

portunities for public involvement, the Secretary shall prescribe and enforce procedures, either by regulation (for basic standards and conditions) or by the licensee's operations manual, with respect to rules governing vessel movement, loading and unloading procedures, designation and marking of anchorage areas, maintenance, law enforcement, and the equipment, training, and maintenance required (A) to prevent pollution of the marine environment, (B) to clean up any pollutants which may be discharged, and (C) to otherwise prevent or minimize any adverse impact from the construction and operation of such deepwater port.

**(b) Safety of property and life; regulations**

The Secretary shall issue and enforce regulations with respect to lights and other warning devices, safety equipment, and other matters relating to the promotion of safety of life and property in any deepwater port and the waters adjacent thereto.

**(c) Marking of components; payment of cost**

The Secretary shall mark, for the protection of navigation, any component of a deepwater port whenever the licensee fails to mark such component in accordance with applicable regulations. The licensee shall pay the cost of such marking.

**(d) Safety zones; designation; construction period; permitted activities**

(1) Subject to recognized principles of international law and after consultation with the Secretary of the Interior, the Secretary of Commerce, the Secretary of State, and the Secretary of Defense, the Secretary shall designate a zone of appropriate size around and including any deepwater port for the purpose of navigational safety. In such zone, no installations, structures, or uses will be permitted that are incompatible with the operation of the deepwater port. The Secretary shall by regulation define permitted activities within such zone. The Secretary shall, not later than 30 days after publication of notice pursuant to section 1504(c) of this title, designate such safety zone with respect to any proposed deepwater port.

(2) In addition to any other regulations, the Secretary is authorized, in accordance with this subsection, to establish a safety zone to be effective during the period of construction of a deepwater port and to issue rules and regulations relating thereto.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-324, §507(a), inserted “and the provision of adequate opportunities for public involvement;” after “international law” and substituted “shall prescribe and enforce procedures, either by regulation (for basic standards and conditions) or by the licensee's operations manual, with respect to” for “shall prescribe by regulation and enforce procedures with respect to any deepwater port, including, but not limited to,”.

**§ 1510. International agreements**

The Secretary of State, in consultation with the Secretary, shall seek effective international

action and cooperation in support of the policy and purposes of this chapter and may formulate, present, or support specific proposals in the United Nations and other competent international organizations for the development of appropriate international rules and regulations relative to the construction, ownership, and operation of deepwater ports, with particular regard for measures that assure protection of such facilities as well as the promotion of navigational safety in the vicinity thereof.

(Pub. L. 93-627, §11, Jan. 3, 1975, 88 Stat. 2138.)

**§ 1511. Suspension or termination of licenses**

**(a) Proceedings by Attorney General; venue; conditions subsequent**

Whenever a licensee fails to comply with any applicable provision of this chapter, or any applicable rule, regulation, restriction, or condition issued or imposed by the Secretary under the authority of this chapter, the Attorney General, at the request of the Secretary, may file an appropriate action in the United States district court nearest to the location of the proposed or actual deepwater port, as the case may be, or in the district in which the licensee resides or may be found, to—

(1) suspend the license; or

(2) if such failure is knowing and continues for a period of thirty days after the Secretary mails notification of such failure by registered letter to the licensee at his record post office address, revoke such license.

No proceeding under this subsection is necessary if the license, by its terms, provides for automatic suspension or termination upon the occurrence of a fixed or agreed upon condition, event, or time.

**(b) Public health or safety; danger to environment; completion of proceedings**

If the Secretary determines that immediate suspension of the construction or operation of a deepwater port or any component thereof is necessary to protect public health or safety or to eliminate imminent and substantial danger to the environment, he shall order the licensee to cease or alter such construction or operation pending the completion of a judicial proceeding pursuant to subsection (a) of this section.
