#### AMENDMENTS

1996—Pub. L. 104-193 designated first and second sentences as subsecs. (a) and (b), respectively, substituted “in subsection (a)” for “in the preceding sentence” in subsec. (b), designated third sentence as subsec. (c) and substituted “The State educational agency may” for “Nothing in the preceding sentence shall be construed to limit the ability of the State educational agency to”, struck out fourth and fifth sentences, designated sixth sentence as subsec. (d) and substituted “Use of funds paid to States” for “Such food costs”, and designated seventh to ninth sentences as subsecs. (e) to (g), respectively. Prior to amendment, fourth and fifth sentences read as follows: “Such disbursement to any school shall be made only for the purpose of assisting it to obtain agricultural commodities and other foods for consumption by children in the school lunch program. The terms ‘child’ and ‘children’ as used in this chapter shall be deemed to include individuals regardless of age who are determined by the State educational agency, in accordance with regulations pre-

scribed by the Secretary, to have 1 or more mental or physical handicaps and who are attending any child care institution as defined in section 1766 of this title or any nonresidential public or nonprofit private school of high school grade or under for the purpose of participating in a school program established for individuals with mental or physical handicaps: *Provided*, That no institution that is not otherwise eligible to participate in the program under section 1766 of this title shall be deemed so eligible because of this sentence."

1989—Pub. L. 101-147, §312(1), substituted "school lunch" for "school-lunch" in three places.

Pub. L. 101-147, §304, which directed the amendment of subsec. (d) by substituting "individuals" for "persons", "to have 1 or more mental or physical handicaps" for "to be mentally or physically handicapped", and "for individuals with mental or physical handicaps" for "for mentally or physically handicapped", was executed by making the substitutions in the undesignated text before the proviso as the probable intent of Congress because the section contains no subsection designations.

Pub. L. 101-147, §201, inserted after first sentence "The agreements described in the preceding sentence shall be permanent agreements that may be amended as necessary. Nothing in the preceding sentence shall be construed to limit the ability of the State educational agency to suspend or terminate any such agreement in accordance with regulations prescribed by the Secretary."

1981—Pub. L. 97-35 substituted references to per meal reimbursement rate, for references to Federal food-cost contribution rate wherever appearing, and struck out reference to section 1754 of this title, and food service equipment assistance.

1978—Pub. L. 95-627 inserted provision relating to definition of "child" and "children".

1977—Pub. L. 95-166 substituted "food service equipment assistance" for "nonfood assistance".

1973—Pub. L. 93-150 provided that in any fiscal year in which the national average payment per lunch determined under section 1753 of this title is increased above the amount prescribed in the previous fiscal year, the maximum Federal food-cost contribution rate, for the type of lunch served, shall be increased by a like amount.

1972—Pub. L. 92-433 substituted provision that disbursement to schools be made for the purpose of assisting them to finance the costs of agricultural commodities, for provision that such disbursement be made for the purpose of reimbursing them for such costs and inserted provision that lunch assistance disbursements to schools under this section and section 1759a of this title may be made in advance or by way of reimbursement according to procedure prescribed by the Secretary.

#### EFFECTIVE DATE OF 1981 AMENDMENT

### § 1758. Program requirements

#### (a) Nutritional requirements

(1)(A) Lunches served by schools participating in the school lunch program under this chapter shall meet minimum nutritional requirements prescribed by the Secretary on the basis of tested nutritional research, except that the minimum nutritional requirements—

(ii) shall, at a minimum, be based on the weekly average of the nutrient content of school lunches.

(B) The Secretary shall provide technical assistance and training, including technical assistance and training in the preparation of lower-fat versions of foods commonly used in the school lunch program under this chapter, to schools participating in the school lunch program to assist the schools in complying with the nutritional requirements prescribed by the Secretary pursuant to subparagraph (A) and in providing appropriate meals to children with medically certified special dietary needs. #### (B) SUBSTITUTES.—

(i) STANDARDS FOR SUBSTITUTION.—A school may substitute for the fluid milk provided under subparagraph (A), a nondairy beverage that is nutritionally equivalent to fluid milk and meets nutritional standards established by the Secretary (which shall, among other requirements to be determined by the Secretary, include fortification of calcium, protein, vitamin A, and vitamin D to levels found in cow's milk) for students who cannot consume fluid milk because of a medical or other special dietary need other than a disability described in subparagraph (A)(iii).

(ii) NOTICE.—The substitutions may be made if the school notifies the State agency that the school is implementing a variation allowed under this subparagraph, and if the substitution is requested by written statement of a medical authority or by a student's parent or legal guardian that identifies the medical or other special dietary need that restricts the student's diet, except that the school shall not be required to provide beverages other than beverages the school has identified as acceptable substitutes.
