(ii) is used pursuant to the rental to support one or more wires (in addition to the wires described in clause (i)) for use in connection with the transmission by wire of electricity or of telephone or other communications.

For purposes of the preceding sentence, the term "rental" includes any sale of the right to use the pole (or other structure).

(E) For purposes of subparagraph (C)(ii), the term "FERC" means the Federal Energy Regulatory Commission and references to such term shall be treated as including the Public Utility Commission of Texas with respect to any ERCOT utility (as defined in section 212(k)(2)(B) of the Federal Power Act (16 U.S.C. 824k(k)(2)(B))).

- (i) generating, transmitting, distributing, or selling electric energy, or
- (ii) producing, transmitting, distributing, or selling natural gas.

(H)(i) In the case of a mutual or cooperative electric company described in this paragraph or an organization described in section 1381(a)(2)(C), income received or accrued from a load loss transaction shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(ii) For purposes of clause (i), the term “load loss transaction” means any wholesale or retail sale of electric energy (other than to members) to the extent that the aggregate sales during the recovery period do not exceed the load loss mitigation sales limit for such period.

(iii) For purposes of clause (ii), the load loss mitigation sales limit for the recovery period is the sum of the annual load losses for each year of such period.

(iv) For purposes of clause (iii), a mutual or cooperative electric company’s annual load loss for each year of the recovery period is the amount (if any) by which—

(I) the megawatt hours of electric energy sold during such year to members of such electric company are less than

(II) the megawatt hours of electric energy sold during the base year to such members.

(v) For purposes of clause (iv)(II), the term “base year” means—

(I) the calendar year preceding the start-up year, or

(II) at the election of the mutual or cooperative electric company, the second or third calendar years preceding the start-up year.

(vi) For purposes of this subparagraph, the recovery period is the 7-year period beginning with the start-up year.

(vii) For purposes of this subparagraph, the start-up year is the first year that the mutual or cooperative electric company offers non-discriminatory open access or the calendar year which includes the date of the enactment of this subparagraph, if later, at the election of such company.

(viii) A company shall not fail to be treated as a mutual or cooperative electric company for purposes of this paragraph or as a corporation operating on a cooperative basis for purposes of section 1381(a)(2)(C) by reason of the treatment under clause (i).

(ix) For purposes of subparagraph (A), in the case of a mutual or cooperative electric company, income received, or accrued, indirectly from a member shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(13) Cemetery companies owned and operated exclusively for the benefit of their members or which are not operated for profit; and any corporation chartered solely for the purpose of the disposal of bodies by burial or cremation which is not permitted by its charter to engage in any business not necessarily incident to that purpose and no part of the net earnings of which inures to the benefit of any private shareholder or individual.

(14)(A) Credit unions without capital stock organized and operated for mutual purposes and without profit.

(iii) mutual savings banks not having capital stock represented by shares, or

(iv) mutual savings banks described in section 591(b)<sup>2</sup>

(C) Corporations or associations organized before September 1, 1957, and operated for mutual purposes and without profit for the purpose of providing reserve funds for associations or banks described in clause (i), (ii), or (iii) of subparagraph (B); but only if 85 percent or more of the income is attributable to providing such reserve funds and to investments. This subparagraph shall not apply to any corporation or association entitled to exemption under subparagraph (B).

(15)(A) Insurance companies (as defined in section 816(a)) other than life (including inter-insurers and reciprocal underwriters) if—

(i)(I) the gross receipts for the taxable year do not exceed \$600,000, and

(II) more than 50 percent of such gross receipts consist of premiums, or

(ii) in the case of a mutual insurance company—

(I) the gross receipts of which for the taxable year do not exceed \$150,000, and

(II) more than 35 percent of such gross receipts consist of premiums.

Clause (ii) shall not apply to a company if any employee of the company, or a member of the employee’s family (as defined in section 2032A(e)(2)), is an employee of another company exempt from taxation by reason of this paragraph (or would be so exempt but for this sentence).

(B) For purposes of subparagraph (A), in determining whether any company or association is described in subparagraph (A), such company or association shall be treated as receiving during the taxable year amounts described in subparagraph (A) which are received during such year by all other companies or associations which are members of the same controlled group as the insurance company or

<sup>2</sup> So in original. Probably should be followed by a period.

association for which the determination is being made.

(C) For purposes of subparagraph (B), the term “controlled group” has the meaning given such term by section 831(b)(2)(B)(ii),<sup>1</sup> except that in applying section 831(b)(2)(B)(ii)<sup>1</sup> for purposes of this subparagraph, subparagraphs (B) and (C) of section 1563(b)(2) shall be disregarded.

(16) Corporations organized by an association subject to part IV of this subchapter or members thereof, for the purpose of financing the ordinary crop operations of such members or other producers, and operated in conjunction with such association. Exemption shall not be denied any such corporation because it has capital stock, if the dividend rate of such stock is fixed at not to exceed the legal rate of interest in the State of incorporation or 8 percent per annum, whichever is greater, on the value of the consideration for which the stock was issued, and if substantially all such stock (other than nonvoting preferred stock, the owners of which are not entitled or permitted to participate, directly or indirectly, in the profits of the corporation, on dissolution or otherwise, beyond the fixed dividends) is owned by such association, or members thereof; nor shall exemption be denied any such corporation because there is accumulated and maintained by it a reserve required by State law or a reasonable reserve for any necessary purpose.

(17)(A) A trust or trusts forming part of a plan providing for the payment of supplemental unemployment compensation benefits, if—

(i) under the plan, it is impossible, at any time prior to the satisfaction of all liabilities, with respect to employees under the plan, for any part of the corpus or income to be (within the taxable year or thereafter) used for, or diverted to, any purpose other than the providing of supplemental unemployment compensation benefits,

(ii) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)), and

(iii) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of section 414(q)). A plan shall not be considered discriminatory within the meaning of this clause merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan.

(B) In determining whether a plan meets the requirements of subparagraph (A), any benefits provided under any other plan shall not be taken into consideration, except that a plan shall not be considered discriminatory—

(i) merely because the benefits under the plan which are first determined in a nondiscriminatory manner within the meaning of subparagraph (A) are then reduced by any sick, accident, or unemployment compensa-

tion benefits received under State or Federal law (or reduced by a portion of such benefits if determined in a nondiscriminatory manner), or

(ii) merely because the plan provides only for employees who are not eligible to receive sick, accident, or unemployment compensation benefits under State or Federal law the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such laws if such employees were eligible for such benefits, or

(iii) merely because the plan provides only for employees who are not eligible under another plan (which meets the requirements of subparagraph (A)) of supplemental unemployment compensation benefits provided wholly by the employer the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such other plan if such employees were eligible under such other plan, but only if the employees eligible under both plans would make a classification which would be nondiscriminatory within the meaning of subparagraph (A).

(C) A plan shall be considered to meet the requirements of subparagraph (A) during the whole of any year of the plan if on one day in each quarter it satisfies such requirements.

(D) The term “supplemental unemployment compensation benefits” means only—

(i) benefits which are paid to an employee because of his involuntary separation from the employment of the employer (whether or not such separation is temporary) resulting directly from a reduction in force, the discontinuance of a plant or operation, or other similar conditions, and

(ii) sick and accident benefits subordinate to the benefits described in clause (i).

(E) Exemption shall not be denied under subsection (a) to any organization entitled to such exemption as an association described in paragraph (9) of this subsection merely because such organization provides for the payment of supplemental unemployment benefits (as defined in subparagraph (D)(i)).

(18) A trust or trusts created before June 25, 1959, forming part of a plan providing for the payment of benefits under a pension plan funded only by contributions of employees, if—

(A) under the plan, it is impossible, at any time prior to the satisfaction of all liabilities with respect to employees under the plan, for any part of the corpus or income to be (within the taxable year or thereafter) used for, or diverted to, any purpose other than the providing of benefits under the plan,

(B) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)),

(C) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of

section 414(q)). A plan shall not be considered discriminatory within the meaning of this subparagraph merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan, and

(D) in the case of a plan under which an employee may designate certain contributions as deductible—

(i) such contributions do not exceed the amount with respect to which a deduction is allowable under section 219(b)(3),

(ii) requirements similar to the requirements of section 401(k)(3)(A)(ii) are met with respect to such elective contributions,

(iii) such contributions are treated as elective deferrals for purposes of section 402(g), and

(iv) the requirements of section 401(a)(30) are met.

For purposes of subparagraph (D)(ii), rules similar to the rules of section 401(k)(8) shall apply. For purposes of section 4979, any excess contribution under clause (ii) shall be treated as an excess contribution under a cash or deferred arrangement.

(A) organized in the United States or any of its possessions,

(B) at least 75 percent of the members of which are past or present members of the Armed Forces of the United States and substantially all of the other members of which are individuals who are cadets or are spouses, widows,<sup>3</sup> widowers, ancestors, or lineal descendants of past or present members of the Armed Forces of the United States or of cadets, and

(C) no part of the net earnings of which inures to the benefit of any private shareholder or individual.

[ (20) Repealed. Pub. L. 113-295, div. A, title II, §221(a)(19)(B)(iii), Dec. 19, 2014, 128 Stat. 4040. ]

(IV) to pay accident or health benefits for retired miners and their spouses and dependents (including administrative and other incidental expenses of such trust in connection therewith) or premiums for insurance exclusively covering such benefits; and

(ii) no part of the assets of the trust may be used for, or diverted to, any purpose other than—

(I) the purposes described in clause (i),

(II) investment (but only to the extent that the trustee determines that a portion of the assets is not currently needed for the purposes described in clause (i)) in qualified investments, or

(III) payment into the Black Lung Disability Trust Fund established under section 9501, or into the general fund of the United States Treasury (other than in satisfaction of any tax or other civil or criminal liability of the person who established or contributed to the trust).

(B) No deduction shall be allowed under this chapter for any payment described in subparagraph (A)(i)(IV) from such trust.

(C) Payments described in subparagraph (A)(i)(IV) may be made from such trust during a taxable year only to the extent that the aggregate amount of such payments during such taxable year does not exceed the excess (if any), as of the close of the preceding taxable year, of—

(i) the fair market value of the assets of the trust, over

(ii) 110 percent of the present value of the liability described in subparagraph (A)(i)(I) of such person.

The determinations under the preceding sentence shall be made by an independent actuary using actuarial methods and assumptions (not inconsistent with the regulations prescribed under section 192(c)(1)(A)) each of which is reasonable and which are reasonable in the aggregate.

For purposes of clause (iii), the term “real property” shall not include any interest as a tenant in common (or similar interest) and shall not include any indirect interest.
