(c) Antievasion

In order to avoid evasion of this subchapter, the Council, on its own initiative or at the request of the Board of Governors, may determine, on a nondelegable basis and by a vote of not fewer than $\frac{2}{3}$ of the voting members then serving, including an affirmative vote by the Chairperson, that—

- (A) material financial distress related to, or the nature, scope, size, scale, concentration, interconnectedness, or mix of, the financial activities conducted directly or indi-

rectly by a company incorporated or organized under the laws of the United States or any State or the financial activities in the United States of a company incorporated or organized in a country other than the United States would pose a threat to the financial stability of the United States, based on consideration of the factors in subsection (a)(2) or (b)(2), as applicable;

Such intermediate holding company shall be subject to the supervision of the Board of Governors and to prudential standards under this subchapter as if the intermediate holding company were a nonbank financial company supervised by the Board of Governors.

(B) Action of the Board of Governors

To facilitate the supervision of the financial activities subject to the determination in paragraph (1), the Board of Governors may require a company to establish an intermediate holding company, as provided for in section 5367 of this title, which would be subject to the supervision of the Board of Governors and to prudential standards under this subchapter, as if the intermediate holding company were a nonbank financial company supervised by the Board of Governors.

(4) Notice and opportunity for hearing and final determination; judicial review

Subsections (d) through (h) shall apply to determinations made by the Council pursuant to paragraph (1) in the same manner as such subsections apply to nonbank financial companies.

(e) Notice and opportunity for hearing and final determination

(1) In general

The Council shall provide to a nonbank financial company written notice of a proposed determination of the Council, including an explanation of the basis of the proposed determination of the Council, that a nonbank financial company shall be supervised by the Board of Governors and shall be subject to prudential standards in accordance with this subchapter.

(2) Hearing

Not later than 30 days after the date of receipt of any notice of a proposed determination under paragraph (1), the nonbank financial company may request, in writing, an opportunity for a written or oral hearing before the Council to contest the proposed determination. Upon receipt of a timely request, the Council shall fix a time (not later than 30 days after the date of receipt of the request) and place at which such company may appear, personally or through counsel, to submit written materials (or, at the sole discretion of the Council, oral testimony and oral argument).

If a nonbank financial company does not make a timely request for a hearing, the Council shall notify the nonbank financial company, in writing, of the final determination of the Council under subsection (a) or (b), as applicable, not later than 10 days after the date by which the company may request a hearing under paragraph (2).

(f) Emergency exception

(1) In general

(2) Notice

The Council shall provide notice of a waiver or modification under this subsection to the nonbank financial company concerned as soon as practicable, but not later than 24 hours after the waiver or modification is granted.

(3) International coordination

In making a determination under paragraph (1), the Council shall consult with the appropriate home country supervisor, if any, of the foreign nonbank financial company that is being considered for such a determination.

(4) Opportunity for hearing

The Council shall allow a nonbank financial company to request, in writing, an opportunity for a written or oral hearing before the Council to contest a waiver or modification under this subsection, not later than 10 days after the date of receipt of notice of the waiver or modification by the company. Upon receipt of a timely request, the Council shall fix a time (not later than 15 days after the date of receipt of the request) and place at which the nonbank financial company may appear, personally or through counsel, to submit written materials (or, at the sole discretion of the Council, oral testimony and oral argument).

(5) Notice of final determination

Not later than 30 days after the date of any hearing under paragraph (4), the Council shall notify the subject nonbank financial company of the final determination of the Council under this subsection, which shall contain a statement of the basis for the decision of the Council.

(g) Consultation

The Council shall consult with the primary financial regulatory agency, if any, for each nonbank financial company or subsidiary of a nonbank financial company that is being considered for supervision by the Board of Governors under this section before the Council makes any

final determination with respect to such nonbank financial company under subsection (a), (b), or (c).

(h) Judicial review

If the Council makes a final determination under this section with respect to a nonbank financial company, such nonbank financial company may, not later than 30 days after the date of receipt of the notice of final determination under subsection (d)(2), (e)(3), or (f)(5), bring an action in the United States district court for the judicial district in which the home office of such nonbank financial company is located, or in the United States District Court for the District of Columbia, for an order requiring that the final determination be rescinded, and the court shall, upon review, dismiss such action or direct the final determination to be rescinded. Review of such an action shall be limited to whether the final determination made under this section was arbitrary and capricious.

(2) Prudential standards for foreign financial companies

In making recommendations concerning the standards set forth in paragraph (1) that would apply to foreign nonbank financial companies supervised by the Board of Governors or foreign-based bank holding companies, the Council shall—

(A) give due regard to the principle of national treatment and equality of competitive opportunity; and

(3) Considerations

In making recommendations concerning prudential standards under paragraph (1), the Council shall—

(A) take into account differences among nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), based on—

- (iv) any other factors that the Council determines appropriate;

(C) adapt its recommendations as appropriate in light of any predominant line of business of such company, including assets under management or other activities for which particular standards may not be appropriate.

(c) Contingent capital

The Council shall conduct a study of the feasibility, benefits, costs, and structure of a contingent capital requirement for nonbank financial companies supervised by the Board of Governors and bank holding companies described in subsection (a), which study shall include—

(C) an analysis of potential prudential standards that should be used to determine whether the contingent capital of a company would be converted to equity in times of financial stress;

(D) an evaluation of the costs to companies, the effects on the structure and operation of credit and other financial markets, and other economic effects of requiring contingent capital;

(E) an evaluation of the effects of such requirement on the international competitiveness of companies subject to the requirement and the prospects for international coordination in establishing such requirement; and

(F) recommendations for implementing regulations.

(2) Report

The Council shall submit a report to Congress regarding the study required by paragraph (1) not later than 2 years after July 21, 2010.

(3) Recommendations

(A) In general

Subsequent to submitting a report to Congress under paragraph (2), the Council may make recommendations to the Board of Governors to require any nonbank financial company supervised by the Board of Governors and any bank holding company described in subsection (a) to maintain a minimum amount of contingent capital that is convertible to equity in times of financial stress.

(B) Factors to consider

In making recommendations under this subsection, the Council shall consider—

- (i) an appropriate transition period for implementation of a conversion under this subsection;
- (ii) the factors described in subsection (b)(3);
- (iii) capital requirements applicable to a nonbank financial company supervised by the Board of Governors or a bank holding company described in subsection (a), and subsidiaries thereof;

(2) Credit exposure report

The Council may make recommendations to the Board of Governors concerning the advisability of requiring each nonbank financial company supervised by the Board of Governors and bank holding company described in subsection (a) to report periodically to the Council, the Board of Governors, and the Corporation on—

(A) the nature and extent to which the company has credit exposure to other significant nonbank financial companies and significant bank holding companies; and

(B) the nature and extent to which other such significant nonbank financial companies and significant bank holding companies have credit exposure to that company.

(e) Concentration limits

In order to limit the risks that the failure of any individual company could pose to nonbank

financial companies supervised by the Board of Governors or bank holding companies described in subsection (a), the Council may make recommendations to the Board of Governors to prescribe standards to limit such risks, as set forth in section 5365 of this title.

(f) Enhanced public disclosures

The Council may make recommendations to the Board of Governors to require periodic public disclosures by bank holding companies described in subsection (a) and by nonbank financial companies supervised by the Board of Governors, in order to support market evaluation of the risk profile, capital adequacy, and risk management capabilities thereof.

(g) Short-term debt limits

The Council may make recommendations to the Board of Governors to require short-term debt limits to mitigate the risks that an over-accumulation of such debt could pose to bank holding companies described in subsection (a), nonbank financial companies supervised by the Board of Governors, or the financial system.

¹ See References in Text note below.

(b) Procedure for recommendations to regulators**(1) Notice and opportunity for comment**

Compliance by an entity with actions taken by a primary financial regulatory agency under this section shall be enforceable in accordance with the statutes governing the respective jurisdiction of the primary financial regulatory agency over the entity, as if the agency action were taken under those statutes.

(2) Imposition of standards

The primary financial regulatory agency shall impose the standards recommended by the Council in accordance with subsection (a), or similar standards that the Council deems acceptable, or shall explain in writing to the Council, not later than 90 days after the date on which the Council issues the recommendation, why the agency has determined not to follow the recommendation of the Council.

(1) limit the ability of the company to merge with, acquire, consolidate with, or otherwise become affiliated with another company;

(2) restrict the ability of the company to offer a financial product or products;

(3) require the company to terminate one or more activities;

The Board of Governors, in consultation with the Council, shall provide to a company described in subsection (a) written notice that such company is being considered for mitigatory action pursuant to this section, including an explanation of the basis for, and description of, the proposed mitigatory action.

(3) Decision

Not later than 60 days after the date of a hearing under paragraph (2), or not later than 60 days after the provision of a notice under paragraph (1) if no hearing was held, the Board of Governors shall notify the company of the final decision of the Board of Governors, including the results of the vote of the Council, as described in subsection (a).
