(d) ACQUISITION AND ACCEPTANCE OF PROPERTY AND INTERESTS.—(1) An agreement with an eligible entity or entities under this section shall provide for—

(A) the acquisition by the entity or entities of all right, title, and interest in and to any real property, or any lesser interest in the property, as may be appropriate for purposes of this section; and

(B) the sharing by the United States and the entity or entities of the acquisition costs in accordance with paragraph (3).

(2) Property or interests may not be acquired pursuant to the agreement unless the owner of the property or interests consents to the acquisition.

(3) An agreement with an eligible entity under this section may provide for the management of natural resources on, and the monitoring and enforcement of any right, title, real property in which the Secretary concerned acquires any right, title, or interest in accordance with this subsection and for the payment by the United States of all or a portion of the costs of such natural resource management and monitoring and enforcement if the Secretary concerned determines that there is a demonstrated need to preserve or restore habitat for the purpose described in subsection (a)(2). Any such payment by the United States—

(A) may be paid in a lump sum and include an amount intended to cover the future costs of natural resource management and monitoring and enforcement; and

(B) may be placed by the eligible entity in an interest-bearing account, and any interest shall be applied for the same purposes as the principal.

(4)(A) The Secretary concerned shall determine the appropriate portion of the acquisition costs to be borne by the United States in the sharing of acquisition costs of real property, or an interest in real property, under paragraph (1)(B).

(B) In lieu of or in addition to making a monetary contribution toward the cost of acquiring a parcel of real property, or an interest therein, pursuant to an agreement under this section, the Secretary concerned may convey, using the authority provided by section 2869 of this title, real property described in paragraph (2) of subsection (a) of such section, subject to the limitation in paragraph (3) of such subsection.

(C) The portion of acquisition costs borne by the United States under subparagraph (A), either through the contribution of funds or excess real property, or both, may not exceed an amount equal to, at the discretion of the Secretary concerned—

(ii) the cumulative fair market value of all properties or interests to be transferred to the United States under paragraph (5) pursuant to an agreement under subsection (a).

(D) The portion of acquisition costs borne by the United States under subparagraph (A) may exceed the amount determined under subparagraph (C), but only if—

(i) the Secretary concerned provides written notice to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives containing—

(I) a certification by the Secretary that the military value to the United States of the property or interest to be acquired justifies a payment in excess of the fair market value of the property or interest; and

(II) a description of the military value to be obtained; and

(ii) the contribution toward the acquisition costs of the property or interest is not made until at least 14 days after the date on which the notice is submitted under clause (i) or, if earlier, at least 10 days after the date on which a copy of the notice is provided in an electronic medium pursuant to section 480 of this title.

(E) The contribution of an entity or entities to the acquisition costs of real property, or an interest in real property, under paragraph (1)(B) may include, with the approval of the Secretary concerned, the following or any combination of the following:

(5)(A) The agreement shall require the entity or entities to transfer to the United States, upon the request of the Secretary concerned, all or a portion of the property or interest acquired under the agreement or a lesser interest therein. No such requirement need be included in the agreement if the property or interest is being transferred to a State, or the agreement requires it to be subsequently transferred to a State, and the Secretary concerned determines that the laws and regulations applicable to the future use of such property or interest provide adequate assurance that the property concerned will be developed and used in a manner appro-

priate for purposes of this section. The Secretary shall limit such transfer request to the minimum property or interests necessary to ensure that the property concerned is developed and used in a manner appropriate for purposes of this section.

(B) Notwithstanding subparagraph (A), if all or a portion of the property or interest acquired under the agreement is subsequently transferred to the United States and administrative jurisdiction over the property is under a Federal official other than a Secretary concerned, the Secretary concerned and that Federal official shall enter into a memorandum of agreement providing, to the satisfaction of the Secretary concerned, for the management of the property or interest concerned in a manner appropriate for purposes of this section. Such memorandum of agreement shall also provide that, should it be proposed that the property or interest concerned be developed or used in a manner not appropriate for purposes of this section, including declaring the property to be excess to the agency's needs or proposing to exchange the property for other property, the Secretary concerned may request that administrative jurisdiction over the property be transferred to the Secretary concerned at no cost, and, upon such a request being made, the administrative jurisdiction over the property shall be transferred accordingly.

(6) The Secretary concerned may accept on behalf of the United States any property or interest to be transferred to the United States under the agreement.

''(ii) add a military installation to the list of military installations recommended by the Secretary for realignment; or

''(iii) increase the extent of a realignment of a particular military installation recommended by the Secretary.

''(E) In making recommendations under this paragraph, the Commission may not take into account for any purpose any advance conversion planning undertaken by an affected community with respect to the anticipated closure or realignment of a military installation.

''(3) The Commission shall explain and justify in its report submitted to the President pursuant to paragraph (2) any recommendation made by the Commission that is different from the recommendations made by the Secretary pursuant to subsection (c). The Commission shall transmit a copy of such report to the congressional defense committees on the same date on which it transmits its recommendations to the President under paragraph (2).

''(2) If the President approves all the recommendations of the Commission, the President shall transmit a copy of such recommendations to the Congress, together with a certification of such approval.

''(3) If the President disapproves the recommendations of the Commission, in whole or in part, the President shall transmit to the Commission and the Congress the reasons for that disapproval. The Commission shall then transmit to the President, by no later than August 15 of the year concerned, a revised list of recommendations for the closure and realignment of military installations.

''(4) If the President approves all of the revised recommendations of the Commission transmitted to the President under paragraph (3), the President shall transmit a copy of such revised recommendations to the Congress, together with a certification of such approval.

''(5) If the President does not transmit to the Congress an approval and certification described in paragraph (2) or (4) by September 1 of any year in which the Commission has transmitted recommendations to the President under this part, the process by which military installations may be selected for closure or realignment under this part with respect to that year shall be terminated.

''(B) The Secretary may, with the concurrence of the Administrator of General Services—

''(i) prescribe general policies and methods for utilizing excess property and disposing of surplus property pursuant to the authority delegated under paragraph (1); and

''(ii) issue regulations relating to such policies and methods, which shall supersede the regulations referred to in subparagraph (A) with respect to that authority.

''(C) The Secretary of Defense may transfer real property or facilities located at a military installation to be closed or realigned under this part, with or without reimbursement, to a military department or other entity (including a nonappropriated fund instrumentality) within the Department of Defense or the Coast Guard.

''(D) Before any action may be taken with respect to the disposal of any surplus real property or facility located at any military installation to be closed or realigned under this part, the Secretary of Defense shall consult with the Governor of the State and the heads of the local governments concerned for the purpose of considering any plan for the use of such property by the local community concerned.

''(E) If a military installation to be closed, realigned, or placed in an inactive status under this part includes a road used for public access through, into, or around the installation, the Secretary of Defense shall consult with the Governor of the State and the heads of the local governments concerned for the purpose of considering the continued availability of the road for public use after the installation is closed, realigned, or placed in an inactive status.

''(3)(A) Not later than 6 months after the date of approval of the closure or realignment of a military installation under this part, the Secretary, in consultation with the redevelopment authority with respect to the installation, shall—

''(i) inventory the personal property located at the installation; and

''(ii) identify the items (or categories of items) of such personal property that the Secretary determines to be related to real property and anticipates will support the implementation of the redevelopment plan with respect to the installation.

''(B) If no redevelopment authority referred to in subparagraph (A) exists with respect to an installation, the Secretary shall consult with—

''(i) the local government in whose jurisdiction the installation is wholly located; or

''(ii) a local government agency or State government agency designated for the purpose of such consultation by the chief executive officer of the State in which the installation is located.

''(C)(i) Except as provided in subparagraphs (E) and (F), the Secretary may not carry out any of the activities referred to in clause (ii) with respect to an installation referred to in that clause until the earlier of—

''(I) one week after the date on which the redevelopment plan for the installation is submitted to the Secretary;

''(II) the date on which the redevelopment authority notifies the Secretary that it will not submit such a plan;

''(III) twenty-four months after the date of approval of the closure or realignment of the installation; or

''(IV) ninety days before the date of the closure or realignment of the installation.

''(ii) The activities referred to in clause (i) are activities relating to the closure or realignment of an installation to be closed or realigned under this part as follows:

''(I) The transfer from the installation of items of personal property at the installation identified in accordance with subparagraph (A).

''(II) The reduction in maintenance and repair of facilities or equipment located at the installation below the minimum levels required to support the use of such facilities or equipment for nonmilitary purposes.

''(D) Except as provided in paragraph (4), the Secretary may not transfer items of personal property located at an installation to be closed or realigned under this part to another installation, or dispose of such items, if such items are identified in the redevelopment plan for the installation as items essential to the reuse or redevelopment of the installation. In connection with the development of the redevelopment plan for the installation, the Secretary shall consult with the entity responsible for developing the redevelopment plan to identify the items of personal property located at the installation, if any, that the entity desires to be retained at the installation for reuse or redevelopment of the installation.

''(E) This paragraph shall not apply to any personal property located at an installation to be closed or realigned under this part if the property—

''(i) is required for the operation of a unit, function, component, weapon, or weapons system at another installation;

''(ii) is uniquely military in character, and is likely to have no civilian use (other than use for its material content or as a source of commonly used components);

''(iii) is not required for the reutilization or redevelopment of the installation (as jointly determined by the Secretary and the redevelopment authority);

''(iv) is stored at the installation for purposes of distribution (including spare parts or stock items); or

''(v)(I) meets known requirements of an authorized program of another Federal department or agency for which expenditures for similar property would be necessary, and (II) is the subject of a written request by the head of the department or agency.

''(F) Notwithstanding subparagraphs (C)(i) and (D), the Secretary may carry out any activity referred to in subparagraph (C)(ii) or (D) if the Secretary determines that the carrying out of such activity is in the national security interest of the United States.

''(4)(A) The Secretary may transfer real property and personal property located at a military installation to be closed or realigned under this part to the redevelopment authority with respect to the installation for purposes of job generation on the installation.

''(B) The transfer of property located at a military installation under subparagraph (A) may be for consideration at or below the estimated fair market value or without consideration. The determination of such consideration may account for the economic conditions of the local affected community and the estimated costs to redevelop the property. The Secretary may accept, as consideration, a share of the revenues that the redevelopment authority receives from third-party buyers or lessees from sales and long-term leases of the conveyed property, consideration in kind (including goods and services), real property and improvements, or such

other consideration as the Secretary considers appropriate. The transfer of property located at a military installation under subparagraph (A) may be made for consideration below the estimated fair market value or without consideration only if the redevelopment authority with respect to the installation—

''(i) agrees that the proceeds from any sale or lease of the property (or any portion thereof) received by the redevelopment authority during at least the first seven years after the date of the initial transfer of property under subparagraph (A) shall be used to support the economic redevelopment of, or related to, the installation; and

''(ii) executes the agreement for transfer of the property and accepts control of the property within a reasonable time after the date of the property disposal record of decision or finding of no significant impact under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

''(C) For purposes of subparagraph (B)(i), the use of proceeds from a sale or lease described in such subparagraph to pay for, or offset the costs of, public investment on or related to the installation for any of the following purposes shall be considered a use to support the economic redevelopment of, or related to, the installation:

''(i) Road construction.

''(ii) Transportation management facilities.

''(iii) Storm and sanitary sewer construction.

''(iv) Police and fire protection facilities and other public facilities.

''(ix) Demolition.

''(x) Disposal of hazardous materials generated by demolition.

''(xi) Landscaping, grading, and other site or public improvements.

''(xii) Planning for or the marketing of the development and reuse of the installation.

''(D) The Secretary may recoup from a redevelopment authority such portion of the proceeds from a sale or lease described in subparagraph (B) as the Secretary determines appropriate if the redevelopment authority does not use the proceeds to support economic redevelopment of, or related to, the installation for the period specified in subparagraph (B).

''(E)(i) The Secretary may transfer real property at an installation approved for closure or realignment under this part (including property at an installation approved for realignment which will be retained by the Department of Defense or another Federal agency after realignment) to the redevelopment authority for the installation if the redevelopment authority agrees to lease, directly upon transfer, one or more portions of the property transferred under this subparagraph to the Secretary or to the head of another department or agency of the Federal Government. Subparagraph (B) shall apply to a transfer under this subparagraph.

''(ii) A lease under clause (i) shall be for a term of not to exceed 50 years, but may provide for options for renewal or extension of the term by the department or agency concerned.

''(iii) A lease under clause (i) may not require rental payments by the United States.

''(iv) A lease under clause (i) shall include a provision specifying that if the department or agency concerned ceases requiring the use of the leased property before the expiration of the term of the lease, the remainder of the lease term may be satisfied by the same or another department or agency of the Federal Government using the property for a use similar to the use under the lease. Exercise of the authority provided by this clause shall be made in consultation with the redevelopment authority concerned.

''(v) Notwithstanding clause (iii), if a lease under clause (i) involves a substantial portion of the installation, the department or agency concerned may obtain facility services for the leased property and common area maintenance from the redevelopment authority or the redevelopment authority's assignee as a provision of the lease. The facility services and common area maintenance shall be provided at a rate no higher than the rate charged to non-Federal tenants of the transferred property. Facility services and common area maintenance covered by the lease shall not include—

''(I) municipal services that a State or local government is required by law to provide to all landowners in its jurisdiction without direct charge; or

''(II) firefighting or security-guard functions.

''(F) The transfer of personal property under subparagraph (A) shall not be subject to the provisions of subchapters II and III of chapter 5 of title 40, United States Code, if the Secretary determines that the transfer of such property is necessary for the effective implementation of a redevelopment plan with respect to the installation at which such property is located.

''(G) The provisions of section 120(h) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)) shall apply to any transfer of real property under this paragraph.

''(H)(i) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into before April 21, 1999, the Secretary may modify the agreement, and in so doing compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States, if—

''(I) the Secretary determines that as a result of changed economic circumstances, a modification of the agreement is necessary;

''(II) the terms of the modification do not require the return of any payments that have been made to the Secretary;

''(III) the terms of the modification do not compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States with respect to in-kind consideration; and

''(IV) the cash consideration to which the United States is entitled under the modified agreement, when combined with the cash consideration to be received by the United States for the disposal of other real property assets on the installation, are as sufficient as they were under the original agreement to fund the reserve account established under section 204(b)(7)(C) of the Defense Authorization Amendments and Base Closure and Realignment Act [Pub. L. 100–526, 10 U.S.C. 2687 note], with the depreciated value of the investment made with commissary store funds or nonappropriated funds in property disposed of pursuant to the agreement being modified, in accordance with section 2906(d).

''(ii) When exercising the authority granted by clause (i), the Secretary may waive some or all future payments if, and to the extent that, the Secretary determines such waiver is necessary.

''(iii) With the exception of the requirement that the transfer be without consideration, the requirements of subparagraphs (B), (C), and (D) shall be applicable to any agreement modified pursuant to clause (i).

''(I) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into during the period beginning on April 21, 1999, and ending on the date of enactment of the National Defense Authorization Act for Fiscal Year 2000 [Oct. 5, 1999], at the request of the redevelopment authority concerned, the Secretary shall modify the agreement to conform to all the requirements of subparagraphs (B), (C), and (D). Such a modification may include the compromise, waiver, adjustment, release, or reduction of any right, title, claim, lien, or demand of the United States under the agreement.

''(J) The Secretary may require any additional terms and conditions in connection with a transfer under this paragraph as such Secretary considers appropriate to protect the interests of the United States.

''(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Sec-

retary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed or realigned under this part, or will accept transfer of any portion of such installation, are made not later than 6 months after the date of approval of closure or realignment of that installation.

''(B) The Secretary may, in consultation with the redevelopment authority with respect to an installation, postpone making the final determinations referred to in subparagraph (A) with respect to the installation for such period as the Secretary determines appropriate if the Secretary determines that such postponement is in the best interests of the communities affected by the closure or realignment of the installation.

''(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this part as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

''(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be served by the new or replacement Federal facility or within a 200-mile radius of the new or replacement facility, whichever area is greater, were considered to be unsuitable or unavailable for the site of the new or replacement facility.

''(iii) This subparagraph shall apply during the period beginning on the date of the enactment of the National Defense Authorization Act for Fiscal Year 1998 [Nov. 18, 1997] and ending on July 31, 2001.

''(6)(A) Except as provided in this paragraph, nothing in this section shall limit or otherwise affect the application of the provisions of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.) to military installations closed under this part. For procedures relating to the use to assist the homeless of buildings and property at installations closed under this part after the date of the enactment of this sentence [Oct. 25, 1994], see paragraph (7).

''(B)(i) Not later than the date on which the Secretary of Defense completes the determination under paragraph (5) of the transferability of any portion of an installation to be closed under this part, the Secretary shall—

''(I) complete any determinations or surveys necessary to determine whether any building or property referred to in clause (ii) is excess property, surplus property, or unutilized or underutilized property for the purpose of the information referred to in section 501(a) of such Act (42 U.S.C. 11411(a)); and

''(II) submit to the Secretary of Housing and Urban Development information on any building or property that is so determined.

''(ii) The buildings and property referred to in clause (i) are any buildings or property located at an installation referred to in that clause for which no use is identified, or of which no Federal department or agency will accept transfer, pursuant to the determination of transferability referred to in that clause.

''(C) Not later than 60 days after the date on which the Secretary of Defense submits information to the Secretary of Housing and Urban Development under subparagraph (B)(ii), the Secretary of Housing and Urban Development shall—

''(i) identify the buildings and property described in such information that are suitable for use to assist the homeless;

''(ii) notify the Secretary of Defense of the buildings and property that are so identified;

''(iii) publish in the Federal Register a list of the buildings and property that are so identified, including with respect to each building or property the information referred to in section 501(c)(1)(B) of such Act [42 U.S.C. 11411(c)(1)(B)]; and

''(iv) make available with respect to each building and property the information referred to in section 501(c)(1)(C) of such Act in accordance with such section 501(c)(1)(C).

''(D) Any buildings and property included in a list published under subparagraph (C)(iii) shall be treated as property available for application for use to assist the homeless under section 501(d) of such Act.

''(E) The Secretary of Defense shall make available in accordance with section 501(f) of such Act any buildings or property referred to in subparagraph (D) for which—

''(i) a written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act;

''(ii) an application for use of such buildings or property for such purpose is submitted to the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act; and

''(iii) the Secretary of Health and Human Services—

''(I) completes all actions on the application in accordance with section 501(e)(3) of such Act; and

''(II) approves the application under section 501(e) of such Act.

''(F)(i) Subject to clause (ii), a redevelopment authority may express in writing an interest in using buildings and property referred to subparagraph (D), and buildings and property referred to in subparagraph (B)(ii) which have not been identified as suitable for use to assist the homeless under subparagraph (C), or use such buildings and property, in accordance with the redevelopment plan with respect to the installation at which such buildings and property are located as follows:

''(I) If no written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act during the 60-day period beginning on the date of the publication of the buildings and property under subparagraph (C)(iii).

''(II) In the case of buildings and property for which such notice is so received, if no completed application for use of the buildings or property for such purpose is received by the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act during the 90-day period beginning on the date of the receipt of such notice.

''(III) In the case of buildings and property for which such application is so received, if the Secretary of Health and Human Services rejects the application under section 501(e) of such Act.

''(III) In the case of buildings and property referred to in clause (i)(III), during the one-year period beginning on the date of the rejection of the application referred to in that clause.

''(iii) A redevelopment authority shall express an interest in the use of buildings and property under this

subparagraph by notifying the Secretary of Defense, in writing, of such an interest.

''(G)(i) Buildings and property available for a redevelopment authority under subparagraph (F) shall not be available for use to assist the homeless under section 501 of such Act [42 U.S.C. 11411] while so available for a redevelopment authority.

''(ii) If a redevelopment authority does not express an interest in the use of buildings or property, or commence the use of buildings or property, under subparagraph (F) within the applicable time periods specified in clause (ii) of such subparagraph, such buildings or property shall be treated as property available for use to assist the homeless under section 501(a) of such Act.

''(7)(A) The disposal of buildings and property located at installations approved for closure or realignment under this part after October 25, 1994, shall be carried out in accordance with this paragraph rather than paragraph (6).

''(B)(i) Not later than the date on which the Secretary of Defense completes the final determinations referred to in paragraph (5) relating to the use or transferability of any portion of an installation covered by this paragraph, the Secretary shall—

''(C)(i) State and local governments, representatives of the homeless, and other interested parties located in the communities in the vicinity of an installation covered by this paragraph shall submit to the redevelopment authority for the installation a notice of the interest, if any, of such governments, representatives, and parties in the buildings or property, or any portion thereof, at the installation that are identified under subparagraph (B)(i)(II). A notice of interest under this clause shall describe the need of the government, representative, or party concerned for the buildings or property covered by the notice.

''(D)(i) State and local governments, representatives of the homeless, and other interested parties shall submit a notice of interest to a redevelopment authority under subparagraph (C) not later than the date specified for such notice by the redevelopment authority.

''(ii) The date specified under clause (i) shall be—

''(F)(i) The redevelopment authority for each installation covered by this paragraph shall prepare a redevelopment plan for the installation. The redevelopment authority shall, in preparing the plan, consider the interests in the use to assist the homeless of the buildings and property at the installation that are expressed in the notices submitted to the redevelopment authority under subparagraph (C).

''(ii)(I) In connection with a redevelopment plan for an installation, a redevelopment authority and representatives of the homeless shall prepare legally binding agreements that provide for the use to assist the homeless of buildings and property, resources, and assistance on or off the installation. The implementation of such agreements shall be contingent upon the decision regarding the disposal of the buildings and property covered by the agreements by the Secretary of Defense under subparagraph (K) or (L).

''(II) Agreements under this clause shall provide for the reversion to the redevelopment authority concerned, or to such other entity or entities as the agreements shall provide, of buildings and property that are made available under this paragraph for use to assist

''(H)(i) Not later than 60 days after receiving a redevelopment plan under subparagraph (G), the Secretary of Housing and Urban Development shall complete a review of the plan. The purpose of the review is to determine whether the plan, with respect to the expressed interest and requests of representatives of the homeless—

''(I) takes into consideration the size and nature of the homeless population in the communities in the vicinity of the installation, the availability of existing services in such communities to meet the needs of the homeless in such communities, and the suitability of the buildings and property covered by the plan for the use and needs of the homeless in such communities;

''(iii) The Secretary of Housing and Urban Development may engage in negotiations and consultations with a redevelopment authority before or during the course of a review under clause (i) with a view toward resolving any preliminary determination of the Secretary that a redevelopment plan does not meet a requirement set forth in that clause. The redevelopment authority may modify the redevelopment plan as a result of such negotiations and consultations.

''(iv) Upon completion of a review of a redevelopment plan under clause (i), the Secretary of Housing and Urban Development shall notify the Secretary of Defense and the redevelopment authority concerned of the determination of the Secretary of Housing and Urban Development under that clause.

''(v) If the Secretary of Housing and Urban Development determines as a result of such a review that a redevelopment plan does not meet the requirements set forth in clause (i), a notice under clause (iv) shall include—

''(ii) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation.

''(iii) The Secretary of Defense shall dispose of buildings and property under clause (i) in accordance with the record of decision or other decision document prepared by the Secretary in accordance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). ''(iv)(I) Upon notice from the Secretary of Housing and Urban Development with respect to an installation under clause (iii), the Secretary of Defense shall dispose of buildings and property at the installation in consultation with the Secretary of Housing and Urban Development and the redevelopment authority concerned.

''(II) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan submitted by the redevelopment authority for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation. The Secretary of Defense shall incorporate the notification of the Secretary of Housing and Urban Development under clause (iii)(I) as part of the proposed Federal action for the installation only to the extent, if any, that the Secretary of Defense considers such incorporation to be appropriate and consistent with the best and highest use of the installation as a whole, taking into consideration the redevelopment plan submitted by the redevelopment authority.

A redevelopment authority may not be required to utilize the building or property to assist the homeless.

''(N) The Secretary of Defense may postpone or extend any deadline provided for under this paragraph in the case of an installation covered by this paragraph for such period as the Secretary considers appropriate if the Secretary determines that such postponement is in the interests of the communities affected by the closure or realignment of the installation. ''(B) The Secretary may exercise the authority provided under this paragraph without regard to the provisions of chapter 146 of title 10, United States Code.

''(C) The Secretary may not exercise the authority under subparagraph (A) with respect to an installation earlier than 180 days before the date on which the installation is to be closed.

The real property and facilities referred to in subparagraph (A) are also the real property and facilities located at an installation approved for closure or realignment under this part after 2001 that are available for purposes other than to assist the homeless.

''(C) The Secretary may require any additional terms and conditions in connection with an agreement authorized by subparagraph (A) as the Secretary considers appropriate to protect the interests of the United States.

The Secretary shall provide such information before entering into the agreement.

''(5) Nothing in this subsection shall be construed to modify, alter, or amend the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601 et seq.) or the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.).

''(2) Any payment made under this subsection shall not exceed 90 percent of the purchase price of the manufactured housing, as paid by the member or any spouse of the member, plus the cost of any permanent improvements subsequently made to the manufactured housing by the member or spouse of the member.

''(e) CONSIDERATION BY OTHER HOUSE.—(1) If, before the passage by one House of a resolution of that House described in subsection (a), that House receives from the other House a resolution described in subsection (a), then the following procedures shall apply:

''(A) The resolution of the other House shall not be referred to a committee and may not be considered in the House receiving it except in the case of final passage as provided in subparagraph (B)(ii).

''(B) With respect to a resolution described in subsection (a) of the House receiving the resolution—

''(i) the procedure in that House shall be the same as if no resolution had been received from the other House; but

''(2) Upon disposition of the resolution received from the other House, it shall no longer be in order to consider the resolution that originated in the receiving House.

''(f) RULES OF THE SENATE AND HOUSE.—This section is enacted by Congress—

''(1) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a resolution described in subsection (a), and it supersedes other rules only to the extent that it is inconsistent with such rules; and

''(H)(i) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into before April 21, 1999, the Secretary may modify the agreement, and in so doing compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States, if—

''(I) the Secretary determines that as a result of changed economic circumstances, a modification of the agreement is necessary;

''(II) the terms of the modification do not require the return of any payments that have been made to the Secretary;

Such a modification may include the compromise, waiver, adjustment, release, or reduction of any right, title, claim, lien, or demand of the United States under the agreement.

''(J) The Secretary may require any additional terms and conditions in connection with a transfer under this paragraph as such Secretary considers appropriate to protect the interests of the United States.

''(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Secretary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed under this title after the date of the enactment of the National Defense Authorization Act for Fiscal Year 1994 [Nov. 30, 1993], or will accept transfer of any portion of such installation, are made not later than 6 months after such date of enactment.

''(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this title as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

''(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be served by the new or replacement Federal facility or within a 200-mile radius of the new or replacement facility, whichever area is greater, were considered to be unsuitable or unavailable for the site of the new or replacement facility.

''(iii) This subparagraph shall apply during the period beginning on the date of the enactment of the National Defense Authorization Act for Fiscal Year 1998 [Nov. 18, 1997] and ending on July 31, 2001.

§ 2688. Utility systems: conveyance authority

(a) CONVEYANCE AUTHORITY.—The Secretary of a military department may convey a utility system, or part of a utility system, under the jurisdiction of the Secretary to a municipal, private, regional, district, or cooperative utility company or other entity. The conveyance may consist of all right, title, and interest of the United States in the utility system or such lesser estate as the Secretary considers appropriate to serve the interests of the United States.

(b) SELECTION OF CONVEYEE.—(1) If more than one utility or entity referred to in subsection (a) notifies the Secretary concerned of an interest in a conveyance under such subsection, the Secretary shall carry out the conveyance through the use of competitive procedures.

(2) Notwithstanding paragraph (1), the Secretary concerned may use procedures other than competitive procedures, but only in accordance with subsections (c) through (f) of section 2304 of this title, to select the conveyee of a utility system (or part of a utility system) under subsection (a).

(3) With respect to the solicitation process used in connection with the conveyance of a utility system (or part of a utility system) under subsection (a), the Secretary concerned shall ensure that the process is conducted in a manner consistent with the laws and regulations of the State in which the utility system is located to the extent necessary to ensure that all interested regulated and unregulated utility companies and other interested entities receive an opportunity to acquire and operate the utility system to be conveyed.

(c) CONSIDERATION.—(1) The Secretary concerned may require as consideration for a conveyance under subsection (a) an amount equal to the fair market value (as determined by the Secretary) of the right, title, or interest of the United States conveyed. The consideration may take the form of—

(A) a lump sum payment; or

(B) a reduction in charges for utility services provided by the utility or entity concerned to the military installation at which the utility system is located.

(2) If the utility services proposed to be provided as consideration under paragraph (1) are subject to regulation by a Federal or State agency, any reduction in the rate charged for the utility services shall be subject to establishment or approval by that agency.

(d) CONTRACTS FOR UTILITY SERVICES.—(1) Except as provided in paragraph (2), a contract for the receipt of utility services as consideration under subsection (c), or any other contract for utility services entered into by the Secretary concerned in connection with the conveyance of a utility system under this section, may be for a period not to exceed 10 years.

(2) The Secretary of Defense, or the designee of the Secretary, may authorize a contract for utility services described in paragraph (1) to have a term in excess of 10 years, but not to exceed 50 years, if the Secretary determines that a contract for a longer term will be cost effective. The determination of cost effectiveness shall be made using a business case analysis that includes an independent estimate of the level of investment that should be required to maintain adequate operation of the utility system over the proposed term of the contract.

(e) TREATMENT OF PAYMENTS.—(1) A lump sum payment received under subsection (c) shall be credited, at the election of the Secretary concerned—

(A) to an appropriation of the military department concerned available for the procurement of the same utility services as are provided by the utility system conveyed under this section;

(B) to an appropriation of the military department available for carrying out energy savings projects or water conservation projects; or

(C) to an appropriation of the military department available for improvements to other utility systems.

(2) Amounts so credited shall be merged with funds in the appropriation to which credited and shall be available for the same purposes, and subject to the same conditions and limitations, as the appropriation with which merged.

(2) The Secretary concerned shall require in any contract for the conveyance of a utility system (or part of a utility system) under subsection (a) that the conveyee manage and operate the utility system in a manner consistent with applicable Federal and State regulations pertaining to health, safety, fire, and environmental requirements.

(h) ASSISTANCE FOR CONSTRUCTION, REPAIR, OR REPLACEMENT OF UTILITY SYSTEMS.—In lieu of carrying out a military construction project to construct, repair, or replace a utility system, the Secretary concerned may use funds authorized and appropriated for the project to facilitate the conveyance of the utility system under this section by making a contribution toward the cost of construction, repair, or replacement of the utility system by the entity to which the utility system is being conveyed.

(i) UTILITY SYSTEM DEFINED.—(1) In this section, the term ''utility system'' means any of the following:

(A) A system for the generation and supply of electric power.

(A) the additional utility infrastructure cannot operate without being a part of the conveyed utility system or operation of the additional utility infrastructure by the utility or entity would be in the best interest of the Government; and

(B) the military department receives as consideration an amount for the utility infrastructure determined in the same manner as the consideration the Secretary could require under subsection (c) for a conveyance under subsection (a).

(2) The conveyance under this paragraph may consist of all right, title, and interest of the United States or such lesser estate as the Secretary considers appropriate to serve the interests of the United States.

(k) LIMITATION.—This section shall not apply to projects constructed or operated by the Army Corps of Engineers under its civil works authorities.

(4) is not subject to a pending request for transfer to another Federal agency or for conveyance to any other qualified recipient for public benefit transfer under the real property

disposal processes and authorities under subtitle I of title 40.

If the Secretary concerned determines at any time that the property is not being used or maintained for such purpose, then, at the option of the Secretary, all or any portion of the property shall revert to the United States.

(2) The deed of conveyance may permit the recipient of the property—

(A) to convey the property to another eligible entity, subject to the approval of the Secretary concerned and subject to the same covenants and terms and conditions as provided in the deed from the United States; and

(h) RELATION TO OTHER CONVEYANCE AUTHORITIES.—(1) The Secretary concerned may not make a conveyance under this section of any real property to be disposed of under a base closure law in a manner that is inconsistent with the requirements and conditions of the base closure law.

(B) the technical assistance—

(i) is likely to contribute to the efficiency, effectiveness, or timeliness of environmental restoration activities at the installation; and

(a) REIMBURSEMENT REQUIREMENT.—(1) Each contract or subcontract to which this section applies shall provide that, upon receipt of hazardous wastes properly characterized pursuant to applicable laws and regulations, the contractor or subcontractor will reimburse the Federal Government for all liabilities incurred by, penalties assessed against, costs incurred by, and damages suffered by, the Government that are caused by—

(A) the contractor's or subcontractor's breach of any term or provision of the contract or subcontract; and

§ 2733. Property loss; personal injury or death: incident to noncombat activities of Department of Army, Navy, or Air Force

(a) Under such regulations as the Secretary concerned may prescribe, he, or, subject to appeal to him, the Judge Advocate General of an armed force under his jurisdiction, or the chief Counsel of the Coast Guard, as appropriate, if designated by him, may settle, and pay in an amount not more than $100,000, a claim against the United States for—

(1) damage to or loss of real property, including damage or loss incident to use and occupancy;

(2) damage to or loss of personal property, including property bailed to the United States and including registered or insured mail damaged, lost, or destroyed by a criminal act while in the possession of the Army, Navy, Air Force, Marine Corps, or Coast Guard, as the case may be; or

(3) personal injury or death;

either caused by a civilian officer or employee of that department, or the Coast Guard, or a member of the Army, Navy, Air Force, Marine Corps, or Coast Guard, as the case may be, acting within the scope of his employment, or otherwise incident to noncombat activities of that department, or the Coast Guard.

(b) A claim may be allowed under subsection (a) only if—

(1) it is presented in writing within two years after it accrues, except that if the claim accrues in time of war or armed conflict or if such a war or armed conflict intervenes within two years after it accrues, and if good cause is shown, the claim may be presented not later than two years after the war or armed conflict is terminated;

(2) it is not covered by section 2734 of this title or section 2672 of title 28;

(3) it is not for personal injury or death of such a member or civilian officer or employee whose injury or death is incident to his service;

(4) the damage to, or loss of, property, or the personal injury or death, was not caused wholly or partly by a negligent or wrongful act of the claimant, his agent, or his employee; or, if so caused, allowed only to the extent that the law of the place where the act or omission complained of occurred would permit recovery from a private individual under like circumstances; and

(5) it is substantiated as prescribed in regulations of the Secretary concerned.

For the purposes of clause (1), the dates of the beginning and ending of an armed conflict are the dates established by concurrent resolution of Congress or by a determination of the President.

(c) Payment may not be made under this section for reimbursement for medical, hospital, or burial services furnished at the expense of the United States.

(d) If the Secretary concerned considers that a claim in excess of $100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant $100,000 and report any meritorious amount in excess of $100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(e) Except as provided in subsection (d), no claim may be paid under this section unless the amount tendered is accepted by the claimant in full satisfaction.

(f) For the purposes of this section, a member of the National Oceanic and Atmospheric Administration or of the Public Health Service who is serving with the Navy or Marine Corps shall be treated as if he were a member of that armed force.

(g) Under regulations prescribed by the Secretary concerned, an officer or employee under the jurisdiction of the Secretary may settle a claim that otherwise would be payable under this section in an amount not to exceed $25,000. A decision of the officer or employee who makes a final settlement decision under this section may be appealed by the claimant to the Secretary concerned or an officer or employee designated by the Secretary for that purpose.

(h) Under such regulations as the Secretary of Defense may prescribe, he or his designee has the same authority as the Secretary of a military department under this section with respect to the settlement of claims based on damage, loss, personal injury, or death caused by a civilian officer or employee of the Department of Defense acting within the scope of his employment or otherwise incident to noncombat activities of that department.

The words ''whether under a lease, express or implied'' are omitted as surplusage. The words ''consider, ascertain, adjust, determine'' are omitted as covered by the word ''settle'', as defined in section 2731 of this title. The words ''arising on or after May 27, 1941'' are omitted as executed, since, under revised subsection (b), a claim must be filed within one year after it accrues, or within one year after the war is terminated, if it accrues in time of war.

In subsection (a)(1), the words ''or loss'' are inserted before the word ''incident'', for clarity.

In subsection (b)(1), the words ''it accrues'' are substituted for the words ''the accident or incident out of which such claim arises shall have occurred'', in 31:223b. The words ''the claim accrues'' are substituted for the words ''That if such accident or incident occurs''. The words ''not later than'' are substituted for the words ''within'' to make it clear that a claim may be presented during a war. The words ''the war is terminated'' are substituted for the words ''after peace is established'', since the other time covered is ''time of war''. 31:223b (last 49 words of proviso of 2d sentence) is omitted as executed.

In subsection (b)(2), the words ''or section 2672 of title 28'' are substituted for the words ''claims cognizable under part 2 of this title'', to reflect the express amendment of 31:223b and 223c by the fourth clause of section 424(a) of the Federal Tort Claims Act, 60 Stat. 847. Section 424(a) of the Federal Tort Claims Act referred to ''claims cognizable under part 2 of this title''. Part 2 of that act consisted of sections 403 and 404 which were repealed by section 39 of the Act of June 25, 1948, ch. 646, 62 Stat. 1008, and replaced by sections 2672 and 2673 of title 28. The words ''or possessions thereof'' are omitted, since possessions of foreign countries are not specifically covered by the section to which the words refer.

In subsection (d), the words ''claim * * * that would otherwise be covered by this section'' are substituted for the words ''such claims''.

In subsection (e), the words ''and final settlement'' are omitted as surplusage.

§ 2734. Property loss; personal injury or death: incident to noncombat activities of the armed forces; foreign countries

(a) To promote and to maintain friendly relations through the prompt settlement of meritorious claims, the Secretary concerned, or an officer or employee designated by the Secretary, may appoint, under such regulations as the Secretary may prescribe, one or more claims commissions, each composed of one or more officers or employees or combination of officers or employees of the armed forces, to settle and pay in an amount not more than $100,000, a claim against the United States for—

(1) damage to, or loss of, real property of any foreign country or of any political subdivision or inhabitant of a foreign country, including damage or loss incident to use and occupancy;

(2) damage to, or loss of, personal property of any foreign country or of any political subdivision or inhabitant of a foreign country, including property bailed to the United States; or

(3) personal injury to, or death of, any inhabitant of a foreign country;

if the damage, loss, personal injury, or death occurs outside the United States, or the Common-

The claim of an insured, but not that of a subrogee, may be considered under this subsection. In this section, ''foreign country'' includes any place under the jurisdiction of the United States in a foreign country. An officer or employee may serve on a claims commission under the jurisdiction of another armed force only with the consent of the Secretary of his department, or his designee, but shall perform his duties under regulations of the department appointing the commission.

(b) A claim may be allowed under subsection (a) only if—

(1) it is presented within two years after it accrues;

(3) it did not arise from action by an enemy or result directly or indirectly from an act of the armed forces of the United States in combat, except that a claim may be allowed if it arises from an accident or malfunction incident to the operation of an aircraft of the armed forces of the United States, including its airborne ordnance, indirectly related to combat, and occurring while preparing for, going to, or returning from a combat mission.

(c) The Secretary concerned may appoint any officer or employee under the jurisdiction of the Secretary to act as an approval authority for claims determined to be allowable under subsection (a) in an amount in excess of $10,000.

(d) If the Secretary concerned considers that a claim in excess of $100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant $100,000 and report any meritorious amount in excess of $100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(e) Except as provided in subsection (d), no claim may be paid under this section unless the amount tendered is accepted by the claimant in full satisfaction.

(f) Upon the request of the department concerned, a claim arising in that department and covered by subsection (a) may be settled and paid by a commission appointed under subsection (a) and composed of officers of an armed force under the jurisdiction of another department.

(g) Payment of claims against the Coast Guard arising while it is operating as a service in the Department of Homeland Security shall be made out of the appropriation for the operating expenses of the Coast Guard.

(h) The Secretary of Defense may designate any claims commission appointed under subsection (a) to settle and pay, as provided in this section, claims for damage caused by a civilian employee of the Department of Defense other than an employee of a military department. Payments of claims under this subsection shall be made from appropriations as provided in section 2732 of this title.

		Feb. 25, 1946, ch. 35, §1, 60 Stat. 30; Aug. 4, 1949, ch. 393, §18, 63 Stat. 560.

In subsections (a) and (b), the words ''General Accounting Office'' are substituted for the words ''accounting officers'', for clarity.

In subsection (a), the word ''member'' is substituted for the words ''officers or enlisted persons'', in 10:868 and 34:941a. The words ''his legal representative'' are substituted for the words ''a duly appointed legal representative of the estate'', since an estate, being property and not an entity, has no representative. The words ''duly appointed'' are omitted as surplusage. The words ''highest on the following list'' are substituted for the words ''following order of precedence'', in 10:868 and 34:941a. Clauses (1)–(4) are substituted for the words between the first and second colons of 10:868 and 34:941a. The words ''Surviving spouse'' are substituted for the words ''widow or widower'' after the words ''First, to''.

The definition of the term ''uniformed services'', in 37:361, is omitted as covered by the word ''member'' in this revised section and by sections 3 and 4 of the Act enacting this revised section. Clauses (1)–(6) are substituted for the last 5 clauses of 37:362. The words ''regulations to be prescribed by the Secretary concerned'' are substituted for the words ''regulations of the Department concerned'', since the ''Department'', as such, cannot issue regulations.

In the section, the words ''disbursing official'' are substituted for ''disbursing officer'' for consistency with other titles of the United States Code. The words ''Secretary of the Treasury'' are substituted for ''Treasurer of the United States'' because of section 1(a) of Reorganization Plan No. 26 of 1950 (eff. July 31, 1950, 64 Stat. 1280), restated as section 321 of the revised title contained in section 1 of the bill. The text of 10:2773 is omitted as being superseded by 31:103a and 103b.

In subsection (a)(1), before clause (A), the words ''With the approval of a Secretary of a military department when the Secretary considers it necessary'' are substituted for ''When, in the opinion of the Secretary of the Army, Navy, or Air Force, the exigencies of the service so require . . . with the approval of the head of their executive department'' in 31:103a because of 10:101(7), to eliminate unnecessary words, and for consistency. The title of Secretary of War was changed to Secretary of the Army by section 205(a) of the Act of July 26, 1947 (ch. 343, 61 Stat. 501), and by sections 1 and 53 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 157, 676). The Secretary of the Air Force is included because of sections 205(a) and 207(a) and (f) of the Act of July 26, 1947 (ch. 343, 61 Stat. 501, 502), and section 1 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 488). The words ''deputy disbursing official'' are substituted for ''deputies'' for clarity. In clause (A), the words ''to make payments'' are substituted for ''for the purpose of having them make disbursements'' to eliminate unnecessary words. In clause (C), the words ''to be performed by such disbursing officers'' are omitted as unnecessary.

In subsection (a)(2), the words ''deputy disbursing official'' are substituted for ''agent officer'' for clarity and consistency.

In subsection (b)(1), the word ''disabled'' is substituted for ''incapacity'' for consistency in the title. The word ''until'' is substituted for ''for a period of time not to extend beyond'' to eliminate unnecessary words.

(a) TRANSFERS BACK TO FOREIGN CURRENCY FLUCTUATIONS APPROPRIATION.—(1) Funds trans-

ferred from the appropriation ''Foreign Currency Fluctuations, Defense'' may be transferred back to the appropriation—

(A) when the funds are not needed to pay obligations incurred because of fluctuations in currency exchange rates of foreign countries in the appropriation to which the funds were originally transferred; and

(B) because of subsequent favorable fluctuations in the rates or because other funds are, or become, available to pay the obligations.

(e) DETERMINATIONS OF VIOLATIONS.—(1) The district court of the United States for the district in which the property is located, or the district in which the person in possession of the property resides or is subject to service, shall have jurisdiction, regardless of the current approximated or estimated value of the property, to determine whether property was disposed of in violation of subsection (a). Any such determination shall be by a preponderance of the evidence.

(2) Except as provided in paragraph (3), in the case of property, the possession of which could undermine national security or create a hazard to public health or safety, the determination under paragraph (1) may be made after the seizure of the property, as long as the United States files an action seeking such determination within 90 days after seizure of the property. If the person from whom the property is seized is found to have been lawfully in possession of the property and the return of the property could undermine national security or create a hazard to public health or safety, the Secretary of Defense shall reimburse the person for the market value for the property.

(3) Paragraph (2) shall not apply to any firearm, ammunition, or ammunition component, or firearm part or accessory that is not prohibited for commercial sale.

(f) DELIVERY OF SEIZED PROPERTY.—Any law enforcement official who seizes property under subsection (c) and is not authorized to retain it for the United States shall deliver the property to an authorized member of the armed forces or other authorized official of the Department of Defense or the Department of Justice.

(g) SCOPE OF ENFORCEMENT.—This section shall apply to the following:

§ 2825. Improvements to family housing units

(a)(1) Authority provided by law to improve existing military family housing units and ancillary family housing support facilities is authority to make alterations, additions, expansions, and extensions.

(2) In this section, the term ''improvement'' includes rehabilitation of a housing unit and major maintenance or repair work to be accomplished concurrently with an improvement project. Such term does not include day-to-day maintenance and repair work.

(b)(1) Funds may not be expended for the improvement of any single family housing unit, or for the improvement of two or more housing units that are to be converted into or are to be used as a single family housing unit, if the cost per unit of such improvement will exceed (A) $50,000 multiplied by the area construction cost index as developed by the Department of Defense for the location concerned at the time of contract award, or (B) in the case of improvements necessary to make the unit suitable for habitation by a handicapped person, $60,000 multiplied by such index. The Secretary concerned may waive the limitations contained in the preceding sentence if such Secretary determines that, considering the useful life of the structure to be improved and the useful life of a newly constructed unit and the cost of construction and of operation and maintenance of each kind of unit over its useful life, the improvement will be cost-effective. If the Secretary concerned makes a determination under the preceding sentence with respect to an improvement, the waiver under that sentence with respect to that improvement may take effect only after the Secretary transmits a notice of the proposed waiver, together with an economic analysis demonstrating that the improvement will be cost effective, to the appropriate committees of Congress and a period of 21 days has elapsed after the date on which the notification is received by those committees or, if over sooner, a period of 14 days has elapsed after the date on which a copy of the notice is provided in an electronic medium pursuant to section 480 of this title.

(2) In determining the applicability of the limitation contained in paragraph (1), the Secretary concerned shall include as part of the cost of the improvement of the unit or units concerned the following:

(A) The cost of major maintenance or repair work undertaken in connection with the improvement.

(B) Any cost, other than the cost of activities undertaken beyond a distance of five feet from the unit or units concerned, in connection with—

(i) the furnishing of electricity, gas, water, and sewage disposal;

(ii) the construction or repair of roads, drives, and walks; and

(iii) grading and drainage work.

(3) In determining the applicability of the limitation contained in paragraph (1), the Secretary concerned shall not include as part of the cost of the improvement of the unit or units concerned the following:

(A) The cost of the installation of communications, security, or antiterrorism equipment required by an occupant of the unit or units to perform duties assigned to the occupant as a member of the armed forces.

(B) The cost of the maintenance or repair of equipment described in subparagraph (A) installed for the purpose specified in such subparagraph.

(4) The limitation contained in the first sentence of paragraph (1) does not apply to a project for the improvement of a family housing unit or units referred to in that sentence if the project (including the amount requested for the project) is identified in the budget materials submitted to Congress by the Secretary of Defense in connection with the submission to Congress of the budget for a fiscal year pursuant to section 1105 of title 31.

(c)(1) The Secretary concerned may construct replacement military family housing units in lieu of improving existing military family housing units if—

(A) the improvement of the existing housing units has been authorized by law; and

(B) the Secretary determines that the improvement project is no longer cost-effective after a review of post-design or bid cost estimates.

(2) The amount that may be expended to construct replacement military family housing units under this subsection may not exceed the

amount that is otherwise available to carry out the previously authorized improvement project.

(d) This section does not apply to projects authorized for restoration or replacement of housing units that have been damaged or destroyed.

(Added Pub. L. 97–214, §2(a), July 12, 1982, 96 Stat. 159; amended Pub. L. 99–661, div. B, title VII, §2702(c), Nov. 14, 1986, 100 Stat. 4040; Pub. (a)(1) Subject to paragraph (2), the Secretary of the military department concerned may lease housing facilities at or near a military installation in the United States, Puerto Rico, or Guam for assignment, without rental charge, as family housing to members of the armed forces and for assignment, with fair market rental charge, as family housing to civilian employees of the Department of Defense stationed at such installation.

(2) A lease may only be made under paragraph (1) if the Secretary concerned finds that there is

(D) construction of family housing at such installation has been authorized by law but is not yet completed; or

(E) a military construction authorization bill pending in Congress includes a request for authorization of construction of family housing at such installation.

(b)(1) Not more than 10,000 family housing units may be leased at any one time under subsection (a).

(2) Except as provided in paragraphs (3), (4), and (7), expenditures for the rental of housing units under subsection (a) (including the cost of utilities, maintenance, and operation) may not exceed $12,000 per unit per year, as adjusted from time to time under paragraph (5).

(4)(A) The Secretary of the Army may lease not more than eight housing units in the vicinity of Miami, Florida, for key and essential personnel, as designated by the Secretary, for the United States Southern Command for which the expenditure for the rental of such units (including the cost of utilities, maintenance, and operation, including security enhancements) exceeds the expenditure limitations in paragraphs (2) and (3).

Costs incurred for the leased housing unit during the assignment shall be included in the costs subject to the limitation under subparagraph (B).

(5) At the beginning of each fiscal year, the Secretary concerned shall adjust the maximum lease amount provided for leases under paragraphs (2), (3), and (7) for the previous fiscal year by the percentage (if any) by which the national average monthly cost of housing (as calculated for purposes of determining rates of basic allowance for housing under section 403 of title 37) for the preceding fiscal year exceeds the national average monthly cost of housing (as so calculated) for the fiscal year before such preceding fiscal year.

(6) At the beginning of each fiscal year, the Secretary of the Army shall adjust the maximum aggregate amount for leases under paragraph (4) for the previous fiscal year by the percentage (if any) by which the annual average cost of housing for the Miami Military Housing Area (as calculated for purposes of determining rates of basic allowance for housing under section 403 of title 37) for the preceding fiscal year exceeds the annual average cost of housing for the Miami Military Housing Area (as so calculated) for the fiscal year before such preceding fiscal year.

(7)(A) Not more than 600 housing units may be leased by the Secretary of the Army under subsection (a) for which the expenditure for the rental of such units (including the cost of utilities, maintenance, and operation) exceeds the maximum amount per unit per year in effect under paragraph (2) but does not exceed $35,000 per unit per year, as adjusted from time to time under paragraph (5).

(C) The term of a lease under subparagraph (A) may not exceed 2 years.

(4) in countries that prohibit leases by individual military or civilian personnel of the United States.

(d)(1) Leases of housing units in foreign countries under subsection (c) for assignment as family housing may be for any period not in excess of 10 years, or 15 years in the case of leases in Korea, and the costs of such leases for any year may be paid out of annual appropriations for that year.

(2) The Secretary may enter into an agreement under this paragraph in connection with a lease entered into under subsection (c). Such an agreement—

(A) shall be for the purpose of compensating a developer for any costs resulting from the termination of the lease during the construction of the housing units that are to be occupied pursuant to the lease;

(B) may be for a period not in excess of three years; and

(C) shall include a provision that the obligation of the United States to make payments under the agreement in any fiscal year is subject to the availability of appropriations.

of utilities, maintenance, and operation) may not exceed $20,000 per unit per year, except that 450 units may be leased in foreign countries for not more than $25,000 per unit per year. These maximum lease amounts may be waived by the Secretary concerned with respect to not more than a total of 350 such units that are leased for incumbents of special positions or for personnel assigned to Defense Attache Offices or that are leased in countries where excessive costs of housing would cause undue hardship on Department of Defense personnel.

(1) the Secretary of Defense, or the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, submits to the appropriate committees of Congress, in writing, an economic analysis (based upon accepted life cycle costing procedures) which demonstrates that the proposed contract is cost-effective when compared with alternative means of furnishing the same housing facilities; and

(2) a period of 21 days has expired following the date on which the economic analysis is received by those committees or, if earlier, a period of 14 days has elapsed from the date on which a copy of the analysis is provided in an electronic medium pursuant to section 480 of this title.

§ 2853. Authorized cost and scope of work variations

(a) Except as provided in subsection (c) or (d), the cost authorized for a military construction project or for the construction, improvement, and acquisition of a military family housing project may be increased or decreased by not more than 25 percent of the amount appropriated for such project or 200 percent of the minor construction project ceiling specified in section 2805(a), whichever is less, if the Secretary concerned determines that such revised cost is required for the sole purpose of meeting unusual variations in cost and that such variations in cost could not have reasonably been anticipated at the time the project was authorized by Congress.

(b)(1) Except as provided in subsection (c), the scope of work for a military construction project or for the construction, improvement, and acquisition of a military family housing project may be reduced by not more than 25 percent from the amount specified for that project, construction, improvement, or acquisition in the justification data provided to Congress as part of the request for authorization of the project, construction, improvement, or acquisition. Any reduction in scope of work for a military construction project shall not result in a facility or item of infrastructure that is not complete and useable or does not fully meet the mission requirement contained in the justification data provided to Congress as part of the request for authorization of the project, construction, improvement, or acquisition.

(2) The scope of work for a military construction project or for the construction, improvement, and acquisition of a military family housing project may not be increased above the amount specified for that project, construction, improvement, or acquisition in the justification data provided to Congress as part of the request for authorization of the project, construction, improvement, or acquisition.

(3) In this subsection, the term ''scope of work'' refers to the function, size, or quantity of a facility or item of complete and useable infrastructure contained in the justification data provided to Congress as part of the request for authorization of the project, construction, improvement, or acquisition.

(c) The limitation on cost variations in subsection (a) or the limitation on scope reduction in subsection (b)(1) does not apply if the variation in cost or reduction in the scope of work is approved by the Secretary concerned and—

(1) in the case of a cost increase or a reduction in the scope of work—

(A) the Secretary concerned notifies the appropriate committees of Congress in writing of the cost increase or reduction in scope, the reasons therefor, a certification that the mission requirement identified in the justification data provided to Congress can still be met with the reduced scope, and a description of the funds proposed to be used to finance any increased costs; and

(B) a period of 21 days has elapsed after the date on which the notification is received by the committees or, if over sooner, a period of 14 days has elapsed after the date on which a copy of the notification is provided in an electronic medium pursuant to section 480 of this title; or

(2) in the case of a cost decrease, the Secretary concerned notifies the appropriate committees of Congress in writing not later than 14 days after the date funds are obligated in connection with the military construction project or military family housing project.

(d) The limitation on cost variations in subsection (a) does not apply to the following:

(1) The settlement of a contractor claim under a contract.

(2) The costs associated with the required remediation of an environmental hazard in connection with a military construction project or military family housing project, such as asbestos removal, radon abatement, lead-based paint removal or abatement, or any other legally required environmental hazard remediation, if the required remediation could not have reasonably been anticipated at the time the project was approved originally by Congress.

(e) Notwithstanding the authority under subsections (a) through (d), the Secretary concerned shall ensure compliance of contracts for military construction projects and for the construction, improvement, and acquisition of military family housing projects with section 1341 of title 31 (commonly referred to as the ''Anti-Deficiency Act'').

(A) relate to the management of water demand or to water conservation; and

(B) as determined by the Secretary, are cost effective for the Federal Government.

(3) Subject to paragraph (4), the Secretary of Defense may authorize the Secretary of a military department having jurisdiction over a military installation to enter into an agreement with a utility to design and implement a cost-effective program that provides incentives for the management of water demand and for water conservation and that addresses the requirements and circumstances of the installation. Activities under the program may include the provision of water management services, the alteration of a facility, and the installation and maintenance by the utility of a water-saving device or technology.

(4)(A) If an agreement under paragraph (3) provides for a utility to pay in advance the financing costs for the design or implementation of a program referred to in that paragraph and for such advance payment to be repaid by the United States, the cost of such advance payment may be recovered by the utility under terms that are not less favorable than the terms applicable to the most favored customer of the utility.

(B) Subject to the availability of appropriations, a repayment of an advance payment under subparagraph (A) shall be made from funds available to a military department for the purchase of utility services.

(C) An agreement under paragraph (3) shall provide that title to a water-saving device or technology installed at a military installation pursuant to the agreement shall vest in the United States. (b) USE OF FINANCIAL INCENTIVES AND WATER COST SAVINGS.—(1) Financial incentives received from utilities for management of water demand or water conservation under subsection (a)(2) shall be credited to an appropriation designated by the Secretary of Defense. Amounts so credited shall be merged with the appropriation to which credited and shall be available for the same purposes and the same period as the appropriation with which merged.

(2) Water cost savings realized under subsection (a)(3) shall be used as follows:

(A) One-half of the amount shall be used for water conservation activities at such buildings, facilities, or installations of the Department of Defense as may be designated (in accordance with regulations prescribed by the Secretary of Defense) by the head of the department, agency, or instrumentality that realized the water cost savings.

(B) One-half of the amount shall be used at the installation at which the savings were realized, as determined by the commanding officer of such installation consistent with applicable law and regulations, for—

(i) improvements to existing military family housing units;

(ii) any unspecified minor construction project that will enhance the quality of life of personnel; or

(iii) any morale, welfare, or recreation facility or service.

(c) LIMITATION ON USE OF CONVEYANCE AUTHORITY AT INSTALLATIONS CLOSED UNDER BASE CLOSURE LAWS.—The authority under subsection (a)(2)(A) to convey property located on a military installation may only be used to the extent the conveyance is consistent with an approved redevelopment plan for such installation.

(A) to produce or procure not less than 25 percent of the total quantity of facility energy

it consumes within its facilities during fiscal year 2025 and each fiscal year thereafter from renewable energy sources; and

(B) to produce or procure facility energy from renewable energy sources whenever the use of such renewable energy sources is consistent with the energy performance goals and energy performance master plan for the Department and supported by the special considerations specified in subsection (c).

(2) To help ensure that the goal specified in paragraph (1)(A) regarding the use of renewable energy by the Department of Defense is achieved, the Secretary of Defense shall establish an interim goal for fiscal year 2018 for the production or procurement of facility energy from renewable energy sources.

(3)(A) The Secretary of Defense shall establish a policy to maximize savings for the bulk purchase of replacement renewable energy certificates in connection with the development of facility energy projects using renewable energy sources.

(B) Under the policy required by subparagraph (A), the Secretary of a military department shall submit requests for the purchase of replacement renewable energy certificates to a centralized purchasing authority maintained by such department or the Defense Logistics Agency with expertise regarding—

(i) the market for renewable energy certificates;

(ii) the procurement of renewable energy certificates; and

(iii) obtaining the best value for the military department by maximizing the purchase of renewable energy certificates from projects placed into service before January 1, 1999.

(C) The centralized purchasing authority shall solicit industry for the most competitive offer for replacement renewable energy certificates, to include a combination of renewable energy certificates from new projects and projects placed into service before January 1, 1999.

(D) Subparagraph (B) does not prohibit the Secretary of a military department from entering into an agreement outside of the centralized purchasing authority if the Secretary will obtain the best value by bundling the renewable energy certificates with the facility energy project through a power purchase agreement or other contractual mechanism at the installation.

(E) Nothing in this paragraph shall be construed to authorize the purchase of renewable energy certificates to meet Federal goals or mandates in the absence of the development of a facility energy project using renewable energy sources.

(F) This policy does not make the purchase of renewable energy certificates mandatory, but the policy shall apply whenever original renewable energy certificates are proposed to be swapped for replacement renewable energy certificates.

(A) request statements of qualifications (as prescribed by the Secretary of Defense), including financial and performance information, from firms engaged in providing shared energy savings contracting;

(B) designate from the statements received, with an update at least annually, those firms that are presumptively qualified to provide shared energy savings services;

(C) select at least three firms from the qualifying list to conduct discussions concerning a particular proposed project, including requesting a technical and price proposal from such selected firms for such project; and

(D) select from such firms the most qualified firm to provide shared energy savings services pursuant to a contractual arrangement that the Secretary determines is fair and reasonable, taking into account the estimated value of the services to be rendered and the scope and nature of the project.

(3) In carrying out paragraph (1), the Secretary may also provide for the direct negotiation, by departments, agencies, and instrumentalities of the Department of Defense, of contracts with shared energy savings contractors that have been selected competitively and approved by any gas or electric utility serving the department, agency, or instrumentality concerned.

(b) PARTICIPATION IN GAS OR ELECTRIC UTILITY PROGRAMS.—The Secretary of Defense shall permit and encourage each military department, Defense Agency, and other instrumentality of the Department of Defense to participate in programs conducted by any gas or electric utility for the management of energy demand or for energy conservation.

(c) ACCEPTANCE OF FINANCIAL INCENTIVE, GOODS, OR SERVICES.—The Secretary of Defense may authorize any military installation to accept any financial incentive, goods, or services generally available from a gas or electric utility, to adopt technologies and practices that the Secretary determines are in the interests of the United States and consistent with the energy performance goals for the Department of Defense.

(d) AGREEMENTS WITH GAS OR ELECTRIC UTILITIES.—(1) The Secretary of Defense may authorize the Secretary of a military department having jurisdiction over a military installation to enter into agreements with gas or electric utilities to design and implement cost-effective demand and conservation incentive programs (including energy management services, facilities alterations, and the installation and maintenance of energy saving devices and technologies by the utilities) to address the requirements and circumstances of the installation.

(2) If an agreement under this subsection provides for a utility to advance financing costs for the design or implementation of a program referred to in that paragraph to be repaid by the United States, the cost of such advance may be recovered by the utility under terms no less favorable than those applicable to its most favored customer.

(3) Subject to the availability of appropriations, repayment of costs advanced under para-

graph (2) shall be made from funds available to a military department for the purchase of utility services.

(4) An agreement under this subsection shall provide that title to any energy-saving device or technology installed at a military installation pursuant to the agreement vest in the United States. § 2918. Fuel sources for heating systems; prohibition on converting certain heating facilities

(a)(1) The Secretary of the military department concerned shall provide that the primary

fuel source to be used in any new heating system constructed on lands under the jurisdiction of the military department is the most cost effective fuel for that heating system over the life cycle of the system.

(2) The Secretary of Defense shall prescribe regulations for the determination of the life-cycle cost effectiveness of a fuel for the purposes of paragraph (1).

(b) The Secretary of a military department may not convert a heating facility at a United States military installation in Europe from a coal-fired facility to an oil-fired facility, or to any other energy source facility, unless the Secretary determines that the conversion—

1982 ACT

In 10:2388(c), the title 31 citation is substituted on authority of Pub. L. 97–258, §4(b), Sept. 13, 1982, 96 Stat. 1067, the first section of which enacted title 31.

AMENDMENTS

2006—Pub. L. 109–364 renumbered section 2388 of this title as this section.

1994—Subsec. (a). Pub. L. 103–355 substituted ''liquid fuels or natural gas'' for ''liquid fuels and natural gas''.

1993—Pub. L. 103–160, §825(b), substituted ''Liquid fuels and natural gas: contracts for storage, handling, or distribution'' for ''Liquid fuels: contracts for storage, handling, and distribution'' as section catchline.

Subsecs. (a), (b). Pub. L. 103–160, §825(a)(1), added subsecs. (a) and (b) and struck out former subsecs. (a) and (b) which read as follows:

''(a) The Secretary of a military department may contract for the storage, handling, and distribution of liquid fuels for periods of not more than five years, with options to renew for additional periods of not more than five years each, but not for more than a total of 20 years.

''(b) This section applies only to facilities that conform to standards prescribed by the Secretary of Defense for protection, including dispersal, and that are in a program approved by the Secretary of Defense for the protection of petroleum facilities.''

1990—Subsec. (d). Pub. L. 101–510 struck out subsec. (d) which read as follows: ''The Secretary concerned shall report to the Committees on Armed Services of the Senate and the House of Representatives the terms of the contracts made under this section and the names of the contractors. The reports shall be made at such times and in such form as may be agreed upon by the Secretary and those Committees.''

Pub. L. 97–258, §3(b)(6), directed the substitution of ''section 3324(a) and (b) of title 31'' for ''section 529 of title 31'', which could not be executed in view of prior substitution of language by Pub. L. 97–214.

Pub. L. 97–214, §10(a)(3), substituted ''section 3648 of the Revised Statutes (31 U.S.C. 529)'' for ''section 4774(d) or 9774(d) of this title, section 529 of title 31, or section 259 or 267 of title 40,''.

Amendment by Pub. L. 97–214 effective Oct. 1, 1982, and applicable to military construction projects, and to construction and acquisition of military family housing authorized before, on, or after such date, see section 12(a) of Pub. L. 97–214, set out as an Effective Date note under section 2801 of this title.

NOTICE OF PURCHASE OF DROP-IN FUEL

Pub. L. 113–291, div. A, title III, §316(c), (d), Dec. 19, 2014, 128 Stat. 3339, 3340, provided that:

''(c) NOTICE OF PURCHASE REQUIRED.—If the Secretary of Defense intends to purchase a drop-in fuel intended for operational use with a fully burdened cost in excess of 10 percent more than the fully burdened cost of a traditional fuel available for the same purpose, the Secretary shall provide notice of such intended purchase to the congressional defense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives] by not later than 30 days before the date on which such purchase is intended to be made.

''(d) DEFINITIONS.—In this section [this note]:

''(1) The term 'drop-in fuel' means a neat or blended liquid hydrocarbon fuel designed as a direct replacement for a traditional fuel with comparable performance characteristics and compatible with existing infrastructure and equipment.

''(2) The term 'traditional fuel' means a liquid hydrocarbon fuel derived or refined from petroleum.

''(3) The term 'operational purposes' means for the purposes of conducting military operations, including training, exercises, large scale demonstrations, and moving and sustaining military forces and military platforms. The term does not include research, development, testing, evaluation, fuel certification, or other demonstrations.

''(4) The term 'fully burdened cost' means the commodity price of the fuel plus the total cost of all personnel and assets required to move and, when necessary, protect the fuel from the point at which the

fuel is received from the commercial supplier to the point of use.''

PURCHASES OF GASOHOL AS FUEL FOR MOTOR VEHICLES

Pub. L. 96–107, title VIII, § 815, Nov. 9, 1979, 93 Stat. 817, which had authorized the Secretary of Defense to buy domestically produced alcohol and gasohol for use as fuel in Department of Defense motor vehicles, was repealed and reenacted as section 2398 (now 2922c) of this title by Pub. L. 97–295, §§ 1(29)(A), 6(b), Oct. 12, 1982, 96 Stat. 1293, 1315.

§ 2922a. Contracts for energy or fuel for military installations

(a) Subject to subsection (b), the Secretary of a military department may enter into contracts for periods of up to 30 years—

(1) under section 2917 of this title; and

(2) for the provision and operation of energy production facilities on real property under the Secretary's jurisdiction or on private property and the purchase of energy produced from such facilities.

(b) A contract may be made under subsection (a) only after the approval of the proposed contract by the Secretary of Defense.

(c) The costs of contracts under this section for any year may be paid from annual appropriations for that year.

(Added Pub. L. 97–214, § 6(a)(1), July 12, 1982, 96 Stat. 171, § 2394; amended Pub. L. 97–321, title VIII, § 805(b)(3), Oct. 15, 1982, 96 Stat. 1573; Pub. B, title XXVIII, § 2851(b)(2), (3)(C), Oct. 17, 2006, 120 Stat. 2494.)

AMENDMENTS

Subsec. (a)(1). Pub. L. 109–364, § 2851(b)(3)(C), substituted ''section 2917'' for ''section 2689''.

1990—Subsec. (b). Pub. L. 101–510 substituted ''only after the approval of the proposed contract by the Secretary of Defense'' for ''only—

''(1) after the approval of the proposed contract by the Secretary of Defense; and

''(2) after the Committees on Armed Services and on Appropriations of the Senate and House of Representatives have been notified of the terms of the proposed contract, including the dollar amount of the contract and the amount of energy or fuel to be delivered to the Government under the contract''.

1987—Subsec. (c). Pub. L. 100–26, which directed that ''The term'' be inserted in each paragraph after the paragraph designation and the first word after the first quotation marks in each paragraph be revised so that the initial letter of such word is lowercase, could not be executed because subsec. (c) contained no paragraphs and no quoted words. The probable intent of Congress was to amend section 2393(c) of this title.

1982—Subsec. (a). Pub. L. 97–321, § 805(b)(3)(A), substituted ''subsection (b)'' for ''subsection (c)''.

§ 2922b. Procurement of energy systems using renewable forms of energy

(a) In procuring energy systems the Secretary of a military department shall procure systems that use solar energy or other renewable forms of energy whenever the Secretary determines that such procurement is possible, suited to supplying the energy needs of the military department under the jurisdiction of the Secretary, consistent with the energy performance goals and energy performance plan for the Department of Defense developed under section 2911 of this title, and supported by the special considerations specified in subsection (c) of such section.

(b) The Secretary of Defense shall from time to time study uses for solar energy and other renewable forms of energy to determine what uses of such forms of energy may be reliable in supplying the energy needs of the Department of Defense. The Secretary of Defense, based upon the results of such studies, shall from time to time issue policy guidelines to be followed by the Secretaries of the military departments in carrying out subsection (a) and section 2915 of this title.

Subsec. (a). Pub. L. 109–364, § 2851(b)(3)(D)(i), substituted ''possible, suited'' for ''possible and will be cost effective, reliable, and otherwise suited'' and ''the jurisdiction of the Secretary, consistent with the energy performance goals and energy performance plan for the Department of Defense developed under section 2911 of this title, and supported by the special considerations specified in subsection (c) of such section'' for ''his jurisdiction''.

Subsec. (b). Pub. L. 109–364, § 2851(b)(3)(D)(ii), struck out ''cost effective and'' before ''reliable'' and substituted ''2915'' for ''2857''.

years a report on the studies conducted pursuant to paragraph (1). Each such report shall include any findings of the Secretary with respect to the use of solar energy and other renewable forms of energy in supplying the energy needs of the Department of Defense and any recommendations of the Secretary for changes in law that may be appropriate in light of such studies.''

Subsec. (c)(2), (3). Pub. L. 101–510, § 2852(a), added par. (2) and struck out former pars. (2) and (3) which read as follows:

''(2) A determination under paragraph (1) of whether a cost-differential can be recovered over the expected life of a system shall be made using accepted life-cycle costing procedures and shall include—

''(A) the use of all capital expenses and all operating and maintenance expenses associated with the energy system using solar energy or other renewable forms of energy, and not using such a form of energy, over the expected life of the system or during a period of 25 years, whichever is shorter;

''(B) the use of fossil fuel costs (and a rate of cost growth for fossil fuel costs) as determined by the Secretary of Defense; and

''(C) the use of a discount rate of 7 percent per year for all expenses of the energy system.

''(3) For the purpose of any life-cycle cost analysis under this subsection, the original investment cost of the energy system using solar energy or other renewable forms of energy shall be reduced by 10 percent to reflect an allowance for an investment cost credit.''
