SUBCHAPTER I—PROTECTION OF EMPLOYEE BENEFIT RIGHTS

SUBTITLE A—GENERAL PROVISIONS

§ 1001. Congressional findings and declaration of policy

(a) Benefit plans as affecting interstate commerce and the Federal taxing power

The Congress finds that the growth in size, scope, and numbers of employee benefit plans in recent years has been rapid and substantial; that the operational scope and economic impact of such plans is increasingly interstate; that the continued well-being and security of millions of employees and their dependents are directly affected by these plans; that they are affected with a national public interest; that they have become an important factor affecting the stability of employment and the successful development of industrial relations; that they have become an important factor in commerce because of the interstate character of their activities, and of the activities of their participants, and the employers, employee organizations, and other entities by which they are established or maintained; that a large volume of the activities of such plans are carried on by means of the mails and instrumentalities of interstate com-

merce; that owing to the lack of employee information and adequate safeguards concerning their operation, it is desirable in the interests of employees and their beneficiaries, and to provide for the general welfare and the free flow of commerce, that disclosure be made and safeguards be provided with respect to the establishment, operation, and administration of such plans; that they substantially affect the revenues of the United States because they are afforded preferential Federal tax treatment; that despite the enormous growth in such plans many employees with long years of employment are losing anticipated retirement benefits owing to the lack of vesting provisions in such plans; that owing to the inadequacy of current minimum standards, the soundness and stability of plans with respect to adequate funds to pay promised benefits may be endangered; that owing to the termination of plans before requisite funds have been accumulated, employees and their beneficiaries have been deprived of anticipated benefits; and that it is therefore desirable in the interests of employees and their beneficiaries, for the protection of the revenue of the United States, and to provide for the free flow of commerce, that minimum standards be provided assuring the equitable character of such plans and their financial soundness.

(b) Protection of interstate commerce and beneficiaries by requiring disclosure and reporting, setting standards of conduct, etc., for fiduciaries

It is hereby declared to be the policy of this chapter to protect interstate commerce and the interests of participants in employee benefit plans and their beneficiaries, by requiring the disclosure and reporting to participants and beneficiaries of financial and other information with respect thereto, by establishing standards of conduct, responsibility, and obligation for fiduciaries of employee benefit plans, and by providing for appropriate remedies, sanctions, and ready access to the Federal courts.

(c) Protection of interstate commerce, the Federal taxing power, and beneficiaries by vesting of accrued benefits, setting minimum standards of funding, requiring termination insurance

It is hereby further declared to be the policy of this chapter to protect interstate commerce, the Federal taxing power, and the interests of participants in private pension plans and their beneficiaries by improving the equitable character and the soundness of such plans by requiring them to vest the accrued benefits of employees with significant periods of service, to meet minimum standards of funding, and by requiring plan termination insurance.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

Today I am submitting to the Congress my fourth Reorganization Plan for 1978. This proposal is designed to simplify and improve the unnecessarily complex administrative requirements of the Employee Retirement Income Security Act of 1974 (ERISA) [see Short Title note set out under this section]. The new plan will eliminate overlap and duplication in the administration of ERISA and help us achieve our goal of well regulated private pension plans.

ERISA was an essential step in the protection of worker pension rights. Its administrative provisions, however, have resulted in bureaucratic confusion and have been justifiably criticized by employers and unions alike. The biggest problem has been overlapping jurisdictional authority. Under current ERISA provisions, the Departments of Treasury and Labor both have authority to issue regulations and decisions.

This dual jurisdiction has delayed a good many important rulings and, more importantly, produced bureaucratic runarounds and burdensome reporting requirements.

The new plan will significantly reduce these problems. In addition, both Departments are trying to cut red tape and paperwork, to eliminate unnecessary reporting requirements, and to streamline forms wherever possible.

Both Departments have already made considerable progress, and both will continue the effort to simplify their rules and their forms.

The Reorganization Plan is the most significant result of their joint effort to modify and simplify ERISA. It will eliminate most of the jurisdictional overlap between Treasury and Labor by making the following changes:

1) Treasury will have statutory authority for minimum standards. The new plan puts all responsibility for funding, participation, and vesting of benefit rights in the Department of Treasury. These standards are necessary to ensure that employee benefit plans are adequately funded and that all beneficiary rights are protected. Treasury is the most appropriate Department to administer these provisions; however, Labor will continue to have veto power over Treasury decisions that significantly affect collectively bargained plans.

2) Labor will have statutory authority for fiduciary obligations. ERISA prohibits transactions in which self-interest or conflict of interest could occur, but allows certain exemptions from these prohibitions. Labor

will be responsible for overseeing fiduciary conduct under these provisions.

3) Both Departments will retain enforcement powers. The Reorganization Plan will continue Treasury's authority to audit plans and levy tax penalties for any deviation from standards. The plan will also continue Labor's authority to bring civil action against plans and fiduciaries. These provisions are retained in order to keep the special expertise of each Department available. New coordination between the Departments will eliminate duplicative investigations of alleged violations.

This reorganization will make an immediate improvement in ERISA's administration. It will eliminate almost all of the dual and overlapping authority in the two departments and dramatically cut the time required to process applications for exemptions from prohibited transactions.

This plan is an interim arrangement. After the Departments have had a chance to administer ERISA under this new plan, the Office of Management and Budget and the Departments will jointly evaluate that experience. Based on that evaluation, early in 1980, the Administration will make appropriate legislative proposals to establish a long-term administrative structure for ERISA.

Each provision in this reorganization will accomplish one or more of the purposes in Title 5 of U.S.C. 901(a). There will be no change in expenditure or personnel levels, although a small number of people will be transferred from the Department of Treasury to the Department of Labor.

We all recognize that the administration of ERISA has been unduly burdensome. I am confident that this reorganization will significantly relieve much of that burden.

This plan is the culmination of our effort to streamline ERISA. It provides an administrative arrangement that will work.

ERISA has been a symbol of unnecessarily complex government regulation. I hope this new step will become equally symbolic of my Administration's commitment to making government more effective and less intrusive in the lives of our people.

JIMMY CARTER.

THE WHITE HOUSE, August 10, 1978.

§ 1001a. Additional Congressional findings and declaration of policy

(a) Effects of multiemployer pension plans

The Congress finds that—

(1) multiemployer pension plans have a substantial impact on interstate commerce and are affected with a national public interest;

(2) multiemployer pension plans have accounted for a substantial portion of the increase in private pension plan coverage over the past three decades;

(3) the continued well-being and security of millions of employees, retirees, and their dependents are directly affected by multiemployer pension plans; and

(4)(A) withdrawals of contributing employers from a multiemployer pension plan frequently result in substantially increased funding obligations for employers who continue to contribute to the plan, adversely affecting the plan, its participants and beneficiaries, and labor-management relations, and

(B) in a declining industry, the incidence of employer withdrawals is higher and the adverse effects described in subparagraph (A) are exacerbated.

(b) Modification of multiemployer plan termination insurance provisions and replacement of program

The Congress further finds that—

(1) it is desirable to modify the current multiemployer plan termination insurance provisions in order to increase the likelihood of protecting plan participants against benefit losses; and

(2) it is desirable to replace the termination insurance program for multiemployer pension plans with an insolvency-based benefit protection program that will enhance the financial soundness of such plans, place primary emphasis on plan continuation, and contain program costs within reasonable limits.

(c) Policy

It is hereby declared to be the policy of this Act—

(1) to foster and facilitate interstate commerce,

(2) to alleviate certain problems which tend to discourage the maintenance and growth of multiemployer pension plans,

(3) to provide reasonable protection for the interests of participants and beneficiaries of financially distressed multiemployer pension plans, and

(4) to provide a financially self-sufficient program for the guarantee of employee benefits under multiemployer plans.

STUDY AND REPORT RESPECTING COLLECTIVE BARGAINING FOR CONTRIBUTIONS TO, AND BENEFITS FROM, MULTIEMPLOYER PLANS

Pub. L. 96-364, title IV, § 412(b), Sept. 26, 1980, 94 Stat. 1309, directed Secretary of Labor to study feasibility of requiring collective bargaining on both issues of contributions to, and benefits from, multiemployer plans, and submit a report on the study to Congress within 3 years of Sept. 26, 1980.

§ 1001b. Findings and declaration of policy**(a) Findings**

The Congress finds that—

(1) single-employer defined benefit pension plans have a substantial impact on interstate commerce and are affected with a national interest;

(2) the continued well-being and retirement income security of millions of workers, retirees, and their dependents are directly affected by such plans;

(3) the existence of a sound termination insurance system is fundamental to the retirement income security of participants and beneficiaries of such plans; and

(4) the current termination insurance system in some instances encourages employers to terminate pension plans, evade their obligations to pay benefits, and shift unfunded pension liabilities onto the termination insurance system and the other premium-payers.

(b) Additional findings

The Congress further finds that modification of the current termination insurance system and an increase in the insurance premium for single-employer defined benefit pension plans—

(1) is desirable to increase the likelihood that full benefits will be paid to participants and beneficiaries of such plans;

(2) is desirable to provide for the transfer of liabilities to the termination insurance system only in cases of severe hardship;

(3) is necessary to maintain the premium costs of such system at a reasonable level; and

(4) is necessary to finance properly current funding deficiencies and future obligations of the single-employer pension plan termination insurance system.

(c) Declaration of policy

It is hereby declared to be the policy of this title—

(1) to foster and facilitate interstate commerce;

(2) to encourage the maintenance and growth of single-employer defined benefit pension plans;

(3) to increase the likelihood that participants and beneficiaries under single-employer defined benefit pension plans will receive their full benefits;

(4) to provide for the transfer of unfunded pension liabilities onto the single-employer pension plan termination insurance system only in cases of severe hardship;

(5) to maintain the premium costs of such system at a reasonable level; and

(6) to assure the prudent financing of current funding deficiencies and future obligations of the single-employer pension plan termination insurance system by increasing termination insurance premiums.

§ 1002. Definitions

For purposes of this subchapter:

(1) The terms “employee welfare benefit plan” and “welfare plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 186(c) of this title (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms “employee pension benefit plan” and “pension plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—

(i) provides retirement income to employees, or

(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond,

regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan. A distribution from a plan, fund, or program shall not be treated as made in a form other than retirement income or as a distribution prior to termination of covered employment solely because such distribution is made to an employee

who has attained age 62 and who is not separated from employment at the time of such distribution.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this chapter providing one or more exempt categories under which—

(i) severance pay arrangements, and

(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the increases in the cost of living (as determined by the Secretary of Labor) since retirement,

shall, for purposes of this subchapter, be treated as welfare plans rather than pension plans. In the case of any arrangement or payment a principal effect of which is the evasion of the standards or purposes of this chapter applicable to pension plans, such arrangement or payment shall be treated as a pension plan. An applicable voluntary early retirement incentive plan (as defined in section 457(e)(11)(D)(ii) of title 26) making payments or supplements described in section 457(e)(11)(D)(i) of title 26, and an applicable employment retention plan (as defined in section 457(f)(4)(C) of title 26) making payments of benefits described in section 457(f)(4)(A) of title 26, shall, for purposes of this subchapter, be treated as a welfare plan (and not a pension plan) with respect to such payments and supplements.

(3) The term “employee benefit plan” or “plan” means an employee welfare benefit plan or an employee pension benefit plan or a plan which is both an employee welfare benefit plan and an employee pension benefit plan.

(4) The term “employee organization” means any labor union or any organization of any kind, or any agency or employee representation committee, association, group, or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning an employee benefit plan, or other matters incidental to employment relationships; or any employees’ beneficiary association organized for the purpose in whole or in part, of establishing such a plan.

(5) The term “employer” means any person acting directly as an employer, or indirectly in the interest of an employer, in relation to an employee benefit plan; and includes a group or association of employers acting for an employer in such capacity.

(6) The term “employee” means any individual employed by an employer.

(7) The term “participant” means any employee or former employee of an employer, or any member or former member of an employee organization, who is or may become eligible to receive a benefit of any type from an employee benefit plan which covers employees of such employer or members of such organization, or whose beneficiaries may be eligible to receive any such benefit.

(8) The term “beneficiary” means a person designated by a participant, or by the terms of an employee benefit plan, who is or may become entitled to a benefit thereunder.

(9) The term “person” means an individual, partnership, joint venture, corporation, mutual

company, joint-stock company, trust, estate, unincorporated organization, association, or employee organization.

(12) The term “industry or activity affecting commerce” means any activity, business, or industry in commerce or in which a labor dispute would hinder or obstruct commerce or the free flow of commerce, and includes any activity or industry “affecting commerce” within the meaning of the Labor Management Relations Act, 1947 [29 U.S.C. 141 et seq.], or the Railway Labor Act [45 U.S.C. 151 et seq.].

(13) The term “Secretary” means the Secretary of Labor.

(14) The term “party in interest” means, as to an employee benefit plan—

(A) any fiduciary (including, but not limited to, any administrator, officer, trustee, or custodian), counsel, or employee of such employee benefit plan;

(I) a 10 percent or more (directly or indirectly in capital or profits) partner or joint venturer of a person described in subparagraph (B), (C), (D), (E), or (G).

The Secretary, after consultation and coordination with the Secretary of the Treasury, may by regulation prescribe a percentage lower than 50 percent for subparagraph (E) and (G) and lower than 10 percent for subparagraph (H) or (I). The Secretary may prescribe regulations for determining the ownership (direct or indirect) of profits and beneficial interests, and the manner in which indirect stockholdings are taken into account. Any person who is a party in interest with respect to a plan to which a trust described in section 501(c)(22) of title 26 is permitted to make payments under section 1403 of this title shall be treated as a party in interest with respect to such trust.

(15) The term “relative” means a spouse, ancestor, lineal descendant, or spouse of a lineal descendant.

(16)(A) The term “administrator” means—

(i) the person specifically so designated by the terms of the instrument under which the plan is operated;

(B) The term “plan sponsor” means (i) the employer in the case of an employee benefit plan established or maintained by a single employer, (ii) the employee organization in the case of a plan established or maintained by an employee organization, or (iii) in the case of a plan established or maintained by two or more employers or jointly by one or more employers and one or more employee organizations, the association, committee, joint board of trustees, or other similar group of representatives of the parties who establish or maintain the plan.

(17) The term “separate account” means an account established or maintained by an insurance company under which income, gains, and losses, whether or not realized, from assets allocated to such account, are, in accordance with the applicable contract, credited to or charged against such account without regard to other income, gains, or losses of the insurance company.

(18) The term “adequate consideration” when used in part 4 of subtitle B means (A) in the case of a security for which there is a generally recognized market, either (i) the price of the security prevailing on a national securities exchange which is registered under section 78f of title 15, or (ii) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of any party in interest; and (B) in the case of an asset other than a security

for which there is a generally recognized market, the fair market value of the asset as determined in good faith by the trustee or named fiduciary pursuant to the terms of the plan and in accordance with regulations promulgated by the Secretary.

(19) The term “nonforfeitable” when used with respect to a pension benefit or right means a claim obtained by a participant or his beneficiary to that part of an immediate or deferred benefit under a pension plan which arises from the participant’s service, which is unconditional, and which is legally enforceable against the plan. For purposes of this paragraph, a right to an accrued benefit derived from employer contributions shall not be treated as forfeitable merely because the plan contains a provision described in section 1053(a)(3) of this title.

(20) The term “security” has the same meaning as such term has under section 77b(1)² of title 15.

(21)(A) Except as otherwise provided in subparagraph (B), a person is a fiduciary with respect to a plan to the extent (i) he exercises any discretionary authority or discretionary control respecting management of such plan or exercises any authority or control respecting management or disposition of its assets, (ii) he renders investment advice for a fee or other compensation, direct or indirect, with respect to any moneys or other property of such plan, or has any authority or responsibility to do so, or (iii) he has any discretionary authority or discretionary responsibility in the administration of such plan. Such term includes any person designated under section 1105(c)(1)(B) of this title.

(B) If any money or other property of an employee benefit plan is invested in securities issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], such investment shall not by itself cause such investment company or such investment company’s investment adviser or principal underwriter to be deemed to be a fiduciary or a party in interest as those terms are defined in this subchapter, except insofar as such investment company or its investment adviser or principal underwriter acts in connection with an employee benefit plan covering employees of the investment company, the investment adviser, or its principal underwriter. Nothing contained in this subparagraph shall limit the duties imposed on such investment company, investment adviser, or principal underwriter by any other law.

(22) The term “normal retirement benefit” means the greater of the early retirement benefit under the plan, or the benefit under the plan commencing at normal retirement age. The normal retirement benefit shall be determined without regard to—

(A) medical benefits, and

For purposes of this paragraph, a qualified disability benefit is a disability benefit provided by a plan which does not exceed the benefit which would be provided for the participant if he sepa-

(23) The term “accrued benefit” means—

(A) in the case of a defined benefit plan, the individual’s accrued benefit determined under the plan and, except as provided in section 1054(c)(3) of this title, expressed in the form of an annual benefit commencing at normal retirement age, or

(B) in the case of a plan which is an individual account plan, the balance of the individual’s account.

The accrued benefit of an employee shall not be less than the amount determined under section 1054(c)(2)(B) of this title with respect to the employee’s accumulated contribution.

(24) The term “normal retirement age” means the earlier of—

(A) the time a plan participant attains normal retirement age under the plan, or

(B) the later of—

(i) the time a plan participant attains age 65, or

(ii) the 5th anniversary of the time a plan participant commenced participation in the plan.

(25) The term “vested liabilities” means the present value of the immediate or deferred benefits available at normal retirement age for participants and their beneficiaries which are non-forfeitable.

(26) The term “current value” means fair market value where available and otherwise the fair value as determined in good faith by a trustee or a named fiduciary (as defined in section 1102(a)(2) of this title) pursuant to the terms of the plan and in accordance with regulations of the Secretary, assuming an orderly liquidation at the time of such determination.

(27) The term “present value”, with respect to a liability, means the value adjusted to reflect anticipated events. Such adjustments shall conform to such regulations as the Secretary of the Treasury may prescribe.

(28) The term “normal service cost” or “normal cost” means the annual cost of future pension benefits and administrative expenses assigned, under an actuarial cost method, to years subsequent to a particular valuation date of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(29) The term “accrued liability” means the excess of the present value, as of a particular valuation date of a pension plan, of the projected future benefit costs and administrative expenses for all plan participants and beneficiaries over the present value of future contributions for the normal cost of all applicable plan participants and beneficiaries. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(30) The term “unfunded accrued liability” means the excess of the accrued liability, under an actuarial cost method which so provides,

over the present value of the assets of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(31) The term “advance funding actuarial cost method” or “actuarial cost method” means a recognized actuarial technique utilized for establishing the amount and incidence of the annual actuarial cost of pension plan benefits and expenses. Acceptable actuarial cost methods shall include the accrued benefit cost method (unit credit method), the entry age normal cost method, the individual level premium cost method, the aggregate cost method, the attained age normal cost method, and the frozen initial liability cost method. The terminal funding cost method and the current funding (pay-as-you-go) cost method are not acceptable actuarial cost methods. The Secretary of the Treasury shall issue regulations to further define acceptable actuarial cost methods.

(32) The term “governmental plan” means a plan established or maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing. The term “governmental plan” also includes any plan to which the Railroad Retirement Act of 1935, or 1937 [45 U.S.C. 231 et seq.] applies, and which is financed by contributions required under that Act and any plan of an international organization which is exempt from taxation under the provisions of the International Organizations Immunities Act [22 U.S.C. 288 et seq.]. The term “governmental plan” includes a plan which is established and maintained by an Indian tribal government (as defined in section 7701(a)(40) of title 26), a subdivision of an Indian tribal government (determined in accordance with section 7871(d) of title 26), or an agency or instrumentality of either, and all of the participants of which are employees of such entity substantially all of whose services as such an employee are in the performance of essential governmental functions but not in the performance of commercial activities (whether or not an essential government function)³

(33)(A) The term “church plan” means a plan established and maintained (to the extent required in clause (i) of subparagraph (B)) for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26.

(B) The term “church plan” does not include a plan—

(i) which is established and maintained primarily for the benefit of employees (or their beneficiaries) of such church or convention or association of churches who are employed in connection with one or more unrelated trades or businesses (within the meaning of section 513 of title 26), or

(ii) if less than substantially all of the individuals included in the plan are individuals described in subparagraph (A) or in clause (ii) of subparagraph (C) (or their beneficiaries).

(C) For purposes of this paragraph—

³ So in original. Probably should be followed by a period.

(i) A plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches includes a plan maintained by an organization, whether a civil law corporation or otherwise, the principal purpose or function of which is the administration or funding of a plan or program for the provision of retirement benefits or welfare benefits, or both, for the employees of a church or a convention or association of churches, if such organization is controlled by or associated with a church or a convention or association of churches.

(ii) The term employee of a church or a convention or association of churches includes—

(I) a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, regardless of the source of his compensation;

(II) an employee of an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches; and

(III) an individual described in clause (v).

(iii) A church or a convention or association of churches which is exempt from tax under section 501 of title 26 shall be deemed the employer of any individual included as an employee under clause (ii).

(iv) An organization, whether a civil law corporation or otherwise, is associated with a church or a convention or association of churches if it shares common religious bonds and convictions with that church or convention or association of churches.

(v) If an employee who is included in a church plan separates from the service of a church or a convention or association of churches or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches, the church plan shall not fail to meet the requirements of this paragraph merely because the plan—

(I) retains the employee's accrued benefit or account for the payment of benefits to the employee or his beneficiaries pursuant to the terms of the plan; or

(II) receives contributions on the employee's behalf after the employee's separation from such service, but only for a period of 5 years after such separation, unless the employee is disabled (within the meaning of the disability provisions of the church plan or, if there are no such provisions in the church plan, within the meaning of section 72(m)(7) of title 26) at the time of such separation from service.

(D)(i) If a plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26 fails to meet one or more of the requirements of this paragraph and corrects its failure to meet such requirements within the correction period, the plan shall be deemed to

meet the requirements of this paragraph for the year in which the correction was made and for all prior years.

(ii) If a correction is not made within the correction period, the plan shall be deemed not to meet the requirements of this paragraph beginning with the date on which the earliest failure to meet one or more of such requirements occurred.

(iii) For purposes of this subparagraph, the term "correction period" means—

(I) the period ending 270 days after the date of mailing by the Secretary of the Treasury of a notice of default with respect to the plan's failure to meet one or more of the requirements of this paragraph; or

(35) The term "defined benefit plan" means a pension plan other than an individual account plan; except that a pension plan which is not an individual account plan and which provides a benefit derived from employer contributions which is based partly on the balance of the separate account of a participant—

(A) for the purposes of section 1052 of this title, shall be treated as an individual account plan, and

(B) for the purposes of paragraph (23) of this section and section 1054 of this title, shall be treated as an individual account plan to the extent benefits are based upon the separate account of a participant and as a defined benefit plan with respect to the remaining portion of benefits under the plan.

(36) The term "excess benefit plan" means a plan maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of title 26 on plans to which that section applies without regard to whether the plan is funded. (C) Notwithstanding subparagraph (A), a plan is a multiemployer plan on and after its termination date if the plan was a multiemployer plan under this paragraph for the plan year preceding its termination date.

(D) For purposes of this subchapter, notwithstanding the preceding provisions of this paragraph, for any plan year which began before September 26, 1980, the term "multiemployer plan" means a plan described in this paragraph (37) as in effect immediately before such date.

(E) Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation and subject to the provisions of sections 1453(b) and (c) of this title, that the plan shall not be treated as a multiemployer plan for all purposes under this chapter or the Internal Revenue Code of 1954 if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(i) the plan was not a multiemployer plan because the plan was not a plan described in subparagraph (A)(iii) of this paragraph and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(ii) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation, the Secretary of Labor and the Secretary of the Treasury.

(G)(i) Within 1 year after August 17, 2006—

(I) an election under subparagraph (E) may be revoked, pursuant to procedures prescribed

by the Pension Benefit Guaranty Corporation, if, for each of the 3 plan years prior to August 17, 2006, the plan would have been a multiemployer plan but for the election under subparagraph (E), and

(II) a plan that meets the criteria in clauses (i) and (ii) of subparagraph (A) of this paragraph or that is described in clause (vi) may, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, elect to be a multiemployer plan, if—

(aa) for each of the 3 plan years immediately preceding the first plan year for which the election under this paragraph is effective with respect to the plan, the plan has met those criteria or is so described,

(bb) substantially all of the plan's employer contributions for each of those plan years were made or required to be made by organizations that were exempt from tax under section 501 of title 26, and

(cc) the plan was established prior to September 2, 1974.

(ii) An election under this subparagraph shall be effective for all purposes under this chapter and under title 26, starting with any plan year beginning on or after January 1, 1999, and ending before January 1, 2008, as designated by the plan in the election made under clause (i)(II).

(iii) Once made, an election under this subparagraph shall be irrevocable, except that a plan described in clause (i)(II) shall cease to be a multiemployer plan as of the plan year beginning immediately after the first plan year for which the majority of its employer contributions were made or required to be made by organizations that were not exempt from tax under section 501 of title 26.

(iv) The fact that a plan makes an election under clause (i)(II) does not imply that the plan was not a multiemployer plan prior to the date of the election or would not be a multiemployer plan without regard to the election.

(v)(I) No later than 30 days before an election is made under this subparagraph, the plan administrator shall provide notice of the pending election to each plan participant and beneficiary, each labor organization representing such participants or beneficiaries, and each employer that has an obligation to contribute to the plan, describing the principal differences between the guarantee programs under subchapter III and the benefit restrictions under this subchapter for single employer and multiemployer plans, along with such other information as the plan administrator chooses to include.

(II) Within 180 days after August 17, 2006, the Secretary shall prescribe a model notice under this clause.

(III) A plan administrator's failure to provide the notice required under this subparagraph shall be treated for purposes of section 1132(c)(2) of this title as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 1021(b)(1) of this title.

(vi) A plan is described in this clause if it is a plan sponsored by an organization which is described in section 501(c)(5) of title 26 and exempt from tax under section 501(a) of such title and which was established in Chicago, Illinois, on August 12, 1881.

(vii) For purposes of this chapter and title 26, a plan making an election under this subparagraph shall be treated as maintained pursuant to a collective bargaining agreement if a collective bargaining agreement, expressly or otherwise, provides for or permits employer contributions to the plan by one or more employers that are signatory to such agreement, or participation in the plan by one or more employees of an employer that is signatory to such agreement, regardless of whether the plan was created, established, or maintained for such employees by virtue of another document that is not a collective bargaining agreement.

(40)(A) The term “multiple employer welfare arrangement” means an employee welfare benefit plan, or any other arrangement (other than an employee welfare benefit plan), which is established or maintained for the purpose of offering or providing any benefit described in paragraph (1) to the employees of two or more employers (including one or more self-employed individuals), or to their beneficiaries, except that such term does not include any such plan or other arrangement which is established or maintained—

§ 1023. Annual reports

(a) Publication and filing

(1)(A) An annual report shall be published with respect to every employee benefit plan to which this part applies. Such report shall be filed with the Secretary in accordance with section 1024(a) of this title, and shall be made available and furnished to participants in accordance with section 1024(b) of this title.

(B) The annual report shall include the information described in subsections (b) and (c) and

where applicable subsections (d), (e), and (f) and shall also include—

- (i) a financial statement and opinion, as required by paragraph (3) of this subsection, and
- (ii) an actuarial statement and opinion, as required by paragraph (4) of this subsection.

(2) If some or all of the information necessary to enable the administrator to comply with the requirements of this subchapter is maintained by—

(A) an insurance carrier or other organization which provides some or all of the benefits under the plan, or holds assets of the plan in a separate account,

(B) a bank or similar institution which holds some or all of the assets of the plan in a common or collective trust or a separate trust, or custodial account, or

(C) a plan sponsor as defined in section 1002(16)(B) of this title,

such carrier, organization, bank, institution, or plan sponsor shall transmit and certify the accuracy of such information to the administrator within 120 days after the end of the plan year (or such other date as may be prescribed under regulations of the Secretary).

(3)(A) Except as provided in subparagraph (C), the administrator of an employee benefit plan shall engage, on behalf of all plan participants, an independent qualified public accountant, who shall conduct such an examination of any financial statements of the plan, and of other books and records of the plan, as the accountant may deem necessary to enable the accountant to form an opinion as to whether the financial statements and schedules required to be included in the annual reports by subsection (b) of this section are presented fairly in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Such examination shall be conducted in accordance with generally accepted auditing standards, and shall involve such tests of the books and records of the plan as are considered necessary by the independent qualified public accountant. The independent qualified public accountant shall also offer his opinion as to whether the separate schedules specified in subsection (b)(3) of this section and the summary material required under section 1024(b)(3) of this title present fairly, and in all material respects the information contained therein when considered in conjunction with the financial statements taken as a whole. The opinion by the independent qualified public accountant shall be made a part of the annual report. In a case where a plan is not required to file an annual report, the requirements of this paragraph shall not apply. In a case where by reason of section 1024(a)(2) of this title a plan is required only to file a simplified annual report, the Secretary may waive the requirements of this paragraph.

In a case where a plan is not required to file an annual report, the requirement of this paragraph shall not apply, and, in a case where by reason of section 1024(a)(2) of this title, a plan is required only to file a simplified report, the Secretary may waive the requirement of this paragraph.

(B) The enrolled actuary shall utilize such assumptions and techniques as are necessary to enable him to form an opinion as to whether the contents of the matters reported under subsection (d) of this section—

(i) are in the aggregate reasonably related to the experience of the plan and to reasonable expectations; and

(ii) represent his best estimate of anticipated experience under the plan.

The opinion by the enrolled actuary shall be made with respect to, and shall be made a part of, each annual report.

(C) For purposes of this subchapter, the term “enrolled actuary” means an actuary enrolled under subtitle C of subchapter II of this chapter.

§ 1024. Filing with Secretary and furnishing information to participants and certain employers

(a) Filing of annual report with Secretary

(1) The administrator of any employee benefit plan subject to this part shall file with the Secretary the annual report for a plan year within 210 days after the close of such year (or within such time as may be required by regulations promulgated by the Secretary in order to reduce duplicative filing). The Secretary shall make copies of such annual reports available for in-

spection in the public document room of the Department of Labor.

(2)(A) With respect to annual reports required to be filed with the Secretary under this part, he may by regulation prescribe simplified annual reports for any pension plan which covers less than 100 participants.

(B) Nothing contained in this paragraph shall preclude the Secretary from requiring any information or data from any such plan to which this part applies where he finds such data or information is necessary to carry out the purposes of this subchapter nor shall the Secretary be precluded from revoking provisions for simplified reports for any such plan if he finds it necessary to do so in order to carry out the objectives of this subchapter.

(3) The Secretary may by regulation exempt any welfare benefit plan from all or part of the reporting and disclosure requirements of this subchapter, or may provide for simplified reporting and disclosure if he finds that such requirements are inappropriate as applied to welfare benefit plans.

(4) The Secretary may reject any filing under this section—

(A) if he determines that such filing is incomplete for purposes of this part; or

(B) if he determines that there is any material qualification by an accountant or actuary contained in an opinion submitted pursuant to section 1023(a)(3)(A) or section 1023(a)(4)(B) of this title.

(5) If the Secretary rejects a filing of a report under paragraph (4) and if a revised filing satisfactory to the Secretary is not submitted within 45 days after the Secretary makes his determination under paragraph (4) to reject the filing, and if the Secretary deems it in the best interest of the participants, he may take any one or more of the following actions—

(A) retain an independent qualified public accountant (as defined in section 1023(a)(3)(D) of this title) on behalf of the participants to perform an audit,

(B) retain an enrolled actuary (as defined in section 1023(a)(4)(C) of this title) on behalf of the plan participants, to prepare an actuarial statement,

(C) bring a civil action for such legal or equitable relief as may be appropriate to enforce the provisions of this part, or

(D) take any other action authorized by this subchapter.

The administrator shall permit such accountant or actuary to inspect whatever books and records of the plan are necessary for such audit. The plan shall be liable to the Secretary for the expenses for such audit or report, and the Secretary may bring an action against the plan in any court of competent jurisdiction to recover such expenses.

(6) The administrator of any employee benefit plan subject to this part shall furnish to the Secretary, upon request, any documents relating to the employee benefit plan, including but not limited to, the latest summary plan description (including any summaries of plan changes not contained in the summary plan description), and the bargaining agreement, trust agreement,

contract, or other instrument under which the plan is established or operated.

(b) Publication of summary plan description and annual report to participants and beneficiaries of plan

Publication of the summary plan descriptions and annual reports shall be made to participants and beneficiaries of the particular plan as follows:

(1) The administrator shall furnish to each participant, and each beneficiary receiving benefits under the plan, a copy of the summary plan description, and all modifications and changes referred to in section 1022(a) of this title—

(A) within 90 days after he becomes a participant, or (in the case of a beneficiary) within 90 days after he first receives benefits, or

(B) if later, within 120 days after the plan becomes subject to this part.

The administrator shall furnish to each participant, and each beneficiary receiving benefits under the plan, every fifth year after the plan becomes subject to this part an updated summary plan description described in section 1022 of this title which integrates all plan amendments made within such five-year period, except that in a case where no amendments have been made to a plan during such five-year period this sentence shall not apply. Notwithstanding the foregoing, the administrator shall furnish to each participant, and to each beneficiary receiving benefits under the plan, the summary plan description described in section 1022 of this title every tenth year after the plan becomes subject to this part. If there is a modification or change described in section 1022(a) of this title (other than a material reduction in covered services or benefits provided in the case of a group health plan (as defined in section 1191b(a)(1) of this title)), a summary description of such modification or change shall be furnished not later than 210 days after the end of the plan year in which the change is adopted to each participant, and to each beneficiary who is receiving benefits under the plan. If there is a modification or change described in section 1022(a) of this title that is a material reduction in covered services or benefits provided under a group health plan (as defined in section 1191b(a)(1) of this title), a summary description of such modification or change shall be furnished to participants and beneficiaries not later than 60 days after the date of the adoption of the modification or change. In the alternative, the plan sponsors may provide such description at regular intervals of not more than 90 days. The Secretary shall issue regulations within 180 days after August 21, 1996, providing alternative mechanisms to delivery by mail through which group health plans (as so defined) may notify participants and beneficiaries of material reductions in covered services or benefits.

(2) The administrator shall make copies of the latest updated summary plan description and the latest annual report and the bargaining agreement, trust agreement, contract, or other instruments under which the plan was established or is operated available for examination by any plan participant or beneficiary in the principal office of the administrator and in such

other places as may be necessary to make available all pertinent information to all participants (including such places as the Secretary may prescribe by regulations).

(3) Within 210 days after the close of the fiscal year of the plan, the administrator (other than an administrator of a defined benefit plan to which the requirements of section 1021(f) of this title applies)¹ shall furnish to each participant, and to each beneficiary receiving benefits under the plan, a copy of the statements and schedules, for such fiscal year, described in subparagraphs (A) and (B) of section 1023(b)(3) of this title and such other material (including the percentage determined under section 1023(d)(11) of this title) as is necessary to fairly summarize the latest annual report.

(4) The administrator shall, upon written request of any participant or beneficiary, furnish a copy of the latest updated summary,² plan description, and the latest annual report, any terminal report, the bargaining agreement, trust agreement, contract, or other instruments under which the plan is established or operated. The administrator may make a reasonable charge to cover the cost of furnishing such complete copies. The Secretary may by regulation prescribe the maximum amount which will constitute a reasonable charge under the preceding sentence.

(5) Identification and basic plan information and actuarial information included in the annual report for any plan year shall be filed with the Secretary in an electronic format which accommodates display on the Internet, in accordance with regulations which shall be prescribed by the Secretary. The Secretary shall provide for display of such information included in the annual report, within 90 days after the date of the filing of the annual report, on an Internet website maintained by the Secretary and other appropriate media. Such information shall also be displayed on any Intranet website maintained by the plan sponsor (or by the plan administrator on behalf of the plan sponsor) for the purpose of communicating with employees and not the public, in accordance with regulations which shall be prescribed by the Secretary.

(c) Statement of rights

The Secretary may by regulation require that the administrator of any employee benefit plan furnish to each participant and to each beneficiary receiving benefits under the plan a statement of the rights of participants and beneficiaries under this subchapter.

(d) Furnishing summary plan information to employers and employee representatives of multiemployer plans

(G) in the case of a multiemployer plan that has merged with another plan or to which assets and liabilities have been transferred, the actuarial valuation of the assets and liabilities of each affected plan during the year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the first day of the plan year, or other valuation method performed under standards and procedures as the Secretary may prescribe by regulation;

(H) a description as to whether the plan—

(i) sought or received an amortization extension under section 1084(d) of this title or section 431(d) of title 26 for such plan year; or

§ 1052. Minimum participation standards

(a)(1)(A) No pension plan may require, as a condition of participation in the plan, that an

employee complete a period of service with the employer or employers maintaining the plan extending beyond the later of the following dates—

- (i) the date on which the employee attains the age of 21; or
- (ii) the date on which he completes 1 year of service.

(B)(i) In the case of any plan which provides that after not more than 2 years of service each participant has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (ii) of subparagraph (A) shall be applied by substituting “2 years of service” for “1 year of service”.

(ii) In the case of any plan maintained exclusively for employees of an educational organization (as defined in section 170(b)(1)(A)(ii) of title 26) by an employer which is exempt from tax under section 501(a) of title 26, which provides that each participant having at least 1 year of service has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (i) of subparagraph (A) shall be applied by substituting “26” for “21”. This clause shall not apply to any plan to which clause (i) applies.

(2) No pension plan may exclude from participation (on the basis of age) employees who have attained a specified age.

(3)(A) For purposes of this section, the term “year of service” means a 12-month period during which the employee has not less than 1,000 hours of service. For purposes of this paragraph, computation of any 12-month period shall be made with reference to the date on which the employee’s employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000 hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as may be determined under regulations prescribed by the Secretary.

(C) For purposes of this section, the term “hour of service” means a time of service determined under regulations prescribed by the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

- (A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or
- (B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.

(b)(1) Except as otherwise provided in paragraphs (2), (3), and (4), all years of service with the employer or employers maintaining the plan shall be taken into account in computing the period of service for purposes of subsection (a)(1).

(2) In the case of any employee who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title) under a plan to which the service requirements of clause (i) of subsection (a)(1)(B) apply, if such employee has not satisfied such requirements, service before such break shall not be required to be taken into account.

(3) In computing an employee’s period of service for purposes of subsection (a)(1) in the case of any participant who has any 1-year break in service (as defined in section 1053(b)(3)(A) of this title), service before such break shall not be required to be taken into account under the plan until he has completed a year of service (as defined in subsection (a)(3)) after his return.

(4)(A) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account in computing the period of service if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

- (i) 5, or
- (ii) the aggregate number of years of service before such period.

(B) If any years of service are not required to be taken into account by reason of a period of breaks in service to which subparagraph (A) applies, such years of service shall not be taken into account in applying subparagraph (A) to a subsequent period of breaks in service.

(C) For purposes of subparagraph (A), the term “nonvested participant” means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

(5)(A) In the case of each individual who is absent from work for any period—

- (i) by reason of the pregnancy of the individual,
- (ii) by reason of the birth of a child of the individual,
- (iii) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or
- (iv) for purposes of caring for such child for a period beginning immediately following such birth or placement,

the plan shall treat as hours of service, solely for purposes of determining under this subsection whether a 1-year break in service (as defined in section 1053(b)(3)(A) of this title) has occurred, the hours described in subparagraph (B).

(B) The hours described in this subparagraph are—

- (i) the hours of service which otherwise would normally have been credited to such individual but for such absence, or
- (ii) in any case in which the plan is unable to determine the hours described in clause (i), 8 hours of service per day of such absence,

except that the total number of hours treated as hours of service under this subparagraph by reason of any such pregnancy or placement shall not exceed 501 hours.

(C) The hours described in subparagraph (B) shall be treated as hours of service as provided in this paragraph—

(i) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in subparagraph (A); or

(ii) in any other case, in the immediately following year.

(D) For purposes of this paragraph, the term “year” means the period used in computations pursuant to subsection (a)(3)(A).

(E) A plan may provide that no credit will be given pursuant to this paragraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—

(i) that the absence from work is for reasons referred to in subparagraph (A), and

(ii) the number of days for which there was such an absence.

break in service shall not be required to be taken into account in computing the period of service for purposes of subsection (a)(1) if the number of consecutive 1-year breaks in service equals or exceeds the aggregate number of such years of service before such break. Such aggregate number of years of service before such break shall be deemed not to include any years of service not required to be taken into account under this paragraph by reason of any prior break in service.”

§ 1053. Minimum vesting standards

(a) Nonforfeitable requirements

Each pension plan shall provide that an employee's right to his normal retirement benefit is nonforfeitable upon the attainment of normal retirement age and in addition shall satisfy the requirements of paragraphs (1) and (2) of this subsection.

(1) A plan satisfies the requirements of this paragraph if an employee's rights in his accrued benefit derived from his own contributions are nonforfeitable.

(2)(A)(i) In the case of a defined benefit plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee's accrued benefit derived from employer contributions determined under the following table:

Years of service:	The nonforfeitable percentage is:
3	20
4	40
5	60
6	80
7 or more	100.

(B)(i) In the case of an individual account plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee's accrued benefit derived from employer contributions determined under the following table:

Years of service:	The nonforfeitable percentage is:
2	20

Years of service:

The nonforfeitable percentage is:

3	40
4	60
5	80
6 or more	100.

(3)(A) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that it is not payable if the participant dies (except in the case of a survivor annuity which is payable as provided in section 1055 of this title).

(B) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that the payment of benefits is suspended for such period as the employee is employed, subsequent to the commencement of payment of such benefits—

(i) in the case of a plan other than a multi-employer plan, by an employer who maintains the plan under which such benefits were being paid; and

(ii) in the case of a multiemployer plan, in the same industry, in the same trade or craft, and the same geographic area covered by the plan, as when such benefits commenced.

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph, including regulations with respect to the meaning of the term "employed".

(C) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because plan amendments may be given retroactive application as provided in section 1082(d)(2) of this title.

(D)(i) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that, in the case of a participant who does not have a nonforfeitable right to at least 50 percent of his accrued benefit derived from employer contributions, such accrued benefit may be forfeited on account of the withdrawal by the participant of any amount attributable to the benefit derived from mandatory contributions (as defined in the last sentence of section 1054(c)(2)(C) of this title) made by such participant.

(ii) Clause (i) shall not apply to a plan unless the plan provides that any accrued benefit forfeited under a plan provision described in such clause shall be restored upon repayment by the participant of the full amount of the withdrawal described in such clause plus, in the case of a defined benefit plan, interest. Such interest shall be computed on such amount at the rate determined for purposes of section 1054(c)(2)(C) of this title (if such subsection applies) on the date of such repayment (computed annually from the date of such withdrawal). The plan provision required under this clause may provide that such repayment must be made (I) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on

which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (II) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(iii) In the case of accrued benefits derived from employer contributions which accrued before September 2, 1974, a right to such accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that an amount of such accrued benefit may be forfeited on account of the withdrawal by the participant of an amount attributable to the benefit derived from mandatory contributions, made by such participant before September 2, 1974, if such amount forfeited is proportional to such amount withdrawn. This clause shall not apply to any plan to which any mandatory contribution is made after September 2, 1974. The Secretary of the Treasury shall prescribe such regulations as may be necessary to carry out the purposes of this clause.

(iv) For purposes of this subparagraph, in the case of any class-year plan, a withdrawal of employee contributions shall be treated as a withdrawal of such contributions on a plan year by plan year basis in succeeding order of time.

(v) Cross reference.—

For nonforfeitable where the employee has a nonforfeitable right to at least 50 percent of his accrued benefit, see section 1056(c) of this title.

(E)(i) A right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because the plan provides that benefits accrued as a result of service with the participant's employer before the employer had an obligation to contribute under the plan may not be payable if the employer ceases contributions to the multiemployer plan.

(ii) A participant's right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because—

(I) the plan is amended to reduce benefits under section 1425¹ or 1441 of this title, or

(II) benefit payments under the plan may be suspended under section 1426 or 1441 of this title.

(F) A matching contribution (within the meaning of section 401(m) of title 26) shall not be treated as forfeitable merely because such contribution is forfeitable if the contribution to which the matching contribution relates is treated as an excess contribution under section 401(k)(8)(B) of title 26, an excess deferral under section 402(g)(2)(A) of title 26, an erroneous automatic contribution under section 414(w) of title 26, or an excess aggregate contribution under section 401(m)(6)(B) of title 26.

(b) Computation of period of service

(1) In computing the period of service under the plan for purposes of determining the nonforfeitable percentage under subsection (a)(2), all of an employee's years of service with the

employer or employers maintaining the plan shall be taken into account, except that the following may be disregarded:

(A) years of service before age 18,²

(B) years of service during a period for which the employee declined to contribute to a plan requiring employee contributions,²

(C) years of service with an employer during any period for which the employer did not maintain the plan or a predecessor plan, defined by the Secretary of the Treasury;

(D) service not required to be taken into account under paragraph (3);

(E) years of service before January 1, 1971, unless the employee has had at least 3 years of service after December 31, 1970;

(F) years of service before this part first applies to the plan if such service would have been disregarded under the rules of the plan with regard to breaks in service, as in effect on the applicable date; and

(G) in the case of a multiemployer plan, years of service—

(i) with an employer after—

(I) a complete withdrawal of such employer from the plan (within the meaning of section 1383 of this title), or

(II) to the extent permitted by regulations prescribed by the Secretary of the Treasury, a partial withdrawal described in section 1385(b)(2)(A)(i) of this title in connection with the decertification of the collective bargaining representative; and

(ii) with any employer under the plan after the termination date of the plan under section 1348 of this title.

(2)(A) For purposes of this section, except as provided in subparagraph (C), the term "year of service" means a calendar year, plan year, or other 12-consecutive month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has completed 1,000 hours of service.

(B) For purposes of this section, the term "hour of service" has the meaning provided by section 1052(a)(3)(C) of this title.

(C) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term "year of service" shall be such period as determined under regulations of the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(3)(A) For purposes of this paragraph, the term "1-year break in service" means a calendar year, plan year, or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has not completed more than 500 hours of service.

(B) For purposes of paragraph (1), in the case of any employee who has any 1-year break in service, years of service before such break shall not be required to be taken into account until he has completed a year of service after his return.

¹ See References in Text note below.

² So in original. The comma probably should be a semicolon.

(C) For purposes of paragraph (1), in the case of any participant in an individual account plan or an insured defined benefit plan which satisfies the requirements of subsection 1054(b)(1)(F) of this title who has 5 consecutive 1-year breaks in service, years of service after such 5-year period shall not be required to be taken into account for purposes of determining the nonforfeitable percentage of his accrued benefit derived from employer contributions which accrued before such 5-year period.

(D)(i) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

(I) 5, or

(II) the aggregate number of years of service before such period.

(ii) If any years of service are not required to be taken into account by reason of a period of breaks in service to which clause (i) applies, such years of service shall not be taken into account in applying clause (i) to a subsequent period of breaks in service.

(iii) For purposes of clause (i), the term “nonvested participant” means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

(E)(i) In the case of each individual who is absent from work for any period—

(I) by reason of the pregnancy of the individual,

(II) by reason of the birth of a child of the individual,

(III) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or

(IV) for purposes of caring for such child for a period beginning immediately following such birth or placement,

the plan shall treat as hours of service, solely for purposes of determining under this paragraph whether a 1-year break in service has occurred, the hours described in clause (ii).

(ii) The hours described in this clause are—

(I) the hours of service which otherwise would normally have been credited to such individual but for such absence, or

(II) in any case in which the plan is unable to determine the hours described in subclause (I), 8 hours of service per day of absence,

except that the total number of hours treated as hours of service under this clause by reason of such pregnancy or placement shall not exceed 501 hours.

(iii) The hours described in clause (ii) shall be treated as hours of service as provided in this subparagraph—

(I) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in clause (i); or

(II) in any other case, in the immediately following year.

(iv) For purposes of this subparagraph, the term “year” means the period used in computations pursuant to paragraph (2).

(v) A plan may provide that no credit will be given pursuant to this subparagraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—

(I) that the absence from work is for reasons referred to in clause (i), and

(II) the number of days for which there was such an absence.

(4) Cross references.—

(A) For definitions of “accrued benefit” and “normal retirement age”, see sections 1002(23) and (24) of this title.

(B) For effect of certain cash out distributions, see section 1054(d)(1) of this title.

(c) Plan amendments altering vesting schedule

(1)(A) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) if the nonforfeitable percentage of the accrued benefit derived from employer contributions (determined as of the later of the date such amendment is adopted, or the date such amendment becomes effective) of any employee who is a participant in the plan is less than such nonforfeitable percentage computed under the plan without regard to such amendment.

(B) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) unless each participant having not less than 3 years of service is permitted to elect, within a reasonable period after adoption of such amendment, to have his nonforfeitable percentage computed under the plan without regard to such amendment.

(2) Subsection (a) shall not apply to benefits which may not be provided for designated employees in the event of early termination of the plan under provisions of the plan adopted pursuant to regulations prescribed by the Secretary of the Treasury to preclude the discrimination prohibited by section 401(a)(4) of title 26.

(d) Nonforfeitable benefits after lesser period and in greater amounts than required

A pension plan may allow for nonforfeitable benefits after a lesser period and in greater amounts than are required by this part.

(e) Consent for distribution; present value; covered distributions

(1) If the present value of any nonforfeitable benefit with respect to a participant in a plan exceeds \$5,000, the plan shall provide that such benefit may not be immediately distributed without the consent of the participant.

(2) For purposes of paragraph (1), the present value shall be calculated in accordance with section 1055(g)(3) of this title.

(3) This subsection shall not apply to any distribution of dividends to which section 404(k) of title 26 applies.

(4) A plan shall not fail to meet the requirements of this subsection if, under the terms of the plan, the present value of the nonforfeitable accrued benefit is determined without regard to that portion of such benefit which is attrib-

utable to rollover contributions (and earnings allocable thereto). For purposes of this subparagraph, the term “rollover contributions” means any rollover contribution under sections 402(c), 403(a)(4), 403(b)(8), 408(d)(3)(A)(ii), and 457(e)(16) of title 26.

(f) Special rules for plans computing accrued benefits by reference to hypothetical account balance or equivalent amounts

(1) In general

An applicable defined benefit plan shall not be treated as failing to meet—

(A) subject to paragraph (2), the requirements of subsection (a)(2), or

(B) the requirements of section 1054(c) or 1055(g) of this title, or the requirements of subsection (e), with respect to accrued benefits derived from employer contributions,

solely because the present value of the accrued benefit (or any portion thereof) of any participant is, under the terms of the plan, equal to the amount expressed as the balance in the hypothetical account described in paragraph (3) or as an accumulated percentage of the participant’s final average compensation.

(2) 3-year vesting

In the case of an applicable defined benefit plan, such plan shall be treated as meeting the requirements of subsection (a)(2) only if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions.

(3) Applicable defined benefit plan and related rules

For purposes of this subsection—

(A) In general

The term “applicable defined benefit plan” means a defined benefit plan under which the accrued benefit (or any portion thereof) is calculated as the balance of a hypothetical account maintained for the participant or as an accumulated percentage of the participant’s final average compensation.

(B) Regulations to include similar plans

The Secretary of the Treasury shall issue regulations which include in the definition of an applicable defined benefit plan any defined benefit plan (or any portion of such a plan) which has an effect similar to an applicable defined benefit plan.

REFERENCES IN TEXT

Section 1425 of this title, referred to in subsec. (a)(3)(E)(ii)(I), was repealed by Pub. L. 113-235, div. O, title I, §108(a)(1), Dec. 16, 2014, 128 Stat. 2786.

AMENDMENTS

2008—Subsec. (f)(1)(B). Pub. L. 110-458 amended subpar. (B) generally. Prior to amendment, subpar. (B) read as follows: “the requirements of section 1054(c) of this title or section 1055(g) of this title with respect to contributions other than employee contributions.”

2006—Subsec. (a)(2). Pub. L. 109-280, §904(b)(1), amended par. (2) generally, substituting provisions relating to satisfaction of requirements in the case of a defined benefit plan and in the case of an individual account plan for provisions relating to satisfaction of requirements if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions or if an employee has a nonforfeitable right to a percentage of such benefit based upon number of years of service.

Subsec. (a)(3)(C). Pub. L. 109-280, §108(a)(4), formerly §107(a)(4), as renumbered by Pub. L. 111-192, substituted “1082(d)(2)” for “1082(c)(8)”.

Subsec. (a)(3)(F). Pub. L. 109-280, §902(d)(2)(E), inserted “an erroneous automatic contribution under section 414(w) of title 26,” before “or an excess aggregate contribution”.

Subsec. (a)(4). Pub. L. 109-280, §904(b)(2), struck out par. (4), which related to application of par. (2) in the case of matching contributions, as defined in section 401(m)(4)(A) of title 26.

Subsec. (f). Pub. L. 109-280, §701(a)(2), added subsec. (f).

2004—Subsec. (a)(4)(B). Pub. L. 108-311 substituted “6 or more” for “6” in table.

2001—Subsec. (a)(2). Pub. L. 107-16, §633(b)(1), substituted “Except as provided in paragraph (4), a plan” for “A plan” in introductory provisions.

Subsec. (a)(4). Pub. L. 107-16, §633(b)(2), added par. (4). Subsec. (e)(4). Pub. L. 107-16, §648(a)(2), added par. (4). 1997—Subsec. (e)(1). Pub. L. 105-34 substituted “\$5,000” for “\$3,500”.

1996—Subsec. (a)(2). Pub. L. 104-188, §1442(b)(1), substituted “subparagraph (A) or (B)” for “subparagraph (A), (B), or (C)” in introductory provisions.

Subsec. (a)(2)(C). Pub. L. 104-188, §1442(b)(2), struck out subpar. (C) which read as follows: “A plan satisfies the requirements of this subparagraph if—

“(i) the plan is a multiemployer plan (within the meaning of section 1002(37)), and

“(ii) under the plan—

“(I) an employee who is covered pursuant to a collective bargaining agreement described in section 1002(37)(A)(ii) of this title and who has completed at least 10 years of service has a nonforfeitable right to 100 percent of the employee’s accrued benefit derived from employer contributions, and

“(II) the requirements of subparagraph (A) or (B) are met with respect to employees not described in subclause (I).”

1994—Subsec. (e)(2). Pub. L. 103-465 amended par. (2) generally. Prior to amendment, par. (2) read as follows: “(2)(A) For purposes of paragraph (1), the present value shall be calculated—

“(i) by using an interest rate no greater than the applicable interest rate if the vested accrued benefit (using such rate) is not in excess of \$25,000, and

“(ii) by using an interest rate no greater than 120 percent of the applicable interest rate if the vested accrued benefit exceeds \$25,000 (as determined under clause (i)).

In no event shall the present value determined under subclause (II) be less than \$25,000.

“(B) For purposes of subparagraph (A), the term ‘applicable interest rate’ means the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.”

1989—Subsec. (a)(2). Pub. L. 101-239, § 7861(a)(1)(A), substituted “satisfies the requirements” for “satisfies the following requirements” in introductory provisions.

Subsec. (a)(2)(C)(ii)(I). Pub. L. 101-239, § 7861(a)(1)(B), substituted “section 1002(37)(A)(ii) of this title” for “section 414(f)(1)(B)”.

Subsec. (a)(3)(D)(v). Pub. L. 101-239, § 7894(c)(3), substituted “nonforfeitability” for “nonforfeitably”.

Subsec. (a)(3)(F). Pub. L. 101-239, § 7861(a)(5)(B), added subpar. (F).

Subsec. (b)(1)(A). Pub. L. 101-239, § 7861(a)(6)(B), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “years of service before age 18, except that in case of a plan which does not satisfy subparagraph (A) or (B) of subsection (a)(2), the plan may not disregard any such year of service during which the employee was a participant.”

Subsec. (c)(2). Pub. L. 101-239, § 7891(a)(1), substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

Subsec. (e)(1). Pub. L. 101-239, § 7862(d)(10), which directed amendment of par. (1) by substituting “nonforfeitable benefit” for “vested accrued benefit”, could not be executed because the language “vested accrued benefit” did not appear after the amendment by Pub. L. 101-239, § 7862(d)(5), see below.

Pub. L. 101-239, § 7862(d)(5), amended par. (1) generally. Prior to amendment, par. (1) read as follows: “If the present value of any vested accrued benefit exceeds \$3,500, a pension plan shall provide that such benefit may not be immediately distributed without the consent of the participant.”

Pub. L. 101-239, § 7862(d)(4), made technical correction to Pub. L. 99-514, § 1898(d)(1)(B), see 1986 Amendment note below.

Subsec. (e)(2). Pub. L. 101-239, § 7891(b)(1), (2), realigned margins of subpars. (A) and (B) and struck out subpar. (B) heading “Applicable interest rate”.

Subsec. (e)(3). Pub. L. 101-239, § 7891(a)(1), substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

1986—Subsec. (a)(2). Pub. L. 99-514, § 1113(e)(1), amended par. (2) generally, substituting provisions covering 5-year vesting, 3- to 7-year vesting, and multiemployer plans, for former provisions which covered 10-year vesting, 5- to 15-year vesting, and the “rule of 45” under which a plan satisfied the requirements of this paragraph if an employee who had completed at least 5 years of service and with respect to whom the sum of his age and years of service equalled or exceeded 45 had a right to a percentage of his accrued benefits derived from employer contributions.

Subsec. (a)(3)(D)(ii). Pub. L. 99-514, § 1898(a)(4)(B)(i), inserted last sentence and struck out former last sentence which read as follows: “In the case of a defined contribution plan the plan provision required under this clause may provide that such repayment must be made before the participant has any 1-year break in service commencing after the withdrawal.”

Subsec. (c)(1)(B). Pub. L. 99-514, § 1113(e)(4)(A), substituted “3 years” for “5 years”.

Subsec. (c)(3). Pub. L. 99-514, § 1113(e)(2), struck out par. (3) which provided for class year vesting.

Pub. L. 99-514, § 1898(a)(1)(B), amended par. (3) generally. Prior to amendment, par. (3) read as follows: “The requirements of subsection (a)(2) shall be deemed to be satisfied in the case of a class year plan if such plan provides that 100 percent of each employee’s right to or derived from the contributions of the employer on his behalf with respect to any plan year are nonforfeitable not later than the end of the 5th year following the plan year for which such contributions were made. For purposes of this part, the term ‘class year plan’ means a profit sharing, stock bonus, or money purchase plan which provides for the separate nonforfeitable of employees’ rights to or derived from the contributions for each plan year.”

Subsec. (e)(1). Pub. L. 99-514, § 1898(d)(1)(B), as amended by Pub. L. 101-239, § 7862(d)(4), amended par. (1) generally. Prior to amendment, par. (1) read as follows: “If the present value of any accrued benefit exceeds \$3,500, such benefit shall not be treated as nonforfeitable if the plan provides that the present value of such benefit could be immediately distributed without the consent of the participant.”

Subsec. (e)(2). Pub. L. 99-514, § 1139(c)(1), amended par. (2) generally. Prior to amendment, par. (2) read as follows: “For purposes of paragraph (1), the present value shall be calculated by using an interest rate not greater than the interest rate which would be used (as of the date of the distribution) by the Pension Benefit Guaranty Corporation for purposes of determining the present value of a lump sum distribution on plan termination.”

Pub. L. 99-514, § 1898(d)(2)(B), added par. (3).

1984—Subsec. (b)(1)(A). Pub. L. 98-397, § 102(b), substituted “18” for “22”.

Subsec. (b)(3)(C). Pub. L. 98-397, § 102(c), substituted “5 consecutive 1-year breaks in service” for “any 1-year break in service” and substituted “such 5-year period” for “such break” in two places.

Subsec. (b)(3)(D). Pub. L. 98-397, § 102(d)(2), amended subpar. (D) generally. Prior to amendment, subpar. (D) read as follows: “For purposes of paragraph (1), in the case of a participant who, under the plan, does not have any nonforfeitable right to an accrued benefit derived from employer contributions, years of service before any 1-year break in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service equals or exceeds the aggregate number of such years of service prior to such break. Such aggregate number of years of service before such break shall be deemed not to include any years of service not required to be taken into account under this subparagraph by reason of any prior break in service.”

Subsec. (b)(3)(E). Pub. L. 98-397, § 102(e)(2), added subpar. (E).

Subsec. (e). Pub. L. 98-397, § 105(a), added subsec. (e). 1980—Subsec. (a)(3)(E). Pub. L. 96-364, § 303(1), added subpar. (E).

Subsec. (b)(1)(G). Pub. L. 96-364, § 303(2)–(4), added subpar. (G).

L. 98-397, set out as a note under section 1001 of this title, such amendments shall not apply to any plan year to which amendments made by Pub. L. 98-397 do not apply by reason of such section 302(b), see section 1898(a)(1)(C) of Pub. L. 99-514, set out as a note under section 411 of Title 26.

§ 1054. Benefit accrual requirements

(a) Satisfaction of requirements by pension plans

Each pension plan shall satisfy the requirements of subsection (b)(3), and—

(1) in the case of a defined benefit plan, shall satisfy the requirements of subsection (b)(1); and

(2) in the case of a defined contribution plan, shall satisfy the requirements of subsection (b)(2).

(b) Enumeration of plan requirements

(1)(A) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which each participant is entitled upon his separation from the service is not less than—

(i) 3 percent of the normal retirement benefit to which he would be entitled at the normal retirement age if he commenced participation at the earliest possible entry age under the plan and served continuously until the earlier of age 65 or the normal retirement age specified under the plan, multiplied by

(ii) the number of years (not in excess of $33\frac{1}{3}$) of his participation in the plan.

In the case of a plan providing retirement benefits based on compensation during any period, the normal retirement benefit to which a participant would be entitled shall be determined as if he continued to earn annually the average rate of compensation which he earned during consecutive years of service, not in excess of 10, for which his compensation was the highest. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(B) A defined benefit plan satisfies the requirements of this paragraph of a particular plan year if under the plan the accrued benefit payable at the normal retirement age is equal to the normal retirement benefit and the annual rate at which any individual who is or could be a participant can accrue the retirement benefits payable at normal retirement age under the plan for any later plan year is not more than $133\frac{1}{3}$ percent of the annual rate at which he can accrue benefits for any plan year beginning on or after such particular plan year and before such later plan year. For purposes of this subparagraph—

(i) any amendment to the plan which is in effect for the current year shall be treated as in effect for all other plan years;

(ii) any change in an accrual rate which does not apply to any individual who is or could be

a participant in the current year shall be disregarded;

(iii) the fact that benefits under the plan may be payable to certain employees before normal retirement age shall be disregarded; and

(iv) social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after the current year.

(C) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which any participant is entitled upon his separation from the service is not less than a fraction of the annual benefit commencing at normal retirement age to which he would be entitled under the plan as in effect on the date of his separation if he continued to earn annually until normal retirement age the same rate of compensation upon which his normal retirement benefit would be computed under the plan, determined as if he had attained normal retirement age on the date any such determination is made (but taking into account no more than the 10 years of service immediately preceding his separation from service). Such fraction shall be a fraction, not exceeding 1, the numerator of which is the total number of his years of participation in the plan (as of the date of his separation from the service) and the denominator of which is the total number of years he would have participated in the plan if he separated from the service at the normal retirement age. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(D) Subparagraphs (A), (B), and (C) shall not apply with respect to years of participation before the first plan year to which this section applies but a defined benefit plan satisfies the requirements of this subparagraph with respect to such years of participation only if the accrued benefit of any participant with respect to such years of participation is not less than the greater of—

(i) his accrued benefit determined under the plan, as in effect from time to time prior to September 2, 1974, or

(ii) an accrued benefit which is not less than one-half of the accrued benefit to which such participant would have been entitled if subparagraph (A), (B), or (C) applied with respect to such years of participation.

(E) Notwithstanding subparagraphs (A), (B), and (C) of this paragraph, a plan shall not be treated as not satisfying the requirements of this paragraph solely because the accrual of benefits under the plan does not become effective until the employee has two continuous years of service. For purposes of this subparagraph, the term "year of service" has the meaning provided by section 1052(a)(3)(A) of this title.

(F) Notwithstanding subparagraphs (A), (B), and (C), a defined benefit plan satisfies the requirements of this paragraph if such plan

(i) is funded exclusively by the purchase of insurance contracts, and

(ii) satisfies the requirements of paragraphs (2) and (3) of section 1081(b) of this title (relating to certain insurance contract plans),

but only if an employee's accrued benefit as of any applicable date is not less than the cash surrender value his insurance contracts would have on such applicable date if the requirements of paragraphs (4), (5), and (6) of section 1081(b) of this title were satisfied.

(G) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if the participant's accrued benefit is reduced on account of any increase in his age or service. The preceding sentence shall not apply to benefits under the plan commencing before benefits payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] which benefits under the plan—

(i) do not exceed social security benefits, and

(ii) terminate when such social security benefits commence.

(H)(i) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if, under the plan, an employee's benefit accrual is ceased, or the rate of an employee's benefit accrual is reduced, because of the attainment of any age.

(ii) A plan shall not be treated as failing to meet the requirements of this subparagraph solely because the plan imposes (without regard to age) a limitation on the amount of benefits that the plan provides or a limitation on the number of years of service or years of participation which are taken into account for purposes of determining benefit accrual under the plan.

(iii) In the case of any employee who, as of the end of any plan year under a defined benefit plan, has attained normal retirement age under such plan—

(I) if distribution of benefits under such plan with respect to such employee has commenced as of the end of such plan year, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of the actuarial equivalent of in-service distribution of benefits, and

(II) if distribution of benefits under such plan with respect to such employee has not commenced as of the end of such year in accordance with section 1056(a)(3) of this title, and the payment of benefits under such plan with respect to such employee is not suspended during such plan year pursuant to section 1053(a)(3)(B) of this title, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of any adjustment in the benefit payable under the plan during such plan year attributable to the delay in the distribution of benefits after the attainment of normal retirement age.

The preceding provisions of this clause shall apply in accordance with regulations of the Secretary of the Treasury. Such regulations may provide for the application of the preceding pro-

visions of this clause, in the case of any such employee, with respect to any period of time within a plan year.

(iv) Clause (i) shall not apply with respect to any employee who is a highly compensated employee (within the meaning of section 414(q) of title 26) to the extent provided in regulations prescribed by the Secretary of the Treasury for purposes of precluding discrimination in favor of highly compensated employees within the meaning of subchapter D of chapter 1 of title 26.

(v) A plan shall not be treated as failing to meet the requirements of clause (i) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(vi) Any regulations prescribed by the Secretary of the Treasury pursuant to clause (v) of section 411(b)(1)(H) of title 26 shall apply with respect to the requirements of this subparagraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(1)(H).

(2)(A) A defined contribution plan satisfies the requirements of this paragraph if, under the plan, allocations to the employee's account are not ceased, and the rate at which amounts are allocated to the employee's account is not reduced, because of the attainment of any age.

(B) A plan shall not be treated as failing to meet the requirements of subparagraph (A) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(C) Any regulations prescribed by the Secretary of the Treasury pursuant to subparagraphs (B) and (C) of section 411(b)(2) of title 26 shall apply with respect to the requirements of this paragraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(2).

(3) A plan satisfies the requirements of this paragraph if—

(A) in the case of a defined benefit plan, the plan requires separate accounting for the portion of each employee's accrued benefit derived from any voluntary employee contributions permitted under the plan; and

(B) in the case of any plan which is not a defined benefit plan, the plan requires separate accounting for each employee's accrued benefit.

(4)(A) For purposes of determining an employee's accrued benefit, the term "year of participation" means a period of service (beginning at the earliest date on which the employee is a participant in the plan and which is included in a period of service required to be taken into account under section 1052(b) of this title, determined without regard to section 1052(b)(5) of this title) as determined under regulations prescribed by the Secretary which provide for the calculation of such period on any reasonable and consistent basis.

(B) For purposes of this paragraph, except as provided in subparagraph (C), in the case of any employee whose customary employment is less than full time, the calculation of such employee's service on any basis which provides less than a ratable portion of the accrued benefit to

which he would be entitled under the plan if his customary employment were full time shall not be treated as made on a reasonable and consistent basis.

(C) For purposes of this paragraph, in the case of any employee whose service is less than 1,000 hours during any calendar year, plan year or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) the calculation of his period of service shall not be treated as not made on a reasonable and consistent basis merely because such service is not taken into account.

(D) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of participation” shall be such period as determined under regulations prescribed by the Secretary.

(E) For purposes of this subsection in the case of any maritime industry, 125 days of service shall be treated as a year of participation. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(5) SPECIAL RULES RELATING TO AGE.—

(A) COMPARISON TO SIMILARLY SITUATED YOUNGER INDIVIDUAL.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) if a participant’s accrued benefit, as determined as of any date under the terms of the plan, would be equal to or greater than that of any similarly situated, younger individual who is or could be a participant.

(ii) SIMILARLY SITUATED.—For purposes of this subparagraph, a participant is similarly situated to any other individual if such participant is identical to such other individual in every respect (including period of service, compensation, position, date of hire, work history, and any other respect) except for age.

(iii) DISREGARD OF SUBSIDIZED EARLY RETIREMENT BENEFITS.—In determining the accrued benefit as of any date for purposes of this subparagraph, the subsidized portion of any early retirement benefit or retirement-type subsidy shall be disregarded.

(iv) ACCRUED BENEFIT.—For purposes of this subparagraph, the accrued benefit may, under the terms of the plan, be expressed as an annuity payable at normal retirement age, the balance of a hypothetical account, or the current value of the accumulated percentage of the employee’s final average compensation.

(B) APPLICABLE DEFINED BENEFIT PLANS.—

(i) INTEREST CREDITS.—

(I) IN GENERAL.—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the terms of the plan provide that any interest credit (or an equivalent amount) for any plan year shall be at a rate which is not greater than a market rate of return. A plan shall not be treated as failing to meet the requirements of this subclause merely because the plan provides for a reasonable minimum guaran-

teed rate of return or for a rate of return that is equal to the greater of a fixed or variable rate of return.

(II) PRESERVATION OF CAPITAL.—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the plan provides that an interest credit (or equivalent amount) of less than zero shall in no event result in the account balance or similar amount being less than the aggregate amount of contributions credited to the account.

(III) MARKET RATE OF RETURN.—The Secretary of the Treasury may provide by regulation for rules governing the calculation of a market rate of return for purposes of subclause (I) and for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I).

(ii) SPECIAL RULE FOR PLAN CONVERSIONS.—If, after June 29, 2005, an applicable plan amendment is adopted, the plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the requirements of clause (iii) are met with respect to each individual who was a participant in the plan immediately before the adoption of the amendment.

(iii) RATE OF BENEFIT ACCRUAL.—Subject to clause (iv), the requirements of this clause are met with respect to any participant if the accrued benefit of the participant under the terms of the plan as in effect after the amendment is not less than the sum of—

(I) the participant’s accrued benefit for years of service before the effective date of the amendment, determined under the terms of the plan as in effect before the amendment, plus

(II) the participant’s accrued benefit for years of service after the effective date of the amendment, determined under the terms of the plan as in effect after the amendment.

(iv) SPECIAL RULES FOR EARLY RETIREMENT SUBSIDIES.—For purposes of clause (iii)(I), the plan shall credit the accumulation account or similar amount¹ with the amount of any early retirement benefit or retirement-type subsidy for the plan year in which the participant retires if, as of such time, the participant has met the age, years of service, and other requirements under the plan for entitlement to such benefit or subsidy.

(v) APPLICABLE PLAN AMENDMENT.—For purposes of this subparagraph—

(I) IN GENERAL.—The term “applicable plan amendment” means an amendment to a defined benefit plan which has the effect of converting the plan to an applicable defined benefit plan.

(II) SPECIAL RULE FOR COORDINATED BENEFITS.—If the benefits of 2 or more defined benefit plans established or maintained by

¹ So in original. Probably should be “similar account”.

an employer are coordinated in such a manner as to have the effect of the adoption of an amendment described in subclause (I), the sponsor of the defined benefit plan or plans providing for such coordination shall be treated as having adopted such a plan amendment as of the date such coordination begins.

(III) MULTIPLE AMENDMENTS.—The Secretary of the Treasury shall issue regulations to prevent the avoidance of the purposes of this subparagraph through the use of 2 or more plan amendments rather than a single amendment.

(IV) APPLICABLE DEFINED BENEFIT PLAN.—For purposes of this subparagraph, the term “applicable defined benefit plan” has the meaning given such term by section 1053(f)(3) of this title.

(vi) TERMINATION REQUIREMENTS.—An applicable defined benefit plan shall not be treated as meeting the requirements of clause (i) unless the plan provides that, upon the termination of the plan—

(I) if the interest credit rate (or an equivalent amount) under the plan is a variable rate, the rate of interest used to determine accrued benefits under the plan shall be equal to the average of the rates of interest used under the plan during the 5-year period ending on the termination date, and

(II) the interest rate and mortality table used to determine the amount of any benefit under the plan payable in the form of an annuity payable at normal retirement age shall be the rate and table specified under the plan for such purpose as of the termination date, except that if such interest rate is a variable rate, the interest rate shall be determined under the rules of subclause (I).

(C) CERTAIN OFFSETS PERMITTED.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) solely because the plan provides offsets against benefits under the plan to the extent such offsets are otherwise allowable in applying the requirements of section 401(a) of title 26.

(D) PERMITTED DISPARITIES IN PLAN CONTRIBUTIONS OR BENEFITS.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides a disparity in contributions or benefits with respect to which the requirements of section 401(l) of title 26 are met.

(E) INDEXING PERMITTED.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides for indexing of accrued benefits under the plan.

(ii) PROTECTION AGAINST LOSS.—Except in the case of any benefit provided in the form of a variable annuity, clause (i) shall not apply with respect to any indexing which results in an accrued benefit less than the accrued benefit determined without regard to such indexing.

(iii) INDEXING.—For purposes of this subparagraph, the term “indexing” means, in

connection with an accrued benefit, the periodic adjustment of the accrued benefit by means of the application of a recognized investment index or methodology.

(F) EARLY RETIREMENT BENEFIT OR RETIREMENT-TYPE SUBSIDY.—For purposes of this paragraph, the terms “early retirement benefit” and “retirement-type subsidy” have the meaning given such terms in subsection (g)(2)(A).

(G) BENEFIT ACCRUED TO DATE.—For purposes of this paragraph, any reference to the accrued benefit shall be a reference to such benefit accrued to date.

(c) Employee’s accrued benefits derived from employer and employee contributions

(1) For purposes of this section and section 1053 of this title an employee’s accrued benefit derived from employer contributions as of any applicable date is the excess (if any) of the accrued benefit for such employee as of such applicable date over the accrued benefit derived from contributions made by such employee as of such date.

(2)(A) In the case of a plan other than a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is—

(i) except as provided in clause (ii), the balance of the employee’s separate account consisting only of his contributions and the income, expenses, gains, and losses attributable thereto, or

(ii) if a separate account is not maintained with respect to an employee’s contributions under such a plan, the amount which bears the same ratio to his total accrued benefit as the total amount of the employee’s contributions (less withdrawals) bears to the sum of such contributions and the contributions made on his behalf by the employer (less withdrawals).

(B) DEFINED BENEFIT PLANS.—In the case of a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is the amount equal to the employee’s accumulated contributions expressed as an annual benefit commencing at normal retirement age, using an interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date).

(C) For purposes of this subsection, the term “accumulated contributions” means the total of—

(i) all mandatory contributions made by the employee,

(ii) interest (if any) under the plan to the end of the last plan year to which section 1053(a)(2) of this title does not apply (by reason of the applicable effective date), and

(iii) interest on the sum of the amounts determined under clauses (i) and (ii) compounded annually—

(I) at the rate of 120 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of a plan year for the period beginning with the 1st plan year to which subsection (a)(2) applies by reason of the applicable effective date) and ending with the date on which the determination is being made, and

(II) at the interest rate which would be used under the plan under section 1055(g)(3) of this title (as of the determination date) for the period beginning with the determination date and ending on the date on which the employee attains normal retirement age.

For purposes of this subparagraph, the term “mandatory contributions” means amounts contributed to the plan by the employee which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employer contributions.

(D) The Secretary of the Treasury is authorized to adjust by regulation the conversion factor described in subparagraph (B) from time to time as he may deem necessary. No such adjustment shall be effective for a plan year beginning before the expiration of 1 year after such adjustment is determined and published.

(3) For purposes of this section, in the case of any defined benefit plan, if an employee’s accrued benefit is to be determined as an amount other than an annual benefit commencing at normal retirement age, or if the accrued benefit derived from contributions made by an employee is to be determined with respect to a benefit other than an annual benefit in the form of a single life annuity (without ancillary benefits) commencing at normal retirement age, the employee’s accrued benefit, or the accrued benefits derived from contributions made by an employee, as the case may be, shall be the actuarial equivalent of such benefit or amount determined under paragraph (1) or (2).

(4) In the case of a defined benefit plan which permits voluntary employee contributions, the portion of an employee’s accrued benefit derived from such contributions shall be treated as an accrued benefit derived from employee contributions under a plan other than a defined benefit plan.

(d) Employee service which may be disregarded in determining employee’s accrued benefits under plan

Notwithstanding section 1053(b)(1) of this title, for purposes of determining the employee’s accrued benefit under the plan, the plan may disregard service performed by the employee with respect to which he has received—

- (1) a distribution of the present value of his entire nonforfeitable benefit if such distribution was in an amount (not more than the dollar limit under section 1053(e)(1) of this title) permitted under regulations prescribed by the Secretary of the Treasury, or
- (2) a distribution of the present value of his nonforfeitable benefit attributable to such service which he elected to receive.

Paragraph (1) shall apply only if such distribution was made on termination of the employee’s participation in the plan. Paragraph (2) shall apply only if such distribution was made on termination of the employee’s participation in the plan or under such other circumstances as may be provided under regulations prescribed by the Secretary of the Treasury.

(e) Opportunity to repay full amount of distributions which have been reduced through disregarded employee service

For purposes of determining the employee’s accrued benefit, the plan shall not disregard service as provided in subsection (d) unless the plan provides an opportunity for the participant to repay the full amount of a distribution described in subsection (d) with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) and provides that upon such repayment the employee’s accrued benefit shall be recomputed by taking into account service so disregarded. This subsection shall apply only in the case of a participant who—

- (1) received such a distribution in any plan year to which this section applies which distribution was less than the present value of his accrued benefit,
- (2) resumes employment covered under the plan, and
- (3) repays the full amount of such distribution with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C).

The plan provision required under this subsection may provide that such repayment must be made (A) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (B) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(f) Employer treated as maintaining a plan

For the purposes of this part, an employer shall be treated as maintaining a plan if any employee of such employer accrues benefits under such plan by reason of service with such employer.

(g) Decrease of accrued benefits through amendment of plan

(1) The accrued benefit of a participant under a plan may not be decreased by an amendment of the plan, other than an amendment described in section 1082(d)(2) or 1441 of this title.

(2) For purposes of paragraph (1), a plan amendment which has the effect of—

- (A) eliminating or reducing an early retirement benefit or a retirement-type subsidy (as defined in regulations), or
- (B) eliminating an optional form of benefit,

with respect to benefits attributable to service before the amendment shall be treated as reducing accrued benefits. In the case of a retirement-type subsidy, the preceding sentence shall apply only with respect to a participant who satisfies (either before or after the amendment) the pre-amendment conditions for the subsidy. The Secretary of the Treasury shall by regulations provide that this paragraph shall not apply to any plan amendment which reduces or eliminates benefits or subsidies which create significant burdens or complexities for the plan and plan participants, unless such amendment adversely

affects the rights of any participant in a more than de minimis manner. The Secretary of the Treasury may by regulations provide that this subparagraph shall not apply to a plan amendment described in subparagraph (B) (other than a plan amendment having an effect described in subparagraph (A)).

(3) For purposes of this subsection, any—

(A) tax credit employee stock ownership plan (as defined in section 409(a) of title 26, or

(B) employee stock ownership plan (as defined in section 4975(e)(7) of title 26),

shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a nondiscriminatory manner.

(4)(A) A defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because the transferee plan does not provide some or all of the forms of distribution previously available under another defined contribution plan (in this subparagraph referred to as the “transferor plan”) to the extent that—

(i) the forms of distribution previously available under the transferor plan applied to the account of a participant or beneficiary under the transferor plan that was transferred from the transferor plan to the transferee plan pursuant to a direct transfer rather than pursuant to a distribution from the transferor plan;

(ii) the terms of both the transferor plan and the transferee plan authorize the transfer described in clause (i);

(iii) the transfer described in clause (i) was made pursuant to a voluntary election by the participant or beneficiary whose account was transferred to the transferee plan;

(iv) the election described in clause (iii) was made after the participant or beneficiary received a notice describing the consequences of making the election; and

(v) the transferee plan allows the participant or beneficiary described in clause (iii) to receive any distribution to which the participant or beneficiary is entitled under the transferee plan in the form of a single sum distribution.

(B) Subparagraph (A) shall apply to plan mergers and other transactions having the effect of a direct transfer, including consolidations of benefits attributable to different employers within a multiple employer plan.

(5) Except to the extent provided in regulations promulgated by the Secretary of the Treasury, a defined contribution plan shall not be treated as failing to meet the requirements of this subsection merely because of the elimination of a form of distribution previously available thereunder. This paragraph shall not apply to the elimination of a form of distribution with respect to any participant unless—

(A) a single sum payment is available to such participant at the same time or times as the form of distribution being eliminated; and

(B) such single sum payment is based on the same or greater portion of the participant’s account as the form of distribution being eliminated.

(h) Notice of significant reduction in benefit accruals

(1) An applicable pension plan may not be amended so as to provide for a significant reduction in the rate of future benefit accrual unless the plan administrator provides the notice described in paragraph (2) to each applicable individual (and to each employee organization representing applicable individuals) and to each employer who has an obligation to contribute to the plan.

(2) The notice required by paragraph (1) shall be written in a manner calculated to be understood by the average plan participant and shall provide sufficient information (as determined in accordance with regulations prescribed by the Secretary of the Treasury) to allow applicable individuals to understand the effect of the plan amendment. The Secretary of the Treasury may provide a simplified form of notice for, or exempt from any notice requirement, a plan—

(A) which has fewer than 100 participants who have accrued a benefit under the plan, or

(B) which offers participants the option to choose between the new benefit formula and the old benefit formula.

(3) Except as provided in regulations prescribed by the Secretary of the Treasury, the notice required by paragraph (1) shall be provided within a reasonable time before the effective date of the plan amendment.

(4) Any notice under paragraph (1) may be provided to a person designated, in writing, by the person to which it would otherwise be provided.

(5) A plan shall not be treated as failing to meet the requirements of paragraph (1) merely because notice is provided before the adoption of the plan amendment if no material modification of the amendment occurs before the amendment is adopted.

(6)(A) In the case of any egregious failure to meet any requirement of this subsection with respect to any plan amendment, the provisions of the applicable pension plan shall be applied as if such plan amendment entitled all applicable individuals to the greater of—

(i) the benefits to which they would have been entitled without regard to such amendment, or

(ii) the benefits under the plan with regard to such amendment.

(B) For purposes of subparagraph (A), there is an egregious failure to meet the requirements of this subsection if such failure is within the control of the plan sponsor and is—

(i) an intentional failure (including any failure to promptly provide the required notice or information after the plan administrator discovers an unintentional failure to meet the requirements of this subsection),

(ii) a failure to provide most of the individuals with most of the information they are entitled to receive under this subsection, or

(iii) a failure which is determined to be egregious under regulations prescribed by the Secretary of the Treasury.

(7) The Secretary of the Treasury may by regulations allow any notice under this subsection to be provided by using new technologies.

(8) For purposes of this subsection—

(A) The term “applicable individual” means, with respect to any plan amendment—

(i) each participant in the plan; and

(ii) any beneficiary who is an alternate payee (within the meaning of section 1056(d)(3)(K) of this title) under an applicable qualified domestic relations order (within the meaning of section 1056(d)(3)(B)(i) of this title),

whose rate of future benefit accrual under the plan may reasonably be expected to be significantly reduced by such plan amendment.

(B) The term “applicable pension plan” means—

(i) any defined benefit plan; or

(ii) an individual account plan which is subject to the funding standards of section 412 of title 26.

(9) For purposes of this subsection, a plan amendment which eliminates or reduces any early retirement benefit or retirement-type subsidy (within the meaning of subsection (g)(2)(A)) shall be treated as having the effect of reducing the rate of future benefit accrual.

(i) Prohibition on benefit increases where plan sponsor is in bankruptcy

(1) In the case of a plan described in paragraph (3) which is maintained by an employer that is a debtor in a case under title 11 or similar Federal or State law, no amendment of the plan which increases the liabilities of the plan by reason of—

(A) any increase in benefits,

(B) any change in the accrual of benefits, or

(C) any change in the rate at which benefits become nonforfeitable under the plan,

with respect to employees of the debtor, shall be effective prior to the effective date of such employer’s plan of reorganization.

(2) Paragraph (1) shall not apply to any plan amendment that—

(A) the Secretary of the Treasury determines to be reasonable and that provides for only de minimis increases in the liabilities of the plan with respect to employees of the debtor,

(B) only repeals an amendment described in section 1082(d)(2) of this title,

(C) is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26, or

(D) was adopted prior to, or pursuant to a collective bargaining agreement entered into prior to, the date on which the employer became a debtor in a case under title 11 or similar Federal or State law.

(3) This subsection shall apply only to plans (other than multiemployer plans or CSEC plans) covered under section 1321 of this title for which the funding target attainment percentage (as defined in section 1083(d)(2) of this title) is less than 100 percent after taking into account the effect of the amendment.

(4) For purposes of this subsection, the term “employer” has the meaning set forth in section 1082(b)(1) of this title, without regard to section 1082(b)(2) of this title.

(j) Diversification requirements for certain individual account plans

(1) In general

An applicable individual account plan shall meet the diversification requirements of paragraphs (2), (3), and (4).

(2) Employee contributions and elective deferrals invested in employer securities

In the case of the portion of an applicable individual’s account attributable to employee contributions and elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if the applicable individual may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(3) Employer contributions invested in employer securities

In the case of the portion of the account attributable to employer contributions other than elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if each applicable individual who—

(A) is a participant who has completed at least 3 years of service, or

(B) is a beneficiary of a participant described in subparagraph (A) or of a deceased participant,

may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(4) Investment options

(A) In general

The requirements of this paragraph are met if the plan offers not less than 3 investment options, other than employer securities, to which an applicable individual may direct the proceeds from the divestment of employer securities pursuant to this subsection, each of which is diversified and has materially different risk and return characteristics.

(B) Treatment of certain restrictions and conditions

(i) Time for making investment choices

A plan shall not be treated as failing to meet the requirements of this paragraph merely because the plan limits the time for divestment and reinvestment to periodic, reasonable opportunities occurring no less frequently than quarterly.

(ii) Certain restrictions and conditions not allowed

Except as provided in regulations, a plan shall not meet the requirements of this paragraph if the plan imposes restrictions or conditions with respect to the investment of employer securities which are not imposed on the investment of other assets of the plan. This subparagraph shall not apply to any restrictions or conditions imposed by reason of the application of securities laws.

(5) Applicable individual account plan

(D) Certain plans treated as holding publicly traded employer securities

(i) In general

Except as provided in regulations or in clause (ii), a plan holding employer securities which are not publicly traded employer securities shall be treated as holding publicly traded employer securities if any employer corporation, or any member of a controlled group of corporations which includes such employer corporation, has issued a class of stock which is a publicly traded employer security.

(ii) Exception for certain controlled groups with publicly traded securities

Clause (i) shall not apply to a plan if—

(I) no employer corporation, or parent corporation of an employer corporation, has issued any publicly traded employer security, and

(II) no employer corporation, or parent corporation of an employer corporation, has issued any special class of stock which grants particular rights to, or bears particular risks for, the holder or issuer with respect to any corporation described in clause (i) which has issued any publicly traded employer security.

(iii) Definitions

For purposes of this subparagraph, the term—

(I) “controlled group of corporations” has the meaning given such term by section 1563(a) of title 26, except that “50 percent” shall be substituted for “80 percent” each place it appears,

(II) “employer corporation” means a corporation which is an employer maintaining the plan, and

(III) “parent corporation” has the meaning given such term by section 424(e) of title 26.

(A) Rules phased in over 3 years

(i) In general

In the case of the portion of an account to which paragraph (3) applies and which consists of employer securities acquired in a plan year beginning before January 1, 2007, paragraph (3) shall only apply to the applicable percentage of such securities. This subparagraph shall be applied separately with respect to each class of securities.

(ii) Exception for certain participants aged 55 or over

(k) Special rule for determining normal retirement age for certain existing defined benefit plans

(1) In general

Notwithstanding section 1002(24) of this title, an applicable plan shall not be treated as

failing to meet any requirement of this subchapter, or as failing to have a uniform normal retirement age for purposes of this subchapter, solely because the plan provides for a normal retirement age described in paragraph (2).

(2) Applicable plan

For purposes of this subsection—

(A) In general

The term “applicable plan” means a defined benefit plan the terms of which, on or before December 8, 2014, provided for a normal retirement age which is the earlier of—

- (ii) the age at which a participant completes the number of years (not less than 30 years) of benefit accrual service specified by the plan.

A plan shall not fail to be treated as an applicable plan solely because the normal retirement age described in the preceding sentence only applied to certain participants or only applied to employees of certain employers in the case of a plan maintained by more than 1 employer.

(B) Expanded application

Subject to subparagraph (C), if, after December 8, 2014, an applicable plan is amended to expand the application of the normal retirement age described in subparagraph (A) to additional participants or to employees of additional employers maintaining the plan, such plan shall also be treated as an applicable plan with respect to such participants or employees.

(C) Limitation on expanded application

A defined benefit plan shall be an applicable plan only with respect to an individual who—

- (i) is a participant in the plan on or before January 1, 2017, or
- (ii) is an employee at any time on or before January 1, 2017, of any employer maintaining the plan, and who becomes a participant in such plan after such date.

§ 1055. Requirement of joint and survivor annuity and preretirement survivor annuity

(a) Required contents for applicable plans

Each pension plan to which this section applies shall provide that—

(1) in the case of a vested participant who does not die before the annuity starting date, the accrued benefit payable to such participant shall be provided in the form of a qualified joint and survivor annuity, and

(2) in the case of a vested participant who dies before the annuity starting date and who has a surviving spouse, a qualified preretirement survivor annuity shall be provided to the surviving spouse of such participant.

(b) Applicable plans

(1) This section shall apply to—

(A) any defined benefit plan,

(B) any individual account plan which is subject to the funding standards of section 1082 of this title, and

(C) any participant under any other individual account plan unless—

(i) such plan provides that the participant's nonforfeitable accrued benefit (reduced by any security interest held by the plan by reason of a loan outstanding to such participant) is payable in full, on the death of the participant, to the participant's surviving spouse (or, if there is no surviving spouse or the surviving spouse consents in the manner required under subsection (c)(2), to a designated beneficiary),

(ii) such participant does not elect the payment of benefits in the form of a life annuity, and

(iii) with respect to such participant, such plan is not a direct or indirect transferee (in

a transfer after December 31, 1984) of a plan which is described in subparagraph (A) or (B) or to which this clause applied with respect to the participant.

Clause (iii) of subparagraph (C) shall apply only with respect to the transferred assets (and income therefrom) if the plan separately accounts for such assets and any income therefrom.

(2)(A) In the case of—

(i) a tax credit employee stock ownership plan (as defined in section 409(a) of title 26), or

(ii) an employee stock ownership plan (as defined in section 4975(e)(7) of title 26),

subsection (a) shall not apply to that portion of the employee's accrued benefit to which the requirements of section 409(h) of title 26 apply.

(B) Subparagraph (A) shall not apply with respect to any participant unless the requirements of clause¹ (i), (ii), and (iii) of paragraph (1)(C) are met with respect to such participant.

(4)² This section shall not apply to a plan which the Secretary of the Treasury or his delegate has determined is a plan described in section 404(c) of title 26 (or a continuation thereof) in which participation is substantially limited to individuals who, before January 1, 1976, ceased employment covered by the plan.

(4)² A plan shall not be treated as failing to meet the requirements of paragraph (1)(C) or (2) merely because the plan provides that benefits will not be payable to the surviving spouse of the participant unless the participant and such spouse had been married throughout the 1-year period ending on the earlier of the participant's annuity starting date or the date of the participant's death.

(c) Plans meeting requirements of section

(1) A plan meets the requirements of this section only if—

(A) under the plan, each participant—

(i) may elect at any time during the applicable election period to waive the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit (or both),

(ii) if the participant elects a waiver under clause (i), may elect the qualified optional survivor annuity at any time during the applicable election period, and

(iii) may revoke any such election at any time during the applicable election period, and

(B) the plan meets the requirements of paragraphs (2), (3), and (4).

(2) Each plan shall provide that an election under paragraph (1)(A)(i) shall not take effect unless—

(A)(i) the spouse of the participant consents in writing to such election, (ii) such election designates a beneficiary (or a form of benefits) which may not be changed without spousal consent (or the consent of the spouse expressly permits designations by the participant without any requirement of further consent by the spouse), and (iii) the spouse's consent ac-

knowledges the effect of such election and is witnessed by a plan representative or a notary public, or

(B) it is established to the satisfaction of a plan representative that the consent required under subparagraph (A) may not be obtained because there is no spouse, because the spouse cannot be located, or because of such other circumstances as the Secretary of the Treasury may by regulations prescribe.

Any consent by a spouse (or establishment that the consent of a spouse may not be obtained) under the preceding sentence shall be effective only with respect to such spouse.

(3)(A) Each plan shall provide to each participant, within a reasonable period of time before the annuity starting date (and consistent with such regulations as the Secretary of the Treasury may prescribe) a written explanation of—

(i) the terms and conditions of the qualified joint and survivor annuity and of the qualified optional survivor annuity,

(ii) the participant's right to make, and the effect of, an election under paragraph (1) to waive the joint and survivor annuity form of benefit,

(iii) the rights of the participant's spouse under paragraph (2), and

(iv) the right to make, and the effect of, a revocation of an election under paragraph (1).

(B)(i) Each plan shall provide to each participant, within the applicable period with respect to such participant (and consistent with such regulations as the Secretary may prescribe), a written explanation with respect to the qualified preretirement survivor annuity comparable to that required under subparagraph (A).

(ii) For purposes of clause (i), the term "applicable period" means, with respect to a participant, whichever of the following periods ends last:

(I) The period beginning with the first day of the plan year in which the participant attains age 32 and ending with the close of the plan year preceding the plan year in which the participant attains age 35.

(II) A reasonable period after the individual becomes a participant.

(III) A reasonable period ending after paragraph (5) ceases to apply to the participant.

(IV) A reasonable period ending after this section applies to the participant.

In the case of a participant who separates from service before attaining age 35, the applicable period shall be a reasonable period after separation.

(4) Each plan shall provide that, if this section applies to a participant when part or all of the participant's accrued benefit is to be used as security for a loan, no portion of the participant's accrued benefit may be used as security for such loan unless—

(A) the spouse of the participant (if any) consents in writing to such use during the 90-day period ending on the date on which the loan is to be so secured, and

(B) requirements comparable to the requirements of paragraph (2) are met with respect to such consent.

(5)(A) The requirements of this subsection shall not apply with respect to the qualified

joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit, as the case may be, if such benefit may not be waived (or another beneficiary selected) and if the plan fully subsidizes the costs of such benefit.

(B) For purposes of subparagraph (A), a plan fully subsidizes the costs of a benefit if under the plan the failure to waive such benefit by a participant would not result in a decrease in any plan benefits with respect to such participant and would not result in increased contributions from such participant.

(6) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(A) relying on a consent or revocation referred to in paragraph (1)(A), or

(B) making a determination under paragraph (2),

then such consent, revocation, or determination shall be treated as valid for purposes of discharging the plan from liability to the extent of payments made pursuant to such Act.

(7) For purposes of this subsection, the term “applicable election period” means—

(A) in the case of an election to waive the qualified joint and survivor annuity form of benefit, the 180-day period ending on the annuity starting date, or

(B) in the case of an election to waive the qualified preretirement survivor annuity, the period which begins on the first day of the plan year in which the participant attains age 35 and ends on the date of the participant's death.

In the case of a participant who is separated from service, the applicable election period under subparagraph (B) with respect to benefits accrued before the date of such separation from service shall not begin later than such date.

(8) Notwithstanding any other provision of this subsection—

(A)(i) A plan may provide the written explanation described in paragraph (3)(A) after the annuity starting date. In any case to which this subparagraph applies, the applicable election period under paragraph (7) shall not end before the 30th day after the date on which such explanation is provided.

(ii) The Secretary of the Treasury may by regulations limit the application of clause (i), except that such regulations may not limit the period of time by which the annuity starting date precedes the provision of the written explanation other than by providing that the annuity starting date may not be earlier than termination of employment.

(B) A plan may permit a participant to elect (with any applicable spousal consent) to waive any requirement that the written explanation be provided at least 30 days before the annuity starting date (or to waive the 30-day requirement under subparagraph (A)) if the distribution commences more than 7 days after such explanation is provided.

(d)(1) “Qualified joint and survivor annuity” defined

For purposes of this section, the term “qualified joint and survivor annuity” means an annuity—

(A) for the life of the participant with a survivor annuity for the life of the spouse which is not less than 50 percent of (and is not greater than 100 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(B) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(2)(A) For purposes of this section, the term “qualified optional survivor annuity” means an annuity—

(i) for the life of the participant with a survivor annuity for the life of the spouse which is equal to the applicable percentage of the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(ii) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(B)(i) For purposes of subparagraph (A), if the survivor annuity percentage—

(I) is less than 75 percent, the applicable percentage is 75 percent, and

(II) is greater than or equal to 75 percent, the applicable percentage is 50 percent.

(ii) For purposes of clause (i), the term “survivor annuity percentage” means the percentage which the survivor annuity under the plan's qualified joint and survivor annuity bears to the annuity payable during the joint lives of the participant and the spouse.

(e) “Qualified preretirement survivor annuity” defined

For purposes of this section—

(1) Except as provided in paragraph (2), the term “qualified preretirement survivor annuity” means a survivor annuity for the life of the surviving spouse of the participant if—

(A) the payments to the surviving spouse under such annuity are not less than the amounts which would be payable as a survivor annuity under the qualified joint and survivor annuity under the plan (or the actuarial equivalent thereof) if—

(i) in the case of a participant who dies after the date on which the participant attained the earliest retirement age, such participant had retired with an immediate qualified joint and survivor annuity on the day before the participant's date of death, or

(ii) in the case of a participant who dies on or before the date on which the participant would have attained the earliest retirement age, such participant had—

(I) separated from service on the date of death,

(II) survived to the earliest retirement age,

(III) retired with an immediate qualified joint and survivor annuity at the earliest retirement age, and

(IV) died on the day after the day on which such participant would have attained the earliest retirement age, and

(B) under the plan, the earliest period for which the surviving spouse may receive a payment under such annuity is not later than the month in which the participant would have attained the earliest retirement age under the plan.

In the case of an individual who separated from service before the date of such individual's death, subparagraph (A)(ii)(I) shall not apply.

(2) In the case of any individual account plan or participant described in subparagraph (B) or (C) of subsection (b)(1), the term "qualified preretirement survivor annuity" means an annuity for the life of the surviving spouse the actuarial equivalent of which is not less than 50 percent of the portion of the account balance of the participant (as of the date of death) to which the participant had a nonforfeitable right (within the meaning of section 1053 of this title).

(3) For purposes of paragraphs (1) and (2), any security interest held by the plan by reason of a loan outstanding to the participant shall be taken into account in determining the amount of the qualified preretirement survivor annuity.

(f) Marriage requirements for plan

(1) Except as provided in paragraph (2), a plan may provide that a qualified joint and survivor annuity (or a qualified preretirement survivor annuity) will not be provided unless the participant and spouse had been married throughout the 1-year period ending on the earlier of—

(A) the participant's annuity starting date, or

(B) the date of the participant's death.

(2) For purposes of paragraph (1), if—

(A) a participant marries within 1 year before the annuity starting date, and

(B) the participant and the participant's spouse in such marriage have been married for at least a 1-year period ending on or before the date of the participant's death,

such participant and such spouse shall be treated as having been married throughout the 1-year period ending on the participant's annuity starting date.

(g) Distribution of present value of annuity; written consent; determination of present value

(1) A plan may provide that the present value of a qualified joint and survivor annuity or a qualified preretirement survivor annuity will be immediately distributed if such value does not exceed the amount that can be distributed without the participant's consent under section 1053(e) of this title. No distribution may be made under the preceding sentence after the annuity starting date unless the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to such distribution.

(2) If—

(A) the present value of the qualified joint and survivor annuity or the qualified preretirement survivor annuity exceeds the amount that can be distributed without the participant's consent under section 1053(e) of this title, and

(B) the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to the distribution,

the plan may immediately distribute the present value of such annuity.

(3)(A) For purposes of paragraphs (1) and (2), the present value shall not be less than the present value calculated by using the applicable mortality table and the applicable interest rate.

(B) For purposes of subparagraph (A)—

(i) The term "applicable mortality table" means a mortality table, modified as appropriate by the Secretary of the Treasury, based on the mortality table specified for the plan year under subparagraph (A) of section 1083(h)(3) of this title (without regard to subparagraph (C) or (D) of such section).

(ii) The term "applicable interest rate" means the adjusted first, second, and third segment rates applied under rules similar to the rules of section 1083(h)(2)(C) of this title (determined by not taking into account any adjustment under clause (iv) thereof) for the month before the date of the distribution or such other time as the Secretary of the Treasury may by regulations prescribe.

(iii) For purposes of clause (ii), the adjusted first, second, and third segment rates are the first, second, and third segment rates which would be determined under section 1083(h)(2)(C) of this title (determined by not taking into account any adjustment under clause (iv) thereof) if section 1083(h)(2)(D) of this title were applied by substituting the average yields for the month described in clause (ii) for the average yields for the 24-month period described in such section.

(h) Definitions

For purposes of this section—

(1) The term "vested participant" means any participant who has a nonforfeitable right (within the meaning of section 1002(19) of this title) to any portion of such participant's accrued benefit.

(2)(A) The term "annuity starting date" means—

(i) the first day of the first period for which an amount is payable as an annuity, or

(ii) in the case of a benefit not payable in the form of an annuity, the first day on which all events have occurred which entitle the participant to such benefit.

For provisions directing that if any amendments made by subtitle D [§§1401-1465] of title I of Pub. L. 104-188 require an amendment to any plan or annuity contract, such amendment shall not be required to be made before the first day of the first plan year beginning on or after Jan. 1, 1998, see section 1465 of Pub. L. 104-188, set out as a note under section 401 of Title 26, Internal Revenue Code.

PLAN AMENDMENTS NOT REQUIRED UNTIL
JANUARY 1, 1989

For provisions directing that if any amendments made by subtitle A or subtitle C of title XI [§§1101-1147 and 1171-1177] or title XVIII [§§1800-1899A] of Pub. L. 99-514 require an amendment to any plan, such plan amendment shall not be required to be made before the first plan year beginning on or after Jan. 1, 1989, see section 1140 of Pub. L. 99-514, as amended, set out as a note under section 401 of Title 26, Internal Revenue Code.

§ 1056. Form and payment of benefits**(a) Commencement date for payment of benefits**

Each pension plan shall provide that unless the participant otherwise elects, the payment of benefits under the plan to the participant shall begin not later than the 60th day after the latest of the close of the plan year in which—

(1) occurs the date on which the participant attains the earlier of age 65 or the normal retirement age specified under the plan,

(2) occurs the 10th anniversary of the year in which the participant commenced participation in the plan, or

(3) the participant terminates his service with the employer.

In the case of a plan which provides for the payment of an early retirement benefit, such plan shall provide that a participant who satisfied the service requirements for such early retirement benefit, but separated from the service (with any nonforfeitable right to an accrued benefit) before satisfying the age requirement for such early retirement benefit, is entitled upon satisfaction of such age requirement to receive a benefit not less than the benefit to which he would be entitled at the normal retirement age, actuarially reduced under regulations prescribed by the Secretary of the Treasury.

(b) Decrease in plan benefits by reason of increases in benefit levels under Social Security Act or Railroad Retirement Act of 1937

If—

(1) a participant or beneficiary is receiving benefits under a pension plan, or

(2) a participant is separated from the service and has non-forfeitable rights to benefits,

a plan may not decrease benefits of such a participant by reason of any increase in the benefit levels payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] or the Railroad Retirement Act of 1937 [45 U.S.C. 231 et seq.] or any increase in the wage base under such title II, if such increase takes place after September 2, 1974, or (if later) the earlier of the date of first entitlement of such benefits or the date of such separation.

(c) Forfeiture of accrued benefits derived from employer contributions

No pension plan may provide that any part of a participant's accrued benefit derived from employer contributions (whether or not otherwise nonforfeitable) is forfeitable solely because of withdrawal by such participant of any amount attributable to the benefit derived from contributions made by such participant. The preceding sentence shall not apply (1) to the accrued benefit of any participant unless, at the time of such withdrawal, such participant has a nonforfeitable right to at least 50 percent of such accrued benefit, or (2) to the extent that an accrued benefit is permitted to be forfeited in accordance with section 1053(a)(3)(D)(iii) of this title.

(d) Assignment or alienation of plan benefits

(1) Each pension plan shall provide that benefits provided under the plan may not be assigned or alienated.

(2) For the purposes of paragraph (1) of this subsection, there shall not be taken into account any voluntary and revocable assignment of not to exceed 10 percent of any benefit payment, or of any irrevocable assignment or alienation of benefits executed before September 2, 1974. The preceding sentence shall not apply to any assignment or alienation made for the purposes of defraying plan administration costs. For purposes of this paragraph a loan made to a participant or beneficiary shall not be treated as

an assignment or alienation if such loan is secured by the participant's accrued non-forfeitable benefit and is exempt from the tax imposed by section 4975 of title 26 (relating to tax on prohibited transactions) by reason of section 4975(d)(1) of title 26.

(3)(A) Paragraph (1) shall apply to the creation, assignment, or recognition of a right to any benefit payable with respect to a participant pursuant to a domestic relations order, except that paragraph (1) shall not apply if the order is determined to be a qualified domestic relations order. Each pension plan shall provide for the payment of benefits in accordance with the applicable requirements of any qualified domestic relations order.

(B) For purposes of this paragraph—

(i) the term "qualified domestic relations order" means a domestic relations order—

(I) which creates or recognizes the existence of an alternate payee's right to, or assigns to an alternate payee the right to, receive all or a portion of the benefits payable with respect to a participant under a plan, and

(II) with respect to which the requirements of subparagraphs (C) and (D) are met, and

(ii) the term "domestic relations order" means any judgment, decree, or order (including approval of a property settlement agreement) which—

(I) relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child, or other dependent of a participant, and

(II) is made pursuant to a State domestic relations law (including a community property law).

(C) A domestic relations order meets the requirements of this subparagraph only if such order clearly specifies—

(i) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate payee covered by the order,

(ii) the amount or percentage of the participant's benefits to be paid by the plan to each such alternate payee, or the manner in which such amount or percentage is to be determined,

(iii) the number of payments or period to which such order applies, and

(iv) each plan to which such order applies.

(D) A domestic relations order meets the requirements of this subparagraph only if such order—

(i) does not require a plan to provide any type or form of benefit, or any option, not otherwise provided under the plan,

(ii) does not require the plan to provide increased benefits (determined on the basis of actuarial value), and

(iii) does not require the payment of benefits to an alternate payee which are required to be paid to another alternate payee under another order previously determined to be a qualified domestic relations order.

(E)(i) A domestic relations order shall not be treated as failing to meet the requirements of

clause (i) of subparagraph (D) solely because such order requires that payment of benefits be made to an alternate payee—

(I) in the case of any payment before a participant has separated from service, on or after the date on which the participant attains (or would have attained) the earliest retirement age,

(II) as if the participant had retired on the date on which such payment is to begin under such order (but taking into account only the present value of benefits actually accrued and not taking into account the present value of any employer subsidy for early retirement), and

(III) in any form in which such benefits may be paid under the plan to the participant (other than in the form of a joint and survivor annuity with respect to the alternate payee and his or her subsequent spouse).

For purposes of subclause (II), the interest rate assumption used in determining the present value shall be the interest rate specified in the plan or, if no rate is specified, 5 percent.

(ii) For purposes of this subparagraph, the term “earliest retirement age” means the earlier of—

(I) the date on which the participant is entitled to a distribution under the plan, or

(II) the later of the date of¹ the participant attains age 50 or the earliest date on which the participant could begin receiving benefits under the plan if the participant separated from service.

(F) To the extent provided in any qualified domestic relations order—

(i) the former spouse of a participant shall be treated as a surviving spouse of such participant for purposes of section 1055 of this title (and any spouse of the participant shall not be treated as a spouse of the participant for such purposes), and

(ii) if married for at least 1 year, the surviving former spouse shall be treated as meeting the requirements of section 1055(f) of this title.

(G)(i) In the case of any domestic relations order received by a plan—

(I) the plan administrator shall promptly notify the participant and each alternate payee of the receipt of such order and the plan’s procedures for determining the qualified status of domestic relations orders, and

(II) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified domestic relations order and notify the participant and each alternate payee of such determination.

(ii) Each plan shall establish reasonable procedures to determine the qualified status of domestic relations orders and to administer distributions under such qualified orders. Such procedures—

(I) shall be in writing,

(II) shall provide for the notification of each person specified in a domestic relations order as entitled to payment of benefits under the

plan (at the address included in the domestic relations order) of such procedures promptly upon receipt by the plan of the domestic relations order, and

(III) shall permit an alternate payee to designate a representative for receipt of copies of notices that are sent to the alternate payee with respect to a domestic relations order.

(H)(i) During any period in which the issue of whether a domestic relations order is a qualified domestic relations order is being determined (by the plan administrator, by a court of competent jurisdiction, or otherwise), the plan administrator shall separately account for the amounts (hereinafter in this subparagraph referred to as the “segregated amounts”) which would have been payable to the alternate payee during such period if the order had been determined to be a qualified domestic relations order.

(ii) If within the 18-month period described in clause (v) the order (or modification thereof) is determined to be a qualified domestic relations order, the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons entitled thereto.

(iii) If within the 18-month period described in clause (v)—

(I) it is determined that the order is not a qualified domestic relations order, or

(II) the issue as to whether such order is a qualified domestic relations order is not resolved,

then the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons who would have been entitled to such amounts if there had been no order.

(iv) Any determination that an order is a qualified domestic relations order which is made after the close of the 18-month period described in clause (v) shall be applied prospectively only.

(v) For purposes of this subparagraph, the 18-month period described in this clause is the 18-month period beginning with the date on which the first payment would be required to be made under the domestic relations order.

(I) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(i) treating a domestic relations order as being (or not being) a qualified domestic relations order, or

(ii) taking action under subparagraph (H),

then the plan’s obligation to the participant and each alternate payee shall be discharged to the extent of any payment made pursuant to such Act.

(J) A person who is an alternate payee under a qualified domestic relations order shall be considered for purposes of any provision of this chapter a beneficiary under the plan. Nothing in the preceding sentence shall permit a requirement under section 1301 of this title of the payment of more than 1 premium with respect to a participant for any period.

(K) The term “alternate payee” means any spouse, former spouse, child, or other dependent of a participant who is recognized by a domestic relations order as having a right to receive all, or a portion of, the benefits payable under a plan with respect to such participant.

¹ So in original. The word “of” probably should not appear.

(L) This paragraph shall not apply to any plan to which paragraph (1) does not apply.

(M) Payment of benefits by a pension plan in accordance with the applicable requirements of a qualified domestic relations order shall not be treated as garnishment for purposes of section 1673(a) of title 15.

(N) In prescribing regulations under this paragraph, the Secretary shall consult with the Secretary of the Treasury.

(4) Paragraph (1) shall not apply to any offset of a participant's benefits provided under an employee pension benefit plan against an amount that the participant is ordered or required to pay to the plan if—

(A) the order or requirement to pay arises—

(i) under a judgment of conviction for a crime involving such plan,

(ii) under a civil judgment (including a consent order or decree) entered by a court in an action brought in connection with a violation (or alleged violation) of part 4 of this subtitle, or

(iii) pursuant to a settlement agreement between the Secretary and the participant, or a settlement agreement between the Pension Benefit Guaranty Corporation and the participant, in connection with a violation (or alleged violation) of part 4 of this subtitle by a fiduciary or any other person,

(B) the judgment, order, decree, or settlement agreement expressly provides for the offset of all or part of the amount ordered or required to be paid to the plan against the participant's benefits provided under the plan, and

(C) in a case in which the survivor annuity requirements of section 1055 of this title apply with respect to distributions from the plan to the participant, if the participant has a spouse at the time at which the offset is to be made—

(i) either—

(I) such spouse has consented in writing to such offset and such consent is witnessed by a notary public or representative of the plan (or it is established to the satisfaction of a plan representative that such consent may not be obtained by reason of circumstances described in section 1055(c)(2)(B) of this title), or

(II) an election to waive the right of the spouse to a qualified joint and survivor annuity or a qualified preretirement survivor annuity is in effect in accordance with the requirements of section 1055(c) of this title,

(ii) such spouse is ordered or required in such judgment, order, decree, or settlement to pay an amount to the plan in connection with a violation of part 4 of this subtitle, or

(iii) in such judgment, order, decree, or settlement, such spouse retains the right to receive the survivor annuity under a qualified joint and survivor annuity provided pursuant to section 1055(a)(1) of this title and under a qualified preretirement survivor annuity provided pursuant to section 1055(a)(2) of this title, determined in accordance with paragraph (5).

A plan shall not be treated as failing to meet the requirements of section 1055 of this title

solely by reason of an offset under this paragraph.

(5)(A) The survivor annuity described in paragraph (4)(C)(iii) shall be determined as if—

(i) the participant terminated employment on the date of the offset,

(ii) there was no offset,

(iii) the plan permitted commencement of benefits only on or after normal retirement age,

(iv) the plan provided only the minimum-required qualified joint and survivor annuity, and

(v) the amount of the qualified preretirement survivor annuity under the plan is equal to the amount of the survivor annuity payable under the minimum-required qualified joint and survivor annuity.

(B) For purposes of this paragraph, the term “minimum-required qualified joint and survivor annuity” means the qualified joint and survivor annuity which is the actuarial equivalent of the participant's accrued benefit (within the meaning of section 1002(23) of this title) and under which the survivor annuity is 50 percent of the amount of the annuity which is payable during the joint lives of the participant and the spouse.

(e) Limitation on distributions other than life annuities paid by plan

(1) In general

Notwithstanding any other provision of this part, the fiduciary of a pension plan that is subject to the additional funding requirements of section 1083(j)(4) of this title shall not permit a prohibited payment to be made from a plan during a period in which such plan has a liquidity shortfall (as defined in section 1083(j)(4)(E)(i) of this title).

(2) Prohibited payment

For purposes of paragraph (1), the term “prohibited payment” means—

(A) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 1054(b)(1)(G) of this title), to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title), that occurs during the period referred to in paragraph (1),

(B) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(C) any other payment specified by the Secretary of the Treasury by regulations.

(3) Period of shortfall

For purposes of this subsection, a plan has a liquidity shortfall during the period that there is an underpayment of an installment under section 1083(j)(3) of this title by reason of section 1083(j)(4)(A) of this title.

(4) Coordination with other provisions

Compliance with this subsection shall not constitute a violation of any other provision of this chapter.

(f) Missing participants in terminated plans

In the case of a plan covered by section 1350 of this title, upon termination of the plan, benefits

of missing participants shall be treated in accordance with section 1350 of this title.

(g) Funding-based limits on benefits and benefit accruals under single-employer plans

(1) Funding-based limitation on shutdown benefits and other unpredictable contingent event benefits under single-employer plans

(A) In general

If a participant of a defined benefit plan which is a single-employer plan is entitled to an unpredictable contingent event benefit payable with respect to any event occurring during any plan year, the plan shall provide that such benefit may not be provided if the adjusted funding target attainment percentage for such plan year—

- (i) is less than 60 percent, or
- (ii) would be less than 60 percent taking into account such occurrence.

(B) Exemption

Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first day of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 1083 of this title) equal to—

- (i) in the case of subparagraph (A)(i), the amount of the increase in the funding target of the plan (under section 1083 of this title) for the plan year attributable to the occurrence referred to in subparagraph (A), and

- (ii) in the case of subparagraph (A)(ii), the amount sufficient to result in an adjusted funding target attainment percentage of 60 percent.

(C) Unpredictable contingent event benefit

For purposes of this paragraph, the term “unpredictable contingent event benefit” means any benefit payable solely by reason of—

- (i) a plant shutdown (or similar event, as determined by the Secretary of the Treasury), or
- (ii) an event other than the attainment of any age, performance of any service, receipt or derivation of any compensation, or occurrence of death or disability.

(2) Limitations on plan amendments increasing liability for benefits

(A) In general

No amendment to a defined benefit plan which is a single-employer plan which has the effect of increasing liabilities of the plan by reason of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits become nonforfeitable may take effect during any plan year if the adjusted funding target attainment percentage for such plan year is—

- (i) less than 80 percent, or
- (ii) would be less than 80 percent taking into account such amendment.

(B) Exemption

Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the

first day of the plan year (or if later, the effective date of the amendment), upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 1083 of this title) equal to—

- (i) in the case of subparagraph (A)(i), the amount of the increase in the funding target of the plan (under section 1083 of this title) for the plan year attributable to the amendment, and

- (ii) in the case of subparagraph (A)(ii), the amount sufficient to result in an adjusted funding target attainment percentage of 80 percent.

(C) Exception for certain benefit increases

Subparagraph (A) shall not apply to any amendment which provides for an increase in benefits under a formula which is not based on a participant's compensation, but only if the rate of such increase is not in excess of the contemporaneous rate of increase in average wages of participants covered by the amendment.

(3) Limitations on accelerated benefit distributions

(A) Funding percentage less than 60 percent

A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's adjusted funding target attainment percentage for a plan year is less than 60 percent, the plan may not pay any prohibited payment after the valuation date for the plan year.

(B) Bankruptcy

A defined benefit plan which is a single-employer plan shall provide that, during any period in which the plan sponsor is a debtor in a case under title 11 or similar Federal or State law, the plan may not pay any prohibited payment. The preceding sentence shall not apply on or after the date on which the enrolled actuary of the plan certifies that the adjusted funding target attainment percentage of such plan (determined by not taking into account any adjustment of segment rates under section 1083(h)(2)(C)(iv) of this title) is not less than 100 percent.

(C) Limited payment if percentage at least 60 percent but less than 80 percent

(i) In general

A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's adjusted funding target attainment percentage for a plan year is 60 percent or greater but less than 80 percent, the plan may not pay any prohibited payment after the valuation date for the plan year to the extent the amount of the payment exceeds the lesser of—

- (I) 50 percent of the amount of the payment which could be made without regard to this subsection, or

- (II) the present value (determined under guidance prescribed by the Pension Benefit Guaranty Corporation, using the interest and mortality assumptions under section 1055(g) of this title)

of the maximum guarantee with respect to the participant under section 1322 of this title.

(ii) One-time application

(I) In general

The plan shall also provide that only 1 prohibited payment meeting the requirements of clause (i) may be made with respect to any participant during any period of consecutive plan years to which the limitations under either subparagraph (A) or (B) or this subparagraph applies.

(II) Treatment of beneficiaries

For purposes of this clause, a participant and any beneficiary on his behalf (including an alternate payee, as defined in subsection (d)(3)(K)) shall be treated as 1 participant. If the accrued benefit of a participant is allocated to such an alternate payee and 1 or more other persons, the amount under clause (i) shall be allocated among such persons in the same manner as the accrued benefit is allocated unless the qualified domestic relations order (as defined in subsection (d)(3)(B)(i)) provides otherwise.

(D) Exception

This paragraph shall not apply to any plan for any plan year if the terms of such plan (as in effect for the period beginning on September 1, 2005, and ending with such plan year) provide for no benefit accruals with respect to any participant during such period.

(E) Prohibited payment

For purpose² of this paragraph, the term “prohibited payment” means—

- (i) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 1054(b)(1)(G) of this title), to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title) occurs during any period a limitation under subparagraph (A) or (B) is in effect,
- (ii) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and
- (iii) any other payment specified by the Secretary of the Treasury by regulations.

Such term shall not include the payment of a benefit which under section 1053(e) of this title may be immediately distributed without the consent of the participant.

(4) Limitation on benefit accruals for plans with severe funding shortfalls

(A) In general

A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan’s adjusted funding target attainment percentage for a plan year is less than 60 percent, benefit accruals

under the plan shall cease as of the valuation date for the plan year.

(B) Exemption

Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first day of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 1083 of this title) equal to the amount sufficient to result in an adjusted funding target attainment percentage of 60 percent.

(5) Rules relating to contributions required to avoid benefit limitations

(A) Security may be provided

(i) In general

For purposes of this subsection, the adjusted funding target attainment percentage shall be determined by treating as an asset of the plan any security provided by a plan sponsor in a form meeting the requirements of clause (ii).

(ii) Form of security

The security required under clause (i) shall consist of—

- (I) a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title,
- (II) cash, or United States obligations which mature in 3 years or less, held in escrow by a bank or similar financial institution, or
- (III) such other form of security as is satisfactory to the Secretary of the Treasury and the parties involved.

(iii) Enforcement

Any security provided under clause (i) may be perfected and enforced at any time after the earlier of—

- (I) the date on which the plan terminates,
- (II) if there is a failure to make a payment of the minimum required contribution for any plan year beginning after the security is provided, the due date for the payment under section 1083(j) of this title, or
- (III) if the adjusted funding target attainment percentage is less than 60 percent for a consecutive period of 7 years, the valuation date for the last year in the period.

(iv) Release of security

The security shall be released (and any amounts thereunder shall be refunded together with any interest accrued thereon) at such time as the Secretary of the Treasury may prescribe in regulations, including regulations for partial releases of the security by reason of increases in the adjusted funding target attainment percentage.

(B) Prefunding balance or funding standard carryover balance may not be used

No prefunding balance or funding standard carryover balance under section 1083(f) of

²So in original. Probably should be “purposes”.

this title may be used under paragraph (1), (2), or (4) to satisfy any payment an employer may make under any such paragraph to avoid or terminate the application of any limitation under such paragraph.

(C) Deemed reduction of funding balances

(i) In general

Subject to clause (iii), in any case in which a benefit limitation under paragraph (1), (2), (3), or (4) would (but for this subparagraph and determined without regard to paragraph (1)(B), (2)(B), or (4)(B)) apply to such plan for the plan year, the plan sponsor of such plan shall be treated for purposes of this chapter as having made an election under section 1083(f) of this title to reduce the prefunding balance or funding standard carryover balance by such amount as is necessary for such benefit limitation to not apply to the plan for such plan year.

(ii) Exception for insufficient funding balances

Clause (i) shall not apply with respect to a benefit limitation for any plan year if the application of clause (i) would not result in the benefit limitation not applying for such plan year.

(iii) Restrictions of certain rules to collectively bargained plans

With respect to any benefit limitation under paragraph (1), (2), or (4), clause (i) shall only apply in the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers.

(6) New plans

Paragraphs (1), (2), and (4) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this paragraph, the reference in this paragraph to a plan shall include a reference to any predecessor plan.

(7) Presumed underfunding for purposes of benefit limitations

(A) Presumption of continued underfunding

In any case in which a benefit limitation under paragraph (1), (2), (3), or (4) has been applied to a plan with respect to the plan year preceding the current plan year, the adjusted funding target attainment percentage of the plan for the current plan year shall be presumed to be equal to the adjusted funding target attainment percentage of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual adjusted funding target attainment percentage of the plan for the current plan year.

(B) Presumption of underfunding after 10th month

In any case in which no certification of the adjusted funding target attainment percentage for the current plan year is made with respect to the plan before the first day of the 10th month of such year, for purposes of paragraphs (1), (2), (3), and (4), such first day shall be deemed, for purposes of such para-

graph, to be the valuation date of the plan for the current plan year and the plan's adjusted funding target attainment percentage shall be conclusively presumed to be less than 60 percent as of such first day.

(C) Presumption of underfunding after 4th month for nearly underfunded plans

In any case in which—

(i) a benefit limitation under paragraph (1), (2), (3), or (4) did not apply to a plan with respect to the plan year preceding the current plan year, but the adjusted funding target attainment percentage of the plan for such preceding plan year was not more than 10 percentage points greater than the percentage which would have caused such paragraph to apply to the plan with respect to such preceding plan year, and

(ii) as of the first day of the 4th month of the current plan year, the enrolled actuary of the plan has not certified the actual adjusted funding target attainment percentage of the plan for the current plan year,

until the enrolled actuary so certifies, such first day shall be deemed, for purposes of such paragraph, to be the valuation date of the plan for the current plan year and the adjusted funding target attainment percentage of the plan as of such first day shall, for purposes of such paragraph, be presumed to be equal to 10 percentage points less than the adjusted funding target attainment percentage of the plan for such preceding plan year.

(8) Treatment of plan as of close of prohibited or cessation period

For purposes of applying this part—

(A) Operation of plan after period

Unless the plan provides otherwise, payments and accruals will resume effective as of the day following the close of the period for which any limitation of payment or accrual of benefits under paragraph (3) or (4) applies.

(B) Treatment of affected benefits

Nothing in this paragraph shall be construed as affecting the plan's treatment of benefits which would have been paid or accrued but for this subsection.

(9) Terms relating to funding target attainment percentage

For purposes of this subsection—

(A) In general

The term "funding target attainment percentage" has the same meaning given such term by section 1083(d)(2) of this title.

(B) Adjusted funding target attainment percentage

The term "adjusted funding target attainment percentage" means the funding target attainment percentage which is determined under subparagraph (A) by increasing each of the amounts under subparagraphs (A) and (B) of section 1083(d)(2) of this title by the

aggregate amount of purchases of annuities for employees other than highly compensated employees (as defined in section 414(q) of title 26) which were made by the plan during the preceding 2 plan years.

(C) Application to plans which are fully funded without regard to reductions for funding balances

In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to the reduction in the value of assets under section 1083(f)(4) of this title), the funding target attainment percentage for purposes of subparagraphs (A) and (B) shall be determined without regard to such reduction.

(10) Secretarial authority for plans with alternate valuation date

In the case of a plan which has designated a valuation date other than the first day of the plan year, the Secretary of the Treasury may prescribe rules for the application of this subsection which are necessary to reflect the alternate valuation date.

This subsection shall not apply to a CSEC plan (as defined in section 1060(f) of this title).

chapter call for the promulgation of regulations, see section 1031 of this title.

§ 1060. Multiple employer plans and other special rules

(a) Plan maintained by more than one employer

Notwithstanding any other provision of this part or part 3, the following provisions of this subsection shall apply to a plan maintained by more than one employer:

(1) Section 1052 of this title shall be applied as if all employees of each of the employers were employed by a single employer.

(2) Sections 1053 and 1054 of this title shall be applied as if all such employers constituted a single employer, except that the application of any rules with respect to breaks in service shall be made under regulations prescribed by the Secretary.

(3) The minimum funding standard provided by section 1082 of this title shall be determined as if all participants in the plan were employed by a single employer.

(b) Maintenance of plan of predecessor employer

For purposes of this part and part 3—

(1) in any case in which the employer maintains a plan of a predecessor employer, service for such predecessor shall be treated as service for the employer, and

(2) in any case in which the employer maintains a plan which is not the plan maintained by a predecessor employer, service for such predecessor shall, to the extent provided in regulations prescribed by the Secretary of the Treasury, be treated as service for the employer.

(c) Plan maintained by controlled group of corporations

For purposes of sections 1052, 1053, and 1054 of this title, all employees of all corporations which are members of a controlled group of corporations (within the meaning of section 1563(a) of title 26, determined without regard to section 1563(a)(4) and (e)(3)(C) of title 26) shall be treated as employed by a single employer. With respect to a plan adopted by more than one such corporation, the minimum funding standard of section 1082 of this title shall be determined as if all such employers were a single employer, and allocated to each employer in accordance with regulations prescribed by the Secretary of the Treasury.

(d) Plan of trades or businesses under common control

For purposes of sections 1052, 1053, and 1054 of this title, under regulations prescribed by the Secretary of the Treasury, all employees of trades or businesses (whether or not incorporated) which are under common control shall be treated as employed by a single employer. The regulations prescribed under this subsection shall be based on principles similar to the principles which apply in the case of subsection (c).

(e) Special rules for eligible combined defined benefit plans and qualified cash or deferred arrangements

(1) General rule

Except as provided in this subsection, this chapter shall be applied to any defined benefit

plan or applicable individual account plan which are¹ part of an eligible combined plan in the same manner as if each such plan were not a part of the eligible combined plan. In the case of a termination of the defined benefit plan and the applicable defined contribution plan forming part of an eligible combined plan, the plan administrator shall terminate each such plan separately.

(2) Eligible combined plan

For purposes of this subsection—

(A) In general

The term “eligible combined plan” means a plan—

(i) which is maintained by an employer which, at the time the plan is established, is a small employer,

(ii) which consists of a defined benefit plan and an applicable individual account plan each of which qualifies under section 401(a) of title 26,

(iii) the assets of which are held in a single trust forming part of the plan and are clearly identified and allocated to the defined benefit plan and the applicable individual account plan to the extent necessary for the separate application of this chapter under paragraph (1), and

(iv) with respect to which the benefit, contribution, vesting, and nondiscrimination requirements of subparagraphs (B), (C), (D), (E), and (F) are met.

For purposes of this subparagraph, the term “small employer” has the meaning given such term by section 4980D(d)(2) of title 26, except that such section shall be applied by substituting “500” for “50” each place it appears.

(B) Benefit requirements

(i) In general

The benefit requirements of this subparagraph are met with respect to the defined benefit plan forming part of the eligible combined plan if the accrued benefit of each participant derived from employer contributions, when expressed as an annual retirement benefit, is not less than the applicable percentage of the participant’s final average pay. For purposes of this clause, final average pay shall be determined using the period of consecutive years (not exceeding 5) during which the participant had the greatest aggregate compensation from the employer.

(ii) Applicable percentage

which meets the interest credit requirements of section 1054(b)(5)(B)(i) of this title, the plan shall be treated as meeting the requirements of clause (i) with respect to any plan year if each participant receives pay credit for the year which is not less than the percentage of compensation determined in accordance with the following table:

If the participant's age as of the beginning of the year is—	The percentage is—
30 or less	2
Over 30 but less than 40	4
40 or over but less than 50	6

(iv) Years of service

For purposes of this subparagraph, years of service shall be determined under the rules of paragraphs (1), (2), and (3) of section 1053(b) of this title, except that the plan may not disregard any year of service because of a participant making, or failing to make, any elective deferral with respect to the qualified cash or deferred arrangement to which subparagraph (C) applies.

(C) Contribution requirements

(i) In general

The contribution requirements of this subparagraph with respect to any applicable individual account plan forming part of an eligible combined plan are met if—

Rules similar to the rules of clauses (ii) and (iii) of section 401(k)(12)(B) of title 26 shall apply for purposes of this clause.

(ii) Nonelective contributions

An applicable individual account plan shall not be treated as failing to meet the requirements of clause (i) because the employer makes nonelective contributions under the plan but such contributions shall not be taken into account in determining whether the requirements of clause (i)(II) are met.

(D) Vesting requirements

The vesting requirements of this subparagraph are met if—

(i) in the case of a defined benefit plan forming part of an eligible combined plan an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit under the plan derived from employer contributions, and

(ii) in the case of an applicable individual account plan forming part of eligible combined plan—

(II) an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived under the arrangement from nonelective contributions of the employer.

For purposes of this subparagraph, the rules of section 1053 of this title shall apply to the extent not inconsistent with this subparagraph.

(E) Uniform provision of contributions and benefits

In the case of a defined benefit plan or applicable individual account plan forming part of an eligible combined plan, the requirements of this subparagraph are met if all contributions and benefits under each such plan, and all rights and features under each such plan, must be provided uniformly to all participants.

(F) Requirements must be met without taking into account social security and similar contributions and benefits or other plans

(i) In general

The requirements of this subparagraph are met if the requirements of clauses (ii) and (iii) are met.

(I) the requirements of subparagraphs (B) and (C) are met without regard to section 401(l) of title 26, and

(II) the requirements of sections 401(a)(4) and 410(b) of title 26 are met with respect to both the applicable defined contribution plan and defined benefit plan forming part of an eligible combined plan without regard to section 401(l) of title 26.

(iii) Other plans and arrangements

The requirements of this clause are met if the applicable defined contribution plan and defined benefit plan forming part of an eligible combined plan meet the requirements of sections 401(a)(4) and 410(b) of title 26 without being combined with any other plan.

(3) Automatic contribution arrangement

For purposes of this subsection—

(A) In general

A qualified cash or deferred arrangement shall be treated as an automatic contribution arrangement if the arrangement—

(i) provides that each employee eligible to participate in the arrangement is treat-

ed as having elected to have the employer make elective contributions in an amount equal to 4 percent of the employee's compensation unless the employee specifically elects not to have such contributions made or to have such contributions made at a different rate, and

(ii) meets the notice requirements under subparagraph (B).

(B) Notice requirements

(i) In general

The requirements of this subparagraph are met if the requirements of clauses (ii) and (iii) are met.

(ii) Reasonable period to make election

The requirements of this clause are met if each employee to whom subparagraph (A)(i) applies—

(I) receives a notice explaining the employee's right under the arrangement to elect not to have elective contributions made on the employee's behalf or to have the contributions made at a different rate, and

(II) has a reasonable period of time after receipt of such notice and before the first elective contribution is made to make such election.

(iii) Annual notice of rights and obligations

The requirements of this clause are met if each employee eligible to participate in the arrangement is, within a reasonable period before any year, given notice of the employee's rights and obligations under the arrangement.

The requirements of this subparagraph shall not be treated as met unless the requirements of clauses (i) and (ii) of section 401(k)(12)(D) of title 26 are met with respect to the notices described in clauses (ii) and (iii) of this subparagraph.

(4) Coordination with other requirements

(A) Treatment of separate plans

The except clause in section 1002(35) of this title shall not apply to an eligible combined plan.

(B) Reporting

An eligible combined plan shall be treated as a single plan for purposes of section 1023 of this title.

(5) Applicable individual account plan

(A) In general

The term "applicable individual account plan" means an individual account plan which includes a qualified cash or deferred arrangement.

(f) Cooperative and small employer charity pension plans

(1) In general

For purposes of this subchapter, except as provided in this subsection, a CSEC plan is an

employee pension benefit plan (other than a multiemployer plan) that is a defined benefit plan—

(A) to which section 104 of the Pension Protection Act of 2006 applies, without regard to—

(i) section 104(a)(2) of such Act;

(ii) the amendments to such section 104 by section 202(b) of the Preservation of Access to Care for Medicare Beneficiaries and Pension Relief Act of 2010; and

(iv) whose primary exempt purpose is to provide services with respect to children.

(2) Aggregation

All employers that are treated as a single employer under subsection (b) or (c) of section 414 of title 26 shall be treated as a single employer for purposes of determining if a plan was maintained by more than one employer under subparagraph² (B) and (C) of paragraph (1).

(3) Election

(A) In general

If a plan falls within the definition of a CSEC plan under this subsection (without regard to this paragraph), such plan shall be a CSEC plan unless the plan sponsor elects not later than the close of the first plan year of the plan beginning after December 31, 2013, not to be treated as a CSEC plan. An election under the preceding sentence shall take effect for such plan year and, once made, may be revoked only with the consent of the Secretary of the Treasury.

(B) Special rule

If a plan described in subparagraph (A) is treated as a CSEC plan, section 104 of the Pension Protection Act of 2006, as amended by the Preservation of Access to Care for Medicare Beneficiaries and Pension Relief Act of 2010, shall cease to apply to such plan as of the first date as of which such plan is treated as a CSEC plan.

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this subchapter call for the promulgation of regulations, see section 1031 of this title.

§ 1061. Effective dates

(a) Except as otherwise provided in this section, this part shall apply in the case of plan years beginning after September 2, 1974.

(b)(1) Except as otherwise provided in subsection (d), sections 1055, 1056(d) and 1058 of this title shall apply with respect to plan years beginning after December 31, 1975.

(2) Except as otherwise provided in subsections (c) and (d) in the case of a plan in existence on January 1, 1974, this part shall apply in the case of plan years beginning after December 31, 1975.

(c)(1) In the case of a plan maintained on January 1, 1974, pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements between employee organizations and one or more employers, no plan shall be treated as not meeting the requirements of sections 1054 and 1055 of this title by reason of a supplementary or special plan provision (within the meaning of paragraph (2)) for any plan year before the year which begins after the earlier of—

- (A) the date on which the last of such agreements relating to the plan terminates (determined without regard to any extension thereof agreed to after September 2, 1974), or
- (B) December 31, 1980.

For purposes of subparagraph (A) and section 1086(c)¹ of this title, any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement contained in this chapter or title 26 shall not be treated as a termination of such collective bargaining agreement. This paragraph shall not apply unless the Secretary determines that the participation and vesting rules in effect on September 2, 1974, are not less favorable to participants, in the aggregate, than the rules provided under sections 1052, 1053, and 1054 of this title.

(2) For purposes of paragraph (1), the term “supplementary or special plan provision” means any plan provision which—

- (A) provides supplementary benefits, not in excess of one-third of the basic benefit, in the form of an annuity for the life of the participant, or

¹ See References in Text note below.

(B) provides that, under a contractual agreement based on medical evidence as to the effects of working in an adverse environment for an extended period of time, a participant having 25 years of service is to be treated as having 30 years of service.

(3) This subsection shall apply with respect to a plan if (and only if) the application of this subsection results in a later effective date for this part than the effective date required by subsection (b).

(d) If the administrator of a plan elects under section 1017(d) of this Act to make applicable to a plan year and to all subsequent plan years the provisions of title 26 relating to participation, vesting, funding, and form of benefit, this part shall apply to the first plan year to which such election applies and to all subsequent plan years.

(e)(1) No pension plan to which section 1052 of this title applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 1052 of this title first becomes effective with respect to such plan) which provides that any employee's participation in the plan would commence at any date later than the later of—

(A) the date on which his participation would commence under the break in service rules of section 1052(b) of this title, or

(B) the date on which his participation would commence under the plan as in effect on January 1, 1974.

(2) No pension plan to which section 1053 of this title applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 1053 of this title first becomes effective with respect to such plan) if such amendment provides that the nonforfeitable benefit derived from employer contributions to which any employee would be entitled is less than the lesser of the nonforfeitable benefit derived from employer contributions to which he would be entitled under—

(A) the break in service rules of section 1052(b)(3) of this title, or

(B) the plan as in effect on January 1, 1974.

Subparagraph (B) shall not apply if the break in service rules under the plan would have been in violation of any law or rule of law in effect on January 1, 1974.

For applicability of amendment by Pub. L. 109-280 to a multiemployer plan that is a party to an agreement that was approved by the Pension Benefit Guaranty Corporation prior to June 30, 2005, and that increases benefits and provides for certain withdrawal liability rules, see section 206 of Pub. L. 109-280, set out as a note under section 412 of Title 26, Internal Revenue Code.

§ 1082. Minimum funding standards

(a) Requirement to meet minimum funding standard

(1) In general

A plan to which this part applies shall satisfy the minimum funding standard applicable to the plan for any plan year.

(2) Minimum funding standard

For purposes of paragraph (1), a plan shall be treated as satisfying the minimum funding standard for a plan year if—

(A) in the case of a defined benefit plan which is a single-employer plan (other than a CSEC plan), the employer makes contributions to or under the plan for the plan year which, in the aggregate, are not less than the minimum required contribution determined under section 1083 of this title for the plan for the plan year,

(B) in the case of a money purchase plan which is a single-employer plan, the employer makes contributions to or under the plan for the plan year which are required under the terms of the plan,

(C) in the case of a multiemployer plan, the employers make contributions to or under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 1084 of this title as of the end of the plan year, and

(D) in the case of a CSEC plan, the employers make contributions to or under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 1085a of this title as of the end of the plan year.

(b) Liability for contributions

(1) In general

Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 1083(j) of this title or under section 1085a(f) of this title) shall be paid by the employer responsible for making contributions to or under the plan.

(2) Joint and several liability where employer member of controlled group

If the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

(3) Multiemployer plans in critical status

Paragraph (1) shall not apply in the case of a multiemployer plan for any plan year in which the plan is in critical status pursuant to section 1085 of this title. This paragraph shall only apply if the plan sponsor adopts a rehabilitation plan in accordance with section 1085(e) of this title and complies with the terms of such rehabilitation plan (and any updates or modifications of the plan).

(c) Variance from minimum funding standards

(1) Waiver in case of business hardship

(A) In general

If—

(i) an employer is (or in the case of a multiemployer plan or a CSEC plan, 10 percent or more of the number of employers contributing to or under the plan are) unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

(ii) application of the standard would be adverse to the interests of plan participants in the aggregate,

the Secretary of the Treasury may, subject to subparagraph (C), waive the requirements of subsection (a) for such year with respect to all or any portion of the minimum funding standard. The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years.

(B) Effects of waiver

If a waiver is granted under subparagraph (A) for any plan year—

(i) in the case of a single-employer plan (other than a CSEC plan), the minimum required contribution under section 1083 of this title for the plan year shall be reduced by the amount of the waived funding deficiency and such amount shall be amortized as required under section 1083(e) of this title,

(ii) in the case of a multiemployer plan, the funding standard account shall be credited under section 1084(b)(3)(C) of this title with the amount of the waived funding deficiency and such amount shall be

amortized as required under section 1084(b)(2)(C) of this title, and

(iii) in the case of a CSEC plan, the funding standard account shall be credited under section 1085a(b)(3)(C) of this title with the amount of the waived funding deficiency and such amount shall be amortized as required under section 1085a(b)(2)(C) of this title.

(C) Waiver of amortized portion not allowed

The Secretary of the Treasury may not waive under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

(2) Determination of business hardship

For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

(A) the employer is operating at an economic loss,

(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

(C) the sales and profits of the industry concerned are depressed or declining, and

(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

(3) Waived funding deficiency

For purposes of this part, the term “waived funding deficiency” means the portion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.

(4) Security for waivers for single-employer plans, consultations

(A) Security may be required

(i) In general

Except as provided in subparagraph (C), the Secretary of the Treasury may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 1301(a)(15) of this title) to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1) or for granting an extension under section 1085a(d) of this title.

(ii) Special rules

Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 1301(a)(13) of this title), or a member of such sponsor’s controlled group (within the meaning of section 1301(a)(14) of this title).

(B) Consultation with the Pension Benefit Guaranty Corporation

Except as provided in subparagraph (C), the Secretary of the Treasury shall, before

granting or modifying a waiver under this subsection or an extension under 1085a(d)¹ of this title with respect to a plan described in subparagraph (A)(i)—

(i) provide the Pension Benefit Guaranty Corporation with—

(I) notice of the completed application for any waiver, modification, or extension, and

(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

(ii) consider—

(I) any comments of the Corporation under clause (i)(II), and

(II) any views of any employee organization (within the meaning of section 1002(4) of this title) representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p) of title 26.

(C) Exception for certain waivers or extensions

(i) In general

The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

(I) the aggregate unpaid minimum required contributions for the plan year and all preceding plan years, or the accumulated funding deficiency under section 1085a of this title, whichever is applicable,

(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 1083(e)(2) or 1085a(b)(2)(C) of this title, whichever is applicable, and

(III) the total amounts not paid by reason of an extension in effect under section 1085a(d) of this title,

is less than \$1,000,000.

(ii) Treatment of waivers or extensions for which applications are pending

The amount described in clause (i)(I) shall include any increase in such amount which would result if all applications for waivers or extensions with respect to the minimum funding standard under this subsection which are pending with respect to such plan were denied.

(iii) Unpaid minimum required contribution

For purposes of this subparagraph—

(I) In general

The term “unpaid minimum required contribution” means, with respect to any plan year, any minimum required contribution under section 1083 of this title for the plan year which is not paid

¹ So in original. Probably should be preceded by “section”.

on or before the due date (as determined under section 1083(j)(1) of this title) for the plan year.

(II) Ordering rule

For purposes of subclause (I), any payment to or under a plan for any plan year shall be allocated first to unpaid minimum required contributions for all preceding plan years on a first-in, first-out basis and then to the minimum required contribution under section 1083 of this title for the plan year.

(5) Special rules for single-employer plans

(A) Application must be submitted before date 2½ months after close of year

In the case of a single-employer plan, no waiver may be granted under this subsection with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

(B) Special rule if employer is member of controlled group

In the case of a single-employer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of paragraph (1) shall be treated as met only if such requirements are met—

- (i) with respect to such employer, and
- (ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if such Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

(6) Advance notice

(A) In general

The Secretary of the Treasury shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each affected party (as defined in section 1301(a)(21) of this title). Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under subchapter III and for benefit liabilities.

(B) Consideration of relevant information

The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under subparagraph (A).

(7) Restriction on plan amendments

(A) In general

No amendment of a plan which increases the liabilities of the plan by reason of any

increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under this subsection or an extension of time under section 1084(d) of this title or section 1085a(d) of this title is in effect with respect to the plan, or if a plan amendment described in subsection (d)(2) which reduces the accrued benefit of any participant has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

(B) Exception

Subparagraph (A) shall not apply to any plan amendment which—

- (i) the Secretary of the Treasury determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,
- (ii) only repeals an amendment described in subsection (d)(2), or
- (iii) is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26.

(8) Cross reference

For corresponding duties of the Secretary of the Treasury with regard to implementation of title 26, see section 412(c) of title 26.

(d) Miscellaneous rules

(1) Change in method or year

If the funding method or a plan year for a plan is changed, the change shall take effect only if approved by the Secretary of the Treasury.

(2) Certain retroactive plan amendments

For purposes of this section, any amendment applying to a plan year which—

- (A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),
- (B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and
- (C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary of the Treasury notifying him of such amendment and such Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary of

the Treasury unless such Secretary determines that such amendment is necessary because of a temporary substantial business hardship (as determined under subsection (c)(2)) or a substantial business hardship (as so determined) in the case of a multiemployer plan and that a waiver under subsection (c) (or, in the case of a multiemployer plan or a CSEC plan, any extension of the amortization period under section 1084(d) of this title or section 1085a(d) of this title) is unavailable or inadequate.

(3) Controlled group

For purposes of this section, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of title 26.

L. 109-280, set out as a note under section 412 of Title 26, Internal Revenue Code.

§ 1083. Minimum funding standards for single-employer defined benefit pension plans

(a) Minimum required contribution

For purposes of this section and section 1082(a)(2)(A) of this title, except as provided in subsection (f), the term “minimum required contribution” means, with respect to any plan year of a single-employer plan—

(1) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

(A) the target normal cost of the plan for the plan year,

(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e); or

(2) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) equals or exceeds the funding target of the plan for the plan year, the target nor-

mal cost of the plan for the plan year reduced (but not below zero) by such excess.

(b) Target normal cost

For purposes of this section:

(1) In general

Except as provided in subsection (i)(2) with respect to plans in at-risk status, the term “target normal cost” means, for any plan year, the excess of—

(A) the sum of—

(i) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, plus

(ii) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over

(B) the amount of mandatory employee contributions expected to be made during the plan year.

(2) Special rule for increase in compensation

For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.

(c) Shortfall amortization charge

(1) In general

For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total (not less than zero) of the shortfall amortization installments for such plan year with respect to any shortfall amortization base which has not been fully amortized under this subsection.

(2) Shortfall amortization installment

For purposes of paragraph (1)—

(A) Determination

The shortfall amortization installments are the amounts necessary to amortize the shortfall amortization base of the plan for any plan year in level annual installments over the 7-plan-year period beginning with such plan year.

(B) Shortfall installment

The shortfall amortization installment for any plan year in the 7-plan-year period under subparagraph (A) with respect to any shortfall amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(C) Segment rates

In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(D) Special election for eligible plan years

(i) In general

If a plan sponsor elects to apply this subparagraph with respect to the shortfall

amortization base of a plan for any eligible plan year (in this subparagraph and paragraph (7) referred to as an “election year”), then, notwithstanding subparagraphs (A) and (B)—

(I) the shortfall amortization installments with respect to such base shall be determined under clause (ii) or (iii), whichever is specified in the election, and

(II) the shortfall amortization installment for any plan year in the 9-plan-year period described in clause (ii) or the 15-plan-year period described in clause (iii), respectively, with respect to such shortfall amortization base is the annual installment determined under the applicable clause for that year for that base.

(ii) 2 plus 7 amortization schedule

The shortfall amortization installments determined under this clause are—

(I) in the case of the first 2 plan years in the 9-plan-year period beginning with the election year, interest on the shortfall amortization base of the plan for the election year (determined using the effective interest rate for the plan for the election year), and

(II) in the case of the last 7 plan years in such 9-plan-year period, the amounts necessary to amortize the remaining balance of the shortfall amortization base of the plan for the election year in level annual installments over such last 7 plan years (using the segment rates under subparagraph (C) for the election year).

(iii) 15-year amortization

The shortfall amortization installments determined under this subparagraph are the amounts necessary to amortize the shortfall amortization base of the plan for the election year in level annual installments over the 15-plan-year period beginning with the election year (using the segment rates under subparagraph (C) for the election year).

(iv) Election

(I) In general

The plan sponsor of a plan may elect to have this subparagraph apply to not more than 2 eligible plan years with respect to the plan, except that in the case of a plan described in section 106 of the Pension Protection Act of 2006, the plan sponsor may only elect to have this subparagraph apply to a plan year beginning in 2011.

(II) Amortization schedule

Such election shall specify whether the amortization schedule under clause (ii) or (iii) shall apply to an election year, except that if a plan sponsor elects to have this subparagraph apply to 2 eligible plan years, the plan sponsor must elect the same schedule for both years.

(III) Other rules

Such election shall be made at such time, and in such form and manner, as

shall be prescribed by the Secretary of the Treasury, and may be revoked only with the consent of the Secretary of the Treasury. The Secretary of the Treasury shall, before granting a revocation request, provide the Pension Benefit Guaranty Corporation an opportunity to comment on the conditions applicable to the treatment of any portion of the election year shortfall amortization base that remains unamortized as of the revocation date.

(v) Eligible plan year

For purposes of this subparagraph, the term “eligible plan year” means any plan year beginning in 2008, 2009, 2010, or 2011, except that a plan year shall only be treated as an eligible plan year if the due date under subsection (j)(1) for the payment of the minimum required contribution for such plan year occurs on or after June 25, 2010.

(vi) Reporting

A plan sponsor of a plan who makes an election under clause (i) shall—

(I) give notice of the election to participants and beneficiaries of the plan, and

(II) inform the Pension Benefit Guaranty Corporation of such election in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.

(vii) Increases in required installments in certain cases

For increases in required contributions in cases of excess compensation or extraordinary dividends or stock redemptions, see paragraph (7).

(3) Shortfall amortization base

For purposes of this section, the shortfall amortization base of a plan for a plan year is—

(A) the funding shortfall of such plan for such plan year, minus

(B) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments and waiver amortization installments which have been determined for such plan year and any succeeding plan year with respect to the shortfall amortization bases and waiver amortization bases of the plan for any plan year preceding such plan year.

(4) Funding shortfall

For purposes of this section, the funding shortfall of a plan for any plan year is the excess (if any) of—

(A) the funding target of the plan for the plan year, over

(B) the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) for the plan year which are held by the plan on the valuation date.

(5) Exemption from new shortfall amortization base

In any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(A)) is equal to or greater than the funding target of the plan for the plan year, the shortfall amortization base of the plan for such plan year shall be zero.

(6) Early deemed amortization upon attainment of funding target

In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

(7) Increases in alternate required installments in cases of excess compensation or extraordinary dividends or stock redemptions**(A) In general**

If there is an installment acceleration amount with respect to a plan for any plan year in the restriction period with respect to an election year under paragraph (2)(D), then the shortfall amortization installment otherwise determined and payable under such paragraph for such plan year shall, subject to the limitation under subparagraph (B), be increased by such amount.

(B) Total installments limited to shortfall base

Subject to rules prescribed by the Secretary of the Treasury, if a shortfall amortization installment with respect to any shortfall amortization base for an election year is required to be increased for any plan year under subparagraph (A)—

(i) such increase shall not result in the amount of such installment exceeding the present value of such installment and all succeeding installments with respect to such base (determined without regard to such increase but after application of clause (ii)), and

(ii) subsequent shortfall amortization installments with respect to such base shall, in reverse order of the otherwise required installments, be reduced to the extent necessary to limit the present value of such subsequent shortfall amortization installments (after application of this paragraph) to the present value of the remaining unamortized shortfall amortization base.

(C) Installment acceleration amount

For purposes of this paragraph—

(i) In general

The term “installment acceleration amount” means, with respect to any plan year in a restriction period with respect to an election year, the sum of—

(I) the aggregate amount of excess employee compensation determined under subparagraph (D) with respect to all employees for the plan year, plus

(II) the aggregate amount of extraordinary dividends and redemptions deter-

mined under subparagraph (E) for the plan year.

(ii) Annual limitation

The installment acceleration amount for any plan year shall not exceed the excess (if any) of—

(I) the sum of the shortfall amortization installments for the plan year and all preceding plan years in the amortization period elected under paragraph (2)(D) with respect to the shortfall amortization base with respect to an election year, determined without regard to paragraph (2)(D) and this paragraph, over

(II) the sum of the shortfall amortization installments for such plan year and all such preceding plan years, determined after application of paragraph (2)(D) (and in the case of any preceding plan year, after application of this paragraph).

(iii) Carryover of excess installment acceleration amounts**(I) In general**

If the installment acceleration amount for any plan year (determined without regard to clause (ii)) exceeds the limitation under clause (ii), then, subject to subclause (II), such excess shall be treated as an installment acceleration amount with respect to the succeeding plan year.

(II) Cap to apply

If any amount treated as an installment acceleration amount under subclause (I) or this subclause with respect¹ any succeeding plan year, when added to other installment acceleration amounts (determined without regard to clause (ii)) with respect to the plan year, exceeds the limitation under clause (ii), the portion of such amount representing such excess shall be treated as an installment acceleration amount with respect to the next succeeding plan year.

(III) Limitation on years to which amounts carried for

No amount shall be carried under subclause (I) or (II) to a plan year which begins after the first plan year following the last plan year in the restriction period (or after the second plan year following such last plan year in the case of an election year with respect to which 15-year amortization was elected under paragraph (2)(D)).

(IV) Ordering rules

For purposes of applying subclause (II), installment acceleration amounts for the plan year (determined without regard to any carryover under this clause) shall be applied first against the limitation under clause (ii) and then carryovers to such plan year shall be applied against such limitation on a first-in, first-out basis.

¹ So in original. Probably should be followed by “to”.

(D) Excess employee compensation

For purposes of this paragraph—

(i) In general

The term “excess employee compensation” means, with respect to any employee for any plan year, the excess (if any) of—

- (I) the aggregate amount includible in income under chapter 1 of title 26 for remuneration during the calendar year in which such plan year begins for services performed by the employee for the plan sponsor (whether or not performed during such calendar year), over
- (II) \$1,000,000.

(ii) Amounts set aside for nonqualified deferred compensation

If during any calendar year assets are set aside or reserved (directly or indirectly) in a trust (or other arrangement as determined by the Secretary of the Treasury), or transferred to such a trust or other arrangement, by a plan sponsor for purposes of paying deferred compensation of an employee under a nonqualified deferred compensation plan (as defined in section 409A of such title) of the plan sponsor, then, for purposes of clause (i), the amount of such assets shall be treated as remuneration of the employee includible in income for the calendar year unless such amount is otherwise includible in income for such year. An amount to which the preceding sentence applies shall not be taken into account under this paragraph for any subsequent calendar year.

(iii) Only remuneration for certain post-2009 services counted

Remuneration shall be taken into account under clause (i) only to the extent attributable to services performed by the employee for the plan sponsor after February 28, 2010.

(iv) Exception for certain equity payments**(I) In general**

There shall not be taken into account under clause (i)(I) any amount includible in income with respect to the granting after February 28, 2010, of service recipient stock (within the meaning of section 409A of title 26) that, upon such grant, is subject to a substantial risk of forfeiture (as defined under section 83(c)(1) of such title) for at least 5 years from the date of such grant.

(II) Secretarial authority

The Secretary of the Treasury may by regulation provide for the application of this clause in the case of a person other than a corporation.

(v) Other exceptions

The following amounts includible in income shall not be taken into account under clause (i)(I):

(I) Commissions

Any remuneration payable on a commission basis solely on account of in-

come directly generated by the individual performance of the individual to whom such remuneration is payable.

(II) Certain payments under existing contracts

Any remuneration consisting of non-qualified deferred compensation, restricted stock, stock options, or stock appreciation rights payable or granted under a written binding contract that was in effect on March 1, 2010, and which was not modified in any material respect before such remuneration is paid.

(vi) Self-employed individual treated as employee

The term “employee” includes, with respect to a calendar year, a self-employed individual who is treated as an employee under section 401(c) of such title for the taxable year ending during such calendar year, and the term “compensation” shall include earned income of such individual with respect to such self-employment.

(vii) Indexing of amount

In the case of any calendar year beginning after 2010, the dollar amount under clause (i)(II) shall be increased by an amount equal to—

- (I) such dollar amount, multiplied by
- (II) the cost-of-living adjustment determined under section 1(f)(3) of such title for the calendar year, determined by substituting “calendar year 2009” for “calendar year 1992” in subparagraph (B) thereof.

If the amount of any increase under clause (i) is not a multiple of \$1,000, such increase shall be rounded to the next lowest multiple of \$1,000.

(E) Extraordinary dividends and redemptions**(i) In general**

The amount determined under this subparagraph for any plan year is the excess (if any) of the sum of the dividends declared during the plan year by the plan sponsor plus the aggregate amount paid for the redemption of stock of the plan sponsor redeemed during the plan year over the greater of—

- (I) the adjusted net income (within the meaning of section 1343 of this title) of the plan sponsor for the preceding plan year, determined without regard to any reduction by reason of interest, taxes, depreciation, or amortization, or
- (II) in the case of a plan sponsor that determined and declared dividends in the same manner for at least 5 consecutive years immediately preceding such plan year, the aggregate amount of dividends determined and declared for such plan year using such manner.

(ii) Only certain post-2009 dividends and redemptions counted

For purposes of clause (i), there shall only be taken into account dividends de-

clared, and redemptions occurring, after February 28, 2010.

(iii) Exception for intra-group dividends

Dividends paid by one member of a controlled group (as defined in section 1082(d)(3) of this title) to another member of such group shall not be taken into account under clause (i).

(iv) Exception for certain redemptions

Redemptions that are made pursuant to a plan maintained with respect to employees, or that are made on account of the death, disability, or termination of employment of an employee or shareholder, shall not be taken into account under clause (i).

(v) Exception for certain preferred stock

(I) In general

Dividends and redemptions with respect to applicable preferred stock shall not be taken into account under clause (i) to the extent that dividends accrue with respect to such stock at a specified rate in all events and without regard to the plan sponsor's income, and interest accrues on any unpaid dividends with respect to such stock.

(II) Applicable preferred stock

For purposes of subclause (I), the term "applicable preferred stock" means preferred stock which was issued before March 1, 2010 (or which was issued after such date and is held by an employee benefit plan subject to the provisions of this subchapter).

(F) Other definitions and rules

For purposes of this paragraph—

(i) Plan sponsor

The term "plan sponsor" includes any member of the plan sponsor's controlled group (as defined in section 1082(d)(3) of this title).

(ii) Restriction period

The term "restriction period" means, with respect to any election year—

(I) except as provided in subclause (II), the 3-year period beginning with the election year (or, if later, the first plan year beginning after December 31, 2009), and

(II) if the plan sponsor elects 15-year amortization for the shortfall amortization base for the election year, the 5-year period beginning with the election year (or, if later, the first plan year beginning after December 31, 2009).

(iii) Elections for multiple plans

If a plan sponsor makes elections under paragraph (2)(D) with respect to 2 or more plans, the Secretary of the Treasury shall provide rules for the application of this paragraph to such plans, including rules for the ratable allocation of any installment acceleration amount among such plans on the basis of each plan's relative

reduction in the plan's shortfall amortization installment for the first plan year in the amortization period described in subparagraph (A) (determined without regard to this paragraph).

(iv) Mergers and acquisitions

The Secretary of the Treasury shall prescribe rules for the application of paragraph (2)(D) and this paragraph in any case where there is a merger or acquisition involving a plan sponsor making the election under paragraph (2)(D).

(d) Rules relating to funding target

For purposes of this section—

(1) Funding target

Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all benefits accrued or earned under the plan as of the beginning of the plan year.

(2) Funding target attainment percentage

The "funding target attainment percentage" of a plan for a plan year is the ratio (expressed as a percentage) which—

(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to

(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

(e) Waiver amortization charge

(1) Determination of waiver amortization charge

The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

(2) Waiver amortization installment

For purposes of paragraph (1)—

(A) Determination

The waiver amortization installments are the amounts necessary to amortize the waiver amortization base of the plan for any plan year in level annual installments over a period of 5 plan years beginning with the succeeding plan year.

(B) Waiver installment

The waiver amortization installment for any plan year in the 5-year period under subparagraph (A) with respect to any waiver amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(3) Interest rate

In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(4) Waiver amortization base

The waiver amortization base of a plan for a plan year is the amount of the waived funding

deficiency (if any) for such plan year under section 1082(c) of this title.

(5) Early deemed amortization upon attainment of funding target

In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization bases for all preceding plan years (and all waiver amortization installments determined with respect to such bases) shall be reduced to zero.

(f) Reduction of minimum required contribution by prefunding balance and funding standard carryover balance

(1) Election to maintain balances

(A) Prefunding balance

The plan sponsor of a single-employer plan may elect to maintain a prefunding balance.

(B) Funding standard carryover balance

(i) In general

In the case of a single-employer plan described in clause (ii), the plan sponsor may elect to maintain a funding standard carryover balance, until such balance is reduced to zero.

(ii) Plans maintaining funding standard account in 2007

A plan is described in this clause if the plan—

(I) was in effect for a plan year beginning in 2007, and

(II) had a positive balance in the funding standard account under section 1082(b) of this title as in effect for such plan year and determined as of the end of such plan year.

(2) Application of balances

A prefunding balance and a funding standard carryover balance maintained pursuant to this paragraph—

(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3),

(B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and

(C) may be reduced at any time, pursuant to an election under paragraph (5).

(3) Election to apply balances against minimum required contribution

(A) In general

Except as provided in subparagraphs (B) and (C), in the case of any plan year in which the plan sponsor elects to credit against the minimum required contribution for the current plan year all or a portion of the prefunding balance or the funding standard carryover balance for the current plan year (not in excess of such minimum required contribution), the minimum required contribution for the plan year shall be reduced as of the first day of the plan year by the amount so credited by the plan sponsor. For purposes of the preceding sentence, the min-

imum required contribution shall be determined after taking into account any waiver under section 1082(c) of this title.

(B) Coordination with funding standard carryover balance

To the extent that any plan has a funding standard carryover balance greater than zero, no amount of the prefunding balance of such plan may be credited under this paragraph in reducing the minimum required contribution.

(C) Limitation for underfunded plans

The preceding provisions of this paragraph shall not apply for any plan year if the ratio (expressed as a percentage) which—

(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)),

is less than 80 percent. In the case of plan years beginning in 2008, the ratio under this subparagraph may be determined using such methods of estimation as the Secretary of the Treasury may prescribe.

(D) Special rule for certain years of plans maintained by charities

(i) In general

For purposes of applying subparagraph (C) for plan years beginning after August 31, 2009, and before September 1, 2011, the ratio determined under such subparagraph for the preceding plan year shall be the greater of—

(I) such ratio, as determined without regard to this subparagraph, or

(II) the ratio for such plan for the plan year beginning after August 31, 2007, and before September 1, 2008, as determined under rules prescribed by the Secretary of the Treasury.

(ii) Special rule

In the case of a plan for which the valuation date is not the first day of the plan year—

(I) clause (i) shall apply to plan years beginning after December 31, 2008, and before January 1, 2011, and

(II) clause (i)(II) shall apply based on the last plan year beginning before September 1, 2007, as determined under rules prescribed by the Secretary of the Treasury.

(iii) Limitation to charities

This subparagraph shall not apply to any plan unless such plan is maintained exclusively by one or more organizations described in section 501(c)(3) of title 26.

(4) Effect of balances on amounts treated as value of plan assets

In the case of any plan maintaining a prefunding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

(A) Applicability of shortfall amortization base

For purposes of subsection (c)(5), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance, but only if an election under paragraph (3) applying any portion of the prefunding balance in reducing the minimum required contribution is in effect for the plan year.

(B) Determination of excess assets, funding shortfall, and funding target attainment percentage**(i) In general**

For purposes of subsections (a), (c)(4)(B), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance and the funding standard carryover balance.

(ii) Special rule for certain binding agreements with PBGC

For purposes of subsection (c)(4)(B), the value of plan assets shall not be deemed to be reduced for a plan year by the amount of the specified balance if, with respect to such balance, there is in effect for a plan year a binding written agreement with the Pension Benefit Guaranty Corporation which provides that such balance is not available to reduce the minimum required contribution for the plan year. For purposes of the preceding sentence, the term "specified balance" means the prefunding balance or the funding standard carryover balance, as the case may be.

(C) Availability of balances in plan year for crediting against minimum required contribution

For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance.

(5) Election to reduce balance prior to determinations of value of plan assets and crediting against minimum required contribution**(A) In general**

The plan sponsor may elect to reduce by any amount the balance of the prefunding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

(B) Coordination between prefunding balance and funding standard carryover balance

To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the prefunding balance.

(6) Prefunding balance**(A) In general**

A prefunding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

(B) Increases**(i) In general**

As of the first day of each plan year beginning after 2008, the prefunding balance of a plan shall be increased by the amount elected by the plan sponsor for the plan year. Such amount shall not exceed the excess (if any) of—

(I) the aggregate total of employer contributions to the plan for the preceding plan year, over—

(II) the minimum required contribution for such preceding plan year.

(ii) Adjustments for interest

Any excess contributions under clause (i) shall be properly adjusted for interest accruing for the periods between the first day of the current plan year and the dates on which the excess contributions were made, determined by using the effective interest rate for the preceding plan year and by treating contributions as being first used to satisfy the minimum required contribution.

(iii) Certain contributions necessary to avoid benefit limitations disregarded

The excess described in clause (i) with respect to any preceding plan year shall be reduced (but not below zero) by the amount of contributions an employer would be required to make under paragraph (1), (2), or (4) of section 1056(g) of this title to avoid a benefit limitation which would otherwise be imposed under such paragraph for the preceding plan year. Any contribution which may be taken into account in satisfying the requirements of more than 1 of such paragraphs shall be taken into account only once for purposes of this clause.

(C) Decrease

The prefunding balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(7) Funding standard carryover balance**(A) In general**

A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

(B) Beginning balance

The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(II).

(C) Decreases

The funding standard carryover balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(8) Adjustments for investment experience

In determining the prefunding balance or the funding standard carryover balance of a plan as of the first day of the plan year, the plan sponsor shall, in accordance with regulations prescribed by the Secretary of the Treasury, adjust such balance to reflect the rate of return on plan assets for the preceding plan year. Notwithstanding subsection (g)(3), such rate of return shall be determined on the basis of fair market value and shall properly take into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

(9) Elections

Elections under this subsection shall be made at such times, and in such form and manner, as shall be prescribed in regulations of the Secretary of the Treasury.

(g) Valuation of plan assets and liabilities**(1) Timing of determinations**

Except as otherwise provided under this subsection, all determinations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.

(2) Valuation date

For purposes of this section—

(A) In general

Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

(B) Exception for small plans

If, on each day during the preceding plan year, a plan had 100 or fewer participants, the plan may designate any day during the plan year as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans which are single-employer plans and are maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

(C) Application of certain rules in determination of plan size

For purposes of this paragraph—

(i) Plans not in existence in preceding year

In the case of the first plan year of any plan, subparagraph (B) shall apply to such

plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

(ii) Predecessors

Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

(3) Determination of value of plan assets

For purposes of this section—

(A) In general

Except as provided in subparagraph (B), the value of plan assets shall be the fair market value of the assets.

(B) Averaging allowed

A plan may determine the value of plan assets on the basis of the averaging of fair market values, but only if such method—

(i) is permitted under regulations prescribed by the Secretary of the Treasury,

(ii) does not provide for averaging of such values over more than the period beginning on the last day of the 25th month preceding the month in which the valuation date occurs and ending on the valuation date (or a similar period in the case of a valuation date which is not the 1st day of a month), and

(iii) does not result in a determination of the value of plan assets which, at any time, is lower than 90 percent or greater than 110 percent of the fair market value of such assets at such time.

Any such averaging shall be adjusted for contributions, distributions, and expected earnings (as determined by the plan's actuary on the basis of an assumed earnings rate specified by the actuary but not in excess of the third segment rate applicable under subsection (h)(2)(C)(iii)), as specified by the Secretary of the Treasury.

(4) Accounting for contribution receipts

For purposes of determining the value of assets under paragraph (3)—

(A) Prior year contributions

If—

(i) an employer makes any contribution to the plan after the valuation date for the plan year in which the contribution is made, and

(ii) the contribution is for a preceding plan year,

the contribution shall be taken into account as an asset of the plan as of the valuation date, except that in the case of any plan year beginning after 2008, only the present value (determined as of the valuation date) of such contribution may be taken into account. For purposes of the preceding sentence, present value shall be determined using the effective interest rate for the preceding plan year to which the contribution is properly allocable.

(B) Special rule for current year contributions made before valuation date

If any contributions for any plan year are made to or under the plan during the plan

year but before the valuation date for the plan year, the assets of the plan as of the valuation date shall not include—

- (i) such contributions, and
- (ii) interest on such contributions for the period between the date of the contributions and the valuation date, determined by using the effective interest rate for the plan year.

(h) Actuarial assumptions and methods

(1) In general

Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

- (A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and
- (B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(2) Interest rates

(A) Effective interest rate

For purposes of this section, the term "effective interest rate" means, with respect to any plan for any plan year, the single rate of interest which, if used to determine the present value of the plan's accrued or earned benefits referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

(B) Interest rates for determining funding target

For purposes of determining the funding target and normal cost of a plan for any plan year, the interest rate used in determining the present value of the benefits of the plan shall be—

- (i) in the case of benefits reasonably determined to be payable during the 5-year period beginning on the valuation date for the plan year, the first segment rate with respect to the applicable month,
- (ii) in the case of benefits reasonably determined to be payable during the 15-year period beginning at the end of the period described in clause (i), the second segment rate with respect to the applicable month, and
- (iii) in the case of benefits reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

(C) Segment rates

For purposes of this paragraph—

(i) First segment rate

The term "first segment rate" means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

(ii) Second segment rate

The term "second segment rate" means, with respect to any month, the single rate

of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

(iii) Third segment rate

The term "third segment rate" means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during periods beginning after the period described in clause (ii).

(iv) Segment rate stabilization

(I) In general

If a segment rate described in clause (i), (ii), or (iii) with respect to any applicable month (determined without regard to this clause) is less than the applicable minimum percentage, or more than the applicable maximum percentage, of the average of the segment rates described in such clause for years in the 25-year period ending with September 30 of the calendar year preceding the calendar year in which the plan year begins, then the segment rate described in such clause with respect to the applicable month shall be equal to the applicable minimum percentage or the applicable maximum percentage of such average, whichever is closest. The Secretary of the Treasury shall determine such average on an annual basis and may prescribe equivalent rates for years in any such 25-year period for which the rates described in any such clause are not available.

(II) Applicable minimum percentage; applicable maximum percentage

For purposes of subclause (I), the applicable minimum percentage and the applicable maximum percentage for a plan year beginning in a calendar year shall be determined in accordance with the following table:

If the calendar year is:	The applicable minimum percentage is:	The applicable maximum percentage is:
2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, or 2020	90%	110%
2021	85%	115%
2022	80%	120%
2023	75%	125%
After 2023	70%	130%

(D) Corporate bond yield curve

For purposes of this paragraph—

(i) In general

The term "corporate bond yield curve" means, with respect to any month, a yield

curve which is prescribed by the Secretary of the Treasury for such month and which reflects the average, for the 24-month period ending with the month preceding such month, of monthly yields on investment grade corporate bonds with varying maturities and that are in the top 3 quality levels available.

(ii) Election to use yield curve

Solely for purposes of determining the minimum required contribution under this section, the plan sponsor may, in lieu of the segment rates determined under subparagraph (C), elect to use interest rates under the corporate bond yield curve. For purposes of the preceding sentence such curve shall be determined without regard to the 24-month averaging described in clause (i). Such election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(E) Applicable month

For purposes of this paragraph, the term “applicable month” means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary of the Treasury.

(F) Publication requirements

The Secretary of the Treasury shall publish for each month the corporate bond yield curve (and the corporate bond yield curve reflecting the modification described in section 1055(g)(3)(B)(iii)(I)² of this title for such month) and each of the rates determined under subparagraph (C) and the averages determined under subparagraph (C)(iv) for such month. The Secretary of the Treasury shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan’s projection of future interest rates.

(3) Mortality tables

(A) In general

Except as provided in subparagraph (C) or (D), the Secretary of the Treasury shall by regulation prescribe mortality tables to be used in determining any present value or making any computation under this section. Such tables shall be based on the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary of the Treasury shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(B) Periodic revision

The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under subparagraph (A) to reflect the actual experience of pension plans and projected trends in such experience.

(C) Substitute mortality table

(i) In general

Upon request by the plan sponsor and approval by the Secretary of the Treasury, a mortality table which meets the requirements of clause (iii) shall be used in determining any present value or making any computation under this section during the period of consecutive plan years (not to exceed 10) specified in the request.

(ii) Early termination of period

Notwithstanding clause (i), a mortality table described in clause (i) shall cease to be in effect as of the earliest of—

(I) the date on which there is a significant change in the participants in the plan by reason of a plan spinoff or merger or otherwise, or

(II) the date on which the plan actuary determines that such table does not meet the requirements of clause (iii).

(iii) Requirements

A mortality table meets the requirements of this clause if—

(I) there is a sufficient number of plan participants, and the pension plans have been maintained for a sufficient period of time, to have credible information necessary for purposes of subclause (II), and

(II) such table reflects the actual experience of the pension plans maintained by the sponsor and projected trends in general mortality experience.

(iv) All plans in controlled group must use separate table

Except as provided by the Secretary of the Treasury, a plan sponsor may not use a mortality table under this subparagraph for any plan maintained by the plan sponsor unless—

(I) a separate mortality table is established and used under this subparagraph for each other plan maintained by the plan sponsor and if the plan sponsor is a member of a controlled group, each member of the controlled group, and

(II) the requirements of clause (iii) are met separately with respect to the table so established for each such plan, determined by only taking into account the participants of such plan, the time such plan has been in existence, and the actual experience of such plan.

(v) Deadline for submission and disposition of application

(I) Submission

The plan sponsor shall submit a mortality table to the Secretary of the Treasury for approval under this subparagraph at least 7 months before the

² See References in Text note below.

1st day of the period described in clause (i).

(II) Disposition

Any mortality table submitted to the Secretary of the Treasury for approval under this subparagraph shall be treated as in effect as of the 1st day of the period described in clause (i) unless the Secretary of the Treasury, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (iii). The 180-day period shall be extended upon mutual agreement of the Secretary of the Treasury and the plan sponsor.

(D) Separate mortality tables for the disabled

Notwithstanding subparagraph (A)—

(i) In general

The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under subparagraph (A)) under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary of the Treasury shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(ii) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under clause (i) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(iii) Periodic revision

The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under clause (i) to reflect the actual experience of pension plans and projected trends in such experience.

(4) Probability of benefit payments in the form of lump sums or other optional forms

For purposes of determining any present value or making any computation under this section, there shall be taken into account—

(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan's experience and other related assumptions), and

(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such optional form of benefits, which are different from those specified in this subsection.

(5) Approval of large changes in actuarial assumptions

(A) In general

No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary of the Treasury.

(B) Plans to which paragraph applies

This paragraph shall apply to a plan only if—

(i) the plan is a single-employer plan to which subchapter III applies,

(ii) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 1306(a)(3)(E)(iii) of this title) of such plan and all other plans maintained by the contributing sponsors (as defined in section 1301(a)(13) of this title) and members of such sponsors' controlled groups (as defined in section 1301(a)(14) of this title) which are covered by subchapter III (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

(iii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

(i) Special rules for at-risk plans

(1) Funding target for plans in at-risk status

(A) In general

In the case of a plan which is in at-risk status for a plan year, the funding target of the plan for the plan year shall be equal to the sum of—

(i) the present value of all benefits accrued or earned under the plan as of the beginning of the plan year, as determined by using the additional actuarial assumptions described in subparagraph (B), and

(ii) in the case of a plan which also has been in at-risk status for at least 2 of the 4 preceding plan years, a loading factor determined under subparagraph (C).

(B) Additional actuarial assumptions

The actuarial assumptions described in this subparagraph are as follows:

(i) All employees who are not otherwise assumed to retire as of the valuation date but who will be eligible to elect benefits during the plan year and the 10 succeeding plan years shall be assumed to retire at the earliest retirement date under the plan but not before the end of the plan year for which the at-risk funding target and at-risk target normal cost are being determined.

(ii) All employees shall be assumed to elect the retirement benefit available under the plan at the assumed retirement age (determined after application of clause (i)) which would result in the highest present value of benefits.

(C) Loading factor

The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

- (i) \$700, times the number of participants in the plan, plus
- (ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

(2) Target normal cost of at-risk plans

In the case of a plan which is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be equal to the sum of—

- (A) the excess of—
 - (i) the sum of—
 - (I) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, determined using the additional actuarial assumptions described in paragraph (1)(B), plus
 - (II) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over
 - (ii) the amount of mandatory employee contributions expected to be made during the plan year, plus

(B) in the case of a plan which also has been in at-risk status for at least 2 of the 4 preceding plan years, a loading factor equal to 4 percent of the amount determined under subsection (b)(1)(A)(i) with respect to the plan for the plan year.

(3) Minimum amount

In no event shall—

- (A) the at-risk funding target be less than the funding target, as determined without regard to this subsection, or
- (B) the at-risk target normal cost be less than the target normal cost, as determined without regard to this subsection.

(4) Determination of at-risk status

For purposes of this subsection—

(A) In general

A plan is in at-risk status for a plan year if—

- (i) the funding target attainment percentage for the preceding plan year (determined under this section without regard to this subsection) is less than 80 percent, and
- (ii) the funding target attainment percentage for the preceding plan year (determined under this section by using the additional actuarial assumptions described in paragraph (1)(B) in computing the funding target) is less than 70 percent.

(B) Transition rule

In the case of plan years beginning in 2008, 2009, and 2010, subparagraph (A)(i) shall be applied by substituting the following percentages for “80 percent”:

- (i) 65 percent in the case of 2008.
- (ii) 70 percent in the case of 2009.
- (iii) 75 percent in the case of 2010.

In the case of plan years beginning in 2008, the funding target attainment percentage

for the preceding plan year under subparagraph (A) may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(C) Special rule for employees offered early retirement in 2006**(i) In general**

For purposes of subparagraph (A)(ii), the additional actuarial assumptions described in paragraph (1)(B) shall not be taken into account with respect to any employee if—

- (I) such employee is employed by a specified automobile manufacturer,
- (II) such employee is offered a substantial amount of additional cash compensation, substantially enhanced retirement benefits under the plan, or materially reduced employment duties on the condition that by a specified date (not later than December 31, 2010) the employee retires (as defined under the terms of the plan),
- (III) such offer is made during 2006 and pursuant to a bona fide retirement incentive program and requires, by the terms of the offer, that such offer can be accepted not later than a specified date (not later than December 31, 2006), and
- (IV) such employee does not elect to accept such offer before the specified date on which the offer expires.

(ii) Specified automobile manufacturer

For purposes of clause (i), the term “specified automobile manufacturer” means—

- (I) any manufacturer of automobiles, and
- (II) any manufacturer of automobile parts which supplies such parts directly to a manufacturer of automobiles and which, after a transaction or series of transactions ending in 1999, ceased to be a member of a controlled group which included such manufacturer of automobiles.

(5) Transition between applicable funding targets and between applicable target normal costs**(A) In general**

In any case in which a plan which is in at-risk status for a plan year has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—

- (i) the amount determined under this section without regard to this subsection, plus
- (ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

(B) Transition percentage

For purposes of subparagraph (A), the transition percentage shall be determined in accordance with the following table:

If the consecutive number of years (including the plan year) the plan is in at-risk status is—	The transition percentage is—
1	20
2	40
3	60
4	80.

(C) Years before effective date

For purposes of this paragraph, plan years beginning before 2008 shall not be taken into account.

(6) Small plan exception

If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan shall not be treated as in at-risk status for the plan year. For purposes of this paragraph, all defined benefit plans (other than multiemployer plans) maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account and the rules of subsection (g)(2)(C) shall apply.

(j) Payment of minimum required contributions

(1) In general

For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 8½ months after the close of the plan year.

(2) Interest

Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at the effective rate of interest for the plan for such plan year.

(3) Accelerated quarterly contribution schedule for underfunded plans

(A) Failure to timely make required installment

In any case in which the plan has a funding shortfall for the preceding plan year, the employer maintaining the plan shall make the required installments under this paragraph and if the employer fails to pay the full amount of a required installment for the plan year, then the amount of interest charged under paragraph (2) on the underpayment for the period of underpayment shall be determined by using a rate of interest equal to the rate otherwise used under paragraph (2) plus 5 percentage points. In the case of plan years beginning in 2008, the funding shortfall for the preceding plan year may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(B) Amount of underpayment, period of underpayment

For purposes of subparagraph (A)—

(i) Amount

The amount of the underpayment shall be the excess of—

- (I) the required installment, over

(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

(ii) Period of underpayment

The period for which any interest is charged under this paragraph with respect to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

(iii) Order of crediting contributions

For purposes of clause (i)(II), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

(C) Number of required installments; due dates

For purposes of this paragraph—

(i) Payable in 4 installments

There shall be 4 required installments for each plan year.

(ii) Time for payment of installments

The due dates for required installments are set forth in the following table:

In the case of the following required installment:	The due date is:
1st	April 15
2nd	July 15
3rd	October 15
4th	January 15 of the following year.

(D) Amount of required installment

For purposes of this paragraph—

(i) In general

The amount of any required installment shall be 25 percent of the required annual payment.

(ii) Required annual payment

For purposes of clause (i), the term "required annual payment" means the lesser of—

(I) 90 percent of the minimum required contribution (determined without regard to this subsection) to the plan for the plan year under this section, or

(II) 100 percent of the minimum required contribution (determined without regard to this subsection or to any waiver under section 1082(c) of this title) to the plan for the preceding plan year.

Subclause (II) shall not apply if the preceding plan year referred to in such clause was not a year of 12 months.

(E) Fiscal years, short years, and years with alternate valuation date

(i) Fiscal years

In applying this paragraph to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this paragraph, the months which correspond thereto.

(ii) Short plan year

This subparagraph shall be applied to plan years of less than 12 months in ac-

cordance with regulations prescribed by the Secretary of the Treasury.

(iii) Plan with alternate valuation date

The Secretary of the Treasury shall prescribe regulations for the application of this paragraph in the case of a plan which has a valuation date other than the first day of the plan year.

(F) Quarterly contributions not to include certain increased contributions

Subparagraph (D) shall be applied without regard to any increase under subsection (c)(7).

(4) Liquidity requirement in connection with quarterly contributions

(A) In general

A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment under paragraph (3) to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

(B) Plans to which paragraph applies

This paragraph shall apply to a plan (other than a plan described in subsection (g)(2)(B)) which—

- (i) is required to pay installments under paragraph (3) for a plan year, and
- (ii) has a liquidity shortfall for any quarter during such plan year.

(C) Period of underpayment

For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

(D) Limitation on increase

If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

(E) Definitions

For purposes of this paragraph—

(i) Liquidity shortfall

The term “liquidity shortfall” means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

- (I) the base amount with respect to such quarter, over
- (II) the value (as of such last day) of the plan’s liquid assets.

(ii) Base amount

(I) In general

The term “base amount” means, with respect to any quarter, an amount equal

to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.

(II) Special rule

If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary of the Treasury that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

(iii) Disbursements from the plan

The term “disbursements from the plan” means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

(iv) Adjusted disbursements

The term “adjusted disbursements” means disbursements from the plan reduced by the product of—

- (I) the plan’s funding target attainment percentage for the plan year, and
- (II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary of the Treasury shall provide in regulations.

(v) Liquid assets

The term “liquid assets” means cash, marketable securities, and such other assets as specified by the Secretary of the Treasury in regulations.

(vi) Quarter

The term “quarter” means, with respect to any required installment, the 3-month period preceding the month in which the due date for such installment occurs.

(F) Regulations

The Secretary of the Treasury may prescribe such regulations as are necessary to carry out this paragraph.

(k) Imposition of lien where failure to make required contributions

(1) In general

In the case of a plan to which this subsection applies (as provided under paragraph (2)), if—

- (A) any person fails to make a contribution payment required by section 1082 of this title and this section before the due date for such payment, and
- (B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3)

upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

(2) Plans to which subsection applies

This subsection shall apply to a single-employer plan covered under section 1321 of this title for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent.

(3) Amount of lien

For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 1082 of this title for which payment has not been made before the due date.

(4) Notice of failure; lien

(A) Notice of failure

A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

(B) Period of lien

The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

(C) Certain rules to apply

Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 1368 of this title shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

(5) Enforcement

Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

(6) Definitions

For purposes of this subsection—

(A) Contribution payment

The term “contribution payment” means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (j).

(B) Due date; required installment

The terms “due date” and “required installment” have the meanings given such terms by subsection (j).

(C) Controlled group

The term “controlled group” means any group treated as a single employer under subsections (b), (c), (m), and (o) of section 414 of title 26.

(I) Qualified transfers to health benefit accounts

In the case of a qualified transfer (as defined in section 420 of title 26), any assets so transferred shall not, for purposes of this section, be treated as assets in the plan.

FUNDING REQUIREMENTS

For modification of transition rule to pension funding requirements in the case of a plan that was not required to pay a variable rate premium for the plan year beginning in 1996, has not, in any plan year beginning after 1995, merged with another plan (other than a plan sponsored by an employer that was in 1996 within the controlled group of the plan sponsor), and is sponsored by a company that is engaged primarily in the inter-urban or interstate passenger bus service, see section 115(a)-(c) of Pub. L. 109-280, set out as a note under section 430 of Title 26, Internal Revenue Code.

§ 1084. Minimum funding standards for multiemployer plans

(a) In general

For purposes of section 1082 of this title, the accumulated funding deficiency of a multiemployer plan for any plan year is the amount, determined as of the end of the plan year, equal to the excess (if any) of the total charges to the funding standard account of the plan for all plan years (beginning with the first plan year for which this part applies to the plan) over the total credits to such account for such years.

(b) Funding standard account

(1) Account required

Each multiemployer plan to which this part applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

(2) Charges to account

For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,

(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) in the case of a plan which comes into existence on or after January 1, 2008, the unfunded past service liability under the plan on the first day of the first plan year to which this section applies, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(iii) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 15 plan years, and

(iv) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 15 plan years,

(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 1082(c)(3) of this title) for each

prior plan year in equal annual installments (until fully amortized) over a period of 15 plan years,

(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under section 1082(b)(3)(D) of this title (as in effect on the day before August 17, 2006), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of section 1082(c)(7)(A)(i)(I) of this title (as in effect on the day before August 17, 2006).

(3) Credits to account

For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 15 plan years, and

(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 15 plan years,

(C) the amount of the waived funding deficiency (within the meaning of section 1082(c)(3) of this title) for the plan year, and

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard under section 1085 of this title (as in effect on the day before August 17, 2006), the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) Special rule for amounts first amortized in plan years before 2008

In the case of any amount amortized under section 1082(b) of this title (as in effect on the day before August 17, 2006) over any period beginning with a plan year beginning before 2008, in lieu of the amortization described in paragraphs (2)(B) and (3)(B), such amount shall continue to be amortized under such section as so in effect.

(5) Combining and offsetting amounts to be amortized

Under regulations prescribed by the Secretary of the Treasury, amounts required to be

amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(6) Interest

The funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

(7) Special rules relating to charges and credits to funding standard account

For purposes of this part—

(A) Withdrawal liability

Any amount received by a multiemployer plan in payment of all or part of an employer's withdrawal liability under part 1 of subtitle E of subchapter III shall be considered an amount contributed by the employer to or under the plan. The Secretary of the Treasury may prescribe by regulation additional charges and credits to a multiemployer plan's funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

(B) Adjustments when a multiemployer plan leaves reorganization

If a multiemployer plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.

The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 1423(a)¹ of this title as of the end of the last plan year that the plan was in reorganization.

(C) Plan payments to supplemental program or withdrawal liability payment fund

Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 1402 of this title or to a fund exempt under section 501(c)(22) of title 26 pursuant to section 1403

of this title shall reduce the amount of contributions considered received by the plan for the plan year.

(D) Interim withdrawal liability payments

Any amount paid by an employer pending a final determination of the employer's withdrawal liability under part 1 of subtitle E of subchapter III and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary of the Treasury.

(E) Election for deferral of charge for portion of net experience loss

If an election is in effect under section 1082(b)(7)(F) of this title (as in effect on the day before August 17, 2006) for any plan year, the funding standard account shall be charged in the plan year to which the portion of the net experience loss deferred by such election was deferred with the amount so deferred (and paragraph (2)(B)(iii) shall not apply to the amount so charged).

(F) Financial assistance

Any amount of any financial assistance from the Pension Benefit Guaranty Corporation to any plan, and any repayment of such amount, shall be taken into account under this section and section 1082 of this title in such manner as is determined by the Secretary of the Treasury.

(G) Short-term benefits

To the extent that any plan amendment increases the unfunded past service liability under the plan by reason of an increase in benefits which are not payable as a life annuity but are payable under the terms of the plan for a period that does not exceed 14 years from the effective date of the amendment, paragraph (2)(B)(ii) shall be applied separately with respect to such increase in unfunded past service liability by substituting the number of years of the period during which such benefits are payable for "15".

(8) Special relief rules

Notwithstanding any other provision of this subsection—

(A) Amortization of net investment losses

(i) In general

A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may treat the portion of any experience loss or gain attributable to net investment losses incurred in either or both of the first two plan years ending after August 31, 2008, as an item separate from other experience losses, to be amortized in equal annual installments (until fully amortized) over the period—

(I) beginning with the plan year in which such portion is first recognized in the actuarial value of assets, and

(II) ending with the last plan year in the 30-plan year period beginning with the plan year in which such net investment loss was incurred.

¹ See References in Text note below.

(ii) Coordination with extensions

If this subparagraph applies for any plan year—

(I) no extension of the amortization period under clause (i) shall be allowed under subsection (d), and

(II) if an extension was granted under subsection (d) for any plan year before the election to have this subparagraph apply to the plan year, such extension shall not result in such amortization period exceeding 30 years.

(iii) Net investment losses

For purposes of this subparagraph—

(I) In general

Net investment losses shall be determined in the manner prescribed by the Secretary of the Treasury on the basis of the difference between actual and expected returns (including any difference attributable to any criminally fraudulent investment arrangement).

(II) Criminally fraudulent investment arrangements

The determination as to whether an arrangement is a criminally fraudulent investment arrangement shall be made under rules substantially similar to the rules prescribed by the Secretary of the Treasury for purposes of section 165 of title 26.

(B) Expanded smoothing period**(i) In general**

A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may change its asset valuation method in a manner which—

(I) spreads the difference between expected and actual returns for either or both of the first 2 plan years ending after August 31, 2008, over a period of not more than 10 years,

(II) provides that for either or both of the first 2 plan years beginning after August 31, 2008, the value of plan assets at any time shall not be less than 80 percent or greater than 130 percent of the fair market value of such assets at such time, or

(III) makes both changes described in subclauses (I) and (II) to such method.

(ii) Asset valuation methods

If this subparagraph applies for any plan year—

(I) the Secretary of the Treasury shall not treat the asset valuation method of the plan as unreasonable solely because of the changes in such method described in clause (i), and

(II) such changes shall be deemed approved by such Secretary under section 1082(d)(1) of this title and section 412(d)(1) of title 26.

(iii) Amortization of reduction in unfunded accrued liability

If this subparagraph and subparagraph (A) both apply for any plan year, the plan

shall treat any reduction in unfunded accrued liability resulting from the application of this subparagraph as a separate experience amortization base, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years rather than the period such liability would otherwise be amortized over.

(C) Solvency test

The solvency test under this paragraph is met only if the plan actuary certifies that the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period, taking into account the changes in the funding standard account under this paragraph.

(D) Restriction on benefit increases

If subparagraph (A) or (B) apply to a multiemployer plan for any plan year, then, in addition to any other applicable restrictions on benefit increases, a plan amendment increasing benefits may not go into effect during either of the 2 plan years immediately following such plan year unless—

(i) the plan actuary certifies that—

(I) any such increase is paid for out of additional contributions not allocated to the plan immediately before the application of this paragraph to the plan, and

(II) the plan's funded percentage and projected credit balances for such 2 plan years are reasonably expected to be at least as high as such percentage and balances would have been if the benefit increase had not been adopted, or

(ii) the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law.

(E) Reporting

A plan sponsor of a plan to which this paragraph applies shall—

(i) give notice of such application to participants and beneficiaries of the plan, and

(ii) inform the Pension Benefit Guaranty Corporation of such application in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.

(c) Additional rules**(1) Determinations to be made under funding method**

For purposes of this part, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2) Valuation of assets**(A) In general**

For purposes of this part, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) Election with respect to bonds

The value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of such Secretary.

(3) Actuarial assumptions must be reasonable

For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(4) Treatment of certain changes as experience gain or loss

For purposes of this section, if—

(A) a change in benefits under the Social Security Act [42 U.S.C. 301 et seq.] or in other retirement benefits created under Federal or State law, or

(B) a change in the definition of the term "wages" under section 3121 of title 26, or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of title 26,

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5) Full funding

If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b) (2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

(6) Full-funding limitation**(A) In general**

For purposes of paragraph (5), the term "full-funding limitation" means the excess (if any) of—

(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(ii) the lesser of—

(I) the fair market value of the plan's assets, or

(II) the value of such assets determined under paragraph (2).

(B) Minimum amount**(i) In general**

In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

(II) the value of the plan's assets determined under paragraph (2).

(ii) Assets

For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

(C) Full funding limitation

For purposes of this paragraph, unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not non-forfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of title 26).

(D) Current liability

For purposes of this paragraph—

(i) In general

The term "current liability" means all liabilities to employees and their beneficiaries under the plan.

(ii) Treatment of unpredictable contingent event benefits

For purposes of clause (i), any benefit contingent on an event other than—

(I) age, service, compensation, death, or disability, or

(II) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury),

shall not be taken into account until the event on which the benefit is contingent occurs.

(iii) Interest rate used

The rate of interest used to determine current liability under this paragraph shall be the rate of interest determined under subparagraph (E).

(iv) Mortality tables**(I) Commissioners' standard table**

In the case of plan years beginning before the first plan year to which the first tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this paragraph shall be the table prescribed by the Secretary of the Treasury which is based on the prevailing commissioners' standard table (described in section 807(d)(5)(A) of title 26)¹ used to determine reserves for group annuity contracts issued on January 1, 1993.

(II) Secretarial authority

The Secretary of the Treasury may by regulation prescribe for plan years be-

ginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, such Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(v) Separate mortality tables for the disabled

Notwithstanding clause (iv)—

(I) In general

The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. Such Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(II) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(vi) Periodic review

The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subparagraph and shall, to the extent such Secretary determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

(E) Required change of interest rate

For purposes of determining a plan's current liability for purposes of this paragraph—

(i) In general

If any rate of interest used under the plan under subsection (b)(6) to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

(ii) Permissible range

For purposes of this subparagraph—

(I) In general

Except as provided in subclause (II), the term "permissible range" means a rate of interest which is not more than 5 percent above, and not more than 10 percent below, the weighted average of the rates of interest on 30-year Treasury securities during the 4-year period ending

on the last day before the beginning of the plan year.

(II) Secretarial authority

If the Secretary of the Treasury finds that the lowest rate of interest permissible under subclause (I) is unreasonably high, such Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under such subclause.

(iii) Assumptions

Notwithstanding paragraph (3)(A), the interest rate used under the plan shall be—

(I) determined without taking into account the experience of the plan and reasonable expectations, but

(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

(7) Annual valuation

(A) In general

For purposes of this section, a determination of experience gains and losses and a valuation of the plan's liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

(B) Valuation date

(i) Current year

Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

(ii) Use of prior year valuation

The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan's current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

(iii) Adjustments

Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

(iv) Limitation

A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan's current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

(8) Time when certain contributions deemed made

For purposes of this section, any contributions for a plan year made by an employer

after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

(d) Extension of amortization periods for multi-employer plans

(1) Automatic extension upon application by certain plans

(A) In general

If the plan sponsor of a multiemployer plan—

(i) submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), and

(ii) includes with the application a certification by the plan's actuary described in subparagraph (B),

the Secretary of the Treasury shall extend the amortization period for the period of time (not in excess of 5 years) specified in the application. Such extension shall be in addition to any extension under paragraph (2).

(B) Criteria

A certification with respect to a multiemployer plan is described in this subparagraph if the plan's actuary certifies that, based on reasonable assumptions—

(i) absent the extension under subparagraph (A), the plan would have an accumulated funding deficiency in the current plan year or any of the 9 succeeding plan years,

(ii) the plan sponsor has adopted a plan to improve the plan's funding status,

(iii) the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period as extended, and

(iv) the notice required under paragraph (3)(A) has been provided.

(2) Alternative extension

(A) In general

If the plan sponsor of a multiemployer plan submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), the Secretary of the Treasury may extend the amortization period for a period of time (not in excess of 10 years reduced by the number of years of any extension under paragraph (1) with respect to such unfunded liability) if the Secretary of the Treasury makes the determination described in subparagraph (B). Such extension shall be in addition to any extension under paragraph (1).

(B) Determination

The Secretary of the Treasury may grant an extension under subparagraph (A) if such Secretary determines that—

(i) such extension would carry out the purposes of this chapter and would provide adequate protection for participants under the plan and their beneficiaries, and

(ii) the failure to permit such extension would—

(I) result in a substantial risk to the voluntary continuation of the plan, or a substantial curtailment of pension benefit levels or employee compensation, and

(II) be adverse to the interests of plan participants in the aggregate.

(C) Action by Secretary of the Treasury

The Secretary of the Treasury shall act upon any application for an extension under this paragraph within 180 days of the submission of such application. If such Secretary rejects the application for an extension under this paragraph, such Secretary shall provide notice to the plan detailing the specific reasons for the rejection, including references to the criteria set forth above.

(3) Advance notice

(A) In general

The Secretary of the Treasury shall, before granting an extension under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each affected party (as defined in section 1301(a)(21) of this title) with respect to the affected plan. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under subchapter III and for benefit liabilities.

(B) Consideration of relevant information

The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

SHORTFALL FUNDING METHOD

Pub. L. 109-280, title II, §201(b), Aug. 17, 2006, 120 Stat. 867, as amended by Pub. L. 110-458, title I, §102(a), Dec. 23, 2008, 122 Stat. 5100, provided that:

“(1) IN GENERAL.—A multiemployer plan meeting the criteria of paragraph (2) may adopt, use, or cease using, the shortfall funding method and such adoption, use, or cessation of use of such method, shall be deemed approved by the Secretary of the Treasury under section 302(d)(1) of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1082(d)(1)] and section 412(d)(1) of the Internal Revenue Code of 1986 [26 U.S.C. 412(d)(1)].

“(2) CRITERIA.—A multiemployer pension plan meets the criteria of this clause if—

“(A) the plan has not adopted, or ceased using, the shortfall funding method during the 5-year period ending on the day before the date the plan is to use the method under paragraph (1); and

“(B) the plan is not operating under an amortization period extension under section 304(d) of such Act [29 U.S.C. 1084(d)] and did not operate under such an extension during such 5-year period.

“(3) SHORTFALL FUNDING METHOD DEFINED.—For purposes of this subsection, the term ‘shortfall funding method’ means the shortfall funding method described in Treasury Regulations section 1.412(c)(1)–2 (26 CFR 1.412(c)(1)–2).

“(5) USE OF SHORTFALL METHOD NOT TO PRECLUDE OTHER OPTIONS.—Nothing in this subsection shall be construed to affect a multiemployer plan’s ability to adopt the shortfall funding method with the Secretary’s permission under otherwise applicable regulations or to affect a multiemployer plan’s right to change funding methods, with or without the Secretary’s consent, as provided in applicable rules and regulations.”

[Pub. L. 109-280, §201(b), set out above, applicable to plan years beginning after 2007, with special rule for certain amortization extensions, see section 201(d) of Pub. L. 109-280, set out as an Effective Date of 2006 Amendment note under section 1081 of this title.]

SPECIAL RULE FOR CERTAIN BENEFITS FUNDED UNDER AN AGREEMENT APPROVED BY THE PENSION BENEFIT GUARANTY CORPORATION

§ 1085. Additional funding rules for multiemployer plans in endangered status or critical status

(a) General rule

For purposes of this part, in the case of a multiemployer plan in effect on July 16, 2006—

(1) if the plan is in endangered status—

(A) the plan sponsor shall adopt and implement a funding improvement plan in accordance with the requirements of subsection (c), and

(B) the requirements of subsection (d) shall apply during the funding plan adoption period and the funding improvement period,

(2) if the plan is in critical status—

(A) the plan sponsor shall adopt and implement a rehabilitation plan in accordance with the requirements of subsection (e), and

(B) the requirements of subsection (f) shall apply during the rehabilitation plan adoption period and the rehabilitation period, and

(3) if the plan is in critical and declining status—

(A) the requirements of paragraph (2) shall apply to the plan; and

(B) the plan sponsor may, by plan amendment, suspend benefits in accordance with the requirements of subsection (e)(9).

(b) Determination of endangered and critical status

For purposes of this section—

(1) Endangered status

A multiemployer plan is in endangered status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is not in critical status for the plan year and is not described in paragraph (5), and, as of the beginning of the plan year, either—

(A) the plan's funded percentage for such plan year is less than 80 percent, or

(B) the plan has an accumulated funding deficiency for such plan year, or is projected to have such an accumulated funding deficiency for any of the 6 succeeding plan years, taking into account any extension of amortization periods under section 1084(d) of this title.

For purposes of this section, a plan shall be treated as in seriously endangered status for a plan year if the plan is described in both subparagraphs (A) and (B).

(2) Critical status

A multiemployer plan is in critical status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is described in 1 or more of the following subparagraphs as of the beginning of the plan year:

(A) A plan is described in this subparagraph if—

(i) the funded percentage of the plan is less than 65 percent, and

(ii) the sum of—

(I) the fair market value of plan assets, plus

(II) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 6 succeeding plan years, assuming that the terms of all collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years,

is less than the present value of all nonforfeitable benefits projected to be payable under the plan during the current plan year and each of the 6 succeeding plan years (plus administrative expenses for such plan years).

(B) A plan is described in this subparagraph if—

(i) the plan has an accumulated funding deficiency for the current plan year, not taking into account any extension of amortization periods under section 1084(d) of this title, or

(ii) the plan is projected to have an accumulated funding deficiency for any of the 3 succeeding plan years (4 succeeding plan years if the funded percentage of the plan is 65 percent or less), not taking into account any extension of amortization periods under section 1084(d) of this title.

(C) A plan is described in this subparagraph if—

(i) (I) the plan's normal cost for the current plan year, plus interest (determined at the rate used for determining costs under the plan) for the current plan year

on the amount of unfunded benefit liabilities under the plan as of the last date of the preceding plan year, exceeds

(II) the present value of the reasonably anticipated employer and employee contributions for the current plan year,

(ii) the present value, as of the beginning of the current plan year, of nonforfeitable benefits of inactive participants is greater than the present value of nonforfeitable benefits of active participants, and

(iii) the plan has an accumulated funding deficiency for the current plan year, or is projected to have such a deficiency for any of the 4 succeeding plan years, not taking into account any extension of amortization periods under section 1084(d) of this title.

(D) A plan is described in this subparagraph if the sum of—

(i) the fair market value of plan assets, plus

(ii) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 4 succeeding plan years, assuming that the terms of all collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years,

is less than the present value of all benefits projected to be payable under the plan during the current plan year and each of the 4 succeeding plan years (plus administrative expenses for such plan years).

(3) Annual certification by plan actuary**(A) In general**

Not later than the 90th day of each plan year of a multiemployer plan, the plan actuary shall certify to the Secretary of the Treasury and to the plan sponsor—

(i) whether or not the plan is in endangered status for such plan year, or would be in endangered status for such plan year but for paragraph (5),¹ whether or not the plan is or will be in critical status for such plan year or for any of the succeeding 5 plan years, and whether or not the plan is or will be in critical and declining status for such plan year, and

(ii) in the case of a plan which is in a funding improvement or rehabilitation period, whether or not the plan is making the scheduled progress in meeting the requirements of its funding improvement or rehabilitation plan.

(B) Actuarial projections of assets and liabilities**(i) In general**

Except as provided in clause (iv), in making the determinations and projections under this subsection, the plan actuary shall make projections required for the current and succeeding plan years of the current value of the assets of the plan and the present value of all liabilities to par-

¹ So in original.

ticipants and beneficiaries under the plan for the current plan year as of the beginning of such year. The actuary's projections shall be based on reasonable actuarial estimates, assumptions, and methods that, except as provided in clause (iii), offer the actuary's best estimate of anticipated experience under the plan. The projected present value of liabilities as of the beginning of such year shall be determined based on the most recent of either—

(I) the actuarial statement required under section 1023(d) of this title with respect to the most recently filed annual report, or

(II) the actuarial valuation for the preceding plan year.

(ii) Determinations of future contributions

Any actuarial projection of plan assets shall assume—

(I) reasonably anticipated employer contributions for the current and succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, or

(II) that employer contributions for the most recent plan year will continue indefinitely, but only if the plan actuary determines there have been no significant demographic changes that would make such assumption unreasonable.

(iii) Projected industry activity

Any projection of activity in the industry or industries covered by the plan, including future covered employment and contribution levels, shall be based on information provided by the plan sponsor, which shall act reasonably and in good faith.

(iv)² Projections relating to critical status in succeeding plan years

Clauses (i) and (ii) (other than the 2nd sentence of clause (i)) may be disregarded by a plan actuary in the case of any certification of whether a plan will be in critical status in a succeeding plan year, except that a plan sponsor may not elect to be in critical status for a plan year under paragraph (4) in any case in which the certification upon which such election would be based is made without regard to such clauses.

(iv)² Projections of critical and declining status

In determining whether a plan is in critical and declining status as described in subsection (e)(9), clauses (i), (ii), and (iii) shall apply, except that—

(I) if reasonable, the plan actuary shall assume that each contributing employer in compliance continues to comply through the end of the rehabilitation period or such later time as provided in

subsection (e)(3)(A)(ii) with the terms of the rehabilitation plan that correspond to the schedule adopted or imposed under subsection (e), and

(II) the plan actuary shall take into account any suspensions of benefits described in subsection (e)(9) adopted in a prior plan year that are still in effect.

(C) Penalty for failure to secure timely actuarial certification

Any failure of the plan's actuary to certify the plan's status under this subsection by the date specified in subparagraph (A) shall be treated for purposes of section 1132(c)(2) of this title as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 1021(b)(1) of this title.

(D) Notice

(i) In general

In any case in which it is certified under subparagraph (A) that a multiemployer plan is or will be in endangered or critical status for a plan year or in which a plan sponsor elects to be in critical status for a plan year under paragraph (4), the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the endangered or critical status to the participants and beneficiaries, the bargaining parties, the Pension Benefit Guaranty Corporation, and the Secretary. In any case in which a plan sponsor elects to be in critical status for a plan year under paragraph (4), the plan sponsor shall notify the Secretary of the Treasury of such election not later than 30 days after the date of such certification or such other time as the Secretary of the Treasury may prescribe by regulations or other guidance.

(ii) Plans in critical status

If it is certified under subparagraph (A) that a multiemployer plan is or will be in critical status, the plan sponsor shall include in the notice under clause (i) an explanation of the possibility that—

(I) adjustable benefits (as defined in subsection (e)(8)) may be reduced, and

(II) such reductions may apply to participants and beneficiaries whose benefit commencement date is on or after the date such notice is provided for the first plan year in which the plan is in critical status.

(iii) In the case of a multiemployer plan that would be in endangered status but for paragraph (5), the plan sponsor shall provide notice to the bargaining parties and the Pension Benefit Guaranty Corporation that the plan would be in endangered status but for such paragraph.

(iv) Model notice

The Secretary of the Treasury, in consultation with the Secretary³ shall prescribe a model notice that a multiem-

ployer plan may use to satisfy the requirements under clauses (ii) and (iii).

(v) Notice of projection to be in critical status in a future plan year

In any case in which it is certified under subparagraph (A)(i) that a multiemployer plan will be in critical status for any of 5 succeeding plan years (but not for the current plan year) and the plan sponsor of such plan has not made an election to be in critical status for the plan year under paragraph (4), the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the projected critical status to the Pension Benefit Guaranty Corporation.

(4) Election to be in critical status

Notwithstanding paragraph (2) and subject to paragraph (3)(B)(iv)—

(A) the plan sponsor of a multiemployer plan that is not in critical status for a plan year but that is projected by the plan actuary, pursuant to the determination under paragraph (3), to be in critical status in any of the succeeding 5 plan years may, not later than 30 days after the date of the certification under paragraph (3)(A), elect to be in critical status effective for the current plan year,

(B) the plan year in which the plan sponsor elects to be in critical status under subparagraph (A) shall be treated for purposes of this section as the first year in which the plan is in critical status, regardless of the date on which the plan first satisfies the criteria for critical status under paragraph (2), and

(C) a plan that is in critical status under this paragraph shall not emerge from critical status except in accordance with subsection (e)(4)(B).

(5) Special rule

A plan is described in this paragraph if—

(A) as part of the actuarial certification of endangered status under paragraph (3)(A) for the plan year, the plan actuary certifies that the plan is projected to no longer be described in either paragraph (1)(A) or paragraph (1)(B) as of the end of the tenth plan year ending after the plan year to which the certification relates, and

(B) the plan was not in critical or endangered status for the immediately preceding plan year.

(6) Critical and declining status

For purposes of this section, a plan in critical status shall be treated as in critical and declining status if the plan is described in one or more of subparagraphs (A), (B), (C), and (D) of paragraph (2) and the plan is projected to become insolvent within the meaning of section 1426 of this title during the current plan year or any of the 14 succeeding plan years (19 succeeding plan years if the plan has a ratio of inactive participants to active participants that exceeds 2 to 1 or if the funded percentage of the plan is less than 80 percent).

(c) Funding improvement plan must be adopted for multiemployer plans in endangered status

(1) In general

In any case in which a multiemployer plan is in endangered status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a funding improvement plan not later than 240 days following the required date for the actuarial certification of endangered status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the funding improvement plan—

(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to meet the applicable benchmarks in accordance with the funding improvement plan, including—

(I) one proposal for reductions in the amount of future benefit accruals necessary to achieve the applicable benchmarks, assuming no amendments increasing contributions under the plan (other than amendments increasing contributions necessary to achieve the applicable benchmarks after amendments have reduced future benefit accruals to the maximum extent permitted by law), and

(II) one proposal for increases in contributions under the plan necessary to achieve the applicable benchmarks, assuming no amendments reducing future benefit accruals under the plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to achieving the applicable benchmarks in accordance with the funding improvement plan.

For purposes of this section, the term “applicable benchmarks” means the requirements applicable to the multiemployer plan under paragraph (3) (as modified by paragraph (5)).

(2) Exception for years after process begins

Paragraph (1) shall not apply to a plan year if such year is in a funding plan adoption period or funding improvement period by reason of the plan being in endangered status for a preceding plan year. For purposes of this section, such preceding plan year shall be the initial determination year with respect to the funding improvement plan to which it relates.

(3) Funding improvement plan

For purposes of this section—

(A) In general

A funding improvement plan is a plan which consists of the actions, including options or a range of options to be proposed to the bargaining parties, formulated to pro-

vide, based on reasonably anticipated experience and reasonable actuarial assumptions, for the attainment by the plan during the funding improvement period of the following requirements:

(i) Increase in plan's funding percentage

The plan's funded percentage as of the close of the funding improvement period equals or exceeds a percentage equal to the sum of—

(I) such percentage as of the beginning of the first plan year for which the plan is certified to be in endangered status pursuant to paragraph (b)(3), plus

(II) 33 percent of the difference between 100 percent and the percentage under subclause (I).

(ii) Avoidance of accumulated funding deficiencies

No accumulated funding deficiency for the last plan year during the funding improvement period (taking into account any extension of amortization periods under section 1084(d) of this title).

(B) Seriously endangered plans

In the case of a plan in seriously endangered status, except as provided in paragraph (5), subparagraph (A)(i)(II) shall be applied by substituting "20 percent" for "33 percent".

(4) Funding improvement period

For purposes of this section—

(A) In general

The funding improvement period for any funding improvement plan adopted pursuant to this subsection is the 10-year period beginning on the first day of the first plan year of the multiemployer plan beginning after the earlier of—

(i) the second anniversary of the date of the adoption of the funding improvement plan, or

(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of endangered status for the initial determination year under subsection (b)(3)(A) and covering, as of such due date, at least 75 percent of the active participants in such multiemployer plan.

(B) Seriously endangered plans

In the case of a plan in seriously endangered status, except as provided in paragraph (5), subparagraph (A) shall be applied by substituting "15-year period" for "10-year period".

(C) Coordination with changes in status

(i) Plans no longer in endangered status

If the plan's actuary certifies under subsection (b)(3)(A) for a plan year in any funding plan adoption period or funding improvement period that the plan is no longer in endangered status and is not in critical status, the funding plan adoption period or funding improvement period, whichever is applicable, shall end as of the close of the preceding plan year.

(ii) Plans in critical status

If the plan's actuary certifies under subsection (b)(3)(A) for a plan year in any funding plan adoption period or funding improvement period that the plan is in critical status, the funding plan adoption period or funding improvement period, whichever is applicable, shall end as of the close of the plan year preceding the first plan year in the rehabilitation period with respect to such status.

(D) Plans in endangered status at end of period

If the plan's actuary certifies under subsection (b)(3)(A) for the first plan year following the close of the period described in subparagraph (A) that the plan is in endangered status, the provisions of this subsection and subsection (d) shall be applied as if such first plan year were an initial determination year, except that the plan may not be amended in a manner inconsistent with the funding improvement plan in effect for the preceding plan year until a new funding improvement plan is adopted.

(5) Special rules for seriously endangered plans more than 70 percent funded

(A) In general

If the funded percentage of a plan in seriously endangered status was more than 70 percent as of the beginning of the initial determination year—

(i) paragraphs (3)(B) and (4)(B) shall apply only if the plan's actuary certifies, within 30 days after the certification under subsection (b)(3)(A) for the initial determination year, that, based on the terms of the plan and the collective bargaining agreements in effect at the time of such certification, the plan is not projected to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), and

(ii) if there is a certification under clause (i), the plan may, in formulating its funding improvement plan, only take into account the rules of paragraph (3)(B) and (4)(B) for plan years in the funding improvement period beginning on or before the date on which the last of the collective bargaining agreements described in paragraph (4)(A)(ii) expires.

(B) Special rule after expiration of agreements

Notwithstanding subparagraph (A)(ii), if, for any plan year ending after the date described in subparagraph (A)(ii), the plan actuary certifies (at the time of the annual certification under subsection (b)(3)(A) for such plan year) that, based on the terms of the plan and collective bargaining agreements in effect at the time of that annual certification, the plan is not projected to be able to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), paragraphs (3)(B) and (4)(B) shall continue to apply for such year.

(6) Updates to funding improvement plan and schedules**(A) Funding improvement plan**

The plan sponsor shall annually update the funding improvement plan and shall file the update with the plan's annual report under section 1024 of this title.

(B) Schedules

The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.

(C) Duration of schedule

A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(7) Imposition of schedule where failure to adopt funding improvement plan**(A) Initial contribution schedule**

If—

(i) a collective bargaining agreement providing for contributions under a multi-employer plan that was in effect at the time the plan entered endangered status expires, and

(ii) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the funding improvement plan and a schedule from the plan sponsor,

the plan sponsor shall implement the schedule described in paragraph (1)(B)(i)(I) beginning on the date specified in subparagraph (C).

(B) Subsequent contribution schedule

If—

(i) a collective bargaining agreement providing for contributions under a multi-employer plan in accordance with a schedule provided by the plan sponsor pursuant to a funding improvement plan (or imposed under subparagraph (A)) expires while the plan is still in endangered status, and

(ii) after receiving one or more updated schedules from the plan sponsor under paragraph (6)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the updated funding improvement plan and a schedule from the plan sponsor,

then the contribution schedule applicable under the expired collective bargaining agreement, as updated and in effect on the date the collective bargaining agreement expires, shall be implemented by the plan sponsor beginning on the date specified in subparagraph (C).

(C) Date of implementation

The date specified in this subparagraph is the date which is 180 days after the date on

which the collective bargaining agreement described in subparagraph (A) or (B) expires.

(D) Failure to make scheduled contributions

Any failure to make a contribution under a schedule of contribution rates provided under this paragraph shall be treated as a delinquent contribution under section 1145 of this title and shall be enforceable as such.

(8) Funding plan adoption period

For purposes of this section, the term "funding plan adoption period" means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial determination year and ending on the day before the first day of the funding improvement period.

(d) Rules for operation of plan during adoption and improvement periods**(1) Compliance with funding improvement plan****(A) In general**

A plan may not be amended after the date of the adoption of a funding improvement plan under subsection (c) so as to be inconsistent with the funding improvement plan.

(B) Special rules for benefit increases

A plan may not be amended after the date of the adoption of a funding improvement plan under subsection (c) so as to increase benefits, including future benefit accruals, unless the plan actuary certifies that such increase is paid for out of additional contributions not contemplated by the funding improvement plan, and, after taking into account the benefit increase, the multiemployer plan still is reasonably expected to meet the applicable benchmark on the schedule contemplated in the funding improvement plan.

(2) Special rules for plan adoption period

During the period beginning on the date of the certification under subsection (b)(3)(A) for the initial determination year and ending on the date of the adoption of a funding improvement plan—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

- (i) a reduction in the level of contributions for any participants,
- (ii) a suspension of contributions with respect to any period of service, or
- (iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation, and

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law.

(e) Rehabilitation plan must be adopted for multiemployer plans in critical status

(1) In general

In any case in which a multiemployer plan is in critical status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a rehabilitation plan not later than 240 days following the required date for the actuarial certification of critical status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the rehabilitation plan—

(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to emerge from critical status in accordance with the rehabilitation plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to emerging from critical status in accordance with the rehabilitation plan.

The schedule or schedules described in subparagraph (B)(i) shall reflect reductions in future benefit accruals and adjustable benefits, and increases in contributions, that the plan sponsor determines are reasonably necessary to emerge from critical status. One schedule shall be designated as the default schedule and such schedule shall assume that there are no increases in contributions under the plan other than the increases necessary to emerge from critical status after future benefit accruals and other benefits (other than benefits the reduction or elimination of which are not permitted under section 1054(g) of this title) have been reduced to the maximum extent permitted by law.

(2) Exception for years after process begins

Paragraph (1) shall not apply to a plan year if such year is in a rehabilitation plan adoption period or rehabilitation period by reason of the plan being in critical status for a preceding plan year. For purposes of this section, such preceding plan year shall be the initial critical year with respect to the rehabilitation plan to which it relates.

(3) Rehabilitation plan

For purposes of this section—

(A) In general

A rehabilitation plan is a plan which consists of—

(i) actions, including options or a range of options to be proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to cease to be in critical status by the end of the rehabilitation period and may include reductions in plan expenditures (including plan mergers and consolidations), reductions in future benefit accruals or in-

creases in contributions, if agreed to by the bargaining parties, or any combination of such actions, or

(ii) if the plan sponsor determines that, based on reasonable actuarial assumptions and upon exhaustion of all reasonable measures, the plan can not reasonably be expected to emerge from critical status by the end of the rehabilitation period, reasonable measures to emerge from critical status at a later time or to forestall possible insolvency (within the meaning of section 1426 of this title).

A rehabilitation plan must provide annual standards for meeting the requirements of such rehabilitation plan. Such plan shall also include the schedules required to be provided under paragraph (1)(B)(i) and if clause (ii) applies, shall set forth the alternatives considered, explain why the plan is not reasonably expected to emerge from critical status by the end of the rehabilitation period, and specify when, if ever, the plan is expected to emerge from critical status in accordance with the rehabilitation plan.

(B) Updates to rehabilitation plan and schedules

(i) Rehabilitation plan

The plan sponsor shall annually update the rehabilitation plan and shall file the update with the plan's annual report under section 1024 of this title.

(ii) Schedules

The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.

(iii) Duration of schedule

A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(C) Imposition of schedule where failure to adopt rehabilitation plan

(i) Initial contribution schedule

If—

(I) a collective bargaining agreement providing for contributions under a multiemployer plan that was in effect at the time the plan entered critical status expires, and

(II) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the rehabilitation plan and a schedule from the plan sponsor under paragraph (1)(B)(i),

the plan sponsor shall implement the schedule described in the last sentence of paragraph (1) beginning on the date specified in clause (iii).

(ii) Subsequent contribution schedule

If—

(I) a collective bargaining agreement providing for contributions under a multiemployer plan in accordance with a schedule provided by the plan sponsor pursuant to a rehabilitation plan (or imposed under subparagraph (C)(i)) expires while the plan is still in critical status, and

(II) after receiving one or more updated schedules from the plan sponsor under subparagraph (B)(ii), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the updated rehabilitation plan and a schedule from the plan sponsor,

then the contribution schedule applicable under the expired collective bargaining agreement, as updated and in effect on the date the collective bargaining agreement expires, shall be implemented by the plan sponsor beginning on the date specified in clause (iii).

(iii) Date of implementation

The date specified in this subparagraph is the date which is 180 days after the date on which the collective bargaining agreement described in clause (i) or (ii) expires.

(iv) Failure to make scheduled contributions

Any failure to make a contribution under a schedule of contribution rates provided under this subsection shall be treated as a delinquent contribution under section 1145 of this title and shall be enforceable as such.

(4) Rehabilitation period

For purposes of this section—

(A) In general

The rehabilitation period for a plan in critical status is the 10-year period beginning on the first day of the first plan year of the multiemployer plan following the earlier of—

(i) the second anniversary of the date of the adoption of the rehabilitation plan, or

(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of critical status for the initial critical year under subsection (a)(1) and covering, as of such date at least 75 percent of the active participants in such multiemployer plan.

If a plan emerges from critical status as provided under subparagraph (B) before the end of such 10-year period, the rehabilitation period shall end with the plan year preceding the plan year for which the determination under subparagraph (B) is made.

(B) Emergence

(i) In general

A plan in critical status shall remain in such status until a plan year for which the plan actuary certifies, in accordance with subsection (b)(3)(A), that—

(I) the plan is not described in one or more of the subparagraphs in subsection

(b)(2) as of the beginning of the plan year;

(II) the plan is not projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding plan years, without regard to the use of the shortfall method but taking into account any extension of amortization periods under section 1084(d)(2) of this title or section 1084 of this title (as in effect prior to the enactment of the Pension Protection Act of 2006); and

(III) the plan is not projected to become insolvent within the meaning of section 1426 of this title for any of the 30 succeeding plan years.

(ii) Plans with certain amortization extensions

(I) Special emergence rule

Notwithstanding clause (i), a plan in critical status that has an automatic extension of amortization periods under section 1084(d)(1) of this title shall no longer be in critical status if the plan actuary certifies for a plan year, in accordance with subsection (b)(3)(A), that—

(aa) the plan is not projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding plan years, without regard to the use of the shortfall method but taking into account any extension of amortization periods under section 1084(d)(1) of this title; and

(bb) the plan is not projected to become insolvent within the meaning of section 1426 of this title for any of the 30 succeeding plan years,

regardless of whether the plan is described in one or more of the subparagraphs in subsection (b)(2) as of the beginning of the plan year.

(II) Reentry into critical status

A plan that emerges from critical status under subclause (I) shall not reenter critical status for any subsequent plan year unless—

(aa) the plan is projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding plan years, without regard to the use of the shortfall method but taking into account any extension of amortization periods under section 1084(d) of this title; or

(bb) the plan is projected to become insolvent within the meaning of section 1426 of this title for any of the 30 succeeding plan years.

(5) Rehabilitation plan adoption period

For purposes of this section, the term “rehabilitation plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial critical year and ending on the day before the first day of the rehabilitation period.

(6) Limitation on reduction in rates of future accruals

Any reduction in the rate of future accruals under the default schedule described in the last sentence of paragraph (1) shall not reduce the rate of future accruals below—

(A) a monthly benefit (payable as a single life annuity commencing at the participant's normal retirement age) equal to 1 percent of the contributions required to be made with respect to a participant, or the equivalent standard accrual rate for a participant or group of participants under the collective bargaining agreements in effect as of the first day of the initial critical year, or

(B) if lower, the accrual rate under the plan on such first day.

The equivalent standard accrual rate shall be determined by the plan sponsor based on the standard or average contribution base units which the plan sponsor determines to be representative for active participants and such other factors as the plan sponsor determines to be relevant. Nothing in this paragraph shall be construed as limiting the ability of the plan sponsor to prepare and provide the bargaining parties with alternative schedules to the default schedule that establish lower or higher accrual and contribution rates than the rates otherwise described in this paragraph.

(7) Automatic employer surcharge**(A) Imposition of surcharge**

Each employer otherwise obligated to make contributions for the initial critical year shall be obligated to pay to the plan for such year a surcharge equal to 5 percent of the contributions otherwise required under the applicable collective bargaining agreement (or other agreement pursuant to which the employer contributes). For each succeeding plan year in which the plan is in critical status for a consecutive period of years beginning with the initial critical year, the surcharge shall be 10 percent of the contributions otherwise so required.

(B) Enforcement of surcharge

The surcharges under subparagraph (A) shall be due and payable on the same schedule as the contributions on which the surcharges are based. Any failure to make a surcharge payment shall be treated as a delinquent contribution under section 1145 of this title and shall be enforceable as such.

(C) Surcharge to terminate upon collective bargaining agreement renegotiation

The surcharge under this paragraph shall cease to be effective with respect to employees covered by a collective bargaining agreement (or other agreement pursuant to which the employer contributes), beginning on the effective date of a collective bargaining agreement (or other such agreement) that includes terms consistent with a schedule presented by the plan sponsor under paragraph (1)(B)(i), as modified under subparagraph (B) of paragraph (3).

(D) Surcharge not to apply until employer receives notice

The surcharge under this paragraph shall not apply to an employer until 30 days after the employer has been notified by the plan sponsor that the plan is in critical status and that the surcharge is in effect.

(E) Surcharge not to generate increased benefit accruals

Notwithstanding any provision of a plan to the contrary, the amount of any surcharge under this paragraph shall not be the basis for any benefit accrual under the plan.

(8) Benefit adjustments**(A) Adjustable benefits****(i) In general**

Notwithstanding section 1054(g) of this title, the plan sponsor shall, subject to the notice requirements in subparagraph (C), make any reductions to adjustable benefits which the plan sponsor deems appropriate, based upon the outcome of collective bargaining over the schedule or schedules provided under paragraph (1)(B)(i).

(ii) Exception for retirees

Except in the case of adjustable benefits described in clause (iv)(III), the plan sponsor of a plan in critical status shall not reduce adjustable benefits of any participant or beneficiary whose benefit commencement date is before the date on which the plan provides notice to the participant or beneficiary under subsection (b)(3)(D) for the initial critical year.

(iii) Plan sponsor flexibility

The plan sponsor shall include in the schedules provided to the bargaining parties an allowance for funding the benefits of participants with respect to whom contributions are not currently required to be made, and shall reduce their benefits to the extent permitted under this subchapter and considered appropriate by the plan sponsor based on the plan's then current overall funding status.

(iv) Adjustable benefit defined

For purposes of this paragraph, the term "adjustable benefit" means—

(I) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

(II) any early retirement benefit or retirement-type subsidy (within the meaning of section 1054(g)(2)(A) of this title) and any benefit payment option (other than the qualified joint and survivor annuity), and

(III) benefit increases that would not be eligible for a guarantee under section 1322a of this title on the first day of initial critical year because the increases were adopted (or, if later, took effect) less than 60 months before such first day.

(B) Normal retirement benefits protected

Except as provided in subparagraph (A)(iv)(III), nothing in this paragraph shall

be construed to permit a plan to reduce the level of a participant's accrued benefit payable at normal retirement age.

(C) Notice requirements

(i) In general

No reduction may be made to adjustable benefits under subparagraph (A) unless notice of such reduction has been given at least 30 days before the general effective date of such reduction for all participants and beneficiaries to—

(I) plan participants and beneficiaries,

(II) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and

(III) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(ii) Content of notice

The notice under clause (i) shall contain—

(I) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an estimate (on an annual or monthly basis) of any affected adjustable benefit that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in clause (i), and

(II) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(iii) Form and manner

Any notice under clause (i)—

(I) shall be provided in a form and manner prescribed in regulations of the Secretary of the Treasury, in consultation with the Secretary,

(II) shall be written in a manner so as to be understood by the average plan participant, and

(III) may be provided in written, electronic, or other appropriate form to the extent such form is reasonably accessible to persons to whom the notice is required to be provided.

The Secretary of the Treasury shall in the regulations prescribed under subclause (I) establish a model notice that a plan sponsor may use to meet the requirements of this subparagraph.

(9) Benefit suspensions for multiemployer plans in critical and declining status

(A) In general

Notwithstanding section 1054(g) of this title and subject to subparagraphs (B) through (I), the plan sponsor of a plan in critical and declining status may, by plan amendment, suspend benefits which the sponsor deems appropriate.

(B) Suspension of benefits

(i) Suspension of benefits defined

For purposes of this subsection, the term "suspension of benefits" means the temporary or permanent reduction of any current or future payment obligation of the plan to any participant or beneficiary under the plan, whether or not in pay status at the time of the suspension of benefits.

(ii) Length of suspensions

Any suspension of benefits made under subparagraph (A) shall remain in effect until the earlier of when the plan sponsor provides benefit improvements in accordance with subparagraph (E) or the suspension of benefits expires by its own terms.

(iii) No liability

The plan shall not be liable for any benefit payments not made as a result of a suspension of benefits under this paragraph.

(iv) Applicability

For purposes of this paragraph, all references to suspensions of benefits, increases in benefits, or resummptions of suspended benefits with respect to participants shall also apply with respect to benefits of beneficiaries or alternative payees of participants.

(v) Retiree representative

(I) In general

In the case of a plan with 10,000 or more participants, not later than 60 days prior to the plan sponsor submitting an application to suspend benefits, the plan sponsor shall select a participant of the plan in pay status to act as a retiree representative. The retiree representative shall advocate for the interests of the retired and deferred vested participants and beneficiaries of the plan throughout the suspension approval process.

(II) Reasonable expenses from plan

The plan shall provide for reasonable expenses by the retiree representative, including reasonable legal and actuarial support, commensurate with the plan's size and funded status.

(III) Special rule relating to fiduciary status

Duties performed pursuant to subclause (I) shall not be subject to section 1104(a) of this title. The preceding sentence shall not apply to those duties associated with an application to suspend benefits pursuant to subparagraph (G) that are performed by the retiree representative who is also a plan trustee.

(C) Conditions for suspensions

The plan sponsor of a plan in critical and declining status for a plan year may suspend benefits only if the following conditions are met:

(i) Taking into account the proposed suspensions of benefits (and, if applicable, a

proposed partition of the plan under section 1413 of this title), the plan actuary certifies that the plan is projected to avoid insolvency within the meaning of section 1426 of this title, assuming the suspensions of benefits continue until the suspensions of benefits expire by their own terms or if no such expiration date is set, indefinitely.

(ii) The plan sponsor determines, in a written record to be maintained throughout the period of the benefit suspension, that the plan is still projected to become insolvent unless benefits are suspended under this paragraph, although all reasonable measures to avoid insolvency have been taken (and continue to be taken during the period of the benefit suspension). In its determination, the plan sponsor may take into account factors including the following:

(I) Current and past contribution levels.

(II) Levels of benefit accruals (including any prior reductions in the rate of benefit accruals).

(III) Prior reductions (if any) of adjustable benefits.

(IV) Prior suspensions (if any) of benefits under this subsection.

(V) The impact on plan solvency of the subsidies and ancillary benefits available to active participants.

(VI) Compensation levels of active participants relative to employees in the participants' industry generally.

(VII) Competitive and other economic factors facing contributing employers.

(VIII) The impact of benefit and contribution levels on retaining active participants and bargaining groups under the plan.

(IX) The impact of past and anticipated contribution increases under the plan on employer attrition and retention levels.

(X) Measures undertaken by the plan sponsor to retain or attract contributing employers.

(D) Limitations on suspensions

Any suspensions of benefits made by a plan sponsor pursuant to this paragraph shall be subject to the following limitations:

(i) The monthly benefit of any participant or beneficiary may not be reduced below 110 percent of the monthly benefit which is guaranteed by the Pension Benefit Guaranty Corporation under section 1322a of this title on the date of the suspension.

(ii)(I) In the case of a participant or beneficiary who has attained 75 years of age as of the effective date of the suspension, not more than the applicable percentage of the maximum suspendable benefits of such participant or beneficiary may be suspended under this paragraph.

(II) For purposes of subclause (I), the maximum suspendable benefits of a participant or beneficiary is the portion of the benefits of such participant or bene-

ficiary that would be suspended pursuant to this paragraph without regard to this clause;

(III) For purposes of subclause (I), the applicable percentage is a percentage equal to the quotient obtained by dividing—

(aa) the number of months during the period beginning with the month after the month in which occurs the effective date of the suspension and ending with the month during which the participant or beneficiary attains the age of 80, by

(bb) 60 months.

(iii) No benefits based on disability (as defined under the plan) may be suspended under this paragraph.

(iv) Any suspensions of benefits, in the aggregate (and, if applicable, considered in combination with a partition of the plan under section 1413 of this title), shall be reasonably estimated to achieve, but not materially exceed, the level that is necessary to avoid insolvency.

(v) In any case in which a suspension of benefits with respect to a plan is made in combination with a partition of the plan under section 1413 of this title, the suspension of benefits may not take effect prior to the effective date of such partition.

(vi) Any suspensions of benefits shall be equitably distributed across the participant and beneficiary population, taking into account factors, with respect to participants and beneficiaries and their benefits, that may include one or more of the following:

(I) Age and life expectancy.

(II) Length of time in pay status.

(III) Amount of benefit.

(IV) Type of benefit: survivor, normal retirement, early retirement.

(V) Extent to which participant or beneficiary is receiving a subsidized benefit.

(VI) Extent to which participant or beneficiary has received post-retirement benefit increases.

(VII) History of benefit increases and reductions.

(VIII) Years to retirement for active employees.

(IX) Any discrepancies between active and retiree benefits.

(X) Extent to which active participants are reasonably likely to withdraw support for the plan, accelerating employer withdrawals from the plan and increasing the risk of additional benefit reductions for participants in and out of pay status.

(XI) Extent to which benefits are attributed to service with an employer that failed to pay its full withdrawal liability.

(vii) In the case of a plan that includes the benefits described in clause (III), benefits suspended under this paragraph shall—

(I) first, be applied to the maximum extent permissible to benefits attributable to a participant's service for an

employer which withdrew from the plan and failed to pay (or is delinquent with respect to paying) the full amount of its withdrawal liability under section 1381(b)(1) of this title or an agreement with the plan,

(II) second, except as provided by subclause (III), be applied to all other benefits that may be suspended under this paragraph, and

(III) third, be applied to benefits under a plan that are directly attributable to a participant's service with any employer which has, prior to December 16, 2014—

(aa) withdrawn from the plan in a complete withdrawal under section 1383 of this title and has paid the full amount of the employer's withdrawal liability under section 1381(b)(1) of this title or an agreement with the plan, and

(bb) pursuant to a collective bargaining agreement, assumed liability for providing benefits to participants and beneficiaries of the plan under a separate, single-employer plan sponsored by the employer, in an amount equal to any amount of benefits for such participants and beneficiaries reduced as a result of the financial status of the plan.

(E) Benefit improvements

(i) In general

The plan sponsor may, in its sole discretion, provide benefit improvements while any suspension of benefits under the plan remains in effect, except that the plan sponsor may not increase the liabilities of the plan by reason of any benefit improvement for any participant or beneficiary not in pay status by the first day of the plan year for which the benefit improvement takes effect, unless—

(I) such action is accompanied by equitable benefit improvements in accordance with clause (ii) for all participants and beneficiaries whose benefit commencement dates were before the first day of the plan year for which the benefit improvement for such participant or beneficiary not in pay status took effect; and

(II) the plan actuary certifies that after taking into account such benefits improvements the plan is projected to avoid insolvency indefinitely under section 1426 of this title.

(ii) Equitable distribution of benefit improvements

(I) Limitation

The projected value of the total liabilities for benefit improvements for participants and beneficiaries not in pay status by the date of the first day of the plan year in which the benefit improvements are proposed to take effect, as determined as of such date, may not exceed the projected value of the liabilities arising from benefit improvements for par-

ticipants and beneficiaries with benefit commencement dates prior to the first day of such plan year, as so determined.

(II) Equitable distribution of benefits

The plan sponsor shall equitably distribute any increase in total liabilities for benefit improvements in clause (i) to some or all of the participants and beneficiaries whose benefit commencement date is before the date of the first day of the plan year in which the benefit improvements are proposed to take effect, taking into account the relevant factors described in subparagraph (D)(vi) and the extent to which the benefits of the participants and beneficiaries were suspended.

(iii) Special rule for resumptions of benefits only for participants in pay status

The plan sponsor may increase liabilities of the plan through a resumption of benefits for participants and beneficiaries in pay status only if the plan sponsor equitably distributes the value of resumed benefits to some or all of the participants and beneficiaries in pay status, taking into account the relevant factors described in subparagraph (D)(vi).

(iv) Special rule for certain benefit increases

This subparagraph shall not apply to a resumption of suspended benefits or plan amendment which increases liabilities with respect to participants and beneficiaries not in pay status by the first day of the plan year in which the benefit improvements took effect which—

(I) the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan, or

(II) is required as a condition of qualification under part I of subchapter D of chapter 1 of subtitle A of title 26 or to comply with other applicable law, as determined by the Secretary of the Treasury.

(v) Additional limitations

Except for resumptions of suspended benefits described in clause (iii), the limitations on benefit improvements while a suspension of benefits is in effect under this paragraph shall be in addition to any other applicable limitations on increases in benefits imposed on a plan.

(vi) Definition of benefit improvement

For purposes of this subparagraph, the term "benefit improvement" means, with respect to a plan, a resumption of suspended benefits, an increase in benefits, an increase in the rate at which benefits accrue, or an increase in the rate at which benefits become nonforfeitable under the plan.

(F) Notice requirements**(i) In general**

No suspension of benefits may be made pursuant to this paragraph unless notice of such proposed suspension has been given by the plan sponsor concurrently with an application for approval of such suspension submitted under subparagraph (G) to the Secretary of the Treasury to—

(I) such plan participants and beneficiaries who may be contacted by reasonable efforts,

(II) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and

(III) a statement that the application for approval of any suspension of benefits shall be available on the website of the Department of the Treasury and that comments on such application will be accepted,

(IV) information as to the rights and remedies of plan participants and beneficiaries,

(V) if applicable, a statement describing the appointment of a retiree representative, the date of appointment of such representative, identifying information about the retiree representative (including whether the representative is a plan trustee), and how to contact such representative, and

(II) shall be written in a manner so as to be understood by the average plan participant, and

(III) may be provided in written, electronic, or other appropriate form to the extent such form is reasonably acces-

Any notice provided under clause (i) shall fulfill the requirement for notice of a significant reduction in benefits described in section 1054(h) of this title.

(v) Model notice

The Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall in the guidance prescribed under clause (iii)(I) establish a model notice that a plan sponsor may use to meet the requirements of this subparagraph.

(G) Approval process by the Secretary of the Treasury in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor**(i) In general**

The plan sponsor of a plan in critical and declining status for a plan year that seeks to suspend benefits must submit an application to the Secretary of the Treasury for approval of the suspensions of benefits. If the plan sponsor submits an application for approval of the suspensions, the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall approve the application upon finding that the plan is eligible for the suspensions and has satisfied the criteria of subparagraphs (C), (D), (E), and (F).

(ii) Solicitation of comments

Not later than 30 days after receipt of the application under clause (i), the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall publish a notice in the Federal Register soliciting comments from contributing employers, employee organizations, and participants and beneficiaries of the plan for which an application was made and other interested parties. The application for approval of the suspension of benefits shall be published on the website of the Secretary of the Treasury.

(iii) Required action; deemed approval

The Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall approve or deny any application for suspensions of benefits under this paragraph within 225 days after the submission of such application. An application for suspension of benefits shall be deemed approved unless, within such 225 days, the Secretary of the Treasury notifies the plan sponsor that it has failed to satisfy one or more of the criteria described in this paragraph. If the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, rejects a plan sponsor's application, the Secretary of the

Treasury shall provide notice to the plan sponsor detailing the specific reasons for the rejection, including reference to the specific requirement not satisfied. Approval or denial by the Secretary of the Treasury of an application shall be treated as a final agency action for purposes of section 704 of title 5.

(iv) Agency review

In evaluating whether the plan sponsor has met the criteria specified in clause (ii) of subparagraph (C), the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall review the plan sponsor's consideration of factors under such clause.

(v) Standard for accepting plan sponsor determinations

In evaluating the plan sponsor's application, the Secretary of the Treasury shall accept the plan sponsor's determinations unless it concludes, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, that the plan sponsor's determinations were clearly erroneous.

(H) Participant ratification process

(i) In general

No suspension of benefits may take effect pursuant to this paragraph prior to a vote of the participants of the plan with respect to the suspension.

(ii) Administration of vote

Not later than 30 days after approval of the suspension by the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, under subparagraph (G), the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall administer a vote of participants and beneficiaries of the plan. Except as provided in clause (v), the suspension shall go into effect following the vote unless a majority of all participants and beneficiaries of the plan vote to reject the suspension. The plan sponsor may submit a new suspension application to the Secretary of the Treasury for approval in any case in which a suspension is prohibited from taking effect pursuant to a vote under this subparagraph.

(iii) Ballots

(V) A statement that insolvency of the plan could result in benefits lower than benefits paid under the suspension.

(VI) A statement that insolvency of the Pension Benefit Guaranty Corporation would result in benefits lower than benefits paid in the case of plan insolvency.

(iv) Communication by plan sponsor

It is the sense of Congress that, depending on the size and resources of the plan and geographic distribution of the plan's participants, the plan sponsor should take such steps as may be necessary to inform participants about proposed benefit suspensions through in-person meetings, telephone or internet-based communications, mailed information, or by other means.

(v) Systemically important plans

(I) In general

Not later than 14 days after a vote under this subparagraph rejecting a suspension, the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall determine whether the plan is a systemically important plan. If the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, determines that the plan is a systemically important plan, not later than the end of the 90-day period beginning on the date the results of the vote are certified, the Secretary of the Treasury shall, notwithstanding such adverse vote—

(aa) permit the implementation of the suspension proposed by the plan sponsor; or

(bb) permit the implementation of a modification by the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, of such suspension (so long as the plan is projected to avoid insolvency within the meaning of section 1426 of this title under such modification).

(II) Recommendations

Not later than 30 days after a determination by the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, that the plan is systemically important, the Participant and Plan Sponsor Advocate selected under section 1304 of this title may submit recommendations to the Secretary of the Treasury with respect to the suspension or any revisions to the suspension.

(III) Systemically important plan defined**(aa) In general**

For purposes of this subparagraph, a systemically important plan is a plan with respect to which the Pension Benefit Guaranty Corporation projects the present value of projected financial assistance payments exceeds \$1,000,000,000 if suspensions are not implemented.

(bb) Indexing

For calendar years beginning after 2015, there shall be substituted for the dollar amount specified in item (aa) an amount equal to the product of such dollar amount and a fraction, the numerator of which is the contribution and benefit base (determined under section 430 of title 42) for the preceding calendar year and the denominator of which is such contribution and benefit base for calendar year 2014. If the amount otherwise determined under this item is not a multiple of \$1,000,000, such amount shall be rounded to the next lowest multiple of \$1,000,000.

(vi) Final authorization to suspend

In any case in which a suspension goes into effect following a vote pursuant to clause (ii) (or following a determination under clause (v) that the plan is a systemically important plan), the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, shall issue a final authorization to suspend with respect to the suspension not later than 7 days after such vote (or, in the case of a suspension that goes into effect under clause (v), at a time sufficient to allow the implementation of the suspension prior to the end of the 90-day period described in clause (v)(I)).

(I) Judicial review**(i) Denial of application**

An action by the plan sponsor challenging the denial of an application for suspension of benefits by the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, may only be brought following such denial.

(ii) Approval of suspension of benefits**(I) Timing of action**

An action challenging a suspension of benefits under this paragraph may only be brought following a final authorization to suspend by the Secretary of the Treasury, in consultation with the Pension Benefit Guaranty Corporation and the Secretary of Labor, under subparagraph (H)(vi).

(II) Standards of review**(aa) In general**

A court shall review an action challenging a suspension of benefits under

this paragraph in accordance with section 706 of title 5.

(bb) Temporary injunction

A court reviewing an action challenging a suspension of benefits under this paragraph may not grant a temporary injunction with respect to such suspension unless the court finds a clear and convincing likelihood that the plaintiff will prevail on the merits of the case.

(iii) Restricted cause of action

A participant or beneficiary affected by a benefit suspension under this paragraph shall not have a cause of action under this subchapter.

(iv) Limitation on action to suspend benefits

No action challenging a suspension of benefits following the final authorization to suspend or the denial of an application for suspension of benefits pursuant to this paragraph may be brought after one year after the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action.

(J) Special rule for emergence from critical status

A plan certified to be in critical and declining status pursuant to projections made under subsection (b)(3) for which a suspension of benefits has been made by the plan sponsor pursuant to this paragraph shall not emerge from critical status under paragraph (4)(B), until such time as—

- (i) the plan is no longer certified to be in critical or endangered status under paragraphs (1) and (2) of subsection (b), and
- (ii) the plan is projected to avoid insolvency under section 1426 of this title.

(f) Rules for operation of plan during adoption and rehabilitation period**(1) Compliance with rehabilitation plan****(A) In general**

A plan may not be amended after the date of the adoption of a rehabilitation plan under subsection (e) so as to be inconsistent with the rehabilitation plan.

(B) Special rules for benefit increases

A plan may not be amended after the date of the adoption of a rehabilitation plan under subsection (e) so as to increase benefits, including future benefit accruals, unless the plan actuary certifies that such increase is paid for out of additional contributions not contemplated by the rehabilitation plan, and, after taking into account the benefit increase, the multiemployer plan still is reasonably expected to emerge from critical status by the end of the rehabilitation period on the schedule contemplated in the rehabilitation plan.

(2) Restriction on lump sums and similar benefits**(A) In general**

Effective on the date the notice of certification of the plan's critical status for the

initial critical year under subsection (b)(3)(D) is sent, and notwithstanding section 1054(g) of this title, the plan shall not pay—

(i) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 1054(b)(1)(G) of this title), to a participant or beneficiary whose annuity starting date (as defined in section 1055(h)(2) of this title) occurs after the date such notice is sent,

(ii) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(iii) any other payment specified by the Secretary of the Treasury by regulations.

(B) Exception

Subparagraph (A) shall not apply to a benefit which under section 1053(e) of this title may be immediately distributed without the consent of the participant or to any makeup payment in the case of a retroactive annuity starting date or any similar payment of benefits owed with respect to a prior period.

(3) Special rules for plan adoption period

During the period beginning on the date of the certification under subsection (b)(3)(A) for the initial critical year and ending on the date of the adoption of a rehabilitation plan—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

(i) a reduction in the level of contributions for any participants,

(ii) a suspension of contributions with respect to any period of service, or

(iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation, and

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of title 26 or to comply with other applicable law.

(g) Adjustments disregarded in withdrawal liability determination

(1) Benefit reduction

Any benefit reductions under subsection (e)(8) or (f) or benefit reductions or suspensions while in critical and declining status under subsection (e)(9),⁴ unless the withdrawal occurs more than ten years after the effective date of a benefit suspension by a plan in critical and declining status, shall be disregarded in determining a plan's unfunded vested benefits for purposes of determining an

employer's withdrawal liability under section 1381 of this title.

(2) Surcharges

Any surcharges under subsection (e)(7) shall be disregarded in determining the allocation of unfunded vested benefits to an employer under section 1391 of this title and in determining the highest contribution rate under section 1399(c) of this title, except for purposes of determining the unfunded vested benefits attributable to an employer under section 1391(c)(4) of this title or a comparable method approved under section 1391(c)(5) of this title.

(3) Contribution increases required by funding improvement or rehabilitation plan

(A) In general

Any increase in the contribution rate (or other increase in contribution requirements unless due to increased levels of work, employment, or periods for which compensation is provided) that is required or made in order to enable the plan to meet the requirement of the funding improvement plan or rehabilitation plan shall be disregarded in determining the allocation of unfunded vested benefits to an employer under section 1391 of this title and in determining the highest contribution rate under section 1399(c) of this title, except for purposes of determining the unfunded vested benefits attributable to an employer under section 1391(c)(4) of this title or a comparable method approved under section 1391(c)(5) of this title.

(B) Special rules

For purposes of this paragraph, any increase in the contribution rate (or other increase in contribution requirements) shall be deemed to be required or made in order to enable the plan to meet the requirement of the funding improvement plan or rehabilitation plan except for increases in contribution requirements due to increased levels of work, employment, or periods for which compensation is provided or additional contributions are used to provide an increase in benefits, including an increase in future benefit accruals, permitted by subsection (d)(1)(B) or (f)(1)(B).

(4) Emergence from endangered or critical status

In the case of increases in the contribution rate (or other increases in contribution requirements unless due to increased levels of work, employment, or periods for which compensation is provided) disregarded pursuant to paragraph (3), this subsection shall cease to apply as of the expiration date of the collective bargaining agreement in effect when the plan emerges from endangered or critical status. Notwithstanding the preceding sentence, once the plan emerges from critical or endangered status, increases in the contribution rate disregarded pursuant to paragraph (3) shall continue to be disregarded in determining the highest contribution rate under section 1399(c) of this title for plan years during which the plan was in endangered or critical status.

⁴So in original. There is no opening parenthesis corresponding to the second closing parenthesis.

(5) Simplified calculations

The Pension Benefit Guaranty Corporation shall prescribe simplified methods for the application of this subsection in determining withdrawal liability and payment amounts under section 1399(c) of this title.

(h) Expedited resolution of plan sponsor decisions

If, within 60 days of the due date for adoption of a funding improvement plan under subsection (c) or a rehabilitation plan under subsection (e), the plan sponsor of a plan in endangered status or a plan in critical status has not agreed on a funding improvement plan or rehabilitation plan, then any member of the board or group that constitutes the plan sponsor may require that the plan sponsor enter into an expedited dispute resolution procedure for the development and adoption of a funding improvement plan or rehabilitation plan.

(i) Nonbargained participation**(1) Both bargained and nonbargained employee-participants**

In the case of an employer that contributes to a multiemployer plan with respect to both employees who are covered by one or more collective bargaining agreements and employees who are not so covered, if the plan is in endangered status or in critical status, benefits of and contributions for the nonbargained employees, including surcharges on those contributions, shall be determined as if those nonbargained employees were covered under the first to expire of the employer's collective bargaining agreements in effect when the plan entered endangered or critical status.

(2) Nonbargained employees only

In the case of an employer that contributes to a multiemployer plan only with respect to employees who are not covered by a collective bargaining agreement, this section shall be applied as if the employer were the bargaining party, and its participation agreement with the plan were a collective bargaining agreement with a term ending on the first day of the plan year beginning after the employer is provided the schedule or schedules described in subsections (c) and (e).

§ 1085a. Minimum funding standards

(a) General rule

For purposes of section 1082 of this title, the term “accumulated funding deficiency” for a CSEC plan means the excess of the total charges to the funding standard account for all plan years (beginning with the first plan year to which section 1082 of this title applies) over the total credits to such account for such years or, if less, the excess of the total charges to the alternative minimum funding standard account for such plan years over the total credits to such account for such years.

(b) Funding standard account

(1) Account required

Each plan to which this section applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

(2) Charges to account

For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,

(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) in the case of a plan in existence on January 1, 1974, the unfunded past service

liability under the plan on the first day of the first plan year to which section 1082 of this title applies, over a period of 40 plan years,

(ii) in the case of a plan which comes into existence after January 1, 1974, but before the first day of the first plan year beginning after December 31, 2013, the unfunded past service liability under the plan on the first day of the first plan year to which section 1082 of this title applies, over a period of 30 plan years,

(iii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(iv) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 5 plan years, and

(v) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years,

(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 1082(c)(3) of this title) for each prior plan year in equal annual installments (until fully amortized) over a period of 5 plan years,

(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under paragraph (3)(D), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of section 1082(c)(7)(A)(i)(I) of this title (as in effect on the day before August 17, 2006).

(3) Credits to account

For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 5 plan years, and

(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years,

(C) the amount of the waived funding deficiency (within the meaning of section 1082(c)(3) of this title) for the plan year, and

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard, the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) Combining and offsetting amounts to be amortized

Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(5) Interest

(A) In general

Except as provided in subparagraph (B), the funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

(B) Exception

The interest rate used for purposes of computing the amortization charge described in subsection (b)(2)(C) or for purposes of any arrangement under subsection (d) for any plan year shall be the greater of—

(i) 150 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of such plan year), or

(ii) the rate of interest determined under subparagraph (A).

(6) Amortization schedules in effect

Amortization schedules for amounts described in paragraphs (2) and (3) that are in effect as of the last day of the last plan year beginning before January 1, 2014, by reason of section 104 of the Pension Protection Act of 2006 shall remain in effect pursuant to their terms and this section, except that such amounts shall not be amortized again under this section.

(c) Special rules

(1) Determinations to be made under funding method

For purposes of this section, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2) Valuation of assets**(A) In general**

For purposes of this section, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) Dedicated bond portfolio

The Secretary of the Treasury may by regulations provide that the value of any dedicated bond portfolio of a plan shall be determined by using the interest rate under section 1082(b)(5) of this title (as in effect on the day before August 17, 2006).

(3) Actuarial assumptions must be reasonable

For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(4) Treatment of certain changes as experience gain or loss

For purposes of this section, if—

(A) a change in benefits under the Social Security Act [42 U.S.C. 301 et seq.] or in other retirement benefits created under Federal or State law, or

(B) a change in the definition of the term "wages" under section 3121 of title 26 or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of such title,

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5) Funding method and plan year**(A) Funding methods available**

All funding methods available to CSEC plans under section 1082 of this title (as in effect on the day before August 17, 2006) shall continue to be available under this section.

(B) Changes

If the funding method for a plan is changed, the new funding method shall become the funding method used to determine costs and liabilities under the plan only if the change is approved by the Secretary of the Treasury. If the plan year for a plan is changed, the new plan year shall become the plan year for the plan only if the change is approved by the Secretary of the Treasury.

(C) Approval required for certain changes in assumptions by certain single-employer plans subject to additional funding requirement**(i) In general**

No actuarial assumption (other than the assumptions described in subsection (h)(3))

used to determine the current liability for a plan to which this subparagraph applies may be changed without the approval of the Secretary of the Treasury.

(ii) Plans to which subparagraph applies

This subparagraph shall apply to a plan only if—

(I) the plan is a CSEC plan,

(II) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 1306(a)(3)(E)(iii) of this title) of such plan and all other plans maintained by the contributing sponsors (as defined in section 1301(a)(13) of this title) and members of such sponsors' controlled groups (as defined in section 1301(a)(14) of this title) which are covered by subchapter III (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

(III) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the current liability of the plan before such change.

(6) Full funding

If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency (determined without regard to the alternative minimum funding standard account permitted under subsection (e)) in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in paragraphs (2)(B), (C), and (D) and (3)(B) of subsection (b) which are required to be amortized shall be considered fully amortized for purposes of such paragraphs.

(7) Full-funding limitation

For purposes of paragraph (6), the term "full-funding limitation" means the excess (if any) of—

(A) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(B) the lesser of—

(i) the fair market value of the plan's assets, or

(ii) the value of such assets determined under paragraph (2).

(C) MINIMUM AMOUNT.—

(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability (determined without regard to paragraph (4) of subsection (h)) of the plan (including the expected increase in such current liability due to benefits accruing during the plan year), over

(II) the value of the plan's assets determined under paragraph (2).

(ii) ASSETS.—For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

(8) Annual valuation

(A) In general

For purposes of this section, a determination of experience gains and losses and a valuation of the plan's liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

(B) Valuation date

(i) Current year

Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

(ii) Use of prior year valuation

The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan's current liability.

(iii) Adjustments

Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

(iv) Limitation

A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan's current liability.

(9) Time when certain contributions deemed made

For purposes of this section, any contributions for a plan year made by an employer during the period—

(A) beginning on the day after the last day of such plan year, and

(B) ending on the day which is 8½ months after the close of the plan year,

shall be deemed to have been made on such last day.

(10) Anticipation of benefit increases effective in the future

In determining projected benefits, the funding method of a collectively bargained CSEC plan described in section 413(a) of title 26 shall anticipate benefit increases scheduled to take effect during the term of the collective bargaining agreement applicable to the plan.

(d) Extension of amortization periods

The period of years required to amortize any unfunded liability (described in any clause of

subsection (b)(2)(B)) of any plan may be extended by the Secretary of the Treasury for a period of time (not in excess of 10 years) if such Secretary determines that such extension would carry out the purposes of this chapter and provide adequate protection for participants under the plan and their beneficiaries, and if such Secretary determines that the failure to permit such extension would result in—

(1) a substantial risk to the voluntary continuation of the plan, or

(2) a substantial curtailment of pension benefit levels or employee compensation.

(e) Alternative minimum funding standard

(1) In general

A CSEC plan which uses a funding method that requires contributions in all years not less than those required under the entry age normal funding method may maintain an alternative minimum funding standard account for any plan year. Such account shall be credited and charged solely as provided in this subsection.

(2) Charges and credits to account

For a plan year the alternative minimum funding standard account shall be—

(A) charged with the sum of—

(i) the lesser of normal cost under the funding method used under the plan or normal cost determined under the unit credit method,

(ii) the excess, if any, of the present value of accrued benefits under the plan over the fair market value of the assets, and

(iii) an amount equal to the excess (if any) of credits to the alternative minimum standard account for all prior plan years over charges to such account for all such years, and

(B) credited with the amount considered contributed by the employer to or under the plan for the plan year.

(3) Interest

The alternative minimum funding standard account (and items therein) shall be charged or credited with interest in the manner provided under subsection (b)(5) with respect to the funding standard account.

(f) Quarterly contributions required

(1) In general

If a CSEC plan which has a funded current liability percentage for the preceding plan year of less than 100 percent fails to pay the full amount of a required installment for the plan year, then the rate of interest charged to the funding standard account under subsection (b)(5) with respect to the amount of the underpayment for the period of the underpayment shall be equal to the greater of—

(A) 175 percent of the Federal mid-term rate (as in effect under section 1274 of title 26 for the 1st month of such plan year), or

(B) the rate of interest used under the plan in determining costs.

(2) Amount of underpayment, period of underpayment

For purposes of paragraph (1)—

(A) Amount

The amount of the underpayment shall be the excess of—

- (i) the required installment, over
- (ii) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

(B) Period of underpayment

The period for which interest is charged under this subsection with regard to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan (determined without regard to subsection (c)(9)).

(C) Order of crediting contributions

For purposes of subparagraph (A)(ii), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

(3) Number of required installments; due dates

For purposes of this subsection—

(A) Payable in 4 installments

There shall be 4 required installments for each plan year.

(B) Time for payment of installments

In the case of the following required installments:	The due date is:

(B) Required annual payment

For purposes of subparagraph (A), the term “required annual payment” means the lesser of—

- (ii) 100 percent of the amount so required for the preceding plan year.

Clause (ii) shall not apply if the preceding plan year was not a year of 12 months.

(5) Liquidity requirement**(A) In general**

A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

(B) Plans to which paragraph applies

This paragraph shall apply to a CSEC plan other than a plan described in section 1082(d)(6)(A) of this title (as in effect on the day before August 17, 2006) which—

- (i) is required to pay installments under this subsection for a plan year, and
- (ii) has a liquidity shortfall for any quarter during such plan year.

(C) Period of underpayment

For purposes of paragraph (1), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

(D) Limitation on increase

If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funded current liability percentage (taking into account the expected increase in current liability due to benefits accruing during the plan year) to 100 percent.

(E) Definitions

For purposes of this paragraph—

(i) Liquidity shortfall

The term “liquidity shortfall” means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of the base amount with respect to such quarter over the value (as of such last day) of the plan’s liquid assets.

(ii) Base amount**(I) In general**

The term “base amount” means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.

(II) Special rule

If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary of the Treasury that such excess is the result of non-recurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

(iii) Disbursements from the plan

The term “disbursements from the plan” means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

(iv) Adjusted disbursements

The term “adjusted disbursements” means disbursements from the plan reduced by the product of—

In applying this subsection to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this subsection, the months which correspond thereto.

(B) Short plan year

This subsection shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary of the Treasury.

(g) Imposition of lien where failure to make required contributions**(1) In general**

In the case of a plan to which this section applies, if—

(A) any person fails to make a required installment under subsection (f) or any other payment required under this section before the due date for such installment or other payment, and

(B) the unpaid balance of such installment or other payment (including interest), when added to the aggregate unpaid balance of all preceding such installments or other payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

(2) Plans to which subsection applies

This subsection shall apply to a CSEC plan for any plan year for which the funded current liability percentage of such plan is less than

100 percent. This subsection shall not apply to any plan to which section 1321 of this title does not apply (as such section is in effect on December 8, 1994).

(3) Amount of lien

For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of required installments and other payments required under this section (including interest)—

(A) for plan years beginning after 1987, and

(B) for which payment has not been made before the due date.

(4) Notice of failure; lien**(A) Notice of failure**

A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required installment or other payment.

(B) Period of lien

The lien imposed by paragraph (1) shall arise on the due date for the required installment or other payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

(C) Certain rules to apply

Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 1368 of this title shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

(5) Enforcement

Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by any contributing employer (or any member of the controlled group of the contributing employer).

(6) Definitions

For purposes of this subsection—

(A) Due date; required installment

The terms “due date” and “required installment” have the meanings given such terms by subsection (f), except that in the case of a payment other than a required installment, the due date shall be the date such payment is required to be made under this section.

(B) Controlled group

The term “controlled group” means any group treated as a single employer under subsections (b), (c), (m), and (o) of section 414 of title 26.

- (i) age, service, compensation, death, or disability, or
- (ii) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury).

(3) Interest rate and mortality assumptions used

(A) Interest rate

The rate of interest used to determine current liability under this section shall be the third segment rate determined under section 1083(h)(2)(C) of this title.

(B) Mortality tables

(i) Secretarial authority

The Secretary of the Treasury may by regulation prescribe mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary of the Treasury shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(ii) Periodic review

The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subsection and shall, to the extent the Secretary of the Treasury determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

(C) Separate mortality tables for the disabled

Notwithstanding subparagraph (B)—

(i) In general

In the case of plan years beginning after December 31, 1995, the Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under subparagraph (B)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary of the Treasury shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(ii) Special rule for disabilities occurring after 1994

In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under clause (i) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act [42 U.S.C. 401 et seq.] and the regulations thereunder.

(4) Certain service disregarded

(A) In general

In the case of a participant to whom this paragraph applies, only the applicable percentage of the years of service before such individual became a participant shall be taken into account in computing the current liability of the plan.

(B) Applicable percentage

For purposes of this subparagraph, the applicable percentage shall be determined as follows:

If the years of participation are:	The applicable percentage is:

This subparagraph shall apply to any participant who, at the time of becoming a participant—

- (i) has not accrued any other benefit under any defined benefit plan (whether or not terminated) maintained by the employer or a member of the same controlled group of which the employer is a member,
- (ii) who first becomes a participant under the plan in a plan year beginning after December 31, 1987, and
- (iii) has years of service greater than the minimum years of service necessary for eligibility to participate in the plan.

(D) Election

An employer may elect not to have this subparagraph apply. Such an election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(i) Funded current liability percentage

For purposes of this section, the term “funded current liability percentage” means, with respect to any plan year, the percentage which—

term “accumulated funding deficiency” means, for such plan year, the greater of—

- (i) the amount described in subsection (a), or
- (ii) the excess of the normal cost of the plan for the plan year over the amount actually contributed to or under the plan for the plan year.

(B) Normal cost

In the case of a CSEC plan that uses a spread gain funding method, for purposes of this subsection, the term “normal cost” means normal cost as determined under the entry age normal funding method.

(2) Plan amendments

In the case of a CSEC plan that is in funding restoration status for a plan year, no amendment to such plan may take effect during such plan year if such amendment has the effect of increasing liabilities of the plan by means of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits become nonforfeitable. This paragraph shall not apply to any plan amendment that is required to comply with any applicable law. This paragraph shall cease to apply with respect to any plan year, effective as of the first day of the plan year (or if later, the effective date of the amendment) upon payment by the plan sponsor of a contribution to the plan (in addition to any contribution required under this section without regard to this paragraph) in an amount equal to the increase in the funding liability of the plan attributable to the plan amendment.

(3) Funding restoration plan

The sponsor of a CSEC plan shall establish a written funding restoration plan within 180 days of the receipt by the plan sponsor of a certification from the plan actuary that the plan is in funding restoration status for a plan year. Such funding restoration plan shall consist of actions that are calculated, based on reasonably anticipated experience and reasonable actuarial assumptions, to increase the plan’s funded percentage to 100 percent over a period that is not longer than the greater of 7 years or the shortest amount of time practicable. Such funding restoration plan shall take into account contributions required under this section (without regard to this paragraph). If a plan remains in funding restoration status for 2 or more years, such funding restoration plan shall be updated each year after the 1st such year within 180 days of receipt by the plan sponsor of a certification from the plan actuary that the plan remains in funding restoration status for the plan year.

(4) Annual certification by plan actuary

Not later than the 90th day of each plan year of a CSEC plan, the plan actuary shall certify to the plan sponsor whether or not the plan is in funding restoration status for the plan year, based on the plan’s funded percentage as of the beginning of the plan year. For this purpose, the actuary may conclusively rely on an estimate of—

(A) the plan’s funding liability, based on the funding liability of the plan for the preceding plan year and on reasonable actuarial estimates, assumptions, and methods, and

(B) the amount of any contributions reasonably anticipated to be made for the preceding plan year.

Contributions described in subparagraph (B) shall be taken into account in determining the plan’s funded percentage as of the beginning of the plan year.

(5) Definitions

For purposes of this subsection—

(A) Funding restoration status

A CSEC plan shall be treated as in funding restoration status for a plan year if the plan’s funded percentage as of the beginning of such plan year is less than 80 percent.

(B) Funded percentage

The term “funded percentage” means the ratio (expressed as a percentage) which—

- (i) the value of plan assets (as determined under subsection (c)(2)), bears to
- (ii) the plan’s funding liability.

(C) Funding liability

The term “funding liability” for a plan year means the present value of all benefits accrued or earned under the plan as of the beginning of the plan year, based on the assumptions used by the plan pursuant to this section, including the interest rate described in subsection (b)(5)(A) (without regard to subsection (b)(5)(B)).

(D) Spread gain funding method

The term “spread gain funding method” has the meaning given such term under rules and forms issued by the Secretary of the Treasury.

PART 4—FIDUCIARY RESPONSIBILITY

§ 1101. Coverage

(a) Scope of coverage

This part shall apply to any employee benefit plan described in section 1003(a) of this title (and not exempted under section 1003(b) of this title), other than—

- (1) a plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees; or
- (2) any agreement described in section 736 of title 26, which provides payments to a retired partner or deceased partner or a deceased partner's successor in interest.

(b) Securities or policies deemed to be included in plan assets

For purposes of this part:

(1) In the case of a plan which invests in any security issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], the assets of such plan shall be deemed to include such security but shall not, solely by reason of such investment, be deemed to include any assets of such investment company.

(2) In the case of a plan to which a guaranteed benefit policy is issued by an insurer, the assets of such plan shall be deemed to include such policy, but shall not, solely by reason of the issuance of such policy, be deemed to in-

clude any assets of such insurer. For purposes of this paragraph:

(A) The term “insurer” means an insurance company, insurance service, or insurance organization, qualified to do business in a State.

(B) The term “guaranteed benefit policy” means an insurance policy or contract to the extent that such policy or contract provides for benefits the amount of which is guaranteed by the insurer. Such term includes any surplus in a separate account, but excludes any other portion of a separate account.

(c) Clarification of application of ERISA to insurance company general accounts

(1)(A) Not later than June 30, 1997, the Secretary shall issue proposed regulations to provide guidance for the purpose of determining, in cases where an insurer issues 1 or more policies to or for the benefit of an employee benefit plan (and such policies are supported by assets of such insurer's general account), which assets held by the insurer (other than plan assets held in its separate accounts) constitute assets of the plan for purposes of this part and section 4975 of title 26 and to provide guidance with respect to the application of this subchapter to the general account assets of insurers.

(B) The proposed regulations under subparagraph (A) shall be subject to public notice and comment until September 30, 1997.

(C) The Secretary shall issue final regulations providing the guidance described in subparagraph (A) not later than December 31, 1997.

(D) Such regulations shall only apply with respect to policies which are issued by an insurer on or before December 31, 1998, to or for the benefit of an employee benefit plan which is supported by assets of such insurer's general account. With respect to policies issued on or before December 31, 1998, such regulations shall take effect at the end of the 18-month period following the date on which such regulations become final.

(2) The Secretary shall ensure that the regulations issued under paragraph (1)—

- (A) are administratively feasible, and
- (B) protect the interests and rights of the plan and of its participants and beneficiaries (including meeting the requirements of paragraph (3)).

(3) The regulations prescribed by the Secretary pursuant to paragraph (1) shall require, in connection with any policy issued by an insurer to or for the benefit of an employee benefit plan to the extent that the policy is not a guaranteed benefit policy (as defined in subsection (b)(2)(B))—

(A) that a plan fiduciary totally independent of the insurer authorize the purchase of such policy (unless such purchase is a transaction exempt under section 1108(b)(5) of this title),

(B) that the insurer describe (in such form and manner as shall be prescribed in such regulations), in annual reports and in policies issued to the policyholder after the date on which such regulations are issued in final form pursuant to paragraph (1)(C)—

- (i) a description of the method by which any income and expenses of the insurer's

general account are allocated to the policy during the term of the policy and upon the termination of the policy, and

(ii) for each report, the actual return to the plan under the policy and such other financial information as the Secretary may deem appropriate for the period covered by each such annual report,

(C) that the insurer disclose to the plan fiduciary the extent to which alternative arrangements supported by assets of separate accounts of the insurer (which generally hold plan assets) are available, whether there is a right under the policy to transfer funds to a separate account and the terms governing any such right, and the extent to which support by assets of the insurer's general account and support by assets of separate accounts of the insurer might pose differing risks to the plan, and

(D) that the insurer manage those assets of the insurer which are assets of such insurer's general account (irrespective of whether any such assets are plan assets) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, taking into account all obligations supported by such enterprise.

(4) Compliance by the insurer with all requirements of the regulations issued by the Secretary pursuant to paragraph (1) shall be deemed compliance by such insurer with sections 1104, 1106, and 1107 of this title with respect to those assets of the insurer's general account which support a policy described in paragraph (3).

(5)(A) Subject to subparagraph (B), any regulations issued under paragraph (1) shall not take effect before the date on which such regulations become final.

(B) No person shall be subject to liability under this part or section 4975 of title 26 for conduct which occurred before the date which is 18 months following the date described in subparagraph (A) on the basis of a claim that the assets of an insurer (other than plan assets held in a separate account) constitute assets of the plan, except—

(i) as otherwise provided by the Secretary in regulations intended to prevent avoidance of the regulations issued under paragraph (1), or

(ii) as provided in an action brought by the Secretary pursuant to paragraph (2) or (5) of section 1132(a) of this title for a breach of fiduciary responsibilities which would also constitute a violation of Federal or State criminal law.

The Secretary shall bring a cause of action described in clause (ii) if a participant, beneficiary, or fiduciary demonstrates to the satisfaction of the Secretary that a breach described in clause (ii) has occurred.

(6) Nothing in this subsection shall preclude the application of any Federal criminal law.

(7) For purposes of this subsection, the term "policy" includes a contract.

(1) Subject to sections 1103(c) and (d), 1342, and 1344 of this title, a fiduciary shall discharge his duties with respect to a plan solely in the interest of the participants and beneficiaries and—

(A) for the exclusive purpose of:

(i) providing benefits to participants and their beneficiaries; and

(ii) defraying reasonable expenses of administering the plan;

(B) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims;

(D) in accordance with the documents and instruments governing the plan insofar as

such documents and instruments are consistent with the provisions of this subchapter and subchapter III.

(2) In the case of an eligible individual account plan (as defined in section 1107(d)(3) of this title), the diversification requirement of paragraph (1)(C) and the prudence requirement (only to the extent that it requires diversification) of paragraph (1)(B) is not violated by acquisition or holding of qualifying employer real property or qualifying employer securities (as defined in section 1107(d)(4) and (5) of this title).

(b) Indicia of ownership of assets outside jurisdiction of district courts

Except as authorized by the Secretary by regulations, no fiduciary may maintain the indicia of ownership of any assets of a plan outside the jurisdiction of the district courts of the United States.

(c) Control over assets by participant or beneficiary

(1)(A) In the case of a pension plan which provides for individual accounts and permits a participant or beneficiary to exercise control over the assets in his account, if a participant or beneficiary exercises control over the assets in his account (as determined under regulations of the Secretary)—

(i) such participant or beneficiary shall not be deemed to be a fiduciary by reason of such exercise, and

(ii) no person who is otherwise a fiduciary shall be liable under this part for any loss, or by reason of any breach, which results from such participant's or beneficiary's exercise of control, except that this clause shall not apply in connection with such participant or beneficiary for any blackout period during which the ability of such participant or beneficiary to direct the investment of the assets in his or her account is suspended by a plan sponsor or fiduciary.

(B) If a person referred to in subparagraph (A)(ii) meets the requirements of this subchapter in connection with authorizing and implementing the blackout period, any person who is otherwise a fiduciary shall not be liable under this subchapter for any loss occurring during such period.

(C) For purposes of this paragraph, the term "blackout period" has the meaning given such term by section 1021(i)(7) of this title.

(2) In the case of a simple retirement account established pursuant to a qualified salary reduction arrangement under section 408(p) of title 26, a participant or beneficiary shall, for purposes of paragraph (1), be treated as exercising control over the assets in the account upon the earliest of—

No reports, other than those required under section 1021(g) of this title, shall be required with

(3) In the case of a pension plan which makes a transfer to an individual retirement account or annuity of a designated trustee or issuer under section 401(a)(31)(B) of title 26, the participant or beneficiary shall, for purposes of paragraph (1), be treated as exercising control over the assets in the account or annuity upon—

(A) the earlier of—

- (i) a rollover of all or a portion of the amount to another individual retirement account or annuity; or
- (ii) one year after the transfer is made; or

(B) a transfer that is made in a manner consistent with guidance provided by the Secretary.

(4)(A) In any case in which a qualified change in investment options occurs in connection with an individual account plan, a participant or beneficiary shall not be treated for purposes of paragraph (1) as not exercising control over the assets in his account in connection with such change if the requirements of subparagraph (C) are met in connection with such change.

(B) For purposes of subparagraph (A), the term “qualified change in investment options” means, in connection with an individual account plan, a change in the investment options offered to the participant or beneficiary under the terms of the plan, under which—

(ii) the stated characteristics of the remaining or new investment options provided under clause (i), including characteristics relating to risk and rate of return, are, as of immediately after the change, reasonably similar to those of the existing investment options as of immediately before the change.

(C) The requirements of this subparagraph are met in connection with a qualified change in investment options if—

(i) at least 30 days and no more than 60 days prior to the effective date of the change, the plan administrator furnishes written notice of the change to the participants and beneficiaries, including information comparing the existing and new investment options and an explanation that, in the absence of affirmative investment instructions from the participant or beneficiary to the contrary, the account of the participant or beneficiary will be invested in the manner described in subparagraph (B),

(ii) the participant or beneficiary has not provided to the plan administrator, in advance of the effective date of the change, affirmative investment instructions contrary to the change, and

(iii) the investments under the plan of the participant or beneficiary as in effect immediately prior to the effective date of the change were the product of the exercise by such participant or beneficiary of control over the assets of the account within the meaning of paragraph (1).

(5) DEFAULT INVESTMENT ARRANGEMENTS.—

(A) IN GENERAL.—For purposes of paragraph (1), a participant or beneficiary in an individual account plan meeting the notice requirements of subparagraph (B) shall be treated as exercising control over the assets in the account with respect to the amount of contributions and earnings which, in the absence of an investment election by the participant or beneficiary, are invested by the plan in accordance with regulations prescribed by the Secretary. The regulations under this subparagraph shall provide guidance on the appropriateness of designating default investments that include a mix of asset classes consistent with capital preservation or long-term capital appreciation, or a blend of both.

(B) NOTICE REQUIREMENTS.—

(i) IN GENERAL.—The requirements of this subparagraph are met if each participant or beneficiary—

(I) receives, within a reasonable period of time before each plan year, a notice explaining the employee’s right under the plan to designate how contributions and earnings will be invested and explaining how, in the absence of any investment election by the participant or beneficiary, such contributions and earnings will be invested, and

(II) has a reasonable period of time after receipt of such notice and before the beginning of the plan year to make such designation.

(ii) FORM OF NOTICE.—The requirements of clauses (i) and (ii) of section 401(k)(12)(D) of title 26 shall apply with respect to the notices described in this subparagraph.

(ii) under section 4980(d)(2)(B) of title 26 with respect to the receipt of assets from the terminated plan, and

(iii) under section 4980(d)(2)(C) of title 26 with respect to the allocation of assets to participants of the qualified replacement plan.

(2) For purposes of this subsection—

(A) any term used in this subsection which is also used in section 4980(d) of title 26 shall have the same meaning as when used in such section, and

§ 1105. Liability for breach of co-fiduciary

(a) Circumstances giving rise to liability

In addition to any liability which he may have under any other provisions of this part, a fiduciary with respect to a plan shall be liable for a breach of fiduciary responsibility of another fiduciary with respect to the same plan in the following circumstances:

(1) if he participates knowingly in, or knowingly undertakes to conceal, an act or omission of such other fiduciary, knowing such act or omission is a breach;

(2) if, by his failure to comply with section 1104(a)(1) of this title in the administration of his specific responsibilities which give rise to his status as a fiduciary, he has enabled such other fiduciary to commit a breach; or

(3) if he has knowledge of a breach by such other fiduciary, unless he makes reasonable efforts under the circumstances to remedy the breach.

(b) Assets held by two or more trustees

(1) Except as otherwise provided in subsection (d) and in section 1103(a)(1) and (2) of this title, if the assets of a plan are held by two or more trustees—

(A) each shall use reasonable care to prevent a co-trustee from committing a breach; and

(B) they shall jointly manage and control the assets of the plan, except that nothing in this subparagraph (B) shall preclude any agreement, authorized by the trust instrument, allocating specific responsibilities, obligations, or duties among trustees, in which event a trustee to whom certain responsibilities, obligations, or duties have not been allocated shall not be liable by reason of this subparagraph (B) either individually or as a trustee for any loss resulting to the plan arising from the acts or omissions on the part of another trustee to whom such responsibilities, obligations, or duties have been allocated.

(2) Nothing in this subsection shall limit any liability that a fiduciary may have under subsection (a) or any other provision of this part.

(3)(A) In the case of a plan the assets of which are held in more than one trust, a trustee shall not be liable under paragraph (1) except with respect to an act or omission of a trustee of a trust of which he is a trustee.

(B) No trustee shall be liable under this subsection for following instructions referred to in section 1103(a)(1) of this title.

(c) Allocation of fiduciary responsibility; designated persons to carry out fiduciary responsibilities

(1) The instrument under which a plan is maintained may expressly provide for procedures (A) for allocating fiduciary responsibilities (other than trustee responsibilities) among named fiduciaries, and (B) for named fiduciaries to designate persons other than named fiduciaries to carry out fiduciary responsibilities (other than trustee responsibilities) under the plan.

(2) If a plan expressly provides for a procedure described in paragraph (1), and pursuant to such procedure any fiduciary responsibility of a named fiduciary is allocated to any person, or a person is designated to carry out any such responsibility, then such named fiduciary shall not be liable for an act or omission of such person in carrying out such responsibility except to the extent that—

(A) the named fiduciary violated section 1104(a)(1) of this title—

(i) with respect to such allocation or designation,

(ii) with respect to the establishment or implementation of the procedure under paragraph (1), or

(iii) in continuing the allocation or designation; or

(B) the named fiduciary would otherwise be liable in accordance with subsection (a).

(3) For purposes of this subsection, the term “trustee responsibility” means any responsibility provided in the plan’s trust instrument (if any) to manage or control the assets of the plan, other than a power under the trust instrument of a named fiduciary to appoint an investment manager in accordance with section 1102(c)(3) of this title.

(d) Investment managers

(1) If an investment manager or managers have been appointed under section 1102(c)(3) of this title, then, notwithstanding subsections (a)(2) and (3) and subsection (b), no trustee shall be liable for the acts or omissions of such investment manager or managers, or be under an obligation to invest or otherwise manage any asset of the plan which is subject to the management of such investment manager.

(2) Nothing in this subsection shall relieve any trustee of any liability under this part for any act of such trustee.

(Pub. L. 93-406, title I, § 405, Sept. 2, 1974, 88 Stat. 878.)

§ 1106. Prohibited transactions

(a) Transactions between plan and party in interest

Except as provided in section 1108 of this title:

(A) sale or exchange, or leasing, of any property between the plan and a party in interest;

(B) lending of money or other extension of credit between the plan and a party in interest;

(C) furnishing of goods, services, or facilities between the plan and a party in interest;

(D) transfer to, or use by or for the benefit of a party in interest, of any assets of the plan; or

(E) acquisition, on behalf of the plan, of any employer security or employer real property in violation of section 1107(a) of this title.

(2) No fiduciary who has authority or discretion to control or manage the assets of a plan shall permit the plan to hold any employer security or employer real property if he knows or should know that holding such security or real property violates section 1107(a) of this title.

(b) Transactions between plan and fiduciary

A fiduciary with respect to a plan shall not—

(1) deal with the assets of the plan in his own interest or for his own account,

(2) in his individual or in any other capacity act in any transaction involving the plan on behalf of a party (or represent a party) whose interests are adverse to the interests of the plan or the interests of its participants or beneficiaries, or

(3) receive any consideration for his own personal account from any party dealing with such plan in connection with a transaction involving the assets of the plan.

(c) Transfer of real or personal property to plan by party in interest

A transfer of real or personal property by a party in interest to a plan shall be treated as a sale or exchange if the property is subject to a mortgage or similar lien which the plan assumes or if it is subject to a mortgage or similar lien which a party-in-interest placed on the property within the 10-year period ending on the date of the transfer.

(Pub. L. 93-406, title I, § 406, Sept. 2, 1974, 88 Stat. 879.)

§ 1107. Limitation with respect to acquisition and holding of employer securities and employer real property by certain plans

(a) Percentage limitation

Except as otherwise provided in this section and section 1114 of this title:

(1) A plan may not acquire or hold—

(A) any employer security which is not a qualifying employer security, or

(B) any employer real property which is not qualifying employer real property.

(2) A plan may not acquire any qualifying employer security or qualifying employer real property, if immediately after such acquisi-

tion the aggregate fair market value of employer securities and employer real property held by the plan exceeds 10 percent of the fair market value of the assets of the plan.

(3)(A) After December 31, 1984, a plan may not hold any qualifying employer securities or qualifying employer real property (or both) to the extent that the aggregate fair market value of such securities and property determined on December 31, 1984, exceeds 10 percent of the greater of—

(i) the fair market value of the assets of the plan, determined on December 31, 1984, or

(ii) the fair market value of the assets of the plan determined on January 1, 1975.

(B) Subparagraph (A) of this paragraph shall not apply to any plan which on any date after December 31, 1974; and before January 1, 1985, did not hold employer securities or employer real property (or both) the aggregate fair market value of which determined on such date exceeded 10 percent of the greater of

(i) the fair market value of the assets of the plan, determined on such date, or

(ii) the fair market value of the assets of the plan determined on January 1, 1975.

(4)(A) After December 31, 1979, a plan may not hold any employer securities or employer real property in excess of the amount specified in regulations under subparagraph (B). This subparagraph shall not apply to a plan after the earliest date after December 31, 1974, on which it complies with such regulations.

(B) Not later than December 31, 1976, the Secretary shall prescribe regulations which shall have the effect of requiring that a plan divest itself of 50 percent of the holdings of employer securities and employer real property which the plan would be required to divest before January 1, 1985, under paragraph (2) or subsection (c) (whichever is applicable).

(b) Exception

(1) Subsection (a) of this section shall not apply to any acquisition or holding of qualifying employer securities or qualifying employer real property by an eligible individual account plan.

(2)(A) If this paragraph applies to an eligible individual account plan, the portion of such plan which consists of applicable elective deferrals (and earnings allocable thereto) shall be treated as a separate plan—

(i) which is not an eligible individual account plan, and

(ii) to which the requirements of this section apply.

(B)(i) This paragraph shall apply to any eligible individual account plan if any portion of the plan's applicable elective deferrals (or earnings allocable thereto) are required to be invested in qualifying employer securities or qualifying employer real property or both—

(I) pursuant to the terms of the plan, or

(II) at the direction of a person other than the participant on whose behalf such elective deferrals are made to the plan (or a beneficiary).

(ii) This paragraph shall not apply to an individual account plan for a plan year if, on the

last day of the preceding plan year, the fair market value of the assets of all individual account plans maintained by the employer equals not more than 10 percent of the fair market value of the assets of all pension plans (other than multi-employer plans) maintained by the employer.

(iii) This paragraph shall not apply to an individual account plan that is an employee stock ownership plan as defined in section 4975(e)(7) of title 26.

(iv) This paragraph shall not apply to an individual account plan if, pursuant to the terms of the plan, the portion of any employee's applicable elective deferrals which is required to be invested in qualifying employer securities and qualifying employer real property for any year may not exceed 1 percent of the employee's compensation which is taken into account under the plan in determining the maximum amount of the employee's applicable elective deferrals for such year.

(C) For purposes of this paragraph, the term "applicable elective deferral" means any elective deferral (as defined in section 402(g)(3)(A) of title 26) which is made pursuant to a qualified cash or deferred arrangement as defined in section 401(k) of title 26.

(c) Election

(1) A plan which makes the election, under paragraph (3) shall be treated as satisfying the requirement of subsection (a)(3) if and only if employer securities held on any date after December 31, 1974 and before January 1, 1985 have a fair market value, determined as of December 31, 1974, not in excess of 10 percent of the lesser of—

(A) the fair market value of the assets of the plan determined on such date (disregarding any portion of the fair market value of employer securities which is attributable to appreciation of such securities after December 31, 1974) but not less than the fair market value of plan assets on January 1, 1975, or

(B) an amount equal to the sum of (i) the total amount of the contributions to the plan received after December 31, 1974, and prior to such date, plus (ii) the fair market value of the assets of the plan, determined on January 1, 1975.

(2) For purposes of this subsection, in the case of an employer security held by a plan after January 1, 1975, the ownership of which is derived from ownership of employer securities held by the plan on January 1, 1975, or from the exercise of rights derived from such ownership, the

value of such security held after January 1, 1975, shall be based on the value as of January 1, 1975, of the security from which ownership was derived. The Secretary shall prescribe regulations to carry out this paragraph.

(3) An election under this paragraph may not be made after December 31, 1975. Such an election shall be made in accordance with regulations prescribed by the Secretary, and shall be irrevocable. A plan may make an election under this paragraph only if on January 1, 1975, the plan holds no employer real property. After such election and before January 1, 1985 the plan may not acquire any employer real property.

(d) Definitions

For purposes of this section—

(1) The term "employer security" means a security issued by an employer of employees covered by the plan, or by an affiliate of such employer. A contract to which section 1108(b)(5) of this title applies shall not be treated as a security for purposes of this section.

(2) The term "employer real property" means real property (and related personal property) which is leased to an employer of employees covered by the plan, or to an affiliate of such employer. For purposes of determining the time at which a plan acquires employer real property for purposes of this section, such property shall be deemed to be acquired by the plan on the date on which the plan acquires the property or on the date on which the lease to the employer (or affiliate) is entered into, whichever is later.

(3)(A) The term "eligible individual account plan" means an individual account plan which is (i) a profit-sharing, stock bonus, thrift, or savings plan; (ii) an employee stock ownership plan; or (iii) a money purchase plan which was in existence on September 2, 1974, and which on such date invested primarily in qualifying employer securities. Such term excludes an individual retirement account or annuity described in section 408 of title 26.

(B) Notwithstanding subparagraph (A), a plan shall be treated as an eligible individual account plan with respect to the acquisition or holding of qualifying employer real property or qualifying employer securities only if such plan explicitly provides for acquisition and holding of qualifying employer securities or qualifying employer real property (as the case may be). In the case of a plan in existence on September 2, 1974, this subparagraph shall not take effect until January 1, 1976.

(C) The term "eligible individual account plan" does not include any individual account plan the benefits of which are taken into account in determining the benefits payable to a participant under any defined benefit plan.

(4) The term "qualifying employer real property" means parcels of employer real property—

(A) if a substantial number of the parcels are dispersed geographically;

(B) if each parcel of real property and the improvements thereon are suitable (or adaptable without excessive cost) for more than one use;

(C) even if all of such real property is leased to one lessee (which may be an employer, or an affiliate of an employer); and

(D) if the acquisition and retention of such property comply with the provisions of this part (other than section 1104(a)(1)(B) of this title to the extent it requires diversification, and sections 1104(a)(1)(C), 1106 of this title, and subsection (a) of this section).

(5) The term “qualifying employer security” means an employer security which is—

(A) stock,

(B) a marketable obligation (as defined in subsection (e)), or

(C) an interest in a publicly traded partnership (as defined in section 7704(b) of title 26), but only if such partnership is an existing partnership as defined in section 10211(c)(2)(A) of the Revenue Act of 1987 (Public Law 100-203).

After December 17, 1987, in the case of a plan other than an eligible individual account plan, an employer security described in subparagraph (A) or (C) shall be considered a qualifying employer security only if such employer security satisfies the requirements of subsection (f)(1).

(6) The term “employee stock ownership plan” means an individual account plan—

(A) which is a stock bonus plan which is qualified, or a stock bonus plan and money purchase plan both of which are qualified, under section 401 of title 26, and which is designed to invest primarily in qualifying employer securities, and

(B) which meets such other requirements as the Secretary of the Treasury may prescribe by regulation.

(7) A corporation is an affiliate of an employer if it is a member of any controlled group of corporations (as defined in section 1563(a) of title 26, except that “applicable percentage” shall be substituted for “80 percent” wherever the latter percentage appears in such section) of which the employer who maintains the plan is a member. For purposes of the preceding sentence, the term “applicable percentage” means 50 percent, or such lower percentage as the Secretary may prescribe by regulation. A person other than a corporation shall be treated as an affiliate of an employer to the extent provided in regulations of the Secretary. An employer which is a person other than a corporation shall be treated as affiliated with another person to the extent provided by regulations of the Secretary. Regulations under this paragraph shall be prescribed only after consultation and coordination with the Secretary of the Treasury.

(8) The Secretary may prescribe regulations specifying the extent to which conversions, splits, the exercise of rights, and similar transactions are not treated as acquisitions.

(9) For purposes of this section, an arrangement which consists of a defined benefit plan and an individual account plan shall be treated as 1 plan if the benefits of such individual account plan are taken into account in determining the benefits payable under such defined benefit plan.

(e) Marketable obligations

For purposes of subsection (d)(5), the term “marketable obligation” means a bond, debenture, note, or certificate, or other evidence of indebtedness (hereinafter in this subsection referred to as “obligation”) if—

(1) such obligation is acquired—

(A) on the market, either (i) at the price of the obligation prevailing on a national securities exchange which is registered with the Securities and Exchange Commission, or (ii) if the obligation is not traded on such a national securities exchange, at a price not less favorable to the plan than the offering price for the obligation as established by current bid and asked prices quoted by persons independent of the issuer;

(B) from an underwriter, at a price (i) not in excess of the public offering price for the obligation as set forth in a prospectus or offering circular filed with the Securities and Exchange Commission, and (ii) at which a substantial portion of the same issue is acquired by persons independent of the issuer; or

(C) directly from the issuer, at a price not less favorable to the plan than the price paid currently for a substantial portion of the same issue by persons independent of the issuer;

(2) immediately following acquisition of such obligation—

(A) not more than 25 percent of the aggregate amount of obligations issued in such issue and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer; and

(3) immediately following acquisition of the obligation, not more than 25 percent of the assets of the plan is invested in obligations of the employer or an affiliate of the employer.

(f) Maximum percentage of stock held by plan; time of holding or acquisition; necessity of legally binding contract

(1) Stock satisfies the requirements of this paragraph if, immediately following the acquisition of such stock—

(A) no more than 25 percent of the aggregate amount of stock of the same class issued and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer.

(2) Until January 1, 1993, a plan shall not be treated as violating subsection (a) solely by holding stock which fails to satisfy the requirements of paragraph (1) if such stock—

(A) has been so held since December 17, 1987, or

(B) was acquired after December 17, 1987, pursuant to a legally binding contract in effect on December 17, 1987, and has been so held at all times after the acquisition.

REGULATIONS

Secretary authorized, effective Sept. 2, 1974, to promulgate regulations wherever provisions of this part call for the promulgation of regulations, see sections 1031 and 1114 of this title.

§ 1108. Exemptions from prohibited transactions**(a) Grant of exemptions**

The Secretary shall establish an exemption procedure for purposes of this subsection. Pursuant to such procedure, he may grant a conditional or unconditional exemption of any fiduciary or transaction, or class of fiduciaries or transactions, from all or part of the restrictions imposed by sections 1106 and 1107(a) of this title. Action under this subsection may be taken only after consultation and coordination with the Secretary of the Treasury. An exemption granted under this section shall not relieve a fiduciary from any other applicable provision of this chapter. The Secretary may not grant an exemption under this subsection unless he finds that such exemption is—

(1) administratively feasible,

(2) in the interests of the plan and of its participants and beneficiaries, and

(3) protective of the rights of participants and beneficiaries of such plan.

Before granting an exemption under this subsection from section 1106(a) or 1107(a) of this title, the Secretary shall publish notice in the Federal Register of the pendency of the exemption, shall require that adequate notice be given to interested persons, and shall afford interested persons opportunity to present views. The Secretary may not grant an exemption under this subsection from section 1106(b) of this title unless he affords an opportunity for a hearing and makes a determination on the record with respect to the findings required by paragraphs (1), (2), and (3) of this subsection.

(b) Enumeration of transactions exempted from section 1106 prohibitions

The prohibitions provided in section 1106 of this title shall not apply to any of the following transactions:

A loan made by a plan shall not fail to meet the requirements of the preceding sentence by reason of a loan repayment suspension described under section 414(u)(4) of title 26.

(2) Contracting or making reasonable arrangements with a party in interest for office space, or legal, accounting, or other services necessary for the establishment or operation of the plan, if no more than reasonable compensation is paid therefor.

(3) A loan to an employee stock ownership plan (as defined in section 1107(d)(6) of this title), if—

(A) such loan is primarily for the benefit of participants and beneficiaries of the plan, and

(B) such loan is at an interest rate which is not in excess of a reasonable rate.

If the plan gives collateral to a party in interest for such loan, such collateral may consist only of qualifying employer securities (as defined in section 1107(d)(5) of this title).

(4) The investment of all or part of a plan's assets in deposits which bear a reasonable interest rate in a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan and if—

(A) the plan covers only employees of such bank or other institution and employees of affiliates of such bank or other institution, or

(B) such investment is expressly authorized by a provision of the plan or by a fiduciary (other than such bank or institution or affiliate thereof) who is expressly empow-

ered by the plan to so instruct the trustee with respect to such investment.

(5) Any contract for life insurance, health insurance, or annuities with one or more insurers which are qualified to do business in a State, if the plan pays no more than adequate consideration, and if each such insurer or insurers is—

(A) the employer maintaining the plan, or

(6) The providing of any ancillary service by a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan, and if—

(A) such bank or similar financial institution has adopted adequate internal safeguards which assure that the providing of such ancillary service is consistent with sound banking and financial practice, as determined by Federal or State supervisory authority, and

(B) the extent to which such ancillary service is provided is subject to specific guidelines issued by such bank or similar financial institution (as determined by the Secretary after consultation with Federal and State supervisory authority), and adherence to such guidelines would reasonably preclude such bank or similar financial institution from providing such ancillary service (i) in an excessive or unreasonable manner, and (ii) in a manner that would be inconsistent with the best interests of participants and beneficiaries of employee benefit plans.

Such ancillary services shall not be provided at more than reasonable compensation.

(7) The exercise of a privilege to convert securities, to the extent provided in regulations of the Secretary, but only if the plan receives no less than adequate consideration pursuant to such conversion.

(A) the requirements of paragraphs (1) and (2) of subsection (e) are met with respect to such stock,

(B) on the later of the date on which the stock was acquired by the plan, or January 1, 1975, such stock constituted a qualifying employer security (as defined in section 1107(d)(5) of this title as then in effect), and

(C) such stock does not constitute a qualifying employer security (as defined in section 1107(d)(5) of this title as in effect at the time of the sale).

(13) Any transfer made before January 1, 2026, of excess pension assets from a defined benefit plan to a retiree health account in a qualified transfer permitted under section 420 of title 26 (as in effect on July 31, 2015).

(14) Any transaction in connection with the provision of investment advice described in section 1002(21)(A)(ii) of this title to a participant or beneficiary of an individual account plan that permits such participant or beneficiary to direct the investment of assets in their individual account, if—

(iii) the terms of the transaction, including the price, are at least as favorable to the plan as an arm's length¹ transaction, and

(E) each plan participating in the transaction has assets of at least \$100,000,000, except that if the assets of a plan are invested in a master trust containing the assets of plans maintained by employers in the same controlled group (as defined in section 1107(d)(7) of this title), the master trust has assets of at least \$100,000,000,

(ii) uses a computer model under an investment advice program meeting the requirements of paragraph (3) in connection with the provision of investment advice by a fiduciary adviser to a participant or beneficiary, and

(B) with respect to which the requirements of paragraph (4), (5), (6), (7), (8), and (9) are met.

(3) Investment advice program using computer model

(A) In general

An investment advice program meets the requirements of this paragraph if the requirements of subparagraphs (B), (C), and (D) are met.

(B) following completion of the annual audit, issues a written report to the fiduciary who authorized use of the arrangement which presents its specific findings regarding compliance of the arrangement with the requirements of this subsection.

For purposes of this paragraph, an auditor is considered independent if it is not related to the person offering the arrangement to the plan and is not related to any person providing investment options under the plan.

(6) Disclosure

The requirements of this paragraph are met if—

(A) the fiduciary adviser provides to a participant or a beneficiary before the initial provision of the investment advice with re-

(D) the terms of the sale, acquisition, or holding of the security or other property are at least as favorable to the plan as an arm's length¹ transaction would be.

(8) Standards for presentation of information

(A) In general

The requirements of this paragraph are met if the notification required to be provided to participants and beneficiaries under paragraph (6)(A) is written in a clear and conspicuous manner and in a manner calculated to be understood by the average plan participant and is sufficiently accurate and comprehensive to reasonably apprise such participants and beneficiaries of the information required to be provided in the notification.

(B) Model form for disclosure of fees and other compensation

The Secretary shall issue a model form for the disclosure of fees and other compensation required in paragraph (6)(A)(iii) which meets the requirements of subparagraph (A).

The requirements of this paragraph are met if a fiduciary adviser who has provided advice referred to in paragraph (1) maintains, for a period of not less than 6 years after the provision of the advice, any records necessary for determining whether the requirements of the preceding provisions of this subsection and of subsection (b)(14) have been met. A transaction prohibited under section 1106 of this title shall not be considered to have occurred solely because the records are lost or destroyed prior to the end of the 6-year period due to circumstances beyond the control of the fiduciary adviser.

(10) Exemption for plan sponsor and certain other fiduciaries

(A) In general

Subject to subparagraph (B), a plan sponsor or other person who is a fiduciary (other than a fiduciary adviser) shall not be treated as failing to meet the requirements of this part solely by reason of the provision of investment advice referred to in section 1002(21)(A)(ii) of this title (or solely by reason of contracting for or otherwise arranging for the provision of the advice), if—

(i) the advice is provided by a fiduciary adviser pursuant to an eligible investment advice arrangement between the plan sponsor or other fiduciary and the fiduciary adviser for the provision by the fiduciary adviser of investment advice referred to in such section,

(ii) the terms of the eligible investment advice arrangement require compliance by

§ 1112. Bonding

(a) Requisite bonding of plan officials

Every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan (hereafter in this section referred to as "plan official") shall be bonded as provided in this section; except that—

(1) where such plan is one under which the only assets from which benefits are paid are the general assets of a union or of an employer, the administrator, officers, and employees of such plan shall be exempt from the bonding requirements of this section,

(2) no bond shall be required of any entity which is registered as a broker or a dealer under section 78o(b) of title 15 if the broker or dealer is subject to the fidelity bond requirements of a self-regulatory organization (within the meaning of section 78c(a)(26) of title 15).¹

(3) no bond shall be required of a fiduciary (or of any director, officer, or employee of such fiduciary) if such fiduciary—

(A) is a corporation organized and doing business under the laws of the United States or of any State;

(B) is authorized under such laws to exercise trust powers or to conduct an insurance business;

(C) is subject to supervision or examination by Federal or State authority; and

(D) has at all times a combined capital and surplus in excess of such a minimum amount as may be established by regulations issued by the Secretary, which amount shall be at least \$1,000,000. Paragraph (2) shall apply to a bank or other financial institution which is authorized to exercise trust powers and the deposits of which are not insured by the Federal Deposit Insurance Corporation, only if such bank or institution meets bonding or similar requirements under State law which the Secretary determines are at least equivalent to those imposed on banks by Federal law.

The amount of such bond shall be fixed at the beginning of each fiscal year of the plan. Such amount shall be not less than 10 per centum of the amount of funds handled. In no case shall such bond be less than \$1,000 nor more than \$500,000, except that the Secretary, after due no-

tice and opportunity for hearing to all interested parties, and after consideration of the record, may prescribe an amount in excess of \$500,000, subject to the 10 per centum limitation of the preceding sentence. For purposes of fixing the amount of such bond, the amount of funds handled shall be determined by the funds handled by the person, group, or class to be covered by such bond and by their predecessor or predecessors, if any, during the preceding reporting year, or if the plan has no preceding reporting year, the amount of funds to be handled during the current reporting year by such person, group, or class, estimated as provided in regulations of the Secretary. Such bond shall provide protection to the plan against loss by reason of acts of fraud or dishonesty on the part of the plan official, directly or through connivance with others. Any bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury pursuant to sections 9304-9308 of title 31. Any bond shall be in a form or of a type approved by the Secretary, including individual bonds or schedule or blanket forms of bonds which cover a group or class. In the case of a plan that holds employer securities (within the meaning of section 1107(d)(1) of this title), this subsection shall be applied by substituting "\$1,000,000" for "\$500,000" each place it appears.

(b) Unlawful acts

It shall be unlawful for any plan official to whom subsection (a) applies, to receive, handle, disburse, or otherwise exercise custody or control of any of the funds or other property of any employee benefit plan, without being bonded as required by subsection (a) and it shall be unlawful for any plan official of such plan, or any other person having authority to direct the performance of such functions, to permit such functions, or any of them, to be performed by any plan official, with respect to whom the requirements of subsection (a) have not been met.

(c) Conflict of interest prohibited in procuring bonds

It shall be unlawful for any person to procure any bond required by subsection (a) from any surety or other company or through any agent or broker in whose business operations such plan or any party in interest in such plan has any control or significant financial interest, direct or indirect.

(d) Exclusiveness of statutory basis for bonding requirement for persons handling funds or other property of employee benefit plans

Nothing in any other provision of law shall require any person, required to be bonded as provided in subsection (a) because he handles funds or other property of an employee benefit plan, to be bonded insofar as the handling by such person of the funds or other property of such plan is concerned.

(e) Regulations

The Secretary shall prescribe such regulations as may be necessary to carry out the provisions of this section including exempting a plan from the requirements of this section where he finds

that (1) other bonding arrangements or (2) the overall financial condition of the plan would be adequate to protect the interests of the beneficiaries and participants. The Secretary, not later than 15 days after receipt of service under the preceding sentence, shall notify the administrator or any trustee of the plan of receipt of such service.

(2) Any money judgment under this subchapter against an employee benefit plan shall be en-

(i) Administrative assessment of civil penalty

In the case of a transaction prohibited by section 1106 of this title by a party in interest with respect to a plan to which this part applies, the Secretary may assess a civil penalty against such party in interest. The amount of such penalty may not exceed 5 percent of the amount involved in each such transaction (as defined in section 4975(f)(4) of title 26) for each year or part thereof during which the prohibited transaction continues, except that, if the transaction is not corrected (in such manner as the Secretary shall prescribe in regulations which shall be consistent with section 4975(f)(5) of title 26) within 90 days after notice from the Secretary (or such longer period as the Secretary may permit), such penalty may be in an amount not more than 100 percent of the amount involved. (A) pursuant to any settlement agreement with the Secretary, or

(B) ordered by a court to be paid by such fiduciary or other person to a plan or its participants and beneficiaries in a judicial proceeding instituted by the Secretary under subsection (a)(2) or (a)(5).

(3) The Secretary may, in the Secretary’s sole discretion, waive or reduce the penalty under paragraph (1) if the Secretary determines in writing that—

(A) the fiduciary or other person acted reasonably and in good faith, or

(B) it is reasonable to expect that the fiduciary or other person will not be able to restore all losses to the plan (or to provide the relief ordered pursuant to subsection (a)(9)) without severe financial hardship unless such waiver or reduction is granted.

(4) The penalty imposed on a fiduciary or other person under this subsection with respect to any transaction shall be reduced by the amount of any penalty or tax imposed on such fiduciary or other person with respect to such transaction under subsection (i) of this section and section 4975 of title 26.

§ 1144. Other laws

(a) Supersedure; effective date

Except as provided in subsection (b) of this section, the provisions of this subchapter and subchapter III shall supersede any and all State laws insofar as they may now or hereafter relate to any employee benefit plan described in section 1003(a) of this title and not exempt under section 1003(b) of this title. This section shall take effect on January 1, 1975.

(b) Construction and application

(1) This section shall not apply with respect to any cause of action which arose, or any act or omission which occurred, before January 1, 1975.

(2)(A) Except as provided in subparagraph (B), nothing in this subchapter shall be construed to exempt or relieve any person from any law of any State which regulates insurance, banking, or securities.

(B) Neither an employee benefit plan described in section 1003(a) of this title, which is not exempt under section 1003(b) of this title (other than a plan established primarily for the purpose of providing death benefits), nor any trust established under such a plan, shall be deemed to be an insurance company or other insurer, bank, trust company, or investment company or to be engaged in the business of insurance or banking for purposes of any law of any State purporting to regulate insurance companies, insurance contracts, banks, trust companies, or investment companies.

(3) Nothing in this section shall be construed to prohibit use by the Secretary of services or facilities of a State agency as permitted under section 1136 of this title.

(4) Subsection (a) shall not apply to any generally applicable criminal law of a State.

(5)(A) Except as provided in subparagraph (B), subsection (a) shall not apply to the Hawaii Prepaid Health Care Act (Haw. Rev. Stat. §§ 393-1 through 393-51).

(B) Nothing in subparagraph (A) shall be construed to exempt from subsection (a)—

(i) any State tax law relating to employee benefit plans, or

(ii) any amendment of the Hawaii Prepaid Health Care Act enacted after September 2, 1974, to the extent it provides for more than the effective administration of such Act as in effect on such date.

(C) Notwithstanding subparagraph (A), parts 1 and 4 of this subtitle, and the preceding sections of this part to the extent they govern matters which are governed by the provisions of such parts 1 and 4, shall supersede the Hawaii Prepaid Health Care Act (as in effect on or after January 14, 1983), but the Secretary may enter into cooperative arrangements under this paragraph and section 1136 of this title with officials of the State of Hawaii to assist them in effectuating the policies of provisions of such Act which are superseded by such parts 1 and 4 and the preceding sections of this part.

(6)(A) Notwithstanding any other provision of this section—

(i) in the case of an employee welfare benefit plan which is a multiple employer welfare arrangement and is fully insured (or which is a multiple employer welfare arrangement subject to an exemption under subparagraph (B)), any law of any State which regulates insurance may apply to such arrangement to the extent that such law provides—

(I) standards, requiring the maintenance of specified levels of reserves and specified levels of contributions, which any such plan, or any trust established under such a plan, must meet in order to be considered under such law able to pay benefits in full when due, and

(II) provisions to enforce such standards, and

(ii) in the case of any other employee welfare benefit plan which is a multiple employer welfare arrangement, in addition to this subchapter, any law of any State which regulates insurance may apply to the extent not inconsistent with the preceding sections of this subchapter.

(B) The Secretary may, under regulations which may be prescribed by the Secretary, exempt from subparagraph (A)(ii), individually or by class, multiple employer welfare arrangements which are not fully insured. Any such exemption may be granted with respect to any arrangement or class of arrangements only if such arrangement or each arrangement which is a member of such class meets the requirements of section 1002(1) and section 1003 of this title necessary to be considered an employee welfare benefit plan to which this subchapter applies.

(D) For purposes of this paragraph, a multiple employer welfare arrangement shall be considered fully insured only if the terms of the arrangement provide for benefits the amount of all of which the Secretary determines are guaranteed under a contract, or policy of insurance, issued by an insurance company, insurance service, or insurance organization, qualified to conduct business in a State.

(7) Subsection (a) shall not apply to qualified domestic relations orders (within the meaning of section 1056(d)(3)(B)(i) of this title), qualified medical child support orders (within the meaning of section 1169(a)(2)(A) of this title), and the provisions of law referred to in section 1169(a)(2)(B)(ii) of this title to the extent they apply to qualified medical child support orders.

(A) with respect to which the State exercises its acquired rights under section 1169(b)(3) of this title with respect to a group health plan (as defined in section 1167(1) of this title), or

(B) for recoupment of payment with respect to items or services pursuant to a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] which would not have been payable if such acquired rights had been executed before payment with respect to such items or services by the group health plan.

(9) For additional provisions relating to group health plans, see section 1191 of this title.

(c) Definitions

For purposes of this section:

(1) The term "State law" includes all laws, decisions, rules, regulations, or other State action having the effect of law, of any State. A law of the United States applicable only to the District of Columbia shall be treated as a State law rather than a law of the United States.

(2) The term "State" includes a State, any political subdivisions thereof, or any agency or instrumentality of either, which purports to regulate, directly or indirectly, the terms and conditions of employee benefit plans covered by this subchapter.

(d) Alteration, amendment, modification, invalidation, impairment, or supersedure of any law of the United States prohibited

Nothing in this subchapter shall be construed to alter, amend, modify, invalidate, impair, or supersede any law of the United States (except as provided in sections 1031 and 1137(b) of this title) or any rule or regulation issued under any such law.

(e) Automatic contribution arrangements

(1) Notwithstanding any other provision of this section, this subchapter shall supersede any law of a State which would directly or indirectly prohibit or restrict the inclusion in any plan of an automatic contribution arrangement. The Secretary may prescribe regulations which would establish minimum standards that such an arrangement would be required to satisfy in order for this subsection to apply in the case of such arrangement.

(2) For purposes of this subsection, the term "automatic contribution arrangement" means an arrangement—

(A) under which a participant may elect to have the plan sponsor make payments as contributions under the plan on behalf of the participant, or to the participant directly in cash,

(B) under which a participant is treated as having elected to have the plan sponsor make such contributions in an amount equal to a uniform percentage of compensation provided under the plan until the participant specifically elects not to have such contributions made (or specifically elects to have such contributions made at a different percentage), and

(C) under which such contributions are invested in accordance with regulations prescribed by the Secretary under section 1104(c)(5) of this title.

(3)(A) The plan administrator of an automatic contribution arrangement shall, within a reasonable period before such plan year, provide to each participant to whom the arrangement applies for such plan year notice of the participant's rights and obligations under the arrangement which—

(i) is sufficiently accurate and comprehensive to apprise the participant of such rights and obligations, and

(ii) is written in a manner calculated to be understood by the average participant to whom the arrangement applies.

(B) A notice shall not be treated as meeting the requirements of subparagraph (A) with respect to a participant unless—

(i) the notice includes an explanation of the participant's right under the arrangement not to have elective contributions made on the participant's behalf (or to elect to have such contributions made at a different percentage),

(ii) the participant has a reasonable period of time, after receipt of the notice described in clause (i) and before the first elective contribution is made, to make such election, and

(iii) the notice explains how contributions made under the arrangement will be invested in the absence of any investment election by the participant.

FINDINGS AND PURPOSE

Pub. L. 105-92, §2, Nov. 19, 1997, 111 Stat. 2139, provided that:

“(a) FINDINGS.—The Congress finds as follows:

“(1) The impending retirement of the baby boom generation will severely strain our already overburdened entitlement system, necessitating increased reliance on pension and other personal savings.

“(2) Studies have found that less than a third of Americans have even tried to calculate how much they will need to have saved by retirement, and that less than 20 percent are very confident they will have enough money to live comfortably throughout their retirement.

“(3) A leading obstacle to expanding retirement savings is the simple fact that far too many Americans—particularly the young—are either unaware of, or without the knowledge and resources necessary to take advantage of, the extensive benefits offered by our retirement savings system.

“(b) PURPOSE.—It is the purpose of this Act [see Short Title of 1997 Amendment note, set out under section 1001 of this title]—

§ 1162. Continuation coverage

For purposes of section 1161 of this title, the term “continuation coverage” means coverage under the plan which meets the following requirements:

(1) Type of benefit coverage

The coverage must consist of coverage which, as of the time the coverage is being provided, is identical to the coverage provided under the plan to similarly situated beneficiaries under the plan with respect to whom a qualifying event has not occurred. If coverage is modified under the plan for any group of similarly situated beneficiaries, such coverage shall also be modified in the same manner for all individuals who are qualified beneficiaries under the plan pursuant to this part in connection with such group.

(2) Period of coverage

The coverage must extend for at least the period beginning on the date of the qualifying event and ending not earlier than the earliest of the following:

(A) Maximum required period

(i) General rule for terminations and reduced hours

In the case of a qualifying event described in section 1163(2) of this title, except as provided in clause (ii), the date which is 18 months after the date of the qualifying event.

(ii) Special rule for multiple qualifying events

If a qualifying event (other than a qualifying event described in section 1163(6) of this title) occurs during the 18 months after the date of a qualifying event described in section 1163(2) of this title, the date which is 36 months after the date of the qualifying event described in section 1163(2) of this title.

(iii) Special rule for certain bankruptcy proceedings

lating to bankruptcy proceedings), the date of the death of the covered employee or qualified beneficiary (described in section 1167(3)(C)(iii) of this title), or in the case of the surviving spouse or dependent children of the covered employee, 36 months after the date of the death of the covered employee.

(iv) General rule for other qualifying events

The preceding sentence shall not require any period of coverage to extend beyond January 1, 2014.

(vi) Special rule for TAA-eligible individuals

In the case of a qualifying event described in section 1163(2) of this title with respect to a covered employee who is (as of the date that the period of coverage would, but for this clause or clause (vii), otherwise terminate under clause (i) or (ii)) a TAA-eligible individual (as defined in section 1165(b)(4)(B) of this title), the period of coverage shall not terminate by reason of clause (i) or (ii), as the case may be, before the later of the date specified in such clause or the date on which such individual ceases to be such a TAA-eligible individual. The preceding sentence shall not require any period of coverage to extend beyond January 1, 2014.

(vii) Medicare entitlement followed by qualifying event

In the case of a qualifying event described in section 1163(2) of this title that occurs less than 18 months after the date the covered employee became entitled to benefits under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.], the period of coverage for qualified beneficiaries other than the covered employee shall not terminate under this subparagraph before the close of the 36-month period beginning on the date the covered employee became so entitled.

(viii) Special rule for disability

In the case of a qualified beneficiary who is determined, under title II or XVI of the Social Security Act [42 U.S.C. 401 et seq., 1381 et seq.], to have been disabled at any time during the first 60 days of continu-

ation coverage under this part, any reference in clause (i) or (ii) to 18 months is deemed a reference to 29 months (with respect to all qualified beneficiaries), but only if the qualified beneficiary has provided notice of such determination under section 1166(3)¹ of this title before the end of such 18 months.

(B) End of plan

The date on which the employer ceases to provide any group health plan to any employee.

(C) Failure to pay premium

The date on which coverage ceases under the plan by reason of a failure to make timely payment of any premium required under the plan with respect to the qualified beneficiary. The payment of any premium (other than any payment referred to in the last sentence of paragraph (3)) shall be considered to be timely if made within 30 days after the date due or within such longer period as applies to or under the plan.

(D) Group health plan coverage or medicare entitlement

The date on which the qualified beneficiary first becomes, after the date of the election—

(i) covered under any other group health plan (as an employee or otherwise) which does not contain any exclusion or limitation with respect to any preexisting condition of such beneficiary (other than such an exclusion or limitation which does not apply to (or is satisfied by) such beneficiary by reason of chapter 100 of title 26, part 7 of this subtitle, or title XXVII of the Public Health Service Act [42 U.S.C. 300gg et seq.]), or

(ii) in the case of a qualified beneficiary other than a qualified beneficiary described in section 1167(3)(C) of this title, entitled to benefits under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.].

(E) Termination of extended coverage for disability

(3) Premium requirements

The plan may require payment of a premium for any period of continuation coverage, except that such premium—

(A) shall not exceed 102 percent of the applicable premium for such period, and

(B) may, at the election of the payor, be made in monthly installments.

In no event may the plan require the payment of any premium before the day which is 45

days after the day on which the qualified beneficiary made the initial election for continuation coverage. In the case of an individual described in the last sentence of paragraph (2)(A), any reference in subparagraph (A) of this paragraph to “102 percent” is deemed a reference to “150 percent” for any month after the 18th month of continuation coverage described in clause (i) or (ii) of paragraph (2)(A).

(4) No requirement of insurability

The coverage may not be conditioned upon, or discriminate on the basis of lack of, evidence of insurability.

(5) Conversion option

In the case of a qualified beneficiary whose period of continuation coverage expires under paragraph (2)(A), the plan must, during the 180-day period ending on such expiration date, provide to the qualified beneficiary the option of enrollment under a conversion health plan otherwise generally available under the plan.

(Pub. L. 93-406, title I, § 608, as added Pub. L. 99-272, title X, § 10002(a), Apr. 7, 1986, 100 Stat. 231.)

§ 1169. Additional standards for group health plans

(a) Group health plan coverage pursuant to medical child support orders

(1) In general

Each group health plan shall provide benefits in accordance with the applicable requirements of any qualified medical child support order. A qualified medical child support order with respect to any participant or beneficiary shall be deemed to apply to each group health plan which has received such order, from which the participant or beneficiary is eligible to receive benefits, and with respect to which the requirements of paragraph (4) are met.

(2) Definitions

For purposes of this subsection—

(A) Qualified medical child support order

The term “qualified medical child support order” means a medical child support order—

(i) which creates or recognizes the existence of an alternate recipient’s right to, or assigns to an alternate recipient the right to, receive benefits for which a participant or beneficiary is eligible under a group health plan, and

(ii) with respect to which the requirements of paragraphs (3) and (4) are met.

(B) Medical child support order

The term “medical child support order” means any judgment, decree, or order (including approval of a settlement agreement) which—

(i) provides for child support with respect to a child of a participant under a group health plan or provides for health benefit coverage to such a child, is made pursuant to a State domestic relations law (including a community property law), and relates to benefits under such plan, or

(ii) is made pursuant to a law relating to medical child support described in section 1908 of the Social Security Act [42 U.S.C. 1396g-1] (as added by section 13822¹ of the Omnibus Budget Reconciliation Act of 1993) with respect to a group health plan,

if such judgment, decree, or order (I) is issued by a court of competent jurisdiction or (II) is issued through an administrative process established under State law and has the force and effect of law under applicable State law. For purposes of this subparagraph, an administrative notice which is issued pursuant to an administrative process referred to in subclause (II) of the preceding sentence and which has the effect of an order described in clause (i) or (ii) of the preceding sentence shall be treated as such an order.

(C) Alternate recipient

The term “alternate recipient” means any child of a participant who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant.

(D) Child

The term “child” includes any child adopted by, or placed for adoption with, a participant of a group health plan.

(3) Information to be included in qualified order

A medical child support order meets the requirements of this paragraph only if such order clearly specifies—

(A) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate recipient covered by the order, except that, to the extent provided in the order, the name and mailing address of an official of a State or a political subdivision thereof may be substituted for the mailing address of any such alternate recipient,

(B) a reasonable description of the type of coverage to be provided to each such alternate recipient, or the manner in which such type of coverage is to be determined, and

(C) the period to which such order applies.

(4) Restriction on new types or forms of benefits

A medical child support order meets the requirements of this paragraph only if such order does not require a plan to provide any type or form of benefit, or any option, not otherwise provided under the plan, except to the extent necessary to meet the requirements of a law relating to medical child support described in section 1908 of the Social Security Act [42 U.S.C. 1396g-1] (as added by section 13822¹ of the Omnibus Budget Reconciliation Act of 1993).

¹ So in original. Probably should be section “13623”.

(5) Procedural requirements**(A) Timely notifications and determinations**

In the case of any medical child support order received by a group health plan—

(i) the plan administrator shall promptly notify the participant and each alternate recipient of the receipt of such order and the plan's procedures for determining whether medical child support orders are qualified medical child support orders, and

(ii) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified medical child support order and notify the participant and each alternate recipient of such determination.

(B) Establishment of procedures for determining qualified status of orders

Each group health plan shall establish reasonable procedures to determine whether medical child support orders are qualified medical child support orders and to administer the provision of benefits under such qualified orders. Such procedures—

(i) shall be in writing,

(ii) shall provide for the notification of each person specified in a medical child support order as eligible to receive benefits under the plan (at the address included in the medical child support order) of such procedures promptly upon receipt by the plan of the medical child support order, and

(iii) shall permit an alternate recipient to designate a representative for receipt of copies of notices that are sent to the alternate recipient with respect to a medical child support order.

(C) National Medical Support Notice deemed to be a qualified medical child support order**(i) In general**

If the plan administrator of a group health plan which is maintained by the employer of a noncustodial parent of a child or to which such an employer contributes receives an appropriately completed National Medical Support Notice promulgated pursuant to section 401(b) of the Child Support Performance and Incentive Act of 1998 in the case of such child, and the Notice meets the requirements of paragraphs (3) and (4), the Notice shall be deemed to be a qualified medical child support order in the case of such child.

(ii) Enrollment of child in plan

In any case in which an appropriately completed National Medical Support Notice is issued in the case of a child of a participant under a group health plan who is a noncustodial parent of the child, and the Notice is deemed under clause (i) to be a qualified medical child support order, the plan administrator, within 40 business days after the date of the Notice, shall—

(I) notify the State agency issuing the Notice with respect to such child whether coverage of the child is available

under the terms of the plan and, if so, whether such child is covered under the plan and either the effective date of the coverage or, if necessary, any steps to be taken by the custodial parent (or by the official of a State or political subdivision thereof substituted for the name of such child pursuant to paragraph (3)(A)) to effectuate the coverage; and

(II) provide to the custodial parent (or such substituted official) a description of the coverage available and any forms or documents necessary to effectuate such coverage.

(iii) Rule of construction

Nothing in this subparagraph shall be construed as requiring a group health plan, upon receipt of a National Medical Support Notice, to provide benefits under the plan (or eligibility for such benefits) in addition to benefits (or eligibility for benefits) provided under the terms of the plan as of immediately before receipt of such Notice.

(6) Actions taken by fiduciaries

If a plan fiduciary acts in accordance with part 4 of this subtitle in treating a medical child support order as being (or not being) a qualified medical child support order, then the plan's obligation to the participant and each alternate recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

(7) Treatment of alternate recipients**(A) Treatment as beneficiary generally**

A person who is an alternate recipient under a qualified medical child support order shall be considered a beneficiary under the plan for purposes of any provision of this chapter.

(B) Treatment as participant for purposes of reporting and disclosure requirements

A person who is an alternate recipient under any medical child support order shall be considered a participant under the plan for purposes of the reporting and disclosure requirements of part 1 of this subtitle.

(8) Direct provision of benefits provided to alternate recipients

Any payment for benefits made by a group health plan pursuant to a medical child support order in reimbursement for expenses paid by an alternate recipient or an alternate recipient's custodial parent or legal guardian shall be made to the alternate recipient or the alternate recipient's custodial parent or legal guardian.

(9) Payment to State official treated as satisfaction of plan's obligation to make payment to alternate recipient

Payment of benefits by a group health plan to an official of a State or a political subdivision thereof whose name and address have been substituted for the address of an alternate recipient in a qualified medical child support order, pursuant to paragraph (3)(A), shall be treated, for purposes of this subchapter, as payment of benefits to the alternate recipient.

(b) Rights of States with respect to group health plans where participants or beneficiaries thereunder are eligible for medicaid benefits

(1) Compliance by plans with assignment of rights

A group health plan shall provide that payment for benefits with respect to a participant under the plan will be made in accordance with any assignment of rights made by or on behalf of such participant or a beneficiary of the participant as required by a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] pursuant to section 1912(a)(1)(A) of such Act [42 U.S.C. 1396k(a)(1)(A)] (as in effect on August 10, 1993).

(2) Enrollment and provision of benefits without regard to medicaid eligibility

A group health plan shall provide that, in enrolling an individual as a participant or beneficiary or in determining or making any payments for benefits of an individual as a participant or beneficiary, the fact that the individual is eligible for or is provided medical assistance under a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] will not be taken into account.

(3) Acquisition by States of rights of third parties

A group health plan shall provide that, to the extent that payment has been made under a State plan for medical assistance approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] in any case in which a group health plan has a legal liability to make payment for items or services constituting such assistance, payment for benefits under the plan will be made in accordance with any State law which provides that the State has acquired the rights with respect to a participant to such payment for such items or services.

(c) Group health plan coverage of dependent children in cases of adoption

(1) Coverage effective upon placement for adoption

In any case in which a group health plan provides coverage for dependent children of participants or beneficiaries, such plan shall provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case of dependent children who are natural children of participants or beneficiaries under the plan, irrespective of whether the adoption has become final.

(2) Restrictions based on preexisting conditions at time of placement for adoption prohibited

A group health plan may not restrict coverage under the plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of such child at the time that such child would otherwise become eligible for cov-

erage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

(3) Definitions

For purposes of this subsection—

(A) Child

The term “child” means, in connection with any adoption, or placement for adoption, of the child, an individual who has not attained age 18 as of the date of such adoption or placement for adoption.

(B) Placement for adoption

The term “placement”, or being “placed”, for adoption, in connection with any placement for adoption of a child with any person, means the assumption and retention by such person of a legal obligation for total or partial support of such child in anticipation of adoption of such child. The child’s placement with such person terminates upon the termination of such legal obligation.

(d) Continued coverage of costs of a pediatric vaccine under group health plans

A group health plan may not reduce its coverage of the costs of pediatric vaccines (as defined under section 1928(h)(6) of the Social Security Act [42 U.S.C. 1396s(h)(6)] as amended by section 13830² of the Omnibus Budget Reconciliation Act of 1993) below the coverage it provided as of May 1, 1993.

PART 7—GROUP HEALTH PLAN REQUIREMENTS

Subpart A—Requirements Relating to
Portability, Access, and Renewability

§ 1181. Increased portability through limitation
on preexisting condition exclusions

(a) Limitation on preexisting condition exclusion
period; crediting for periods of previous coverage

Subject to subsection (d), a group health plan, and a health insurance issuer offering group health insurance coverage, may, with respect to a participant or beneficiary, impose a preexisting condition exclusion only if—

(1) such exclusion relates to a condition (whether physical or mental), regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the 6-month period ending on the enrollment date;

(2) such exclusion extends for a period of not more than 12 months (or 18 months in the case of a late enrollee) after the enrollment date; and

(3) the period of any such preexisting condition exclusion is reduced by the aggregate of the periods of creditable coverage (if any, as defined in subsection (c)(1)) applicable to the participant or beneficiary as of the enrollment date.

(b) Definitions

For purposes of this part—

(1) Preexisting condition exclusion

(A) In general

The term “preexisting condition exclusion” means, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the date of enrollment for such coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before such date.

(B) Treatment of genetic information

Genetic information shall not be treated as a condition described in subsection (a)(1) in the absence of a diagnosis of the condition related to such information.

(2) Enrollment date

The term “enrollment date” means, with respect to an individual covered under a group health plan or health insurance coverage, the date of enrollment of the individual in the plan or coverage or, if earlier, the first day of the waiting period for such enrollment.

(3) Late enrollee

The term “late enrollee” means, with respect to coverage under a group health plan, a participant or beneficiary who enrolls under the plan other than during—

(A) the first period in which the individual is eligible to enroll under the plan, or

(B) a special enrollment period under subsection (f).

(4) Waiting period

The term “waiting period” means, with respect to a group health plan and an individual who is a potential participant or beneficiary in the plan, the period that must pass with respect to the individual before the individual is eligible to be covered for benefits under the terms of the plan.

(c) Rules relating to crediting previous coverage

(1) “Creditable coverage” defined

For purposes of this part, the term “creditable coverage” means, with respect to an individual, coverage of the individual under any of the following:

- (A) A group health plan.
- (B) Health insurance coverage.
- (C) Part A or part B of title XVIII of the Social Security Act [42 U.S.C. 1395c et seq.; 1395j et seq.].
- (D) Title XIX of the Social Security Act [42 U.S.C. 1396 et seq.], other than coverage consisting solely of benefits under section 1928 [42 U.S.C. 1396s].
- (E) Chapter 55 of title 10.
- (F) A medical care program of the Indian Health Service or of a tribal organization.

- (H) A health plan offered under chapter 89 of title 5.
- (I) A public health plan (as defined in regulations).
- (J) A health benefit plan under section 2504(e) of title 22.

Such term does not include coverage consisting solely of coverage of excepted benefits (as defined in section 1191b(c) of this title).

(2) Not counting periods before significant breaks in coverage

(A) In general

A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health plan, if, after such period and before the enrollment date, there was a 63-day period during all of which the individual was not covered under any creditable coverage.

(B) Waiting period not treated as a break in coverage

For purposes of subparagraph (A) and subsection (d)(4), any period that an individual is in a waiting period for any coverage under a group health plan (or for group health insurance coverage) or is in an affiliation period (as defined in subsection (g)(2)) shall not be taken into account in determining the continuous period under subparagraph (A).

(C) TAA-eligible individuals

In the case of plan years beginning before January 1, 2014—

(i) TAA pre-certification period rule

In the case of a TAA-eligible individual, the period beginning on the date the individual has a TAA-related loss of coverage and ending on the date that is 7 days after

the date of the issuance by the Secretary (or by any person or entity designated by the Secretary) of a qualified health insurance costs credit eligibility certificate for such individual for purposes of section 7527 of title 26 shall not be taken into account in determining the continuous period under subparagraph (A).

(ii) Definitions

The terms “TAA-eligible individual” and “TAA-related loss of coverage” have the meanings given such terms in section 1165(b)(4) of this title.

(3) Method of crediting coverage

(A) Standard method

Except as otherwise provided under subparagraph (B), for purposes of applying subsection (a)(3), a group health plan, and a health insurance issuer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.

(B) Election of alternative method

A group health plan, or a health insurance issuer offering group health insurance coverage, may elect to apply subsection (a)(3) based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under subparagraph (A). Such election shall be made on a uniform basis for all participants and beneficiaries. Under such election a group health plan or issuer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within such class or category.

(C) Plan notice

In the case of an election with respect to a group health plan under subparagraph (B) (whether or not health insurance coverage is provided in connection with such plan), the plan shall—

- (i) prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made such election, and
- (ii) include in such statements a description of the effect of this election.

(4) Establishment of period

Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (e) or in such other manner as may be specified in regulations.

(d) Exceptions

(1) Exclusion not applicable to certain newborns

Subject to paragraph (4), a group health plan, and a health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of an individual who, as of the last day of the 30-day period beginning with the

date of birth, is covered under creditable coverage.

(2) Exclusion not applicable to certain adopted children

Subject to paragraph (4), a group health plan, and a health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of a child who is adopted or placed for adoption before attaining 18 years of age and who, as of the last day of the 30-day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. The previous sentence shall not apply to coverage before the date of such adoption or placement for adoption.

(3) Exclusion not applicable to pregnancy

A group health plan, and health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion relating to pregnancy as a preexisting condition.

(4) Loss if break in coverage

Paragraphs (1) and (2) shall no longer apply to an individual after the end of the first 63-day period during all of which the individual was not covered under any creditable coverage.

(e) Certifications and disclosure of coverage

(1) Requirement for certification of period of creditable coverage

(A) In general

A group health plan, and a health insurance issuer offering group health insurance coverage, shall provide the certification described in subparagraph (B)—

(i) at the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision,

(ii) in the case of an individual becoming covered under such a provision, at the time the individual ceases to be covered under such provision, and

(iii) on the request on behalf of an individual made not later than 24 months after the date of cessation of the coverage described in clause (i) or (ii), whichever is later.

The certification under clause (i) may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

(B) Certification

The certification described in this subparagraph is a written certification of—

(i) the period of creditable coverage of the individual under such plan and the coverage (if any) under such COBRA continuation provision, and

(ii) the waiting period (if any) (and affiliation period, if applicable) imposed with respect to the individual for any coverage under such plan.

(C) Issuer compliance

To the extent that medical care under a group health plan consists of group health

insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance issuer offering the coverage provides for such certification in accordance with this paragraph.

(2) Disclosure of information on previous benefits

In the case of an election described in subsection (c)(3)(B) by a group health plan or health insurance issuer, if the plan or issuer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (1)—

(A) upon request of such plan or issuer, the entity which issued the certification provided by the individual shall promptly disclose to such requesting plan or issuer information on coverage of classes and categories of health benefits available under such entity's plan or coverage, and

(B) such entity may charge the requesting plan or issuer for the reasonable cost of disclosing such information.

(3) Regulations

The Secretary shall establish rules to prevent an entity's failure to provide information under paragraph (1) or (2) with respect to previous coverage of an individual from adversely affecting any subsequent coverage of the individual under another group health plan or health insurance coverage.

(f) Special enrollment periods

(1) Individuals losing other coverage

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if each of the following conditions is met:

(A) The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent.

(B) The employee stated in writing at such time that coverage under a group health plan or health insurance coverage was the reason for declining enrollment, but only if the plan sponsor or issuer (if applicable) required such a statement at such time and provided the employee with notice of such requirement (and the consequences of such requirement) at such time.

(C) The employee's or dependent's coverage described in subparagraph (A)—

(i) was under a COBRA continuation provision and the coverage under such provision was exhausted; or

(ii) was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employ-

ment, or reduction in the number of hours of employment) or employer contributions toward such coverage were terminated.

(D) Under the terms of the plan, the employee requests such enrollment not later than 30 days after the date of exhaustion of coverage described in subparagraph (C)(i) or termination of coverage or employer contribution described in subparagraph (C)(ii).

(2) For dependent beneficiaries

(A) In general

If—

(i) a group health plan makes coverage available with respect to a dependent of an individual,

(ii) the individual is a participant under the plan (or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period), and

(iii) a person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption,

the group health plan shall provide for a dependent special enrollment period described in subparagraph (B) during which the person (or, if not otherwise enrolled, the individual) may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if such spouse is otherwise eligible for coverage.

(B) Dependent special enrollment period

A dependent special enrollment period under this subparagraph shall be a period of not less than 30 days and shall begin on the later of—

(i) the date dependent coverage is made available, or

(ii) the date of the marriage, birth, or adoption or placement for adoption (as the case may be) described in subparagraph (A)(iii).

(C) No waiting period

If an individual seeks to enroll a dependent during the first 30 days of such a dependent special enrollment period, the coverage of the dependent shall become effective—

(i) in the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;

(ii) in the case of a dependent's birth, as of the date of such birth; or

(iii) in the case of a dependent's adoption or placement for adoption, the date of such adoption or placement for adoption.

(3) Special rules for application in case of Medicaid and CHIP

(A) In general

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the

terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if either of the following conditions is met:

(i) Termination of Medicaid or CHIP coverage

The employee or dependent is covered under a Medicaid plan under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] or under a State child health plan under title XXI of such Act [42 U.S.C. 1397aa et seq.] and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility for such coverage and the employee requests coverage under the group health plan (or health insurance coverage) not later than 60 days after the date of termination of such coverage.

(ii) Eligibility for employment assistance under Medicaid or CHIP

The employee or dependent becomes eligible for assistance, with respect to coverage under the group health plan or health insurance coverage, under such Medicaid plan or State child health plan (including under any waiver or demonstration project conducted under or in relation to such a plan), if the employee requests coverage under the group health plan or health insurance coverage not later than 60 days after the date the employee or dependent is determined to be eligible for such assistance.

(B) Coordination with Medicaid and CHIP

(i) Outreach to employees regarding availability of Medicaid and CHIP coverage

(I) In general

Each employer that maintains a group health plan in a State that provides medical assistance under a State Medicaid plan under title XIX of the Social Security Act, or child health assistance under a State child health plan under title XXI of such Act, in the form of premium assistance for the purchase of coverage under a group health plan, shall provide to each employee a written notice informing the employee of potential opportunities then currently available in the State in which the employee resides for premium assistance under such plans for health coverage of the employee or the employee's dependents.

(II) Model notice

Not later than 1 year after February 4, 2009, the Secretary and the Secretary of Health and Human Services, in consultation with Directors of State Medicaid agencies under title XIX of the Social Security Act and Directors of State CHIP agencies under title XXI of such Act, shall jointly develop national and State-specific model notices for purposes of subparagraph (A). The Secretary shall provide employers with such model no-

tices so as to enable employers to timely comply with the requirements of subparagraph (A). Such model notices shall include information regarding how an employee may contact the State in which the employee resides for additional information regarding potential opportunities for such premium assistance, including how to apply for such assistance.

(III) Option to provide concurrent with provision of plan materials to employee

An employer may provide the model notice applicable to the State in which an employee resides concurrent with the furnishing of materials notifying the employee of health plan eligibility, concurrent with materials provided to the employee in connection with an open season or election process conducted under the plan, or concurrent with the furnishing of the summary plan description as provided in section 1024(b) of this title.

(ii) Disclosure about group health plan benefits to States for Medicaid and CHIP eligible individuals

In the case of a participant or beneficiary of a group health plan who is covered under a Medicaid plan of a State under title XIX of the Social Security Act or under a State child health plan under title XXI of such Act, the plan administrator of the group health plan shall disclose to the State, upon request, information about the benefits available under the group health plan in sufficient specificity, as determined under regulations of the Secretary of Health and Human Services in consultation with the Secretary that require use of the model coverage coordination disclosure form developed under section 311(b)(1)(C) of the Children's Health Insurance Program Reauthorization Act of 2009, so as to permit the State to make a determination (under paragraph (2)(B), (3), or (10) of section 2105(c) of the Social Security Act [42 U.S.C. 1397ee(c)(2)(B), (3), (10)] or otherwise) concerning the cost-effectiveness of the State providing medical or child health assistance through premium assistance for the purchase of coverage under such group health plan and in order for the State to provide supplemental benefits required under paragraph (10)(E) of such section or other authority.

(g) Use of affiliation period by HMOs as alternative to preexisting condition exclusion

(1) In general

In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if—

(A) no preexisting condition exclusion is imposed with respect to coverage through the organization,

(B) the period is applied uniformly without regard to any health status-related factors, and

(C) such period does not exceed 2 months (or 3 months in the case of a late enrollee).

(2) Affiliation period

(A) Defined

For purposes of this part, the term “affiliation period” means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during such period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

(B) Beginning

Such period shall begin on the enrollment date.

(C) Runs concurrently with waiting periods

An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(3) Alternative methods

§ 1182. Prohibiting discrimination against individual participants and beneficiaries based on health status

(a) In eligibility to enroll

(1) In general

Subject to paragraph (2), a group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not establish rules for eligibility (including continued eligibility) of any individual to enroll under the terms of the plan based on any of the following health status-related factors in relation to the individual or a dependent of the individual:

(A) Health status.

(B) Medical condition (including both physical and mental illnesses).

(C) Claims experience.

(D) Receipt of health care.

(E) Medical history.

(F) Genetic information.

(G) Evidence of insurability (including conditions arising out of acts of domestic violence).

(H) Disability.

(2) No application to benefits or exclusions

To the extent consistent with section 1181 of this title, paragraph (1) shall not be construed—

(A) to require a group health plan, or group health insurance coverage, to provide particular benefits other than those provided under the terms of such plan or coverage, or

(B) to prevent such a plan or coverage from establishing limitations or restrictions on the amount, level, extent, or nature of the benefits or coverage for similarly situated individuals enrolled in the plan or coverage.

(3) Construction

For purposes of paragraph (1), rules for eligibility to enroll under a plan include rules defining any applicable waiting periods for such enrollment.

(b) In premium contributions**(1) In general**

A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group health plan, may not require any individual (as a condition of enrollment or continued enrollment under the plan) to pay a premium or contribution which is greater than such premium or contribution for a similarly situated individual enrolled in the plan on the basis of any health status-related factor in relation to the individual or to an individual enrolled under the plan as a dependent of the individual.

(2) Construction

Nothing in paragraph (1) shall be construed—

(A) to restrict the amount that an employer may be charged for coverage under a group health plan except as provided in paragraph (3); or

(3) No group-based discrimination on basis of genetic information**(A) In general**

For purposes of this section, a group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not adjust premium or contribution amounts for the group covered under such plan on the basis of genetic information.

(B) Rule of construction

Nothing in subparagraph (A) or in paragraphs (1) and (2) of subsection (d) shall be construed to limit the ability of a health insurance issuer offering health insurance coverage in connection with a group health plan to increase the premium for an employer based on the manifestation of a disease or disorder of an individual who is enrolled in the plan. In such case, the manifestation of a disease or disorder in one individual cannot also be used as genetic information about other group members and to further increase the premium for the employer.

(c) Genetic testing**(1) Limitation on requesting or requiring genetic testing**

A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group health plan, shall not request or require an individual or a family member of such individual to undergo a genetic test.

Paragraph (1) shall not be construed to limit the authority of a health care professional who is providing health care services to an individual to request that such individual undergo a genetic test.

(3) Rule of construction regarding payment**(A) In general**

Nothing in paragraph (1) shall be construed to preclude a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, from obtaining and using the results of a genetic test in making a determination regarding payment (as such term is defined for the purposes of applying the regulations promulgated by the Secretary of Health and Human Services under part C of title XI of the Social Security Act [42 U.S.C. 1320d et seq.] and section 264 of the Health Insurance Portability and Accountability Act of 1996, as may be revised from time to time) consistent with subsection (a).

(i) compliance with the request is voluntary; and

(ii) non-compliance will have no effect on enrollment status or premium or contribution amounts.

(C) No genetic information collected or acquired under this paragraph shall be used for underwriting purposes.

(D) The plan or issuer notifies the Secretary in writing that the plan or issuer is conducting activities pursuant to the exception provided for under this paragraph, including a description of the activities conducted.

(3) Incidental collection

If a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, obtains genetic information incidental to the requesting, requiring, or purchasing of other information concerning any individual, such request, requirement, or purchase shall not be considered a violation of paragraph (2) if such request, requirement, or purchase is not in violation of paragraph (1).

The provisions of subsections (a)(1)(F), (b)(3), (c), and (d), and subsection (b)(1) and section 1181 of this title with respect to genetic information, shall apply to group health plans and health insurance issuers without regard to section 1191a(a) of this title.

(2) Exception

Paragraph (1)(A) shall not apply in connection with any group health plan or health insurance issuer in any case in which the decision to discharge the mother or her newborn child prior to the expiration of the minimum length of stay otherwise required under paragraph (1)(A) is made by an attending provider in consultation with the mother.

(b) Prohibitions

A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not—

(2) Construction

Section 1191(a)(1) of this title shall not be construed as superseding a State law described in paragraph (1).

section 603(c) of Pub. L. 104-204, set out as an Effective Date of 1996 Amendment note under section 1003 of this title.

§ 1185a. Parity in mental health and substance use disorder benefits

(a) In general

(1) Aggregate lifetime limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) No lifetime limit

If the plan or coverage does not include an aggregate lifetime limit on substantially all medical and surgical benefits, the plan or coverage may not impose any aggregate lifetime limit on mental health or substance use disorder benefits.

(B) Lifetime limit

If the plan or coverage includes an aggregate lifetime limit on substantially all medical and surgical benefits (in this paragraph referred to as the “applicable lifetime limit”), the plan or coverage shall either—

(i) apply the applicable lifetime limit both to the medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any aggregate lifetime limit on mental health or substance use disorder benefits that is less than the applicable lifetime limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different aggregate lifetime limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable lifetime limit an average aggregate lifetime limit that is computed taking into account the weighted average of the aggregate lifetime limits applicable to such categories.

(2) Annual limits

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) No annual limit

If the plan or coverage does not include an annual limit on substantially all medical and surgical benefits, the plan or coverage may not impose any annual limit on mental health or substance use disorder benefits.

(B) Annual limit

If the plan or coverage includes an annual limit on substantially all medical and sur-

gical benefits (in this paragraph referred to as the “applicable annual limit”), the plan or coverage shall either—

(i) apply the applicable annual limit both to medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any annual limit on mental health or substance use disorder benefits that is less than the applicable annual limit.

(C) Rule in case of different limits

In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different annual limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(3) Financial requirements and treatment limitations

(A) In general

In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits, such plan or coverage shall ensure that—

(i) the financial requirements applicable to such mental health or substance use disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance use disorder benefits; and

(ii) the treatment limitations applicable to such mental health or substance use disorder benefits are no more restrictive than the predominant treatment limitations applied to substantially all medical and surgical benefits covered by the plan (or coverage) and there are no separate treatment limitations that are applicable only with respect to mental health or substance use disorder benefits.

(B) Definitions

In this paragraph:

(i) Financial requirement

The term “financial requirement” includes deductibles, copayments, coinsurance, and out-of-pocket expenses, but excludes an aggregate lifetime limit and an annual limit subject to paragraphs (1) and (2),¹

¹ So in original. The comma probably should be a period.

(ii) Predominant

A financial requirement or treatment limit is considered to be predominant if it is the most common or frequent of such type of limit or requirement.

(iii) Treatment limitation

The term “treatment limitation” includes limits on the frequency of treatment, number of visits, days of coverage, or other similar limits on the scope or duration of treatment.

(4) Availability of plan information

The criteria for medical necessity determinations made under the plan with respect to mental health or substance use disorder benefits (or the health insurance coverage offered in connection with the plan with respect to such benefits) shall be made available by the plan administrator (or the health insurance issuer offering such coverage) in accordance with regulations to any current or potential participant, beneficiary, or contracting provider upon request. The reason for any denial under the plan (or coverage) of reimbursement or payment for services with respect to mental health or substance use disorder benefits in the case of any participant or beneficiary shall, on request or as otherwise required, be made available by the plan administrator (or the health insurance issuer offering such coverage) to the participant or beneficiary in accordance with regulations.

(5) Out-of-network providers

In the case of a plan or coverage that provides both medical and surgical benefits and mental health or substance use disorder benefits, if the plan or coverage provides coverage for medical or surgical benefits provided by out-of-network providers, the plan or coverage shall provide coverage for mental health or substance use disorder benefits provided by out-of-network providers in a manner that is consistent with the requirements of this section.

(b) Construction

Nothing in this section shall be construed—

(1) as requiring a group health plan (or health insurance coverage offered in connection with such a plan) to provide any mental health or substance use disorder benefits; or

(2) in the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides mental health or substance use disorder benefits, as affecting the terms and conditions of the plan or coverage relating to such benefits under the plan or coverage, except as provided in subsection (a).

(c) Exemptions**(1) Small employer exemption****(A) In general**

This section shall not apply to any group health plan (and group health insurance coverage offered in connection with a group health plan) for any plan year of a small employer.

(B) Small employer

For purposes of subparagraph (A), the term “small employer” means, in connection with a group health plan with respect to a calendar year and a plan year, an employer who employed an average of at least 2 (or 1 in the case of an employer residing in a State that permits small groups to include a single individual) but not more than 50 employees on business days during the preceding calendar year.

(C) Application of certain rules in determination of employer size

For purposes of this paragraph—

(i) Application of aggregation rule for employers

Rules similar to the rules under subsections (b), (c), (m), and (o) of section 414 of title 26 shall apply for purposes of treating persons as a single employer.

(ii) Employers not in existence in preceding year

In the case of an employer which was not in existence throughout the preceding calendar year, the determination of whether such employer is a small employer shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current calendar year.

(iii) Predecessors

Any reference in this paragraph to an employer shall include a reference to any predecessor of such employer.

(2) Cost exemption**(A) In general**

With respect to a group health plan (or health insurance coverage offered in connection with such a plan), if the application of this section to such plan (or coverage) results in an increase for the plan year involved of the actual total costs of coverage with respect to medical and surgical benefits and mental health and substance use disorder benefits under the plan (as determined and certified under subparagraph (C)) by an amount that exceeds the applicable percentage described in subparagraph (B) of the actual total plan costs, the provisions of this section shall not apply to such plan (or coverage) during the following plan year, and such exemption shall apply to the plan (or coverage) for 1 plan year. An employer may elect to continue to apply mental health and substance use disorder parity pursuant to this section with respect to the group health plan (or coverage) involved regardless of any increase in total costs.

(B) Applicable percentage

With respect to a plan (or coverage), the applicable percentage described in this subparagraph shall be—

(i) 2 percent in the case of the first plan year in which this section is applied; and

(ii) 1 percent in the case of each subsequent plan year.

(C) Determinations by actuaries

Determinations as to increases in actual costs under a plan (or coverage) for purposes of this section shall be made and certified by a qualified and licensed actuary who is a member in good standing of the American Academy of Actuaries. All such determinations shall be in a written report prepared by the actuary. The report, and all underlying documentation relied upon by the actuary, shall be maintained by the group health plan or health insurance issuer for a period of 6 years following the notification made under subparagraph (E).

(D) 6-month determinations

If a group health plan (or a health insurance issuer offering coverage in connection with a group health plan) seeks an exemption under this paragraph, determinations under subparagraph (A) shall be made after such plan (or coverage) has complied with this section for the first 6 months of the plan year involved.

(E) Notification**(i) In general**

A group health plan (or a health insurance issuer offering coverage in connection with a group health plan) that, based upon a certification described under subparagraph (C), qualifies for an exemption under this paragraph, and elects to implement the exemption, shall promptly notify the Secretary, the appropriate State agencies, and participants and beneficiaries in the plan of such election.

(ii) Requirement

A notification to the Secretary under clause (i) shall include—

(I) a description of the number of covered lives under the plan (or coverage) involved at the time of the notification, and as applicable, at the time of any prior election of the cost-exemption under this paragraph by such plan (or coverage);

(II) for both the plan year upon which a cost exemption is sought and the year prior, a description of the actual total costs of coverage with respect to medical and surgical benefits and mental health and substance use disorder benefits under the plan; and

(III) for both the plan year upon which a cost exemption is sought and the year prior, the actual total costs of coverage with respect to mental health and substance use disorder benefits under the plan.

(iii) Confidentiality

A notification to the Secretary under clause (i) shall be confidential. The Secretary shall make available, upon request and on not more than an annual basis, an anonymous itemization of such notifications, that includes—

(I) a breakdown of States by the size and type of employers submitting such notification; and

(II) a summary of the data received under clause (ii).

(F) Audits by appropriate agencies

To determine compliance with this paragraph, the Secretary may audit the books and records of a group health plan or health insurance issuer relating to an exemption, including any actuarial reports prepared pursuant to subparagraph (C), during the 6 year period following the notification of such exemption under subparagraph (E). A State agency receiving a notification under subparagraph (E) may also conduct such an audit with respect to an exemption covered by such notification.

(d) Separate application to each option offered

In the case of a group health plan that offers a participant or beneficiary two or more benefit package options under the plan, the requirements of this section shall be applied separately with respect to each such option.

(e) Definitions

For purposes of this section—

(1) Aggregate lifetime limit

The term “aggregate lifetime limit” means, with respect to benefits under a group health plan or health insurance coverage, a dollar limitation on the total amount that may be paid with respect to such benefits under the plan or health insurance coverage with respect to an individual or other coverage unit.

(2) Annual limit

The term “annual limit” means, with respect to benefits under a group health plan or health insurance coverage, a dollar limitation on the total amount of benefits that may be paid with respect to such benefits in a 12-month period under the plan or health insurance coverage with respect to an individual or other coverage unit.

(3) Medical or surgical benefits

The term “medical or surgical benefits” means benefits with respect to medical or surgical services, as defined under the terms of the plan or coverage (as the case may be), but does not include mental health or substance use disorder benefits.

(4) Mental health benefits

The term “mental health benefits” means benefits with respect to services for mental health conditions, as defined under the terms of the plan and in accordance with applicable Federal and State law.

(5) Substance use disorder benefits

The term “substance use disorder benefits” means benefits with respect to services for substance use disorders, as defined under the terms of the plan and in accordance with applicable Federal and State law.

(f) Secretary report

The Secretary shall, by January 1, 2012, and every two years thereafter, submit to the appropriate committees of Congress a report on compliance of group health plans (and health insurance coverage offered in connection with such

plans) with the requirements of this section. Such report shall include the results of any surveys or audits on compliance of group health plans (and health insurance coverage offered in connection with such plans) with such requirements and an analysis of the reasons for any failures to comply.

(g) Notice and assistance

The Secretary, in cooperation with the Secretaries of Health and Human Services and Treasury, as appropriate, shall publish and widely disseminate guidance and information for group health plans, participants and beneficiaries, applicable State and local regulatory bodies, and the National Association of Insurance Commissioners concerning the requirements of this section and shall provide assistance concerning such requirements and the continued operation of applicable State law. Such guidance and information shall inform participants and beneficiaries of how they may obtain assistance under this section, including, where appropriate, assistance from State consumer and insurance agencies.

§ 1185c. Coverage of dependent students on medically necessary leave of absence

(a) Medically necessary leave of absence

In this section, the term “medically necessary leave of absence” means, with respect to a dependent child described in subsection (b)(2) in connection with a group health plan or health insurance coverage offered in connection with such plan, a leave of absence of such child from a postsecondary educational institution (including an institution of higher education as defined in section 1002 of title 20), or any other change in enrollment of such child at such an institution, that—

- (1) commences while such child is suffering from a serious illness or injury;
- (2) is medically necessary; and
- (3) causes such child to lose student status for purposes of coverage under the terms of the plan or coverage.

(b) Requirement to continue coverage

(1) In general

In the case of a dependent child described in paragraph (2), a group health plan, or a health insurance issuer that provides health insurance coverage in connection with a group health plan, shall not terminate coverage of such child under such plan or health insurance coverage due to a medically necessary leave of absence before the date that is the earlier of—

- (A) the date that is 1 year after the first day of the medically necessary leave of absence; or
- (B) the date on which such coverage would otherwise terminate under the terms of the plan or health insurance coverage.

(2) Dependent child described

A dependent child described in this paragraph is, with respect to a group health plan

(A) is a dependent child, under the terms of the plan or coverage, of a participant or beneficiary under the plan or coverage; and

(3) Certification by physician

Paragraph (1) shall apply to a group health plan or health insurance coverage offered by an issuer in connection with such plan only if the plan or issuer of the coverage has received written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury and that the leave of absence (or other change of enrollment) described in subsection (a) is medically necessary.

(c) Notice

A group health plan, and a health insurance issuer providing health insurance coverage in connection with a group health plan, shall include, with any notice regarding a requirement for certification of student status for coverage under the plan or coverage, a description of the terms of this section for continued coverage during medically necessary leaves of absence. Such description shall be in language which is understandable to the typical plan participant.

(d) No change in benefits

A dependent child whose benefits are continued under this section shall be entitled to the same benefits as if (during the medically necessary leave of absence) the child continued to be a covered student at the institution of higher education and was not on a medically necessary leave of absence.

(e) Continued application in case of changed coverage

If—

(1) a dependent child of a participant or beneficiary is in a period of coverage under a group health plan or health insurance coverage offered in connection with such a plan, pursuant to a medically necessary leave of absence of the child described in subsection (b);

(2) the manner in which the participant or beneficiary is covered under the plan changes, whether through a change in health insurance coverage or health insurance issuer, a change between health insurance coverage and self-insured coverage, or otherwise; and

(3) the coverage as so changed continues to provide coverage of beneficiaries as dependent children,

this section shall apply to coverage of the child under the changed coverage for the remainder of the period of the medically necessary leave of absence of the dependent child under the plan in the same manner as it would have applied if the changed coverage had been the previous coverage.

(Pub. L. 93-406, title I, §714, as added Pub. L. 110-381, §2(a)(1), Oct. 9, 2008, 122 Stat. 4081.)

SUBTITLE A—JURISDICTION, ADMINISTRATION, AND ENFORCEMENT

§ 1201. Procedures in connection with the issuance of certain determination letters by the Secretary of the Treasury covering qualifications under Internal Revenue Code

(a) Additional material required of applicants

Before issuing an advance determination of whether a pension, profit-sharing, or stock bonus plan, a trust which is a part of such a plan, or an annuity or bond purchase plan meets the requirements of part I of subchapter D of chapter 1 of title 26, the Secretary of the Treasury shall require the person applying for the determination to provide, in addition to any material and information necessary for such determination, such other material and information as may reasonably be made available at the time such application is made as the Secretary of Labor may require under subchapter I of this chapter for the administration of that subchapter. The Secretary of the Treasury shall also require that the applicant provide evidence satisfactory to the Secretary that the applicant has notified each employee who qualifies as an interested party (within the meaning of regulations prescribed under section 7476(b)(1) of title 26 (relating to declaratory judgments in connection with the qualification of certain retirement plans)) of the application for a determination.

(b) Opportunity to comment on application

(1) Whenever an application is made to the Secretary of the Treasury for a determination of whether a pension, profit-sharing, or stock bonus plan, a trust which is a part of such a plan, or an annuity or bond purchase plan meets

the requirements of part I of subchapter D of chapter 1 of title 26, the Secretary shall upon request afford an opportunity to comment on the application at any time within 45 days after receipt thereof to—

(A) any employee or class of employee qualifying as an interested party within the meaning of the regulations referred to in subsection (a).¹

(B) the Secretary of Labor, and

(C) the Pension Benefit Guaranty Corporation.

(2) The Secretary of Labor may not request an opportunity to comment upon such an application unless he has been requested in writing to do so by the Pension Benefit Guaranty Corporation or by the lesser of—

(A) 10 employees, or

(B) 10 percent of the employees

who qualify as interested parties within the meaning of the regulations referred to in subsection (a). Upon receiving such a request, the Secretary of Labor shall furnish a copy of the request to the Secretary of the Treasury within 5 days (excluding Saturdays, Sundays, and legal public holidays (as set forth in section 6103 of title 5)).

(3) Upon receiving such a request from the Secretary of Labor, the Secretary of the Treasury shall furnish to the Secretary of Labor such information held by the Secretary of the Treasury relating to the application as the Secretary of Labor may request.

(4) The Secretary of Labor shall, within 30 days after receiving a request from the Pension Benefit Guaranty Corporation or from the necessary number of employees who qualify as interested parties, notify the Secretary of the Treasury, the Pension Benefit Guaranty Corporation, and such employees with respect to whether he is going to comment on the application to which the request relates and with respect to any matters raised in such request on which he is not going to comment. If the Secretary of Labor indicates in the notice required under the preceding sentence that he is not going to comment on all or part of the matters raised in such request, the Secretary of the Treasury shall afford the corporation, and such employees, an opportunity to comment on the application with respect to any matter on which the Secretary of Labor has declined to comment.

(c) Intervention by Pension Benefit Guaranty Corporation or Secretary of Labor into declaratory judgment action under section 7476 of title 26, action by Corporation authorized

The Pension Benefit Guaranty Corporation and, upon petition of a group of employees referred to in subsection (b)(2), the Secretary of Labor, may intervene in any action brought for declaratory judgment under section 7476 of title 26 in accordance with the provisions of such section. The Pension Benefit Guaranty Corporation is permitted to bring an action under such section 7476 under such rules as may be prescribed by the United States Tax Court.

¹ So in original. The period probably should be a comma.

(d) Notification and information by Secretary of the Treasury to Secretary of Labor upon issuance by Secretary of the Treasury of a determination letter to applicant

If the Secretary of the Treasury determines that a plan or trust to which this section applies meets the applicable requirements of part I of subchapter D of chapter 1 of title 26 and issues a determination letter to the applicant, the Secretary shall notify the Secretary of Labor of his determination and furnish such information and material relating to the application and determination held by the Secretary of the Treasury as the Secretary of Labor may request for the proper administration of subchapter I of this chapter. The Secretary of Labor shall accept the determination of the Secretary of the Treasury as prima facie evidence of initial compliance by the plan with the standards of parts 2, 3, and 4 of subtitle B of subchapter I of this chapter. The determination of the Secretary of the Treasury shall not be prima facie evidence on issues relating solely to part 4 of subtitle B of subchapter I. If an application for such a determination is withdrawn, or if the Secretary of the Treasury issues a determination that the plan or trust does not meet the requirements of such part I, the Secretary shall notify the Secretary of Labor of the withdrawal or determination.

(e) Effective date

This section does not apply with respect to an application for any plan received by the Secretary of the Treasury before the date on which section 410 of title 26 applies to the plan, or on which such section will apply if the plan is determined by the Secretary to be a qualified plan.

§ 1202. Procedures with respect to continued compliance with Internal Revenue requirements relating to participation, vesting, and funding standards

(a) Notification by Secretary of the Treasury to Secretary of Labor of issuance of a preliminary notice of intent to disqualify or of commencement of proceedings to determine satisfaction of requirements

In carrying out the provisions of part I of subchapter D of chapter 1 of title 26 with respect to

whether a plan or a trust meets the requirements of section 410(a) or 411 of title 26 (relating to minimum participation standards and minimum vesting standards, respectively), the Secretary of the Treasury shall notify the Secretary of Labor when the Secretary of the Treasury issues a preliminary notice of intent to disqualify related to the plan or trust or, if earlier, at the time of commencing any proceeding to determine whether the plan or trust satisfies such requirements. Unless the Secretary of the Treasury finds that the collection of a tax imposed under title 26 is in jeopardy, the Secretary of the Treasury shall not issue a determination that the plan or trust does not satisfy the requirements of such section until the expiration of a period of 60 days after the date on which he notifies the Secretary of Labor of such review. The Secretary of the Treasury, in his discretion, may extend the 60-day period referred to in the preceding sentence if he determines that such an extension would enable the Secretary of Labor to obtain compliance with such requirements by the plan within the extension period. Except as otherwise provided in this chapter, the Secretary of Labor shall not generally apply part 2 of subtitle B of subchapter I of this chapter to any plan or trust subject to sections 410(a) and 411 of title 26, but shall refer alleged general violations of the vesting or participation standards to the Secretary of the Treasury. (The preceding sentence shall not apply to matters relating to individuals benefits.)

(b) Notification to Secretary of Labor before Secretary of the Treasury sends notice of deficiency under section 4971 of title 26; waiver of imposition of tax; requests for investigation; consultation

Unless the Secretary of the Treasury finds that the collection of a tax is in jeopardy, in carrying out the provisions of section 4971 of title 26 (relating to taxes on the failure to meet minimum funding standards), the Secretary of the Treasury shall notify the Secretary of Labor before sending a notice of deficiency with respect to any tax imposed under that section on an employer, and, in accordance with the provisions of subsection (d) of that section, afford the Secretary of Labor an opportunity to comment on the imposition of the tax in the case. The Secretary of the Treasury may waive the imposition of the tax imposed under section 4971(b) of title 26 in appropriate cases. Upon receiving a written request from the Secretary of Labor or from the Pension Benefit Guaranty Corporation, the Secretary of the Treasury shall cause an investigation to be commenced expeditiously with respect to whether the tax imposed under section 4971 of title 26 should be applied with respect to any employer to which the request relates. § 1232. Protection for employees under Federal procurement, construction, and research contracts and grants

(a) Study and investigation by Secretary of Labor

The Secretary of Labor shall, during the 2-year period beginning on September 2, 1974, conduct a full and complete study and investigation of the steps necessary to be taken to insure that professional, scientific, and technical personnel and others working in associated occupations employed under Federal procurement, construction, or research contracts or grants will, to the extent feasible, be protected against forfeitures of pension or retirement rights or benefits, otherwise provided, as a consequence of job transfers or loss of employment resulting from terminations or modifications of Federal contracts, grants, or procurement policies. The Secretary of Labor shall report the results of his study and investigation to the Congress within 2 years after September 2, 1974. The Secretary of Labor is authorized, to the extent provided by law, to obtain the services of private research institutions and such other persons by contract or other arrangement as he determines necessary in carrying out the provisions of this section.

(b) Consultation

In the course of conducting the study and investigation described in subsection (a), and in developing the regulations referred to in subsection (c), the Secretary of Labor shall consult—

- (1) with appropriate professional societies, business organizations, and labor organizations, and
- (2) with the heads of interested Federal departments and agencies.

(c) Regulations

Within 1 year after the date on which he submits his report to the Congress under subsection (a), the Secretary of Labor shall, if he determines it to be feasible, develop regulations, which will provide the protection of pension and retirement rights and benefits referred to in subsection (a).

(d) Congressional review of regulations; resolution of disapproval

(1) Any regulations developed pursuant to subsection (c) shall take effect if, and only if—

- (A) the Secretary of Labor, not later than the day which is 3 years after September 2, 1974, delivers a copy of such regulations to the

House of Representatives and a copy to the Senate, and

(B) before the close of the 120-day period which begins on the day on which the copies of such regulations are delivered to the House of Representatives and to the Senate, neither the House of Representatives nor the Senate adopts, by an affirmative vote of a majority of those present and voting in that House, a resolution of disapproval.

(2) For purposes of this subsection, the term "resolution of disapproval" means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: "That the ___ does not favor the taking effect of the regulations transmitted to the Congress by the Secretary of Labor on ___", the first blank space therein being filled with the name of the resolving House and the second blank space therein being filled with the day and year.

(3) A resolution of disapproval in the House of Representatives shall be referred to the Committee on Education and Labor. A resolution of disapproval in the Senate shall be referred to the Committee on Labor and Public Welfare.

(4)(A) If the committee to which a resolution of disapproval has been referred has not reported it at the end of 7 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution of disapproval which has been referred to the committee.

(B) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution of disapproval), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(C) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution of disapproval.

(5)(A) When the committee has reported, or has been discharged from further consideration of, a resolution of disapproval, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate on the resolution of disapproval shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(6)(A) Motions to postpone, made with respect to the discharge from committee or the consid-

eration of a resolution of disapproval, and motions to proceed to the consideration of other business, shall be decided without debate.

(B) Appeals from the decisions of the Chair relating to the application of the rules of the House of Representatives or the Senate, as the case may be, to the procedure relating to any resolution of disapproval shall be decided without debate.

(7) Whenever the Secretary of Labor transmits copies of the regulations to the Congress, a copy of such regulations shall be delivered to each House of Congress on the same day and shall be delivered to the Clerk of the House of Representatives if the House is not in session and to the Secretary of the Senate if the Senate is not in session.

(8) The 120 day period referred to in paragraph (1) shall be computed by excluding—

(A) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain or an adjournment of the Congress sine die, and

(B) any Saturday and Sunday, not excluded under subparagraph (A), when either House is not in session.

(9) This subsection is enacted by the Congress—

(A) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions of disapproval described in paragraph (2); and they supersede other rules only to the extent that they are inconsistent therewith; and

(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedures of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

Titles I, III, and IV of such Act are classified principally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 1001 of this title and Tables.

CODIFICATION

In subsec. (a)(14)(C)(ii)(I), “section 40102(a)(2) of title 49” substituted for “section 101(3) of the Federal Aviation Act of 1958” and “section 41102 of title 49” substituted for “section 401 of such Act” on authority of Pub. L. 103-272, § 6(b), July 5, 1994, 108 Stat. 1378, the first section of which enacted subtitles II, III, and V to X of Title 49, Transportation.

(IV) \$2.60 for each participant, for the ninth plan year, and for each succeeding plan year,

(iv) in the case of a multiemployer plan, for plan years beginning after December 31, 2005,

and before January 1, 2013, \$8.00 for each individual who is a participant in such plan during the applicable plan year,

(v) in the case of a multiemployer plan, for plan years beginning after December 31, 2012, and before January 1, 2015, \$12.00 for each individual who is a participant in such plan during the applicable plan year, or

(vi) in the case of a multiemployer plan, for plan years beginning after December 31, 2014, \$26 for each individual who is a participant in such plan during the applicable plan year.

(B) The corporation may prescribe by regulation the extent to which the rate described in subparagraph (A)(i) applies more than once for any plan year to an individual participating in more than one plan maintained by the same employer, and the corporation may prescribe regulations under which the rate described in clause (iii) or (iv) of subparagraph (A) will not apply to the same participant in any multiemployer plan more than once for any plan year.

(C)(i) If the sum of—

(I) the amounts in any fund for basic benefits guaranteed for multiemployer plans, and

(II) the value of any assets held by the corporation for payment of basic benefits guaranteed for multiemployer plans,

is for any calendar year less than 2 times the amount of basic benefits guaranteed by the corporation under this subchapter for multiemployer plans which were paid out of any such fund or assets during the preceding calendar year, the annual premium rates under subparagraph (A) shall be increased to the next highest premium level necessary to insure that such sum will be at least 2 times greater than such amount during the following calendar year.

(ii) If the board of directors of the corporation determines that an increase in the premium rates under subparagraph (A) is necessary to provide assistance to plans which are receiving assistance under section 1431 of this title and to plans the board finds are reasonably likely to require such assistance, the board may order such increase in the premium rates.

(iii) The maximum annual premium rate which may be established under this subparagraph is \$2.60 for each participant.

(iv) The provisions of this subparagraph shall not apply if the annual premium rate is increased to a level in excess of \$2.60 per participant under any other provisions of this subchapter.

(D)(i) Not later than 120 days before the date on which an increase under subparagraph (C)(ii) is to become effective, the corporation shall publish in the Federal Register a notice of the determination described in subparagraph (C)(ii), the basis for the determination, the amount of the increase in the premium, and the anticipated increase in premium income that would result from the increase in the premium rate. The notice shall invite public comment, and shall provide for a public hearing if one is requested. Any such hearing shall be commenced not later than 60 days before the date on which the increase is to become effective.

(ii) The board of directors shall review the hearing record established under clause (i) and

¹ So in original.

² So in original. The period probably should be a semicolon.

shall, not later than 30 days before the date on which the increase is to become effective, determine (after consideration of the comments received) whether the amount of the increase should be changed and shall publish its determination in the Federal Register.

(E)(i) Except as provided in subparagraph (H), the additional premium determined under this subparagraph with respect to any plan for any plan year—

(I) shall be an amount equal to the amount determined under clause (ii) divided by the number of participants in such plan as of the close of the preceding plan year;

(II) in the case of plan years beginning in a calendar year after 2012 and before 2016, shall not exceed \$400³ and

(III) in the case of plan years beginning in a calendar year after 2015, shall not exceed \$500.

(ii) The amount determined under this clause for any plan year shall be an amount equal to the applicable dollar amount under paragraph (8) for each \$1,000 (or fraction thereof) of unfunded vested benefits under the plan as of the close of the preceding plan year.

(iii) For purposes of clause (ii), the term “unfunded vested benefits” means, for a plan year, the excess (if any) of—

(I) the funding target of the plan as determined under section 1083(d) of this title for the plan year by only taking into account vested benefits and by using the interest rate described in clause (iv), over

(II) the fair market value of plan assets for the plan year which are held by the plan on the valuation date.

(iv) The interest rate used in valuing benefits for purposes of subclause (I) of clause (iii) shall be equal to the first, second, or third segment rate for the month preceding the month in which the plan year begins, which would be determined under section 1083(h)(2)(C) of this title (notwithstanding any regulations issued by the corporation, determined by not taking into account any adjustment under clause (iv) thereof) if section 1083(h)(2)(D) of this title were applied by using the monthly yields for the month preceding the month in which the plan year begins on investment grade corporate bonds with varying maturities and in the top 3 quality levels rather than the average of such yields for a 24-month period.

(F) For each plan year beginning in a calendar year after 2006 and before 2013, there shall be substituted for the premium rate specified in clause (i) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (i) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004 (2012 in the case of plan years beginning after calendar year 2014); and

(ii) the premium rate in effect under clause (i) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(G) For each plan year beginning in a calendar year after 2019, there shall be substituted for the premium rate specified in clause (i) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (i) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2017; and

(ii) the premium rate in effect under clause (i) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(H) For each plan year beginning in a calendar year after 2006, there shall be substituted for the premium rate specified in clause (iv) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (iv) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004; and

(ii) the premium rate in effect under clause (iv) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(I)(i) In the case of an employer who has 25 or fewer employees on the first day of the plan year, the additional premium determined under subparagraph (E) for each participant shall not exceed \$5 multiplied by the number of participants in the plan as of the close of the preceding plan year.

(ii) For purposes of clause (i), whether an employer has 25 or fewer employees on the first day of the plan year is determined by taking into consideration all of the employees of all members of the contributing sponsor's controlled group. In the case of a plan maintained by two or more contributing sponsors, the employees of all contributing sponsors and their controlled groups shall be aggregated for purposes of determining whether the 25-or-fewer-employees limitation has been satisfied.

(J) For each plan year beginning in a calendar year after 2013, there shall be substituted for the premium rate specified in clause (v) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (v) of subparagraph (A) by the ratio of—

³So in original. Probably should be followed by a semicolon.

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2011; and

(ii) the premium rate in effect under clause (v) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(K) For each plan year beginning in a calendar year after 2013 and before 2016, there shall be substituted for the dollar amount specified in subclause (II) of subparagraph (E)(i) an amount equal to the greater of—

(i) the product derived by multiplying such dollar amount by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2011; and

(ii) such dollar amount for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(L) For each plan year beginning in a calendar year after 2016, there shall be substituted for the dollar amount specified in subclause (III) of subparagraph (E)(i) an amount equal to the greater of—

(i) the product derived by multiplying such dollar amount by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2014; and

(ii) such dollar amount for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(M) For each plan year beginning in a calendar year after 2015, there shall be substituted for the dollar amount specified in clause (vi) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying such dollar amount by the ratio of—

(II) the national average wage index (as so defined) for 2013; and

(ii) such dollar amount for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(4) The corporation may prescribe, subject to the enactment of a joint resolution in accordance with this section or section 1322a(f) of this title, alternative schedules of premium rates, and bases for the application of those rates, for basic benefits guaranteed by it under sections 1322 and 1322a of this title based, in whole or in part, on the risks insured by the corporation in each plan.

(5)(A) In carrying out its authority under paragraph (1) to establish schedules of premium rates, and bases for the application of those rates, for nonbasic benefits guaranteed under sections 1322 and 1322a of this title the premium rates charged by the corporation for any period for nonbasic benefits guaranteed shall—

(i) be uniform by category of nonbasic benefits guaranteed,

(ii) be based on the risks insured in each category, and

(iii) reflect the experience of the corporation (including experience which may be reasonably anticipated) in guaranteeing such benefits.

(B) Notwithstanding subparagraph (A), premium rates charged to any multiemployer plan by the corporation for any period for supplemental guarantees under section 1322a(g)(2) of this title may reflect any reasonable considerations which the corporation determines to be appropriate.

(6)(A) In carrying out its authority under paragraph (1) to establish premium rates and bases for basic benefits guaranteed under section 1322 of this title with respect to single-employer plans, the corporation shall establish such rates and bases in coverage schedules in accordance with the provisions of this paragraph.

(B) The corporation may establish annual premiums for single-employer plans composed of the sum of—

(i) a charge based on a rate applicable to the excess, if any, of the present value of the basic benefits of the plan which are guaranteed over the value of the assets of the plan, not in excess of 0.1 percent, and

(ii) an additional charge based on a rate applicable to the present value of the basic benefits of the plan which are guaranteed.

The rate for the additional charge referred to in clause (ii) shall be set by the corporation for every year at a level which the corporation estimates will yield total revenue approximately equal to the total revenue to be derived by the corporation from the charges referred to in clause (i) of this subparagraph.

(C) The corporation may establish annual premiums for single-employer plans based on—

(i) the number of participants in a plan, but such premium rates shall not exceed the rates described in paragraph (3),

(ii) unfunded basic benefits guaranteed under this subchapter, but such premium rates shall not exceed the limitations applicable to charges referred to in subparagraph (B)(i), or

(iii) total guaranteed basic benefits, but such premium rates shall not exceed the rates for additional charges referred to in subparagraph (B)(ii).

If the corporation uses two or more of the rate bases described in this subparagraph, the pre-

mium rates shall be designed to produce approximately equal amounts of aggregate premium revenue from each of the rate bases used.

(D) For purposes of this paragraph, the corporation shall by regulation define the terms “value of assets” and “present value of the benefits of the plan which are guaranteed” in a manner consistent with the purposes of this subchapter and the provisions of this section.

(7) PREMIUM RATE FOR CERTAIN TERMINATED SINGLE-EMPLOYER PLANS.—

(A) IN GENERAL.—If there is a termination of a single-employer plan under clause (ii) or (iii) of section 1341(c)(2)(B) of this title or section 1342 of this title, there shall be payable to the corporation, with respect to each applicable 12-month period, a premium at a rate equal to \$1,250 multiplied by the number of individuals who were participants in the plan immediately before the termination date. Such premium shall be in addition to any other premium under this section.

(B) SPECIAL RULE FOR PLANS TERMINATED IN BANKRUPTCY REORGANIZATION.—In the case of a single-employer plan terminated under section 1341(c)(2)(B)(ii) of this title or under section 1342 of this title during pendency of any bankruptcy reorganization proceeding under chapter 11 of title 11 or under any similar law of a State or a political subdivision of a State (or a case described in section 1341(c)(2)(B)(i) of this title filed by or against such person has been converted, as of such date, to such a case in which reorganization is sought), subparagraph (A) shall not apply to such plan until the date of the discharge or dismissal of such person in such case.

(C) APPLICABLE 12-MONTH PERIOD.—For purposes of subparagraph (A)—

(i) IN GENERAL.—The term “applicable 12-month period” means—

(I) the 12-month period beginning with the first month following the month in which the termination date occurs, and

(II) each of the first two 12-month periods immediately following the period described in subclause (I).

(ii) PLANS TERMINATED IN BANKRUPTCY REORGANIZATION.—In any case in which the requirements of subparagraph (B) are met in connection with the termination of the plan with respect to 1 or more persons described in such subparagraph, the 12-month period described in clause (i)(I) shall be the 12-month period beginning with the first month following the month which includes the earliest date as of which each such person is discharged or dismissed in the case described in such clause in connection with such person.

(D) COORDINATION WITH SECTION 1307.—

(i) Notwithstanding section 1307 of this title—

(I) premiums under this paragraph shall be due within 30 days after the beginning of any applicable 12-month period, and

(II) the designated payor shall be the person who is the contributing sponsor as of immediately before the termination date.

(ii) The fifth sentence of section 1307(a) of this title shall not apply in connection with premiums determined under this paragraph.

(8) APPLICABLE DOLLAR AMOUNT FOR VARIABLE RATE PREMIUM.—For purposes of paragraph (3)(E)(ii)—

(A) IN GENERAL.—Except as provided in subparagraphs (B) and (C), the applicable dollar amount shall be—

(i) \$9 for plan years beginning in a calendar year before 2015;

(iv) for plan years beginning after calendar year 2016, the amount in effect for plan years beginning in 2016 (determined after application of subparagraph (C));

(vi) for plan years beginning after calendar year 2018, the amount in effect for plan years beginning in 2018 (determined after application of subparagraph (C)); and

(vii) for plan years beginning after calendar year 2019, the amount in effect for plan years beginning in 2019 (determined after application of subparagraph (C)).

(B) ADJUSTMENT FOR INFLATION.—For each plan year beginning in a calendar year after 2012, there shall be substituted for the applicable dollar amount specified under subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying such applicable dollar amount for plan years beginning in that calendar year by the ratio of—

(I) the national average wage index (as defined in section 409(k)(1) of title 42) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for the base year; and

(ii) such applicable dollar amount in effect for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(C) ADDITIONAL INCREASES.—The applicable dollar amount determined under subparagraph (A) (after the application of subparagraph (B)) shall be increased—

(i) in the case of plan years beginning in calendar year 2014, by \$4;

(ii) in the case of plan years beginning in calendar year 2015, by \$10;

(iii) in the case of plan years beginning in calendar year 2016, by \$5;

(vi) 2016, in the case of plan years beginning after calendar year 2018; and

(vii) 2017, in the case of plan years beginning after calendar year 2019.

(b) Revised schedule; Congressional procedures applicable

(1) In order to place a revised schedule (other than a schedule described in subsection (a)(2)(C), (D), or (E)) in effect, the corporation shall transmit the proposed schedule, its proposed effective date, and the reasons for its proposal to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives, and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2) The succeeding paragraphs of this subsection are enacted by Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described in paragraph (3). They shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any rule of that House.

(3) For the purpose of the succeeding paragraphs of this subsection, “resolution” means only a joint resolution, the matter after the resolving clause of which is as follows: “The proposed revised schedule transmitted to Congress by the Pension Benefit Guaranty Corporation on _____ is hereby approved.”, the blank space therein being filled with the date on which the corporation’s message proposing the rate was delivered.

(4) A resolution shall be referred to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(5) If a committee to which has been referred a resolution has not reported it before the expiration of 10 calendar days after its introduction, it shall then (but not before) be in order to move to discharge the committee from further consideration of that resolution, or to discharge the

committee from further consideration of any other resolution with respect to the proposed adjustment which has been referred to the committee. The motion to discharge may be made only by a person favoring the resolution, shall be highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same proposed rate), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same proposed rate.

(6) When a committee has reported, or has been discharged from further consideration of a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(7) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution and motions to proceed to the consideration of other business shall be decided without debate. Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution shall be decided without debate.

(ii) with respect to each plan year beginning after December 31, 1977, and before January 1, 1986, an amount equal to \$2.60 for each individual who was a participant in such plan during the plan year, and⁴

(iii) with respect to each plan year beginning after December 31, 1985, and before January 1, 1988, an amount equal to \$8.50 for

each individual who was a participant in such plan during the plan year, and

(B) in the case of each plan which was a multiemployer plan in a plan year, an amount equal to 50 cents for each individual who was a participant in such plan during the plan year.

(2) The rate applicable under this subsection for the plan year preceding September 1, 1975, is the product of—

(A) the rate described in the preceding sentence; and

(B) a fraction—

(i) the numerator of which is the number of calendar months in the plan year which ends after September 2, 1974, and before the date on which the new plan year commences, and

(ii) the denominator of which is 12.

§ 1307. Payment of premiums

(a) Premiums payable when due; accrual; waiver or reduction

The designated payor of each plan shall pay the premiums imposed by the corporation under this subchapter with respect to that plan when they are due. Premiums under this subchapter are payable at the time, and on an estimated, advance, or other basis, as determined by the corporation. Premiums imposed by this subchapter on September 2, 1974 (applicable to that portion of any plan year during which such date occurs) are due within 30 days after such date. Premiums imposed by this subchapter on the first plan year commencing after September 2, 1974, are due within 30 days after such plan year commences. Premiums shall continue to accrue until a plan's assets are distributed pursuant to a termination procedure, or until a trustee is appointed pursuant to section 1342 of this title, whichever is earlier. The corporation may waive or reduce premiums for a multiemployer plan for any plan year during which such plan receives financial assistance from the corporation under section 1431 of this title, except that any amount so waived or reduced shall be treated as financial assistance under such section.

(b) Late payment charge; waiver; interest on overpayment

(1) If any basic benefit premium is not paid when it is due the corporation is authorized to assess a late payment charge of not more than 100 percent of the premium payment which was not timely paid. The preceding sentence shall not apply to any payment of premium made within 60 days after the date on which payment is due, if before such date, the designated payor obtains a waiver from the corporation based upon a showing of substantial hardship arising from the timely payment of the premium. The corporation is authorized to grant a waiver under this subsection upon application made by the designated payor, but the corporation may not grant a waiver if it appears that the designated payor will be unable to pay the premium within 60 days after the date on which it is due. If any premium is not paid by the last date prescribed for a payment, interest on the amount of such premium at the rate imposed under section 6601(a) of title 26 (relating to interest on underpayment, nonpayment, or extensions of time for payment of tax) shall be paid for the period from such last date to the date paid.

(2) The corporation is authorized to pay, subject to regulations prescribed by the corporation, interest on the amount of any overpayment of premium refunded to a designated payor. Interest under this paragraph shall be calculated at the same rate and in the same manner as interest is calculated for underpayments under paragraph (1).

(c) Civil action to recover premium penalty and interest

If any designated payor fails to pay a premium when due, the corporation is authorized to bring a civil action in any district court of the United States within the jurisdiction of which the plan assets are located, the plan is administered, or in which a defendant resides or is found for the recovery of the amount of the premium penalty, and interest, and process may be served in any other district. The district courts of the United States shall have jurisdiction over actions brought under this subsection by the corporation without regard to the amount in controversy.

(d) Basic benefits guarantee not stopped by designated payor's failure to pay premiums when due

The corporation shall not cease to guarantee basic benefits on account of the failure of a designated payor to pay any premium when due.

(e) Designated payor

(1) For purposes of this section, the term “designated payor” means—

(A) the contributing sponsor or plan administrator in the case of a single-employer plan, and

(B) the plan administrator in the case of a multiemployer plan.

(2) If the contributing sponsor of any single-employer plan is a member of a controlled group, each member of such group shall be jointly and severally liable for any premiums required to be paid by such contributing sponsor.

For purposes of the preceding sentence, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of title 26.

EFFECTIVE DATE OF 1980 AMENDMENT

Amendment by Pub. L. 96-364 effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.

§ 1322. Single-employer plan benefits guaranteed**(a) Nonforfeitable benefits**

Subject to the limitations contained in subsection (b), the corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a single-employer plan which terminates at a time when this subchapter applies to it.

(b) Exceptions

(1) Except to the extent provided in paragraph (7)—

(A) no benefits provided by a plan which has been in effect for less than 60 months at the time the plan terminates shall be guaranteed under this section, and

(B) any increase in the amount of benefits under a plan resulting from a plan amendment which was made, or became effective, whichever is later, within 60 months before the date on which the plan terminates shall be disregarded.

(2) For purposes of this subsection, the time a successor plan (within the meaning of section 1321(a) of this title) has been in effect includes the time a previously established plan (within the meaning of section 1321(a) of this title) was in effect. For purposes of determining what benefits are guaranteed under this section in the case of a plan to which section 1321 of this title does not apply on September 3, 1974, the 60-month period referred to in paragraph (1) shall be computed beginning on the first date on which such section does apply to the plan.

(3) The amount of monthly benefits described in subsection (a) provided by a plan, which are

guaranteed under this section with respect to a participant, shall not have an actuarial value which exceeds the actuarial value of a monthly benefit in the form of a life annuity commencing at age 65 equal to the lesser of—

(A) his average monthly gross income from his employer during the 5 consecutive calendar year period (or, if less, during the number of calendar years in such period in which he actively participates in the plan) during which his gross income from that employer was greater than during any other such period with that employer determined by dividing $\frac{1}{2}$ of the sum of all such gross income by the number of such calendar years in which he had such gross income, or

(B) \$750 multiplied by a fraction, the numerator of which is the contribution and benefit base (determined under section 230 of the Social Security Act [42 U.S.C. 430]) in effect at the time the plan terminates and the denominator of which is such contribution and benefit base in effect in calendar year 1974.

The provisions of this paragraph do not apply to non-basic benefits. The maximum guaranteed monthly benefit shall not be reduced solely on account of the age of a participant in the case of a benefit payable by reason of disability that occurred on or before the termination date, if the participant demonstrates to the satisfaction of the corporation that the Social Security Administration has determined that the participant satisfies the definition of disability under title II or XVI of the Social Security Act [42 U.S.C. 401 et seq.; 1381 et seq.], and the regulations thereunder. If a benefit payable by reason of disability is converted to an early or normal retirement benefit for reasons other than a change in the health of the participant, such early or normal retirement benefit shall be treated as a continuation of the benefit payable by reason of disability and this subparagraph shall continue to apply.

(4)(A) The actuarial value of a benefit, for purposes of this subsection, shall be determined in accordance with regulations prescribed by the corporation.

(B) For purposes of paragraph (3)—

(i) the term “gross income” means “earned income” within the meaning of section 911(b) of title 26 (determined without regard to any community property laws),

(ii) in the case of a participant in a plan under which contributions are made by more than one employer, amounts received as gross income from any employer under that plan shall be aggregated with amounts received from any other employer under that plan during the same period, and

(iii) any non-basic benefit shall be disregarded.

(5)(A) For purposes of this paragraph, the term “majority owner” means an individual who, at any time during the 60-month period ending on the date the determination is being made—

(i) owns the entire interest in an unincorporated trade or business,

(ii) in the case of a partnership, is a partner who owns, directly or indirectly, 50 percent or more of either the capital interest or the profits interest in such partnership, or

(iii) in the case of a corporation, owns, directly or indirectly, 50 percent or more in value of either the voting stock of that corporation or all the stock of that corporation.

For purposes of clause (iii), the constructive ownership rules of section 1563(e) of title 26 (other than paragraph (3)(C) thereof) shall apply, including the application of such rules under section 414(c) of title 26.

(B) In the case of a participant who is a majority owner, the amount of benefits guaranteed under this section shall equal the product of—

(i) a fraction (not to exceed 1) the numerator of which is the number of years from the later of the effective date or the adoption date of the plan to the termination date, and the denominator of which is 10, and

(ii) the amount of benefits that would be guaranteed under this section if the participant were not a majority owner.

(6)(A) No benefits accrued under a plan after the date on which the Secretary of the Treasury issues notice that he has determined that any trust which is a part of a plan does not meet the requirements of section 401(a) of title 26, or that the plan does not meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph does not apply if the Secretary subsequently issues a notice that such trust meets the requirements of section 401(a) of title 26 or that the plan meets the requirements of section 404(a)(2) of title 26 and if the Secretary determines that the trust or plan has taken action necessary to meet such requirements during the period between the issuance of the notice referred to in the preceding sentence and the issuance of the notice referred to in this sentence.

(B) No benefits accrued under a plan after the date on which an amendment of the plan is adopted which causes the Secretary of the Treasury to determine that any trust under the plan has ceased to meet the requirements of section 401(a) of title 26 or that the plan has ceased to meet the requirements of section 404(a)(2) of title 26, are guaranteed under this section unless such determination is erroneous. This subparagraph shall not apply if the amendment is revoked as of the date it was first effective or amended to comply with such requirements.

(7) Benefits described in paragraph (1) are guaranteed only to the extent of the greater of—

(A) 20 percent of the amount which, but for the fact that the plan or amendment has not been in effect for 60 months or more, would be guaranteed under this section, or

(B) \$20 per month,

multiplied by the number of years (but not more than 5) the plan or amendment, as the case may be, has been in effect. In determining how many years a plan or amendment has been in effect for purposes of this paragraph, the first 12 months beginning with the date on which the plan or amendment is made or first becomes effective (whichever is later) constitutes one year, and each consecutive period of 12 months thereafter constitutes an additional year. This paragraph does not apply to benefits payable under a plan unless the corporation finds substantial evi-

dence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter.

(8) If an unpredictable contingent event benefit (as defined in section 1056(g)(1) of this title) is payable by reason of the occurrence of any event, this section shall be applied as if a plan amendment had been adopted on the date such event occurred.

(c) Payment by corporation to participants and beneficiaries of recovery percentage of outstanding amount of benefit liabilities

(1) In addition to benefits paid under the preceding provisions of this section with respect to a terminated plan, the corporation shall pay the portion of the amount determined under paragraph (2) which is allocated with respect to each participant under section 1344(a) of this title. Such payment shall be made to such participant or to such participant's beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(2) The amount determined under this paragraph is an amount equal to the product derived by multiplying—

(A) the outstanding amount of benefit liabilities under the plan (including interest calculated from the termination date), by

(B) the applicable recovery ratio.

(3)(A) IN GENERAL.—Except as provided in subparagraph (C), the term “recovery ratio” means the ratio which—

(i) the sum of the values of all recoveries under section 1362, 1363, or 1364 of this title, determined by the corporation in connection with plan terminations described under subparagraph (B), bears to

(ii) the sum of all unfunded benefit liabilities under such plans as of the termination date in connection with any such prior termination.

(B) A plan termination described in this subparagraph is a termination with respect to which—

(i) the corporation has determined the value of recoveries under section 1362, 1363, or 1364 of this title, and

(ii) notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 1342 of this title was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate (or the notice of determination under section 1342 of this title) with respect to the plan termination for which the recovery ratio is being determined.

(C) In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds \$20,000,000, for purposes of this section, the term “recovery ratio” means, with respect to the termination of such plan, the ratio of—

(i) the value of the recoveries of the corporation under section 1362, 1363, or 1364 of this title in connection with such plan, to

(ii) the amount of unfunded benefit liabilities under such plan as of the termination date.

(4) Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

(d) Authorization to guarantee other classes of benefits

The corporation is authorized to guarantee the payment of such other classes of benefits and to establish the terms and conditions under which such other classes of benefits are guaranteed as it determines to be appropriate.

(e) Nonforfeitability of preretirement survivor annuity

For purposes of subsection (a), a qualified preretirement survivor annuity (as defined in section 1055(e)(1) of this title) with respect to a participant under a terminated single-employer plan shall not be treated as forfeitable solely because the participant has not died as of the termination date.

(f) Effective date of plan amendments

For purposes of this section, the effective date of a plan amendment described in section 1054(i)(1) of this title shall be the effective date of the plan of reorganization of the employer described in section 1054(i)(1) of this title or, if later, the effective date stated in such amendment.

(g) Bankruptcy filing substituted for termination date

If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11 or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then this section shall be applied by treating the date such petition was filed as the termination date of the plan.

(h) Special rule for plans electing certain funding requirements

If any plan makes an election under section 402(a)(1) of the Pension Protection Act of 2006 and is terminated effective before the end of the 10-year period beginning on the first day of the first applicable plan year—

(1) this section shall be applied—

(A) by treating the first day of the first applicable plan year as the termination date of the plan, and

(B) by determining the amount of guaranteed benefits on the basis of plan assets and liabilities as of such assumed termination date, and

(2) notwithstanding section 1344(a) of this title, plan assets shall first be allocated to pay the amount, if any, by which—

(A) the amount of guaranteed benefits under this section (determined without regard to paragraph (1) and on the basis of plan assets and liabilities as of the actual date of plan termination), exceeds

(B) the amount determined under paragraph (1).

§ 1322a. Multiemployer plan benefits guaranteed

(a) Benefits of covered plans subject to guarantee

The corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a multiemployer plan—

(1) to which this subchapter applies, and

(2) which is insolvent under section 1426(b) or 1441(d)(2) of this title.

(b) Benefits or benefit increases not eligible for guarantee

(1)(A) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months is not eligible for the corporation's guarantee. For purposes of this paragraph, any month of any plan year during which the plan was insolvent or terminated (within the meaning of section 1341a(a)(2) of this title) shall not be taken into account.

(B) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months before the first day of the plan year for which an amendment reducing the benefit or the benefit increase is taken into account under section 1425(a)(2)¹ of this title in determining the minimum contribution requirement for the plan year under section 1423(b)¹ of this title is not eligible for the corporation's guarantee.

(2) For purposes of this section—

(A) the date on which a benefit or a benefit increase under a plan is first in effect is the later of—

(i) the date on which the documents establishing or increasing the benefit were executed, or

(ii) the effective date of the benefit or benefit increase;

(B) the period of time for which a benefit or a benefit increase has been in effect under a successor plan includes the period of time for which the benefit or benefit increase was in effect under a previously established plan; and

(C) in the case of a plan to which section 1321 of this title did not apply on September 3, 1974, the time periods referred to in this section are computed beginning on the date on which section 1321 of this title first applies to the plan.

(c) Determinations respecting amount of guarantee

(1) Except as provided in subsection (g), the monthly benefit of a participant or a beneficiary which is guaranteed under this section by the corporation with respect to a plan is the product of—

(A) 100 percent of the accrual rate up to \$11, plus 75 percent of the lesser of—

(i) \$33, or

(ii) the accrual rate, if any, in excess of \$11, and

(B) the number of the participant's years of credited service.

(2) For purposes of this section, the accrual rate is—

¹ See References in Text note below.

(A) the monthly benefit of the participant or beneficiary which is described in subsection (a) and which is eligible for the corporation's guarantee under subsection (b), except that such benefit shall be—

(i) no greater than the monthly benefit which would be payable under the plan at normal retirement age in the form of a single life annuity, and

(ii) determined without regard to any reduction under section 411(a)(3)(E) of title 26; divided by

(B) the participant's years of credited service.

(3) For purposes of this subsection—

(A) a year of credited service is a year in which the participant completed—

(i) a full year of participation in the plan, or

(ii) any period of service before participation which is credited for purposes of benefit accrual as the equivalent of a full year of participation;

(B) any year for which the participant is credited for purposes of benefit accrual with a fraction of the equivalent of a full year of participation shall be counted as such a fraction of a year of credited service; and

(C) years of credited service shall be determined by including service which may otherwise be disregarded by the plan under section 411(a)(3)(E) of title 26.

(4) For purposes of subsection (a), in the case of a qualified preretirement survivor annuity (as defined in section 1055(e)(1) of this title) payable to the surviving spouse of a participant under a multiemployer plan which becomes insolvent under section 1426(b) of this title or 1441(d)(2) of this title or is terminated, such annuity shall not be treated as forfeitable solely because the participant has not died as of the date on which the plan became so insolvent or the termination date.

(d) Amount of guarantee of reduced benefit

In the case of a benefit which has been reduced under section 411(a)(3)(E) of title 26, the corporation shall guarantee the lesser of—

(1) the reduced benefit, or

(2) the amount determined under subsection (c).

(e) Ineligibility of benefits for guarantee

The corporation shall not guarantee benefits under a multiemployer plan which, under section 1322(b)(6) of this title, would not be guaranteed under a single-employer plan.

(f) Study, report, etc., respecting premium increase in existing basic-benefit guarantee levels; Congressional procedures applicable for revision of schedules

(1) No later than 5 years after September 26, 1980, and at least every fifth year thereafter, the corporation shall—

(A) conduct a study to determine—

(i) the premiums needed to maintain the basic-benefit guarantee levels for multiemployer plans described in subsection (c), and

(ii) whether the basic-benefit guarantee levels for multiemployer plans may be in-

creased without increasing the basic-benefit premiums for multiemployer plans under this subchapter; and

(B) report such determinations to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2)(A) If the last report described in paragraph (1) indicates that a premium increase is necessary to support the existing basic-benefit guarantee levels for multiemployer plans, the corporation shall transmit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of any calendar year in which congressional action under this subsection is requested—

(i) a revised schedule of basic-benefit guarantees for multiemployer plans which would be necessary in the absence of an increase in premiums approved in accordance with section 1306(b) of this title,

(ii) a revised schedule of basic-benefit premiums for multiemployer plans which is necessary to support the existing basic-benefit guarantees for such plans, and

(iii) a revised schedule of basic-benefit guarantees for multiemployer plans for which the schedule of premiums necessary is higher than the existing premium schedule for such plans but lower than the revised schedule of premiums for such plans specified in clause (ii), together with such schedule of premiums.

(B) The revised schedule of increased premiums referred to in subparagraph (A)(ii) or (A)(iii) shall go into effect as approved by the enactment of a joint resolution.

(C) If an increase in premiums is not so enacted, the revised guarantee schedule described in subparagraph (A)(i) shall go into effect on the first day of the second calendar year following the year in which such revised guarantee schedule was submitted to the Congress.

(3)(A) If the last report described in paragraph (1) indicates that basic-benefit guarantees for multiemployer plans can be increased without increasing the basic-benefit premiums for multiemployer plans under this subchapter, the corporation shall submit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of the calendar year in which congressional action under this paragraph is requested—

(i) a revised schedule of increases in the basic-benefit guarantees which can be supported by the existing schedule of basic-benefit premiums for multiemployer plans, and

(ii) a revised schedule of basic-benefit premiums sufficient to support the existing basic-benefit guarantees.

(B) The revised schedules referred to in subparagraph (A)(i) or subparagraph (A)(ii) shall go

into effect as approved by the enactment of a joint resolution.

(4)(A) The succeeding subparagraphs of this paragraph are enacted by the Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of joint resolutions (as defined in subparagraph (B)). Such subparagraphs shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any rule of that House.

(B) For purposes of this subsection, “joint resolution” means only a joint resolution, the matter after the resolving clause of which is as follows: “The proposed schedule described in

transmitted to the Congress by the Pension Benefit Guaranty Corporation on _____ is hereby approved.”, the first blank space therein being filled with “section 4022A(f)(2)(A)(ii) of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(2)(A)(iii) of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(3)(A)(i) of the Employee Retirement Income Security Act of 1974”, or “section 4022A(f)(3)(A)(ii) of the Employee Retirement Income Security Act of 1974” (whichever is applicable), and the second blank space therein being filled with the date on which the corporation’s message proposing the revision was submitted.

(C) The procedure for disposition of a joint resolution shall be the procedure described in section 1306(b)(4) through (7) of this title.

(g) Guarantee of payment of other classes of benefits and establishment of terms and conditions of guarantee; promulgation of regulations for establishment of supplemental program to guarantee benefits otherwise ineligible; status of benefits; applicability of revised schedule of premiums

(1) The corporation may guarantee the payment of such other classes of benefits under multiemployer plans, and establish the terms and conditions under which those other classes of benefits are guaranteed, as it determines to be appropriate.

(2)(A) The corporation shall prescribe regulations to establish a supplemental program to guarantee benefits under multiemployer plans which would be guaranteed under this section but for the limitations in subsection (c). Such regulations shall be proposed by the corporation no later than the end of the 18th calendar month following September 26, 1980. The regulations shall make coverage under the supplemental program available no later than January 1, 1983. Any election to participate in the supplemental program shall be on a voluntary basis, and a plan electing such coverage shall continue to pay the premiums required under section 1306(a)(2)(B) of this title to the revolving fund used pursuant to section 1305 of this title in con-

nection with benefits otherwise guaranteed under this section. Any such election shall be irrevocable, except to the extent otherwise provided by regulations prescribed by the corporation.

(B) The regulations prescribed under this paragraph shall provide—

(i) that a plan must elect coverage under the supplemental program within the time permitted by the regulations;

(ii) unless the corporation determines otherwise, that a plan may not elect supplemental coverage unless the value of the assets of the plan as of the end of the plan year preceding the plan year in which the election must be made is an amount equal to 15 times the total amount of the benefit payments made under the plan for that year; and

(iii) such other reasonable terms and conditions for supplemental coverage, including funding standards and any other reasonable limitations with respect to plans or benefits covered or to means of program financing, as the corporation determines are necessary and appropriate for a feasible supplemental program consistent with the purposes of this subchapter.

(3) Any benefits guaranteed under this subsection shall be considered nonbasic benefits for purposes of this subchapter.

(4)(A) No revised schedule of premiums under this subsection, after the initial schedule, shall go into effect unless—

(i) the revised schedule is submitted to the Congress, and

(ii) a joint resolution described in subparagraph (B) is not enacted before the close of the 60th legislative day after such schedule is submitted to the Congress.

(B) For purposes of subparagraph (A), a joint resolution described in this subparagraph is a joint resolution the matter after the resolving clause of which is as follows: “The revised premium schedule transmitted to the Congress by the Pension Benefit Guaranty Corporation under section 4022A(g)(4) of the Employee Retirement Income Security Act of 1974 on _____ is hereby disapproved.”, the blank space therein being filled with the date on which the revised schedule was submitted.

(C) For purposes of subparagraph (A), the term “legislative day” means any calendar day other than a day on which either House is not in session because of a sine die adjournment or an adjournment of more than 3 days to a day certain.

(D) The procedure for disposition of a joint resolution described in subparagraph (B) shall be the procedure described in paragraphs (4) through (7) of section 1306(b) of this title.

(5) Regulations prescribed by the corporation to carry out the provisions of this subsection, may, to the extent provided therein, supersede the requirements of sections 1426, 1431, and 1441 of this title, and the requirements of section 418E of title 26, but only with respect to benefits guaranteed under this subsection.

(h) Applicability to nonforfeitable benefits accrued as of July 30, 1980; manner and extent of guarantee

(1) Except as provided in paragraph (3), subsections (b) and (c) shall not apply with respect

to the nonforfeitable benefits accrued as of July 29, 1980, with respect to a participant or beneficiary under a multiemployer plan—

- (1) who is in pay status on July 29, 1980, or
- (2) who is within 36 months of the normal retirement age and has a nonforfeitable right to a pension as of that date.

(2) The benefits described in paragraph (1) shall be guaranteed by the corporation in the same manner and to the same extent as benefits are guaranteed by the corporation under section 1322 of this title (without regard to this section).

(3) This subsection does not apply with respect to a plan for plan years following a plan year—

(A) in which the plan has terminated within the meaning of section 1341a(a)(2) of this title, or

(B) in which it is determined by the corporation that substantially all the employers have withdrawn from the plan pursuant to an agreement or arrangement to withdraw.

SUBTITLE C—TERMINATIONS

§ 1341. Termination of single-employer plans

(a) General rules governing single-employer plan terminations

(1) Exclusive means of plan termination

Except in the case of a termination for which proceedings are otherwise instituted by the corporation as provided in section 1342 of this title, a single-employer plan may be terminated only in a standard termination under subsection (b) or a distress termination under subsection (c).

(2) 60-day notice of intent to terminate

Not less than 60 days before the proposed termination date of a standard termination under subsection (b) or a distress termination under subsection (c), the plan administrator shall provide to each affected party (other than the corporation in the case of a standard termination) a written notice of intent to terminate stating that such termination is intended and the proposed termination date. The written notice shall include any related additional information required in regulations of the corporation.

(3) Adherence to collective bargaining agreements

The corporation shall not proceed with a termination of a plan under this section if the termination would violate the terms and conditions of an existing collective bargaining agreement. Nothing in the preceding sentence shall be construed as limiting the authority of the corporation to institute proceedings to involuntarily terminate a plan under section 1342 of this title.

(b) Standard termination of single-employer plans

(1) General requirements

A single-employer plan may terminate under a standard termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2),

(B) the requirements of subparagraphs (A) and (B) of paragraph (2) are met,

(C) the corporation does not issue a notice of noncompliance under subparagraph (C) of paragraph (2), and

(D) when the final distribution of assets occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(2) Termination procedure

(A) Notice to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2), the plan administrator shall send a notice to the corporation setting forth—

(i) certification by an enrolled actuary—

(I) of the projected amount of the assets of the plan (as of a proposed date of final distribution of assets),

(II) of the actuarial present value (as of such date) of the benefit liabilities

(determined as of the proposed termination date) under the plan, and

(III) that the plan is projected to be sufficient (as of such proposed date of final distribution) for such benefit liabilities,

(ii) such information as the corporation may prescribe in regulations as necessary to enable the corporation to make determinations under subparagraph (C), and

(iii) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certification under clause (i) is accurate and complete, and

(II) the information provided to the corporation under clause (ii) is accurate and complete.

Clause (i) and clause (iii)(I) shall not apply to a plan described in section 412(i)¹ of title 26.

(B) Notice to participants and beneficiaries of benefit commitments²

No later than the date on which a notice is sent by the plan administrator under subparagraph (A), the plan administrator shall send a notice to each person who is a participant or beneficiary under the plan—

(i) specifying the amount of the benefit liabilities (if any) attributable to such person as of the proposed termination date and the benefit form on the basis of which such amount is determined, and

(ii) including the following information used in determining such benefit liabilities:

(I) the length of service,

(II) the age of the participant or beneficiary,

(III) wages,

(IV) the assumptions, including the interest rate, and

(V) such other information as the corporation may require.

Such notice shall be written in such manner as is likely to be understood by the participant or beneficiary and as may be prescribed in regulations of the corporation.

(C) Notice from the corporation of non-compliance

(i) In general

Within 60 days after receipt of the notice under subparagraph (A), the corporation shall issue a notice of noncompliance to the plan administrator if—

(I) it determines, based on the notice sent under paragraph (2)(A) of subsection (b), that there is reason to believe that the plan is not sufficient for benefit liabilities,

(II) it otherwise determines, on the basis of information provided by affected parties or otherwise obtained by the corporation, that there is reason to believe

that the plan is not sufficient for benefit liabilities, or

(III) it determines that any other requirement of subparagraph (A) or (B) of this paragraph or of subsection (a)(2) has not been met, unless it further determines that the issuance of such notice would be inconsistent with the interests of participants and beneficiaries.

(ii) Extension

The corporation and the plan administrator may agree to extend the 60-day period referred to in clause (i) by a written agreement signed by the corporation and the plan administrator before the expiration of the 60-day period. The 60-day period shall be extended as provided in the agreement and may be further extended by subsequent written agreements signed by the corporation and the plan administrator made before the expiration of a previously agreed upon extension of the 60-day period. Any extension may be made upon such terms and conditions (including the payment of benefits) as are agreed upon by the corporation and the plan administrator.

(D) Final distribution of assets in absence of notice of noncompliance

The plan administrator shall commence the final distribution of assets pursuant to the standard termination of the plan as soon as practicable after the expiration of the 60-day (or extended) period referred to in subparagraph (C), but such final distribution may occur only if—

(i) the plan administrator has not received during such period a notice of non-compliance from the corporation under subparagraph (C), and

(ii) when such final distribution occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(3) Methods of final distribution of assets

(A) In general

In connection with any final distribution of assets pursuant to the standard termination of the plan under this subsection, the plan administrator shall distribute the assets in accordance with section 1344 of this title. In distributing such assets, the plan administrator shall—

(i) purchase irrevocable commitments from an insurer to provide all benefit liabilities under the plan, or

(ii) in accordance with the provisions of the plan and any applicable regulations, otherwise fully provide all benefit liabilities under the plan. A transfer of assets to the corporation in accordance with section 1350 of this title on behalf of a missing participant shall satisfy this subparagraph with respect to such participant.

(B) Certification to the corporation of final distribution of assets

Within 30 days after the final distribution of assets is completed pursuant to the standard termination of the plan under this subsection, the plan administrator shall send a

notice to the corporation certifying that the assets of the plan have been distributed in accordance with the provisions of subparagraph (A) so as to pay all benefit liabilities under the plan.

(4) Continuing authority

Nothing in this section shall be construed to preclude the continued exercise by the corporation, after the termination date of a plan terminated in a standard termination under this subsection, of its authority under section 1303 of this title with respect to matters relating to the termination. A certification under paragraph (3)(B) shall not affect the corporation's obligations under section 1322 of this title.

(5) Special rule for certain plans where cessation or change in membership of a controlled group

(A) In general

Except as provided in subparagraphs (B) and (D), if—

(i) there is³ transaction or series of transactions which result in a person ceasing to be a member of a controlled group, and

(ii) such person immediately before the transaction or series of transactions maintained a single-employer plan which is a defined benefit plan which is fully funded,

then the interest rate used in determining whether the plan is sufficient for benefit liabilities or to otherwise assess plan liabilities for purposes of this subsection or section 1342(a)(4) of this title shall be not less than the interest rate used in determining whether the plan is fully funded.

(B) Limitations

Subparagraph (A) shall not apply to any transaction or series of transactions unless—

(i) any employer maintaining the plan immediately before or after such transaction or series of transactions—

(I) has an outstanding senior unsecured debt instrument which is rated investment grade by each of the nationally recognized statistical rating organizations for corporate bonds that has issued a credit rating for such instrument, or

(II) if no such debt instrument of such employer has been rated by such an organization but 1 or more of such organizations has made an issuer credit rating for such employer, all such organizations which have so rated the employer have rated such employer investment grade, and

(ii) the employer maintaining the plan after the transaction or series of transactions employs at least 20 percent of the employees located in the United States who were employed by such employer immediately before the transaction or series of transactions.

(C) Fully funded

For purposes of subparagraph (A), a plan shall be treated as fully funded with respect

to any transaction or series of transactions if—

(i) in the case of a transaction or series of transactions which occur in a plan year beginning before January 1, 2008, the funded current liability percentage determined under section 1082(d) of this title for the plan year is at least 100 percent, and

(ii) in the case of a transaction or series of transactions which occur in a plan year beginning on or after such date, the funding target attainment percentage determined under section 1083 of this title is, as of the valuation date for such plan year, at least 100 percent.

(D) 2 year limitation

Subparagraph (A) shall not apply to any transaction or series of transactions if the plan referred to in subparagraph (A)(ii) is terminated under subsection (c) or section 1342 of this title after the close of the 2-year period beginning on the date on which the first such transaction occurs.

(c) Distress termination of single-employer plans

(1) In general

A single-employer plan may terminate under a distress termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2),

(B) the requirements of subparagraph (A) of paragraph (2) are met, and

(C) the corporation determines that the requirements of subparagraphs (B) and (D) of paragraph (2) are met.

(2) Termination requirements

(A) Information submitted to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2), the plan administrator shall provide the corporation, in such form as may be prescribed by the corporation in regulations, the following information:

(i) such information as the corporation may prescribe by regulation as necessary to make determinations under subparagraph (B) and paragraph (3);

(ii) unless the corporation determines the information is not necessary for purposes of paragraph (3)(A) or section 1362 of this title, certification by an enrolled actuary of—

(I) the amount (as of the proposed termination date and, if applicable, the proposed distribution date) of the current value of the assets of the plan,

(II) the actuarial present value (as of such dates) of the benefit liabilities under the plan,

(III) whether the plan is sufficient for benefit liabilities as of such dates,

(IV) the actuarial present value (as of such dates) of benefits under the plan guaranteed under section 1322 of this title, and

(V) whether the plan is sufficient for guaranteed benefits as of such dates;

³So in original. The word "a" probably should appear.

(iii) in any case in which the plan is not sufficient for benefit liabilities as of such date—

(I) the name and address of each participant and beneficiary under the plan as of such date, and

(II) such other information as shall be prescribed by the corporation by regulation as necessary to enable the corporation to be able to make payments to participants and beneficiaries as required under section 1322(c) of this title; and

(iv) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certifications under clause (ii) is accurate and complete, and

(II) the information provided to the corporation under clauses (i) and (iii) is accurate and complete.

Clause (ii) and clause (iv)(I) shall not apply to a plan described in section 412(i)¹ of title 26.

(B) Determination by the corporation of necessary distress criteria

Upon receipt of the notice of intent to terminate required under subsection (a)(2) and the information required under subparagraph (A), the corporation shall determine whether the requirements of this subparagraph are met as provided in clause (i), (ii), or (iii). The requirements of this subparagraph are met if each person who is (as of the proposed termination date) a contributing sponsor of such plan or a member of such sponsor's controlled group meets the requirements of any of the following clauses:

(i) Liquidation in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed or has had filed against such person, as of the proposed termination date, a petition seeking liquidation in a case under title 11 or under any similar Federal law or law of a State or political subdivision of a State (or a case described in clause (ii) filed by or against such person has been converted, as of such date, to a case in which liquidation is sought), and

(II) such case has not, as of the proposed termination date, been dismissed.

(ii) Reorganization in bankruptcy or insolvency proceedings

The requirements of this clause are met by a person if—

(I) such person has filed, or has had filed against such person, as of the proposed termination date, a petition seeking reorganization in a case under title 11 or under any similar law of a State or political subdivision of a State (or a case described in clause (i) filed by or against such person has been converted, as of such date, to such a case in which reorganization is sought),

(II) such case has not, as of the proposed termination date, been dismissed,

(III) such person timely submits to the corporation any request for the approval of the bankruptcy court (or other appropriate court in a case under such similar law of a State or political subdivision) of the plan termination, and

(IV) the bankruptcy court (or such other appropriate court) determines that, unless the plan is terminated, such person will be unable to pay all its debts pursuant to a plan of reorganization and will be unable to continue in business outside the chapter 11 reorganization process and approves the termination.

(iii) Termination required to enable payment of debts while staying in business or to avoid unreasonably burdensome pension costs caused by declining workforce

The requirements of this clause are met by a person if such person demonstrates to the satisfaction of the corporation that—

(I) unless a distress termination occurs, such person will be unable to pay such person's debts when due and will be unable to continue in business, or

(II) the costs of providing pension coverage have become unreasonably burdensome to such person, solely as a result of a decline of such person's workforce covered as participants under all single-employer plans of which such person is a contributing sponsor.

(C) Notification of determinations by the corporation

The corporation shall notify the plan administrator as soon as practicable of its determinations made pursuant to subparagraph (B).

(D) Disclosure of termination information

(i) In general

A plan administrator that has filed a notice of intent to terminate under subsection (a)(2) shall provide to an affected party any information provided to the corporation under subparagraph (A) or the regulations under subsection (a)(2) not later than 15 days after—

(I) receipt of a request from the affected party for the information; or

(II) the provision of new information to the corporation relating to a previous request.

(ii) Confidentiality

(I) In general

The plan administrator shall not provide information under clause (i) in a form that includes any information that may directly or indirectly be associated with, or otherwise identify, an individual participant or beneficiary.

(II) Limitation

A court may limit disclosure under this subparagraph of confidential information described in section 552(b) of title

5 to any authorized representative of the participants or beneficiaries that agrees to ensure the confidentiality of such information.

(iii) Form and manner of information; charges

(I) Form and manner

The corporation may prescribe the form and manner of the provision of information under this subparagraph, which shall include delivery in written, electronic, or other appropriate form to the extent that such form is reasonably accessible to individuals to whom the information is required to be provided.

(II) Reasonable charges

A plan administrator may charge a reasonable fee for any information provided under this subparagraph in other than electronic form.

(iv) Authorized representative

For purposes of this subparagraph, the term “authorized representative” means any employee organization representing participants in the pension plan.

(3) Termination procedure

(A) Determinations by the corporation relating to plan sufficiency for guaranteed benefits and for benefit liabilities

If the corporation determines that the requirements for a distress termination set forth in paragraphs (1) and (2) are met, the corporation shall—

(i) determine that the plan is sufficient for guaranteed benefits (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation,

(ii) determine that the plan is sufficient for benefit liabilities (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation, and

(iii) notify the plan administrator of the determinations made pursuant to this subparagraph as soon as practicable.

(B) Implementation of termination

After the corporation notifies the plan administrator of its determinations under subparagraph (A), the termination of the plan shall be carried out as soon as practicable, as provided in clause (i), (ii), or (iii).

(i) Cases of sufficiency for benefit liabilities

In any case in which the corporation determines that the plan is sufficient for benefit liabilities, the plan administrator shall proceed to distribute the plan’s assets, and make certification to the corporation with respect to such distribution, in the manner described in subsection (b)(3), and shall take such other actions as may be appropriate to carry out the termination of the plan.

(ii) Cases of sufficiency for guaranteed benefits without a finding of sufficiency for benefit liabilities

In any case in which the corporation determines that the plan is sufficient for guaranteed benefits, but further determines that it is unable to determine that the plan is sufficient for benefit liabilities on the basis of the information made available to it, the plan administrator shall proceed to distribute the plan’s assets in the manner described in subsection (b)(3), make certification to the corporation that the distribution has occurred, and take such actions as may be appropriate to carry out the termination of the plan.

(iii) Cases without any finding of sufficiency

In any case in which the corporation determines that it is unable to determine that the plan is sufficient for guaranteed benefits on the basis of the information made available to it, the corporation shall commence proceedings in accordance with section 1342 of this title.

(C) Finding after authorized commencement of termination that plan is unable to pay benefits

(i) Finding with respect to benefit liabilities which are not guaranteed benefits

If, after the plan administrator has begun to terminate the plan as authorized under subparagraph (B)(i), the plan administrator finds that the plan is unable, or will be unable, to pay benefit liabilities which are not benefits guaranteed by the corporation under section 1322 of this title, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter.

(ii) Finding with respect to guaranteed benefits

If, after the plan administrator has begun to terminate the plan as authorized by subparagraph (B)(i) or (ii), the plan administrator finds that the plan is unable, or will be unable, to pay all benefits under the plan which are guaranteed by the corporation under section 1322 of this title, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter. If the corporation concurs in the finding of the plan administrator (or the corporation itself makes such a finding), the corporation shall institute appropriate proceedings under section 1342 of this title.

(D) Administration of the plan during interim period

(i) In general

The plan administrator shall—

(I) meet the requirements of clause (ii) for the period commencing on the date on which the plan administrator provides a notice of distress termination to the corporation under subsection (a)(2)

and ending on the date on which the plan administrator receives notification from the corporation of its determinations under subparagraph (A), and

(II) meet the requirements of clause (ii) commencing on the date on which the plan administrator or the corporation makes a finding under subparagraph (C)(ii).

(ii) Requirements

The requirements of this clause are met by the plan administrator if the plan administrator—

(I) refrains from distributing assets or taking any other actions to carry out the proposed termination under this subsection,

(II) pays benefits attributable to employer contributions, other than death benefits, only in the form of an annuity,

(III) does not use plan assets to purchase irrevocable commitments to provide benefits from an insurer, and

(IV) continues to pay all benefit liabilities under the plan, but, commencing on the proposed termination date, limits the payment of benefits under the plan to those benefits which are guaranteed by the corporation under section 1322 of this title or to which assets are required to be allocated under section 1344 of this title.

In the event the plan administrator is later determined not to have met the requirements for distress termination, any benefits which are not paid solely by reason of compliance with subclause (IV) shall be due and payable immediately (together with interest, at a reasonable rate, in accordance with regulations of the corporation).

(d) Sufficiency

For purposes of this section—

(1) Sufficiency for benefit liabilities

A single-employer plan is sufficient for benefit liabilities if there is no amount of unfunded benefit liabilities under the plan.

(2) Sufficiency for guaranteed benefits

A single-employer plan is sufficient for guaranteed benefits if there is no amount of unfunded guaranteed benefits under the plan.

(e) Limitation on the conversion of a defined benefit plan to a defined contribution plan

The adoption of an amendment to a plan which causes the plan to become a plan described in section 1321(b)(1) of this title constitutes a termination of the plan. Such an amendment may take effect only after the plan satisfies the requirements for standard termination under subsection (b) or distress termination under subsection (c).

pursuant to such termination may not occur unless the Pension Benefit Guaranty Corporation—

“(A) determines that the assets of the plan are sufficient for benefit commitments (within the meaning of section 4041(d)(1) of the Employee Retirement Income Security Act of 1974 (as amended by section 11007) [29 U.S.C. 1341(d)(1)]) under the plan, and

“(ii) the filing is made on or after January 1, 1986, and before 60 days after the date of the enactment of this Act and the Corporation has not issued a notice of sufficiency for such plan before the date of the enactment of this Act, and

“(B) of the persons who are (as of the termination date) participants in the plan, the lesser of 10 percent or 200 have filed complaints with the Corporation regarding such termination—

“(i) in the case of plans described in subparagraph (A)(i), before 15 days after the date of the enactment of this Act, or

§ 1341a. Termination of multiemployer plans

(a) Determinative factors

Termination of a multiemployer plan under this section occurs as a result of—

(1) the adoption after September 26, 1980, of a plan amendment which provides that participants will receive no credit for any purpose under the plan for service with any employer after the date specified by such amendment;

(2) the withdrawal of every employer from the plan, within the meaning of section 1383 of this title, or the cessation of the obligation of all employers to contribute under the plan; or

(3) the adoption of an amendment to the plan which causes the plan to become a plan described in section 1321(b)(1) of this title.

(b) Date of termination

(1) The date on which a plan terminates under paragraph (1) or (3) of subsection (a) is the later of—

(A) the date on which the amendment is adopted, or

(B) the date on which the amendment takes effect.

(2) The date on which a plan terminates under paragraph (2) of subsection (a) is the earlier of—

(A) the date on which the last employer withdraws, or

(B) the first day of the first plan year for which no employer contributions were required under the plan.

(c) Duties of plan sponsor of amended plan

Except as provided in subsection (f)(1), the plan sponsor of a plan which terminates under paragraph (2) of subsection (a) shall—

(1) limit the payment of benefits to benefits which are nonforfeitable under the plan as of the date of the termination, and

(2) pay benefits attributable to employer contributions, other than death benefits, only in the form of an annuity, unless the plan assets are distributed in full satisfaction of all nonforfeitable benefits under the plan.

(d) Duties of plan sponsor of nonoperative plan

The plan sponsor of a plan which terminates under paragraph (2) of subsection (a) shall reduce benefits and suspend benefit payments in accordance with section 1441 of this title.

(e) Amount of contribution of employer under amended plan for each plan year subsequent to plan termination date

In the case of a plan which terminates under paragraph (1) or (3) of subsection (a), the rate of an employer's contributions under the plan for each plan year beginning on or after the plan termination date shall equal or exceed the highest rate of employer contributions at which the employer had an obligation to contribute under the plan in the 5 preceding plan years ending on or before the plan termination date, unless the corporation approves a reduction in the rate based on a finding that the plan is or soon will be fully funded.

(f) Payment of benefits; reporting requirements for terminated plans and rules and standards for administration of such plans

(1) The plan sponsor of a terminated plan may authorize the payment other than in the form of an annuity of a participant's entire nonforfeitable benefit attributable to employer contributions, other than a death benefit, if the value of the entire nonforfeitable benefit does not exceed \$1,750. The corporation may authorize the payment of benefits under the terms of a terminated plan other than nonforfeitable benefits, or the payment other than in the form of an annuity of benefits having a value greater than \$1,750, if the corporation determines that such payment is not adverse to the interest of the plan's participants and beneficiaries generally and does not unreasonably increase the corporation's risk of loss with respect to the plan.

(2) The corporation may prescribe reporting requirements for terminated plans, and rules

and standards for the administration of such plans, which the corporation considers appropriate to protect the interests of plan participants and beneficiaries or to prevent unreasonable loss to the corporation.

(Pub. L. 93-406, title IV, § 4041A, as added Pub. L. 96-364, title I, § 103, Sept. 26, 1980, 94 Stat. 1216.)

EFFECTIVE DATE

Section effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.

§ 1342. Institution of termination proceedings by the corporation

(a) Authority to institute proceedings to terminate a plan

The corporation may institute proceedings under this section to terminate a plan whenever it determines that—

(1) the plan has not met the minimum funding standard required under section 412 of title 26, or has been notified by the Secretary of the Treasury that a notice of deficiency under section 6212 of title 26 has been mailed with respect to the tax imposed under section 4971(a) of title 26,

(2) the plan will be unable to pay benefits when due,

(3) the reportable event described in section 1343(c)(7) of this title has occurred, or

(4) the possible long-run loss of the corporation with respect to the plan may reasonably be expected to increase unreasonably if the plan is not terminated.

The corporation shall as soon as practicable institute proceedings under this section to terminate a single-employer plan whenever the corporation determines that the plan does not have assets available to pay benefits which are currently due under the terms of the plan. The corporation may prescribe a simplified procedure to follow in terminating small plans as long as that procedure includes substantial safeguards for the rights of the participants and beneficiaries under the plans, and for the employers who maintain such plans (including the requirement for a court decree under subsection (c)). Notwithstanding any other provision of this subchapter, the corporation is authorized to pool assets of terminated plans for purposes of administration, investment, payment of liabilities of all such terminated plans, and such other purposes as it determines to be appropriate in the administration of this subchapter.

(b) Appointment of trustee

(1) Whenever the corporation makes a determination under subsection (a) with respect to a plan or is required under subsection (a) to institute proceedings under this section, it may, upon notice to the plan, apply to the appropriate United States district court for the appointment of a trustee to administer the plan with respect to which the determination is made pending the issuance of a decree under subsection (c) ordering the termination of the plan. If within 3 business days after the filing of an application under this subsection, or such other period as the court may order, the administrator of the plan consents to the appointment of a trustee, or

fails to show why a trustee should not be appointed, the court may grant the application and appoint a trustee to administer the plan in accordance with its terms until the corporation determines that the plan should be terminated or that termination is unnecessary. The corporation may request that it be appointed as trustee of a plan in any case.

(2) Notwithstanding any other provision of this subchapter—

(A) upon the petition of a plan administrator or the corporation, the appropriate United States district court may appoint a trustee in accordance with the provisions of this section if the interests of the plan participants would be better served by the appointment of the trustee, and

(B) upon the petition of the corporation, the appropriate United States district court shall appoint a trustee proposed by the corporation for a multiemployer plan which is in reorganization or to which section 1341a(d) of this title applies, unless such appointment would be adverse to the interests of the plan participants and beneficiaries in the aggregate.

(3) The corporation and plan administrator may agree to the appointment of a trustee without proceeding in accordance with the requirements of paragraphs (1) and (2).

(c) Adjudication that plan must be terminated

(1) If the corporation is required under subsection (a) of this section to commence proceedings under this section with respect to a plan or, after issuing a notice under this section to a plan administrator, has determined that the plan should be terminated, it may, upon notice to the plan administrator, apply to the appropriate United States district court for a decree adjudicating that the plan must be terminated in order to protect the interests of the participants or to avoid any unreasonable deterioration of the financial condition of the plan or any unreasonable increase in the liability of the fund. If the trustee appointed under subsection (b) disagrees with the determination of the corporation under the preceding sentence he may intervene in the proceeding relating to the application for the decree, or make application for such decree himself. Upon granting a decree for which the corporation or trustee has applied under this subsection the court shall authorize the trustee appointed under subsection (b) (or appoint a trustee if one has not been appointed under such subsection and authorize him) to terminate the plan in accordance with the provisions of this subtitle. If the corporation and the plan administrator agree that a plan should be terminated and agree to the appointment of a trustee without proceeding in accordance with the requirements of this subsection (other than this sentence) the trustee shall have the power described in subsection (d)(1) and, in addition to any other duties imposed on the trustee under law or by agreement between the corporation and the plan administrator, the trustee is subject to the duties described in subsection (d)(3). Whenever a trustee appointed under this subchapter is operating a plan with discretion as to the date upon which final distribution of the assets is to be commenced, the trustee shall notify

the corporation at least 10 days before the date on which he proposes to commence such distribution.

(2) In the case of a proceeding initiated under this section, the plan administrator shall provide the corporation, upon the request of the corporation, the information described in clauses (ii), (iii), and (iv) of section 1341(c)(2)(A) of this title.

(3) DISCLOSURE OF TERMINATION INFORMATION.—

(A) IN GENERAL.—

(i) INFORMATION FROM PLAN SPONSOR OR ADMINISTRATOR.—A plan sponsor or plan administrator of a single-employer plan that has received a notice from the corporation of a determination that the plan should be terminated under this section shall provide to an affected party any information provided to the corporation in connection with the plan termination.

(ii) INFORMATION FROM CORPORATION.—The corporation shall provide a copy of the administrative record, including the trusteeship decision record of a termination of a plan described under clause (i).

(B) TIMING OF DISCLOSURE.—The plan sponsor, plan administrator, or the corporation, as applicable, shall provide the information described in subparagraph (A) not later than 15 days after—

(i) receipt of a request from an affected party for such information; or

(ii) in the case of information described under subparagraph (A)(i), the provision of any new information to the corporation relating to a previous request by an affected party.

(C) CONFIDENTIALITY.—

(i) IN GENERAL.—The plan administrator, the plan sponsor, or the corporation shall not provide information under subparagraph (A) in a form which includes any information that may directly or indirectly be associated with, or otherwise identify, an individual participant or beneficiary.

(ii) LIMITATION.—A court may limit disclosure under this paragraph of confidential information described in section 552(b) of title 5 to authorized representatives (within the meaning of section 1341(c)(2)(D)(iv) of this title) of the participants or beneficiaries that agree to ensure the confidentiality of such information.

(D) FORM AND MANNER OF INFORMATION; CHARGES.—

(i) FORM AND MANNER.—The corporation may prescribe the form and manner of the provision of information under this paragraph, which shall include delivery in written, electronic, or other appropriate form to the extent that such form is reasonably accessible to individuals to whom the information is required to be provided.

(ii) REASONABLE CHARGES.—A plan sponsor may charge a reasonable fee for any information provided under this paragraph in other than electronic form.

(ii) to require the transfer of all (or any part) of the assets and records of the plan to himself as trustee;

(iii) to invest any assets of the plan which he holds in accordance with the provisions of the plan, regulations of the corporation, and applicable rules of law;

(iv) to limit payment of benefits under the plan to basic benefits or to continue payment of some or all of the benefits which were being paid prior to his appointment;

(v) in the case of a multiemployer plan, to reduce benefits or suspend benefit payments under the plan, give appropriate notices, amend the plan, and perform other acts required or authorized by subtitle (E) to be performed by the plan sponsor or administrator;

(vi) to do such other acts as he deems necessary to continue operation of the plan without increasing the potential liability of the corporation, if such acts may be done under the provisions of the plan; and

(vii) to require the plan sponsor, the plan administrator, any contributing or withdrawn employer, and any employee organization representing plan participants to furnish any information with respect to the plan which the trustee may reasonably need in order to administer the plan.

If the court to which application is made under subsection (c) dismisses the application with prejudice, or if the corporation fails to apply for a decree under subsection (c), within 30 days after the date on which the trustee is appointed under subsection (b), the trustee shall transfer all assets and records of the plan held by him to the plan administrator within 3 business days after such dismissal or the expiration of such 30-day period, and shall not be liable to the plan or any other person for his acts as trustee except for willful misconduct, or for conduct in violation of the provisions of part 4 of subtitle B of subchapter I of this chapter (except as provided in subsection (d)(1)(A)(v)). The 30-day period referred to in this subparagraph may be extended as provided by agreement between the plan administrator and the corporation or by court order obtained by the corporation.

(B) If the court to which an application is made under subsection (c) issues the decree requested in such application, in addition to the powers described in subparagraph (A), the trustee shall have the power—

(i) to pay benefits under the plan in accordance with the requirements of this subchapter;

(iv) to commence, prosecute, or defend on behalf of the plan any suit or proceeding involving the plan;

(v) to issue, publish, or file such notices, statements, and reports as may be required by the corporation or any order of the court;

- (vi) to liquidate the plan assets;
- (vii) to recover payments under section 1345(a) of this title; and
- (viii) to do such other acts as may be necessary to comply with this subchapter or any order of the court and to protect the interests of plan participants and beneficiaries.

(2) As soon as practicable after his appointment, the trustee shall give notice to interested parties of the institution of proceedings under this subchapter to determine whether the plan should be terminated or to terminate the plan, whichever is applicable. For purposes of this paragraph, the term “interested party” means—

- (A) the plan administrator,
- (B) each participant in the plan and each beneficiary of a deceased participant,
- (C) each employer who may be subject to liability under section 1362, 1363, or 1364 of this title,
- (D) each employer who is or may be liable to the plan under section¹ part 1 of subtitle E,
- (E) each employer who has an obligation to contribute, within the meaning of section 1392(a) of this title, under a multiemployer plan, and
- (F) each employee organization which, for purposes of collective bargaining, represents plan participants employed by an employer described in subparagraph (C), (D), or (E).

(3) Except to the extent inconsistent with the provisions of this chapter, or as may be otherwise ordered by the court, a trustee appointed under this section shall be subject to the same duties as those of a trustee under section 704 of title 11, and shall be, with respect to the plan, a fiduciary within the meaning of paragraph (21) of section 1002 of this title and under section 4975(e) of title 26 (except to the extent that the provisions of this subchapter are inconsistent with the requirements applicable under part 4 of subtitle B of subchapter I of this chapter and of such section 4975).

(e) Filing of application notwithstanding pendency of other proceedings

An application by the corporation under this section may be filed notwithstanding the pendency in the same or any other court of any bankruptcy, mortgage foreclosure, or equity receivership proceeding, or any proceeding to reorganize, conserve, or liquidate such plan or its property, or any proceeding to enforce a lien against property of the plan.

(f) Exclusive jurisdiction; stay of other proceedings

Upon the filing of an application for the appointment of a trustee or the issuance of a decree under this section, the court to which an application is made shall have exclusive jurisdiction of the plan involved and its property wherever located with the powers, to the extent consistent with the purposes of this section, of a court of the United States having jurisdiction over cases under chapter 11 of title 11. Pending an adjudication under subsection (c) such court shall stay, and upon appointment by it of a trustee, as provided in this section such court

shall continue the stay of, any pending mortgage foreclosure, equity receivership, or other proceeding to reorganize, conserve, or liquidate the plan or its property and any other suit against any receiver, conservator, or trustee of the plan or its property. Pending such adjudication and upon the appointment by it of such trustee, the court may stay any proceeding to enforce a lien against property of the plan or any other suit against the plan.

(g) Venue

An action under this subsection may be brought in the judicial district where the plan administrator resides or does business or where any asset of the plan is situated. A district court in which such action is brought may issue process with respect to such action in any other judicial district.

(h) Compensation of trustee and professional service personnel appointed or retained by trustee

§ 1343. Reportable events**(a) Notification that event has occurred**

Within 30 days after the plan administrator or the contributing sponsor knows or has reason to know that a reportable event described in subsection (c) has occurred, he shall notify the corporation that such event has occurred, unless a notice otherwise required under this subsection has already been provided with respect to such event. The corporation is authorized to waive the requirement of the preceding sentence with respect to any or all reportable events with respect to any plan, and to require the notification to be made by including the event in the annual report made by the plan.

(b) Notification that event is about to occur

(1) The requirements of this subsection shall be applicable to a contributing sponsor if, as of the close of the preceding plan year—

(A) the aggregate unfunded vested benefits (as determined under section 1306(a)(3)(E)(iii) of this title) of plans subject to this subchapter which are maintained by such sponsor and members of such sponsor's controlled groups (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

(B) the funded vested benefit percentage for such plans is less than 90 percent.

For purposes of subparagraph (B), the funded vested benefit percentage means the percentage which the aggregate value of the assets of such plans bears to the aggregate vested benefits of such plans (determined in accordance with section 1306(a)(3)(E)(iii) of this title).

(2) This subsection shall not apply to an event if the contributing sponsor, or the member of the contributing sponsor's controlled group to which the event relates, is—

(A) a person subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934 [15 U.S.C. 78m, 78o(d)], or

(B) a subsidiary (as defined for purposes of such Act [15 U.S.C. 78a et seq.]) of a person subject to such reporting requirements.

(3) No later than 30 days prior to the effective date of an event described in paragraph (9), (10), (11), (12), or (13) of subsection (c), a contributing sponsor to which the requirements of this subsection apply shall notify the corporation that the event is about to occur.

(4) The corporation may waive the requirement of this subsection with respect to any or all reportable events with respect to any contributing sponsor.

(c) Enumeration of reportable events

For purposes of this section a reportable event occurs—

(1) when the Secretary of the Treasury issues notice that a plan has ceased to be a plan described in section 1321(a)(2) of this title, or when the Secretary of Labor determines the plan is not in compliance with subchapter I of this chapter;

(2) when an amendment of the plan is adopted if, under the amendment, the benefit payable with respect to any participant may be decreased;

(3) when the number of active participants is less than 80 percent of the number of such par-

ticipants at the beginning of the plan year, or is less than 75 percent of the number of such participants at the beginning of the previous plan year;

(4) when the Secretary of the Treasury determines that there has been a termination or partial termination of the plan within the meaning of section 411(d)(3) of title 26, but the occurrence of such a termination or partial termination does not, by itself, constitute or require a termination of a plan under this subchapter;

(5) when the plan fails to meet the minimum funding standards under section 412 of title 26 (without regard to whether the plan is a plan described in section 1321(a)(2) of this title) or under section 1082 of this title;

(6) when the plan is unable to pay benefits thereunder when due;

(7) when there is a distribution under the plan to a participant who is a substantial owner as defined in section 1321(d) of this title if—

(A) such distribution has a value of \$10,000 or more;

(B) such distribution is not made by reason of the death of the participant; and

(C) immediately after the distribution, the plan has nonforfeitable benefits which are not funded;

(8) when a plan merges, consolidates, or transfers its assets under section 1058 of this title, or when an alternative method of compliance is prescribed by the Secretary of Labor under section 1030 of this title;

(9) when, as a result of an event, a person ceases to be a member of the controlled group;

(10) when a contributing sponsor or a member of a contributing sponsor's controlled group liquidates in a case under title 11, or under any similar Federal law or law of a State or political subdivision of a State;

(11) when a contributing sponsor or a member of a contributing sponsor's controlled group declares an extraordinary dividend (as defined in section 1059(c) of title 26) or redeems, in any 12-month period, an aggregate of 10 percent or more of the total combined voting power of all classes of stock entitled to vote, or an aggregate of 10 percent or more of the total value of shares of all classes of stock, of a contributing sponsor and all members of its controlled group;

(12) when, in any 12-month period, an aggregate of 3 percent or more of the benefit liabilities of a plan covered by this subchapter and maintained by a contributing sponsor or a member of its controlled group are transferred to a person that is not a member of the controlled group or to a plan or plans maintained by a person or persons that are not such a contributing sponsor or a member of its controlled group; or

(13) when any other event occurs that may be indicative of a need to terminate the plan and that is prescribed by the corporation in regulations.

For purposes of paragraph (7), all distributions to a participant within any 24-month period are treated as a single distribution.

(d) Notification to corporation by Secretary of the Treasury

The Secretary of the Treasury shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (4), or (5) of subsection (c) occurs, or

(2) whenever any other event occurs which the Secretary of the Treasury believes indicates that the plan may not be sound.

(e) Notification to corporation by Secretary of Labor

The Secretary of Labor shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (5), or (8) of subsection (c) occurs, or

(2) whenever any other event occurs which the Secretary of Labor believes indicates that the plan may not be sound.

(f) Disclosure exemption

Any information or documentary material submitted to the corporation pursuant to this section shall be exempt from disclosure under section 552 of title 5, and no such information or documentary material may be made public, except as may be relevant to any administrative or judicial action or proceeding. Nothing in this section is intended to prevent disclosure to either body of Congress or to any duly authorized committee or subcommittee of the Congress.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1344. Allocation of assets**(a) Order of priority of participants and beneficiaries**

In the case of the termination of a single-employer plan, the plan administrator shall allocate the assets of the plan (available to provide benefits) among the participants and beneficiaries of the plan in the following order:

(1) First, to that portion of each individual's accrued benefit which is derived from the participant's contributions to the plan which were not mandatory contributions.

(2) Second, to that portion of each individual's accrued benefit which is derived from the participant's mandatory contributions.

(3) Third, in the case of benefits payable as an annuity—

(A) in the case of the benefit of a participant or beneficiary which was in pay status as of the beginning of the 3-year period ending on the termination date of the plan, to each such benefit, based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least,

(B) in the case of a participant's or beneficiary's benefit (other than a benefit described in subparagraph (A)) which would have been in pay status as of the beginning of such 3-year period if the participant had retired prior to the beginning of the 3-year period and if his benefits had commenced (in the normal form of annuity under the plan) as of the beginning of such period, to each such benefit based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least.

For purposes of subparagraph (A), the lowest benefit in pay status during a 3-year period shall be considered the benefit in pay status for such period.

(4) Fourth—

(A) to all other benefits (if any) of individuals under the plan guaranteed under this

subchapter (determined without regard to section 1322b(a) of this title), and

(B) to the additional benefits (if any) which would be determined under subparagraph (A) if section 1322(b)(5)(B) of this title did not apply.

For purposes of this paragraph, section 1321 of this title shall be applied without regard to subsection (c) thereof.

(5) Fifth, to all other nonforfeitable benefits under the plan.

(6) Sixth, to all other benefits under the plan.

(b) Adjustment of allocations; reallocations; mandatory contributions; establishment of subclasses and categories

For purposes of subsection (a)—

(1) The amount allocated under any paragraph of subsection (a) with respect to any benefit shall be properly adjusted for any allocation of assets with respect to that benefit under a prior paragraph of subsection (a).

(2) If the assets available for allocation under any paragraph of subsection (a) (other than paragraphs (4), (5), and (6)) are insufficient to satisfy in full the benefits of all individuals which are described in that paragraph, the assets shall be allocated pro rata among such individuals on the basis of the present value (as of the termination date) of their respective benefits described in that paragraph.

(3) If assets available for allocation under paragraph (4) of subsection (a) are insufficient to satisfy in full the benefits of all individuals who are described in that paragraph, the assets shall be allocated first to benefits described in subparagraph (A) of that paragraph. Any remaining assets shall then be allocated to benefits described in subparagraph (B) of that paragraph. If assets allocated to such subparagraph (B) are insufficient to satisfy in full the benefits described in that subparagraph, the assets shall be allocated pro rata among individuals on the basis of the present value (as of the termination date) of their respective benefits described in that subparagraph.

(4) This paragraph applies if the assets available for allocation under paragraph (5) of subsection (a) are not sufficient to satisfy in full the benefits of individuals described in that paragraph.

(A) If this paragraph applies, except as provided in subparagraph (B), the assets shall be allocated to the benefits of individuals described in such paragraph (5) on the basis of the benefits of individuals which would have been described in such paragraph (5) under the plan as in effect at the beginning of the 5-year period ending on the date of plan termination.

(B) If the assets available for allocation under subparagraph (A) are sufficient to satisfy in full the benefits described in such subparagraph (without regard to this subparagraph), then for purposes of subparagraph (A), benefits of individuals described in such subparagraph shall be determined on the basis of the plan as amended by the most recent plan amendment effective during such 5-year period under which the assets

available for allocation are sufficient to satisfy in full the benefits of individuals described in subparagraph (A) and any assets remaining to be allocated under such subparagraph shall be allocated under subparagraph (A) on the basis of the plan as amended by the next succeeding plan amendment effective during such period.

(5) If the Secretary of the Treasury determines that the allocation made pursuant to this section (without regard to this paragraph) results in discrimination prohibited by section 401(a)(4) of title 26 then, if required to prevent the disqualification of the plan (or any trust under the plan) under section 401(a) or 403(a) of title 26, the assets allocated under subsections (a)(4)(B), (a)(5), and (a)(6) shall be reallocated to the extent necessary to avoid such discrimination.

(6) The term “mandatory contributions” means amounts contributed to the plan by a participant which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employer contributions. For this purpose, the total amount of mandatory contributions of a participant is the amount of such contributions reduced (but not below zero) by the sum of the amounts paid or distributed to him under the plan before its termination.

(7) A plan may establish subclasses and categories within the classes described in paragraphs (1) through (6) of subsection (a) in accordance with regulations prescribed by the corporation.

(c) Increase or decrease in value of assets

Any increase or decrease in the value of the assets of a single-employer plan occurring during the period beginning on the later of (1) the date a trustee is appointed under section 1342(b) of this title or (2) the date on which the plan is terminated is to be allocated between the plan and the corporation in the manner determined by the court (in the case of a court-appointed trustee) or as agreed upon by the corporation and the plan administrator in any other case. Any increase or decrease in the value of the assets of a single-employer plan occurring after the date on which the plan is terminated shall be credited to, or suffered by, the corporation.

(d) Distribution of residual assets; restrictions on reversions pursuant to recently amended plans; assets attributable to employee contributions; calculation of remaining assets

(1) Subject to paragraph (3), any residual assets of a single-employer plan may be distributed to the employer if—

(A) all liabilities of the plan to participants and their beneficiaries have been satisfied,

(B) the distribution does not contravene any provision of law, and

(C) the plan provides for such a distribution in these circumstances.

(2)(A) In determining the extent to which a plan provides for the distribution of plan assets to the employer for purposes of paragraph (1)(C), any such provision, and any amendment increasing the amount which may be distributed to the

employer, shall not be treated as effective before the end of the fifth calendar year following the date of the adoption of such provision or amendment.

(B) A distribution to the employer from a plan shall not be treated as failing to satisfy the requirements of this paragraph if the plan has been in effect for fewer than 5 years and the plan has provided for such a distribution since the effective date of the plan.

(C) Except as otherwise provided in regulations of the Secretary of the Treasury, in any case in which a transaction described in section 1058 of this title occurs, subparagraph (A) shall continue to apply separately with respect to the amount of any assets transferred in such transaction.

(D) For purposes of this subsection, the term “employer” includes any member of the controlled group of which the employer is a member. For purposes of the preceding sentence, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of title 26.

(3)(A) Before any distribution from a plan pursuant to paragraph (1), if any assets of the plan attributable to employee contributions remain after satisfaction of all liabilities described in subsection (a), such remaining assets shall be equitably distributed to the participants who made such contributions or their beneficiaries (including alternate payees, within the meaning of section 1056(d)(3)(K) of this title).

(B) For purposes of subparagraph (A), the portion of the remaining assets which are attributable to employee contributions shall be an amount equal to the product derived by multiplying—

(i) the market value of the total remaining assets, by

(ii) a fraction—

(I) the numerator of which is the present value of all portions of the accrued benefits with respect to participants which are derived from participants’ mandatory contributions (referred to in subsection (a)(2)), and

(II) the denominator of which is the present value of all benefits with respect to which assets are allocated under paragraphs (2) through (6) of subsection (a).

(C) For purposes of this paragraph, each person who is, as of the termination date—

(i) a participant under the plan, or

(ii) an individual who has received, during the 3-year period ending with the termination date, a distribution from the plan of such individual’s entire nonforfeitable benefit in the form of a single sum distribution in accordance with section 1053(e) of this title or in the form of irrevocable commitments purchased by the plan from an insurer to provide such nonforfeitable benefit,

shall be treated as a participant with respect to the termination, if all or part of the nonforfeitable benefit with respect to such person is or was attributable to participants’ mandatory contributions (referred to in subsection (a)(2)).

(4) Nothing in this subsection shall be construed to limit the requirements of section

4980(d) of title 26 (as in effect immediately after the enactment of the Omnibus Budget Reconciliation Act of 1990) or section 1104(d) of this title with respect to any distribution of residual assets of a single-employer plan to the employer.

(e) Bankruptcy filing substituted for termination date

If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11 or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then subsection (a)(3) shall be applied by treating the date such petition was filed as the termination date of the plan.

(f) Valuation of section 1362(c) liability for determining amounts payable by corporation to participants and beneficiaries

(1) In general

In the case of a terminated plan, the value of the recovery of liability under section 1362(c) of this title allocable as a plan asset under this section for purposes of determining the amount of benefits payable by the corporation shall be determined by multiplying—

(A) the amount of liability under section 1362(c) of this title as of the termination date of the plan, by

(B) the applicable section 1362(c) recovery ratio.

(2) Section 1362(c) recovery ratio

For purposes of this subsection—

(A) In general

Except as provided in subparagraph (C), the term “section 1362(c) recovery ratio” means the ratio which—

(i) the sum of the values of all recoveries under section 1362(c) of this title determined by the corporation in connection with plan terminations described under subparagraph (B), bears to

(ii) the sum of all the amounts of liability under section 1362(c) of this title with respect to such plans as of the termination date in connection with any such prior termination.

(B) Prior terminations

A plan termination described in this subparagraph is a termination with respect to which—

(i) the value of recoveries under section 1362(c) of this title have been determined by the corporation, and

(ii) notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 1342 of this title was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate (or the notice of determination under section 1342 of this title) with respect to the plan termination for which the recovery ratio is being determined.

(C) Exception

In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds \$20,000,000, the term “section 1362(c) recovery ratio” means, with respect to the termination of such plan, the ratio of—

(i) the value of the recoveries on behalf of the plan under section 1362(c) of this title, to

(ii) the amount of the liability owed under section 1362(c) of this title as of the date of plan termination to the trustee appointed under section 1342(b) or (c) of this title.

(3) Subsection not to apply

This subsection shall not apply with respect to the determination of—

(A) whether the amount of outstanding benefit liabilities exceeds \$20,000,000, or

(B) the amount of any liability under section 1362 of this title to the corporation or the trustee appointed under section 1342(b) or (c) of this title.

(4) Determinations

Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

(b) Recoverable amount

For purposes of subsection (a) the recoverable amount is the excess of the amount determined under paragraph (1) over the amount determined under paragraph (2).

(1) The amount determined under this paragraph is the sum of the amount of the actual payments received by the participant within the 3-year period.

(3) Payment by the corporation

After a missing participant whose designated benefit was transferred to the corporation is located—

(B) in any other case, the corporation shall pay a benefit based on the designated benefit and the assumptions prescribed by the corporation at the time that the corporation received the designated benefit.

The corporation shall make payments under subparagraph (B) available in the same forms and at the same times as a guaranteed benefit under section 1322 of this title would be available to be paid, except that the corporation may make a benefit available in the form of a single sum if the plan provided a single sum benefit (other than a single sum described in subsection (b)(2)(A)).

(C) under the assumptions of the corporation or of the plan, whichever provides the higher single sum, in the case of a plan that pays a single sum other than those described in subparagraph (A).

(c) Multiemployer plans

The corporation shall prescribe rules similar to the rules in subsection (a) for multiemployer plans covered by this subchapter that terminate under section 1314a of this title.

§ 1362. Liability for termination of single-employer plans under a distress termination or a termination by corporation

(a) In general

In any case in which a single-employer plan is terminated in a distress termination under section 1341(c) of this title or a termination otherwise instituted by the corporation under section 1342 of this title, any person who is, on the termination date, a contributing sponsor of the plan or a member of such a contributing sponsor's controlled group shall incur liability under this section. The liability under this section of all such persons shall be joint and several. The liability under this section consists of—

- (1) liability to the corporation, to the extent provided in subsection (b), and
- (2) liability to the trustee appointed under subsection (b) or (c) of section 1342 of this title, to the extent provided in subsection (c).

(b) Liability to corporation

(1) Amount of liability

(A) In general

Except as provided in subparagraph (B), the liability to the corporation of a person described in subsection (a) shall be the total amount of the unfunded benefit liabilities (as of the termination date) to all participants and beneficiaries under the plan, together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation.

(B) Special rule in case of subsequent insufficiency

For purposes of subparagraph (A), in any case described in section 1341(c)(3)(C)(ii) of this title, actuarial present values shall be determined as of the date of the notice to the corporation (or the finding by the corporation) described in such section.

(2) Payment of liability

(A) In general

Except as provided in subparagraph (B), the liability to the corporation under this subsection shall be due and payable to the corporation as of the termination date, in cash or securities acceptable to the corporation.

(B) Special rule

Payment of so much of the liability under paragraph (1)(A) as exceeds 30 percent of the collective net worth of all persons described in subsection (a) (including interest) shall be made under commercially reasonable terms prescribed by the corporation. The parties involved shall make a reasonable effort to

reach agreement on such commercially reasonable terms. Any such terms prescribed by the corporation shall provide for deferral of 50 percent of any amount of liability otherwise payable for any year under this subparagraph if a person subject to such liability demonstrates to the satisfaction of the corporation that no person subject to such liability has any individual pre-tax profits for such person's fiscal year ending during such year.

(3) Alternative arrangements

The corporation and any person liable under this section may agree to alternative arrangements for the satisfaction of liability to the corporation under this subsection.

(c) Liability to section 1342 trustee

A person described in subsection (a) shall be subject to liability under this subsection to the trustee appointed under subsection (b) or (c) of section 1342 of this title. The liability of such person under this subsection shall consist of—

- (1) the sum of the shortfall amortization charge (within the meaning of section 1083(c)(1) of this title and 430(d)(1)¹ of title 26) with respect to the plan (if any) for the plan year in which the termination date occurs, plus the aggregate total of shortfall amortization installments (if any) determined for succeeding plan years under section 1083(c)(2) of this title and section 430(d)(2) of title 26 (which, for purposes of this subparagraph, shall include any increase in such sum which would result if all applications for waivers of the minimum funding standard under section 1082(c) of this title and section 412(c) of title 26 which are pending with respect to such plan were denied and if no additional contributions (other than those already made by the termination date) were made for the plan year in which the termination date occurs or for any previous plan year), and

- (2) the sum of the waiver amortization charge (within the meaning of section 1083(e)(1) of this title and 430(e)(1)¹ of title 26) with respect to the plan (if any) for the plan year in which the termination date occurs, plus the aggregate total of waiver amortization installments (if any) determined for succeeding plan years under section 1083(e)(2) of this title and section 430(e)(2) of title 26,

together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation. The liability under this subsection shall be due and payable to such trustee as of the termination date, in cash or securities acceptable to such trustee.

(d) Definitions

(1) Collective net worth of persons subject to liability

(A) In general

The collective net worth of persons subject to liability in connection with a plan termination consists of the sum of the individual net worths of all persons who—

¹ So in original. Probably should be preceded by "section".

(i) have individual net worths which are greater than zero, and

(ii) are (as of the termination date) contributing sponsors of the terminated plan or members of their controlled groups.

(B) Determination of net worth

For purposes of this paragraph, the net worth of a person is—

(i) determined on whatever basis best reflects, in the determination of the corporation, the current status of the person's operations and prospects at the time chosen for determining the net worth of the person, and

(ii) increased by the amount of any transfers of assets made by the person which are determined by the corporation to be improper under the circumstances, including any such transfers which would be inappropriate under title 11 if the person were a debtor in a case under chapter 7 of such title.

(C) Timing of determination

For purposes of this paragraph, determinations of net worth shall be made as of a day chosen by the corporation (during the 120-day period ending with the termination date) and shall be computed without regard to any liability under this section.

(2) Pre-tax profits

The term "pre-tax profits" means—

(A) except as provided in subparagraph (B), for any fiscal year of any person, such person's consolidated net income (excluding any extraordinary charges to income and including any extraordinary credits to income) for such fiscal year, as shown on audited financial statements prepared in accordance with generally accepted accounting principles, or

(B) for any fiscal year of an organization described in section 501(c) of title 26, the excess of income over expenses (as such terms are defined for such organizations under generally accepted accounting principles),

before provision for or deduction of Federal or other income tax, any contribution to any single-employer plan of which such person is a contributing sponsor at any time during the period beginning on the termination date and ending with the end of such fiscal year, and any amounts required to be paid for such fiscal year under this section. The corporation may by regulation require such information to be filed on such forms as may be necessary to determine the existence and amount of such pre-tax profits.

(e) Treatment of substantial cessation of operations

(1) General rule

Except as provided in paragraphs (3) and (4), if there is a substantial cessation of operations at a facility in any location, the employer shall be treated with respect to any single employer plan established and maintained by the employer covering participants at such facility as if the employer were a substantial employer under a plan under which more than

one employer makes contributions and the provisions of sections 1363, 1364, and 1365 of this title shall apply.

(2) Substantial cessation of operations

For purposes of this subsection:

(A) In general

The term "substantial cessation of operations" means a permanent cessation of operations at a facility which results in a workforce reduction of a number of eligible employees at the facility equivalent to more than 15 percent of the number of all eligible employees of the employer, determined immediately before the earlier of—

(i) the date of the employer's decision to implement such cessation, or

(ii) in the case of a workforce reduction which includes 1 or more eligible employees described in paragraph (6)(B), the earliest date on which any such eligible employee was separated from employment.

(B) Workforce reduction

Subject to subparagraphs (C) and (D), the term "workforce reduction" means the number of eligible employees at a facility who are separated from employment by reason of the permanent cessation of operations of the employer at the facility.

(C) Relocation of workforce

An eligible employee separated from employment at a facility shall not be taken into account in computing a workforce reduction if, within a reasonable period of time, the employee is replaced by the employer, at the same or another facility located in the United States, by an employee who is a citizen or resident of the United States.

(D) Dispositions

If, whether by reason of a sale or other disposition of the assets or stock of a contributing sponsor (or any member of the same controlled group as such a sponsor) of the plan relating to operations at a facility or otherwise, an employer (the "transferee employer") other than the employer which experiences the substantial cessation of operations (the "transferor employer") conducts any portion of such operations, then—

(i) an eligible employee separated from employment with the transferor employer at the facility shall not be taken into account in computing a workforce reduction if—

(I) within a reasonable period of time, the employee is replaced by the transferee employer by an employee who is a citizen or resident of the United States; and

(II) in the case of an eligible employee who is a participant in a single employer plan maintained by the transferor employer, the transferee employer, within a reasonable period of time, maintains a single employer plan which includes the assets and liabilities attributable to the accrued benefit of the eligible employee at the time of separation from employment with the transferor employer; and

(ii) an eligible employee who continues to be employed at the facility by the transferee employer shall not be taken into account in computing a workforce reduction if—

(I) the eligible employee is not a participant in a single employer plan maintained by the transferor employer, or

(II) in any other case, the transferee employer, within a reasonable period of time, maintains a single employer plan which includes the assets and liabilities attributable to the accrued benefit of the eligible employee at the time of separation from employment with the transferor employer.

(3) Exemption for plans with limited underfunding

Paragraph (1) shall not apply with respect to a single employer plan if, for the plan year preceding the plan year in which the cessation occurred—

(A) there were fewer than 100 participants with accrued benefits under the plan as of the valuation date of the plan for the plan year (as determined under section 1083(g)(2) of this title); or

(B) the ratio of the market value of the assets of the plan to the funding target of the plan for the plan year was 90 percent or greater.

(4) Election to make additional contributions to satisfy liability

(A) In general

An employer may elect to satisfy the employer's liability with respect to a plan by reason of paragraph (1) by making additional contributions to the plan in the amount determined under subparagraph (B) for each plan year in the 7-plan-year period beginning with the plan year in which the cessation occurred. Any such additional contribution for a plan year shall be in addition to any minimum required contribution under section 1083 of this title for such plan year and shall be paid not later than the earlier of—

(i) the due date for the minimum required contribution for such year under section 1083(j) of this title; or

(ii) in the case of the first such contribution, the date that is 1 year after the date on which the employer notifies the Corporation of the substantial cessation of operations or the date the Corporation determines a substantial cessation of operations has occurred, and in the case of subsequent contributions, the same date in each succeeding year.

(B) Amount determined

(i) In general

Except as provided in clause (iii), the amount determined under this subparagraph with respect to each plan year in the 7-plan-year period is the product of—

(I) $\frac{1}{7}$ of the unfunded vested benefits determined under section 1306(a)(3)(E) of this title as of the valuation date of the plan (as determined under section

1083(g)(2) of this title) for the plan year preceding the plan year in which the cessation occurred; and

(II) the reduction fraction.

(ii) Reduction fraction

For purposes of clause (i), the reduction fraction of a single employer plan is equal to—

(I) the number of participants with accrued benefits in the plan who were included in computing the workforce reduction under paragraph (2)(B) as a result of the cessation of operations at the facility; divided by

(II) the number of eligible employees of the employer who are participants with accrued benefits in the plan, determined as of the same date the determination under paragraph (2)(A) is made.

(iii) Limitation

The additional contribution under this subparagraph for any plan year shall not exceed the excess, if any, of—

(I) 25 percent of the difference between the market value of the assets of the plan and the funding target of the plan for the preceding plan year; over

(II) the minimum required contribution under section 1083 of this title for the plan year.

(C) Permitted cessation of annual installments when plan becomes sufficiently funded

An employer's obligation to make additional contributions under this paragraph shall not apply to—

(i) the first plan year (beginning on or after the first day of the plan year in which the cessation occurs) for which the ratio of the market value of the assets of the plan to the funding target of the plan for the plan year is 90 percent or greater, or

(ii) any plan year following such first plan year.

(D) Coordination with funding waivers

(i) In general

If the Secretary of the Treasury issues a funding waiver under section 1082(c) of this title with respect to the plan for a plan year in the 7-plan-year period under subparagraph (A), the additional contribution with respect to such plan year shall be permanently waived.

(ii) Notice

An employer maintaining a plan with respect to which such a funding waiver has been issued or a request for such a funding waiver is pending shall provide notice to the Secretary of the Treasury, in such form and at such time as the Secretary of the Treasury shall provide, of a cessation of operations to which paragraph (1) applies.

(E) Enforcement

(i) Notice

An employer making the election under this paragraph shall provide notice to the

Corporation, in accordance with rules prescribed by the Corporation, of—

(I) such election, not later than 30 days after the earlier of the date the employer notifies the Corporation of the substantial cessation of operations or the date the Corporation determines a substantial cessation of operations has occurred;

(II) the payment of each additional contribution, not later than 10 days after such payment;

(III) any failure to pay the additional contribution in the full amount for any year in the 7-plan-year period, not later than 10 days after the due date for such payment;

(IV) the waiver under subparagraph (D)(i) of the obligation to make an additional contribution for any year, not later than 30 days after the funding waiver described in such subparagraph is granted; and

(V) the cessation of any obligation to make additional contributions under subparagraph (C), not later than 10 days after the due date for payment of the additional contribution for the first plan year to which such cessation applies.

(ii) Acceleration of liability to the plan for failure to pay

If an employer fails to pay the additional contribution in the full amount for any year in the 7-plan-year period by the due date for such payment, the employer shall, as of such date, be liable to the plan in an amount equal to the balance which remains unpaid as of such date of the aggregate amount of additional contributions required to be paid by the employer during such 7-year-plan period. The Corporation may waive or settle the liability described in the preceding sentence, at the discretion of the Corporation.

(iii) Civil action

The Corporation may bring a civil action in the district courts of the United States in accordance with section 1303(e) of this title to compel an employer making such election to pay the additional contributions required under this paragraph.

(5) Definitions

For purposes of this subsection:

(A) Eligible employee

The term “eligible employee” means an employee who is eligible to participate in an employee pension benefit plan (as defined in section 1002(2) of this title) established and maintained by the employer.

(B) Funding target

The term “funding target” means, with respect to any plan year, the funding target as determined under section 1306(a)(3)(E)(iii)(I) of this title for purposes of determining the premium paid to the Corporation under section 1307 of this title for the plan year.

(C) Market value

The market value of the assets of a plan shall be determined in the same manner as

for purposes of section 1306(a)(3)(E) of this title.

(6) Special rules

(A) Change in operation of certain facilities and property

For purposes of paragraphs (1) and (2), an employer shall not be treated as ceasing operations at a qualified lodging facility (as defined in section 856(d)(9)(D) of title 26) if such operations are continued by an eligible independent contractor (as defined in section 856(d)(9)(A) of such title) pursuant to an agreement with the employer.

(B) Aggregation of prior separations

The workforce reduction under paragraph (2) with respect to any cessation of operations shall be determined by taking into account any separation from employment of any eligible employee at the facility (other than a separation which is not taken into account as workforce reduction by reason of subparagraph (C) or (D) of paragraph (2)) which—

(i) is related to the permanent cessation of operations of the employer at the facility, and

(ii) occurs during the 3-year period preceding such cessation.

(C) No addition to prefunding balance

For purposes of section 1083(f)(6)(B) of this title and section 430(f)(6)(B) of title 26, any additional contribution made under paragraph (4) shall be treated in the same manner as a contribution an employer is required to make in order to avoid a benefit reduction under paragraph (1), (2), or (4) of section 1056(g) of this title or subsection (b), (c), or (e) of section 436 of title 26 for the plan year.

§ 1363. Liability of substantial employer for withdrawal from single-employer plans under multiple controlled groups

(a) Single-employer plans with two or more contributing sponsors

Except as provided in subsection (d), the plan administrator of a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control—

(1) shall notify the corporation of the withdrawal during a plan year of a substantial employer for such plan year from the plan, within 60 days after such withdrawal, and

(2) request that the corporation determine the liability of all persons with respect to the withdrawal of the substantial employer.

The corporation shall, as soon as practicable thereafter, determine whether there is liability resulting from the withdrawal of the substantial employer and notify the liable persons of such liability.

(b) Computation of liability

Except as provided in subsection (c), any one or more contributing sponsors who withdraw, during a plan year for which they constitute a substantial employer, from a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control, shall, upon notification of such contributing sponsors by the corporation as provided by subsection (a), be liable, together with the members of their controlled groups, to the corporation in accordance with the provisions of section 1362 of this title and this section. The amount of liability shall be computed on the basis of an amount determined by the corporation to be the amount described in section 1362 of this title for the entire plan, as if the plan had been terminated by the corporation on the date of the withdrawal referred to in subsection (a)(1) multiplied by a fraction—

(1) the numerator of which is the total amount required to be contributed to the plan by such contributing sponsors for the last 5 years ending prior to the withdrawal, and

(2) the denominator of which is the total amount required to be contributed to the plan by all contributing sponsors for such last 5 years.

In addition to and in lieu of the manner prescribed in the preceding sentence, the corporation may also determine such liability on any other equitable basis prescribed by the corporation in regulations. Any amount collected by the corporation under this subsection shall be held in escrow subject to disposition in accordance with the provisions of paragraphs (2) and (3) of subsection (c).

(c) Bond in lieu of payment of liability; 5-year termination period

(1) In lieu of payment of a contributing sponsor's liability under this section, the contributing sponsor may be required to furnish a bond to the corporation in an amount not exceeding 150 percent of his liability to insure payment of his liability under this section. The bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury under sections 9304-9308 of title 31. Any such bond shall be in a form or of a type approved by the Secretary including individual bonds or schedule or blanket forms of bonds which cover a group or class.

(2) If the plan is not terminated under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the liability is abated and any payment held in escrow shall be refunded without interest (or the bond cancelled) in accordance with bylaws or rules prescribed by the corporation.

(3) If the plan terminates under section 1341(c) or 1342 of this title within the 5-year period commencing on the day of withdrawal, the corporation shall—

(A) demand payment or realize on the bond and hold such amount in escrow for the benefit of the plan;

(B) treat any escrowed payments under this section as if they were plan assets and apply them in a manner consistent with this subtitle; and

(C) refund any amount to the contributing sponsor which is not required to meet any obligation of the corporation with respect to the plan.

(d) Alternate appropriate procedure

The provisions of this subsection apply in the case of a withdrawal described in subsection (a), and the provisions of subsections (b) and (c) shall not apply, if the corporation determines that the procedure provided for under this subsection is consistent with the purposes of this section and section 1364 of this title and is more appropriate in the particular case. Upon a showing by the plan administrator of the plan that the withdrawal from the plan by one or more contributing sponsors has resulted, or will result, in a significant reduction in the amount of aggregate contributions to or under the plan, the corporation may—

(1) require the plan fund to be equitably allocated between those participants no longer working in covered service under the plan as a result of the withdrawal, and those participants who remain in covered service under the plan;

(2) treat that portion of the plan funds allocable under paragraph (1) to participants no longer in covered service as a plan terminated under section 1342 of this title; and

(3) treat that portion of the plan fund allocable to participants remaining in covered service as a separate plan.

(e) Indemnity agreement

The corporation is authorized to waive the application of the provisions of subsections (b), (c), and (d) of this section whenever it determines that there is an indemnity agreement in effect among contributing sponsors under the plan which is adequate to satisfy the purposes of this section and of section 1364 of this title.

§ 1368. Lien for liability**(a) Creation of lien**

If any person liable to the corporation under section 1362, 1363, or 1364 of this title neglects or refuses to pay, after demand, the amount of such liability (including interest), there shall be a lien in favor of the corporation in the amount of such liability (including interest) upon all property and rights to property, whether real or personal, belonging to such person, except that such lien may not be in an amount in excess of 30 percent of the collective net worth of all persons described in section 1362(a) of this title¹

(b) Term of lien

The lien imposed by subsection (a) arises on the date of termination of a plan, and continues until the liability imposed under section 1362, 1363, or 1364 of this title is satisfied or becomes unenforceable by reason of lapse of time.

(c) Priority

(1) Except as otherwise provided under this section, the priority of a lien imposed under subsection (a) shall be determined in the same manner as under section 6323 of title 26 (as in effect on April 7, 1986). Such section 6323 shall be applied for purposes of this section by disregarding subsection (g)(4) and by substituting—

(A) “lien imposed by section 4068 of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1368]” for “lien imposed by section 6321” each place it appears in subsections (a), (b), (c)(1), (c)(4)(B), (d), (e), and (h)(5);

(B) “the corporation” for “the Secretary” in subsections (a) and (b)(9)(C);

(C) “the payment of the amount on which the section 4068(a) lien is based” for “the collection of any tax under this title” in subsection (b)(3);

(D) “a person whose property is subject to the lien” for “the taxpayer” in subsections (b)(8), (c)(2)(A)(i) (the first place it appears), (c)(2)(A)(ii), (c)(2)(B), (c)(4)(B), and (c)(4)(C) (in the matter preceding clause (i));

(E) “such person” for “the taxpayer” in subsections (c)(2)(A)(i) (the second place it appears) and (c)(4)(C)(ii);

(F) “payment of the loan value of the amount on which the lien is based is made to the corporation” for “satisfaction of a levy pursuant to section 6332(b)” in subsection (b)(9)(C);

(G) “section 4068(a) lien” for “tax lien” each place it appears in subsections (c)(1), (c)(2)(A), (c)(2)(B), (c)(3)(B)(iii), (c)(4)(B), (d), and (h)(5); and

(H) “the date on which the lien is first filed” for “the date of the assessment of the tax” in subsection (g)(3)(A).

(2) In a case under title 11 or in insolvency proceedings, the lien imposed under subsection (a) shall be treated in the same manner as a tax due and owing to the United States for purposes of title 11 or section 3713 of title 31.

(3) For purposes of applying section 6323(a) of title 26 to determine the priority between the lien imposed under subsection (a) and a Federal tax lien, each lien shall be treated as a judgment lien arising as of the time notice of such lien is filed.

(4) For purposes of this subsection, notice of the lien imposed by subsection (a) shall be filed in the same manner as under section 6323(f) and (g) of title 26.

(d) Civil action; limitation period

(1) In any case where there has been a refusal or neglect to pay the liability imposed under section 1362, 1363, or 1364 of this title, the corporation may bring civil action in a district court of the United States to enforce the lien of the corporation under this section with respect to such liability or to subject any property, of whatever nature, of the liable person, or in which he has any right, title, or interest to the payment of such liability.

(2) The liability imposed by section 1362, 1363, or 1364 of this title may be collected by a proceeding in court if the proceeding is commenced within 6 years after the date upon which the plan was terminated or prior to the expiration of any period for collection agreed upon in writing by the corporation and the liable person before the expiration of such 6-year period. The period of limitations provided under this paragraph shall be suspended for the period the assets of the liable person are in the control or custody of any court of the United States, or of any State, or of the District of Columbia, and for 6 months thereafter, and for any period during which the liable person is outside the United States if such period of absence is for a continuous period of at least 6 months.

(e) Release or subordination

If the corporation determines that release of the lien or subordination of the lien to any other creditor of the liable person would not adversely affect the collection of the liability imposed under section 1362, 1363, or 1364 of this title, or that the amount realizable by the corporation from the property to which the lien attaches will ultimately be increased by such release or subordination, and that the ultimate collection of the liability will be facilitated by such release or subordination, the corporation may issue a certificate of release or subordination of the lien with respect to such property, or any part thereof.

(f) Definitions

For purposes of this section—

(1) The collective net worth of persons subject to liability in connection with a plan termination shall be determined as provided in section 1362(d)(1) of this title.

(2) The term “pre-tax profits” has the meaning provided in section 1362(d)(2) of this title.

§ 1369. Treatment of transactions to evade liability; effect of corporate reorganization

(a) Treatment of transactions to evade liability

If a principal purpose of any person in entering into any transaction is to evade liability to which such person would be subject under this subtitle and the transaction becomes effective within five years before the termination date of the termination on which such liability would be based, then such person and the members of such person’s controlled group (determined as of

the termination date) shall be subject to liability under this subtitle in connection with such termination as if such person were a contributing sponsor of the terminated plan as of the termination date. This subsection shall not cause any person to be liable under this subtitle in connection with such plan termination for any increases or improvements in the benefits provided under the plan which are adopted after the date on which the transaction referred to in the preceding sentence becomes effective.

(b) Effect of corporate reorganization

For purposes of this subtitle, the following rules apply in the case of certain corporate reorganizations:

(1) Change of identity, form, etc.

If a person ceases to exist by reason of a reorganization which involves a mere change in identity, form, or place of organization, however effected, a successor corporation resulting from such reorganization shall be treated as the person to whom this subtitle applies.

(2) Liquidation into parent corporation

If a person ceases to exist by reason of liquidation into a parent corporation, the parent corporation shall be treated as the person to whom this subtitle applies.

§ 1370. Enforcement authority relating to terminations of single-employer plans

(a) In general

Any person who is with respect to a single-employer plan a fiduciary, contributing sponsor, member of a contributing sponsor's controlled group, participant, or beneficiary, and is adversely affected by an act or practice of any party (other than the corporation) in violation of any provision of section 1341, 1342, 1362, 1363, 1364, or 1369 of this title, or who is an employee organization representing such a participant or beneficiary so adversely affected for purposes of collective bargaining with respect to such plan, may bring an action—

(1) to enjoin such act or practice, or

(2) to obtain other appropriate equitable relief (A) to redress such violation or (B) to enforce such provision.

(b) Status of plan as party to action and with respect to legal process

A single-employer plan may be sued under this section as an entity. Service of summons, subpoena, or other legal process of a court upon a trustee or an administrator of a single-employer plan in such trustee's or administrator's capacity as such shall constitute service upon the plan. If a plan has not designated in the summary plan description of the plan an individual as agent for the service of legal process, service upon any contributing sponsor of the plan shall constitute such service. Any money judgment under this section against a single-employer plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in such person's individual capacity.

(c) Jurisdiction and venue

The district courts of the United States shall have exclusive jurisdiction of civil actions under this section. Such actions may be brought in the district where the plan is administered, where the violation took place, or where a defendant resides or may be found, and process may be served in any other district where a defendant resides or may be found. The district courts of the United States shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to grant the relief provided for in subsection (a) in any action.

(d) Right of corporation to intervene

A copy of the complaint or notice of appeal in any action under this section shall be served upon the corporation by certified mail. The corporation shall have the right in its discretion to intervene in any action.

(e) Awards of costs and expenses

(1) General rule

In any action brought under this section, the court in its discretion may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney's fees, to any party who prevails or substantially prevails in such action.

(2) Exemption for plans

Notwithstanding the preceding provisions of this subsection, no plan shall be required in any action to pay any costs and expenses (including attorney's fees).

(f) Limitation on actions

(1) In general

Except as provided in paragraph (3), an action under this section may not be brought after the later of—

(A) 6 years after the date on which the cause of action arose, or

(B) 3 years after the applicable date specified in paragraph (2).

(2) Applicable date

(A) General rule

Except as provided in subparagraph (B), the applicable date specified in this paragraph is the earliest date on which the plaintiff acquired or should have acquired actual

knowledge of the existence of such cause of action.

(B) Special rule for plaintiffs who are fiduciaries

In the case of a plaintiff who is a fiduciary bringing the action in the exercise of fiduciary duties, the applicable date specified in this paragraph is the date on which the plaintiff became a fiduciary with respect to the plan if such date is later than the date described in subparagraph (A).

(3) Cases of fraud or concealment

In the case of fraud or concealment, the period described in paragraph (1)(B) shall be extended to 6 years after the applicable date specified in paragraph (2).

Pub. L. 98-369, div. A, title V, § 558(a), (c), (d), July 18, 1984, 98 Stat. 899, provided that:

“(a) IN GENERAL.—

“(1) LIABILITY.—Any withdrawal liability incurred by an employer pursuant to part 1 of subtitle E of title IV of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1381 et seq.) as a result of the complete or partial withdrawal of such employer from a multiemployer plan before September 26, 1980, shall be void.

“(c) NO INCREASE IN LIABILITY.—The amendments made by this section [amending sections 1391, 1397, 1399, 1415 and 1461 of this title and provisions set out as a note under section 1385 of this title] shall not be construed to increase the liability incurred by any employer pursuant to part 1 of subtitle E of title IV of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1381 et seq.), as in effect immediately before the amendments made by subsection (b) [amending sections 1391, 1397, 1399, 1415, and 1461 of this title and provisions set out as a note under section 1385 of this title], as a result of the complete or partial withdrawal of such employer from a multiemployer plan prior to September 26, 1980.

APPLICABILITY TO CERTAIN EMPLOYERS WITHDRAWN BEFORE SEPT. 26, 1980, FROM MULTIEMPLOYER PLAN COVERING EMPLOYEES IN SEAGOING INDUSTRY; EFFECTIVE DATE, COVERAGE, ETC.

Pub. L. 96-364, title I, § 108(c)(4), Sept. 26, 1980, 94 Stat. 1269, provided that: “In the case of an employer who withdrew before the date of enactment of this Act [Sept. 26, 1980] from a multiemployer plan covering employees in the seagoing industry (as determined by the corporation), sections 4201 through 4219 of the Employee Retirement Income Security Act of 1974, as added by this Act, [section 1381 through 1399 of this title], are effective as of May 3, 1979. For the purpose of applying section 4217 [section 1397 of this title] for purposes of the preceding sentence, the date ‘May 2, 1979,’ shall be substituted for ‘April 28, 1980,’ and the date ‘May 3, 1979’ shall be substituted for ‘April 29, 1980.’ For purposes of this paragraph, terms which are used in title IV of the Employee Retirement Income Security Act of 1974 [this subchapter], or in regulations prescribed under that title, and which are used in the preceding sentence have the same meaning as when used in that Act [see Short Title note set out under sections 1001 of this title] or those regulations. For purposes of this paragraph, the term ‘employer’ includes only a substantial employer covering employees in the seagoing industry (as so determined) in connection with ports on the West Coast of the United States, but does not include an employer who withdrew from a plan because of a change in the collective bargaining representative.”

§ 1382. Determination and collection of liability; notification of employer

When an employer withdraws from a multiemployer plan, the plan sponsor, in accordance with this part, shall—

- (1) determine the amount of the employer’s withdrawal liability,
- (2) notify the employer of the amount of the withdrawal liability, and
- (3) collect the amount of the withdrawal liability from the employer.

(Pub. L. 93-406, title IV, § 4202, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1218.)

§ 1383. Complete withdrawal

(a) Determinative factors

For purposes of this part, a complete withdrawal from a multiemployer plan occurs when an employer—

- (1) permanently ceases to have an obligation to contribute under the plan, or
- (2) permanently ceases all covered operations under the plan.

(b) Building and construction industry

(1) Notwithstanding subsection (a), in the case of an employer that has an obligation to contribute under a plan for work performed in the building and construction industry, a complete withdrawal occurs only as described in paragraph (2), if—

- (A) substantially all the employees with respect to whom the employer has an obligation to contribute under the plan perform work in the building and construction industry, and
- (B) the plan—
 - (i) primarily covers employees in the building and construction industry, or

(ii) is amended to provide that this subsection applies to employers described in this paragraph.

(2) A withdrawal occurs under this paragraph if—

(A) an employer ceases to have an obligation to contribute under the plan, and

(B) the employer—

(i) continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required, or

(ii) resumes such work within 5 years after the date on which the obligation to contribute under the plan ceases, and does not renew the obligation at the time of the resumption.

(3) In the case of a plan terminated by mass withdrawal (within the meaning of section 1341a(a)(2) of this title), paragraph (2) shall be applied by substituting “3 years” for “5 years” in subparagraph (B)(ii).

(c) Entertainment industry

(1) Notwithstanding subsection (a), in the case of an employer that has an obligation to contribute under a plan for work performed in the entertainment industry, primarily on a temporary or project-by-project basis, if the plan primarily covers employees in the entertainment industry, a complete withdrawal occurs only as described in subsection (b)(2) applied by substituting “plan” for “collective bargaining agreement” in subparagraph (B)(i) thereof.

(2) For purposes of this subsection, the term “entertainment industry” means—

(A) theater, motion picture (except to the extent provided in regulations prescribed by the corporation), radio, television, sound or visual recording, music, and dance, and

(B) such other entertainment activities as the corporation may determine to be appropriate.

(3) The corporation may by regulation exclude a group or class of employers described in the preceding sentence from the application of this subsection if the corporation determines that such exclusion is necessary—

(A) to protect the interest of the plan’s participants and beneficiaries, or

(B) to prevent a significant risk of loss to the corporation with respect to the plan.

(4) A plan may be amended to provide that this subsection shall not apply to a group or class of employers under the plan.

(d) Other determinative factors

(1) Notwithstanding subsection (a), in the case of an employer who—

(A) has an obligation to contribute under a plan described in paragraph (2) primarily for work described in such paragraph, and

(B) does not continue to perform work within the jurisdiction of the plan,

a complete withdrawal occurs only as described in paragraph (3).

(2) A plan is described in this paragraph if substantially all of the contributions required under the plan are made by employers primarily

engaged in the long and short haul trucking industry, the household goods moving industry, or the public warehousing industry.

(3) A withdrawal occurs under this paragraph if—

(A) an employer permanently ceases to have an obligation to contribute under the plan or permanently ceases all covered operations under the plan, and

(B) either—

(i) the corporation determines that the plan has suffered substantial damage to its contribution base as a result of such cessation, or

(ii) the employer fails to furnish a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to 50 percent of the withdrawal liability of the employer.

(4) If, after an employer furnishes a bond or escrow to a plan under paragraph (3)(B)(ii), the corporation determines that the cessation of the employer’s obligation to contribute under the plan (considered together with any cessations by other employers), or cessation of covered operations under the plan, has resulted in substantial damage to the contribution base of the plan, the employer shall be treated as having withdrawn from the plan on the date on which the obligation to contribute or covered operations ceased, and such bond or escrow shall be paid to the plan. The corporation shall not make a determination under this paragraph more than 60 months after the date on which such obligation to contribute or covered operations ceased.

(5) If the corporation determines that the employer has no further liability under the plan either—

(A) because it determines that the contribution base of the plan has not suffered substantial damage as a result of the cessation of the employer’s obligation to contribute or cessation of covered operations (considered together with any cessation of contribution obligation, or of covered operations, with respect to other employers), or

(B) because it may not make a determination under paragraph (4) because of the last sentence thereof,

then the bond shall be cancelled or the escrow refunded.

(6) Nothing in this subsection shall be construed as a limitation on the amount of the withdrawal liability of any employer.

(e) Date of complete withdrawal

For purposes of this part, the date of a complete withdrawal is the date of the cessation of the obligation to contribute or the cessation of covered operations.

(f) Special liability withdrawal rules for industries other than construction and entertainment industries; procedures applicable to amend plans

(1) The corporation may prescribe regulations under which plans in industries other than the construction or entertainment industries may

be amended to provide for special withdrawal liability rules similar to the rules described in subsections (b) and (c).

(2) Regulations under paragraph (1) shall permit use of special withdrawal liability rules—

(A) only in industries (or portions thereof) in which, as determined by the corporation, the characteristics that would make use of such rules appropriate are clearly shown, and

(B) only if the corporation determines, in each instance in which special withdrawal liability rules are permitted, that use of such rules will not pose a significant risk to the corporation under this subchapter.

(Pub. L. 93-406, title IV, § 4203, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1218.)

§ 1384. Sale of assets

(a) Complete or partial withdrawal not occurring as a result of sale and subsequent cessation of covered operations or cessation of obligation to contribute to covered operations; continuation of liability of seller

(1) A complete or partial withdrawal of an employer (hereinafter in this section referred to as the “seller”) under this section does not occur solely because, as a result of a bona fide, arm’s-length sale of assets to an unrelated party (hereinafter in this section referred to as the “purchaser”), the seller ceases covered operations or ceases to have an obligation to contribute for such operations, if—

(A) the purchaser has an obligation to contribute to the plan with respect to the operations for substantially the same number of contribution base units for which the seller had an obligation to contribute to the plan;

(B) the purchaser provides to the plan for a period of 5 plan years commencing with the first plan year beginning after the sale of assets, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the greater of—

(i) the average annual contribution required to be made by the seller with respect to the operations under the plan for the 3 plan years preceding the plan year in which the sale of the employer’s assets occurs, or

(ii) the annual contribution that the seller was required to make with respect to the operations under the plan for the last plan year before the plan year in which the sale of the assets occurs,

which bond or escrow shall be paid to the plan if the purchaser withdraws from the plan, or fails to make a contribution to the plan when due, at any time during the first 5 plan years beginning after the sale; and

(C) the contract for sale provides that, if the purchaser withdraws in a complete withdrawal, or a partial withdrawal with respect to operations, during such first 5 plan years, the seller is secondarily liable for any withdrawal liability it would have had to the plan with respect to the operations (but for this section) if

the liability of the purchaser with respect to the plan is not paid.

(2) If the purchaser—

(A) withdraws before the last day of the fifth plan year beginning after the sale, and

(B) fails to make any withdrawal liability payment when due,

then the seller shall pay to the plan an amount equal to the payment that would have been due from the seller but for this section.

(3)(A) If all, or substantially all, of the seller’s assets are distributed, or if the seller is liquidated before the end of the 5 plan year period described in paragraph (1)(C), then the seller shall provide a bond or amount in escrow equal to the present value of the withdrawal liability the seller would have had but for this subsection.

(B) If only a portion of the seller’s assets are distributed during such period, then a bond or escrow shall be required, in accordance with regulations prescribed by the corporation, in a manner consistent with subparagraph (A).

(4) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon payment of the bond or escrow to the plan, by the amount thereof.

(b) Liability of purchaser

(1) For the purposes of this part, the liability of the purchaser shall be determined as if the purchaser had been required to contribute to the plan in the year of the sale and the 4 plan years preceding the sale the amount the seller was required to contribute for such operations for such 5 plan years.

(2) If the plan is in reorganization in the plan year in which the sale of assets occurs, the purchaser shall furnish a bond or escrow in an amount equal to 200 percent of the amount described in subsection (a)(1)(B).

(c) Variances or exemptions from continuation of liability of seller; procedures applicable

The corporation may by regulation vary the standards in subparagraphs (B) and (C) of subsection (a)(1) if the variance would more effectively or equitably carry out the purposes of this subchapter. Before it promulgates such regulations, the corporation may grant individual or class variances or exemptions from the requirements of such subparagraphs if the particular case warrants it. Before granting such an individual or class variance or exemption, the corporation—

(1) shall publish notice in the Federal Register of the pendency of the variance or exemption,

(2) shall require that adequate notice be given to interested persons, and

(3) shall afford interested persons an opportunity to present their views.

(d) “Unrelated party” defined

For purposes of this section, the term “unrelated party” means a purchaser or seller who does not bear a relationship to the seller or purchaser, as the case may be, that is described in section 267(b) of title 26, or that is described in regulations prescribed by the corporation applying principles similar to the principles of such section.

AMENDMENTS

1989—Subsec. (d). Pub. L. 101-239 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1385. Partial withdrawals

(a) Determinative factors

Except as otherwise provided in this section, there is a partial withdrawal by an employer from a plan on the last day of a plan year if for such plan year—

- (1) there is a 70-percent contribution decline, or
- (2) there is a partial cessation of the employer's contribution obligation.

(b) Criteria applicable

For purposes of subsection (a)—

(1)(A) There is a 70-percent contribution decline for any plan year if during each plan year in the 3-year testing period the employer's contribution base units do not exceed 30 percent of the employer's contribution base units for the high base year.

(B) For purposes of subparagraph (A)—

(i) The term “3-year testing period” means the period consisting of the plan year and the immediately preceding 2 plan years.

(ii) The number of contribution base units for the high base year is the average number of such units for the 2 plan years for which the employer's contribution base units were the highest within the 5 plan years immediately preceding the beginning of the 3-year testing period.

(2)(A) There is a partial cessation of the employer's contribution obligation for the plan year if, during such year—

(i) the employer permanently ceases to have an obligation to contribute under one or more but fewer than all collective bargaining agreements under which the employer has been obligated to contribute under the plan but continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required or transfers such work to another location or to an entity or entities owned or controlled by the employer, or

(ii) an employer permanently ceases to have an obligation to contribute under the plan with respect to work performed at one or more but fewer than all of its facilities, but continues to perform work at the facility of the type for which the obligation to contribute ceased.

(B) For purposes of subparagraph (A), a cessation of obligations under a collective bar-

gaining agreement shall not be considered to have occurred solely because, with respect to the same plan, one agreement that requires contributions to the plan has been substituted for another agreement.

(c) Retail food industry

(1) In the case of a plan in which a majority of the covered employees are employed in the retail food industry, the plan may be amended to provide that this section shall be applied with respect to such plan—

(A) by substituting “35 percent” for “70 percent” in subsections (a) and (b), and

(B) by substituting “65 percent” for “30 percent” in subsection (b).

(2) Any amendment adopted under paragraph (1) shall provide rules for the equitable reduction of withdrawal liability in any case in which the number of the plan's contribution base units, in the 2 plan years following the plan year of withdrawal of the employer, is higher than such number immediately after the withdrawal.

(3) Section 1388 of this title shall not apply to a plan which has been amended under paragraph (1).

(d) Continuation of liability of employer for partial withdrawal under amended plan

In the case of a plan described in section 404(c) of title 26, or a continuation thereof, the plan may be amended to provide rules setting forth other conditions consistent with the purposes of this chapter under which an employer has liability for partial withdrawal.

“(1) In the case of a partial withdrawal under section 4205 of the Employee Retirement Income Security Act of 1974 [this section], an employer who—

“(B) had not been obligated to make contributions to the plan on behalf of the employees at such facility for more than 8 years before the discontinuance of contributions, and

“(C) after the discontinuance of contributions does not within 1 year after the date of the partial withdrawal perform work in the same State of the type for which contributions were previously required, shall be liable under such section with respect to such partial withdrawal in an amount not greater than the amount determined under paragraph (2).

“(2) The amount determined under this paragraph is the excess (if any) of—

“(A) the present value (on the withdrawal date) of the benefits under the plan which—

“(i) were vested on the withdrawal date (or, if earlier, at the time of separation from service with the employer at the facility),

“(ii) were accrued by employees who on December 13, 1979 (or, if earlier, at the time of separation from service with the employer at the facility), were employed at the facility, and

§ 1386. Adjustment for partial withdrawal; determination of amount; reduction for partial withdrawal liability; procedures applicable

(a) The amount of an employer’s liability for a partial withdrawal, before the application of sections 1399(c)(1) and 1405 of this title, is equal to the product of—

(1) the amount determined under section 1391 of this title, and adjusted under section 1389 of this title if appropriate, determined as if the employer had withdrawn from the plan in a complete withdrawal—

(A) on the date of the partial withdrawal, or

(B) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), on the last day of the first plan year in the 3-year testing period,

multiplied by

(2) a fraction which is 1 minus a fraction—

(A) the numerator of which is the employer’s contribution base units for the plan year following the plan year in which the partial withdrawal occurs, and

(B) the denominator of which is the average of the employer’s contribution base units for—

(i) except as provided in clause (ii), the 5 plan years immediately preceding the plan year in which the partial withdrawal occurs, or

(ii) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), the 5 plan years immediately preceding the beginning of the 3-year testing period.

(b)(1) In the case of an employer that has withdrawal liability for a partial withdrawal from a

plan, any withdrawal liability of that employer for a partial or complete withdrawal from that plan in a subsequent plan year shall be reduced by the amount of any partial withdrawal liability (reduced by any abatement or reduction of such liability) of the employer with respect to the plan for a previous plan year.

(2) The corporation shall prescribe such regulations as may be necessary to provide for proper adjustments in the reduction provided by paragraph (1) for—

(A) changes in unfunded vested benefits arising after the close of the prior year for which partial withdrawal liability was determined,

(B) changes in contribution base units occurring after the close of the prior year for which partial withdrawal liability was determined, and

(C) any other factors for which it determines adjustment to be appropriate,

so that the liability for any complete or partial withdrawal in any subsequent year (after the application of the reduction) properly reflects the employer's share of liability with respect to the plan.

(Pub. L. 93-406, title IV, §4206, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1222.)

§ 1387. Reduction or waiver of complete withdrawal liability; procedures and standards applicable

(a) The corporation shall provide by regulation for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from a plan subsequently resumes covered operations under the plan or renews an obligation to contribute under the plan, to the extent that the corporation determines that reduction or waiver of withdrawal liability is consistent with the purposes of this chapter.

(b) The corporation shall prescribe by regulation a procedure and standards for the amendment of plans to provide alternative rules for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from the plan subsequently resumes covered operations or renews an obligation to contribute under the plan. The rules may apply only to the extent that the rules are consistent with the purposes of this chapter.

(Pub. L. 93-406, title IV, §4207, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1223.)

§ 1388. Reduction of partial withdrawal liability

(a) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year following the partial withdrawal year; criteria applicable; furnishing of bond in lieu of payment of partial withdrawal liability

(1) If, for any 2 consecutive plan years following the plan year in which an employer has partially withdrawn from a plan under section 1385(a)(1) of this title (referred to elsewhere in this section as the "partial withdrawal year"), the number of contribution base units with respect to which the employer has an obligation to contribute under the plan for each such year is not less than 90 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute under the plan for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title), then the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second consecutive plan year following the partial withdrawal year.

(2)(A) For any plan year for which the number of contribution base units with respect to which an employer who has partially withdrawn under section 1385(a)(1) of this title has an obligation to contribute under the plan equals or exceeds the number of units for the highest year determined under paragraph (1) without regard to "90 percent of", the employer may furnish (in lieu of payment of the partial withdrawal liability determined under section 1386 of this title) a bond to the plan in the amount determined by the plan sponsor (not exceeding 50 percent of the annual payment otherwise required).

(B) If the plan sponsor determines under paragraph (1) that the employer has no further liability to the plan for the partial withdrawal, then the bond shall be cancelled.

(C) If the plan sponsor determines under paragraph (1) that the employer continues to have liability to the plan for the partial withdrawal, then—

(i) the bond shall be paid to the plan,

(ii) the employer shall immediately be liable for the outstanding amount of liability due with respect to the plan year for which the bond was posted, and

(iii) the employer shall continue to make the partial withdrawal liability payments as they are due.

(b) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year; other criteria applicable

If—

(1) for any 2 consecutive plan years following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for each such year exceeds 30 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute for

the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title,¹ and

(2) the total number of contribution base units with respect to which all employers under the plan have obligations to contribute in each of such 2 consecutive years is not less than 90 percent of the total number of contribution base units for which all employers had obligations to contribute in the partial withdrawal plan year;

then, the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second such consecutive plan year.

(c) Pro rata reduction of amount of partial withdrawal liability payment of employer for plan year following partial withdrawal year

In any case in which, in any plan year following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for such year equals or exceeds 110 percent (or such other percentage as the plan may provide by amendment and which is not prohibited under regulations prescribed by the corporation) of the number of contribution base units with respect to which the employer had an obligation to contribute in the partial withdrawal year, then the amount of the employer's partial withdrawal liability payment for such year shall be reduced pro rata, in accordance with regulations prescribed by the corporation.

(d) Building and construction industry; entertainment industry

(1) An employer to whom section 1383(b)² of this title (relating to the building and construction industry) applies is liable for a partial withdrawal only if the employer's obligation to contribute under the plan is continued for no more than an insubstantial portion of its work in the craft and area jurisdiction of the collective bargaining agreement of the type for which contributions are required.

(2) An employer to whom section 1383(c)² of this title (relating to the entertainment industry) applies shall have no liability for a partial withdrawal except under the conditions and to the extent prescribed by the corporation by regulation.

(e) Reduction or elimination of partial withdrawal liability under any conditions; criteria; procedures applicable

(1) The corporation may prescribe regulations providing for the reduction or elimination of partial withdrawal liability under any conditions with respect to which the corporation determines that reduction or elimination of partial withdrawal liability is consistent with the purposes of this chapter.

(2) Under such regulations, reduction of withdrawal liability shall be provided only with respect to subsequent changes in the employer's contributions for the same operations, or under the same collective bargaining agreement, that

gave rise to the partial withdrawal, and changes in the employer's contribution base units with respect to other facilities or other collective bargaining agreements shall not be taken into account.

(3) The corporation shall prescribe by regulation a procedure by which a plan may by amendment adopt rules for the reduction or elimination of partial withdrawal liability under any other conditions, subject to the approval of the corporation based on its determination that adoption of such rules by the plan is consistent with the purposes of this chapter.

§ 1389. De minimis rule

(a) Reduction of unfunded vested benefits allocable to employer withdrawn from plan

Except in the case of a plan amended under subsection (b), the amount of the unfunded vested benefits allocable under section 1391 of this title to an employer who withdraws from a plan shall be reduced by the smaller of—

- (1) $\frac{3}{4}$ of 1 percent of the plan's unfunded vested obligations (determined as of the end of the plan year ending before the date of withdrawal), or
- (2) \$50,000,

reduced by the amount, if any, by which the unfunded vested benefits allowable to the employer, determined without regard to this subsection, exceeds \$100,000.

(b) Amendment of plan for reduction of amount of unfunded vested benefits allocable to employer withdrawn from plan

A plan may be amended to provide for the reduction of the amount determined under section 1391 of this title by not more than the greater of—

- (1) the amount determined under subsection (a), or
- (2) the lesser of—
 - (A) the amount determined under subsection (a)(1), or
 - (B) \$100,000,

reduced by the amount, if any, by which the amount determined under section 1391 of this title for the employer, determined without regard to this subsection, exceeds \$150,000.

(c) Nonapplicability

This section does not apply—

(1) to an employer who withdraws in a plan year in which substantially all employers withdraw from the plan, or

(2) in any case in which substantially all employers withdraw from the plan during a period of one or more plan years pursuant to an agreement or arrangement to withdraw, to an employer who withdraws pursuant to such agreement or arrangement.

(d) Presumption of employer withdrawal from plan pursuant to agreement or arrangement applicable in action or proceeding to determine or collect withdrawal liability

In any action or proceeding to determine or collect withdrawal liability, if substantially all employers have withdrawn from a plan within a period of 3 plan years, an employer who has withdrawn from such plan during such period shall be presumed to have withdrawn from the plan pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

§ 1390. Nonapplicability of withdrawal liability for certain temporary contribution obligation periods; exception

(a) An employer who withdraws from a plan in complete or partial withdrawal is not liable to the plan if the employer—

(1) first had an obligation to contribute to the plan after September 26, 1980,

(2) had an obligation to contribute to the plan for no more than the lesser of—

(A) 6 consecutive plan years preceding the date on which the employer withdraws, or

(B) the number of years required for vesting under the plan,

(3) was required to make contributions to the plan for each such plan year in an amount equal to less than 2 percent of the sum of all employer contributions made to the plan for each such year, and

(4) has never avoided withdrawal liability because of the application of this section with respect to the plan.

(b) Subsection (a) shall apply to an employer with respect to a plan only if—

(1) the plan is amended to provide that subsection (a) applies;

(2) the plan provides, or is amended to provide, that the reduction under section 411(a)(3)(E) of title 26 applies with respect to the employees of the employer; and

(3) the ratio of the assets of the plan for the plan year preceding the first plan year for which the employer was required to contribute to the plan to the benefit payments made during that plan year was at least 8 to 1.

1989—Subsec. (b)(3). Pub. L. 101-239 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1391. Methods for computing withdrawal liability**(a) Determination of amount of unfunded vested benefits allocable to employer withdrawn from plan**

The amount of the unfunded vested benefits allocable to an employer that withdraws from a plan shall be determined in accordance with subsection (b), (c), or (d) of this section.

(b) Factors determining computation of amount of unfunded vested benefits allocable to employer withdrawn from plan

(1) Except as provided in subsections (c) and (d), the amount of unfunded vested benefits allocable to an employer that withdraws is the sum of—

(A) the employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, as determined under paragraph (2),

(B) the employer’s proportional share, if any, of the unamortized amount of the plan’s unfunded vested benefits at the end of the plan year ending before September 26, 1980, as determined under paragraph (3); and

(C) the employer’s proportional share of the unamortized amounts of the reallocated unfunded vested benefits (if any) as determined under paragraph (4).

If the sum of the amounts determined with respect to an employer under paragraphs (2), (3), and (4) is negative, the unfunded vested benefits allocable to the employer shall be zero.

(2)(A) An employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer’s proportional shares of the unamortized amount of the change in unfunded vested benefits for each plan year in which the employer has an obligation to contribute under the plan ending—

(i) after such date, and

(ii) before the plan year in which the withdrawal of the employer occurs.

(B) The change in a plan's unfunded vested benefits for a plan year is the amount by which—

(i) the unfunded vested benefits at the end of the plan year; exceeds

(ii) the sum of—

(I) the unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, and

(II) the sum of the unamortized amounts of the change in unfunded vested benefits for each plan year ending after September 25, 1980, and preceding the plan year for which the change is determined.

(C) The unamortized amount of the change in a plan's unfunded vested benefits with respect to a plan year is the change in unfunded vested benefits for the plan year, reduced by 5 percent of such change for each succeeding plan year.

(D) The unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, is the amount of the unfunded vested benefits as of the end of that plan year reduced by 5 percent of such amount for each succeeding plan year.

(E) An employer's proportional share of the unamortized amount of a change in unfunded vested benefits is the product of—

(i) the unamortized amount of such change (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of the contributions required to be made under the plan by the employer for the year in which such change arose and for the 4 preceding plan years, and

(II) the denominator of which is the sum for the plan year in which such change arose and the 4 preceding plan years of all contributions made by employers who had an obligation to contribute under the plan for the plan year in which such change arose reduced by the contributions made in such years by employers who had withdrawn from the plan in the year in which the change arose.

(3) An employer's proportional share of the unamortized amount of the plan's unfunded vested benefits for the last plan year ending before September 26, 1980, is the product of—

(A) such unamortized amount; multiplied by—

(B) a fraction—

(i) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the most recent 5 plan years ending before September 26, 1980, and

(ii) the denominator of which is the sum of all contributions made for the most recent 5 plan years ending before September 26, 1980, by all employers—

(I) who had an obligation to contribute under the plan for the first plan year ending on or after such date, and

(II) who had not withdrawn from the plan before such date.

(4)(A) An employer's proportional share of the unamortized amount of the reallocated un-

funded vested benefits is the sum of the employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits for each plan year ending before the plan year in which the employer withdrew from the plan.

(B) Except as otherwise provided in regulations prescribed by the corporation, the reallocated unfunded vested benefits for a plan year is the sum of—

(i) any amount which the plan sponsor determines in that plan year to be uncollectible for reasons arising out of cases or proceedings under title 11, or similar proceedings.¹

(ii) any amount which the plan sponsor determines in that plan year will not be assessed as a result of the operation of section 1389, 1399(c)(1)(B), or 1405 of this title against an employer to whom a notice described in section 1399 of this title has been sent, and

(iii) any amount which the plan sponsor determines to be uncollectible or unassessable in that plan year for other reasons under standards not inconsistent with regulations prescribed by the corporation.

(C) The unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the reallocated unfunded vested benefits for the plan year, reduced by 5 percent of such reallocated unfunded vested benefits for each succeeding plan year.

(D) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the product of—

(i) the unamortized amount of the reallocated unfunded vested benefits (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) the fraction defined in paragraph (2)(E)(ii).

(c) Amendment of multiemployer plan for determination respecting amount of unfunded vested benefits allocable to employer withdrawn from plan; factors determining computation of amount

(1) A multiemployer plan, other than a plan which primarily covers employees in the building and construction industry, may be amended to provide that the amount of unfunded vested benefits allocable to an employer that withdraws from the plan is an amount determined under paragraph (2), (3), (4), or (5) of this subsection, rather than under subsection (b) or (d). A plan described in section 1383(b)(1)(B)(i) of this title (relating to the building and construction industry) may be amended, to the extent provided in regulations prescribed by the corporation, to provide that the amount of the unfunded vested benefits allocable to an employer not described in section 1383(b)(1)(A) of this title shall be determined in a manner different from that provided in subsection (b).

(2)(A) The amount of the unfunded vested benefits allocable to any employer under this paragraph is the sum of the amounts determined under subparagraphs (B) and (C).

(B) The amount determined under this subparagraph is the product of—

¹ So in original. The period probably should be a comma.

(i) the plan's unfunded vested benefits as of the end of the last plan year ending before September 26, 1980, reduced as if those obligations were being fully amortized in level annual installments over 15 years beginning with the first plan year ending on or after such date; multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the last 5 plan years ending before September 26, 1980, and

(II) the denominator of which is the sum of all contributions made for the last 5 plan years ending before September 26, 1980, by all employers who had an obligation to contribute under the plan for the first plan year ending after September 25, 1980, and who had not withdrawn from the plan before such date.

(C) The amount determined under this subparagraph is the product of—

(i) an amount equal to—

(I) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

(II) the sum of the value as of such date of all outstanding claims for withdrawal liability which can reasonably be expected to be collected, with respect to employers withdrawing before such plan year, and that portion of the amount determined under subparagraph (B)(i) which is allocable to employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws and who also had an obligation to contribute under the plan for the first plan year ending after September 25, 1980; multiplied by

(ii) a fraction—

(I) the numerator of which is the total amount required to be contributed under the plan by the employer for the last 5 plan years ending before the date on which the employer withdraws, and

(II) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the date on which the employer withdraws, increased by the amount of any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed by an employer who withdrew from the plan under this part during those plan years.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(3) The amount of the unfunded vested benefits allocable to an employer under this paragraph is the product of—

(A) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

the value as of the end of such year of all outstanding claims for withdrawal liability which can reasonably be expected to be collected from employers withdrawing before such year; multiplied by

(B) a fraction—

(i) the numerator of which is the total amount required to be contributed by the employer under the plan for the last 5 plan years ending before the withdrawal, and

(ii) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the withdrawal, increased by any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed to the plan during those plan years by employers who withdrew from the plan under this section during those plan years.

(4)(A) The amount of the unfunded vested benefits allocable to an employer under this paragraph is equal to the sum of—

(i) the plan's unfunded vested benefits which are attributable to participants' service with the employer (determined as of the end of the plan year preceding the plan year in which the employer withdraws), and

(ii) the employer's proportional share of any unfunded vested benefits which are not attributable to service with the employer or other employers who are obligated to contribute under the plan in the plan year preceding the plan year in which the employer withdraws (determined as of the end of the plan year preceding the plan year in which the employer withdraws).

(B) The plan's unfunded vested benefits which are attributable to participants' service with the employer is the amount equal to the value of nonforfeitable benefits under the plan which are attributable to participants' service with such employer (determined under plan rules not inconsistent with regulations of the corporation) decreased by the share of plan assets determined under subparagraph (C) which is allocated to the employer as provided under subparagraph (D).

(C) The value of plan assets determined under this subparagraph is the value of plan assets allocated to nonforfeitable benefits which are attributable to service with the employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws, which is determined by multiplying—

(i) the value of the plan assets as of the end of the plan year preceding the plan year in which the employer withdraws, by

(ii) a fraction—

(I) the numerator of which is the value of nonforfeitable benefits which are attributable to service with such employers, and

(II) the denominator of which is the value of all nonforfeitable benefits under the plan as of the end of the plan year.

(D) The share of plan assets, determined under subparagraph (C), which is allocated to the em-

ployer shall be determined in accordance with one of the following methods which shall be adopted by the plan by amendment:

(i) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the value of the nonforfeitable benefits which are attributable to service with the employer, and

(II) the denominator of which is the value of the nonforfeitable benefits which are attributable to service with all employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws;

(ii) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the sum of all contributions (accumulated with interest) which have been made to the plan by the employer for the plan year preceding the plan year in which the employer withdraws and all preceding plan years; and

(II) the denominator of which is the sum of all contributions (accumulated with interest) which have been made to the plan (for the plan year preceding the plan year in which the employer withdraws and all preceding plan years) by all employers who have an obligation to contribute to the plan for the plan year preceding the plan year in which the employer withdraws; or

(iii) by multiplying the value of plan assets under subparagraph (C) by a fraction—

(I) the numerator of which is the amount determined under clause (ii)(I) of this subparagraph, less the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(I) which are attributable to service with the employer; and

(II) the denominator of which is the amount determined under clause (ii)(II) of this subparagraph, reduced by the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(II) which are attributable to service with respect to the employers described in such clause (ii)(II).

(E) The amount of the plan's unfunded vested benefits for a plan year preceding the plan year in which an employer withdraws, which is not attributable to service with employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which such employer withdraws, is equal to—

(i) an amount equal to—

(I) the value of all nonforfeitable benefits under the plan at the end of such plan year, reduced by

(II) the value of nonforfeitable benefits under the plan at the end of such plan year which are attributable to participants' service with employers who have an obligation to contribute under the plan for such plan year; reduced by

(ii) an amount equal to—

(I) the value of the plan assets as of the end of such plan year, reduced by

(II) the value of plan assets as of the end of such plan year as determined under subparagraph (C); reduced by

(iii) the value of all outstanding claims for withdrawal liability which can reasonably be expected to be collected with respect to employers withdrawing before the year preceding the plan year in which the employer withdraws.

(F) The employer's proportional share described in subparagraph (A)(ii) for a plan year is the amount determined under subparagraph (E) for the employer, but not in excess of an amount which bears the same ratio to the sum of the amounts determined under subparagraph (E) for all employers under the plan as the amount determined under subparagraph (C) for the employer bears to the sum of the amounts determined under subparagraph (C) for all employers under the plan.

(G) The corporation may prescribe by regulation other methods which a plan may adopt for allocating assets to determine the amount of the unfunded vested benefits attributable to service with the employer and to determine the employer's share of unfunded vested benefits not attributable to service with employers who have an obligation to contribute under the plan in the plan year in which the employer withdraws.

(5)(A) The corporation shall prescribe by regulation a procedure by which a plan may, by amendment, adopt any other alternative method for determining an employer's allocable share of unfunded vested benefits under this section, subject to the approval of the corporation based on its determination that adoption of the method by the plan would not significantly increase the risk of loss to plan participants and beneficiaries or to the corporation.

(B) The corporation may prescribe by regulation standard approaches for alternative methods, other than those set forth in the preceding paragraphs of this subsection, which a plan may adopt under subparagraph (A), for which the corporation may waive or modify the approval requirements of subparagraph (A). Any alternative method shall provide for the allocation of substantially all of a plan's unfunded vested benefits among employers who have an obligation to contribute under the plan.

(C) Unless the corporation by regulation provides otherwise, a plan may be amended to provide that a period of more than 5 but not more than 10 plan years may be used for determining the numerator and denominator of any fraction which is used under any method authorized under this section for determining an employer's allocable share of unfunded vested benefits under this section.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(E) FRESH START OPTION.—Notwithstanding paragraph (1), a plan may be amended to provide that the withdrawal liability method described

in subsection (b) shall be applied by substituting the plan year which is specified in the amendment and for which the plan has no unfunded vested benefits for the plan year ending before September 26, 1980.

(d) Method of calculating allocable share of employer of unfunded vested benefits set forth in subsection (c)(3); applicability of certain statutory provisions

(1) The method of calculating an employer's allocable share of unfunded vested benefits set forth in subsection (c)(3) shall be the method for calculating an employer's allocable share of unfunded vested benefits under a plan to which section 404(c) of title 26, or a continuation of such a plan, applies, unless the plan is amended to adopt another method authorized under subsection (b) or (c).

(2) Sections 1384, 1389, 1399(c)(1)(B), and 1405 of this title shall not apply with respect to the withdrawal of an employer from a plan described in paragraph (1) unless the plan is amended to provide that any of such sections apply.

(e) Reduction of liability of withdrawn employer in case of transfer of liabilities to another plan incident to withdrawal or partial withdrawal of employer

In the case of a transfer of liabilities to another plan incident to an employer's withdrawal or partial withdrawal, the withdrawn employer's liability under this part shall be reduced in an amount equal to the value, as of the end of the last plan year ending on or before the date of the withdrawal, of the transferred unfunded vested benefits.

(f) Computations applicable in case of withdrawal following merger of multiemployer plans

In the case of a withdrawal following a merger of multiemployer plans, subsection (b), (c), or (d) shall be applied in accordance with regulations prescribed by the corporation; except that, if a withdrawal occurs in the first plan year beginning after a merger of multiemployer plans, the determination under this section shall be made as if each of the multiemployer plans had remained separate plans.

EFFECTIVE DATE OF 2006 AMENDMENT

Amendment by Pub. L. 109-280 applicable with respect to plan withdrawals occurring on or after Jan. 1, 2007, see section 204(c)(3) of Pub. L. 109-280, set out as a note under section 1390 of this title.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1392. Obligation to contribute

(a) “Obligation to contribute” defined

For purposes of this part, the term “obligation to contribute” means an obligation to contribute arising—

- (1) under one or more collective bargaining (or related) agreements, or
- (2) as a result of a duty under applicable labor-management relations law, but

does not include an obligation to pay withdrawal liability under this section or to pay delinquent contributions.

(b) Payments of withdrawal liability not considered contributions

Payments of withdrawal liability under this part shall not be considered contributions for purposes of this part.

(c) Transactions to evade or avoid liability

If a principal purpose of any transaction is to evade or avoid liability under this part, this part shall be applied (and liability shall be determined and collected) without regard to such transaction.

(Pub. L. 93-406, title IV, § 4212, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1233.)

§ 1393. Actuarial assumptions

(a) Use by plan actuary in determining unfunded vested benefits of a plan for computing withdrawal liability of employer

The corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer's withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

- (1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary's best estimate of anticipated experience under the plan, or
- (2) actuarial assumptions and methods set forth in the corporation's regulations for purposes of determining an employer's withdrawal liability.

(b) Factors determinative of unfunded vested benefits of plan for computing withdrawal liability of employer

In determining the unfunded vested benefits of a plan for purposes of determining an employer's

withdrawal liability under this part, the plan actuary may—

(1) rely on the most recent complete actuarial valuation used for purposes of section 412 of title 26 and reasonable estimates for the interim years of the unfunded vested benefits, and

(2) in the absence of complete data, rely on the data available or on data secured by a sampling which can reasonably be expected to be representative of the status of the entire plan.

(c) Determination of amount of unfunded vested benefits

For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of the assets of the plan.

(Pub. L. 93-406, title IV, §4213, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1233; amended Pub. L. 101-239, title VII, §7891(a)(1), Dec. 19, 1989, 103 Stat. 2445.)

1989—Subsec. (b)(1). Pub. L. 101-239 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1394. Application of plan amendments; exception

(a) No plan rule or amendment adopted after January 31, 1981, under section 1389 or 1391(c) of this title may be applied without the employer’s consent with respect to liability for a withdrawal or partial withdrawal which occurred before the date on which the rule or amendment was adopted.

(b) All plan rules and amendments authorized under this part shall operate and be applied uniformly with respect to each employer, except that special provisions may be made to take into account the creditworthiness of an employer. The plan sponsor shall give notice to all employers who have an obligation to contribute under the plan and to all employee organizations representing employees covered under the plan of any plan rules or amendments adopted pursuant to this section.

(Pub. L. 93-406, title IV, §4214, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1395. Plan notification to corporation of potentially significant withdrawals

The corporation may, by regulation, require the plan sponsor of a multiemployer plan to provide notice to the corporation when the withdrawal from the plan by any employer has resulted, or will result, in a significant reduction

in the amount of aggregate contributions under the plan made by employers.

(Pub. L. 93-406, title IV, §4215, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1396. Special rules for plans under section 404(c) of title 26

(a) Amount of withdrawal liability; determinative factors

In the case of a plan described in subsection (b)—

(1) if an employer withdraws prior to a termination described in section 1341a(a)(2) of this title, the amount of withdrawal liability to be paid in any year by such employer shall be an amount equal to the greater of—

(A) the amount determined under section 1399(c)(1)(C)(i) of this title, or

(B) the product of—

(i) the number of contribution base units for which the employer would have been required to make contributions for the prior plan year if the employer had not withdrawn, multiplied by

(ii) the contribution rate for the plan year which would be required to meet the amortization schedules contained in section 1423(d)(3)(B)(ii)¹ of this title (determined without regard to any limitation on such rate otherwise provided by this subchapter)

except that an employer shall not be required to pay an amount in excess of the withdrawal liability computed with interest; and

(2) the withdrawal liability of an employer who withdraws after December 31, 1983, as a result of a termination described in section 1341a(a)(2) of this title which is agreed to by the labor organization that appoints the employee representative on the joint board of trustees which sponsors the plan, shall be determined under subsection (c) if—

(A) as a result of prior employer withdrawals in any plan year commencing after January 1, 1980, the number of contribution base units is reduced to less than 67 percent of the average number of such units for the calendar years 1974 through 1979; and

(B) at least 50 percent of the withdrawal liability attributable to the first 33 percent decline described in subparagraph (A) has been determined by the plan sponsor to be uncollectible within the meaning of regulations of the corporation of general applicability; and

(C) the rate of employer contributions under the plan for each plan year following the first plan year beginning after September 26, 1980 and preceding the termination date equals or exceeds the rate described in section 1423(d)(3)¹ of this title.

(b) Covered plans

A plan is described in this subsection if—

(1) it is a plan described in section 404(c) of title 26 or a continuation thereof; and

(2) participation in the plan is substantially limited to individuals who retired prior to January 1, 1976.

¹ See References in Text note below.

(c) Amount of liability of employer; “a year of signatory service” defined

(1) The amount of an employer's liability under this paragraph is the product of—

(A) the amount of the employer's withdrawal liability determined without regard to this section, and

(B) the greater of 90 percent, or a fraction—

(i) the numerator of which is an amount equal to the portion of the plan's unfunded vested benefits that is attributable to plan participants who have a total of 10 or more years of signatory service, and

(ii) the denominator of which is an amount equal to the total unfunded vested benefits of the plan.

(2) For purposes of paragraph (1), the term “a year of signatory service” means a year during any portion of which a participant was employed for an employer who was obligated to contribute in that year, or who was subsequently obligated to contribute.

(Pub. L. 93-406, title IV, §4216, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1397. Application of part in case of certain pre-1980 withdrawals; adjustment of covered plan

(a) For the purpose of determining the amount of unfunded vested benefits allocable to an employer for a partial or complete withdrawal from a plan which occurs after September 25, 1980, and for the purpose of determining whether there has been a partial withdrawal after such date, the amount of contributions, and the number of contribution base units, of such employer properly allocable—

(1) to work performed under a collective bargaining agreement for which there was a permanent cessation of the obligation to contribute before September 26, 1980, or

(2) to work performed at a facility at which all covered operations permanently ceased before September 26, 1980, or for which there was a permanent cessation of the obligation to contribute before that date,

shall not be taken into account.

(b) A plan may, in a manner not inconsistent with regulations, which shall be prescribed by the corporation, adjust the amount of unfunded vested benefits allocable to other employers under a plan maintained by an employer described in subsection (a).

(Pub. L. 93-406, title IV, §4217, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1235; amended Pub. L. 98-369, div. A, title V, §558(b)(1)(A), (B), July 18, 1984, 98 Stat. 899.)

AMENDMENTS

1984—Subsec. (a). Pub. L. 98-369, §558(b)(1)(A), (B), substituted “September 25, 1980” for “April 28, 1980” in provisions preceding par. (1) and “September 26, 1980” for “April 29, 1980” in pars. (1) and (2).

§ 1398. Withdrawal not to occur because of change in business form or suspension of contributions during labor dispute

Notwithstanding any other provision of this part, an employer shall not be considered to have withdrawn from a plan solely because—

(1) an employer ceases to exist by reason of—

(A) a change in corporate structure described in section 1369(b) of this title, or

(B) a change to an unincorporated form of business enterprise,

if the change causes no interruption in employer contributions or obligations to contribute under the plan, or

(2) an employer suspends contributions under the plan during a labor dispute involving its employees.

For purposes of this part, a successor or parent corporation or other entity resulting from any such change shall be considered the original employer.

§ 1399. Notice, collection, etc., of withdrawal liability**(a) Furnishing of information by employer to plan sponsor**

An employer shall, within 30 days after a written request from the plan sponsor, furnish such information as the plan sponsor reasonably de-

termines to be necessary to enable the plan sponsor to comply with the requirements of this part.

(b) Notification, demand for payment, and review upon complete or partial withdrawal by employer

(1) As soon as practicable after an employer's complete or partial withdrawal, the plan sponsor shall—

(A) notify the employer of—

- (i) the amount of the liability, and
- (ii) the schedule for liability payments, and

(B) demand payment in accordance with the schedule.

(2)(A) No later than 90 days after the employer receives the notice described in paragraph (1), the employer—

(i) may ask the plan sponsor to review any specific matter relating to the determination of the employer's liability and the schedule of payments,

(ii) may identify any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the employer, and

(iii) may furnish any additional relevant information to the plan sponsor.

(B) After a reasonable review of any matter raised, the plan sponsor shall notify the employer of—

(i) the plan sponsor's decision,

(ii) the basis for the decision, and

(iii) the reason for any change in the determination of the employer's liability or schedule of liability payments.

(c) Payment requirements; amount, etc.

(1)(A)(i) Except as provided in subparagraphs (B) and (D) of this paragraph and in paragraphs (4) and (5), an employer shall pay the amount determined under section 1391 of this title, adjusted if appropriate first under section 1389 of this title and then under section 1386 of this title over the period of years necessary to amortize the amount in level annual payments determined under subparagraph (C), calculated as if the first payment were made on the first day of the plan year following the plan year in which the withdrawal occurs and as if each subsequent payment were made on the first day of each subsequent plan year. Actual payment shall commence in accordance with paragraph (2).

(ii) The determination of the amortization period described in clause (i) shall be based on the assumptions used for the most recent actuarial valuation for the plan.

(B) In any case in which the amortization period described in subparagraph (A) exceeds 20 years, the employer's liability shall be limited to the first 20 annual payments determined under subparagraph (C).

(C)(i) Except as provided in subparagraph (E), the amount of each annual payment shall be the product of—

(I) the average annual number of contribution base units for the period of 3 consecutive plan years, during the period of 10 consecutive plan years ending before the plan year in which the withdrawal occurs, in which the

number of contribution base units for which the employer had an obligation to contribute under the plan is the highest, and

(II) the highest contribution rate at which the employer had an obligation to contribute under the plan during the 10 plan years ending with the plan year in which the withdrawal occurs.

For purposes of the preceding sentence, a partial withdrawal described in section 1385(a)(1) of this title shall be deemed to occur on the last day of the first year of the 3-year testing period described in section 1385(b)(1)(B)(i) of this title.

(ii)(I) A plan may be amended to provide that for any plan year ending before 1986 the amount of each annual payment shall be (in lieu of the amount determined under clause (i)) the average of the required employer contributions under the plan for the period of 3 consecutive plan years (during the period of 10 consecutive plan years ending with the plan year preceding the plan year in which the withdrawal occurs) for which such required contributions were the highest.

(II) Subparagraph (B) shall not apply to any plan year to which this clause applies.

(III) This clause shall not apply in the case of any withdrawal described in subparagraph (D).

(IV) If under a plan this clause applies to any plan year but does not apply to the next plan year, this clause shall not apply to any plan year after such next plan year.

(V) For purposes of this clause, the term "required contributions" means, for any period, the amounts which the employer was obligated to contribute for such period (not taking into account any delinquent contribution for any other period).

(iii) A plan may be amended to provide that for the first plan year ending on or after September 26, 1980, the number "5" shall be substituted for the number "10" each place it appears in clause (i) or clause (ii) (whichever is appropriate). If the plan is so amended, the number "5" shall be increased by one for each succeeding plan year until the number "10" is reached.

(D) In any case in which a multiemployer plan terminates by the withdrawal of every employer from the plan, or in which substantially all the employers withdraw from a plan pursuant to an agreement or arrangement to withdraw from the plan—

(i) the liability of each such employer who has withdrawn shall be determined (or redetermined) under this paragraph without regard to subparagraph (B), and

(ii) notwithstanding any other provision of this part, the total unfunded vested benefits of the plan shall be fully allocated among all such employers in a manner not inconsistent with regulations which shall be prescribed by the corporation.

Withdrawal by an employer from a plan, during a period of 3 consecutive plan years within which substantially all the employers who have an obligation to contribute under the plan withdraw, shall be presumed to be a withdrawal pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(E) In the case of a partial withdrawal described in section 1385(a) of this title, the amount of each annual payment shall be the product of—

(i) the amount determined under subparagraph (C) (determined without regard to this subparagraph), multiplied by

(ii) the fraction determined under section 1386(a)(2) of this title.

(2) Withdrawal liability shall be payable in accordance with the schedule set forth by the plan sponsor under subsection (b)(1) beginning no later than 60 days after the date of the demand notwithstanding any request for review or appeal of determinations of the amount of such liability or of the schedule.

(3) Each annual payment determined under paragraph (1)(C) shall be payable in 4 equal installments due quarterly, or at other intervals specified by plan rules. If a payment is not made when due, interest on the payment shall accrue from the due date until the date on which the payment is made.

(4) The employer shall be entitled to prepay the outstanding amount of the unpaid annual withdrawal liability payments determined under paragraph (1)(C), plus accrued interest, if any, in whole or in part, without penalty. If the prepayment is made pursuant to a withdrawal which is later determined to be part of a withdrawal described in paragraph (1)(D), the withdrawal liability of the employer shall not be limited to the amount of the prepayment.

(5) In the event of a default, a plan sponsor may require immediate payment of the outstanding amount of an employer's withdrawal liability, plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. For purposes of this section, the term "default" means—

(A) the failure of an employer to make, when due, any payment under this section, if the failure is not cured within 60 days after the employer receives written notification from the plan sponsor of such failure, and

(B) any other event defined in rules adopted by the plan which indicates a substantial likelihood that an employer will be unable to pay its withdrawal liability.

(6) Except as provided in paragraph (1)(A)(ii), interest under this subsection shall be charged at rates based on prevailing market rates for comparable obligations, in accordance with regulations prescribed by the corporation.

(7) A multiemployer plan may adopt rules for other terms and conditions for the satisfaction of an employer's withdrawal liability if such rules—

(A) are consistent with this chapter, and

(B) are not inconsistent with regulations of the corporation.

(8) In the case of a terminated multiemployer plan, an employer's obligation to make payments under this section ceases at the end of the plan year in which the assets of the plan (exclusive of withdrawal liability claims) are sufficient to meet all obligations of the plan, as determined by the corporation.

(d) Applicability of statutory prohibitions

The prohibitions provided in section 1106(a) of this title do not apply to any action required or permitted under this part or to any arrangement relating to withdrawal liability involving the plan.

§ 1400. Approval of amendments

(a) Amendment of covered multiemployer plan; procedures applicable

Except as provided in subsection (b), if an amendment to a multiemployer plan authorized by any preceding section of this part is adopted more than 36 months after the effective date of this section, the amendment shall be effective only if the corporation approves the amendment, or, within 90 days after the corporation receives notice and a copy of the amendment from the plan sponsor, fails to disapprove the amendment.

§ 1401. Resolution of disputes

(a) Arbitration proceedings; matters subject to arbitration, procedures applicable, etc.

(1) Any dispute between an employer and the plan sponsor of a multiemployer plan concerning a determination made under sections 1381 through 1399 of this title shall be resolved through arbitration. Either party may initiate

the arbitration proceeding within a 60-day period after the earlier of—

(A) the date of notification to the employer under section 1399(b)(2)(B) of this title, or

(B) 120 days after the date of the employer's request under section 1399(b)(2)(A) of this title.

The parties may jointly initiate arbitration within the 180-day period after the date of the plan sponsor's demand under section 1399(b)(1) of this title.

(2) An arbitration proceeding under this section shall be conducted in accordance with fair and equitable procedures to be promulgated by the corporation. The plan sponsor may purchase insurance to cover potential liability of the arbitrator. If the parties have not provided for the costs of the arbitration, including arbitrator's fees, by agreement, the arbitrator shall assess such fees. The arbitrator may also award reasonable attorney's fees.

(3)(A) For purposes of any proceeding under this section, any determination made by a plan sponsor under sections 1381 through 1399 of this title and section 1405 of this title is presumed correct unless the party contesting the determination shows by a preponderance of the evidence that the determination was unreasonable or clearly erroneous.

(B) In the case of the determination of a plan's unfunded vested benefits for a plan year, the determination is presumed correct unless a party contesting the determination shows by a preponderance of evidence that—

(i) the actuarial assumptions and methods used in the determination were, in the aggregate, unreasonable (taking into account the experience of the plan and reasonable expectations), or

(ii) the plan's actuary made a significant error in applying the actuarial assumptions or methods.

(b) Alternative collection proceedings; civil action subsequent to arbitration award; conduct of arbitration proceedings

(1) If no arbitration proceeding has been initiated pursuant to subsection (a), the amounts demanded by the plan sponsor under section 1399(b)(1) of this title shall be due and owing on the schedule set forth by the plan sponsor. The plan sponsor may bring an action in a State or Federal court of competent jurisdiction for collection.

(2) Upon completion of the arbitration proceedings in favor of one of the parties, any party thereto may bring an action, no later than 30 days after the issuance of an arbitrator's award, in an appropriate United States district court in accordance with section 1451 of this title to enforce, vacate, or modify the arbitrator's award.

(3) Any arbitration proceedings under this section shall, to the extent consistent with this subchapter, be conducted in the same manner, subject to the same limitations, carried out with the same powers (including subpoena power), and enforced in United States courts as an arbitration proceeding carried out under title 9.

(c) Presumption respecting finding of fact by arbitrator

In any proceeding under subsection (b), there shall be a presumption, rebuttable only by a

clear preponderance of the evidence, that the findings of fact made by the arbitrator were correct.

(d) Payments by employer prior and subsequent to determination by arbitrator; adjustments; failure of employer to make payments

Payments shall be made by an employer in accordance with the determinations made under this part until the arbitrator issues a final decision with respect to the determination submitted for arbitration, with any necessary adjustments in subsequent payments for overpayments or underpayments arising out of the decision of the arbitrator with respect to the determination. If the employer fails to make timely payment in accordance with such final decision, the employer shall be treated as being delinquent in the making of a contribution required under the plan (within the meaning of section 1145 of this title).

(e) Procedures applicable to certain disputes

(1) In general

If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to the complete or partial withdrawal of an employer from the plan,

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 1392(c) of this title that a principal purpose of a transaction that occurred before January 1, 1999, was to evade or avoid withdrawal liability under this subtitle, and

(C) such transaction occurred at least 5 years before the date of the complete or partial withdrawal,

then the special rules under paragraph (2) shall be used in applying subsections (a) and (d) of this section and section 1399(c) of this title to the employer.

(2) Special rules

(A) Determination

Notwithstanding subsection (a)(3)—

(i) a determination by the plan sponsor under paragraph (1)(B) shall not be presumed to be correct, and

(ii) the plan sponsor shall have the burden to establish, by a preponderance of the evidence, the elements of the claim under section 1392(c) of this title that a principal purpose of the transaction was to evade or avoid withdrawal liability under this subtitle.

Nothing in this subparagraph shall affect the burden of establishing any other element of a claim for withdrawal liability under this subtitle.

(B) Procedure

Notwithstanding subsection (d) and section 1399(c) of this title, if an employer contests the plan sponsor's determination under paragraph (1) through an arbitration pro-

ceeding pursuant to subsection (a), or through a claim brought in a court of competent jurisdiction, the employer shall not be obligated to make any withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination.

(f) Procedures applicable to certain disputes

(1) IN GENERAL.—If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to such complete or partial withdrawal, and

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 1392(c) of this title that a principal purpose of any transaction which occurred after December 31, 1998, and at least 5 years (2 years in the case of a small employer) before the date of the complete or partial withdrawal was to evade or avoid withdrawal liability under this subtitle,

then the person against which the withdrawal liability is assessed based solely on the application of section 1392(c) of this title may elect to use the special rule under paragraph (2) in applying subsection (d) of this section and section 1399(c) of this title to such person.

(2) SPECIAL RULE.—Notwithstanding subsection (d) and section 1399(c) of this title, if an electing person contests the plan sponsor's determination with respect to withdrawal liability payments under paragraph (1) through an arbitration proceeding pursuant to subsection (a), through an action brought in a court of competent jurisdiction for review of such an arbitration decision, or as otherwise permitted by law, the electing person shall not be obligated to make the withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination, but only if the electing person—

(A) provides notice to the plan sponsor of its election to apply the special rule in this paragraph within 90 days after the plan sponsor notifies the electing person of its liability by reason of the application of section 1392(c) of this title; and

(B) if a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute has not been rendered within 12 months from the date of such notice, the electing person provides to the plan, effective as of the first day following the 12-month period, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the sum of the withdrawal liability payments that would otherwise be due under subsection (d) and section 1399(c) of this title for the 12-month period beginning with the first anniversary of such notice. Such bond or escrow shall remain in effect until there is a final decision in the arbitration proceeding, or

in court, of the withdrawal liability dispute, at which time such bond or escrow shall be paid to the plan if such final decision upholds the plan sponsor's determination.

(3) DEFINITION OF SMALL EMPLOYER.—For purposes of this subsection—

(A) IN GENERAL.—The term “small employer” means any employer which, for the calendar year in which the transaction referred to in paragraph (1)(B) occurred and for each of the 3 preceding years, on average—

(i) employs not more than 500 employees, and

(ii) is required to make contributions to the plan for not more than 250 employees.

(B) CONTROLLED GROUP.—Any group treated as a single employer under subsection (b)(1) of section 1301 of this title, without regard to any transaction that was a basis for the plan's finding under section 1392 of this title, shall be treated as a single employer for purposes of this subparagraph.

(4) ADDITIONAL SECURITY PENDING RESOLUTION OF DISPUTE.—If a withdrawal liability dispute to which this subsection applies is not concluded by 12 months after the electing person posts the bond or escrow described in paragraph (2), the electing person shall, at the start of each succeeding 12-month period, provide an additional bond or amount held in escrow equal to the sum of the withdrawal liability payments that would otherwise be payable to the plan during that period.

(5) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon the payment of the bond or escrow to the plan, by the amount thereof.

If any employer requests in writing that the plan sponsor make an estimate of such employer's potential withdrawal liability with respect to the plan or to provide information unique to that employer, the plan sponsor may require the employer to pay the reasonable cost of making such estimate or providing such information.”

§ 1402. Reimbursements for uncollectible withdrawal liability

(a) Required supplemental program to reimburse for payments due from employers uncollectible as a result of employer involvement in bankruptcy case or proceedings; program participation, premiums, etc.

By May 1, 1982, the corporation shall establish by regulation a supplemental program to reimburse multiemployer plans for withdrawal liability payments which are due from employers and which are determined to be uncollectible for reasons arising out of cases or proceedings involving the employers under title 11, or similar cases or proceedings. Participation in the supplemental program shall be on a voluntary basis, and a plan which elects coverage under the program shall pay premiums to the corporation in accordance with a premium schedule which shall be prescribed from time to time by the corporation. The premium schedule shall contain such rates and bases for the application of such rates as the corporation considers to be appropriate.

(b) Discretionary supplemental program to reimburse for payments due from employers uncollectible for other appropriate reasons

The corporation may provide under the program for reimbursement of amounts of withdrawal liability determined to be uncollectible for any other reasons the corporation considers appropriate.

(c) Payment of cost of program

The cost of the program (including such administrative and legal costs as the corporation considers appropriate) may be paid only out of premiums collected under such program.

(d) Terms and conditions, limitations, etc., of supplemental program

The supplemental program may be offered to eligible plans on such terms and conditions, and with such limitations with respect to the payment of reimbursements (including the exclusion of de minimis amounts of uncollectible employer liability, and the reduction or elimination of reimbursements which cannot be paid from collected premiums) and such restrictions on withdrawal from the program, as the corporation considers necessary and appropriate.

(e) Arrangements by corporation with private insurers for implementation of program; election of coverage by participating plans with private insurers

§ 1403. Withdrawal liability payment fund

(a) Establishment of or participation in fund by plan sponsors

The plan sponsors of multiemployer plans may establish or participate in a withdrawal liability payment fund.

(b) Definitions

For purposes of this section, the term “withdrawal liability payment fund”, and the term “fund”, mean a trust which—

(1) is established and maintained under section 501(c)(22) of title 26,

(2) maintains agreements which cover a substantial portion of the participants who are in multiemployer plans which (under the rules of the trust instrument) are eligible to participate in the fund,

(3) is funded by amounts paid by the plans which participate in the fund, and

(4) is administered by a Board of Trustees, and in the administration of the fund there is equal representation of—

(A) trustees representing employers who are obligated to contribute to the plans participating in the fund, and

(B) trustees representing employees who are participants in plans which participate in the fund.

(c) Payments to plan; amount, criteria, etc.

(1) If an employer withdraws from a plan which participates in a withdrawal liability payment fund, then, to the extent provided in the trust, the fund shall pay to that plan—

(A) the employer’s unattributable liability,

(B) the employer’s withdrawal liability payments which would have been due but for section 1388, 1389, 1399, or 1405 of this title,

(C) the employer’s withdrawal liability payments to the extent they are uncollectible.

(2) The fund may provide for the payment of the employer’s attributable liability if the fund—

(A) provides for the payment of both the attributable and the unattributable liability of the employer in a single payment, and

(B) is subrogated to all rights of the plan against the employer.

(3) For purposes of this section, the term—

(A) “attributable liability” means the excess, if any, determined under the provisions of a plan not inconsistent with regulations of the corporation, of—

(i) the value of vested benefits accrued as a result of service with the employer, over

(ii) the value of plan assets attributed to the employer, and

(B) “unattributable liability” means the excess of withdrawal liability over attributable liability.

Such terms may be further defined, and the manner in which they shall be applied may be prescribed, by the corporation by regulation.

(4)(A) The trust of a fund shall be maintained for the exclusive purpose of paying—

(i) any amount described in paragraph (1) and paragraph (2), and

(ii) reasonable and necessary administrative expenses in connection with the establishment and operation of the trust and the processing of claims against the fund.

(B) The amounts paid by a plan to a fund shall be deemed a reasonable expense of administering the plan under sections 1103(c)(1) and 1104(a)(1)(A)(ii) of this title, and the payments made by a fund to a participating plan shall be deemed services necessary for the operation of the plan within the meaning of section 1108(b)(2) of this title or within the meaning of section 4975(d)(2) of title 26.

(d) Application of payments by plan

(1) For purposes of this part—

(A) only amounts paid by the fund to a plan under subsection (c)(1)(A) shall be credited to withdrawal liability otherwise payable by the employer, unless the plan otherwise provides, and

(B) any amounts paid by the fund under subsection (c) to a plan shall be treated by the plan as a payment of withdrawal liability to such plan.

(2) For purposes of applying provisions relating to the funding standard accounts (and minimum contribution requirements), amounts paid from the plan to the fund shall be applied to reduce the amount treated as contributed to the plan.

(e) Subrogation of fund to rights of plan

The provisions of the preceding sentence shall supersede any and all State laws relating to fiduciaries insofar as they may now or hereafter relate to a fund to which this section applies.

(g) Prohibition on payments from fund to plan where certain labor negotiations involve employer withdrawn or partially withdrawn from plan and continuity of labor organization representing employees continues

No payments shall be made from a fund to a plan on the occasion of a withdrawal or partial withdrawal of an employer from such plan if the employees representing the withdrawn contribution base units continue, after such withdrawal, to be represented under section 159 of this title (or other applicable labor laws) in negotiations with such employer by the labor organization which represented such employees immediately preceding such withdrawal.

(h) Purchase of insurance by employer

Nothing in this section shall be construed to prohibit the purchase of insurance by an employer from any other person, to limit the circumstances under which such insurance would be payable, or to limit in any way the terms and conditions of such insurance.

(i) Promulgation of regulations for establishment and maintenance of fund

PART 2—MERGER OR TRANSFER OF PLAN ASSETS
OR LIABILITIES

§ 1411. Mergers and transfers between multiemployer plans

(a) Authority of plan sponsor

Unless otherwise provided in regulations prescribed by the corporation, a plan sponsor may not cause a multiemployer plan to merge with one or more multiemployer plans, or engage in a transfer of assets and liabilities to or from another multiemployer plan, unless such merger or transfer satisfies the requirements of subsection (b).

(b) Criteria

A merger or transfer satisfies the requirements of this section if—

(1) in accordance with regulations of the corporation, the plan sponsor of a multiemployer plan notifies the corporation of a merger with or transfer of plan assets or liabilities to another multiemployer plan at least 120 days before the effective date of the merger or transfer;

(2) no participant's or beneficiary's accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date;

(3) the benefits of participants and beneficiaries are not reasonably expected to be subject to suspension under section 1426 of this title; and

(4) an actuarial valuation of the assets and liabilities of each of the affected plans has been performed during the plan year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the start of that plan year, or other valuation of such assets and liabilities performed under such standards and procedures as the corporation may prescribe by regulation.

(c) Actions not deemed violation of section 1106(a) or (b)(2) of this title

The merger of multiemployer plans or the transfer of assets or liabilities between multi-

employer plans, shall be deemed not to constitute a violation of the provisions of section 1106(a) of this title or section 1106(b)(2) of this title if the corporation determines that the merger or transfer otherwise satisfies the requirements of this section.

(d) Nature of plan to which liabilities are transferred

A plan to which liabilities are transferred under this section is a successor plan for purposes of section 1322a(b)(2)(B) of this title.

(e) Facilitated mergers

(1) In general

When requested to do so by the plan sponsors, the corporation may take such actions as it deems appropriate to promote and facilitate the merger of two or more multiemployer plans if it determines, after consultation with the Participant and Plan Sponsor Advocate selected under section 1304 of this title, that the transaction is in the interests of the participants and beneficiaries of at least one of the plans and is not reasonably expected to be adverse to the overall interests of the participants and beneficiaries of any of the plans. Such facilitation may include training, technical assistance, mediation, communication with stakeholders, and support with related requests to other government agencies.

(2) Financial assistance

In order to facilitate a merger which it determines is necessary to enable one or more of the plans involved to avoid or postpone insolvency, the corporation may provide financial assistance (within the meaning of section 1431 of this title) to the merged plan if—

(A) one or more of the multiemployer plans participating in the merger is in critical and declining status (as defined in section 1085(b)(4) of this title);

(B) the corporation reasonably expects that—

(i) such financial assistance will reduce the corporation's expected long-term loss with respect to the plans involved; and

(ii) such financial assistance is necessary for the merged plan to become or remain solvent;

(C) the corporation certifies that its ability to meet existing financial assistance obligations to other plans will not be impaired by such financial assistance; and

(D) such financial assistance is paid exclusively from the fund for basic benefits guaranteed for multiemployer plans.

Not later than 14 days after the provision of such financial assistance, the corporation shall provide notice of such financial assistance to the Committee on Education and the Workforce of the House of Representatives, the Committee on Ways and Means of the House of Representatives, the Committee on Finance of the Senate, and the Committee on Health, Education, Labor, and Pensions of the Senate.

§ 1412. Transfers between a multiemployer plan and a single-employer plan

(a) General authority

A transfer of assets or liabilities between, or a merger of, a multiemployer plan and a single-employer plan shall satisfy the requirements of this section.

(b) Accrued benefit of participant or beneficiary not lower immediately after effective date of transfer or merger

No accrued benefit of a participant or beneficiary may be lower immediately after the effective date of a transfer or merger described in subsection (a) than the benefit immediately before that date.

(c) Liability of multiemployer plan to corporation where single-employer plan terminates within 60 months after effective date of transfer; amount of liability, exemption, etc.

(1) Except as provided in paragraphs (2) and (3), a multiemployer plan which transfers liabilities to a single-employer plan shall be liable to the corporation if the single-employer plan terminates within 60 months after the effective date of the transfer. The amount of liability shall be the lesser of—

(A) the amount of the plan asset insufficiency of the terminated single-employer plan, less 30 percent of the net worth of the employer who maintained the single-employer plan, determined in accordance with section 1362 or 1364 of this title, or

(B) the value, on the effective date of the transfer, of the unfunded benefits transferred to the single-employer plan which are guaranteed under section 1322 of this title.

(2) A multiemployer plan shall be liable to the corporation as provided in paragraph (1) unless, within 180 days after the corporation receives an application (together with such information as the corporation may reasonably require for purposes of such application) from the multiemployer plan sponsor for a determination under this paragraph—

(A) the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

If, after the receipt of such application, the corporation requests from the plan sponsor additional information necessary for the determination, the running of the 180-day period shall be suspended from the date of such request until the receipt by the corporation of the additional information requested. The corporation may by regulation prescribe procedures and standards for the issuance of determinations under this paragraph. This paragraph shall not apply to any application submitted less than 180 days after September 26, 1980.

(3) A multiemployer plan shall not be liable to the corporation as provided in paragraph (1) in the case of a transfer from the multiemployer plan to a single-employer plan of liabilities which accrued under a single-employer plan which merged with the multiemployer plan, if, the value of liabilities transferred to the single-employer plan does not exceed the value of the liabilities for benefits which accrued before the merger, and the value of the assets transferred to the single-employer plan is substantially equal to the value of the assets which would have been in the single-employer plan if the employer had maintained and funded it as a separate plan under which no benefits accrued after the date of the merger.

(4) The corporation may make equitable arrangements with multiemployer plans which are liable under this subsection for satisfaction of their liability.

(d) Guarantee of benefits under single-employer plan

Benefits under a single-employer plan to which liabilities are transferred in accordance with this section are guaranteed under section 1322 of this title to the extent provided in that section as of the effective date of the transfer and the plan is a successor plan.

(e) Transfer of liabilities by multiemployer plan to single-employer plan

(1) Except as provided in paragraph (2), a multiemployer plan may not transfer liabilities to a single-employer plan unless the plan sponsor of the plan to which the liabilities would be transferred agrees to the transfer.

(2) In the case of a transfer described in subsection (c)(3), paragraph (1) of this subsection is satisfied by the advance agreement to the transfer by the employer who will be obligated to contribute to the single-employer plan.

(f) Additional requirements by corporation for protection of interests of plan participants, beneficiaries and corporation; approval by corporation of transfer of assets or liabilities to single-employer plan from plan in reorganization; covered transfers in connection with termination

(1) The corporation may prescribe by regulation such additional requirements with respect to the transfer of assets or liabilities as may be necessary to protect the interests of plan participants and beneficiaries and the corporation.

(2) Except as otherwise determined by the corporation, a transfer of assets or liabilities to a single-employer plan from a plan in reorganization under section 1421¹ of this title is not effec-

tive unless the corporation approves such transfer.

(3) No transfer to which this section applies, in connection with a termination described in section 1341a(a)(2) of this title shall be effective unless the transfer meets such requirements as may be established by the corporation to prevent an increase in the risk of loss to the corporation.

§ 1413. Partitions of eligible multiemployer plans

(a) Authority of corporation

(1) Upon the application by the plan sponsor of an eligible multiemployer plan for a partition of the plan, the corporation may order a partition of the plan in accordance with this section. The corporation shall make a determination regarding the application not later than 270 days after the date such application was filed (or, if later, the date such application was completed) in accordance with regulations promulgated by the corporation.

(2) Not later than 30 days after submitting an application for partition of a plan under paragraph (1), the plan sponsor of the plan shall notify the participants and beneficiaries of such application, in the form and manner prescribed by regulations issued by the corporation.

(b) Eligible multiemployer plans

For purposes of this section, a multiemployer plan is an eligible multiemployer plan if—

(1) the plan is in critical and declining status (as defined in section 1085(b)(4) of this title);

(2) the corporation determines, after consultation with the Participant and Plan Sponsor Advocate selected under section 1304 of this title, that the plan sponsor has taken (or is taking concurrently with an application for partition) all reasonable measures to avoid insolvency, including the maximum benefit suspensions under section 1085(e)(9) of this title, if applicable;

(3) the corporation reasonably expects that—

(A) a partition of the plan will reduce the corporation's expected long-term loss with respect to the plan; and

(B) a partition of the plan is necessary for the plan to remain solvent;

(4) the corporation certifies to Congress that its ability to meet existing financial assistance obligations to other plans (including any liabilities associated with multiemployer plans that are insolvent or that are projected to become insolvent within 10 years) will not be impaired by such partition; and

(5) the cost to the corporation arising from such partition is paid exclusively from the fund for basic benefits guaranteed for multiemployer plans.

(c) Transfer of liabilities

The corporation's partition order shall provide for a transfer to the plan referenced in sub-

section (d)(1) of the minimum amount of the plan's liabilities necessary for the plan to remain solvent.

(d) Plans created by partition orders

(1) The plan created by the partition order is a successor plan to which section 1322a of this title applies.

(2) The plan sponsor of an eligible multiemployer plan prior to the partition and the administrator of such plan shall be the plan sponsor and the administrator, respectively, of the plan created by the partition order.

(3) In the event an employer withdraws from the plan that was partitioned within ten years following the date of the partition order, withdrawal liability shall be computed under section 1381 of this title with respect to both the plan that was partitioned and the plan created by the partition order. If the withdrawal occurs more than ten years after the date of the partition order, withdrawal liability shall be computed under section 1381 of this title only with respect to the plan that was partitioned (and not with respect to the plan created by the partition order).

(e) Payment of benefits and premiums for beneficiaries of partitioned plans

(1) For each participant or beneficiary of the plan whose benefit was transferred to the plan created by the partition order pursuant to a partition, the plan that was partitioned shall pay a monthly benefit to such participant or beneficiary for each month in which such benefit is in pay status following the effective date of such partition in an amount equal to the excess of—

(A) the monthly benefit that would be paid to such participant or beneficiary for such month under the terms of the plan (taking into account benefit suspensions under section 1085(e)(9) of this title and any plan amendments following the effective date of such partition) if the partition had not occurred, over

(B) the monthly benefit for such participant or beneficiary which is guaranteed under section 1322a of this title.

(2) In any case in which a plan provides a benefit improvement (as defined in section 1085(e)(9)(E)(vi) of this title) that takes effect after the effective date of the partition, the plan shall pay to the corporation for each year during the 10-year period following the partition effective date, an annual amount equal to the lesser of—

(A) the total value of the increase in benefit payments for such year that is attributable to the benefit improvement, or

(B) the total benefit payments from the plan created by the partition for such year.

Such payment shall be made at the time of, and in addition to, any other premium imposed by the corporation under this subchapter.

(3) The plan that was partitioned shall pay the premiums imposed by the corporation under this subchapter with respect to participants whose benefits were transferred to the plan created by the partition order for each year during the 10-year period following the partition effective date.

(f) Notice of partition orders to Congress

Not later than 14 days after the partition order, the corporation shall provide notice of such order to the Committee on Education and the Workforce of the House of Representatives, the Committee on Ways and Means of the House of Representatives, the Committee on Finance of the Senate, the Committee on Health, Education, Labor, and Pensions of the Senate, and any affected participants or beneficiaries.

- (1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and
- (2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for reasonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 1412(c)(3) of this title shall be considered to satisfy the requirements of this subsection.

(b) Exemption of de minimis transfers

In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to

as the “old plan”) as a result of a certified change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the “new plan”), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

(b) Notification by employer of plan sponsor of old plan; notification by plan sponsor of old plan of employer and plan sponsor of new plan; appeal by new plan to prevent transfer; further proceedings

(1) The employer shall notify the plan sponsor of the old plan of a change in multiemployer plan participation described in subsection (a) no later than 30 days after the employer determines that the change will occur.

(2) The plan sponsor of the old plan shall—

(A) notify the employer of—

- (i) the amount of the employer’s withdrawal liability determined under part 1 of this subtitle with respect to the withdrawal,
- (ii) the old plan’s intent to transfer to the new plan the nonforfeitable benefits of the employees who are no longer working in covered service under the old plan as a result of the change of bargaining representative, and
- (iii) the amount of assets and liabilities which are to be transferred to the new plan, and

(B) notify the plan sponsor of the new plan of the benefits, assets, and liabilities which will be transferred to the new plan.

(A) the employer fails to object to the transfer within 60 days after receipt of the notice described in paragraph (2)(A), or

(B) the new plan either—

- (i) fails to file such an appeal, or
- (ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice under paragraph (2)(B) within 180 days after the date on which the appeal is filed,

then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

(c) Reduction of amount of withdrawal liability of employer upon transfer of appropriate amount of assets and liabilities by plan sponsor of old plan to new plan

If the plan sponsor of the old plan transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer’s withdrawal liability (as determined under section 1381(b) of this title without regard to such transfer and this section)

with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

(d) Escrow payments by employer upon complete or partial withdrawal and prior to transfer

In any case in which there is a complete or partial withdrawal described in subsection (a), if—

(1) the new plan files an appeal with the corporation under subsection (b)(3), and

(2) the employer is required by section 1399 of this title to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be returned to the employer. If the transfer is not made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer's withdrawal liability.

(e) Prohibition on transfer of assets to new plan by plan sponsor of old plan; exemptions

(1) Notwithstanding subsection (b), the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 1421(a)¹ of this title), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 1421(a)¹ of this title).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer—

(A) all nonforfeitable benefits described in subsection (b)(2), if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or

(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f) Agreement between plan sponsors of old plan and new plan to transfer in compliance with other statutory provisions; reduction of withdrawal liability of employer from old plan; amount of withdrawal liability of employer to new plan

(1) Notwithstanding subsections (b) and (e), the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 1411 and 1414 of this title, rather than this section, except that

the employer's liability with respect to the withdrawal from the old plan shall be reduced under subsection (c) as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer's withdrawal liability to the new plan shall be the greater of—

(A) the employer's withdrawal liability determined under part 1 of this subtitle with respect to the new plan, or

(B) the amount by which the employer's withdrawal liability to the old plan was reduced under subsection (c), reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) Definitions

For purposes of this section—

(1) "appropriate amount of assets" means the amount by which the value of the nonforfeitable benefits to be transferred exceeds the amount of the employer's withdrawal liability to the old plan (determined under part 1 of this subtitle without regard to section 1391(e) of this title), and

§ 1426. Insolvent plans

(a) Suspension of payments of benefits; conditions, amount, etc.

Notwithstanding sections 1053 and 1054 of this title, in any case in which benefit payments under an insolvent multiemployer plan exceed the resource benefit level, any such payments of benefits which are not basic benefits shall be suspended, in accordance with this section, to the extent necessary to reduce the sum of such payments and the payments of such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation under section 1322a(g)(5) of this title.

(b) Determination of insolvency status for plan year; definitions

For purposes of this section, for a plan year—

(1) a multiemployer plan is insolvent if the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year, or if the plan is determined to be insolvent under subsection (d);

(2) "resource benefit level" means the level of monthly benefits determined under subsections (c)(1) and (3) and (d)(3) to be the highest level which can be paid out of the plan's available resources;

(3) "available resources" means the plan's cash, marketable assets, contributions, withdrawal liability payments, and earnings, less reasonable administrative expenses and amounts owed for such plan year to the corporation under section 1431(b)(2) of this title; and

(4) "insolvency year" means a plan year in which a plan is insolvent.

(c) Determination by plan sponsor of plan in critical status of resource benefit level of plan for each insolvency year; uniform application of suspension of benefits; adjustments of benefit payments

(1) The plan sponsor of a plan in critical status, as described in subsection¹ 1085(b)(2) of this title, shall determine in writing the plan's resource benefit level for each insolvency year, based on the plan sponsor's reasonable projection of the plan's available resources and the benefits payable under the plan.

(2)(A) The suspension of benefit payments under this section shall, in accordance with regulations prescribed by the Secretary of the Treasury, apply in substantially uniform proportions to the benefits of all persons in pay status under the plan, except that the Secretary of the Treasury may prescribe rules under which benefit suspensions for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors including differences in negotiated levels of financial support for plan benefit obligations.

(B) For purposes of this paragraph—

(i) the term "person in pay status" means—

(I) a participant or beneficiary on the last day of the base plan year who, at any time during such year, was paid an early, late, normal, or disability retirement benefit (or a death benefit related to a retirement benefit), and

(II) to the extent provided in regulations prescribed by the Secretary of the Treasury, any other person who is entitled to such a benefit under the plan.

(ii) the base plan year for any plan year is—

(I) if there is a relevant collective bargaining agreement, the last plan year ending at least 6 months before the relevant effective date, or

(II) if there is no relevant collective bargaining agreement, the last plan year ending at least 12 months before the beginning of the plan year.

(iii) a relevant collective bargaining agreement is a collective bargaining agreement—

(I) which is in effect for at least 6 months during the plan year, and

(II) which has not been in effect for more than 36 months as of the end of the plan year.

(iv) the relevant effective date is the earliest of the effective dates for the relevant collective bargaining agreements.

(3) Notwithstanding paragraph (2), if a plan sponsor determines in writing a resource benefit level for a plan year which is below the level of basic benefits, the payment of all benefits other than basic benefits must be suspended for that plan year.

(4)(A) If, by the end of an insolvency year, the plan sponsor determines in writing that the plan's available resources in that insolvency year could have supported benefit payments above the resource benefit level for that insolvency year, the plan sponsor shall distribute the

¹ So in original. Probably should be "section".

excess resources to the participants and beneficiaries who received benefit payments from the plan in that insolvency year, in accordance with regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this paragraph, the term “excess resources” means available resources above the amount necessary to support the resource benefit level, but no greater than the amount necessary to pay benefits for the plan year at the benefit levels under the plan.

(5) If, by the end of an insolvency year, any benefit has not been paid at the resource benefit level, amounts up to the resource benefit level which were unpaid shall be distributed to the participants and beneficiaries, in accordance with regulations prescribed by the Secretary of the Treasury, to the extent possible taking into account the plan’s total available resources in that insolvency year.

(6) Except as provided in paragraph (4) or (5), a plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this section.

(d) Applicability and determinations respecting plan assets; time for determinations of resource benefit level and level of basic benefits

(1) As of the end of the first plan year in which a plan is in critical status, as described in subsection¹ 1085(b)(2) of this title,² and at least every 3 plan years thereafter (unless the plan is no longer in critical status, as described in subsection¹ 1085(b)(2) of this title),² the plan sponsor shall compare the value of plan assets for that plan year with the total amount of benefit payments made under the plan for that plan year. Unless the plan sponsor determines that the value of plan assets exceeds 3 times the total amount of benefit payments, the plan sponsor shall determine whether the plan will be insolvent in any of the next 5 plan years. If the plan sponsor makes such a determination that the plan will be insolvent in any of the next 5 plan years, the plan sponsor shall make the comparison under this paragraph at least annually until the plan sponsor makes a determination that the plan will not be insolvent in any of the next 5 plan years.

(2) If, at any time, the plan sponsor of a plan in critical status, as described in subsection¹ 1085(b)(2) of this title, reasonably determines, taking into account the plan’s recent and anticipated financial experience, that the plan’s available resources are not sufficient to pay benefits under the plan when due for the next plan year, the plan sponsor shall make such determination available to interested parties.

(3) The plan sponsor of a plan in critical status, as described in subsection¹ 1085(b)(2) of this title, shall determine in writing for each insolvency year the resource benefit level and the level of basic benefits no later than 3 months before the insolvency year.

(4) For purposes of this subsection, the value of plan assets shall be the value of the available plan assets determined under regulations prescribed by the Secretary of the Treasury.

(e) Notice, etc., requirements of plan sponsor of plan in critical status regarding insolvency and resource benefit levels

(1) If the plan sponsor of a plan in critical status, as described in subsection¹ 1085(b)(2) of this title, determines under subsection (d)(1) or (2) that the plan may become insolvent (within the meaning of subsection (b)(1)), the plan sponsor shall—

(A) notify the Secretary of the Treasury,³ the parties described in section 1021(f)(1) of this title of that determination, and

(B) inform the parties described in section 1021(f)(1) of this title that if insolvency occurs certain benefit payments will be suspended, but that basic benefits will continue to be paid.

(2) No later than 2 months before the first day of each insolvency year, the plan sponsor of a plan in critical status, as described in subsection¹ 1085(b)(2) of this title, shall notify the Secretary of the Treasury, the corporation, and the parties described in paragraph (1)(B) of the resource benefit level determined in writing for that insolvency year.

(3) In any case in which the plan sponsor anticipates that the resource benefit level for an insolvency year may not exceed the level of basic benefits, the plan sponsor shall notify the corporation.

(4) Notice required by this subsection shall be given in accordance with regulations prescribed by the corporation, except that notice to the Secretary of the Treasury shall be given in accordance with regulations prescribed by the Secretary of the Treasury.

(5) The corporation may prescribe a time other than the time prescribed by this section for the making of a determination or the filing of a notice under this section.

(f) Financial assistance from corporation; conditions and criteria applicable

(1) If the plan sponsor of an insolvent plan, for which the resource benefit level is above the level of basic benefits, anticipates that, for any month in an insolvency year, the plan will not have funds sufficient to pay basic benefits, the plan sponsor may apply for financial assistance from the corporation under section 1431 of this title.

(2) A plan sponsor who has determined a resource benefit level for an insolvency year which is below the level of basic benefits shall apply for financial assistance from the corporation under section 1431 of this title.

(g) Application of subsections (a) and (c)

Subsections (a) and (c) shall not apply to a plan that, for the plan year, is operating under section 1085(e)(9) of this title, regarding benefit suspensions by certain multiemployer plans in critical and declining status.

(b) Determinations respecting value of nonforfeitable benefits under terminated plan and value of assets of plan

(1) The value of nonforfeitable benefits under a terminated plan referred to in subsection (a), and the value of the plan’s assets, shall be determined in writing, in accordance with regulations prescribed by the corporation, as of the end of the plan year during which section 1341a(d) of this title becomes applicable to the plan, and each plan year thereafter.

(2) Any plan amendment required by this subsection shall, in accordance with regulations prescribed by the Secretary of the Treasury—

Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation, that the plan shall not be treated as a multiemployer plan for any purpose under this chapter or the Internal Revenue Code of 1954, if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(1) the plan was not a multiemployer plan because the plan was not a plan described in section 1002(37)(A)(iii) of this title and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

SUBTITLE F—TRANSITION RULES AND EFFECTIVE DATES

CODIFICATION

Pub. L. 96-364, title I, § 104(1), Sept. 26, 1980, 94 Stat. 1217, substituted "Subtitle F—Transition Rules and Effective Dates" for "Subtitle E—Effective Date; Special Rules".

§ 1461. Effective date; special rules

(a) The provisions of this subchapter take effect on September 2, 1974.

(b) Notwithstanding the provisions of subsection (a), the corporation shall pay benefits guaranteed under this subchapter with respect to any plan—

(1) which is not a multiemployer plan,

(2) which terminates after June 30, 1974, and before September 2, 1974,

(3) to which section 1321 of this title would apply if that section were effective beginning on July 1, 1974, and

(4) with respect to which a notice is filed with the Secretary of Labor and received by him not later than 10 days after September 2, 1974, except that, for reasonable cause shown,

such notice may be filed with the Secretary of Labor and received by him not later than October 31, 1974, stating that the plan is a plan described in paragraphs (1), (2), and (3).

The corporation shall not pay benefits guaranteed under this subchapter with respect to a plan described in the preceding sentence unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter or for the purpose of avoiding the liability which might be imposed under subtitle D if the plan terminated on or after September 2, 1974. The provisions of subtitle D do not apply in the case of such a plan which terminates before September 2, 1974. For purposes of determining whether a plan is a plan described in paragraph (2), the provisions of section 1348 of this title shall not apply, but the corporation shall make the determination on the basis of the date on which benefits ceased to accrue or on any other reasonable basis consistent with the purposes of this subsection.

(c)(1) Except as provided in paragraphs (2), (3), and (4), the corporation shall not pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980. Whenever the corporation exercises the authority granted under paragraph (2) or (3), the corporation shall notify the Committee on Education and Labor and the Committee on Ways and Means of the House of Representatives, and the Committee on Labor and Public Welfare and the Committee on Finance of the Senate.

(2) The corporation may, in its discretion, pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates after September 2, 1974 and before August 1, 1980, if—

(A) the plan was maintained during the 60 months immediately preceding the date on which the plan terminates, and

(B) the corporation determines that the payment by the corporation of benefits guaranteed under this subchapter with respect to that plan will not jeopardize the payments the corporation anticipates it may be required to make in connection with benefits guaranteed under this subchapter with respect to multiemployer plans which terminate after July 31, 1980.

(3) Notwithstanding any provision of section 1321 or 1322 of this title which would prevent such payments, the corporation, in carrying out its authority under paragraph (2), may pay benefits guaranteed under this subchapter with respect to a multiemployer plan described in paragraph (2) in any case in which those benefits would otherwise not be payable if—

(A) the plan has been in effect for at least 5 years,

(B) the plan has been in substantial compliance with the funding requirements for a qualified plan with respect to the employees and former employees in those employment units on the basis of which the participating employers have contributed to the plan for the preceding 5 years, and

(C) the participating employers and employee organization or organizations had no reasonable recourse other than termination.

(4) If the corporation determines, under paragraph (2) or (3), that it will pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980, the corporation—

(A) may establish requirements for the continuation of payments which commenced before January 2, 1974, with respect to retired participants under the plan,

(B) may not, notwithstanding any other provision of this subchapter, make payments with respect to any participant under such a plan who, on January 1, 1974, was receiving payment of retirement benefits, in excess of the amounts and rates payable with respect to such participant on that date,

(C) shall review from time to time payments made under the authority granted to it by paragraphs (2) and (3), and reduce or terminate such payments to the extent necessary to avoid jeopardizing the ability of the corporation to make payments of benefits guaranteed under this subchapter in connection with multiemployer plans which terminate after July 31, 1980, without increasing premium rates for such plans.

(d) Notwithstanding any other provision of this subchapter, guaranteed benefits payable by the corporation pursuant to its discretionary authority under this section shall continue to be paid at the level guaranteed under section 1322 of this title, without regard to any limitation on payment under subparagraph (C) of subsection (c)(4).

(e)(1) Except as provided in paragraphs (2), (3), and (4), the amendments to this chapter made by the Multiemployer Pension Plan Amendments Act of 1980 shall take effect on September 26, 1980.

(2)(A) Except as provided in this paragraph, part 1 of subtitle E, relating to withdrawal liability, takes effect on September 26, 1980.

(B) For purposes of determining withdrawal liability under part 1 of subtitle E, an employer who has withdrawn from a plan shall be considered to have withdrawn from a multiemployer plan if, at the time of the withdrawal, the plan was a multiemployer plan as defined in section 1301(a)(3) of this title as in effect at the time of the withdrawal.

(3) Sections 1421 through 1426¹ of this title, relating to multiemployer plan reorganization, shall take effect, with respect to each plan, on the first day of the first plan year beginning on or after the earlier of—

(A) the date on which the last collective bargaining agreement providing for employer contributions under the plan, which was in effect on September 26, 1980, expires, without regard to extensions agreed to on or after September 26, 1980, or

(B) 3 years after September 26, 1980.

(4) Section 1415 of this title shall take effect on September 26, 1980.

(f)(1) In the event that before September 26, 1980, the corporation has determined that—

¹ See References in Text note below.

(A) an employer has withdrawn from a multiemployer plan under section 1363 of this title, and

(B) the employer is liable to the corporation under such section,

the corporation shall retain the amount of liability paid to it or furnished in the form of a bond and shall pay such liability to the plan in the event the plan terminates in accordance with section 1341a(a)(2) of this title before the earlier of September 26, 1985, or the day after the 5-year period commencing on the date of such withdrawal.

(2) In any case in which the plan is not so terminated within the period described in paragraph (1), the liability of the employer is abated and any payment held in escrow shall be refunded without interest to the employer or the employer's bond shall be cancelled.

(g)(1) In any case in which an employer or employers withdrew from a multiemployer plan before the effective date of part 1 of subtitle E, the corporation may—

(A) apply section 1363(d) of this title, as in effect before the amendments made by the Multiemployer Pension Plan Amendments Act of 1980, to such plan,

(B) assess liability against the withdrawn employer with respect to the resulting terminated plan,

(C) guarantee benefits under the terminated plan under section 1322 of this title, as in effect before such amendments, and

(D) if necessary, enforce such action through suit brought under section 1303 of this title.

(2) The corporation shall use the revolving fund used by the corporation with respect to basic benefits guaranteed under section 1322a of this title in guaranteeing benefits under a terminated plan described in this subsection.

(h)(1) In the case of an employer who entered into a collective bargaining agreement—

(A) which was effective on January 12, 1979, and which remained in effect through May 15, 1982, and

(B) under which contributions to a multiemployer plan were to cease on January 12, 1982, any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E as a result of the complete or partial withdrawal of the employer from the multiemployer plan before January 16, 1982, shall be void.

(2) In any case in which—

(A) an employer engaged in the grocery wholesaling business—

(i) had ceased all covered operations under a multiemployer plan before June 30, 1981, and had relocated its operations to a new facility in another State, and

(ii) had notified a local union representative on May 14, 1980, that the employer had tentatively decided to discontinue operations and relocate to a new facility in another State, and

(B) all State and local approvals with respect to construction of and commencement of operations at the new facility had been obtained, a contract for construction had been entered into, and construction of the new facility had begun before September 26, 1980,

any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E as a result of the complete or partial withdrawal of the employer from the multiemployer plan before June 30, 1981, shall be void.

(i) The preceding provisions of this section shall not apply with respect to amendments made to this subchapter in provisions enacted after October 22, 1986.
