Except as otherwise provided, definitions in section 3 of Pub. L. 113-128, which is classified to section 3102 of this title, apply to this section.

§ 722. Eligibility and individualized plan for employment

(a) Eligibility

(1) Criterion for eligibility

An individual is eligible for assistance under this subchapter if the individual—

(A) has undergone an assessment for determining eligibility and vocational rehabilitation needs and as a result has been determined to be an individual with a disability under section 705(20)(A) of this title; and

(B) requires vocational rehabilitation services to prepare for, secure, retain, advance in, or regain employment that is consistent with the individual’s strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

For purposes of an assessment for determining eligibility and vocational rehabilitation needs under this chapter, an individual shall be presumed to have a goal of an employment outcome.

(2) Presumption of benefit

(A) Applicants

For purposes of this section, an individual shall be presumed to be an individual that can benefit in terms of an employment outcome from vocational rehabilitation services under section 705(20)(A) of this title.

(B) Responsibilities

Prior to determining under this subsection that an applicant described in subparagraph (A) is unable to benefit due to the severity of the individual’s disability or that the individual is ineligible for vocational rehabilitation services, the designated State unit shall explore the individual’s abilities, capabilities, and capacity to perform in work situations, through the use of trial work experiences, as described in section 705(2)(D) of this title, with appropriate supports provided through the designated State unit.

Such experiences shall be of sufficient variety and over a sufficient period of time to determine the eligibility of the individual. In providing the trial experiences, the designated State unit shall provide the individual with the opportunity to try different employment experiences, including supported employment, and the opportunity to become employed in competitive integrated employment.

(3) Presumption of eligibility

(A) In general

For purposes of this section, an individual who has a disability or is blind as determined pursuant to title II or title XVI of the Social Security Act (42 U.S.C. 401 et seq. and 1381 et seq.) shall be—

(i) considered to be an individual with a significant disability under section 705(21)(A) of this title; and

(ii) presumed to be eligible for vocational rehabilitation services under this subchapter (provided that the individual intends to achieve an employment outcome consistent with the unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice of the individual) unless the designated State unit involved can demonstrate by clear and convincing evidence that such individual is incapable of benefiting in terms of an employment outcome due to the severity of the individual’s disability (as of the date of the determination).

(B) Construction

Nothing in this paragraph shall be construed to create an entitlement to any vocational rehabilitation service.

(4) Use of existing information

(A) In general

To the maximum extent appropriate and consistent with the requirements of this part, for purposes of determining the eligibility of an individual for vocational rehabilitation services under this subchapter and developing the individualized plan for employment described in subsection (b) for the individual, the designated State unit shall use information that is existing and current (as of the date of the determination of eligibility or of the development of the individualized plan for employment), including information available from other programs and providers, particularly information used by education officials and the Social Security Administration, information provided by the individual and the family of the individual, and information obtained under the assessment for determining eligibility and vocational rehabilitation needs.

(B) Determinations by officials of other agencies

Determinations made by officials of other agencies, particularly education officials described in section 721(a)(11)(D) of this title, regarding whether an individual satisfies one or more factors relating to whether an

individual is an individual with a disability under section 705(20)(A) of this title or an individual with a significant disability under section 705(21)(A) of this title shall be used, to the extent appropriate and consistent with the requirements of this part, in assisting the designated State unit in making such determinations.

(C) Basis

The determination of eligibility for vocational rehabilitation services shall be based on—

- (i) the review of existing data described in section 705(2)(A)(i) of this title; and
- (ii) to the extent that such data is unavailable or insufficient for determining eligibility, the provision of assessment activities described in section 705(2)(A)(ii) of this title.

(5) Determination of ineligibility

If, after the designated State unit carries out the activities described in paragraph (2)(B), a review of existing data, and, to the extent necessary, the assessment activities described in section 705(2)(A)(ii) of this title, an individual who applies for services under this subchapter is determined not to be eligible for the services, or if an eligible individual receiving services under an individualized plan for employment is determined to be no longer eligible for the services—

(A) the ineligibility determination shall be an individualized one, based on the available data, and shall not be based on assumptions about broad categories of disabilities;

(B) the ineligibility determination involved shall be made only after providing an opportunity for full consultation with the individual or, as appropriate, the individual's representative;

(C) the individual or, as appropriate, the individual's representative, shall be informed in writing (supplemented as necessary by other appropriate modes of communication consistent with the informed choice of the individual) of the ineligibility determination, including—

- (i) the reasons for the determination, including the clear and convincing evidence that forms the basis for the determination of ineligibility; and
- (ii) a description of the means by which the individual may express, and seek a remedy for, any dissatisfaction with the determination, including the procedures for review by an impartial hearing officer under subsection (c);

(D) the individual shall be provided with a description of services available from the client assistance program under section 732 of this title and information on how to contact that program; and

(E) any ineligibility determination that is based on a finding that the individual is incapable of benefiting in terms of an employment outcome shall be reviewed—

- (i) within 12 months; and
- (ii) thereafter, if such a review is requested by the individual or, if appropriate, by the individual's representative.

(6) Timeframe for making an eligibility determination

The designated State unit shall determine whether an individual is eligible for vocational rehabilitation services under this subchapter within a reasonable period of time, not to exceed 60 days, after the individual has submitted an application for the services unless—

(A) exceptional and unforeseen circumstances beyond the control of the designated State unit preclude making an eligibility determination within 60 days and the designated State unit and the individual agree to a specific extension of time; or

(B) the designated State unit is exploring an individual's abilities, capabilities, and capacity to perform in work situations under paragraph (2)(B).

(b) Development of an individualized plan for employment

(1) Options for developing an individualized plan for employment

If an individual is determined to be eligible for vocational rehabilitation services as described in subsection (a), the designated State unit shall complete the assessment for determining eligibility and vocational rehabilitation needs, as appropriate, and shall provide the eligible individual or the individual's representative, in writing and in an appropriate mode of communication, with information on the individual's options for developing an individualized plan for employment, including—

- (iii) amended, as necessary, to include the postemployment services and service

providers that are necessary for the individual to maintain or regain employment, consistent with the individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(F) Timeframe for completing the individualized plan for employment

The individualized plan for employment shall be developed as soon as possible, but not later than a deadline of 90 days after the date of the determination of eligibility described in paragraph (1), unless the designated State unit and the eligible individual agree to an extension of that deadline to a specific date by which the individualized plan for employment shall be completed.

Each State shall establish procedures for mediation of, and procedures for review through an impartial due process hearing of, determinations made by personnel of the designated State unit that affect the provision of vocational rehabilitation services to applicants or eligible individuals. The procedures shall allow an applicant or an eligible individual the opportunity to request mediation, an impartial due process hearing, or both procedures.

(2) Notification

(A) Rights and assistance

The procedures shall provide that an applicant or an eligible individual or, as appropriate, the applicant's representative or individual's representative shall be notified of—

(i) the right to obtain review of determinations described in paragraph (1) in an impartial due process hearing under paragraph (5);

(ii) the right to pursue mediation with respect to the determinations under paragraph (4);

Each State shall ensure that procedures are established and implemented under this subsection to allow parties described in paragraph (1) to disputes involving any determination described in paragraph (1) to resolve such disputes through a mediation process that, at a minimum, shall be available whenever a hearing is requested under this subsection.

(B) Requirements

Such procedures shall ensure that the mediation process—

(ii) is not used to deny or delay the right of an individual to a hearing under this

subsection, or to deny any other right afforded under this subchapter; and

(iii) is conducted by a qualified and impartial mediator who is trained in effective mediation techniques.

(C) List of mediators

The State shall maintain a list of individuals who are qualified mediators and knowledgeable in laws (including regulations) relating to the provision of vocational rehabilitation services under this subchapter, from which the mediators described in subparagraph (B) shall be selected.

(H) Construction

Nothing in this subsection shall be construed to preclude the parties to such a dispute from informally resolving the dispute prior to proceedings under this paragraph or paragraph (5), if the informal process used is not used to deny or delay the right of the applicant or eligible individual to a hearing under this subsection or to deny any other right afforded under this subchapter.

(5) Hearings

(A) Officer

A due process hearing described in paragraph (2) shall be conducted by an impartial hearing officer who, on reviewing the evidence presented, shall issue a written decision based on the provisions of the approved State plan, requirements specified in this chapter (including regulations implementing this chapter), and State regulations and policies that are consistent with the Federal requirements specified in this subchapter. The officer shall provide the written decision to the applicant or eligible individual, or, as appropriate, the applicant's representative or individual's representative, and to the designated State unit. (i) in conducting the review, provide an opportunity for the submission of additional evidence and information relevant to a final decision concerning the matter under review;

(ii) not overturn or modify the decision of the hearing officer, or part of the decision, that supports the position of the applicant or eligible individual unless the reviewing official concludes, based on clear and convincing evidence, that the decision of the impartial hearing officer is clearly erroneous on the basis of being contrary to the approved State plan, this chapter (including regulations implementing this chapter) or any State regulation or policy that is consistent with the Federal requirements specified in this subchapter;

(iii) make a final decision with respect to the matter in a timely manner and provide such decision in writing to the applicant or eligible individual, or, as appropriate, the applicant's representative or

(H) Finality of review

A decision made under subparagraph (F) shall be final unless such a party brings a civil action under subparagraph (J).

(I) Implementation

If a party brings a civil action under subparagraph (J) to challenge a final decision of a hearing officer under subparagraph (A) or to challenge a final decision of a State reviewing official under subparagraph (F), the final decision involved shall be implemented pending review by the court.

(J) Civil action

(i) In general

Any party aggrieved by a final decision described in subparagraph (I), may bring a civil action for review of such decision. (6) Hearing board

(A) In general

A fair hearing board, established by a State before January 1, 1985, and authorized under State law to review determinations or decisions under this chapter, is authorized to carry out the responsibilities of the impartial hearing officer under this subsection.

(B) Application

The provisions of paragraphs (1), (2), and (3) that relate to due process hearings do not apply, and paragraph (5) (other than subparagraph (J)) does not apply, to any State to which subparagraph (A) applies.

(8) Information collection and report

(A) In general

The Director of the designated State unit shall collect information described in subparagraph (B) and prepare and submit to the Commissioner a report containing such information. The confidentiality of records of applicants and eligible individuals maintained by the designated State unit shall not preclude the access of the Commissioner to those records for the purposes described in subparagraph (A).

(d) Policies and procedures

Each designated State agency, in consultation with the State Rehabilitation Council, if the

State has such a council, shall, consistent with section 720(a)(3)(C) of this title, develop and implement written policies and procedures that enable each individual who is an applicant for or eligible to receive vocational rehabilitation services under this subchapter to exercise informed choice throughout the vocational rehabilitation process carried out under this subchapter, including policies and procedures that require the designated State agency—

(1) to inform each such applicant and eligible individual (including students with disabilities who are making the transition from programs under the responsibility of an educational agency to programs under the responsibility of the designated State unit), through appropriate modes of communication, about the availability of, and opportunities to exercise, informed choice, including the availability of support services for individuals with cognitive or other disabilities who require assistance in exercising informed choice, throughout the vocational rehabilitation process;

(2) to assist applicants and eligible individuals in exercising informed choice in decisions related to the provision of assessment services under this subchapter;

(3) to develop and implement flexible procurement policies and methods that facilitate the provision of services, and that afford eligible individuals meaningful choices among the methods used to procure services, under this subchapter;
