(3) provide for the establishment or designation of a single and separate organizational unit, which meets such staffing and organizational requirements as the Secretary may by regulation prescribe, within the State to administer the plan;

(4) provide that the State will—

(A) provide services relating to the establishment of paternity or the establishment, modification, or enforcement of child support obligations, as appropriate, under the plan with respect to—

(ii) any other child, if an individual applies for such services with respect to the child (except that, if the individual applying for the services resides in a foreign reciprocating country or foreign treaty country, the State may opt to require the individual to request the services through the Central Authority for child support enforcement in the foreign reciprocating country or the foreign treaty country, and if the individual resides in a foreign country that is not a foreign reciprocating country or a foreign treaty country, a State may accept or reject the application); and

(B) enforce any support obligation established with respect to—

(i) a child with respect to whom the State provides services under the plan; or

(ii) the custodial parent of such a child;

(5) provide that (A) in any case in which support payments are collected for an individual with respect to whom an assignment pursuant to section 608(a)(3) of this title is effective, such payments shall be made to the State for distribution pursuant to section 657 of this title and shall not be paid directly to the family, and the individual will be notified on a monthly basis (or on a quarterly basis for so long as the Secretary determines with respect to a State that requiring such notice on a monthly basis would impose an unreasonable administrative burden) of the amount of the support payments collected, and (B) in any case in which support payments are collected for an individual pursuant to the assignment made under section 1396k of this title, such payments shall be made to the State for distribution pursuant to section 1396k of this title, except that this clause shall not apply to such payments for any month after the month in which the individual ceases to be eligible for medical assistance;

(6) provide that—

(13) provide that the State will comply with such other requirements and standards as the Secretary determines to be necessary to the establishment of an effective program for locating noncustodial parents, establishing paternity, obtaining support orders, and collecting support payments and provide that information requests by parents who are residents of other States be treated with the same priority as requests by parents who are residents of the State submitting the plan;

(15) provide for—

(A) a process for annual reviews of and reports to the Secretary on the State program operated under the State plan approved under this part, including such information as may be necessary to measure State compliance with Federal requirements for expedited procedures, using such standards and procedures as are required by the Secretary, under which the State agency will determine the extent to which the program is operated in compliance with this part; and

(B) a process of extracting from the automated data processing system required by paragraph (16) and transmitting to the Secretary data and calculations concerning the levels of accomplishment (and rates of improvement) with respect to applicable performance indicators (including paternity establishment percentages) to the extent necessary for purposes of sections 652(g) and 658a of this title;

(17) provide that the State will have in effect an agreement with the Secretary entered into pursuant to section 663 of this title for the use of the Parent Locator Service established under section 653 of this title, and provide that the State will accept and transmit to the Secretary requests for information authorized under the provisions of the agreement to be furnished by such Service to authorized persons, will impose and collect (in accordance with regulations of the Secretary) a fee sufficient to cover the costs to the State and to the Secretary incurred by reason of such requests, will transmit to the Secretary from time to time (in accordance with such regulations) so much of the fees collected as are attributable to such costs to the Secretary so incurred, and during the period that such agreement is in effect will otherwise comply with such agreement and regulations of the Secretary with respect thereto;

(B) assure that the fee will be collected in addition to, and only after full payment of, the overdue support, and that the imposition of the late payment fee shall not directly or indirectly result in a decrease in the amount of the support which is paid to the child (or spouse) to whom, or on whose behalf, it is owed;

(22) in order for the State to be eligible to receive any incentive payments under section 658a of this title, provide that, if one or more political subdivisions of the State participate in the costs of carrying out activities under the State plan during any period, each such subdivision shall be entitled to receive an appropriate share (as determined by the State) of any such incentive payments made to the State for such period, taking into account the efficiency and effectiveness of the activities carried out under the State plan by such political subdivision;

L. 109–171, title VII, §7311, Feb. 8, 2006, 120 Stat. 148, provided that: ''In the case of a State plan under part D of title IV of the Social Security Act [42 U.S.C. 651 et seq.] which the Secretary determines requires State legislation in order for the plan to meet the additional requirements imposed by the amendments made by this subtitle [subtitle C (§§7301–7311) of title VII of Pub. L. 109–171, amending this section, sections 608, 652, 653, 655, 657, 664, and 666 of this title, section 6402 of Title 26, Internal Revenue Code, and provisions set out as a note under section 1169 of Title 29, Labor], the effective date of the amendments imposing the additional requirements shall be 3 months after the first day of the first calendar quarter beginning after the close of the first regular session of the State legislature that begins after the date of the enactment of this Act [Feb. 8, 2006]. For purposes of the preceding sentence, in the case of a State that has a 2-year legislative session, each year of the session shall be considered to be a separate regular session of the State legislature.''

STATE COMMISSIONS ON CHILD SUPPORT

Pub. L. 98–378, §15, Aug. 16, 1984, 98 Stat. 1320, provided that:

''(a) As a condition of the State's eligibility for Federal payments under part A or D of title IV of the Social Security Act [42 U.S.C. 601 et seq., 651 et seq.] for quarters beginning more than 30 days after the date of the enactment of this Act [Aug. 16, 1984] and ending prior to October 1, 1985, the Governor of each State, on or before December 1, 1984, shall (subject to subsection (f)) appoint a State Commission on Child Support.

''(b) Each State Commission appointed under subsection (a) shall be composed of members appropriately representing all aspects of the child support system, including custodial and non-custodial parents, the agency or organizational unit administering the State's plan under part D of such title IV [42 U.S.C. 651 et seq.], the State judiciary, the executive and legislative branches of the State government, child welfare and social services agencies, and others.

''(c) It shall be the function of each State Commission to examine, investigate, and study the operation of the State's child support system for the primary purpose of determining the extent to which such system has been successful in securing support and parental involvement both for children who are eligible for aid under a State plan approved under part A of title IV of such Act [42 U.S.C. 601 et seq.] and for children who are not eligible for such aid, giving particular attention to such specific problems (among others) as visitation, the establishment of appropriate objective standards for support, the enforcement of interstate obligations, the availability, cost, and effectiveness of services both to children who are eligible for such aid and to children who are not, and the need for additional State or Federal legislation to obtain support for all children.

''(d) Each State Commission shall submit to the Governor of the State and make available to the public, no later than October 1, 1985, a full and complete report of its findings and recommendations resulting from the examination, investigation, and study under this section. The Governor shall transmit such report to the Secretary of Health and Human Services along with the Governor's comments thereon.

''(e) None of the costs incurred in the establishment and operation of a State Commission under this section, or incurred by such a Commission in carrying out its functions under subsections (c) and (d), shall be considered as expenditures qualifying for Federal payments under part A or D of title IV of the Social Security Act [42 U.S.C. 601 et seq., 651 et seq.] or be otherwise payable or reimbursable by the United States or any agency thereof.

''(f) If the Secretary determines, at the request of any State on the basis of information submitted by the State and such other information as may be available to the Secretary, that such State—

''(1) has placed in effect and is implementing objective standards for the determination and enforcement of child support obligations,

''(2) has established within the five years prior to the enactment of this Act [Aug. 16, 1984] a commission or council with substantially the same functions as the State Commissions provided for under this section, or

''(3) is making satisfactory progress toward fully effective child support enforcement and will continue to do so,

then such State shall not be required to establish a State Commission under this section and the preceding provisions of this section shall not apply.''

DELAYED EFFECTIVE DATE IN CASES REQUIRING STATE LEGISLATION

Pub. L. 97–248, title I, § 176, Sept. 3, 1982, 96 Stat. 403, provided that: ''In the case of a State with respect to which the Secretary of Health and Human Services has determined that State legislation is required in order to conform the State plan approved under part D of title IV of the Social Security Act [42 U.S.C. 651 et seq.] to the requirements imposed by any amendment made by this subtitle [subtitle E (§§ 171–176) of title I of Pub. L. 97–248, see Tables for classification], the State plan shall not be regarded as failing to comply with the requirements of such part solely by reason of its failure to meet the requirements imposed by such amendment prior to the end of the first session of the State legislature which begins after October 1, 1982, or which began prior to October 1, 1982, and remained in session for at least twenty-five calendar days after such date. For purposes of the preceding sentence, the term 'session' means a regular, special, budget, or other session of a State legislature.''

§ 654a. Automated data processing

(a) In general

(1) Policies restricting access

Written policies concerning access to data by State agency personnel, and sharing of data with other persons, which—

(A) permit access to and use of data only to the extent necessary to carry out the State program under this part; and

(B) specify the data which may be used for particular program purposes, and the personnel permitted access to such data.

(2) Systems controls

Systems controls (such as passwords or blocking of fields) to ensure strict adherence to the policies described in paragraph (1).

§ 654b. Collection and disbursement of support payments

(a) State disbursement unit

(1) In general

In order for a State to meet the requirements of this section, the State agency must establish and operate a unit (which shall be known as the ''State disbursement unit'') for the collection and disbursement of payments under support orders—

(A) in all cases being enforced by the State pursuant to section 654(4) of this title; and

(B) in all cases not being enforced by the State under this part in which the support order is initially issued in the State on or after January 1, 1994, and in which the income of the noncustodial parent is subject to withholding pursuant to section 666(a)(8)(B) of this title.

(2) Operation

The State disbursement unit shall be operated—

(A) directly by the State agency (or 2 or more State agencies under a regional cooperative agreement), or (to the extent appropriate) by a contractor responsible directly to the State agency; and

(B) except in cases described in paragraph (1)(B), in coordination with the automated system established by the State pursuant to section 654a of this title.

(3) Linking of local disbursement units

The State disbursement unit may be established by linking local disbursement units through an automated information network, subject to this section, if the Secretary agrees that the system will not cost more nor take more time to establish or operate than a centralized system. In addition, employers shall be given 1 location to which income withholding is sent.

(b) Required procedures

The State disbursement unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical, for the collection and disbursement of support payments, including procedures—

(1) for receipt of payments from parents, employers, and other States, and for disbursements to custodial parents and other obligees, the State agency, and the agencies of other States;

(2) for accurate identification of payments;

(3) to ensure prompt disbursement of the custodial parent's share of any payment; and

(4) to furnish to any parent, upon request, timely information on the current status of

support payments under an order requiring payments to be made by or to the parent, except that in cases described in subsection (a)(1)(B), the State disbursement unit shall not be required to convert and maintain in automated form records of payments kept pursuant to section 666(a)(8)(B)(iii) of this title before the effective date of this section.

(c) Timing of disbursements

(1) In general

Except as provided in paragraph (2), the State disbursement unit shall distribute all amounts payable under section 657(a) of this title within 2 business days after receipt from the employer or other source of periodic income, if sufficient information identifying the payee is provided. The date of collection for amounts collected and distributed under this part is the date of receipt by the State disbursement unit, except that if current support is withheld by an employer in the month when due and is received by the State disbursement unit in a month other than the month when due, the date of withholding may be deemed to be the date of collection.

§ 655. Payments to States

(a) Amounts payable each quarter

(1) From the sums appropriated therefor, the Secretary shall pay to each State for each quarter an amount—

(A) equal to the percent specified in paragraph (2) of the total amounts expended by such State during such quarter for the operation of the plan approved under section 654 of this title,

(B) equal to the percent specified in paragraph (3) of the sums expended during such quarter that are attributable to the planning, design, development, installation or enhancement of an automatic data processing and information retrieval system (including in such sums the full cost of the hardware components of such system); and[1]

(C) equal to 66 percent of so much of the sums expended during such quarter as are attributable to laboratory costs incurred in determining paternity, and

(D) equal to 66 percent of the sums expended by the State during the quarter for an alternative statewide system for which a waiver has been granted under section 652(d)(3) of this title, but only to the extent that the total of the sums so expended by the State on or after July 16, 1998, does not exceed the least total cost estimate submitted by the State pursuant to section 652(d)(3)(C) of this title in the request for the waiver;

except that no amount shall be paid to any State on account of amounts expended from amounts paid to the State under section 658a of this title or to carry out an agreement which it has entered into pursuant to section 663 of this title. In determining the total amounts expended by any State during a quarter, for purposes of this subsection, there shall be excluded an amount equal to the total of any fees collected or other income resulting from services provided under the plan approved under this part.

(2) The percent applicable to quarters in a fiscal year for purposes of paragraph (1)(A) is—

(B) 68 percent for fiscal years 1988 and 1989, and

(C) 66 percent for fiscal year 1990 and each fiscal year thereafter.

(3)(A) The Secretary shall pay to each State, for each quarter in fiscal years 1996 and 1997, 90 percent of so much of the State expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements

[1] So in original. The ''; and'' probably should be a comma.

specified in section 654(16) of this title (as in effect on September 30, 1995) but limited to the amount approved for States in the advance planning documents of such States submitted on or before September 30, 1995.

(B)(i) The Secretary shall pay to each State or system described in clause (iii), for each quarter in fiscal years 1996 through 2001, the percentage specified in clause (ii) of so much of the State or system expenditures described in paragraph (1)(B) as the Secretary finds are for a system meeting the requirements of sections 654(16) and 654a of this title.

(ii) The percentage specified in this clause is 80 percent.

(iii) For purposes of clause (i), a system described in this clause is a system that has been approved by the Secretary to receive enhanced funding pursuant to the Family Support Act of 1988 (Public Law 100–485; 102 Stat. 2343) for the purpose of developing a system that meets the requirements of sections 654(16) of this title (as in effect on and after September 30, 1995) and 654a of this title, including systems that have received funding for such purpose pursuant to a waiver under section 1315(a) of this title.

(4)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with a particular subparagraph of section 654(24) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements referred to in the same subparagraph of section 654(24) of this title shall be considered a single failure of the State to comply with that subparagraph during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title—

(I) 4 percent of the penalty base, in the case of the first fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed under this paragraph with respect to the failure);

(II) 8 percent of the penalty base, in the case of the second such fiscal year;

(III) 16 percent of the penalty base, in the case of the third such fiscal year;

(IV) 25 percent of the penalty base, in the case of the fourth such fiscal year; or

(V) 30 percent of the penalty base, in the case of the fifth or any subsequent such fiscal year.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with a subparagraph of section 654(24) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive a penalty under this paragraph for any failure of a State to comply with section 654(24)(A) of this title during fiscal year 1998 if—

(I) on or before August 1, 1998, the State has submitted to the Secretary a request that the Secretary certify the State as having met the requirements of such section;

(II) the Secretary subsequently provides the certification as a result of a timely review conducted pursuant to the request; and

(III) the State has not failed such a review.

(ii) If a State with respect to which a reduction is made under this paragraph for a fiscal year with respect to a failure to comply with a subparagraph of section 654(24) of this title achieves compliance with such subparagraph by the beginning of the succeeding fiscal year, the Secretary shall increase the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the succeeding fiscal year by an amount equal to 90 percent of the reduction for the fiscal year.

(iii) The Secretary shall reduce the amount of any reduction that, in the absence of this clause, would be required to be made under this paragraph by reason of the failure of a State to achieve compliance with section 654(24)(B) of this title during the fiscal year, by an amount equal to 20 percent of the amount of the otherwise required reduction, for each State performance measure described in section 658a(b)(4) of this title with respect to which the applicable percentage under section 658a(b)(6) of this title for the fiscal year is 100 percent, if the Secretary has made the determination described in section 658a(b)(5)(B) of this title with respect to the State for the fiscal year.

(D) The Secretary may not impose a penalty under this paragraph against a State with respect to a failure to comply with section 654(24)(B) of this title for a fiscal year if the Secretary is required to impose a penalty under this paragraph against the State with respect to a failure to comply with section 654(24)(A) of this title for the fiscal year.

(5)(A)(i) If—

(I) the Secretary determines that a State plan under section 654 of this title would (in the absence of this paragraph) be disapproved for the failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title, and that the State has made and is continuing to make a good faith effort to so comply; and

(II) the State has submitted to the Secretary, not later than April 1, 2000, a corrective compliance plan that describes how, by when, and at what cost the State will achieve such compliance, which has been approved by the Secretary,

then the Secretary shall not disapprove the State plan under section 654 of this title, and the Secretary shall reduce the amount otherwise

payable to the State under paragraph (1)(A) of this subsection for the fiscal year by the penalty amount.

(ii) All failures of a State during a fiscal year to comply with any of the requirements of section 654B of this title shall be considered a single failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during the fiscal year for purposes of this paragraph.

(B) In this paragraph:

(i) The term ''penalty amount'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title—

(I) 4 percent of the penalty base, in the case of the 1st fiscal year in which such a failure by the State occurs (regardless of whether a penalty is imposed in that fiscal year under this paragraph with respect to the failure), except as provided in subparagraph (C)(ii) of this paragraph;

(II) 8 percent of the penalty base, in the case of the 2nd such fiscal year;

(III) 16 percent of the penalty base, in the case of the 3rd such fiscal year;

(IV) 25 percent of the penalty base, in the case of the 4th such fiscal year; or

(V) 30 percent of the penalty base, in the case of the 5th or any subsequent such fiscal year.

(ii) The term ''penalty base'' means, with respect to a failure of a State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title during a fiscal year, the amount otherwise payable to the State under paragraph (1)(A) of this subsection for the preceding fiscal year.

(C)(i) The Secretary shall waive all penalties imposed against a State under this paragraph for any failure of the State to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title if the Secretary determines that, before April 1, 2000, the State has achieved such compliance.

(ii) If a State with respect to which a reduction is required to be made under this paragraph with respect to a failure to comply with subparagraphs (A) and (B)(i) of section 654(27) of this title achieves such compliance on or after April 1, 2000, and on or before September 30, 2000, then the penalty amount applicable to the State shall be 1 percent of the penalty base with respect to the failure involved.

(D) The Secretary may not impose a penalty under this paragraph against a State for a fiscal year for which the amount otherwise payable to the State under paragraph (1)(A) of this subsection is reduced under paragraph (4) of this subsection for failure to comply with section 654(24)(A) of this title.

(b) Estimate of amounts payable; installment payments

(1) Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsection, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

(2) Subject to subsection (d), the Secretary shall then pay, in such installments as he may determine, to the State the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

(c) Repealed. Pub. L. 97–248, title I, § 174(b), Sept. 3, 1982, 96 Stat. 403

(d) State reports

Notwithstanding any other provision of law, no amount shall be paid to any State under this section for any quarter, prior to the close of such quarter, unless for the period consisting of all prior quarters for which payment is authorized to be made to such State under subsection (a), there shall have been submitted by the State to the Secretary, with respect to each quarter in such period (other than the last two quarters in such period), a full and complete report (in such form and manner and containing such information as the Secretary shall prescribe or require) as to the amount of child support collected and disbursed and all expenditures with respect to which payment is authorized under subsection (a).

(e) Special project grants for interstate enforcement; appropriations

(1) In order to encourage and promote the development and use of more effective methods of enforcing support obligations under this part in cases where either the children on whose behalf the support is sought or their noncustodial parents do not reside in the State where such cases are filed, the Secretary is authorized to make grants, in such amounts and on such terms and conditions as the Secretary determines to be appropriate, to States which propose to undertake new or innovative methods of support collection in such cases and which will use the proceeds of such grants to carry out special projects designed to demonstrate and test such methods.

(2) A grant under this subsection shall be made only upon a finding by the Secretary that the project involved is likely to be of significant assistance in carrying out the purpose of this subsection; and with respect to such project the Secretary may waive any of the requirements of this part which would otherwise be applicable, to such extent and for such period as the Secretary determines is necessary or desirable in order to enable the State to carry out the project.

(3) At the time of its application for a grant under this subsection the State shall submit to the Secretary a statement describing in reasonable detail the project for which the proceeds of the grant are to be used, and the State shall from time to time thereafter submit to the Secretary such reports with respect to the project as the Secretary may specify.

(4) Amounts expended by a State in carrying out a special project assisted under this section shall be considered, for purposes of section 658(b)[2] of this title (as amended by section 5(a) of the Child Support Enforcement Amendments of 1984), to have been expended for the operation of the State's plan approved under section 654 of this title.

(5) There is authorized to be appropriated the sum of $7,000,000 for fiscal year 1985, $12,000,000 for fiscal year 1986, and $15,000,000 for each fiscal year thereafter, to be used by the Secretary in making grants under this subsection.

(f) Direct Federal funding to Indian tribes and tribal organizations

The Secretary may make direct payments under this part to an Indian tribe or tribal organization that demonstrates to the satisfaction of the Secretary that it has the capacity to operate a child support enforcement program meeting the objectives of this part, including establishment of paternity, establishment, modification, and enforcement of support orders, and location of absent parents. The Secretary shall promulgate regulations establishing the requirements which must be met by an Indian tribe or tribal organization to be eligible for a grant under this subsection.

(i) Determination of arrearage payment performance level

The arrearage payment performance level for a State for a fiscal year is equal to the total number of cases under the State plan approved under this part in which payments of past-due child support were received during the fiscal year and part or all of the payments were distributed to the family to whom the past-due child support was owed (or, if all past-due child support owed to the family was, at the time of receipt, subject to an assignment to the State, part or all of the payments were retained by the State) divided by the total number of cases under the State plan in which there is past-due child support, expressed as a percentage.

(ii) Determination of applicable percentage

The applicable percentage with respect to a State's arrearage payment performance level is as follows:

If the arrearage payment performance level is:		The applicable percentage is:
At least:	But less than:	
80%		100
79%	80%	98

74%	75%	88
73%	74%	86
72%	73%	84
71%	72%	82
70%	71%	80

43%	44%	53
42%	43%	52
41%	42%	51

Notwithstanding the preceding sentence, if the arrearage payment performance level of a State for a fiscal year is less than 40 percent but exceeds by at least 5 percentage points the arrearage payment performance level of the State for the immediately preceding fiscal year, then the applicable percentage with respect to the State's arrearage payment performance level is 50 percent.

3.00	3.50	60
2.50	3.00	50
2.00	2.50	40
0.00	2.00	0.

(c) Treatment of interstate collections

In computing incentive payments under this section, support which is collected by a State at the request of another State shall be treated as having been collected in full by both States, and any amounts expended by a State in carrying out a special project assisted under section 655(e) of this title shall be excluded.

(d) Administrative provisions

The amounts of the incentive payments to be made to the States under this section for a fiscal year shall be estimated by the Secretary at/or before the beginning of the fiscal year on the basis of the best information available. The Secretary shall make the payments for the fiscal year, on a quarterly basis (with each quarterly payment being made no later than the beginning of the quarter involved), in the amounts so estimated, reduced or increased to the extent of any overpayments or underpayments which the Secretary determines were made under this section to the States involved for prior periods and with respect to which adjustment has not already been made under this subsection. Upon the making of any estimate by the Secretary under the preceding sentence, any appropriations available for payments under this section are deemed obligated.

(e) Regulations

The Secretary shall prescribe such regulations as may be necessary governing the calculation of incentive payments under this section, including directions for excluding from the calculations certain closed cases and cases over which the States do not have jurisdiction.

(f) Reinvestment

A State to which a payment is made under this section shall expend the full amount of the payment to supplement, and not supplant, other funds used by the State—

(1) to carry out the State plan approved under this part; or

Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

§ 664. Collection of past-due support from Federal tax refunds

(a) Procedures applicable; distribution

(1) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which has been assigned to such State pursuant to section 608(a)(3) or section 671(a)(17) of this title, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to the past-due support, shall concurrently send notice to such individual that the withholding has been made (including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund), and shall pay such amount to the State agency (together with notice of the individual's home address) for distribution in accordance with section 657 of this title. This subsection may be executed by the disbursing official of the Department of the Treasury.

(2)(A) Upon receiving notice from a State agency administering a plan approved under this part that a named individual owes past-due support which such State has agreed to collect under paragraph (4)(A)(ii) or (32) of section 654 of this title, and that the State agency has sent notice to such individual in accordance with paragraph (3)(A), the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such individual (regardless of whether such individual filed a tax return as a married or unmarried individual). If the Secretary of the Treasury finds that any such amount is payable, he shall withhold from such refunds an amount equal to such past-due support, and shall concurrently send notice to such individual that the withholding has been made, including in or with such notice a notification to any other person who may have filed a joint return with such individual of the steps which such other person may take in order to secure his or her proper share of the refund. The Secretary of the Treasury shall pay the amount withheld to the State agency, and the State shall pay to the Secretary of the Treasury any fee imposed by the Secretary of the Treasury to cover the costs of the withholding and any required notification. The State agency shall, subject to paragraph (3)(B), distribute such amount to or on behalf of the child to whom the support was owed in accordance with section 657 of this title. This subsection may be executed by the Secretary of the Department of the Treasury or his designee.

(B) This paragraph shall apply only with respect to refunds payable under section 6402 of the Internal Revenue Code of 1986 after December 31, 1985.

(3)(A) Prior to notifying the Secretary of the Treasury under paragraph (1) or (2) that an individual owes past-due support, the State shall send notice to such individual that a withholding will be made from any refund otherwise payable to such individual. The notice shall also (i) instruct the individual owing the past-due support of the steps which may be taken to contest the State's determination that past-due support is owed or the amount of the past-due support, and (ii) provide information, as may be prescribed by the Secretary of Health and Human Services by regulation in consultation with the Secretary of the Treasury, with respect to procedures to be followed, in the case of a joint return, to protect the share of the refund which may be payable to another person.

(B) If the Secretary of the Treasury determines that an amount should be withheld under paragraph (1) or (2), and that the refund from which it should be withheld is based upon a joint return, the Secretary of the Treasury shall notify the State that the withholding is being made from a refund based upon a joint return, and shall furnish to the State the names and addresses of each taxpayer filing such joint return. In the case of a withholding under paragraph (2), the State may delay distribution of the amount withheld until the State has been notified by the Secretary of the Treasury that the other person filing the joint return has received his or her proper share of the refund, but such delay may not exceed six months.

(C) If the other person filing the joint return with the named individual owing the past-due support takes appropriate action to secure his or her proper share of a refund from which a withholding was made under paragraph (1) or (2), the Secretary of the Treasury shall pay such share to such other person. The Secretary of the Treasury shall deduct the amount of such payment from amounts subsequently payable to the State agency to which the amount originally withheld from such refund was paid.

(D) In any case in which an amount was withheld under paragraph (1) or (2) and paid to a State, and the State subsequently determines that the amount certified as past-due support was in excess of the amount actually owed at the time the amount withheld is to be distributed to or on behalf of the child, the State shall pay the excess amount withheld to the named individual thought to have owed the past-due support (or, in the case of amounts withheld on the basis of a joint return, jointly to the parties filing such return).

(b) Regulations; contents, etc.

(1) The Secretary of the Treasury shall issue regulations, approved by the Secretary of

Health and Human Services, prescribing the time or times at which States must submit notices of past-due support, the manner in which such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall be consistent with the provisions of subsection (a)(3), shall specify the minimum amount of past-due support to which the offset procedure established by subsection (a) may be applied, and the fee that a State must pay to reimburse the Secretary of the Treasury for the full cost of applying the offset procedure, and shall provide that the Secretary of the Treasury will advise the Secretary of Health and Human Services, not less frequently than annually, of the States which have furnished notices of past-due support under subsection (a), the number of cases in each State with respect to which such notices have been furnished, the amount of support sought to be collected under this subsection by each State, and the amount of such collections actually made in the case of each State. Any fee paid to the Secretary of the Treasury pursuant to this subsection may be used to reimburse appropriations which bore all or part of the cost of applying such procedure.

(2) In the case of withholdings made under subsection (a)(2), the regulations promulgated pursuant to this subsection shall include the following requirements:

(A) The withholding shall apply only in the case where the State determines that the amount of the past-due support which will be owed at the time the withholding is to be made, based upon the pattern of payment of support and other enforcement actions being pursued to collect the past-due support, is equal to or greater than $500. The State may limit the $500 threshold amount to amounts of past-due support accrued since the time that the State first began to enforce the child support order involved under the State plan, and may limit the application of the withholding to past-due support accrued since such time.

(B) The fee which the Secretary of the Treasury may impose to cover the costs of the withholding and notification may not exceed $25 per case submitted.

(c) "Past-due support" defined

In this part the term ''past-due support'' means the amount of a delinquency, determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a child (whether or not a minor), or of a child (whether or not a minor) and the parent with whom the child is living.

§ 665. Allotments from pay for child and spousal support owed by members of uniformed services on active duty

(a) Mandatory allotment; notice upon failure to make; amount of allotment; adjustment or discontinuance; consultation

(1) In any case in which child support payments or child and spousal support payments are owed by a member of one of the uniformed services (as defined in section 101(3) of title 37) on active duty, such member shall be required to make allotments from his pay and allowances (under chapter 13 of title 37) as payment of such support, when he has failed to make periodic payments under a support order that meets the criteria specified in section 1673(b)(1)(A) of title 15 and the resulting delinquency in such payments is in a total amount equal to the support payable for two months or longer. Failure to make such payments shall be established by notice from an authorized person (as defined in subsection (b)) to the designated official in the appropriate uniformed service. Such notice (which shall in turn be given to the affected member) shall also specify the person to whom the allotment is to be payable. The amount of the allotment shall be the amount necessary to comply with the order (which, if the order so provides, may include arrearages as well as amounts for current support), except that the amount of the allotment, together with any other amounts withheld for support from the wages of the member, as a percentage of his pay from the uniformed service, shall not exceed the limits prescribed in sections[1] 1673(b) and (c) of title 15. An allotment under this subsection shall be adjusted or discontinued upon notice from the authorized person.

(2) Notwithstanding the preceding provisions of this subsection, no action shall be taken to require an allotment from the pay and allowances of any member of one of the uniformed services under such provisions (A) until such member has had a consultation with a judge advocate of the service involved (as defined in section 801(13) of title 10), or with a judge advocate (as defined in section 801(11)[2] of such title) in the case of the Coast Guard, or with a legal officer designated by the Secretary concerned (as defined in section 101(5) of title 37) in any other case, in person, to discuss the legal and other factors involved with respect to the member's support obligation and his failure to make payments thereon, or (B) until 30 days have elapsed after the notice described in the second sentence of paragraph (1) is given to the affected member in any case where it has not been possible, despite continuing good faith efforts, to arrange such a consultation.

(b) "Authorized person" defined

For purposes of this section the term ''authorized person'' with respect to any member of the uniformed services means—

(1) any agent or attorney of a State having in effect a plan approved under this part who has the duty or authority under such plan to seek to recover any amounts owed by such member as child or child and spousal support (including, when authorized under the State plan, any official of a political subdivision); and

(2) the court which has authority to issue an order against such member for the support and maintenance of a child, or any agent of such court.

(c) Regulations

The Secretary of Defense, in the case of the Army, Navy, Air Force, and Marine Corps, and the Secretary concerned (as defined in section 101(5) of title 37) in the case of each of the other uniformed services, shall each issue regulations applicable to allotments to be made under this section, designating the officials to whom notice of failure to make support payments, or notice to discontinue or adjust an allotment, should be given, prescribing the form and content of the notice and specifying any other rules necessary for such Secretary to implement this section.

§ 666. Requirement of statutorily prescribed procedures to improve effectiveness of child support enforcement

(a) Types of procedures required

In order to satisfy section 654(20)(A) of this title, each State must have in effect laws requiring the use of the following procedures, consistent with this section and with regulations of the Secretary, to increase the effectiveness of the program which the State administers under this part:

(1)(A) Procedures described in subsection (b) for the withholding from income of amounts payable as support in cases subject to enforcement under the State plan.

(B) Procedures under which the income of a person with a support obligation imposed by a support order issued (or modified) in the State before January 1, 1994, if not otherwise subject to withholding under subsection (b), shall become subject to withholding as provided in subsection (b) if arrearages occur, without the need for a judicial or administrative hearing.

(2) Expedited administrative and judicial procedures (including the procedures specified in subsection (c)) for establishing paternity and for establishing, modifying, and enforcing support obligations. The Secretary may waive the provisions of this paragraph with respect to one or more political subdivisions within the State on the basis of the effectiveness and timeliness of support order issuance and enforcement or paternity establishment within the political subdivision (in accordance with the general rule for exemptions under subsection (d)).

(3) Procedures under which the State child support enforcement agency shall request, and the State shall provide, that for the purpose of enforcing a support order under any State plan approved under this part—

(A) any refund of State income tax which would otherwise be payable to a noncustodial parent will be reduced, after notice has been sent to that noncustodial parent of the proposed reduction and the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State), by the amount of any overdue support owed by such noncustodial parent;

(B) the amount by which such refund is reduced shall be distributed in accordance with section 657 of this title in the case of overdue support assigned to a State pursuant to section 608(a)(3) or 671(a)(17) of this title, or, in any other case, shall be distributed, after deduction of any fees imposed by the State to cover the costs of collection, to the child or parent to whom such support is owed; and

(C) notice of the noncustodial parent's social security account number (or numbers, if he has more than one such number) and home address shall be furnished to the State agency requesting the refund offset, and to the State agency enforcing the order.

(4) LIENS.—Procedures under which—

(A) liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State; and

(B) the State accords full faith and credit to liens described in subparagraph (A) arising in another State, when the State agency, party, or other entity seeking to enforce such a lien complies with the procedural rules relating to recording or serving liens that arise within the State, except that such rules may not require judicial notice or hearing prior to the enforcement of such a lien.

(5) PROCEDURES CONCERNING PATERNITY ESTABLISHMENT.—

(A) ESTABLISHMENT PROCESS AVAILABLE FROM BIRTH UNTIL AGE 18.—

(i) Procedures which permit the establishment of the paternity of a child at any time before the child attains 18 years of age.

(ii) As of August 16, 1984, clause (i) shall also apply to a child for whom paternity has not been established or for whom a paternity action was brought but dismissed because a statute of limitations of less than 18 years was then in effect in the State.

(B) PROCEDURES CONCERNING GENETIC TESTING.—

(i) GENETIC TESTING REQUIRED IN CERTAIN CONTESTED CASES.—Procedures under which the State is required, in a contested paternity case (unless otherwise barred by State law) to require the child and all other parties (other than individuals found under section 654(29) of this title to have good cause and other exceptions for refusing to cooperate) to submit to genetic tests upon the request of any such party, if the request is supported by a sworn statement by the party—

(I) alleging paternity, and setting forth facts establishing a reasonable possibil-

ity of the requisite sexual contact between the parties; or

(II) denying paternity, and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties.

(ii) OTHER REQUIREMENTS.—Procedures which require the State agency, in any case in which the agency orders genetic testing—

(I) to pay costs of such tests, subject to recoupment (if the State so elects) from the alleged father if paternity is established; and

(II) to obtain additional testing in any case if an original test result is contested, upon request and advance payment by the contestant.

(C) VOLUNTARY PATERNITY ACKNOWLEDGMENT.—

(i) SIMPLE CIVIL PROCESS.—Procedures for a simple civil process for voluntarily acknowledging paternity under which the State must provide that, before a mother and a putative father can sign an acknowledgment of paternity, the mother and the putative father must be given notice, orally, or through the use of video or audio equipment, and in writing, of the alternatives to, the legal consequences of, and the rights (including, if 1 parent is a minor, any rights afforded due to minority status) and responsibilities that arise from, signing the acknowledgment.

(ii) HOSPITAL-BASED PROGRAM.—Such procedures must include a hospital-based program for the voluntary acknowledgment of paternity focusing on the period immediately before or after the birth of a child.

(iii) PATERNITY ESTABLISHMENT SERVICES.—

(I) STATE-OFFERED SERVICES.—Such procedures must require the State agency responsible for maintaining birth records to offer voluntary paternity establishment services.

(II) REGULATIONS.—

(aa) SERVICES OFFERED BY HOSPITALS AND BIRTH RECORD AGENCIES.—The Secretary shall prescribe regulations governing voluntary paternity establishment services offered by hospitals and birth record agencies.

(bb) SERVICES OFFERED BY OTHER ENTITIES.—The Secretary shall prescribe regulations specifying the types of other entities that may offer voluntary paternity establishment services, and governing the provision of such services, which shall include a requirement that such an entity must use the same notice provisions used by, use the same materials used by, provide the personnel providing such services with the same training provided by, and evaluate the provision of such services in the same manner as the provision of such services is evaluated by, voluntary paternity establishment programs of hospitals and birth record agencies.

(iv) USE OF PATERNITY ACKNOWLEDGMENT AFFIDAVIT.—Such procedures must require the State to develop and use an affidavit for the voluntary acknowledgment of paternity which includes the minimum requirements of the affidavit specified by the Secretary under section 652(a)(7) of this title for the voluntary acknowledgment of paternity, and to give full faith and credit to such an affidavit signed in any other State according to its procedures.

(D) STATUS OF SIGNED PATERNITY ACKNOWLEDGMENT.—

(i) INCLUSION IN BIRTH RECORDS.—Procedures under which the name of the father shall be included on the record of birth of the child of unmarried parents only if—

(I) the father and mother have signed a voluntary acknowledgment of paternity; or

(II) a court or an administrative agency of competent jurisdiction has issued an adjudication of paternity.

Nothing in this clause shall preclude a State agency from obtaining an admission of paternity from the father for submission in a judicial or administrative proceeding, or prohibit the issuance of an order in a judicial or administrative proceeding which bases a legal finding of paternity on an admission of paternity by the father and any other additional showing required by State law.

(ii) LEGAL FINDING OF PATERNITY.—Procedures under which a signed voluntary acknowledgment of paternity is considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of—

(I) 60 days; or

(II) the date of an administrative or judicial proceeding relating to the child (including a proceeding to establish a support order) in which the signatory is a party.

(iii) CONTEST.—Procedures under which, after the 60-day period referred to in clause (ii), a signed voluntary acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment may not be suspended during the challenge, except for good cause shown.

(E) BAR ON ACKNOWLEDGMENT RATIFICATION PROCEEDINGS.—Procedures under which judicial or administrative proceedings are not required or permitted to ratify an unchallenged acknowledgment of paternity.

(F) ADMISSIBILITY OF GENETIC TESTING RESULTS.—Procedures—

(i) requiring the admission into evidence, for purposes of establishing paternity, of the results of any genetic test that is—

(I) of a type generally acknowledged as reliable by accreditation bodies designated by the Secretary; and

(II) performed by a laboratory approved by such an accreditation body;

(ii) requiring an objection to genetic testing results to be made in writing not later than a specified number of days before any hearing at which the results may be introduced into evidence (or, at State option, not later than a specified number of days after receipt of the results); and

(iii) making the test results admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy, unless objection is made.

(G) PRESUMPTION OF PATERNITY IN CERTAIN CASES.—Procedures which create a rebuttable or, at the option of the State, conclusive presumption of paternity upon genetic testing results indicating a threshold probability that the alleged father is the father of the child.

(H) DEFAULT ORDERS.—Procedures requiring a default order to be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by State law.

(I) NO RIGHT TO JURY TRIAL.—Procedures providing that the parties to an action to establish paternity are not entitled to a trial by jury.

(J) TEMPORARY SUPPORT ORDER BASED ON PROBABLE PATERNITY IN CONTESTED CASES.—Procedures which require that a temporary order be issued, upon motion by a party, requiring the provision of child support pending an administrative or judicial determination of parentage, if there is clear and convincing evidence of paternity (on the basis of genetic tests or other evidence).

(K) PROOF OF CERTAIN SUPPORT AND PATERNITY ESTABLISHMENT COSTS.—Procedures under which bills for pregnancy, childbirth, and genetic testing are admissible as evidence without requiring third-party foundation testimony, and shall constitute prima facie evidence of amounts incurred for such services or for testing on behalf of the child.

(L) STANDING OF PUTATIVE FATHERS.—Procedures ensuring that the putative father has a reasonable opportunity to initiate a paternity action.

(M) FILING OF ACKNOWLEDGMENTS AND ADJUDICATIONS IN STATE REGISTRY OF BIRTH RECORDS.—Procedures under which voluntary acknowledgments and adjudications of paternity by judicial or administrative processes are filed with the State registry of birth records for comparison with information in the State case registry.

(6) Procedures which require that a noncustodial parent give security, post a bond, or give some other guarantee to secure payment of overdue support, after notice has been sent to such noncustodial parent of the proposed action and of the procedures to be followed to contest it (and after full compliance with all procedural due process requirements of the State).

(7) REPORTING ARREARAGES TO CREDIT BUREAUS.—

(A) IN GENERAL.—Procedures (subject to safeguards pursuant to subparagraph (B)) requiring the State to report periodically to consumer reporting agencies (as defined in section 1681a(f) of title 15) the name of any noncustodial parent who is delinquent in the payment of support, and the amount of overdue support owed by such parent.

(B) SAFEGUARDS.—Procedures ensuring that, in carrying out subparagraph (A), information with respect to a noncustodial parent is reported—

(i) only after such parent has been afforded all due process required under State law, including notice and a reasonable opportunity to contest the accuracy of such information; and

(ii) only to an entity that has furnished evidence satisfactory to the State that the entity is a consumer reporting agency (as so defined).

(8)(A) Procedures under which all child support orders not described in subparagraph (B) will include provision for withholding from income, in order to assure that withholding as a means of collecting child support is available if arrearages occur without the necessity of filing application for services under this part.

(B) Procedures under which all child support orders which are initially issued in the State on or after January 1, 1994, and are not being enforced under this part will include the following requirements:

(i) The income of a noncustodial parent shall be subject to withholding, regardless of whether support payments by such parent are in arrears, on the effective date of the order; except that such income shall not be subject to withholding under this clause in any case where (I) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (II) a written agreement is reached between both parties which provides for an alternative arrangement.

(ii) The requirements of subsection (b)(1) (which shall apply in the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, without regard to whether the order is being enforced under the State plan).

(iii) The requirements of paragraphs (2), (5), (6), (7), (8), (9), and (10) of subsection (b), where applicable.

(iv) Withholding from income of amounts payable as support must be carried out in full compliance with all procedural due process requirements of the State.

(9) Procedures which require that any payment or installment of support under any child support order, whether ordered through the State judicial system or through the expedited processes required by paragraph (2), is (on and after the date it is due)—

(A) a judgment by operation of law, with the full force, effect, and attributes of a judgment of the State, including the ability to be enforced,

(B) entitled as a judgment to full faith and credit in such State and in any other State, and

(C) not subject to retroactive modification by such State or by any other State;

except that such procedures may permit modification with respect to any period during which there is pending a petition for modification, but only from the date that notice of such petition has been given, either directly or through the appropriate agent, to the obligee or (where the obligee is the petitioner) to the obligor.

(10) REVIEW AND ADJUSTMENT OF SUPPORT ORDERS UPON REQUEST.—

(A) 3-YEAR CYCLE.—

(i) IN GENERAL.—Procedures under which every 3 years (or such shorter cycle as the State may determine), upon the request of either parent or if there is an assignment under part A, the State shall with respect to a support order being enforced under this part, taking into account the best interests of the child involved—

(I) review and, if appropriate, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title if the amount of the child support award under the order differs from the amount that would be awarded in accordance with the guidelines;

(II) apply a cost-of-living adjustment to the order in accordance with a formula developed by the State; or

(III) use automated methods (including automated comparisons with wage or State income tax data) to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the appropriate adjustment to the orders eligible for adjustment under any threshold that may be established by the State.

(ii) OPPORTUNITY TO REQUEST REVIEW OF ADJUSTMENT.—If the State elects to conduct the review under subclause (II) or (III) of clause (i), procedures which permit either party to contest the adjustment, within 30 days after the date of the notice of the adjustment, by making a request for review and, if appropriate, adjustment of the order in accordance with the child support guidelines established pursuant to section 667(a) of this title.

(iii) NO PROOF OF CHANGE IN CIRCUMSTANCES NECESSARY IN 3-YEAR CYCLE REVIEW.—Procedures which provide that any adjustment under clause (i) shall be made without a requirement for proof or showing of a change in circumstances.

(B) PROOF OF SUBSTANTIAL CHANGE IN CIRCUMSTANCES NECESSARY IN REQUEST FOR REVIEW OUTSIDE 3-YEAR CYCLE.—Procedures under which, in the case of a request for a review, and if appropriate, an adjustment outside the 3-year cycle (or such shorter cycle as the State may determine) under clause (i), the State shall review and, if the requesting party demonstrates a substantial change in circumstances, adjust the order in accordance with the guidelines established pursuant to section 667(a) of this title.

(C) NOTICE OF RIGHT TO REVIEW.—Procedures which require the State to provide notice not less than once every 3 years to the parents subject to the order informing the parents of their right to request the State to review and, if appropriate, adjust the order pursuant to this paragraph. The notice may be included in the order.

(11) Procedures under which a State must give full faith and credit to a determination of paternity made by any other State, whether established through voluntary acknowledgment or through administrative or judicial processes.

(12) LOCATOR INFORMATION FROM INTERSTATE NETWORKS.—Procedures to ensure that all Federal and State agencies conducting activities under this part have access to any system used by the State to locate an individual for purposes relating to motor vehicles or law enforcement.

(13) RECORDING OF SOCIAL SECURITY NUMBERS IN CERTAIN FAMILY MATTERS.—Procedures requiring that the social security number of—

(A) any applicant for a professional license, driver's license, occupational license, recreational license, or marriage license be recorded on the application;

(B) any individual who is subject to a divorce decree, support order, or paternity determination or acknowledgment be placed in the records relating to the matter; and

(C) any individual who has died be placed in the records relating to the death and be recorded on the death certificate.

For purposes of subparagraph (A), if a State allows the use of a number other than the social security number to be used on the face of the document while the social security number is kept on file at the agency, the State shall so advise any applicants.

(14) HIGH-VOLUME, AUTOMATED ADMINISTRATIVE ENFORCEMENT IN INTERSTATE CASES.—

(A) IN GENERAL.—Procedures under which—

(i) the State shall use high-volume automated administrative enforcement, to the same extent as used for intrastate cases, in response to a request made by another State to enforce support orders, and shall promptly report the results of such enforcement procedure to the requesting State;

(ii) the State may, by electronic or other means, transmit to another State a request for assistance in enforcing support orders through high-volume, automated administrative enforcement, which request—

(I) shall include such information as will enable the State to which the request is transmitted to compare the information about the cases to the information in the data bases of the State; and

(II) shall constitute a certification by the requesting State—

(aa) of the amount of support under an order the payment of which is in arrears; and

(bb) that the requesting State has complied with all procedural due process requirements applicable to each case;

(iii) if the State provides assistance to another State pursuant to this paragraph with respect to a case, neither State shall consider the case to be transferred to the caseload of such other State (but the assisting State may establish a corresponding case based on such other State's request for assistance); and

(iv) the State shall maintain records of—

(I) the number of such requests for assistance received by the State;

(II) the number of cases for which the State collected support in response to such a request; and

(III) the amount of such collected support.

(B) HIGH-VOLUME AUTOMATED ADMINISTRATIVE ENFORCEMENT.—In this part, the term ''high-volume automated administrative enforcement'', in interstate cases, means, on request of another State, the identification by a State, through automated data matches with financial institutions and other entities where assets may be found, of assets owned by persons who owe child support in other States, and the seizure of such assets by the State, through levy or other appropriate processes.

(15) PROCEDURES TO ENSURE THAT PERSONS OWING OVERDUE SUPPORT WORK OR HAVE A PLAN FOR PAYMENT OF SUCH SUPPORT.—Procedures under which the State has the authority, in any case in which an individual owes overdue support with respect to a child receiving assistance under a State program funded under part A, to issue an order or to request that a court or an administrative process established pursuant to State law issue an order that requires the individual to—

(A) pay such support in accordance with a plan approved by the court, or, at the option of the State, a plan approved by the State agency administering the State program under this part; or

(B) if the individual is subject to such a plan and is not incapacitated, participate in such work activities (as defined in section 607(d) of this title) as the court, or, at the option of the State, the State agency administering the State program under this part, deems appropriate.

(16) AUTHORITY TO WITHHOLD OR SUSPEND LICENSES.—Procedures under which the State has (and uses in appropriate cases) authority to withhold or suspend, or to restrict the use of driver's licenses, professional and occupational licenses, and recreational and sporting licenses of individuals owing overdue support or failing, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings.

(17) FINANCIAL INSTITUTION DATA MATCHES.—

(A) IN GENERAL.—Procedures under which the State agency shall enter into agreements with financial institutions doing business in the State—

(i) to develop and operate, in coordination with such financial institutions, and the Federal Parent Locator Service in the case of financial institutions doing business in two or more States, a data match system, using automated data exchanges to the maximum extent feasible, in which each such financial institution is required to provide for each calendar quarter the name, record address, social security number or other taxpayer identification number, and other identifying information for each noncustodial parent who maintains an account at such institution and who owes past-due support, as identified by the State by name and social security number or other taxpayer identification number; and

(ii) in response to a notice of lien or levy, encumber or surrender, as the case may be, assets held by such institution on behalf of any noncustodial parent who is subject to a child support lien pursuant to paragraph (4).

(B) REASONABLE FEES.—The State agency may pay a reasonable fee to a financial institution for conducting the data match provided for in subparagraph (A)(i), not to exceed the actual costs incurred by such financial institution.

(C) LIABILITY.—A financial institution shall not be liable under any Federal or State law to any person—

(i) for any disclosure of information to the State agency under subparagraph (A)(i);

(ii) for encumbering or surrendering any assets held by such financial institution in response to a notice of lien or levy issued by the State agency as provided for in subparagraph (A)(ii); or

(iii) for any other action taken in good faith to comply with the requirements of subparagraph (A).

(D) DEFINITIONS.—For purposes of this paragraph—

(i) FINANCIAL INSTITUTION.—The term ''financial institution'' has the meaning given to such term by section 669A(d)(1) of this title.

(ii) ACCOUNT.—The term ''account'' means a demand deposit account, checking or negotiable withdrawal order account, savings account, time deposit account, or money-market mutual fund account.

(18) ENFORCEMENT OF ORDERS AGAINST PATERNAL OR MATERNAL GRANDPARENTS.—Procedures under which, at the State's option, any child support order enforced under this part with respect to a child of minor parents, if the custodial parent of such child is receiving assistance under the State program under part A, shall be enforceable, jointly and severally, against the parents of the noncustodial parent of such child.

(19) HEALTH CARE COVERAGE.—Procedures under which—

(A) effective as provided in section 401(c)(3) of the Child Support Performance and Incentive Act of 1998, all child support orders enforced pursuant to this part shall include a provision for medical support for the child to be provided by either or both parents, and shall be enforced, where appropriate, through the use of the National Medical Support Notice promulgated pursuant to section 401(b) of the Child Support Performance and Incentive Act of 1998 (and referred to in section 609(a)(5)(C) of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1169(a)(5)(C)] in connection with group health plans covered under title I of such Act [29 U.S.C. 1001 et seq.], in section 401(e) of the Child Support Performance and Incentive Act of 1998 in connection with State or local group health plans, and in section 401(f) of such Act in connection with church group health plans);

(B) unless alternative coverage is allowed for in any order of the court (or other entity issuing the child support order), in any case in which a parent is required under the child support order to provide such health care coverage and the employer of such parent is known to the State agency—

(i) the State agency uses the National Medical Support Notice to transfer notice of the provision for the health care coverage of the child to the employer;

(ii) within 20 business days after the date of the National Medical Support Notice, the employer is required to transfer the Notice, excluding the severable employer withholding notice described in section 401(b)(2)(C) of the Child Support Performance and Incentive Act of 1998, to the appropriate plan providing any such health care coverage for which the child is eligible;

(iii) in any case in which the parent is a newly hired employee entered in the State Directory of New Hires pursuant to section 653a(e) of this title, the State agency provides, where appropriate, the National Medical Support Notice, together with an income withholding notice issued pursuant to subsection (b), within two days after the date of the entry of such employee in such Directory; and

(iv) in any case in which the employment of the parent with any employer who has received a National Medical Support Notice is terminated, such employer is required to notify the State agency of such termination; and

(C) any liability of the obligated parent to such plan for employee contributions which are required under such plan for enrollment of the child is effectively subject to appropriate enforcement, unless the obligated parent contests such enforcement based on a mistake of fact.

Notwithstanding section 654(20)(B) of this title, the procedures which are required under paragraphs (3), (4), (6), (7), and (15) need not be used or applied in cases where the State determines (using guidelines which are generally available within the State and which take into account the payment record of the noncustodial parent, the availability of other remedies, and other relevant considerations) that such use or application would not carry out the purposes of this part or would be otherwise inappropriate in the circumstances.

(b) Withholding from income of amounts payable as support

The procedures referred to in subsection (a)(1)(A) (relating to the withholding from income of amounts payable as support) must provide for the following:

(1) In the case of each noncustodial parent against whom a support order is or has been issued or modified in the State, and is being enforced under the State plan, so much of such parent's income must be withheld, in accordance with the succeeding provisions of this subsection, as is necessary to comply with the order and provide for the payment of any fee to the employer which may be required under paragraph (6)(A), up to the maximum amount permitted under section 1673(b) of title 15. If there are arrearages to be collected, amounts withheld to satisfy such arrearages, when added to the amounts withheld to pay current support and provide for the fee, may not exceed the limit permitted under such section 1673(b), but the State need not withhold up to the maximum amount permitted under such section in order to satisfy arrearages.

(2) Such withholding must be provided without the necessity of any application therefor in the case of a child (whether or not eligible for assistance under a State program funded under part A) with respect to whom services are already being provided under the State plan under this part, and must be provided in accordance with this subsection on the basis of an application for services under the State plan in the case of any other child in whose behalf a support order has been issued or modified in the State. In either case such withholding must occur without the need for any amendment to the support order involved or for any further action (other than those actions required under this part) by the court or other entity which issued such order.

(3)(A) The income of a noncustodial parent shall be subject to such withholding, regardless of whether support payments by such parent are in arrears, in the case of a support order being enforced under this part that is issued or modified on or after the first day of the 25th month beginning after October 13, 1988, on the effective date of the order; except that such income shall not be subject to such withholding under this subparagraph in any case where (i) one of the parties demonstrates, and the court (or administrative process) finds, that there is good cause not to require immediate income withholding, or (ii) a written agreement is reached between both parties which provides for an alternative arrangement.

(B) The income of a noncustodial parent shall become subject to such withholding, in the case of income not subject to withholding under subparagraph (A), on the date on which

the payments which the noncustodial parent has failed to make under a support order are at least equal to the support payable for one month or, if earlier, and without regard to whether there is an arrearage, the earliest of—

(i) the date as of which the noncustodial parent requests that such withholding begin,

(ii) the date as of which the custodial parent requests that such withholding begin, if the State determines, in accordance with such procedures and standards as it may establish, that the request should be approved, or

(iii) such earlier date as the State may select.

(4)(A) Such withholding must be carried out in full compliance with all procedural due process requirements of the State, and the State must send notice to each noncustodial parent to whom paragraph (1) applies—

(i) that the withholding has commenced; and

(ii) of the procedures to follow if the noncustodial parent desires to contest such withholding on the grounds that the withholding or the amount withheld is improper due to a mistake of fact.

(B) The notice under subparagraph (A) of this paragraph shall include the information provided to the employer under paragraph (6)(A).

(5) Such withholding must be administered by the State through the State disbursement unit established pursuant to section 654b of this title, in accordance with the requirements of section 654b of this title.

(6)(A)(i) The employer of any noncustodial parent to whom paragraph (1) applies, upon being given notice as described in clause (ii), must be required to withhold from such noncustodial parent's income the amount specified by such notice (which may include a fee, established by the State, to be paid to the employer unless waived by such employer) and pay such amount (after deducting and retaining any portion thereof which represents the fee so established) to the State disbursement unit within 7 business days after the date the amount would (but for this subsection) have been paid or credited to the employee, for distribution in accordance with this part. The employer shall withhold funds as directed in the notice, except that when an employer receives an income withholding order issued by another State, the employer shall apply the income withholding law of the State of the obligor's principal place of employment in determining—

(I) the employer's fee for processing an income withholding order;

(II) the maximum amount permitted to be withheld from the obligor's income;

(III) the time periods within which the employer must implement the income withholding order and forward the child support payment;

(IV) the priorities for withholding and allocating income withheld for multiple child support obligees; and

(V) any withholding terms or conditions not specified in the order.

An employer who complies with an income withholding notice that is regular on its face shall not be subject to civil liability to any individual or agency for conduct in compliance with the notice.

(ii) The notice given to the employer shall be in a standard format prescribed by the Secretary, and contain only such information as may be necessary for the employer to comply with the withholding order.

(iii) As used in this subparagraph, the term ''business day'' means a day on which State offices are open for regular business.

(B) Methods must be established by the State to simplify the withholding process for employers to the greatest extent possible, including permitting any employer to combine all withheld amounts into a single payment to each appropriate agency or entity (with the portion thereof which is attributable to each individual employee being separately designated).

(C) The employer must be held liable to the State for any amount which such employer fails to withhold from income due an employee following receipt by such employer of proper notice under subparagraph (A), but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph.

(D) Provision must be made for the imposition of a fine against any employer who—

(i) discharges from employment, refuses to employ, or takes disciplinary action against any noncustodial parent subject to income withholding required by this subsection because of the existence of such withholding and the obligations or additional obligations which it imposes upon the employer; or

(ii) fails to withhold support from income or to pay such amounts to the State disbursement unit in accordance with this subsection.

(7) Support collection under this subsection must be given priority over any other legal process under State law against the same income.

(8) For purposes of subsection (a) and this subsection, the term ''income'' means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, worker's compensation, disability, payments pursuant to a pension or retirement program, and interest.

(9) The State must extend its withholding system under this subsection so that such system will include withholding from income derived within such State in cases where the applicable support orders were issued in other States, in order to assure that child support owed by noncustodial parents in such State or any other State will be collected without regard to the residence of the child for whom the support is payable or of such child's custodial parent.

(10) Provision must be made for terminating withholding.

(11) Procedures under which the agency administering the State plan approved under this part may execute a withholding order without advance notice to the obligor, includ-

ing issuing the withholding order through electronic means.

(c) Expedited procedures

The procedures specified in this subsection are the following:

(1) Administrative action by State agency

Procedures which give the State agency the authority to take the following actions relating to establishment of paternity or to establishment, modification, or enforcement of support orders, without the necessity of obtaining an order from any other judicial or administrative tribunal, and to recognize and enforce the authority of State agencies of other States to take the following actions:

(A) Genetic testing

To order genetic testing for the purpose of paternity establishment as provided in subsection (a)(5).

(B) Financial or other information

To subpoena any financial or other information needed to establish, modify, or enforce a support order, and to impose penalties for failure to respond to such a subpoena.

(C) Response to State agency request

To require all entities in the State (including for-profit, nonprofit, and governmental employers) to provide promptly, in response to a request by the State agency of that or any other State administering a program under this part, information on the employment, compensation, and benefits of any individual employed by such entity as an employee or contractor, and to sanction failure to respond to any such request.

(D) Access to information contained in certain records

To obtain access, subject to safeguards on privacy and information security, and subject to the nonliability of entities that afford such access under this subparagraph, to information contained in the following records (including automated access, in the case of records maintained in automated data bases):

(i) Records of other State and local government agencies, including—

(I) vital statistics (including records of marriage, birth, and divorce);

(II) State and local tax and revenue records (including information on residence address, employer, income and assets);

(III) records concerning real and titled personal property;

(IV) records of occupational and professional licenses, and records concerning the ownership and control of corporations, partnerships, and other business entities;

(V) employment security records;

(VI) records of agencies administering public assistance programs;

(VII) records of the motor vehicle department; and

(VIII) corrections records.

(ii) Certain records held by private entities with respect to individuals who owe or are owed support (or against or with respect to whom a support obligation is sought), consisting of—

(I) the names and addresses of such individuals and the names and addresses of the employers of such individuals, as appearing in customer records of public utilities and cable television companies, pursuant to an administrative subpoena authorized by subparagraph (B); and

(II) information (including information on assets and liabilities) on such individuals held by financial institutions.

(E) Change in payee

In cases in which support is subject to an assignment in order to comply with a requirement imposed pursuant to part A, part E, or section 1396k of this title, or to a requirement to pay through the State disbursement unit established pursuant to section 654b of this title, upon providing notice to obligor and obligee, to direct the obligor or other payor to change the payee to the appropriate government entity.

(F) Income withholding

To order income withholding in accordance with subsections (a)(1)(A) and (b).

(G) Securing assets

In cases in which there is a support arrearage, to secure assets to satisfy any current support obligation and the arrearage by—

(i) intercepting or seizing periodic or lump-sum payments from—

(I) a State or local agency, including unemployment compensation, workers' compensation, and other benefits; and

(II) judgments, settlements, and lotteries;

(ii) attaching and seizing assets of the obligor held in financial institutions;

(iii) attaching public and private retirement funds; and

(iv) imposing liens in accordance with subsection (a)(4) and, in appropriate cases, to force sale of property and distribution of proceeds.

(H) Increase monthly payments

For the purpose of securing overdue support, to increase the amount of monthly support payments to include amounts for arrearages, subject to such conditions or limitations as the State may provide.

Such procedures shall be subject to due process safeguards, including (as appropriate) requirements for notice, opportunity to contest the action, and opportunity for an appeal on the record to an independent administrative or judicial tribunal.

(2) Substantive and procedural rules

The expedited procedures required under subsection (a)(2) shall include the following rules and authority, applicable with respect to all proceedings to establish paternity or to establish, modify, or enforce support orders:

(A) Locator information; presumptions concerning notice

Procedures under which—

(i) each party to any paternity or child support proceeding is required (subject to privacy safeguards) to file with the State case registry upon entry of an order, and to update as appropriate, information on location and identity of the party, including social security number, residential and mailing addresses, telephone number, driver's license number, and name, address, and telephone number of employer; and

(ii) in any subsequent child support enforcement action between the parties, upon sufficient showing that diligent effort has been made to ascertain the location of such a party, the court or administrative agency of competent jurisdiction shall deem State due process requirements for notice and service of process to be met with respect to the party, upon delivery of written notice to the most recent residential or employer address filed with the State case registry pursuant to clause (i).

(B) Statewide jurisdiction

Procedures under which—

(i) the State agency and any administrative or judicial tribunal with authority to hear child support and paternity cases exerts statewide jurisdiction over the parties; and

(ii) in a State in which orders are issued by courts or administrative tribunals, a case may be transferred between local jurisdictions in the State without need for any additional filing by the petitioner, or service of process upon the respondent, to retain jurisdiction over the parties.

(3) Coordination with ERISA

Notwithstanding subsection (d) of section 514 of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1144(d)] (relating to effect on other laws), nothing in this subsection shall be construed to alter, amend, modify, invalidate, impair, or supersede subsections (a), (b), and (c) of such section 514 [29 U.S.C. 1144(a)–(c)] as it applies with respect to any procedure referred to in paragraph (1) and any expedited procedure referred to in paragraph (2), except to the extent that such procedure would be consistent with the requirements of section 206(d)(3) of such Act [29 U.S.C. 1056(d)(3)] (relating to qualified domestic relations orders) or the requirements of section 609(a) of such Act [29 U.S.C. 1169(a)] (relating to qualified medical child support orders) if the reference in such section 206(d)(3) to a domestic relations order and the reference in such section 609(a) to a medical child support order were a reference to a support order referred to in paragraphs (1) and (2) relating to the same matters, respectively.

(d) Exemption of States

If a State demonstrates to the satisfaction of the Secretary, through the presentation to the Secretary of such data pertaining to caseloads, processing times, administrative costs, and average support collections, and such other data or estimates as the Secretary may specify, that the enactment of any law or the use of any procedure or procedures required by or pursuant to this section will not increase the effectiveness and efficiency of the State child support enforcement program, the Secretary may exempt the State, subject to the Secretary's continuing review and to termination of the exemption should circumstances change, from the requirement to enact the law or use the procedure or procedures involved.

(e) "Overdue support" defined

For purposes of this section, the term ''overdue support'' means the amount of a delinquency pursuant to an obligation determined under a court order, or an order of an administrative process established under State law, for support and maintenance of a minor child which is owed to or on behalf of such child, or for support and maintenance of the noncustodial parent's spouse (or former spouse) with whom the child is living if and to the extent that spousal support (with respect to such spouse or former spouse) would be included for purposes of section 654(4) of this title. At the option of the State, overdue support may include amounts which otherwise meet the definition in the first sentence of this subsection but which are owed to or on behalf of a child who is not a minor child. The option to include support owed to children who are not minors shall apply independently to each procedure specified under this section.

(f) Uniform Interstate Family Support Act

In order to satisfy section 654(20)(A) of this title, each State must have in effect the Uniform Interstate Family Support Act, as approved by the American Bar Association on February 9, 1993, including any amendments officially adopted as of September 30, 2008 by the National Conference of Commissioners on Uniform State Laws.

(g) Laws voiding fraudulent transfers

In order to satisfy section 654(20)(A) of this title, each State must have in effect—

(1)(A) the Uniform Fraudulent Conveyance Act of 1981;

(B) the Uniform Fraudulent Transfer Act of 1984; or

(C) another law, specifying indicia of fraud which create a prima facie case that a debtor transferred income or property to avoid payment to a child support creditor, which the Secretary finds affords comparable rights to child support creditors; and

(2) procedures under which, in any case in which the State knows of a transfer by a child support debtor with respect to which such a prima facie case is established, the State must—

(A) seek to void such transfer; or

(B) obtain a settlement in the best interests of the child support creditor.

STRENGTHENING ABUSE AND NEGLECT COURTS

Pub. L. 106–314, Oct. 17, 2000, 114 Stat. 1266, provided that:

''SECTION 1. SHORT TITLE.

''This Act may be cited as the 'Strengthening Abuse and Neglect Courts Act of 2000'.

''SEC. 2. FINDINGS.

''Congress finds the following:

''(1) Under both Federal and State law, the courts play a crucial and essential role in the Nation's child welfare system and in ensuring safety, stability, and permanence for abused and neglected children under the supervision of that system.

''(2) The Adoption and Safe Families Act of 1997 (Public Law 105–89; 111 Stat. 2115) [see Short Title of 1997 Amendment note set out under section 1305 of this title] establishes explicitly for the first time in Federal law that a child's health and safety must be the paramount consideration when any decision is made regarding a child in the Nation's child welfare system.

''(3) The Adoption and Safe Families Act of 1997 promotes stability and permanence for abused and neglected children by requiring timely decision-making in proceedings to determine whether children can safely return to their families or whether they should be moved into safe and stable adoptive homes or other permanent family arrangements outside the foster care system.

''(4) To avoid unnecessary and lengthy stays in the foster care system, the Adoption and Safe Families Act of 1997 specifically requires, among other things, that States move to terminate the parental rights of the parents of those children who have been in foster care for 15 of the last 22 months.

''(5) While essential to protect children and to carry out the general purposes of the Adoption and Safe Families Act of 1997, the accelerated timelines for the termination of parental rights and the other requirements imposed under that Act increase the pressure on the Nation's already overburdened abuse and neglect courts.

''(6) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be substantially improved by the acquisition and implementation of computerized case-tracking systems to identify and eliminate existing backlogs, to move abuse and neglect caseloads forward in a timely manner, and to move children into safe and stable families. Such systems could also be used to evaluate the effectiveness of such courts in meeting the purposes of the amendments made by, and provisions of, the Adoption and Safe Families Act of 1997.

''(7) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would also be improved by the identification and implementation of projects designed to eliminate the backlog of abuse and neglect cases, including the temporary hiring of additional judges, extension of court hours, and other projects designed to reduce existing caseloads.

''(8) The administrative efficiency and effectiveness of the Nation's abuse and neglect courts would be further strengthened by improving the quality and availability of training for judges, court personnel, agency attorneys, guardians ad litem, volunteers who participate in court-appointed special advocate (CASA) programs, and attorneys who represent the children and the parents of children in abuse and neglect proceedings.

''(9) While recognizing that abuse and neglect courts in this country are already committed to the quality administration of justice, the performance of such courts would be even further enhanced by the development of models and educational opportunities that reinforce court projects that have already been developed, including models for case-flow procedures, case management, representation of children, automated interagency interfaces, and 'best practices' standards.

''(10) Judges, magistrates, commissioners, and other judicial officers play a central and vital role in ensuring that proceedings in our Nation's abuse and neglect courts are run efficiently and effectively. The performance of those individuals in such courts can only be further enhanced by training, seminars, and an ongoing opportunity to exchange ideas with their peers.

''(11) Volunteers who participate in court-appointed special advocate (CASA) programs play a vital role as the eyes and ears of abuse and neglect courts in proceedings conducted by, or under the supervision of, such courts and also bring increased public scrutiny of the abuse and neglect court system. The Nation's abuse and neglect courts would benefit from an expansion of this program to currently underserved communities.

''(12) Improved computerized case-tracking systems, comprehensive training, and development of, and education on, model abuse and neglect court systems, particularly with respect to underserved areas, would significantly further the purposes of the Adoption and Safe Families Act of 1997 by reducing the average length of an abused and neglected child's stay in foster care, improving the quality of decision-making and court services provided to children and families, and increasing the number of adoptions.

''SEC. 3. DEFINITIONS.

''In this Act:

''(1) ABUSE AND NEGLECT COURTS.—The term 'abuse and neglect courts' means the State and local courts that carry out State or local laws requiring proceedings (conducted by or under the supervision of the courts)—

''(A) that implement part B and part E of title IV of the Social Security Act (42 U.S.C. 620 et seq.; 670 et seq.) (including preliminary disposition of such proceedings);

''(B) that determine whether a child was abused or neglected;

''(C) that determine the advisability or appropriateness of placement in a family foster home, group home, or a special residential care facility; or

''(D) that determine any other legal disposition of a child in the abuse and neglect court system.

''(2) AGENCY ATTORNEY.—The term 'agency attorney' means an attorney or other individual, including any government attorney, district attorney, attorney general, State attorney, county attorney, city solicitor or attorney, corporation counsel, or privately re-

tained special prosecutor, who represents the State or local agency administrating the programs under parts B and E of title IV of the Social Security Act (42 U.S.C. 620 et seq.; 670 et seq.) in a proceeding conducted by, or under the supervision of, an abuse and neglect court, including a proceeding for termination of parental rights.

''SEC. 4. GRANTS TO STATE COURTS AND LOCAL COURTS TO AUTOMATE THE DATA COLLECTION AND TRACKING OF PROCEEDINGS IN ABUSE AND NEGLECT COURTS.

''(a) AUTHORITY TO AWARD GRANTS.—

(a) In general

(1) Eligibility

Each State with a plan approved under this part shall make foster care maintenance payments on behalf of each child who has been removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) into foster care if—

(A) the removal and foster care placement met, and the placement continues to meet, the requirements of paragraph (2); and

(B) the child, while in the home, would have met the AFDC eligibility requirement of paragraph (3).

(2) Removal and foster care placement requirements

The removal and foster care placement of a child meet the requirements of this paragraph if—

(A) the removal and foster care placement are in accordance with—

(i) a voluntary placement agreement entered into by a parent or legal guardian of the child who is the relative referred to in paragraph (1); or

(ii) a judicial determination to the effect that continuation in the home from which removed would be contrary to the welfare of the child and that reasonable efforts of the type described in section 671(a)(15) of this title for a child have been made;

(B) the child's placement and care are the responsibility of—

(i) the State agency administering the State plan approved under section 671 of this title;

(ii) any other public agency with which the State agency administering or supervising the administration of the State plan has made an agreement which is in effect; or

(C) the child has been placed in a foster family home or child-care institution.

(3) AFDC eligibility requirement

(A) In general

A child in the home referred to in paragraph (1) would have met the AFDC eligi-

bility requirement of this paragraph if the child—

(i) would have received aid under the State plan approved under section 602 of this title (as in effect on July 16, 1996) in the home, in or for the month in which the agreement was entered into or court proceedings leading to the determination referred to in paragraph (2)(A)(ii) of this subsection were initiated; or

(ii)(I) would have received the aid in the home, in or for the month referred to in clause (i), if application had been made therefor; or

(II) had been living in the home within 6 months before the month in which the agreement was entered into or the proceedings were initiated, and would have received the aid in or for such month, if, in such month, the child had been living in the home with the relative referred to in paragraph (1) and application for the aid had been made.

(B) Resources determination

For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 602 of this title (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 602(a)(7)(B) of this title, as so in effect) have a combined value of not more than $10,000 shall be considered a child whose resources have a combined value of not more than $1,000 (or such lower amount as the State may determine for purposes of section 602(a)(7)(B) of this title).

(4) Eligibility of certain alien children

Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.], if the child is an alien disqualified under section 1255a(h) or 1160(f) of title 8 from receiving aid under the State plan approved under section 602 of this title in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(b) Additional qualifications

Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term ''foster care maintenance payments'' (as defined in section 675(4) of this title).

(c) "Foster family home" and "child-care institution" defined

For the purposes of this part, (1) the term ''foster family home'' means a foster family home for children which is licensed by the State in which it is situated or has been approved, by the agency of such State having responsibility for licensing homes of this type, as meeting the standards established for such licensing; and (2) the term ''child-care institution'' means a private child-care institution, or a public child-care institution which accommodates no more than twenty-five children, which is licensed by the State in which it is situated or has been approved, by the agency of such State responsible for licensing or approval of institutions of this type, as meeting the standards established for such licensing, except, in the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations, but the term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(8) of this title.

(e) Placements in best interest of child

No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) "Voluntary placement" and "voluntary placement agreement" defined

For the purposes of this part and part B of this subchapter, (1) the term ''voluntary placement'' means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term ''voluntary placement agreement'' means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guard-

ians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of division A[1] of subchapter XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) Administrative costs associated with otherwise eligible children not in licensed foster care settings

Expenditures by a State that would be considered administrative expenditures for purposes of section 674(a)(3) of this title if made with respect to a child who was residing in a foster family home or child-care institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 671(a)(15) of this title to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(1)(A) Each State having a plan approved under this part shall enter into adoption assistance agreements (as defined in section 675(3) of this title) with the adoptive parents of children with special needs.

(B) Under any adoption assistance agreement entered into by a State with parents who adopt a child with special needs, the State—

(i) shall make payments of nonrecurring adoption expenses incurred by or on behalf of such parents in connection with the adoption of such child, directly through the State agency or through another public or nonprofit private agency, in amounts determined under paragraph (3), and

(ii) in any case where the child meets the requirements of paragraph (2), may make adoption assistance payments to such parents, directly through the State agency or through another public or nonprofit private agency, in amounts so determined.

(2)(A) For purposes of paragraph (1)(B)(ii), a child meets the requirements of this paragraph if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I)(aa)(AA) was removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) and placed in foster care in accordance with a voluntary placement agreement with respect to which Federal payments are provided under section 674 of this title (or section 603 of this title, as such section was in effect on July 16, 1996), or in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(BB) met the requirements of section 672(a)(3) of this title with respect to the home referred to in subitem (AA) of this item;

(bb) meets all of the requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) is a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the minor parent of the child as provided in section 675(4)(B) of this title; and

(II) has been determined by the State, pursuant to subsection (c)(1) of this section, to be a child with special needs; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child—

(I)(aa) at the time of initiation of adoption proceedings was in the care of a public or licensed private child placement agency or Indian tribal organization pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(BB) a voluntary placement agreement or voluntary relinquishment;

(bb) meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) was residing in a foster family home or child care institution with the child's minor parent, and the child's minor parent was in such foster family home or child care institution pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(BB) a voluntary placement agreement or voluntary relinquishment; and

(II) has been determined by the State, pursuant to subsection (c)(2), to be a child with special needs.

(B) Section 672(a)(4) of this title shall apply for purposes of subparagraph (A) of this paragraph, in any case in which the child is an alien described in such section.

(C) A child shall be treated as meeting the requirements of this paragraph for the purpose of paragraph (1)(B)(ii) if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I) meets the requirements of subparagraph (A)(i)(II);

(II) was determined eligible for adoption assistance payments under this part with respect to a prior adoption;

(III) is available for adoption because—

(aa) the prior adoption has been dissolved, and the parental rights of the adoptive parents have been terminated; or

(bb) the child's adoptive parents have died; and

(IV) fails to meet the requirements of subparagraph (A)(i) but would meet such requirements if—

(aa) the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part; and

(bb) the prior adoption were treated as never having occurred; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child meets the requirements of subparagraph (A)(ii)(II), is determined eligible for adoption assistance payments under this part with respect to a prior adoption (or who would have been determined eligible for such payments had the Adoption and Safe Families Act of 1997 been in effect at the time that such determination would have been made), and is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died.

(D) In determining the eligibility for adoption assistance payments of a child in a legal guardianship arrangement described in section 671(a)(28) of this title, the placement of the child with the relative guardian involved and any kinship guardianship assistance payments made on behalf of the child shall be considered never to have been made.

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4)(A) Notwithstanding any other provision of this section, a payment may not be made pursuant to this section to parents or relative guardians with respect to a child—

(i) who has attained—

(I) 18 years of age, or such greater age as the State may elect under section 675(8)(B)(iii) of this title; or

(II) 21 years of age, if the State determines that the child has a mental or physical handicap which warrants the continuation of assistance;

(ii) who has not attained 18 years of age, if the State determines that the parents or relative guardians, as the case may be, are no longer legally responsible for the support of the child; or

(iii) if the State determines that the child is no longer receiving any support from the parents or relative guardians, as the case may be.

(B) Parents or relative guardians who have been receiving adoption assistance payments or kinship guardianship assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for the payments, or eligible for the payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term ''nonrecurring adoption expenses'' means

reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 674(a)(3)(E) of this title.

(7)(A) Notwithstanding any other provision of this subsection, no payment may be made to parents with respect to any applicable child for a fiscal year that—

(i) would be considered a child with special needs under subsection (c)(2);

(ii) is not a citizen or resident of the United States; and

(iii) was adopted outside of the United States or was brought into the United States for the purpose of being adopted.

(B) Subparagraph (A) shall not be construed as prohibiting payments under this part for an applicable child described in subparagraph (A) that is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the parents described in subparagraph (A).

(8)(A) A State shall calculate the savings (if any) resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, using a methodology specified by the Secretary or an alternate methodology proposed by the State and approved by the Secretary.

(B) A State shall annually report to the Secretary—

(i) the methodology used to make the calculation described in subparagraph (A), without regard to whether any savings are found;

(ii) the amount of any savings referred to in subparagraph (A); and

(iii) how any such savings are spent, accounting for and reporting the spending separately from any other spending reported to the Secretary under part B or this part.

(C) The Secretary shall make all information reported pursuant to subparagraph (B) available on the website of the Department of Health and Human Services in a location easily accessible to the public.

(D)(i) A State shall spend an amount equal to the amount of the savings (if any) in State expenditures under this part resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, to provide to children of families any service that may be provided under part B or this part. A State shall spend not less than 30 percent of any such savings on post-adoption services, post-guardianship services, and services to support and sustain positive permanent outcomes for children who otherwise might enter into foster care under the responsibility of the State, with at least ⅔ of the spending by the State to comply with such 30 percent requirement being spent on post-adoption and post-guardianship services.

(ii) Any State spending required under clause (i) shall be used to supplement, and not supplant, any Federal or non-Federal funds used to provide any service under part B or this part.

(b) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect) in the State where such child resides.

(2) For purposes of division A[1] of subchapter XX, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child—

(A)(i) who is a child described in subsection (a)(2), and

(ii) with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued),

(B) with respect to whom foster care maintenance payments are being made under section 672 of this title, or

(C) with respect to whom kinship guardianship assistance payments are being made pursuant to subsection (d).

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are being made under section 672 of this title.

(c) Children with special needs

For purposes of this section—

(1) in the case of a child who is not an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined that the child cannot or should not be returned to the home of his parents; and

(B) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the exist-

ence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX; or

(2) in the case of a child who is an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined, pursuant to a criterion or criteria established by the State, that the child cannot or should not be returned to the home of his parents;

(B)(i) the State has determined that there exists with respect to the child a specific factor or condition (such as ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance under this section and medical assistance under subchapter XIX; or

(ii) the child meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; and

(C) the State has determined that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of the parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX.

(d) Kinship guardianship assistance payments for children

(1) Kinship guardianship assistance agreement

(A) In general

In order to receive payments under section 674(a)(5) of this title, a State shall—

(ii) provide the prospective relative guardian with a copy of the agreement.

(B) Minimum requirements

The agreement shall specify, at a minimum—

(ii) the additional services and assistance that the child and relative guardian will be eligible for under the agreement;

(iii) the procedure by which the relative guardian may apply for additional services as needed; and

(iv) subject to subparagraph (D), that the State will pay the total cost of nonrecurring expenses associated with obtaining legal guardianship of the child, to the extent the total cost does not exceed $2,000.

(C) Interstate applicability

The agreement shall provide that the agreement shall remain in effect without regard to the State residency of the relative guardian.

(D) No effect on Federal reimbursement

Nothing in subparagraph (B)(iv) shall be construed as affecting the ability of the State to obtain reimbursement from the Federal Government for costs described in that subparagraph.

(2) Limitations on amount of kinship guardianship assistance payment

A kinship guardianship assistance payment on behalf of a child shall not exceed the foster care maintenance payment which would have been paid on behalf of the child if the child had remained in a foster family home.

(3) Child's eligibility for a kinship guardianship assistance payment

(A) In general

A child is eligible for a kinship guardianship assistance payment under this subsection if the State agency determines the following:

(I) removed from his or her home pursuant to a voluntary placement agreement or as a result of a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(II) eligible for foster care maintenance payments under section 672 of this title while residing for at least 6 consecutive months in the home of the prospective relative guardian.

(ii) Being returned home or adopted are not appropriate permanency options for the child.

With respect to a child described in subparagraph (A) whose sibling or siblings are not so described—

(i) the child and any sibling of the child may be placed in the same kinship guardianship arrangement, in accordance with section 671(a)(31) of this title, if the State agency and the relative agree on the ap-

propriateness of the arrangement for the siblings; and

(ii) kinship guardianship assistance payments may be paid on behalf of each sibling so placed.

(C) Eligibility not affected by replacement of guardian with a successor guardian

In the event of the death or incapacity of the relative guardian, the eligibility of a child for a kinship guardianship assistance payment under this subsection shall not be affected by reason of the replacement of the relative guardian with a successor legal guardian named in the kinship guardianship assistance agreement referred to in paragraph (1) (including in any amendment to the agreement), notwithstanding subparagraph (A) of this paragraph and section 671(a)(28) of this title.

FINDINGS

Pub. L. 108–145, §2, Dec. 2, 2003, 117 Stat. 1879, provided that: ''The Congress finds the following:

''(1) In 1997, the Congress passed the Adoption and Safe Families Act of 1997 [Pub. L. 105–89; see Short Title of 1997 Amendment note set out under section 1305 of this title] to promote comprehensive child welfare reform to ensure that consideration of children's safety is paramount in child welfare decisions, and to provide a greater sense of urgency to find every child a safe, permanent home.

''(2) The Adoption and Safe Families Act of 1997 also created the Adoption Incentives program, which

authorizes incentive payments to States to promote adoptions, with additional incentives provided for the adoption of foster children with special needs.

''(3) Since 1997, all States, the District of Columbia, and Puerto Rico have qualified for incentive payments for their work in promoting adoption of foster children.

''(4) Between 1997 and 2002, adoptions increased by 64 percent, and adoptions of children with special needs increased by 63 percent; however, 542,000 children remain in foster care, and 126,000 are eligible for adoption.

''(5) Although substantial progress has been made to promote adoptions, attention should be focused on promoting adoption of older children. Recent data suggest that half of the children waiting to be adopted are age 9 or older.''

(1) The Secretary shall, prior to the beginning of each quarter, estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with subsection (a), and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, (B) records showing the number of children in the State receiving assistance under this part, and (C) such other investigation as the Secretary may find necessary.

(2) The Secretary shall then pay to the State, in such installments as he may determine, the amounts so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to foster care and adoption assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(B) Within 15 days after a decision to defer such a State claim, the Secretary shall notify the State of the reasons for the deferral and of the additional information necessary to determine the allowability of the claim.

(C) Within 90 days after receiving such necessary information (in readily reviewable form), the Secretary shall—

(i) disallow the claim, if able to complete the review and determine that the claim is not allowable, or

(ii) in any other case, allow the claim, subject to disallowance (as necessary)—

The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C), without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(d) Reduction for violation of plan requirement

(1) If, during any quarter of a fiscal year, a State's program operated under this part is found, as a result of a review conducted under section 1320a–2a of this title, or otherwise, to have violated paragraph (18) or (23) of section 671(a) of this title with respect to a person or to have failed to implement a corrective action plan within a period of time not to exceed 6 months with respect to such violation, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a–2a(b)(3) of this title, the Secretary shall reduce the amount otherwise payable to the State under this part, for that fiscal year quarter and for any subsequent quarter of such fiscal year, until the State program is found, as a result of a subsequent review under section 1320a–2a of this title, to have implemented a corrective action plan with respect to such violation, by—

(A) 2 percent of such otherwise payable amount, in the case of the 1st such finding for the fiscal year with respect to the State;

(B) 3 percent of such otherwise payable amount, in the case of the 2nd such finding for the fiscal year with respect to the State; or

(C) 5 percent of such otherwise payable amount, in the case of the 3rd or subsequent such finding for the fiscal year with respect to the State.

In imposing the penalties described in this paragraph, the Secretary shall not reduce any fiscal year payment to a State by more than 5 percent.

(2) Any other entity which is in a State that receives funds under this part and which violates paragraph (18) or (23) of section 671(a) of this title during a fiscal year quarter with respect to any person shall remit to the Secretary all funds that were paid by the State to the entity during the quarter from such funds.

(3)(A) Any individual who is aggrieved by a violation of section 671(a)(18) of this title by a State or other entity may bring an action seeking relief from the State or other entity in any United States district court.

(B) An action under this paragraph may not be brought more than 2 years after the date the alleged violation occurred.

(4) This subsection shall not be construed to affect the application of the Indian Child Welfare Act of 1978 [25 U.S.C. 1901 et seq.].

(e) Discretionary grants for educational and training vouchers for youths aging out of foster care

From amounts appropriated pursuant to section 677(h)(2) of this title, the Secretary may make a grant to a State with a plan approved under this part, for a calendar quarter, in an amount equal to the lesser of—

(1) 80 percent of the amounts expended by the State during the quarter to carry out programs for the purposes described in section 677(a)(6) of this title; or

(2) the amount, if any, allotted to the State under section 677(c)(3) of this title for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this subsection for such purposes for all prior quarters in the fiscal year.

(1) If the Secretary finds that a State has failed to submit to the Secretary data, as required by regulation, for the data collection system implemented under section 679 of this title, the Secretary shall, within 30 days after the date by which the data was due to be so submitted, notify the State of the failure and that payments to the State under this part will be reduced if the State fails to submit the data, as so required, within 6 months after the date the data was originally due to be so submitted.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a–2a(b)(3) of this title, the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) 1/6 of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(B) 1/4 of 1 percent of the total amount so expended, in the case of the 2nd or any subsequent such 6-month period.

(g) Continued services under waiver

(B) A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents' home, facilitate return of the child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan. With respect to a child who has attained 14 years of age, the plan developed for the child in accordance with this paragraph, and any revision or addition to the plan, shall be developed in consultation with the child and, at the option of the child, with up to 2 members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A State may reject an individual selected by a child to be a member of the case planning team at any time if the State has good cause to believe that the individual would not act in the best interests of the child. One individual selected by a child to be a member of the child's case planning team may be designated to be the child's advisor and, as necessary, advocate, with respect to the application of the reasonable and prudent parent standard to the child.

(C) The health and education records of the child, including the most recent information available regarding—

(E) In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems to facilitate orderly and timely in-State and interstate placements.

(F) In the case of a child with respect to whom the permanency plan is placement with a relative and receipt of kinship guardianship assistance payments under section 673(d) of this title, a description of—

(iii) the reasons why a permanent placement with a fit and willing relative through a kinship guardianship assistance arrangement is in the child's best interests;

(iv) the ways in which the child meets the eligibility requirements for a kinship guardianship assistance payment;

(v) the efforts the agency has made to discuss adoption by the child's relative foster parent as a more permanent alternative to legal guardianship and, in the case of a relative foster parent who has chosen not to pursue adoption, documentation of the reasons therefor; and

(vi) the efforts made by the State agency to discuss with the child's parent or parents the kinship guardianship assistance arrangement, or the reasons why the efforts were not made.

(G) A plan for ensuring the educational stability of the child while in foster care, including—

(ii)(I) an assurance that the State agency has coordinated with appropriate local educational agencies (as defined under section 7801 of title 20) to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or

(II) if remaining in such school is not in the best interests of the child, assurances by the State agency and the local educational agencies to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

(2) The term ''parents'' means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term ''adoption assistance agreement'' means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term ''foster care maintenance payments'' means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, reasonable travel to the child's home for visitation, and reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement. (5) The term ''case review system'' means a procedure for assuring that—

(A) each child has a case plan designed to achieve placement in a safe setting that is the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents' home, consistent with the best interest and special needs of the child, which—

(i) if the child has been placed in a foster family home or child-care institution a substantial distance from the home of the parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 6 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, of the State in which the child has been placed, or of a private agency under contract with either such State, visit such child in such home or institution and submit a report on such visit to the State agency of the State in which the home of the parents of the child is located,[2]

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward

(C) with respect to each such child, (i) procedural safeguards will be applied, among other things, to assure each child in foster care under the supervision of the State of a permanency hearing to be held, in a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or by an administrative body appointed or approved by the court, no later than 12 months after the date the child is considered to have entered foster care (as determined under subparagraph (F)) (and not less frequently than every 12 months thereafter during the continuation of foster care), which hearing shall determine the permanency plan for the child that includes whether, and if applicable when, the child will be returned to the parent, placed for adoption and the State will file a petition for termination of parental rights, or referred for legal guardianship, or only in the case of a child who has attained 16 years of age (in cases where the State agency has documented to the State court a compelling reason for determining, as of the date of the hearing, that it would not be in the best interests of the child to return home, be referred for termination of parental rights, or be placed for adoption, with a fit and willing relative, or with a legal guardian) placed in another planned permanent living arrangement, subject to section 675a(a) of this title, in the case of a child who will not be returned to the parent, the hearing shall consider in-State and out-of-State placement options, and, in the case of a child described in subparagraph (A)(ii), the hearing shall determine whether the out-of-State placement continues to be appropriate and in the best interests of the child, and, in the case of a child who has attained age 14, the services needed to assist the child to make the transition from foster care to a successful adulthood; (ii) procedural safeguards shall be applied with respect to parental rights pertaining to the removal of the child from the home of his parents, to a change in the child's placement, and to any determination affecting visitation privileges of parents; (iii) procedural safeguards shall be applied to assure that in any permanency hearing held with respect to the child, including any hearing regarding the transition of the child from foster care to a successful adulthood, the court or administrative body conducting the hearing consults, in an age-appropriate manner, with the child regarding the proposed permanency or transition plan for the child; and (iv) if a child has attained 14 years of age, the permanency plan developed for the child, and any revision or addition to the plan, shall be developed in consultation with the child and, at the option of the child, with not more than 2 members of the permanency planning team who are selected by the child and who are not a foster parent of, or caseworker for, the child, except that the State may reject an individual so selected by the child if the State has good cause to believe that the individual would not act in the best interests of the child, and 1 individual so selected by the child may be designated to be the child's advisor and, as necessary, advocate, with respect to the application of the reasonable and prudent standard to the child;

(iii) the State has not provided to the family of the child, consistent with the time period in the State case plan, such services as the State deems necessary for the safe return of the child to the child's home, if reasonable efforts of the type described in section 671(a)(15)(B)(ii) of this title are required to be made with respect to the child;

(F) a child shall be considered to have entered foster care on the earlier of—

(5) to provide financial, housing, counseling, employment, education, and other appropriate support and services to former foster care recipients between 18 and 21 years of age to complement their own efforts to achieve self-sufficiency and to assure that program participants recognize and accept their personal responsibility for preparing for and then making the transition from adolescence to adulthood;

(6) to make available vouchers for education and training, including postsecondary training and education, to youths who have aged out of foster care;

(7) to provide the services referred to in this subsection to children who, after attaining 16 years of age, have left foster care for kinship guardianship or adoption; and

(3) The State may allow youths participating in the voucher program on the date they attain 21 years of age to remain eligible until they attain 23 years of age, as long as they are enrolled in a postsecondary education or training program and are making satisfactory progress toward completion of that program.

(i) determining the eligibility for benefits and services of Indian children to be served under the programs to be carried out under the plan; and

FINDINGS

Pub. L. 106–169, title I, § 101(a), Dec. 14, 1999, 113 Stat. 1823, provided that: ''The Congress finds the following:

''(1) States are required to make reasonable efforts to find adoptive families for all children, including older children, for whom reunification with their biological family is not in the best interests of the child. However, some older children will continue to live in foster care. These children should be enrolled in an Independent Living program designed and conducted by State and local government to help prepare them for employment, postsecondary education, and successful management of adult responsibilities.

''(2) Older children who continue to be in foster care as adolescents may become eligible for Independent Living programs. These Independent Living programs are not an alternative to adoption for these children. Enrollment in Independent Living programs can occur concurrent with continued efforts to locate and achieve placement in adoptive families for older children in foster care.

''(3) About 20,000 adolescents leave the Nation's foster care system each year because they have reached 18 years of age and are expected to support themselves.

''(4) Congress has received extensive information that adolescents leaving foster care have significant difficulty making a successful transition to adulthood; this information shows that children aging out of foster care show high rates of homelessness, nonmarital childbearing, poverty, and delinquent or criminal behavior; they are also frequently the target of crime and physical assaults.

''(5) The Nation's State and local governments, with financial support from the Federal Government, should offer an extensive program of education, training, employment, and financial support for young adults leaving foster care, with participation in such program beginning several years before high school graduation and continuing, as needed, until the young adults emancipated from foster care establish independence or reach 21 years of age.''

The study shall include a comparison of outcomes of children who participated in the programs and a comparable group of children who did not participate in the programs.

From each State's allotment under subsection (b), the Secretary shall from time to time pay to such State its costs of carrying out the purposes of this section through (1) grants to public or other nonprofit institutions of higher learning for training personnel employed or preparing for employment in public assistance programs, (2) special courses of study or seminars of short duration conducted for such personnel by experts hired on a temporary basis for the purpose, and (3) establishing and maintaining, directly or through grants to such institutions, fellowships or traineeships for such personnel at such institutions, with such stipends and allowances as may be permitted under regulations of the Secretary.

The Secretary may relieve any individual of his obligation to so repay, in whole or in part, whenever and to the extent that requirement of such repayment would, in his judgment, be inequitable or would be contrary to the purposes of any of the public welfare programs established by this chapter.

PRIOR PROVISIONS

For prior provisions, see note set out under section 1001 of this title.

§ 1007. Representative payees

(a) In general

If the Commissioner of Social Security determines that the interest of any qualified individual under this subchapter would be served thereby, payment of the qualified individual's benefit under this subchapter may be made, regardless of the legal competency or incompetency of the qualified individual, either directly to the qualified individual, or for his or her use and benefit, to another person (the meaning of which term, for purposes of this section, includes an organization) with respect to whom the requirements of subsection (b) have been met (in this section referred to as the qualified individual's ''representative payee''). If the Commissioner of Social Security determines that a representative payee has misused any benefit paid to the representative payee pursuant to this section, 405(j) of this title, or section 1383(a)(2) of this title, the Commissioner of Social Security shall promptly revoke the person's designation as the qualified individual's representative payee under this subsection, and shall make payment to an alternative representative payee or, if the interest of the qualified individual under this subchapter would be served thereby, to the qualified individual.

(b) Examination of fitness of prospective representative payee

(1) Any determination under subsection (a) to pay the benefits of a qualified individual to a representative payee shall be made on the basis of—

(A) an investigation by the Commissioner of Social Security of the person to serve as representative payee, which shall be conducted in advance of the determination and shall, to the extent practicable, include a face-to-face interview with the person (or, in the case of an organization, a representative of the organization); and

(B) adequate evidence that the arrangement is in the interest of the qualified individual.

(2) As part of the investigation referred to in paragraph (1), the Commissioner of Social Security shall—

(A) require the person being investigated to submit documented proof of the identity of the person;

(B) in the case of a person who has a social security account number issued for purposes of the program under subchapter II or an employer identification number issued for purposes of the Internal Revenue Code of 1986, verify the number;

(C) determine whether the person has been convicted of a violation of section 408, 1011, or 1383a of this title;

(D) obtain information concerning whether such person has been convicted of any other offense under Federal or State law which resulted in imprisonment for more than 1 year;

(E) obtain information concerning whether such person is a person described in section 1004(a)(2) of this title; and

(F) determine whether payment of benefits to the person in the capacity as representative payee has been revoked or terminated pursuant to this section, section 405(j) of this title, or section 1383(a)(2)(A)(iii) of this title by reason of misuse of funds paid as benefits under this subchapter, subchapter II, or XVI, respectively.

(3) Notwithstanding the provisions of section 552a of title 5 or any other provision of Federal or State law (other than section 6103 of the Internal Revenue Code of 1986 and section 1306(c) of this title), the Commissioner shall furnish any Federal, State, or local law enforcement officer, upon the written request of the officer, with the current address, social security account number, and photograph (if applicable) of any person investigated under this subsection, if the officer furnishes the Commissioner with the name of such person and such other identifying information as may reasonably be required by the Commissioner to establish the unique identity of such person, and notifies the Commissioner that—

(A) such person is described in section 1004(a)(2) of this title,

(B) such person has information that is necessary for the officer to conduct the officer's official duties, and

(C) the location or apprehension of such person is within the officer's official duties.

(c) Requirement for maintaining lists of undesirable payees

The Commissioner of Social Security shall establish and maintain lists which shall be updated periodically and which shall be in a form that renders such lists available to the servicing offices of the Social Security Administration. The lists shall consist of—

(1) the names and (if issued) social security account numbers or employer identification numbers of all persons with respect to whom, in the capacity of representative payee, the payment of benefits has been revoked or terminated under this section, section 405(j) of this title, or section 1383(a)(2)(A)(iii) of this title by reason of misuse of funds paid as benefits under this subchapter, subchapter II, or XVI, respectively; and

(2) the names and (if issued) social security account numbers or employer identification numbers of all persons who have been convicted of a violation of section 408, 1011, or 1383a of this title.

(d) Persons ineligible to serve as representative payees

(1) In general

The benefits of a qualified individual may not be paid to any other person pursuant to this section if—

(A) the person has been convicted of a violation of section 408, 1011, or 1383a of this title;

(B) except as provided in paragraph (2), payment of benefits to the person in the capacity of representative payee has been revoked or terminated under this section, section 405(j) of this title, or section 1383(a)(2)(A)(ii)[1] of this title by reason of misuse of funds paid as benefits under this subchapter, subchapter II, or subchapter XVI, respectively;

(C) except as provided in paragraph (2)(B), the person is a creditor of the qualified individual and provides the qualified individual with goods or services for consideration;

(D) such person has previously been convicted as described in subsection (b)(2)(D), unless the Commissioner determines that such payment would be appropriate notwithstanding such conviction; or

(E) such person is a person described in section 1004(a)(2) of this title.

(2) Exemptions

(A) The Commissioner of Social Security may prescribe circumstances under which the Commissioner of Social Security may grant an exemption from paragraph (1) to any person on a case-by-case basis if the exemption is in the best interest of the qualified individual whose benefits would be paid to the person pursuant to this section.

(B) Paragraph (1)(C) shall not apply with respect to any person who is a creditor referred to in such paragraph if the creditor is—

(i) a relative of the qualified individual and the relative resides in the same household as the qualified individual;

(iii) a facility that is licensed or certified as a care facility under the law of the political jurisdiction in which the qualified individual resides;

(iv) a person who is an administrator, owner, or employee of a facility referred to in clause (iii), if the qualified individual resides in the facility, and the payment to the facility or the person is made only after the Commissioner of Social Security has made a good faith effort to locate an alternative representative payee to whom payment would serve the best interests of the qualified individual; or

(v) a person who is determined by the Commissioner of Social Security, on the basis of written findings and pursuant to procedures prescribed by the Commissioner of Social Security, to be acceptable to serve as a representative payee.

(C) The procedures referred to in subparagraph (B)(v) shall require the person who will serve as representative payee to establish, to the satisfaction of the Commissioner of Social Security, that—

(i) the person poses no risk to the qualified individual;

(ii) the financial relationship of the person to the qualified individual poses no substantial conflict of interest; and

(iii) no other more suitable representative payee can be found.

(e) Deferral of payment pending appointment of representative payee

(1) In general

Subject to paragraph (2), if the Commissioner of Social Security makes a determination described in the first sentence of subsection (a) with respect to any qualified individual's benefit and determines that direct payment of the benefit to the qualified individual would cause substantial harm to the qualified individual, the Commissioner of Social Security may defer (in the case of initial entitlement) or suspend (in the case of existing entitlement) direct payment of the benefit to the qualified individual, until such time as the selection of a representative payee is made pursuant to this section.

(2) Time limitation

(A) In general

Except as provided in subparagraph (B), any deferral or suspension of direct payment of a benefit pursuant to paragraph (1) shall be for a period of not more than 1 month.

(B) Exception in the case of incompetency

Subparagraph (A) shall not apply in any case in which the qualified individual is, as of the date of the Commissioner of Social Security's determination, legally incompetent under the laws of the jurisdiction in which the individual resides.

(3) Payment of retroactive benefits

Payment of any benefits which are deferred or suspended pending the selection of a rep-

resentative payee shall be made to the qualified individual or the representative payee as a single sum or over such period of time as the Commissioner of Social Security determines is in the best interest of the qualified individual.

(f) Hearing

Any qualified individual who is dissatisfied with a determination by the Commissioner of Social Security to make payment of the qualified individual's benefit to a representative payee under subsection (a) of this section or with the designation of a particular person to serve as representative payee shall be entitled to a hearing by the Commissioner of Social Security to the same extent as is provided in section 1009(a) of this title, and to judicial review of the Commissioner of Social Security's final decision as is provided in section 1009(b) of this title.

(g) Notice requirements

(1) In general

In advance, to the extent practicable, of the payment of a qualified individual's benefit to a representative payee under subsection (a), the Commissioner of Social Security shall provide written notice of the Commissioner's initial determination to so make the payment. The notice shall be provided to the qualified individual, except that, if the qualified individual is legally incompetent, then the notice shall be provided solely to the legal guardian or legal representative of the qualified individual.

(2) Specific requirements

Any notice required by paragraph (1) shall be clearly written in language that is easily understandable to the reader, shall identify the person to be designated as the qualified individual's representative payee, and shall explain to the reader the right under subsection (f) of the qualified individual or of the qualified individual's legal guardian or legal representative—

(A) to appeal a determination that a representative payee is necessary for the qualified individual;

(B) to appeal the designation of a particular person to serve as the representative payee of the qualified individual; and

(C) to review the evidence upon which the designation is based and to submit additional evidence.

(h) Accountability monitoring

(1) In general

In any case where payment under this subchapter is made to a person other than the qualified individual entitled to the payment, the Commissioner of Social Security shall establish a system of accountability monitoring under which the person shall report not less often than annually with respect to the use of the payments. The Commissioner of Social Security shall establish and implement statistically valid procedures for reviewing the reports in order to identify instances in which persons are not properly using the payments.

(2) Special reports

Notwithstanding paragraph (1), the Commissioner of Social Security may require a report at any time from any person receiving payments on behalf of a qualified individual, if the Commissioner of Social Security has reason to believe that the person receiving the payments is misusing the payments.

(3) Authority to redirect delivery of benefit payments when a representative payee fails to provide required accounting

In any case in which the person described in paragraph (1) or (2) receiving benefit payments on behalf of a qualified individual fails to submit a report required by the Commissioner of Social Security under paragraph (1) or (2), the Commissioner may, after furnishing notice to such person and the qualified individual, require that such person appear in person at a United States Government facility designated by the Social Security Administration as serving the area in which the qualified individual resides in order to receive such benefit payments.

(4) Maintaining lists of payees

The Commissioner of Social Security shall maintain lists which shall be updated periodically of—

(A) the name, address, and (if issued) the social security account number or employer identification number of each representative payee who is receiving benefit payments pursuant to this section, section 405(j) of this title, or section 1383(a)(2) of this title; and

(B) the name, address, and social security account number of each individual for whom each representative payee is reported to be providing services as representative payee pursuant to this section, section 405(j) of this title, or section 1383(a)(2) of this title.

(5) Maintaining lists of agencies

The Commissioner of Social Security shall maintain lists, which shall be updated periodically, of public agencies and community-based nonprofit social service agencies which are qualified to serve as representative payees pursuant to this section and which are located in the jurisdiction in which any qualified individual resides.

(i) Restitution

In any case where the negligent failure of the Commissioner of Social Security to investigate or monitor a representative payee results in misuse of benefits by the representative payee, the Commissioner of Social Security shall make payment to the qualified individual or the individual's alternative representative payee of an amount equal to the misused benefits. In any case in which a representative payee that—

(A) is not an individual; or

(B) is an individual who, for any month during a period when misuse occurs, serves 15 or more individuals who are beneficiaries under this subchapter, subchapter II, subchapter XVI, or any combination of such subchapters;

misuses all or part of an individual's benefit paid to such representative payee, the Commissioner of Social Security shall pay to the beneficiary or the beneficiary's alternative representative payee an amount equal to the

amount of such benefit so misused. The provisions of this paragraph are subject to the limitations of subsection (*l*)(2). The Commissioner of Social Security shall make a good faith effort to obtain restitution from the terminated representative payee.

(j) Misuse of benefits

For purposes of this subchapter, misuse of benefits by a representative payee occurs in any case in which the representative payee receives payment under this subchapter for the use and benefit of another person under this subchapter and converts such payment, or any part thereof, to a use other than for the use and benefit of such person. The Commissioner of Social Security may prescribe by regulation the meaning of the term ''use and benefit'' for purposes of this subsection.

(k) Periodic onsite review

(1) In general

In addition to such other reviews of representative payees as the Commissioner of Social Security may otherwise conduct, the Commissioner may provide for the periodic onsite review of any person or agency that receives the benefits payable under this subchapter (alone or in combination with benefits payable under subchapter II or subchapter XVI) to another individual pursuant to the appointment of such person or agency as a representative payee under this section, section 405(j) of this title, or section 1383(a)(2) of this title in any case in which—

(A) the representative payee is a person who serves in that capacity with respect to 15 or more such individuals; or

(B) the representative payee is an agency that serves in that capacity with respect to 50 or more such individuals.

(2) Report

Within 120 days after the end of each fiscal year, the Commissioner shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a report on the results of periodic onsite reviews conducted during the fiscal year pursuant to paragraph (1) and of any other reviews of representative payees conducted during such fiscal year in connection with benefits under this subchapter. Each such report shall describe in detail all problems identified in such reviews and any corrective action taken or planned to be taken to correct such problems, and shall include—

(A) the number of such reviews;

(B) the results of such reviews;

(C) the number of cases in which the representative payee was changed and why;

(D) the number of cases involving the exercise of expedited, targeted oversight of the representative payee by the Commissioner conducted upon receipt of an allegation of misuse of funds, failure to pay a vendor, or a similar irregularity;

(E) the number of cases discovered in which there was a misuse of funds;

(F) how any such cases of misuse of funds were dealt with by the Commissioner;

(G) the final disposition of such cases of misuse of funds, including any criminal penalties imposed; and

(H) such other information as the Commissioner deems appropriate.

***(l)* Liability for misused amounts**

(1) In general

If the Commissioner of Social Security or a court of competent jurisdiction determines that a representative payee that is not a Federal, State, or local government agency has misused all or part of a qualified individual's benefit that was paid to such representative payee under this section, the representative payee shall be liable for the amount misused, and such amount (to the extent not repaid by the representative payee) shall be treated as an overpayment of benefits under this subchapter to the representative payee for all purposes of this chapter and related laws pertaining to the recovery of such overpayments. Subject to paragraph (2), upon recovering all or any part of such amount, the Commissioner shall make payment of an amount equal to the recovered amount to such qualified individual or such qualified individual's alternative representative payee.

(2) Limitation

The total of the amount paid to such individual or such individual's alternative representative payee under paragraph (1) and the amount paid under subsection (i) may not exceed the total benefit amount misused by the representative payee with respect to such individual.

§ 1008. Overpayments and underpayments

(a) In general

Whenever the Commissioner of Social Security finds that more or less than the correct amount of payment has been made to any person under this subchapter, proper adjustment or recovery shall be made, as follows:

(1) With respect to payment to a person of more than the correct amount, the Commissioner of Social Security shall decrease any payment under this subchapter to which the overpaid person (if a qualified individual) is entitled, or shall require the overpaid person or his or her estate to refund the amount in excess of the correct amount, or, if recovery is not obtained under these two methods, shall seek or pursue recovery by means of reduction in tax refunds based on notice to the Secretary of the Treasury, as authorized under section 3720A of title 31.

(b) Waiver of recovery of overpayment

In any case in which more than the correct amount of payment has been made, there shall be no adjustment of payments to, or recovery by the United States from, any person who is without fault if the Commissioner of Social Security determines that the adjustment or recovery would defeat the purpose of this subchapter or would be against equity and good conscience.

(c) Limited immunity for disbursing officers

(2) Effect of failure to timely request review

A failure to timely request review of an initial adverse determination with respect to an application for any payment under this subchapter or an adverse determination on reconsideration of such an initial determination shall not serve as a basis for denial of a subsequent application for any payment under this subchapter if the applicant demonstrates that the applicant failed to so request such a review acting in good faith reliance upon incorrect, incomplete, or misleading information, relating to the consequences of reapplying for payments in lieu of seeking review of an adverse determination, provided by any officer or employee of the Social Security Administration.

(3) Notice requirements

In any notice of an adverse determination with respect to which a review may be requested under paragraph (1), the Commissioner of Social Security shall describe in clear and specific language the effect on possible entitlement to benefits under this subchapter of choosing to reapply in lieu of requesting review of the determination.

(b) Judicial review

§ 1101. Employment security administration account

(a) Establishment

There is hereby established in the Unemployment Trust Fund an employment security administration account.

(b) Amount credited to Account; transfer of funds; adjustments; repayment of internal revenue refunds

(1) There is hereby appropriated to the Unemployment Trust Fund for credit to the employment security administration account, out of any moneys in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1961, and for each fiscal year thereafter, an amount equal to 100 per centum of the tax (including interest, penalties, and additions to the tax) received during the fiscal year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] and covered into the Treasury.

(2) The amount appropriated by paragraph (1) shall be transferred at least monthly from the general fund of the Treasury to the Unemployment Trust Fund and credited to the employment security administration account. Each such transfer shall be based on estimates made by the Secretary of the Treasury of the amounts received in the Treasury. Proper adjustments shall be made in the amounts subsequently transferred, to the extent prior estimates (including estimates for the fiscal year ending June 30, 1960) were in excess of or were less than the amounts required to be transferred.

(3) The Secretary of the Treasury is directed to pay from time to time from the employment security administration account into the Treasury, as repayments to the account for refunding internal revenue collections, amounts equal to all refunds made after June 30, 1960, of amounts received as tax under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] (including interest on such refunds).

(c) Administrative expenditures; necessary expenses; quarterly transfer of funds; adjustments; limitation; estimate of net receipts

(1) There are hereby authorized to be made available for expenditure out of the employment security administration account for the fiscal year ending June 30, 1971, and for each fiscal year thereafter—

(A) such amounts (not in excess of the applicable limit provided by paragraph (3) and, with respect to clause (ii), not in excess of the limit provided by paragraph (4)) as the Congress may deem appropriate for the purpose of—

(i) assisting the States in the administration of their unemployment compensation laws as provided in subchapter III (including administration pursuant to agreements under any Federal unemployment compensation law),

(ii) the establishment and maintenance of systems of public employment offices in accordance with the Act of June 6, 1933, as amended (29 U.S.C., secs. 49–49n), and

(iii) carrying into effect section 4103 of title 38;

(B) such amounts (not in excess of the limit provided by paragraph (4) with respect to clause (iii)) as the Congress may deem appropriate for the necessary expenses of the Department of Labor for the performance of its functions under—

(i) this subchapter and subchapters III and XII of this chapter,

(ii) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.],

(iii) the provisions of the Act of June 6, 1933, as amended [29 U.S.C. 49 et seq.],

(iv) chapter 41 (except section 4103) of title 38, and

(v) any Federal unemployment compensation law.

The term ''necessary expenses'' as used in this subparagraph (B) shall include the expense of reimbursing a State for salaries and other expenses of employees of such State temporarily assigned or detailed to duty with the Department of Labor and of paying such employees for travel expenses, transportation of household goods, and per diem in lieu of subsistence while away from their regular duty stations in the State, at rates authorized by law for civilian employees of the Federal Government.

(2) The Secretary of the Treasury is directed to pay from the employment security administration account into the Treasury as miscellaneous receipts the amount estimated by him which will be expended during a three-month period by the Treasury Department for the performance of its functions under—

(A) this subchapter and subchapters III and XII of this chapter, including the expenses of banks for servicing unemployment benefit payment and clearing accounts which are offset by the maintenance of balances of Treasury funds with such banks,

(B) the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.], and

(C) any Federal unemployment compensation law with respect to which responsibility for administration is vested in the Secretary of Labor.

If it subsequently appears that the estimates under this paragraph in any particular period were too high or too low, appropriate adjustments shall be made by the Secretary of the Treasury in future payments.

(3)(A) For purposes of paragraph (1)(A), the limitation on the amount authorized to be made available for any fiscal year after June 30, 1970, is, except as provided in subparagraph (B) and in the second sentence of subsection (f)(3)(A), an amount equal to 95 percent of the amount estimated and set forth in the budget of the United States Government for such fiscal year as the amount by which the net receipts during such year under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] will exceed the amount transferred under section 1105(b) of this title during such year to the extended unemployment compensation account.

(B) The limitation established by subparagraph (A) is increased by any unexpended amount retained in the employment security administration account in accordance with subsection (f)(2)(B).

(C) Each estimate of net receipts under this paragraph shall be based upon a tax rate of 0.6 percent.

(4) For purposes of paragraphs (1)(A)(ii) and (1)(B)(iii) the amount authorized to be made available out of the employment security administration account for any fiscal year after June 30, 1972, shall reflect the proportion of the total cost of administering the system of public employment offices in accordance with the Act of June 6, 1933, as amended [29 U.S.C. 49 et seq.], and of the necessary expenses of the Department of Labor for the performance of its functions under the provisions of such Act, as the President determines is an appropriate charge to the employment security administration account, and reflects in his annual budget for such year. The President's determination, after consultation with the Secretary, shall take into account such factors as the relationship between employment subject to State laws and the total labor force in the United States, the number of claimants and the number of job applicants, and such other factors as he finds relevant.

(5)(A) There are authorized to be appropriated out of the employment security administration account to carry out program integrity activities, in addition to any amounts available under paragraph (1)(A)(i)—

(i) $89,000,000 for fiscal year 1998;

(ii) $91,000,000 for fiscal year 1999;

(iii) $93,000,000[1] fiscal year 2000;

(iv) $96,000,000 for fiscal year 2001; and

(v) $98,000,000 for fiscal year 2002.

(B) In any fiscal year in which a State receives funds appropriated pursuant to this paragraph, the State shall expend a proportion of the funds appropriated pursuant to paragraph (1)(A)(i) to carry out program integrity activities that is not less than the proportion of the funds appropriated under such paragraph that was expended by the State to carry out program integrity activities in fiscal year 1997.

(C) For purposes of this paragraph, the term ''program integrity activities'' means initial claims review activities, eligibility review activities, benefit payments control activities, and employer liability auditing activities.

(d) Additional tax attributable to reduced credits; transfer of funds

(1) The Secretary of the Treasury is directed to transfer from the employment security administration account—

(A) To the Federal unemployment account, an amount equal to the amount by which—

(i) 100 per centum of the additional tax received under the Federal Unemployment Tax Act [26 U.S.C. 3301 et seq.] with respect to any State by reason of the reduced credits provisions of section 3302(c)(3) of such Act [26 U.S.C. 3302(c)(3)] and covered into the Treasury for the repayment of advances made to the State under section 1321 of this title, exceeds

(ii) the amount transferred to the account of such State pursuant to subparagraph (B) of this paragraph.

Any amount transferred pursuant to this subparagraph shall be credited against, and shall operate to reduce, that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(B) To the account (in the Unemployment Trust Fund) of the State with respect to which employers paid such additional tax, an amount equal to the amount by which such additional tax received and covered into the Treasury exceeds that balance of advances, made under section 1321 of this title to the State, with respect to which employers paid such additional tax.

(2) Transfers under this subsection shall be as of the beginning of the month succeeding the month in which the moneys were credited to the employment security administration account pursuant to subsection (b)(2).

(e) Revolving fund; appropriations; advances to Account; repayment; interest

(1) There is hereby established in the Treasury a revolving fund which shall be available to make the advances authorized by this subsection. There are hereby authorized to be appropriated, without fiscal year limitation, to such revolving fund such amounts as may be necessary for the purposes of this section.

(2) The Secretary of the Treasury is directed to advance from time to time from the revolving fund to the employment security administration account such amounts as may be necessary for the purposes of this section. If the net balance

[1] So in original. Probably should be followed by ''for''.

in the employment security administration account as of the beginning of any fiscal year equals 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the preceding fiscal year, no advance may be made under this subsection during such fiscal year.

(3) Advances to the employment security administration account made under this subsection shall bear interest until repaid at a rate equal to the average rate of interest (computed as of the end of the calendar month next preceding the date of such advance) borne by all interest-bearing obligations of the United States then forming a part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest shall be the multiple of one-eighth of 1 per centum next lower than such average rate.

(4) Advances to the employment security administration account made under this subsection, plus interest accrued thereon, shall be repaid by the transfer from time to time, from the employment security administration account to the revolving fund, of such amounts as the Secretary of the Treasury, in consultation with the Secretary of Labor, determines to be available in the employment security administration account for such repayment. Any amount transferred as a repayment under this paragraph shall be credited against, and shall operate to reduce, any balance of advances (plus accrued interest) repayable under this subsection.

(f) Determination of excess in Account; limitation on amount to be retained; use of balance in Account during certain fiscal years; net balance

(1) The Secretary of the Treasury shall determine as of the close of each fiscal year (beginning with the fiscal year ending June 30, 1961) the excess in the employment security administration account.

(2) The excess in the employment security administration account as of the close of any fiscal year is the amount by which the net balance in such account as of such time (after the application of section 1102(b) of this title and paragraph (3)(C) of this subsection) exceeds the net balance in the employment security administration account as of the beginning of that fiscal year (including the fiscal year for which the excess is being computed) for which the net balance was higher than as of the beginning of any other such fiscal year.

(3)(A) The excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, shall be retained (as of the beginning of the succeeding fiscal year) in the employment security administration account until the amount in such account is equal to 40 percent of the amount of the total appropriation by the Congress out of the employment security administration account for the fiscal year for which the excess is determined. Three-eighths of the amount in the employment security administration account as of the beginning of any fiscal year after June 30, 1972, or $150 million, whichever is the lesser, is authorized to be made available for such fiscal year pursuant to subsection (c)(1) for additional costs of administration due to an increase in the rate of insured unemployment for a calendar quarter of at least 15 percent over the rate of insured unemployment for the corresponding calendar quarter in the immediately preceding year.

(B) If the entire amount of the excess determined as provided in paragraph (2) as of the close of any fiscal year after June 30, 1972, is not retained in the employment security administration account, there shall be transferred (as of the beginning of the succeeding fiscal year) to the extended unemployment compensation account the balance of such excess or so much thereof as is required to increase the amount in the extended unemployment compensation account to the limit provided in section 1105(b)(2) of this title.

(C) If as of the close of any fiscal year after June 30, 1972, the amount in the extended unemployment compensation account exceeds the limit provided in section 1105(b)(2) of this title, such excess shall be transferred to the employment security administration account as of the close of such fiscal year.

(4) For the purposes of this section, the net balance in the employment security administration account as of any time is the amount in such account as of such time reduced by the sum of—

(A) the amounts then subject to transfer pursuant to subsection (d), and

(B) the balance of advances (plus interest accrued thereon) then repayable to the revolving fund established by subsection (e).

The net balance in the employment security administration account as of the beginning of any fiscal year shall be determined after the disposition of the excess in such account as of the close of the preceding fiscal year.

§ 1103. Amounts transferred to State accounts

(a) Determination and certification by Secretary of Labor

(1) If as of the close of any fiscal year after the fiscal year ending June 30, 1972, the amount in the extended unemployment compensation account has reached the limit provided in section 1105(b)(2) of this title and the amount in the Federal unemployment account has reached the limit provided in section 1102(a) of this title and all advances and interest pursuant to section 1105(d) of this title and section 1323 of this title have been repaid, and there remains in the employment security administration account any amount over the amount provided in section 1101(f)(3)(A) of this title, such excess amount, except as provided in subsection (b), shall be transferred (as of the beginning of the succeeding fiscal year) to the accounts of the States in the Unemployment Trust Fund.

(2) Each State's share of the funds to be transferred under this subsection as of any October 1—

(A) shall be determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury before such date, and

(B) shall bear the same ratio to the total amount to be so transferred as—

(i) the amount of wages subject to tax under section 3301 of the Internal Revenue Code of 1986 during the preceding calendar year which are determined by the Secretary of Labor to be attributable to the State, bears to

(ii) the total amount of wages subject to such tax during such year.

(b) Transfer of funds where State is ineligible

(1) If the Secretary of Labor finds that on October 1 of any fiscal year—

(A) a State is not eligible for certification under section 503 of this title, or

(B) the law of a State is not approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304],

then the amount available for transfer to such State's account shall, in lieu of being so transferred, be transferred to the Federal unemployment account as of the beginning of such October 1. If, during the fiscal year beginning on such October 1, the Secretary of Labor finds and certifies to the Secretary of the Treasury that such State is eligible for certification under section 503 of this title, that the law of such State is approvable under such section 3304, or both, the Secretary of the Treasury shall transfer such amount from the Federal unemployment account to the account of such State. If the Secretary of Labor does not so find and certify to the Secretary of the Treasury before the close of such fiscal year then the amount which was available for transfer to such State's account as of October 1 of such fiscal year shall (as of the close of such fiscal year) become unrestricted as to use as part of the Federal unemployment account.

(2) The amount which, but for this paragraph, would be transferred to the account of a State under subsection (a) or paragraph (1) of this subsection shall be reduced (but not below zero) by the balance of advances made to the State under section 1321 of this title. The sum by which such amount is reduced shall—

(A) be transferred to or retained in (as the case may be) the Federal unemployment account, and

(B) be credited against, and operate to reduce—

(i) first, any balance of advances made before September 13, 1960, to the State under section 1321 of this title, and

(ii) second, any balance of advances made on or after September 13, 1960, to the State under section 1321 of this title.

(c) Use of funds

(1) Except as provided in paragraph (2), amounts transferred to the account of a State pursuant to subsections (a) and (b) shall be used only in the payment of cash benefits to individuals with respect to their unemployment, exclusive of expenses of administration.

(2) A State may, pursuant to a specific appropriation made by the legislative body of the State, use money withdrawn from its account in the payment of expenses incurred by it for the administration of its unemployment compensation law and public employment offices if and only if—

(A) the purposes and amounts were specified in the law making the appropriation,

(B) the appropriation law did not authorize the obligation of such money after the close of the two-year period which began on the date of enactment of the appropriation law,

(C) the money is withdrawn and the expenses are incurred after such date of enactment,

(D)(i) the appropriation law limits the total amount which may be obligated under such appropriation at any time to an amount which does not exceed, at any such time, the amount by which—

(I) the aggregate of the amounts transferred to the account of such State pursuant to subsections (a) and (b), exceeds

(II) the aggregate of the amounts used by the State pursuant to this subsection and charged against the amounts transferred to the account of such State, and

(ii) for purposes of clause (i), amounts used by a State for administration shall be chargeable against transferred amounts at the exact time the obligation is entered into, and

(E) the use of the money is accounted for in accordance with standards established by the Secretary of Labor.

(3)(A) If—

(i) amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section were used in payment of unemployment benefits to individuals; and

(ii) the Governor of such State submits a request to the Secretary of Labor that such amounts be restored under this paragraph,

then the amounts described in clause (i) shall be restored to the status of funds transferred under subsections (a) and (b) of this section which have not been used by eliminating any charge against amounts so transferred for the use of such amounts in the payment of unemployment benefits.

(B) Subparagraph (A) shall apply only to the extent that the amounts described in clause (i) of such subparagraph do not exceed the amount then in the State's account.

(C) Subparagraph (A) shall not apply if the State has a balance of advances made to its account under subchapter XII of this chapter.

(D) If the Secretary of Labor determines that the requirements of this paragraph are met with respect to any request, the Secretary shall notify the Governor of the State that such requirements are met with respect to such request and the amount restored under this paragraph. Such restoration shall be as of the first day of the first month following the month in which the notification is made.

(d) Special transfer in fiscal year 2002

(I) section 209(a)(1) of the Temporary Extended Unemployment Compensation Act of 2002 had been enacted before the close of fiscal year 2001, and

(II) section 5402 of Public Law 105–33 (relating to increase in Federal unemployment account ceiling) had not been enacted,

(B)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable as—

(II) additional compensation, upon the exhaustion of any temporary extended unemployment compensation (if such State has entered into an agreement under the Temporary Extended Unemployment Compensation Act of 2002), for individuals eligible for regular compensation under the unemployment compensation law of such State.

(ii) Any additional compensation under clause (i) may not be taken into account for purposes of any determination relating to the amount of any extended compensation for which an individual might be eligible.

(C)(i) At the option of the State, cash benefits under this paragraph may include amounts which shall be payable to 1 or more categories of individuals not otherwise eligible for regular compensation under the unemployment compensation law of such State, including those described in clause (iii).

(ii) The benefits paid under this subparagraph to any individual may not, for any period of unemployment, exceed the maximum amount of regular compensation authorized under the unemployment compensation law of such State for that same period, plus any additional compensation (described in subparagraph (B)(i)) which could have been paid with respect to that amount.

(iii) The categories of individuals described in this clause include the following:

(I) Individuals who are seeking, or available for, only part-time (and not full-time) work.

(II) Individuals who would be eligible for regular compensation under the unemployment compensation law of such State under an alternative base period.

(C) Of the maximum incentive payment determined under subparagraph (B) with respect to a State—

(i) one-third shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (2); and

(ii) the remainder shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (3).

(2) The State law of a State meets the requirements of this paragraph if such State law—

(A) uses a base period that includes the most recently completed calendar quarter before the start of the benefit year for purposes of determining eligibility for unemployment compensation; or

(B) provides that, in the case of an individual who would not otherwise be eligible for unemployment compensation under the State law because of the use of a base period that does not include the most recently completed calendar quarter before the start of the benefit year, eligibility shall be determined using a base period that includes such calendar quarter.

(3) The State law of a State meets the requirements of this paragraph if such State law includes provisions to carry out at least 2 of the following subparagraphs:

(A) An individual shall not be denied regular unemployment compensation under any State law provisions relating to availability for work, active search for work, or refusal to accept work, solely because such individual is seeking only part-time work (as defined by the Secretary of Labor), except that the State law provisions carrying out this subparagraph may exclude an individual if a majority of the weeks of work in such individual's base period do not include part-time work (as so defined).

(B) An individual shall not be disqualified from regular unemployment compensation for separating from employment if that separation is for any compelling family reason. For purposes of this subparagraph, the term ''compelling family reason'' means the following:

(i) One or both of the following offenses as selected by the State, but in making such selection, the resulting change in the State law shall not supercede any other provision of law relating to unemployment insurance to the extent that such other provision provides broader access to unemployment benefits for victims of such selected offense or offenses:

(I) Domestic violence, verified by such reasonable and confidential documentation as the State law may require, which causes the individual reasonably to believe that such individual's continued employment would jeopardize the safety of the individual or of any member of the individual's immediate family (as defined by the Secretary of Labor); and

(II) Sexual assault, verified by such reasonable and confidential documentation as the State law may require, which causes the individual reasonably to believe that such individual's continued employment would jeopardize the safety of the individual or of any member of the individual's immediate family (as defined by the Secretary of Labor).

(ii) The illness or disability of a member of the individual's immediate family (as those terms are defined by the Secretary of Labor).

(iii) The need for the individual to accompany such individual's spouse—

(I) to a place from which it is impractical for such individual to commute; and

(II) due to a change in location of the spouse's employment.

(C)(i) Weekly unemployment compensation is payable under this subparagraph to any individual who is unemployed (as determined under the State unemployment compensation law), has exhausted all rights to regular unemployment compensation under the State law, and is enrolled and making satisfactory progress in a State-approved training program or in a job training program authorized under the Workforce Investment Act of 1998,[1] except that such compensation is not required to be paid to an individual who is receiving similar stipends or other training allowances for nontraining costs.

(ii) Each State-approved training program or job training program referred to in clause (i) shall prepare individuals who have been separated from a declining occupation, or who have been involuntarily and indefinitely separated from employment as a result of a permanent reduction of operations at the individual's place of employment, for entry into a high-demand occupation.

(iii) The amount of unemployment compensation payable under this subparagraph to an individual for a week of unemployment shall be equal to—

(I) the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year, less

(II) any deductible income, as determined under State law.

The total amount of unemployment compensation payable under this subparagraph to any individual shall be equal to at least 26 times the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year.

(D) Dependents' allowances are provided, in the case of any individual who is entitled to receive regular unemployment compensation and who has any dependents (as defined by State law), in an amount equal to at least $15 per dependent per week, subject to any aggregate limitation on such allowances which the State law may establish (but which aggregate limitation on the total allowance for dependents paid to an individual may not be less than $50 for each week of unemployment or 50 percent of the individual's weekly benefit amount for the benefit year, whichever is less), except that a State law may provide for a reasonable reduction in the amount of any such allowance for a week of less than total unemployment.

(4)(A) Any State seeking an incentive payment under this subsection shall submit an application therefor at such time, in such manner, and complete with such information as the Secretary of Labor may within 60 days after February 17, 2009, prescribe (whether by regulation or otherwise), including information relating to compliance with the requirements of paragraph (2) or (3), as well as how the State intends to use the incentive payment to improve or strengthen the State's unemployment compensation program. The Secretary of Labor shall, within 30 days after receiving a complete application, notify the State agency of the State of the Secretary's findings with respect to the requirements of paragraph (2) or (3) (or both).

(B)(i) If the Secretary of Labor finds that the State law provisions (disregarding any State law provisions which are not then currently in effect as permanent law or which are subject to discontinuation) meet the requirements of paragraph (2) or (3), as the case may be, the Secretary of Labor shall thereupon make a certification to that effect to the Secretary of the Treasury, together with a certification as to the amount of the incentive payment to be transferred to the State account pursuant to that finding. The Secretary of the Treasury shall make the appropriate transfer within 7 days after receiving such certification.

(ii) For purposes of clause (i), State law provisions which are to take effect within 12 months after the date of their certification under this subparagraph shall be considered to be in effect as of the date of such certification.

(C)(i) No certification of compliance with the requirements of paragraph (2) or (3) may be made with respect to any State whose State law is not otherwise eligible for certification under section 503 of this title or approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304].

(ii) No certification of compliance with the requirements of paragraph (3) may be made with respect to any State whose State law is not in compliance with the requirements of paragraph (2).

(iii) No application under subparagraph (A) may be considered if submitted before February 17, 2009, or after the latest date necessary (as specified by the Secretary of Labor) to ensure that all incentive payments under this subsection are made before October 1, 2011.

(5)(A) Except as provided in subparagraph (B), any amount transferred to the account of a State under this subsection may be used by such State only in the payment of cash benefits to individuals with respect to their unemployment (including for dependents' allowances and for unemployment compensation under paragraph (3)(C)), exclusive of expenses of administration.

(B) A State may, subject to the same conditions as set forth in subsection (c)(2) (excluding subparagraph (B) thereof, and deeming the reference to ''subsections (a) and (b)'' in subparagraph (D) thereof to include this subsection), use any amount transferred to the account of such State under this subsection for the administration of its unemployment compensation law and public employment offices.

(6) Out of any money in the Federal unemployment account not otherwise appropriated, the Secretary of the Treasury shall reserve $7,000,000,000 for incentive payments under this subsection. Any amount so reserved shall not be taken into account for purposes of any determination under section 1102, 1110, or 1323 of this title of the amount in the Federal unemployment account as of any given time. Any amount so reserved for which the Secretary of the Treasury has not received a certification under paragraph (4)(B) by the deadline described in paragraph (4)(C)(iii) shall, upon the close of fiscal

year 2011, become unrestricted as to use as part of the Federal unemployment account.

(7) For purposes of this subsection, the terms ''benefit year'', ''base period'', and ''week'' have the respective meanings given such terms under section 205 of the Federal-State Extended Unemployment Compensation Act of 1970 (26 U.S.C. 3304 note).

(g) Special transfer in fiscal year 2009 for administration

(1) In addition to any other amounts, the Secretary of the Treasury shall transfer from the employment security administration account to the account of each State in the Unemployment Trust Fund, within 30 days after February 17, 2009, the amount determined with respect to such State under paragraph (2).

(2) The amount to be transferred under this subsection to a State account shall (as determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury) be equal to the amount obtained by multiplying $500,000,000 by the same ratio as determined under subsection (f)(1)(B) with respect to such State.

(3) Any amount transferred to the account of a State as a result of the enactment of this subsection may be used by the State agency of such State only in the payment of expenses incurred by it for—

(A) the administration of the provisions of its State law carrying out the purposes of subsection (f)(2) or any subparagraph of subsection (f)(3);

(B) improved outreach to individuals who might be eligible for regular unemployment compensation by virtue of any provisions of the State law which are described in subparagraph (A);

(C) the improvement of unemployment benefit and unemployment tax operations, including responding to increased demand for unemployment compensation; and

(D) staff-assisted reemployment services for unemployment compensation claimants.

§ 1104. Unemployment Trust Fund

(a) Establishment

There is hereby established in the Treasury of the United States a trust fund to be known as the ''Unemployment Trust Fund'', hereinafter in this subchapter called the ''Fund''. The Secretary of the Treasury is authorized and directed to receive and hold in the Fund all moneys deposited therein by a State agency from a State unemployment fund, or by the Railroad Retirement Board to the credit of the railroad unemployment insurance account or the railroad unemployment insurance administration fund, or otherwise deposited in or credited to the Fund or any account therein. Such deposit may be made directly with the Secretary of the Treasury, with any depositary designated by him for such purpose, or with any Federal Reserve Bank.

(b) Investments

It shall be the duty of the Secretary of the Treasury to invest such portion of the Fund as is not, in his judgment, required to meet current withdrawals. Such investment may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obliga-

tions of the United States may be issued under chapter 31 of title 31 are hereby extended to authorize the issuance at par of special obligations exclusively to the Fund. Such special obligations shall bear interest at a rate equal to the average rate of interest, computed as of the end of the calendar month next preceding the date of such issue, borne by all interest-bearing obligations of the United States then forming part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such special obligations shall be the multiple of one-eighth of 1 per centum next lower than such average rate. Obligations other than such special obligations may be acquired for the Fund only on such terms as to provide an investment yield not less than the yield which would be required in the case of special obligations if issued to the Fund upon the date of such acquisition. Advances made to the Federal unemployment account pursuant to section 1323 of this title shall not be invested.

(c) Sale or redemption of obligations

Any obligations acquired by the Fund (except special obligations issued exclusively to the Fund) may be sold at the market price, and such special obligations may be redeemed at par plus accrued interest.

(d) Treatment of interest and proceeds

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Fund shall be credited to and form a part of the Fund.

(e) Separate book accounts

The Fund shall be invested as a single fund, but the Secretary of the Treasury shall maintain a separate book account for each State agency, the employment security administration account, the Federal unemployment account, the railroad unemployment insurance account, and the railroad unemployment insurance administration fund and shall credit quarterly (on March 31, June 30, September 30, and December 31, of each year) to each account, on the basis of the average daily balance of such account, a proportionate part of the earnings of the Fund for the quarter ending on such date. For the purpose of this subsection, the average daily balance shall be computed—

(1) in the case of any State account, by reducing (but not below zero) the amount in the account by the balance of advances made to the State under section 1321 of this title, and

(2) in the case of the Federal unemployment account—

(A) by adding to the amount in the account the aggregate of the reductions under paragraph (1), and

(B) by subtracting from the sum so obtained the balance of advances made under section 1323 of this title to the account.

(f) Payment to State agencies and Railroad Retirement Board

The Secretary of the Treasury is authorized and directed to pay out of the Fund to any State agency such amount as it may duly requisition, not exceeding the amount standing to the account of such State agency at the time of such payment. The Secretary of the Treasury is authorized and directed to make such payments out of the railroad unemployment insurance account for the payment of benefits, and out of the railroad unemployment insurance administration fund for the payment of administrative expenses, as the Railroad Retirement Board may duly certify, not exceeding the amount standing to the credit of such account or such fund, as the case may be, at the time of such payment.

(g) Federal unemployment account; establishment

There is hereby established in the Unemployment Trust Fund a Federal unemployment account.

§ 1206. "Aid to the blind" defined

For the purposes of this subchapter, the term ''aid to the blind'' means money payments to blind individuals who are needy, but does not include any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution) or any individual who is a patient in an institution for tuberculosis or mental diseases. Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Secretary) is interested in or concerned with the welfare of such needy individual, but only with respect to a State whose State plan approved under section 1202 of this title includes provision for—

(1) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(2) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the blind to be paid (and in conjunction with other income and resources), meet all the need[1] of the individuals with respect to whom such payments are made;

(3) undertaking and continuing special efforts to protect the welfare of such individual and to improve, to the extent possible, his capacity for self-care and to manage funds;

(4) periodic review by such State agency of the determination under paragraph (1) of this

[1] So in original. Probably should be ''needs''.

subsection to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(5) opportunity for a fair hearing before the State agency on the determination referred to in paragraph (1) of this subsection for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of 90 consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for 30 consecutive days in the case of such an individual who has maintained his residence in such State during such period or 90 consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.

(Aug. 14, 1935, ch. 531, title X, § 1006, 49 Stat. 647; Aug. 10, 1939, ch. 666, title VII, § 703, 53 Stat. 1398; Aug. 28, 1950, ch. 809, title III, pt. 4, § 343(a), 64 Stat. 554; Pub. § 1310. Cooperative research or demonstration projects

(a) In general

(1) There are hereby authorized to be appropriated for the fiscal year ending June 30, 1957, $5,000,000 and for each fiscal year thereafter such sums as the Congress may determine for (A) making grants to States and public and other organizations and agencies for paying part of the cost of research or demonstration projects such as those relating to the prevention and reduction of dependency, or which will aid in effecting coordination of planning between private and public welfare agencies or which will help improve the administration and effectiveness of programs carried on or assisted under this chapter and programs related thereto, and (B) making contracts or jointly financed cooperative arrangements with States and public and other organizations and agencies for the conduct of research or demonstration projects relating to such matters.

(2) No contract or jointly financed cooperative arrangement shall be entered into, and no grant shall be made, under paragraph (1), until the Secretary (or the Commissioner, with respect to any jointly financed cooperative agreement or grant concerning subchapters II or XVI) obtains the advice and recommendations of specialists who are competent to evaluate the proposed projects as to soundness of their design, the possibilities of securing productive results, the adequacy of resources to conduct the proposed research or demonstrations, and their relationship to other similar research or demonstrations already completed or in process.

(3) Grants and payments under contracts or cooperative arrangements under paragraph (1) may be made either in advance or by way of reimbursement, as may be determined by the Secretary (or the Commissioner, with respect to any jointly financed cooperative agreement or grant concerning subchapter II or XVI); and shall be made in such installments and on such conditions as the Secretary (or the Commissioner, as applicable) finds necessary to carry out the purposes of this subsection.

(b) Limitations and costs

(1) The Commissioner is authorized to waive any of the requirements, conditions, or limitations of subchapter XVI (or to waive them only for specified purposes, or to impose additional requirements, conditions, or limitations) to such extent and for such period as the Commissioner finds necessary to carry out one or more experimental, pilot, or demonstration projects which, in the Commissioner's judgment, are likely to assist in promoting the objectives or facilitate the administration of such subchapter. Any costs for benefits under or administration of any such project (including planning for the project and the review and evaluation of the project and its results), in excess of those that would have been incurred without regard to the project, shall be met by the Commissioner from amounts available to the Commissioner for this purpose from appropriations made to carry out such subchapter. The costs of any such project which is carried out in coordination with one or more related projects under other subchapters of this chapter shall be allocated among the appropriations available for such projects and any Trust Funds involved, in a manner determined by the Commissioner with respect to the old-age, survivors, and disability insurance programs under subchapter II and the supplemental security income program under subchapter XVI, and by the Secretary with respect to other subchapters of this chapter, taking into consideration the programs (or types of benefit) to which the project (or part of a project) is most closely related or which the project (or part of a project) is intended to benefit. If, in order to carry out a project under this subsection, the Commissioner requests a State to make supplementary payments (or the Commissioner makes them pursuant to an agreement under section 1382e of this title) to individuals who are not eligible therefor, or in amounts or under circumstances in which the State does not make such payments, the Commissioner shall reimburse such State for the non-Federal share of such payments from amounts appropriated to carry out subchapter XVI. If, in order to carry out a project under this subsection, the Secretary requests a State to provide medical assistance under its plan approved under subchapter XIX to individuals who are not eligible therefor, or in amounts or under circumstances in which the State does not provide such medical assistance, the Secretary shall reimburse such State for the non-Federal share of such assistance from amounts appropriated to carry out subchapter XVI, which shall be provided by the Commissioner to the Secretary for this purpose.

(2) With respect to the participation of recipients of supplemental security income benefits in experimental, pilot, or demonstration projects under this subsection—

(A) the Commissioner is not authorized to carry out any project that would result in a substantial reduction in any individual's total income and resources as a result of his or her participation in the project;

(B) the Commissioner may not require any individual to participate in a project; and the Commissioner shall assure (i) that the voluntary participation of individuals in any project is obtained through informed written consent which satisfies the requirements for informed consent established by the Commissioner for use in any experimental, pilot, or demonstration project in which human subjects are at risk, and (ii) that any individual's voluntary agreement to participate in any project may be revoked by such individual at any time;

(C) the Commissioner shall, to the extent feasible and appropriate, include recipients who are under age 18 as well as adult recipients; and

(D) the Commissioner shall include in the projects carried out under this section such experimental, pilot, or demonstration projects as may be necessary to ascertain the feasibility of treating alcoholics and drug addicts to prevent the onset of irreversible medical conditions which may result in permanent disability, including programs in residential care treatment centers.

(c) Survey of use of payments

(1) In addition to the amount otherwise appropriated in any other law to carry out subsection (a) for fiscal year 2004, up to $8,500,000 is authorized and appropriated and shall be used by the Commissioner of Social Security under this subsection for purposes of conducting a statistically valid survey to determine how payments made to individuals, organizations, and State or local government agencies that are representative payees for benefits paid under subchapter II or XVI are being managed and used on behalf of the beneficiaries for whom such benefits are paid.

(2) Not later than 18 months after March 2, 2004, the Commissioner of Social Security shall submit a report on the survey conducted in accordance with paragraph (1) to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate.

§ 1315. Demonstration projects

(a) Waiver of State plan requirements; costs regarded as State plan expenditures; availability of appropriations

In the case of any experimental, pilot, or demonstration project which, in the judgment of the Secretary, is likely to assist in promoting the objectives of subchapter I, X, XIV, XVI, or XIX, or part A or D of subchapter IV, in a State or States—

(1) the Secretary may waive compliance with any of the requirements of section 302, 602, 654, 1202, 1352, 1382, or 1396a of this title, as the case may be, to the extent and for the period he finds necessary to enable such State or States to carry out such project, and

(2)(A) costs of such project which would not otherwise be included as expenditures under section 303, 655, 1203, 1353, 1383, or 1396b of this title, as the case may be, and which are not included as part of the costs of projects under section 1310 of this title, shall, to the extent and for the period prescribed by the Secretary, be regarded as expenditures under the State plan or plans approved under such subchapter, or for administration of such State plan or plans, as may be appropriate, and

(B) costs of such project which would not otherwise be a permissible use of funds under part A of subchapter IV and which are not included as part of the costs of projects under section 1310 of this title, shall to the extent and for the period prescribed by the Secretary, be regarded as a permissible use of funds under such part.

In addition, not to exceed $4,000,000 of the aggregate amount appropriated for payments to States under such subchapters for any fiscal year beginning after June 30, 1967, shall be available, under such terms and conditions as the Secretary may establish, for payments to States to cover so much of the cost of such projects as is not covered by payments under such subchapters and is not included as part of the cost of projects for purposes of section 1310 of this title.

(b) Child support enforcement programs

(1) In the case of any experimental, pilot, or demonstration project undertaken under subsection (a) to assist in promoting the objectives of part D of subchapter IV, the project—

(A) must be designed to improve the financial well-being of children or otherwise improve the operation of the child support program;

(B) may not permit modifications in the child support program which would have the effect of disadvantaging children in need of support; and

(C) must not result in increased cost to the Federal Government under part A of such subchapter.

(2) An Indian tribe or tribal organization operating a program under section 655(f) of this title shall be considered a State for purposes of authority to conduct an experimental, pilot, or demonstration project under subsection (a) to assist in promoting the objectives of part D of subchapter IV and receiving payments under the second sentence of that subsection. The Secretary may waive compliance with any requirements of section 655(f) of this title or regulations promulgated under that section to the extent and for the period the Secretary finds necessary for an Indian tribe or tribal organization to carry out such project. Costs of the project which would not otherwise be included as expenditures of a program operating under section 655(f) of this title and which are not included as part of the costs of projects under section 1310 of this title, shall, to the extent and for the period prescribed by the Secretary, be regarded as expenditures under a tribal plan or plans approved under such section, or for the administration of such tribal plan or plans, as may be appropriate. An Indian tribe or tribal organization applying for or receiving start-up program development funding pursuant to section 309.16 of title 45, Code of Federal Regulations, shall not be considered to be an Indian tribe or tribal organization operating a program under section 655(f) of this title for purposes of this paragraph.

(c) Demonstration projects to test alternative definitions of unemployment

(1)(A) The Secretary shall enter into agreements with up to 8 States submitting applications under this subsection for the purpose of conducting demonstration projects in such States to test and evaluate the use, with respect to individuals who received aid under part A of subchapter IV in the preceding month (on the basis of the unemployment of the parent who is the principal earner), of a number greater than 100 for the number of hours per month that such individuals may work and still be considered to be unemployed for purposes of section 607 of this title. If any State submits an application under this subsection for the purpose of conducting a demonstration project to test and evaluate the total elimination of the 100-hour rule, the Secretary shall approve at least one such application.

(B) If any State with an agreement under this subsection so requests, the demonstration project conducted pursuant to such agreement may test and evaluate the complete elimination of the 100-hour rule and of any other durational standard that might be applied in defining unemployment for purposes of determining eligibility under section 607 of this title.

(2) Notwithstanding section 602(a)(1) of this title, a demonstration project conducted under this subsection may be conducted in one or more political subdivisions of the State.

(3) An agreement under this subsection shall be entered into between the Secretary and the State agency designated under section 602(a)(3) of this title. Such agreement shall provide for the payment of aid under the applicable State plan under part A of subchapter IV as though section 607 of this title had been modified to reflect the definition of unemployment used in the demonstration project but shall also provide that such project shall otherwise be carried out in accordance with all of the requirements and

conditions of section 607 of this title (and, except as provided in paragraph (2), any related requirements and conditions under part A of subchapter IV).

(4) A demonstration project under this subsection may be commenced any time after September 30, 1990, and shall be conducted for such period of time as the agreement with the Secretary may provide; except that, in no event may a demonstration project under this section be conducted after September 30, 1995.

(5)(A) Any State with an agreement under this subsection shall evaluate the comparative cost and employment effects of the use of the definition of unemployment in its demonstration project under this section by use of experimental and control groups comprised of a random sample of individuals receiving aid under section 607 of this title and shall furnish the Secretary with such information as the Secretary determines to be necessary to evaluate the results of the project conducted by the State.

(B) The Secretary shall report the results of the demonstration projects conducted under this subsection to the Congress not later than 6 months after all such projects are completed.

(d) Regulations relating to applications for or renewals of demonstration projects

(1) An application or renewal of any experimental, pilot, or demonstration project undertaken under subsection (a) to promote the objectives of subchapter XIX or XXI in a State that would result in an impact on eligibility, enrollment, benefits, cost-sharing, or financing with respect to a State program under subchapter XIX or XXI (in this subsection referred to as a ''demonstration project'') shall be considered by the Secretary in accordance with the regulations required to be promulgated under paragraph (2).

(2) Not later than 180 days after March 23, 2010, the Secretary shall promulgate regulations relating to applications for, and renewals of, a demonstration project that provide for—

(A) a process for public notice and comment at the State level, including public hearings, sufficient to ensure a meaningful level of public input;

(B) requirements relating to—

(i) the goals of the program to be implemented or renewed under the demonstration project;

(ii) the expected State and Federal costs and coverage projections of the demonstration project; and

(iii) the specific plans of the State to ensure that the demonstration project will be in compliance with subchapter XIX or XXI;

(C) a process for providing public notice and comment after the application is received by the Secretary, that is sufficient to ensure a meaningful level of public input;

(D) a process for the submission to the Secretary of periodic reports by the State concerning the implementation of the demonstration project; and

(E) a process for the periodic evaluation by the Secretary of the demonstration project.

(3) The Secretary shall annually report to Congress concerning actions taken by the Secretary with respect to applications for demonstration projects under this section.

(e) Extensions of State-wide comprehensive demonstration projects for which waivers granted

(1) The provisions of this subsection shall apply to the extension of any State-wide comprehensive demonstration project (in this subsection referred to as ''waiver project'') for which a waiver of compliance with requirements of subchapter XIX is granted under subsection (a).

(2) During the 6-month period ending 1 year before the date the waiver under subsection (a) with respect to a waiver project would otherwise expire, the chief executive officer of the State which is operating the project may submit to the Secretary a written request for an extension, of up to 3 years (5 years, in the case of a waiver described in section 1396n(h)(2) of this title), of the project.

(3) If the Secretary fails to respond to the request within 6 months after the date it is submitted, the request is deemed to have been granted.

(4) If such a request is granted, the deadline for submittal of a final report under the waiver project is deemed to have been extended until the date that is 1 year after the date the waiver project would otherwise have expired.

(5) The Secretary shall release an evaluation of each such project not later than 1 year after the date of receipt of the final report.

(6) Subject to paragraphs (4) and (7), the extension of a waiver project under this subsection shall be on the same terms and conditions (including applicable terms and conditions relating to quality and access of services, budget neutrality, data and reporting requirements, and special population protections) that applied to the project before its extension under this subsection.

(7) If an original condition of approval of a waiver project was that Federal expenditures under the project not exceed the Federal expenditures that would otherwise have been made, the Secretary shall take such steps as may be necessary to ensure that, in the extension of the project under this subsection, such condition continues to be met. In applying the previous sentence, the Secretary shall take into account the Secretary's best estimate of rates of change in expenditures at the time of the extension.

(f) Application for extension of waiver project; submission; approval

An application by the chief executive officer of a State for an extension of a waiver project the State is operating under an extension under subsection (e) (in this subsection referred to as the ''waiver project'') shall be submitted and approved or disapproved in accordance with the following:

(1) The application for an extension of the waiver project shall be submitted to the Secretary at least 120 days prior to the expiration of the current period of the waiver project.

(2) Not later than 45 days after the date such application is received by the Secretary, the Secretary shall notify the State if the Secretary intends to review the terms and condi-

tions of the waiver project. A failure to provide such notification shall be deemed to be an approval of the application.

(3) Not later than 45 days after the date a notification is made in accordance with paragraph (2), the Secretary shall inform the State of proposed changes in the terms and conditions of the waiver project. A failure to provide such information shall be deemed to be an approval of the application.

(4) During the 30-day period that begins on the date information described in paragraph (3) is provided to a State, the Secretary shall negotiate revised terms and conditions of the waiver project with the State.

(5)(A) Not later than 120 days after the date an application for an extension of the waiver project is submitted to the Secretary (or such later date agreed to by the chief executive officer of the State), the Secretary shall—

(i) approve the application subject to such modifications in the terms and conditions—

(I) as have been agreed to by the Secretary and the State; or

(II) in the absence of such agreement, as are determined by the Secretary to be reasonable, consistent with the overall objectives of the waiver project, and not in violation of applicable law; or

(ii) disapprove the application.

(B) A failure by the Secretary to approve or disapprove an application submitted under this subsection in accordance with the requirements of subparagraph (A) shall be deemed to be an approval of the application subject to such modifications in the terms and conditions as have been agreed to (if any) by the Secretary and the State.

(6) An approval of an application for an extension of a waiver project under this subsection shall be for a period not to exceed 3 years (5 years, in the case of a waiver described in section 1396n(h)(2) of this title).

(7) An extension of a waiver project under this subsection shall be subject to the final reporting and evaluation requirements of paragraphs (4) and (5) of subsection (e) (taking into account the extension under this subsection with respect to any timing requirements imposed under those paragraphs).

DEMONSTRATION PROJECTS TO PROVIDE COUNSELING AND SERVICES TO HIGH-RISK TEENAGERS

Pub. L. 100–485, title V, § 506, Oct. 13, 1988, 102 Stat. 2405, provided that:

''(a) FINDINGS AND PURPOSE.—(1) The Congress finds that—

''(A) the incidences of teenage pregnancy, suicide, substance abuse, and school dropout are increasing;

''(B) research to date has established a link between low self-esteem, perceived limited life options and the risk of teenage pregnancy, suicide, substance abuse, and school dropout;

''(C) little data currently exists on how to improve the self-image of and expand the life options available to high-risk teenagers; and

''(D) there currently is no Federal program in place to address the unique and significant problems faced by today's teenagers.

''(2) It is the purpose of the demonstration projects conducted under this section to provide programs in which a range of non-academic services (sports, recreation, the arts) and self-image counseling are provided to high-risk teenagers in order to reduce the rates of pregnancy, suicide, substance abuse, and school dropout among such teenagers.

''(b) IN GENERAL.—The Secretary of Health and Human Services (in this section referred to as the 'Secretary') shall enter into an agreement with each of 4 States submitting applications under this section for the purpose of conducting demonstration projects in accordance with this section to provide counseling and services to certain high-risk teenagers.

''(c) NATURE OF PROJECT.—Under each demonstration project conducted under this section—

''(1) The State shall establish a 'Teen Care Plan' that shall consist of the following:

''(A) A clearing house where high-risk teenagers will be referred to and encouraged to participate in non-academic activities (arts, recreation, sports) which are already in place in the community.

''(B) A survey of the area to be targeted by the project to determine the need to fund and create new non-academic activities in the area.

''(C) Counseling services utilizing qualified, locally licensed psychologists, social psychologists, or other mental health professionals or related experts to provide individual and group counseling to participating high-risk teenagers.

''(D) A program to provide participants in the project (to the extent practicable) with such transportation, child care, and equipment as is necessary to carry out the purposes of the project.

''(2) The State shall designate two geographical areas within the State to be targeted by the project. One area will serve as the 'home base' for the project, where services will be concentrated and in which a local school system will be selected to receive services and provide facilities for resource referral and counseling. The second geographical area will serve as a 'peripheral' participant, receiving assistance and services from the home base.

''(3) A high-risk teenager is any male or female who has reached the age of 10 years and whose age does not exceed 20 years, and who—

''(A) has a history of academic problems;

''(B) has a history of behavioral problems both in and out of school;

''(C) comes from a one-parent household; or

''(D) is pregnant or is a mother of a child.

''(d) APPLICATIONS; SELECTION CRITERIA.—(1) In selecting States to conduct demonstration projects under this section, the Secretary—

''(A) shall consult with the Consortium on Adolescent Pregnancy;

''(B) shall consider—

''(i) the rate of teenage pregnancy in each State,

''(ii) the teenage school dropout rate in each State,

''(iii) the incidence of teenage substance abuse in each State, and

''(iv) the incidence of teenage suicide in each State; and

''(C) shall give priority to States whose applications—

''(i) demonstrate a current strong State commitment aimed at reducing teenage pregnancy, suicide, drug abuse, and school dropout;

''(ii) contain a 'State support agreement' signed by the Governor, the State School Commissioner, the State Department of Human Services, and the State Department of Education, pledging their commitment to the project;

''(iii) describe facilities and services to be made available by the State to assist in carrying out the project; and

''(iv) indicate a demonstrably high rate of alcoholism among its residents.

''(2) Of the States selected to participate in the demonstration projects conducted under this section—

''(A) one shall be a geographically small State with a population of less than 1,250,000;

''(B) one shall be a State with a population of over 20,000,000; and

''(C) two shall be States with populations of more than 1,000,000 but less than 20,000,000.

''(e) EVALUATION AND REPORT.—(1) Each State conducting a demonstration project under this section shall submit to the Secretary for his approval an evaluation plan that provides for examining the effectiveness of the project in both the home base and peripheral area of the State.

''(2) Not later than October 1, 1992, the Secretary shall submit to the Congress a report containing a summary of the evaluations conducted by States pursuant to the plans described in paragraph (1).

''(f) FUNDING.—(1) Three-fifths of the total amount appropriated pursuant to this section for any fiscal year for each State conducting a demonstration project shall be expended by such State for the provision of services and facilities within the State's designated project home base, and 5 percent of such three-fifths shall be set aside for the conduct of the State's evaluation as provided for in subsection (e).

''(2) Two-fifths of the total amounts appropriated pursuant to this section for any fiscal year for each State conducting a demonstration project shall be expended by such State for the provision of services and facilities within the State's designated peripheral area, and 5 percent of such two-fifths shall be set aside for the conduct of the State's evaluation as provided for in subsection (e).

''(g) DURATION.—A demonstration project conducted under this section shall be commenced not later than September 30, 1989, and shall be conducted for a 3-year period; except that the Secretary may terminate a project before the end of such period if he determines that the State conducting the project is not in substantial compliance with the terms of the agreement entered into with the Secretary under this section.

''(h) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of funding in equal amounts each State demonstration project conducted under this section, there is authorized to be appropriated not to exceed $1,500,000 for each of the fiscal years 1990, 1991, and 1992.''

''(2) with respect to the costs of which Federal financial participation would (except for the provisions of this section) be denied or reduced on account of the enactment of section 301 of the Social Security Amendments of 1972 [enacting subchapter XVI of this chapter],

then, for any period (after December 31, 1973) with respect to which such project is approved by the Secretary, Federal financial participation in the costs of such project shall be continued in like manner as if—

''(3) such section 301 [enacting subchapter XVI of this chapter] had not been enacted, and

''(4) such State (for the month of January 1974 and any month thereafter) continued to have in effect the State plan (approved under title XVI [42 U.S.C. 1381 et seq.]) which was in effect for the month of October 1973, or the State plans (approved under titles I, X, and XIV of the Social Security Act [42 U.S.C. 301 et seq., 1201 et seq., 1351 et seq.]) which were in effect for such month, as the case may be.

''(2) with respect to whom supplemental security income benefits are (or would, except for their participation in such project, be) payable under title XVI of the Social Security Act, or who meet the requirements for aid or assistance under a State plan approved under title I, X, XIV, or XVI of the Social Security Act of the State in which such project is conducted (as such State plan was in effect for July 1973),

the Secretary may waive such requirements of title XVI of such Act (as enacted by section 301 of the Social Security Amendments of 1972) to such extent as he determines to be necessary to the successful operation of such project.

''(c) In the case of any State which has entered into an agreement with the Secretary under section 1616 of the Social Security Act [42 U.S.C. 1382e] (or which is deemed, under section 212(d) of Public Law 93–66 [set out as a note under section 1382 of this title], to have entered into such an agreement), then, of the costs of any project of such State with respect to which there is (solely by reason of the provisions of subsection (a)) Federal financial participation, the non-Federal share thereof shall—

''(1) be paid, from time to time, to such State by the Secretary, and

''(2) shall, for purposes of section 1616(d) of the Social Security Act [42 U.S.C. 1382e(d)] and section 401 of the Social Security Amendments of 1972 [set out as a note under section 1382e of this title] be treated in like manner as if such non-Federal share were supplementary payments made by the Secretary on behalf of such State pursuant to such agreement.''

§ 1315a. Center for Medicare and Medicaid Innovation

(a) Center for Medicare and Medicaid Innovation established

(1) In general

There is created within the Centers for Medicare & Medicaid Services a Center for Medicare and Medicaid Innovation (in this section referred to as the ''CMI'') to carry out the duties described in this section. The purpose of the CMI is to test innovative payment and service delivery models to reduce program expenditures under the applicable subchapters while preserving or enhancing the quality of

care furnished to individuals under such subchapters. In selecting such models, the Secretary shall give preference to models that also improve the coordination, quality, and efficiency of health care services furnished to applicable individuals defined in paragraph (4)(A).

(2) Deadline

The Secretary shall ensure that the CMI is carrying out the duties described in this section by not later than January 1, 2011.

(3) Consultation

In carrying out the duties under this section, the CMI shall consult representatives of relevant Federal agencies, and clinical and analytical experts with expertise in medicine and health care management. The CMI shall use open door forums or other mechanisms to seek input from interested parties.

(4) Definitions

In this section:

(A) Applicable individual

The term ''applicable individual'' means—

(i) an individual who is entitled to, or enrolled for, benefits under part A of subchapter XVIII or enrolled for benefits under part B of such subchapter;

(ii) an individual who is eligible for medical assistance under subchapter XIX, under a State plan or waiver; or

(iii) an individual who meets the criteria of both clauses (i) and (ii).

(B) Applicable subchapter

The term ''applicable subchapter'' means subchapter XVIII, subchapter XIX, or both.

(5) Testing within certain geographic areas

For purposes of testing payment and service delivery models under this section, the Secretary may elect to limit testing of a model to certain geographic areas.

(b) Testing of models (phase I)

(1) In general

The CMI shall test payment and service delivery models in accordance with selection criteria under paragraph (2) to determine the effect of applying such models under the applicable subchapter (as defined in subsection (a)(4)(B)) on program expenditures under such subchapters and the quality of care received by individuals receiving benefits under such subchapter.

(2) Selection of models to be tested

(A) In general

The Secretary shall select models to be tested from models where the Secretary determines that there is evidence that the model addresses a defined population for which there are deficits in care leading to poor clinical outcomes or potentially avoidable expenditures. The Secretary shall focus on models expected to reduce program costs under the applicable subchapter while preserving or enhancing the quality of care received by individuals receiving benefits under such subchapter. The models selected under this subparagraph may include, but are not limited to, the models described in subparagraph (B).

(B) Opportunities

The models described in this subparagraph are the following models:

(i) Promoting broad payment and practice reform in primary care, including patient-centered medical home models for high-need applicable individuals, medical homes that address women's unique health care needs, and models that transition primary care practices away from fee-for-service based reimbursement and toward comprehensive payment or salary-based payment.

(ii) Contracting directly with groups of providers of services and suppliers to promote innovative care delivery models, such as through risk-based comprehensive payment or salary-based payment.

(iii) Utilizing geriatric assessments and comprehensive care plans to coordinate the care (including through interdisciplinary teams) of applicable individuals with multiple chronic conditions and at least one of the following:

(I) An inability to perform 2 or more activities of daily living.

(II) Cognitive impairment, including dementia.

(iv) Promote[1] care coordination between providers of services and suppliers that transition health care providers away from fee-for-service based reimbursement and toward salary-based payment.

(v) Supporting care coordination for chronically-ill applicable individuals at high risk of hospitalization through a health information technology-enabled provider network that includes care coordinators, a chronic disease registry, and home tele-health technology.

(vi) Varying payment to physicians who order advanced diagnostic imaging services (as defined in section 1395m(e)(1)(B) of this title) according to the physician's adherence to appropriateness criteria for the ordering of such services, as determined in consultation with physician specialty groups and other relevant stakeholders.

(vii) Utilizing medication therapy management services, such as those described in section 299b–35 of this title.

(viii) Establishing community-based health teams to support small-practice medical homes by assisting the primary care practitioner in chronic care management, including patient self-management, activities.

(ix) Assisting applicable individuals in making informed health care choices by paying providers of services and suppliers for using patient decision-support tools, including tools that meet the standards developed and identified under section 299b–36(c)(2)(A) of this title, that improve applicable individual and caregiver understanding of medical treatment options.

[1] So in original. Probably should be ''Promoting''.

(x) Allowing States to test and evaluate fully integrating care for dual eligible individuals in the State, including the management and oversight of all funds under the applicable subchapters with respect to such individuals.

(xii) Aligning nationally recognized, evidence-based guidelines of cancer care with payment incentives under subchapter XVIII in the areas of treatment planning and follow-up care planning for applicable individuals described in clause (i) or (iii) of subsection (a)(4)(A) with cancer, including the identification of gaps in applicable quality measures.

(xiii) Improving post-acute care through continuing care hospitals that offer inpatient rehabilitation, long-term care hospitals, and home health or skilled nursing care during an inpatient stay and the 30 days immediately following discharge.

(xiv) Funding home health providers who offer chronic care management services to applicable individuals in cooperation with interdisciplinary teams.

(xv) Promoting improved quality and reduced cost by developing a collaborative of high-quality, low-cost health care institutions that is responsible for—

(I) developing, documenting, and disseminating best practices and proven care methods;

(II) implementing such best practices and proven care methods within such institutions to demonstrate further improvements in quality and efficiency; and

(III) providing assistance to other health care institutions on how best to employ such best practices and proven care methods to improve health care quality and lower costs.

(xvi) Facilitate inpatient care, including intensive care, of hospitalized applicable individuals at their local hospital through the use of electronic monitoring by specialists, including intensivists and critical care specialists, based at integrated health systems.

(xvii) Promoting greater efficiencies and timely access to outpatient services (such as outpatient physical therapy services) through models that do not require a physician or other health professional to refer the service or be involved in establishing the plan of care for the service, when such service is furnished by a health professional who has the authority to furnish the service under existing State law.

(xviii) Establishing comprehensive payments to Healthcare Innovation Zones, consisting of groups of providers that include a teaching hospital, physicians, and other clinical entities, that, through their structure, operations, and joint-activity deliver a full spectrum of integrated and comprehensive health care services to applicable individuals while also incorporating innovative methods for the clinical training of future health care professionals.

(xix) Utilizing, in particular in entities located in medically underserved areas and facilities of the Indian Health Service (whether operated by such Service or by an Indian tribe or tribal organization (as those terms are defined in section 1603 of title 25)), telehealth services—

(I) in treating behavioral health issues (such as post-traumatic stress disorder) and stroke; and

(II) to improve the capacity of non-medical providers and non-specialized medical providers to provide health services for patients with chronic complex conditions.

(xx) Utilizing a diverse network of providers of services and suppliers to improve care coordination for applicable individuals described in subsection (a)(4)(A)(i) with 2 or more chronic conditions and a history of prior-year hospitalization through interventions developed under the Medicare Coordinated Care Demonstration Project under section 4016 of the Balanced Budget Act of 1997 (42 U.S.C. 1395b–1 note).

(xxi) Focusing primarily on physicians' services (as defined in section 1395w–4(j)(3) of this title) furnished by physicians who are not primary care practitioners.

(xxii) Focusing on practices of 15 or fewer professionals.

(xxiii) Focusing on risk-based models for small physician practices which may involve two-sided risk and prospective patient assignment, and which examine risk-adjusted decreases in mortality rates, hospital readmissions rates, and other relevant and appropriate clinical measures.

(xxiv) Focusing primarily on subchapter XIX, working in conjunction with the Center for Medicaid and CHIP Services.

(C) Additional factors for consideration

In selecting models for testing under subparagraph (A), the CMI may consider the following additional factors:

(i) Whether the model includes a regular process for monitoring and updating patient care plans in a manner that is consistent with the needs and preferences of applicable individuals.

(ii) Whether the model places the applicable individual, including family members and other informal caregivers of the applicable individual, at the center of the care team of the applicable individual.

(iii) Whether the model provides for in-person contact with applicable individuals.

(iv) Whether the model utilizes technology, such as electronic health records and patient-based remote monitoring systems, to coordinate care over time and across settings.

(v) Whether the model provides for the maintenance of a close relationship between care coordinators, primary care practitioners, specialist physicians, com-

munity-based organizations, and other providers of services and suppliers.

(vi) Whether the model relies on a team-based approach to interventions, such as comprehensive care assessments, care planning, and self-management coaching.

(vii) Whether, under the model, providers of services and suppliers are able to share information with patients, caregivers, and other providers of services and suppliers on a real time basis.

(viii) Whether the model demonstrates effective linkage with other public sector payers, private sector payers, or statewide payment models.

(3) Budget neutrality

(A) Initial period

The Secretary shall not require, as a condition for testing a model under paragraph (1), that the design of such model ensure that such model is budget neutral initially with respect to expenditures under the applicable subchapter.

(B) Termination or modification

The Secretary shall terminate or modify the design and implementation of a model unless the Secretary determines (and the Chief Actuary of the Centers for Medicare & Medicaid Services, with respect to program spending under the applicable subchapter, certifies), after testing has begun, that the model is expected to—

(i) improve the quality of care (as determined by the Administrator of the Centers for Medicare & Medicaid Services) without increasing spending under the applicable subchapter;

(ii) reduce spending under the applicable subchapter without reducing the quality of care; or

(iii) improve the quality of care and reduce spending.

Such termination may occur at any time after such testing has begun and before completion of the testing.

(4) Evaluation

(A) In general

The Secretary shall conduct an evaluation of each model tested under this subsection. Such evaluation shall include an analysis of—

(i) the quality of care furnished under the model, including the measurement of patient-level outcomes and patient-centeredness criteria determined appropriate by the Secretary; and

(ii) the changes in spending under the applicable subchapters by reason of the model.

(B) Information

The Secretary shall make the results of each evaluation under this paragraph available to the public in a timely fashion and may establish requirements for States and other entities participating in the testing of models under this section to collect and report information that the Secretary determines is necessary to monitor and evaluate such models.

(C) Measure selection

To the extent feasible, the Secretary shall select measures under this paragraph that reflect national priorities for quality improvement and patient-centered care consistent with the measures described in[2] 1395aaa(b)(7)(B) of this title.

(c) Expansion of models (phase II)

Taking into account the evaluation under subsection (b)(4), the Secretary may, through rulemaking, expand (including implementation on a nationwide basis) the duration and the scope of a model that is being tested under subsection (b) or a demonstration project under section 1395cc–3 of this title, to the extent determined appropriate by the Secretary, if—

(1) the Secretary determines that such expansion is expected to—

(A) reduce spending under applicable[3] subchapter without reducing the quality of care; or

(B) improve the quality of patient care without increasing spending;

(2) the Chief Actuary of the Centers for Medicare & Medicaid Services certifies that such expansion would reduce (or would not result in any increase in) net program spending under applicable subchapters; and

(3) the Secretary determines that such expansion would not deny or limit the coverage or provision of benefits under the applicable subchapter for applicable individuals.

In determining which models or demonstration projects to expand under the preceding sentence, the Secretary shall focus on models and demonstration projects that improve the quality of patient care and reduce spending.

(d) Implementation

(1) Waiver authority

The Secretary may waive such requirements of subchapters XI and XVIII and of sections 1396a(a)(1), 1396a(a)(13), 1396b(m)(2)(A)(iii), and 1396u–4 (other than subsections (b)(1)(A) and (c)(5) of such section) of this title as may be necessary solely for purposes of carrying out this section with respect to testing models described in subsection (b).

(2) Limitations on review

There shall be no administrative or judicial review under section 1395ff of this title, section 1395*oo* of this title, or otherwise of—

(A) the selection of models for testing or expansion under this section;

(B) the selection of organizations, sites, or participants to test those models selected;

(C) the elements, parameters, scope, and duration of such models for testing or dissemination;

(D) determinations regarding budget neutrality under subsection (b)(3);

(E) the termination or modification of the design and implementation of a model under subsection (b)(3)(B); and

[2] So in original. Probably should be ''in section''.

[3] So in original. Probably should be preceded by ''the''.

(F) determinations about expansion of the duration and scope of a model under subsection (c), including the determination that a model is not expected to meet criteria described in paragraph (1) or (2) of such subsection.

(3) Administration

Chapter 35 of title 44 shall not apply to the testing and evaluation of models or expansion of such models under this section.

(e) Application to CHIP

The Center may carry out activities under this section with respect to subchapter XXI in the same manner as provided under this section with respect to the program under the applicable subchapters.

(f) Funding

(1) In general

There are appropriated, from amounts in the Treasury not otherwise appropriated—

(A) $5,000,000 for the design, implementation, and evaluation of models under subsection (b) for fiscal year 2010;

(B) $10,000,000,000 for the activities initiated under this section for the period of fiscal years 2011 through 2019; and

(2) Use of certain funds

Out of amounts appropriated under subparagraphs (B) and (C) of paragraph (1), not less than $25,000,000 shall be made available each such fiscal year to design, implement, and evaluate models under subsection (b).

(g) Report to Congress

Beginning in 2012, and not less than once every other year thereafter, the Secretary shall submit to Congress a report on activities under this section. Each such report shall describe the models tested under subsection (b), including the number of individuals described in subsection (a)(4)(A)(i) and of individuals described in subsection (a)(4)(A)(ii) participating in such models and payments made under applicable subchapters for services on behalf of such individuals, any models chosen for expansion under subsection (c), and the results from evaluations under subsection (b)(4). In addition, each such report shall provide such recommendations as the Secretary determines are appropriate for legislative action to facilitate the development and expansion of successful payment models.

(1) Whenever a State plan is submitted to the Secretary by a State for approval under subchapter I, X, XIV, XVI, or XIX, he shall, not later than 90 days after the date the plan is submitted to him, make a determination as to whether it conforms to the requirements for approval under such subchapter. The 90-day period provided herein may be extended by written agreement of the Secretary and the affected State.

(2) Any State dissatisfied with a determination of the Secretary under paragraph (1) of this subsection with respect to any plan may, within 60 days after it has been notified of such determination, file a petition with the Secretary for reconsideration of the issue of whether such plan conforms to the requirements for approval under such subchapter. Within 30 days after receipt of such a petition, the Secretary shall notify the State of the time and place at which a hearing will be held for the purpose of reconsidering such issue. Such hearing shall be held not less than 20 days nor more than 60 days after the date notice of such hearing is furnished to such State, unless the Secretary and such State agree in writing to holding the hearing at another time. The Secretary shall affirm, modify, or reverse his original determination within 60 days of the conclusion of the hearing.

The Secretary thereupon shall file in the court the record of the proceedings on which he based his determination as provided in section 2112 of title 28.

(4) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(5) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(B) The Board shall consider a State's appeal of a disallowance of such a claim (or of an unfavorable reconsideration of a disallowance) on the basis of such documentation as the State may submit and as the Board may require to support the final decision of the Board. In deciding whether to uphold a disallowance of such a claim or any portion thereof, the Board shall be bound by all applicable laws and regulations and shall conduct a thorough review of the issues, taking into account all relevant evidence. The Board's decision of an appeal under subparagraph (A) shall be the final decision of the Secretary and shall be subject to reconsideration by the Board only upon motion of either party filed during the 60-day period that begins on the date of the Board's decision or to judicial review in accordance with subparagraph (C).

(C) A State may obtain judicial review of a decision of the Board by filing an action in any United States District Court located within the appealing State (or, if several States jointly appeal the disallowance of claims for Federal financial participation under section 1396b of this title, in any United States District Court that is located within any State that is a party to the appeal) or the United States District Court for the District of Columbia. For the purposes of reporting the cost of services provided by, of planning, and of measuring and comparing the efficiency of and effective use of services in, hospitals, skilled nursing facilities, intermediate care facilities, home health agencies, health maintenance organizations, and other types of health services facilities and organizations to which payment may be made under this chapter, the Secretary shall establish by regulation, for each such type of health services facility or organization, a uniform system for the reporting by a facility or organization of that type of the following information:

(1) The aggregate cost of operation and the aggregate volume of services.

(2) The costs and volume of services for various functional accounts and subaccounts.

(3) Rates, by category of patient and class of purchaser.

(4) Capital assets, as defined by the Secretary, including (as appropriate) capital funds, debt service, lease agreements used in lieu of capital funds, and the value of land, facilities, and equipment.

(5) Discharge and bill data.

The uniform reporting system for a type of health services facility or organization shall provide for appropriate variation in the application of the system to different classes of facilities or organizations within that type and shall be established, to the extent practicable, consistent with the cooperative system for producing comparable and uniform health information and statistics described in section 242k(e)(1) of this title. In reporting under such a system, hospitals shall employ such chart of accounts, definitions, principles, and statistics as the Secretary may prescribe in order to reach a uniform reconciliation of financial and statistical data for specified uniform reports to be provided to the Secretary.

(b) Monitoring, etc., of systems by Secretary

The Secretary shall—

(1) monitor the operation of the systems established under subsection (a);

(2) assist with and support demonstrations and evaluations of the effectiveness and cost of the operation of such systems and encourage State adoption of such systems; and

(3) periodically revise such systems to improve their effectiveness and diminish their cost.

(c) Availability of information to appropriate agencies and organizations

The Secretary shall provide information obtained through use of the uniform reporting systems described in subsection (a) in a useful manner and format to appropriate agencies and organizations, including health systems agencies (designated under section 300*l*–4[1] of this title) and State health planning and development agencies (designated under section 300m[1] of this title), as may be necessary to carry out such agencies' and organizations' functions.

Pub. L. 95–142, § 19(c)(1), Oct. 25, 1977, 91 Stat. 1205, directed Secretary of Health, Education, and Welfare to establish the systems described in subsec. § 1320a–1. Limitation on use of Federal funds for capital expenditures

(a) Use of reimbursement for planning activities for health services and facilities

The purpose of this section is to assure that Federal funds appropriated under subchapters XVIII and XIX are not used to support unnecessary capital expenditures made by or on behalf of health care facilities which are reimbursed under any of such subchapters and that, to the extent possible, reimbursement under such subchapters shall support planning activities with respect to health services and facilities in the various States.

(b) Agreement between Secretary and State for submission of proposed capital expenditures related to health care facilities and procedures for appeal from recommendations

The Secretary, after consultation with the Governor (or other chief executive officer) and with appropriate local public officials, shall make an agreement with any State which is able and willing to do so under which a designated planning agency (which shall be an agency described in clause (ii) of subsection (d)(1)(B) that has a governing body or advisory board at least half of whose members represent consumer interests) will—

(1) make, and submit to the Secretary together with such supporting materials as he may find necessary, findings and recommendations with respect to capital expenditures proposed by or on behalf of any health care facility in such State within the field of its responsibilities,

(2) receive from other agencies described in clause (ii) of subsection (d)(1)(B), and submit to the Secretary together with such supporting material as he may find necessary, the findings and recommendations of such other agencies with respect to capital expenditures proposed by or on behalf of health care facilities in such State within the fields of their respective responsibilities, and

(3) establish and maintain procedures pursuant to which a person proposing any such capital expenditure may appeal a recommendation by the designated agency and will be granted an opportunity for a fair hearing by such agency or person other than the designated agency as the Governor (or other chief executive officer) may designate to hold such hearings,

whenever and to the extent that the findings of such designated agency or any such other agency indicate that any such expenditure is not consistent with the standards, criteria, or plans developed pursuant to the Public Health Service Act [42 U.S.C. 201 et seq.] to meet the need for adequate health care facilities in the area covered by the plan or plans so developed.

(c) Manner of payment to States for carrying out agreement

The Secretary shall pay any such State from the general fund in the Treasury, in advance or by way of reimbursement as may be provided in the agreement with it (and may make adjustments in such payments on account of overpayments or underpayments previously made), for the reasonable cost of performing the functions specified in subsection (b).

(d) Determination of amount of exclusions from Federal payments

(1) Except as provided in paragraph (2), if the Secretary determines that—

(A) neither the planning agency designated in the agreement described in subsection (b) nor an agency described in clause (ii) of subparagraph (B) of this paragraph had been given notice of any proposed capital expenditure (in accordance with such procedure or in such detail as may be required by such agency) at least 60 days prior to obligation for such expenditure; or

(B)(i) the planning agency so designated or an agency so described had received such timely notice of the intention to make such capital expenditure and had, within a reasonable period after receiving such notice and prior to obligation for such expenditure, notified the person proposing such expenditure that the expenditure would not be in conformity with the standards, criteria, or plans developed by such agency or any other agency described in clause (ii) for adequate health care facilities in such State or in the area for which such other agency has responsibility, and

(ii) the planning agency so designated had, prior to submitting to the Secretary the findings referred to in subsection (b)—

(I) consulted with, and taken into consideration the findings and recommendations of, the State planning agencies established pursuant to sections 314(a) and 604(a) of the Public Health Service Act [42 U.S.C. 246(a), 291d(a)] (to the extent that either such agency is not the agency so designated) as well as the public or nonprofit private agency or organization responsible for the comprehensive regional, metropolitan area, or other local area plan or plans referred to in section 314(b) of the Public Health Service Act [42 U.S.C. 246(b)] and covering the area in which the health care facility proposing such capital expenditure is located (where such agency is not the agency designated in the agreement), or, if there is no such agency, such other public or nonprofit private agency or organization (if any) as performs, as determined in accordance with criteria included in regulations, similar functions, and

(II) granted to the person proposing such capital expenditure an opportunity for a fair hearing with respect to such findings;

then, for such period as he finds necessary in any case to effectuate the purpose of this section, he shall, in determining the Federal payments to be made under subchapters XVIII and XIX with respect to services furnished in the health care facility for which such capital expenditure is made, not include any amount which is attributable to depreciation, interest on borrowed funds, a return on equity capital (in the case of proprietary facilities), or other expenses related to such capital expenditure. With respect to any organization which is reimbursed on a per capita or a fixed fee or negotiated rate basis, in determining the Federal payments to be made under subchapters XVIII and XIX, the Secretary shall exclude an amount which in his judgment is a reasonable equivalent to the amount which would otherwise be excluded under this subsection if payment were to be made on other than a per capita or a fixed fee or negotiated rate basis.

(2) If the Secretary, after submitting the matters involved to the advisory council established or designated under subsection (i), determines that an exclusion of expenses related to any capital expenditure of any health care facility would discourage the operation or expansion of such facility which has demonstrated to his satisfaction proof of capability to provide comprehensive health care services (including institutional services) efficiently, effectively, and economically, or would otherwise be inconsistent with the effective organization and delivery of health services or the effective administration of subchapter XVIII or XIX, he shall not exclude such expenses pursuant to paragraph (1).

(e) Treatment of lease or comparable arrangement of any facility or equipment for a facility in determining amount of exclusions from Federal payments

Where a person obtains under lease or comparable arrangement any facility or part thereof, or equipment for a facility, which would have been subject to an exclusion under subsection (d) if the person had acquired it by purchase, the Secretary shall (1) in computing such person's rental expense in determining the Federal payments to be made under subchapters XVIII and XIX with respect to services furnished in such facility, deduct the amount which in his judgment is a reasonable equivalent of the amount that would have been excluded if the person had acquired such facility or such equipment by purchase, and (2) in computing such person's return on equity capital deduct any amount deposited under the terms of the lease or comparable arrangement.

(f) Reconsideration by Secretary of determinations

Any person dissatisfied with a determination by the Secretary under this section may within six months following notification of such determination request the Secretary to reconsider such determination. A determination by the Secretary under this section shall not be subject to administrative or judicial review.

(g) "Capital expenditure" defined

For the purposes of this section, a ''capital expenditure'' is an expenditure which, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance and which (1) exceeds $600,000 (or such lesser amount as the State may establish), (2) changes the bed capacity of the facility with respect to which such expenditure is made, or (3) substantially changes the services of the facility with respect to which such expenditure is made. For purposes of clause (1) of the preceding sentence, the cost of the studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the acquisition, improvement, expansion, or replacement of the plant and equipment with respect to which such expenditure is made shall be included in determining whether such expenditure exceeds the dollar amount specified in clause (1).

(h) Applicability to Christian Science sanatoriums

The provisions of this section shall not apply to a religious nonmedical health care institution (as defined in section 1395x(ss)(1) of this title).

(i) National advisory council; establishment or designation of existing council; functions; consultations with other appropriate national advisory councils; composition; compensation and travel expenses

(1) The Secretary shall establish a national advisory council, or designate an appropriate existing national advisory council, to advise and assist him in the preparation of general regulations to carry out the purposes of this section and on policy matters arising in the administration of this section, including the coordination of activities under this section with those under other parts of this chapter or under other Federal or federally assisted health programs.

(2) The Secretary shall make appropriate provision for consultation between and coordination of the work of the advisory council established or designated under paragraph (1) and the Federal Hospital Council, the National Advisory Health Council, the Health Insurance Benefits Advisory Council, and other appropriate national advisory councils with respect to matters bearing on the purposes and administration of this section and the coordination of activities under this section with related Federal health programs.

(3) If an advisory council is established by the Secretary under paragraph (1), it shall be composed of members who are not otherwise in the regular full-time employ of the United States, and who shall be appointed by the Secretary without regard to the civil service laws from among leaders in the fields of the fundamental sciences, the medical sciences, and the organization, delivery, and financing of health care, and persons who are State or local officials or are active in community affairs or public or civic affairs or who are representative of minority groups. Members of such advisory council, while attending meetings of the council or otherwise serving on business of the council, shall be entitled to receive compensation at rates fixed by

the Secretary, but not exceeding the maximum rate specified at the time of such service for grade GS–18 in section 5332 of title 5, including traveltime, and while away from their homes or regular places of business they may also be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of such title 5 for persons in the Government service employed intermittently.

(j) Capital expenditure review exception for eligible organization health care facilities

A capital expenditure made by or on behalf of a health care facility shall not be subject to review pursuant to this section if 75 percent of the patients who can reasonably be expected to use the service with respect to which the capital expenditure is made will be individuals enrolled in an eligible organization as defined in section 1395mm(b) of this title, and if the Secretary determines that such capital expenditure is for services and facilities which are needed by such organization in order to operate efficiently and economically and which are not otherwise readily accessible to such organization because—

(1) the facilities do not provide common services at the same site (as usually provided by the organization),

(2) the facilities are not available under a contract of reasonable duration,

(3) full and equal medical staff privileges in the facilities are not available,

(4) arrangements with such facilities are not administratively feasible, or

(5) the purchase of such services is more costly than if the organization provided the services directly.

§ 1320a–2. Effect of failure to carry out State plan

In an action brought to enforce a provision of this chapter, such provision is not to be deemed unenforceable because of its inclusion in a section of this chapter requiring a State plan or specifying the required contents of a State plan. This section is not intended to limit or expand the grounds for determining the availability of private actions to enforce State plan requirements other than by overturning any such grounds applied in Suter v. The regulations referred to in subsection (a) shall—

(B) to make technical assistance available to the State to the extent feasible to enable the State to develop and implement such a corrective action plan;

(C) to suspend the withholding of any Federal matching funds under this section while such a corrective action plan is in effect; and

(D) to rescind any such withholding if the failure to so conform is ended by successful completion of such a corrective action plan.

(c) Provisions for administrative and judicial review

The regulations referred to in subsection (a) shall—

(1) require the Secretary, not later than 10 days after a final determination that a program of the State is not in conformity, to notify the State of—

(A) the basis for the determination; and

(B) the amount of the Federal matching funds (if any) to be withheld from the State;

(2) afford the State an opportunity to appeal the determination to the Departmental Appeals Board within 60 days after receipt of the notice described in paragraph (1) (or, if later, after failure to continue or to complete a corrective action plan); and

(3) afford the State an opportunity to obtain judicial review of an adverse decision of the Board, within 60 days after the State receives notice of the decision of the Board, by appeal to the district court of the United States for the judicial district in which the principal or headquarters office of the agency responsible for administering the program is located.

(2) The Secretary shall promptly notify each appropriate State agency administering or supervising the administration of each State health care program (and, in the case of an exclusion effected pursuant to subsection (a) and to which section 824(a)(5) of title 21 may apply, the Attorney General)—

(2) The Secretary may terminate the exclusion if the Secretary determines, on the basis of the conduct of the applicant which occurred after the date of the notice of exclusion or which was unknown to the Secretary at the time of the exclusion, that—

(A) there is no basis under subsection (a) or (b) or section 1320a–7a(a) of this title for a continuation of the exclusion, and

(B) there are reasonable assurances that the types of actions which formed the basis for the original exclusion have not recurred and will not recur.

(e) Review by courts of appeals

Any person adversely affected by a determination of the Secretary under this section may obtain a review of such determination in the United States Court of Appeals for the circuit in which the person resides, or in which the claim or specified claim was presented, by filing in such court (within sixty days following the date the person is notified of the Secretary's determination) a written petition requesting that the determination be modified or set aside. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary, and thereupon the Secretary shall file in the Court[12] the record in the proceeding as provided in section 2112 of title 28. Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have the power to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, remanding for further consideration, or setting aside, in whole or in part, the determination of the Secretary and enforcing the same to the extent that such order is affirmed or modified. No objection that has not been urged before the Secretary shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the Secretary with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Secretary, the court may order such additional evidence to be taken before the Secretary and to be made a part of the record. The Secretary may modify his findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and he shall file with the court such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive, and his recommendations, if any, for the modification or setting aside of his original order. Upon the filing of the record with it, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Supreme Court of the United States, as provided in section 1254 of title 28.

(f) Compromise of penalties and assessments; recovery; use of funds recovered

Civil money penalties and assessments imposed under this section may be compromised by the Secretary and may be recovered in a civil action in the name of the United States brought in United States district court for the district where the claim or specified claim (as defined in subsection (r)) was presented, or where the claimant (or, with respect to a person described in subsection (*o*), the person) resides, as determined by the Secretary. Amounts recovered under this section shall be paid to the Secretary and disposed of as follows:

(1)(A) In the case of amounts recovered arising out of a claim under subchapter XIX, there shall be paid to the State agency an amount bearing the same proportion to the total amount recovered as the State's share of the amount paid by the State agency for such claim bears to the total amount paid for such claim.

(B) In the case of amounts recovered arising out of a claim under an allotment to a State under subchapter V, there shall be paid to the State agency an amount equal to three-sevenths of the amount recovered.

(2) Such portion of the amounts recovered as is determined to have been paid out of the trust funds under sections 1395i and 1395t of this title shall be repaid to such trust funds.

(3) With respect to amounts recovered arising out of a claim under a Federal health care program (as defined in section 1320a–7b(f) of this title), the portion of such amounts as is determined to have been paid by the program shall be repaid to the program, and the portion of such amounts attributable to the amounts recovered under this section by reason of the amendments made by the Health Insurance Portability and Accountability Act of 1996 (as estimated by the Secretary) shall be deposited into the Federal Hospital Insurance Trust Fund pursuant to section 1395i(k)(2)(C) of this title.

(4) The remainder of the amounts recovered shall be deposited as miscellaneous receipts of the Treasury of the United States.

The amount of such penalty or assessment, when finally determined, or the amount agreed upon in compromise, may be deducted from any sum then or later owing by the United States or a State agency (or, in the case of a penalty or assessment under subsection (*o*), by a specified State agency (as defined in subsection (q)(6)), to the person against whom the penalty or assessment has been assessed.

(g) Finality of determination respecting penalty, assessment, or exclusion

A determination by the Secretary to impose a penalty, assessment, or exclusion under subsection (a) or (b) shall be final upon the expiration of the sixty-day period referred to in sub-

(h) Notification of appropriate entities of finality of determination

Whenever the Secretary's determination to impose a penalty, assessment, or exclusion under subsection (a) or (b) becomes final, he shall notify the appropriate State or local medical or professional organization, the appropriate State agency or agencies administering or supervising the administration of State health care programs (as defined in section 1320a–7(h) of this title), and the appropriate utilization and quality control peer review organization, and the appropriate State or local licensing agency or organization (including the agency specified in section 1395aa(a) and 1396a(a)(33) of this title) that such a penalty, assessment, or exclusion has become final and the reasons therefor.

REFERENCES IN TEXT

The Public Health Service Act, referred to in subsec. (b)(3)(D), is act July 1, 1944, ch. 373, 58 Stat. 682, as amended, which is classified generally to chapter 6A (§ 201 et seq.) of this title. For complete classification of this Act to the Code, see Short Title note set out under section 201 of this title and Tables.

Section 14(a) of the Medicare and Medicaid Patient and Program Protection Act of 1987, referred to in sub-

sec. (b)(3)(E), is section 14(a) of Pub. L. 100–93, which is set out below.

Section 1395w–104(e)(6) of this title, referred to in subsec. (b)(3)(E), was in the original ''section 1860D–3(e)(6)'', and was translated as reading ''section 1860D–4(e)(6)'' to reflect the probable intent of Congress, because section 1860D–3, which is classified to section 1395w–103 of this title, does not contain a subsec. (e), and section 1395w–104(e)(6) relates to regulations.

CODIFICATION

Prior to redesignation by Pub. L. 100–93, subsecs. (a) to (d) of this section were subsecs. (a) to (d) of section 1909 of act Aug. 14, 1935, which was classified to section 1396h of this title, and subsec. (e) of this section was subsec. (d) of section 1877 of act Aug. 14, 1935, which was classified to section 1395nn of this title.

(H) relating to remuneration between a health center entity and any individual or entity providing goods, items, services, donations, loans, or a combination thereof, to such health center entity as (I) and realigned margins.

2003—Subsec. (b)(3)(E). Pub. L. 108–173, § 101(e)(8)(A), which directed the amendment of subpar. (C) by inserting ''or in regulations under section 1395w–104(e)(6) of this title'' after ''1987'', was executed by making the insertion in subpar. (E) to reflect the probable intent of Congress because ''1987'' does not appear in subpar. (C).

Subsec. (b)(3)(G). Pub. L. 108–173, § 101(e)(2), added subpar. (G).

Subsec. (b)(3)(H). Pub. L. 108–173, § 431(a), added subpar. (H) relating to remuneration between a health center entity and any individual or entity providing goods, items, services, donations, loans, or a combination thereof, to such health center entity.

(a) In general

Except for the following modifications, the Secretary shall carry out the nationwide program under similar terms and conditions as the pilot program under section 307 of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (Public Law 108–173; 117 Stat. 2257), including the prohibition on hiring abusive workers and the authorization of the imposition of penalties by a participating State under subsection (b)(3)(A) and (b)(6), respectively, of such section 307:

(B) require States to describe and test methods that reduce duplicative fingerprinting, including providing for the development of ''rap back'' capability by the State such that, if a direct patient access employee of a long-term care facility or provider is convicted of a crime following the initial criminal history background check conducted with respect to such employee, and the employee's fingerprints match the prints on file with the State law enforcement department, the department will immediately inform the State and the State will immediately inform the long-term care facility or provider which employs the direct patient access employee of such conviction; and

(C) require that criminal history background checks conducted under the nationwide program remain valid for a period of time specified by the Secretary.

(4) State requirements

An agreement entered into under paragraph (1) shall require that a participating State—

(iv) provide an independent process by which a provisional employee or an employee may appeal or dispute the accuracy of the information obtained in a background check performed under the nationwide program, including the specification of criteria for appeals for direct patient access employees found to have disqualifying information which shall include consideration of the passage of time, extenuating circumstances, demonstration of rehabilitation, and relevancy of the particular disqualifying information with respect to the current employment of the individual;

(v) provide for the designation of a single State agency as responsible for—

(II) overseeing the design of appropriate privacy and security safeguards for use in the review of the results of any State or national criminal history background checks conducted regarding a prospective direct patient access employee to determine whether the employee has any conviction for a relevant crime;

(III) immediately reporting to the long-term care facility or provider that requested the criminal history background check the results of such review; and

(IV) in the case of an employee with a conviction for a relevant crime that is subject to reporting under section 1128E of the Social Security Act (42 U.S.C. 1320a–7e), reporting the existence of such conviction to the database established under that section;

(vi) determine which individuals are direct patient access employees (as defined in paragraph (6)(B)) for purposes of the nationwide program;

back'' capability such that, if a direct patient access employee of a long-term care facility or provider is convicted of a crime following the initial criminal history background check conducted with respect to such employee, and the employee's fingerprints match the prints on file with the State law enforcement department—

(I) the department will immediately inform the State agency designated under clause (v) and such agency will immediately inform the facility or provider which employs the direct patient access employee of such conviction; and

(II) the State will provide, or will require the facility to provide, to the employee a copy of the results of the criminal history background check conducted with respect to the employee at no charge in the case where the individual requests such a copy.

(5) Payments

(A) Newly participating States

(i) In general

As part of the application submitted by a State under paragraph (1)(A)(iii), the State shall guarantee, with respect to the costs to be incurred by the State in carrying out the nationwide program, that the State will make available (directly or through donations from public or private entities) a particular amount of non-Federal contributions, as a condition of receiving the Federal match under clause (ii).

(a) Use in the Medicare fee-for-service program

The Secretary shall use predictive modeling and other analytics technologies (in this section referred to as ''predictive analytics technologies'') to identify improper claims for reimbursement and to prevent the payment of such claims under the Medicare fee-for-service program.

(b) Predictive analytics technologies requirements

The predictive analytics technologies used by the Secretary shall—

(1) capture Medicare provider and Medicare beneficiary activities across the Medicare fee-for-service program to provide a comprehensive view across all providers, beneficiaries, and geographies within such program in order to—

(A) identify and analyze Medicare provider networks, provider billing patterns, and beneficiary utilization patterns; and

(B) identify and detect any such patterns and networks that represent a high risk of fraudulent activity;

(2) be integrated into the existing Medicare fee-for-service program claims flow with minimal effort and maximum efficiency;

(3) be able to—

(A) analyze large data sets for unusual or suspicious patterns or anomalies or contain other factors that are linked to the occurrence of waste, fraud, or abuse;

(B) undertake such analysis before payment is made; and

(C) prioritize such identified transactions for additional review before payment is made in terms of the likelihood of potential waste, fraud, and abuse to more efficiently utilize investigative resources;

(4) capture outcome information on adjudicated claims for reimbursement to allow for

refinement and enhancement of the predictive analytics technologies on the basis of such outcome information, including post-payment information about the eventual status of a claim; and

(5) prevent the payment of claims for reimbursement that have been identified as potentially wasteful, fraudulent, or abusive until such time as the claims have been verified as valid.

(c) Implementation requirements

(1) Request for proposals

Not later than January 1, 2011, the Secretary shall issue a request for proposals to carry out this section during the first year of implementation. To the extent the Secretary determines appropriate—

(A) the initial request for proposals may include subsequent implementation years; and

(B) the Secretary may issue additional requests for proposals with respect to subsequent implementation years.

(2) First implementation year

The initial request for proposals issued under paragraph (1) shall require the contractors selected to commence using predictive analytics technologies on July 1, 2011, in the 10 States identified by the Secretary as having the highest risk of waste, fraud, or abuse in the Medicare fee-for-service program.

(3) Second implementation year

Based on the results of the report and recommendation required under subsection (e)(1)(B), the Secretary shall expand the use of predictive analytics technologies on October 1, 2012, to apply to an additional 10 States identified by the Secretary as having the highest risk of waste, fraud, or abuse in the Medicare fee-for-service program, after the States identified under paragraph (2).

(6) Option for refinement and evaluation

If, with respect to the first, second, or third implementation year, the Inspector General of the Department of Health and Human Services certifies as part of the report required under subsection (e) for that year no or only nominal actual savings to the Medicare fee-for-service program, the Secretary may impose a moratorium, not to exceed 12 months, on the expansion of the use of predictive analytics technologies under this section for the succeeding year in order to refine the use of predictive analytics technologies to achieve more than nominal savings before further expansion. If a moratorium is imposed in accordance with this paragraph, the implementation dates applicable for the succeeding year or years shall be adjusted to reflect the length of the moratorium period.

(d) Contractor selection, qualifications, and data access requirements

the person is estopped from denying the essential elements of the criminal offense.

(4) The official conducting a hearing under this section may sanction a person, including any party or attorney, for failing to comply with an order or procedure, for failing to defend an action, or for such other misconduct as would interfere with the speedy, orderly, or fair con-

duct of the hearing. Such sanction shall reasonably relate to the severity and nature of the failure or misconduct. Such sanction may include—

Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have the power to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, remanding for further consideration, or setting aside, in whole or in part, the determination of the Commissioner of Social Security and enforcing the same to the extent that such order is affirmed or modified. No objection that has not been urged before the Commissioner of Social Security shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances.

(2) The findings of the Commissioner of Social Security with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive in the review described in paragraph (1). If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Commissioner of Social Security, the court may order such additional evidence to be taken before the Commissioner of Social Security and to be made a part of the record. The Commissioner of Social Security may modify such findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and the Commissioner of Social Security shall file with the court such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole shall be conclusive, and the Commissioner's recommendations, if any, for the modification or setting aside of the Commissioner's original order.

(3) Upon the filing of the record and the Commissioner's original or modified order with the court, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Supreme Court of the United States, as provided in section 1254 of title 28.

(A) In the case of amounts recovered arising out of a determination relating to subchapter II, the amounts shall be transferred to the Managing Trustee of the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund, as determined appropriate by the Commissioner of Social Security, and such amounts shall be deposited by the Managing Trustee into such Trust Fund.

(B) In the case of any other amounts recovered under this section, the amounts shall be deposited by the Commissioner of Social Security into the general fund of the Treasury as miscellaneous receipts.

(f) Finality of determination respecting penalty, assessment, or exclusion

A determination pursuant to subsection (a) by the Commissioner of Social Security to impose a penalty or assessment, or to recommend an exclusion shall be final upon the expiration of the 60-day period referred to in subsection (d). (g) Notification of appropriate entities of finality of determination

Whenever the Commissioner's determination to impose a penalty or assessment under this section with respect to a medical provider or physician becomes final, the Commissioner shall notify the Secretary of the final determination and the reasons therefor, and the Secretary shall then notify the entities described in section 1320a–7a(h) of this title of such final determination.

(h) Injunction

***(l)* Protection of ongoing criminal investigations**

As soon as the Inspector General, Social Security Administration, has reason to believe that fraud was involved in the application of an individual for monthly insurance benefits under subchapter II or for benefits under subchapter VIII or XVI, the Inspector General shall make available to the Commissioner of Social Security information identifying the individual, unless a United States attorney, or equivalent State prosecutor, with jurisdiction over potential or actual related criminal cases, certifies, in writing, that there is a substantial risk that making the information so available in a particular investigation or redetermining the eligibility of the individual for such benefits would jeopardize the criminal prosecution of any person who is a subject of the investigation from which the information is derived.

§ 1320a–9. Demonstration projects

(a) Authority to approve demonstration projects

(1) In general

The Secretary may authorize States to conduct demonstration projects pursuant to this section which the Secretary finds are likely to promote the objectives of part B or E of subchapter IV.

(2) Limitation

During fiscal years 2012 through 2014, the Secretary may authorize demonstration projects described in paragraph (1), with not more than 10 demonstration projects to be authorized in each fiscal year.

(3) Conditions for State eligibility

For purposes of a new demonstration project under this section that is initially approved in any of fiscal years 2012 through 2014, a State shall be authorized to conduct such demonstration project only if the State satisfies the following conditions:

(A) Identify 1 or more goals

(i) In general

The State shall demonstrate that the demonstration project is designed to accomplish 1 or more of the following goals:

(I) Increase permanency for all infants, children, and youth by reducing the time in foster placements when possible and promoting a successful transition to adulthood for older youth.

(II) Increase positive outcomes for infants, children, youth, and families in their homes and communities, including tribal communities, and improve the safety and well-being of infants, children, and youth.

(III) Prevent child abuse and neglect and the re-entry of infants, children, and youth into foster care.

(ii) Long-term therapeutic family treatment centers; addressing domestic violence

With respect to a demonstration project that is designed to accomplish 1 or more of the goals described in clause (i), the State may elect to establish a program—

(I) to permit foster care maintenance payments to be made under part E of subchapter IV to a long-term therapeutic family treatment center (as described in paragraph (8)(B)) on behalf of a child residing in the center; or

(II) to identify and address domestic violence that endangers children and results in the placement of children in foster care.

(B) Demonstrate readiness

The State shall demonstrate through a narrative description the State's capacity to effectively use the authority to conduct a demonstration project under this section by identifying changes the State has made or plans to make in policies, procedures, or other elements of the State's child welfare program that will enable the State to successfully achieve the goal or goals of the project.

(C) Demonstrate implemented or planned child welfare program improvement policies

(i) In general

The State shall demonstrate that the State has implemented, or plans to implement within 3 years of the date on which the State submits its application to conduct the demonstration project or 2 years after the date on which the Secretary approves such demonstration project (whichever is later), at least 2 of the child welfare

program improvement policies described in paragraph (7).

(ii) Previous implementation

For purposes of the requirement described in clause (i), at least 1 of the child welfare program improvement policies to be implemented by the State shall be a policy that the State has not previously implemented as of the date on which the State submits an application to conduct the demonstration project.

(iii) Implementation review

The Secretary may terminate the authority of a State to conduct a demonstration project under this section if, after the 3-year period following approval of the demonstration project, the State has not made significant progress in implementing the child welfare program improvement policies proposed by the State under clause (i).

(4) Limitation on eligibility

The Secretary may not authorize a State to conduct a demonstration project under this section if the State fails to provide health insurance coverage to any child with special needs (as determined under section 673(c) of this title) for whom there is in effect an adoption assistance agreement between a State and an adoptive parent or parents.

(5) Requirement to consider effect of project on terms and conditions of certain court orders

In considering an application to conduct a demonstration project under this section that has been submitted by a State in which there is in effect a court order determining that the State's child welfare program has failed to comply with the provisions of part B or E of subchapter IV, or with the Constitution of the United States, the Secretary shall take into consideration the effect of approving the proposed project on the terms and conditions of the court order related to the failure to comply and the ability of the State to implement a corrective action plan approved under section 1320a–2a of this title.

(6) Inapplicability of random assignment for control groups as a factor for approval of demonstration projects

For purposes of evaluating an application to conduct a demonstration project under this section, the Secretary shall not take into consideration whether such project requires random assignment of children and families to groups served under the project and to control groups.

(7) Child welfare program improvement policies

For purposes of paragraph (3)(C), the child welfare program improvement policies described in this paragraph are the following:

(A) The establishment of a bill of rights for infants, children, and youth in foster care that is widely shared and clearly outlines protections for infants, children, and youth, such as assuring frequent visits with parents, siblings, and caseworkers, access to attorneys, and participation in age-appropriate extracurricular activities, and procedures for ensuring the protections are provided.

(B) The development and implementation of a plan for meeting the health and mental health needs of infants, children, and youth in foster care that includes ensuring that the provision of health and mental health care is child-specific, comprehensive, appropriate, and consistent (through means such as ensuring the infant, child, or youth has a medical home, regular wellness medical visits, and addressing the issue of trauma, when appropriate).

(C) The inclusion in the State plan under section 671 of this title of an amendment implementing the option under subsection (a)(28) of that section to enter into kinship guardianship assistance agreements.

(D) The election under the State plan under section 671 of this title to define a ''child'' for purposes of the provision of foster care maintenance payments, adoption assistance payments, and kinship guardianship assistance payments, so as to include individuals described in each of subclauses (I), (II), and (III) of section 675(8)(B)(i) of this title who have not attained age 21.

(E) The development and implementation of a plan that ensures congregate care is used appropriately and reduces the placement of children and youth in such care.

(F) Of those infants, children, and youth in out-of-home placements, substantially increasing the number of cases of siblings who are in the same foster care, kinship guardianship, or adoptive placement, above the number of such cases in fiscal year 2008.

(G) The development and implementation of a plan to improve the recruitment and retention of high quality foster family homes trained to help assist infants, children, and youth swiftly secure permanent families. Supports for foster families under such a plan may include increasing maintenance payments to more adequately meet the needs of infants, children, and youth in foster care and expanding training, respite care, and other support services for foster parents.

(H) The establishment of procedures designed to assist youth as they prepare for their transition out of foster care, such as arranging for participation in age-appropriate extra-curricular activities, providing appropriate access to cell phones, computers, and opportunities to obtain a driver's license, providing notification of all sibling placements if siblings are in care and sibling location if siblings are out of care, and providing counseling and financial support for post-secondary education.

(I) The inclusion in the State plan under section 671 of this title of a description of State procedures for—

(i) ensuring that youth in foster care who have attained age 16 are engaged in discussions, including during the development of the transition plans required

under paragraphs (1)(D) and (5)(H) of section 675 of this title, that explore whether the youth wishes to reconnect with the youth's biological family, including parents, grandparents, and siblings, and, if so, what skills and strategies the youth will need to successfully and safely reconnect with those family members;

(ii) providing appropriate guidance and services to youth whom[1] affirm an intent to reconnect with biological family members on how to successfully and safely manage such reconnections; and

(iii) making, when appropriate, efforts to include biological family members in such reconnection efforts.

(J) The establishment of one or more of the following programs designed to prevent infants, children, and youth from entering foster care or to provide permanency for infants, children, and youth in foster care:

(i) An intensive family finding program.

(ii) A kinship navigator program.

(iii) A family counseling program, such as a family group decision-making program, and which may include in-home peer support for families.

(iv) A comprehensive family-based substance abuse treatment program.

(v) A program under which special efforts are made to identify and address domestic violence that endangers infants, children, and youth and puts them at risk of entering foster care.

(vi) A mentoring program.

(8) Definitions

In this subsection—

(A) the term ''youth'' means, with respect to a State, an individual who has attained age 12 but has not attained the age at which an individual is no longer considered to be a child under the State plans under parts B and E of subchapter IV, and

(b) Waiver authority

The Secretary may waive compliance with any requirement of part B or E of subchapter IV which (if applied) would prevent a State from carrying out a demonstration project under this section or prevent the State from effectively achieving the purpose of such a project, except that the Secretary may not waive—

(1) any provision of section 622(b)(8) of this title, or section 679 of this title; or

(2) any provision of such part E, to the extent that the waiver would impair the entitlement of any qualified child or family to benefits under a State plan approved under such part E.

(c) Treatment as program expenditures

For purposes of parts B and E of subchapter IV, the Secretary shall consider the expenditures of any State to conduct a demonstration project under this section to be expenditures under subpart 1 or 2 of such part B, or under such part E, as the State may elect.

§ 1320b–5. Authority to waive requirements during national emergencies

(a) Purpose

The purpose of this section is to enable the Secretary to ensure to the maximum extent feasible, in any emergency area and during an emergency period (as defined in subsection (g)(1))—

(1) that sufficient health care items and services are available to meet the needs of individuals in such area enrolled in the programs under subchapters XVIII, XIX, and XXI; and

(2) that health care providers (as defined in subsection (g)(2)) that furnish such items and services in good faith, but that are unable to comply with one or more requirements described in subsection (b), may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse.

(b) Secretarial authority

To the extent necessary to accomplish the purpose specified in subsection (a), the Secretary is authorized, subject to the provisions of this section, to temporarily waive or modify the application of, with respect to health care items and services furnished by a health care provider (or classes of health care providers) in any emergency area (or portion of such an area) during any portion of an emergency period, the requirements of subchapters XVIII, XIX, or XXI, or any regulation thereunder (and the requirements of this subchapter other than this section, and regulations thereunder, insofar as they relate to such subchapters), pertaining to—

(1)(A) conditions of participation or other certification requirements for an individual health care provider or types of providers,

(B) program participation and similar requirements for an individual health care provider or types of providers, and

(C) pre-approval requirements;

(2) requirements that physicians and other health care professionals be licensed in the State in which they provide such services, if they have equivalent licensing in another State and are not affirmatively excluded from practice in that State or in any State a part of which is included in the emergency area;

(3) actions under section 1395dd of this title (relating to examination and treatment for emergency medical conditions and women in labor) for—

(A) a transfer of an individual who has not been stabilized in violation of subsection (c) of such section if the transfer is necessitated by the circumstances of the declared emergency in the emergency area during the emergency period; or

(B) the direction or relocation of an individual to receive medical screening in an alternative location—

(i) pursuant to an appropriate State emergency preparedness plan; or

(ii) in the case of a public health emergency described in subsection (g)(1)(B) that involves a pandemic infectious disease, pursuant to a State pandemic preparedness plan or a plan referred to in clause (i), whichever is applicable in the State;

(4) sanctions under section 1395nn(g) of this title (relating to limitations on physician referral);

(5) deadlines and timetables for performance of required activities, except that such deadlines and timetables may only be modified, not waived;

(6) limitations on payments under section 1395w–21(i) of this title for health care items and services furnished to individuals enrolled in a Medicare+Choice plan by health care professionals or facilities not included under such plan; and

(7) sanctions and penalties that arise from noncompliance with the following requirements (as promulgated under the authority of section 264(c) of the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. 1320d–2 note)—[1]

(A) section 164.510 of title 45, Code of Federal Regulations, relating to—

(i) requirements to obtain a patient's agreement to speak with family members or friends; and

(C) section 164.522 of such title, relating to—

(i) the patient's right to request privacy restrictions; and

(ii) the patient's right to request confidential communications.

Insofar as the Secretary exercises authority under paragraph (6) with respect to individuals enrolled in a Medicare+Choice plan, to the extent possible given the circumstances, the Secretary shall reconcile payments made on behalf of such enrollees to ensure that the enrollees do not pay more than would be required had they received services from providers within the network of the plan and may reconcile payments to the organization offering the plan to ensure that such organization pays for services for which payment is included in the capitation payment

it receives under part C of subchapter XVIII. A waiver or modification provided for under paragraph (3) or (7) shall only be in effect if such actions are taken in a manner that does not discriminate among individuals on the basis of their source of payment or of their ability to pay, and, except in the case of a waiver or modification to which the fifth sentence of this subsection applies, shall be limited to a 72-hour period beginning upon implementation of a hospital disaster protocol. A waiver or modification under such paragraph (7) shall be withdrawn after such period and the provider shall comply with the requirements under such paragraph for any patient still under the care of the provider. If a public health emergency described in subsection (g)(1)(B) involves a pandemic infectious disease (such as pandemic influenza), the duration of a waiver or modification under paragraph (3) shall be determined in accordance with subsection (e) as such subsection applies to public health emergencies.

(c) Authority for retroactive waiver

A waiver or modification of requirements pursuant to this section may, at the Secretary's discretion, be made retroactive to the beginning of the emergency period or any subsequent date in such period specified by the Secretary.

(d) Certification to Congress

The Secretary shall provide a certification and advance written notice to the Congress at least two days before exercising the authority under this section with respect to an emergency area. Such a certification and notice shall include—

(1) a description of—

(A) the specific provisions that will be waived or modified;

(B) the health care providers to whom the waiver or modification will apply;

(C) the geographic area in which the waiver or modification will apply; and

(D) the period of time for which the waiver or modification will be in effect; and

(2) a certification that the waiver or modification is necessary to carry out the purpose specified in subsection (a).

(e) Duration of waiver

(1) In general

A waiver or modification of requirements pursuant to this section terminates upon—

(A) the termination of the applicable declaration of emergency or disaster described in subsection (g)(1)(A);

(B) the termination of the applicable declaration of public health emergency described in subsection (g)(1)(B); or

(C) subject to paragraph (2), the termination of a period of 60 days from the date the waiver or modification is first published (or, if applicable, the date of extension of the waiver or modification under paragraph (2)).

(2) Extension of 60-day periods

The Secretary may, by notice, provide for an extension of a 60-day period described in paragraph (1)(C) (or an additional period provided under this paragraph) for additional period or periods (not to exceed, except as subsequently provided under this paragraph, 60 days each), but any such extension shall not affect or prevent the termination of a waiver or modification under subparagraph (A) or (B) of paragraph (1).

(f) Report to Congress

Within one year after the end of the emergency period in an emergency area in which the Secretary exercised the authority provided under this section, the Secretary shall report to the Congress regarding the approaches used to accomplish the purposes described in subsection (a), including an evaluation of such approaches and recommendations for improved approaches should the need for such emergency authority arise in the future.
