Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). § 7292. Review by United States Court of Appeals for the Federal Circuit

(a) After a decision of the United States Court of Appeals for Veterans Claims is entered in a

case, any party to the case may obtain a review of the decision with respect to the validity of a decision of the Court on a rule of law or of any statute or regulation (other than a refusal to review the schedule of ratings for disabilities adopted under section 1155 of this title) or any interpretation thereof (other than a determination as to a factual matter) that was relied on by the Court in making the decision. Such a review shall be obtained by filing a notice of appeal with the Court of Appeals for Veterans Claims within the time and in the manner prescribed for appeal to United States courts of appeals from United States district courts.

(b)(1) When a judge or panel of the Court of Appeals for Veterans Claims, in making an order not otherwise appealable under this section, determines that a controlling question of law is involved with respect to which there is a substantial ground for difference of opinion and that there is in fact a disagreement between the appellant and the Secretary with respect to that question of law and that the ultimate termination of the case may be materially advanced by the immediate consideration of that question, the judge or panel shall notify the chief judge of that determination. Upon receiving such a notification, the chief judge shall certify that such a question is presented, and any party to the case may then petition the Court of Appeals for the Federal Circuit to decide the question. That court may permit an interlocutory appeal to be taken on that question if such a petition is filed with it within 10 days after the certification by the chief judge of the Court of Appeals for Veterans Claims. Neither the application for, nor the granting of, an appeal under this paragraph shall stay proceedings in the Court of Appeals for Veterans Claims, unless a stay is ordered by a judge of the Court of Appeals for Veterans Claims or by the Court of Appeals for the Federal Circuit.

(2) For purposes of subsections (d) and (e) of this section, an order described in this paragraph shall be treated as a decision of the Court of Appeals for Veterans Claims.

(c) The United States Court of Appeals for the Federal Circuit shall have exclusive jurisdiction to review and decide any challenge to the validity of any statute or regulation or any interpretation thereof brought under this section, and to interpret constitutional and statutory provisions, to the extent presented and necessary to a decision. The judgment of such court shall be final subject to review by the Supreme Court upon certiorari, in the manner provided in section 1254 of title 28.

(d)(1) The Court of Appeals for the Federal Circuit shall decide all relevant questions of law, including interpreting constitutional and statutory provisions. The court shall hold unlawful and set aside any regulation or any interpretation thereof (other than a determination as to a factual matter) that was relied upon in the decision of the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;

(B) contrary to constitutional right, power, privilege, or immunity;

(3) Retired pay under this subsection shall begin to accrue on the day following the day on which the individual's salary as judge ceases to accrue and shall continue to accrue during the remainder of the individual's life. Retired pay under this subsection shall be paid in the same manner as the salary of a judge.

(d)(1) A judge may elect to receive retired pay under subsection (c) of this section. Such an election—

(A) may be made only while an individual is a judge (except that, in the case of an individual who fails to be reappointed as judge at the expiration of a term of office, the election may be made at any time before the date after the day on which the individual's successor takes office); and

(B) may not be revoked after the retired pay begins to accrue.

(2) In the case of a judge other than the chief judge, such an election shall be made by filing notice of the election in writing with the chief judge. (f)(1) Except as otherwise provided in this subsection, the provisions of the civil service retirement laws (including the provisions relating to the deduction and withholding of amounts from basic pay, salary, and compensation) shall apply with respect to service as a judge as if this section had not been enacted.

(2) In the case of any individual who has filed an election to receive retired pay under subsection (c) of this section—

(B) no deduction for purposes of the Civil Service Retirement and Disability Fund shall be made from retired pay payable to that individual under subsection (c) of this section or from any

(2) Whenever the President finds that a judge has become permanently disabled and as a result of that disability is unable to perform the duties of the office, the President shall declare that judge to be retired. Before a judge may be retired under this paragraph, the judge shall be provided with a full specification of the reasons for the retirement and an opportunity to be heard.

(h)(1) An individual who has filed an election to receive retired pay under subsection (c) of this section may revoke such election at any time before the first day on which retired pay would (but for such revocation) begin to accrue with respect to such individual.

(2) Any revocation under this subsection shall be made by filing a notice of the election in writing with the Director of the Office of Personnel Management. The Office of Personnel Management shall transmit to the chief judge a copy of each notice filed under this subsection.

(C) no credit shall be allowed for any service as a judge of the Court unless with respect to

such service either there has been deducted and withheld the amount required by the civil service retirement laws or there has been deposited in the Civil Service Retirement and Disability Fund an amount equal to the amount so required, with interest;

(D) the Court shall deposit in the Civil Service Retirement and Disability Fund an amount equal to the additional amount it would have contributed to such Fund but for the election under subsection (d); and

(E) if subparagraphs (C) and (D) of this paragraph are complied with, service on the Court shall be treated as service with respect to which deductions and contributions had been made during the period of service.

(2) Each judge who makes an election under subsection (d) of this section shall be considered to agree to the deductions from salary which are made under paragraph (1) of this subsection.

(j) A judge who makes an election under subsection (d) of this section shall deposit, for service on the Court performed before the election for which contributions may be made under this section, an amount equal to 1 percent of the salary received for the first years, not exceeding 15 years, of that service. Retired pay may not be allowed until a deposit required by this subsection has been made.

(k) The amounts deducted and withheld under subsection (i) of this section, and the amounts deposited under subsection (j) of this section, shall be deposited in the Court of Appeals for Veterans Claims Retirement Fund for credit to individual accounts in the name of each judge from whom such amounts are received.

§ 7297. Survivor annuities

(a) For purposes of this section:

- (1) The term “Court” means the United States Court of Appeals for Veterans Claims.

(2) The term “judge” means a judge of the Court who is in active service or who has retired under section 7296 of this title.

(3) The term “pay” means salary received under section 7253(e) of this title and retired pay received under section 7296 of this title.

(4) The term “retirement fund” means the Court of Appeals for Veterans Claims Retirement Fund established under section 7298 of this title.

(5) The term “surviving spouse” means a surviving spouse of an individual who (A) was married to such individual for at least one year immediately preceding the individual's death, or (B) is a parent of issue by the marriage.

(6) The term “dependent child” has the meaning given the term “child” in section 376(a)(5) of title 28.

(7) The term “Member of Congress” means a Representative, a Senator, a Delegate to Congress, or the Resident Commissioner of Puerto Rico.

(8) The term “assassination” as applied to a judge shall have the meaning provided that term in section 376(a)(7) of title 28 as applied to a judicial official.

(b) A judge may become a participant in the annuity program under this section by filing a written election under this subsection while in office or within six months after the date on which the judge marries if the judge has retired under section 7296 of this title. Any such election shall be made in such manner as may be prescribed by the Court.

(c) There shall be deducted and withheld each pay period from the pay of a judge who has made an election under subsection (b) of this section a sum equal to that percentage of the judge's pay that is the same as provided for the deduction from the salary or retirement salary of a judge of the United States Court of Federal Claims for the purpose of a survivor annuity under section 376(b)(1)(B) of title 28. Amounts so deducted and withheld shall be deposited in the retirement fund. A judge who makes an election under subsection (b) of this section shall be considered by that election to agree to the deductions from the judge's pay required by this subsection.

(d)(1) A judge who makes an election under subsection (b) of this section shall deposit, with interest at 3 percent per year compounded on December 31 of each year, to the credit of the retirement fund, an amount equal to 3.5 percent of the judge's pay and of the judge's basic salary, pay, or compensation for service as a Member of Congress, and for any other civilian service within the purview of section 8332 of title 5. Each such judge may elect to make such deposits in installments during the judge's period of service in such amount and under such conditions as may be determined in each instance by the chief judge. Notwithstanding the failure of a judge to make such deposit, credit shall be allowed for the service rendered, but the annual annuity of the surviving spouse of such judge shall be reduced by an amount equal to 10 percent of the amount of such deposit, computed as of the date of the death of such judge, unless the surviving spouse elects to eliminate such service entirely from credit under subsection (k) of this section. However, a deposit shall not be required from a judge for any year with

respect to which deductions from the judge's pay, or a deposit, were actually made (and not withdrawn) under the civil service retirement laws.

(2) The interest required under the first sentence of paragraph (1) shall not be required for any period—

(A) during which a judge was separated from any service described in section 376(d)(2) of title 28; and

(B) during which the judge was not receiving retired pay based on service as a judge or receiving any retirement salary as described in section 376(d)(1) of title 28.

(e) If the service of a judge who makes an election under subsection (b) of this section terminates other than pursuant to the provisions of section 7296 of this title, or if any judge ceases to be married after making the election under subsection (b) of this section and revokes (in a writing filed as provided in subsection (b) of this section) such election, the amount credited to the judge's individual account (together with interest at 3 percent per year compounded on December 31 of each year to the date of the judge's relinquishment of office) shall be returned to the judge. For the purpose of this section, the service of a judge making an election under subsection (b) of this section shall be considered to have terminated pursuant to section 7296 of this title if—

(1) the judge is not reappointed following expiration of the term for which appointed; and

(2) at or before the time of the expiration of that term, the judge is eligible for and elects to receive retired pay under section 7296 of this title.

(f)(1) If a judge who makes an election under subsection (b) of this section dies after having rendered at least 18 months of civilian service (computed as prescribed in subsection (l) of this section), for the last 18 months of which the salary deductions provided for by subsection (c) of this section or the deposits required by subsection (d) of this section have actually been made (and not withdrawn) or the salary deductions required by the civil service retirement laws have actually been made (and not withdrawn)—

(A) if the judge is survived by a surviving spouse but not by a dependent child, there shall be paid to the surviving spouse an annuity beginning with the day of the death of the judge, in an amount computed as provided in subsection (k) of this section; or

(B) if the judge is survived by a surviving spouse and a dependent child or children, there shall be paid to the surviving spouse an immediate annuity in an amount computed as provided in subsection (k) of this section and there shall also be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 10 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 20 percent of such average annual pay, divided by the number of such children; or

(C) if the judge is not survived by a surviving spouse but is survived by a dependent child or children, there shall be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 20 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 40 percent of such average annual pay, divided by the number of such children.

(2) The annuity payable to a surviving spouse under this subsection shall be terminated—

(A) upon the surviving spouse's death; or

(B) upon the remarriage of the surviving spouse before age 55.

(3) The annuity payable to a child under this subsection shall be terminated upon the child's death.

(4) In case of the death of a surviving spouse of a judge leaving a dependent child or children of the judge surviving the spouse, the annuity of such child or children under paragraph (1)(B) of this subsection shall be recomputed and paid as provided in paragraph (1)(C) of this subsection. In any case in which the annuity of a dependent child is terminated, the annuities of any remaining dependent child or children, based upon the service of the same judge, shall be recomputed and paid as though the child whose annuity was so terminated had not survived the judge.

(5) If a judge dies as a result of an assassination and leaves a survivor or survivors who are otherwise entitled to receive annuity payments under this section, the 18-month requirement in the matter in paragraph (1) preceding subparagraph (A) shall not apply.

(g) Questions of family relationships, dependency, and disability arising under this section shall be determined in the same manner as such questions arising under chapter 84 of title 5 are determined.

(h)(1) If—

(A) a judge making an election under subsection (b) of this section dies while in office (i) before having rendered 5 years of civilian service computed as prescribed in subsection (l) of this section, or (ii) after having rendered 5 years of such civilian service but without a survivor entitled to annuity benefits provided by subsection (f) of this section; or

(B) the right of all persons entitled to an annuity under subsection (f) of this section based on the service of such judge terminates before a claim for such benefits has been established,

the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year, to the date of the death of such judge) shall be paid in the manner specified in paragraph (2) of this subsection.

(2) An amount payable under paragraph (1) of this subsection shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date title to the payment arises, in the following order of precedence:

(A) To the beneficiary or beneficiaries whom the judge designated in writing filed before death with the chief judge (except that in the case of the chief judge such designation shall be filed before death as prescribed by the Court).

(B) To the surviving spouse of the judge.

(C) To the child or children of the judge (and the descendants of any deceased children by representation).

(D) To the parents of the judge or the survivor of them.

(E) To the executor or administrator of the estate of the judge.

(F) To such other next of kin of the judge as may be determined by the chief judge to be entitled under the laws of the domicile of the judge at the time of the judge's death.

(3) Determination as to the surviving spouse, child, or parent of a judge for the purposes of paragraph (2) of this subsection shall be made without regard to the definitions in subsection (a) of this section.

(4) Payment under this subsection in the manner provided in this subsection shall be a bar to recovery by any other person.

(5) In a case in which the annuities of all persons entitled to annuity based upon the service of a judge terminate before the aggregate amount of annuity paid equals the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year to the date of the death of the judge), the difference shall be paid, upon establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.

(6) Any accrued annuity remaining unpaid upon the termination (other than by death) of the annuity of any individual based upon the service of a judge shall be paid to that individual. Any accrued annuity remaining unpaid upon the death of an individual receiving an annuity based upon the service of a judge shall be paid, upon the establishment of a valid claim therefor, in the following order of precedence:

(A) To the executor or administrator of the estate of that person.

(B) After 30 days after the date of the death of such individual, to such individual or individuals as may appear in the judgment of the chief judge to be legally entitled thereto.

Such payment shall be a bar to recovery by any other individual.

(i) When a payment under this section is to be made to a minor, or to a person mentally incompetent or under other legal disability adjudged by a court of competent jurisdiction, the payment may be made to the person who is constituted guardian or other fiduciary by the law of the State of residence of such claimant or is otherwise legally vested with the care of the claimant or the claimant's estate. If no guardian or other fiduciary of the person under legal disability has been appointed under the laws of the State of residence of the claimant, the chief judge shall determine the person who is otherwise legally vested with the care of the claimant or the claimant's estate.

(j) Annuities under this section shall accrue monthly and shall be due and payable in monthly installments on the first business day of the month following the month or other period for which the annuity has accrued. An annuity under this section is not assignable, either in law or in equity, or subject to execution, levy, attachment, garnishment, or other legal process.

(k)(1) The annuity of the surviving spouse of a judge making an election under subsection (b) of this section shall be an amount equal to the sum of the following:

(A) The product of—

(i) 1.5 percent of the judge's average annual pay; and

(ii) the sum of the judge's years of judicial service, the judge's years of prior allowable service as a Member of Congress, the judge's years of prior allowable service performed as a member of the Armed Forces, and the judge's years, not exceeding 15, of prior allowable service performed as a congressional employee (as defined in section 2107 of title 5).

(B) Three-fourths of 1 percent of the judge's average annual pay multiplied by the judge's years of allowable service not counted under subparagraph (A) of this paragraph.

(2) An annuity computed under this subsection may not exceed 50 percent of the judge's average annual pay and may not be less than 25 percent of such average annual pay. Such annuity shall be further reduced in accordance with subsection (d) of this section (if applicable).

(3) For purposes of this subsection, the term "average annual pay", with respect to a judge, means the average annual pay received by the judge for judicial service (including periods in which the judge received retired pay under section 7296(d) of this title) or for any other prior allowable service during the period of three consecutive years in which the judge received the largest such average annual pay.

(l) Subject to subsection (d) of this section, the years of service of a judge which are allowable as the basis for calculating the amount of the annuity of the judge's surviving spouse shall include the judge's years of service as a judge of the Court, the judge's years of service as a Member of Congress, the judge's years of active service as a member of the Armed Forces not exceeding 5 years in the aggregate and not including any such service for which credit is allowed for the purposes of retirement or retired pay under any other provision of law, and the judge's years of any other civilian service within the purview of section 8332 of title 5.

(m) Nothing contained in this section shall be construed to prevent a surviving spouse eligible therefor from simultaneously receiving an annuity under this section and any annuity to which such spouse would otherwise be entitled under any other law without regard to this section, but in computing such other annuity service used in the computation of such spouse's annuity under this section shall not be credited.

(n) A judge making an election under subsection (b) of this section shall, at the time of such election, waive all benefits under the civil service retirement laws except section 8440d of title 5. Such a waiver shall be made in the same manner and shall have the same force and effect as an election filed under section 7296(d) of this title.

(o) Each survivor annuity payable from the retirement fund shall be increased at the same time as, and by the same percentage by which, annuities payable from the Judicial Survivors' Annuities Fund are increased pursuant to section 376(m) of title 28.

(p)(1) A covered judge who makes an election under subsection (b) may purchase, in 3-month increments, up to an additional year of service credited for each year of Federal judicial service completed, under the terms set forth in this section.

(2) In this subsection, the term "covered judge" means any of the following:

(A) A judge in regular active service.

(B) A retired judge who is a recall-eligible retired judge pursuant to subsection (a) of section 7257 of this title.

(C) A retired judge who would be a recall-eligible retired judge pursuant to subsection (a) of section 7257 but for—

(i) meeting the aggregate recall service requirements under subsection (b)(3) of such section; or

(ii) being permanently disabled as described by subsection (b)(4) of such section.

§ 7316. Malpractice and negligence suits: defense by United States

(a)(1) The remedy—

(A) against the United States provided by sections 1346(b) and 2672 of title 28, or

(B) through proceedings for compensation or other benefits from the United States as pro-

vided by any other law, where the availability of such benefits precludes a remedy under section 1346(b) or 2672 of title 28,

for damages for personal injury, including death, allegedly arising from malpractice or negligence of a health care employee of the Administration in furnishing health care or treatment while in the exercise of that employee's duties in or for the Administration shall be exclusive of any other civil action or proceeding by reason of the same subject matter against the health care employee (or employee's estate) whose act or omission gave rise to such claim.

(2) For purposes of paragraph (1), the term "health care employee of the Administration" means a physician, dentist, podiatrist, chiropractor, optometrist, nurse, physician assistant, expanded-function dental auxiliary, pharmacist, or paramedical (such as medical and dental technicians, nursing assistants, and therapists), or other supporting personnel.

(b) The Attorney General shall defend any civil action or proceeding brought in any court against any person referred to in subsection (a) (or such person's estate) for any such damage or injury. Any such person against whom such civil action or proceeding is brought shall deliver within such time after date of service or knowledge of service as determined by the Attorney General, all process served upon such person or an attested true copy thereof to such person's immediate superior or to whomever was designated by the Secretary to receive such papers and such person shall promptly furnish copies of the pleading and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the Secretary.

(c) Upon a certification by the Attorney General that the defendant was acting in the scope of such person's employment in or for the Administration at the time of the incident out of which the suit arose, any such civil action or proceeding commenced in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States of the district and division embracing the place wherein it is pending and the proceeding deemed a tort action brought against the United States under the provisions of title 28 and all references thereto. After removal the United States shall have available all defenses to which it would have been entitled if the action had originally been commenced against the United States. Should a United States district court determine on a hearing on a motion to remand held before a trial on the merits that the employee whose act or omission gave rise to the suit was not acting within the scope of such person's office or employment, the case shall be remanded to the State court.

(d) The Attorney General may compromise or settle any claim asserted in such civil action or proceeding in the manner provided in section 2677 of title 28, and with the same effect.

(e) The Secretary may, to the extent the Secretary considers appropriate, hold harmless or provide liability insurance for any person to whom the immunity provisions of this section apply (as described in subsection (a)), for damage for personal injury or death, or for property damage,

negligently caused by such person while furnishing medical care or treatment (including the conduct of clinical studies or investigations) in the exercise of such person's duties in or for the Administration, if such person is assigned to a foreign country, detailed to State or political division thereof, or is acting under any other circumstances which would preclude the remedies of an injured third person against the United States, provided by sections 1346(b) and 2672 of title 28, for such damage or injury.

(f) The exception provided in section 2680(h) of title 28 shall not apply to any claim arising out of a negligent or wrongful act or omission of any person described in subsection (a) in furnishing medical care or treatment (including medical care or treatment furnished in the course of a clinical study or investigation) while in the exercise of such person's duties in or for the Administration.

§ 7317. Hazardous research projects: indemnification of contractors

(a)(1) With the approval of the Secretary, any contract or research authorized by section 7303 of this title, the performance of which involves a risk of an unusually hazardous nature, may provide that the United States will indemnify the contractor as provided in paragraph (2), but only to the extent that the liability, loss, or damage concerned arises out of the direct performance of the contract and to the extent not covered by the financial protection required under subsection (e).

(2) Indemnity under paragraph (1) is indemnity against either or both of the following:

(A) Liability (including reasonable expenses of litigation or settlement) to third persons, except liability under State or Federal workers' injury compensation laws to employees of the contractor employed at the site of and in connection with the contract for which indemnification is granted, for death, bodily injury, or loss of or damage to property, from a risk that the contract defines as unusually hazardous.

(B) Loss of or damage to property of the contractor from a risk that the contract defines as unusually hazardous.

(1) funds obligated for the performance of the contract concerned;

(2) funds available for research or development or both, and not otherwise obligated; or

(3) funds appropriated for those payments.

(e) Each contractor which is a party to an indemnification agreement under subsection (a) shall have and maintain financial protection of such type and in such amounts as the Secretary shall require to cover liability to third persons and loss of or damage to the contractor's property. The amount of financial protection required shall be the maximum amount of insurance available from private sources, except that the Secretary may establish a lesser amount, taking into consideration the cost and terms of private insurance. Such financial protection may include private insurance, private contractual indemnities, self-insurance, other proof of financial responsibility, or a combination of such measures.

(f) In administering the provisions of this section, the Secretary may use the facilities and services of private insurance organizations and may contract to pay a reasonable compensation therefor. Any contract made under the provisions of this section may be made without regard to the provisions of section 6101(b) to (d) of title 41, upon a showing by the Secretary that advertising is not reasonably practicable, and advance payments may be made under any such contract.

(g) The authority to indemnify contractors under this section does not create any rights in third persons which would not otherwise exist by law.

(h) Funds appropriated to carry out this section shall remain available until expended.

(i) In this section, the term "contractor" includes subcontractors of any tier under a contract containing an indemnification provision pursuant to subsection (a).

§ 7332. Confidentiality of certain medical records

(a)(1) Records of the identity, diagnosis, prognosis, or treatment of any patient or subject which are maintained in connection with the performance of any program or activity (including education, training, treatment, rehabilitation, or research) relating to drug abuse, alcoholism or alcohol abuse, infection with the human immunodeficiency virus, or sickle cell anemia which is carried out by or for the Department under this title shall, except as provided in subsections (e) and (f), be confidential, and (section 5701 of this title to the contrary notwithstanding) such records may be disclosed only for the purposes and under the circumstances expressly authorized under subsection (b).

(2) Paragraph (1) prohibits the disclosure to any person or entity other than the patient or subject concerned of the fact that a special written consent is required in order for such records to be disclosed.

(b)(1) The content of any record referred to in subsection (a) may be disclosed by the Secretary in accordance with the prior written consent of the patient or subject with respect to whom such record is maintained, but only to such extent, under such circumstances, and for such purposes as may be allowed in regulations prescribed by the Secretary.

(2) Whether or not any patient or subject, with respect to whom any given record referred to in subsection (a) is maintained, gives written consent, the content of such record may be disclosed by the Secretary as follows:

(A) To medical personnel to the extent necessary to meet a bona fide medical emergency.

(B) To qualified personnel for the purpose of conducting scientific research, management audits, financial audits, or program evaluation, but such personnel may not identify, directly or indirectly, any individual patient or subject in any report of such research, audit, or evaluation, or otherwise disclose patient or subject identities in any manner.

(C)(i) In the case of any record which is maintained in connection with the performance of any program or activity relating to infection with the human immunodeficiency virus, to a Federal, State, or local public-health authority charged under Federal or State law with the protection of the public health, and to which Federal or State law requires disclosure of such record, if a qualified representative of such authority has made a written request that such record be provided as required pursuant to such law for a purpose authorized by such law.

(ii) A person to whom a record is disclosed under this paragraph may not redisclose or use such record for a purpose other than that for which the disclosure was made.

(D) If authorized by an appropriate order of a court of competent jurisdiction granted after application showing good cause therefor. In assessing good cause the court shall weigh the public interest and the need for disclosure against the injury to the patient or subject, to the physician-patient relationship, and to the treatment services. Upon the granting of such order, the court, in determining the extent to which any disclosure of all or any part of any record is necessary, shall impose appropriate safeguards against unauthorized disclosure.

(E) To an entity described in paragraph (1)(B) of section 5701(k) of this title, but only to the extent authorized by such section.

(F)(i) To a representative of a patient who lacks decision-making capacity, when a practitioner deems the content of the given record necessary for that representative to make an informed decision regarding the patient's treatment.

(ii) In this subparagraph, the term "representative" means an individual, organization, or other body authorized under section 7331 of this title and its implementing regulations to give informed consent on behalf of a patient who lacks decision-making capacity.

(G) To a State controlled substance monitoring program, including a program approved by the Secretary of Health and Human Services under section 399O of the Public Health Service Act (42 U.S.C. 280g-3), to the extent necessary

to prevent misuse and diversion of prescription medicines.

(H)(i) To a non-Department entity (including private entities and other Federal agencies) for purposes of providing health care, including hospital care, medical services, and extended care services, to patients or performing other health care-related activities or functions.

(ii) An entity to which a record is disclosed under this subparagraph may not disclose or use such record for a purpose other than that for which the disclosure was made or as permitted by law.

(I) To a third party in order to recover or collect reasonable charges for care furnished to, or paid on behalf of, a patient in connection with a non-service connected disability as permitted by section 1729 of this title or for a condition for which recovery is authorized or with respect to which the United States is deemed to be a third party beneficiary under the Act entitled "An Act to provide for the recovery from tortiously liable third persons of the cost of hospital and medical care and treatment furnished by the United States" (Public Law 87-693; 42 U.S.C. 2651 et seq.; commonly known as the "Federal Medical Care Recovery Act").

(3) In the event that the patient or subject who is the subject of any record referred to in subsection (a) is deceased, the content of any such record may be disclosed by the Secretary only upon the prior written request of the next of kin, executor, administrator, or other personal representative of such patient or subject and only if the Secretary determines that such disclosure is necessary for such survivor to obtain benefits to which such survivor may be entitled, including the pursuit of legal action, but then only to the extent, under such circumstances, and for such purposes as may be allowed in regulations prescribed pursuant to section 7334 of this title.

(c) Except as authorized by a court order granted under subsection (b)(2)(D), no record referred to in subsection (a) may be used to initiate or substantiate any criminal charges against, or to conduct any investigation of, a patient or subject.

(d) The prohibitions of this section shall continue to apply to records concerning any person who has been a patient or subject, irrespective of whether or when such person ceases to be a patient.

(e) The prohibitions of this section shall not prevent any interchange of records—

(1) within and among those components of the Department furnishing health care to veterans, or determining eligibility for benefits under this title; or

(2) between such components furnishing health care to veterans and the Armed Forces.

(f)(1) Notwithstanding subsection (a) but subject to paragraph (2), a physician or a professional counselor may disclose information or records indicating that a patient or subject is infected with the human immunodeficiency virus if the disclosure is made to (A) the spouse of the patient or subject, or (B) to an individual whom the patient or subject has, during the process of professional counseling or of testing to determine whether the patient or subject is infected with such virus, identified as being a sexual partner of such patient or subject.

(2)(A) A disclosure under paragraph (1) may be made only if the physician or counselor, after making reasonable efforts to counsel and encourage the patient or subject to provide the information to the spouse or sexual partner, reasonably believes that the patient or subject will not provide the information to the spouse or sexual partner and that the disclosure is necessary to protect the health of the spouse or sexual partner.

(B) A disclosure under such paragraph may be made by a physician or counselor other than the physician or counselor referred to in subparagraph (A) if such physician or counselor is unavailable by reason of absence or termination of employment to make the disclosure.

(g) Any person who violates any provision of this section or any regulation issued pursuant to this section shall be fined, in the case of a first offense, up to the maximum amount provided under section 5701(f) of this title for a first offense under that section and, in the case of a subsequent offense, up to the maximum amount provided under section 5701(f) of this title for a subsequent offense under that section.

(C) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, registered nurse, and physician assistant) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3)(A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection (b)(1) of section 7404 of this title or chapter 53 of title 5.

(B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:

(i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

(4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.

(b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401(1) of this title as specified in the Nurse Schedule in section 7404(b) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this subchapter, establish grades for other covered positions as the Secretary considers appropriate.

(c)(1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133 percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of ba-

sic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g),¹ provide justification for doing so to the Committees on Veterans' Affairs of the Senate and House of Representatives.

(2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level IV of the Executive Schedule under section 5316¹ of title 5. The maximum rate of basic pay for a grade for the position of certified registered nurse anesthetist pursuant to an adjustment under subsection (d) may exceed the maximum rate otherwise provided in the preceding sentence.

(3) The range of basic pay for each such grade shall be divided into equal increments, known as "steps". The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d)(1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this section. Such adjustments shall be made—

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to employees in that grade at that facility, or the Under Secretary for Health, with respect to covered Regional and Central Office employees in that grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of the minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3)(A) In the case of a Department health-care facility located in an area for which there is current information, based upon an industry-wage survey by the Bureau of Labor Statistics for that labor market, on compensation for corresponding health-care professionals for the BLS labor-mar-

ket area of that facility, the director of the facility concerned shall use that information as the basis for making adjustments in rates of pay under this subsection. Whenever the Bureau of Labor Statistics releases the results of a new industry-wage survey for that labor market that includes information on compensation for corresponding health-care professionals, the director of that facility shall determine, not later than 30 days after the results of the survey are released, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(B) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purpose of this section. Upon conducting a survey under this subparagraph, the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C)(i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who are employed on a salary basis by entities that provide anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director—

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the

¹ See References in Text note below.

local labor-market area of the facility under subparagraph (B);

(II) has used all available administrative authority with regard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(i) For the purposes of this subparagraph, certified registered nurse anesthetists who are so employed by such entities shall be deemed to be corresponding health-care professionals to the certified registered nurse anesthetists employed by the facility.

(D) The Under Secretary for Health shall prescribe regulations providing for the adjustment of the rates of basic pay for Regional and Central Office employees in covered positions in order to assure that those rates are sufficient and competitive.

(E) The director of a facility or Under Secretary for Health may not adjust rates of basic pay under this subsection for any pay grade so that the minimum rate of basic pay for that grade is greater than the beginning rates of compensation for corresponding positions at non-Department health-care facilities.

(F) The Under Secretary for Health shall provide appropriate education, training, and support to directors of Department health care facilities in the conduct and use of surveys, including the use of third-party surveys, under this paragraph.

(4) If the director of a Department health-care facility, or the Under Secretary for Health with respect to Regional and Central Office employees, determines, after any survey under paragraph (3)(B) that it is not necessary to adjust the rates of basic pay for employees in a grade of a covered position at that facility in order to carry out the purpose of this section, such an adjustment for employees at that facility in that grade shall not be made.

(5) Information collected by the Department in surveys conducted under this subsection is not subject to disclosure under section 552 of title 5.

(6) In this subsection—

(A) The term “beginning rate of compensation”, with respect to health-care personnel positions in non-Department health-care facilities corresponding to a grade of a covered position, means the sum of—

(i) the minimum rate of pay established for personnel in such positions who have education, training, and experience equivalent or similar to the education, training, and experience required for health-care personnel employed in the same category of Department covered positions; and

(ii) other employee benefits for those positions to the extent that those benefits are reasonably quantifiable.

(B) The term “corresponding”, with respect to health-care personnel positions in non-Department health-care facilities, means those positions for which the education, training, and experience requirements are equivalent or similar to the education, training, and experience requirements for health-care personnel positions in Department health-care facilities.

(e)(1) An adjustment in a rate of basic pay under subsection (d) may not reduce the rate of basic pay applicable to any grade of a covered position.

(2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).

(3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions. If the determination of the director would result in an adjustment in rates of basic pay applicable to covered positions, any action by the Under Secretary under the preceding sentence shall be made before the effective date of such pay adjustment. Upon such action by the Under Secretary, any adjustment shall take effect on the first day of the first pay period beginning after such action. The Secretary shall ensure that the Under Secretary establishes a mechanism for the timely exercise of the authority in this paragraph.

(4) Each director of a Department health-care facility shall provide to the Secretary, not later than July 31 each year, a report on staffing for covered positions at that facility. The report shall include the following:

(A) Information on turnover rates and vacancy rates for each covered position, including a comparison of those rates with the rates for the preceding three years.

(B) The director's findings concerning the review and evaluation of the facility's staffing situation, including whether there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted with respect to that position.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such actions.

(D) In any case in which the director conducts such a wage survey during the period covered by the report and makes adjustment in rates of basic pay applicable to one or more covered positions at the facility, information on the methodology used in making such adjustment or adjustments.

(E) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Sec-

retary, a significant pay-related staffing problem at that facility for any covered position, determines not to conduct a wage survey with respect to that position, a statement of the reasons why the director did not conduct such a survey.

(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under paragraph (4).

(B) The information for each such facility specified in paragraph (4).

(6)(A) Upon the request of an individual described in subparagraph (B) for a report provided under paragraph (4) with respect to a Department health-care facility, the Under Secretary for Health or the director of such facility shall provide to the individual the most current report for such facility provided under such paragraph.

(B) An individual described in this subparagraph is—

(i) an individual in a covered position at a Department health-care facility; or

(ii) a representative of the labor organization representing that individual who is designated by that individual to make the request.

(f) For the purposes of this section, the term "health-care facility" means a medical center, an independent outpatient clinic, or an independent domiciliary facility.

§ 7452. Nurses and other health-care personnel: administration of pay

(a)(1) Regulations prescribed under section 7451(a) of this title shall provide that whenever an employee in a covered position is given a new duty assignment which is a promotion, the rate of basic pay of that employee shall be increased at least one step increment in that employee's grade.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse's grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451(c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the effective date of the promotion.

(b)(1) Under regulations which the Secretary prescribes for the administration of this section, the director of a Department health-care facility (A) shall pay a cash bonus (in an amount to be determined by the director not to exceed \$2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and (B) may provide such a bonus to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451(g)¹ of this title a discussion of the use during the period covered by the report of the payment of bonuses under this subsection and other job performance incentives available to the Secretary.

(c)(1) The Secretary shall provide (in regulations prescribed for the administration of this section) that the director of a Department health-care facility, in making a new appointment of a person under section 7401(1) of this title as an employee in a covered position for employment at that facility, may make that appointment at a rate of pay described in paragraph (3) without being subject to a requirement for prior approval at any higher level of authority within the Department in any case in which the director determines that it is necessary to do so in order to obtain the services of employees in covered positions in cases in which vacancies exist at that health-care facility.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the

appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retain that document on file); and

(B) in the first budget documents submitted to the Secretary by the director after the employee is employed, include documentation for the need for such increased rates of basic pay described in clause (A).

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to serve in such a position.

(e) An employee in a covered position employed under section 7401(1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Secretary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451(g)¹ of this title, provide justification for doing so.

¹ See References in Text note below.

(f) In this section, the term "covered position" has the meaning given that term in section 7451 of this title.

(g)(1) In order to recruit and retain highly qualified Department nurse executives, the Secretary may, in accordance with regulations prescribed by the Secretary, pay special pay to the nurse executive at each location as follows:

- (A) Each Department health care facility.
- (B) The Central Office.

(2) The amount of special pay paid to a nurse executive under paragraph (1) shall be not less than \$10,000 or more than \$100,000.

(3) The amount of special pay paid to a nurse executive under paragraph (1) shall be based on factors such as the grade of the nurse executive position, the scope and complexity of the nurse executive position, the personal qualifications of the nurse executive, the characteristics of the health care facility concerned, the nature and number of specialty care units at the health care facility concerned, demonstrated difficulties in recruitment and retention of nurse executives at the health care facility concerned, and such other factors as the Secretary considers appropriate.

(4) Special pay paid to a nurse executive under paragraph (1) shall be in addition to any other pay (including basic pay) and allowances to which the nurse executive is entitled, and shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5, and other benefits, but shall not be considered basic pay for purposes of adverse actions under subchapter V of this chapter.

(a) In addition to the rate of basic pay provided for nurses, a full-time nurse or part-time nurse shall receive additional pay as provided by this section.

(b) A nurse performing service, any part of which is within the period commencing at 6 postmeridian and ending at 6 antemeridian, shall receive additional pay for each hour of such service at a rate equal to 10 percent of the nurse's hourly rate of basic pay if at least four hours of such service fall between 6 postmeridian and 6 antemeridian. When less than four hours of such service fall between 6 postmeridian and 6 antemeridian, the nurse shall be paid the differential for each hour of service performed between those hours.

(c) A nurse performing service, any part of which is within the period commencing at midnight Friday and ending at midnight Sunday, shall receive additional pay for each hour of such service at a rate equal to 25 percent of such nurse's hourly rate of basic pay.

(d) A nurse performing service on a holiday designated by Federal statute or Executive order shall receive for each hour of such service the nurse's hourly rate of basic pay, plus additional pay at a rate equal to such hourly rate of basic pay, for that holiday service, including overtime service. Any service required to be performed by a nurse on such a designated holiday shall be deemed to be a minimum of two hours in duration.

(e)(1) A nurse performing officially ordered or approved hours of service in excess of 40 hours in an administrative workweek, or in excess of eight consecutive hours, shall receive overtime pay for each hour of such additional service. The overtime rates shall be one and one-half times such nurse's hourly rate of basic pay.

(2) For the purposes of this subsection, overtime must be of at least 15 minutes duration in a day to be creditable for overtime pay.

(3) Compensatory time off in lieu of pay for service performed under the provisions of this subsection shall not be permitted, except as voluntarily requested in writing by the nurse in question.

(4) Any excess service performed under this subsection on a day when service was not scheduled for such nurse, or for which such nurse is required to return to the nurse's place of employment, shall be deemed to be a minimum of two hours in duration.

(5) For the purposes of this subsection, the period of a nurse's officially ordered or approved travel away from such nurse's duty station may not be considered to be hours of service unless—

- (A) such travel occurs during such nurse's period of service; or
- (B) such travel—
 - (i) involves the performance of services while traveling,
 - (ii) is incident to travel that involves the performance of services while traveling,
 - (iii) is carried out under arduous conditions as determined by the Secretary, or
 - (iv) results from an event which could not be scheduled or controlled administratively.

(f) For the purpose of computing the additional pay provided by subsection (b), (c), (d), or (e), a nurse's hourly rate of basic pay shall be derived by dividing such nurse's annual rate of basic pay by 2,080.

(g) When a nurse is entitled to two or more forms of additional pay under subsection (b), (c), (d), or (e) for the same period of service, the amounts of such additional pay shall be computed separately on the basis of such nurse's hourly rate of basic pay, except that no overtime pay as provided in subsection (e) shall be payable for overtime service performed on a holiday designated by Federal statute or Executive order in addition to pay received under subsection (d) for such service.

(h) A nurse who is officially scheduled to be on call outside such nurse's regular hours or on a holiday designated by Federal statute or Executive order shall be paid for each hour of such on-call duty, except for such time as such nurse may be called back to work, at a rate equal to 10 percent of the hourly rate for excess service as provided in subsection (e).

(i) Any additional pay paid pursuant to this section shall not be considered as basic pay for the purposes of the following provisions of title 5 (and any other provision of law relating to benefits based on basic pay):

(j)(1) Notwithstanding any other provision of law and subject to paragraph (2), the Secretary may increase the rates of additional pay authorized under subsections (b) through (h) if the Secretary determines that it is necessary to do so in order to obtain or retain the services of nurses.

(2) An increase under paragraph (1) in rates of additional pay—

(A) may be made at any specific Department health-care facility in order to provide nurses, or any category of nurses, at such facility additional pay in an amount competitive with, but not exceeding, the amount of the same type of pay that is paid to the same category of nurses at non-Federal health-care facilities in the same geographic area as such Department health-care facility (based upon a reasonably representative sampling of such non-Federal facilities); and

(B) may be made on a nationwide, local, or other geographic basis if the Secretary finds that such an increase is justified on the basis of a review of the need for such increase (based upon a reasonably representative sampling of non-Federal health-care facilities in the geographic area involved).

§ 7458. Recruitment and retention bonus pay

(a)(1) In order to recruit and retain registered nurses, the Secretary may enter into agreements under this section. Such an agreement may be entered into with any registered nurse who is employed at, or who agrees to accept employment with the Department at, a Department health-care facility that is designated by the Secretary as a health-care facility with a significant shortage in registered nurses in any clinical service.

(2) A registered nurse entering into an agreement under this section shall agree to remain employed by the Department as a registered nurse for a period of time to be specified in the agreement and to serve during that period in a specific health-care facility that is designated by the Secretary as a health-care facility with a significant shortage of registered nurses in that nurse's clinical service. Such period may not be less than two years or more than four years. Such employment during such period may be on a full-time basis or a part-time basis, as specified in the agreement. Part-time employment as specified in such an agreement may not be less than half-time.

(b)(1) The Secretary shall pay to any nurse entering into an agreement under this section bonus pay in an amount specified in the agreement. The amount of such bonus pay may not exceed—

(A) \$2,000 per year, in the case of an agreement for two years,

(B) \$3,000 per year, in the case of an agreement for three years, and

(C) \$4,000 per year, in the case of an agreement for four years.

(2) In the case of an agreement for employment on less than a full-time basis, the amount of bonus pay shall be pro-rated accordingly.

(c)(1) Except as provided in paragraph (2) of this subsection, a bonus under this section shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(2)(A) The Secretary may make a payment in an amount not in excess of 25 percent of the total bonus in a lump sum at the time that the period of obligated service commences under the agreement.

(B) If the Secretary makes a lump-sum payment under subparagraph (A) of this paragraph, the remaining balance of the bonus shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(d)(1) A bonus paid to any individual under this section shall be in addition to any pay or allowance to which the individual is entitled.

(2) The amount of a bonus paid under this section shall not be considered to be basic pay for the purposes of sections 5551, 5552, and 5595 of title 5, chapters 81, 83, 84, and 87 of such title, or any other provision of law creating an entitlement to benefits based on basic pay.

The Secretary's authority to enter into any such agreement under this section, and such agreement, shall be subject to the provisions of this section in the same manner as are the authority to enter into an agreement under this section with a registered nurse and such an agreement.

(g)(1) Except as provided in paragraph (2) of this subsection, an individual who voluntarily, or because of misconduct, fails to perform services as assigned by the Secretary for the period of obligated service provided in an agreement under this section shall refund to the United States the amount by which the total amount of bonus payments received by that individual under this section exceeds the amount that such individual would have received under an agreement under this section to serve for the period of obligated service actually served (as determined at the time the agreement is entered into). If the period actually served is less than two years, the amount to be refunded is the entire amount paid to the individual.

(2) An individual shall not be required to make a refund under paragraph (1) of this subsection if the Secretary determines, in accordance with regulations prescribed under subsection (h) of this section, that the individual's failure to perform services for the period of obligated service is due to circumstances (not including separation for cause) beyond the control of the individual.

(3) An obligation to refund any portion of a bonus payment under this subsection is, for all purposes, a debt owed to the United States.

(4) The provisions of this subsection and the specific amounts that the individual could be required to refund shall be disclosed to the individual at the time the agreement is entered into and shall be clearly set forth in the contract.

(h) The Secretary shall prescribe regulations to carry out this section.

(2) A qualifying field of education or training for purposes of this subchapter is education or training leading to employment as an appointee under paragraph (1) or (3) of section 7401 of this title.

(3) The Secretary may designate additional fields of education or training as qualifying fields of education or training if the education or training leads to employment in a position which would qualify the individual for increased basic pay under subsection (a)(1) of section 7455 of this title for personnel described in subsection (a)(2)(B) of such section.

(4) Before awarding the initial scholarship in a course of education or training other than medicine or nursing, the Secretary shall notify the Committees on Veterans’ Affairs of the Senate and House of Representatives of the Secretary’s intent to award a scholarship in such course of education or training. The notice shall include a statement of the reasons why the award of scholarships in that course of education or training is necessary to assist in providing the Department with an adequate supply of personnel in the health profession concerned. Any such notice shall be given not less than 60 days before the first such scholarship is awarded.

(5) In selecting applicants for the Scholarship Program, the Secretary—

(A) shall give priority to applicants who will be entering their final year in a course of training;

(B) shall give priority to applicants pursuing a course of education or training toward a career in an occupation for which the Inspector General of the Department has, in the most current determination published in the Federal Register pursuant to section 7412(a) of this title, determined that there is one of the largest staffing shortages throughout the Department with respect to such occupation; and

(C) shall ensure an equitable allocation of scholarships to persons enrolled in the second year

of a program leading to an associate degree in nursing.

(6)(A) Of the scholarships awarded under this subchapter, the Secretary shall ensure that not less than 50 scholarships are awarded each year to individuals who are accepted for enrollment or enrolled (as described in section 7602 of this title) in a program of education or training leading to employment as a physician or dentist until such date as the Secretary determines that the staffing shortage of physicians and dentists in the Department is less than 500.

(B) After such date, the Secretary shall ensure that of the scholarships awarded under this subchapter, a number of scholarships is awarded each year to individuals referred to in subparagraph (A) in an amount equal to not less than ten percent of the staffing shortage of physicians and dentists in the Department, as determined by the Secretary.

(C) Notwithstanding subsection (c)(1), the agreement between the Secretary and a participant in the Scholarship Program who receives a scholarship pursuant to this paragraph shall provide the following:

(i) The Secretary's agreement to provide the participant with a scholarship under this subchapter for a specified number (from two to four) of school years during which the participant is pursuing a course of education or training leading to employment as a physician or dentist.

(ii) The participant's agreement to serve as a full-time employee in the Veterans Health Administration for a period of time (hereinafter in this subchapter referred to as the "period of obligated service") of 18 months for each school year or part thereof for which the participant was provided a scholarship under the Scholarship Program.

(D) In providing scholarships pursuant to this paragraph, the Secretary may provide a preference for applicants who are veterans.

(E) On an annual basis, the Secretary shall provide to appropriate educational institutions informational material about the availability of scholarships under this paragraph.

(c)(1) An agreement between the Secretary and a participant in the Scholarship Program shall (in addition to the requirements set forth in section 7604 of this title) include the following:

(A) The Secretary's agreement to provide the participant with a scholarship under this subchapter for a specified number (from one to four) of school years during which the participant is pursuing a course of education or training described in section 7602 of this title.

(B) The participant's agreement to serve as a full-time employee in the Veterans Health Administration for a period of time (hereinafter in this subchapter referred to as the "period of obligated service") of one calendar year for each school year or part thereof for which the participant was provided a scholarship under the Scholarship Program, but for not less than two years.

(2) In a case in which an extension is granted under section 7614(3) of this title, the number of years for which a scholarship may be provided under this subchapter shall be the number of school years provided for as a result of the extension.

(3) In the case of a participant who is a part-time student—

(A) the period of obligated service shall be reduced in accordance with the proportion that the number of credit hours carried by such participant in any such school year bears to the number of credit hours required to be carried by a full-time student in the course of training being pursued by the participant, but in no event to less than one year; and

(B) the agreement shall include the participant's agreement to maintain employment, while enrolled in such course of education or training, as a Department employee permanently assigned to a Department health-care facility.

(4) If a participant's period of obligated service is deferred under section 7616(b)(3)(A)(i) of this title, the agreement terms under paragraph (1) of this subsection shall provide for the participant to serve any additional period of obligated service that is prescribed by the Secretary under section 7616(b)(4)(B) of this title.

(3)(A)(i) In the case of a participant receiving a degree from a school of medicine, osteopathy, dentistry, optometry, or podiatry, the participant's service commencement date is the date upon which the participant becomes licensed to practice medicine, osteopathy, dentistry, optometry, or podiatry, as the case may be, in a State. However, the Secretary may, at the request of such participant, defer such date until the end of the period of time required for the participant to complete an internship or residency or other advanced clinical training. Such a participant may, at the discretion of the Secretary and upon the recommendation of the Under Secretary for Health, incur an additional period of obligated service—

(A) at the rate of one-half of a calendar year for each year of internship or residency or other advanced clinical training (or a proportionate ratio thereof), if the internship, residency, or advanced clinical training is in a medical specialty necessary to meet the health-care requirements of the Department (as determined under regulations prescribed by the Secretary); or

(B) at the rate of three-quarters of a calendar year for each year of internship or residency or other advanced clinical training (or a proportionate ratio thereof), if the internship, residency, or advanced clinical training is not in a medical specialty necessary to meet the health-care requirements of the Department (as determined under regulations prescribed by the Secretary).

(5) The Secretary shall by regulation prescribe the service commencement date for participants who were part-time students. Such regulations shall prescribe terms as similar as practicable to the terms set forth in paragraph (3) of this subsection.

(B) if the participant is a full-time employee in the Veterans Health Administration on such course completion date, on the date thereafter on which such participant is assigned to a position for which such participant's course of training prepared such participant.

(2) A participant in the Scholarship Program who on such participant's course completion date is a full-time employee in the Veterans Health Administration serving in a capacity for which such participant's course of training prepared such participant shall be considered to have begun serving such participant's period of obligated service on such course completion date.

§ 8104. Congressional approval of certain medical facility acquisitions

(a)(1) The purpose of this subsection is to enable Congress to ensure the equitable distribution of medical facilities throughout the United States, taking into consideration the comparative urgency of the need for the services to be provided in the case of each particular facility.

(2) No funds may be appropriated for any fiscal year, and the Secretary may not obligate or expend funds (other than for advance planning and design), for any major medical facility project or any major medical facility lease unless funds for that project or lease have been specifically authorized by law.

(3) For purposes of this subsection, the term “major medical facility project” means a project for the construction, alteration, or acquisition of a medical facility involving a total expenditure of more than \$20,000,000, but such term does not include an acquisition by exchange, nonrecurring maintenance projects of the Department, or the construction, alteration, or acquisition of a shared Federal medical facility for which the Department's estimated share of the project costs does not exceed \$20,000,000.

(b) Whenever the President or the Secretary submit to the Congress a request for the funding of a major medical facility project (as defined in subsection (a)(3)(A)) or a major medical facility lease (as defined in subsection (a)(3)(B)), the Secretary shall submit to each committee, on the same day, a prospectus of the proposed medical facility. Any such prospectus shall include the following:

(1) A detailed estimate of the total costs of the medical facility to be constructed, altered, leased, or otherwise acquired under this subchapter, including a description of the location of such facility and, in the case of a prospectus proposing the construction of a new or replacement medical facility, a detailed report of the consideration that was given to acquiring an existing facility by lease or purchase and to the sharing of health-care resources with the Department of Defense under section 8111 of this title. Such detailed estimate shall include an identification of each of the following:

- (A) Total construction costs.
- (B) Activation costs.
- (C) Special purpose alterations (lump-sum payment) costs.
- (D) Number of personnel.
- (E) Total costs of ancillary services, equipment, and all other items.

(2) Demographic data applicable to such facility, including information on projected changes in the population of veterans to be served by the facility over a five-year period, a ten-year period, and a twenty-year period.

(3) Current and projected workload and utilization data regarding the facility, including information on projected changes in workload and utilization over a five-year period, a ten-year period, and a twenty-year period.

(4) Projected operating costs of the facility, including both recurring and non-recurring costs (including and identifying both recurring and non-recurring costs (including activation costs and total costs of ancillary services, equipment and all other items)) over a five-year period, a ten-year period, and a twenty-year period.

(5) The priority score assigned to the project or lease under the Department's prioritization methodology and, if the project or lease is being proposed for funding before a project or lease with a higher score, a specific explanation of the factors other than the priority score that were considered and the basis on which the project or lease is proposed for funding ahead of projects or leases with higher priority scores.

(6) In the case of a prospectus proposing the construction of a new or replacement medical facility, each of the following:

(A) A detailed estimate of the total costs (including total construction costs, activation costs, special purpose alterations (lump-sum payment) costs, number of personnel and total costs of ancillary services, equipment and all other items) for each alternative to construction of the facility that was considered.

(B) A comparison of total costs to total benefits for each such alternative.

(C) An explanation of why the preferred alternative is the most effective means to achieve the stated project goals and the most cost-effective alternative.

(7) In the case of a prospectus proposing funding for a major medical facility lease, a detailed analysis of how the lease is expected to comply with Office of Management and Budget Circular A-11 and section 1341 of title 31 (commonly referred to as the "Anti-Deficiency Act"). Any such analysis shall include—

(A) an analysis of the classification of the lease as a "lease-purchase", "capital lease", or "operating lease" as those terms are defined in Office of Management and Budget Circular A-11;

(B) an analysis of the obligation of budgetary resources associated with the lease; and

(C) an analysis of the methodology used in determining the asset cost, fair market value, and cancellation costs of the lease.

(c)(1) Not less than 30 days before obligating funds for a major medical facility project approved by a law described in subsection (a)(2) of this section in an amount that would cause the total amount obligated for that project to exceed the amount specified in the law for that project (or would add to total obligations exceeding such specified amount) by more than 10 percent, the Secretary shall provide the committees with notice of the Secretary's intention to do so and the reasons for the specified amount being exceeded.

(2) The Secretary shall—

(A) enter into a contract or agreement with an appropriate non-department Federal entity with the ability to conduct forensic audits on medical facility projects for the conduct of an

external forensic audit of the expenditures relating to any major medical facility or super construction project for which the total expenditures exceed the amount requested in the initial budget request for the project submitted to Congress under section 1105 of title 31 by more than 25 percent; and

(B) enter into a contract or agreement with an appropriate non-department Federal entity with the ability to conduct forensic audits on medical facility projects for the conduct of an external audit of the medical center construction project in Aurora, Colorado.

(d)(1) Except as provided in paragraph (2), in any case in which the Secretary proposes that funds be used for a purpose other than the purpose for which such funds were appropriated, the Secretary shall promptly notify each committee, in writing, of the particulars involved and the reasons why such funds were not used for the purpose for which appropriated.

(2)(A) In any fiscal year, unobligated amounts in the Construction, Major Projects account that are a direct result of bid savings from a major construction project may only be obligated for major construction projects authorized for that fiscal year or a previous fiscal year.

(B) Whenever the Secretary obligates amounts for a major construction project under subparagraph (A), the Secretary shall submit to the Committee on Veterans' Affairs and the Committee on Appropriations of the Senate and the Committee on Veterans' Affairs and the Committee on Appropriations of the House of Representatives notice of the following:

(i) The major construction project that is the source of the bid savings.

(ii) If the major construction project that is the source of the bid savings is not complete—

(I) the amount already obligated by the Department or available in the project reserve for such project;

(II) the percentage of such project that has been completed; and

(III) the amount available to the Department to complete such project.

(iii) The other major construction project for which the bid savings amounts are being obligated.

(iv) The bid savings amounts being obligated for such other major construction project.

(C) The Secretary may not obligate an amount under subparagraph (A) to expand the purpose of a major construction project except pursuant to a provision of law enacted after the date on which the Secretary submits to the committees described in subparagraph (B) notice of the following:

(i) The major construction project that is the source of the bid savings.

(ii) The major construction project for which the Secretary intends to expand the purpose.

(iii) A description of such expansion of purpose.

(iv) The amounts the Secretary intends to obligate to expand the purpose.

(e) The Secretary may accept gifts or donations for any of the purposes of this subchapter.

(f) The Secretary may not obligate funds in an amount in excess of \$500,000 from the Advance

Planning Fund of the Department toward design or development of a major medical facility project (as defined in subsection (a)(3)(A)) until—

(1) the Secretary submits to the committees a report on the proposed obligation; and

(2) a period of 30 days has passed after the date on which the report is received by the committees.

(g) The limitation in subsection (f) does not apply to a project for which funds have been authorized by law in accordance with subsection (a)(2).

(h)(1) Not less than 30 days before entering into a major medical facility lease, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives—

(A) notice of the Secretary's intention to enter into the lease;

(B) a detailed summary of the proposed lease;

(C) a description and analysis of any differences between the prospectus submitted pursuant to subsection (b) and the proposed lease; and

(D) a scoring analysis demonstrating that the proposed lease fully complies with Office of Management and Budget Circular A-11.

(2) Each committee described in paragraph (1) shall ensure that any information submitted to the committee under such paragraph is treated by the committee with the same level of confidentiality as is required by law of the Secretary and subject to the same statutory penalties for unauthorized disclosure or use as the Secretary.

(3) Not more than 30 days after entering into a major medical facility lease, the Secretary shall submit to each committee described in paragraph (1) a report on any material differences between the lease that was entered into and the proposed lease described under such paragraph, including how the lease that was entered into changes the previously submitted scoring analysis described in subparagraph (D) of such paragraph.

The Secretary shall establish the total number of such beds so as to maintain a contingency capacity to assist the Department of Defense in time of war or national emergency to care for the casualties of such war or national emergency. Of the number of beds authorized pursuant to the preceding sentence, the Secretary shall maintain the availability of such additional beds and facilities in addition to the operating bed level as the Secretary considers necessary for such contingency purposes. The President shall include in the Budget transmitted to the Congress for each fiscal year pursuant to section 1105 of title 31, an amount for medical care and amounts for construction sufficient to maintain the availability of the contingency capacity referred to in the second sentence of this paragraph. The Secretary shall staff and maintain, in such a manner as to ensure the immediate acceptance and timely and complete care of patients, and in a

manner consistent with the policies of the Secretary on overtime, sufficient beds and other treatment capacities to accommodate, and provide such care to, eligible veterans applying for admission and found to be in need of hospital care or medical services.

(2) The Secretary shall maintain the bed and treatment capacities of all Department medical facilities, including the staffing required to maintain such capacities, so as to ensure the accessibility and availability of such beds and treatment capacities to eligible veterans in all States, to minimize delays in admissions and in the provision of hospital, nursing home, and domiciliary care, and of medical services furnished pursuant to section 1710(a) of this title, and to ensure that eligible veterans are provided such care and services in an appropriate manner.

(3)(A) The Under Secretary for Health shall at the end of each fiscal year (i) analyze agencywide admission policies and the records of those eligible veterans who apply for hospital care, medical services, and nursing home care, but are rejected or not immediately admitted or provided such care or services, and (ii) review and make recommendations regarding the adequacy of staff levels for compliance with the policy established under subparagraph (C), the adequacy of the established operating bed levels, the geographic distribution of operating beds, the demographic characteristics of the veteran population and the associated need for medical care and nursing home facilities and services in each State, and the proportion of the total number of operating beds that are hospital beds and that are nursing home beds.

(B) After considering the analyses and recommendations of the Under Secretary for Health pursuant to subparagraph (A) of this paragraph for any fiscal year, the Secretary shall report to the committees, on or before December 1 after the close of such fiscal year, on the results of the analysis of the Under Secretary for Health and on the numbers of operating beds and level of treatment capacities required to enable the Department to carry out the primary function of the Veterans Health Administration. The Secretary shall include in each such report recommendations for (i) the numbers of operating beds and the level of treatment capacities required for the health care of veterans and the maintenance of the contingency capacity referred to in paragraph (1) of this subsection, and (ii) the appropriate staffing and funds therefor.

The policy shall take into account the staffing levels and mixture of staff skills required for the range of care and services provided veterans in Department facilities.

(4)(A) With respect to each law making appropriations for the Department for any fiscal year (or any part of a fiscal year), there shall be provided to the Department the funded personnel ceiling defined in subparagraph (C) of this paragraph and the funds appropriated therefor.

(B) In order to carry out the provisions of subparagraph (A) of this paragraph, the Director of

the Office of Management and Budget shall, with respect to each such law (i) provide to the Department for the fiscal year (or part of a fiscal year) concerned such funded personnel ceiling and the funds necessary to achieve such ceiling, and (ii) submit to the appropriate committees of the Congress and to the Comptroller General of the United States certification that the Director has so provided such ceiling. Not later than the thirtieth day after the enactment of such a law or, in the event of the enactment of such a law more than thirty days prior to the fiscal year for which such law makes such appropriations, not later than the tenth day of such fiscal year, the certification required in the first sentence of this subparagraph shall be submitted, together with a report containing complete information on the personnel ceiling that the Director has provided to the Department for the employees described in subparagraph (C) of this paragraph.

(C) For the purposes of this paragraph, the term "funded personnel ceiling" means, with respect to any fiscal year (or part of a fiscal year), the authorization by the Director of the Office of Management and Budget to employ (under the appropriation accounts for medical care, medical and prosthetic research, and medical administration and miscellaneous operating expenses) not less than the number of employees for the employment of which appropriations have been made for such fiscal year (or part of a fiscal year).

propriate Department staff members with respect to cultural sensitivities and bridging linguistic and cultural differences.

(c) The Secretary may not in any fiscal year close more than 50 percent of the beds within a bed section (of 20 or more beds) of a Department medical center unless the Secretary first submits to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report providing a justification for the closure. No action to carry out such closure may be taken after the submission of such report until the end of the 21-day period beginning on the date of the submission of the report.

(d) The Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives, not later than January 20 of each year, a report documenting by network for the preceding fiscal year the following:

(1) The number of medical service and surgical service beds, respectively, that were closed during that fiscal year and, for each such closure, a description of the changes in delivery of services that allowed such closure to occur.

“(3) Such sharing of health-care resources can be achieved without a detrimental effect on the primary health-care beneficiaries of the Veterans' Administration and the Department of Defense.”

(i) is receiving hospital care under section 1710 of this title; or

(ii) is eligible for hospital care under such section and requires such care in a medical emergency that poses a serious threat to the life or health of the veteran;

(2) The Secretary may transfer real property under this section, or under section 8118 of this title, if the Secretary—

(A) the procurement is within the limits prescribed in paragraph (3) of this subsection; and

(B)(i) the item is not otherwise available to the Department medical center concerned,

(iii) procurement under a local contract is demonstrably more cost-effective for the item.

(2) In the case of the need for an emergency procurement of a health-care item, such item may be procured under a local contract, but no greater quantity of such item may be procured by a local contract than is reasonably necessary to meet the emergency need and the reasonably foreseeable need for the item at the medical center concerned until resupply can be achieved through procurement actions other than emergency procurement.

(3)(A) Except as provided in subparagraphs (C) and (D) of this paragraph, not more than 20 percent of the total of all health-care items procured by the Department in any fiscal year (measured as a percent of the total cost of all such health-care items procured by the Department in that fiscal year) may be procured under local contracts.

The authority to increase such percentage may not be delegated.

(D) Items procured through an emergency procurement shall not be counted for the purpose of this paragraph.

(c) A provision of law that is inconsistent with subsection (a) or (b) of this section shall not apply, to the extent of the inconsistency, to the procurement of a health-care item for use by the Department.

(2) the percentage increase in the Consumer Price Index for all urban consumers (U.S. city average) between the last month of the period described in paragraph (1) and the last month preceding the month during which the contract goes into effect for which Consumer Price Index data is available.

(2) The provisions of subparagraphs (B) and (C) of section 1927(b)(3) of the Social Security Act shall apply to drugs described in paragraph (1) and the Secretary in the same manner as such provisions apply to covered outpatient drugs and the Secretary of Health and Human Services under such subparagraphs, except that references in such subparagraphs to prices or information reported or required under “subparagraph (A)” shall be deemed to refer to information reported under paragraph (1).

(3) In order to determine the accuracy of a drug price that is reported to the Secretary under paragraph (1), the Secretary may audit the relevant records of the manufacturer or of any wholesaler that distributes the drug, and may delegate the authority to audit such records to the appropriate Federal agency described in subsection (b).

(2) A manufacturer is deemed to meet the requirements of subsection (a) if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of this section (as in effect immediately after the enactment of this section), and would have entered into an agreement under this section (as such section was in effect at such time), but for a legislative change in this section after November 4, 1992.

(h) In this section:

(1) The term “change in non-Federal price” means, with respect to a covered drug that is subject to an agreement under this section, an amount equal to—

(A) the non-Federal average manufacturer price of the drug during the 3-month period that ends with the month preceding the month during which a contract goes into effect (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period as the Secretary considers appropriate); minus

(B) the non-Federal average manufacturer price of the drug during the 3-month period that ends one year before the end of the period described in subparagraph (A) (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period preceding the period described in subparagraph (A) as the Secretary considers appropriate).

(2) The term “covered drug” means—

(B) in the packaging, repackaging, labeling, relabeling, or distribution of prescription drug products.

Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law.

(5) The term “non-Federal average manufacturer price” means, with respect to a covered drug and a period of time (as determined by the Secretary), the weighted average price of a single form and dosage unit of the drug that is paid by wholesalers in the United States to the manufacturer, taking into account any cash discounts or similar price reductions during that period, but not taking into account—

(A) any prices paid by the Federal Government; or

(B) any prices found by the Secretary to be merely nominal in amount.

(6) The term “weighted average price” means, with respect to a covered drug and a period of time (as determined by the Secretary) an amount equal to—

§ 8127. Small business concerns owned and controlled by veterans: contracting goals and preferences

(a) **CONTRACTING GOALS.**—(1) In order to increase contracting opportunities for small business concerns owned and controlled by veterans and small business concerns owned and controlled by veterans with service-connected disabilities, the Secretary shall—

(A) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans who are not veterans with service-connected disabilities in accordance with paragraph (2); and

(B) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans with service-connected disabilities in accordance with paragraph (3).

(2) The goal for a fiscal year for participation under paragraph (1)(A) shall be determined by the Secretary.

(3) The goal for a fiscal year for participation under paragraph (1)(B) shall be not less than the Government-wide goal for that fiscal year for participation by small business concerns owned and controlled by veterans with service-connected disabilities under section 15(g)(1) of the Small Business Act (15 U.S.C. 644(g)(1)).

(4) The Secretary shall establish a review mechanism to ensure that, in the case of a subcontract of a Department contract that is counted for purposes of meeting a goal established pursuant to this section, the subcontract was actually awarded to a business concern that may be counted for purposes of meeting that goal.

(b) **USE OF NONCOMPETITIVE PROCEDURES FOR CERTAIN SMALL CONTRACTS.**—For purposes of meeting the goals under subsection (a), and in accordance with this section, in entering into a contract with a small business concern owned and controlled by veterans or a small business concern owned and controlled by veterans with service-connected disabilities for an amount less than the simplified acquisition threshold (as defined in section 134 of title 41), a contracting officer of the Department may use procedures other than competitive procedures.

(c) **SOLE SOURCE CONTRACTS FOR CONTRACTS ABOVE SIMPLIFIED ACQUISITION THRESHOLD.**—For purposes of meeting the goals under subsection (a), and in accordance with this section, a

contracting officer of the Department may award a contract to a small business concern owned and controlled by veterans or a small business concern owned and controlled by veterans with service-connected disabilities using procedures other than competitive procedures if—

(1) such concern is determined to be a responsible source with respect to performance of such contract opportunity;

(2) the anticipated award price of the contract (including options) will exceed the simplified acquisition threshold (as defined in section 134 of title 41) but will not exceed \$5,000,000; and

(e) **ELIGIBILITY OF SMALL BUSINESS CONCERNS.**—A small business concern may be awarded a contract under this section only if the small business concern and the veteran owner of the small business concern are listed in the database of veteran-owned businesses maintained by the Secretary under subsection (f).

(f) **DATABASE OF VETERAN-OWNED BUSINESSES.**—(1) Subject to paragraphs (2) through (6), the Secretary shall maintain a database of small business concerns owned and controlled by veterans, small business concerns owned and controlled by veterans with service-connected disabilities, and the veteran owners of such business concerns.

Application for inclusion in the database shall constitute permission under section 552a of title 5 (commonly referred to as the Privacy Act) for the Secretary to access such personal information maintained by the Secretary as may be necessary to verify the information contained in the application.

(B) If the Secretary receives an application for inclusion in the database from an individual whose status as a veteran cannot be verified because the Secretary does not maintain information with respect to the veteran status of the individual, the Secretary may not include the small business concern owned and controlled by the individual in the database maintained by the Secretary until the Secretary receives such information as may be necessary to verify that the individual is a veteran.

(3) Information maintained in the database shall be submitted on a voluntary basis by such veterans.

(7) The Secretary may not issue regulations related to the status of a concern as a small business concern and the ownership and control of such small business concern.

(8)(A) If a small business concern is not included in the database because the Secretary does not verify the status of the concern as a small business concern or the ownership or control of the concern, the concern may appeal the denial of verification to the Office of Hearings and Appeals of the Small Business Administration (as established under section 5(i) of the Small Business Act). The decision of the Office of Hearings and Appeals shall be considered a final agency action.

(B)(i) If an interested party challenges the inclusion in the database of a small business concern owned and controlled by veterans or a small business concern owned and controlled by veterans with service-connected disabilities based on the status of the concern as a small business concern or the ownership or control of the concern, the challenge shall be heard by the Office of Hearings and Appeals of the Small Business Administration as described in subparagraph (A). The Administrator is authorized to accept such reimbursement. The amount of any such reimbursement shall be determined jointly by the Secretary and the Administrator and shall be provided from fees collected by the Secretary under multiple-award schedule contracts. Any disagreement about the amount shall be resolved by the Director of the Office of Management and Budget.

(2) In the case of a debarment under paragraph (1), the Secretary shall commence debarment action against the business concern by not later than 30 days after determining that the concern willfully and intentionally misrepresented the status of the concern as described in paragraph (1) and shall complete debarment actions against such concern by not later than 90 days after such determination.

§ 8134. General regulations

(a)(1) The Secretary shall prescribe regulations for the purposes of this subchapter.

(2) In those regulations, the Secretary shall prescribe for each State the number of nursing home and domiciliary beds for which assistance under this subchapter may be furnished. Such regulations shall be based on projected demand for such care 10 years after the date of the enactment of the Veterans Millennium Health Care and Benefits Act by veterans who at such time are 65 years of age or older and who reside in that State. In determining such projected demand, the Secretary shall take into account travel distances for veterans and their families.

(3)(A) In those regulations, the Secretary shall establish criteria under which the Secretary shall

determine, with respect to an application for assistance under this subchapter for a project described in subparagraph (B) which is from a State that has a need for additional beds as determined under subsections (a)(2) and (d)(1), whether the need for such beds is most aptly characterized as great, significant, or limited. Such criteria shall take into account the availability of beds already operated by the Secretary and other providers which appropriately serve the needs which the State proposes to meet with its application.

(B) This paragraph applies to a project for the construction or acquisition of a new State home facility, a project to increase the number of beds available at a State home facility, and a project to replace beds at a State home facility.

(4) The Secretary shall review and, as necessary, revise regulations prescribed under paragraphs (2) and (3) not less often than every four years.

(b) The Secretary shall prescribe the following by regulation:

(1) General standards of construction, repair, and equipment for facilities constructed or acquired with assistance received under this subchapter.

(2) General standards for the furnishing of care in facilities which are constructed or acquired with assistance received under this subchapter, which standards shall be no less stringent than those standards prescribed by the Secretary pursuant to section 1720(b) of this title.

(c) The Secretary may inspect any State facility constructed or acquired with assistance received under this subchapter at such times as the Secretary deems necessary to insure that such facility meets the standards prescribed under subsection (b)(2).

(d)(1) In prescribing regulations to carry out this subchapter, the Secretary shall provide that in the case of a State that seeks assistance under this subchapter for a project described in subsection (a)(3)(B), the determination of the unmet need for beds for State homes in that State shall be reduced by the number of beds in all previous applications submitted by that State under this subchapter, including beds which have not been recognized by the Secretary under section 1741 of this title.

(2)(A) Financial assistance under this subchapter for a renovation project may only be provided for a project for which the total cost of construction is in excess of \$400,000 (as adjusted from time-to-time in such regulations to reflect changes in costs of construction).

(B) For purposes of this paragraph, a renovation project is a project to remodel or alter existing buildings for which financial assistance under this subchapter may be provided and does not include maintenance and repair work which is the responsibility of the State.

(A) may not accord any priority to a project for the construction or acquisition of a hospital; and

(B) may not accord any priority to a project which would expand a State's capacity to furnish hospital care in a State home.

(4) The Secretary shall establish a list of approved projects (including projects that have been conditionally approved under paragraph (6) of this subsection), in the order of their priority, as of August 15 of each year. The Secretary shall award grants in the order of their priority on the list during the fiscal year beginning on October 1 of the calendar year in which the list was made.

(5)(A) The Secretary shall defer approval of an application that otherwise meets the requirements of this section if the State submitting the application does not, by the July 1 deadline (as defined in subparagraph (D) of this paragraph), demonstrate to the satisfaction of the Secretary that the State has provided adequate financial support for construction of the project.

(B) In a case in which approval of an application is deferred under subparagraph (A) of this paragraph, the Secretary shall select for award of a grant or grants under this subsection an application or applications which would not have been approved during the fiscal year but for the deferral and to which the Secretary accords the highest priority under paragraph (2) of this subsection.

(C) An application deferred in accordance with the requirements of this paragraph shall be accorded priority in any subsequent fiscal year ahead of applications that had not been approved before the first day of the fiscal year in which the deferred application was first approved.

(D) For the purposes of this paragraph, the term "July 1 deadline" means July 1 of the fiscal year in which the State is notified by the Secretary of the availability of funding for a grant for such project.

(6)(A) The Secretary may conditionally approve a project under this section, conditionally award a grant for the project, and obligate funds for the grant if the Secretary determines that the application for the grant is sufficiently complete to warrant awarding the grant and that, based on assurances provided by the State submitting the application, the State will complete the application and meet all the requirements referred to in paragraph (1)(A) of this subsection by the date,

not later than 180 days after the date of the conditional approval, specified by the Secretary.

(B) If a State does not complete the application and meet all the requirements referred to in such paragraph by the date specified by the Secretary under subparagraph (A) of this paragraph, the Secretary shall rescind the conditional approval and award under such subparagraph and deobligate the funds previously obligated in connection with the application. In the event the Secretary rescinds conditional approval of a project under this subparagraph, the Secretary may not further obligate funds for the project during the fiscal year in which the Secretary rescinds such approval.

(7)(A) Subject to subparagraph (B) of this paragraph, the Secretary may increase the amount of any grant awarded to any State for a project under this section by an amount by which the Secretary determines that the estimated cost of the construction or acquisition has increased from the estimated cost on which the Secretary based the determination to award the grant, without regard to the position of such project on the list established under paragraph (4) of this subsection, if the Secretary determines that the grant was awarded before the State entered into a contract for the construction or acquisition provided for in such project.

(B) A grant may not be increased under subparagraph (A) of this paragraph by more than 10 percent of the amount of the grant initially awarded for such project, and the amount of such grant, as increased, may not exceed 65 percent of the cost of the project.

(d) No application submitted to the Secretary under this section shall be disapproved until the Secretary has afforded the applicant notice and an opportunity for a hearing.

(e) The amount of a grant under this subchapter shall be paid to the applicant or, if designated by the applicant, the State home for which such project is being carried out or any other agency or instrumentality of the applicant. Such amount shall be paid, in advance or by way of reimbursement, and in such installments consistent with the progress of the project as the Secretary may determine and certify for payment to the Secretary of the Treasury. Funds paid under this section for an approved project shall be used solely for carrying out such project as so approved.

(f) Any amendment of any application, whether or not approved, shall be subject to approval in the same manner as an original application.

(a)(1) To secure health-care resources which otherwise might not be feasibly available, or to effectively utilize certain other health-care resources, the Secretary may, when the Secretary determines it to be in the best interest of the prevailing standards of the Department medical care program, make arrangements, by contract or other form of agreement for the mutual use, or exchange of use, of health-care resources between Department health-care facilities and any health-care provider, or other entity or individual.

(2) The Secretary may enter into a contract or other agreement under paragraph (1) if such resources are not, or would not be, used to their maximum effective capacity.

(3)(A) If the health-care resource required is a commercial service, the use of medical equipment or space, or research, and is to be acquired from an institution affiliated with the Department in accordance with section 7302 of this title, including medical practice groups and other entities associated with affiliated institutions, blood banks, organ banks, or research centers, the Secretary may make arrangements for acquisition of the resource without regard to any law or regulation (including any Executive order, circular, or other administrative policy) that would otherwise require the use of competitive procedures for acquiring the resource.

(B)(i) If the health-care resource required is a commercial service or the use of medical equipment or space, and is not to be acquired from an entity described in subparagraph (A), any procurement of the resource may be conducted without regard to any law or regulation that would otherwise require the use of competitive procedures for procuring the resource, but only if the procurement is conducted in accordance with the simplified procedures prescribed pursuant to clause (ii).

(ii) The Secretary, in consultation with the Administrator for Federal Procurement Policy, may prescribe simplified procedures for the procurement of health-care resources under this subparagraph. The Secretary shall publish such procedures for public comment in accordance with section 1707 of title 41. Such procedures shall permit all responsible sources, as appropriate, to submit a bid, proposal, or quotation (as appropriate) for the resources to be procured and provide for the consideration by the Department of bids, proposals, or quotations so submitted.

(iii) Pending publication of the procedures under clause (ii), the Secretary shall (except as provided under subparagraph (A)) procure health-care resources referred to in clause (i) in accordance with all procurement laws and regulations.

(C) Any procurement of health-care resources other than those covered by subparagraph (A) or

(B) shall be conducted in accordance with all procurement laws and regulations.

(D) For any procurement to be conducted on a sole source basis other than a procurement covered by subparagraph (A), a written justification shall be prepared that includes the information and is approved at the levels prescribed in section 3304(e) of title 41.

(E) As used in this paragraph, the term "commercial service" means a service that is offered and sold competitively in the commercial marketplace, is performed under standard commercial terms and conditions, and is procured using firm-fixed price contracts.

(b) Arrangements entered into under this section shall provide for payment to the Department in accordance with procedures that provide appropriate flexibility to negotiate payment which is in the best interest of the Government. Any proceeds to the Government received therefrom shall be credited to the applicable Department medical appropriation and to funds that have been allotted to the facility that furnished the resource involved.

(c) Eligibility for hospital care and medical services furnished any veteran pursuant to this section shall be subject to the same terms as though provided in a Department health care facility, and provisions of this title applicable to persons receiving hospital care or medical services in a Department health care facility shall apply to veterans treated under this section.

(d) When a Department health care facility provides hospital care or medical services, pursuant to a contract or agreement authorized by this section, to an individual who is not eligible for such care or services under chapter 17 of this title and who is entitled to hospital or medical insurance benefits under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.), such benefits shall be paid, notwithstanding any condition, limitation, or other provision in that title which would otherwise preclude such payment to such facility for such care or services or, if the contract or agreement so provides, to the community health care facility which is a party to the contract or agreement.

(e) The Secretary may make an arrangement that authorizes the furnishing of services by the Secretary under this section to individuals who are not veterans only if the Secretary determines—

- (1) that veterans will receive priority under such an arrangement; and
- (2) that such an arrangement—

(A) is necessary to maintain an acceptable level and quality of service to veterans at that facility; or

(B) will result in the improvement of services to eligible veterans at that facility.

(f) Any amount received by the Secretary from a non-Federal entity as payment for services provided by the Secretary during a prior fiscal year under an agreement entered into under this section may be obligated by the Secretary during the fiscal year in which the Secretary receives the payment.

(g) The Secretary shall submit to the Congress not later than February 1 of each year a report on the activities carried out under this section during the preceding fiscal year. Each report shall include—

(1) an appraisal of the effectiveness of the activities authorized in this section and the degree of cooperation from other sources, financial and otherwise; and

(2) recommendations for the improvement or more effective administration of such activities.

In carrying out the purposes of this section, the Secretary shall utilize recent developments in electronic equipment to provide a close educational, scientific, and professional link between Department hospitals and major medical centers. Such agreements shall be utilized by the Secretary to the maximum extent practicable to create, at each Department hospital which is a part of any such agreement, an environment of academic medicine which will help such hospital attract and retain highly trained and qualified members of the medical profession.

(b) In order to bring about utilization of all medical information in the surrounding medical community, particularly in remote areas, and to foster and encourage the widest possible cooperation and consultation among all members of the medical profession in such community, the educational facilities and programs established at Department hospitals and the electronic link to medical centers shall be made available for use by the surrounding medical community (including State home facilities furnishing domiciliary, nursing home, or hospital care to veterans). The Secretary may charge a fee for such services (on annual or like basis) at rates which the Secretary determines, after appropriate study, to be fair and equitable. The financial status of any user of such services shall be taken into consideration by the Secretary in establishing the amount of the fee to be paid. Any proceeds to the Government received therefrom shall be credited to the applicable Department medical appropriation.

(c) The Secretary is authorized to enter into agreements with public and nonprofit private institutions, organizations, corporations, and other entities in order to participate in cooperative health-care personnel education programs within the geographical area of any Department health-care facility located in an area remote from major academic health centers.

(b) If any veteran (admitted as a veteran), or a dependent or survivor of a veteran receiving care under the penultimate sentence of section 1781(b) of this title, upon such person's last admission to, or during such person's last period of maintenance in, a Department facility, has personal property situated on such facility and shall have designated in writing a person (natural or corporate) to receive such property when such veteran, dependent or survivor dies, the Secretary or employee of the Department authorized by the Secretary so to act, may transfer possession of such personal property to the person so designated. If there exists no person so designated by such veteran, dependent, or survivor or if the one so designated declines to receive such property, or failed to request such property within ninety days after the Department mails to such designate a notice of death and of the fact of such designation, a description of the property, and an estimate of transportation cost, which shall be paid by such designate if required under the regulations hereinafter mentioned, or if the Secretary declines to transfer possession to such designate, possession of such property may in the discretion of the Secretary or the Secretary's designated subordinate, be transferred to the following persons in the order and manner herein specified unless the parties otherwise agree in writing delivered to the Department, namely, executor or administrator, or if no notice of appointment received, to the spouse, children, grandchildren, parents, grandparents, siblings of the veteran. If claim is made by two or more such relatives having equal priorities, as hereinabove prescribed, or if there are conflicting claims the Secretary or the Secretary's designee may in such case deliver the property either jointly or separately in equal values, to those equally entitled thereto or may make delivery as may be agreed upon by those entitled, or may in the discretion of the Secretary or the Secretary's designee withhold delivery from them and require the qualification of an administrator or executor of the veterans' estate and thereupon make delivery to such.

(c) If the property of any decedent is not so delivered or claimed and accepted the Secretary or the Secretary's designee may dispose of such property by public or private sale in accordance with the provisions of this subchapter and regulations prescribed by the Secretary.

(d) All sales authorized by this subchapter shall be for cash upon delivery at the premises where sold and without warranty, express or implied. The proceeds of such sales after payment of any expenses incident thereto as may be prescribed by regulations, together with any other moneys left or found on a facility, not disposed of in accordance with this subchapter, shall be credited to the General Post Fund, National Homes, Department of Veterans Affairs, a trust fund provided for in section 1321(a)(45) of title 31. Legal liability shall not exist when delivery or sale shall have been made in accordance with this subchapter.

(e) If, notwithstanding such sale, a claim is filed with the Secretary within five years after notice of sale as herein required, by or on behalf of any person or persons who if known would have been entitled to the property under section 8501 of this title or to possession thereof under this section, the Secretary shall determine the person or persons entitled under the provisions of this subchapter and may pay to such person or persons so entitled the proceeds of sale of such property, less expenses. Such payment shall be made out of the said trust fund, and in accord with the provisions of this section or section 8501 of this title. Persons under legal disability to sue in their own name may make claim for the proceeds of sale of such property at any time within five years after termination of such legal disability.

(f) Any such property, the sale of which is authorized under this subchapter and which remains unsold, may be used, destroyed, or otherwise disposed of in accordance with regulations promulgated by the Secretary.
