§ 636. Additional powers

(a) Loans to small business concerns; allowable purposes; qualified business; restrictions and limitations

The Administration is empowered to the extent and in such amounts as provided in advance in appropriation Acts to make loans for plant acquisition, construction, conversion, or expansion, including the acquisition of land, material, supplies, equipment, and working capital, and to make loans to any qualified small business concern, including those owned by qualified Indian tribes, for purposes of this chapter. Such financings may be made either directly or in cooperation with banks or other financial institutions through agreements to participate on an immediate or deferred (guaranteed) basis. These powers shall be subject, however, to the following restrictions, limitations, and provisions:

(1) IN GENERAL.—

(A) CREDIT ELSEWHERE.—

(i) IN GENERAL.—The Administrator has the authority to direct, and conduct oversight for, the methods by which lenders determine whether a borrower is able to obtain credit elsewhere. No financial assistance shall be extended pursuant to this subsection if the applicant can obtain

credit elsewhere. No immediate participation may be purchased unless it is shown that a deferred participation is not available; and no direct financing may be made unless it is shown that a participation is not available.

(i) LIQUIDITY.—On and after October 1, 2015, the Administrator may not guarantee a loan under this subsection if the lender determines that the borrower is unable to obtain credit elsewhere solely because the liquidity of the lender depends upon the guaranteed portion of the loan being sold on the secondary market.

(B) BACKGROUND CHECKS.—Prior to the approval of any loan made pursuant to this subsection, or section 503 of the Small Business Investment Act of 1958 [15 U.S.C. 697], the Administrator may verify the applicant's criminal background, or lack thereof, through the best available means, including, if possible, use of the National Crime Information Center computer system at the Federal Bureau of Investigation.

(C) LENDING LIMITS OF LENDERS.—On and after October 1, 2015, the Administrator may not guarantee a loan under this subsection if the sole purpose for requesting the guarantee is to allow the lender to exceed the legal lending limit of the lender.

(2) LEVEL OF PARTICIPATION IN GUARANTEED LOANS.—

(A) IN GENERAL.—Except as provided in subparagraphs (B), (D), and (E), in an agreement to participate in a loan on a deferred basis under this subsection (including a loan made under the Preferred Lenders Program), such participation by the Administration shall be equal to—

(i) 75 percent of the balance of the financing outstanding at the time of disbursement of the loan, if such balance exceeds \$150,000; or

(ii) 85 percent of the balance of the financing outstanding at the time of disbursement of the loan, if such balance is less than or equal to \$150,000.

(B) REDUCED PARTICIPATION UPON REQUEST.—

(i) IN GENERAL.—The guarantee percentage specified by subparagraph (A) for any loan under this subsection may be reduced upon the request of the participating lender.

(ii) PROHIBITION.—The Administration shall not use the guarantee percentage requested by a participating lender under clause (i) as a criterion for establishing priorities in approving loan guarantee requests under this subsection.

(C) INTEREST RATE UNDER PREFERRED LENDERS PROGRAM.—

(i) IN GENERAL.—The maximum interest rate for a loan guaranteed under the Preferred Lenders Program shall not exceed the maximum interest rate, as determined by the Administration, applicable to other loans guaranteed under this subsection.

(ii) EXPORT-IMPORT BANK LENDERS.—Any lender that is participating in the Dele-

gated Authority Lender Program of the Export-Import Bank of the United States (or any successor to the Program) shall be eligible to participate in the Preferred Lenders Program.

(iii) PREFERRED LENDERS PROGRAM DEFINED.—For purposes of this subparagraph, the term "Preferred Lenders Program" means any program established by the Administrator, as authorized under the proviso in section 634(b)(7) of this title, under which a written agreement between the lender and the Administration delegates to the lender—

(I) complete authority to make and close loans with a guarantee from the Administration without obtaining the prior specific approval of the Administration; and

(II) complete authority to service and liquidate such loans without obtaining the prior specific approval of the Administration for routine servicing and liquidation activities, but shall not take any actions creating an actual or apparent conflict of interest.

(D) PARTICIPATION UNDER EXPORT WORKING CAPITAL PROGRAM.—In an agreement to participate in a loan on a deferred basis under the Export Working Capital Program established pursuant to paragraph (14)(A), such participation by the Administration shall be 90 percent.

(E) PARTICIPATION IN INTERNATIONAL TRADE LOAN.—In an agreement to participate in a loan on a deferred basis under paragraph (16), the participation by the Administration may not exceed 90 percent.

(3) No loan shall be made under this subsection—

(A) if the total amount outstanding and committed (by participation or otherwise) to the borrower from the business loan and investment fund established by this chapter would exceed \$3,750,000 (or if the gross loan amount would exceed \$5,000,000), except as provided in subparagraph (B);

(B) if the total amount outstanding and committed (on a deferred basis) solely for the purposes provided in paragraph (16) to the borrower from the business loan and investment fund established by this chapter would exceed \$4,500,000 (or if the gross loan amount would exceed \$5,000,000), of which not more than \$4,000,000 may be used for working capital, supplies, or financings under paragraph (14) for export purposes; and

(C) if effected either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate basis if the amount would exceed \$350,000.

(4) INTEREST RATES AND PREPAYMENT CHARGES.—

(A) INTEREST RATES.—Notwithstanding the provisions of the constitution of any State or the laws of any State limiting the rate or amount of interest which may be charged, taken, received, or reserved, the maximum legal rate of interest on any financing made

on a deferred basis pursuant to this subsection shall not exceed a rate prescribed by the Administration, and the rate of interest for the Administration's share of any direct or immediate participation loan shall not exceed the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans and adjusted to the nearest one-eighth of 1 per centum, and an additional amount as determined by the Administration, but not to exceed 1 per centum per annum: *Provided*, That for those loans to assist any public or private organization for the handicapped or to assist any handicapped individual as provided in paragraph (10) of this subsection, the interest rate shall be 3 per centum per annum.

(B) PAYMENT OF ACCRUED INTEREST.—

(i) IN GENERAL.—Any bank or other lending institution making a claim for payment on the guaranteed portion of a loan made under this subsection shall be paid the accrued interest due on the loan from the earliest date of default to the date of payment of the claim at a rate not to exceed the rate of interest on the loan on the date of default, minus one percent.

(ii) LOANS SOLD ON SECONDARY MARKET.—If a loan described in clause (i) is sold on the secondary market, the amount of interest paid to a bank or other lending institution described in that clause from the earliest date of default to the date of payment of the claim shall be no more than the agreed upon rate, minus one percent.

(iii) APPLICABILITY.—Clauses (i) and (ii) shall not apply to loans made on or after October 1, 2000.

(C) PREPAYMENT CHARGES

(i) IN GENERAL.—A borrower who prepays any loan guaranteed under this subsection shall remit to the Administration a subsidy recoupment fee calculated in accordance with clause (ii) if—

(I) the loan is for a term of not less than 15 years;

(II) the prepayment is voluntary;

(III) the amount of prepayment in any calendar year is more than 25 percent of the outstanding balance of the loan; and

(IV) the prepayment is made within the first 3 years after disbursement of the loan proceeds.

(ii) SUBSIDY RECOUPMENT FEE.—The subsidy recoupment fee charged under clause (i) shall be—

(I) 5 percent of the amount of prepayment, if the borrower prepays during the first year after disbursement;

(II) 3 percent of the amount of prepayment, if the borrower prepays during the second year after disbursement; and

(III) 1 percent of the amount of prepayment, if the borrower prepays during the third year after disbursement.

(5) No such loans including renewals and extensions thereof may be made for a period or periods exceeding twenty-five years, except

that such portion of a loan made for the purpose of acquiring real property or constructing, converting, or expanding facilities may have a maturity of twenty-five years plus such additional period as is estimated may be required to complete such construction, conversion, or expansion.

(6) All loans made under this subsection shall be of such sound value or so secured as reasonably to assure repayment: *Provided, however*, That—

(A) for loans to assist any public or private organization or to assist any handicapped individual as provided in paragraph (10) of this subsection any reasonable doubt shall be resolved in favor of the applicant;

(B) recognizing that greater risk may be associated with loans for energy measures as provided in paragraph (12) of this subsection, factors in determining "sound value" shall include, but not be limited to, quality of the product or service; technical qualifications of the applicant or his employees; sales projections; and the financial status of the business concern: *Provided further*, That such status need not be as sound as that required for general loans under this subsection; and¹

(C) Repealed. Pub. L. 97-35, title XIX, § 1910, Aug. 13, 1981, 95 Stat. 778.

On that portion of the loan used to refinance existing indebtedness held by a bank or other lending institution, the Administration shall limit the amount of deferred participation to 80 per centum of the amount of the loan at the time of disbursement: *Provided further*, That any authority conferred by this subparagraph on the Administration shall be exercised solely by the Administration and shall not be delegated to other than Administration personnel.

(7) The Administration may defer payments on the principal of such loans for a grace period and use such other methods as it deems necessary and appropriate to assure the successful establishment and operation of such concern.

(8) The Administration may make loans under this subsection to small business concerns owned and controlled by disabled veterans (as defined in section 4211(3) of title 38).

(9) The Administration may provide loans under this subsection to finance residential or commercial construction or rehabilitation for sale: *Provided, however*, That such loans shall not be used primarily for the acquisition of land.

(10) The Administration may provide guaranteed loans under this subsection to assist any public or private organization for the handicapped or to assist any handicapped individual, including service-disabled veterans, in establishing, acquiring, or operating a small business concern.

(11) The Administration may provide loans under this subsection to any small business concern, or to any qualified person seeking to establish such a concern when it determines that such loan will further the policies estab-

lished in section 631(c)² of this title, with particular emphasis on the preservation or establishment of small business concerns located in urban or rural areas with high proportions of unemployed or low-income individuals or owned by low-income individuals.

(12)(A) The Administration may provide loans under this subsection to assist any small business concern, including start up, to enable such concern to design architecturally or engineer, manufacture, distribute, market, install, or service energy measures: *Provided, however*, That such loan proceeds shall not be used primarily for research and development.

(b)³ The Administration may provide deferred participation loans under this subsection to finance the planning, design, or installation of pollution control facilities for the purposes set forth in section 404 of the Small Business Investment Act of 1958 [15 U.S.C. 694-1]. Notwithstanding the limitation expressed in paragraph (3) of this subsection, a loan made under this paragraph may not result in a total amount outstanding and committed to a borrower from the business loan and investment fund of more than \$1,000,000.

(13) The Administration may provide financings under this subsection to State and local development companies for the purposes of, and subject to the restrictions in, title V of the Small Business Investment Act of 1958 [15 U.S.C. 695 et seq.].

(14) EXPORT WORKING CAPITAL PROGRAM.—

(A) IN GENERAL.—The Administrator may provide extensions of credit, standby letters of credit, revolving lines of credit for export purposes, and other financing to enable small business concerns, including small business export trading companies and small business export management companies, to develop foreign markets. A bank or participating lending institution may establish the rate of interest on such financings as may be legal and reasonable.

(B) TERMS.—

(i) LOAN AMOUNT.—The Administrator may not guarantee a loan under this paragraph of more than \$5,000,000.

(ii) FEES.—

(I) IN GENERAL.—For a loan under this paragraph, the Administrator shall collect the fee assessed under paragraph (23) not more frequently than once each year.

(II) UNTAPPED CREDIT.—The Administrator may not assess a fee on capital that is not accessed by the small business concern.

(C) CONSIDERATIONS.—When considering loan or guarantee applications, the Administration shall give weight to export-related benefits, including opening new markets for United States goods and services abroad and encouraging the involvement of small businesses, including agricultural concerns, in the export market.

(D) MARKETING.—The Administrator shall aggressively market its export financing program to small businesses.

(15)(A) The Administration may guarantee loans under this subsection—

(i) to qualified employee trusts with respect to a small business concern for the purpose of purchasing, and for any transaction costs associated with purchasing, stock of the concern under a plan approved by the Administrator which, when carried out, results in the qualified employee trust owning at least 51 per centum of the stock of the concern; and

(ii) to a small business concern under a plan approved by the Administrator, if the proceeds from the loan are only used to make a loan to a qualified employee trust, and for any transaction costs associated with making that loan, that results in the qualified employee trust owning at least 51 percent of the small business concern.

(B) The plan requiring the Administrator's approval under subparagraph (A) shall be submitted to the Administration by the trustee of such trust or by the small business concern with its application for the guarantee. Such plan shall include an agreement with the Administrator which is binding on such trust and on the small business concern and which provides that—

(i) not later than the date the loan guaranteed under subparagraph (A) is repaid (or as soon thereafter as is consistent with the requirements of section 401(a) of title 26), at least 51 per centum of the total stock of such concern shall be allocated to the accounts of at least 51 per centum of the employees of such concern who are entitled to share in such allocation,

(ii) there will be periodic reviews of the role in the management of such concern of employees to whose accounts stock is allocated,

(iii) there will be adequate management to assure management expertise and continuity, and

(iv) with respect to a loan made to a trust, or to a cooperative in accordance with paragraph (35)—

(I) a seller of the small business concern may remain involved as an officer, director, or key employee of the small business concern when a qualified employee trust or cooperative has acquired 100 percent of ownership of the small business concern; and

(II) any seller of the small business concern who remains as an owner of the small business concern, regardless of the percentage of ownership interest, shall be required to provide a personal guarantee by the Administration.

(C) In determining whether to guarantee any loan under this paragraph, the individual business experience or personal assets of employee-owners shall not be used as criteria, except inasmuch as certain employee-owners may assume managerial responsibilities, in which case business experience may be considered.

(D) For purposes of this paragraph, a corporation which is controlled by any other per-

son shall be treated as a small business concern if such corporation would, after the plan described in subparagraph (B) is carried out, be treated as a small business concern.

(E) The Administration shall compile a separate list of applications for assistance under this paragraph, indicating which applications were accepted and which were denied, and shall report periodically to the Congress on the status of employee-owned firms assisted by the Administration, which shall include—

(i) the total number of loans made to employee-owned business concerns that were guaranteed by the Administrator under this subsection or section 502 of the Small Business Investment Act of 1958 (15 U.S.C. 696), including the number of loans made—

(I) to small business concerns owned and controlled by socially and economically disadvantaged individuals; and

(II) to cooperatives;

(ii) the total number of financings made to employee-owned business concerns by companies licensed under section 301(c) of the Small Business Investment Act of 1958 (15 U.S.C. 696(c)) [15 U.S.C. 681(c)], including the number of financings made—

(I) to small business concerns owned and controlled by socially and economically disadvantaged individuals; and

(II) to cooperatives; and

(iii) any outreach and educational activities conducted by the Administration with respect to employee-owned business concerns.

(F) A small business concern that makes a loan to a qualified employee trust under subparagraph (A)(ii) is not required to contain the same terms and conditions as the loan made to the small business concern that is guaranteed by the Administration under such subparagraph.

(G) With respect to a loan made to a qualified employee trust under this paragraph, or to a cooperative in accordance with paragraph (35), the Administrator may, as deemed appropriate, elect to not require any mandatory equity to be provided by the qualified employee trust or cooperative to make the loan.

(16) INTERNATIONAL TRADE.—

(A) IN GENERAL.—If the Administrator determines that a loan guaranteed under this subsection will allow an eligible small business concern that is engaged in or adversely affected by international trade to improve its competitive position, the Administrator may make such loan to assist such concern—

(i) in the financing of the acquisition, construction, renovation, modernization, improvement, or expansion of productive facilities or equipment to be used in the United States in the production of goods and services involved in international trade;

(ii) in the refinancing of existing indebtedness that is not structured with reasonable terms and conditions, including any debt that qualifies for refinancing under any other provision of this subsection; or

(iii) by providing working capital.

(B) SECURITY.—

(i) IN GENERAL.—Except as provided in clause (ii), each loan made under this paragraph shall be secured by a first lien position or first mortgage on the property or equipment financed by the loan or on other assets of the small business concern.

(ii) EXCEPTION.—A loan under this paragraph may be secured by a second lien position on the property or equipment financed by the loan or on other assets of the small business concern, if the Administrator determines the lien provides adequate assurance of the payment of the loan.

(C) ENGAGED IN INTERNATIONAL TRADE.—For purposes of this paragraph, a small business concern is engaged in international trade if, as determined by the Administrator, the small business concern is in a position to expand existing export markets or develop new export markets.

(D) ADVERSELY AFFECTED BY INTERNATIONAL TRADE.—For purposes of this paragraph, a small business concern is adversely affected by international trade if, as determined by the Administrator, the small business concern—

(i) is confronting increased competition with foreign firms in the relevant market; and

(ii) is injured by such competition.

(E) FINDINGS BY CERTAIN FEDERAL AGENCIES.—For purposes of subparagraph (D)(ii) the Administrator shall accept any finding of injury by the International Trade Commission or any finding of injury by the Secretary of Commerce pursuant to chapter 3 of title II of the Trade Act of 1974 [19 U.S.C. 2341 et seq.].

(F) LIST OF EXPORT FINANCE LENDERS.—

(i) PUBLICATION OF LIST REQUIRED.—The Administrator shall publish an annual list of the banks and participating lending institutions that, during the 1-year period ending on the date of publication of the list, have made loans guaranteed by the Administration under—

(I) this paragraph;

(II) paragraph (14); or

(III) paragraph (34).

(ii) AVAILABILITY OF LIST.—The Administrator shall—

(I) post the list published under clause (i) on the website of the Administration; and

(II) make the list published under clause (i) available, upon request, at each district office of the Administration.

(17) The Administration shall authorize lending institutions and other entities in addition to banks to make loans authorized under this subsection.

(18) GUARANTEE FEES.—

(A) IN GENERAL.—With respect to each loan guaranteed under this subsection (other than a loan that is repayable in 1 year or less), the Administration shall collect a

guarantee fee, which shall be payable by the participating lender, and may be charged to the borrower, as follows:

(i) A guarantee fee not to exceed 2 percent of the deferred participation share of a total loan amount that is not more than \$150,000.

(ii) A guarantee fee not to exceed 3 percent of the deferred participation share of a total loan amount that is more than \$150,000, but not more than \$700,000.

(iii) A guarantee fee not to exceed 3.5 percent of the deferred participation share of a total loan amount that is more than \$700,000.

(iv) In addition to the fee under clause (iii), a guarantee fee equal to 0.25 percent of any portion of the deferred participation share that is more than \$1,000,000.

(B) RETENTION OF CERTAIN FEES.—Lenders participating in the programs established under this subsection may retain not more than 25 percent of a fee collected under subparagraph (A)(i).

(19)(A) In addition to the Preferred Lenders Program authorized by the proviso in section 634(b)(7) of this title, the Administration is authorized to establish a Certified Lenders Program for lenders who establish their knowledge of Administration laws and regulations concerning the guaranteed loan program and their proficiency in program requirements. The designation of a lender as a certified lender shall be suspended or revoked at any time that the Administration determines that the lender is not adhering to its rules and regulations or that the loss experience of the lender is excessive as compared to other lenders, but such suspension or revocation shall not affect any outstanding guarantee.

(B) In order to encourage all lending institutions and other entities making loans authorized under this subsection to provide loans of \$50,000 or less in guarantees to eligible small business loan applicants, the Administration shall develop and allow participating lenders to solely utilize a uniform and simplified loan form for such loans.

(C) AUTHORITY TO LIQUIDATE LOANS.—

(i) IN GENERAL.—The Administrator may permit lenders participating in the Certified Lenders Program to liquidate loans made with a guarantee from the Administration pursuant to a liquidation plan approved by the Administrator.

(ii) AUTOMATIC APPROVAL.—If the Administrator does not approve or deny a request for approval of a liquidation plan within 10 business days of the date on which the request is made (or with respect to any routine liquidation activity under such a plan, within 5 business days) such request shall be deemed to be approved.

(20)(A) The Administration is empowered to make loans either directly or in cooperation with banks or other financial institutions through agreements to participate on an immediate or deferred (guaranteed) basis to small business concerns eligible for assistance under subsection (j)(10) and section 637(a) of

this title. Such assistance may be provided only if the Administration determines that—

(i) the type and amount of such assistance requested by such concern is not otherwise available on reasonable terms from other sources;

(ii) with such assistance such concern has a reasonable prospect for operating soundly and profitably within a reasonable period of time;

(iii) the proceeds of such assistance will be used within a reasonable time for plant construction, conversion, or expansion, including the acquisition of equipment, facilities, machinery, supplies, or material or to supply such concern with working capital to be used in the manufacture of articles, equipment, supplies, or material for defense or civilian production or as may be necessary to insure a well-balanced national economy; and

(iv) such assistance is of such sound value as reasonably to assure that the terms under which it is provided will not be breached by the small business concern.

(B)(i) No loan shall be made under this paragraph if the total amount outstanding and committed (by participation or otherwise) to the borrower would exceed \$750,000.

(ii) Subject to the provisions of clause (i), in agreements to participate in loans on a deferred (guaranteed) basis, participation by the Administration shall be not less than 85 percent of the balance of the financing outstanding at the time of disbursement.

(iii) The rate of interest on financings made on a deferred (guaranteed) basis shall be legal and reasonable.

(iv) Financings made pursuant to this paragraph shall be subject to the following limitations:

(I) No immediate participation may be purchased unless it is shown that a deferred participation is not available.

(II) No direct financing may be made unless it is shown that a participation is unavailable.

(C) A direct loan or the Administration's share of an immediate participation loan made pursuant to this paragraph shall be any secured debt instrument—

(i) that is subordinated by its terms to all other borrowings of the issuer;

(ii) the rate of interest on which shall not exceed the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loan and adjusted to the nearest one-eighth of 1 per centum;

(iii) the term of which is not more than twenty-five years; and

(iv) the principal on which is amortized at such rate as may be deemed appropriate by the Administration, and the interest on which is payable not less often than annually.

(21)(A) The Administration may make loans on a guaranteed basis under the authority of this subsection—

(i) to a small business concern that has been (or can reasonably be expected to be) detrimentally affected by—

- (I) the closure (or substantial reduction) of a Department of Defense installation; or
- (II) the termination (or substantial reduction) of a Department of Defense program on which such small business was a prime contractor or subcontractor (or supplier) at any tier; or

(ii) to a qualified individual or a veteran seeking to establish (or acquire) and operate a small business concern.

(B) Recognizing that greater risk may be associated with a loan to a small business concern described in subparagraph (A)(i), any reasonable doubts concerning the firm's proposed business plan for transition to nondefense-related markets shall be resolved in favor of the loan applicant when making any determination regarding the sound value of the proposed loan in accordance with paragraph (6).

(C) Loans pursuant to this paragraph shall be authorized in such amounts as provided in advance in appropriation Acts for the purposes of loans under this paragraph.

(D) For purposes of this paragraph a qualified individual is—

(i) a member of the Armed Forces of the United States, honorably discharged from active duty involuntarily or pursuant to a program providing bonuses or other inducements to encourage voluntary separation or early retirement;

(ii) a civilian employee of the Department of Defense involuntarily separated from Federal service or retired pursuant to a program offering inducements to encourage early retirement; or

(iii) an employee of a prime contractor, subcontractor, or supplier at any tier of a Department of Defense program whose employment is involuntarily terminated (or voluntarily terminated pursuant to a program offering inducements to encourage voluntary separation or early retirement) due to the termination (or substantial reduction) of a Department of Defense program.

(E) JOB CREATION AND COMMUNITY BENEFIT.—In providing assistance under this paragraph, the Administration shall develop procedures to ensure, to the maximum extent practicable, that such assistance is used for projects that—

(i) have the greatest potential for—

(I) creating new jobs for individuals whose employment is involuntarily terminated due to reductions in Federal defense expenditures; or

(II) preventing the loss of jobs by employees of small business concerns described in subparagraph (A)(i); and

(ii) have substantial potential for stimulating new economic activity in communities most affected by reductions in Federal defense expenditures.

(22) The Administration is authorized to permit participating lenders to impose and collect a reasonable penalty fee on late payments of loans guaranteed under this subsection in

an amount not to exceed 5 percent of the monthly loan payment per month plus interest.

(23) YEARLY FEE.—

(A) IN GENERAL.—With respect to each loan approved under this subsection, the Administration shall assess, collect, and retain a fee, not to exceed 0.55 percent per year of the outstanding balance of the deferred participation share of the loan, in an amount established once annually by the Administration in the Administration's annual budget request to Congress, as necessary to reduce to zero the cost to the Administration of making guarantees under this subsection. As used in this paragraph, the term "cost" has the meaning given that term in section 661a of title 2.

(B) PAYER.—The yearly fee assessed under subparagraph (A) shall be payable by the participating lender and shall not be charged to the borrower.

(C) LOWERING OF BORROWER FEES.—If the Administration determines that fees paid by lenders and by small business borrowers for guarantees under this subsection may be reduced, consistent with reducing to zero the cost to the Administration of making such guarantees—

(i) the Administration shall first consider reducing fees paid by small business borrowers under clauses (i) through (iii) of paragraph (18)(A), to the maximum extent possible; and

(ii) fees paid by small business borrowers shall not be increased above the levels in effect on December 8, 2004.

(24) NOTIFICATION REQUIREMENT.—The Administration shall notify the Committees on Small Business of the Senate and the House of Representatives not later than 15 days before making any significant policy or administrative change affecting the operation of the loan program under this subsection.

(25) LIMITATION ON CONDUCTING PILOT PROJECTS.—

Notwithstanding any other provision of law, and except as provided in subsection (d), the interest rate on the Administration's share of any loan made under subsection (b) shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per centum plus one-quarter of 1 per centum: *Provided, however*, That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. The principal amount of any loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to fi-

nance the installation of insulation in the property which was lost, damaged, or injured, if the uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. Not later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committees of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on encouraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such property is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall not be less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other programs, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or dam-

age or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971 but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972 but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000 and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

(E)⁸ A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act [42 U.S.C. 5155(a)] to a disaster loan under paragraph (1) (2)⁹ of this subsection.

With respect to any loan referred to in clause (D) which is outstanding on August 16, 1972, the Administrator shall—

(i) make such change in the interest rate on the balance of such loan as is required under that clause effective as of August 16, 1972; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970 [15 U.S.C. 636a].

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one half times the original principal amount of the loan.

(II) its original fixed program participation term (plus any extension thereof) assigned prior to November 15, 1988, plus eighteen months.

(ii) Nothing contained in this subparagraph shall be deemed to prevent the Administration from instituting a termination or graduation pursuant to subparagraph (F) or (H) for issues unrelated to the expiration of any time period limitation.

(D)(i) Promptly after certification under paragraph (11) a Program Participant shall submit a business plan (hereinafter referred to as the "plan") as described in clause (ii) of this subparagraph for review by the Business Opportunity Specialist assigned to assist such Program Participant. The plan may be a revision of a preliminary business plan submitted by the Program Participant or required by the Administration as a part of the application for certification under this section and shall be designed to result in the Program Participant eliminating the conditions or circumstances upon which the Administration determined eligibility pursuant to section 637(a)(6) of this title. Such plan, and subsequent modifications submitted under clause (iii) of this subparagraph, shall be approved by the business opportunity specialist prior to the Program Participant being eligible for award of a contract pursuant to section 637(a) of this title.

(ii) The plans submitted under this subparagraph shall include the following:

(I) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant's prospects for profitable operations

during the term of program participation and after graduation.

(V) Estimates of contract awards pursuant to section 637(a) of this title and from other sources, which the Program Participant will require to meet the specific targets, objectives, and goals for the years covered by its plan. The estimates established shall be consistent with the provisions of subparagraph (I) and section 637(a) of this title.

(iii) Each Program Participant shall annually review its currently approved plan with its Business Opportunity Specialist and modify such plan as may be appropriate. Any modified plan shall be submitted to the Administration for approval. The currently approved plan shall be considered valid until such time as a modified plan is approved by the Business Opportunity Specialist. Annual reviews pertaining to years in the transitional stage of program participation shall require, as appropriate, a written verification that such Program Participant has complied with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 637(a) of this title.

(iv) Each Program Participant shall annually forecast its needs for contract awards under section 637(a) of this title for the next program year and the succeeding program year during the review of its business plan, conducted pursuant to clause (iii). Such forecast shall be known as the section 8(a) [15 U.S.C. 637(a)] contract support level and shall be included in the Program Participant's business plan. Such forecast shall include—

(I) the aggregate dollar value of contract support to be sought on a noncompetitive basis under section 637(a) of this title, reflecting compliance with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 637(a) of this title.

(II) the types of contract opportunities being sought, identified by Standard Industrial Classification (SIC) Code or otherwise,

(III) an estimate of the dollar value of contract support to be sought on a competitive basis, and

(IV) such other information as may be requested by the Business Opportunity Specialist to provide effective business development assistance to the Program Participant.

(E) A small business concern participating in the program conducted under the authority of this paragraph and eligible for the award of contracts pursuant to section 637(a) of this title shall be denied all such assistance if such concern—

(i) voluntarily elects not to continue participation;

(ii) completes the period of Program participation as prescribed by paragraph (15);

(iii) is terminated pursuant to a termination proceeding conducted in accordance with section 637(a)(9) of this title; or

(iv) is graduated pursuant to a graduation proceeding conducted in accordance with section 637(a)(9) of this title.

(F) For purposes of this section and section 637(a) of this title, the term “terminated” and the term “termination” means the total denial or suspension of assistance under this paragraph or under section 637(a) of this title prior to the graduation of the participating small business concern or prior to the expiration of the maximum program participation term. An action for termination shall be based upon good cause, including—

(i) the failure by such concern to maintain its eligibility for Program participation;

(ii) the failure of the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 637(a) of this title;

(iii) a demonstrated pattern of failing to make required submissions or responses to the Administration in a timely manner;

(iv) the willful violation of any rule or regulation of the Administration pertaining to material issues;

For purposes of this clause, no termination action shall be taken with respect to a disadvantaged owner solely because of the conviction of an officer of the concern (who is other than a disadvantaged owner) unless such owner conspired with, abetted, or otherwise knowingly acquiesced in the activity or omission that was the basis of such officer’s conviction.

(G) The Director of the Division may initiate a termination proceeding by recommending such action to the Associate Administrator for Minority Small Business and Capital Ownership Development. Whenever the Associate Administrator, or a designee of such

officer, determines such termination is appropriate, within 15 days after making such a determination the Program Participant shall be provided a written notice of intent to terminate, specifying the reasons for such action. No Program Participant shall be terminated from the Program pursuant to subparagraph (F) without first being afforded an opportunity for a hearing in accordance with section 637(a)(9) of this title.

(H) For the purposes of this subsection and section 637(a) of this title the term “graduated” or “graduation” means that the Program Participant is recognized as successfully completing the program by substantially achieving the targets, objectives, and goals contained in the concern’s business plan thereby demonstrating its ability to compete in the marketplace without assistance under this section or section 637(a) of this title.

(I)(i) During the developmental stage of its participation in the Program, a Program Participant shall take all reasonable efforts within its control to attain the targets contained in its business plan for contracts awarded other than pursuant to section 637(a) of this title (hereinafter referred to as “business activity targets.”). Such efforts shall be made a part of the business plan and shall be sufficient in scope and duration to satisfy the Administration that the Program Participant will engage a reasonable marketing strategy that will maximize its potential to achieve its business activity targets.

(ii) During the transitional stage of the Program a Program Participant shall be subject to regulations regarding business activity targets that are promulgated by the Administration pursuant to clause (iii);

(iii) The regulations referred to in clause (ii) shall:

(I) establish business activity targets applicable to Program Participants during the fifth year and each succeeding year of Program Participation; such targets, for such period of time, shall reflect a reasonably consistent increase in contracts awarded other than pursuant to section 637(a) of this title, expressed as a percentage of total sales; when promulgating business activity targets the Administration may establish modified targets for Program Participants that have participated in the Program for a period of longer than four years on June 1, 1989;

(II) require a Program Participant to attain its business activity targets;

(III) provide that, before the receipt of any contract to be awarded pursuant to section 637(a) of this title, the Program Participant (if it is in the transitional stage) must certify that it has complied with the regulations promulgated pursuant to subclause (II), or that it is in compliance with such remedial measures as may have been ordered pursuant to regulations issued under subclause (V);

(IV) require the Administration to review each Program Participant’s performance regarding attainment of business activity targets during periodic reviews of such Participant’s business plan; and

(V) authorize the Administration to take appropriate remedial measures with respect to a Program Participant that has failed to attain a required business activity target for the purpose of reducing such Participant's dependence on contracts awarded pursuant to section 637(a) of this title; such remedial actions may include, but are not limited to assisting the Program Participant to expand the dollar volume of its competitive business activity or limiting the dollar volume of contracts awarded to the Program Participant pursuant to section 637(a) of this title; except for actions that would constitute a termination, remedial measures taken pursuant to this subclause shall not be reviewable pursuant to section 637(a)(9) of this title.

(J)(i) The Administration shall conduct an evaluation of a Program Participant's eligibility for continued participation in the Program whenever it receives specific and credible information alleging that such Program Participant no longer meets the requirements for Program eligibility. Upon making a finding that a Program Participant is no longer eligible, the Administration shall initiate a termination proceeding in accordance with subparagraph (F). A Program Participant's eligibility for award of any contract under the authority of section 637(a) of this title may be suspended pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation).

(ii)(I) Except as authorized by subclauses (II) or (III), no award shall be made pursuant to section 637(a) of this title to a concern other than a small business concern.

(II) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), each firm's size shall be independently determined without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, unless the Administrator determines that one or more such tribally owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(III) Any joint venture established under the authority of section 602(b) of Public Law 100-656, the "Business Opportunity Development Reform Act of 1988", shall be eligible for award of a contract pursuant to section 637(a) of this title.

(11)(A) The Associate Administrator for Minority Small Business and Capital Ownership Development shall be responsible for coordinating and formulating policies relating to Federal assistance to small business concerns eligible for assistance under subsection (i) and small business concerns eligible to receive contracts pursuant to section 637(a) of this title.

(B)(i) Except as provided in clause (iii), no individual who was determined pursuant to section 637(a) of this title to be socially and economically disadvantaged before August 15, 1989, shall be permitted to assert such disadvantage

with respect to any other concern making application for certification after August 15, 1989.

(ii) Except as provided in clause (iii), any individual upon whom eligibility is based pursuant to section 637(a)(4) of this title shall be permitted to assert such eligibility for only one small business concern.

(iii) A socially and economically disadvantaged Indian tribe may own more than one small business concern eligible for assistance pursuant to paragraph (10) and section 637(a) of this title if—

(I) the Indian tribe does not own another firm in the same industry which has been determined to be eligible to receive contracts under this program, and

(II) the individuals responsible for the management and daily operations of the concern do not manage more than two Program Participants.

(C) No concern, previously eligible for the award of contracts pursuant to section 637(a) of this title, shall be subsequently recertified for program participation if its prior participation in the program was concluded for any of the reasons described in paragraph (10)(E).

(D) A concern eligible for the award of contracts pursuant to this subsection shall remain eligible for such contracts if there is a transfer of ownership and control (as defined pursuant to section 637(a)(4) of this title) to individuals who are determined to be socially and economically disadvantaged pursuant to section 637(a) of this title. In the event of such a transfer, the concern, if not terminated or graduated, shall be eligible for a period of continued participation in the program not to exceed the time limitations prescribed in paragraph (15).

(E) There is established a Division of Program Certification and Eligibility (hereinafter referred to in this paragraph as the "Division") that shall be made part of the Office of Minority Small Business and Capital Ownership Development. The Division shall be headed by a Director who shall report directly to the Associate Administrator for Minority Small Business and Capital Ownership Development. The Division shall establish field offices within such regional offices of the Administration as may be necessary to perform efficiently its functions and responsibilities.

(F) Subject to the provisions of section 637(a)(9) of this title, the functions and responsibility of the Division are to—

(i) receive, review and evaluate applications for certification pursuant to paragraphs (4), (5), (6) and (7) of section 637(a) of this title;

(ii) advise each program applicant within 15 days after the receipt of an application as to whether such application is complete and suitable for evaluation and, if not, what matters must be rectified;

(iii) render recommendations on such applications to the Associate Administrator for Minority Small Business and Capital Ownership Development;

(iv) review and evaluate financial statements and other submissions from concerns participating in the program established by paragraph (10) to ascertain continued eligibility to receive subcontracts pursuant to section 637(a) of this title;

(v) make a request for the initiation of termination or graduation proceedings, as appropriate, to the Associate Administrator for Minority Small Business and Capital Ownership Development;

(vi) make recommendations to the Associate Administrator for Minority Small Business and Capital Ownership Development concerning protests from applicants that have been denied program admission;

(vii) decide protests regarding the status of a concern as a disadvantaged concern for purposes of any program or activity conducted under the authority of subsection (d) of section 637 of this title, or any other provision of Federal law that references such subsection for a definition of program eligibility; and

(viii) implement such policy directives as may be issued by the Associate Administrator for Minority Small Business and Capital Ownership Development pursuant to subparagraph (I) regarding, among other things, the geographic distribution of concerns to be admitted to the program and the industrial make-up of such concerns.

(G) An applicant shall not be denied admission into the program established by paragraph (10) due solely to a determination by the Division that specific contract opportunities are unavailable to assist in the development of such concern unless—

(i) the Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(ii) the purchases of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

(H) Not later than 90 days after receipt of a completed application for Program certification, the Associate Administrator for Minority Small Business and Capital Ownership Development shall certify a small business concern as a Program Participant or shall deny such application.

(I) Thirty days before the conclusion of each fiscal year, the Director of the Division shall review all concerns that have been admitted into the Program during the preceding 12-month period. The review shall ascertain the number of entrants, their geographic distribution and industrial classification. The Director shall also estimate the expected growth of the Program during the next fiscal year and the number of additional Business Opportunity Specialists, if any, that will be needed to meet the anticipated demand for the Program. The findings and conclusions of the Director shall be reported to the Associate Administrator for Minority Small Business and Capital Ownership Development by September 30 of each year. Based on such report and such additional data as may be relevant, the Associate Administrator shall, by October 31 of each year, issue policy and program directives applicable to such fiscal year that—

(i) establish priorities for the solicitation of program applications from underrepresented regions and industry categories;

(ii) assign staffing levels and allocate other program resources as necessary to meet program needs; and

(iii) establish priorities in the processing and admission of new Program Participants as may be necessary to achieve an equitable geographic distribution of concerns and a distribution of concerns across all industry categories in proportions needed to increase significantly contract awards to small business concerns owned and controlled by socially and economically disadvantaged individuals. When considering such increase the Administration shall give due consideration to those industrial categories where Federal purchases have been substantial but where the participation rate of such concerns has been limited.

(12)(A) The Administration shall segment the Capital Ownership Development Program into two stages: a developmental stage; and a transitional stage.

(B) The developmental stage of program participation shall be designed to assist the concern in its effort to overcome its economic disadvantage by providing such assistance as may be necessary and appropriate to access its markets and to strengthen its financial and managerial skills.

(C) The transitional stage of program participation shall be designed to overcome, insofar as practicable, the remaining elements of economic disadvantage and to prepare such concern for graduation from the program.

No exemption shall be made pursuant to this subparagraph if the contract to which it pertains has an anticipated value in excess of \$10,000,000. This subparagraph shall cease to be effective on October 1, 1992.

(D) A maximum of five exemptions from the requirements of sections 3131 and 3133 of title 40, which exemptions shall apply only to contracts awarded pursuant to section 637(a) of this title, except that, such exemptions may be granted under this subparagraph only if—

(i) the Administration finds that such concern is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue a bond subject to the guarantee provision of title IV of the Small Business Investment Act of 1958 (15 U.S.C. 692 et seq.);

(ii) the Administration and the agency providing the contracting opportunity have

Such assistance may be made without regard to section 647(a) of this title. No financial assistance shall be granted under the subparagraph unless the Administrator determines that—

(i) such concern has documented that it has first explored the use of existing cost-free or cost-subsidized training programs offered by public and private sector agencies working with programs of employment and training and economic development;

(ii) no more than five employees or potential employees of such concern are recipients of any benefits under this subparagraph at any one time;

(iii) no more than \$2,500 shall be made available for any one employee or potential employee;

(iv) the length of training or upgrading financed by this subparagraph shall be no less than one month nor more than six months;

(v) such concern has given adequate assurance it will employ the trainee or upgraded employee for at least six months after the training or upgrading financed by this subparagraph has been completed and each trainee or upgraded employee has provided a similar assurance to remain within the employ of such concern for such period; if such concern, trainee, or upgraded employee breaches this agreement, the Administration shall be entitled to and shall make diligent efforts to obtain from the violating party the repayment of all funds expended on behalf of the violating party, such repayment shall be made to the Administration together with such interest and costs of collec-

Activities designed to effect such transfer shall be developed in cooperation with the heads of Federal agencies and shall include the transfer by grant, license, or sale of such technology or property to such a concern. Such property may be transferred to Program Participants on a priority basis. Technology or property transferred under this subparagraph shall be used by the concern during the normal conduct of its business operation and shall not be sold or transferred to any other party (other than the Government) during such concern's term of participation in the Program and for one year thereafter.

(ii)(I) In this clause—

(III) For any transfer of property under this clause to a small business concern, the terms and conditions shall be the same as a transfer to a Program Participant, except that the small business concern shall agree not to sell or transfer the property to any party other than the Federal Government during the covered period.

(IV) A small business concern that receives a transfer of property under this clause may not receive a transfer of property under clause (i) during the covered period.

(V) If a small business concern sells or transfers property in violation of the agreement described in subclause (III), the Administrator may initiate proceedings to prohibit the small business concern from receiving a transfer of property under this clause or clause (i), in addition to any other remedy available to the Administrator.

(iii)(I) In this clause, the term “covered period” means the period beginning on August 13, 2018, and ending on the date on which the Oversight Board established under section 2121 of title 48 terminates.

(II) The Administrator may transfer technology or surplus property under clause (i) to a Puerto Rico business if the Puerto Rico business meets the requirements for such a transfer, without regard to whether the Puerto Rico business is a Program Participant.

(H) Joint ventures, leader-follower arrangements, and teaming agreements between the Program Participant and other Program Participants and other business concerns with respect to contracting opportunities for the research, development, full-scale engineering or production of major systems. Such activities shall be undertaken on the basis of programs developed by the agency responsible for the procurement of the major system, with the assistance of the Administration.

(A) no more than four years may be spent in the developmental stage of Program Participation; and

(B) no more than five years may be spent in the transitional stage of Program Participation.

(16)(A) The Administrator shall develop and implement a process for the systematic collection of data on the operations of the Program established pursuant to paragraph (10).

CODIFICATION

September 30, 1996, referred to in subsec. (a)(25)(C), was in the original “the date of enactment of this subsection” which was translated as meaning the date of enactment of Pub. L. 104-208, which enacted par. (25) of subsec. (a), to reflect the probable intent of Congress.

In subsec. (d)(3), “August 13, 1981” substituted for “the effective date of this Act”, such words having been inserted in place of “to October 1, 1983” by section 1914 of Pub. L. 97-35. “This Act” probably meant the Small Business Budget Reconciliation and Loan Consolidation/Improvement Act of 1981 (title XIX of Pub. L. 97-35) rather than the Small Business Act (Pub. L. 85-536). See Effective Date of 1981 Amendment note set out under section 631 of this title.

In subsec. (j)(11)(B)(i), as enacted by the amendments made by Pub. L. 101-37, “August 15, 1989” substituted for “the effective date of this subparagraph” and “such effective date”. Section 32 of Pub. L. 101-37 provided that the amendments made by Pub. L. 101-37 shall apply as if included in Pub. L. 100-656. Section 803(b)(1)(A) of Pub. “Sections 3131 and 3133 of title 40” substituted in subsec. Pub. L. 102-366, title I, §112, Sept. 4, 1992, 106 Stat. 989, provided that: “The Congress finds that—

“(1) nationwide, there are many individuals who possess skills that, with certain short-term assistance, could enable them to become successfully self-employed;

“(2) many talented and skilled individuals who are employed in low-wage occupations could, with sufficient opportunity, start their own small business concerns, which could provide them with an improved standard of living;

“(3) most such individuals have little or no savings, a nonexistent or poor credit history, and no access to credit or capital with which to start a business venture;

“(4) women, minorities, and individuals residing in areas of high unemployment and high levels of poverty have particular difficulty obtaining access to credit or capital;

“(5) providing such individuals with small-scale, short-term financial assistance in the form of microloans, together with intensive marketing, management, and technical assistance, could enable them to start or maintain small businesses, to become self-sufficient, and to raise their standard of living;

“(6) banking institutions are reluctant to provide such assistance because of the administrative costs associated with processing and servicing the loans and because they lack experience in providing the type of marketing, management, and technical assistance needed by such borrowers;

“(7) many organizations that have had successful experiences in providing microloans and marketing, management, and technical assistance to such borrowers exist throughout the Nation; and

“(8) loans from the Federal Government to intermediaries for the purpose of relending to start-up, newly established and growing small business concerns are an important catalyst to attract private sector participation in microlending.”

CONGRESSIONAL FINDINGS AND DECLARATION OF PURPOSES OF PUB. L. 100-656

Pub. L. 100-656, title I, §101, Nov. 15, 1988, 102 Stat. 3855, provided that:

“(a) FINDINGS.—The Congress finds that—

“(1) the Capital Ownership Development Program administered by the Small Business Administration and the award of contracts pursuant to section 8(a) of the Small Business Act [15 U.S.C. 637(a)] remain a primary tool for improving opportunities for small business concerns owned and controlled by socially and economically disadvantaged individuals in the Federal procurement process and bringing such concerns into the nation’s economic mainstream;

“(2) although some progress has resulted from the Program, it has generally failed to meet its objectives, which remain as valid now as when the Program was initiated;

“(3) too few concerns that have exited the Program have been prepared to compete successfully in the open marketplace on competitive procurements, and many concerns have developed an unhealthy dependency on sole-source contracts by the time they are required to leave the Program;

“(4) the application and certification process for admitting new participants to the Program is inordinately lengthy and burdensome;

“(5) the Administration has often not efficiently and equitably administered and managed the Program in a manner that provided clear lines of responsibility for implementing and monitoring many of the administrative duties under the Program;

“(6) the Administration and some program participants have given insufficient attention and support to the business development goals of the Program and instead have focused almost entirely on the size of contract awards or the number of firms certified to participate in the Program;

“(7) many Federal procuring agencies have failed to identify and offer the necessary amount of contract support in order to allow for diversification and growth of disadvantaged businesses participating in the Program;

“(8) contract support as well as business development expenses have been misused both by the Administration and Program participants and have not been equitably distributed pursuant to objective criteria;

“(9) the widespread perception of undue political influence in the operation and administration of the Program has significantly contributed to the Program’s poor image and has deterred utilization of the Program by socially and economically disadvantaged concerns and by Federal procuring agencies; and

“(10) it is imperative that increased competition and other substantial reforms be accomplished in the Program in order to promote the Congressionally mandated business development objectives and purposes.

“(b) PURPOSES.—The purposes of this Act [see Short Title of 1988 Amendment note set out under section 631 of this title] therefore are to—

“(1) affirm that the Capital Ownership Development Program and the section 8(a) [15 U.S.C. 637(a)] authority shall be used exclusively for business development purposes to help small businesses owned and controlled by the socially and economically disadvantaged to compete on an equal basis in the mainstream of the American economy;

“(2) affirm that the measure of success of the Capital Ownership Development Program, and the section 8(a) authority, shall be the number of competitive firms that exit the Program without being unreasonably reliant on section 8(a) contracts and that are able to compete on an equal basis in the mainstream of the American economy;

“(3) ensure that program benefits accrue to individuals who are both socially and economically disadvantaged;

“(4) increase the number of small businesses owned and controlled by such individuals from which the United States may purchase products and services (including construction work); and

“(5) ensure integrity, competence, and efficiency in the administration of business development services and the Federal contracting opportunities made available to eligible small businesses.”

“(2) The Administration shall take such actions as may be appropriate to ensure that any person employed as a Business Opportunity Specialist receives adequate periodic training to assure such employee is capable of assisting Program Participants to fully utilize the Program and to meet the requirements of the Small Business Act [15 U.S.C. 631 et seq.], as amended by this Act.

“(b) PILOT PROGRAM.—(1) Within 180 days after the effective date of this subsection [Nov. 15, 1988] the Administrator shall designate three regions of the Administration to conduct a pilot program pursuant to the provisions of this subsection. The designated regions shall contain approximately 30 per centum of the total number of Program Participants as of the time of designation.

“(2) A Business Opportunity Specialist employed in a Region designated pursuant to paragraph (1), in addition to other assigned duties and responsibilities, shall—

“(A) conduct contract negotiations on behalf of the Administration for contracts awarded pursuant to

section 8(a) of the Small Business Act (15 U.S.C. 637(a)) when performance will be rendered by one or more firms in such Specialist’s assigned portfolio;

“(B) facilitate and otherwise assist such firms in negotiating for the receipt of contracts to be let pursuant to such section.

“(3) The Administration shall take such actions as may be appropriate to train and qualify such Specialists to perform the negotiations required pursuant to paragraph (2).

“(4) To the extent practicable, the Administrator shall ensure that the performance appraisal system applicable to a Business Opportunity Specialist employed in a region designated pursuant to paragraph (1) affords substantial recognition to how well such Specialist’s assigned portfolio of concerns participating in the program established by section 7(j)(10) of the Small Business Act (15 U.S.C. 636(j)(10)) are achieving competitiveness and furthering the business development purposes of the program.

“(5) The Administration shall establish personnel positions for Business Opportunity Specialists employed in the regions designated pursuant to paragraph (1) that are classified at a grade level of the General Schedule that are sufficient, in the opinion of the Administrator, to attract and retain highly qualified personnel.

“(c) REPORT AND PILOT PROGRAM TERMINATION.—(1) Within 120 days after the termination of the pilot program conducted pursuant to subsection (b), the Administration shall issue a report to the Committees on Small Business of the Senate and of the House of Representatives [Committee on Small Business of Senate now Committee on Small Business and Entrepreneurship of Senate] on the effectiveness of the pilot. Such report shall contain such recommendations for administrative or legislative change as may be appropriate.

“(2) The pilot program conducted pursuant to subsection (b) shall be terminated three years after the date on which the Committees on Small Business of the Senate and of the House of Representatives [Committee on Small Business of Senate now Committee on Small Business and Entrepreneurship of Senate] receive written notification from the Administrator that the pilot is in full operation in each of the three designated pilot regions.”
