EFFECTIVE DATE OF 2013 AMENDMENT

Amendment by Pub. L. 113-4 not effective until the beginning of the fiscal year following Mar. 7, 2013, see section 4 of Pub. L. 113-4, set out as a note under section 2261 of Title 18, Crimes and Criminal Procedure.

FINDINGS

Pub. L. 109-162, title II, §201, Jan. 5, 2006, 119 Stat. 2993, provided that: “Congress finds the following:

“(1) Nearly 1/3 of American women report physical or sexual abuse by a husband or boyfriend at some point in their lives.

“(2) According to the National Crime Victimization Survey, 248,000 Americans 12 years of age and older were raped or sexually assaulted in 2002.

“(3) Rape and sexual assault in the United States is estimated to cost \$127,000,000,000 per year, including—

- “(A) lost productivity;
- “(B) medical and mental health care;
- “(C) police and fire services;
- “(D) social services;
- “(E) loss of and damage to property; and
- “(F) reduced quality of life.

“(4) Nonreporting of sexual assault in rural areas is a particular problem because of the high rate of non-stranger sexual assault.

“(5) Geographic isolation often compounds the problems facing sexual assault victims. The lack of anonymity and accessible support services can limit opportunities for justice for victims.

“(6) Domestic elder abuse is primarily family abuse. The National Elder Abuse Incidence Study found that the perpetrator was a family member in 90 percent of cases.

“(7) Barriers for older victims leaving abusive relationships include—

- “(A) the inability to support themselves;
- “(B) poor health that increases their dependence on the abuser;
- “(C) fear of being placed in a nursing home; and
- “(D) ineffective responses by domestic abuse programs and law enforcement.

“(8) Disabled women comprise another vulnerable population with unmet needs. Women with disabilities are more likely to be the victims of abuse and violence than women without disabilities because of their increased physical, economic, social, or psychological dependence on others.

“(9) Many women with disabilities also fail to report the abuse, since they are dependent on their abusers and fear being abandoned or institutionalized.

“(10) Of the 598 battered women’s programs surveyed—

- “(A) only 35 percent of these programs offered disability awareness training for their staff; and
- “(B) only 16 percent dedicated a staff member to provide services to women with disabilities.

“(11) Problems of domestic violence are exacerbated for immigrants when spouses control the immigration status of their family members, and abusers use threats of refusal to file immigration papers and threats to deport spouses and children as powerful tools to prevent battered immigrant women from seeking help, trapping battered immigrant women in violent homes because of fear of deportation.

“(12) Battered immigrant women who attempt to flee abusive relationships may not have access to bilingual shelters or bilingual professionals, and face restrictions on public or financial assistance. They may also lack assistance of a certified interpreter in court, when reporting complaints to the police or a 9-1-1 operator, or even in acquiring information about their rights and the legal system.

“(13) More than 500 men and women call the National Domestic Violence Hotline every day to get

immediate, informed, and confidential assistance to help deal with family violence.

“(14) The National Domestic Violence Hotline service is available, toll-free, 24 hours a day and 7 days a week, with bilingual staff, access to translators in 150 languages, and a TTY line for the hearing-impaired.

“(15) With access to over 5,000 shelters and service providers across the United States, Puerto Rico, and the United States Virgin Islands, the National Domestic Violence Hotline provides crisis intervention and immediately connects callers with sources of help in their local community.

“(16) Approximately 60 percent of the callers indicate that calling the Hotline is their first attempt to address a domestic violence situation and that they have not called the police or any other support services.

“(17) Between 2000 and 2003, there was a 27 percent increase in call volume at the National Domestic Violence Hotline.

“(18) Improving technology infrastructure at the National Domestic Violence Hotline and training advocates, volunteers, and other staff on upgraded technology will drastically increase the Hotline’s ability to answer more calls quickly and effectively.”

Pub. L. 109-162, title III, §301, Jan. 5, 2006, 119 Stat. 3003, provided that: “Congress finds the following:

“(1) Youth, under the age of 18, account for 67 percent of all sexual assault victimizations reported to law enforcement officials.

“(2) The Department of Justice consistently finds that young women between the ages of 16 and 24 experience the highest rate of non-fatal intimate partner violence.

“(3) In 1 year, over 4,000 incidents of rape or sexual assault occurred in public schools across the country.

“(4) Young people experience particular obstacles to seeking help. They often do not have access to money, transportation, or shelter services. They must overcome issues such as distrust of adults, lack of knowledge about available resources, or pressure from peers and parents.

“(5) A needs assessment on teen relationship abuse for the State of California, funded by the California Department of Health Services, identified a desire for confidentiality and confusion about the law as 2 of the most significant barriers to young victims of domestic and dating violence seeking help.

“(6) Only one State specifically allows for minors to petition the court for protection orders.

“(7) Many youth are involved in dating relationships, and these relationships can include the same kind of domestic violence and dating violence seen in the adult population. In fact, more than 40 percent of all incidents of domestic violence involve people who are not married.

“(8) 40 percent of girls ages 14 to 17 report knowing someone their age who has been hit or beaten by a boyfriend, and 13 percent of college women report being stalked.

“(9) Of college women who said they had been the victims of rape or attempted rape, 12.8 percent of completed rapes, 35 percent of attempted rapes, and 22.9 percent of threatened rapes took place on a date. Almost 60 percent of the completed rapes that occurred on campus took place in the victim’s residence.

“(10) According to a 3-year study of student-athletes at 10 Division I universities, male athletes made up only 3.3 percent of the general male university population, but they accounted for 19 percent of the students reported for sexual assault and 35 percent of domestic violence perpetrators.”

§ 12312. Confidentiality of communications between sexual assault or domestic violence victims and their counselors

(a) Study and development of model legislation

The Attorney General shall—

(1) study and evaluate the manner in which the States have taken measures to protect the confidentiality of communications between sexual assault or domestic violence victims and their therapists or trained counselors;

(2) develop model legislation that will provide the maximum protection possible for the confidentiality of such communications, within any applicable constitutional limits, taking into account the following factors:

(A) the danger that counseling programs for victims of sexual assault and domestic violence will be unable to achieve their goal of helping victims recover from the trauma associated with these crimes if there is no assurance that the records of the counseling sessions will be kept confidential;

(B) consideration of the appropriateness of an absolute privilege for communications between victims of sexual assault or domestic violence and their therapists or trained counselors, in light of the likelihood that such an absolute privilege will provide the maximum guarantee of confidentiality but also in light of the possibility that such an absolute privilege may be held to violate the rights of criminal defendants under the Federal or State constitutions by denying them the opportunity to obtain exculpatory evidence and present it at trial; and

(C) consideration of what limitations on the disclosure of confidential communications between victims of these crimes and their counselors, short of an absolute privilege, are most likely to ensure that the counseling programs will not be undermined, and specifically whether no such disclosure should be allowed unless, at a minimum, there has been a particularized showing by a criminal defendant of a compelling need for records of such communications, and adequate procedural safeguards are in place to prevent unnecessary or damaging disclosures; and

(3) prepare and disseminate to State authorities the findings made and model legislation

developed as a result of the study and evaluation.

(b) Report and recommendations

Not later than the date that is 1 year after September 13, 1994, the Attorney General shall report to the Congress—

(1) the findings of the study and the model legislation required by this section; and

(2) recommendations based on the findings on the need for and appropriateness of further action by the Federal Government.

(c) Review of Federal evidentiary rules

The Judicial Conference of the United States shall evaluate and report to Congress its views on whether the Federal Rules of Evidence should be amended, and if so, how they should be amended, to guarantee that the confidentiality of communications between sexual assault victims and their therapists or trained counselors will be adequately protected in Federal court proceedings.

PART K—STRENGTHENING AMERICA’S FAMILIES
BY PREVENTING VIOLENCE AGAINST WOMEN
AND CHILDREN**§ 12461. Findings**

Congress finds that—

- (1) the former United States Advisory Board on Child Abuse suggests that domestic violence may be the single major precursor to child abuse and neglect fatalities in this country;
- (2) studies suggest that as many as 10,000,000 children witness domestic violence every year;
- (3) studies suggest that among children and teenagers, recent exposure to violence in the home was a significant factor in predicting a child’s violent behavior;
- (4) a study by the Nurse-Family Partnership found that children whose parents did not participate in home visitation programs that provided coaching in parenting skills, advice and support, were almost 5 times more likely to be abused in their first 2 years of life;
- (5) a child’s exposure to domestic violence seems to pose the greatest independent risk for being the victim of any act of partner violence as an adult;
- (6) children exposed to domestic violence are more likely to believe that using violence is an effective means of getting one’s needs met and managing conflict in close relationships;
- (7) children exposed to abusive parenting, harsh or erratic discipline, or domestic violence are at increased risk for juvenile crime; and

(8) in a national survey of more than 6,000 American families, 50 percent of men who frequently assaulted their wives also frequently abused their children.

PART L—ADDRESSING THE HOUSING NEEDS OF VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

SUBPART 1—GRANT PROGRAMS

§ 12471. Findings

Congress finds that:

(1) There is a strong link between domestic violence and homelessness. Among cities surveyed, 44 percent identified domestic violence as a primary cause of homelessness.

(2) Ninety-two percent of homeless women have experienced severe physical or sexual abuse at some point in their lives. Of all homeless women and children, 60 percent had been abused by age 12, and 63 percent have been victims of intimate partner violence as adults.

(3) Women and families across the country are being discriminated against, denied access

²So in original. See References in Text note below.

³So in original. Probably should be “section”.

to, and even evicted from public and subsidized housing because of their status as victims of domestic violence.

(4) A recent survey of legal service providers around the country found that these providers have responded to almost 150 documented eviction cases in the last year alone where the tenant was evicted because of the domestic violence crimes committed against her. In addition, nearly 100 clients were denied housing because of their status as victims of domestic violence.

(5) Women who leave their abusers frequently lack adequate emergency shelter options. The lack of adequate emergency options for victims presents a serious threat to their safety and the safety of their children. Requests for emergency shelter by homeless women with children increased by 78 percent of United States cities surveyed in 2004. In the same year, 32 percent of the requests for shelter by homeless families went unmet due to the lack of available emergency shelter beds.

(6) The average stay at an emergency shelter is 60 days, while the average length of time it takes a homeless family to secure housing is 6 to 10 months.

(7) Victims of domestic violence often return to abusive partners because they cannot find long-term housing.

(8) There are not enough Federal housing rent vouchers available to accommodate the number of people in need of long-term housing. Some people remain on the waiting list for Federal housing rent vouchers for years, while some lists are closed.

(9) Transitional housing resources and services provide an essential continuum between emergency shelter provision and independent living. A majority of women in transitional housing programs stated that had these programs not existed, they would have likely gone back to abusive partners.

(10) Because abusers frequently manipulate finances in an effort to control their partners, victims often lack steady income, credit history, landlord references, and a current address, all of which are necessary to obtain long-term permanent housing.

(11) Victims of domestic violence in rural areas face additional barriers, challenges, and unique circumstances, such as geographical isolation, poverty, lack of public transportation systems, shortages of health care providers, under-insurance or lack of health insurance, difficulty ensuring confidentiality in small communities, and decreased access to many resources (such as advanced education, job opportunities, and adequate childcare).

(12) Congress and the Secretary of Housing and Urban Development have recognized in recent years that families experiencing domestic violence have unique needs that should be addressed by those administering the Federal housing programs.

(Pub. L. 103-322, title IV, §41401, as added Pub. L. 109-162, title VI, §601, Jan. 5, 2006, 119 Stat. 3030.)

CODIFICATION

Section was formerly classified to section 14043e of Title 42, The Public Health and Welfare, prior to editorial reclassification and renumbering as this section.

§ 12472. Purpose

The purpose of this subpart is to reduce domestic violence, dating violence, sexual assault, and stalking, and to prevent homelessness by—

(1) protecting the safety of victims of domestic violence, dating violence, sexual assault, and stalking who reside in homeless shelters, public housing, assisted housing, tribally designated housing, or other emergency, transitional, permanent, or affordable housing, and ensuring that such victims have meaningful access to the criminal justice system without jeopardizing such housing;

(2) creating long-term housing solutions that develop communities and provide sustainable living solutions for victims of domestic violence, dating violence, sexual assault, and stalking;

(3) building collaborations among victim service providers, homeless service providers, housing providers, and housing agencies to provide appropriate services, interventions, and training to address the housing needs of victims of domestic violence, dating violence, sexual assault, and stalking; and

(4) enabling public and assisted housing agencies, tribally designated housing entities, private landlords, property management companies, and other housing providers and agencies to respond appropriately to domestic violence, dating violence, sexual assault, and stalking, while maintaining a safe environment for all housing residents.

(Pub. L. 103-322, title IV, §41402, as added Pub. L. 109-162, title VI, §601, Jan. 5, 2006, 119 Stat. 3031; amended Pub. L. 113-4, title VI, §601(a)(2), Mar. 7, 2013, 127 Stat. 102.)

sault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

(2) Construction of lease terms

An incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as—

(A) a serious or repeated violation of a lease for housing assisted under a covered housing program by the victim or threatened victim of such incident; or

(B) good cause for terminating the assistance, tenancy, or occupancy rights to housing assisted under a covered housing program of the victim or threatened victim of such incident.

(3) Termination on the basis of criminal activity

(A) Denial of assistance, tenancy, and occupancy rights prohibited

(B) Bifurcation

(i) In general

Notwithstanding subparagraph (A), a public housing agency or owner or manager of housing assisted under a covered housing program may bifurcate a lease for the housing in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant of the housing and who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual, without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant of the housing.

(ii) Effect of eviction on other tenants

If public housing agency or owner or manager of housing assisted under a covered housing program evicts, removes, or terminates assistance to an individual under clause (i), and the individual is the sole tenant eligible to receive assistance under a covered housing program, the public housing agency or owner or manager of housing assisted under the covered housing program shall provide any remaining tenant or resident an opportunity to establish eligibility for the covered housing program. If a tenant or resident described in the preceding sentence cannot establish eligibility, the public housing agency or owner or manager of the housing shall pro-

vide the tenant or resident a reasonable time, as determined by the appropriate agency, to find new housing or to establish eligibility for housing under another covered housing program.

(C) Rules of construction

(I) the rights of access to or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or

(II) the distribution or possession of property among members of a household in a case;

(ii) to limit any otherwise available authority of a public housing agency or owner or manager of housing assisted under a covered housing program to evict or terminate assistance to a tenant for any violation of a lease not premised on the act of violence in question against the tenant or an affiliated person of the tenant, if the public housing agency or owner or manager does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate;

(iii) to limit the authority to terminate assistance to a tenant or evict a tenant from housing assisted under a covered housing program if a public housing agency or owner or manager of the housing can demonstrate that an actual and imminent threat to other tenants or individuals employed at or providing service to the property would be present if the assistance is not terminated or the tenant is not evicted; or

(iv) to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.

(c) Documentation

(1) Request for documentation

If an applicant for, or tenant of, housing assisted under a covered housing program represents to a public housing agency or owner or manager of the housing that the individual is entitled to protection under subsection (b), the public housing agency or owner or manager may request, in writing, that the applicant or tenant submit to the public housing agency or owner or manager a form of documentation described in paragraph (3).

(2) Failure to provide certification

(A) In general

If an applicant or tenant does not provide the documentation requested under para-

graph (1) within 14 business days after the tenant receives a request in writing for such certification from a public housing agency or owner or manager of housing assisted under a covered housing program, nothing in this subpart may be construed to limit the authority of the public housing agency or owner or manager to—

(ii) deny assistance under the covered program to the applicant or tenant;

(iii) terminate the participation of the applicant or tenant in the covered program; or

(iii) includes the name of the individual who committed the domestic violence, dating violence, sexual assault, or stalking, if the name is known and safe to provide;

(B) a document that—

(i) is signed by—

(I) an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional, or a mental health professional from whom an applicant or tenant has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse; and

- (A) requested or consented to by the individual in writing;
- (B) required for use in an eviction proceeding under subsection (b); or
- (C) otherwise required by applicable law.

(5) Documentation not required

Nothing in this subsection shall be construed to require a public housing agency or owner or manager of housing assisted under a covered housing program to request that an individual submit documentation of the status of the individual as a victim of domestic violence, dating violence, sexual assault, or stalking.

(6) Compliance not sufficient to constitute evidence of unreasonable act

Compliance with subsection (b) by a public housing agency or owner or manager of housing assisted under a covered housing program based on documentation received under this subsection, shall not be sufficient to constitute evidence of an unreasonable act or omission by the public housing agency or owner or manager or an employee or agent of the public housing agency or owner or manager. Nothing in this paragraph shall be construed to limit the liability of a public housing agency or owner or manager of housing assisted under a covered housing program for failure to comply with subsection (b).

(7) Response to conflicting certification

If a public housing agency or owner or manager of housing assisted under a covered housing program receives documentation under this subsection that contains conflicting information, the public housing agency or owner or manager may require an applicant or tenant to submit third-party documentation, as described in subparagraph (B), (C), or (D) of paragraph (3).

(8) Preemption

Nothing in this subsection shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this subsection for victims of domestic violence, dating violence, sexual assault, or stalking.

(e) Emergency transfers

Each appropriate agency shall adopt a model emergency transfer plan for use by public housing agencies and owners or managers of housing assisted under covered housing programs that—
