§ 1504. Definitions

(a) Affiliated group defined

For purposes of this subtitle—

(1) In general

The term “affiliated group” means—

(A) 1 or more chains of includible corporations connected through stock ownership with a common parent corporation which is an includible corporation, but only if—

(B)(i) the common parent owns directly stock meeting the requirements of paragraph (2) in at least 1 of the other includible corporations, and

(ii) stock meeting the requirements of paragraph (2) in each of the includible corporations (except the common parent) is owned directly by 1 or more of the other includible corporations.

(2) 80-percent voting and value test

The ownership of stock of any corporation meets the requirements of this paragraph if it—

(A) possesses at least 80 percent of the total voting power of the stock of such corporation, and

(B) has a value equal to at least 80 percent of the total value of the stock of such corporation.

(3) 5 years must elapse before reconsolidation

(A) In general

If—

(i) a corporation is included (or required to be included) in a consolidated return filed by an affiliated group, and

(ii) such corporation ceases to be a member of such group,

with respect to periods after such cessation, such corporation (and any successor of such corporation) may not be included in any consolidated return filed by the affiliated group (or by another affiliated group with the same common parent or a successor of such common parent) before the 61st month beginning after its first taxable year in which it ceased to be a member of such affiliated group.

(B) Secretary may waive application of subparagraph (A)

The Secretary may waive the application of subparagraph (A) to any corporation for any period subject to such conditions as the Secretary may prescribe.

(4) Stock not to include certain preferred stock

For purposes of this subsection, the term “stock” does not include any stock which—

(A) is not entitled to vote,

(B) is limited and preferred as to dividends and does not participate in corporate growth to any significant extent,

(C) has redemption and liquidation rights which do not exceed the issue price of such stock (except for a reasonable redemption or liquidation premium), and

(D) is not convertible into another class of stock.

(5) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this subsection, including (but not limited to) regulations—

(A) which treat warrants, obligations convertible into stock, and other similar interests as stock, and stock as not stock,

(B) which treat options to acquire or sell stock as having been exercised,

(C) which provide that the requirements of paragraph (2)(B) shall be treated as met if the affiliated group, in reliance on a good faith determination of value, treated such requirements as met,

(D) which disregard an inadvertent ceasing to meet the requirements of paragraph (2)(B) by reason of changes in relative values of different classes of stock,

(E) which provide that transfers of stock within the group shall not be taken into account in determining whether a corporation ceases to be a member of an affiliated group, and

(F) which disregard changes in voting power to the extent such changes are disproportionate to related changes in value.

(b) Definition of “includible corporation”

As used in this chapter, the term “includible corporation” means any corporation except—

(1) Corporations exempt from taxation under section 501.

(2) Insurance companies subject to taxation under section 801.

(3) Foreign corporations.

(4) Regulated investment companies and real estate investment trusts subject to tax under subchapter M of chapter 1.

(5) A DISC (as defined in section 992(a)(1)).

(6) An S corporation.

(c) Includible insurance companies

Notwithstanding the provisions of paragraph (2) of subsection (b)—

(1) Two or more domestic insurance companies each of which is subject to tax under section 801 shall be treated as includible corporations for purposes of applying subsection (a) to such insurance companies alone.

(2)(A) If an affiliated group (determined without regard to subsection (b)(2)) includes one or more domestic insurance companies taxed under section 801, the common parent of such group may elect (pursuant to regulations prescribed by the Secretary) to treat all such companies as includible corporations for purposes of applying subsection (a) except that no such company shall be so treated until it has been a member of the affiliated group for the 5 taxable years immediately preceding the taxable year for which the consolidated return is filed.

(B) If an election under this paragraph is in effect for a taxable year—

(i) section 243(b)(3) and the exception provided under section 243(b)(2) with respect to subsections (b)(2) and (c) of this section,

(ii) section 542(b)(5), and

(iii) subsection (a)(4) and (b)(2)(D) of section 1563, and the reference to section 1563(b)(2)(D) contained in section 1563(b)(3)(C),

shall not be effective for such taxable year.

(d) Subsidiary formed to comply with foreign law

In the case of a domestic corporation owning or controlling, directly or indirectly, 100 percent of the capital stock (exclusive of directors' qualifying shares) of a corporation organized under the laws of a contiguous foreign country and maintained solely for the purpose of complying with the laws of such country as to title and operation of property, such foreign corporation may, at the option of the domestic corporation, be treated for the purpose of this subtitle as a domestic corporation.

(e) Includible tax-exempt organizations

Despite the provisions of paragraph (1) of subsection (b), two or more organizations exempt from taxation under section 501, one or more of which is described in section 501(c)(2) and the others of which derive income from such 501(c)(2) organizations, shall be considered as includible corporations for the purpose of the application of subsection (a) to such organizations alone.

(f) Special rule for certain amounts derived from a corporation previously treated as a DISC

In determining the consolidated taxable income of an affiliated group for any taxable year beginning after December 31, 1984, a corporation which had been a DISC and which would otherwise be a member of such group shall not be treated as such a member with respect to—

(1) any distribution (or deemed distribution) of accumulated DISC income which was not treated as previously taxed income under section 805(b)(2)(A) of the Tax Reform Act of 1984, and

(2) any amount treated as received under section 805(b)(3) of such Act.

“(1) IN GENERAL.—Except as otherwise provided in this subsection, the amendment made by subsection (a) [amending this section] shall apply to taxable years beginning after December 31, 1984.

“(2) SPECIAL RULE FOR CORPORATIONS AFFILIATED ON JUNE 22, 1984.—In the case of a corporation which on June 22, 1984, is a member of an affiliated group which files a consolidated return for such corporation’s taxable year which includes June 22, 1984, for purposes of determining whether such corporation continues to be a member of such group for taxable years beginning before January 1, 1988, the amendment made by subsection (a) [amending this section] shall not apply. The preceding sentence shall cease to apply as of the first day after June 22, 1984, on which such corporation does not qualify as a member of such group under section 1504(a) of the Internal Revenue Code of 1954 [now 1986] (as in effect on the day before the date of the enactment of this Act [July 18, 1984]).

then the amendment made by subsection (a) [amending this section] shall apply for purposes of determining whether such corporation continues to be a member of the group. The preceding sentence shall not apply to any transaction if such transaction does not reduce the percentage of the fair market value of the stock of the corporation referred to in the preceding sentence held by members of the group determined without regard to this paragraph.

“(4) EXCEPTION FOR CERTAIN SELL-DOWNS.—Subsection (b)(2) (and not subsection (b)(3)) will apply to a corporation if such corporation issues or sells stock after June 22, 1984, pursuant to a registration statement filed with the Securities and Exchange Commission on or before June 22, 1984, but only if the requirements of the amendment made by subsection (a) [amending this section] (substituting ‘more than 50 percent’ for ‘at least 80 percent’ in paragraph (2)(B) of section 1504(a) of the Internal Revenue Code of 1986 [formerly I.R.C. 1954]) are satisfied immediately after such issuance or sale and at all times thereafter until the first day of the first taxable year beginning after December 31, 1987. For purposes of the preceding sentence, if there is a letter of intent between a corporation and a securities underwriter entered into on or before June 22, 1984, and the subsequent issuance or sale is effected pursuant to a registration statement filed with the Securities and Exchange Commission, such stock shall be treated as issued or sold pursuant to a registration statement filed with the Securities and Exchange Commission on or before June 22, 1984.

“(C) Losses incurred or credits earned by a corporation described in subparagraph (A) shall be subject to the general consolidated return regulations, including the provisions relating to separate return limitation years, and to sections 382 and 383 of the Internal Revenue Code of 1986.

“(D) Losses incurred and credits earned by a corporation which is affiliated with a corporation described in subparagraph (A) shall be treated as having been incurred or earned in a separate return limitation year, unless the corporation incurring the losses or earning the credits satisfies the affiliation requirements of section 1504(a) without application of subparagraph (A).

Any such election, once made, shall be irrevocable.

“(A) a corporation (hereinafter in this paragraph referred to as the ‘parent’) was incorporated in 1968 and filed consolidated returns as the parent of an affiliated group for each of its taxable years ending after 1969 and before 1985,

“(B) another corporation (hereinafter in this paragraph referred to as the ‘subsidiary’) became a member of the parent’s affiliated group in 1978 by reason of a recapitalization pursuant to which the parent increased its voting interest in the subsidiary from not less than 56 percent to not less than 85 percent, and

“(C) such subsidiary is engaged (or was on September 27, 1985, engaged) in manufacturing and distributing a broad line of business systems and related supplies for binding, laminating, shredding, graphics, and providing secure identification,

then, for purposes of determining whether such subsidiary corporation is a member of the parent’s affiliated group under section 1504(a) of the Internal Revenue Code of 1954 [now 1986] (as amended by subsection (a)),

paragraph (2)(B) of such section 1504(a) shall be applied by substituting ‘55 percent’ for ‘80 percent.’

“(9) TREATMENT OF CERTAIN CORPORATIONS AFFILIATED DURING 1971.— In the case of a group of corporations which filed a consolidated Federal income tax return for the taxable year beginning during 1971 and which—

“(A) included as a common parent on December 31, 1971, a Delaware corporation incorporated on August 26, 1969, and

“(B) included as a member thereof a Delaware corporation incorporated on November 8, 1971,

for taxable years beginning after December 31, 1970, and ending before January 1, 1988, the requirements for affiliation for each member of such group under section 1504(a) of the Internal Revenue Code of 1954 [now 1986] (before the amendment made by subsection (a) [amending this section]) shall be limited solely to the provisions expressly contained therein and by reference to stock issued under State law as common or preferred stock. During the period described in the preceding sentence, no provision of the Internal Revenue Code of 1986 (including sections 269 and 482) or principle of law, except the general consolidated return regulations (including the provisions relating to separate return limitation years) and sections 382 and 383 of such Code, shall apply to deny the benefit or use of losses incurred or credits earned by members of such group.”

§ 1552. Earnings and profits

(a) General rule

Pursuant to regulations prescribed by the Secretary the earnings and profits of each member of an affiliated group required to be included in a consolidated return for such group filed for a taxable year shall be determined by allocating the tax liability of the group for such year among the members of the group in accord with whichever of the following methods the group shall elect in its first consolidated return filed for such a taxable year:

(1) The tax liability shall be apportioned among the members of the group in accordance with the ratio which that portion of the consolidated taxable income attributable to each member of the group having taxable income bears to the consolidated taxable income.

(2) The tax liability of the group shall be allocated to the several members of the group on the basis of the percentage of the total tax which the tax of such member if computed on a separate return would bear to the total amount of the taxes for all members of the group so computed.

(3) The tax liability of the group (excluding the tax increases arising from the consolidation) shall be allocated on the basis of the contribution of each member of the group to the consolidated taxable income of the group. Any tax increases arising from the consolidation shall be distributed to the several members in direct proportion to the reduction in tax liability resulting to such members from the filing of the consolidated return as measured by the difference between their tax liabilities de-
