§ 499a. Short title and definitions

(a) Short title

This chapter may be cited as the "Perishable Agricultural Commodities Act, 1930".

(b) Definitions

For purposes of this chapter:

(1) The term "person" includes individuals, partnerships, corporations, and associations.

(2) The term "Secretary" means the Secretary of Agriculture.

(3) The term "interstate or foreign commerce" means commerce between any State or Territory, or the District of Columbia and any place outside thereof; or between points within the same State or Territory, or the District of Columbia but through any place outside thereof; or within the District of Columbia.

(4) The term "perishable agricultural commodity"—

(A) Means any of the following, whether or not frozen or packed in ice: Fresh fruits and fresh vegetables of every kind and character; and

(B) Includes cherries in brine as defined by the Secretary in accordance with trade usages.

(5) The term "commission merchant" means any person engaged in the business of receiving in interstate or foreign commerce any perishable agricultural commodity for sale, on commission, or for or on behalf of another.

(6) The term "dealer" means any person engaged in the business of buying or selling in wholesale or jobbing quantities, as defined by the Secretary, any perishable agricultural commodity in interstate or foreign commerce, except that (A) no producer shall be considered as a "dealer" in respect to sales of any such commodity of his own raising; (B) no person buying any such commodity solely for sale at retail shall be considered as a "dealer" until the invoice cost of his purchases of perishable agricultural commodities in any calendar year are in excess of \$230,000; and (C) no person buying any commodity other than potatoes for canning and/or processing within the State where grown shall be considered a "dealer" whether or not the canned or processed product is to be shipped in interstate or foreign commerce, unless such product is frozen or packed in ice, or consists of cherries in brine, within the meaning of paragraph (4) of this section. Any person not considered as a "dealer" under clauses (A), (B), and (C) may elect to secure a license under the provisions of section 499c of this title, and in such case and while the license is in effect such person shall be considered as a "dealer".

(7) The term "broker" means any person engaged in the business of negotiating sales and purchases of any perishable agricultural commodity in interstate or foreign commerce for or on behalf of the vendor or the purchaser, respectively, except that no person shall be deemed to be a "broker" if such person is an independent agent negotiating sales for and on behalf of the vendor and if the only sales of such commodities negotiated by such person are sales of frozen fruits and vegetables having an invoice value not in excess of \$230,000 in any calendar year.

(8) A transaction in respect of any perishable agricultural commodity shall be considered in interstate or foreign commerce if such commodity is part of that current of commerce usual in the trade in that commodity whereby such commodity and/or the products of such commodity are sent from one State with the expectation that they will end their transit, after purchase, in another, including, in addition to cases within the above general description, all cases where sale is either for shipment to another State, or for processing within the State and the shipment outside the State of the products resulting from such processing. Commodities normally in such current of commerce shall not be considered out of such commerce through resort being had to any means or device intended to remove transactions in respect thereto from the provisions of this chapter.

(9) The term "responsibly connected" means affiliated or connected with a commission merchant, dealer, or broker as (A) partner in a partnership, or (B) officer, director, or holder of more than 10 per centum of the outstanding stock of a corporation or association. A person shall not be deemed to be responsibly connected if the person demonstrates by a preponderance of the evidence that the person was not actively involved in the activities resulting in a violation of this chapter and that the person either was only nominally a partner, officer, director, or shareholder of a violating licensee or entity subject to license or was not an owner of a violating licensee or entity subject to license which was the alter ego of its owners.

(10) The terms "employ" and "employment" mean any affiliation of any person with the business operations of a licensee, with or without compensation, including ownership or self-employment.

(11) The term "retailer" means a person that is a dealer engaged in the business of selling any perishable agricultural commodity at retail.

(12) The term "grocery wholesaler" means a person that is a dealer primarily engaged in the full-line wholesale distribution and resale of grocery and related nonfood items (such as perishable agricultural commodities, dry groceries, general merchandise, meat, poultry, and seafood, and health and beauty care items) to retailers. However, such term does not include a person described in the preceding sentence if the person is primarily engaged in the wholesale distribution and resale of perishable agricultural commodities rather than other grocery and related nonfood items.

(13) The term “collateral fees and expenses” means any promotional allowances, rebates, service or materials fees paid or provided, directly or indirectly, in connection with the distribution or marketing of any perishable agricultural commodity.

CODIFICATION

§ 499c. Licenses

(a) License required; penalties for violations

After December 10, 1930, no person shall at any time carry on the business of a commission mer-

chant, dealer, or broker without a license valid and effective at such time. Any person who violates any provision of this subsection shall be liable to a penalty of not more than \$1,000 for each such offense and not more than \$250 for each day it continues, which shall accrue to the United States and may be recovered in a civil suit brought by the United States.

Any person violating this provision may, upon a showing satisfactory to the Secretary of Agriculture, or his authorized representative, that such violation was not willful but was due to inadvertence, be permitted by the Secretary, or such representative, to settle his liability in the matter by the payment of the fees due for the period covered by such violation and an additional sum, not in excess of \$250, to be fixed by the Secretary of Agriculture or his authorized representative. Such payment shall be deposited in the Treasury of the United States in the same manner as regular license fees.

(b) Application and fees for licenses

(1) Application for license

Any person desiring any such license shall make application to the Secretary. The Secretary may by regulation prescribe the information to be contained in such application and to be furnished thereafter.

(2) License fees

Upon the filing of an application under paragraph (1), the applicant shall pay such license fees, both individually and in the aggregate, as the Secretary determines necessary to meet the reasonably anticipated expenses for administering this chapter and the Act to prevent the destruction or dumping of farm produce, approved March 3, 1927 (7 U.S.C. 491-497). Thereafter, the licensee shall pay such license fees annually or at such longer interval as the Secretary may prescribe. The Secretary shall take due account of savings to the program when determining an appropriate interval for renewal of licenses. The Secretary shall establish and alter license fees only by rulemaking under section 553 of title 5, except that the Secretary may not alter the fees required under paragraph (3) or (4) for retailers and grocery wholesalers that are dealers. Effective on November 15, 1995, and until such time as the Secretary alters such fees by rule, an individual license fee shall equal \$550 per year, plus \$200 for each branch or additional business facility operated by the applicant in excess of nine such facilities, as determined by the Secretary, subject to an annual aggregate limit of \$4,000 per licensee. Any increase in license fees prescribed by the Secretary under this paragraph shall not take effect unless the Secretary determines that, without such increase, the funds on hand as of the end of the fiscal year in which the increase takes effect will be less than 25 percent of the projected budget to administer this chapter and such Act for the next fiscal year. In no case may a license fee increase by the Secretary take effect before the end of the three-year period beginning on November 15, 1995.

(3) One-time fee for retailers and grocery wholesalers that are dealers

During the three-year period beginning on November 15, 1995, a retailer or grocery wholesaler making an initial application for a license under this section shall pay the license fee required under subparagraph (A), (B), or (C) of paragraph (4) for license renewals in the year in which the initial application is made. After the end of such period, a retailer or grocery wholesaler making an initial application for a license under this section shall pay an administrative fee equal to \$100. In either case, a retailer or grocery wholesaler paying a fee under this paragraph shall not be required to pay any fee for renewal of the license for subsequent years.

(4) Gradual elimination of annual fees for retailers and grocery wholesalers that are dealers

In the case of a retailer or grocery wholesaler that holds a license under this section as of November 15, 1995, payments for the renewal of the license shall be made pursuant to the following schedule:

(A) For anniversary dates occurring during the one-year period beginning on November 15, 1995, the licensee shall pay a renewal fee in an amount equal to 100 percent of the applicable renewal fee (subject to the \$4,000 aggregate limit on such payments) in effect under this subsection on the day before November 15, 1995.

(B) For anniversary dates occurring during the one-year period beginning at the end of the period in subparagraph (A), the licensee shall pay a renewal fee in an amount equal to 75 percent of the amount paid by the licensee under subparagraph (A).

(C) For anniversary dates occurring during the one-year period beginning at the end of the period in subparagraph (B), the licensee shall pay a renewal fee in an amount equal to 50 percent of the amount paid by the licensee under subparagraph (A).

(D) After the end of the three-year period beginning on November 15, 1995, the licensee shall not be required to pay any fee if the licensee seeks renewal of the license.

(5) Perishable Agricultural Commodities Act Fund

Such fee, when collected, shall be deposited in the Treasury of the United States as a special fund, without fiscal year limitation, to be designated as the "Perishable Agricultural Commodities Act Fund", which shall be available for all expenses necessary to the administration of this chapter and the Act approved March 3, 1927, referred to above. Any reserve funds in the Perishable Agricultural Commodities Act Fund may be invested by the Secretary in insured or fully-collateralized interest-bearing accounts or, at the discretion of the Secretary, by the Secretary of the Treasury in United States Government debt instruments. Any interest earned on such reserve funds shall be credited to the Perishable Agricultural Commodities Act Fund and shall be available for the same purposes as the fees de-

posited in such fund. Financial statements prescribed by the Director of the Office of Management and Budget for the last completed fiscal year, and as estimated for the current and ensuing fiscal years, shall be included in the budget as submitted to the Congress annually.

(c) Use of trade names

A licensee may conduct business in more than one trade name or change the name under which business is conducted without requiring an additional or new license. The Secretary may disapprove the use of a trade name if, in his opinion, the use of the trade name by the licensee would be deceptive, misleading, or confusing to the trade, and the Secretary may, after notice and opportunity for a hearing, suspend for a period not to exceed ninety days the license of any licensee who continues to use a trade name which the Secretary has disapproved for use by such licensee. The Secretary may refuse to issue a license to an applicant if he finds that the trade name in which the applicant proposes to do business would be deceptive, misleading, or confusing to the trade if used by such applicant.

§ 499d. Issuance of license

(a) Authority to do business; termination; renewal

Whenever an applicant has paid the prescribed fee the Secretary, except as provided elsewhere in this chapter, shall issue to such applicant a license, which shall entitle the licensee to do business as a commission merchant and/or dealer and/or broker unless and until it is suspended or revoked by the Secretary in accordance with the provisions of this chapter, or is automatically suspended under section 499g(d) of this title, but said license shall automatically terminate on the anniversary date of the license at the end of the annual or multiyear period covered by the license fee unless the licensee submits the required renewal application and pays the applicable renewal fee (if such fee is required): *Provided*, That notice of the necessity of renewing the license and of paying the renewal fee (if such fee is required) shall be mailed at least thirty days before the anniversary date: *Provided, further*, That if the renewal fee (if required) is not paid by the anniversary date the licensee may obtain a renewal of that license at any time within thirty days by paying the fee provided in section 499c(b) of this title, plus \$50, which shall be deposited in the Perishable Agricultural Commodities Act fund provided for by section 499c(b) of this title: *And provided further*, That the license of any licensee shall terminate upon said licensee, or in case the licensee is a partnership, any partner, being discharged as a bankrupt, unless the Secretary finds upon examination of the circumstances of such bankruptcy, which he shall examine if requested to do so by said licensee, that such circumstances do not warrant such termination.

(b) Refusal of license; grounds

The Secretary shall refuse to issue a license to an applicant if he finds that the applicant, or any person responsibly connected with the applicant, is prohibited from employment with a licensee under section 499h(b) of this title or is a person who, or is or was responsibly connected with a person who—

(A) has had his license revoked under the provisions of section 499h of this title within two years prior to the date of the application or whose license is currently under suspension;

(B) within two years prior to the date of application has been found after notice and opportunity for hearing to have committed any flagrant or repeated violation of section 499b of this title, but this provision shall not apply to any case in which the license of the person found to have committed such violation was suspended and the suspension period has expired or is not in effect;

(C) within two years prior to the date of the application, has been found guilty in a Federal court of having violated the provisions of sections 491, 493 to 497 of this title, relating to the prevention of destruction and dumping of farm produce; or

(D) has failed, except in the case of bankruptcy and subject to his right of appeal under section 499g(c) of this title, to pay any reparation order issued against him within two years prior to the date of the application.

(c) Issuance of license upon furnishing bond; issuance after three years without bond; effect of termination of bond; increase or decrease in amount; payment of increase

An applicant ineligible for a license by reason of the provisions of subsection (b) of this section may, upon the expiration of the two-year period applicable to him, be issued a license by the Secretary if such applicant furnishes a surety bond in the form and amount satisfactory to the Secretary as assurance that his business will be conducted in accordance with this chapter and that he will pay all reparation orders which may be issued against him in connection with transactions occurring within four years following the issuance of the license, subject to his right of appeal under section 499g(c) of this title. In the event such applicant does not furnish such a surety bond, the Secretary shall not issue a license to him until three years have elapsed after the date of the applicable order of the Secretary or decision of the court on appeal. If the surety bond so furnished is terminated for any reason without the approval of the Secretary the license shall be automatically canceled as of the date of such termination and no new license shall be issued to such person during the four-year period without a new surety bond covering the remainder of such period. The Secretary, based on changes in the nature and volume of business conducted by a bonded licensee, may require an increase or authorize a reduction in the amount of the bond. A bonded licensee who is notified by the Secretary to provide a bond in an increased amount shall do so within a reasonable time to be specified by the Secretary, and upon failure of the licensee to provide such bond his license shall be automatically suspended until such bond is provided. The Secretary may not issue a license to an applicant under this subsection if the applicant or any person responsibly connected with the applicant is prohibited from employment with a licensee under section 499h(b) of this title.

(d) Withholding license pending investigation

The Secretary may withhold the issuance of a license to an applicant, for a period not to exceed thirty days pending an investigation, for the purpose of determining (a) whether the applicant is unfit to engage in the business of a commission merchant, dealer, or broker because the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, prior to the date of the filing of the application engaged in any practice of the character prohibited by this chapter or was convicted of a felony in any State or Federal court, or (b) whether the appli-

cation contains any materially false or misleading statement or involves any misrepresentation, concealment, or withholding of facts respecting any violation of the chapter by any officer, agent, or employee of the applicant. If after investigation the Secretary believes that the applicant should be refused a license, the applicant shall be given an opportunity for hearing within sixty days from the date of the application to show cause why the license should not be refused. If after the hearing the Secretary finds that the applicant is unfit to engage in the business of a commission merchant, dealer, or broker because the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, prior to the date of the application engaged in any practice of the character prohibited by this chapter or was convicted of a felony in any State or Federal court, or because the application contains a materially false or misleading statement made by the applicant or by its representative on its behalf, or involves a misrepresentation, concealment, or withholding of facts respecting any violation of the chapter by any officer, agent, or employee, the Secretary may refuse to issue a license to the applicant.

(e) Refusal of license

The Secretary may refuse to issue a license to an applicant if he finds that the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, has, within three years prior to the date of the application, been adjudicated or discharged as a bankrupt, or was a general partner of a partnership or officer or holder of more than 10 per centum of the stock of a corporation adjudicated or discharged as a bankrupt, and if he finds that the circumstances of such bankruptcy warrant such a refusal, unless the applicant furnishes a bond of such nature and amount as may be determined by the Secretary or other assurance satisfactory to the Secretary that the business of the applicant will be conducted in accordance with this chapter.

sions before first proviso, “the necessity of renewing the license and of paying the renewal fee (if such fee is required)” for “the necessity of paying the annual fee” in first proviso and “renewal fee (if required)” for “annual fee” and “plus \$50” for “plus \$5” in second proviso.

EFFECTIVE DATE OF 1978 AMENDMENT

Amendment by Pub. L. 95-598 effective Oct. 1, 1979, see section 402(a) of Pub. L. 95-598, set out as an Effective Date note preceding section 101 of Title 11, Bankruptcy.

§ 499e. Liability to persons injured

(a) Amount of damages

If any commission merchant, dealer, or broker violates any provision of section 499b of this title he shall be liable to the person or persons injured thereby for the full amount of damages (including any handling fee paid by the injured person or persons under section 499f(a)(2) of this title) sustained in consequence of such violation.

(b) Remedies

Such liability may be enforced either (1) by complaint to the Secretary as hereinafter provided, or (2) by suit in any court of competent jurisdiction; but this section shall not in any way abridge or alter the remedies now existing at common law or by statute, and the provisions of this chapter are in addition to such remedies.

(c) Trust on commodities and sales proceeds for benefit of unpaid suppliers, sellers, or agents; preservation of trust; jurisdiction of courts

(1) It is hereby found that a burden on commerce in perishable agricultural commodities is caused by financing arrangements under which commission merchants, dealers, or brokers, who have not made payment for perishable agricultural commodities purchased, contracted to be purchased, or otherwise handled by them on behalf of another person, encumber or give lenders a security interest in, such commodities, or on inventories of food or other products derived from such commodities, and any receivables or proceeds from the sale of such commodities or products, and that such arrangements are contrary to the public interest. This subsection is intended to remedy such burden on commerce in perishable agricultural commodities and to protect the public interest.

(2) Perishable agricultural commodities received by a commission merchant, dealer, or broker in all transactions, and all inventories of food or other products derived from perishable agricultural commodities, and any receivables or proceeds from the sale of such commodities or products, shall be held by such commission merchant, dealer, or broker in trust for the benefit of all unpaid suppliers or sellers of such commodities or agents involved in the transaction, until full payment of the sums owing in connection with such transactions has been received by such unpaid suppliers, sellers, or agents. Payment shall not be considered to have been made if the supplier, seller, or agent receives a payment instrument which is dishonored. The provisions of this subsection shall not apply to transactions between a cooperative association, as defined in section 1141j(a) of title 12, and its members.

(3) The unpaid supplier, seller, or agent shall lose the benefits of such trust unless such person has given written notice of intent to preserve the benefits of the trust to the commission merchant, dealer, or broker within thirty calendar days (i) after expiration of the time prescribed by which payment must be made, as set forth in regulations issued by the Secretary, (ii) after expiration of such other time by which payment must be made, as the parties have expressly agreed to in writing before entering into the transaction, or (iii) after the time the supplier, seller, or agent has received notice that the payment instrument promptly presented for payment has been dishonored. The written notice to the commission merchant, dealer, or broker shall set forth information in sufficient detail to identify the transaction subject to the trust. When the parties expressly agree to a payment time period different from that established by the Secretary, a copy of any such agreement shall be filed in the records of each party to the transaction and the terms of payment shall be disclosed on invoices, accountings, and other documents relating to the transaction.

(4) In addition to the method of preserving the benefits of the trust specified in paragraph (3), a licensee may use ordinary and usual billing or invoice statements to provide notice of the licensee's intent to preserve the trust. The bill or invoice statement must include the information required by the last sentence of paragraph (3) and contain on the face of the statement the following: "The perishable agricultural commodities listed on this invoice are sold subject to the statutory trust authorized by section 5(c) of the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. 499e(c)). The seller of these commodities retains a trust claim over these commodities, all inventories of food or other products derived from these commodities, and any receivables or proceeds from the sale of these commodities until full payment is received."

(5) The several district courts of the United States are vested with jurisdiction specifically to entertain (i) actions by trust beneficiaries to enforce payment from the trust, and (ii) actions by the Secretary to prevent and restrain dissipation of the trust.

§ 499f. Complaints, written notifications, and investigations

(a) Reparation complaints

(1) Petition; process

Any person complaining of any violation of any provision of section 499b of this title by any commission merchant, dealer, or broker may, at any time within nine months after the cause of action accrues, apply to the Secretary by petition, which shall briefly state the facts, whereupon, if, in the opinion of the Secretary, the facts therein contained warrant such action, a copy of the complaint thus made shall be forwarded by the Secretary to the commission merchant, dealer, or broker, who shall be called upon to satisfy the complaint, or to answer it in writing, within a reasonable time to be prescribed by the Secretary.

(2) Filing and handling fees

A person submitting a petition to the Secretary under paragraph (1) shall include a filing fee of \$60 per petition. If the Secretary determines under paragraph (1) that the facts contained in the petition warrant further action, the person or persons submitting the petition shall submit to the Secretary a handling fee of \$300. The Secretary may not forward a copy of the complaint to the commission merchant, dealer, or broker involved until after the Secretary receives the required handling fee. The Secretary shall deposit fees submitted under this paragraph into the Perishable Agricultural Commodities Act Fund provided for by section 499c(b) of this title. The Secretary may alter the fees specified in this paragraph by rulemaking under section 553 of title 5.

(b) Disciplinary violations

Any officer or agency of any State or Territory having jurisdiction over commission merchants, dealers, or brokers in such State or Territory and any other interested person (other than an employee of an agency of the Depart-

ment of Agriculture administering this chapter) may file, in accordance with rules prescribed by the Secretary, a written notification of any alleged violation of this chapter by any commission merchant, dealer, or broker. In addition, any official certificates of the United States Government or States or Territories of the United States and trust notices filed pursuant to section 499e of this title shall constitute written notification for the purposes of conducting an investigation under subsection (c). The identity of any person filing a written notification under this subsection shall be considered to be confidential information. The identity of such person, and any portion of the notification to the extent that it would indicate the identity of such person, are specifically exempt from disclosure under section 552 of title 5 (commonly known as the Freedom of Information Act), as provided in subsection (b)(3) of such section.

(c) Investigation of complaints and notifications

(1) Commencing or expanding an investigation

If there appears to be, in the opinion of the Secretary, reasonable grounds for investigating a complaint made under subsection (a) or a written notification made under subsection (b), the Secretary shall investigate such complaint or notification. In the course of the investigation, if the Secretary determines that violations of this chapter are indicated other than the alleged violations specified in the complaint or notification that served as the basis for the investigation, the Secretary may expand the investigation to include such additional violations.

(2) Issuance of complaint by Secretary; process

In the opinion of the Secretary, if an investigation under this subsection substantiates the existence of violations of this chapter, the Secretary may cause a complaint to be issued. The Secretary shall have the complaint served by registered mail or certified mail or otherwise on the person concerned and afford such person an opportunity for a hearing thereon before a duly authorized examiner of the Secretary in any place in which the subject of the complaint is engaged in business. However, in complaints wherein the amount claimed as damages does not exceed \$30,000, a hearing need not be held and proof in support of the complaint and in support of respondent's answer may be supplied in the form of depositions or verified statements of fact.

(3) Special notification requirements for certain investigations

Whenever the Secretary initiates an investigation on the basis of a written notification made under subsection (b) or expands such an investigation, the Secretary shall promptly notify the subject of the investigation of the existence of the investigation and the nature of the alleged violations of this chapter to be investigated. Not later than 180 days after providing the initial notification, the Secretary shall provide the subject of the investigation with notice of the status of the investigation, including whether the Secretary intends to issue a complaint under paragraph (2), terminate the investigation, or continue or expand

the investigation. The Secretary shall provide additional status reports at the request of the subject of the investigation and shall promptly notify the subject of the investigation whenever the Secretary terminates the investigation.

(d) Decisions on complaints

After opportunity for hearing on complaints where the damages claimed exceed the sum of \$30,000 has been provided or waived and on complaints where damages claimed do not exceed the sum of \$30,000 not requiring hearing as provided herein, the Secretary shall determine whether or not the commission merchant, dealer, or broker has violated any provision of section 499b of this title.

(e) Bond required for certain complaints

In case a complaint is made by a nonresident of the United States, or by a resident of the United States to whom the claim of a nonresident of the United States has been assigned, the complainant shall be required, before any formal action is taken on his complaint, to furnish a bond in double the amount of the claim conditioned upon the payment of costs, including a reasonable attorney's fee for the respondent if the respondent shall prevail, and any reparation award that may be issued by the Secretary of Agriculture against the complainant on any counter claim by respondent: *Provided*, That the Secretary shall have authority to waive the furnishing of a bond by a complainant who is a resident of a country which permits the filing of a complaint by a resident of the United States without the furnishing of a bond.

Pub. L. 103-276, §1, July 5, 1994, 108 Stat. 1406, during fiscal years 1995 and 1996, directed Secretary of Agriculture to require filing fee of \$60 per petition for petitions alleging violation of section 499b of this title and handling fee of \$300 for petitions that warrant further action, which handling fee was to be included in determining amount of damages, with both fees to be deposited into the Perishable Agricultural Commodities Act Fund, prior to repeal by Pub. L. 104-48, §8(c), Nov. 15, 1995, 109 Stat. 429. See subsec. (a)(2) of this section.

§ 499g. Reparation order

(a) Determination by Secretary of Agriculture of amount of damages; order for payment

If after a hearing on a complaint made by any person under section 499f of this title, or without hearing as provided in subsections (c) and (d) of section 499f of this title, or upon failure of the party complained against to answer a complaint duly served within the time prescribed, or to appear at a hearing after being duly notified, the Secretary determines that the commission merchant, dealer, or broker has violated any provision of section 499b of this title, he shall, unless the offender has already made reparation to the person complaining, determine the amount of damage, if any, to which such person is entitled as a result of such violation and shall make an order directing the offender to pay to such person complaining such amount on or before the date fixed in the order. The Secretary shall order any commission merchant, dealer, or broker who is the losing party to pay the prevailing party, as reparation or additional reparation, reasonable fees and expenses incurred in connection with any such hearing. If, after the respondent has filed his answer to the complaint, it appears therein that the respondent has admitted liability for a portion of the amount claimed in the complaint as damages, the Secretary under such rules and regulations as he shall prescribe, unless the respondent has already made reparation to the person complaining, may issue an order directing the respondent to pay to the complainant the undisputed amount on or before the date fixed in the order, leaving the respondent's liability for the disputed amount for subsequent determination. The remaining disputed amount shall be determined in the same manner and under the same procedure as it would have been determined if no order had been issued by the Secretary with respect to the undisputed sum.

(b) Failure to comply with order of Secretary; suit to enforce liability; order as evidence; costs and fees

If any commission merchant, dealer, or broker does not pay the reparation award within the time specified in the Secretary's order, the complainant, or any person for whose benefit such order was made, may within three years of the date of the order file in the district court of the United States for the district in which he resides or in which is located the principal place of business of the commission merchant, dealer, or broker, or in any State court having general jurisdiction of the parties, a petition setting forth briefly the causes for which he claims damages and the order of the Secretary in the premises. The orders, writs, and processes of the district courts may in these cases run, be served, and be returnable anywhere in the United States. Such suit in the district court shall proceed in all respects like other civil suits for damages, except that the findings and orders of the Secretary shall be prima-facie evidence of the facts therein stated, and the petitioner shall not be liable for costs in the district court, nor for costs at any subsequent state of the proceedings, unless they accrue upon his appeal. If the petitioner finally

prevails, he shall be allowed a reasonable attorney's fee, to be taxed and collected as a part of the costs of the suit.

(c) Appeal from reparation order; proceedings

Either party adversely affected by the entry of a reparation order by the Secretary may, within thirty days from and after the date of such order, appeal therefrom to the district court of the United States for the district in which said hearing was held: *Provided*, That in cases handled without a hearing in accordance with subsections (c) and (d) of section 499f of this title or in which a hearing has been waived by agreement of the parties, appeal shall be to the district court of the United States for the district in which the party complained against is located. Such appeal shall be perfected by the filing with the clerk of said court a notice of appeal, together with a petition in duplicate which shall recite prior proceedings before the Secretary and shall state the grounds upon which the petitioner relies to defeat the right of the adverse party to recover the damages claimed, with proof of service thereof upon the adverse party. Such appeal shall not be effective unless within thirty days from and after the date of the reparation order the appellant also files with the clerk a bond in double the amount of the reparation awarded against the appellant conditioned upon the payment of the judgment entered by the court, plus interest and costs, including a reasonable attorney's fee for the appellee, if the appellee shall prevail. Such bond shall be in the form of cash, negotiable securities having a market value at least equivalent to the amount of bond prescribed, or the undertaking of a surety company on the approved list of sureties issued by the Treasury Department of the United States. The clerk of court shall immediately forward a copy thereof to the Secretary of Agriculture, who shall forthwith prepare, certify, and file in said court a true copy of the Secretary's decision, findings of fact, conclusions, and order in said case, together with copies of the pleadings upon which the case was heard and submitted to the Secretary. Such suit in the district court shall be a trial de novo and shall proceed in all respects like other civil suits for damages, except that the findings of fact and order or orders of the Secretary shall be prima-facie evidence of the facts therein stated. Appellee shall not be liable for costs in said court and if appellee prevails he shall be allowed a reasonable attorney's fee to be taxed and collected as a part of his costs. Such petition and pleadings certified by the Secretary upon which decision was made by him shall upon filing in the district court constitute the pleadings upon which said trial de novo shall proceed subject to any amendment allowed in that court.

(d) Suspension of license for failure to obey reparation order or appeal

Unless the licensee against whom a reparation order has been issued shows to the satisfaction of the Secretary within five days from the expiration of the period allowed for compliance with such order that he has either taken an appeal as herein authorized or has made payment in full as required by such order his license shall be suspended automatically at the expiration of

such five-day period until he shows to the satisfaction of the Secretary that he has paid the amount therein specified with interest thereon to date of payment: *Provided*, That if on appeal the appellee prevails or if the appeal is dismissed the automatic suspension of license shall become effective at the expiration of thirty days from the date of the judgment on the appeal, but if the judgment is stayed by a court of competent jurisdiction the suspension shall become effective ten days after the expiration of such stay, unless prior thereto the judgment of the court has been satisfied.

§ 499h. Grounds for suspension or revocation of license

(a) Authority of Secretary

Whenever (1) the Secretary determines, as provided in section 499f of this title, that any commission merchant, dealer, or broker has violated any of the provisions of section 499b of this title, or (2) any commission merchant, dealer, or broker has been found guilty in a Federal court of having violated section 499n(b) of this title, the Secretary may publish the facts and circumstances of such violation and/or, by order, suspend the license of such offender for a period not to exceed ninety days, except that, if the violation is flagrant or repeated, the Secretary may, by order, revoke the license of the offender.

(b) Unlawful employment of certain persons; restrictions; bond assuring compliance; approval of employment without bond; change in amount of bond; payment of increased amount; penalties

Except with the approval of the Secretary, no licensee shall employ any person, or any person who is or has been responsibly connected with any person—

(1) whose license has been revoked or is currently suspended by order of the Secretary;

(2) who has been found after notice and opportunity for hearing to have committed any flagrant or repeated violation of section 499b of this title, but this provision shall not apply to any case in which the license of the person found to have committed such violation was suspended and the suspension period has expired or is not in effect; or

(3) against whom there is an unpaid reparation award issued within two years, subject to his right of appeal under section 499g(c) of this title.

The Secretary may approve such employment at any time following nonpayment of a reparation award, or after one year following the revocation or finding of flagrant or repeated violation of section 499b of this title, if the licensee furnishes and maintains a surety bond in form and amount satisfactory to the Secretary as assurance that such licensee's business will be conducted in accordance with this chapter and that the licensee will pay all reparation awards, subject to its right of appeal under section 499g(c) of this title, which may be issued against it in connection with transactions occurring within four years following the approval. The Secretary may approve employment without a surety bond after the expiration of two years from the effective date of the applicable disciplinary order. The Secretary, based on changes in the nature and volume of business conducted by the licensee, may require an increase or authorize a reduction in the amount of the bond. A licensee who is notified by the Secretary to provide a bond in an increased amount shall do so within a reasonable time to be specified by the Sec-

retary, and if the licensee fails to do so the approval of employment shall automatically terminate. The Secretary may, after thirty days notice and an opportunity for a hearing, suspend or revoke the license of any licensee who, after the date given in such notice, continues to employ any person in violation of this section. The Secretary may extend the period of employment sanction as to a responsibly connected person for an additional one-year period upon the determination that the person has been unlawfully employed as provided in this subsection.

(c) Fraud in procurement

If, after a license shall have been issued to an applicant, the Secretary believes that the license was obtained through a false or misleading statement in the application therefor or through a misrepresentation, concealment, or withholding of facts respecting any violation of this chapter by any officer, agent, or employee, he may, after thirty days' notice and an opportunity for a hearing, revoke said license, whereupon no license shall be issued to said applicant or any applicant in which the person responsible for such false or misleading statement or misrepresentation, concealment, or withholding of facts is financially interested, except under the conditions set forth in section 499d(b) of this title.

(d) Injunction

In addition to being subject to the penalties provided by section 499c(a) of this title, any commission merchant, dealer, or broker who engages in or operates such business without a valid and effective license from the Secretary shall be liable to be proceeded against in any court of competent jurisdiction in a suit by the United States for an injunction to restrain such defendant from further continuing so to engage in or operate such business, and, if the court shall find that the defendant is continuing to engage in such business without a valid and effective license, the court shall issue an injunction to restrain such defendant from continuing to engage in or to operate such business without such license.

(e) Alternative civil penalties

In lieu of suspending or revoking a license under this section when the Secretary determines, as provided by section 499f of this title, that a commission merchant, dealer, or broker has violated section 499b of this title or subsection (b) of this section, the Secretary may assess a civil penalty not to exceed \$2,000 for each violative transaction or each day the violation continues. In assessing the amount of a penalty under this subsection, the Secretary shall give due consideration to the size of the business, the number of employees, and the seriousness, nature, and amount of the violation. Amounts collected under this subsection shall be deposited in the Treasury of the United States as miscellaneous receipts.
