§ 3210. Franked mail transmitted by the Vice President, Members of Congress, and congressional officials

(a)(1) It is the policy of the Congress that the privilege of sending mail as franked mail shall be established under this section in order to assist and expedite the conduct of the official business, activities, and duties of the Congress of the United States.

(2) It is the intent of the Congress that such official business, activities, and duties cover all
matters which directly or indirectly pertain to the legislative process or to any congressional representative functions generally, or to the functioning, working, or operating of the Congress and the performance of official duties in connection therewith, and shall include, but not be limited to, the conveying of information to the public, and the requesting of the views of the public, or the views and information of other authority of government, as a guide or a means of assistance in the performance of those functions.

(3) It is the intent of the Congress that mail matter which is frankable specifically includes, but is not limited to—

(A) mail matter to any person and to all agencies and officials of Federal, State, and local governments regarding programs, decisions, and other related matters of public concern or public service, including any matter relating to actions of a past or current Congress;

(B) the usual and customary congressional newsletter or press release which may deal with such matters as the impact of laws and decisions on State and local governments and individual citizens; reports on public and official actions taken by Members of Congress; and discussions of proposed or pending legislation or governmental actions and the positions of the Members of Congress on, and arguments for or against, such matters;

(C) the usual and customary congressional questionnaire seeking public opinion on any law, pending or proposed legislation, public issue, or subject;

(D) mail matter dispatched by a Member of Congress between his Washington office and any congressional district offices, or between his district offices;

(E) mail matter directed by one Member of Congress to another Member of Congress or to representatives of the legislative bodies of State and local governments;

(F) mail matter expressing congratulations to a person who has achieved some public distinction;

(G) mail matter, including general mass mailings, which consists of Federal laws, Federal regulations, other Federal publications, publications purchased with Federal funds, or publications containing items of general information;

(H) mail matter which consists of voter registration or election information or assistance prepared and mailed in a nonpartisan manner;

(I) mail matter which constitutes or includes a biography or autobiography of any Member of, or Member-elect to, Congress or any biographical or autobiographical material concerning such Member or Member-elect or the spouse or other members of the family of such Member or Member-elect, and which is so mailed as a part of a Federal publication or in response to a specific request therefor and is not included for publicity purposes in a newsletter or other general mass mailing of the Member or Member-elect under the franking privilege; or

(J) mail matter which contains a picture, sketch, or other likeness of any Member or Member-elect and which is so mailed as a part of a Federal publication or in response to a specific request therefor and, when contained in a newsletter or other general mass mailing of any Member or Member-elect, is not of such size, or does not occur with such frequency in the mail matter concerned, as to lead to the conclusion that the purpose of such picture, sketch, or likeness is to advertise the Member or Member-elect rather than to illustrate accompanying text.

(4) It is the intent of the Congress that the franking privilege under this section shall not permit, and may not be used for, the transmission through the mails as franked mail, of matter which in its nature is purely personal to the sender or to any other person and is unrelated to the official business, activities, and duties of the public officials covered by subsection (b)(1) of this section.

(5) It is the intent of the Congress that a Member of or Member-elect to Congress may not mail as franked mail—

(A) mail matter which constitutes or includes any article, account, sketch, narration, or other text laudatory and complimentary of any Member of, or Member-elect to, Congress on a purely personal or political basis rather than on the basis of performance of official duties as a Member or on the basis of activities as a Member-elect;

(B) mail matter which constitutes or includes—

(i) greetings from the spouse or other members of the family of such Member or Member-elect unless it is a brief reference in otherwise frankable mail;

(ii) reports of how or when such Member or Member-elect, or the spouse or any other member of the family of such Member or Member-elect, spends time other than in the performance of, or in connection with, the legislative, representative, and other official functions of such Member or the activities of such Member-elect as a Member-elect; or

(iii) any card expressing holiday greetings from such Member or Member-elect; or

(C) mail matter which specifically solicits political support for the sender or any other person or any political party, or a vote or financial assistance for any candidate for any public office.

The House Commission on Congressional Mail Standards and the Select Committee on Standards and Conduct of the Senate shall prescribe for their respective Houses such rules and regulations and shall take such other action, as the Commission or Committee considers necessary and proper for the Members and Members-elect to conform to the provisions of this clause and applicable rules and regulations. Such rules and regulations shall include, but not be limited to, provisions prescribing the time within which such mailings shall be mailed at or delivered to any postal facility to attain compliance with this clause and the time when such mailings shall be deemed to have been so mailed or delivered and such compliance attained.

(6)(A) It is the intent of Congress that a Member of, or Member-elect to, Congress may not mail any mass mailing as franked mail—
(i) if the mass mailing is postmarked fewer than 60 days (or, in the case of a Member of the House, fewer than 90 days) immediately before the date of any primary election or general election (whether regular, special, or runoff) in which the Member is a candidate for reelection; or

(ii) in the case of a Member of, or Member-elect to, the House who is a candidate for any other public office, if the mass mailing—

(I) is prepared for delivery within any portion of the jurisdiction of or the area covered by the public office which is outside the area constituting the congressional district from which the Member or Member-elect was elected; or

(II) is postmarked fewer than 90 days immediately before the date of any primary election or general election (whether regular, special, or runoff) in which the Member or Member-elect is a candidate for any other public office.

(B) Any mass mailing which is mailed by the chairman of any organization referred to in the last sentence of section 3215 of this title which relates to the normal and regular business of the organization may be mailed without regard to the provisions of this paragraph.

(C) No Member of the Senate may mail any mass mailing as franked mail if such mass mailing is postmarked fewer than 60 days immediately before the date of any primary election or general election (whether regular, special, or runoff) for any national, State or local office in which such Member is a candidate for election.

(D) The Select Committee on Ethics of the Senate and the House Commission on Congressional Mailing Standards shall prescribe for their respective Houses rules and regulations, and shall take other action as the Committee or the Commission considers necessary and proper for Members and Members-elect to comply with the provisions of this paragraph and applicable rules and regulations. The rules and regulations shall include provisions prescribing the time within which mailings shall be mailed at or delivered to any postal facility and the time when the mailings shall be deemed to have been mailed or delivered to comply with the provisions of this paragraph.

(E) As used in this section, the term ‘mass mailing’ means, with respect to a session of Congress, any mailing of newsletters or other pieces of mail with substantially identical content (whether such mail is deposited singly or in bulk, or at the same time or different times), totaling more than 500 pieces in that session, except that such term does not include any mailing—

(i) of matter in direct response to a communication from a person to whom the matter is mailed;

(ii) from a Member of Congress to other Members of Congress, or to Federal, State, or local government officials; or

(iii) of a news release to the communications media.

(F) For purposes of subparagraphs (A) and (C) if mail matter is of a type which is not customarily postmarked, the date on which such matter would have been postmarked if it were of a type customarily postmarked shall apply.

(7) A Member of the House of Representatives may not send any mass mailing outside the congressional district from which the Member was elected.

(b)(1) The Vice President, each Member of or Member-elect to Congress, the Secretary of the Senate, the Sergeant at Arms of the Senate, each of the elected officers of the House of Representatives (other than a Member of the House), the Legislative Counsel of the House of Representatives and the Senate, the Law Revision Counsel of the House of Representatives, and the Senate Legal Counsel, may send, as franked mail, matter relating to their official business, activities, and duties, as intended by Congress to be mailable as franked mail under subsection (a)(2) and (3) of this section.

(2) If a vacancy occurs in the Office of the Secretary of the Senate, the Sergeant at Arms of the Senate, an elected officer of the House of Representatives (other than a Member of the House), the Legislative Counsel of the House of Representatives or the Senate, the Law Revision Counsel of the House of Representatives, or the Senate Legal Counsel, any authorized person may exercise the franking privilege in the officer’s name during the period of the vacancy.

(3) The Vice President, each Member of Congress, the Secretary of the Senate, the Sergeant at Arms of the Senate, and each of the elected officers of the House (other than a Member of the House), during the 90-day period immediately following the date on which they leave office, may send, as franked mail, matter on official business relating to the closing of their respective offices. The House Commission on Congressional Mailing Standards and the Select Committee on Standards and Conduct of the Senate shall prescribe for their respective Houses such rules and regulations, and shall take such other action as the Commission or Committee considers necessary and proper, to carry out the provisions of this paragraph.

(c) Franked mail may be in any form appropriate for mail matter, including, but not limited to, correspondence, newsletters, questionnaires, recordings, facsimiles, reprints, and reproductions. Franked mail shall not include matter which is intended by Congress to be non-mailable as franked mail under subsection (a)(4) and (5) of this section.

(d)(1) A Member of Congress may mail franked mail with a simplified form of address for delivery within that area constituting the congressional district or State from which the Member was elected.

(2) A Member-elect to the Congress may mail franked mail with a simplified form of address for delivery within that area constituting the congressional district or State from which he was elected.

(3) A Delegate, Delegate-elect, Resident Commissioner, or Resident Commissioner-elect to the House of Representatives may mail franked mail with a simplified form of address for delivery within the area from which he was elected.

(4) Any franked mail which is mailed under this subsection shall be mailed at the equivalent rate of postage which assures that the mail will
be sent by the most economical means practicable.

(5) The Senate Committee on Rules and Administration and the House Commission on Congressional Mailing Standards shall prescribe for their respective Rules and regulations governing any franked mail which is mailed under this subsection and shall by regulation limit the number of such mailings allowed under this subsection.

(6)(A) Any Member of, or Member-elect to, the House of Representatives entitled to make any mailing as franked mail under this subsection shall, before making any mailing, submit a sample or description of the mail matter involved to the House Commission on Congressional Mailing Standards for an advisory opinion as to whether the proposed mailing is in compliance with the provisions of this subsection.

(B) The Senate Select Committee on Ethics may require any Member of, or Member-elect to, the Senate entitled to make any mailings as franked mail under this subsection to submit a sample or description of the mail matter to the Committee for an advisory opinion as to whether the proposed mailing is in compliance with the provisions of this subsection.

(7) Franked mail mailed with a simplified form of address under this subsection—

(A) shall be prepared as directed by the Postal Service; and

(B) may be delivered to—

(i) each box holder or family on a rural or star route;

(ii) each post office box holder; and

(iii) each stop or box on a city carrier route.

(8) For the purposes of this subsection, a congressional district includes, in the case of a Representative at Large or Representative at Large-elect, the State from which he was elected.

(e) The frankability of mail matter shall be determined under the provisions of this section by the type and content of the mail sent, or to be sent by the most economical means practicable.

(f) Any mass mailing which otherwise would be permitted to be mailed as franked mail under this section shall not be so mailed unless the cost of preparing and printing the mail matter is paid exclusively from funds appropriated by Congress, except that an otherwise frankable mass mailing may contain, as an enclosure or supplement, any public service material which is purely instructional or informational in nature, and which in content is frankable under this section.

(g) Notwithstanding any other provision of Federal, State, or local law, or any regulation thereunder, the equivalent amount of postage determined under section 3216 of this title on franked mail mailed under the frank of the Vice President or a Member of Congress, and the cost of preparing or printing such frankable matter for such mailing under the frank, shall not be considered as a contribution to, or an expenditure by, the Vice President or a Member of Congress for the purpose of determining any limitation on expenditures or contributions with respect to any such official, imposed by any Federal, State, or local law or regulation, in connection with any campaign of such official for election to any Federal office.
