§ 9007. Examinations and audits; repayments

(a) Examinations and audits

After each presidential election, the Commission shall conduct a thorough examination and audit of the qualified campaign expenses of the candidates of each political party for President and Vice President.

(b) Repayments

(1) If the Commission determines that any portion of the payments made to the eligible candidates of a political party under section 9006 was in excess of the aggregate payments to which candidates were entitled under section 9004, it shall so notify such candidates, and such candidates shall pay to the Secretary of the Treasury an amount equal to such portion.

(2) If the Commission determines that the eligible candidates of a political party and their authorized committees incurred qualified campaign expenses in excess of the aggregate payments to which the eligible candidates of a major party were entitled under section 9004, it shall notify such candidates of the amount of such excess and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(3) If the Commission determines that the eligible candidates of a major party or any authorized committee of such candidates accepted contributions (other than contributions to make up deficiencies in payments out of the fund on account of the application of section 9006(c)) to defray qualified campaign expenses (other than qualified campaign expenses with respect to which payment is required under paragraph (2)), it shall notify such candidates of the amount of the contributions so accepted, and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(4) If the Commission determines that any amount of any payment made to the eligible candidates of a political party under section 9006 was used for any purpose other than—

(A) to defray the qualified campaign expenses with respect to which such payment was made, or

(B) to repay loans the proceeds of which were used, or otherwise to restore funds (other than contributions) to defray qualified campaign expenses which were received and expended) which were used to defray such qualified campaign expenses,

it shall notify such candidates of the amount so used, and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(5) No payment shall be required from the eligible candidates of a political party under this subsection to the extent that such payment, when added to other payments required from such candidates under this subsection, exceeds the amount of payments received by such candidates under section 9006.

(c) Notification

No notification shall be made by the Commission under subsection (b) with respect to a presidential election more than 3 years after the day of such election.

(d) Deposit of repayments

All payments received by the Secretary of the Treasury under subsection (b) shall be deposited by him in the general fund of the Treasury.

The Secretary shall deposit in each such account an amount equal to the amount which each such committee may receive under subsection (b). Such deposits shall be drawn from amounts designated by individuals under section 6096 and shall be made before any transfer is made to any account for any eligible candidate under section 9006(a).

(b) Entitlement to payments from the fund

(1) Major parties
Subject to the provisions of this section, the national committee of a major party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed $4,000,000.

(2) Minor parties
Subject to the provisions of this section, the national committee of a minor party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount the national committee of a major party is entitled to receive under paragraph (1) as the number of popular votes received by the candidate for President of the minor party, as such candidate, in the preceding presidential election bears to the average number of popular votes received by the candidates for President of the United States of the major parties in the preceding presidential election.

(3) Payments
Upon receipt of certification from the Commission under subsection (g), the Secretary shall make payments from the appropriate account maintained under subsection (a) to the national committee of a major party or minor party which elects to receive its entitlement under this subsection. Such payments shall be available for use by such committee in accordance with the provisions of subsection (c).

(4) Limitation
Payments to the national committee of a major party or minor party under this subsection, from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

(5) Adjustment of entitlements
The entitlements established by this subsection shall be adjusted in the same manner as expenditure limitations established by section 315(b) and section 315(d) of the Federal Election Campaign Act of 1971 are adjusted pursuant to the provisions of section 315(c) of such Act.

(c) Use of funds
No part of any payment made under subsection (b) shall be used to defray the expenses of any candidate or delegate who is participating in any presidential nominating convention. Such payments shall be used only—

(1) to defray expenses incurred with respect to a presidential nominating convention (including the payment of deposits) by or on behalf of the national committee receiving such payments; or
(2) to repay loans the proceeds of which were used to defray such expenses, or otherwise to restore funds (other than contributions to defray such expenses received by such committee) used to defray such expenses.

(d) Limitation of expenditures

(1) Major parties
Except as provided by paragraph (3), the national committee of a major party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of payments to which such committee is entitled under subsection (b)(1).

(2) Minor parties
Except as provided by paragraph (3), the national committee of a minor party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of the entitlement of the national committee of a major party under subsection (b)(1).

(3) Exception
The Commission may authorize the national committee of a major party or minor party to make expenditures which, in the aggregate, exceed the limitation established by paragraph (1) or paragraph (2) of this subsection. Such authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, such expenditures are necessary to assure the effective operation of the presidential nominating convention by such committee.

(4) Provision of legal or accounting services
For purposes of this section, the payment, by any person other than the national committee of a political party (unless the person paying for such services is a person other than the regular employer of the individual rendering such services) of compensation to any individual for legal or accounting services rendered to or on behalf of the national committee of a political party shall not be treated as an expenditure made by or on behalf of such committee with respect to its limitations on presidential nominating convention expenses.

(e) Availability of payments
The national committee of a major party or minor party may receive payments under subsection (b)(3) beginning on July 1 of the calendar year immediately preceding the calendar year in which a presidential nominating convention of the political party involved is held.

(f) Transfer to the fund
If, after the close of a presidential nominating convention and after the national committee of the political party involved has been paid the amount which it is entitled to receive under this section, there are moneys remaining in the account of such national committee, the Secretary shall transfer the moneys so remaining to the fund.
(g) Certification by Commission

Any major party or minor party may file a statement with the Commission in such form and manner and at such times as it may require, designating the national committee of such party. Such statement shall include the information required by section 303(b) of the Federal Election Campaign Act of 1971, together with such additional information as the Commission may require. Upon receipt of a statement filed under the preceding sentences, the Commission promptly shall verify such statement according to such procedures and criteria as it may establish and shall certify to the Secretary for payment in full to any such committee of amounts to which such committee may be entitled under subsection (b). Such certifications shall be subject to an examination and audit which the Commission shall conduct no later than December 31, of the calendar year in which the presidential nominating convention involved is held.

(h) Repayments

The Commission shall have the same authority to require repayments from the national committee of a major party or a minor party as it has with respect to repayments from any eligible candidate under section 9007(b). The provisions of sections 9007(c) and section 9007(d) shall apply with respect to any repayment required by the Commission under this subsection.

(i) Termination of payments for conventions; use of amounts for pediatric research initiative

Effective on the date of the enactment of the Gabriella Miller Kids First Research Act—

(1) the entitlement of any major party or minor party to a payment under this section shall terminate; and

(2) all amounts in each account maintained for the national committee of a major party or minor party under this section shall be transferred to a fund in the Treasury to be known as the ‘‘10-Year Pediatric Research Initiative Fund’, which shall be available only for the purpose provided in section 402A(a)(2) of the Public Health Service Act, and only to the extent and in such amounts as are provided in advance in appropriation Acts.
