“SEC. 4481. SHORT TITLE.

“This subtitle [subtitle G (§§ 4481-4497) of title XLIV of Pub. L. 102-484] may be cited as the ‘Service Members Occupational Conversion and Training Act of 1992’.

“SEC. 4482. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds that—

“(1) the men and women serving in our Nation’s Armed Forces are of the highest caliber—intelligent, dedicated, and disciplined—and hundreds of thousands of these service members will be separating from the Armed Forces due to the drawdown in military personnel;

“(2) these men and women will be entering the civilian workforce during a time of economic instability and uncertainty;

“(3) many of these service personnel specialized in critical skills such as combat arms which will not transfer to the civilian workforce;

“(4) as part of the Nation’s obligation to these service members, the Secretary of Defense has a unique responsibility and obligation to provide them with the tools they need to be reassimilated into the civilian community and continue to be outstanding, productive citizens;

“(5) the rapid placement of separated military personnel in civilian employment and training opportunities will significantly reduce the Department of Defense’s costs relative to unemployment compensation for ex-service members;

“(6) military personnel are a national resource whose skills and abilities must be absorbed by and integrated into the civilian workforce; and

“(7) providing such training will reduce the total cost of the drawdown and is important to the national defense function of the Department of Defense.

“(b) PURPOSE.—The purpose of this subtitle is to provide additional means by which the Secretary of Defense can manage the drawdown of the Armed Forces and to provide additional forms of assistance to members of the Armed Forces who are forced or induced to leave military service by reason of the drawdown of the Armed Forces, thereby facilitating the Secretary’s ability to achieve end strength reductions caused by the drawdown.

“SEC. 4483. DEFINITIONS.

“For the purposes of this subtitle:

“(1) The term ‘Secretary’ means the Secretary of Defense with respect to the Department of Defense and the Secretary of Transportation with respect to the Coast Guard.

“(2) The terms ‘veteran’, ‘compensation’, ‘service-connected’, ‘State’, and ‘active military, naval, or air service’ have the meanings given such terms in paragraphs (2), (13), (16), (20), and (24), respectively, of section 101 of title 38, United States Code.

The Secretary may enter into an agreement with the Secretary of Veterans Affairs, the Secretary of Labor, or both, for the implementation of the program. The program shall be carried out through payments to employers who employ and train eligible persons in such positions. Such payments shall be made to assist such employers in defraying the costs of necessary training.

“(b) STATE AGENCIES.—(1) The implementing official may enter into contracts or agreements with State approving agencies, as designated pursuant to section 3671(a) of title 38, United States Code, or other State agencies to carry out any duty of the implementing official under this subtitle. Payment may be made to such agencies pursuant to any such contract or agreement for reasonable and necessary expenses of salary and travel incurred by employees of such agencies in carrying out such duties. Each such payment may be made only from funds available to the implementing official pursuant to section 4495(a)(3).

“(2) Each State approving agency or other State agency with which a contract or agreement is entered into under this section shall submit to the implementing official on a monthly or quarterly basis, as determined by the agency, a report containing a certification of such expenses for the period covered by the report. The report shall be submitted in the form and manner required by such official.

“(9) That there are in the training establishment or place of employment such space, equipment, instructional material, and instructor personnel as are needed to accomplish the training objective certified under subsection (e)(2).

“(10) That the employer will keep records adequate to show the progress made by each eligible person participating in the program and otherwise to demonstrate compliance with the requirements established under this subtitle.
