(2) projects and productions, meeting professional standards or standards of authenticity or tradition, irrespective of origin, which are of significant merit and which, without such assistance, would otherwise be unavailable to our citizens for geographic or economic reasons;

(2) In order to receive assistance under this subsection in any fiscal year, a State shall submit an application for such grants at such time as shall be specified by the Chairperson and accompany such application with a plan which the Chairperson finds—

(B) provides that funds paid to the State under this subsection will be expended solely on projects and productions approved by the State agency which carry out one or more of the objectives of subsection (c);

(C) provides that the State agency will make such reports, in such form and containing such information, as the Chairperson may from time to time require, including a description of the progress made toward achieving the goals of the State plan;

No application may be approved unless the accompanying plan satisfies the requirements specified in this subsection.

(3) Of the sums available to carry out this subsection for any fiscal year, each State which has a plan approved by the Chairperson shall be allotted at least \$200,000. If the sums appropriated are insufficient to make the allotments under the preceding sentence in full, such sums shall be allotted among such States in equal amounts. In any case where the sums available to carry

Whenever a State agency requests that the Chairperson exercise such discretion, the Chairperson shall—

(i) give consideration to the various circumstances the State is encountering at the time of such request; and

(ii) ensure that such discretion is not exercised with respect to such State in perpetuity.

(B) Any amount allotted to a State under the first sentence of paragraph (3) for any fiscal year which is not obligated by the State prior to 60 days prior to the end of the fiscal year for which such sums are appropriated shall be available for making grants to regional groups.

(C) Funds made available under this subsection shall not be used to supplant non-Federal funds. The non-Federal funds required by subparagraph (A) to pay 50 percent of the cost of a program or production shall be provided from funds directly controlled and appropriated by the State involved and directly managed by the State agency of such State.

(D) For the purpose of paragraph (3) and paragraph (4) of this section the term “regional group” means any multistate group, whether or not representative of contiguous States.

the Chairperson shall immediately notify the Secretary of the Treasury and the group or State agency with respect to which such finding was made that no further grants will be made under this section to such group or agency until there is no longer any default or failure to comply or the diversion has been corrected, or, if compliance or correction is impossible, until such group or agency repays or arranges the repayment of the Federal funds which have been improperly diverted or expended.

(i) Application for financial assistance; requirements
