§ 8106. Partial disability

(a) If the disability is partial, the United States shall pay the employee during the disability monthly monetary compensation equal to 66 2/3 percent of the difference between his monthly pay and his monthly wage-earning capacity after the beginning of the partial disability, which is known as his basic compensation for partial disability.

(b) The Secretary of Labor may require a partially disabled employee to report his earnings from employment or self-employment, by affidavit or otherwise, in the manner and at the times the Secretary specifies. The employee shall include in the affidavit or report the value of housing, board, lodging, and other advantages which are part of his earnings in employment or self-employment and which can be estimated in money. An employee who—

(1) fails to make an affidavit or report when required; or
(2) knowingly omits or understates any part of his earnings;

forfeits his right to compensation with respect to any period for which the affidavit or report was required. Compensation forfeited under this subsection, if already paid, shall be recovered by a deduction from the compensation payable to the employee or otherwise recovered under section 8129 of this title, unless recovery is waived under that section.

(c) A partially disabled employee who—

(1) refuses to seek suitable work; or
(2) refuses or neglects to work after suitable work is offered to, procured by, or secured for him;

is not entitled to compensation.

(Pub. L. 89–554, Sept. 6, 1966, 80 Stat. 536.)

HISTORICAL AND REVISION NOTES

In subsection (a), the words “Except as otherwise provided in sections 751–756, 757–781, 783–791, and 793 of this title” are omitted as surplusage.

In subsection (b), the word “remuneration” is omitted as covered by the word “earnings”.

Administration of this subchapter was transferred to the Secretary of Labor by section 1 of 1950 Reorg. Plan No. 19, 64 Stat. 1271 (see section 8145).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

§ 8107. Compensation schedule

(a) If there is permanent disability involving the loss, or loss of use, of a member or function of the body or involving disfigurement, the employee is entitled to basic compensation for the disability, as provided by the schedule in subsection (c) of this section, at the rate of 66 2/3 percent of his monthly pay. The basic compensation is—
(1) payable regardless of whether the cause of the disability originates in a part of the body other than that member;  
(2) payable regardless of whether the disability also involves another impairment of the body; and  
(3) in addition to compensation for temporary total or temporary partial disability.  
(b) With respect to any period after payments under subsection (a) of this section have ended, an employee is entitled to compensation as provided by—  
(1) section 8105 of this title if the disability is total; or  
(2) section 8106 of this title if the disability is partial.  
(c) The compensation schedule is as follows:  
(1) Arm lost, 312 weeks’ compensation.  
(2) Leg lost, 288 weeks’ compensation.  
(3) Hand lost, 214 weeks’ compensation.  
(4) Foot lost, 205 weeks’ compensation.  
(5) Eye lost, 160 weeks’ compensation.  
(6) Thumb lost, 75 weeks’ compensation.  
(7) First finger lost, 46 weeks’ compensation.  
(8) Great toe lost, 38 weeks’ compensation.  
(9) Second finger lost, 30 weeks’ compensation.  
(10) Third finger lost, 25 weeks’ compensation.  
(11) Toe other than great toe lost, 16 weeks’ compensation.  
(12) Fourth finger lost, 15 weeks’ compensation.  
(13) Loss of hearing—  
(A) complete loss of hearing of one ear, 52 weeks’ compensation; or  
(B) complete loss of hearing of both ears, 200 weeks’ compensation.  
(14) Compensation for loss of binocular vision or for loss of 80 percent or more of the vision of an eye is the same as for loss of the eye.  
(15) Compensation for loss of more than one phalanx of a digit is the same as for loss of the entire digit. Compensation for loss of the first phalanx is one-half of the compensation for loss of the entire digit.  
(16) If, in the case of an arm or a leg, the member is amputated above the wrist or ankle, compensation is the same as for loss of the arm or leg, respectively.  
(17) Compensation for loss of use of two or more digits, or one or more phalanges of each of two or more digits, of a hand or foot, is proportioned to the loss of use of the hand or foot occasioned thereby.  
(18) Compensation for permanent total loss of use of a member is the same as for loss of the member.  
(19) Compensation for permanent partial loss of use of a member may be for proportionate loss of use of the member. The degree of loss of vision or hearing under this schedule is determined without regard to correction.  
(20) In case of loss of use of more than one member or parts of more than one member as enumerated by this schedule, the compensation is for loss of use of each member or part thereof, and the awards run consecutively. However, when the injury affects only two or more digits of the same hand or foot, paragraph (17) of this subsection applies, and when partial bilateral loss of hearing is involved, compensation is computed on the loss as affecting both ears.  
(21) For serious disfigurement of the face, head, or neck of a character likely to handicap an individual in securing or maintaining employment, proper and equitable compensation not to exceed $3,500 shall be awarded in addition to any other compensation payable under this schedule.  
(22) For permanent loss or loss of use of any other important external or internal organ of the body as determined by the Secretary, proper and equitable compensation not to exceed 312 weeks’ compensation for each organ so determined shall be paid in addition to any other compensation payable under this schedule.

§ 8108. Reduction of compensation for subsequent injury to same member

The period of compensation payable under the schedule in section 8107(c) of this title is reduced by the period of compensation paid or payable under the schedule for an earlier injury if—

(1) compensation in both cases is for disability of the same member or function or different parts of the same member or function or for disfigurement; and

(2) the Secretary of Labor finds that compensation payable for the later disability in whole or in part would duplicate the compensation payable for the preexisting disability.

In such a case, compensation for disability continuing after the scheduled period starts on expiration of that period as reduced under this section.

(b) Payments under subsection (a) of this section, except for an amount payable for a period preceding the death of the individual, are at the basic rate of compensation for permanent disability specified by section 8107(a) of this title even if at the time of death the individual was entitled to the augmented rate specified by section 8110 of this title.

the Secretary of Labor, on review under section 8128 of this title after the time the wage-earning capacity of the individual would probably have increased but for the injury, shall recompute prospectively the monetary compensation payable for disability on the basis of an assumed monthly pay corresponding to the probable increased wage-earning capacity.

Administration of this subchapter was transferred to the Secretary of Labor by section 1 of 1950 Reorg. Plan No. 19, 64 Stat. 1271 (see section 8145).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

1967 ACT

This section amends section 8113(b) of title 5, United States Code, to conform to the source statute (sec. 6(d)(1) of the Federal Employees' Compensation Act, as amended (63 Stat. 859)).

AMENDMENTS

1974—Subsecs. (b), (c). Pub. L. 93–416 struck out sub-
sec. (b) which authorized the Secretary to prospectively recompute compensation because of decreased wage earning power after age 70, aside from injury, and redesignated subsec. (c) as (b).

Effective Date of 1974 Amendment

Amendment by Pub. L. 93–416 applicable to case
where injury or death occurred prior to Sept. 7, 1974, but only to a period beginning on or after Sept. 7, 1974, see section 28(a) of Pub. L. 93–416, set out as a note under section 8101 of this title.

Effective Date of 1967 Amendment

Amendment by Pub. L. 90–83 effective as of Sept. 6, 1967, for all purposes, see section 9(h) of Pub. L. 90–83, set out as a note under section 5102 of this title.

§ 8114. Computation of pay

(a) For the purpose of this section—
(1) “overtime pay” means pay for hours of service in excess of a statutory or other basic workweek or other basic unit of worktime, as observed by the employing establishment; and
(2) “year” means a period of 12 calendar months, or the equivalent thereof as specified by regulations prescribed by the Secretary of Labor.

(b) In computing monetary compensation for disability or death on the basis of monthly pay, that pay is determined under this section.

(c) The monthly pay at the time of injury is deemed one-twelfth of the average annual earnings of the employee at that time. When compensation is paid on a weekly basis, the weekly equivalent of the monthly pay is deemed one-fifty-second of the average annual earnings. However, for so much of a period of total disability as does not exceed 90 calendar days from the date of the beginning of compensable disability, the compensation, in the discretion of the Secretary of Labor, may be computed on the basis of the actual daily wage of the employee at the time of injury in which event he may be paid compensation for the days he would have worked but for the injury.

(d) Average annual earnings are determined as follows:

(1) If the employee worked in the employment in which he was employed at the time of his injury during substantially the whole year immediately preceding the injury and the employment was in a position for which an annual rate of pay—

(A) was fixed, the average annual earnings are the annual rate of pay; or

(B) was not fixed, the average annual earnings are the product obtained by multiplying his daily wage for the particular employ-
ment, or the average thereof if the daily wage has fluctuated, by 300 if he was em-
ployed on the basis of a 6-day workweek, 280 if employed on the basis of a 5½-day week, and 260 if employed on the basis of a 5-day week.

(2) If the employee did not work in employment in which he was employed at the time of his injury during substantially the whole year immediately preceding the injury, but the position was one which would have afforded employment for substantially a whole year, the average annual earnings are a sum equal to the average annual earnings of an employee of the same class working substantially the whole immediately preceding year in the same or similar employment by the United States in the same or neighboring place, as determined under paragraph (1) of this subsection.

(3) If either of the foregoing methods of de-
termining the average annual earnings cannot be applied reasonably and fairly, the average annual earnings are a sum that reasonably represents the annual earning capacity of the injured employee in the employment in which he was working at the time of the injury having regard to the previous earnings of the employee in Federal employment, and of other employees of the United States in the same or most similar class working in the same or most similar employment in the same or neighboring location, other previous employ-
ment of the employee, or other relevant fac-
tors. However, the average annual earnings may not be less than 150 times the average daily wage the employee earned in the employment during the days employed within 1 year immediately preceding his injury.

(4) If the employee served without pay or at nominal pay, paragraphs (1), (2), and (3) of this subsection apply as far as practicable, but the average annual earnings of the employee may not exceed the minimum rate of basic pay for GS–15. If the average annual earnings cannot be determined reasonably and fairly in the manner otherwise provided by this section, the average annual earnings shall be determined at the reasonable value of the service performed but not in excess of $3,600 a year.

(e) The value of subsistence and quarters, and of any other form of remuneration in kind for services if its value can be estimated in money, and premium pay under section 5545(c)(1) of this
title are included as part of the pay, but account is not taken of—
(1) overtime pay;
(2) additional pay or allowance authorized outside the United States because of differential in cost of living or other special circumstances; or
(3) bonus or premium pay for extraordinary service including bonus or pay for particularly hazardous service in time of war.

§ 8115. Determination of wage-earning capacity

(a) In determining compensation for partial disability, except permanent partial disability compensable under sections 8107–8109 of this title, the wage-earning capacity of an employee is determined by his actual earnings if his actual earnings fairly and reasonably represent his wage-earning capacity. If the actual earnings of the employee do not fairly and reasonably represent his wage-earning capacity or if the employee has no actual earnings, his wage-earning capacity as appears reasonable under the circumstances is determined with due regard to—
(1) the nature of his injury;
(2) the degree of physical impairment;
(3) his usual employment;
(4) his age;
(5) his qualifications for other employment;
(6) the availability of suitable employment; and
(7) other factors or circumstances which may affect his wage-earning capacity in his disabled condition.

(b) Section 8114(d) of this title is applicable in determining the wage-earning capacity of an employee after the beginning of partial disability.

HISTORICAL AND REVISION NOTES

Derivation | U.S. Code
-----------|--------
.. | § 8 U.S.C. 762.

In subsection (d)(4), the words “the minimum rate of basic pay for GS–15” are substituted for “the basic rate of annual compensation specified under the Classification Act of 1949, as amended, for positions in grade GS–15 at the bottom of such grade”. In former section 762, the words “Classification Act of 1949” were substituted for “Classification Act of 1923” on authority of §1106(a) of the Act of Oct. 28, 1949, ch. 782, 63 Stat. 972. Administration of this subchapter was transferred to the Secretary of Labor by section 1 of 1950 Reorg. Plan 762, the words “Classification Act of 1949” were substituted for “the basic rate of annual compensation specified under the Classification Act of 1949” for positions in grade of annual compensation specified under the Classification Act of 1949, as amended, for positions in grade GS–15”. In former section 64 Stat. 1271 (see section 8145).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

§ 8116. Limitations on right to receive compensation

(a) While an employee is receiving compensation under this subchapter, or if he has been paid a lump sum in commutation of installment payments until the expiration of the period during which the installment payments would have continued, he may not receive salary, pay, or remuneration of any type from the United States, except—
(1) in return for service actually performed; (2) pension for service in the Army, Navy, or Air Force; (3) other benefits administered by the Department of Veterans Affairs unless such benefits are payable for the same injury or the same death; and (4) retired pay, retirement pay, retainer pay, or equivalent pay for service in the Armed Forces or other uniformed services.

However, eligibility for or receipt of benefits under subchapter III of chapter 83 of this title, or another retirement system for employees of the Government, does not impair the right of the employee to compensation for scheduled disabilities specified by section 8107(c) of this title.

(b) An individual entitled to benefits under this subchapter because of his injury, or because of the death of an employee, who also is entitled to receive from the United States under a provision of statute other than this subchapter payments or benefits for that injury or death (except proceeds of an insurance policy), because of service by him (or in the case of death, by the deceased) as an employee or in the armed forces, shall elect which benefits he will receive. The individual shall make the election within 1 year after the injury or death or within a further time allowed for good cause by the Secretary of Labor. The election when made is irrevocable, except as otherwise provided by statute.

(c) The liability of the United States or an instrumentality thereof under this subchapter or any extension thereof with respect to the injury or death of an employee is exclusive and instead of all other liability of the United States or the instrumentality to the employee, his legal representative, spouse, dependents, next of kin, and any other person otherwise entitled to recover damages from the United States or the instrumentality because of the injury or death in a di-
rect judicial proceeding, in a civil action, or in admiralty, or by an administrative or judicial proceeding under a workmen's compensation statute or under a Federal tort liability statute. However, this subsection does not apply to a master or a member of a crew of a vessel.

(d) Notwithstanding the other provisions of this section, an individual receiving benefits for disability or death under this subchapter who is also receiving benefits under subchapter III of chapter 94 of this title or benefits under title II of the Social Security Act shall be entitled to all such benefits, except that—

(1) benefits received under section 223 of the Social Security Act (on account of disability) shall be subject to reduction on account of benefits paid under this subchapter pursuant to the provisions of section 224 of the Social Security Act; and

(2) in the case of benefits received on account of age or death under title II of the Social Security Act, compensation payable under this subchapter based on the Federal service of an employee shall be reduced by the amount of any such social security benefits payable that are attributable to Federal service of that employee covered by chapter 94 of this title. Administration of this subchapter was transferred to the Secretary of Labor by section 1 of 1950 Reorg. Plan No. 19, 64 Stat. 1271 (see section 8145).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

AMENDMENTS

EFFECTIVE DATE OF 1974 AMENDMENT

Amendment by Pub. L. 93–416 effective Sept. 7, 1974, and applicable to any injury or death occurring on or after Sept. 7, 1974, see section 26(a) of Pub. L. 93–416, set out as a note under section 8101 of this title.

§ 8122. Time for making claim

(a) An original claim for compensation for disability or death must be filed within 3 years after the injury or death. Compensation for disability or death, including medical care in disability cases, may not be allowed if claim is not filed within that time unless—

(1) the immediate superior had actual knowledge of the injury or death within 30 days. The knowledge must be such to put the immediate superior reasonably on notice of an on-the-job injury or death; or
(2) written notice of injury or death as specified in section 8119 of this title was given within 30 days.

(b) In a case of latent disability, the time for filing claim does not begin to run until the employee has a compensable disability and is aware, or by the exercise of reasonable diligence should have been aware, of the causal relationship of the compensable disability to his employment. In such a case, the time for giving notice of injury begins to run when the employee is aware, or by the exercise of reasonable diligence should have been aware, of his condition is causally related to his employment, whether or not there is a compensable disability.
(c) The timely filing of a disability claim because of injury will satisfy the time requirements for a death claim based on the same injury.

(d) The time limitations in subsections (a) and (b) of this section do not—
1. begin to run against a minor until he reaches 21 years of age or has had a legal representative appointed; or
2. run against an incompetent individual while he is incompetent and has no duly appointed legal representative; or
3. run against any individual whose failure to comply is excused by the Secretary on the ground that such notice could not been given because of exceptional circumstances.

Subsec. (c). Pub. L. 93–416, §14(2), substituted provisions relating to timeliness of claim for death when claim for injury was timely filed and death was based on same injury, for provisions relating to waiver of compliance with requirements for giving notice of injury and filing claim for compensation.

§ 8123. Physical examinations

(a) An employee shall submit to examination by a medical officer of the United States, or by a physician designated or approved by the Secretary of Labor, after the injury and as frequently and at the times and places as may be reasonably required. The employee may have a physician designated and paid by him present to participate in the examination. If there is disagreement between the physician making the examination for the United States and the physician of the employee, the Secretary shall appoint a third physician who shall make an examination.

(b) An employee is entitled to be paid expenses incident to an examination required by the Secretary which in the opinion of the Secretary are necessary and reasonable, including transportation and loss of wages incurred in order to be examined. The expenses, when authorized or approved by the Secretary, are paid from the Employees’ Compensation Fund.

(c) The Secretary shall fix the fees for examinations held under this section by physicians not employed by or under contract to the United States to furnish medical services to employees. The fees, when authorized or approved by the Secretary, are paid from the Employees’ Compensation Fund.

In subsections (a) and (c), the words “duly qualified” in former sections 771 and 772 are omitted as unnecessary in view of the definition of “physician” in section 8101.

(b)(1) Before review under section 8128(a) of this title, a claimant for compensation not satisfied with a decision of the Secretary under subsection (a) of this section is entitled, on request made within 30 days after the date of the issuance of the decision, to a hearing on his claim before a representative of the Secretary. At the hearing, the claimant is entitled to present evidence in further support of his claim. Within 30 days after the hearing ends, the Secretary shall notify the claimant in writing of his decision and any modifications of the award he may make and of the basis of his decision.

(2) In conducting the hearing, the representative of the Secretary is not bound by common law or statutory rules of evidence, by technical or formal rules of procedure, or by section 554 of this title except as provided by this subchapter, but may conduct the hearing in such manner as to best ascertain the rights of the claimant. For this purpose, he shall receive such relevant evidence as the claimant adduces and such other evidence as he determines necessary or useful in evaluating the claim.

Increases authorized under amendment by Pub. L. 90–83 not applicable to specified personnel, see section 7 of Pub. L. 90–83, set out as a note under section 8133 of this title.

§ 8132. Adjustment after recovery from a third person

If an injury or death for which compensation is payable under this subchapter is caused under circumstances creating a legal liability in a person other than the United States to pay damages, and a beneficiary entitled to compensation from the United States for that injury or death receives money or other property in satisfaction of that liability as the result of suit or settlement by him or in his behalf, the beneficiary, after deducting therefrom the costs of suit and a reasonable attorney’s fee, shall refund to the United States the amount of compensation paid by the United States and credit any surplus on future payments of compensation payable to him for the same injury. No court, insurer, attorney, or other person shall pay or distribute to the beneficiary or his designee the proceeds of such suit or settlement without first satisfying or assuring satisfaction of the interest of the United States. The amount refunded to the United States shall be credited to the Employees’ Compensation Fund. If compensation has not been paid to the beneficiary, he shall credit the money or property on compensation payable to him by the United States for the same injury. However, the beneficiary is entitled to retain, as a minimum, at least one-fifth of the net amount of the money or other property remaining after the expenses of a suit or settlement have been deducted; and in addition to this minimum and at the time of distribution, an amount equivalent to a reasonable attorney’s fee proportionate to the refund to the United States.
If there is a widow, widower, or child, so much of the percentages are payable as, when added to the total percentages payable to the widow, widower, and children, will not exceed a total of 75 percent.

(5) To the brothers, sisters, grandparent, and grandchildren, if there is no widow, widower, child, or dependent parent, as follows—

(A) 20 percent if one was wholly dependent on the employee at the time of death;

(B) 30 percent if more than one was wholly dependent, divided among the dependents share and share alike; or

(C) 10 percent if no one is wholly dependent but one or more is partly dependent, divided among the dependents share and share alike.

If there is a widow, widower, child, or dependent parent, so much of the percentages are payable as, when added to the total percentages payable to the widow, widower, children, and dependent parents, will not exceed a total of 75 percent.

(b) The compensation payable under subsection (a) of this section is paid from the time of death until—

(1) a widow, or widower dies or remarries before reaching age 55;

(2) a child, a brother, a sister, or a grandchild dies, marries, or becomes 18 years of age, or if over age 18 and incapable of self-support becomes capable of self-support; or

(3) a parent or grandparent dies, marries, or ceases to be dependent.

Notwithstanding paragraph (2) of this subsection, compensation payable to or for a child, a brother or sister, or grandchild that would otherwise end because the child, brother or sister, or grandchild has reached 18 years of age shall continue if he is a student as defined by section 8101 of this title at the time he reaches 18 years of age for so long as he continues to be such a student or until he marries. A widow or widower who has entitlements to benefits under this title derived from more than one husband or wife shall elect one entitlement to be utilized.

(c) On the cessation of compensation under this section to or on account of an individual, the compensation of the remaining individuals entitled to compensation for the unexpired part of the period during which their compensation is payable, is that which they would have received if they had been the only individuals entitled to compensation at the time of the death of the employee.

(d) When there are two or more classes of individuals entitled to compensation under this section and the apportionment of compensation under this section would result in injustice, the Secretary may modify the apportionment to meet the requirements of the case.

(e) In computing compensation under this section, the monthly pay is deemed not less than the minimum rate of basic pay for GS–2. However, the total monthly compensation may not exceed—

(1) the monthly pay computed under section 8114 of this title, except for increases authorized by section 8146a of this title; or
(2) 75 percent of the monthly pay of the maximum rate of basic pay for GS–15.

(f) Notwithstanding any funeral and burial expenses paid under section 8134, there shall be paid a sum of $200 to the personal representative of a deceased employee within the meaning of section 8101(1) of this title for reimbursement of the costs of termination of the decedent’s status as an employee of the United States.
