requirements are met:

(A) The comprehensive plan under subparagraph (D) of such paragraph provides absent uniformed services voters and overseas voters sufficient time to receive absentee ballots they have requested and submit marked absentee ballots to the appropriate State election official in time to have that ballot counted in the election for Federal office.

(B) One or more of the following issues creates an undue hardship for the State:

(i) The State's primary election date prohibits the State from complying with subsection (a)(8)(A).

(ii) The State has suffered a delay in generating ballots due to a legal contest.

(iii) The State Constitution prohibits the State from complying with such subsection.

(3) Timing of waiver

(A) In general

Except as provided under subparagraph (B), a State that requests a waiver under paragraph (1) shall submit to the Presidential designee the written waiver request not later than 90 days before the election for Federal office with respect to which the request is submitted. The Presidential designee shall approve or deny the waiver request not later than 65 days before such election.

(B) Exception

If a State requests a waiver under paragraph (1) as the result of an undue hardship described in paragraph (2)(B)(ii), the State shall submit to the Presidential designee the written waiver request as soon as practicable. The Presidential designee shall approve or deny the waiver request not later than 5 business days after the date on which the request is received.

(4) Application of waiver

A waiver approved under paragraph (2) shall only apply with respect to the election for Federal office for which the request was submitted. For each subsequent election for Federal office, the Presidential designee shall only approve a waiver if the State has submitted a request under paragraph (1) with respect to such election.

(h) Tracking marked ballots

The chief State election official, in coordination with local election jurisdictions, shall develop a free access system by which an absent uniformed services voter or overseas voter may determine whether the absentee ballot of the absent uniformed services voter or overseas voter has been received by the appropriate State election official.

(i) Prohibiting refusal to accept applications for failure to meet certain requirements

A State shall not refuse to accept and process any otherwise valid voter registration application or absentee ballot application (including the official post card form prescribed under sec-

§ 20303. Federal write-in absentee ballot in general elections for Federal office for absent uniformed services voters and overseas voters

(a) In general

(1) Federal write-in absentee ballot

The Presidential designee shall prescribe a Federal write-in absentee ballot (including a secrecy envelope and mailing envelope for such ballot) for use in general, special, primary, and runoff elections for Federal office by absent uniformed services voters and over-

seas voters who make timely application for, and do not receive, States,¹ absentee ballots.

(2) Promotion and expansion of use of Federal write-in absentee ballots

(A) In general

Not later than December 31, 2011, the Presidential designee shall adopt procedures to promote and expand the use of the Federal write-in absentee ballot as a back-up measure to vote in elections for Federal office.

(B) Use of technology

Under such procedures, the Presidential designee shall utilize technology to implement a system under which the absent uniformed services voter or overseas voter may—

(i) enter the address of the voter or other information relevant in the appropriate jurisdiction of the State, and the system will generate a list of all candidates in the election for Federal office in that jurisdiction; and

(ii) submit the marked Federal write-in absentee ballot by printing the ballot (including complete instructions for submitting the marked Federal write-in absentee ballot to the appropriate State election official and the mailing address of the single State office designated under section 20302(b) of this title).

(C) Authorization of appropriations

There are authorized to be appropriated to the Presidential designee such sums as may be necessary to carry out this paragraph.

(b) Submission and processing

Except as otherwise provided in this chapter, a Federal write-in absentee ballot shall be submitted and processed in the manner provided by law for absentee ballots in the State involved. A Federal write-in absentee ballot of an absent uniformed services voter or overseas voter shall not be counted—

(1) in the case of a ballot submitted by an overseas voter who is not an absent uniformed services voter, if the ballot is submitted from any location in the United States;

(2) if the application of the absent uniformed services voter or overseas voter for a State absentee ballot is received by the appropriate State election official after the later of—

(A) the deadline of the State for receipt of such application; or

(B) the date that is 30 days before the general election; or

(3) if a State absentee ballot of the absent uniformed services voter or overseas voter is received by the appropriate State election official not later than the deadline for receipt of the State absentee ballot under State law.

(c) Special rules

The following rules shall apply with respect to Federal write-in absentee ballots:

(1) In completing the ballot, the absent uniformed services voter or overseas voter may designate a candidate by writing in the name

¹ So in original. Probably should be “States”.

of the candidate or by writing in the name of a political party (in which case the ballot shall be counted for the candidate of that political party).

(2) In the case of the offices of President and Vice President, a vote for a named candidate or a vote by writing in the name of a political party shall be counted as a vote for the electors supporting the candidate involved.

(3) Any abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party shall be disregarded in determining the validity of the ballot, if the intention of the voter can be ascertained.

(d) Second ballot submission; instruction to absent uniformed services voter or overseas voter

An absent uniformed services voter or overseas voter who submits a Federal write-in absentee ballot and later receives a State absentee ballot, may submit the State absentee ballot. The Presidential designee shall assure that the instructions for each Federal write-in absentee ballot clearly state that an absent uniformed services voter or overseas voter who submits a Federal write-in absentee ballot and later receives and submits a State absentee ballot should make every reasonable effort to inform the appropriate State election official that the voter has submitted more than one ballot.

(e) Use of approved State absentee ballot in place of Federal write-in absentee ballot

The Federal write-in absentee ballot shall not be valid for use in a general, special, primary, or runoff election for Federal office if the State involved provides a State absentee ballot that—

(1) at the request of the State, is approved by the Presidential designee for use in place of the Federal write-in absentee ballot; and

(2) is made available to absent uniformed services voters and overseas voters at least 60 days before the deadline for receipt of the State ballot under State law.

(f) Prohibiting refusal to accept ballot for failure to meet certain requirements

A State shall not refuse to accept and process any otherwise valid Federal write-in absentee ballot submitted in any manner by an absent uniformed services voter or overseas voter solely on the basis of the following:

(1) Notarization requirements.

(2) Restrictions on paper type, including weight and size.

(3) Restrictions on envelope type, including weight and size.

(g) Certain States exempted

A State is not required to permit use of the Federal write-in absentee ballot, if, on and after August 28, 1986, the State has in effect a law providing that—

(1) a State absentee ballot is required to be available to any voter described in section 20310(5)(A) of this title at least 90 days before the general, special, primary, or runoff election for Federal office involved; and

(2) a State absentee ballot is required to be available to any voter described in section

20310(5)(B) or (C) of this title, as soon as the official list of candidates in the general, special, primary, or runoff election for Federal office is complete.

(B) penalties provided by law for submission of a false voter registration application; and

(6) ensure that the identity of the voter registration agency through which any particular voter is registered is not disclosed to the public.

(b) Confirmation of voter registration

Any State program or activity to protect the integrity of the electoral process by ensuring the maintenance of an accurate and current voter registration roll for elections for Federal office—

(1) shall be uniform, nondiscriminatory, and in compliance with the Voting Rights Act of 1965 (42 U.S.C. 1973 et seq.) [now 52 U.S.C. 10301 et seq.]; and

(2) shall not result in the removal of the name of any person from the official list of voters registered to vote in an election for Federal office by reason of the person's failure to vote, except that nothing in this paragraph may be construed to prohibit a State from using the procedures described in subsections (c) and (d) to remove an individual from the official list of eligible voters if the individual—

(A) has not either notified the applicable registrar (in person or in writing) or responded during the period described in subparagraph (B) to the notice sent by the applicable registrar; and then

(B) has not voted or appeared to vote in 2 or more consecutive general elections for Federal office.

(c) Voter removal programs

(B) if it appears from information provided by the Postal Service that—

(i) a registrant has moved to a different residence address in the same registrar's jurisdiction in which the registrant is currently registered, the registrar changes the registration records to show the new address and sends the registrant a notice of the change by forwardable mail and a postage prepaid pre-addressed return form by which the registrant may verify or correct the address information; or

(ii) the registrant has moved to a different residence address not in the same registrar's jurisdiction, the registrar uses the notice procedure described in subsection (d)(2) to confirm the change of address.

(2)(A) A State shall complete, not later than 90 days prior to the date of a primary or general election for Federal office, any program the purpose of which is to systematically remove the names of ineligible voters from the official lists of eligible voters.

(B) Subparagraph (A) shall not be construed to preclude—

(i) the removal of names from official lists of voters on a basis described in paragraph (3)(A) or (B) or (4)(A) of subsection (a); or

(ii) correction of registration records pursuant to this chapter.

(d) Removal of names from voting rolls

(1) A State shall not remove the name of a registrant from the official list of eligible voters in elections for Federal office on the ground that the registrant has changed residence unless the registrant—

(A) confirms in writing that the registrant has changed residence to a place outside the registrar's jurisdiction in which the registrant is registered; or

(B)(i) has failed to respond to a notice described in paragraph (2); and

(ii) has not voted or appeared to vote (and, if necessary, correct the registrar's record of the registrant's address) in an election during the period beginning on the date of the notice and ending on the day after the date of the second general election for Federal office that occurs after the date of the notice.

(2) A notice is described in this paragraph if it is a postage prepaid and pre-addressed return card, sent by forwardable mail, on which the registrant may state his or her current address, together with a notice to the following effect:

(A) If the registrant did not change his or her residence, or changed residence but remained in the registrar's jurisdiction, the registrant should return the card not later than the time provided for mail registration under subsection (a)(1)(B). If the card is not returned, affirmation or confirmation of the registrant's address may be required before the registrant is permitted to vote in a Federal election during the period beginning on the date of the notice and ending on the day after the date of the second general election for Federal office that occurs after the date of the notice, and if the registrant does not vote in an election during that period the registrant's name will be removed from the list of eligible voters.

(B) If the registrant has changed residence to a place outside the registrar's jurisdiction in which the registrant is registered, information concerning how the registrant can continue to be eligible to vote.

(3) A voting registrar shall correct an official list of eligible voters in elections for Federal office in accordance with change of residence information obtained in conformance with this subsection.

(e) Procedure for voting following failure to return card

(1) A registrant who has moved from an address in the area covered by a polling place to an address in the same area shall, notwithstanding failure to notify the registrar of the change of address prior to the date of an election, be permitted to vote at that polling place upon oral or written affirmation by the registrant of the change of address before an election official at that polling place.

(2)(A) A registrant who has moved from an address in the area covered by one polling place to an address in an area covered by a second polling place within the same registrar's jurisdiction and the same congressional district and who has failed to notify the registrar of the change of address prior to the date of an election, at the option of the registrant—

(i) shall be permitted to correct the voting records and vote at the registrant's former polling place, upon oral or written affirmation by the registrant of the new address before an election official at that polling place; or

(ii)(I) shall be permitted to correct the voting records and vote at a central location within the same registrar's jurisdiction designated by the registrar where a list of eligible voters is maintained, upon written affirmation by the registrant of the new address on a standard form provided by the registrar at the central location; or

(II) shall be permitted to correct the voting records for purposes of voting in future elections at the appropriate polling place for the current address and, if permitted by State law, shall be permitted to vote in the present election, upon confirmation by the registrant of the new address by such means as are required by law.

(B) If State law permits the registrant to vote in the current election upon oral or written affirmation by the registrant of the new address at a polling place described in subparagraph (A)(i) or (A)(ii)(II), voting at the other locations described in subparagraph (A) need not be provided as options.

(3) If the registration records indicate that a registrant has moved from an address in the area covered by a polling place, the registrant shall, upon oral or written affirmation by the registrant before an election official at that polling place that the registrant continues to reside at the address previously made known to the registrar, be permitted to vote at that polling place.

(f) Change of voting address within a jurisdiction

In the case of a change of address, for voting purposes, of a registrant to another address within the same registrar's jurisdiction, the registrar shall correct the voting registration list accordingly, and the registrant's name may not be removed from the official list of eligible voters by reason of such a change of address except as provided in subsection (d).

(g) Conviction in Federal court

(1) On the conviction of a person of a felony in a district court of the United States, the United States attorney shall give written notice of the conviction to the chief State election official designated under section 20509 of this title of the State of the person's residence.

(4) If a conviction of which notice was given pursuant to paragraph (1) is overturned, the United States attorney shall give the official to whom the notice was given written notice of the vacation of the judgment.

(1) Each State shall maintain for at least 2 years and shall make available for public inspection and, where available, photocopying at a reasonable cost, all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of official lists of eligible voters, except to the extent that such records relate to a declination to register to vote or to the identity of a voter registration agency through which any particular voter is registered.

(2) The records maintained pursuant to paragraph (1) shall include lists of the names and addresses of all persons to whom notices described in subsection (d)(2) are sent, and information concerning whether or not each such person has responded to the notice as of the date that inspection of the records is made.

§ 21081. Voting systems standards**(a) Requirements**

Each voting system used in an election for Federal office shall meet the following requirements:

(1) In general

(A) Except as provided in subparagraph (B), the voting system (including any lever voting system, optical scanning voting system, or direct recording electronic system) shall—

(i) permit the voter to verify (in a private and independent manner) the votes selected by the voter on the ballot before the ballot is cast and counted;

(ii) provide the voter with the opportunity (in a private and independent manner) to change the ballot or correct any error before the ballot is cast and counted (including the opportunity to correct the error through the issuance of a replacement ballot if the voter was otherwise unable to change the ballot or correct any error); and

(iii) if the voter selects votes for more than one candidate for a single office—

(I) notify the voter that the voter has selected more than one candidate for a single office on the ballot;

(II) notify the voter before the ballot is cast and counted of the effect of casting multiple votes for the office; and

(III) provide the voter with the opportunity to correct the ballot before the ballot is cast and counted.

(B) A State or jurisdiction that uses a paper ballot voting system, a punch card voting system, or a central count voting system (including mail-in absentee ballots and mail-in bal-

lots), may meet the requirements of subparagraph (A)(iii) by—

(i) establishing a voter education program specific to that voting system that notifies each voter of the effect of casting multiple votes for an office; and

(ii) providing the voter with instructions on how to correct the ballot before it is cast and counted (including instructions on how to correct the error through the issuance of a replacement ballot if the voter was otherwise unable to change the ballot or correct any error).

(C) The voting system shall ensure that any notification required under this paragraph preserves the privacy of the voter and the confidentiality of the ballot.

(2) Audit capacity**(A) In general**

The voting system shall produce a record with an audit capacity for such system.

(B) Manual audit capacity

(i) The voting system shall produce a permanent paper record with a manual audit capacity for such system.

(ii) The voting system shall provide the voter with an opportunity to change the ballot or correct any error before the permanent paper record is produced.

(iii) The paper record produced under subparagraph (A) shall be available as an official record for any recount conducted with respect to any election in which the system is used.

(3) Accessibility for individuals with disabilities

The voting system shall—

(A) be accessible for individuals with disabilities, including nonvisual accessibility for the blind and visually impaired, in a manner that provides the same opportunity for access and participation (including privacy and independence) as for other voters;

(B) satisfy the requirement of subparagraph (A) through the use of at least one direct recording electronic voting system or other voting system equipped for individuals with disabilities at each polling place; and

(C) if purchased with funds made available under subchapter II on or after January 1, 2007, meet the voting system standards for disability access (as outlined in this paragraph).

(4) Alternative language accessibility

The voting system shall provide alternative language accessibility pursuant to the requirements of section 10503 of this title.

(5) Error rates

The error rate of the voting system in counting ballots (determined by taking into account only those errors which are attributable to the voting system and not attributable to an act of the voter) shall comply with the error rate standards established under section 3.2.1 of the voting systems standards issued by the Federal Election Commission which are in effect on October 29, 2002.

(6) Uniform definition of what constitutes a vote

Each State shall adopt uniform and non-discriminatory standards that define what constitutes a vote and what will be counted as a vote for each category of voting system used in the State.

(b) Voting system defined

In this section, the term “voting system” means—

(1) the total combination of mechanical, electromechanical, or electronic equipment (including the software, firmware, and documentation required to program, control, and support the equipment) that is used—

- (B) to cast and count votes;
- (C) to report or display election results; and
- (D) to maintain and produce any audit trail information; and

(2) the practices and associated documentation used—

- (A) to identify system components and versions of such components;
- (B) to test the system during its development and maintenance;
- (C) to maintain records of system errors and defects;

- (E) to make available any materials to the voter (such as notices, instructions, forms, or paper ballots).

(c) Construction

(1) In general

Nothing in this section shall be construed to prohibit a State or jurisdiction which used a particular type of voting system in the elections for Federal office held in November 2000 from using the same type of system after the effective date of this section, so long as the system meets or is modified to meet the requirements of this section.

(2) Protection of paper ballot voting systems

For purposes of subsection (a)(1)(A)(i), the term “verify” may not be defined in a manner that makes it impossible for a paper ballot voting system to meet the requirements of such subsection or to be modified to meet such requirements.

(d) Effective date

Each State and jurisdiction shall be required to comply with the requirements of this section on and after January 1, 2006.

(1) An election official at the polling place shall notify the individual that the individual may cast a provisional ballot in that election.

- (B) eligible to vote in that election.

(3) An election official at the polling place shall transmit the ballot cast by the individual or the voter information contained in the written affirmation executed by the individual under paragraph (2) to an appropriate State or local election official for prompt verification under paragraph (4).

(5)(A) At the time that an individual casts a provisional ballot, the appropriate State or local election official shall give the individual written information that states that any individual who casts a provisional ballot will be able to ascertain under the system established under subparagraph (B) whether the vote was counted, and, if the vote was not counted, the reason that the vote was not counted.

(B) The appropriate State or local election official shall establish a free access system (such as a toll-free telephone number or an Internet website) that any individual who casts a provisional ballot may access to discover whether the vote of that individual was counted, and, if the vote was not counted, the reason that the vote was not counted.

States described in section 20503(b) of this title may meet the requirements of this subsection using voter registration procedures established under applicable State law. The appropriate State or local official shall establish and maintain reasonable procedures necessary to protect the security, confidentiality, and integrity of personal information collected, stored, or otherwise used by the free access system established under paragraph (5)(B). Access to information about an individual provisional ballot shall be restricted to the individual who cast the ballot.

(c) Voters who vote after the polls close

Any individual who votes in an election for Federal office as a result of a Federal or State court order or any other order extending the time established for closing the polls by a State law in effect 10 days before the date of that election may only vote in that election by casting a provisional ballot under subsection (a). Any such ballot cast under the preceding sentence shall be separated and held apart from other provisional ballots cast by those not affected by the order.

(d) Effective date for provisional voting and voting information

Each State and jurisdiction shall be required to comply with the requirements of this section on and after January 1, 2004.

(B) Exceptions

(6) Coordination with other requirements

Any requirement to report under this subsection shall be in addition to any other reporting requirement under this Act.

(7) Coordination with title 26

Nothing in this subsection may be construed to establish, modify, or otherwise affect the definition of political activities or electioneering activities (including the definition of participating in, intervening in, or influencing or attempting to influence a political campaign on behalf of or in opposition to any candidate for public office) for purposes of title 26.

PRIOR PROVISIONS

A prior section 307 of Pub. L. 92-225 was renumbered section 305, and is classified to section 30105 of this title.

AMENDMENTS

1986—Subsec. (a)(6), (8). Pub. L. 99-514 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

1980—Subsec. (a). Pub. L. 96-187, §106, in par. (1) substituted “under oath, such written reports and answers to questions as the Commission may prescribe” for “in writing such reports and answers to questions as the Commission may prescribe” and struck out provision that such submission be made within such reasonable time and under oath as determined by the Commission; in par. (4) struck out “of this subsection” after “paragraph (3)”; in par. (6) substituted “section 437g(a)(8)” for “section 437g(a)(9)”, and substituted “to enforce the provisions of this Act” for “for the purpose of enforcing the provisions of this Act”; struck out par. (9) relating to formulation of general policy respecting administration of this Act and chapters 95 and 96 of title 26; and redesignated former par. (10) as (9).

Subsec. (b). Pub. L. 96-187, §106, reworded subsec. (b) without substantive changes.

Subsec. (c). Pub. L. 96-187, §106, reenacted subsec. (c) without change.

commodate the renumbering of section 313 of Pub. L. 92-225 as section 312 of Pub. L. 92-225 by section 105 of Pub. L. 94-283. Since both the original and substituted references translate as “section 437f of this title” no change in text was required.

Subsec. (a)(8). Pub. L. 94-283, §107(a)(1), inserted “to develop such prescribed forms and to” before “to make, amend, and repeal” and inserted “and chapter 95 and chapter 96 of title 26” after “provisions of this Act”.

§ 30109. Enforcement

(a) Administrative and judicial practice and procedure

(1) Any person who believes a violation of this Act or of chapter 95 or chapter 96 of title 26 has occurred, may file a complaint with the Commission. Such complaint shall be in writing, signed and sworn to by the person filing such complaint, shall be notarized, and shall be made under penalty of perjury and subject to the provisions of section 1001 of title 18. Within 5 days after receipt of a complaint, the Commission shall notify, in writing, any person alleged in the complaint to have committed such a violation. Before the Commission conducts any vote on the complaint, other than a vote to dismiss, any person so notified shall have the opportunity to demonstrate, in writing, to the Commission within 15 days after notification that no action should be taken against such person on the basis of the complaint. The Commission may not conduct any investigation or take any other action under this section solely on the basis of a complaint of a person whose identity is not disclosed to the Commission.

(2) If the Commission, upon receiving a complaint under paragraph (1) or on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, determines, by an affirmative vote of 4 of its members, that it has reason to believe that a person has committed, or is about to commit, a violation of this Act or chapter 95 or chapter 96 of title 26, the Commission shall, through its chairman or vice chairman, notify the person of the alleged violation. Such notification shall set forth the factual basis for such alleged violation. The Commission shall make an investigation of such alleged violation, which may include a field investigation or audit, in accordance with the provisions of this section.

(3) The general counsel of the Commission shall notify the respondent of any recommendation to the Commission by the general counsel to proceed to a vote on probable cause pursuant to paragraph (4)(A)(i). With such notification, the general counsel shall include a brief stating the position of the general counsel on the legal and factual issues of the case. Within 15 days of receipt of such brief, respondent may submit a brief stating the position of such respondent on the legal and factual issues of the case, and replying to the brief of general counsel. Such briefs shall be filed with the Secretary of the Commission and shall be considered by the Commission before proceeding under paragraph (4).

(4)(A)(i) Except as provided in clauses¹ (ii) and subparagraph (C), if the Commission determines, by an affirmative vote of 4 of its members, that there is probable cause to believe that any person has committed, or is about to commit, a vio-

lation of this Act or of chapter 95 or chapter 96 of title 26, the Commission shall attempt, for a period of at least 30 days, to correct or prevent such violation by informal methods of conference, conciliation, and persuasion, and to enter into a conciliation agreement with any person involved. Such attempt by the Commission to correct or prevent such violation may continue for a period of not more than 90 days. The Commission may not enter into a conciliation agreement under this clause except pursuant to an affirmative vote of 4 of its members. A conciliation agreement, unless violated, is a complete bar to any further action by the Commission, including the bringing of a civil proceeding under paragraph (6)(A).

(ii) If any determination of the Commission under clause (i) occurs during the 45-day period immediately preceding any election, then the Commission shall attempt, for a period of at least 15 days, to correct or prevent the violation involved by the methods specified in clause (i).

(B)(i) No action by the Commission or any person, and no information derived, in connection with any conciliation attempt by the Commission under subparagraph (A) may be made public by the Commission without the written consent of the respondent and the Commission.

(ii) If a conciliation agreement is agreed upon by the Commission and the respondent, the Commission shall make public any conciliation agreement signed by both the Commission and the respondent. If the Commission makes a determination that a person has not violated this Act or chapter 95 or chapter 96 of title 26, the Commission shall make public such determination.

(C)(i) Notwithstanding subparagraph (A), in the case of a violation of a qualified disclosure requirement, the Commission may—

(I) find that a person committed such a violation on the basis of information obtained pursuant to the procedures described in paragraphs (1) and (2); and

(II) based on such finding, require the person to pay a civil money penalty in an amount determined, for violations of each qualified disclosure requirement, under a schedule of penalties which is established and published by the Commission and which takes into account the amount of the violation involved, the existence of previous violations by the person, and such other factors as the Commission considers appropriate.

(ii) The Commission may not make any determination adverse to a person under clause (i) until the person has been given written notice and an opportunity to be heard before the Commission.

(iii) Any person against whom an adverse determination is made under this subparagraph may obtain a review of such determination in the district court of the United States for the district in which the person resides, or transacts business, by filing in such court (prior to the expiration of the 30-day period which begins on the date the person receives notification of the determination) a written petition requesting that the determination be modified or set aside.

(iv) In this subparagraph, the term “qualified disclosure requirement” means any requirement of—

(I) subsections² (a), (c), (e), (f), (g), or (i) of section 30104 of this title; or

(II) section 30105 of this title.

(v) This subparagraph shall apply with respect to violations that relate to reporting periods that begin on or after January 1, 2000, and that end on or before December 31, 2018.

(5)(A) If the Commission believes that a violation of this Act or of chapter 95 or chapter 96 of title 26 has been committed, a conciliation agreement entered into by the Commission under paragraph (4)(A) may include a requirement that the person involved in such conciliation agreement shall pay a civil penalty which does not exceed the greater of \$5,000 or an amount equal to any contribution or expenditure involved in such violation.

(B) If the Commission believes that a knowing and willful violation of this Act or of chapter 95 or chapter 96 of title 26 has been committed, a conciliation agreement entered into by the Commission under paragraph (4)(A) may require that the person involved in such conciliation agreement shall pay a civil penalty which does not exceed the greater of \$10,000 or an amount equal to 200 percent of any contribution or expenditure involved in such violation (or, in the case of a violation of section 30122 of this title, which is not less than 300 percent of the amount involved in the violation and is not more than the greater of \$50,000 or 1,000 percent of the amount involved in the violation).

(C) If the Commission by an affirmative vote of 4 of its members, determines that there is probable cause to believe that a knowing and willful violation of this Act which is subject to subsection (d), or a knowing and willful violation of chapter 95 or chapter 96 of title 26, has occurred or is about to occur, it may refer such apparent violation to the Attorney General of the United States without regard to any limitations set forth in paragraph (4)(A).

(D) In any case in which a person has entered into a conciliation agreement with the Commission under paragraph (4)(A), the Commission may institute a civil action for relief under paragraph (6)(A) if it believes that the person has violated any provision of such conciliation agreement. For the Commission to obtain relief in any civil action, the Commission need only establish that the person has violated, in whole or in part, any requirement of such conciliation agreement.

(6)(A) If the Commission is unable to correct or prevent any violation of this Act or of chapter 95 or chapter 96 of title 26, by the methods specified in paragraph (4), the Commission may, upon an affirmative vote of 4 of its members, institute a civil action for relief, including a permanent or temporary injunction, restraining order, or any other appropriate order (including an order for a civil penalty which does not exceed the greater of \$5,000 or an amount equal to any contribution or expenditure involved in such violation) in the district court of the United States for the district in which the person against whom such action is brought is found, resides, or transacts business.

² So in original. Probably should be “subsection”.

(B) In any civil action instituted by the Commission under subparagraph (A), the court may grant a permanent or temporary injunction, restraining order, or other order, including a civil penalty which does not exceed the greater of \$5,000 or an amount equal to any contribution or expenditure involved in such violation, upon a proper showing that the person involved has committed, or is about to commit (if the relief sought is a permanent or temporary injunction or a restraining order), a violation of this Act or chapter 95 or chapter 96 of title 26.

(C) In any civil action for relief instituted by the Commission under subparagraph (A), if the court determines that the Commission has established that the person involved in such civil action has committed a knowing and willful violation of this Act or of chapter 95 or chapter 96 of title 26, the court may impose a civil penalty which does not exceed the greater of \$10,000 or an amount equal to 200 percent of any contribution or expenditure involved in such violation (or, in the case of a violation of section 30122 of this title, which is not less than 300 percent of the amount involved in the violation and is not more than the greater of \$50,000 or 1,000 percent of the amount involved in the violation).

(7) In any action brought under paragraph (5) or (6), subpoenas for witnesses who are required to attend a United States district court may run into any other district.

(8)(A) Any party aggrieved by an order of the Commission dismissing a complaint filed by such party under paragraph (1), or by a failure of the Commission to act on such complaint during the 120-day period beginning on the date the complaint is filed, may file a petition with the United States District Court for the District of Columbia.

(B) Any petition under subparagraph (A) shall be filed, in the case of a dismissal of a complaint by the Commission, within 60 days after the date of the dismissal.

(C) In any proceeding under this paragraph the court may declare that the dismissal of the complaint or the failure to act is contrary to law, and may direct the Commission to conform with such declaration within 30 days, failing which the complainant may bring, in the name of such complainant, a civil action to remedy the violation involved in the original complaint.

(9) Any judgment of a district court under this subsection may be appealed to the court of appeals, and the judgment of the court of appeals affirming or setting aside, in whole or in part, any such order of the district court shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(10) Repealed. Pub. L. 98-620, title IV, § 402(1)(A), Nov. 8, 1984, 98 Stat. 3357.

(11) If the Commission determines after an investigation that any person has violated an order of the court entered in a proceeding brought under paragraph (6), it may petition the court for an order to hold such person in civil contempt, but if it believes the violation to be knowing and willful it may petition the court for an order to hold such person in criminal contempt.

(12)(A) Any notification or investigation made under this section shall not be made public by

the Commission or by any person without the written consent of the person receiving such notification or the person with respect to whom such investigation is made.

(B) Any member or employee of the Commission, or any other person, who violates the provisions of subparagraph (A) shall be fined not more than \$2,000. Any such member, employee, or other person who knowingly and willfully violates the provisions of subparagraph (A) shall be fined not more than \$5,000.

(b) Notice to persons not filing required reports prior to institution of enforcement action; publication of identity of persons and unfiled reports

Before taking any action under subsection (a) against any person who has failed to file a report required under section 30104(a)(2)(A)(iii) of this title for the calendar quarter immediately preceding the election involved, or in accordance with section 30104(a)(2)(A)(i) of this title, the Commission shall notify the person of such failure to file the required reports. If a satisfactory response is not received within 4 business days after the date of notification, the Commission shall, pursuant to section 30111(a)(7) of this title, publish before the election the name of the person and the report or reports such person has failed to file.

(c) Reports by Attorney General of apparent violations

Whenever the Commission refers an apparent violation to the Attorney General, the Attorney General shall report to the Commission any action taken by the Attorney General regarding the apparent violation. Each report shall be transmitted within 60 days after the date the Commission refers an apparent violation, and every 30 days thereafter until the final disposition of the apparent violation.

(d) Penalties; defenses; mitigation of offenses

(1)(A) Any person who knowingly and willfully commits a violation of any provision of this Act which involves the making, receiving, or reporting of any contribution, donation, or expenditure—

- (i) aggregating \$25,000 or more during a calendar year shall be fined under title 18, or imprisoned for not more than 5 years, or both; or

(D) Any person who knowingly and willfully commits a violation of section 30122 of this title

involving an amount aggregating more than \$10,000 during a calendar year shall be—

(ii) fined not less than 300 percent of the amount involved in the violation and not more than the greater of—

(I) \$50,000; or

(II) 1,000 percent of the amount involved in the violation; or

(iii) both imprisoned under clause (i) and fined under clause (ii).

(2) In any criminal action brought for a violation of any provision of this Act or of chapter 95 or chapter 96 of title 26, any defendant may evidence their lack of knowledge or intent to commit the alleged violation by introducing as evidence a conciliation agreement entered into between the defendant and the Commission under subsection (a)(4)(A) which specifically deals with the act or failure to act constituting such violation and which is still in effect.

(3) In any criminal action brought for a violation of any provision of this Act or of chapter 95 or chapter 96 of title 26, the court before which such action is brought shall take into account, in weighing the seriousness of the violation and in considering the appropriateness of the penalty to be imposed if the defendant is found guilty, whether—

§ 30111. Administrative provisions

(a) Duties of Commission

The Commission shall—

(1) prescribe forms necessary to implement this Act;

of the person requesting such copying, except that any information copied from such reports or statements may not be sold or used by any person for the purpose of soliciting contributions or for commercial purposes, other than using the name and address of any political committee to solicit contributions from such committee. A political committee may submit 10 pseudonyms on each report filed in order to protect against the illegal use of names and addresses of contributors, provided such committee attaches a list of such pseudonyms to the appropriate report. The Secretary or the Commission shall exclude these lists from the public record;

(5) keep such designations, reports, and statements for a period of 10 years from the date of receipt, except that designations, reports, and statements that relate solely to candidates for the House of Representatives shall be kept for 5 years from the date of their receipt;

(6)(A) compile and maintain a cumulative index of designations, reports, and statements filed under this Act, which index shall be published at regular intervals and made available for purchase directly or by mail;

(B) compile, maintain, and revise a separate cumulative index of reports and statements filed by multi-candidate committees, including in such index a list of multi-candidate committees; and

(b) Audits and field investigations

The Commission may conduct audits and field investigations of any political committee required to file a report under section 30104 of this title. All audits and field investigations concerning the verification for, and receipt and use of, any payments received by a candidate or committee under chapter 95 or chapter 96 of title 26 shall be given priority. Prior to conducting any audit under this subsection, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. Such thresholds for compliance shall be established by the Commission. The Commission may, upon an affirmative vote of 4 of its members, conduct an audit and field investigation of any committee which does not meet the threshold requirements established by the Commission. Such audit shall be commenced within 30 days of such vote, except that any

audit of an authorized committee of a candidate, under the provisions of this subsection, shall be commenced within 6 months of the election for which such committee is authorized.

(1) Before prescribing any rule, regulation, or form under this section or any other provision of this Act, the Commission shall transmit a statement with respect to such rule, regulation, or form to the Senate and the House of Representatives, in accordance with this subsection. Such statement shall set forth the proposed rule, regulation, or form, and shall contain a detailed explanation and justification of it.

(2) If either House of the Congress does not disapprove by resolution any proposed rule or regulation submitted by the Commission under this section within 30 legislative days after the date of the receipt of such proposed rule or regulation or within 10 legislative days after the date of receipt of such proposed form, the Commission may prescribe such rule, regulation, or form.

(3) For purposes of this subsection, the term “legislative day” means, with respect to statements transmitted to the Senate, any calendar day on which the Senate is in session, and with respect to statements transmitted to the House of Representatives, any calendar day on which the House of Representatives is in session.

(4) For purposes of this subsection, the terms “rule” and “regulation” mean a provision or series of interrelated provisions stating a single, separable rule of law.

(5)(A) A motion to discharge a committee of the Senate from the consideration of a resolution relating to any such rule, regulation, or form or a motion to proceed to the consideration of such a resolution, is highly privileged and shall be decided without debate.

(B) Whenever a committee of the House of Representatives reports any resolution relating to any such form, rule or regulation, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and is not in order to move to reconsider the vote by which the motion is agreed to or disagreed with.

(e) Scope of protection for good faith reliance upon rules or regulations

Notwithstanding any other provision of law, any person who relies upon any rule or regulation prescribed by the Commission in accordance with the provisions of this section and who acts in good faith in accordance with such rule or regulation shall not, as a result of such act,

be subject to any sanction provided by this Act or by chapter 95 or chapter 96 of title 26.
