Except in cases of payment as compensation for losses, in the event of foreclosure by mortgagees commenced on or after public announcement of intention to close all or part of the military base or installation the Secretary of Defense may reimburse or pay on account of eligible persons such sums as may be paid or be otherwise due and owing by such persons as the result of such foreclosure, including (without limiting the generality of the foregoing) direct costs of judicial foreclosure, expenses and liabilities enforceable according to the terms of their mortgages or promissory notes, and the amount of debts, if any, established against such persons by a Federal agency in the case of loans made, guaranteed, or insured by such agency following liquidation of the security for such loans.

Such employees or military personnel whose property is located off a base or installation shall be entitled to compensation under subsection (c) of this section for losses sustained in private sales. Such employees or personnel whose property is located on a base or installation, who sell or are unable to find a purchaser for such property, may surrender their interest in such property to the United States, and shall be entitled to compensation, notwithstanding lack of ownership of the land on which such property is located, in an amount equal to (A) 90 per centum of the sum of the present owner's purchase price of the dwelling and improvements, and all costs of ownership including interest on notes, utilities and services, maintenance and insurance, less (B) the total of all housing allowances received from the Government during ownership and occupancy of the dwelling, all rents collected, and the sale price, if any, received for the property, as determined by the Secretary of Defense: *Provided, however*, That the maximum compensation shall in no event exceed 90 per centum of the unamortized portion of the cost of the property, including improvements, at the time ownership is terminated, as reflected in the amortization schedule, if any, relating to such property. The Secretary of Defense and the Secretary of the department in which the Coast Guard is operating shall enter into an agreement under which the Secretary of the department in which the Coast Guard is operating shall carry out such reimbursement.

Pub. L. 114–255, div. A, title II, § 2034, Dec. 13, 2016, 130 Stat. 1059, provided that:

''(a) PLAN PREPARATION AND IMPLEMENTATION OF MEASURES TO REDUCE ADMINISTRATIVE BURDENS.—

''(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act [Dec. 13, 2016], the Secretary of Health and Human Services (referred to in this section as the 'Secretary') shall—

''(A) lead a review by research funding agencies of all regulations and policies related to the disclosure of financial conflicts of interest, including the minimum threshold for reporting financial conflicts of interest;

''(B) make revisions, as appropriate, to harmonize existing policies and reduce administrative burden on researchers while maintaining the integrity and credibility of research findings and protections of human participants; and

''(C) confer with the Office of the Inspector General about the activities of such office related to financial conflicts of interest involving research funding agencies.

''(2) CONSIDERATIONS.—In updating policies under paragraph (1)(B), the Secretary shall consider—

''(A) modifying the timelines for the reporting of financial conflicts of interest to just-in-time information by institutions receiving grant or cooperative agreement funding from the National Institutes of Health;

''(B) ensuring that financial interest disclosure reporting requirements are appropriate for, and relevant to, awards that will directly fund research, which may include modification of the definition of the term 'investigator' for purposes of the regulations and policies described in subparagraphs (A) and (B) of paragraph (1); and

''(C) updating any applicable training modules of the National Institutes of Health related to Federal financial interest disclosure.

''(b) MONITORING OF SUBRECIPIENTS OF FUNDING FROM THE NATIONAL INSTITUTES OF HEALTH.—The Director of the National Institutes of Health (referred to in this section as the 'Director of National Institutes of Health') shall implement measures to reduce the administrative burdens related to monitoring of subrecipients of grants by primary awardees of funding from the National Institutes of Health, which may incorporate findings and recommendations from existing and ongoing activities. Such measures may include, as appropriate—

''(1) an exemption from subrecipient monitoring requirements, upon request from the primary awardees, provided that—

''(A) the subrecipient is subject to Federal audit requirements pursuant to the Uniform Guidance of the Office of Management and Budget;

''(B) the primary awardee conducts, pursuant to guidance of the National Institutes of Health, a preaward evaluation of each subrecipient's risk of noncompliance with Federal statutes and regulations, the conditions of the subaward, and any recurring audit findings; and

''(c) REPORTING OF FINANCIAL EXPENDITURES.—The Secretary, in consultation with the Director of National Institutes of Health, shall evaluate financial expenditure reporting procedures and requirements for recipients of funding from the National Institutes of Health and take action, as appropriate, to avoid duplication between department and agency procedures and requirements and minimize burden to funding recipients.

In carrying out this effort, the Director of the National Institutes of Health shall seek the input of experts, as appropriate. The Director of the National Institutes of Health shall—

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 1 of 1953, prepared in accordance with the provisions of the Reorganization Act of 1949, as amended.

In my message of February 2, 1953, I stated that I would send to the Congress a reorganization plan defining a new administrative status for Federal activities in health, education, and social security. This plan carries out that intention by creating a Department of Health, Education, and Welfare as one of the executive departments of the Government and by transferring to it the various units of the Federal Security Agency. The Department will be headed by a Secretary of Health, Education, and Welfare, who will be assisted by an Under Secretary and two Assistant Secretaries.

The purpose of this plan is to improve the administration of the vital health, education, and social-security functions now being carried on in the Federal Security Agency by giving them departmental rank. Such action is demanded by the importance and magnitude of these functions, which affect the well-being of millions of our citizens. The programs carried on by the Public Health Service include, for example, the conduct and promotion of research into the prevention and cure of such dangerous ailments as cancer and heart disease. The Public Health Service also administers payments to the States for the support of their health services and for urgently needed hospital construction. The Office of Education collects, analyzes, and distributes to school administrators throughout the country information relating to the organization and management of educational systems. Among its other functions is the provision of financial help to school districts burdened by activities of the United States Government. State assistance to the aged, the blind, the totally disabled, and dependent children is heavily supported by grants-in-aid administered through the Social Security Administration. The old-age and survivors insurance system and child development and welfare programs are additional responsibilities of that Administration. Other offices of the Federal Security Agency are responsible for the conduct of Federal vocational rehabilitation programs and for the enforcement of food and drug laws.

There should be an unremitting effort to improve those health, education, and social-security programs which have proved their value. I have already recommended the expansion of the social-security system to cover persons not now protected, the continuation of assistance to school districts whose population has been greatly increased by the expansion of defense activities, and the strengthening of our food and drug laws.

But good intent and high purpose are not enough; all such programs depend for their success upon efficient, responsible administration. I have recently taken action to assure that the Federal Security Administrator's views are given proper consideration in executive councils by inviting her to attend meetings of the Cabinet. Now the establishment of the new Department provided for in Reorganization Plan No. 1 of 1953 will give the needed additional assurance that these matters will receive the full consideration they deserve in the whole operation of the Government.

This need has long been recognized. In 1923, President Harding proposed a Department of Education and Welfare, which was also to include health functions. In 1924, the Joint Committee on Reorganization recommended a new department similar to that suggested by President Harding. In 1932, one of President Hoover's reorganization proposals called for the concentration of health, education, and recreational activities in a single executive department. The President's Committee on Administrative Management in 1937 recommended the placing of health, education, and social-security functions in a Department of Social Welfare. This recommendation was partially implemented in 1939 by the creation of the Federal Security Agency—by which action the Congress indicated its approval of the grouping of these functions in a single agency. A new department could not be proposed at that time because the Reorganization Act of 1939 prohibited the creation of additional executive departments. In 1949, the Commission on Organization of the Executive Branch of the Government proposed the creation of a department for social security and education.

The present plan will make it possible to give the officials directing the Department titles indicative of their responsibilities and salaries comparable to those received by their counterparts in other executive departments. As the Under Secretary of an executive department, the Secretary's principal assistant will be better equipped to give leadership in the Department's organization and management activities, for which he will be primarily responsible. The plan opens the way to further administrative improvement by authorizing the Secretary to centralize services and activities common to the several agencies of the Department. It also established a uniform method of appointment for the heads of the three major constituent agencies. At present, the Surgeon General and the Commissioner of Education are appointed by the President and confirmed by the Senate, while the Commissioner for Social Security is appointed by the Federal Security Administrator. Hereafter, all three will be Presidential appointees subject to Senate confirmation.

I believe, and this plan reflects my conviction, that these several fields of Federal activity should continue within the framework of a single department. The plan at the same time assures that the Office of Education and the Public Health Service retain the professional and substantive responsibilities vested by law in those agencies or in their heads. The Surgeon General, the Commissioner of Education, and the Commissioner of Social Security will all have direct access to the Secretary.

There should be in the Department an Advisory Committee on Education, made up of persons chosen by the Secretary from outside the Federal Government, which would advise the Secretary with respect to the educational programs of the Department. I recommend the enactment of legislation authorizing the defrayal of the expenses of this Committee. The creation of such a Committee as an advisory body to the Secretary will help insure the maintenance of responsibility for the public educational system in State and local governments while preserving the national interest in education through appropriate Federal action.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 1 of 1953 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended. I have also found and hereby declare that by reason of these reorganizations, it is necessary to include in the reorganization plan provisions for the appointment and compensation of the new officers specified in sections 1, 2, 3, and 4 of the reorganization plan. The rates of compensation fixed for these officers are, respectively, those which I have found to prevail in respect of comparable officers in the executive branch of the Government.

Although the effecting of the reorganizations provided for in the reorganization plan will not in itself result in immediate savings, the improvement achieved in administration will in the future allow the performance of necessary services at greater savings than present operations would permit. An itemization of these savings in advance of actual experience is not practicable.

DWIGHT D. EISENHOWER.

THE WHITE HOUSE, March 12, 1953.

EX. ORD. NO. 11583. OFFICE OF CONSUMER AFFAIRS

Ex. Ord. No. 11583, Feb. 24, 1971, 36 F.R. 3509, as amended by Ex. Ord. No. 11595, May 26, 1971, 36 F.R. 9763; Ex. Ord. No. 12608, Sept. 9, 1987, 52 F.R. 34617, provided:

Consumer protection fosters a market place in which our competitive economic system flourishes best. It is good for businessmen because it gives the consumer greater confidence in the goods and services provided by business. It is good for consumers because it reinforces the concept of buyers' rights:

—the right to make an intelligent choice among products and services;

—the right to accurate information on which to make a free choice;

—the right to expect that the health and safety of the buyer is taken into account by those who seek his patronage;

—the right to register dissatisfaction, and have a complaint heard and weighed, when a buyer's interests are badly served.

The Special Assistant to the President for Consumer Affairs is performing an important role in representing consumer interests in the Federal Government. It is important that the role of the office of the Special Assistant be reinforced by increasing its responsibilities and reemphasizing its importance.

There is need for a consumer office within the Executive Office of the President, which not only advises and represents the President on matters of consumer interest, but also analyzes and coordinates the implementation of all Federal activities in the field of consumer protection, helping to establish priorities and resolve conflicts, and recommending ways in which governmental consumer programs can be made more effective.

NOW, THEREFORE, by virtue of the authority vested in me as President of the United States, it is ordered as follows:

SECTION 1. *Office of Consumer Affairs.* The Office of Consumer Affairs (hereinafter referred to as the ''Office'') is hereby established in the Executive Office of the President. The Office shall be headed by a Director, who shall be appointed by the President, and there shall be in the Office two Deputy Directors who shall also be appointed by the President. The Deputy Directors shall perform such duties as the Director may designate, and in case of a vacancy in the office of Director or during the absence or incapacity of the Director, the Deputy Directors, in the order designated by the President, shall act as Director. The Director and Deputy Directors shall receive compensation at such rates

as the President, consonant with law, may hereafter determine.

SEC. 2. *Powers and duties of the Director.* (a) The Director shall be responsible for the exercise of the powers and the discharge of the duties of the Office, and shall have the authority to direct and supervise all personnel and activities thereof. The Director shall take all actions as may be necessary to organize the Office so as to carry out the functions and to achieve the purposes set forth in this order.

(b) In addition to any other authority conferred upon him by this order, the Director is authorized, in carrying out his functions hereunder, to—

(1) appoint one or more advisory committees composed of such private citizens and officials of the Federal, State, and local governments as he deems desirable to advise him with respect to his functions. Members of such committees (including the Consumer Advisory Council established in section 5 of this order) other than those regularly employed by the Federal Government, while attending meetings of such committees or otherwise serving at the request of the Director, shall be entitled to receive compensation and travel expenses as authorized by law for persons serving intermittently;

(2) promulgate such rules, regulations, and procedures as may be necessary to carry out the functions vested in him or in the Office, and delegate authority for the performance of any function to any officer or employee under his direction and supervision;

(3) utilize, with their consent, the services, personnel, and facilities of other Federal, State, local and private agencies and instrumentalities with or without reimbursement thereof except as reimbursement may be required by law; and

(c) The Director shall report periodically to the President on significant developments affecting the interests of consumers together with such recommendations including legislative recommendations as he deems appropriate.

SEC. 3. *Functions.* (a) The Office shall advise the President as to all matters affecting the interest of consumers.

(b) The Office shall—

(1) with respect to consumer interests in Federal policies and programs, encourage and assist in development and implementation of consumer programs; coordinate and review policies and programs; seek resolution of conflicts; advise and make recommendations to Federal agencies with respect to policy matters, the effectiveness of their programs and operations, and the elimination of duplications;

(2) assure that the interests of consumers are presented and considered in a timely manner by the appropriate levels of the Federal Government in the formulation of policies and in the operation of programs that affect the consumer interest;

(3) conduct investigations, conferences, and surveys concerning the needs, interests and problems of consumers, except that it shall, where feasible, avoid duplicating activities conducted by other Federal agencies;

(4) submit recommendations to the President on how Federal programs and activities affecting consumers can be improved;

(5) take action with respect to consumer complaints to the extent authorized by section 4 of this order;

(6) perform the functions assigned to the President's Committee on Consumer Interests in Executive Order No. 11566 of October 26, 1970;

(7) encourage and coordinate the development of information of interest to consumers by Federal agencies and the publication and distribution of materials which will inform consumers of matters of interest to them in language which is readily understandable by the layman;

(8) encourage and coordinate research conducted by Federal agencies leading to improved consumer products, services, and consumer information;

(9) encourage, initiate, coordinate, evaluate, and participate in consumer education programs and consumer counseling programs;

(10) encourage, cooperate with, and assist State and local governments in the promotion and protection of consumer interests; and

(11) cooperate with and encourage private enterprise in the promotion and protection of consumer interest.

SEC. 4. *Consumer complaints.* (a) Whenever the Office receives from any source complaints or other information disclosing a possible violation of (1) any law of the United States or (2) any rule or order of any Federal agency concerning consumer interests, the Office shall promptly transmit such complaint or other information to the Federal agency charged with the duty of enforcing such law, rule, or order, for appropriate action.

(b) Whenever the Office receives complaints or other information disclosing any commercial or trade practice which it deems detrimental to the general interests of consumers within the United States, and which is not included within the category specified in subsection (a) of this section, the Office may transmit such complaint or other information promptly to the Federal, State, or local agency whose regulatory or other authority provides the most effective means to act upon them; the Office may in its discretion also refer such complaint or other information to the private persons or industry against whom the complaint is made.

SEC. 5. *Consumer Advisory Council.* (a) There is hereby established in the Office a Consumer Advisory Council to be composed of not more than 12 members appointed by the President. Members shall be appointed on the basis of their knowledge and experience in areas of interest to consumers and their demonstrated ability to exercise independent, informed, and critical judgment.

(b)(1) Members shall be appointed for two-year terms. Members of the Consumer Advisory Council, established pursuant to Executive Order No. 11136 of January 3, 1964, as amended, shall continue in office in accordance with the terms of their original appointments.

(2) Any member chosen to fill a vacancy shall be appointed for the unexpired term of the member he succeeds.

(3) A vacancy in the Council shall not affect its authority to act, and a majority of the members thereof shall constitute a quorum.

(c) The President shall designate the Chairman from among the members composing the Council. The Council shall meet at the call of the Director. The Director shall be an ex-officio member of the Council and its Executive Secretary.

(d) The Council shall advise the Director with respect to—

(1) policy matters relating to consumer interests; and

(2) the effectiveness of Federal programs and operations, which affect the interests of consumers; and

(3) problems of primary importance to consumers, and ways in which unmet consumer needs can appropriately be met through Federal Government action.

SEC. 6. *Consideration of the consumer interest in Federal agency determinations.* Every Federal agency in taking any action of a nature which can reasonably be construed as substantially affecting the interests of consumers of products and services, including, but not limited to, (1) the promulgation of rules, regulations, or guidelines, (2) the formulation of written policy decisions, or (3) the issuance of orders, decrees, or standards, shall, in taking such action, give due consideration to the valid interests of consumers.

SEC. 7. *Abolition of Committee and Council.* Except as otherwise provided herein, the President's Committee on Consumer Interests and the Consumer Advisory Council established under Executive Order No. 11136 of January 3, 1964, as amended by Executive Order No. 11349 of May 1, 1967, are abolished.

SEC. 8. *Construction.* Nothing in this order shall be construed as subjecting any function vested by law in, or assigned pursuant to law to, any Federal agency or the head thereof to the authority of any other agency or officer or as abrogating or restricting any such function in any manner.

SEC. 9. *Orders superseded.* Executive Order No. 11136 of January 3, 1964, and Executive Order No. 11349 of May 1, 1967, are hereby superseded.

EX. ORD. NO. 11702. TRANSFER OF OFFICE OF CONSUMER AFFAIRS

Ex. Ord. No. 11702, Jan. 25, 1973, 38 F.R. 2957, as amended by Ex. Ord. No. 12608, Sept. 9, 1987, 52 F.R. 34617, provided:

Agency consumer programs should be tailored to fit particular agency characteristics, but those programs shall include, at a minimum, the following five elements:

(a) *Consumer Affairs Perspective*. Agencies shall have identifiable, accessible professional staffs of consumer affairs personnel authorized to participate, in a manner not inconsistent with applicable statutes, in the development and review of all agency rules, policies, programs, and legislation.

(b) *Consumer Participation*. Agencies shall establish procedures for the early and meaningful participation by consumers in the development and review of all agency rules, policies, and programs. Such procedures shall include provisions to assure that consumer concerns are adequately analyzed and considered in decisionmaking. In addition, agencies shall make affirmative efforts to inform consumers of pending proceedings and of the opportunities available for participation therein.

(c) *Informational Materials*. Agencies shall produce and distribute materials to inform consumers about the agencies' responsibilities and services, about their procedures for consumer participation, and about aspects of the marketplace for which they have responsibility. In addition, each agency shall make available to consumers who attend agency meetings open to the public materials designed to make those meetings comprehensible to them.

(d) *Education and Training*. Agencies shall educate their staff members about the Federal consumer policy embodied in this Order and about the agencies' programs for carrying out that policy. Specialized training shall be provided to agency consumer affairs personnel and, to the extent considered appropriate by each agency and in a manner not inconsistent with applicable statutes, technical assistance shall be made available to consumers and their organizations.

(e) *Complaint Handling*. Agencies shall establish procedures for systematically logging in, investigating, and responding to consumer complaints, and for integrating analyses of complaints into the development of policy.

1–402. The head of each agency shall designate a senior-level official within that agency to exercise, as the official's sole responsibility, policy direction for, and coordination and oversight of, the agency's consumer activities. The designated official shall report directly to the head of the agency and shall apprise the agency head of the potential impact on consumers of particular policy initiatives under development or review within the agency.

To carry out such purpose, and in recognition of the increasing importance of housing and urban development in our national life, the Congress finds that establishment of an executive department is desirable to achieve the best administration of the principal programs of the Federal Government which provide assistance for housing and for the development of the Nation's communities; to assist the President in achieving maximum coordination of the various Federal activities which have a major effect upon urban community, suburban, or metropolitan development; to encourage the solution of problems of housing, urban development, and mass transportation through State, county, town, village, or other local and private action, including promotion of interstate, regional, and metropolitan cooperation; to encourage the maximum contributions that may be made by vigorous private homebuilding and mortgage lending industries to housing, urban development, and the national economy; and to provide for full and appropriate consideration, at the national level, of the needs and interests of the Nation's communities and of the people who live and work in them.

EX. ORD. NO. 11668. NATIONAL CENTER FOR HOUSING MANAGEMENT

Ex. Ord. No. 11668, Apr. 21, 1972, 37 F.R. 8057, provided:

By virtue of the authority vested in me as President of the United States and in accordance with the provisions of the Department of Housing and Urban Development Act, as amended (42 U.S.C. 3531 et seq.), title VIII of the Housing Act of 1964, as amended (20 U.S.C. 801 et seq.), and title V of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z–1 et seq.), it is ordered as follows:

SECTION 1. *Policy*. The Nation's housing stock represents an important national resource which must be preserved and well managed if public and private investments are to be protected, and if we are to meet our goal of providing a decent home and suitable living environment for low and moderate income residents. The production of Federally-assisted housing has greatly expanded in recent years, creating a need for a balanced strategy to ensure that such housing remains viable for the purposes intended.

This expansion also creates a need for a growing supply of new management manpower for the years ahead. Special skills must be developed among these managers so that they can effectively overcome the social and economic problems facing many residents of Federally-assisted housing, including the elderly. Training, the improvement of career opportunities, and the upgrading of industry standards are all essential to the improvement of the Nation's housing management capability, particularly for low and moderate income housing.

SEC. 2. *Establishment of a National Center for Housing Management*. (a) The Secretary of Housing and Urban Development is directed to call upon public-spirited citizens, dedicated and experienced in the appropriate disciplines, to create, in accordance with existing laws, a new, non-governmental, not-for-profit institution to serve as a National Center for Housing Management (referred to herein as the Center).

(b) The Center should be designed to provide objective and independent leadership at the national level in helping meet the Nation's housing management and training needs and should work cooperatively with the Department of Housing and Urban Development and with the public and private organizations and institutions involved in, or affected by, its activities.

SEC. 3. *Activities of the Center*. The activities of the Center should be developed along lines that include the following objectives:

(1) Development of training and educational programs for housing management and personnel:

(2) Cooperation with public and private national, State, and local organizations and institutions in extending housing management training and educational opportunities, using to the fullest extent possible the services and facilities of existing agencies with expertise in training and education.

(3) Cooperation with national, State, and local organizations and institutions in establishing or expanding recruitment and placement systems that will link training in housing management to job opportunities in that field.

(4) Development of improved housing management practices and assistance in professionalizing the housing management industry; and

(5) Stimulating the creation of new management entities, and strengthening the effectiveness of existing management entities.

SEC. 4. *Assistance by Federal Agencies*. To the extent consistent with law, all other Federal executive departments and agencies shall cooperate and work with the Department of Housing and Urban Development and the Center in providing appropriate advice and financial support so as to ensure that the above described objectives are carried out with the most effective and efficient use of Federal, State and local resources, both public and private.

During any selection process, no officer or employee of the Department of Housing and Urban Development shall knowingly disclose any covered selection information regarding such selection, directly or indirectly, to any person other than a person authorized by the Secretary to receive such information.

(b) Administrative remedies

If the Secretary receives or obtains information providing a reasonable basis to believe that a violation of subsection (a) of this section has occurred, the Secretary shall—

(1) in the case of a selection that has not been made, determine whether to terminate the selection process or take other appropriate actions; and

(2) in the case of a selection that has been made, determine whether to—

(A) void or rescind the selection, subject to review and determination on the record after opportunity for a hearing;

(B) impose sanctions upon the violating applicant selected, subject to review and determination on the record after opportunity for a hearing;

(C) permit the violating applicant selected to continue to participate in the program; or

(D) take any other actions that the Secretary considers appropriate.

(c) Civil money penalties

(1) In general

Whenever any employee of the Department knowingly and materially violates the prohibition in subsection (a) of this section, the Secretary may impose a civil money penalty on the employee in accordance with the provisions of this subsection. This penalty shall be in addition to any other available civil remedy or any available criminal penalty and may be imposed whether or not the Secretary takes other disciplinary actions.

(2) Amount

The amount of the penalty, as determined by the Secretary, may not exceed $10,000 for each violation.

(3) Agency procedures

(A) Establishment

The Secretary shall establish standards and procedures governing the imposition of civil money penalties under this subsection. The standards and procedures—

(i) shall provide for the Secretary or other official of the Department to make the determination to impose a penalty or to use an administrative entity to make the determination;

(ii) shall provide for the imposition of a penalty only after the employee has been given an opportunity for a hearing on the record; and

(iii) may provide for review of any determination or order, or interlocutory ruling, arising from a hearing.

(B) Final orders

If no hearing is requested within 15 days of receipt of the notice of opportunity for hearing, the imposition of the penalty shall constitute a final and unappealable order. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(C) Factors in determining amount of penalty

In determining the amount of a penalty under paragraph (2), consideration shall be given to such factors as the gravity of the offense, any history of prior disclosures of information on pending funding decisions made after December 15, 1989, ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine in regulations to be appropriate.

(B) Objections not raised in hearing

The court shall not consider any objection that was not raised in the hearing conducted pursuant to paragraph (3)(A) unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(C) Scope of review

The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5.

(D) Order to pay penalty

Notwithstanding any other provision of law, in any such review, the court shall have the power to order payment of the penalty imposed by the Secretary.

(5) Action to collect penalty

If any employee fails to comply with the Secretary's determination or order imposing a civil money penalty under paragraph (1), after the determination or order is no longer subject to review as provided by paragraphs (3)(A) and (4), the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the employee and such other relief as may be available. The monetary judgment may, in the court's discretion, include the attorneys' fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

(6) Settlement by Secretary

The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this subsection.

(7) Deposit of penalties

The Secretary shall deposit all civil money penalties collected under this subsection into miscellaneous receipts of the Treasury.

(d) Criminal penalties

Whoever willfully violates subsection (a) of this section by making a disclosure prohibited by subsection (a) of this section to any applicant, or any officer, employee, representative, agent, or consultant of any applicant, shall be imprisoned not more than 5 years, or fined in accordance with title 18, or both.

§ 3540. Repealed. Pub. L. 100–242, title IV, § 420, Feb. 5, 1988, 101 Stat. 1913

Section, Pub. L. 95–128, title IX, § 904, Oct. 12, 1977, 91 Stat. 1149, required annual publication of prototype housing costs for one- to four-family dwelling units.

§ 3541. Paperwork reduction

(a) Declaration of policy

The Congress finds and declares—

(1) that various departments, agencies, and instrumentalities of the Federal Government with responsibilities involving housing and housing finance programs, require, approve, use or otherwise employ a variety of different forms as residential mortgages (or deeds of

trust or similar security instruments) as notes secured by those mortgages, and for applications, appraisals and other purposes, and that such duplication of forms constitutes a paperwork burden that adds to the costs imposed on the Nation's homeowners and home buyers;

(2) that unnecessary paperwork impairs the effectiveness of Federal housing and housing finance programs;

(3) that both single-family and multi-family programs are affected; and

(4) that simplification of paperwork imposed by Federal housing and housing finance programs would contribute to achieving the Nation's housing goals by reducing housing costs.

(b) Uniform legal and other forms for use by agencies in housing programs

(1) Not later than October 1, 1980, the Secretary of Housing and Urban Development, the Secretary of Agriculture, and the Secretary of Veterans Affairs shall, consistent with provisions of law governing the conduct of housing programs, employ in their respective programs—

(A) uniform single-family and multi-family note and mortgage forms;

(B) a uniform application form for mortgage approval and commitment for mortgage insurance;

(C) a uniform form for computation of the monthly net effective income of applicants;

(D) a uniform property appraisal form;

(E) a uniform settlement statement which shall satisfy the requirements of the Real Estate Settlement Procedures Act of 1974 [12 U.S.C. 2601 et seq.]; and

(F) such other consolidated or simplified forms, particularly those which solicit identical or nearly identical information from the same persons in the conduct of two or more such programs, the consolidation or simplification of which the Secretaries of Housing and Urban Development and Agriculture and the Secretary of Veterans Affairs mutually agree would contribute to a reduction in the paperwork and regulatory burden of such programs.

(2) The Secretary of Housing and Urban Development, the Secretary of Agriculture, and the Secretary of Veterans Affairs shall, consistent with provisions of law governing their respective programs, provide by regulation for the elimination of forms which solicit information which is already available from other available sources through indexing or other means of identifying such forms.

(3) Each agency referred to in subsection (b) of this section may employ riders, addenda, or similar forms of modification agreements to adapt such uniform forms to its respective programs and policies, consistent with the goals of minimizing the use and extent of such modification agreements and maximizing the suitability of such forms for the use of all participants, public and private.

(c) Coordination and reports by Director of Office of Management and Budget

The Director of the Office of Management and Budget shall coordinate and monitor the development and implementation by Federal departments and agencies of the efforts required by subsection (b) of this section and shall report to the Congress on such development and implementation and with respect to any provisions of law which unnecessarily prevent such departments and agencies from carrying out the provisions of this section as part of each report required under Public Law 93–556. Such report shall include an estimate of the reduction of the level of paperwork burden hours of the affected agencies as allocated by the Office of Management and Budget.

(V) such additional information as the Secretary deems appropriate for a clear and full understanding of the funding decision.

(ii) The notification referred to in clause (i) of this subsection shall be published as a Notice in the Federal Register at least quarterly.

(iii) For purposes of this subparagraph, the term ''funding decision'' means the decision of the Secretary to make available grants, loans, or any other form of financial assistance to an individual or to an entity, including (but not limited to) a State or local government or agency thereof (including a public housing agency), an Indian tribe, or a nonprofit organization, under any program administered by the Department that provides, by statute, regulation, or otherwise, for the competitive distribution of financial assistance.

(E) The Secretary shall ensure that each application and all related documentation and other information referred to in subparagraph (B), including each letter of support, is readily available for public inspection for a period of not less than 5 years, beginning not less than 30 days following the date on which the award or allocation is made.

(5) Emergency exception

Such information shall include the following:

(1) Other government assistance

Information regarding any related assistance from the Federal Government, a State, or

a unit of general local government, or any agency or instrumentality thereof, that is expected to be made available with respect to the project or activities for which the applicant is seeking assistance. Such related assistance shall include but not be limited to any loan, grant, guarantee, insurance, payment, rebate, subsidy, credit, tax benefit, or any other form of direct or indirect assistance.

(2) Interested parties

The Secretary shall adjust the amount of such assistance awarded or allocated to an applicant to compensate in whole or in part, as the Secretary determines to be appropriate, for any changes reported under subsection (c) of this section.

(e) Administrative remedies

If the Secretary receives or obtains information providing a reasonable basis to believe that a violation of subsection (b) or (c) of this section has occurred, the Secretary shall—

(1) in the case of a selection that has not been made, determine whether to terminate the selection process or take other appropriate actions; and

(2) in the case of a selection that has been made, determine whether to—

(A) void or rescind the selection, subject to review and determination on the record after opportunity for a hearing;

(B) impose sanctions upon the violator, including debarment, subject to review and determination on the record after opportunity for a hearing;

(C) recapture any funds that have been disbursed;

The Secretary shall publish in the Federal Register a descriptive statement of each determination made and action taken under this subsection.

(f) Civil money penalties

(1) In general

Whenever any person knowingly and materially violates any provision of subsection (b) or (c) of this section, the Secretary may impose a civil money penalty on that person in accordance with the provisions of this section. This penalty shall be in addition to any other available civil remedy or any available criminal penalty, and may be imposed whether or not the Secretary imposes other administrative sanctions.

(2) Amount of penalty

The amount of the penalty, as determined by the Secretary, may not exceed $10,000 for each violation.

(g) Agency procedures

(1) In general

The Secretary shall establish standards and procedures governing the imposition of civil money penalties under subsection (f) of this section. These standards and procedures—

(A) shall provide for the Secretary to make the determination to impose the penalty or to use an administrative entity to make the determination;

(B) shall provide for the imposition of a penalty only after the person has been given an opportunity for a hearing on the record; and

(C) may provide for review by the Secretary of any determination or order, or interlocutory ruling, arising from a hearing.

If no hearing is requested within 15 days of receipt of the notice of opportunity for hearing, the imposition of the penalty shall constitute a final and unappealable determination. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order, the determination or order shall be final.

(2) Factors in determining amount of penalty

In determining the amount of a penalty under subsection (f) of this section, consideration shall be given to such factors as the gravity of the offense, ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine in regulations to be appropriate.

(3) Reviewability of imposition of a penalty

The Secretary's determination or order imposing a penalty under subsection (f) of this

section shall not be subject to review, except as provided in subsection (h) of this section.

(h) Judicial review of agency determination

(1) In general

After exhausting all administrative remedies established by the Secretary under subsection (g)(1) of this section, a person against whom the Secretary has imposed a civil money penalty under subsection (f) of this section may obtain a review of the penalty and such ancillary issues as may be addressed in the notice of determination to impose a penalty under subsection (g)(1)(A) of this section in the appropriate court of appeals of the United States, by filing in such court, within 20 days after the entry of such order or determination, a written petition praying that the order or determination of the Secretary be modified or be set aside in whole or in part.

(2) Objections not raised in hearing

The court shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (g)(1) of this section unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(3) Scope of review

The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5.

(4) Order to pay penalty

Notwithstanding any other provision of law, in any such review, the court shall have the power to order payment of the penalty imposed by the Secretary.

(i) Action to collect penalty

If any person fails to comply with the determination or order of the Secretary imposing a civil money penalty under subsection (f) of this section, after the determination or order is no longer subject to review as provided by subsections (g)(1) and (h) of this section, the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the person and such other relief as may be available. The monetary judgment may, in the court's discretion, include the attorneys' fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

(j) Settlement by Secretary

The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this section.

(d) To represent to any person because of race, color, religion, sex, handicap, familial status, or national origin that any dwelling is not available for inspection, sale, or rental when such dwelling is in fact so available.

(e) For profit, to induce or attempt to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, color, religion, sex, handicap, familial status, or national origin.

(f)(1) To discriminate in the sale or rental, or to otherwise make unavailable or deny, a dwelling to any buyer or renter because of a handicap of—

(A) that buyer or renter,[1]

(B) a person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(C) any person associated with that buyer or renter.

(B) a person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(C) any person associated with that person.

(3) For purposes of this subsection, discrimination includes—

(A) a refusal to permit, at the expense of the handicapped person, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises except that, in the case of a rental, the landlord may where it is reasonable to do so condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted.[2]

(B) a refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(C) in connection with the design and construction of covered multifamily dwellings for first occupancy after the date that is 30 months after September 13, 1988, a failure to design and construct those dwellings in such a manner that—

(i) the public use and common use portions of such dwellings are readily accessible to and usable by handicapped persons;

(ii) all the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by handicapped persons in wheelchairs; and

(IV) usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

(4) Compliance with the appropriate requirements of the American National Standard for buildings and facilities providing accessibility and usability for physically handicapped people (commonly cited as ''ANSI A117.1'') suffices to satisfy the requirements of paragraph (3)(C)(iii).

(5)(A) If a State or unit of general local government has incorporated into its laws the requirements set forth in paragraph (3)(C), compliance with such laws shall be deemed to satisfy the requirements of that paragraph.

(B) A State or unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of paragraph (3)(C) are met.

(C) The Secretary shall encourage, but may not require, States and units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with paragraph (3)(C), and shall provide technical assistance to States and units of local government and other persons to implement the requirements of paragraph (3)(C).

(D) Nothing in this subchapter shall be construed to require the Secretary to review or approve the plans, designs or construction of all covered multifamily dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of paragraph 3(C).

(6)(A) Nothing in paragraph (5) shall be construed to affect the authority and responsibility of the Secretary or a State or local public agency certified pursuant to section 3610(f)(3) of this title to receive and process complaints or otherwise engage in enforcement activities under this subchapter.

(B) Determinations by a State or a unit of general local government under paragraphs (5)(A) and (B) shall not be conclusive in enforcement proceedings under this subchapter.

(7) As used in this subsection, the term ''covered multifamily dwellings'' means—

(A) buildings consisting of 4 or more units if such buildings have one or more elevators; and

(B) ground floor units in other buildings consisting of 4 or more units.

(8) Nothing in this subchapter shall be construed to invalidate or limit any law of a State or political subdivision of a State, or other jurisdiction in which this subchapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords handicapped persons greater access than is required by this subchapter.

[1] So in original. The comma probably should be a semicolon.

[2] So in original. The period probably should be a semicolon.

(9) Nothing in this subsection requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

Subsecs. (a), (b). Pub. L. 100–430, § 6(b)(2), inserted ''familial status,'' after ''sex,''.

Subsecs. (c) to (e). Pub. L. 100–430, § 6(b)(1), inserted ''handicap, familial status,'' after ''sex,''.

Subsec. (f). Pub. L. 100–430, § 6(a), added subsec. (f).

Subsec. (f)(3)(A). Pub. (A) was executed by making the substitution for a semicolon as the probable intent of Congress because subpar. (A) ended with a semicolon, not a period.

EX. ORD. NO. 12892. LEADERSHIP AND COORDINATION OF FAIR HOUSING IN FEDERAL PROGRAMS: AFFIRMATIVELY FURTHERING FAIR HOUSING

Ex. Ord. No. 12892, Jan. 17, 1994, 59 F.R. 2939, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in accordance with the Fair Housing Act, as amended (42 U.S.C. 3601 *et seq.*) (''Act''), in order to affirmatively further fair housing in all Federal programs and activities relating to housing and urban development throughout the United States, it is hereby ordered as follows:

SECTION 1. *Administration of Programs and Activities Relating to Housing and Urban Development.*

1–101. Section 808(d) of the Act, as amended [42 U.S.C. 3608(d)], provides that all executive departments and agencies shall administer their programs and activities relating to housing and urban development (including any Federal agency having regulatory or supervisory authority over financial institutions) in a manner affirmatively to further the purposes of the Act and shall cooperate with the Secretary of Housing and Urban Development to further such purposes.

1–102. As used in this order, the phrase ''programs and activities'' shall include programs and activities operated, administered, or undertaken by the Federal Government; grants; loans; contracts; insurance; guarantees; and Federal supervision or exercise of regulatory responsibility (including regulatory or supervisory authority over financial institutions).

2–202. The head of each executive agency is responsible for ensuring that its programs and activities relating to housing and urban development are administered in a manner affirmatively to further the goal of fair housing as required by section 808 of the Act [42 U.S.C. 3608] and for cooperating with the Secretary of Housing and Urban Development, who shall be responsible for exercising leadership in furthering the purposes of the Act.

2–203. In carrying out the responsibilities in this order, the head of each executive agency shall take appropriate steps to require that all persons or other entities who are applicants for, or participants in, or who are supervised or regulated under, agency programs and activities relating to housing and urban development shall comply with this order.

2–204. Upon receipt of a complaint alleging facts that may constitute a violation of the Act or upon receipt of information from a consumer compliance examination or other information suggesting a violation of the Act, each executive agency shall forward such facts or information to the Secretary of Housing and Urban Development for processing under the Act. Where such facts or information indicate a possible pattern or practice of discrimination in violation of the Act, they also shall be forwarded to the Attorney General. The authority of the Federal depository institution regu-

latory agencies to take appropriate action under their statutory authority remains unaffected.

SEC. 3. *President's Fair Housing Council.*

(a) cooperate with, and render assistance to, the heads of all executive agencies in the formulation of policies and procedures to implement this order and to provide information and guidance on the affirmative administration of programs and activities relating to housing and urban development and the protection of the rights accorded by the Act; and

(b) develop memoranda of understanding and any necessary implementing procedures among executive agencies designed to provide for consultation and the coordination of Federal efforts to further fair housing through the affirmative administration of programs and activities relating to housing and urban development, including coordination of the investigation of complaints or other information referred to the Secretary as required by section 2–204 of this order that would constitute a violation of the Act or, where relevant, other Federal laws. Existing memoranda of understanding shall remain in effect until superseded.

3–304. In connection with carrying out functions under this order, the Secretary of Housing and Urban Development is authorized to request from any executive agency such information and assistance as the Secretary deems necessary. Each agency shall furnish such information to the extent permitted by law and, to the extent practicable, provide assistance to the Secretary.

SEC. 4. *Specific Responsibilities.*

5–502. If any executive agency concludes that any person or entity (including any State or local public agency) applying for or participating in, or supervised or regulated under, a program or activity relating to housing and urban development has not complied with this order or any applicable rule, regulation, or procedure issued or adopted pursuant to this order, it shall endeavor to end and remedy such violation by informal means, including conference, conciliation, and persuasion. An executive agency need not pursue informal resolution of matters where similar efforts made by another executive agency have been unsuccessful, except where otherwise required by law. In the event of failure of such informal means, the executive agency, in conformity with rules, regulations, procedures, or policies issued or adopted by it pursuant to section 4 of this order hereof, shall impose such sanctions as may be authorized by law. To the extent authorized by law, such sanctions may include:

(a) cancellation or termination of agreements or contracts with such person, entity, or any State or local public agency;

(b) refusal to extend any further aid under any program or activity administered by it and affected by this order until it is satisfied that the affected person, entity, or State or local public agency will comply with the rules, regulations, and procedures issued or adopted pursuant to this order;

(d) any other action as may be appropriate under law.

5–503. Findings of any violation under section 5–502 of this order shall be promptly reported by the head of each executive agency to the Secretary of Housing and Urban Development and the Attorney General. The Secretary of Housing and Urban Development shall forward this information to all other executive agencies.

5–504. 6–602. WILLIAM J. CLINTON.

FEDERAL LEADERSHIP OF FAIR HOUSING

Memorandum of President of the United States, Jan. 17, 1994, 59 F.R. 8513, provided:

Memorandum for the Heads of Executive Departments and Agencies

On April 11, 1968, one week after the assassination of the great civil rights leader Martin Luther King, Jr., the Fair Housing Act [42 U.S.C. 3601 et seq.] was enacted (1) to prohibit discrimination in housing, and (2) to direct the Secretary of Housing and Urban Development to affirmatively further fair housing in Federal housing and urban development programs. Twenty-five years later, despite a strengthening of the Fair Housing Act 5 years ago, hundreds of acts of housing discrimination occur in our Nation each day.

Americans of every income level, seeking to live where they choose, feel the weight of discrimination because of the color of their skin, their race, their religion, their gender, their country of origin, or because they are disabled or have children.

An increasing body of evidence indicates that barriers to fair housing are pervasive. Forty percent of all families move every 5 years. This statistic is significant given the results of a recent study, commissioned by the Department of Housing and Urban Development (HUD), which found that more than half of the African Americans and Latinos seeking to rent or buy a home are treated differently than whites with the same qualifications. Moreover, based upon Home Mortgage Disclosure Act [12 U.S.C. 2801 et seq.] data, the number of minority persons who are rejected when attempting to obtain loans to purchase homes is two to three times higher than it is for nonminorities in almost every metropolitan area of this country.

Racial and ethnic segregation, both in the private housing market and in public and assisted housing, has been well documented. Despite legislation (the Fair Housing Act) and Executive action (Executive Order No. 11063 [42 U.S.C. 1982 note]), the divisive impact of housing segregation persists in metropolitan areas all across this country. Too many lower income and minority Americans face barriers to housing outside of central cities. Segregation in housing and schools deprives too many of our children and youth of an opportunity to enter the marketplace or work on an equal footing. For too many families, our cities are no longer the launching pads for economic self-sufficiency and upward mobility that they have been for countless immigrants and minorities since the country's birth. And many Americans who are better off abandon the cities.

The resulting decline in the very heart of too many of our metropolitan areas threatens all of us: the health of our dynamic regional economies—the very lifeblood of future national economic growth and higher living standards for all of us and all of our children—is placed at risk.

We can do better. We can start by making sure that our own Federal policies and programs across all of our agencies support the fair housing and equal opportunity goals to which all Americans are committed. If all of our executive agencies affirmatively further fair housing in the design of their policies and administration of their programs relating to housing and urban development, a truly nondiscriminatory housing market will be closer to achievement.

By an Executive Order [Ex. Ord. No. 12892, set out above] (''the Order'') I am issuing today and this memorandum, I am addressing those needs. The Secretary of Housing and Urban Development and, where appropriate, the Attorney General—the officials with the pri-

mary responsibility for the enforcement of Federal fair housing laws—will take the lead in developing and coordinating measures to carry out the purposes of this Order.

Through this Order, I am first expanding Executive Order No. 11063 to provide protection against discrimination in programs of Federal insurance or guaranty to persons who are disabled and to families with children.

Second, I am revoking the old Executive Order No. 12259 entitled ''Leadership and Coordination of Fair Housing in Federal Programs.'' The new Executive order reflects the expanded authority of the Secretary of Housing and Urban Development and I am directing him to take stronger measures to provide leadership and coordination in affirmatively furthering fair housing in Federal programs.

Third, I ask the heads of departments and agencies, including the Federal banking agencies, to cooperate with the Secretary of Housing and Urban Development in identifying ways to structure agency programs and activities to affirmatively further fair housing and to promptly negotiate memoranda of understanding with him to accomplish that goal.

Further, I direct the Secretary of Housing and Urban Development to review all of HUD's programs to assure that they truly provide equal opportunity and promote economic self-sufficiency for those who are beneficiaries and recipients of those programs.

I also direct the Secretary to review HUD's programs to assure that they contain the maximum incentives to affirmatively further fair housing and to eliminate barriers to free choice where they continue to exist. This review shall include Federally assisted housing, Federally insured housing and other housing and housing related programs, including those of the Government National Mortgage Association and the Federal Housing Administration.

Today, I am establishing a new Cabinet-level organization to focus the cooperative efforts of all agencies on fair housing. The President's Fair Housing Council will be chaired by the Secretary of Housing and Urban Development and will consist of the Secretary of Health and Human Services, the Secretary of Transportation, the Secretary of Education, the Secretary of Labor, the Secretary of Defense, the Secretary of Agriculture, the Secretary of Veterans Affairs, the Secretary of the Treasury, the Attorney General, the Secretary of the Interior, the Chair of the Federal Reserve, the Comptroller of the Currency, the Director of the Office of Thrift Supervision, and the Chair of the Federal Deposit Insurance Corporation.

The President's Fair Housing Council shall review the design and delivery of Federal programs and activities to ensure that they support a coordinated strategy to affirmatively further fair housing. The Council shall propose revisions to existing programs or activities, develop pilot programs and activities, and propose new programs and activities to achieve its goals.

I direct the Secretary of Housing and Urban Development and the President's Fair Housing Council to develop a pilot program to be implemented in selected metropolitan areas. This initiative will promote fair housing choice by helping inner-city families to move to suburban neighborhoods and by making the central city more attractive to those who have left it. I direct the members of the Council to undertake a demonstration program that will reinvent the way assisted housing is offered to applicants, will break down jurisdictional barriers in housing opportunities, and will promote the use of subsidies that diminish residential segregation, and will combine these initiatives with refined educational incentives aimed at improving the effectiveness of inner-city schools. I am directing that transportation alternatives be considered along with targeted social service and job training programs as part of the support necessary to create a one-stop, metropolitan area-wide fair housing opportunity pilot program that will effectively offer Federally assisted housing, Federally insured housing, and private market housing within a metropolitan area to all residents of the area. The pilot program should call upon realtors, mortgage lenders, housing providers, and local governments, among others, to assist in expanding housing choices.

To address the findings of recent studies, I hereby direct the Secretary of Housing and Urban Development and the Attorney General and, where appropriate, the heads of the Federal banking agencies to exercise national leadership to end discrimination in mortgage lending, the secondary mortgage market, and property insurance practices. The Secretary is directed to issue regulations to define discriminatory practices in these areas and the Secretary and the Attorney General are directed to aggressively enforce the laws prohibiting these practices.

In each of these areas, I direct the Secretary of Housing and Urban Development to take the lead with the other Federal agencies in working to gain the voluntary cooperation, participation, and expertise of all of those in private industry, the States and localities who can assist in achieving the Nation's fair housing goals.

The Secretary of Housing and Urban Development is authorized and directed to publish this memorandum in the Federal Register.

WILLIAM J. CLINTON.

Immediately after April 11, 1968, the Secretary shall commence such educational and conciliatory activities as in his judgment will further the purposes of this subchapter. He shall call conferences of persons in the housing industry and other interested parties to acquaint them with the provisions of this subchapter and his suggested means of implementing it, and shall endeavor with their advice to work out programs of voluntary compliance and of enforcement. He may pay per diem, travel, and transportation expenses for persons attending such conferences as provided in section 5703 of title 5. He shall consult with State and local officials and other interested parties to learn the extent, if any, to which housing discrimination exists in their State or locality, and whether and how State or local enforcement programs might be utilized to combat such discrimination in connection with or in place of, the Secretary's enforcement of this subchapter. The Secretary shall issue reports on such conferences and consultations as he deems appropriate.

§ 3610. Administrative enforcement; preliminary matters

(a) Complaints and answers

(1)(A)(i) An aggrieved person may, not later than one year after an alleged discriminatory housing practice has occurred or terminated, file a complaint with the Secretary alleging such discriminatory housing practice. The Secretary, on the Secretary's own initiative, may also file such a complaint.

(ii) Such complaints shall be in writing and shall contain such information and be in such form as the Secretary requires.

(iii) The Secretary may also investigate housing practices to determine whether a complaint should be brought under this section.

(B) Upon the filing of such a complaint—

(i) the Secretary shall serve notice upon the aggrieved person acknowledging such filing and advising the aggrieved person of the time limits and choice of forums provided under this subchapter;

(ii) the Secretary shall, not later than 10 days after such filing or the identification of an additional respondent under paragraph (2), serve on the respondent a notice identifying the alleged discriminatory housing practice and advising such respondent of the procedural rights and obligations of respondents under this subchapter, together with a copy of the original complaint;

(iii) each respondent may file, not later than 10 days after receipt of notice from the Secretary, an answer to such complaint; and

(iv) the Secretary shall make an investigation of the alleged discriminatory housing practice and complete such investigation within 100 days after the filing of the complaint (or, when the Secretary takes further action under subsection (f)(2) of this section with respect to a complaint, within 100 days after the commencement of such further action), unless it is impracticable to do so.

(C) If the Secretary is unable to complete the investigation within 100 days after the filing of the complaint (or, when the Secretary takes further action under subsection (f)(2) of this section with respect to a complaint, within 100 days after the commencement of such further action), the Secretary shall notify the complainant and respondent in writing of the reasons for not doing so.

(D) Complaints and answers shall be under oath or affirmation, and may be reasonably and fairly amended at any time.

(2)(A) A person who is not named as a respondent in a complaint, but who is identified as a respondent in the course of investigation, may be joined as an additional or substitute respondent upon written notice, under paragraph (1), to such person, from the Secretary.

(B) Such notice, in addition to meeting the requirements of paragraph (1), shall explain the basis for the Secretary's belief that the person to whom the notice is addressed is properly joined as a respondent.

(b) Investigative report and conciliation

(1) During the period beginning with the filing of such complaint and ending with the filing of a charge or a dismissal by the Secretary, the Secretary shall, to the extent feasible, engage in conciliation with respect to such complaint.

(2) A conciliation agreement arising out of such conciliation shall be an agreement between the respondent and the complainant, and shall be subject to approval by the Secretary.

(3) A conciliation agreement may provide for binding arbitration of the dispute arising from the complaint. Any such arbitration that results from a conciliation agreement may award appropriate relief, including monetary relief.

(4) Each conciliation agreement shall be made public unless the complainant and respondent otherwise agree and the Secretary determines that disclosure is not required to further the purposes of this subchapter.

(5)(A) At the end of each investigation under this section, the Secretary shall prepare a final investigative report containing—

(i) the names and dates of contacts with witnesses;

(ii) a summary and the dates of correspondence and other contacts with the aggrieved person and the respondent;

(iii) a summary description of other pertinent records;

(iv) a summary of witness statements; and

(v) answers to interrogatories.

(B) A final report under this paragraph may be amended if additional evidence is later discovered.

(c) Failure to comply with conciliation agreement

Whenever the Secretary has reasonable cause to believe that a respondent has breached a conciliation agreement, the Secretary shall refer the matter to the Attorney General with a recommendation that a civil action be filed under section 3614 of this title for the enforcement of such agreement.

(d) Prohibitions and requirements with respect to disclosure of information

(1) Nothing said or done in the course of conciliation under this subchapter may be made public or used as evidence in a subsequent proceeding under this subchapter without the written consent of the persons concerned.

(2) Notwithstanding paragraph (1), the Secretary shall make available to the aggrieved person and the respondent, at any time, upon request following completion of the Secretary's investigation, information derived from an investigation and any final investigative report relating to that investigation.

(e) Prompt judicial action

(1) If the Secretary concludes at any time following the filing of a complaint that prompt judicial action is necessary to carry out the purposes of this subchapter, the Secretary may authorize a civil action for appropriate temporary or preliminary relief pending final disposition of the complaint under this section. Upon receipt of such an authorization, the Attorney General shall promptly commence and maintain such an action. Any temporary restraining order or other order granting preliminary or temporary relief shall be issued in accordance with the Federal Rules of Civil Procedure. The commencement of a civil action under this subsection does not affect the initiation or continuation of administrative proceedings under this section and section 3612 of this title.

(2) Whenever the Secretary has reason to believe that a basis may exist for the commencement of proceedings against any respondent under sections 3614(a) and 3614(c) of this title or for proceedings by any governmental licensing or supervisory authorities, the Secretary shall transmit the information upon which such belief is based to the Attorney General, or to such authorities, as the case may be.

(f) Referral for State or local proceedings

(1) Whenever a complaint alleges a discriminatory housing practice—

(A) within the jurisdiction of a State or local public agency; and

(B) as to which such agency has been certified by the Secretary under this subsection;

the Secretary shall refer such complaint to that certified agency before taking any action with respect to such complaint.

(2) Except with the consent of such certified agency, the Secretary, after that referral is made, shall take no further action with respect to such complaint unless—

(A) the certified agency has failed to commence proceedings with respect to the complaint before the end of the 30th day after the date of such referral;

(B) the certified agency, having so commenced such proceedings, fails to carry forward such proceedings with reasonable promptness; or

(C) the Secretary determines that the certified agency no longer qualifies for certification under this subsection with respect to the relevant jurisdiction.

(3)(A) The Secretary may certify an agency under this subsection only if the Secretary determines that—

(i) the substantive rights protected by such agency in the jurisdiction with respect to which certification is to be made;

(ii) the procedures followed by such agency;

(iii) the remedies available to such agency; and

(iv) the availability of judicial review of such agency's action;

are substantially equivalent to those created by and under this subchapter.

(B) Before making such certification, the Secretary shall take into account the current practices and past performance, if any, of such agency.

(4) During the period which begins on September 13, 1988, and ends 40 months after September 13, 1988, each agency certified (including an agency certified for interim referrals pursuant to 24 CFR 115.11, unless such agency is subsequently denied recognition under 24 CFR 115.7) for the purposes of this subchapter on the day before September 13, 1988, shall for the purposes of this subsection be considered certified under this subsection with respect to those matters for which such agency was certified on September 13, 1988. If the Secretary determines in an individual case that an agency has not been able to meet the certification requirements within this 40-month period due to exceptional circumstances, such as the infrequency of legislative sessions in that jurisdiction, the Secretary may extend such period by not more than 8 months.

(5) Not less frequently than every 5 years, the Secretary shall determine whether each agency certified under this subsection continues to qualify for certification. The Secretary shall take appropriate action with respect to any agency not so qualifying.

(g) Reasonable cause determination and effect

(1) The Secretary shall, within 100 days after the filing of the complaint (or, when the Secretary takes further action under subsection (f)(2) of this section with respect to a complaint, within 100 days after the commencement of such further action), determine based on the facts whether reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, unless it is impracticable to do so, or unless the Secretary has approved a conciliation agreement with respect to the complaint. If the Secretary is unable to make the determination within 100 days after the filing of the complaint (or, when the Secretary takes further action under subsection (f)(2) of this section with respect to a complaint, within 100 days after the commencement of such further action),

the Secretary shall notify the complainant and respondent in writing of the reasons for not doing so.

(2)(A) If the Secretary determines that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Secretary shall, except as provided in subparagraph (C), immediately issue a charge on behalf of the aggrieved person, for further proceedings under section 3612 of this title.

(B) Such charge—

(i) shall consist of a short and plain statement of the facts upon which the Secretary has found reasonable cause to believe that a discriminatory housing practice has occurred or is about to occur;

(ii) shall be based on the final investigative report; and

(iii) need not be limited to the facts or grounds alleged in the complaint filed under subsection (a) of this section.

(C) If the Secretary determines that the matter involves the legality of any State or local zoning or other land use law or ordinance, the Secretary shall immediately refer the matter to the Attorney General for appropriate action under section 3614 of this title, instead of issuing such charge.

(3) If the Secretary determines that no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Secretary shall promptly dismiss the complaint. The Secretary shall make public disclosure of each such dismissal.

(4) The Secretary may not issue a charge under this section regarding an alleged discriminatory housing practice after the beginning of the trial of a civil action commenced by the aggrieved party under an Act of Congress or a State law, seeking relief with respect to that discriminatory housing practice.

(h) Service of copies of charge

After the Secretary issues a charge under this section, the Secretary shall cause a copy thereof, together with information as to how to make an election under section 3612(a) of this title and the effect of such an election, to be served—

(1) on each respondent named in such charge, together with a notice of opportunity for a hearing at a time and place specified in the notice, unless that election is made; and

(2) on each aggrieved person on whose behalf the complaint was filed.

§ 3612. Enforcement by Secretary

(a) Election of judicial determination

When a charge is filed under section 3610 of this title, a complainant, a respondent, or an aggrieved person on whose behalf the complaint was filed, may elect to have the claims asserted in that charge decided in a civil action under

subsection (*o*) of this section in lieu of a hearing under subsection (b) of this section. The election must be made not later than 20 days after the receipt by the electing person of service under section 3610(h) of this title or, in the case of the Secretary, not later than 20 days after such service. The person making such election shall give notice of doing so to the Secretary and to all other complainants and respondents to whom the charge relates.

(b) Administrative law judge hearing in absence of election

If an election is not made under subsection (a) of this section with respect to a charge filed under section 3610 of this title, the Secretary shall provide an opportunity for a hearing on the record with respect to a charge issued under section 3610 of this title. The Secretary shall delegate the conduct of a hearing under this section to an administrative law judge appointed under section 3105 of title 5. The administrative law judge shall conduct the hearing at a place in the vicinity in which the discriminatory housing practice is alleged to have occurred or to be about to occur.

(c) Rights of parties

At a hearing under this section, each party may appear in person, be represented by counsel, present evidence, cross-examine witnesses, and obtain the issuance of subpoenas under section 3611 of this title. Any aggrieved person may intervene as a party in the proceeding. The Federal Rules of Evidence apply to the presentation of evidence in such hearing as they would in a civil action in a United States district court.

(d) Expedited discovery and hearing

(1) Discovery in administrative proceedings under this section shall be conducted as expeditiously and inexpensively as possible, consistent with the need of all parties to obtain relevant evidence.

(2) A hearing under this section shall be conducted as expeditiously and inexpensively as possible, consistent with the needs and rights of the parties to obtain a fair hearing and a complete record.

(3) The Secretary shall, not later than 180 days after September 13, 1988, issue rules to implement this subsection.

(e) Resolution of charge

Any resolution of a charge before a final order under this section shall require the consent of the aggrieved person on whose behalf the charge is issued.

(f) Effect of trial of civil action on administrative proceedings

An administrative law judge may not continue administrative proceedings under this section regarding any alleged discriminatory housing practice after the beginning of the trial of a civil action commenced by the aggrieved party under an Act of Congress or a State law, seeking relief with respect to that discriminatory housing practice.

(g) Hearings, findings and conclusions, and order

(1) The administrative law judge shall commence the hearing under this section no later than 120 days following the issuance of the charge, unless it is impracticable to do so. If the administrative law judge is unable to commence the hearing within 120 days after the issuance of the charge, the administrative law judge shall notify the Secretary, the aggrieved person on whose behalf the charge was filed, and the respondent, in writing of the reasons for not doing so.

(2) The administrative law judge shall make findings of fact and conclusions of law within 60 days after the end of the hearing under this section, unless it is impracticable to do so. If the administrative law judge is unable to make findings of fact and conclusions of law within such period, or any succeeding 60-day period thereafter, the administrative law judge shall notify the Secretary, the aggrieved person on whose behalf the charge was filed, and the respondent, in writing of the reasons for not doing so.

(3) If the administrative law judge finds that a respondent has engaged or is about to engage in a discriminatory housing practice, such administrative law judge shall promptly issue an order for such relief as may be appropriate, which may include actual damages suffered by the aggrieved person and injunctive or other equitable relief. Such order may, to vindicate the public interest, assess a civil penalty against the respondent—

(A) in an amount not exceeding $10,000 if the respondent has not been adjudged to have committed any prior discriminatory housing practice;

(B) in an amount not exceeding $25,000 if the respondent has been adjudged to have committed one other discriminatory housing practice during the 5-year period ending on the date of the filing of this charge; and

(C) in an amount not exceeding $50,000 if the respondent has been adjudged to have committed 2 or more discriminatory housing practices during the 7-year period ending on the date of the filing of this charge;

except that if the acts constituting the discriminatory housing practice that is the object of the charge are committed by the same natural person who has been previously adjudged to have committed acts constituting a discriminatory housing practice, then the civil penalties set forth in subparagraphs (B) and (C) may be imposed without regard to the period of time within which any subsequent discriminatory housing practice occurred.

(4) No such order shall affect any contract, sale, encumbrance, or lease consummated before the issuance of such order and involving a bona fide purchaser, encumbrancer, or tenant without actual notice of the charge filed under this subchapter.

(5) In the case of an order with respect to a discriminatory housing practice that occurred in the course of a business subject to a licensing or regulation by a governmental agency, the Secretary shall, not later than 30 days after the date of the issuance of such order (or, if such order is judicially reviewed, 30 days after such order is in substance affirmed upon such review)—

(A) send copies of the findings of fact, conclusions of law, and the order, to that governmental agency; and

(B) recommend to that governmental agency appropriate disciplinary action (including, where appropriate, the suspension or revocation of the license of the respondent).

(6) In the case of an order against a respondent against whom another order was issued within the preceding 5 years under this section, the Secretary shall send a copy of each such order to the Attorney General.

(7) If the administrative law judge finds that the respondent has not engaged or is not about to engage in a discriminatory housing practice, as the case may be, such administrative law judge shall enter an order dismissing the charge. The Secretary shall make public disclosure of each such dismissal.

(h) Review by Secretary; service of final order

(1) The Secretary may review any finding, conclusion, or order issued under subsection (g) of this section. Such review shall be completed not later than 30 days after the finding, conclusion, or order is so issued; otherwise the finding, conclusion, or order becomes final.

(2) The Secretary shall cause the findings of fact and conclusions of law made with respect to any final order for relief under this section, together with a copy of such order, to be served on each aggrieved person and each respondent in the proceeding.

(i) Judicial review

(1) Any party aggrieved by a final order for relief under this section granting or denying in whole or in part the relief sought may obtain a review of such order under chapter 158 of title 28.

(2) Notwithstanding such chapter, venue of the proceeding shall be in the judicial circuit in which the discriminatory housing practice is alleged to have occurred, and filing of the petition for review shall be not later than 30 days after the order is entered.

(j) Court enforcement of administrative order upon petition by Secretary

(1) The Secretary may petition any United States court of appeals for the circuit in which the discriminatory housing practice is alleged to have occurred or in which any respondent resides or transacts business for the enforcement of the order of the administrative law judge and for appropriate temporary relief or restraining order, by filing in such court a written petition praying that such order be enforced and for appropriate temporary relief or restraining order.

(2) The Secretary shall file in court with the petition the record in the proceeding. A copy of such petition shall be forthwith transmitted by the clerk of the court to the parties to the proceeding before the administrative law judge.

(k) Relief which may be granted

(1) Upon the filing of a petition under subsection (i) or (j) of this section, the court may—

(A) grant to the petitioner, or any other party, such temporary relief, restraining order, or other order as the court deems just and proper;

(B) affirm, modify, or set aside, in whole or in part, the order, or remand the order for further proceedings; and

(C) enforce such order to the extent that such order is affirmed or modified.

(2) Any party to the proceeding before the administrative law judge may intervene in the court of appeals.

(3) No objection not made before the administrative law judge shall be considered by the court, unless the failure or neglect to urge such objection is excused because of extraordinary circumstances.

***(l)* Enforcement decree in absence of petition for review**

If no petition for review is filed under subsection (i) of this section before the expiration of 45 days after the date the administrative law judge's order is entered, the administrative law judge's findings of fact and order shall be conclusive in connection with any petition for enforcement—

(1) which is filed by the Secretary under subsection (j) of this section after the end of such day; or

(2) under subsection (m) of this section.

(m) Court enforcement of administrative order upon petition of any person entitled to relief

If before the expiration of 60 days after the date the administrative law judge's order is entered, no petition for review has been filed under subsection (i) of this section, and the Secretary has not sought enforcement of the order under subsection (j) of this section, any person entitled to relief under the order may petition for a decree enforcing the order in the United States court of appeals for the circuit in which the discriminatory housing practice is alleged to have occurred.

(n) Entry of decree

The clerk of the court of appeals in which a petition for enforcement is filed under subsection (*l*) or (m) of this section shall forthwith enter a decree enforcing the order and shall transmit a copy of such decree to the Secretary, the respondent named in the petition, and to any other parties to the proceeding before the administrative law judge.

***(o)* Civil action for enforcement when election is made for such civil action**

(1) If an election is made under subsection (a) of this section, the Secretary shall authorize, and not later than 30 days after the election is made the Attorney General shall commence and maintain, a civil action on behalf of the aggrieved person in a United States district court seeking relief under this subsection. Venue for such civil action shall be determined under chapter 87 of title 28.

(2) Any aggrieved person with respect to the issues to be determined in a civil action under this subsection may intervene as of right in that civil action.

(3) In a civil action under this subsection, if the court finds that a discriminatory housing practice has occurred or is about to occur, the court may grant as relief any relief which a court could grant with respect to such discriminatory housing practice in a civil action under section 3613 of this title. Any relief so granted that would accrue to an aggrieved person in a civil action commenced by that aggrieved person under section 3613 of this title shall also ac-

crue to that aggrieved person in a civil action under this subsection. If monetary relief is sought for the benefit of an aggrieved person who does not intervene in the civil action, the court shall not award such relief if that aggrieved person has not complied with discovery orders entered by the court.

(p) Attorney's fees

In any administrative proceeding brought under this section, or any court proceeding arising therefrom, or any civil action under this section, the administrative law judge or the court, as the case may be, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney's fee and costs. The United States shall be liable for such fees and costs to the extent provided by section 504 of title 5 or by section 2412 of title 28.

(Pub. L. 90–284, title VIII, §812, as added Pub. L. 100–430, §8(2), Sept. 13, 1988, 102 Stat. 1629.)

§ 3613. Enforcement by private persons

(a) Civil action

(1)(A) An aggrieved person may commence a civil action in an appropriate United States district court or State court not later than 2 years after the occurrence or the termination of an alleged discriminatory housing practice, or the breach of a conciliation agreement entered into under this subchapter, whichever occurs last, to obtain appropriate relief with respect to such discriminatory housing practice or breach.

(B) The computation of such 2-year period shall not include any time during which an administrative proceeding under this subchapter was pending with respect to a complaint or charge under this subchapter based upon such discriminatory housing practice. This subparagraph does not apply to actions arising from a breach of a conciliation agreement.

(2) An aggrieved person may commence a civil action under this subsection whether or not a complaint has been filed under section 3610(a) of this title and without regard to the status of any such complaint, but if the Secretary or a State or local agency has obtained a conciliation agreement with the consent of an aggrieved person, no action may be filed under this subsection by such aggrieved person with respect to the alleged discriminatory housing practice which forms the basis for such complaint except for the purpose of enforcing the terms of such an agreement.

(3) An aggrieved person may not commence a civil action under this subsection with respect to an alleged discriminatory housing practice which forms the basis of a charge issued by the Secretary if an administrative law judge has commenced a hearing on the record under this subchapter with respect to such charge.

(b) Appointment of attorney by court

Upon application by a person alleging a discriminatory housing practice or a person against whom such a practice is alleged, the court may—

(1) appoint an attorney for such person; or

(2) authorize the commencement or continuation of a civil action under subsection (a) of this section without the payment of fees, costs, or security, if in the opinion of the court such person is financially unable to bear the costs of such action.

(c) Relief which may be granted

(1) In a civil action under subsection (a) of this section, if the court finds that a discriminatory housing practice has occurred or is about to occur, the court may award to the plaintiff actual and punitive damages, and subject to subsection (d) of this section, may grant as relief, as the court deems appropriate, any permanent or temporary injunction, temporary restraining order, or other order (including an order enjoining the defendant from engaging in such practice or ordering such affirmative action as may be appropriate).

(2) In a civil action under subsection (a) of this section, the court, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney's fee and costs. The United States shall be liable for such fees and costs to the same extent as a private person.

(d) Effect on certain sales, encumbrances, and rentals

Relief granted under this section shall not affect any contract, sale, encumbrance, or lease consummated before the granting of such relief and involving a bona fide purchaser, encumbrancer, or tenant, without actual notice of the filing of a complaint with the Secretary or civil action under this subchapter.

(e) Intervention by Attorney General

Upon timely application, the Attorney General may intervene in such civil action, if the Attorney General certifies that the case is of general public importance. Upon such intervention the Attorney General may obtain such relief as would be available to the Attorney General under section 3614(e) of this title in a civil action to which such section applies.

§ 3614. Enforcement by Attorney General

(a) Pattern or practice cases

Whenever the Attorney General has reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any of the rights granted by this subchapter, or that any group of persons has been denied any of the rights granted by this subchapter and such denial raises an issue of general public importance, the Attorney General may commence a civil action in any appropriate United States district court.

(b) On referral of discriminatory housing practice or conciliation agreement for enforcement

(1)(A) The Attorney General may commence a civil action in any appropriate United States district court for appropriate relief with respect to a discriminatory housing practice referred to the Attorney General by the Secretary under section 3610(g) of this title.

Each such strategy shall involve both of the following activities:

(1) Weeding

Activities, to be known as Weeding activities, which shall include promoting and coordinating a broad spectrum of community efforts (especially those of law enforcement agencies and prosecutors) to arrest, and to sanction or incarcerate, persons in that community who participate or engage in violent crime, criminal drug-related activity, and other crimes that threaten the quality of life in that community.

(2) Seeding

Activities, to be known as Seeding activities, which shall include promoting and coordinating a broad spectrum of community efforts (such as drug abuse education, mentoring, and employment counseling) to provide—

(A) human services, relating to prevention, intervention, or treatment, for at-risk individuals and families; and

(B) community revitalization efforts, including enforcement of building codes and development of the economy.

(b) Guidelines

The Director shall issue guidelines for the development and implementation of Weed and Seed strategies under this section. The guidelines shall ensure that the Weed and Seed strategy for a community referred to in subsection (a) of this section shall—

(1) be planned and implemented through and under the auspices of a steering committee, properly established in the community, comprised of—

(A) in a voting capacity, representatives of—

(i) appropriate law enforcement agencies; and

(ii) other public and private agencies, and neighborhood and community-based

organizations, interested in criminal justice and community-based development and revitalization in the community; and

(B) in a voting capacity, both—

(i) the Drug Enforcement Administration's special agent in charge for the jurisdiction encompassing the community; and

(ii) the United States Attorney for the District encompassing the community;

(2) describe how law enforcement agencies, other public and private agencies, neighborhood and community-based organizations, and interested citizens are to cooperate in implementing the strategy; and

(3) incorporate a community-policing component that shall serve as a bridge between the Weeding activities under subsection (a)(1) of this section and the Seeding activities under subsection (a)(2) of this section.

(c) Designation

For a community to be designated as a Weed-and-Seed community for purposes of subsection (a) of this section—

(1) the United States Attorney for the District encompassing the community must certify to the Director that—

(A) the community suffers from consistently high levels of crime or otherwise is appropriate for such designation;

(B) the Weed and Seed strategy proposed, adopted, or implemented by the steering committee has a high probability of improving the criminal justice system within the community and contains all the elements required by the Director; and

(C) the steering committee is capable of implementing the strategy appropriately; and

(2) the community must agree to formulate a timely and effective plan to independently sustain the strategy (or, at a minimum, a majority of the best practices of the strategy) when assistance under this section is no longer available.

(d) Application

An application for designation as a Weed-and-Seed community for purposes of subsection (a) of this section shall be submitted to the Director by the steering committee of the community in such form, and containing such information and assurances, as the Director may require. The application shall propose—

(1) a sustainable Weed and Seed strategy that includes—

(A) the active involvement of the United States Attorney for the District encompassing the community, the Drug Enforcement Administration's special agent in charge for the jurisdiction encompassing the community, and other Federal law enforcement agencies operating in the vicinity;

(1) In general

In implementing a strategy for a community under subsection (a) of this section, the Director may make grants to that community.

(2) Uses

For each grant under this subsection, the community receiving that grant may not use any of the grant amounts for construction, except that the Assistant Attorney General may authorize use of grant amounts for incidental or minor construction, renovation, or remodeling.

(3) Limitations

A community may not receive grants under this subsection (or fall within such a community)—

(A) for a period of more than 10 fiscal years;

(B) for more than 5 separate fiscal years, except that the Assistant Attorney General may, in single increments and only upon a showing of extraordinary circumstances, authorize grants for not more than 3 additional separate fiscal years; or

(C) in an aggregate amount of more than $1,000,000, except that the Assistant Attorney General may, upon a showing of extraordinary circumstances, authorize grants for not more than an additional $500,000.

(4) Distribution

In making grants under this subsection, the Director shall ensure that—

(A) to the extent practicable, the distribution of such grants is geographically equitable and includes both urban and rural areas of varying population and area; and

(B) priority is given to communities that clearly and effectively coordinate crime prevention programs with other Federal programs in a manner that addresses the overall needs of such communities.

(5) Federal share

(A) Subject to subparagraph (B), the Federal share of a grant under this subsection may not exceed 75 percent of the total costs of the projects described in the application for which the grant was made.

(B) The requirement of subparagraph (A)—

(i) may be satisfied in cash or in kind; and

(ii) may be waived by the Assistant Attorney General upon a determination that the financial circumstances affecting the applicant warrant a finding that such a waiver is equitable.

(6) Supplement, not supplant

To receive a grant under this subsection, the applicant must provide assurances that the amounts received under the grant shall be used to supplement, not supplant, non-Federal funds that would otherwise be available for programs or services provided in the community.

''SECTION 1. SHORT TITLE.

''This Act may be cited as the 'Crime Victims With Disabilities Awareness Act'.

''SEC. 2. FINDINGS; PURPOSES.

''(a) FINDINGS.—Congress finds that—

''(1) although research conducted abroad demonstrates that individuals with developmental disabilities are at a 4 to 10 times higher risk of becoming crime victims than those without disabilities, there have been no significant studies on this subject conducted in the United States;

''(2) in fact, the National Crime Victim's Survey, conducted annually by the Bureau of Justice Statistics of the Department of Justice, does not specifically collect data relating to crimes against individuals with developmental disabilities;

''(3) studies in Canada, Australia, and Great Britain consistently show that victims with developmental disabilities suffer repeated victimization because so few of the crimes against them are reported, and even when they are, there is sometimes a reluctance by police, prosecutors, and judges to rely on the testimony of a disabled individual, making individuals with developmental disabilities a target for criminal predators;

''(4) research in the United States needs to be done to—

''(A) understand the nature and extent of crimes against individuals with developmental disabilities;

''(B) describe the manner in which the justice system responds to crimes against individuals with developmental disabilities; and

''(C) identify programs, policies, or laws that hold promises for making the justice system more responsive to crimes against individuals with developmental disabilities; and

''(5) the National Academy of Science Committee on Law and Justice of the National Research Council is a premier research institution with unique experience in developing seminal, multidisciplinary studies to establish a strong research base from which to make public policy.

''(b) PURPOSES.—The purposes of this Act are—

''(1) to increase public awareness of the plight of victims of crime who are individuals with developmental disabilities;

''(2) to collect data to measure the extent of the problem of crimes against individuals with developmental disabilities; and

''(3) to develop a basis to find new strategies to address the safety and justice needs of victims of crime who are individuals with developmental disabilities.

''SEC. 3. DEFINITION OF DEVELOPMENTAL DISABILITY.

''In this Act, the term 'developmental disability' has the meaning given the term in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C. 15002].

''SEC. 4. STUDY.

''(a) IN GENERAL.—The Attorney General shall conduct a study to increase knowledge and information about crimes against individuals with developmental disabilities that will be useful in developing new strategies to reduce the incidence of crimes against those individuals.

''(b) ISSUES ADDRESSED.—The study conducted under this section shall address such issues as—

''(1) the nature and extent of crimes against individuals with developmental disabilities;

''(2) the risk factors associated with victimization of individuals with developmental disabilities;

''(3) the manner in which the justice system responds to crimes against individuals with developmental disabilities; and

''(4) the means by which States may establish and maintain a centralized computer database on the incidence of crimes against individuals with disabilities within a State.

''(c) NATIONAL ACADEMY OF SCIENCES.—In carrying out this section, the Attorney General shall consider contracting with the Committee on Law and Justice of

the National Research Council of the National Academy of Sciences to provide research for the study conducted under this section.

''(d) REPORT.—Not later than 18 months after the date of enactment of this Act [Oct. 27, 1998], the Attorney General shall submit to the Committees on the Judiciary of the Senate and the House of Representatives a report describing the results of the study conducted under this section.

''SEC. 5. NATIONAL CRIME VICTIM'S SURVEY.

''Not later than 2 years after the date of enactment of this Act, as part of each National Crime Victim's Survey, the Attorney General shall include statistics relating to—

''(1) the nature of crimes against individuals with developmental disabilities; and

''(2) the specific characteristics of the victims of those crimes.''

§ 3733. Authority for 100 per centum grants

A grant authorized under this subchapter may be up to 100 per centum of the total cost of each project for which such grant is made. The Bureau shall require, whenever feasible as a condition of approval of a grant under this subchapter, that the recipient contribute money, facilities, or services to carry out the purposes for which the grant is sought.

§ 3755. Formula

(a) Allocation among States

(1) In general

Of the total amount appropriated for this part, the Attorney General shall, except as provided in paragraph (2), allocate—

(A) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

(i) the total population of a State to—

(ii) the total population of the United States; and

(B) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

(i) the average annual number of part 1 violent crimes of the Uniform Crime Reports of the Federal Bureau of Investigation reported by such State for the three most recent years reported by such State to—

(ii) the average annual number of such crimes reported by all States for such years.

(2) Minimum allocation

If carrying out paragraph (1) would result in any State receiving an allocation less than 0.25 percent of the total amount (in this paragraph referred to as a ''minimum allocation State''), then paragraph (1), as so carried out, shall not apply, and the Attorney General shall instead—

(A) allocate 0.25 percent of the total amount to each State; and

(B) using the amount remaining after carrying out subparagraph (A), carry out para-

graph (1) in a manner that excludes each minimum allocation State, including the population of and the crimes reported by such State.

(b) Allocation between States and units of local government

Of the amounts allocated under subsection (a) of this section—

(1) 60 percent shall be for direct grants to States, to be allocated under subsection (c) of this section; and

(2) 40 percent shall be for grants to be allocated under subsection (d) of this section.

(c) Allocation for State governments

(1) In general

Of the amounts allocated under subsection (b)(1) of this section, each State may retain for the purposes described in section 3751 of this title an amount that bears the same ratio of—

(A) total expenditures on criminal justice by the State government in the most recently completed fiscal year to—

(B) the total expenditure on criminal justice by the State government and units of local government within the State in such year.

(2) Remaining amounts

Except as provided in subsection (e)(1) of this section, any amounts remaining after the allocation required by paragraph (1) shall be made available to units of local government by the State for the purposes described in section 3751 of this title.

(d) Allocations to local governments

(1) In general

Of the amounts allocated under subsection (b)(2) of this section, grants for the purposes described in section 3751 of this title shall be made directly to units of local government within each State in accordance with this subsection, subject to subsection (e) of this section.

(2) Allocation

(A) In general

From the amounts referred to in paragraph (1) with respect to a State (in this subsection referred to as the ''local amount''), the Attorney General shall allocate to each unit of local government an amount which bears the same ratio to such share as the average annual number of part 1 violent crimes reported by such unit to the Federal Bureau of Investigation for the 3 most recent calendar years for which such data is available bears to the number of part 1 violent crimes reported by all units of local government in the State in which the unit is located to the Federal Bureau of Investigation for such years.

(B) Transitional rule

Notwithstanding subparagraph (A), for fiscal years 2006, 2007, and 2008, the Attorney General shall allocate the local amount to units of local government in the same manner that, under the Local Government Law Enforcement Block Grants program in effect immediately before January 5, 2006, the reserved amount was allocated among reporting and nonreporting units of local government.

(3) Annexed units

If a unit of local government in the State has been annexed since the date of the collection of the data used by the Attorney General in making allocations pursuant to this section, the Attorney General shall pay the amount that would have been allocated to such unit of local government to the unit of local government that annexed it.

(4) Resolution of disparate allocations

(A) Notwithstanding any other provision of this part, if—

(i) the Attorney General certifies that a unit of local government bears more than 50 percent of the costs of prosecution or incarceration that arise with respect to part 1 violent crimes reported by a specified geographically constituent unit of local government; and

(ii) but for this paragraph, the amount of funds allocated under this section to—

(I) any one such specified geographically constituent unit of local government exceeds 150 percent of the amount allocated to the unit of local government certified pursuant to clause (i); or

(II) more than one such specified geographically constituent unit of local government exceeds 400 percent of the amount allocated to the unit of local government certified pursuant to clause (i),

then in order to qualify for payment under this subsection, the unit of local government certified pursuant to clause (i), together with any such specified geographically constituent units of local government described in clause (ii), shall submit to the Attorney General a joint application for the aggregate of funds allocated to such units of local government. Such application shall specify the amount of such funds that are to be distributed to each of the units of local government and the purposes for which such funds are to be used. The units of local government involved may establish a joint local advisory board for the purposes of carrying out this paragraph.

(B) In this paragraph, the term ''geographically constituent unit of local government'' means a unit of local government that has jurisdiction over areas located within the boundaries of an area over which a unit of local government certified pursuant to clause (i) has jurisdiction.

(e) Limitation on allocations to units of local government

(1) Maximum allocation

No unit of local government shall receive a total allocation under this section that exceeds such unit's total expenditures on criminal justice services for the most recently completed fiscal year for which data are available. Any amount in excess of such total expenditures shall be allocated proportionally among

units of local government whose allocations under this section do not exceed their total expenditures on such services.

(2) Allocations under $10,000

If the allocation under this section to a unit of local government is less than $10,000 for any fiscal year, the direct grant to the State under subsection (c) of this section shall be increased by the amount of such allocation, to be distributed (for the purposes described in section 3751 of this title) among State police departments that provide criminal justice services to units of local government and units of local government whose allocation under this section is less than $10,000.

(3) Non-reporting units

No allocation under this section shall be made to a unit of local government that has not reported at least three years of data on part 1 violent crimes of the Uniform Crime Reports to the Federal Bureau of Investigation within the immediately preceding 10 years.

(f) Funds not used by the State

If the Attorney General determines, on the basis of information available during any grant period, that any allocation (or portion thereof) under this section to a State for such grant period will not be required, or that a State will be unable to qualify or receive funds under this part, or that a State chooses not to participate in the program established under this part, then such State's allocation (or portion thereof) shall be awarded by the Attorney General to units of local government, or combinations thereof, within such State, giving priority to those jurisdictions with the highest annual number of part 1 violent crimes of the Uniform Crime Reports reported by the unit of local government to the Federal Bureau of Investigation for the three most recent calendar years for which such data are available.

(g) Special rules for Puerto Rico

(1) All funds set aside for Commonwealth government

Notwithstanding any other provision of this part, the amounts allocated under subsection (a) of this section to Puerto Rico, 100 percent shall be for direct grants to the Commonwealth government of Puerto Rico.

(2) No local allocations

Subsections (c) and (d) of this section shall not apply to Puerto Rico.

(h) Units of local government in Louisiana

In carrying out this section with respect to the State of Louisiana, the term ''unit of local government'' means a district attorney or a parish sheriff.

(i) Part 1 violent crimes to include human trafficking

For purposes of this section, the term ''part 1 violent crimes'' shall include severe forms of trafficking in persons (as defined in section 7102 of title 22).

§ 3756. Reserved funds

(a) Of the total amount made available to carry out this part for a fiscal year, the Attorney General shall reserve not more than—

(1) $20,000,000, for use by the National Institute of Justice in assisting units of local government to identify, select, develop, modernize, and purchase new technologies for use by law enforcement, of which $1,000,000 shall be for use by the Bureau of Justice Statistics to collect data necessary for carrying out this part; and

(2) $20,000,000, to be granted by the Attorney General to States and units of local government to develop and implement antiterrorism training programs.

(1) to combat, address, or otherwise respond to precipitous or extraordinary increases in crime, or in a type or types of crime; or

(2) to prevent, compensate for, or mitigate significant programmatic harm resulting from operation of the formula established under section 3755 of this title.

Subsec. (b). Pub. L. 98–473 in amending subsec. (b) generally, substituted ''If any grant application submitted under subchapter IV of this chapter has been denied, or any grant under this chapter has been terminated'' for ''If a State grant application filed under subchapter IV of this chapter or any grant application filed under any other subchapter of this chapter has been rejected or a State applicant under subchapter IV of this chapter or applicant under any other subchapter of this chapter has been denied a grant or has had a grant, or any portion of a grant, discontinued, terminated or has been given a grant in a lesser amount that such applicant believes appropriate under the provisions of this chapter'' struck out ''or grantee'' after ''notify the applicant'' and before ''requests a hearing''; substituted requirement for notice by the Bureau of Justice Assistance rather than the Law Enforcement Assistance Administration; and inserted provisions for taking final action without hearing but requiring a more detailed statement of reasons for agency action to be made available to the applicant.

§ 3789d. Prohibition of Federal control over State and local criminal justice agencies; prohibition of discrimination

(a) General rule

Nothing in this chapter or any other Act shall be construed to authorize any department, agency, officer, or employee of the United States to exercise any direction, supervision, or control over any police force or any other criminal justice agency of any State or any political subdivision thereof.

(b) Racial imbalance requirement restriction

Notwithstanding any other provision of law, nothing contained in this chapter shall be construed to authorize the National Institute of Justice, the Bureau of Justice Statistics, or the Law Enforcement Assistance Administration—

(1) to require, or condition the availability or amount of a grant upon the adoption by an applicant or grantee under this chapter of a percentage ratio, quota system, or other program to achieve racial balance in any criminal justice agency; or

(2) to deny or discontinue a grant because of the refusal of an applicant or grantee under this chapter to adopt such a ratio, system, or other program.

(c) Discrimination prohibited; notice of non-compliance; suspension and restoration of payments; hearing; civil action by Attorney General; private action, attorney fees, intervention by Attorney General

(1) No person in any State shall on the ground of race, color, religion, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any programs or activity funded in whole or in part with funds made available under this chapter.

(2)(A) Whenever there has been—

(i) receipt of notice of a finding, after notice and opportunity for a hearing, by a Federal court (other than in an action brought by the Attorney General) or State court, or by a Federal or State administrative agency, to the effect that there has been a pattern or practice of discrimination in violation of paragraph (1); or

(ii) a determination after an investigation by the Office of Justice Programs (prior to a hearing under subparagraph (F) but including an opportunity for the State government or unit of local government to make a documentary submission regarding the allegation of discrimination with respect to such program or activity, with funds made available under this chapter) that a State government or unit of local government is not in compliance with paragraph (1);

the Office of Justice Programs shall, within ten days after such occurrence, notify the chief executive of the affected State, or the State in which the affected unit of local government is located, and the chief executive of such unit of local government, that such program or activity has been so found or determined not to be in compliance with paragraph (1), and shall request each chief executive, notified under this subparagraph with respect to such violation, to secure compliance. For purposes of clause (i) a finding by a Federal or State administrative agency shall be deemed rendered after notice and opportunity for a hearing if it is rendered pursuant to procedures consistent with the provisions of subchapter II of chapter 5 of title 5.

(B) In the event the chief executive secures compliance after notice pursuant to subparagraph (A), the terms and conditions with which the affected State government or unit of local government agrees to comply shall be set forth in writing and signed by the chief executive of the State, by the chief executive of such unit (in the event of a violation by a unit of local government), and by the Office of Justice Programs. On or prior to the effective date of the agreement, the Office of Justice Programs shall send a copy of the agreement to each complainant, if any, with respect to such violation. The chief executive of the State, or the chief executive of the unit (in the event of a violation by a unit of local government) shall file semiannual reports with the Office of Justice Programs detailing the steps taken to comply with the agreement. These reports shall cease to be filed upon the determination of the Office of Justice Programs that compliance has been secured, or upon the determination by a Federal or State court that such State government or local governmental unit is in compliance with this section. Within fifteen days of receipt of such reports, the Office of Justice Programs shall send a copy thereof to each such complainant.

(C) If, at the conclusion of ninety days after notification under subparagraph (A)—

(i) compliance has not been secured by the chief executive of that State or the chief executive of that unit of local government; and

(ii) an administrative law judge has not made a determination under subparagraph (F) that it is likely the State government or unit of local government will prevail on the merits;

the Office of Justice Programs shall notify the Attorney General that compliance has not been secured and caused to have suspended further payment of any funds under this chapter to that program or activity. Such suspension shall be limited to the specific program or activity cited by the Office of Justice Programs in the notice under subparagraph (A). Such suspension shall be effective for a period of not more than one hundred and twenty days, or, if there is a hearing under subparagraph (G), not more than thirty days after the conclusion of such hearing, unless there has been an express finding by the Office of Justice Programs, after notice and opportunity for such a hearing, that the recipient is not in compliance with paragraph (1).

(D) Payment of the suspended funds shall resume only if—

(i) such State government or unit of local government enters into a compliance agreement approved by the Office of Justice Programs and the Attorney General in accordance with subparagraph (B);

(ii) such State government or unit of local government complies fully with the final order or judgment of a Federal or State court, or by a Federal or State administrative agency if that order or judgment covers all the matters raised by the Office of Justice Programs in the notice pursuant to subparagraph (A), or is found to be in compliance with paragraph (1) by such court; or

(iii) after a hearing the Office of Justice Programs pursuant to subparagraph (F) finds that noncompliance has not been demonstrated.

(E) Whenever the Attorney General files a civil action alleging a pattern or practice of discriminatory conduct on the basis of race, color, religion, national origin, or sex in any program or activity of a State government or unit of local government which State government or unit of local government receives funds made available under this chapter, and the conduct allegedly violates the provisions of this section and neither party within forty-five days after such filing has been granted such preliminary relief with regard to the suspension or payment of funds as may be otherwise available by law, the Office of Justice Programs shall cause to have suspended further payment of any funds under this chapter to that specific program or activity alleged by the Attorney General to be in violation of the provisions of this subsection until such time as the court orders resumption of payment.

(F) Prior to the suspension of funds under subparagraph (C), but within the ninety-day period after notification under subparagraph (C), the State government or unit of local government may request an expedited preliminary hearing on the record in accordance with section 554 of title 5, in order to determine whether it is likely that the State government or unit of local government would, at a full hearing under subparagraph (G), prevail on the merits on the issue of the alleged noncompliance. A finding under this subparagraph by the administrative law judge in favor of the State government or unit of local government shall defer the suspension of funds under subparagraph (C) pending a finding of noncompliance at the conclusion of the hearing on the merits under subparagraph (G).

(G)(i) At any time after notification under subparagraph (A), but before the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), a State government or unit of local government may request a hearing on the record in accordance with section 554 of title 5, which the Office of Justice Programs shall initiate within sixty days of such request.

(ii) Within thirty days after the conclusion of the hearing, or, in the absence of a hearing, at the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), the Office of Justice Programs shall make a finding of compliance or noncompliance. If the Office of Justice Programs makes a finding of noncompliance, the Office of Justice Programs shall notify the Attorney General in order that the Attorney General may institute a civil action under paragraph (3), cause to have terminated the payment of funds under this chapter, and, if appropriate, seek repayment of such funds.

(iii) If the Office of Justice Programs makes a finding of compliance, payment of the suspended funds shall resume as provided in subparagraph (D).

(H) Any State government or unit of local government aggrieved by a final determination of the Office of Justice Programs under subparagraph (G) may appeal such determination as provided in section 3785[1] of this title.

(3) Whenever the Attorney General has reason to believe that a State government or unit of

local government has engaged in or is engaging in a pattern or practice in violation of the provisions of this section, the Attorney General may bring a civil action in an appropriate United States district court. Such court may grant as relief any temporary restraining order, preliminary or permanent injunction, or other order, as necessary or appropriate to insure the full enjoyment of the rights described in this section, including the suspension, termination, or repayment of such funds made available under this chapter as the court may deem appropriate, or placing any further such funds in escrow pending the outcome of the litigation.

(4)(A) Whenever a State government or unit of local government, or any officer or employee thereof acting in an official capacity, has engaged or is engaging in any act or practice prohibited by this subsection, a civil action may be instituted after exhaustion of administrative remedies by the person aggrieved in an appropriate United States district court or in a State court of general jurisdiction. The Inspector General shall determine the appropriate number of grantees to be audited each year.

(2) Mandatory exclusion

A recipient of grant funds under this Act that is found to have an unresolved audit finding shall not be eligible to receive grant funds under this Act during the 2 fiscal years beginning after the 12-month period described in paragraph (5).

(3) Priority

In awarding grants under this Act, the Attorney General shall give priority to eligible entities that, during the 3 fiscal years before submitting an application for a grant under this Act, did not have an unresolved audit finding showing a violation in the terms or conditions of a Department of Justice grant program.

(4) Reimbursement

If an entity is awarded grant funds under this Act during the 2-fiscal-year period in which the entity is barred from receiving grants under paragraph (2), the Attorney General shall—

(A) deposit an amount equal to the grant funds that were improperly awarded to the grantee into the General Fund of the Treasury; and

(C) Disclosure

Each nonprofit organization that is awarded a grant under a grant program described in this Act and uses the procedures prescribed in regulations to create a rebuttable presumption of reasonableness for the compensation of its officers, directors, trustees and key employees, shall disclose to the Attorney General, in the application for the grant, the process for determining such compensation, including the independent persons involved in reviewing and approving such compensation, the comparability data used, and contemporaneous substantiation of the deliberation and decision. Upon request, the Attorney General shall make the information disclosed under this subsection available for public inspection.

Unless otherwise explicitly provided in authorizing legislation, not more than 7.5 percent of the amounts authorized to be appropriated under this Act may be used by the Attorney General for salaries and administrative expenses of the Department of Justice.

(8) Conference expenditures

(A) Limitation

No amounts authorized to be appropriated to the Department of Justice under this Act may be used by the Attorney General or by any individual or organization awarded discretionary funds through a cooperative agreement under this Act, to host or support any expenditure for conferences that uses more than $20,000 in Department funds, unless the Deputy Attorney General or the appropriate Assistant Attorney General, Director, or principal deputy as the Deputy Attorney General may designate, provides prior written authorization that the funds may be expended to host a conference.

(B) Written approval

Written approval under subparagraph (A) shall include a written estimate of all costs associated with the conference, including the cost of all food and beverages, audio/visual equipment, honoraria for speakers, and any entertainment.

(ii) prohibit the grant recipient from receiving another grant under this Act for not less than 5 years.

(10) Preventing duplicative grants

(A) In general

Before the Attorney General awards a grant to an applicant under this Act, the Attorney General shall compare potential grant awards with other grants awarded under this Act to determine whether duplicate grants are awarded for the same purpose.

(B) Report

If the Attorney General awards duplicate grants to the same applicant for the same purpose, the Attorney General shall submit to the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives a report that includes—

§ 3796. Payment of death benefits

(a) Amount; recipients

In any case in which the Bureau of Justice Assistance (hereinafter in this subchapter referred to as the ''Bureau'') determines, under regulations issued pursuant to this subchapter, that a public safety officer has died as the direct and proximate result of a personal injury sustained in the line of duty, the Bureau shall pay a benefit of $250,000, adjusted in accordance with subsection (h) of this section, as follows (if the payee indicated is living on the date on which the determination is made)—

(1) if there is no child who survived the public safety officer, to the surviving spouse of the public safety officer;

(2) if there is at least 1 child who survived the public safety officer and a surviving spouse of the public safety officer, 50 percent to the surviving child (or children, in equal shares) and 50 percent to the surviving spouse;

(4) if there is no surviving spouse of the public safety officer and no surviving child—

(A) to the surviving individual (or individuals, in shares per the designation, or, otherwise, in equal shares) designated by the public safety officer to receive benefits under this subsection in the most recently executed designation of beneficiary of the public safety officer on file at the time of death with the public safety agency, organization, or unit; or

(B) if there is no individual qualifying under subparagraph (A), to the surviving individual (or individuals, in equal shares) designated by the public safety officer to receive benefits under the most recently executed life insurance policy of the public safety officer on file at the time of death with the public safety agency, organization, or unit;

(5) if there is no individual qualifying under paragraph (1), (2), (3), or (4), to the surviving parent (or parents, in equal shares) of the public safety officer; or

(6) if there is no individual qualifying under paragraph (1), (2), (3), (4), or (5), to the surviving individual (or individuals, in equal shares) who would qualify under the definition of the term ''child'' under section 3796b of this title but for age.

(b) Benefits for permanent and total disability

In accordance with regulations issued pursuant to this subchapter, in any case in which the Bureau determines that a public safety officer has become permanently and totally disabled as the direct and proximate result of a personal injury sustained in the line of duty, the Bureau shall pay the same benefit to the public safety officer (if living on the date on which the determination is made) that is payable under subsection (a) of this section with respect to the date on which the catastrophic injury occurred, as adjusted in accordance with subsection (h) of this section: *Provided*, That for the purposes of making these benefit payments, there are authorized to be appropriated for each fiscal year such sums as may be necessary: *Provided further*, That the amount payable under this subsection shall be the amount payable as of the date of catastrophic injury of such public safety officer.

(c) Interim benefit payment

Whenever the Bureau determines upon showing of need and prior to final action that the death of a public safety officer is one with respect to which a benefit will probably be paid, the Bureau may make an interim benefit payment not exceeding $3,000 to the individual entitled to receive a benefit under subsection (a) of this section.

(d) Deduction of interim payment

The amount of an interim payment under subsection (c) of this section shall be deducted from the amount of any final benefit paid to such individual.

(e) Repayment of interim payment; waiver

Where there is no final benefit paid, the recipient of any interim payment under subsection (c) of this section shall be liable for repayment of such amount. The Bureau may waive all or part of such repayment, considering for this purpose the hardship which would result from such repayment.

(1) payments authorized by section 12(k) of the Act of September 1, 1916;

(k) Death by heart attack, stroke, or vascular rupture; presumption

As determined by the Bureau, a heart attack, stroke, or vascular rupture suffered by a public safety officer shall be presumed to constitute a personal injury within the meaning of subsection (a), sustained in the line of duty by the officer and directly and proximately resulting in death, if—

(3) the heart attack, stroke, or vascular rupture directly and proximately results in the death of the public safety officer,

unless competent medical evidence establishes that the heart attack, stroke, or vascular rupture was unrelated to the engagement or participation or was directly and proximately caused by something other than the mere presence of cardiovascular-disease risk factors.

***(l)* Definition**

For purposes of subsection (k) of this section, ''nonroutine stressful or strenuous physical'' excludes actions of a clerical, administrative, or nonmanual nature.

(m) Suspension or end of collection action

The Bureau may suspend or end collection action on an amount disbursed pursuant to a statute enacted retroactively or otherwise disbursed in error under subsection (a) or (c) of this section, where such collection would be impractical, or would cause undue hardship to a debtor who acted in good faith.

(n) Confidentiality

The public safety agency, organization, or unit responsible for maintaining on file an executed designation of beneficiary or executed life insurance policy for purposes of subsection (a)(4) shall maintain the confidentiality of the designation or policy in the same manner as the agency, organization, or unit maintains personnel or other similar records of the public safety officer.

§ 3796*ll*–3. James Guelff and Chris McCurley Body Armor Act of 2002

(a) Short title

This section may be cited as the ''James Guelff and Chris McCurley Body Armor Act of 2002''.

(b) Findings

Congress finds that—

(1) nationally, police officers and ordinary citizens are facing increased danger as criminals use more deadly weaponry, body armor, and other sophisticated assault gear;

(2) crime at the local level is exacerbated by the interstate movement of body armor and other assault gear;

(3) there is a traffic in body armor moving in or otherwise affecting interstate commerce, and existing Federal controls over such traffic do not adequately enable the States to control this traffic within their own borders through the exercise of their police power;

(4) recent incidents, such as the murder of San Francisco Police Officer James Guelff by an assailant wearing 2 layers of body armor, a 1997 bank shoot out in north Hollywood, California, between police and 2 heavily armed suspects outfitted in body armor, and the 1997 murder of Captain Chris McCurley of the Etowah County, Alabama Drug Task Force by a drug dealer shielded by protective body armor, demonstrate the serious threat to community safety posed by criminals who wear body armor during the commission of a violent crime;

(5) of the approximately 1,500 officers killed in the line of duty since 1980, more than 30 percent could have been saved by body armor, and the risk of dying from gunfire is 14 times higher for an officer without a bulletproof vest;

(6) the Department of Justice has estimated that 25 percent of State and local police are not issued body armor;

(7) the Federal Government is well-equipped to grant local police departments access to body armor that is no longer needed by Federal agencies; and

(8) Congress has the power, under the interstate commerce clause and other provisions of the Constitution of the United States, to enact legislation to regulate interstate commerce that affects the integrity and safety of our communities.

(c) Definitions

In this section:

(1) Body armor

The term ''body armor'' means any product sold or offered for sale, in interstate or foreign commerce, as personal protective body covering intended to protect against gunfire, regardless of whether the product is to be worn alone or is sold as a complement to another product or garment.

(2) Law enforcement agency

The term ''law enforcement agency'' means an agency of the United States, a State, or a political subdivision of a State, authorized by law or by a government agency to engage in or supervise the prevention, detection, investigation, or prosecution of any violation of criminal law.

(3) Law enforcement officer

The term ''law enforcement officer'' means any officer, agent, or employee of the United States, a State, or a political subdivision of a State, authorized by law or by a government agency to engage in or supervise the prevention, detection, investigation, or prosecution of any violation of criminal law.

(d) Amendment of sentencing guidelines with respect to body armor

(1) In general

Pursuant to its authority under section 994(p) of title 28, the United States Sentencing Commission shall review and amend the Federal sentencing guidelines and the policy statements of the Commission, as appropriate, to provide an appropriate sentencing enhancement for any crime of violence (as defined in section 16 of title 18) or drug trafficking crime (as defined in section 924(c) of title 18) (including a crime of violence or drug trafficking crime that provides for an enhanced punishment if committed by the use of a deadly or dangerous weapon or device) in which the defendant used body armor.

(2) Sense of Congress

It is the sense of Congress that any sentencing enhancement under this subsection should be at least 2 levels.

(e) Omitted

(f) Donation of Federal surplus body armor

(1) Definitions

In this subsection, the terms ''Federal agency'' and ''surplus property'' have the meanings given such terms under section 102 of title 40.

(2) Donation of body armor

Notwithstanding sections 541–555 of title 40, the head of a Federal agency may donate body armor directly to any State or local law enforcement agency, if such body armor—

(A) is in serviceable condition;

(B) is surplus property; and

(C) meets or exceeds the requirements of National Institute of Justice Standard 0101.03 (as in effect on November 2, 2002).

(3) Notice to Administrator

The head of a Federal agency who donates body armor under this subsection shall submit to the Administrator of General Services a written notice identifying the amount of body armor donated and each State or local law enforcement agency that received the body armor.

(4) Donation by certain officers

(A) Department of Justice

In the administration of this subsection with respect to the Department of Justice, in addition to any other officer of the Department of Justice designated by the Attorney General, the following officers may act as the head of a Federal agency:

(i) The Administrator of the Drug Enforcement Administration.

§ 4001. Congressional findings and declaration of purpose

(a) Necessity and reasons for flood insurance program

The Congress finds that (1) from time to time flood disasters have created personal hardships and economic distress which have required unforeseen disaster relief measures and have placed an increasing burden on the Nation's resources; (2) despite the installation of preventive and protective works and the adoption of other public programs designed to reduce losses caused by flood damage, these methods have not been sufficient to protect adequately against growing exposure to future flood losses; (3) as a matter of national policy, a reasonable method of sharing the risk of flood losses is through a program of flood insurance which can complement and encourage preventive and protective measures; and (4) if such a program is initiated and carried out gradually, it can be expanded as knowledge is gained and experience is appraised, thus eventually making flood insurance coverage available on reasonable terms and conditions to persons who have need for such protection.

(b) Participation of Federal Government in flood insurance program carried out by private insurance industry

The Congress also finds that (1) many factors have made it uneconomic for the private insurance industry alone to make flood insurance available to those in need of such protection on reasonable terms and conditions; but (2) a program of flood insurance with large-scale participation of the Federal Government and carried out to the maximum extent practicable by the private insurance industry is feasible and can be initiated.

(c) Unified national program for flood plain management

The Congress further finds that (1) a program of flood insurance can promote the public interest by providing appropriate protection against the perils of flood losses and encouraging sound land use by minimizing exposure of property to flood losses; and (2) the objectives of a flood insurance program should be integrally related to a unified national program for flood plain management and, to this end, it is the sense of Congress that within two years following the effective date of this chapter the President should transmit to the Congress for its consideration any further proposals necessary for such a unified program, including proposals for the allocation of costs among beneficiaries of flood protection.

(d) Authorization of flood insurance program; flexibility in program

It is therefore the purpose of this chapter to (1) authorize a flood insurance program by means of which flood insurance, over a period of time, can be made available on a nationwide basis through the cooperative efforts of the Federal Government and the private insurance industry, and (2) provide flexibility in the program so that such flood insurance may be based on workable methods of pooling risks, minimizing costs, and distributing burdens equitably among those who will be protected by flood insurance and the general public.

(e) Land use adjustments by State and local governments; development of proposed future construction; assistance of lending and credit institutions; relation of Federal assistance to all flood-related programs; continuing studies

It is the further purpose of this chapter to (1) encourage State and local governments to make appropriate land use adjustments to constrict the development of land which is exposed to flood damage and minimize damage caused by flood losses, (2) guide the development of proposed future construction, where practicable, away from locations which are threatened by flood hazards, (3) encourage lending and credit institutions, as a matter of national policy, to assist in furthering the objectives of the flood insurance program, (4) assure that any Federal assistance provided under the program will be related closely to all flood-related programs and activities of the Federal Government, and (5) authorize continuing studies of flood hazards in order to provide for a constant reappraisal of the flood insurance program and its effect on land use requirements.

(f) Mudslides

The Congress also finds that (1) the damage and loss which results from mudslides is related in cause and similar in effect to that which results directly from storms, deluges, overflowing waters, and other forms of flooding, and (2) the problems involved in providing protection against this damage and loss, and the possibilities for making such protection available through a Federal or federally sponsored program, are similar to those which exist in connection with efforts to provide protection

against damage and loss caused by such other forms of flooding. It is therefore the further purpose of this chapter to make available, by means of the methods, procedures, and instrumentalities which are otherwise established or available under this chapter for purposes of the flood insurance program, protection against damage and loss resulting from mudslides that are caused by accumulations of water on or under the ground.

AMENDMENTS

1994—Subsec. (g). Pub. L. 103–325 struck out subsec. (g) which read as follows: ''The Congress also finds that (1) the damage and loss which may result from the erosion and undermining of shorelines by waves or currents in lakes and other bodies of water exceeding anticipated cyclical levels is related in cause and similar in effect to that which results directly from storms, deluges, overflowing waters, and other forms of flooding, and (2) the problems involved in providing protection against this damage and loss, and the possibilities for making such protection available through a Federal or federally sponsored program, are similar to those which exist in connection with efforts to provide protection against damage and loss caused by such other forms of flooding. It is therefore the further purpose of this chapter to make available, by means of the methods, procedures, and instrumentalities which are otherwise established or available under this chapter for purposes of the flood insurance program, protection against damage and loss resulting from the erosion and undermining of shorelines by waves or currents in lakes and other bodies of water exceeding anticipated cyclical levels.''

§ 4002. Additional Congressional findings and declaration of purpose

(a) The Congress finds that—

(1) annual losses throughout the Nation from floods and mudslides are increasing at an alarming rate, largely as a result of the accelerating development of, and concentration of population in, areas of flood and mudslide hazards;

(2) the availability of Federal loans, grants, guaranties, insurance, and other forms of financial assistance are often determining factors in the utilization of land and the location and construction of public and of private industrial, commercial, and residential facilities;

(3) property acquired or constructed with grants or other Federal assistance may be exposed to risk of loss through floods, thus frustrating the purpose for which such assistance was extended;

(4) Federal instrumentalities insure or otherwise provide financial protection to banking and credit institutions whose assets include a substantial number of mortgage loans and other indebtedness secured by property exposed to loss and damage from floods and mudslides;

(5) the Nation cannot afford the tragic losses of life caused annually by flood occurrences, nor the increasing losses of property suffered by flood victims, most of whom are still inadequately compensated despite the provision of costly disaster relief benefits; and

(6) it is in the public interest for persons already living in flood-prone areas to have both an opportunity to purchase flood insurance and access to more adequate limits of coverage, so that they will be indemnified, for their losses in the event of future flood disasters.

(b) The purpose of this Act, therefore, is to—

(1) substantially increase the limits of coverage authorized under the national flood insurance program;

(2) provide for the expeditious identification of, and the dissemination of information concerning, flood-prone areas;

(3) require States or local communities, as a condition of future Federal financial assistance, to participate in the flood insurance program and to adopt adequate flood plan ordinances with effective enforcement provisions consistent with Federal standards to reduce or avoid future flood losses; and

(4) require the purchase of flood insurance by property owners who are being assisted by Federal programs or by federally supervised, regulated, or insured agencies or institutions in the acquisition or improvement of land or facilities located or to be located in identified areas having special flood hazards.

''(a) REPORT.—

''(1) REVIEW.—The Administrator shall review—

''(A) the processes and procedures for determining that a flood event has commenced or is in progress for purposes of flood insurance coverage made available under the National Flood Insurance Program;

''(B) the processes and procedures for providing public notification that such a flood event has commenced or is in progress;

''(C) the processes and procedures regarding the timing of public notification of flood insurance requirements and availability; and

''(D) the effects and implications that weather conditions, including rainfall, snowfall, projected snowmelt, existing water levels, and other conditions, have on the determination that a flood event has commenced or is in progress.

''(2) REPORT.—Not later than 6 months after the date of enactment of this Act [July 6, 2012], the Administrator shall submit a report to Congress that describes—

''(A) the results and conclusions of the review under paragraph (1); and

''(B) any actions taken, or proposed actions to be taken, by the Administrator to provide for more precise and technical processes and procedures for determining that a flood event has commenced or is in progress.

''(b) EFFECTIVE DATE OF POLICIES COVERING PROPERTIES AFFECTED BY FLOODING OF THE MISSOURI RIVER IN 2011.—

''(1) ELIGIBLE COVERAGE.—For purposes of this subsection, the term 'eligible coverage' means coverage under a new contract for flood insurance coverage under the National Flood Insurance Program, or a modification to coverage under an existing flood insurance contract, for property damaged by the flooding of the Missouri River that commenced on June 1, 2011, that was purchased or made during the period beginning May 1, 2011, and ending June 6, 2011.

''(2) EFFECTIVE DATES.—Notwithstanding section 1306(c) of the National Flood Insurance Act of 1968 (42 U.S.C. 4013(c)), or any other provision of law, any eligible coverage shall—

''(B) cover damage to property occurring after the effective date described in subparagraph (A) that resulted from the flooding of the Missouri River that commenced on June 1, 2011, if the property did not suffer damage or loss as a result of such flooding before the effective date described in subparagraph (A).

''(c) TIMELY NOTIFICATION.—Not later than 90 days after the date on which the Administrator submits the report required under subsection (a)(2), the Administrator shall, taking into consideration the results of the review under subsection (a)(1)(B), develop procedures for providing timely notification, to the extent practicable, to policyholders who have purchased flood insurance coverage under the National Flood Insurance Program within 30 days of a determination of a flood in progress and who may be affected by the flood of the determination and how the determination may affect their coverage.''

[For definitions of terms used in section 100227 of Pub. L. 112–141, set out above, see section 4004 of this title.]

CONGRESSIONAL FINDINGS

Pub. L. 108–264, §2, June 30, 2004, 118 Stat. 712, provided that: ''The Congress finds that—

''(1) the national flood insurance program—

''(A) identifies the flood risk;

''(B) provides flood risk information to the public;

''(C) encourages State and local governments to make appropriate land use adjustments to constrict the development of land which is exposed to flood damage and minimize damage caused by flood losses; and

''(D) makes flood insurance available on a nationwide basis that would otherwise not be available, to accelerate recovery from floods, mitigate future losses, save lives, and reduce the personal and national costs of flood disasters;

''(2) the national flood insurance program insures approximately 4,400,000 policyholders;

''(3) approximately 48,000 properties currently insured under the program have experienced, within a 10-year period, 2 or more flood losses where each such loss exceeds the amount $1,000;

''(4) approximately 10,000 of these repetitive-loss properties have experienced either 2 or 3 losses that cumulatively exceed building value or 4 or more losses, each exceeding $1,000;

''(5) repetitive-loss properties constitute a significant drain on the resources of the national flood insurance program, costing about $200,000,000 annually;

''(6) repetitive-loss properties comprise approximately 1 percent of currently insured properties but are expected to account for 25 to 30 percent of claims losses;

''(7) the vast majority of repetitive-loss properties were built before local community implementation of floodplain management standards under the program and thus are eligible for subsidized flood insurance;

''(8) while some property owners take advantage of the program allowing subsidized flood insurance without requiring mitigation action, others are trapped in a vicious cycle of suffering flooding, then repairing flood damage, then suffering flooding, without the means to mitigate losses or move out of harm's way;

''(9) mitigation of repetitive-loss properties through buyouts, elevations, relocations, or flood-proofing will produce savings for policyholders under the program and for Federal taxpayers through reduced flood insurance losses and reduced Federal disaster assistance;

''(10) a strategy of making mitigation offers aimed at high-priority repetitive-loss properties and shifting more of the burden of recovery costs to property owners who choose to remain vulnerable to repetitive flood damage can encourage property owners to take appropriate actions that reduce loss of life and property damage and benefit the financial soundness of the program;

''(11) the method for addressing repetitive-loss properties should be flexible enough to take into consideration legitimate circumstances that may prevent an owner from taking a mitigation action; and

''(12) focusing the mitigation and buy-out of repetitive loss properties upon communities and property owners that choose to voluntarily participate in a mitigation and buy-out program will maximize the benefits of such a program, while minimizing any adverse impact on communities and property owners.''

(b) Availability of insurance for other properties

If on the basis of—

(1) studies and investigations undertaken and carried out and information received or exchanged under section 4014 of this title, and

(2) such other information as may be necessary,

the Administrator determines that it would be feasible to extend the flood insurance program to cover other properties, he may take such action under this chapter as from time to time may be necessary in order to make flood insurance available to cover, on such basis as may be feasible, any types and classes of—

and on controlling flood elevations is available.

(d) Availability of insurance for multifamily properties

(1) In general

The Administrator shall make flood insurance available to cover residential properties of 5 or more residences. Notwithstanding any other provision of law, the maximum coverage amount that the Administrator may make available under this subsection to such residential properties shall be equal to the coverage amount made available to commercial properties.

§ 4012a. Flood insurance purchase and compliance requirements and escrow accounts

(a) Amount and term of coverage

After the expiration of sixty days following December 31, 1973, no Federal officer or agency shall approve any financial assistance for acquisition or construction purposes for use in any area that has been identified by the Administrator as an area having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968 [42 U.S.C. 4001 et seq.], unless the building or mobile home and any personal property to which such financial assistance relates is covered by flood insurance in an amount at least equal to its development or project cost (less estimated land cost) or to the maximum limit of coverage made available with respect to the particular type of property under the National Flood Insurance Act of 1968, whichever is less: *Provided*, That if the financial assistance provided is in the form of a loan or an insurance or guaranty of a loan, the amount of flood insurance required need not exceed the outstanding principal balance of the loan and need not be required beyond the term of the loan. The requirement of maintaining flood insurance shall apply during the life of the property, regardless of transfer of ownership of such property.

(b) Requirement for mortgage loans

(1) Regulated lending institutions

Each Federal entity for lending regulation (after consultation and coordination with the Financial Institutions Examination Council established under the Federal Financial Institutions Examination Council Act of 1974 [12 U.S.C. 3301 et seq.]) shall by regulation direct regulated lending institutions—

(A) not to make, increase, extend, or renew any loan secured by improved real estate or a mobile home located or to be located in an area that has been identified by the Administrator as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 [42 U.S.C. 4001 et seq.], unless the building or mobile home and any personal property securing such loan is covered for the term of the loan by flood insurance in an amount at least equal to the outstanding principal balance of the loan or the maximum limit of coverage made available under the Act with respect to the particular type of property, whichever is less; and

(B) to accept private flood insurance as satisfaction of the flood insurance coverage requirement under subparagraph (A) if the coverage provided by such private flood insurance meets the requirements for coverage under such subparagraph.

(2) Federal agency lenders

A Federal agency lender may not make, increase, extend, or renew any loan secured by improved real estate or a mobile home located or to be located in an area that has been identified by the Administrator as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, unless the building or mobile home and any personal property securing such loan is covered for the term of the loan by flood insurance in the amount provided in paragraph (1)(A). Each Federal agency lender shall accept private flood insurance as satisfaction of the flood insurance coverage requirement under the preceding sentence if the flood insurance coverage provided by such private flood insurance meets the requirements for coverage under such sentence. Each Federal agency lender shall issue any regulations necessary to carry out this paragraph. Such regulations shall be consistent with and substantially identical to the regulations issued under paragraph (1)(A).

(3) Government-sponsored enterprises for housing

The Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation shall implement procedures reasonably designed to ensure that, for any loan that is—

(A) secured by improved real estate or a mobile home located in an area that has been identified, at the time of the origination of the loan or at any time during the term of the loan, by the Administrator as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968, and

(B) purchased by such entity,

the building or mobile home and any personal property securing the loan is covered for the term of the loan by flood insurance in the amount provided in paragraph (1)(A). The Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation shall accept private flood insurance as satisfaction of the flood insurance coverage requirement under paragraph (1)(A) if the flood insurance coverage provided by such private flood insurance meets the requirements for coverage under such paragraph and any requirements established by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, respectively, relating to the financial solvency, strength, or claims-paying ability of private insurance companies from which the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation will accept private flood insurance.

(4) Applicability

(A) Existing coverage

Except as provided in subparagraph (B), paragraph (1) shall apply on September 23, 1994.

(B) New coverage

Paragraphs (2) and (3) shall apply only with respect to any loan made, increased, extended, or renewed after the expiration of the 1-year period beginning on September 23, 1994. Paragraph (1) shall apply with respect to any loan made, increased, extended, or renewed by any lender supervised by the Farm Credit Administration only after the expiration of the period under this subparagraph.

(C) Continued effect of regulations

Notwithstanding any other provision of this subsection, the regulations to carry out paragraph (1), as in effect immediately before September 23, 1994, shall continue to apply until the regulations issued to carry out paragraph (1) as amended by section 522(a) of Public Law 103–325 take effect.

(5) Rule of construction

Nothing in this subsection shall be construed to supersede or limit the authority of a Federal entity for lending regulation, the Federal Housing Finance Agency, a Federal agency lender, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation to establish requirements relating to the financial solvency, strength, or claims-paying ability of private insurance companies from which the entity or agency will accept private flood insurance.

(6) Notice

(A) In general

Each lender shall disclose to a borrower that is subject to this subsection that—

(i) flood insurance is available from private insurance companies that issue standard flood insurance policies on behalf of the national flood insurance program or directly from the national flood insurance program;

(ii) flood insurance that provides the same level of coverage as a standard flood insurance policy under the national flood insurance program may be available from a private insurance company that issues policies on behalf of the company; and

(iii) the borrower is encouraged to compare the flood insurance coverage, deductibles, exclusions, conditions and premiums associated with flood insurance policies issued on behalf of the national flood insurance program and policies issued on behalf of private insurance companies and to direct inquiries regarding the availability, cost, and comparisons of flood insurance coverage to an insurance agent.

(B) Rule of construction

Nothing in this paragraph shall be construed as affecting or otherwise limiting the authority of a Federal entity for lending regulation to approve any disclosure made by a regulated lending institution for purposes of complying with subparagraph (A).

(I) the insured; and

(II) the regulated lending institution or Federal agency lender;

(iv) a provision requiring an insured to file suit not later than 1 year after date of a written denial of all or part of a claim under the policy; and

(D) contains cancellation provisions that are as restrictive as the provisions contained in a standard flood insurance policy under the national flood insurance program.

(c) Exceptions to purchase requirements

(1) State-owned property

Notwithstanding the other provisions of this section, flood insurance shall not be required on any State-owned property that is covered under an adequate State policy of self-insurance satisfactory to the Administrator. The Administrator shall publish and periodically revise the list of States to which this subsection applies.

(B) a repayment term of 1 year or less.

(3) Detached structures

Notwithstanding any other provision of this section, flood insurance shall not be required, in the case of any residential property, for any structure that is a part of such property but is detached from the primary residential structure of such property and does not serve as a residence.

(d) Escrow of flood insurance payments

(1) Regulated lending institutions

(A) Federal entities responsible for lending regulations

Each Federal entity for lending regulation (after consultation and coordination with the Federal Financial Institutions Examination Council) shall, by regulation, direct that all premiums and fees for flood insurance under the National Flood Insurance Act of 1968, for residential improved real estate or a mobile home, shall be paid to the regulated lending institution or servicer for any loan secured by the residential improved real estate or mobile home, with the same frequency as payments on the loan are made, for the duration of the loan. Except as provided in subparagraph (B), upon receipt of any premiums or fees, the regulated lending institution or servicer shall deposit such premiums and fees in an escrow account on behalf of the borrower. Upon receipt of a notice from the Administrator or the provider of the flood insurance that insurance premiums are due, the premiums deposited in the escrow account shall be paid to the provider of the flood insurance.

(B) Limitation

Except as may be required under applicable State law, a Federal entity for lending regulation may not direct or require a regulated lending institution to deposit premiums or fees for flood insurance under the National Flood Insurance Act of 1968 in an escrow account on behalf of a borrower under subparagraph (A)—

(i) if—

(I) the regulated lending institution has total assets of less than $1,000,000,000; and

(II) on or before July 6, 2012, the regulated lending institution—

(bb) did not have a policy of consistently and uniformly requiring the deposit of taxes, insurance premiums, fees, or any other charges in an escrow account for loans secured by residential improved real estate or a mobile home; or

(aa) meets the requirements that the regulated lending institution is required to enforce under subsection (b)(1);

(bb) is provided by the condominium association, cooperative, homeowners association, or other applicable group; and

(cc) the premium for which is paid by the condominium association, cooperative, homeowners association, or other applicable group as a common expense;

(IV) is a home equity line of credit;

(V) is a nonperforming loan; or

(VI) has a term of not longer than 12 months.

(2) Federal agency lenders

Each Federal agency lender shall by regulation require and provide for escrow and payment of any flood insurance premiums and fees relating to residential improved real estate and mobile homes securing loans made by the Federal agency lender under the circumstances and in the manner provided under paragraph (1). Any regulations issued under this paragraph shall be consistent with and substantially identical to the regulations issued under paragraph (1).

(3) Applicability of RESPA

Escrow accounts established pursuant to this subsection shall be subject to the provisions of section 10 of the Real Estate Settlement Procedures Act of 1974 [12 U.S.C. 2609].

(4) "Residential improved real estate" defined

For purposes of this subsection, the term ''residential improved real estate'' means improved real estate for which the improvement is a residential building.

(5) Applicability

This subsection shall apply only with respect to any loan made, increased, extended, or renewed after the expiration of the 1-year period beginning on September 23, 1994.

(e) Placement of flood insurance by lender

(1) Notification to borrower of lack of coverage

If, at the time of origination or at any time during the term of a loan secured by improved real estate or by a mobile home located in an area that has been identified by the Administrator (at the time of the origination of the loan or at any time during the term of the loan) as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968 [42 U.S.C. 4001 et seq.], the lender or servicer for the loan determines that the building or mobile home and any personal property securing the loan is not covered by flood insurance or is covered by such insurance in an amount less than the amount required for the property pursuant to paragraph (1), (2), or (3) of subsection (b) of this section, the lender or servicer shall notify the borrower under the loan that the borrower should obtain, at the borrower's expense, an amount of flood insurance for the building or mobile home and such personal property that is not less than the amount under subsection (b)(1) of this section, for the term of the loan.

(2) Purchase of coverage on behalf of borrower

If the borrower fails to purchase such flood insurance within 45 days after notification under paragraph (1), the lender or servicer for the loan shall purchase the insurance on behalf of the borrower and may charge the borrower for the cost of premiums and fees incurred by the lender or servicer for the loan in purchasing the insurance, including premiums or fees incurred for coverage beginning on the date on which flood insurance coverage lapsed or did not provide a sufficient coverage amount.

(3) Termination of force-placed insurance

Within 30 days of receipt by the lender or servicer of a confirmation of a borrower's existing flood insurance coverage, the lender or servicer shall—

(A) terminate any insurance purchased by the lender or servicer under paragraph (2); and

(B) refund to the borrower all premiums paid by the borrower for any insurance purchased by the lender or servicer under paragraph (2) during any period during which the borrower's flood insurance coverage and the insurance coverage purchased by the lender or servicer were each in effect, and any related fees charged to the borrower with respect to the insurance purchased by the lender or servicer during such period.

(4) Sufficiency of demonstration

For purposes of confirming a borrower's existing flood insurance coverage, a lender or servicer for a loan shall accept from the borrower an insurance policy declarations page that includes the existing flood insurance policy number and the identity of, and contact information for, the insurance company or agent.

(5) Review of determination regarding required purchase

(A) In general

The borrower and lender for a loan secured by improved real estate or a mobile home may jointly request the Administrator to review a determination of whether the building or mobile home is located in an area having special flood hazards. Such request shall be supported by technical information relating to the improved real estate or mobile home. Not later than 45 days after the Administrator receives the request, the Administrator shall review the determination and provide to the borrower and the lender with a letter stating whether or not the building or mobile home is in an area having special flood hazards. The determination of the Administrator shall be final.

(B) Effect of determination

Any person to whom a borrower provides a letter issued by the Administrator pursuant to subparagraph (A), stating that the building or mobile home securing the loan of the borrower is not in an area having special flood hazards, shall have no obligation under this title[2] to require the purchase of flood insurance for such building or mobile home during the period determined by the Administrator, which shall be specified in the letter and shall begin on the date on which such letter is provided.

(C) Effect of failure to respond

If a request under subparagraph (A) is made in connection with the origination of a loan and the Administrator fails to provide a letter under subparagraph (A) before the later of (i) the expiration of the 45-day period under such subparagraph, or (ii) the closing of the loan, no person shall have an obligation under this title[2] to require the purchase of flood insurance for the building or mobile home securing the loan until such letter is provided.

(6) Applicability

This subsection shall apply to all loans outstanding on or after September 23, 1994.

(f) Civil monetary penalties for failure to require flood insurance or notify

(1) Civil monetary penalties against regulated lenders

Any regulated lending institution that is found to have a pattern or practice of committing violations under paragraph (2) shall be assessed a civil penalty by the appropriate Federal entity for lending regulation in the amount provided under paragraph (5).

(2) Lender violations

The violations referred to in paragraph (1) shall include—

(A) making, increasing, extending, or renewing loans in violation of—

(i) the regulations issued pursuant to subsection (b) of this section;

(ii) the escrow requirements under subsection (d) of this section; or

(iii) the notice requirements under section 1364 of the National Flood Insurance Act of 1968 [42 U.S.C. 4104a]; or

(B) failure to provide notice or purchase flood insurance coverage in violation of subsection (e) of this section.

(3) Civil monetary penalties against GSE's

(A) In general

If the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation is found by the Director of the Federal Housing Finance Agency to have a pattern or practice of purchasing loans in violation of the procedures established pursuant to subsection (b)(3) of this section, the Director of such Office[3] shall assess a civil penalty against such enterprise in the amount provided under paragraph (5) of this subsection.

(B) "Enterprise" defined

For purposes of this subsection, the term ''enterprise'' means the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation.

(4) Notice and hearing

A penalty under this subsection may be issued only after notice and an opportunity for a hearing on the record.

(5) Amount

A civil monetary penalty under this subsection may not exceed $2,000 for each violation under paragraph (2) or paragraph (3).

(6) Lender compliance

Notwithstanding any State or local law, for purposes of this subsection, any regulated lending institution that purchases flood insurance or renews a contract for flood insurance on behalf of or as an agent of a borrower of a loan for which flood insurance is required shall be considered to have complied with the regulations issued under subsection (b) of this section.

(7) Effect of transfer on liability

Any sale or other transfer of a loan by a regulated lending institution that has committed a violation under paragraph (1), that occurs subsequent to the violation, shall not affect the liability of the transferring lender with respect to any penalty under this subsection. A lender shall not be liable for any violations relating to a loan committed by another regulated lending institution that previously held the loan.

(8) Deposit of penalties

Any penalties collected under this subsection shall be paid into the National Flood Mitigation Fund under section 1367 of the National Flood Insurance Act of 1968 [42 U.S.C. 4104d].

(9) Additional penalties

Any penalty under this subsection shall be in addition to any civil remedy or criminal penalty otherwise available.

(10) Statute of limitations

No penalty may be imposed under this subsection after the expiration of the 4-year period beginning on the date of the occurrence of the violation for which the penalty is authorized under this subsection.

(g) Other actions to remedy pattern of noncompliance

(1) Authority of Federal entities for lending regulation

A Federal entity for lending regulation may require a regulated lending institution to take such remedial actions as are necessary to ensure that the regulated lending institution complies with the requirements of the national flood insurance program if the Federal agency for lending regulation makes a determination under paragraph (2) regarding the regulated lending institution.

[2] See References in Text note below.

[3] So in original. Probably should be ''Agency''.

(2) Determination of violations

A determination under this paragraph shall be a finding that—

(A) the regulated lending institution has engaged in a pattern and practice of noncompliance in violation of the regulations issued pursuant to subsection (b), (d), or (e) of this section or the notice requirements under section 1364 of the National Flood Insurance Act of 1968 [42 U.S.C. 4104a]; and

(B) the regulated lending institution has not demonstrated measurable improvement in compliance despite the assessment of civil monetary penalties under subsection (f) of this section.

(h) Fee for determining location

Notwithstanding any other Federal or State law, any person who makes a loan secured by improved real estate or a mobile home or any servicer for such a loan may charge a reasonable fee for the costs of determining whether the building or mobile home securing the loan is located in an area having special flood hazards, but only in accordance with the following requirements:

(1) Borrower fee

The borrower under such a loan may be charged the fee, but only if the determination—

(A) is made pursuant to the making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(B) is made pursuant to a revision or updating under section 1360(f)[4] [42 U.S.C. 4101(f)] of the floodplain areas and flood-risk zones or publication of a notice or compendia under subsection (h) or (i) of section 1360[4] [42 U.S.C. 4101(h), (i)] that affects the area in which the improved real estate or mobile home securing the loan is located or that, in the determination of the Administrator, may reasonably be considered to require a determination under this subsection; or

(C) results in the purchase of flood insurance coverage pursuant to the requirement under subsection (e)(2) of this section.

(2) Purchaser or transferee fee

The purchaser or transferee of such a loan may be charged the fee in the case of sale or transfer of the loan.

DEFINITIONS

For definitions of terms used in this section, see section 4004 of this title.

§ 4014. Estimates of premium rates

(a) Studies and investigations

The Administrator is authorized to undertake and carry out such studies and investigations and receive or exchange such information as may be necessary to estimate, and shall from time to time estimate, on an area, subdivision, or other appropriate basis—

(1) the risk premium rates for flood insurance which—

(A) based on consideration of—

(i) the risk involved and accepted actuarial principles; and

(ii) the flood mitigation activities that an owner or lessee has undertaken on a property, including differences in the risk involved due to land use measures, floodproofing, flood forecasting, and similar measures, and

(B) including—

(i) the applicable operating costs and allowances set forth in the schedules prescribed under section 4018 of this title and reflected in such rates,

(ii) any administrative expenses (or portion of such expenses) of carrying out the flood insurance program which, in his discretion, should properly be reflected in such rates,

(iii) any remaining administrative expenses incurred in carrying out the flood insurance and floodplain management programs (including the costs of mapping activities under section 4101 of this title) not included under clause (ii), which shall be recovered by a fee charged to policyholders and such fee shall not be subject to any agents' commissions, company expense allowances, or State or local premium taxes, and

(iv) all costs, as prescribed by principles and standards of practice in ratemaking adopted by the American Academy of Actuaries and the Casualty Actuarial Society, including—

(I) an estimate of the expected value of future costs,

(II) all costs associated with the transfer of risk, and

(III) the costs associated with an individual risk transfer with respect to risk classes, as defined by the Administrator,

would be required in order to make such insurance available on an actuarial basis for any types and classes of properties for which insurance coverage is available under section 4012(a) of this title (or is recommended to the Congress under section 4012(b) of this title);

(2) the rates, if less than the rates estimated under paragraph (1), which would be reasonable, would encourage prospective insureds to purchase flood insurance, and would be consistent with the purposes of this chapter, and which, together with a fee charged to policyholders that shall not be not subject to any agents' commission, company expenses allowances, or State or local premium taxes, shall include any administrative expenses incurred in carrying out the flood insurance and floodplain management programs (including the costs of mapping activities under section 4101 of this title), except that the Administrator shall not estimate rates under this paragraph for—

(A) any residential property which is not the primary residence of an individual;

(B) any severe repetitive loss property;

(C) any property that has incurred flood-related damage in which the cumulative amounts of payments under this chapter equaled or exceeded the fair market value of such property;

(D) any business property; or

(E) any property which on or after July 6, 2012, has experienced or sustained—

(i) substantial damage exceeding 50 percent of the fair market value of such property; or

(ii) substantial improvement exceeding 50 percent of the fair market value of such property; and

(3) the extent, if any, to which federally assisted or other flood protection measures initiated after August 1, 1968, affect such rates.

(b) Utilization of services of other Departments and agencies

In carrying out subsection (a) of this section, the Administrator shall, to the maximum extent feasible and on a reimbursement basis, utilize the services of the Department of the Army, the Department of the Interior, the Department of Agriculture, the Department of Commerce, and the Tennessee Valley Authority, and, as appropriate, other Federal departments or agencies, and for such purposes may enter into agreements or other appropriate arrangements with any persons.

(c) Priority to studies and investigations in States or areas evidencing positive interest in securing insurance under program

The Administrator shall give priority to conducting studies and investigations and making estimates under this section in those States or areas (or subdivisions thereof) which he has determined have evidenced a positive interest in securing flood insurance coverage under the flood insurance program.

(d) Parishes of Louisiana; premium rates

Notwithstanding any other provision of law, any structure existing on December 31, 1973, and located within Avoyelles, Evangeline, Rapides, or Saint Landry Parish in the State of Louisiana, which the Secretary determines is subject to additional flood hazards as a result of the construction or operation of the Atchafalaya Basin Levee System, shall be eligible for flood insurance under this chapter (if and to the extent it is eligible for such insurance under the other provisions of this chapter) at premium rates that shall not exceed those which would be applicable if such additional hazards did not exist.

(e) Eligibility of community making adequate progress on construction of flood protection system for rates not exceeding those applicable to completed flood protection system; determination of adequate progress

Notwithstanding any other provision of law, any community that has made adequate progress, acceptable to the Administrator, on the construction or reconstruction of a flood protection system which will afford flood protection for the one-hundred year frequency flood as determined by the Administrator, shall be eligible for flood insurance under this chapter (if and to the extent it is eligible for such insurance under the other provisions of this chapter) at premium rates not exceeding those which would be applicable under this section if such flood protection system had been completed. The Administrator shall find that adequate progress on the construction or reconstruction of a flood protection system, based on the present value of the completed flood protection system, has been made only if: (1) 100 percent of the cost of the system has been authorized; (2) at least 60 percent of the cost of the system has been appropriated; (3) at least 50 percent of the cost of the system has been expended; and (4) the system is at least 50 percent completed. Notwithstanding any other provision of law, in determining whether a community has made adequate progress on the construction, reconstruction, or improvement of a flood protection system, the Administrator shall consider all sources of funding, including Federal, State, and local funds.

(f) Availability of flood insurance in communities restoring disaccredited flood protection systems; criteria; rates

Notwithstanding any other provision of law, this subsection shall apply to riverine and coastal levees that are located in a community which has been determined by the Administrator of the Federal Emergency Management Agency to be in the process of restoring flood protection afforded by a flood protection system that had been previously accredited on a Flood Insurance Rate Map as providing 100-year frequency flood protection but no longer does so, and shall apply without regard to the level of Federal funding of or participation in the construction, reconstruction, or improvement of the flood protection system. Except as provided in this subsection, in such a community, flood insurance shall be made available to those properties impacted by the disaccreditation of the flood protection system at premium rates that do not exceed those which would be applicable to any property located in an area of special flood hazard, the construction of which was started prior to the effective date of the initial Flood Insurance Rate Map published by the Administrator for the community in which such property is located. A revised Flood Insurance Rate Map shall be prepared for the community to delineate as Zone AR the areas of special flood hazard that result from the disaccreditation of the flood protection system. A community will be considered to be in the process of restoration if—

(1) the flood protection system has been deemed restorable by a Federal agency in consultation with the local project sponsor;

(2) a minimum level of flood protection is still provided to the community by the disaccredited system; and

(3) restoration of the flood protection system is scheduled to occur within a designated time period and in accordance with a progress plan negotiated between the community and the Federal Emergency Management Agency.

Communities that the Administrator of the Federal Emergency Management Agency determines to meet the criteria set forth in paragraphs (1) and (2) as of January 1, 1992, shall not be subject to revised Flood Insurance Rate Maps that contravene the intent of this subsection. Such communities shall remain eligible for C zone rates for properties located in zone AR for any policy written prior to promulgation of final regulations for this section. Floodplain management criteria for such communities shall not require the elevation of improvements to existing structures and shall not exceed 3 feet above existing grade for new construction, provided the base flood elevation based on the disaccredited flood control system does not exceed five feet above existing grade, or the remaining new construction in such communities is limited to infill sites, rehabilitation of existing structures, or redevelopment of previously developed areas.

The Administrator of the Federal Emergency Management Agency shall develop and promul-

gate regulations to implement this subsection, including minimum floodplain management criteria, within 24 months after October 28, 1992.

(g) No extension of subsidy to new policies or lapsed policies

The Administrator shall not provide flood insurance to prospective insureds at rates less than those estimated under subsection (a)(1), as required by paragraph (2) of that subsection, for—

(1) any policy under the flood insurance program that has lapsed in coverage,,[1] unless the decision of the policy holder to permit a lapse in flood insurance coverage was as a result of the property covered by the policy no longer being required to retain such coverage; or

(2) any prospective insured who refuses to accept any offer for mitigation assistance by the Administrator (including an offer to relocate), including an offer of mitigation assistance—

(A) following a major disaster, as defined in section 5122 of this title; or

(B) in connection with—

(i) a repetitive loss property; or

(ii) a severe repetitive loss property.

(h) Definition

In this section, the term ''severe repetitive loss property'' has the following meaning:

(1) Single-family properties

In the case of a property consisting of 1 to 4 residences, such term means a property that—

(A) is covered under a contract for flood insurance made available under this chapter; and

(B) has incurred flood-related damage—

(i) for which 4 or more separate claims payments have been made under flood insurance coverage under this subchapter, with the amount of each such claim exceeding $5,000, and with the cumulative amount of such claims payments exceeding $20,000; or

(ii) for which at least 2 separate claims payments have been made under such coverage, with the cumulative amount of such claims exceeding the value of the property.

(2) Multifamily properties

In the case of a property consisting of 5 or more residences, such term shall have such meaning as the Director[2] shall by regulation provide.

''(i) not later than 30 days after the date of the determination, notify the owner of the flood protection system of the determination and provide the rationale and evidence for the determination; and

''(ii) provide the owner of the flood protection system the opportunity to appeal the determination.

''(2) TERMINATION.—The Administrator shall terminate the eligibility for flood insurance coverage under subsection (a) for persons residing in a community with respect to which the Administrator made a determination under subsection (a) if—

''(A) the Administrator determines that the community has not made adequate continuing progress; or

''(B) on the date that is 5 years after the date on which the reconstruction or construction of the improvement commences, the project has not been completed.

''(3) WAIVER.—A person whose eligibility would otherwise be terminated under paragraph (2)(B) shall continue to be eligible to purchase flood insurance coverage described in subsection (a) if the Administrator determines—

§ 4015. Chargeable premium rates

(a) Establishment; terms and conditions

On the basis of estimates made under section 4014 of this title, and such other information as may be necessary, the Administrator shall from time to time prescribe, after providing notice—

(1) chargeable premium rates for any types and classes of properties for which insurance coverage shall be available under section 4012 of this title (at less than the estimated risk premium rates under section 4014(a)(1) of this title, where necessary), and

(2) the terms and conditions under which, and the areas (including subdivisions thereof) within which, such rates shall apply.

(b) Considerations for rates

Such rates shall, insofar as practicable, be—

(1) based on a consideration of the respective risks involved, including differences in risks due to land use measures, flood-proofing, flood forecasting, and similar measures;

(2) adequate, on the basis of accepted actuarial principles, to provide reserves for anticipated losses, or, if less than such amount, consistent with the objective of making flood insurance available where necessary at reasonable rates so as to encourage prospective insureds to purchase such insurance and with the purposes of this chapter;

(3) adequate, together with the fee under paragraph (1)(B)(iii) or (2) of section 4014(a) of this title, to provide for any administrative expenses of the flood insurance and floodplain management programs (including the costs of mapping activities under section 4101 of this title);

(4) stated so as to reflect the basis for such rates, including the differences (if any) between the estimated risk premium rates under section 4014(a)(1) of this title and the estimated rates under section 4014(a)(2) of this title; and

(5) adequate, on the basis of accepted actuarial principles, to cover the average historical loss year obligations incurred by the National Flood Insurance Fund.

(c) Actuarial rate properties

Subject only to the limitations provided under paragraphs (1) and (2), the chargeable rate shall not be less than the applicable estimated risk premium rate for such area (or subdivision thereof) under section 4014(a)(1) of this title with respect to the following properties:

(1) Post-firm properties

Any property the construction or substantial improvement of which the Administrator determines has been started after December 31, 1974, or started after the effective date of the initial rate map published by the Administrator under paragraph (2) of section 4101 of this title for the area in which such property is located, whichever is later, except that the chargeable rate for properties under this paragraph shall be subject to the limitation under subsection (e) of this section.

(2) Certain leased coastal and river properties

Any property leased from the Federal Government (including residential and nonresidential properties) that the Administrator determines is located on the river-facing side of any dike, levee, or other riverine flood control structure, or seaward of any seawall or other coastal flood control structure.

(d) Payment of certain sums to Administrator; deposits in Fund

With respect to any chargeable premium rate prescribed under this section, a sum equal to the portion of the rate that covers any administrative expenses of carrying out the flood insurance and floodplain management programs which have been estimated under paragraphs (1)(B)(ii) and (1)(B)(iii) of section 4014(a) of this title or paragraph (2) of such section (including the fees under such paragraphs), shall be paid to the Administrator. The Administrator shall deposit the sum in the National Flood Insurance Fund established under section 4017 of this title.

(e) Annual limitation on premium increases

Except with respect to properties described under paragraph (2) of subsection (c) of this section, and notwithstanding any other provision of this chapter—

(1) the chargeable risk premium rate for flood insurance under this chapter for any property may not be increased by more than 18 percent each year, except—

(A) as provided in paragraph (4);

(B) in the case of property identified under section 4014(g) of this title; or

(C) in the case of a property that—

(i) is located in a community that has experienced a rating downgrade under the community rating system program carried out under section 4022(b) of this title;

(ii) is covered by a policy with respect to which the policyholder has—

(I) decreased the amount of the deductible; or

(II) increased the amount of coverage; or

(iii) was misrated;

(2) the chargeable risk premium rates for flood insurance under this chapter for any properties initially rated under section 4014(a)(2) of this title within any single risk classification, excluding properties for which

the chargeable risk premium rate is not less than the applicable estimated risk premium rate under section 4014(a)(1) of this title, shall be increased by an amount that results in an average of such rate increases for properties within the risk classification during any 12-month period of not less than 5 percent of the average of the risk premium rates for such properties within the risk classification upon the commencement of such 12-month period;

(3) the chargeable risk premium rates for flood insurance under this chapter for any properties within any single risk classification may not be increased by an amount that would result in the average of such rate increases for properties within the risk classification during any 12-month period exceeding 15 percent of the average of the risk premium rates for properties within the risk classification upon the commencement of such 12-month period; and

(4) the chargeable risk premium rates for flood insurance under this chapter for any properties described in subparagraphs (A) through (E) of section 4014(a)(2) of this title shall be increased by 25 percent each year, until the average risk premium rate for such properties is equal to the average of the risk premium rates for properties described under paragraph (3).

(f) Adjustment of premium

Notwithstanding any other provision of law, if the Administrator determines that the holder of a flood insurance policy issued under this chapter is paying a lower premium than is required under this section due to an error in the flood plain determination, the Administrator may only prospectively charge the higher premium rate.

(g) Frequency of premium collection

With respect to any chargeable premium rate prescribed under this section, the Administrator shall provide policyholders that are not required to escrow their premiums and fees for flood insurance as set forth under section 4012a of this title with the option of paying their premiums annually or monthly.

(h) Rule of construction

For purposes of this section, the calculation of an ''average historical loss year''—

(1) includes catastrophic loss years; and

(2) shall be computed in accordance with generally accepted actuarial principles.

(i) Rates for properties newly mapped into areas with special flood hazards

Notwithstanding subsection (f), the premium rate for flood insurance under this chapter that is purchased on or after March 21, 2014—

(1) on a property located in an area not previously designated as having special flood hazards and that, pursuant to any issuance, revision, updating, or other change in a flood insurance map, becomes designated as such an area; and

(2) where such flood insurance premium rate is calculated under subsection (a)(1) of section 4014 of this title,

shall for the first policy year be the preferred risk premium for the property and upon renewal shall be calculated in accordance with subsection (e) of this section until the rate reaches the rate calculated under subsection (a)(1) of section 4014 of this title.

(j) Premiums and reports

In setting premium risk rates, in addition to striving to achieve the objectives of this chapter the Administrator shall also strive to minimize the number of policies with annual premiums that exceed one percent of the total coverage provided by the policy. For any policies premiums that exceed this one percent threshold, the Administrator shall report such exceptions to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate.

(k) Consideration of mitigation methods

In calculating the risk premium rate charged for flood insurance for a property under this section, the Administrator shall take into account the implementation of any mitigation method identified by the Administrator in the guidance issued under section 4102(d) of this title.

***(l)* Clear communications**

The Administrator shall clearly communicate full flood risk determinations to individual property owners regardless of whether their premium rates are full actuarial rates.

(m) Protection of small businesses, non-profits, houses of worship, and residences

(1) Report

Not later than 18 months after March 21, 2014,[1] and semiannually thereafter, the Administrator shall monitor and report to Committee on Financial Services of the House Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, the Administrator's assessment of the impact, if any, of the rate increases required under subparagraphs (A) and (D) of section 4014(a)(2) of this title and the surcharges required under section 4015a of this title on the affordability of flood insurance for—

(A) small businesses with less than 100 employees;

(B) non-profit entities;

(C) houses of worship; and

(D) residences with a value equal to or less than 25 percent of the median home value of properties in the State in which the property is located.

(2) Recommendations

If the Administrator determines that the rate increases or surcharges described in paragraph (1) are having a detrimental effect on affordability, including resulting in lapsed policies, late payments, or other criteria related to affordability as identified by the Administrator, for any of the properties identified in subparagraphs (A) through (D) of such paragraph, the Administrator shall, not later than 3 months after making such a determination, make such recommendations as the Administrator considers appropriate to improve af-

§ 4017a. Reserve Fund

(a) Establishment of Reserve Fund

In carrying out the flood insurance program authorized by this subchapter, the Administrator shall establish in the Treasury of the United States a National Flood Insurance Reserve Fund (in this section referred to as the ''Reserve Fund'') which shall—

(1) be an account separate from any other accounts or funds available to the Administrator; and

(2) be available for meeting the expected future obligations of the flood insurance program, including—

(A) the payment of claims;

(B) claims adjustment expenses; and

(C) the repayment of amounts outstanding under any note or other obligation issued by the Administrator under section 4016(a) of this title.

(b) Reserve ratio

Subject to the phase-in requirements under subsection (d), the Reserve Fund shall maintain a balance equal to—

(1) 1 percent of the sum of the total potential loss exposure of all outstanding flood insurance policies in force in the prior fiscal year; or

(2) such higher percentage as the Administrator determines to be appropriate, taking into consideration any circumstance that may raise a significant risk of substantial future losses to the Reserve Fund.

(c) Maintenance of reserve ratio

(1) In general

The Administrator shall have the authority to establish, increase, or decrease the amount of aggregate annual insurance premiums to be collected for any fiscal year necessary—

(A) to maintain the reserve ratio required under subsection (b); and

(B) to achieve such reserve ratio, if the actual balance of such reserve is below the amount required under subsection (b).

(2) Considerations

In exercising the authority granted under paragraph (1), the Administrator shall consider—

(A) the expected operating expenses of the Reserve Fund;

(B) the insurance loss expenditures under the flood insurance program;

(C) any investment income generated under the flood insurance program; and

(D) any other factor that the Administrator determines appropriate.

(3) Limitations

(A) Rates

In exercising the authority granted under paragraph (1), the Administrator shall be subject to all other provisions of this chapter, including any provisions relating to chargeable premium rates or annual increases of such rates.

(B) Use of additional annual insurance premiums

Notwithstanding any other provision of law or any agreement entered into by the Administrator, the Administrator shall ensure that all amounts attributable to the establishment or increase of annual insurance premiums under paragraph (1) are transferred to the Administrator for deposit into the Reserve Fund, to be available for meeting the expected future obligations of the flood insurance program as described in subsection (a)(2).

(4) Deposit of premium surcharges

The Administrator shall deposit in the Reserve Fund any surcharges collected pursuant to section 4015a of this title.

(d) Phase-in requirements

The phase-in requirements under this subsection are as follows:

(1) In general

Beginning in fiscal year 2013 and not ending until the fiscal year in which the ratio required under subsection (b) is achieved, in each such fiscal year the Administrator shall place in the Reserve Fund an amount equal to not less than 7.5 percent of the reserve ratio required under subsection (b).

(2) Amount satisfied

As soon as the ratio required under subsection (b) is achieved, and except as provided in paragraph (3), the Administrator shall not be required to set aside any amounts for the Reserve Fund.

(3) Exception

If at any time after the ratio required under subsection (b) is achieved, the Reserve Fund falls below the required ratio under subsection (b), the Administrator shall place in the Reserve Fund for that fiscal year an amount equal to not less than 7.5 percent of the reserve ratio required under subsection (b).

(e) Limitation on reserve ratio

In any given fiscal year, if the Administrator determines that the reserve ratio required under subsection (b) cannot be achieved, the Administrator shall submit, on a calendar quarterly basis, a report to Congress that—

(1) describes and details the specific concerns of the Administrator regarding the consequences of the reserve ratio not being achieved;

(2) demonstrates how such consequences would harm the long-term financial soundness of the flood insurance program; and

(3) indicates the maximum attainable reserve ratio for that particular fiscal year.

(f) Investment

The Secretary of the Treasury shall invest such amounts of the Reserve Fund as the Secretary determines advisable in obligations issued or guaranteed by the United States.

§ 4021. Participation in State disaster claims mediation programs

(a) Requirement to participate

In the case of the occurrence of a major disaster, as defined in section 5122 of this title, that may have resulted in flood damage covered under the national flood insurance program established under this chapter and other personal lines residential property insurance coverage offered by a State regulated insurer, upon a request made by the insurance commissioner of a State (or such other official responsible for regulating the business of insurance in the State) for the participation of representatives of the Administrator in a program sponsored by such State for nonbinding mediation of insurance claims resulting from a major disaster, the Administrator shall cause representatives of the national flood insurance program to participate in such a State program where claims under the national flood insurance program are involved to expedite settlement of flood damage claims resulting from such disaster.

(b) Extent of participation

In satisfying the requirements of subsection (a), the Administrator shall require that each representative of the Administrator—

(1) be certified for purposes of the national flood insurance program to settle claims against such program resulting from such disaster in amounts up to the limits of policies under such program;

(2) attend State-sponsored mediation meetings regarding flood insurance claims resulting from such disaster at such times and places as may be arranged by the State;

(3) participate in good-faith negotiations toward the settlement of such claims with policyholders of coverage made available under the national flood insurance program; and

(4) finalize the settlement of such claims on behalf of the national flood insurance program with such policyholders.

Nothing in this section shall be construed to require the Administrator or a representative of the Administrator to pay additional mediation fees relating to flood insurance claims associated with a State-sponsored mediation program in which such representative of the Administrator participates.

(i) Exception

In the case of the occurrence of a major disaster that results in flood damage claims under the national flood insurance program and that does not result in any loss covered by a personal lines residential property insurance policy—

(1) this section shall not apply; and

(2) the provisions of the standard flood insurance policy under the national flood insurance program and the appeals process established under section 205 of the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004 (42 U.S.C. 4011 note) and the regulations issued pursuant to such section shall apply exclusively.

PRIOR PROVISIONS

A prior section 4021, Pub. L. 90–448, title XIII, § 1314, Aug. 1, 1968, 82 Stat. 579, which denied Federal disaster assistance after Dec. 31, 1973, to persons who for a period of a year or more could have purchased flood insurance but did not do so, and defined ''Federal disaster assistance'' and ''financial assistance'', was repealed by Pub. L. 93–234, title II, § 203, Dec. 31, 1973, 87 Stat. 982.

§ 4022. State and local land use controls

(a) Requirement for participation in flood insurance program

(1) In general

After December 31, 1971, no new flood insurance coverage shall be provided under this chapter in any area (or subdivision thereof) unless an appropriate public body shall have adopted adequate land use and control measures (with effective enforcement provisions) which the Administrator finds are consistent with the comprehensive criteria for land management and use under section 4102 of this title.

(2) Agricultural structures

(A) Activity restrictions

Notwithstanding any other provision of law, the adequate land use and control measures required to be adopted in an area (or subdivision thereof) pursuant to paragraph (1) may provide, at the discretion of the appropriate State or local authority, for the repair and restoration to predamaged conditions of an agricultural structure that—

(i) is a repetitive loss structure; or

(ii) has incurred flood-related damage to the extent that the cost of restoring the structure to its predamaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

(B) Premium rates and coverage

To the extent applicable, an agricultural structure repaired or restored pursuant to subparagraph (A) shall pay chargeable premium rates established under section 4015 of this title at the estimated risk premium rates under section 4014(a)(1) of this title. If resources are available, the Administrator shall provide technical assistance and counseling, upon request of the owner of the structure, regarding wet flood-proofing and other flood damage reduction measures for agricultural structures. The Administrator shall not be required to make flood insurance coverage available for such an agricultural structure unless the structure is wet flood-proofed through permanent or contingent measures applied to the structure or its contents that prevent or provide resistance to damage from flooding by allowing flood waters to pass through the structure, as determined by the Administrator.

(C) Prohibition on disaster relief

Notwithstanding any other provision of law, any agricultural structure repaired or restored pursuant to subparagraph (A) shall not be eligible for disaster relief assistance under any program administered by the Administrator or any other Federal agency.

(D) Definitions

For purposes of this paragraph—

(i) the term ''agricultural structure'' means any structure used exclusively in connection with the production, harvesting, storage, raising, or drying of agricultural commodities; and

(ii) the term ''agricultural commodities'' means agricultural commodities and livestock.

(b) Community rating system and incentives for community floodplain management

(1) Authority and goals

The Administrator shall carry out a community rating system program, under which communities participate voluntarily—

(A) to provide incentives for measures that reduce the risk of flood or erosion damage that exceed the criteria set forth in section 4102 of this title and evaluate such measures;

(B) to encourage adoption of more effective measures that protect natural and beneficial floodplain functions;

(C) to encourage floodplain and erosion management; and

(D) to promote the reduction of Federal flood insurance losses.

(2) Incentives

The program shall provide incentives in the form of credits on premium rates for flood insurance coverage in communities that the Administrator determines have adopted and enforced measures that reduce the risk of flood and erosion damage that exceed the criteria set forth in section 4102 of this title. In providing incentives under this paragraph, the Administrator may provide for credits to flood insurance premium rates in communities that the Administrator determines have implemented measures that protect natural and beneficial floodplain functions.

(3) Credits

The credits on premium rates for flood insurance coverage shall be based on the esti-

mated reduction in flood and erosion damage risks resulting from the measures adopted by the community under this program. If a community has received mitigation assistance under section 4104c of this title, the credits shall be phased in a manner, determined by the Administrator, to recover the amount of such assistance provided for the community.

(4) Reports

Not later than 2 years after September 23, 1994, and not less than every 2 years thereafter, the Administrator shall submit a report to the Congress regarding the program under this subsection. Each report shall include an analysis of the cost-effectiveness of the program, any other accomplishments or shortcomings of the program, and any recommendations of the Administrator for legislation regarding the program.

(c) Replacement of mobile homes on original sites

(1) Community participation

The placement of any mobile home on any site shall not affect the eligibility of any community to participate in the flood insurance program under this chapter and the Flood Disaster Protection Act of 1973 (notwithstanding that such placement may fail to comply with any elevation or flood damage mitigation requirements), if—

(A) such mobile home was previously located on such site;

(B) such mobile home was relocated from such site because of flooding that threatened or affected such site; and

(C) such replacement is conducted not later than the expiration of the 180-day period that begins upon the subsidence (in the area of such site) of the body of water that flooded to a level considered lower than flood levels.

(2) Definition

For purposes of this subsection, the term ''mobile home'' has the meaning given such term in the law of the State in which the mobile home is located.

(c) Excess loss agreement; negotiation

The Administrator is authorized to negotiate an excess loss agreement, from time to time, under which the amount of flood insurance retained by the pool, after ceding reinsurance, shall be adequate to further the purposes of this chapter, consistent with the objective of maintaining appropriate financial participation and risk sharing to the maximum extent practicable on the part of participating insurance companies and other insurers.

(d) Submission of excess losses on portfolio basis

In this section:

(1) Administrator

The term ''Administrator'' means the Administrator of the Federal Emergency Management Agency.

(2) COASTAL Formula

The term ''COASTAL Formula'' means the formula established under subsection (b).

(3) Coastal State

The term ''coastal State'' has the meaning given the term ''coastal state'' in section 1453 of title 16.

(4) Indeterminate loss

(A) In general

The term ''indeterminate loss'' means, as determined by an insurance claims adjuster certified under the national flood insurance program and in consultation with an engineer as appropriate, a loss resulting from physical damage to, or loss of, property located in any coastal State arising from the combined perils of flood and wind associated with a named storm.

(B) Requirements

An insurance claims adjuster certified under the national flood insurance program shall only determine that a loss is an indeterminate loss if the claims adjuster determines that—

(i) no material remnant of physical buildings or man-made structures remain except building foundations for the specific property for which the claim is made; and

(ii) there is insufficient or no tangible evidence created, yielded, or otherwise left behind of the specific property for which the claim is made as a result of the named storm.

(5) Named storm

The term ''named storm'' means any organized weather system with a defined surface circulation and maximum winds of not less than 39 miles per hour which the National Hurricane Center of the United States National Weather Service names as a tropical storm or a hurricane.

(6) Post-storm assessment

The term ''post-storm assessment'' means the post-storm assessment developed under section 3611(b) of title 33.

(7) State

The term ''State'' means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and any other territory or possession of the United States.

(11) Under Secretary

The term ''Under Secretary'' means the Under Secretary of Commerce for Oceans and Atmosphere, in the Under Secretary's capacity as Administrator of the National Oceanic and Atmospheric Administration.

(b) Establishment of flood loss allocation formula for indeterminate claims

(1) In general

Not later than 180 days after the date on which the protocol is established under section 3611(c)(1) of title 33, the Secretary, acting through the Administrator and in consultation with the Under Secretary, shall establish by rule a standard formula to determine and allocate wind losses and flood losses for claims involving indeterminate losses.

(2) Contents

The standard formula established under paragraph (1) shall—

(A) incorporate data available from the Coastal Wind and Water Event Database established under section 3611(f) of title 33;

(B) use relevant data provided on the National Flood Insurance Program Elevation Certificate for each indeterminate loss for which the formula is used;

(C) consider any sufficient and credible evidence, approved by the Administrator, of the pre-event condition of a specific property, including the findings of any policyholder or insurance claims adjuster in connection with the indeterminate loss to that specific property;

(D) include other measures, as the Administrator considers appropriate, required to determine and allocate by mathematical formula the property damage caused by flood or storm surge associated with a named storm; and

(E) subject to paragraph (3), for each indeterminate loss, use the post-storm assessment to allocate water damage (flood or storm surge) associated with a named storm.

(3) Degree of accuracy required

The standard formula established under paragraph (1) shall specify that the Administrator may only use the post-storm assessment for purposes of the formula if the Under Secretary certifies that the post-storm assessment has a degree of accuracy of not less than 90 percent in connection with the specific indeterminate loss for which the assessment and formula are used.

(c) Authorized use of post-storm assessment and COASTAL Formula

(1) In general

Subject to paragraph (3), the Administrator may use the post-storm assessment and the COASTAL Formula to—

(A) review flood loss payments for indeterminate losses, including as part of the quality assurance reinspection program of the Federal Emergency Management Agency for claims under the national flood insurance program and any other process approved by the Administrator to review and validate payments under the national flood insurance program for indeterminate losses following a named storm; and

(B) assist the national flood insurance program to—

(i) properly cover qualified flood loss for claims for indeterminate losses; and

(ii) avoid paying for any loss or damage to property caused by any peril (including wind), other than flood or storm surge, that is not covered under a standard policy under the national flood insurance program.

(2) Federal disaster declaration

Subject to paragraph (3), in order to expedite claims and reduce costs to the national flood insurance program, following any major disaster declared by the President under section 5170 of this title relating to a named storm in a coastal State, the Administrator may use the COASTAL Formula to determine and pay for any flood loss covered under a standard insurance policy under the national flood insurance program, if the loss is an indeterminate loss.

(3) National Academy of Sciences evaluation

(A) Evaluation required

(i) Evaluation

Upon the issuance of the rule establishing the COASTAL Formula, and each time the Administrator modifies the COASTAL Formula, the National Academy of Sciences shall—

(I) evaluate the expected financial impact on the national flood insurance program of the use of the COASTAL Formula as so established or modified; and

(II) evaluate the validity of the scientific assumptions upon which the formula is based and determine whether the COASTAL formula[1] can achieve a degree of accuracy of not less than 90 percent in allocating flood losses for indeterminate losses.

(ii) Report

The National Academy of Sciences shall submit a report containing the results of each evaluation under clause (i) to the Administrator, the Committee on Banking, Housing, and Urban Affairs and the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Financial Services and the Committee on Science, Space, and Technology of the House of Representatives.

(B) Effective date and applicability

(i) Effective date

Paragraphs (1) and (2) of this subsection shall not take effect unless the report under subparagraph (A) relating to the establishment of the COASTAL Formula concludes that the use of the COASTAL Formula for purposes of paragraph[2] (1) and (2) would not have an adverse financial impact on the national flood insurance program and that the COASTAL Formula is based on valid scientific assumptions that would allow a degree of accuracy of not less than 90 percent to be achieved in allocating flood losses for indeterminate losses.

(ii) Effect of modifications

Unless the report under subparagraph (A) relating to a modification of the COASTAL Formula concludes that the use of the COASTAL Formula, as so modified, for purposes of paragraphs (1) and (2) would not have an adverse financial impact on the national flood insurance program and that the COASTAL Formula is based on valid scientific assumptions that would allow a degree of accuracy of not less than 90 percent to be achieved in allocating flood losses for indeterminate losses the Administrator may not use the COASTAL Formula, as so modified, for purposes of paragraphs (1) and (2).

---

[1] So in original. Probably should be capitalized.

[2] So in original. Probably should be ''paragraphs''.

(C) Funding

Notwithstanding section 4017 of this title, there shall be available to the Administrator from the National Flood Insurance Fund, of amounts not otherwise obligated, not more than $750,000 to carry out this paragraph.

(d) Disclosure of COASTAL Formula

Not later than 30 days after the date on which a post-storm assessment is submitted to the Secretary under section 3611(b)(2)(C) of title 33, for each indeterminate loss for which the COASTAL Formula is used pursuant to subsection (c)(2), the Administrator shall disclose to the policyholder that makes a claim relating to the indeterminate loss—

(1) that the Administrator used the COASTAL Formula with respect to the indeterminate loss; and

(2) a summary of the results of the use of the COASTAL Formula.

(f) Recordkeeping

Each consideration and measure the Administrator determines necessary to carry out subsection (b) may be required, with advanced approval of the Administrator, to be provided for on the National Flood Insurance Program Elevation Certificate, or maintained otherwise on record if approved by the Administrator, for any property that qualifies for the COASTAL Formula under subsection (c).

(g) Civil penalty

(1) In general

§ 4104. Flood elevation determinations

(a) Publication or notification of proposed flood elevation determinations

In establishing projected flood elevations and designating areas having special flood hazards for land use purposes with respect to any community pursuant to section 4102 of this title, the Administrator shall first propose such determinations and designations by publication for comment in the Federal Register, by direct notification to the chief executive officer of the community, and by publication in a prominent local newspaper.

(b) Publication of flood elevation determinations; appeal of owner or lessee to local government; scientific or technical knowledge or information as basis for appeal; modification of proposed determinations

The Administrator shall publish notification of flood elevation determinations and designations of areas having special flood hazards in a prominent local newspaper at least twice during the ten-day period following notification to the local government. During the ninety-day period following the second publication, any owner or lessee of real property within the community who believes his property rights to be adversely affected by the Administrator's proposed determination may appeal such determination to the local government. The sole grounds for appeal shall be the possession of knowledge or information indicating that (1) the elevations being proposed by the Administrator with respect to an identified area having special flood hazards are scientifically or technically incorrect, or (2) the designation of an identified special flood hazard area is scientifically or technically incorrect.

(c) Appeals by private persons; submission of negativing or contradicting data to community; opinion of community respecting justification for appeal by community; transmission of individual appeals to Administrator; filing of community action with Administrator

Appeals by private persons shall be made to the chief executive officer of the community, or to such agency as he shall publicly designate, and shall set forth the data that tend to negate or contradict the Administrator's finding in such form as the chief executive officer may specify. The community shall review and consolidate all such appeals and issue a written opinion stating whether the evidence presented is sufficient to justify an appeal on behalf of such persons by the community in its own name. Whether or not the community decides to appeal the Administrator's determination, copies of individual appeals shall be sent to the Administrator as they are received by the community, and the community's appeal or a copy of its decision not to appeal shall be filed with the Administrator not later than ninety days after the date of the second newspaper publication of the Administrator's notification.

(d) Administrative review of appeals by private persons; modification of proposed determinations; decision of Administrator: form and distribution

In the event the Administrator does not receive an appeal from the community within the ninety days provided, he shall consolidate and review on their own merits, in accordance with the procedures set forth in subsection (e) of this section, the appeals filed within the community by private persons and shall make such modifications of his proposed determinations as may be appropriate, taking into account the written opinion, if any, issued by the community in not supporting such appeals. The Administrator's decision shall be in written form, and copies thereof shall be sent both to the chief executive officer of the community and to each individual appellant.

(e) Administrative review of appeals by community; agencies for resolution of conflicting data; availability of flood insurance pending such resolution; time for determination of Administrator; community adoption of local land use and control measures within reasonable time of final determination; public inspection and admissibility in evidence of reports and other administrative information

Upon appeal by any community, as provided by this section, the Administrator shall review and take fully into account any technical or scientific data submitted by the community that tend to negate or contradict the information upon which his proposed determination is based. The Administrator shall resolve such appeal by consultation with officials of the local government involved, by administrative hearing, or by submission of the conflicting data to the Scientific Resolution Panel provided for in section 4104–1 of this title. Until the conflict in data is resolved, and the Administrator makes a final determination on the basis of his findings in the Federal Register, and so notifies the governing body of the community, flood insurance previously available within the community shall continue to be available, and no person shall be denied the right to purchase such insurance at chargeable rates. The Administrator shall make his determination within a reasonable time. The community shall be given a reasonable time after the Administrator's final determination in which to adopt local land use and control measures consistent with the Administrator's determination. The reports and other information used by the Administrator in making his final determination shall be made available for public inspection and shall be admissible in a court of law in the event the community seeks judicial review as provided by this section.

(f) Reimbursement of certain expenses

When, incident to any appeal under subsection (b) or (c) of this section, the owner or lessee of real property or the community, as the case may be, or, in the case of an appeal that is resolved by submission of conflicting data to the Scientific Resolution Panel provided for in section 4104–1 of this title, the community, incurs expense in connection with the services of surveyors, engineers, or similar services, but not including legal services, in the effecting of an appeal based on a scientific or technical error on the part of the Federal Emergency Management Agency, which is successful in whole or part, the Administrator shall reimburse such individual or community to an extent measured by the ratio of the successful portion of the appeal as compared to the entire appeal and applying such ratio to the reasonable value of all such services, but no reimbursement shall be made by the Administrator in respect to any fee or expense payment, the payment of which was agreed to be contingent upon the result of the appeal. The Administrator may use such amounts from the National Flood Insurance Fund established under section 4017 of this title as may be necessary to carry out this subsection. The Administrator shall promulgate regulations to carry out this subsection.

(g) Judicial review of final administrative determinations; venue; time for appeal; scope of review; good cause for stay of final determinations

Except as provided in section 4104–1 of this title, any appellant aggrieved by any final determination of the Administrator upon administrative appeal, as provided by this section, may appeal such determination to the United States district court for the district within which the community is located not more than sixty days after receipt of notice of such determination. The scope of review by the court shall be as provided by chapter 7 of title 5. During the pendency of any such litigation, all final determinations of the Administrator shall be effective for the purposes of this chapter unless stayed by the court for good cause shown.

§ 4104–1. Scientific Resolution Panel

(a) Availability

(1) In general

Pursuant to the authority provided under section 4104(e) of this title, the Administrator shall make available an independent review panel, to be known as the Scientific Resolution Panel, to any community—

(A) that has—

(i) filed a timely map appeal in accordance with section 4104 of this title;

(ii) completed 60 days of consultation with the Federal Emergency Management Agency on the appeal; and

(iii) not allowed more than 120 days, or such longer period as may be provided by the Administrator by waiver, to pass since the end of the appeal period; or

(B) that has received an unsatisfactory ruling under the map revision process established pursuant to section 4101(f) of this title.

(2) Appeals by owners and lessees

If a community and an owner or lessee of real property within the community appeal a proposed determination of a flood elevation under section 4104(b) of this title, upon the request of the community—

(A) the owner or lessee shall submit scientific and technical data relating to the appeals to the Scientific Resolution Panel; and

(B) the Scientific Resolution Panel shall make a determination with respect to the appeals in accordance with subsection (c).

(3) Definition

For purposes of paragraph (1)(B), an ''unsatisfactory ruling'' means that a community—

(A) received a revised Flood Insurance Rate Map from the Federal Emergency Management Agency, via a Letter of Final Determination, after September 30, 2008, and prior to July 6, 2012;

(B) has subsequently applied for a Letter of Map Revision or Physical Map Revision with the Federal Emergency Management Agency; and

(C) has received an unfavorable ruling on their request for a map revision.

(b) Membership

The Scientific Resolution Panel made available under subsection (a) shall consist of 5 members with expertise that relates to the creation and study of flood hazard maps and flood insurance. The Scientific Resolution Panel may include representatives from Federal agencies not involved in the mapping study in question and from other impartial experts. Employees of the Federal Emergency Management Agency may not serve on the Scientific Resolution Panel.

(c) Determination

(1) In general

Following deliberations, and not later than 90 days after its formation, the Scientific Resolution Panel shall issue a determination of resolution of the dispute. Such determination shall set forth recommendations for the base flood elevation determination or the designation of an area having special flood hazards that shall be reflected in the Flood Insurance Rate Maps.

(2) Basis

The determination of the Scientific Resolution Panel shall be based on—

(A) data previously provided to the Administrator by the community, and, in the case of a dispute submitted under subsection (a)(2), an owner or lessee of real property in the community; and

(B) data provided by the Administrator.

(3) No alternative determinations permissible

The Scientific Resolution Panel—

(A) shall provide a determination of resolution of a dispute that—

(i) is either in favor of the Administrator or in favor of the community on each distinct element of the dispute; or

(ii) in the case of a dispute submitted under subsection (a)(2), is in favor of the Administrator, in favor of the community, or in favor of the owner or lessee of real property in the community on each distinct element of the dispute; and

(B) may not offer as a resolution any other alternative determination.

(4) Effect of determination

(A) Binding

The recommendations of the Scientific Resolution Panel shall be binding on all appellants and not subject to further judicial review unless the Administrator determines that implementing the determination of the panel would—

(i) pose a significant threat due to failure to identify a substantial risk of special flood hazards; or

(ii) violate applicable law.

(B) Written justification not to enforce

If the Administrator elects not to implement the determination of the Scientific Resolution Panel pursuant to subparagraph (A), then not later than 60 days after the issuance of the determination, the Administrator shall issue a written justification explaining such election.

(C) Appeal of determination not to enforce

If the Administrator elects not to implement the determination of the Scientific Resolution Panel pursuant to subparagraph (A), the community may appeal the determination of the Administrator as provided for under section 4104(g) of this title.

(d) Maps used for insurance and mandatory purchase requirements

With respect to any community that has a dispute that is being considered by the Scientific Resolution Panel formed pursuant to this subsection, the Federal Emergency Management Agency shall ensure that for each such community that—

(1) the Flood Insurance Rate Map described in the most recently issued Letter of Final Determination shall be in force and effect with respect to such community; and

(2) flood insurance shall continue to be made available to the property owners and residents of the participating community.

(a) Notification of special flood hazards

(1) Regulated lending institutions

Each Federal entity for lending regulation (after consultation and coordination with the Financial Institutions Examination Council) shall by regulation require regulated lending institutions, as a condition of making, increasing, extending, or renewing any loan secured by improved real estate or a mobile home that the regulated lending institution determines is located or is to be located in an area that has been identified by the Administrator under this chapter or the Flood Disaster Protection Act of 1973 as an area having special flood hazards, to notify the purchaser or lessee (or obtain satisfactory assurances that the seller or lessor has notified the purchaser or lessee) and the servicer of the loan of such special flood hazards, in writing, a reasonable period in advance of the signing of the purchase agreement, lease, or other documents involved in the transaction. The regulations shall also require that the regulated lending institution retain a record of the receipt of the notices by the purchaser or lessee and the servicer.

(2) Federal agency lenders

Each Federal agency lender shall by regulation require notification in the manner provided under paragraph (1) with respect to any loan that is made by the Federal agency lender and secured by improved real estate or a mobile home located or to be located in an area that has been identified by the Administrator under this chapter or the Flood Disaster Protection Act of 1973 as an area having special flood hazards. Any regulations issued under this paragraph shall be consistent with and substantially identical to the regulations issued under paragraph (1).

(3) Contents of notice

Written notification required under this subsection shall include—

(A) a warning, in a form to be established by the Administrator, stating that the building on the improved real estate securing the loan is located, or the mobile home securing the loan is or is to be located, in an area having special flood hazards;

(B) a description of the flood insurance purchase requirements under section 102(b) of the Flood Disaster Protection Act of 1973 [42 U.S.C. 4012a(b)];

(C) a statement that flood insurance coverage may be purchased under the national flood insurance program and is also available from private insurers, as required under section 102(b)(6) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4012a(b)(6)); and

(D) any other information that the Administrator considers necessary to carry out the purposes of the national flood insurance program.

(b) Notification of change of servicer

(1) Lending institutions

Each Federal entity for lending regulation (after consultation and coordination with the Financial Institutions Examination Council) shall by regulation require regulated lending institutions, in connection with the making, increasing, extending, renewing, selling, or transferring any loan described in subsection (a)(1) of this section, to notify the Administrator (or the designee of the Administrator) in writing during the term of the loan of the servicer of the loan. Such institutions shall also notify the Administrator (or such designee) of any change in the servicer of the loan, not later than 60 days after the effective date of such change. The regulations under this subsection shall provide that upon any change in the servicing of a loan, the duty to provide notification under this subsection shall transfer to the transferee servicer of the loan.

(2) Federal agency lenders

Each Federal agency lender shall by regulation provide for notification in the manner provided under paragraph (1) with respect to any loan described in subsection (a)(1) of this section that is made by the Federal agency lender. Any regulations issued under this paragraph shall be consistent with and substantially identical to the regulations issued under paragraph (1) of this subsection.

(c) Notification of expiration of insurance

The Administrator (or the designee of the Administrator) shall, not less than 45 days before the expiration of any contract for flood insurance under this chapter, issue notice of such expiration by first class mail to the owner of the property covered by the contract, the servicer of any loan secured by the property covered by the contract, and (if known to the Administrator) the owner of the loan.

§ 4104b. Standard hazard determination forms

(a) Development

The Administrator, in consultation with representatives of the mortgage and lending industry, the Federal entities for lending regulation, the Federal agency lenders, and any other appropriate individuals, shall develop a standard form for determining, in the case of a loan secured by improved real estate or a mobile home, whether the building or mobile home is located in an area identified by the Administrator as an area having special flood hazards and in which flood insurance under this chapter is available. The form shall be established by regulations issued not later than 270 days after September 23, 1994.

(b) Design and contents

(1) Purpose

The form under subsection (a) of this section shall be designed to facilitate compliance with the flood insurance purchase requirements of this chapter.

(2) Contents

The form shall require identification of the type of flood-risk zone in which the building or mobile home is located, the complete map and panel numbers for the improved real estate or property on which the mobile home is located, the community identification number and community participation status (for purposes of the national flood insurance program) of the community in which the improved real estate or such property is located, and the date of the map used for the determination, with respect to flood hazard information on file with the Administrator. If the building or mobile home is not located in an area having special flood hazards the form shall require a statement to such effect and shall indicate the complete map and panel numbers of the improved real estate or property on which the mobile home is located. If the complete map and panel numbers are not available because the building or mobile home is not located in a community that is participating in the national flood insurance program or because no map exists for the relevant area, the form shall require a statement to such effect. The form shall provide for inclusion or attachment of any relevant documents indicating revisions or amendments to maps.

(c) Required use

The Federal entities for lending regulation shall by regulation require the use of the form under this section by regulated lending institutions. Each Federal agency lender shall by regulation provide for the use of the form with respect to any loan made by such Federal agency lender. The Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation and the Government National Mortgage Association shall require the use of the form with respect to any loan purchased by such entities. A lender or other person may comply with the requirement under this subsection by using the form in a printed, computerized, or electronic manner.

(d) Guarantees regarding information

In providing information regarding special flood hazards on the form developed under this section, any lender (or other person required to use the form) who makes, increases, extends, or renews a loan secured by improved real estate or a mobile home may provide for the acquisition or determination of such information to be made by a person other than such lender (or other person), only to the extent such person guarantees the accuracy of the information.

(e) Reliance on previous determination

Any person increasing, extending, renewing, or purchasing a loan secured by improved real estate or a mobile home may rely on a previous determination of whether the building or mobile home is located in an area having special flood hazards (and shall not be liable for any error in such previous determination), if the previous determination was made not more than 7 years before the date of the transaction and the basis for the previous determination has been set forth on a form under this section, unless—

(1) map revisions or updates pursuant to section 4101(f) of this title after such previous determination have resulted in the building or mobile home being located in an area having special flood hazards; or

(2) the person contacts the Administrator to determine when the most recent map revisions or updates affecting such property occurred and such revisions and updates have occurred after such previous determination.

(f) Effective date

The regulations under this section requiring use of the form established pursuant to this section shall be issued together with the regulations required under subsection (a) of this section and shall take effect upon the expiration of the 180-day period beginning on such issuance.

§ 4104c. Mitigation assistance

(a) Authority

The Administrator shall carry out a program to provide financial assistance to States and communities, using amounts made available from the National Flood Mitigation Fund under section 4104d of this title, for planning and carrying out activities designed to reduce the risk of flood damage to structures covered under contracts for flood insurance under this chapter. Such financial assistance shall be made available—

(1) to States and communities in the form of grants under this section for carrying out mitigation activities;

(2) to States and communities in the form of grants under this section for carrying out mitigation activities that reduce flood damage to severe repetitive loss structures; and

(3) to property owners in the form of direct grants under this section for carrying out mitigation activities that reduce flood damage to individual structures for which 2 or more claim payments for losses have been made under flood insurance coverage under this chapter if the Administrator, after consultation with the State and community, determines that neither the State nor community in which such a structure is located has the capacity to manage such grants.

(b) Eligibility for mitigation assistance

To be eligible to receive financial assistance under this section for mitigation activities, a State or community shall develop, and have approved by the Administrator, a flood risk mitigation plan (in this section referred to as a ''mitigation plan''), that describes the mitigation activities to be carried out with assistance provided under this section, is consistent with the criteria established by the Administrator under section 4102 of this title, provides for reduction of flood losses to structures for which contracts for flood insurance are available under this chapter, and may be included in a multihazard mitigation plan. The mitigation plan shall be consistent with a comprehensive strategy for mitigation activities for the area affected by the mitigation plan, that has been adopted by the State or community following a public hearing.

(c) Eligible mitigation activities

(1) Requirement of consistency with approved mitigation plan

Amounts provided under this section may be used only for mitigation activities that are consistent with mitigation plans that are approved by the Administrator and identified under paragraph (4). The Administrator shall provide assistance under this section to the extent amounts are available in the National Flood Mitigation Fund pursuant to appropriation Acts, subject only to the absence of approvable mitigation plans.

(2) Requirements of technical feasibility, cost effectiveness, and interest of National Flood Insurance Fund

(A) In general

The Administrator may approve only mitigation activities that the Administrator determines—

(i) are technically feasible and cost-effective; or

(ii) will eliminate future payments from the National Flood Insurance Fund for se-

vere repetitive loss structures through an acquisition or relocation activity.

(B) Considerations

In making a determination under subparagraph (A), the Administrator shall take into consideration recognized ancillary benefits.

(3) Eligible activities

Eligible activities under a mitigation plan may include—

(A) demolition or relocation of any structure located on land that is along the shore of a lake or other body of water and is certified by an appropriate State or local land use authority to be subject to imminent collapse or subsidence as a result of erosion or flooding;

(B) elevation, relocation, demolition, or floodproofing of structures (including public structures) located in areas having special flood hazards or other areas of flood risk;

(C) acquisition by States and communities of properties (including public properties) located in areas having special flood hazards or other areas of flood risk and properties substantially damaged by flood, for public use, as the Administrator determines is consistent with sound land management and use in such area;

(D) elevation, relocation, or floodproofing of utilities (including equipment that serves structures);

(E) minor physical mitigation efforts that do not duplicate the flood prevention activities of other Federal agencies and that lessen the frequency or severity of flooding and decrease predicted flood damages, which shall not include major flood control projects such as dikes, levees, seawalls, groins, and jetties unless the Administrator specifically determines in approving a mitigation plan that such activities are the most cost-effective mitigation activities for the National Flood Mitigation Fund;

(F) the development or update of mitigation plans by a State or community which meet the planning criteria established by the Administrator, except that the amount from grants under this section that may be used under this subparagraph may not exceed $50,000 for any mitigation plan of a State or $25,000 for any mitigation plan of a community;

(G) the provision of technical assistance by States to communities and individuals to conduct eligible mitigation activities;

(H) other activities that the Administrator considers appropriate and specifies in regulation;

(I) other mitigation activities not described in subparagraphs (A) through (G) or the regulations issued under subparagraph (H), that are described in the mitigation plan of a State or community; and

(J) without regard to the requirements under paragraphs (1) and (2) of subsection (d), and if the State applied for and was awarded at least $1,000,000 in grants available under this section in the prior fiscal year, technical assistance to communities to identify eligible activities, to develop grant applications, and to implement grants awarded under this section, not to exceed $50,000 to any 1 State in any fiscal year.

(4) Eligibility of demolition and rebuilding of properties

The Administrator shall consider as an eligible activity the demolition and rebuilding of properties to at least base flood elevation or greater, if required by the Administrator or if required by any State regulation or local ordinance, and in accordance with criteria established by the Administrator.

(d) Matching requirement

The Administrator may provide grants for eligible mitigation activities as follows:

(1) Severe repetitive loss structures

In the case of mitigation activities to severe repetitive loss structures, in an amount up to—

(A) 100 percent of all eligible costs, if the activities are approved under subsection (c)(2)(A)(i); or

(B) the expected savings to the National Flood Insurance Fund from expected avoided damages through acquisition or relocation activities, if the activities are approved under subsection (c)(2)(A)(ii).

(2) Repetitive loss structures

In the case of mitigation activities to repetitive loss structures, in an amount up to 90 percent of all eligible costs.

(3) Other mitigation activities

In the case of all other mitigation activities, in an amount up to 75 percent of all eligible costs.

(e) Recapture

(1) Noncompliance with plan

If the Administrator determines that a State or community that has received mitigation assistance under this section has not carried out the mitigation activities as set forth in the mitigation plan, the Administrator shall recapture any unexpended amounts and deposit the amounts in the National Flood Mitigation Fund under section 4104d of this title.

(2) Failure to provide matching funds

If the Administrator determines that a State or community that has received mitigation assistance under this section has not provided matching funds in the amount required under subsection (d) of this section, the Administrator shall recapture any unexpended amounts of mitigation assistance exceeding the amount of such matching funds actually provided and deposit the amounts in the National Flood Mitigation Fund under section 4104d of this title.

(f) Reports

Not later than 1 year after July 6, 2012, and biennially thereafter, the Administrator shall submit a report to the Congress describing the status of mitigation activities carried out with assistance provided under this section.

(g) Failure to make grant award within 5 years

For any application for a grant under this section for which the Administrator fails to make

a grant award within 5 years of the date of the application, the grant application shall be considered to be denied and any funding amounts allocated for such grant applications shall remain in the National Flood Mitigation Fund under section 4104d of this title and shall be made available for grants under this section.

(h) Definitions

For purposes of this section, the following definitions shall apply:

(1) Community

The term ''community'' means—

(A) a political subdivision that—

(i) has zoning and building code jurisdiction over a particular area having special flood hazards; and

(ii) is participating in the national flood insurance program; or

(B) a political subdivision of a State, or other authority, that is designated by political subdivisions, all of which meet the requirements of subparagraph (A), to administer grants for mitigation activities for such political subdivisions.

(2) Repetitive loss structure

The term ''repetitive loss structure'' has the meaning given such term in section 4121 of this title.

(3) Severe repetitive loss structure

The term ''severe repetitive loss structure'' means a structure that—

(A) is covered under a contract for flood insurance made available under this chapter; and

(B) has incurred flood-related damage—

(i) for which 4 or more separate claims payments have been made under flood insurance coverage under this chapter, with the amount of each such claim exceeding $5,000, and with the cumulative amount of such claims payments exceeding $20,000; or

(ii) for which at least 2 separate claims payments have been made under such coverage, with the cumulative amount of such claims exceeding the value of the insured structure.
