If the appropriate Federal banking agency does not, within 30 days of the date of receipt of a recommendation under clause (i), take the enforcement action with respect to this paragraph recommended by the Corporation or provide a plan acceptable to the Corporation for responding to the situation presented, the Corporation may take the recommended enforcement action against such person or institution-affiliated party.

**(E) Additional authority**

In addition to its authority under subparagraphs (C) and (D), for purposes of this paragraph, the Corporation shall have, in the same manner and to the same extent as with respect to a State nonmember insured bank—

**(c) Merger transactions; consent of banking agencies; emergency approval; notice; uniform standards; antitrust actions; review de novo; limitations; report to Congress; money laundering; applicability**

(1) Except with the prior written approval of the responsible agency, which shall in every case referred to in this paragraph be the Corporation, no insured depository institution shall—

(A) merge or consolidate with any noninsured bank or institution;

(B) assume liability to pay any deposits (including liabilities which would be “deposits” except for the proviso in section 1813(l)(5) of this title) made in, or similar liabilities of, any noninsured bank or institution; or

(C) transfer assets to any noninsured bank or institution in consideration of the assumption of liabilities for any portion of the deposits made in such insured depository institution.

(2) No insured depository institution shall merge or consolidate with any other insured depository institution or, either directly or indirectly, acquire the assets of, or assume liability to pay any deposits made in, any other insured depository institution except with the prior written approval of the responsible agency, which shall be—

(A) the Comptroller of the Currency if the acquiring, assuming, or resulting bank is to be a national bank or a Federal savings association;

(B) the Board of Governors of the Federal Reserve System if the acquiring, assuming, or resulting bank is to be a State member bank; and

(C) the Corporation if the acquiring, assuming, or resulting bank is to be a State nonmember insured bank or a State savings association.

(3) Notice of any proposed transaction for which approval is required under paragraph (1)

or (2) (referred to hereafter in this subsection as a “merger transaction”) shall, unless the responsible agency finds that it must act immediately in order to prevent the probable default of one of the banks or savings associations involved, be published—

(A) prior to the granting of approval of such transaction,

(B) in a form approved by the responsible agency,

(C) at appropriate intervals during a period at least as long as the period allowed for furnishing reports under paragraph (4) of this subsection, and

(D) in a newspaper of general circulation in the community or communities where the main offices of the banks or savings associations involved are located, or, if there is no such newspaper in any such community, then in the newspaper of general circulation published nearest thereto.

(4) REPORTS ON COMPETITIVE FACTORS.—

(A) REQUEST FOR REPORT.—In the interests of uniform standards and subject to subparagraph (B), before acting on any application for approval of a merger transaction, the responsible agency shall—

(i) request a report on the competitive factors involved from the Attorney General of the United States; and

(ii) provide a copy of the request to the Corporation (when the Corporation is not the responsible agency).

(B) FURNISHING OF REPORT.—The report requested under subparagraph (A) shall be furnished by the Attorney General to the responsible agency—

(i) not later than 30 calendar days after the date on which the Attorney General received the request; or

(ii) not later than 10 calendar days after such date, if the requesting agency advises the Attorney General that an emergency exists requiring expeditious action.

(C) EXCEPTIONS.—A responsible agency may not be required to request a report under subparagraph (A) if—

(i) the responsible agency finds that it must act immediately in order to prevent the probable failure of 1 of the insured depository institutions involved in the merger transaction; or

(ii) the merger transaction involves solely an insured depository institution and 1 or more of the affiliates of such depository institution.

(5) The responsible agency shall not approve—

(A) any proposed merger transaction which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States, or

(B) any other proposed merger transaction whose effect in any section of the country may be substantially to lessen competition, or to tend to create a monopoly, or which in any other manner would be in restraint of trade, unless it finds that the anticompetitive effects

of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served.

In every case, the responsible agency shall take into consideration the financial and managerial resources and future prospects of the existing and proposed institutions, the convenience and needs of the community to be served, and the risk to the stability of the United States banking or financial system.

(6) The responsible agency shall immediately notify the Attorney General of any approval by it pursuant to this subsection of a proposed merger transaction. If the agency has found that it must act immediately to prevent the probable failure of one of the insured depository institutions involved, or if the proposed merger transaction is solely between an insured depository institution and 1 or more of its affiliates, and the report on the competitive factors has been dispensed with, the transaction may be consummated immediately upon approval by the agency. If the agency has advised the Attorney General under paragraph (4)(B)(ii) of the existence of an emergency requiring expeditious action and has requested a report on the competitive factors within 10 days, the transaction may not be consummated before the fifth calendar day after the date of approval by the agency. In all other cases, the transaction may not be consummated before the thirtieth calendar day after the date of approval by the agency or, if the agency has not received any adverse comment from the Attorney General of the United States relating to competitive factors, such shorter period of time as may be prescribed by the agency with the concurrence of the Attorney General, but in no event less than 15 calendar days after the date of approval.

(7)(A) Any action brought under the antitrust laws arising out of a merger transaction shall be commenced prior to the earliest time under paragraph (6) at which a merger transaction approved under paragraph (5) might be consummated. The commencement of such an action shall stay the effectiveness of the agency’s approval unless the court shall otherwise specifically order. In any such action, the court shall review de novo the issues presented.

(B) In any judicial proceeding attacking a merger transaction approved under paragraph (5) on the ground that the merger transaction alone and of itself constituted a violation of any antitrust laws other than section 2 of title 15, the standards applied by the court shall be identical with those that the banking agencies are directed to apply under paragraph (5).

(C) Upon the consummation of a merger transaction in compliance with this subsection and after the termination of any antitrust litigation commenced within the period prescribed in this paragraph, or upon the termination of such period if no such litigation is commenced therein, the transaction may not thereafter be attacked in any judicial proceeding on the ground that it alone and of itself constituted a violation of any antitrust laws other than section 2 of title 15, but nothing in this subsection shall exempt any bank or savings association resulting from a

merger transaction from complying with the antitrust laws after the consummation of such transaction.

(D) In any action brought under the antitrust laws arising out of a merger transaction approved by a Federal supervisory agency pursuant to this subsection, such agency, and any State banking supervisory agency having jurisdiction within the State involved, may appear as a part of its own motion and as of right, and be represented by its counsel.

(8) For the purposes of this subsection, the term “antitrust laws” means the Act of July 2, 1890 (the Sherman Antitrust Act), the Act of October 15, 1914 (the Clayton Act), and any other Acts in pari materia.

(9) Each of the responsible agencies shall include in its annual report to the Congress a description of each merger transaction approved by it during the period covered by the report, along with—

(A) the name and total resources of each bank or savings association involved;

(B) whether a report was submitted by the Attorney General under paragraph (4), and, if so, a summary by the Attorney General of the substance of such report; and

(C) a statement by the responsible agency of the basis for its approval.

(10) Until June 30, 1976, the responsible agency shall not grant any approval required by law which has the practical effect of permitting a conversion from the mutual to the stock form of organization, including approval of any application pending on the date of enactment of this subsection, except that this sentence shall not be deemed to limit now or hereafter the authority of the responsible agency to grant approvals in cases where the responsible agency finds that it must act in order to maintain the safety, soundness, and stability of an insured depository institution. The responsible agency may by rule, regulation, or otherwise and under such civil penalties (which shall be cumulative to any other remedies) as it may prescribe take whatever action it deems necessary or appropriate to implement or enforce this subsection.

(11) MONEY LAUNDERING.—In every case, the responsible agency, shall take into consideration the effectiveness of any insured depository institution involved in the proposed merger transaction in combatting money laundering activities, including in overseas branches.

(12) The provisions of this subsection do not apply to any merger transaction involving a foreign bank if no party to the transaction is principally engaged in business in the United States.

(13)(A) Except as provided in subparagraph (B), the responsible agency may not approve an application for an interstate merger transaction if the resulting insured depository institution (including all insured depository institutions which are affiliates of the resulting insured depository institution), upon consummation of the transaction, would control more than 10 percent of the total amount of deposits of insured depository institutions in the United States.

(B) Subparagraph (A) shall not apply to an interstate merger transaction that involves 1 or more insured depository institutions in default or in danger of default, or with respect to which

The penalty may be assessed and collected by the Corporation by written notice. As used in this section, the term ‘violates’ includes without any limitation any action (alone or with another or others) for or toward causing, bringing about, participating in, counseling, or aiding or abetting a violation.

“(B) In determining the amount of the penalty the Corporation shall take into account the appropriateness of the penalty with respect to the size of financial resources and good faith of the member bank or person charged, the gravity of the violation, the history of previous violations, and such other matters as justice may require.

The findings of the Corporation shall be set aside if found to be unsupported by substantial evidence as provided by section 706(2)(E) of title 5.
