§ 1841. Motor vehicle safety

(a) Mode of transportation subject to coverage

(1) Except as provided in paragraph (2), this section applies to the transportation of any migrant or seasonal agricultural worker.

(2) This section does not apply to the transportation of any migrant or seasonal agricultural worker on a tractor, combine, harvester, picker, or other similar machinery and equipment while such worker is actually engaged in the planting, cultivating, or harvesting of any agricultural commodity or the care of livestock or poultry.

(b) Applicability of standards, licensing, and insurance requirements; promulgation of regulations for standards; criteria, etc., for regulations; amount of insurance required

(1) When using, or causing to be used, any vehicle for providing transportation to which this section applies, each agricultural employer, agricultural association, and farm labor contractor shall—

(A) ensure that such vehicle conforms to the standards prescribed by the Secretary under paragraph (2) of this subsection and other applicable Federal and State safety standards,

(B) ensure that each driver has a valid and appropriate license, as provided by State law, to operate the vehicle, and

(C) have an insurance policy or a liability bond that is in effect which insures the agricultural employer, the agricultural association, or the farm labor contractor against liability for damage to persons or property aris-

ing from the ownership, operation, or the causing to be operated, of any vehicle used to transport any migrant or seasonal agricultural worker.

(2)(A) For purposes of paragraph (1)(A), the Secretary shall prescribe such regulations as may be necessary to protect the health and safety of migrant and seasonal agricultural workers.

(B) To the extent consistent with the protection of the health and safety of migrant and seasonal agricultural workers, the Secretary shall, in promulgating regulations under subparagraph (A), consider, among other factors—

(i) the type of vehicle used,

(ii) the passenger capacity of the vehicle,

(iii) the distance which such workers will be carried in the vehicle,

(iv) the type of roads and highways on which such workers will be carried in the vehicle,

(v) the extent to which a proposed standard would cause an undue burden on agricultural employers, agricultural associations, or farm labor contractors.

(C) Standards prescribed by the Secretary under subparagraph (A) shall be in addition to, and shall not supersede or modify, any standard under part B of subtitle IV of title 49, or regulations issued thereunder, which is independently applicable to transportation to which this section applies. A violation of any such standard shall also constitute a violation under this chapter.

(D) In the event that the Secretary fails for any reason to prescribe standards under subparagraph (A) by the effective date of this chapter, the standards prescribed under section 31502 of title 49, relating to the transportation of migrant workers, shall, for purposes of paragraph (1)(A), be deemed to be the standards prescribed by the Secretary under this paragraph, and shall, as appropriate and reasonable in the circumstances, apply (i) without regard to the mileage and boundary line limitations contained in such section, and (ii) until superseded by standards actually prescribed by the Secretary in accordance with this paragraph.

(3) The level of insurance required under paragraph (1)(C) shall be determined by the Secretary considering at least the factors set forth in paragraph (2)(B) and similar farmworker transportation requirements under State law.

(c) Adjustments of insurance requirements in the event of workers' compensation coverage

If an agricultural employer, agricultural association, or farm labor contractor is the employer of any migrant or seasonal agricultural worker for purposes of a State workers' compensation law and such employer provides workers' compensation coverage for such worker in the case of bodily injury or death as provided by such State law, the following adjustments in the requirements of subsection (b)(1)(C) relating to having an insurance policy or liability bond apply:

(1) No insurance policy or liability bond shall be required of the employer, if such workers are transported only under circumstances for which there is coverage under such State law.

(2) An insurance policy or liability bond shall be required of the employer for circumstances under which coverage for the transportation of such workers is not provided under such State law.

(d) Time for promulgation of regulations for standards implementing requirements; revision of standards

The Secretary shall, by regulations promulgated in accordance with section 1861 of this title not later than the effective date of this chapter, prescribe the standards required for the purposes of implementing this section. Any subsequent revision of such standards shall also be accomplished by regulation promulgated in accordance with such section.

§ 1854. Private right of action

(a) Maintenance of civil action in district court by aggrieved person

Any person aggrieved by a violation of this chapter or any regulation under this chapter by a farm labor contractor, agricultural employer, agricultural association, or other person may file suit in any district court of the United States having jurisdiction of the parties, without respect to the amount in controversy and without regard to the citizenship of the parties and without regard to exhaustion of any alternative administrative remedies provided herein.

(b) Appointment of attorney and commencement of action

Upon application by a complainant and in such circumstances as the court may deem just, the court may appoint an attorney for such complainant and may authorize the commencement of the action.

(c) Award of damages or other equitable relief; amount; criteria; appeal

(1) If the court finds that the respondent has intentionally violated any provision of this chapter or any regulation under this chapter, it may award damages up to and including an amount equal to the amount of actual damages, or statutory damages of up to $500 per plaintiff per violation, or other equitable relief, except that (A) multiple infractions of a single provision of this chapter or of regulations under this chapter shall constitute only one violation for purposes of determining the amount of statutory damages due a plaintiff; and (B) if such complaint is certified as a class action, the court shall award no more than the lesser of up to $500 per plaintiff per violation, or up to $500,000 or other equitable relief.

(2) In determining the amount of damages to be awarded under paragraph (1), the court is authorized to consider whether an attempt was made to resolve the issues in dispute before the resort to litigation.

(3) Any civil action brought under this section shall be subject to appeal as provided in chapter 83 of title 28.

(d) Workers' compensation benefits; exclusive remedy

(1) Notwithstanding any other provision of this chapter, where a State workers' compensation law is applicable and coverage is provided for a migrant or seasonal agricultural worker, the workers' compensation benefits shall be the exclusive remedy for loss of such worker under this chapter in the case of bodily injury or death in accordance with such State's workers' compensation law.

(2) The exclusive remedy prescribed by paragraph (1) precludes the recovery under subsection (c) of actual damages for loss from an injury or death but does not preclude recovery under subsection (c) for statutory damages or equitable relief, except that such relief shall not include back or front pay or in any manner, directly or indirectly, expand or otherwise alter or affect (A) a recovery under a State workers' compensation law or (B) rights conferred under a State workers' compensation law.

(e) Expansion of statutory damages

If the court finds in an action which is brought by or for a worker under subsection (a) in which a claim for actual damages is precluded because the worker's injury is covered by a State workers' compensation law as provided by subsection (d) that—

(1)(A) the defendant in the action violated section 1841(b) of this title by knowingly requiring or permitting a driver to drive a vehicle for the transportation of migrant or seasonal agricultural workers while under the influence of alcohol or a controlled substance (as defined in section 802 of title 21) and the de-

fendant had actual knowledge of the driver's condition, and

(B) such violation resulted in injury to or death of the migrant or seasonal worker by or for whom the action was brought and such injury or death arose out of and in the course of employment as determined under the State workers' compensation law,

(2)(A) the defendant violated a safety standard prescribed by the Secretary under section 1841(b) of this title which the defendant was determined in a previous judicial or administrative proceeding to have violated, and

(B) such safety violation resulted in an injury or death described in paragraph (1)(B),

(3)(A)(i) the defendant willfully disabled or removed a safety device prescribed by the Secretary under section 1841(b) of this title, or

(ii) the defendant in conscious disregard of the requirements of section 1841(b) of this title failed to provide a safety device required under such section, and

(B) such disablement, removal, or failure to provide a safety device resulted in an injury or death described in paragraph (1)(B), or

(4)(A) the defendant violated a safety standard prescribed by the Secretary under section 1841(b) of this title,

(B) such safety violation resulted in an injury or death described in paragraph (1)(B), and

(C) the defendant at the time of the violation of section 1841(b) of this title also was—

(i) an unregistered farm labor contractor in violation of section 1811(a) of this title, or

(ii) a person who utilized the services of a farm labor contractor of the type specified in clause (i) without taking reasonable steps to determine that the farm labor contractor possessed a valid certificate of registration authorizing the performance of the farm labor contracting activities which the contractor was requested or permitted to perform with the knowledge of such person,

the court shall award not more than $10,000 per plaintiff per violation with respect to whom the court made the finding described in paragraph (1), (2), (3), or (4), except that multiple infractions of a single provision of this chapter shall constitute only one violation for purposes of determining the amount of statutory damages due to a plaintiff under this subsection and in the case of a class action, the court shall award not more than the lesser of up to $10,000 per plaintiff or up to $500,000 for all plaintiffs in such class action.

(f) Tolling of statute of limitations

If it is determined under a State workers' compensation law that the workers' compensation law is not applicable to a claim for bodily injury or death of a migrant or seasonal agricultural worker, the statute of limitations for bringing an action for actual damages for such injury or death under subsection (a) shall be tolled for the period during which the claim for such injury or death under such State workers' compensation law was pending. The statute of limitations for an action for other actual damages, statutory damages, or equitable relief arising out of the same transaction or occurrence as the injury or death of the migrant or seasonal agricultural worker shall be tolled for the period during which the claim for such injury or death was pending under the State workers' compensation law.

CHAPTER 21—HELEN KELLER NATIONAL CENTER FOR YOUTHS AND ADULTS WHO ARE DEAF-BLIND

§ 1901. Congressional findings

The Congress finds that—

(1) deaf-blindness is among the most severe of all forms of disabilities, and there is a great and continuing need for services and training to help individuals who are deaf-blind attain the highest possible level of development;

(2) due to the rubella epidemic of the 1960's, the rapidly increasing number of older persons many of whom are experiencing significant losses of both vision and hearing, and recent advances in medical technology that have sustained the lives of many severely disabled individuals, including individuals who are deaf-blind, who might not otherwise have survived, the need for services for individuals who are deaf-blind is even more pressing now than in the past;

(3) helping individuals who are deaf-blind to become self-sufficient, independent, and employable by providing the services and training necessary to accomplish that end will benefit the Nation, both economically and socially;

(4) the Helen Keller National Center for Youths and Adults who are Deaf-Blind is a vital national resource for meeting the needs of individuals who are deaf-blind and no State currently has the facilities or personnel to meet such needs;

(3) the term ''mass layoff'' means a reduction in force which—

(A) is not the result of a plant closing; and

(B) results in an employment loss at the single site of employment during any 30-day period for—

(i)(I) at least 33 percent of the employees (excluding any part-time employees); and

(II) at least 50 employees (excluding any part-time employees); or

(ii) at least 500 employees (excluding any part-time employees);

(4) the term ''representative'' means an exclusive representative of employees within the meaning of section 159(a) or 158(f) of this title or section 152 of title 45;

(b) Exclusions from definition of employment loss

(1) In the case of a sale of part or all of an employer's business, the seller shall be responsible for providing notice for any plant closing or mass layoff in accordance with section 2102 of this title, up to and including the effective date of the sale. After the effective date of the sale of part or all of an employer's business, the purchaser shall be responsible for providing notice for any plant closing or mass layoff in accordance with section 2102 of this title. Notwithstanding any other provision of this chapter, any person who is an employee of the seller (other than a part-time employee) as of the effective date of the sale shall be considered an employee of the purchaser immediately after the effective date of the sale.

(2) Notwithstanding subsection (a)(6), an employee may not be considered to have experienced an employment loss if the closing or layoff is the result of the relocation or consolidation of part or all of the employer's business and, prior to the closing or layoff—

(A) the employer offers to transfer the employee to a different site of employment within a reasonable commuting distance with no more than a 6-month break in employment; or

(B) the employer offers to transfer the employee to any other site of employment regardless of distance with no more than a 6-month break in employment, and the employee accepts within 30 days of the offer or of the closing or layoff, whichever is later.

(Pub. L. 100–379, § 2, Aug. 4, 1988, 102 Stat. 890.)

EFFECTIVE DATE

Pub. L. 100–379, § 11, Aug. 4, 1988, 102 Stat. 895, provided that: ''This Act [enacting this chapter] shall take effect on the date which is 6 months after the date of enactment of this Act [Aug. 4, 1988], except that the authority of the Secretary of Labor under section 8 [section 2107 of this title] is effective upon enactment.''

SHORT TITLE

Pub. L. 100–379, § 1(a), Aug. 4, 1988, 102 Stat. 890, provided that: ''This Act [enacting this chapter] may be cited as the 'Worker Adjustment and Retraining Notification Act'.''

§ 2102. Notice required before plant closings and mass layoffs

(a) Notice to employees, State dislocated worker units, and local governments

An employer shall not order a plant closing or mass layoff until the end of a 60-day period after the employer serves written notice of such an order—

(1) to each representative of the affected employees as of the time of the notice or, if there is no such representative at that time, to each affected employee; and

(2) to the State or entity designated by the State to carry out rapid response activities under section 3174(a)(2)(A) of this title, and the chief elected official of the unit of local government within which such closing or layoff is to occur.

If there is more than one such unit, the unit of local government which the employer shall notify is the unit of local government to which the employer pays the highest taxes for the year preceding the year for which the determination is made.

(b) Reduction of notification period

(1) An employer may order the shutdown of a single site of employment before the conclusion of the 60-day period if as of the time that notice would have been required the employer was actively seeking capital or business which, if obtained, would have enabled the employer to avoid or postpone the shutdown and the employer reasonably and in good faith believed that giving the notice required would have precluded the employer from obtaining the needed capital or business.

(2)(A) An employer may order a plant closing or mass layoff before the conclusion of the 60-day period if the closing or mass layoff is caused by business circumstances that were not reasonably foreseeable as of the time that notice would have been required.

(B) No notice under this chapter shall be required if the plant closing or mass layoff is due to any form of natural disaster, such as a flood, earthquake, or the drought currently ravaging the farmlands of the United States.

(3) An employer relying on this subsection shall give as much notice as is practicable and at that time shall give a brief statement of the basis for reducing the notification period.

(c) Extension of layoff period

A layoff of more than 6 months which, at its outset, was announced to be a layoff of 6 months or less, shall be treated as an employment loss under this chapter unless—

(1) the extension beyond 6 months is caused by business circumstances (including unforeseeable changes in price or cost) not reasonably foreseeable at the time of the initial layoff; and

(2) notice is given at the time it becomes reasonably foreseeable that the extension beyond 6 months will be required.

(d) Determinations with respect to employment loss

For purposes of this section, in determining whether a plant closing or mass layoff has occurred or will occur, employment losses for 2 or more groups at a single site of employment, each of which is less than the minimum number of employees specified in section 2101(a)(2) or (3) of this title but which in the aggregate exceed that minimum number, and which occur within any 90-day period shall be considered to be a plant closing or mass layoff unless the employer demonstrates that the employment losses are the result of separate and distinct actions and causes and are not an attempt by the employer to evade the requirements of this chapter.

2014—Subsec. (a)(2). Pub. L. 113–128 substituted ''the State or entity designated by the State to carry out rapid response activities under section 3174(a)(2)(A) of this title,'' for ''the State or entity designated by the State to carry out rapid response activities under section 2864(a)(2)(A) of this title,''.

Pub. L. 105–277, § 101(f) [title VIII, § 405(d)(26)], substituted ''to the State dislocated worker unit or office (referred to in section 1661(b)(2) of this title), or the State or entity designated by the State to carry out rapid response activities under section 2864(a)(2)(A) of this title, and the chief'' for ''to the State dislocated worker unit (designated or created under title III of the Job Training Partnership Act) and the chief''.

§ 2103. Exemptions

This chapter shall not apply to a plant closing or mass layoff if—

(1) the closing is of a temporary facility or the closing or layoff is the result of the completion of a particular project or undertaking, and the affected employees were hired with the understanding that their employment was limited to the duration of the facility or the project or undertaking; or

(2) the closing or layoff constitutes a strike or constitutes a lockout not intended to evade the requirements of this chapter. Nothing in this chapter shall require an employer to serve written notice pursuant to section 2102(a) of this title when permanently replacing a person who is deemed to be an economic striker under the National Labor Relations Act [29 U.S.C. 151 et seq.]: *Provided*, That nothing in this chapter shall be deemed to validate or invalidate any judicial or administrative ruling relating to the hiring of permanent replacements for economic strikers under the National Labor Relations Act.

§ 2104. Administration and enforcement of requirements

(1) Any employer who orders a plant closing or mass layoff in violation of section 2102 of this title shall be liable to each aggrieved employee who suffers an employment loss as a result of such closing or layoff for—

(A) back pay for each day of violation at a rate of compensation not less than the higher of—

(i) the average regular rate received by such employee during the last 3 years of the employee's employment; or

(ii) the final regular rate received by such employee; and

(B) benefits under an employee benefit plan described in section 1002(3) of this title, including the cost of medical expenses incurred during the employment loss which would have been covered under an employee benefit plan if the employment loss had not occurred.

Such liability shall be calculated for the period of the violation, up to a maximum of 60 days, but in no event for more than one-half the number of days the employee was employed by the employer.

(2) The amount for which an employer is liable under paragraph (1) shall be reduced by—

In addition, any liability incurred under paragraph (1) with respect to a defined benefit pension plan may be reduced by crediting the employee with service for all purposes under such a plan for the period of the violation.

(3) Any employer who violates the provisions of section 2102 of this title with respect to a unit of local government shall be subject to a civil penalty of not more than $500 for each day of such violation, except that such penalty shall not apply if the employer pays to each aggrieved employee the amount for which the employer is liable to that employee within 3 weeks from the date the employer orders the shutdown or layoff.

(4) If an employer which has violated this chapter proves to the satisfaction of the court that the act or omission that violated this chapter was in good faith and that the employer had reasonable grounds for believing that the act or omission was not a violation of this chapter the court may, in its discretion, reduce the amount of the liability or penalty provided for in this section.

(5) A person seeking to enforce such liability, including a representative of employees or a unit of local government aggrieved under paragraph (1) or (3), may sue either for such person or for other persons similarly situated, or both, in any district court of the United States for any district in which the violation is alleged to have occurred, or in which the employer transacts business.

(6) In any such suit, the court, in its discretion, may allow the prevailing party a reasonable attorney's fee as part of the costs.

(7) For purposes of this subsection, the term,[1] ''aggrieved employee'' means an employee who has worked for the employer ordering the plant closing or mass layoff and who, as a result of the failure by the employer to comply with section 2102 of this title, did not receive timely notice either directly or through his or her representative as required by section 2102 of this title.

§ 2106. Procedures encouraged where not required

CHAPTER 27—WOMEN IN APPRENTICESHIP AND NONTRADITIONAL OCCUPATIONS

Sec.

§ 2501. Findings; statement of purpose

(a) Findings

The Congress finds that—

(1) American businesses now and for the remainder of the 20th century will face a dramatically different labor market than the one to which they have become accustomed;

(2) two in every three new entrants to the work force will be women, and to meet labor needs such women must work in all occupational areas including in apprenticeable occupations and nontraditional occupations;

(3) women face significant barriers to their full and effective participation in apprenticeable occupations and nontraditional occupations;

(4) the business community must be prepared to address the barriers that women have to such jobs, in order to successfully integrate them into the work force; and

(5) few resources are available to employers and unions who need assistance in recruiting, training, and retaining women in apprenticeable occupations and other nontraditional occupations.

(b) Purpose

It is the purpose of this chapter to provide technical assistance to employers and labor unions to encourage employment of women in apprenticeable occupations and nontraditional occupations. Such assistance will enable business to meet the challenge of Workforce 2000 by preparing employers to successfully recruit, train, and retain women in apprenticeable occupations and nontraditional occupations and will expand the employment and self-sufficiency options of women. This purpose will be achieved by—

(1) promoting the program to employers and labor unions to inform them of the availability of technical assistance which will assist them in preparing the workplace to employ women in apprenticeable occupations and nontraditional occupations;

(2) providing grants to community-based organizations to deliver technical assistance to employers and labor unions to prepare them to recruit, train, and employ women in apprenticeable occupations and nontraditional occupations;

(3) authorizing the Department of Labor to serve as a liaison between employers, labor, and the community-based organizations providing technical assistance, through its national office and its regional administrators; and

(4) conducting a comprehensive study to examine the barriers to the participation of women in apprenticeable occupations and nontraditional occupations and to develop recommendations for the workplace to eliminate such barriers.

(Pub. L. 102–530, §2, Oct. 27, 1992, 106 Stat. 3465.)

CHAPTER 28—FAMILY AND MEDICAL LEAVE

§ 2601. Findings and purposes

(a) Findings

Congress finds that—

(1) the number of single-parent households and two-parent households in which the single parent or both parents work is increasing significantly;

(2) it is important for the development of children and the family unit that fathers and mothers be able to participate in early childrearing and the care of family members who have serious health conditions;

(3) the lack of employment policies to accommodate working parents can force individuals to choose between job security and parenting;

(4) there is inadequate job security for employees who have serious health conditions that prevent them from working for temporary periods;

(5) due to the nature of the roles of men and women in our society, the primary responsibility for family caretaking often falls on women, and such responsibility affects the working lives of women more than it affects the working lives of men; and

(6) employment standards that apply to one gender only have serious potential for encouraging employers to discriminate against employees and applicants for employment who are of that gender.

(b) Purposes

It is the purpose of this Act—

(1) to balance the demands of the workplace with the needs of families, to promote the stability and economic security of families, and to promote national interests in preserving family integrity;

(2) to entitle employees to take reasonable leave for medical reasons, for the birth or adoption of a child, and for the care of a child, spouse, or parent who has a serious health condition;

(3) to accomplish the purposes described in paragraphs (1) and (2) in a manner that accommodates the legitimate interests of employers;

(4) to accomplish the purposes described in paragraphs (1) and (2) in a manner that, consistent with the Equal Protection Clause of the Fourteenth Amendment, minimizes the potential for employment discrimination on the basis of sex by ensuring generally that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons, on a gender-neutral basis; and

(5) to promote the goal of equal employment opportunity for women and men, pursuant to such clause.

§ 2612. Leave requirement

(a) In general

(1) Entitlement to leave

Subject to section 2613 of this title, an eligible employee shall be entitled to a total of 12 workweeks of leave during any 12-month period for one or more of the following:

(A) Because of the birth of a son or daughter of the employee and in order to care for such son or daughter.

(B) Because of the placement of a son or daughter with the employee for adoption or foster care.

(C) In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.

(D) Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

(E) Because of any qualifying exigency (as the Secretary shall, by regulation, determine) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

(2) Expiration of entitlement

The entitlement to leave under subparagraphs (A) and (B) of paragraph (1) for a birth or placement of a son or daughter shall expire at the end of the 12-month period beginning on the date of such birth or placement.

(3) Servicemember family leave

Subject to section 2613 of this title, an eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember shall be entitled to a total of 26 workweeks of leave during a 12-month period to care for the servicemember. The leave described in this paragraph shall only be available during a single 12-month period.

(4) Combined leave total

During the single 12-month period described in paragraph (3), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs (1) and (3). Nothing in this paragraph shall be construed to limit the availability of leave under paragraph (1) during any other 12-month period.

(5) Calculation of leave for airline flight crews

The Secretary may provide, by regulation, a method for calculating the leave described in paragraph (1) with respect to employees described in section 2611(2)(D) of this title.

(b) Leave taken intermittently or on reduced leave schedule

(1) In general

Leave under subparagraph (A) or (B) of subsection (a)(1) shall not be taken by an employee intermittently or on a reduced leave schedule unless the employee and the employer of the employee agree otherwise. Subject to paragraph (2), subsection (e)(2), and subsection (b)(5) or (f) (as appropriate) of section 2613 of this title, leave under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3) may be taken intermittently or on a reduced leave schedule when medically necessary. Subject to subsection (e)(3) and section 2613(f) of this title, leave under subsection (a)(1)(E) may be taken intermittently or on a reduced leave schedule. The taking of leave intermittently or on a reduced leave schedule pursuant to this paragraph shall not result in a reduction in the total amount of leave to which the employee is entitled under subsection (a) beyond the amount of leave actually taken.

(2) Alternative position

If an employee requests intermittent leave, or leave on a reduced leave schedule, under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3), that is foreseeable based on planned medical treatment, the employer may require such employee to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that—

(A) has equivalent pay and benefits; and

(B) better accommodates recurring periods of leave than the regular employment position of the employee.

(c) Unpaid leave permitted

Except as provided in subsection (d), leave granted under subsection (a) may consist of unpaid leave. Where an employee is otherwise exempt under regulations issued by the Secretary pursuant to section 213(a)(1) of this title, the compliance of an employer with this subchapter by providing unpaid leave shall not affect the exempt status of the employee under such section.

(d) Relationship to paid leave

(1) Unpaid leave

If an employer provides paid leave for fewer than 12 workweeks (or 26 workweeks in the case of leave provided under subsection (a)(3)), the additional weeks of leave necessary to attain the 12 workweeks (or 26 workweeks, as appropriate) of leave required under this subchapter may be provided without compensation.

(2) Substitution of paid leave

(A) In general

An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, or family leave of the employee for leave provided under subparagraph (A), (B), (C), or (E) of subsection (a)(1) for any part of the 12-week period of such leave under such subsection.

(B) Serious health condition

An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, or medical or sick leave of the employee for leave provided under subparagraph (C) or (D) of subsection (a)(1) for any part of the 12-week period of such leave under such subsection, except that nothing in this subchapter shall require an employer to provide paid sick leave or paid medical leave in any situation in which such employer would not normally provide any such paid leave. An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, family

leave, or medical or sick leave of the employee for leave provided under subsection (a)(3) for any part of the 26-week period of such leave under such subsection, except that nothing in this subchapter requires an employer to provide paid sick leave or paid medical leave in any situation in which the employer would not normally provide any such paid leave.

(e) Foreseeable leave

(1) Requirement of notice

In any case in which the necessity for leave under subparagraph (A) or (B) of subsection (a)(1) is foreseeable based on an expected birth or placement, the employee shall provide the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the birth or placement requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(2) Duties of employee

In any case in which the necessity for leave under subparagraph (C) or (D) of subsection (a)(1) or under subsection (a)(3) is foreseeable based on planned medical treatment, the employee—

(A) shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, parent, or covered servicemember of the employee, as appropriate; and

(B) shall provide the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(3) Notice for leave due to covered active duty of family member

In any case in which the necessity for leave under subsection (a)(1)(E) is foreseeable, whether because the spouse, or a son, daughter, or parent, of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the employer as is reasonable and practicable.

(f) Spouses employed by same employer

(1) In general

In any case in which a husband and wife entitled to leave under subsection (a) are employed by the same employer, the aggregate number of workweeks of leave to which both may be entitled may be limited to 12 workweeks during any 12-month period, if such leave is taken—

(A) under subparagraph (A) or (B) of subsection (a)(1); or

(B) to care for a sick parent under subparagraph (C) of such subsection.

(2) Servicemember family leave

(A) In general

The aggregate number of workweeks of leave to which both that husband and wife may be entitled under subsection (a) may be limited to 26 workweeks during the single 12-month period described in subsection (a)(3) if the leave is—

(i) leave under subsection (a)(3); or

(ii) a combination of leave under subsection (a)(3) and leave described in paragraph (1).

(B) Both limitations applicable

If the leave taken by the husband and wife includes leave described in paragraph (1), the limitation in paragraph (1) shall apply to the leave described in paragraph (1).

(ii) other circumstances beyond the control of the employee.

An employer may require that a claim that an employee is unable to return to work because of the continuation, recurrence, or onset of the serious health condition described in paragraph (2)(B)(i) be supported by—

(i) a certification issued by the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate, in the case of an employee unable to return to work because of a condition specified in section 2612(a)(1)(C) of this title;

The employee shall provide, in a timely manner, a copy of such certification to the employer.

(C) Sufficiency of certification

(i) Leave due to serious health condition of employee

The certification described in subparagraph (A)(ii) shall be sufficient if the certification states that a serious health condition prevented the employee from being able to perform the functions of the position of the employee on the date that the leave of the employee expired.

(ii) Leave due to serious health condition of family member

The certification described in subparagraph (A)(i) shall be sufficient if the certification states that the employee is needed to care for the son, daughter, spouse, or parent who has a serious health condition on the date that the leave of the employee expired.

CHAPTER 29—WORKERS TECHNOLOGY SKILL DEVELOPMENT

Sec.

§ 2701. Findings

The Congress finds and declares the following:

(1) In an increasingly competitive world economy, the companies and nations that lead in the rapid development, commercialization, and application of new and advanced technologies, and in the high-quality, competitively priced production of goods and services, will lead in economic growth, employment, and high living standards.

(2) While the United States remains the world leader in science and invention, it has not done well in rapidly making the transition from achievement in its research laboratories to high-quality, competitively priced production of goods and services. This lag and the unprecedented competitive challenge that the United States has faced from abroad have contributed to a drop in real wages and living standards.

(3) Companies that are successfully competitive in the rapid development, commercialization, application, and implementation of advanced technologies, and in the successful delivery of goods and services, recognize that worker participation and labor-management cooperation in the deployment, application, and implementation of advanced workplace technologies make an important contribution to high-quality, competitively priced production of goods and services and in maintaining and improving real wages for workers.

(4) The Federal Government has an important role in encouraging and augmenting private sector efforts relating to the development, application, manufacture, and deployment of new and advanced technologies. The role should be to—

(A) work with private companies, States, worker organizations, nonprofit organizations, and institutions of higher education to ensure the development, application, production, and implementation of new and advanced technologies to promote the improvement of workers' skills, wages, job security, and working conditions, and a healthy environment;

(B) encourage worker and worker organization participation in the development, commercialization, evaluation, selection, application, and implementation of new and advanced technologies in the workplace; and

(C) promote the use and integration of new and advanced technologies in the workplace that enhance workers' skills.

(5) In working with the private sector to promote the technological leadership and economic growth of the United States, the Federal Government has a responsibility to ensure that Federal technology programs help the United States to remain competitive and to maintain and improve living standards and to create and retain secure jobs in economically stable communities.

CHAPTER 31—ASSISTIVE TECHNOLOGY FOR INDIVIDUALS WITH DISABILITIES

§ 3001. Findings and purposes

(a) Findings

Congress finds the following:

(1) Over 54,000,000 individuals in the United States have disabilities, with almost half experiencing severe disabilities that affect their ability to see, hear, communicate, reason, walk, or perform other basic life functions.

(2) Disability is a natural part of the human experience and in no way diminishes the right of individuals to—

(A) live independently;

(B) enjoy self-determination and make choices;

(C) benefit from an education;

(D) pursue meaningful careers; and

(E) enjoy full inclusion and integration in the economic, political, social, cultural, and educational mainstream of society in the United States.

(3) Technology is one of the primary engines for economic activity, education, and innovation in the Nation, and throughout the world. The commitment of the United States to the development and utilization of technology is one of the main factors underlying the strength and vibrancy of the economy of the United States.

(4) As technology has come to play an increasingly important role in the lives of all persons in the United States, in the conduct of business, in the functioning of government, in the fostering of communication, in the conduct of commerce, and in the provision of education, its impact upon the lives of individuals with disabilities in the United States has been comparable to its impact upon the remainder of the citizens of the United States. Any development in mainstream technology will have profound implications for individuals with disabilities in the United States.

(5) Substantial progress has been made in the development of assistive technology devices, including adaptations to existing devices that facilitate activities of daily living that significantly benefit individuals with disabilities of all ages. These devices, including adaptations, increase involvement in, and reduce expenditures associated with, programs and activities that facilitate communication, ensure independent functioning, enable early childhood development, support educational achievement, provide and enhance employment options, and enable full participation in community living for individuals with disabilities. Access to such devices can also reduce expenditures associated with early childhood intervention, education, rehabilitation and training, health care, employment, residential living, independent living, recreation opportunities, and other aspects of daily living.

(6) Over the last 15 years, the Federal Government has invested in the development of comprehensive statewide programs of technology-related assistance, which have proven effective in assisting individuals with disabilities in accessing assistive technology devices and assistive technology services. This partnership between the Federal Government and the States provided an important service to individuals with disabilities by strengthening the capacity of each State to assist individuals with disabilities of all ages meet their assistive technology needs.

(7) Despite the success of the Federal-State partnership in providing access to assistive technology devices and assistive technology services, there is a continued need to provide information about the availability of assistive technology, advances in improving accessibility and functionality of assistive technology, and appropriate methods to secure and utilize

assistive technology in order to maximize the independence and participation of individuals with disabilities in society.

(8) The combination of significant recent changes in Federal policy (including changes to section 794d of this title, accessibility provisions of the Help America Vote Act of 2002 (42 U.S.C. 15301 et seq.) [now 52 U.S.C. 20901 et seq.], and the amendments made to the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.) by the No Child Left Behind Act of 2001) and the rapid and unending evolution of technology require a Federal-State investment in State assistive technology systems to continue to ensure that individuals with disabilities reap the benefits of the technological revolution and participate fully in life in their communities.

(b) Purposes

The purposes of this chapter are—

(1) to support State efforts to improve the provision of assistive technology to individuals with disabilities through comprehensive statewide programs of technology-related assistance, for individuals with disabilities of all ages, that are designed to—

(A) increase the availability of, funding for, access to, provision of, and training about assistive technology devices and assistive technology services;

(B) increase the ability of individuals with disabilities of all ages to secure and maintain possession of assistive technology devices as such individuals make the transition between services offered by educational or human service agencies or between settings of daily living (for example, between home and work);

(C) increase the capacity of public agencies and private entities to provide and pay for assistive technology devices and assistive technology services on a statewide basis for individuals with disabilities of all ages;

(D) increase the involvement of individuals with disabilities and, if appropriate, their family members, guardians, advocates, and authorized representatives, in decisions related to the provision of assistive technology devices and assistive technology services;

(E) increase and promote coordination among State agencies, between State and local agencies, among local agencies, and between State and local agencies and private entities (such as managed care providers), that are involved or are eligible to be involved in carrying out activities under this chapter;

(F) increase the awareness and facilitate the change of laws, regulations, policies, practices, procedures, and organizational structures, that facilitate the availability or provision of assistive technology devices and assistive technology services; and

(G) increase awareness and knowledge of the benefits of assistive technology devices and assistive technology services among targeted individuals and entities and the general population; and

(2) to provide States with financial assistance that supports programs designed to maximize the ability of individuals with disabilities and their family members, guardians, advocates, and authorized representatives to obtain assistive technology devices and assistive technology services.

Before the second full program year after July 22, 2014, in order for a State to receive an allotment under section 3162(b) or 3172(b) of this title and as part of the process for developing the State plan, a State shall identify regions in the State after consultation with the local boards and chief elected officials in the local areas and consistent with the considerations described in subsection (b)(1)(B).

(2) Types of regions

For purposes of this Act, the State shall identify—

(A) which regions are comprised of 1 local area that is aligned with the region;

(B) which regions are comprised of 2 or more local areas that are (collectively) aligned with the region (referred to as planning regions, consistent with section 3102 of this title); and

(C) which, of the regions described in subparagraph (B), are interstate areas contained within 2 or more States, and consist of labor market areas, economic development areas, or other appropriate contiguous subareas of those States.

(b) Local areas

(1) In general

(A) Process

Except as provided in subsection (d), and consistent with paragraphs (2) and (3), in order for a State to receive an allotment under section 3162(b) or 3172(b) of this title, the Governor of the State shall designate local workforce development areas within the State—

(i) through consultation with the State board; and

(ii) after consultation with chief elected officials and local boards, and after consideration of comments received through the public comment process as described in section 3112(b)(2)(E)(iii)(II) of this title.

(B) Considerations

The Governor shall designate local areas (except for those local areas described in paragraphs (2) and (3)) based on considerations consisting of the extent to which the areas—

(i) are consistent with labor market areas in the State;

(ii) are consistent with regional economic development areas in the State; and

(iii) have available the Federal and non-Federal resources necessary to effectively administer activities under part B and other applicable provisions of this Act, including whether the areas have the appropriate education and training providers, such as institutions of higher education and area career and technical education schools.

(2) Initial designation

During the first 2 full program years following July 22, 2014, the Governor shall approve a request for initial designation as a local area from any area that was designated as a local area for purposes of the Workforce Investment Act of 1998 for the 2-year period preceding July 22, 2014, performed successfully, and sustained fiscal integrity.

(3) Subsequent designation

After the period for which a local area is initially designated under paragraph (2), the Governor shall approve a request for subsequent designation as a local area from such local area, if such area—

(A) performed successfully;

(B) sustained fiscal integrity; and

(C) in the case of a local area in a planning region, met the requirements described in subsection (c)(1).

(4) Designation on recommendation of State board

The Governor may approve a request from any unit of general local government (includ-

ing a combination of such units) for designation of an area as a local area if the State board determines, based on the considerations described in paragraph (1)(B), and recommends to the Governor, that such area should be so designated.

A unit of general local government (including a combination of such units) or grant recipient that requests but is not granted designation of an area as a local area under paragraph (2) or (3) may submit an appeal to the State board under an appeal process established in the State plan. If the appeal does not result in such a designation, the Secretary of Labor, after receiving a request for review from the unit or grant recipient and on determining that the unit or grant recipient was not accorded procedural rights under the appeals process described in the State plan, as specified in section 3112(b)(2)(D)(i)(III) of this title, or that the area meets the requirements of paragraph (2) or (3), may require that the area be designated as a local area under such paragraph.

(7) Redesignation assistance

On the request of all of the local areas in a planning region, the State shall provide funding from funds made available under sections 3163(a) and 3173(a)(1) of this title to assist the local areas in carrying out activities to facilitate the redesignation of the local areas to a single local area.

(c) Regional coordination

The State, after consultation with local boards and chief elected officials for the planning regions, shall require the local boards and chief elected officials within a planning region to prepare, submit, and obtain approval of a single regional plan that includes a description of the activities described in paragraph (1) and that incorporates local plans for each of the local areas in the planning region. (2) State one-stop infrastructure funding

(A) Definition

In this paragraph, the term ''covered portion'', used with respect to funding for a fiscal year for a program described in subsection (b)(1), means a portion determined under subparagraph (C) of the Federal funds provided to a State (including local areas within the State) under the Federal law authorizing that program described in subsection (b)(1) for the fiscal year (taking into account the availability of funding for purposes related to infrastructure from philanthropic organizations, private entities, or other alternative financing options).

(B) Partner contributions

Subject to subparagraph (D), for local areas in a State that are not covered by paragraph (1)(A)(i)(I), the covered portions of funding for a fiscal year shall be provided to the Governor from the programs described in subsection (b)(1), to assist in paying the costs of infrastructure of one-stop centers in those local areas of the State not adequately funded under the option described in paragraph (1)(A)(i)(I).

(C) Determination of Governor

(i) In general

Subject to clause (ii) and subparagraph (D), the Governor, after consultation with chief elected officials, local boards, and the State board, shall determine the portion of funds to be provided under subparagraph (B) by each one-stop partner from each program described in subparagraph (B). In making such determination for the purpose of determining funding contributions, for funding pursuant to clause (i)(II) or (ii) of paragraph (1)(A) by each partner, the Governor shall calculate amounts for the proportionate use of the one-stop centers in the State, consistent with chapter II of title 2, Code of Federal Regulations (or any corresponding similar regulation or ruling), taking into account the costs of administration of the one-stop delivery system for purposes not related to one-stop centers, for each partner. The Governor shall exclude from such determination of funds the amounts for proportionate use of one-stop centers attributable to the programs of one-stop partners for those local areas of the State where the costs of infrastructure of one-stop centers are funded under the option described in paragraph (1)(A)(i)(I). The Governor shall also take into account the statutory requirements for each partner program and the partner program's ability to fulfill such requirements.

(ii) Special rule

In a State in which the State constitution or a State statute places policymaking authority that is independent of the authority of the Governor in an entity or official with respect to the funds provided for adult education and literacy activities authorized under subchapter II, postsecondary career and technical education activities authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.), or vocational rehabilitation services offered

under a provision covered by section 3102(13)(D) of this title, the determination described in clause (i) with respect to the programs authorized under that subchapter, Act, or provision shall be made by the chief officer of the entity, or the official, with such authority in consultation with the Governor.

(D) Limitations

(i) Provision from administrative funds

(I) In general

Subject to subclause (II), the funds provided under this paragraph by each one-stop partner shall be provided only from funds available for the costs of administration under the program administered by such partner, and shall be subject to the program's limitations with respect to the portion of funds under such program that may be used for administration.

(II) Exceptions

Nothing in this clause shall be construed to apply to the programs carried out under this subchapter, or under title V of the Older Americans Act of 1965 (42 U.S.C. 3056 et seq.).

(ii) Cap on required contributions

For local areas in a State that are not covered by paragraph (1)(A)(i)(I), the following rules shall apply:

(I) WIA formula programs and employment service

The portion of funds required to be contributed under this paragraph from a program authorized under subpart 2 or 3, or the Wagner-Peyser Act (29 U.S.C. 49 et seq.) shall not exceed 3 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year.

(II) Other one-stop partners

The portion of funds required to be contributed under this paragraph from a program described in subsection (b)(1) other than the programs described in subclause (I) shall not exceed 1.5 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year.

(III) Vocational rehabilitation

Notwithstanding subclauses (I) and (II), an entity administering a program described in subsection (b)(1)(B)(iv) shall not be required to provide from that program, under this paragraph, a portion that exceeds—

(aa) 0.75 percent of the amount of Federal funds provided to carry out such program in the State for the second full program year that begins after July 22, 2014;

(bb) 1.0 percent of the amount provided to carry out such program in the State for the third full program year that begins after such date;

(cc) 1.25 percent of the amount provided to carry out such program in the State for the fourth full program year that begins after such date; and

(dd) 1.5 percent of the amount provided to carry out such program in the State for the fifth and each succeeding full program year that begins after such date.

(iii) Federal direct spending programs

For local areas in a State that are not covered by paragraph (1)(A)(i)(I), an entity administering a program funded with direct spending as defined in section 900(c)(8) of title 2, as in effect on February 15, 2014[2] shall not be required to provide, for purposes of this paragraph, an amount in excess of the amount determined under subparagraph (C)(i) to be equivalent to the cost of the proportionate use of the one-stop centers for the one-stop partner for such program in the State.

(iv) Native American programs

One-stop partners for Native American programs established under section 3221 of this title shall not be subject to the provisions of this subsection (other than this clause) or subsection (i). For purposes of subsection (c)(2)(A)(ii)(II), the method for determining the appropriate portion of funds to be provided by such partners to pay for the costs of infrastructure of a one-stop center shall be determined as part of the development of the memorandum of understanding under subsection (c) for the one-stop center and shall be stated in the memorandum.

(E) Appeal by one-stop partners

The Governor shall establish a process, described under section 3112(b)(2)(D)(i)(IV) of this title, for a one-stop partner administering a program described in subsection (b)(1) to appeal a determination regarding the portion of funds to be provided under this paragraph. Such a determination may be appealed under the process on the basis that such determination is inconsistent with the requirements of this paragraph. Such process shall ensure prompt resolution of the appeal in order to ensure the funds are distributed in a timely manner, consistent with the requirements of section 3242(e) of this title.

(3) Allocation by Governor

(A) In general

From the funds provided under paragraph (1), the Governor shall allocate the funds to local areas described in subparagraph (B) in accordance with the formula established under subparagraph (B) for the purposes of assisting in paying the costs of infrastructure of one-stop centers.

(B) Allocation formula

The State board shall develop a formula to be used by the Governor to allocate the funds provided under paragraph (1) to local

[2] So in original. Probably should be ''2014,''.

areas not funding costs of infrastructure under the option described in paragraph (1)(A)(i)(I). The formula shall be based on factors including the number of one-stop centers in a local area, the population served by such centers, the services provided by such centers, and other factors relating to the performance of such centers that the State board determines are appropriate.

(4) Costs of infrastructure

In this subsection, the term ''costs of infrastructure'', used with respect to a one-stop center, means the nonpersonnel costs that are necessary for the general operation of the one-stop center, including the rental costs of the facilities, the costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including the center's planning and outreach activities.

(i) Other funds

(1) In general

Subject to the memorandum of understanding described in subsection (c) for the one-stop delivery system involved, in addition to the funds provided to carry out subsection (h), a portion of funds made available under Federal law authorizing the programs described in subsection (b) and administered by one-stop partners, or the noncash resources available under such programs, shall be used to pay the additional costs relating to the operation of the one-stop delivery system that are not paid from the funds provided under subsection (h), as determined in accordance with paragraph (3), to the extent not inconsistent with the Federal law involved. Such costs shall include the costs of the provision of career services described in section 3174(c)(2) of this title applicable to each program and may include common costs that are not paid from the funds provided under subsection (h).

(2) Shared services

The costs described under paragraph (1) may include costs of services that are authorized for and may be commonly provided through the one-stop partner programs to any individual, such as initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services to meet such needs, referrals to other one-stop partners, and other similar services.

(3) Determination and guidance

The method for determining the appropriate portion of funds and noncash resources to be provided by the one-stop partner for each program under paragraph (1) for a one-stop center shall be determined as part of the development of the memorandum of understanding under subsection (c) for the one-stop center and shall be stated in the memorandum. The State board shall provide guidance to facilitate the determination, for purposes of the memorandum of understanding, of an appropriate allocation of the funds and noncash resources in local areas, consistent with the requirements of section 3111(d)(6)(C) of this title.

§ 3152. Identification of eligible providers of training services

(a) Eligibility

(1) In general

Except as provided in subsection (h), the Governor, after consultation with the State board, shall establish criteria, information requirements, and procedures regarding the eligibility of providers of training services to receive funds provided under section 3173(b) of this title for the provision of training services in local areas in the State.

(2) Providers

Subject to the provisions of this section, to be eligible to receive those funds for the provision of training services, the provider shall be—

(A) an institution of higher education that provides a program that leads to a recognized postsecondary credential;

(B) an entity that carries out programs registered under the Act of August 16, 1937 (commonly known as the ''National Apprenticeship Act''; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.); or

(C) another public or private provider of a program of training services, which may include joint labor-management organizations, and eligible providers of adult education and literacy activities under subchapter II if such activities are provided in combination with occupational skills training.

(3) Inclusion in list of eligible providers

A provider described in subparagraph (A) or (C) of paragraph (2) shall comply with the criteria, information requirements, and procedures established under this section to be included on the list of eligible providers of training services described in subsection (d). A provider described in paragraph (2)(B) shall be included and maintained on the list of eligible providers of training services described in subsection (d) for so long as the corresponding program of the provider remains registered as described in paragraph (2)(B).

(b) Criteria and information requirements

(1) State criteria

In establishing criteria pursuant to subsection (a), the Governor shall take into account each of the following:

(A) The performance of providers of training services with respect to—

(i) the performance accountability measures and other matters for which information is required under paragraph (2); and

(ii) other appropriate measures of performance outcomes determined by the Governor for those participants receiving training services under this part (taking into consideration the characteristics of the population served and relevant economic conditions), and the outcomes of the program through which those training services were provided for students in general with respect to employment and earnings as defined under section 3141(b)(2) of this title.

(B) The need to ensure access to training services throughout the State, including in rural areas, and through the use of technology.

(C) Information reported to State agencies with respect to Federal and State programs involving training services (other than the program carried out under this part), including one-stop partner programs.

(D) The degree to which the training programs of such providers relate to in-demand industry sectors and occupations in the State.

(E) The requirements for State licensing of providers of training services, and the licensing status of providers of training services if applicable.

(F) Ways in which the criteria can encourage, to the extent practicable, the providers to use industry-recognized certificates or certifications.

(G) The ability of the providers to offer programs that lead to recognized postsecondary credentials.

(H) The quality of a program of training services, including a program of training services that leads to a recognized postsecondary credential.

(I) The ability of the providers to provide training services to individuals who are employed and individuals with barriers to employment.

(J) Such other factors as the Governor determines are appropriate to ensure—

(i) the accountability of the providers;

(ii) that the one-stop centers in the State will ensure that such providers meet the needs of local employers and participants;

(iii) the informed choice of participants among training services providers; and

(iv) that the collection of information required to demonstrate compliance with the criteria is not unduly burdensome or costly to providers.

(2) State information requirements

The information requirements established by the Governor shall require that a provider of training services submit appropriate, accurate, and timely information to the State, to enable the State to carry out subsection (d), with respect to participants receiving training services under this part in the applicable program, including—

(A) information on the performance of the provider with respect to the performance accountability measures described in section 3141 of this title for such participants (taking into consideration the characteristics of the population served and relevant economic

conditions), and information specifying the percentage of such participants who entered unsubsidized employment in an occupation related to the program, to the extent practicable;

(B) information on recognized postsecondary credentials received by such participants;

(C) information on cost of attendance, including costs of tuition and fees, for participants in the program;

(D) information on the program completion rate for such participants; and

(E) information on the criteria described in paragraph (1).

(3) Local criteria and information requirements

A local board in the State may establish criteria and information requirements in addition to the criteria and information requirements established by the Governor, or may require higher levels of performance than required for the criteria established by the Governor, for purposes of determining the eligibility of providers of training services to receive funds described in subsection (a) for the provision of training services in the local area involved.

(4) Criteria and information requirements to establish initial eligibility

(A) Purpose

The purpose of this paragraph is to enable the providers of programs carried out under subpart 3 to offer the highest quality training services and be responsive to in-demand and emerging industries by providing training services for those industries.

(B) Initial eligibility

Providers may seek initial eligibility under this paragraph as providers of training services and may receive that initial eligibility for only 1 fiscal year for a particular program. The criteria and information requirements established by the Governor under this paragraph shall require that a provider who has not previously been an eligible provider of training services under this section (or section 122 of the Workforce Investment Act of 1998 [29 U.S.C. 2842], as in effect on the day before July 22, 2014) provide the information described in subparagraph (C).

(C) Information

The provider shall provide verifiable program-specific performance information based on criteria established by the State as described in subparagraph (D) that supports the provider's ability to serve participants under this part.

(D) Criteria

The criteria described in subparagraph (C) shall include at least—

(i) a factor related to indicators described in section 3141 of this title;

(ii) a factor concerning whether the provider is in a partnership with business;

(iii) other factors that indicate high-quality training services, including the factor described in paragraph (1)(H); and

(iv) a factor concerning alignment of the training services with in-demand industry sectors and occupations, to the extent practicable.

(E) Provision

The provider shall provide the information described in subparagraph (C) to the Governor and the local board in a manner that will permit the Governor and the local board to make a decision on inclusion of the provider on the list of eligible providers described in subsection (d).

(F) Limitation

A provider that receives initial eligibility under this paragraph for a program shall be subject to the requirements under subsection (c) for that program after such initial eligibility expires.

(c) Procedures

(1) Application procedures

The procedures established under subsection (a) shall identify the application process for a provider of training services to become eligible to receive funds provided under section 3173(b) of this title for the provision of training services. The procedures shall identify the respective roles of the State and local areas in receiving and reviewing the applications and in making determinations of such eligibility based on the criteria, information, and procedures established under this section. The procedures shall also establish a process for a provider of training services to appeal a denial or termination of eligibility under this section that includes an opportunity for a hearing and prescribes appropriate time limits to ensure prompt resolution of the appeal.

(2) Renewal procedures

The procedures established by the Governor shall also provide for biennial review and renewal of eligibility under this section for providers of training services.

(d) List and information to assist participants in choosing providers

(1) In general

In order to facilitate and assist participants in choosing employment and training activities and in choosing providers of training services, the Governor shall ensure that an appropriate list of providers determined to be eligible under this section to offer a program in the State (and, as appropriate, in a local area), accompanied by information identifying the recognized postsecondary credential offered by the provider and other appropriate information, is prepared. The list shall be provided to the local boards in the State, and made available to such participants and to members of the public through the one-stop delivery system in the State.

(2) Accompanying information

The accompanying information shall—

(A) with respect to providers described in subparagraphs (A) and (C) of subsection (a)(2), consist of information provided by such providers, disaggregated by local areas

served, as applicable, in accordance with subsection (b);

(B) with respect to providers described in subsection (b)(4), consist of information provided by such providers in accordance with subsection (b)(4); and

(C) such other information as the Governor determines to be appropriate.

(3) Availability

The list and the accompanying information shall be made available to such participants and to members of the public through the one-stop delivery system in the State, in a manner that does not reveal personally identifiable information about an individual participant.

(4) Limitation

In carrying out the requirements of this subsection, no personally identifiable information regarding a student, including a Social Security number, student identification number, or other identifier, may be disclosed without the prior written consent of the parent or student in compliance with section 1232g of title 20.

(e) Opportunity to submit comments

In establishing, under this section, criteria, information requirements, procedures, and the list of eligible providers described in subsection (d), the Governor shall provide an opportunity for interested members of the public to make recommendations and submit comments regarding such criteria, information requirements, procedures, and list.

(f) Enforcement

(1) In general

The procedures established under this section shall provide the following:

(A) Intentionally supplying inaccurate information

Upon a determination, by an individual or entity specified in the procedures, that a provider of training services, or individual providing information on behalf of the provider, violated this section (or section 122 of the Workforce Investment Act of 1998 [29 U.S.C. 2842], as in effect on the day before July 22, 2014) by intentionally supplying inaccurate information under this section, the eligibility of such provider to receive funds under subpart 3 shall be terminated for a period of time that is not less than 2 years.

(B) Substantial violations

Upon a determination, by an individual or entity specified in the procedures, that a provider of training services substantially violated any requirement under this subchapter (or title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.], as in effect on the day before July 22, 2014), the eligibility of such provider to receive funds under subpart 3 for the program involved shall be terminated for a period of not less than 2 years.

(C) Repayment

A provider of training services whose eligibility is terminated under subparagraph (A) or (B) shall be liable for the repayment of funds received under chapter 5 of subtitle B of title I of the Workforce Investment Act of 1998 [29 U.S.C. 2861 et seq.], as in effect on the day before July 22, 2014, or subpart 3 of this part during a period of violation described in such subparagraph.

(2) Construction

Paragraph (1) shall be construed to provide remedies and penalties that supplement, but shall not supplant, civil and criminal remedies and penalties specified in other provisions of law.

(g) Agreements with other States

States may enter into agreements, on a reciprocal basis, to permit eligible providers of training services to accept individual training accounts provided in another State.

(h) On-the-job training, customized training, incumbent worker training, and other training exceptions

(1) In general

Providers of on-the-job training, customized training, incumbent worker training, internships, and paid or unpaid work experience opportunities, or transitional employment shall not be subject to the requirements of subsections (a) through (f).

(2) Collection and dissemination of information

A one-stop operator in a local area shall collect such performance information from providers of on-the-job training, customized training, incumbent worker training, internships, paid or unpaid work experience opportunities, and transitional employment as the Governor may require, and use the information to determine whether the providers meet such performance criteria as the Governor may require. The one-stop operator shall disseminate information identifying such providers that meet the criteria as eligible providers, and the performance information, through the one-stop delivery system. Providers determined to meet the criteria shall be considered to be identified as eligible providers of training services.

(i) Transition period for implementation

The Governor and local boards shall implement the requirements of this section not later than 12 months after July 22, 2014. In order to facilitate early implementation of this section, the Governor may establish transition procedures under which providers eligible to provide training services under chapter 5 of subtitle B of title I of the Workforce Investment Act of 1998 [29 U.S.C. 2861 et seq.], as such chapter was in effect on the day before July 22, 2014, may continue to be eligible to provide such services until December 31, 2015, or until such earlier date as the Governor determines to be appropriate.

''(3)(A) Subject to section 14(c), the Administrator shall certify as eligible for participation under this Act a veteran whose application is approved under this subsection and shall furnish the veteran with a certificate of that veteran's eligibility for presentation to an employer offering a program of job training under this Act. ''(2) A program of job training providing training for a period of at least three but less than six months may be approved if the Administrator determines (in accordance with standards which the Administrator shall prescribe) that the purpose of this Act would be met through that program.

''(b) Subject to section 10 and the other provisions of this Act, a veteran who has been approved for participation in a program of job training under this Act and has a current certificate of eligibility for such participation may enter a program of job training that has been approved under section 7 and that is offered to the veteran by the employer.

''(d) An application under subsection (c) shall include a certification by the employer of the following:

''(1) That the employer is planning that, upon a veteran's completion of the program of job training, the employer will employ the veteran in a position for which the veteran has been trained and that the employer expects that such a position will be available on a stable and permanent basis to the veteran at the end of the training period.

''(2) That the wages and benefits to be paid to a veteran participating in the employer's program of job training will be not less than the wages and benefits normally paid to other employees participating in a comparable program of job training.

''(3) That the employment of a veteran under the program—

''(A) will not result in the displacement of currently employed workers (including partial dis-

placement such as a reduction in the hours of non-overtime work, wages, or employment benefits); and

''(B) will not be in a job (i) while any other individual is on layoff from the same or any substantially equivalent job, or (ii) the opening for which was created as a result of the employer having terminated the employment of any regular employee or otherwise having reduced its work force with the intention of hiring a veteran in such job under this Act.

''(4) That the employer will not employ in the program of job training a veteran who is already qualified by training and experience for the job for which training is to be provided.

''(5) That the job which is the objective of the training program is one that involves significant training.

''(6) That the training content of the program is adequate, in light of the nature of the occupation for which training is to be provided and of comparable training opportunities in such occupation, to accomplish the training objective certified under clause (2) of subsection (e).

''(7) That each participating veteran will be employed full time in the program of job training.

''(8) That the training period under the proposed program is not longer than the training periods that employers in the community customarily require new employees to complete in order to become competent in the occupation or job for which training is to be provided.

''(9) That there are in the training establishment or place of employment such space, equipment, instructional material, and instructor personnel as needed to accomplish the training objective certified under clause (2) of subsection (e).

''(10) That the employer will keep records adequate to show the progress made by each veteran participating in the program and otherwise to demonstrate compliance with the requirements established under this Act.

''(11) That the employer will furnish each participating veteran, before the veteran's entry into training, with a copy of the employer's certification under this subsection and will obtain and retain the veteran's signed acknowledgment of having received such certification.

''(12) That, as applicable, the employer will provide each participating veteran with the full opportunity to participate in a personal interview pursuant to section 14(b)(1)(A) during the veteran's normal workday.

''(13) That the program meets such other criteria as the Administrator may determine are essential for the effective implementation of the program established by this Act.

''(e) A certification under subsection (d) shall include—

''(1) a statement indicating (A) the total number of hours of participation in the program of job training to be offered a veteran, (B) the length of the program of job training, and (C) the starting rate of wages to be paid to a participant in the program; and

''(2) a description of the training content of the program (including any agreement the employer has entered into with an educational institution under section 10) and of the objective of the training.

''(f)(1) Except as specified in paragraph (2), each matter required to be certified to in paragraphs (1) through (11) of subsection (d) shall be considered to be a requirement established under this Act.

''(2)(A) For the purposes of section 8(c), only matters required to be certified in paragraphs (1) through (10) of subsection (d) shall be so considered.

''(B) For the purposes of section 11, a matter required to be certified under paragraph (12) of subsection (d) shall also be so considered.

''(g) In accordance with regulations which the Administrator shall prescribe, the Administrator may withhold approval of an employer's proposed program of job training pending the outcome of an investigation under section 12 and, based on the outcome of such an investigation, may disapprove such program.

''(h) For the purposes of this section, approval of a program of apprenticeship or other on-job training for the purposes of section 3687 of title 38, United States Code, shall be considered to meet all requirements established under the provisions of this Act (other than subsections (b) and (d)(3)) for approval of a program of job training.

''PAYMENTS TO EMPLOYERS; OVERPAYMENT

''SEC. 8. (a)(1) Except as provided in paragraph (3) and subsection (b) and subject to the provisions of section 9, the Administrator shall make quarterly payments to an employer of a veteran participating in an approved program of job training under this Act. Subject to section 5(c) and paragraph (2), the amount paid to an employer on behalf of a veteran for any period of time shall be 50 percent of the product of (A) the starting hourly rate of wages paid to the veteran by the employer (without regard to overtime or premium pay), and (B) the number of hours worked by the veteran during that period.

''(2) The total amount that may be paid to an employer on behalf of a veteran participating in a program of job training under this Act is $10,000.

''(3) In order to relieve financial burdens on business enterprises with relatively few numbers of employees, the Administrator may make payments under this Act on a monthly, rather than quarterly, basis to an employer with a number of employees less than a number which shall be specified in regulations which the Administrator shall prescribe for the purposes of this paragraph.

''(b) Payment may not be made to an employer for a period of training under this Act on behalf of a veteran until the Administrator has received—

''(1) from the veteran, a certification that the veteran was employed full time by the employer in a program of job training during such period; and

''(2) from the employer, a certification—

''(A) that the veteran was employed by the employer during that period and that the veteran's performance and progress during such period were satisfactory; and

''(B) of the number of hours worked by the veteran during that period.

With respect to the first such certification by an employer with respect to a veteran, the certification shall indicate the date on which the employment of the veteran began and the starting hourly rate of wages paid to the veteran (without regard to overtime or premium pay).

''(c)(1)(A) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification, or information contained in an application, submitted by an employer which was false in any material respect, the amount of such overpayment shall constitute a liability of the employer to the United States.

''(B) Whenever the Administrator finds that an employer has failed in any substantial respect to comply for a period of time with a requirement established under this Act (unless the employer's failure is the result of false or incomplete information provided by the veteran), each amount paid to the employer on behalf of a veteran for that period shall be considered to be an overpayment under this Act, and the amount of such overpayment shall constitute a liability of the employer to the United States.

''(2) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification by the veteran, or as a result of information provided to an employer or contained in an application submitted by the veteran, which was willfully or negligently false in any material respect, the amount of such overpayment shall constitute a liability of the veteran to the United States.

''(3) Any overpayment referred to in paragraph (1) or (2) may be recovered in the same manner as any other debt due the United States. Any overpayment recovered shall be credited to funds available to make payments under this Act. If there are no such funds, any overpayment recovered shall be deposited into the Treasury.

''ENTRY INTO PROGRAM OF JOB TRAINING

''SEC. 9. Notwithstanding any other provision of this Act, the Administrator may withhold or deny approval of a veteran's entry into an approved program of job training if the Administrator determines that funds are not available to make payments under this Act on behalf of the veteran to the employer offering that program. Before the entry of a veteran into an approved program of job training of an employer for purposes of assistance under this Act, the employer shall notify the Administrator of the employer's intention to employ that veteran. The veteran may begin such program of job training with the employer two weeks after the notice is transmitted to the Administrator unless within that time the employer has received notice from the Administrator that approval of the veteran's entry into that program of job training must be withheld or denied in accordance with this section.

''PROVISION OF TRAINING THROUGH EDUCATIONAL INSTITUTIONS

''SEC. 10. An employer may enter into an agreement with an educational institution that has been approved for the enrollment of veterans under chapter 34 of title 38, United States Code, in order that such institution may provide a program of job training (or a portion of such a program) under this Act. When such an agreement has been entered into, the application of the employer under section 7 shall so state and shall include a description of the training to be provided under the agreement.

''DISCONTINUANCE OF APPROVAL OF PARTICIPATION IN CERTAIN EMPLOYER PROGRAMS

''SEC. 11. (a) If the Administrator finds at any time that a program of job training previously approved by the Administrator for the purposes of this Act thereafter fails to meet any of the requirements established under this Act, the Administrator may immediately disapprove further participation by veterans in that program. The Administrator shall provide to the employer concerned, and to each veteran participating in the employer's program, a statement of the reasons for, and an opportunity for a hearing with respect to, such disapproval. The employer and each such veteran shall be notified of such disapproval, the reasons for such disapproval, and the opportunity for a hearing. Notification shall be by a certified or registered letter, and a return receipt shall be secured.

''(b)(1) If the Administrator determines that the rate of veterans' successful completion of an employer's programs of job training previously approved by the Administrator for the purposes of this Act is disproportionately low because of deficiencies in the quality of such programs, the Administrator shall disapprove participation in such programs on the part of veterans who had not begun such participation on the date that the employer is notified of the disapproval. In determining whether any such rate is disproportionately low because of such deficiencies, the Administrator shall take into account appropriate data, including—

''(A) the quarterly data provided by the Secretary with respect to the number of veterans who receive counseling in connection with training under this Act, are referred to employers under this Act, participate in job training under this Act, complete such training or do not complete such training, and the reasons for noncompletion; and

''(B) data compiled through the particular employer's compliance surveys.

''(2) With respect to a disapproval under paragraph (1), the Administrator shall provide to the employer concerned the kind of statement, opportunity for hearing, and notice described in subsection (a).

''(3) A disapproval under paragraph (1) shall remain in effect until such time as the Administrator determines that adequate remedial action has been taken.

''INSPECTION OF RECORDS; INVESTIGATIONS

''SEC. 12. (a) The records and accounts of employers pertaining to veterans on behalf of whom assistance has been paid under this Act, as well as other records that the Administrator determines to be necessary to ascertain compliance with the requirements established under this Act, shall be available at reasonable times for examination by authorized representatives of the Federal Government.

''(b) The Administrator may monitor employers and veterans participating in programs of job training under this Act to determine compliance with the requirements established under this Act.

''(c) The Administrator may investigate any matter the Administrator considers necessary to determine compliance with the requirements established under this Act. The investigations authorized by this subsection may include examining records (including making certified copies of records), questioning employees, and entering into any premises or onto any site where any part of a program of job training is conducted under this Act, or where any of the records of the employer offering or providing such program are kept.

''(d) The Administrator may administer functions under subsections (b) and (c) in accordance with an agreement between the Administrator and the Secretary providing for the administration of such subsections (or any portion of such subsections) by the Department of Labor. Under such an agreement, any entity of the Department of Labor specified in the agreement may administer such subsections, notwithstanding section 4(b).

''COORDINATION WITH OTHER PROGRAMS

''SEC. 13. (a)(1) Assistance may not be paid under this Act to an employer on behalf of a veteran for any period of time described in paragraph (2) and to such veteran under chapter 31, 32, 34, 35, or 36 of title 38, United States Code, for the same period of time.

''(2) A period of time referred to in paragraph (1) is the period of time beginning on the date on which the veteran enters into an approved program of job training of an employer for purposes of assistance under this Act and ending on the last date for which such assistance is payable.

''(b) Assistance may not be paid under this Act to an employer on behalf of an eligible veteran for any period if the employer receives for that period any other form of assistance on account of the training or employment of the veteran, including assistance under title I of the Workforce Investment Act of 1998 [former 29 U.S.C. 2801 et seq.] or a credit under section 44B of the Internal Revenue Code of 1954 ([former] 26 U.S.C. 44B) (relating to credit for employment of certain new employees).

''COUNSELING

''SEC. 14. (a)(1) The Administrator and the Secretary may, upon request, provide employment counseling services to any veteran eligible to participate under this Act in order to assist such veteran in selecting a suitable program of job training under this Act.

''(2) The Administrator shall, after consultation with the Secretary, provide a program of job-readiness skills development and counseling services designed to assist veterans in need of such assistance in finding, applying for, and successfully participating in a suitable pro-

gram of job training under this Act. As part of providing such services, the Administrator shall coordinate activities, to the extent practicable, with the readjustment counseling program described in section 1712A of title 38, United States Code. The Administrator shall advise veterans participating under this Act of the availability of such services and encourage them to request such services whenever appropriate.

''(b)(1) The Secretary shall provide for a program under which—

''(A) except as provided in paragraph (2), a disabled veteran's outreach program specialist appointed under section 4103A(a) of title 38, United States Code, is assigned as a case manager for each veteran participating in a program of job training under this Act;

''(B) the veteran has an in-person interview with the case manager not later than 60 days after entering into a program of training under this Act; and

''(C) periodic (not less frequent than monthly) contact is maintained with each such veteran for the purpose of (i) avoiding unnecessary termination of employment, (ii) referring the veteran to appropriate counseling, if necessary, (iii) facilitating the veteran's successful completion of such program, and (iv) following up with the employer and the veteran in order to determine the veteran's progress in the program and the outcome regarding the veteran's participation in and successful completion of the program.

''(2) No case manager shall be assigned pursuant to paragraph (1)(A)—

''(A) for a veteran if, on the basis of a recommendation made by a disabled veterans' outreach program specialist, the Secretary determines that there is no need for a case manager for such veteran; or

''(B) in the case of the employees of an employer, if the Secretary determines that—

''(i) the employer has an appropriate and effective employee assistance program that is available to all veterans participating in the employer's programs of job training under this Act; or

''(ii) the rate of veterans' successful completion of the employer's programs of job training under this Act, either cumulatively or during the previous program year, is 60 percent or higher.

''(3) The Secretary and the Administrator shall jointly provide, to the extent feasible—

''(A) a program of counseling or other services (to be provided pursuant to subchapter IV of chapter 3 [see chapter 63] of title 38, United States Code, and sections 1712A, 4103A, and 4104 of such title) designed to resolve difficulties that may be encountered by veterans during their training under this Act; and

''(B) a program of information services under which—

''(i) each veteran who enters into a program of job training under this Act and each employer participating under this Act is informed of the supportive services and resources available to the veteran (I) under clauses (A) and (B), (II) through Veterans' Administration counseling and career-development activities (especially, in the case of a Vietnam-era veteran, readjustment counseling services under section 1712A of such title) and under title I of the Workforce Investment Act of 1998 [former 29 U.S.C. 2801 et seq.], and (III) through other appropriate agencies in the community; and

''(ii) veterans and employers are encouraged to request such services whenever appropriate.

''(c) Before a veteran who voluntarily terminates from a program of job training under this Act or is involuntarily terminated from such program by the employer may be eligible to be provided with a further certificate, or renewal of certification, of eligibility for participation under this Act, such veteran must be provided by the Secretary, after consultation with the Administrator, with a case manager.

''(d) Payments made under this Act pursuant to contracts entered into for the provision of job-readiness skills development and counseling services under subsection (a)(2) may only be paid out of the same account used to make payments under section 3104(a)(7) of title 38, United States Code, and the amount paid out of such account in any fiscal year for such services shall not exceed an amount equal to 5 percent of the amount obligated to carry out this Act for such fiscal year, except that for fiscal year 1988 the amount shall not exceed 5 percent of the amount available to carry out this Act on October 1, 1987.

''INFORMATION AND OUTREACH; USE OF AGENCY RESOURCES

''(B) to inform private industry and business concerns (including small business concerns), public agencies and organizations, educational institutions, trade associations, and labor unions about the job training opportunities available under, and the advantages of participating in, the program established by this Act.

''(2) The Secretary, in consultation with the Administrator, shall promote the development of employment and job training opportunities for veterans by encouraging potential employers to make programs of job training under this Act available for eligible veterans, by advising other appropriate Federal departments and agencies of the program established by this Act, and by advising employers of applicable responsibilities under chapters 41 and 42 of title 38, United States Code, with respect to veterans.

''(b) The Administrator and the Secretary shall coordinate the outreach and public information program under subsection (a)(1), and job development activities under subsection (a)(2), with job counseling, placement, job development, and other services provided for under chapters 41 and 42 of title 38, United States Code, and with other similar services offered by other public agencies and organizations.

''(c)(1) The Administrator and the Secretary shall make available in regional and local offices of the Veterans' Administration and the Department of Labor such personnel as are necessary to facilitate the effective implementation of this Act.

''(2) In carrying out the responsibilities of the Secretary under this Act, the Secretary shall make maximum use of the services of Directors and Assistant Directors for Veterans' Employment and Training, disabled veterans' outreach program specialists, and employees of local offices appointed pursuant to sections 4103, 4103A, and 4104 of title 38, United States Code. The Secretary shall also use such resources as are available under title I of the Workforce Investment Act of 1998 [former 29 U.S.C. 2801 et seq.]. To the extent that the Administrator withholds approval of veterans' applications under this Act pursuant to section 5(b)(2)(B), the Secretary shall take steps to assist such veterans in taking advantage of opportunities that may be available to them under title I of the Workforce Investment Act of 1998 [former 29 U.S.C. 2801 et seq.] or under any other program carried out with funds provided by the Secretary.

''(d) The Secretary shall request and obtain from the Administrator of the Small Business Administration a list of small business concerns and shall, on a regular basis, update such list. Such list shall be used to identify and promote possible training and employment opportunities for veterans.

''(e) The Administrator and the Secretary shall assist veterans and employers desiring to participate under this Act in making application and completing necessary certifications.

''(f) The Secretary shall, on a not less frequent than quarterly basis, collect and compile from the heads of

State employment services and Directors for Veterans' Employment and Training for each State information available to such heads and Directors, and derived from programs carried out in their respective States, with respect to the numbers of veterans who receive counseling services pursuant to section 14, who are referred to employers participating under this Act, who participate in programs of job training under this Act, and who complete such programs, and the reasons for veterans' noncompletion.

§ 3195. Recruitment, screening, selection, and assignment of enrollees

(a) Standards and procedures

(1) In general

The Secretary shall prescribe specific standards and procedures for the recruitment, screening, and selection of eligible applicants for the Job Corps, after considering recommendations from Governors of States, local boards, and other interested parties.

(2) Methods

In prescribing standards and procedures under paragraph (1), the Secretary, at a minimum, shall—

The standards and procedures shall be implemented through arrangements with—

(A) applicable one-stop centers;

(B) organizations that have a demonstrated record of effectiveness in serving at-risk youth and placing such youth into employment, including community action agencies, business organizations, or labor organizations; and

(C) child welfare agencies that are responsible for children and youth eligible for benefits and services under section 677 of title 42.

(4) Consultation

The standards and procedures shall provide for necessary consultation with individuals and organizations, including court, probation, parole, law enforcement, education, welfare, and medical authorities and advisers.

(5) Reimbursement

The Secretary is authorized to enter into contracts with and make payments to individuals and organizations for the cost of conducting recruitment, screening, and selection of eligible applicants for the Job Corps, as provided for in this section. The Secretary shall make no payment to any individual or organization solely as compensation for referring the names of applicants for the Job Corps.

(b) Special limitations on selection

(1) In general

No individual shall be selected as an enrollee unless the individual or organization implementing the standards and procedures described in subsection (a) determines that—

(A) there is a reasonable expectation that the individual considered for selection can participate successfully in group situations and activities, and is not likely to engage in behavior that would prevent other enrollees from receiving the benefit of the Job Corps program or be incompatible with the maintenance of sound discipline and satisfactory relationships between the Job Corps center to which the individual might be assigned and communities surrounding the Job Corps center;

(B) the individual manifests a basic understanding of both the rules to which the individual will be subject and of the consequences of failure to observe the rules, and agrees to comply with such rules; and

(C) the individual has passed a background check conducted in accordance with procedures established by the Secretary and with applicable State and local laws.

(2) Individuals on probation, parole, or supervised release

An individual on probation, parole, or supervised release may be selected as an enrollee only if release from the supervision of the probation or parole official involved is satisfactory to the official and the Secretary and does not violate applicable laws (including regulations). No individual shall be denied a position in the Job Corps solely on the basis of individual contact with the criminal justice system except for a disqualifying conviction as specified in paragraph (3).

(3) Individuals convicted of certain crimes

An individual shall not be selected as an enrollee if the individual has been convicted of a felony consisting of murder (as described in section 1111 of title 18), child abuse, or a crime involving rape or sexual assault.

(c) Assignment plan

(1) In general

Every 2 years, the Secretary shall develop and implement a plan for assigning enrollees to Job Corps centers. In developing the plan, the Secretary shall, based on the analysis described in paragraph (2), establish targets, applicable to each Job Corps center, for—

(A) the maximum attainable percentage of enrollees at the Job Corps center that reside in the State in which the center is located; and

(B) the maximum attainable percentage of enrollees at the Job Corps center that reside in the region in which the center is located, and in surrounding regions.

(2) Analysis

In order to develop the plan described in paragraph (1), every 2 years the Secretary, in consultation with operators of Job Corps centers, shall analyze relevant factors relating to each Job Corps center, including—

(A) the size of the population of individuals eligible to participate in Job[1] Corps in the State and region in which the Job Corps center is located, and in surrounding regions;

(B) the relative demand for participation in the Job Corps in the State and region, and in surrounding regions;

(C) the capacity and utilization of the Job Corps center, including the education, training, and supportive services provided through the center; and

(D) the performance of the Job Corps center relating to the expected levels of performance for the indicators described in section 3209(c)(1) of this title, and whether any actions have been taken with respect to such center pursuant to paragraphs (2) and (3) of section 3209(f) of this title.

(d) Assignment of individual enrollees

(1) In general

After an individual has been selected for the Job Corps in accordance with the standards and procedures of the Secretary under subsection (a), the enrollee shall be assigned to the Job Corps center that offers the type of career and technical education and training selected by the individual and, among the centers that offer such education and training, is closest to the home of the individual. The Secretary may waive this requirement if—

(A) the enrollee would be unduly delayed in participating in the Job Corps program because the closest center is operating at full capacity; or

(B) the parent or guardian of the enrollee requests assignment of the enrollee to another Job Corps center due to circumstances in the community of the enrollee that would impair prospects for successful participation in the Job Corps program.

(2) Enrollees who are younger than 18

An enrollee who is younger than 18 shall not be assigned to a Job Corps center other than the center closest to the home that offers the career and technical education and training desired by the enrollee pursuant to paragraph (1) if the parent or guardian of the enrollee objects to the assignment.

(3) Repayment from deduction by State

If the Secretary requires a State to repay funds as a result of a determination that a local area of the State has expended funds in a manner contrary to the requirements of this subchapter, the Governor of the State may use an amount deducted under paragraph (4) to repay the funds, except as provided under subsection (e).[1]

(d) Repayment of amounts

(1) In general

Each recipient of funds under this subchapter shall be liable to repay the amounts described in subsection (c)(1), from funds other than funds received under this subchapter, upon a determination by the Secretary that the misexpenditure of the amounts was due to willful disregard of the requirements of this subchapter, gross negligence, failure to observe accepted standards of administration, or a pattern of misexpenditure described in subsection (c)(1). No such determination shall be made under this subsection or subsection (c) until notice and opportunity for a fair hearing have been given to the recipient.

(2) Factors in imposing sanctions

In determining whether to impose any sanction authorized by this section against a recipient of funds under this subchapter for violations of this subchapter (including applicable regulations) by a subgrantee or contractor of such recipient, the Secretary shall first determine whether such recipient has adequately demonstrated that the recipient has—

(D) taken prompt and appropriate corrective action upon becoming aware of any evidence of a violation of this subchapter, including regulations issued under this subchapter, by such subgrantee or contractor.

(3) Waiver

If the Secretary determines that the recipient has demonstrated substantial compliance with the requirements of paragraph (2), the Secretary may waive the imposition of sanctions authorized by this section upon such recipient. The Secretary is authorized to impose any sanction consistent with the provisions of this subchapter and with any applicable Federal or State law directly against any subgrantee or contractor for violation of this subchapter, including regulations issued under this subchapter.

(e) Immediate termination or suspension of assistance in emergency situations

In emergency situations, if the Secretary determines it is necessary to protect the integrity of the funds or ensure the proper operation of the program or activity involved, the Secretary may immediately terminate or suspend financial assistance, in whole or in part, to the recipient if the recipient is given prompt notice and the opportunity for a subsequent hearing within 30 days after such termination or suspension. The Secretary shall not delegate any of the functions or authority specified in this subsection, other than to an officer whose appointment is required to be made by and with the advice and consent of the Senate.

(f) Discrimination against participants

GEORGE W. BUSH.

ESTABLISHING A TASK FORCE ON SKILLS FOR AMERICA'S FUTURE

Memorandum of President of the United States, Oct. 4, 2010, 75 F.R. 62309, provided:

Memorandum for the Heads of Executive Departments and Agencies

In order to compete in the global economy, the United States needs the most educated workforce in the world. The high-wage jobs of the 21st century will require more knowledge and skills than the jobs of the past. We therefore must develop innovative strategies to train more Americans with the skills that businesses and the economy will need to ensure American competitiveness.

Community colleges are a key part of our education system, providing a flexible and affordable place to sharpen relevant workforce skills and align them with the needs of employers in their communities. Traditional four-year colleges, on-line institutions, and nontraditional educational outlets also can play an essential role in providing training opportunities. To prepare students for 21st-century jobs, these institutions need to develop flexible, affordable, and responsive training programs that meet regional and national economic needs. An important way to ensure that training pro-

grams meet such needs is through partnerships between these institutions and labor unions, small businesses, and other regional employers. As educational institutions develop these innovative programs, we should assess what works and what does not, so that we reward excellent outcomes and true innovation that meets the needs of entrepreneurs and other employers in every part of the country, from rural communities to urban centers.

Therefore, I am establishing a task force to develop skills for America's future by identifying, developing, and increasing the scale of promising approaches to improving the skills of our Nation's workers. By coordinating the work of relevant agencies with that of nonprofits, labor unions, and private sector organizations, and by leveraging the assets of these entities, this effort will build better partnerships between businesses, community colleges, and other training providers to get Americans trained for the jobs of today and tomorrow.

SECTION 1. *Establishment*. There is established an interagency Task Force on Skills for America's Future (Task Force) to ensure that Federal policies promote innovative training programs and curricula, including successful public-private partnerships, at community colleges as well as in other settings, that will prepare the American workforce for 21st-century jobs. The Chair of the Council of Economic Advisers, the Assistant to the President for Economic Policy, and the Assistant to the President for Domestic Policy shall serve as Co-Chairs of the Task Force.

SEC. 2. *Membership*. In addition to the Co-Chairs, the Task Force shall consist of the following members, or any senior official designated by one of the following members who is a part of the member's department, agency, or office, and who is a full time employee of the Federal Government:

(a) the Secretary of Defense;
(b) the Secretary of Agriculture;
(c) the Secretary of Commerce;
(d) the Secretary of Labor;
(e) the Secretary of Health and Human Services;
(f) the Secretary of Transportation;
(g) the Secretary of Energy;
(h) the Secretary of Education;
(i) the Secretary of Veterans Affairs;
(j) the Director of the Office of Management and Budget;
(k) the Administrator of the Small Business Administration;
(l) the Director of the Office of Science and Technology Policy; and
(m) the heads of other executive departments, agencies, or offices as the Co-Chairs may designate.

SEC. 3. *Administration*. The Council of Economic Advisers shall provide administrative support for the Task Force to the extent permitted by law and within existing appropriations.

SEC. 4. *Mission and Functions*. The Task Force shall work across executive departments and agencies to ensure that Federal policies facilitate, and offer incentives for, innovative career-training and education opportunities at community colleges as well as in other settings, and that these opportunities are directly related to skills and job requirements across a range of industries. Using the best evidence available regarding effective practice, the Task Force shall develop recommendations and options for meeting the following objectives:

(a) improved public-private collaboration to develop career pathway and training programs with effective curricula, certifiable skills, and industry-recognized credentials and degrees;
(b) identification of opportunities to amplify, accelerate, or increase the scale of, successful public-private partnerships that match trained workers with prospective employers;
(c) identification and development of stackable credentials that provide entry to and advancement along a career pathway in an in-demand occupation;
(d) outreach to relevant stakeholders—including industry, the adult workforce, younger students, educational institutions, labor unions, policymakers, and community leaders—with expertise in skill development;
(e) alignment of workforce training programs funded by the Departments of Education and Labor, as well as other Federal agencies, with innovative practices and regional market demands, to build on effective skills-based training for adult workers and younger students, including individuals with disabilities;
(f) partnership with appropriate non-profit entities to engage the private sector in developing effective training programs that provide students with recognizable and portable skills that are needed in the marketplace; and
(g) greater use of technology to improve training, skills assessment, and labor market information.

SEC. 5. *General Provisions*.

(a) This memorandum shall be implemented consistent with applicable law and subject to the availability of any necessary appropriations.
(b) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.
(c) The heads of executive departments and agencies shall assist and provide information to the Task Force, consistent with applicable law, as may be necessary to carry out the functions of the Task Force. Each executive department, agency, and office shall bear its own expenses of participating in the Task Force.
(d) The Chair of the Council of Economic Advisers is hereby authorized and directed to publish this memorandum in the Federal Register.
